The new director has been with the Extension Service in Michigan since 1915.

Junior Riders to be Featured In Rotary Sponsored Show

The Northville Horse Show, July 30 through August 1, being put on by the Rotary Club at the Northville Riding Academy, is the red letter event of the year for the Northville Junior Riders. This group of young Northville girls, 10 to 15 years old, who have been riding as a class under the tutelage of Mrs. Taft Johnson at the Northville Riding Academy for the past several months, will compete with each other in the local horsemanship class. A bronze horse trophy plus a blue ribbon will be awarded to the winner, with the other place winners receiving ribbons.

This group is made up of the following girls: James Beckel, Barbara Prunty Ann Sears, Andy Owen, Gail Matzen, Barbara Groom, Cynthia Gates, Franny Malley, Cissy Bloom, Katy Kampf, Sally Wagenschultz and Sandy Schoof.

Around the various home parents may be mystified by such terms as changing leads, stop, gallop, cantering, flying change, and other equine expressions, however, it all makes sense to this younger equitation set, and they are seriously making ready for the big event. It is expected that these junior riders will display some fine horsemanship.

Northville riders entered in the open Horsemanship class and competing with the best junior riders in Michigan will be Franny Malley of Fruitfield Farms, riding her horse Midnight, and Billy St. Lawrence of Sheldon Road, who will ride his pony.

Other local entries to date are as follows: Edward Porath's Lucky Joe, in the Quarter Horse class; Dr. A. B. Curcio, an entry in the Saddle Horse class; Miss Sally Leckman's Tag-along, in the Pleasure Horse class; Gerald Taft has a string of Morgan Horses entered in the various Morgan classes.

H. H. Hannah has entries in both Morgan and Saddle Horse classes, Milo Dugan has entries in the Morgan classes. Other entries in the Morgans are expected by St. Clair Hamlin, Milo Measel and Fred Verran.

The Western riders of Saddle Ridge Club in their colorful costumes, will be entered in numerous Western classes and will also do their famous square dances on horseback at every performance.

Mrs. Taft Johnson, secretary of the show, states that the entries will approach the 400 mark, making the Northville show one of Michigan's leading Horse Shows of the year.

Guests Tuesday at Rotary were John McLaren, Loren Goodale, John Wimsatt, and Ted Caveil of Plymouth, Cliff Huckle of Detroit, Willard Ely of Dania, Fla., and Exchange Club Hill.

Villagers will be sorry to learn of the death of Dr. Z. Aschen-Brenner in Farmington early Tuesday morning. Dr. Aschen-Brenner had been ill for a short time.

NOTICE!

I wish to announce that the Northville Record will remain under the present ownership and management. The Record Staff will continue and will endeavor to give to the community the same service with the same integrity as in the past.

Improved Downs Will Open Aug. 2

When this section plays host beginning Monday, August 2, to Michigan's harness racing enthusiasts, it can do so with a new pride. Northville Downs this year will be unveiled as one of the most modern trotting and pacing tracks in all of America.

Not only will the stars of the harness world compete here, but the latest equipment for conducting this famous old sport and for the convenience, comfort and protection of the public will be in operation.

It's a pretty picture, too, from the local economic viewpoint because Northville Downs contributes in a major way to the welfare of the section.

A vast majority of the people who work at the track come from this section. Many of them have for weeks been helping install the numerous new improvements. Probably as many as 250 will have drawn salaries at Northville Downs before the meeting comes to a close on October 9th. And as one Northville-Plymouth section worker puts it, the wages are high—away above national average.

Business men in various lines benefit too. Thousands of neighboring Michiganders travel through Northville each week night to witness the sport. Many stop for food, refreshments, gasoline, oil and various other things. Hotels and rooming houses flourish with business from the horsemen and members of their families. And there is a host of local merchants who supply the track and the horsemen.

"It is not to be forgotten, too," commented one Northville businessman, "that this business is created at a time when business normally would be flat in this section. For many of us, it provides the best business season of the year. This year it will exceed more than two months from the end of the ledger and throw it over on the high profit side."

Records show that there are more than 200 shareholders in this section who qualify as part owners of the Northville Driving Club, owners of the track property. Last year each share of this stock returned more than \$90 in earnings.

All this runs into many tens of thousands of dollars—and still it is not all taxes and special fees swell the fund importantly.

Here are some of the sensational new things to look for when you visit the night racing plant this year.

American Tote System Northville is the first track in Michigan to use this system now employed by America's leading race courses, such as Belmont Park in New York, Arlington in Chicago, Santa Anita on the West Coast and others.

The Tote is an electronic device which registers every wager the instant the mutual ticket is printed and sold in the electrical selling machines. The pool is interpreted in odds against each horse in the race, and these constantly changing odds are flashed on electrical odds boards in the infield and under the grandstand.

Seating capacity has been increased by 1500, there's space for 1000 additional automobiles and all parking lots have been well lighted.

The track lighting system has been rebuilt and will flood the course with 30 per cent greater brilliance.

The public address system has been replaced with a modern intercommunication system. More than 50 well modulated speakers at various places where the public assembles direct their messages from above to the ground. With this modern device, the sound will not carry far from the track but all visitors can hear well within the track.

A new Telautograph, an electrical writing device, is being installed. It flashes payoff prices from a central location to all cashiers' windows simultaneously, reducing waiting time to a new minimum.

Waiting and crowding at the entrance gates will be reduced through installation of turnstiles similar to the ones used in New York City's subways.

A number of improvements have been made in the track proper. Turns have been widened 10 feet and banked for greater safety. A new drainage system has been installed. This, it is said, (Continued on back page)

Brader Team Tops Baseball League

The Northville Braders team is at the top of the Little Rock League at the time of this writing, claiming a total of five games won and no losses. They defeated the Plymouth-Scott team last Thursday 27-1 and Monday morning were again victorious against the Plymouth Firemen, 34-1.

Transportation to and from the games was provided by the Northville Hardware Volunteer drivers are needed to take the boys to Plymouth to the games and if anyone can aid in this way they are asked to contact Scotty Slessor, recreation head.

Standings in the Little Rock League last week were as follows: Northville, Yanks, Plymouth, Mail Firemen, Great Americans and Arceet.

Vets Must Reinstate Insurance by July 31

To all veterans: July 31, 1948 is positively the last day to reinstate your national service life insurance. There will be no extension beyond this date.

Veterans Administration Carl R. Gray, Jr., this week reminded veterans that July 31, 1948 is the last day for reinstatement of lapsed National Service Life Insurance on a comparative health basis.

Before August 1, 1948 an eligible veteran may reinstate any amount of term insurance from \$1,000 to \$10,000 in multiple of \$500, regardless of the length of time the insurance has been lapsed and usually without a physical examination. He need only fill out a simple application form in which he certifies that his health is as good as when the policy lapsed and pay two monthly premiums at the same rate he paid while in service.

On and after August 1st, the privilege of reinstating on this basis will be available only to veterans whose insurance has lapsed for less than three months. Where the period of lapse is three months or longer, the veteran will be required to take a physical examination and qualify as an insurable risk.

More than ten million World War II veterans are still eligible for this reinstatement privilege. Without any question of doubt, many thousands of these veterans would be unable to pass a physical examination for insurance purposes, if such examination were required. For this reason alone, we believe the information given herein should be made public by every means in order that all World War II veterans may be advised as to this final deadline.

St. William's Fiesta Comes This Sunday

The annual Fiesta on the grounds of St. William's Church at Walled Lake will be held Sunday, July 25.

The Fiesta will feature an Arts and Crafts Booth, Doll Booth, Fish Pond, Fortune Teller and C.Y.O. Booth selling novelties and refreshments. There will also be pony rides for children.

Grand prizes to be given away at the Fiesta are a Chevrolet Sedan, a radio-phonograph, electric roaster and clock and a doll dressed in 25 one dollar bills.

A family style beef dinner will be served in the church hall from 1:00 to 5:00 p. m.

Mr. and Mrs. Ernest Wood and daughters, Barbara and Beverly of Seven Mile Road, returned the first of the week from a trip to Bristol, Virginia, where they visited Sullins College. The twins have enrolled to attend school there starting in September.

Chairman

GEORGE A. LOCKE,
Chairman of the Blood Bank Drive.

Blood Bank Here Next Thursday

A Bloodmobile Unit, sponsored by the Northville branch of the American Red Cross, will be at the Veterans' Memorial Hall next Thursday from 1:00 to 5:00 p. m. George Locke is chairman of the Village drive.

Dr. Thomas P. Crane, manager of the Dearborn Veterans' Hospital has made a plea for all persons between the ages of 21 and 60 who are able to donate blood to do so. Those between the ages of 18 and 21 may give blood if they have written permission from their parents.

The monthly quota has risen to four times the 100 points needed six months ago and Dr. Crane expects the need to increase still more as the number of critically ill patients rises.

Appointments may be made by calling Mr. W. F. Forney, Northville 381-M or 356-J.

Northville Woman is State Champ

Of interest to Northville people is the following fact taken from the Traverse City Record-Eagle.

Two newly crowned state shuffleboard champions today at their sights for competition in the national summer championship tourney have next week following victories recorded in the finals of the three-day 15th annual Michigan tournament Wednesday night on the Traverse City Shuffleboard and Games Club courts.

J. E. Mayhew of Detroit captured the men's state title and Mrs. Vera Bunn of Northville won the women's crown in the finals matches which headlined the final evening of competition.

Mayhew, a director of the state shuffleboard association, who was competing in his first state tourney, defeated Arthur Richards of Kalamazoo in a lengthy contest by scores of 102-53, 11-106 and 102-88. Mrs. Bunn, a veteran shuffleboarder who has reached the semi-finals in national play, annexed her title by downing Mrs. Florence Cox of Lansing in straight games, 105-94 and 105-75.

Third place honors went to D. B. Bunn of Northville, who defeated Ernest Knerim of Sunfield, and to Mrs. A. T. Baldwin of Palmyra, who won over Mrs. Edith Hawley of Porterville. Consolation winners in each division were W. C. Hawley of Porterville, who won over Floyd Giffett of Battle Creek and Mrs. Leola Martin of Saginaw, who defeated Bess Hays of this city.

Security bond prizes were presented to the eight winners by Lew Benesty of this city, state association president in ceremonies immediately following the conclusion of play.

A large crowd of spectators was on hand for the wind-up of the three-day tournament.

The state tourney preceded by a week the national championship event, which will be staged here July 19-21.

The Royal Neighbors society will hold a meeting at the home of Mrs. Amelia Ford Monday, July 26 at 7:30 p. m. Members are requested to be present as special business will be transacted.

August Services at Methodist Church

Sunday, July 25, will be the last day that the Presbyterian church will be host to the Union services.

Beginning with the first Sunday in August, services will be held during that month in the Methodist church with Rev. Harold F. Fredsell of the Presbyterian church officiating. As in past years, music will be furnished by the host church.

Several Dog Bites Reported to Police

A bicycle belonging to Chris Neuman of Clement Road was stolen in front of the A and P Grocery store last Wednesday. The bike, a Columbia make, is painted red and white, and the Northville police department is making every effort to recover the vehicle.

Saturday afternoon, the police were called to Sheldon Road to alleviate the traffic snarl caused there by a Good Humor Ice Cream truck being overturned. Youngsters were busy eating the ice cream bars, causing a congestion.

Sunday, John Boyer of Novi Road was bitten by a dog owned by Leonard Luedtke of Carpenter street. The lad was treated by Dr. R. M. Atchison and the dog is now under Dr. E. B. Cavell's observation.

David the small son of the Leonard Luedtkes of Carpenter street was bitten by a dog owned by LaVerne Anderson, also of Carpenter street. The dog is also under observation at Dr. E. B. Cavell's.

The Northville Police Department cautions dog owners to keep their dog either on a leash or in a kennel. Several dog bites have been reported to them, and the police warn that they are strictly enforcing the dog quarantine law.

Young Peter Locke was bitten by a squirrel and is now being treated by a physician.

Northville families will be saddened to learn of the death of Mrs. Joseph Denton's sister, Mrs. James Goodellow (Sarah Stocker) which occurred June 30 at Port Huron, Michigan.

Mrs. Goodellow was seventy-three years old, and was the Denton's oldest sister. Mrs. Denton had not seen her sister for twenty-eight years, which was when she sailed to America. Mrs. Goodellow has four children. Her husband preceded her in death five years ago.

Northville Library Gains Recognition

National recognition was given the Village of Northville when pictures of the library were exhibited at Atlantic City, N. J., during the annual conference of the American Library Association recently. Part of a display of public library buildings in the United States, the Northville library attracted the attention of librarians from all sections of the country because of its unique homelike atmosphere.

Included with the pictures was a clipping from the Northville Record of Sept. 19, 1947, in which Florence Bilinsky described the "comfort and graciousness" of the Northville library and gave a short history of the building.

Many Children Enjoy Swimming

Large groups of Northville boys and girls are taking advantage of the supervised swimming being offered each Tuesday and Friday afternoons by the Northville Recreation Committee. Last Friday sixty children boarded the special Biddle bus at 1:25 in front of the Edison office and were driven to East Shore beach, Walled Lake for swimming. They boarded the bus again at 4:15 for the return trip. Transportation is provided by the Recreation Committee and all the child is asked to take is twenty cents entry fee, their swim suit and towel.

Wilson Funk and Scotty Slessor supervise the swimming and there is no age limit as to whom may take advantage of the activity.

The Northville High School Band in full dress uniform will visit Detroit Monday, Sept. 6 to perform in the music shell during the ninety-ninth Michigan State Fair and Exposition in progress Sept. 4 through 12.

The group numbering 65 musicians including drummers, will play under the direction of bandmaster, Leslie C. Lee, according to Graham T. Overgard, musical director for the fair.

Village Zoning Law is Amended

At the regular meeting of the Village Commission Monday night, which was attended by a large group of interested townspeople, it was decided by a 3 to 1 vote that Ordinance 123 be amended to allow a trailer community to be established on South Center street during the racing and fair seasons with five days prior thereto and subsequent thereto. The voting was as follows: Locke, Stubenvoll and Schultze, ayes; Ely, nays; Peters being absent.

Prior to the voting by the commission, letters were read from attorneys D. Harper Britton and Frank Kenney regarding matters pertaining to the legality of the adoption of the Village Zoning Ordinance and also as to whether or not the proposal to amend the Ordinance No. 123 was adopted by the 3 to 2 vote taken July 7.

A letter was read from state authorities stating that the present local jail does not satisfactorily conform to state requirements and steps must be taken to correct certain undesirable conditions or it will be closed. Mr. Ely recommended that an addition be built in the rear of the fire hall for this use and it is now being considered.

Chief Denton brought up the question in regard to the pay per hour for auxiliary police at the race track. The commission left it to the discretion of Mr. Denton and President Langford to establish a pay rate.

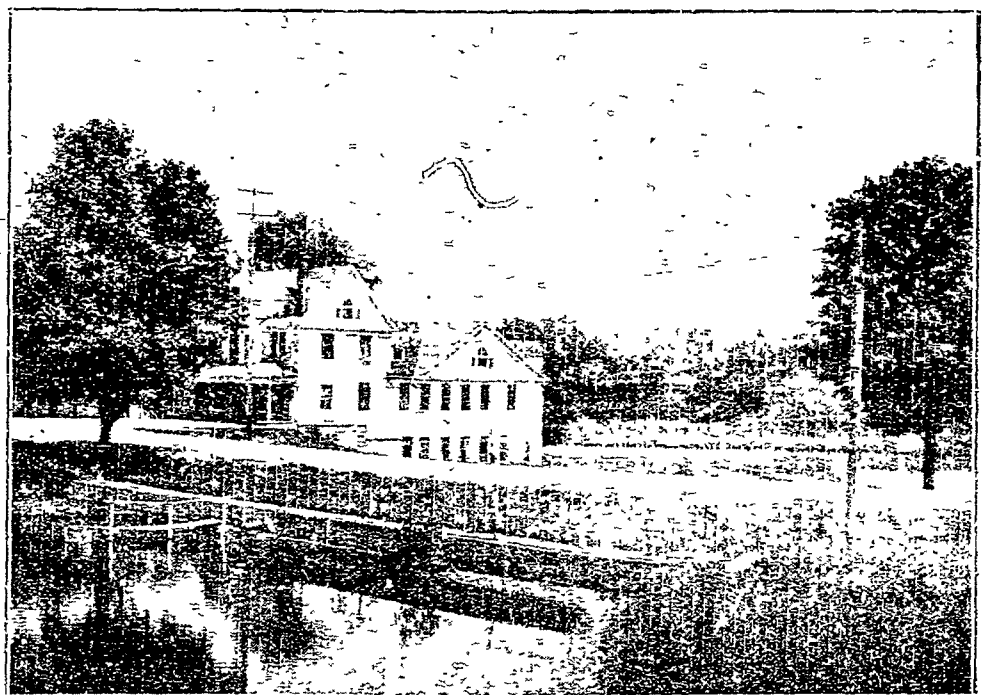

The question of reconditioning Fairbrook Avenue from South Center to Rogers streets was brought before the council and it was decided that Geo. Jerome & Co. be instructed to look at the road and present the council with recommendations concerning it.

Northville Fishery Serving Michigan

By Esther Finley

The U. S. Government Fish and Wildlife Service, located at 767 Fairbrook, Northville is one of approximately 85 fisheries in the nation. Founded by an Act of Congress, approved August 30, 1890, the service is operated by the Federal Bureau of Conservation. The Northville fishery is superintended by E. R. Widmyer and employs four men.

Covering an area of 15 acres, the service owns five buildings, including offices, living quarters, storage space and hatcheries. There are four small trout ponds,

fed from a spring in the service property across the road from the fishery proper. The spring is cleaned out each year and the vegetation is poisoned with copper sulphate and sweetened with lime. The water is supplied to the ponds through a six inch pipe line.

The bass and blue gills live in nine warm water ponds, supplied by a creek running through the fishery grounds.

The fishery hatches, rears and distributes approximately 25,000 legal size trout, and 600,000 fin-

gerlings including rainbow, brook and brown, and 50,000 small mouth black and large mouth black bass and 80,000 blue gills each year. The fish are distributed mostly to Michigan waters; the trout go north of Clara and the warm water fish, the bass and blue gills to the southern part of the state. Close to 2,000 fish are planted in the local creek each year.

The state distributes most of the fish as the fishery does not employ enough men to do this (Continued on back page)

of last week for a new building,
20x20 feet square, which, when
completed within the next month
or six weeks, will house Chelsea's
first automatic laundry service
for use of the public.

Attendance at the Farmington
Area Summer Recreation Pro-
gram, steadily increasing since
the program began four weeks
ago, is not far above the average
as set up by national statistics.
Program Director William Nuse
announced last week.

City Commissioners, at their
meeting last week, approved the
dust proofing of three groups of
streets in Farmington. The work
will consist of a temporary
asphaltic dust proofing, which
will be maintained by the City
over a period of five years.
Plymouth's Jaycee organization

Known throughout Central and
Western Michigan for the musical
revue it presents yearly on its
grandstand stage at night, the
Ionia Free Fair will have an even
better offering than in the past
when it opens for its 32nd annual
week August 9-14. President
Allan M. Williams has promised
over the past two weekends
the attendance at Dearborn Park
has been over the 10,000 mark,
according to Henry D. Schubert,
Commissioner of Parks and Rec-
reation of Dearborn. Mayor O.
L. Hubbard of Dearborn has
been on hand to greet the crowd
and welcome them to the new
park area.

During the Fourth of July week
and traffic across the State, at
Mackinac on the Michigan State

vehicles, being carried from Mac-
kinaw City to St. Ignace. This
an increase of 10.1 per cent over
the 9,970 vehicles carried during
the same period in 1947.

In that connection was sched-
uled to begin Thursday, July 15,
a new eighty-four Catholic
school and additionally to Ply-
mouth. Ground breaking cere-
monies held Sunday afternoon,
July 11, gave an official head-
start to the new school which is
estimated to cost between two

newly created position of as-
sistant superintendent at Haron
Valley Schools.

New school facilities for nearly
100 Ypsilanti school children will
be available by September 1, ac-
cording to a recent progress re-
port issued by Ypsilanti School

completed projects will cost ap-
proximately \$150,000 and include
a three-room addition to the cen-
tral high school and a four-room
addition plus a gymnasium-addi-
tion to the east side Prospect
School.

Work has been started on
Whipple street in South Lyon by
Luther Peevey who was awarded
the contract for putting in surface
drains and curb and gutter on
that street. The work was origi-
nated when property owners
petitioned the city council for the
improvements this spring. Other
improvements which are to be
carried out on Whipple street are
to remove the parkway and poles
in the center of the street and
the laying of a new blacktop sur-
facing.

"I Can Trust A&P..."

"We live in a pretty nice neighborhood. We aren't rich, and neither are many of our neighbors. Our income is what might be called 'comfortable' and we have most of the things we really want as well as some money in the bank, and we've never cashed our war bonds."

"We've come along in the world from a modest start not by skimping but by trying to spend wisely what we've had to spend and I've noticed that most folks who have a little something are folks who believe in getting their money's worth."

"I do all my shopping for food at A&P. I do it because I can trust them."

"I can trust them to buy the best that the market affords and to guard its quality and freshness until it come for it."

"For instance, when they mark eggs 'Grade A' I know they'll be 'Grade A' when I buy them (Grade A eggs, you know, will be B or C if they stand around the store too long or aren't properly refrigerated)."

"When I buy a steak at A&P I know it's beef from

a grain fed steer, expertly selected in the first place, and trimmed closely to give me my money's worth in meat, without too much fat and bone."

"I know that I can trust their fruits and vegetables to be fresh and crisp—not leftovers from the day before."

"I can trust A&P's advertising to be straightforward and frank. When they list the price of cauliflower, I know I can select the best head in the bin for that price. There's never a 'We're sorry there are no more left at that price, how about one of these for more.' And when they advertise hamburger at thus-and-so, that's the price of their best hamburger, not of a second 'come-on' grade."

"I trust their prices throughout the store and know I wouldn't save by shopping around the town."

"I don't mean that someone doesn't have a 'special' on something some time at a lower price than A&P. I mean that when I do all my shopping there, week in and week out, I'll save money and have the best that money can buy."

"Yes, I can trust A&P... and it's a mighty comfortable feeling."

There's a FACTORY on your Old Back Forty

Mr. Modern Farmer is chief executive, production superintendent, and engineer of a food-producing factory. And by using factory methods—letting electric power and equipment do the heavy, time-taking farm chores—he's reducing production costs, increasing output... a sound business formula used by all successful manufacturers.

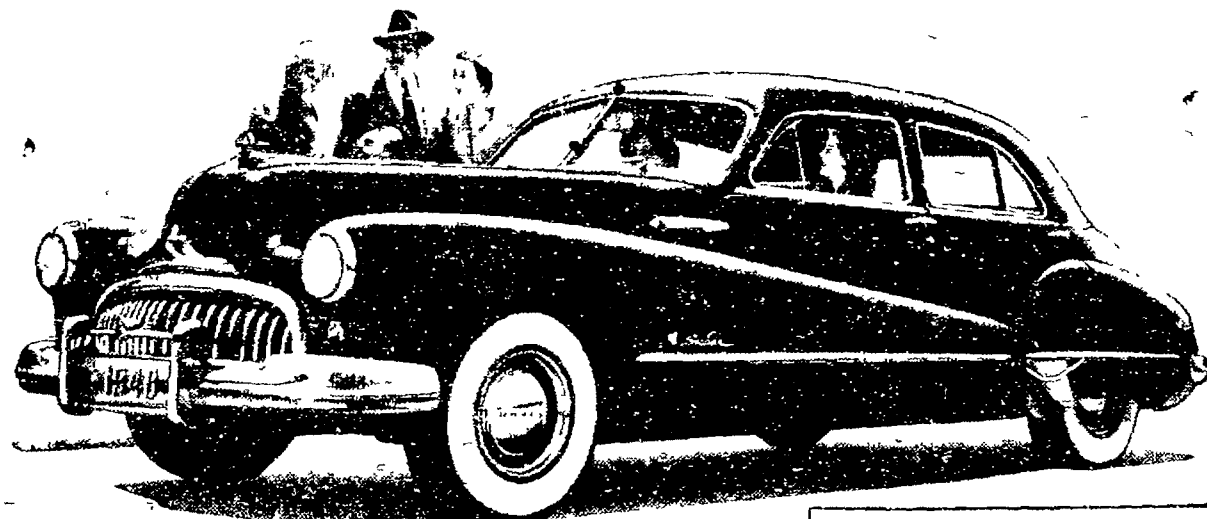

A call to your nearest Edison office will bring a Farm Service Advisor to your farm. He can give you expert, impartial advice—impartial because he has no equipment to sell. On hay drying, feed grinding, gutter cleaning and a dozen other jobs, the Edison man can help you pocket more profits from that factory on your old "back forty."

WHAT'S THE PRICE OF A BUICK?

7 out of 10 Guess Too High!

WE'll admit that this husky two-ton honey looks like something super-duper.

When you sample its ride, its handling and the silken liveliness of its big Fireball straight-eight power plant, you are likely to tickle it in the near-luxury class.

So, naturally, when we put the question to a cross section of carwise men and women—when we asked them to name their idea of the delivered price for a Buick SUPER—7 out of 10 guessed too high!

The fact is that—in relation to today's values—Buick prices begin at a lower level than before the war.

Dollar-wise, all prices are up—but Buick cars are not up as

much as most other things—or even as much as the cost of building them.

So don't jump to conclusions without a bit of shopping around. Get the delivered prices—not only on Buick but on others, too—including cars with far less power, far less heft, far less room and far less distinction.

You'll find that a lot of folks are paying within a few dollars of the price of a Buick—or maybe more than the price of a Buick—and getting something that can't hold a candle to what a Buick has to offer.

You'll find that price comparison gives you another sound reason for getting your firm order in—particularly since your Buick dealer will take it with or without a car to trade.

V.F.W. LADIES VISIT NATIONAL HOME

Several members from Northville V.F.W. Auxiliary 4012 motored to the National Home last Wednesday.

The V.F.W. maintains its National Home at Eaton Rapids, Michigan, one of the finest of its kind in America. It is truly a home in every respect, giving the orphan sons and daughters of American war veterans all the advantages and comforts of virtually normal home life. Established in 1925, with over a half million dollars invested in grounds, buildings and equipment, this home has been supported entirely through the voluntary work and subscription of V.F.W. members and units. Each family-size house has been erected and paid for by one of the V.F.W. State Departments. A \$75,000 Community Center was a gift of the V.F.W. Ladies Auxiliary which previously had built and presented to the National Home a \$35,000 hospital.

The ladies spent a very enjoyable day visiting with the children and house mothers, and attended a luncheon later in Eaton Rapids.

VISITORS HERE FROM NORTHERN MICHIGAN

Mrs. Raymond Plautt (Patricia Frid) and daughter, Leanna Louise of Bois d'Arc Island are visitors this week at the home of Mrs. Plautt's parents, Mr. and Mrs. Sidney Frid of East Main Street. The Frids drove up after Pat last Thursday and a get-together was held at the home of Mrs. Frid's mother Mrs. Peter Rudolph at Au Gres. Four generations were represented at the gathering and it marked the first time that Mrs. Rudolph had seen her great grandchild.

Mr. and Mrs. Frid plan to drive Pat back to her home Saturday, and they will spend some time at their summer cottage there.

LEAVE FOR ENGLAND

Mr. and Mrs. Lionel Priestman left Northville on Sunday July 19. They will go first to visit relatives at Jenny Lake, Corinth, Saratoga County and from there to New York to fly to England early in August. They tell us it is with deep regret that they leave behind their family who are all American citizens. The dollar situation and the state of their country compel them to return to England. Mr. and Mrs. Priestman have taken over the home at 301 Burton and will move in at once.

WOMEN'S BUSINESS CLUB TO MEET MONDAY

Business and Professional Women's Club will hold a regular meeting Monday, July 26, beginning at 6:00 p.m. at the Methodist church here. Dinner will be served at the meeting.

All members are urged to attend as there will be an important discussion regarding the new price of living sponsored. The ladies should call Mrs. May Alexander for reservations if necessary.

TO HOLD CLASS REUNION

The class of 1944 of Northville high school will hold a reunion August 3, at Cass Benton Park. The affair will get underway near the wading pool at 12:30 with a picnic luncheon.

Members of the class together with their friends and families are cordially invited to attend and reminisce with their old classmates. Each person is asked to bring its own picnic lunch. Softball is being planned for the afternoon.

CELEBRATES FOURTH BIRTHDAY AT THE ZOO

Last Thursday several of Judy Zayit's small friends accompanied her to the Zoo to help the young lady celebrate her fourth birthday.

Judy who is the daughter of Mr. and Mrs. Benny Zayit of Garfield Road, was guest of honor at a birthday luncheon held at the picnic grounds at the Zoo.

Married at Methodist Church

MRS. EDWARD COWEN FISLER

LAPHAM - FISLER

A pretty midsummer wedding took place Saturday evening at the Methodist church which united in marriage Lorraine Marie Lapham of North Center Street and Edward Cowen Fisler of Detroit.

Candelabra, palms, and baskets of white gladioli formed the setting for the double ring ceremony which was read by Rev. William Hughes Selma Schulte presided at the organ and played the traditional wedding music. Edwin Bauman, brother-in-law of the bride of St. Paul, Minn., sang, "Ich-Liebe Dich", and "Calm as the Night."

The bride, who was escorted down the aisle on the arm of her father, wore her sister's wedding gown which was fashioned out of white marquisette and lace which ended in a long train. It was styled with a yoke of illusion edged with a wide lace, ruffled long sleeves came to point over her wrists and two rows of matching lace was draped from the fitted bodice to the hemline. She wore a single strand of pearls which was held by a ring of the bridegroom, and a fingertip veil was caught to her head by a ring of white roses and gladioli.

Her only attendant was her sister, Mrs. Edwin Bauman (Lorraine Lapham) of St. Paul, Minn., who was attired in a long white gown with a full skirt and a full train. The bride's dress was made of lace with full bouffant net skirt topped with a wide train of yellow net and carried a bouquet of yellow roses and a bouquet of white roses.

Best man was the bridegroom's brother, James Fisler of Ypsilanti and scattering the guests were Donald Rogers of Portage Lake and Blain Race of South Lyon.

The bride's mother wore a navy dress with navy accessories and a corsage of white roses. Mrs. Fisler wore a navy, satin dress and her flowers were pink roses.

A reception for about eighty guests was held immediately following the ceremony in the church parlors. Lighted tapers and a three-tiered wedding cake graced the bridal table. Mrs. James Fisler of Ypsilanti and Eleanor Breitmeyer presided at the silver service.

The young couple are spending their honeymoon in Northern Michigan. For going away, the bride chose a navy fault suit with blue accessories, and a corsage of white roses. Upon their return they will make their home in Detroit.

Lorraine is the daughter of Mr. and Mrs. Luther Lapham and attended both the local Grade and High school, graduating from the latter with the class of 1944. She attended Michigan State College for two years and received a Bachelor of Science degree in Library science from Michigan State Normal College, Ypsilanti, this June. She is affiliated with Delta Sigma Epsilon social sorority.

The bridegroom is the son of Mr. and Mrs. Edward C. Fisler of Detroit and has attended Michigan State Normal College. He served in the Marine Air Corps. He is now a student at the College of Advanced Traffic Management in Detroit.

Guests were present from Dearborn, Adrian, Ypsilanti, Farmington, St. Clemens, South Lyon, and St. Paul, Minn.

Mrs. Myron Taylor is at her home on Yerkes street looking after her daughter, Mrs. Fred Oliver of New Hudson and her sister, Mrs. Flora Maloin. Mr. and Mrs. C. B. Payne and family of Grace avenue returned this week from two week's vacation visiting relatives at Meridian, Mississippi.

WALKER - VOGTLIN

A candlelight service at the home of Mr. and Mrs. A. H. Vogtlin on Grandview Avenue Saturday evening, July 17, united in marriage their daughter, Elaine, to Edward Walker, son of Mr. and Mrs. Alvah Carnes of Plymouth.

The bride's dress, which she fashioned herself, was of white batiste, designed with a deep collar of eyelet and circles of eyelet trimmed the full skirt. She wore a white picture hat of straw trimmed with net and carried a colonial bouquet of roses centered with an orchid.

Her only attendant was a classmate, Mary Lou Smith, who wore a blue net dress, styled with a net yoke, offset by a ruffle, and bouffant skirt. She carried a colonial bouquet of red roses.

Jim Walker served as his brother's best man.

A reception immediately followed the ceremony for members of the immediate families and a few close friends.

Following the wedding trip to Osoda, Michigan, the couple will make their home in Plymouth.

Members are asked to bring their own plate of vice and sandwiches. The girls will bring a passing dish and the boys will be asked to pay for the beverage and ice cream.
