Mich. Bell Gives New Phone Rates

The Michigan Public Service Commission today approved a new schedule of rates for the Michigan Bell Telephone Company in compliance with an order of October 6 increasing the company's revenue by \$8,217,000 a year.

Effective immediately, the rate increase, which, after taxes, will mean \$5,094,740 to the company, will be applied to each of the company's 242 exchanges and virtually every type of Michigan Bell service. The rate increase is the first to the company in 22 years.

The order and rate schedule authorize, relatively higher increases in some exchanges, including Northville to correct inequities, J. R. Saxton, manager said. He pointed out that a Commission order of 1942, while dissolving such inequities in exchanges where charges were above the level fixed in the rate schedule at that time, made no increases in exchanges where rates were below such levels. "Rates in Northville have been on the low side for years when compared with other exchanges of like telephone development and calling opportunities," he said.

Monthly rate, for local exchange service here will be increased as follows:

Residence service - Individual line, from present rate of \$2 to \$2.75, two-party, from \$1.85 to \$2.25, four-party, from \$1.60 to \$2; and rural from \$1.50 to \$2.

Business service - Private branch exchange, from present rate of \$4.46 to \$7.50, individual line, from \$2.88 to \$5, two-party, from \$2.30 to \$4, rural, from \$2.25 to \$3.25.

Rates for residence extension telephones are increased from 50 cents to 75 cents monthly, and for business telephones, from \$1 to \$1.25.

Long distance revenues on calls to Michigan points are increased from 6 per cent with the following changes: reduction in the initial calling period (before overtime charges) from 5 minutes to 4 minutes for distances of 10 to 15 miles and to 3 minutes for distances over 15 and up to 30 miles increase in overtime charges from the present 1/4 to 1/3 of the initial period rate. Increase of 5 cents on night and Sunday calls for distances of 48 to 112 miles.

The Commission said its order, which becomes effective more than a year after the Michigan Bell filed its application for an increase, will provide a return of 6 per cent on the adjusted investment Commissioner Schuyler L. Marshall, however, said that continued inflation might force a drop in that return. "Frankly," he said, "We expect Michigan Bell back in a short time."

The company pointed out that the return is due to shrink because of rising costs of doing business, together with the additional investment required for service improvements and expansion. It said it probably will seek an additional increase soon. It will publish legal notices of its proposal at that time.

"In line with its policy of providing the best possible service at the lowest possible cost," said Saxton, "Michigan Bell purposely held its request for a rate increase in August, 1947, to what it considered would be its absolute requirement at that time."

"In the year since the company filed its application, however, its costs, like those of everyone and every business, have continued to rise. Some weeks ago, it became apparent that the company's judgment of a year ago was out of line with the facts of inflation today."

The company is now at about (Continued on Page Ten)

Directs Chorus

NICHOLAS KOSTROVOFF, director of the Don Cossack chorus which will appear here Oct. 23.

Cossack Concert Comes Next Week

The General Platoff Don Cossack Chorus will present a concert at the Wayne County Training School Auditorium Friday evening, October 29 at 8:15. They are being brought here under the auspices of the Northville Business and Professional Women's Club.

Nicholas Kostrovoff will conduct the chorus, which was officially founded in Prague in 1925 under the high patronage of the late Thomas Masaryk, who was then president of the Czechoslovak Republic. It was named after the famous Cossack general because of his great military feats in the early 19th century and also his fostering of good music. Led by Kostrovoff they sang their strange melodies of the steppes in the far-flung corners of the world.

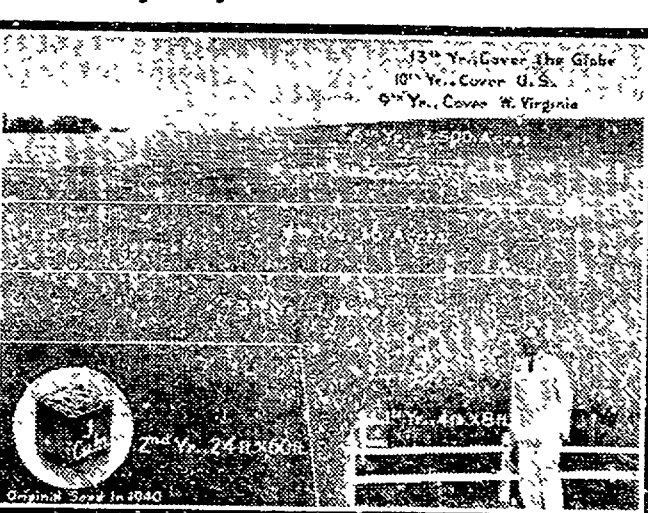

The Cossacks came to the United States to sing at the San Francisco World's Fair and have been here ever since. They captured the interest of American audiences from the start and season after season tour the country from coast to coast.

L. Stage Residence Is Damaged by Fire

The Lester D. Stage residence of East Cady street was badly damaged by a fire last Wednesday evening. The Northville Fire Department was called to the scene by neighbors who saw smoke billowing from the roof. No one was home at the time the fire started.

Believed to have been caused by the furnace the fire got a good start in the interior and did damage from the basement on up through the second story. It is said that a good share of the damage will be covered by insurance.

Perry Hayden Comes October 25

The famous "Quaker Miller" will show his color sound film at the Presbyterian Church House, October 25.

Twin Shoots Brother While Playing Cards

Wild West style, Jerry Taylor, 16, and his twin, James, played cards Saturday with a loaded pistol on the table between them. Jerry, of Ann Arbor, was visiting his brother at the farm of A. N. Thompson, 48399 Seven Mile Road west, near Northville, where James was working. They played in a trailer near the Thompson home.

First, they took the powder from the cartridges in a box of 22 caliber, leaving the primer to make a convincing explosion when one twin would scowl at his cards, look at the other suspiciously, draw that "Ah believe you're cheating," "pardon," and fire.

Only, somehow, they overlooked one live cartridge, and when James fired, Jerry fell to the floor with his hands clasped in real not mock, agony, over his heart.

Jerry died in Sessions Hospital, Northville, early Sunday. — Detroit News.

Quaker Miller to Speak October 25

Perry Hayden, Tecumseh's famous "Quaker Miller" will speak and show his famous color sound movie, "God Is My Landlord" at the Presbyterian Church House next Monday evening, October 25 at 8:30 p. m. The event is being sponsored by the Presbyterian Men's Club.

Mr. Hayden, who recently returned from the West coast where he showed his film, planned a cubic inch of wheat in 1940 on a plot of ground furnished him by the late Henry Ford. He harvested one quart of grain which he cut by a sickle, gave a tithe of the crop to his church and planted the remaining 99 per cent.

Successfully for the next five years he turned a tithe over to the church and planted the remaining 99 per cent until 1946 he had to plant 2,466 acres, using land from 275 cooperating farmers of all faiths and creeds.

"God Is My Landlord" is a color sound film which required seven years to produce. It is backed by the late Henry Ford, Eddie Rice, backer, Dr. Walter A. Miller, James L. Kraft and others who appear in the picture.

Mr. Hayden is a dynamic speaker himself and tickets are available at Neil's Northville Hardware, Carrington Agency, Gussell's Drug Store and Johnson Gift Shop. The Village is cordially invited to attend the movie.

N.H.S. Team Wins Fourth in a Row

In one of the best played games seen in some time by Northville fans, the Mustangs defeated Center Line last Friday night with the score of 19-13. Although Busch High School of Center Line fielded a strong, heavy team, the local boys proved equal to their task.

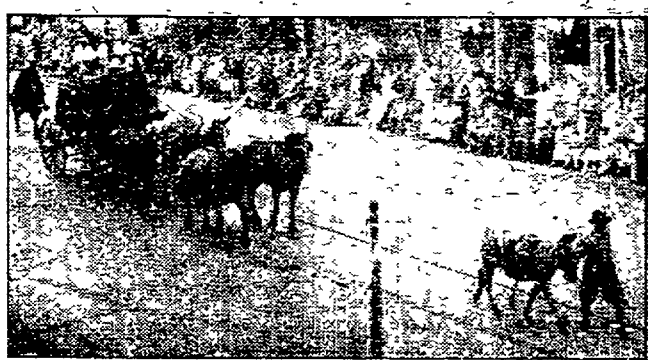

For the first time this season the Mustangs did some fine passing as well as playing a good running game. Stalker was on the receiving end of one pass which scored a touchdown and the game was made by Karian and the back field men at other points in the game.

Stovall gave the crowd a real thrill by intercepting a Busch pass in the closing seconds of the first half and racing about 70 yards to score. The other TD was made by Gray on a reverse. Sutton was successful on a place kick for the extra point.

Heslip was outstanding in the game with his fine work as line backer. Tonight, Friday, the N.H.S. squad journeys to Keego Harbor to play what might prove to be their toughest game on this year's schedule. The Green and Whites have rolled over all opposition with ease so far but the Orange and Black plan to offer plenty of stiff competition.

The Junior and Senior High school students at an assembly last Thursday heard Jesse Stuart in an entertaining talk on home life in his native state, Kentucky. Mr. Stuart, who is the author of "Taps for Private Tussie," also talked about his struggle for an education.

Do You Remember When?

The picture, taken at the Village Centennial in 1927, shows William E. Matheson of Horton Street leading a donkey.

Remnants of a Century Are Recalled in Pageant of 1927

The above picture was taken in August, 1927 when Northville celebrated its centennial. The Village's one hundred years of growth was marked by a gigantic celebration in which 18 old fashioned vehicles were borrowed by Harry Clark and the late F. W. Neal from Henry Ford's Greenfield Village to mark the era Northville's inception and growth over the century is interesting and bears telling once again.

The following information was taken from the 1927 centennial edition of the Record which was loaned to us by Harry B. Clark:

How the Village Was Named: Plymouth township was settled and organized in 1826, and two communities developed. A friendly rivalry existed between these two communities with regard to growth of building and population which continued until the pioneers decided it wise to separate the two. This was done in 1898.

A meeting was held to name the new community and several names were suggested. Some of the settlers thought it should be called Dunlap, after Captain William Dunlap who was one of the first pioneers to settle here and the father of Mrs. Jennie White who at the time of the centennial was 87 years of age. It is told that Captain Dunlap then, at his home, lay down on his back and named a village that he dreamed the home.

The name "Northville" was finally chosen as this was the northern half of the community when the division was made.

Village Industries: Northville's industries throughout the century ranged from making boots to pottery and from paper organs to furniture. Previous to the Civil War, Northville made hand-made shoes and boots, and between 1845 and 1850, a two-story stone pottery was erected on the ground where the U. S. fish hatchery now stands. This was owned and operated by Asa Harmon and his son, John both of whom were potters by trade sold their wares all over southern Michigan.

Other notable industries in the Village during the century were making apple barrels, lumbering, the auto valve plant, school and church furniture, fish culture, pipe organs, milk condensers, grist mills, and Stinson aircraft.

Interesting Personalities: A discussion of Northville's century of history would not be complete without mention of some of its more eminent personalities. One of them was Francis R. Beal who was born on East Main Street in 1836. A large man, he was an entertaining talker and was one of the largest builders of houses that Northville ever had. He was a fine French scholar and lived to be 86 years old.

Another interesting person who had a hand in shaping Northville was J. S. Lapham who became widely known through this area as a merchant and wool buyer. He later established the first bank in Northville. Later in life he became an extensive grain broker and a prominent figure on the Detroit Exchange. His death in 1893 at the age of 71 removed Northville's wealthiest citizen as well as a backbone in the community.

With the beginning of the Civil War there came to the Village Dr. J. M. Swift who with Dr. James Hueston were the two outstanding physicians in that day.

Dr. Swift was an exceptionally fine orator, and it is told that his vocabulary was exceptionally large. He was also a fine tenor and conducted a singing school throughout the winter months.

Parking Changes Are Made by Commission 6 Proposals Face November Voters

The Village Commission met in regular session Monday evening with Commissioner George Locke presiding in Mayor Langfield's absence. Present at the meeting were Commissioners Locke, Stubenvoll, Peters, and Schoultz. Absent were the Mayor and Commissioner Ely.

The Library requested limited parking in front of its premises and that request was granted.

To facilitate street cleaning, it was decided that there should be no parking off Main street between Rogers and Park and on Center street between Base Line and Cady from 2:00 a. m. to 7:00 a. m. each day. This will provide for easy snow pick-ups during the winter months.

Bills were approved and passed and there being no further business appearing, the meeting was adjourned.

St. Paul's Bazaar Comes October 27

The annual bazaar sponsored by the Ladies Aid Society of St. Paul's Lutheran Church will open at 1:00 p. m. Wednesday, October 27, at the Veterans Memorial Hall. Mrs. Cora Feole is general chairman of the bazaar.

Mrs. Ida Butler will have charge of handkerchiefs; towels and pot holders, Mrs. Stella Heidt, aprons, Mrs. Florence Schulte, white elephant and used clothing, Mrs. Sophia Bello and Mrs. Emma Copland, fancy articles, Mrs. Margaret Gehring, pillow cases, Mrs. Edith Welter, canned and baked goods, Mrs. Marie Cochran and Mrs. Edith Nickel, juvenile department, Mrs. Catherine Newton, house plant, Mrs. Beatrice Newman, 500 bug, Mrs. Anna Schuch.

A turkey dinner will be served by the ladies of the church the same day in the basement dining rooms of the Veterans Memorial Hall. Serving will begin at 5:00 p. m. and last through 8:00 p. m. Mrs. Eleanor Dethloff is general chairman of the dinner with Mrs. Kay Kuehn as co-chairman. Mrs. Vera Heidt and Mrs. Lulu Witt have charge of the dining room arrangements. The publicity committee consists of Mrs. Emma Copland and Mrs. Stella Heidt. Mrs. Maurine LeFevre is chairman of the ticket committee. Tickets are now on sale and may be obtained from Mrs. LeFevre, any member of the aforementioned committees, or members of the church.

Originally scheduled for 60 days, but a four day extension, inclement weather caused the cancellation of five programs during the closing weeks.

That interest in harness racing has not waned in the Detroit area was amply proved when the public wagered \$11,508,681 during the 59 days, or a daily average of \$195,062. Of this amount, the State as their share received \$326,790.31 in taxes and "breakage." This compares with a handle of \$7,512,255 for 48 nights in 1947, when the State's share was \$216,330.43.

Northville's Tommy Winn was leading driver at the meeting. In the sulky 270 times, Winn was in the money 149 times with 44 winners, was second 44 times and third on 21 occasions. Percentage-wise, however, Edward Cobb, of Washington Court House, Ohio was more impressive. Cobb accepted, 126 engagements and drove home 42 winners, was second 19 times and finished third 61 times.

Cobb, who owns and trains his own stable, also saddled the biggest money winner of the meeting in Royal Man. Royal Man, one of the better pacers on the grounds earned \$5,987.50 for his owner over the 59 day stretch. The management, looking forward to 1949, is planning installations of new barns, paddock, and extensive landscape operations in the infield.

Republican Rally in Plymouth, October 27

A Republican rally will be held in the Plymouth High school auditorium next Wednesday, October 27 at 7:00 p. m. sharp. Chief among the speakers on the program are incumbents Governor Kim Sigler and Congressman George Dondero. Also to be featured on the program are other state and county officials.

Republican headquarters for this district are located at 831 Penniman Avenue, Plymouth, and literature and buttons may be picked up there. Everyone in the community is invited to attend the rally.

6 Proposals Face November Voters

Voting registration in the Village and Township closed Wednesday, October 13 with some 2500 persons registering to vote in the November 2 election. Township clerk Fred Lyke says that many new voters signed up as well as several new residents to the community along with scores of persons who renewed their registration.

Citizens who go to the polls November 2 will vote for a president and vice-president of the United States; governor, lieutenant governor, secretary of state, attorney general, treasurer, and auditor general for the state; United States senator and representative in Congress; state senator and representative in the state legislature; and county officials including judge of probate, prosecuting attorney, sheriff, county clerk, county treasurer, register of deeds, coroner, auditor, drain commissioner, and circuit court judge.

Voters also will be asked to vote on several proposals chief of which is a referendum on the question of calling a convention for the purpose of general revision of the constitution.

In addition the Michigan voter will also be faced with six proposals, one, a constitutional amendment relative to the succession to the governorship, two, an amendment providing for repeal of the sales tax division amendment, three an amendment providing that the compensation of the governor, secretary of state, state treasurer, auditor general, and attorney general shall be determined by law; four an amendment providing that the compensation and expenses of members of the legislature shall be determined by law, five, an amendment to modify the 15-mile limitation, six, a referendum on the act to regulate and control the operation of foreign agencies within the state.

St. Paul's Bazaar Comes October 27

Tickets are now on sale and may be obtained from Mrs. LeFevre, any member of the aforementioned committees, or members of the church.

Harvest Dance at High School Gym

Tonight, Friday marks the opening of the winter social season with the Harvest Dance in the High School Gym. Dancing began at 8:30 and continued until 12:30 to the strains of Longie Simason's orchestra. Some square dances will be included in the program.

Will Pate, chairman of the dance, which is sponsored by the executive board of the Parent-Teachers Association, reports that the response to the ticket sales has been gratifying and that tickets may still be purchased from any member of the executive board, any home mother or at the door.

A committee of fifth grade room mothers is doing the decorating, employing the harvest theme. The committee is composed of Mrs. George W. Kohn, chairman, Mrs. Dewey Burrell, Mrs. Oline Butler, Mrs. Charles Ely and Mrs. L. Howard.

Dress is optional and sponsors feel that both schools of dress will be well represented.

Driver-Training for Adults to Begin Soon

An organizational meeting for the adult driver training class will be held in the High School next Wednesday evening, October 27 at 7:30 p. m. The class which is open to any adult in the community who wishes to learn how to drive will meet to decide when to hold their classes of instruction.

H. B. Smith will be in charge of the classes which will give to those persons enrolling the fundamentals of driving, mechanics of a car and other useful material.

Originally scheduled for 60 days, but a four day extension, inclement weather caused the cancellation of five programs during the closing weeks. That interest in harness racing has not waned in the Detroit area was amply proved when the public wagered \$11,508,681 during the 59 days, or a daily average of \$195,062. Of this amount, the State as their share received \$326,790.81 in taxes and "breakage." This compares with a handle of \$7,512,255 for 48 nights in 1947, when the State's share was \$216,930.38.

Northville's Tommy Winn was leading driver at the meeting. In the sulky 270 times, Winn was in the money 149 times with 44 winners, was second 44 times and third on 21 occasions. Percentage-wise, however, Edward Cobb, of Washington Court House, Ohio was more impressive. Cobb accepted, 126 engagements and drove home 42 winners, was second 19 times and finished third 61 times.

Cobb, who owns and trains his own stable, also saddled the biggest money winner of the meeting in Royal Man, Royal Man, one of the better pacers on the grounds earned \$6,987.50 for his owner over the 59 day stretch.

The management, looking forward to 1949, is planning installations of new barns, paddock and extensive landscape operations in the infield.

Republican Rally in Plymouth, October 27

A Republican rally will be held in the Plymouth High school auditorium next Wednesday, October 27 at 7:00 p. m. sharp. Chief among the speakers on the program are incumbents governor, Kim Sigler and Congressman George Dondero. Also to be featured on the program are other state and county officials.

Republican headquarters for this district are located at 831 Penniman Avenue, Plymouth, and literature and buttons may be picked up there. Everyone in the community is invited to attend the rally.

Mich. Bell Gives New Phone Rates

The Michigan Public Service Commission today approved a new schedule of rates for the Michigan Bell Telephone Company in compliance with an order of October 6 increasing the company's revenue by \$8,217,000 a year.

Effective immediately, the rate increase, which, after taxes, will mean \$6,094,740 to the company, will be applied to each of the company's 242 exchanges and virtually every type of Michigan Bell service. The rate increase is the first to the company in 22 years.

The order and rate schedule authorize relatively higher increases in some exchanges, including Northville to correct inequities. J. R. Saxton, manager said. He pointed out that a Commission order of 1942, while dissolving such inequities in exchanges where charges were above the levels fixed in the rate schedule at that time, made no increases in exchanges where rates were below such levels.

"Rates in Northville have been on the low side for years when compared with other exchanges of like telephone development and calling opportunities," he said.

Monthly rate, for local exchange service here will be increased as follows:

Residence service - Individual line, from present rate of \$2 to \$2.75, two-party, from \$1.85 to \$2.25, four-party, from \$1.60 to \$2; and rural from \$1.50 to \$2.

Business service - Private branch exchange, from present rate of \$3.46 to \$7.59, individual line, from \$2.88 to \$5, two-party, from \$2.30 to \$4, rural from \$2.25 to \$3.25.

Rates for residence extension telephones are increased from 50 cents to 75 cent, monthly; and for business telephones, from \$1 to \$1.25.

Long distance revenues on calls to Michigan points are increased from 6 per cent with the following changes: reduction in the initial calling period (before overtime charges) from 5 minutes to 4 minutes for distances of 10 to 15 miles and to 3 minutes for distances over 15 and up to 30 miles increase in overtime charges from the present 1/4 to 1/3 of the initial period rate. Increase of 5 cents on night and Sunday calls for distances of 48 to 112 miles.

The Commission said its order, which becomes effective more than a year after the Michigan Bell filed its application for an increase, will provide a return of 6 per cent on the adjusted investment. Commissioner Schuyler L. Marshall, however, said that continued inflation might force a drop in that return. "Frankly," he said, "We expect Michigan Bell back in a short time."

The company pointed out that the return is due to shrink because of rising costs of doing business, together with the additional investment required for service improvements and expansion. It said it probably will seek an additional increase soon. It will publish legal notices of its proposal at that time.

"In line with its policy of providing the best possible service at the lowest possible cost," said Saxton, "Michigan Bell purposely held its request for a rate increase in August, 1947, to what it considered would be its absolute requirement at that time."

"In the year since the company filed its application, however, its costs, like those of everyone and every business, have continued to rise. Some weeks ago, it became apparent that the company's judgment of a year ago was out of line with the facts of inflation today."

"The company is now at about (Continued on Page Ten)"

Directs Chorus

NICHOLAS KOSTURKOFF, director of the Don Cossack chorus which will appear here Oct. 29.

Cossack Concert Comes Next Week

The Central Platoon Don Cossack Chorus will present a concert at the Wayne County Training School Auditorium Friday evening, October 29 at 8:15. They are being brought here under the auspices of the Northville Business and Professional Women's Club.

Nicholas Kosturkoff will conduct the chorus, which was officially founded in Prague in 1828 under the high patronage of the late Thomas Masaryk, who was then president of the Czechoslovak Republic. It was named after the famous Cossack general because of his great military feats in the early 19th century and also his fostering of good music. Led by Kosturkoff they sang their strange melodies of the steppes in the far-flung corners of the world.

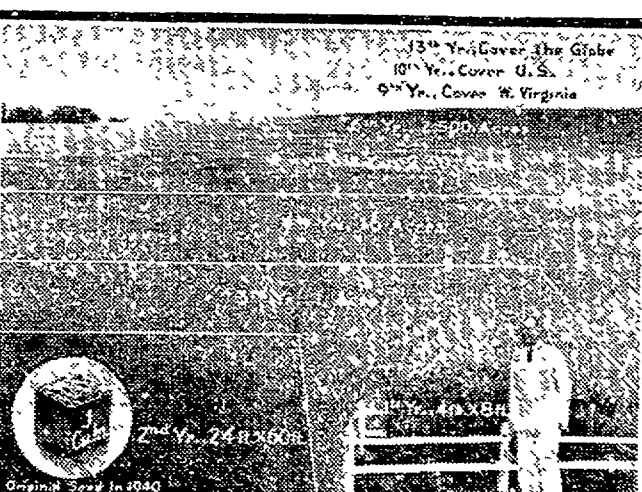

The Cossacks came to the United States to sing at the San Francisco World's Fair and have been here ever since. They captured the interest of American audiences from the start and season after season tour the country from coast to coast.

L. Stage Residence Is Damaged by Fire

The Lester D. Stage, residence of East Cady street, was badly damaged by a fire last Wednesday evening. The Northville Fire Department was called to the scene by neighbors who saw smoke billowing from the roof. No one was home at the time the fire started.

Believed to have been caused by the furnace, the fire got a good start in the interior and did damage from the basement on up through the second story. It is said that a good share of the damage will be covered by insurance.

Perry Hayden Comes October 25

The famous "Quaker Miller" will show his color sound film at the Presbyterian Church House, October 25.

OBITUARY

MISS CORA S. SLOAN
Miss Cora S. Sloan died at her home at 324 South Wing street Friday. Funeral services were conducted Monday from the Casterline Funeral Home with Rev. Walter Ballagh officiating. Interment took place at the family plot at Rural Hill Cemetery.

Miss Sloan was born November 20, 1877 to Oliver and Cleantha Sloan on the Sloan Homestead located at West Seven Mile and Ridge Roads, where she spent the greater part of her life.

After the death of her father the family moved to the village, locating at 214 South Center Street. For nine years she cared for her invalid mother until illness necessitated her removal to Maybury Sanatorium. She proved herself to be an ideal patient by her courage and cheerfulness. Though greatly handicapped she busied herself by sewing and knitting.

After spending eight years recovering at the Sanatorium, she was discharged and for 3 months lived with friends at New Hudson. Later she established her home at 324 South Wing street. A cousin, Mrs. Frances Richardson of Roscommon took care of her.

Miss Sloan was the last member of a pioneer family who took up land in 1837. She was a life long member of the First Baptist Church.

CARD OF THANKS
We wish to thank the Chief of Police, Northville Fire Department, neighbors and friends who were so helpful at the time of our recent fire.
Mr. and Mrs. L. D. Stage. 20

Dr. and Mrs. Waldo Johnson of Novi Road, Mr. and Mrs. Harold Putnam of Seven Mile Road and Mr. and Mrs. Carl Bryan of West Main Street were in attendance at the Marian Anderson concert in Ann Arbor the first of the week.

Girl Scout News
Girl Scout Troop 6 had their executive meeting last Monday at the home of Mr. Charles Batt. Projects for the coming year were discussed. Christmas cards are now available at Mrs. Batt's home and the girls may get them anytime.
The next meeting was held Wednesday at the Scout Building. The following reports were given: The History of Our Flag by Gail Blackburn, Juliette Lew, the founder of Girl Scouts; Nancy Dewbury, the History of Scouting; Barbara Prunty.

Presbyterian Church Scene of White-Leavenworth Rites

Leona Mae White, daughter of Mrs. Lillian White of South Rogers street, and Jay J. Leavenworth, son of Floyd Leavenworth of Beal avenue were united in marriage Saturday evening at

the Presbyterian church. Rev. Harold F. Fressell read the single ring service before an altar flanked with palms, candelabra and baskets of white gladioli and asters.

The bride who was escorted down the aisle by her brother, George, wore a gown of white slipper satin. It was fashioned with a seed pearl yoke and ended in a long train. Her fingertip length veil edged in Chantilly lace was caught to her head with a tiara of orange blossoms and she carried a bouquet of white roses.

The bride's only attendant was Shirley Maclean of South Rogers street who was gowned in royal blue net and taffeta. She wore red roses in her hair and carried a matching bouquet.

Best man was Irvin Marburger of Seven Mile Road, and seating the guests were Sidney Junod of Seven Mile Road and the bride's brother, Charles.

The bride's mother wore a beige crepe dinner dress and a corsage of roses and mums and Mrs. George Mairs, the bridegroom's sister was gowned in pink taffeta. Mrs. Mairs' flowers were red roses.

A reception followed the ceremony at the Presbyterian church house with Mrs. Sidney Junod and Mrs. Gwen Skerrett assisting.

The young couple left on a two-week wedding trip driving to Florida. For going away, the bride wore a light grey gabardine suit with wine accessories and a corsage of white roses. Upon their return they will make their home on Beal avenue.

Mrs. Leavenworth is a graduate of Northville High school and the Grace Hospital School of Nursing. She is employed at the Northville Clinic.

Jay is also a graduate of Northville High school and Detroit Business Institute and is employed as an accountant at the Ford Motor Company, Detroit.

Nagel Pocsta Wed in Detroit Rites

Shirley McFarquhar, daughter of Mr. and Mrs. George McFarquhar of Detroit became the bride of Nagel D. Pocsta Saturday evening, October 9 at the Grandale Presbyterian Church in Detroit. Rev. Kierkegaard officiated at the double ring service. Nagel is the son of Mr. and Mrs. Walter Pocsta of St. Marys, Detroit formerly of Michigan.

Jaqueline Kallbach of Flint cousin of the bridegroom, rendered "Because" and "Oh Promise Me." The church was decorated with bouquets of white asters, gladioli and candelabra.

The bride, who was given in marriage by her father, wore a gown of eggshell satin, styled with a yoke, long sleeves ending in points over the wrists and hoop skirt which extended into a train. Her fingertip veil edged with Chantilly lace was caught to her head by a beaded tiara.

Attending as matron of honor was Mrs. Don Caldwell of Detroit, who was gowned in rose taffeta. Gensla Buhl, in blue satin, was the bridesmaid and the bride's sister, Joan, was the junior bridesmaid and she wore pink satin. The attendants carried colonial bouquets of roses and gladioli.

James Murray of Northville was the best man and Donald Reeves of Detroit and Lawrence Eckles of Plymouth were ushers. Danny Stenback was the ring-bearer.

The bride's mother chose a grey crepe dress for her daughter's wedding and Mrs. Pocsta wore a black and white crepe dress. Each mother wore a corsage of pink roses.

A reception followed the ceremony at the American Legion Hall in Detroit and a buffet luncheon was served to about 275 guests.

The newlyweds left on a trip to Niagara Falls and then spent sometime at the Pocsta cottage at Grayling. For traveling the bride chose a grey suit with green accessories. They are making their home in Detroit where the bridegroom is employed as a electrician.

The new Mrs. Pocsta attended McKenzie High and the Detroit Business Institute in Detroit. Nagel graduated from Northville High School and attended the University of Detroit.

If you were the President of A&P...

What would you do to make your A&P a better place to shop?

Have you ever said to yourself, "If I were the President of A&P, I know what I'd do"? I think there are many A&P customers who would like the opportunity to express themselves on the subject of their A&P. I really believe that from your side of the counter, you know A&P best. That's why I ask your opinion.

You can help to make your A&P an even better place to do all your food

buying by sending me your suggestions ... criticisms ... and opinions.

For instance, what about our service? Is it as courteous and helpful as you would like it to be? Is it prompt and efficient, too? Do you always find all items plainly and correctly price-tagged - as they should be? What in your opinion are we doing that we could do even better? Or what are we not doing that you feel we should do?

I INVITE YOU TO WRITE AND TELL ME HOW YOUR A&P MAY SERVE YOU BETTER

We of A&P want to make our stores the finest places of all in which to shop. That is why your suggestions, criticisms and opinions will be gratefully received and acknowledged. You see there are 100,000 employees of A&P from coast to coast jealously guarding the A&P reputation for courteous, honest, and efficient service. They never want to fail you in any way, but if they do, I am sure that they, as well as I, would appreciate your writing me.

WITH OUR NEIGHBORS

Friday and Saturday of last

week was the 1948 version of the

Chelsea Community Fair attract-

ing contestants and visitors from

miles around.

First contingent of draftees for

Milford county will report for

preinduction physical examina-

tions Tuesday at the main re-

cruiting station in Dearborn.

The Milford Fire department is

\$140 in the good as the result of

the annual Firemen's dance Sat-

urday night here, its was an-

nounced today by Vern Baur,

general chairman of the occasion.

Howell Merchants are making

plans for city-wide Dollar Days

this week Thursday, Friday and

Saturday, a project initiated by

the Board of Commerce. This is

the second such event since be-

fore the war.

An urgent need for volunteer

solicitors in the forthcoming Ply-

mouth Community Chest drive

was voiced at the meeting of the

board of directors held last Wed-

nesday night in the Veterans

Community Center.

A big "Kick-Off Dinner" at

Allen Hotel at 7:00 p. m. Mon-

day marked the formal opening

of Ann Arbor's Community Fund

Drive to raise a record total of

\$158,600 for support of the 15 Red

Feather Agencies the fund sup-

ports.

The Otto Luttermoser Blue

Baby Fund of South Lyon has

reached the sum of \$819.25, more

than enough to pay for the oper-

ation which Otto Luttermoser

underwent about three weeks

ago. This generosity proves again

that "people are good."

Barring unforeseen circumstan-

ces, Huron Valley folks will have

plenty of fuel oil this winter

that is, the regular customers

who are on contract will. New

customers—well, maybe. That is

the picture given today by Mid-

ford oil dealers in a survey here.

Mighty Mt. Clemens, pre-sea-

son choice to win the Eastern

Michigan League Championship,

met Birmingham last Friday

right under the lights at Pierce

Field and were humiliated 31-6

by an underdog Maple eleven led

by Bob Littlejohn who ran wild

to score four touchdowns.

Interest in November's national

election stimulated voters in

Plymouth and vicinity to get out

and register, so they can have

their say about who will be the

next national, state, and county

office holders. Over 650 new vot-

ers registered in Plymouth and

Plymouth township to vote since

the primary.

The Rochester police depart-

ment will probably be equipped

with mobile, two-way radio

equipment within six weeks. The

village council voted unanimo-

us Monday night to purchase the

equipment but it is estimated that

construction and installation of

the custom-built set will take

that length of time.

The City of Birmingham is in

no position to undertake a recon-

struction of its sewerage system

and treatment plant, a matter

which would run the costs to as-

tronomical figures, the city com-

mission declared in a resolution

adopted last Monday evening and

which is to be forwarded to the

Michigan Stream Control Com-

mission.

A corner's jury convened at

8:30 p. m. last Wednesday to de-

termine the facts surrounding the

death of a wanted fugitive who

was shot to death near Saline last

Sunday after he had escaped from

a Saline Police officer earlier in

the day. The fugitive, Roosevelt

Perkins, 26, Detroit, was fatally

wounded with a deer rifle by

Kenneth McAllister, 19-year-old

member of the posse who lives

near Saline.

Friday and Saturday of last week was the 1948 version of the Chelsea Community Fair attracting contestants and visitors from miles around.

First contingent of draftees for Milford county will report for preinduction physical examina-

tions Tuesday at the main recruiting station in Dearborn.

The Milford Fire department is \$140 in the good as the result of the annual Firemen's dance Saturday night here. Its was announced today by Vern Baur, general chairman of the occasion.

Howell Merchants are making plans for city-wide Dollar Days this week Thursday, Friday and Saturday, a project initiated by the Board of Commerce. This is the second such event since before the war.

An urgent need for volunteer solicitors in the forthcoming Plymouth Community Chest drive was voiced at the meeting of the board of directors held last Wednesday night in the Veterans Community Center.

A big "Kick-Off Dinner" at Allen Hotel at 7:00 p. m. Monday marked the formal opening of Ann Arbor's Community Fund Drive to raise a record total of

\$158,600 for support of the 15 Red Feather Agencies the fund supports.

The Otto Luttermoser Blue Baby Fund of South Lyon has reached the sum of \$819.25, more than enough to pay for the operation which Otto Luttermoser underwent about three weeks ago. This generosity proves again that "people are good."

Barring unforeseen circumstances, Huron Valley folks will have plenty of fuel oil this winter—that is, the regular customers who are on contract will. New customers—well, maybe. That is the picture given today by Milford oil dealers in a survey here.

Mighty Mt. Clemens, pre-season choice to win the Eastern Michigan League Championship, met Birmingham last Friday night under the lights at Pierce Field and were humiliated 31-6 by an underdog Maple eleven led by Bob Littleton who ran wild to score four touchdowns.

Interest in November's national election stimulated voters in Plymouth and vicinity to get out and register, so they can have their say about who will be the next national, state, and county office holders. Over 650 new voters registered in Plymouth and Plymouth township to vote since the primary.

The Rochester police department will probably be equipped with mobile, two-way radio equipment within six weeks. The village council voted unanimously Monday night to purchase the equipment but it is estimated that construction and installation of the custom-built set will take that length of time.

The City of Birmingham is in no position to undertake a reconstruction of its sewerage system and treatment plant, a matter which would run the costs to astronomical figures, the city commission declared in a resolution adopted last Monday evening and which is to be forwarded to the Michigan Stream Control Commission.

A coroner's jury convened at 8:00 p. m. last Wednesday to determine the facts surrounding the death of a wanted fugitive who was shot to death near Saline last Sunday after he had escaped from a Saline Police officer earlier in the day. The fugitive, Roosevelt Perkins, 26, Detroit, was fatally wounded with a deer rifle by Kenneth McAllister, 19-year-old member of the posse who lives near Saline.

Mich. Bell Gives New Phone Rates

(Continued from Front Page)
the half-way point of its 5-year, \$220,000,000 postwar improvement and expansion program. The return provided by the rates under the order and rate schedule is so low that the many improvements contemplated on that program, and for which the public has been clamoring, may have to come to a halt. Investors, who put up most of the money required for the company's improvement and expansion program, simply will not continue to provide that money indefinitely unless an adequate return is assured them.

"When rates are so low as to jeopardize the service and future improvements, the public interest is in danger. Michigan Bell has no desire to charge any more for its service than necessary. The company has no other choice, however, than to ask for additional revenues, if it is to meet its service obligation. It will ask for only enough to maintain the financial integrity of the institution and to attract the capital necessary to finance improvements in the service."

"Even under the new rates, a month's telephone service for a typical family will cost no more than a tankful of gasoline or a meal away from home."

The company emphasized that the rate increase does not provide for any third-round general wage increase. It said the order does little more than take care of the wage increase of last year and pointed out that the company is now faced with further wage demands from unions and has made offers that would raise total payroll costs by \$3,370,000 a year. Of the \$3,217,000 increase, \$1,000,000 will apply to local exchange rates outside, \$653,000 to such rates in Detroit, \$438,000 in Detroit Suburban Exchanges, \$831,000 in long distance rates within the state, and \$1,359,000 in miscellaneous service items such as switching and equipment charges.

The order and rate schedule reclassifies out state exchanges into 8 groups, depending on the number of main telephones in each exchange area. Uniform rates will apply in each of the groups which range from calling areas of 800 or fewer main telephones to those with 50,001 to 100,000 main telephones.

The order and rate schedule was handed down by the Commission about a year after the company's application for a rate increase. It followed an extensive inquiry into the company's operations and months of hearings, with more than 4,200 pages of testimony.

The Board of Education of the Township School District of Lyon Township met in special session Friday evening, October 16, to open bids for the construction of the elementary building, plans specifications for which have been prepared by Walter T. Anicka, architect, of Ann Arbor. Mr. Anicka met with the board to consider the bids presented, and although only two complete bids were received, the figures fell within the budget allowance which has been set up for construction of this building.

New telephone rates for Michigan Bell customers

THE Michigan Public Service Commission has authorized increased rates for Michigan Bell telephone service. New basic monthly rates are effective October 16, 1948. New charges for certain long distance calls between points in Michigan are effective October 20, 1948. This is the first general increase in 22 years. Michigan Bell requested the increase more than a year ago because of sharply increased costs of providing telephone service.

BASIC MONTHLY RATES

Basic monthly telephone rates for practically all types of service have been revised, effective October 16. New basic rates for your community will be listed in a folder enclosed with the first telephone bill you receive under the new rates.

The rate increase will produce 8% more revenue for Michigan Bell. However, the increase in some exchanges will be higher than average—in some, lower than average—in order to establish the same rates for communities having a comparable number of telephones. Your basic rate will be determined by the number of telephones you are able to call in your local calling area.

These uniform rates, fair to all, mean that you will pay the same as subscribers in other towns and cities with comparable local calling areas.

LONG DISTANCE CALLS WITHIN MICHIGAN

The following changes, effective October 20, apply to long distance calls between points in Michigan:

The initial period is changed from 5 to 4 minutes on 15¢ station calls, and from 5 to 3 minutes on 20¢ and 25¢ station calls.

Overtime rates—per minute on calls costing 20¢ or more are changed from $\frac{3}{4}$ to $\frac{1}{2}$ of initial-period rate.

Night and Sunday rates are increased 5¢ on calls between points 48 to 112 miles apart.

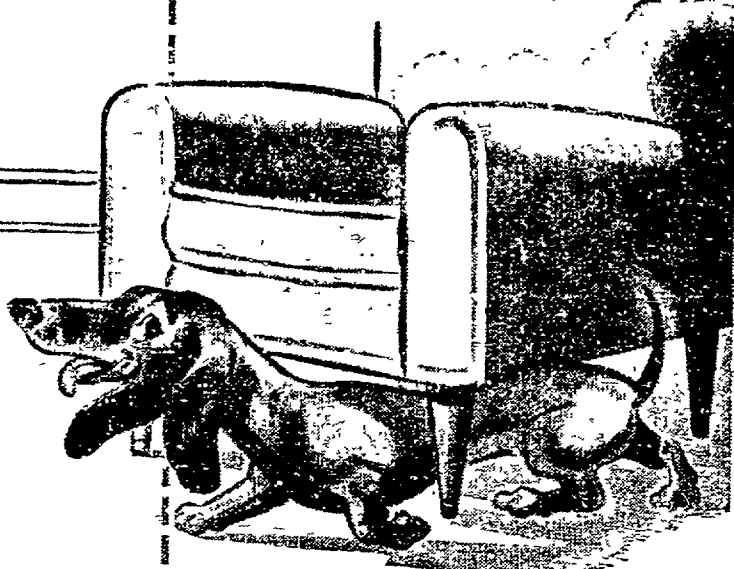

TO PROTECT THE QUALITY OF SERVICE ANOTHER INCREASE IS NEEDED

To meet the increased demand for telephone service following the war, Michigan Bell had to tackle the greatest improvement program in its history. So far, \$150,000,000 have gone into new and improved facilities—and the program is only half finished! Many more millions will have to come from investors before we will be equipped to give every one the kind of telephone service he wants and needs, whenever and wherever he wants it. Investors will continue to provide that money only if they are assured a fair return.

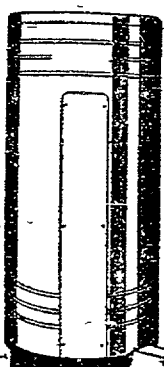

But our operating costs have continued to rise since we asked for a rate increase a year ago. Looking ahead, even with the new rates, our revenues will not be enough to pay day-by-day operating expenses and still leave enough to pay a fair return to investors. On top of that, we have made a wage offer to the telephone unions that would add substantially to our costs.

All of which means we must have more revenue. So we have no alternative except to ask for another rate increase. But you can be sure that it will be no more than necessary to operate the business and to provide a return that will attract the capital needed to continue our improvement and expansion program.

Novi News

By Mrs. Wm. Meirs

Mr. and Mrs. William Hazen are occupying their new home, recently built on North Novi Road.

Mr. and Mrs. Robert Hunt and daughter, Dorothy, were dinner guests of Mr. and Mrs. Harry Atchinson at Salem Sunday.

Mr. and Mrs. Tony Skettis have moved recently from North Novi Road to 43053 Eleven Mile Road.

Mr. and Mrs. Hugh Schram of 4005 Oak Knoll, Pontiac announce the birth of a baby daughter, Jodie Kathryn, on September 25. The baby's mother is the former Lenore Putnam of Novi, daughter of Mr. and Mrs. L. J. Putnam. The paternal grandparents are Mr. and Mrs. Roy Schram.

Mr. Eugene Root of West Eleven Mile Road is on a 10 day visit with his sister, Hannah, Darling at North Chili, New York.

Mr. and Mrs. Frank Martin and Mr. and Mrs. Erwin Martin attended the funeral of the former's cousin, Mrs. Clarence Beavis in Detroit last Friday afternoon.

Mr. and Mrs. William Olivich and two children of Royal Oak spent Sunday at the home of Mr. and Mrs. Tony Olivich on North Novi Road.

Pat Olivich entertained at a party in her home Saturday evening. Dancing and refreshments were the diversion of the evening. Guests were present from Detroit, Farmington, Walled Lake and Novi.

Mrs. Fred Bourbonas of East Grand River spent Thursday, Friday and Saturday visiting a granddaughter, Mrs. Marion Nixon in Detroit.

Mrs. B. F. Davis has been confined to her home on Grand River with illness for the past week, but is better at this writing.

Mrs. Julia Harnden, who is ill at her home on Grand River, is somewhat better at this time.

Honored On 82nd Birthday

Mrs. Hattie Coleman was honored on the occasion of her 82nd birthday last Wednesday evening. Although her birthday anniversary did not occur until Oct. 16, Mrs. P. A. Boyer, Mrs. Albert Porterfield and Mrs. Don Severance were co-hostesses for the event at the latter lady's home on Nov. 1 Ave.
Fifteen ladies from the neighborhood came to honor Mrs. Coleman on her birthday and they presented her with many useful gifts. Mrs. Coleman has made her home with her daughter, Mary Louise, for the past several years.

Miss Florence Keith, Miss Bessie Hawkins, and Miss Adelle spent last week-end at the latter lady's home near Rose City.

Lo Church is teaching the sixth grade at an Indian Reservation at White River, Arizona.

Here It Is, Northville!

The 1949 FRAZER

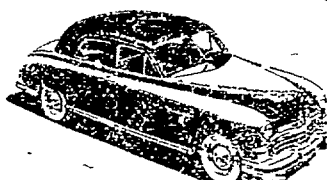

Trailblazer - of cars to come!

Once in a blue moon the stylists and engineers outdo themselves. They create a car that goes beyond today and sets the pattern for cars of the future.

This is what they have done with the FRAZER for 1949!

Low, sleek and differently handsome it is the trailblazer in style of cars to come. Its exclusive colors and fabrics have made the world's leading fashion designers fall in love with it. They call it "the dream car".

The 1949 FRAZER
Manhattan
THE PRIDE OF WILLOW RUN

The same car, the FRAZER for 1949, has even won the hard-to-win hearts of the test drivers who must relentlessly punish a car mile after mile for weeks on end. They say the Frazer makes such driving no punishment for them. Its driving ease and riding comfort "make 600 miles a day a breeze," they say.

There's a thrill waiting for you at your dealer's today. With 100 new features, improvements and refinements, the 1949 FRAZER is ahead of its time . . . out front - trailblazing the way for all the cars to come.

First to break clean and scrap tradition, the cars from Willow Run have done it again. Because unlike other "new" cars built since the war, they've road-proved their dependability - 2 billion miles worth! Value-proved to a quarter-million justly proud owners. See and drive the new FRAZER now! It's at your dealer's. Kaiser-Frazer Corporation, Willow Run, Michigan.
