FIGHT INFANTILE PARALYSIS

THE NATIONAL FOUNDATION FOR INFANTILE PARALYSIS
FRANKLIN D. ROOSEVELT, FOUNDER

Michigan Mirror

Are Politics Your Letter?

"The people want more spending for public benefits. Economy is no longer popular," sighed the state official. "I don't believe a man could be elected dog-catcher today on a platform of thrift in government."

The official was discussing over the dinner table, the state of public opinion in our fourth post-war year of 1949, as reflected by two tangible trends: (1) Election verdicts of November, 1948, and (2) post-election legislative programs of the Democratic and Republican presidential nominees (Harry Truman and Thomas E. Dewey) and Michigan Governor G. Mennen Williams.

On this basis the evidence appears to be overwhelming. It covers both parties, Democrat and Republican. No "sour grapes" are implied.

Here's the picture, and you can judge for yourself.

President Truman proposes a federal budget of \$119 billion for our 1949-50 fiscal year, as compared to \$38 billion for 1947-48. National defense would get 14.3 billion, foreign aid 6.7 billion, 5.5 billion for veteran benefits, 5.45 billion for national debt. All these items, related to national security, total approximately 75 per cent.

The remaining 25 per cent, for national government, amounts to billions, just three times what was spent for public services in 1923. During the top World War I year we spent 14.4 billion for national defense, 4.1 billion for public services.

How would the 10 billions (for public services) be spent? Here's the national program:

For social welfare, health and security - 1963 billion in 1949 and 2,358 billion in 1950. More and new public benefits, financed in part by payroll deductions. For example: Old age insurance taxes (paid equally by employer and employee) would be increased from 1 to 1 1/2 per cent July 1, 1949, instead of January 1, 1950. Compulsory health insurance would be financed by a 1/4 of 1 per cent payroll tax (employer and employee) starting July 1, 1949. More taxes would follow.

Unemployment insurance would be extended to workers of small firms, employing less than eight workers. This would involve a payroll tax (employer only) of 3 per cent for four years and thereafter a minimum of 1 per cent and a maximum of 4 per cent annually.

Agriculture would get 1.6 billion, national resources 1.8, and transportation and communications (highways, etc.) 1.6 billion.

Governor Thomas E. Dewey's legislative program is equally liberal. The state budget of New York would be boosted from 456 million, six years ago, to 812 million. Education would get 31.2, compared with 12, or more than double. Public works, 35.2 vs. 17.8, state agencies, 123 vs. 74, and so on.

Among the liberal benefits proposed by Dewey: 300 million for public housing; disability (sickness) insurance for industrial workers, a bigger health service budget, and public power (electricity).

'God of the Atom' Comes January 31

Proof that atomic energy is not too technical to understand or too dangerous to talk about will be presented at a free showing of "God of the Atom," a natural color scientific film, at 7:45 p.m. Monday, January 31, in the First Baptist Church, Novi.

"God of the Atom" has been shown to church and school audiences averaging more than 85,000 a month since its release last September. The film is one of a series including "Voice of the Deep" and "The God of Creation," produced by the Moody Bible Institute of Chicago.

It will be shown by a special Moody film representative, J. W. McCarrall.

Approved by the American Scientific Affiliation and commended by the Atomic Energy Commission, "God of the Atom" includes actual photographs of the Nagasaki and Bikini explosions as well as scientific apparatus used in atomic research. Narration is by preacher-scientist Irwin A. Moon, famous for his "Sermons from Science" demonstrations during World War II.

"It is a remarkable film with authentic scientific information," Dr. G. M. Shrum, head of the physics department at the University of British Columbia, stated after a preview there. Appearing in the film is Larry Johnston, young physicist, who aided in atomic development at Los Alamos and photographed all three wartime bombs as they exploded.

In an exclusive sequence, photographs of the giant 184-inch cyclotron at the University of California are shown. Concrete walls have since been built around the cyclotron, which has been rendered dangerously radioactive.

"God of the Atom" concludes with a summary of the world crisis caused by the discovery of atomic power, and offers a unique solution to the problem.

Grade School Wins New Safety Honors

At a Grade school assembly Wednesday afternoon, the Detroit Times "Green Banner" safety award was presented to the children.

Al Goodson, safety director of the Detroit Times, spoke of the aims of the program and then George A. Locke presented the handsome banner to Etroy Ellison, Grade school principal, who accepted it on behalf of the children. Bernie Gold, Times photographer, was on hand to take a picture of the group who participated in the program. They included Chief of Police Joe Denton, safety patrol captains John Funk and Betty Garrod and the entire safety patrol.

The award was presented to the Northville Grade school children because there has not been any child accident reported here in the village for at least the past six months. They may fly the banner as long as there is no traffic accident.

All registered Cub Scouts, Boy Scouts and senior Scout Leaders are asked to meet with Frank B. Specht, District Executive of the Detroit Area Council of the Boy Scouts of America Wednesday, January 26 at the Presbyterian church at 8:00 P.M. All Scouts and leaders are urged to be present for the meeting as it is important to the future of the Scout program.

Mid-Year Exams To Be Given Next Week

The pupils at Northville High School will be taking mid-year exams Tuesday and Wednesday, January 25 and 26, and the High School will be closed January 27 and 28. Teachers will mark report cards on those dates and the cards will go out Monday, January 31. That date also starts the beginning of the second semester.

Grade school classes will remain in session throughout the entire week.

Valentine Party To Be Given February 4

A Valentine Square Dance for the youth of the Village will be held Friday, February 4 at the Scout Building.

Committees from the sixth grade are in charge of decorations and refreshments and eighth graders will serve the eats. Seventh grade boys and girls will furnish the records for dancing and there will also be other forms of entertainment. The Recreation Committee is sponsoring this event.

Biddle Coach Line Changes Schedules

Patrons of the Northville Coachlines are reminded to consult the new bus schedule which will become effective February 1.

Notable in the changes are fewer trips to Plymouth and Wayne. Patrons are urged to pick-up a new schedule to familiarize themselves with the changes.

The Northville grade school sixth graders are going to sponsor a Valentine's party in the nature of a square dance at the Scout Building. The time and date will be announced later.

Citizenship Award Winner

RUTH SIMONS

D.A.R. Announces Citizenship Girl

Ruth Simons, daughter of Mr. and Mrs. Ralph Simons of Cady Street, has been chosen as the D. A. R. Good Citizenship girl for the class of '49. This award is given each year to stimulate good citizenship both in the schools and homes of high school pupils.

Ruth is taking the college preparatory course and plans to go into nursing training following graduation. She is gaining knowledge of the profession by working in the office of Dr. Sparling. She formerly worked as a nurse aid at Sessions Hospital.

During her high school years Ruth has been active in the choir, Latin Club and she is now president of G. A. L. She is a member of the Methodist church and takes part in the church youth activities. She is also a member of the Rainbow Girls.

The citizenship award is given on the basis of dependability, service, leadership and patriotism.

Jan. 31-Feb. 13 Is Shrine Circus

Reserved seats for the Moslem Temple Shrine's annual Winter Circus are now on sale at the Shrine Club according to T. E. Stinson, veteran circus producer. Tickets for the circus which will be held at the State Fair Coliseum, Jan. 31 through Feb. 13, are on sale from 9 a.m. to 9 p.m. daily. There will be 28 performances during the two-week period of the circus with matinee and evening shows daily. Tickets are also available at Neil's, Northville Hardware.

New to Detroit will be Joe Walsh, who will bring his act of 23 wild lions and tigers. The world famous Wallenda family will appear in a new high wire act featuring seven performers on a wire 60 feet above the ground without a net. Lalage, beautiful trapeze performer, the Hanneford riding family, Albert Fleef and his chimpanzees, dog acts, ponies, elephants and a score of clowns will complete the 60 big-time acts.

Orrin Davenport will assist Stinson in the stage management. Charles E. Swales is first vice-chairman and Victor H. Rocho, second vice-chairman. Four hundred Shriners volunteer their services during the circus. They sell balloons, candy, ice cream, tickets. They have charge of parking, manning the lunch room, the carpentry shop and the stock room. They act as ushers, police, firemen, Shriners Dr. Z. B. Bennett, Dr. D. J. Kennedy and Dr. Howard Staub are chairman of the circus first aid department.

This annual event benefits the 18 hospitals for crippled children maintained by the Shrine throughout the United States, Canada, Mexico and Hawaii.

Mrs. E. J. Willis, attended the special meeting held on Tuesday in the Italian Gardens of the Book Cadillac Hotel, with the Archdiocesan Committee for the settlement of Displaced Persons. Dignitaries from New York, Boston, Chicago, and Cleveland were present for the afternoon conference. Bishop Stephen S. Wojnicki was chairman of the day. A luncheon was served at noon.

Photo Contest Is Open To Students

Students of Northville High School are to compete for \$3,500 in cash prizes in the Fourth annual National High School Photographic contest.

By entering this nation-wide contest each student will have an opportunity to win one or more of the 248 cash prizes. Also if he wins a first, second, or third prize in any of the contest classes, the high school will be awarded a Kodak Flash-Bantam Camera and a group of books which will form the basis of a photographic library.

The contest, sponsored by the Eastman Kodak Company, and approved by the Contest Committee of the National Association of Secondary School Principals, opens February 1 and closes May 7, 1949. It is limited to high school students attending daily, any of the high school grades from the ninth to the twelfth, inclusive, in any public, parochial or private school within the United States.

Each student must take, unaided, the picture himself but he isn't required to develop and print them. Snapshots of any size, as long as the picture does not exceed seven inches in the longest dimension, are eligible for entry.

Rules folders and entry blanks may be obtained at the high school office. All pictures taken since May 7, 1948 may be entered. Those entered for competition will be judged on general interest and appeal. Pictures of any type or subject may be entered. Contestants may enter as many pictures as they wish in any of all classes but no more than one prize in each class will be awarded to any contestant.

The classes of entry are as follows: 1. School life, photographs made by the student picturing any school activity of the non-athletic type.

2. Athletics, photographs of any form of school athletics.

3. Around town, photographs dealing with the way Americans live at home, at church, pursuing hobbies, etc.

4. Pictures in nature, photographs in which the beauty or visual interest of the scene or subject-matter is paramount. Pictures in classes 1, 2 and 3 depend primarily on human activity for their interest, pictures in class 4 are those which have beauty or special interest in themselves or by reason of skill in handling the subject matter.

Swimming Class Offered Ladies

The Northville Recreation Committee is sponsoring an adult ladies swimming class which is being made possible through the generosity and cooperation of members of the staff at Wayne County Training School. The ladies will swim one night a week at the W. C. T. U. pool, the night of the week to be announced soon.

Those interested in participating in the class must have an examination by their doctor before they will be allowed to use the pool. The card may be obtained at the Northville Record office all day 1 day to Saturday morning and will be turned in there by Monday afternoon. These cards will serve as registration class limited to 23.

Mrs. Robert Cookman and Mrs. Harold Wagenschütz will be in charge of the group and Miss Burns, licensed Red Cross instructor, will be on hand to teach beginners and advanced swimmers in improving. Further details will appear in the next issue of The Record.

Northville to Have New Youth Center

Northville is to have a new youth center under the sponsorship of the High School "N" club and the Village Recreation Committee, plans are now being formulated for a center for the teen-age set where they may cultivate their hobbies as well as enjoying social activities.

It is hoped that the program will get underway very soon in the Scout buildings. Plans are going ahead for a television room, games room, ramping room, and a place for dancing. Soft drinks and a sandwich snack bar are also being planned. The final planning meeting will be held Monday evening in the Village Hall for the center.

March of Dimes Chairman

NELSON C. SCHRADER

January 24-28 Is Farmers' Week

Farm people must be well informed and be constant students in their chosen fields so they may adjust operations to meet changing agriculture. Dean E. L. Anthony of the Michigan State college school of agriculture believes.

"We had this in mind in arranging the program for the thirty-fourth annual Farmers' Week at East Lansing from January 24 to 28. With farm prices down more than 34 per cent from January of 1938, efficient methods are important if the farm family is to get its fair and just share of the national income," Dean Anthony commented.

Dean Anthony pointed to the Farmers' Week theme, "Modern Farming for Modern Times" and expressed a belief that every department had prepared programs that both farmers and home-makers would find educational and entertaining.

Each department has morning and early afternoon meetings Tuesday, Wednesday and Thursday. As usual Monday is Dairy Day with general dairy meetings in the morning and breed association meeting at noon and lasting through afternoon. The agricultural engineering department will open its farm structures conference on Monday also.

General sessions during Farmers' Week will be Tuesday, Wednesday and Thursday afternoons at 3 p.m. in the college auditorium. Evening entertainment free of charge to visitors will be available these three nights.

All departments have planned programs of special interest and much farmers' meetings will continue through Friday, January 29.

Orson Atchinson Buys Village Taxi Service

Orson Atchinson has purchased the Northville Taxi Service from Frank Bowers of Salem and has already taken over the business.

Mr. Atchinson stated that it is his intention to give prompt, courteous service and that he will be open for business from 6:00 a.m. until 2:30 a.m. each day. The office has been changed from 118 West Main Street to the Atchinson Motor Salesroom on 202 West Main Street. The phone number remains the same, 424.

Chester Dix and Ralph Honsinger will continue driving the taxi cabs full time and in addition a part time driver will be employed. The taxi stands will be located in front of Neil's Northville Hardware and to the rear of the Northville coachline's bus stop.

Legion Post to Give Local Talent Show

Members of the Lloyd H. Green Post, 147, The American Legion, are making plans for a show to be presented in the local High School March 9 and 10. It will be a local talent performance and will be directed by local people.

The local Barber Shoppers are rehearsing songs for the show now and rehearsing-acting parts will start the first of February.

Map Plans for Polio Fund Drive

"Thanks to You, Look, I can walk again" is the slogan for the 1949 March of Dimes drive being conducted throughout the nation from January 14 to 31. Nelson Schrader, chairman of the drive here in the village.

Mr. Schrader reports that canisters have been placed in all the places of business for the convenience of donors and in addition some 200 letters have been mailed out. School children have been asked to "help make the drive a success and they have been given cards in which to place their dimes.

Last year Northville turned in \$653.52 to the Wayne County chapter for use in fighting polio nationally through research, education and epidemic and aid locally with medical care for patients.

The Wayne County chapter is ready at all times to make medical care and treatment available to any victim of polio in need of financial help, regardless of age, race, color or religion. Of the 244 cases reported in Wayne County in 1948, the Chapter has assisted 75 per cent of these cases. The Chapter funds are being spent at the rate of \$1000 a day to provide hospitalization, medical care and other services to the victims of the 1948 outbreak and those from previous years who still need services. Some 500 cases are being actively assisted by the Chapter.

The extraordinary heavy drain upon both local and national resources arises because of hospital costs which have increased and the fact that polio has increased. The nation as a whole is just emerging from the worst polio epidemic since 1916 and the second worst in the history of the country. Your contribution to the March of Dimes assures the continuation of this life-saving program. Your help is needed now! Give to the March of Dimes!

Winds Lash Village; Report Some Damage

Winds reported to be as swift as 40 miles per hour lashed down across southern Michigan Tuesday night and early Wednesday morning bringing with it snow flurries and a sudden drop in temperature which sent the mercury down to 17 degrees. The wind did some damage here in the Village necessitating Superintendent of Public Works Bud Harmer and his crew to be out most of the night clearing the streets of broken limbs and other debris.

Telephone and Detroit Edison wires were reported knocked down in several sections of the community. The window in the Royal Recreation was reported blown in as was the awning. Shingles on several residences were raised and scores of tree limbs were strewn across roads and lawns. One tree fell on the Alfred McLung Lee home on Cady Street breaking a window.

NHS Pupils See Film On Banking Problems

Students in Mr. Meaker's Social Science Class, Mr. Mollen's Economics and Miss Giltner's Bookkeeping Classes last week were shown an original motion picture screen play of what banking does for industry and people presented through the courtesy of the Depositors State Bank and its correspondent, the Continental Illinois National Bank and Trust Co. of Chicago.

The film, titled "Back of Every Promise," was produced professionally for the Continental Illinois National Bank and Trust Company of Chicago as a part of its education and training program within the bank. It portrays in dramatic action the part the correspondent banking system has in the movement of raw materials through factory, to distributor, to eventual user of finished product. It shows bank credit at work and explains the collection and payment facilities of banks used by people everywhere.

Jack Stubenvoll of the local bank led a discussion on the film.

The Methodist church board met at the church house for their regular meeting Tuesday night.

Incomplete returns released by the field administration division of the conservation department show that 56 deer hunters have had their hunting licenses revoked. The majority of the revocations are for three-year periods and resulted mainly from out-of-season hunting. In 1947, 183 hunters lost their licenses, again mostly for three-year periods.

Northville's Yesterdays

ONE YEAR AGO
 The Village Commission in regular session Monday evening accepted a bid for the construction of the Fairbrook sewer, discussed the water problem, and granted the use of the village property formerly known as the Mosher apartments for the use of the village schools.

A large crowd packed the local gym last Friday night to see the Northville basketball team defeat the team from Milford, 47-39.

A review of the school census for the Northville school district again brings to mind the need for extra school facilities for the lower grades in particular.

Mr. and Mrs. John Bouhars of Beck Road observed their fifty-ninth wedding anniversary this week Thursday, January 22.

As in their annual custom, the Ely Coal and Fuel Co. is sponsoring several free trips and entertainment for the local grade school pupils, to the Shrine Circus at the State Fair grounds.

FIVE YEARS AGO
 Northville people were surprised and shocked Saturday to learn of the death of Arthur S.

Nichols at the home of his son, Garfield on West Nine Mile Road. Mr. and Mrs. Nichols had only that week moved from Farmington where they had resided since selling their Northville home on High Street. Mr. Nichols was a Mayor of Northville at one time.

Northville Scouts, Cubs, Legionnaires and householders all turned out last Saturday to make one of the biggest paper pickups in the state. Over 21 tons were gathered and disposed of to date.

Northville's schools, Blue Star Mothers and Gallants are off to a flying start as local units rushed into action on the opening day of the 4th War Loan Drive in the community.

Grace Agnes Squibbs, daughter of Mr. and Mrs. William J. Squibbs of Plymouth and Lieut. Robert

James Orr, son of Mr. and Mrs. James Orr of West Point Park were united in marriage Wednesday evening, January 12 in the Methodist church in Plymouth by Rev. T. Leonard Saunders.

Practically all the plans proposed for youth recreation in the Village of Northville are now in full swing.

THIRTY YEARS AGO

Northville women are reminded of the necessity of registration before spring election if they wish to exercise their franchise which has been granted them. Arrangements for the local registration will be announced as soon as completed. One necessity already noted is that every married registrant woman must give her personal name and not the name of her husband.

Frank, Dolph and Fred Tousey

have purchased James Ford's pool and billiard room.

Representative Milo N. Johnson, Northville's contribution from the Third District on the state legislature, had fared well for a first-termer and he starts out very nicely. He has landed on four good committees by appointment of Speaker Reid. They are Roads and Bridges, Capitol and Public Buildings, Village Corporations and Pontiac Astoria.

Welcome the New CHEVROLET

ON DISPLAY TOMORROW

The most Beautiful BUY of all

We cordially invite you to see the new Chevrolet for '49—the first completely new car the leader has built in more than seven years—and the most beautiful buy of all!

You'll find it's the most beautiful buy for styling, for driving and riding ease, for performance and safety, and for sturdy endurance born of quality construction throughout... because it alone brings you all these advantages of highest-priced cars at the lowest

prices and with the low cost of operation and upkeep for which Chevrolet products have always been famous.

Yes, here's the newest of all new cars—pre-tested and preproved on the great General Motors Proving Ground—and predestined to win even wider preference for Chevrolet as the most beautiful buy of all, from every point of view and on every point of value. Come in and see it!

First for Quality at Lowest Cost

CHEVROLET

is the only car bringing you all these fine-car advantages at lowest cost!

YOU'LL PREFER ITS "LUXURY LOOK!"

Chevrolet's new Leader Line Styling is lower, wider, sleeker, with new front-end grille and bumper. Sweep front and rear fender treatment, and front-end rocket lines all around... the farthest beautiful development of the new "functionalism" for motor cars.

MORE BEAUTIFUL FROM EVERY ANGLE!

The new Body-Line styling by Fisher (with push-button door opening outside) are true modernities by the master builder of the coachcraft... with superb lines extra fine upholstery and a wide variety of alluring colors... much more beautiful from every angle—front and side—front, side and rear.

MORE ROOM AT EVERY POINT!

The new Super-Save interior featuring extra wide "Foot Seats" gives you plenty of head, leg and elbow room as well as extraordinary seating space for six full-grown passengers, and you'll also notice that the 49 art rear deck has what amounts to trunk room capacity.

SEE ALL! ENJOY ALL!

New Panoramic Visibility, with a car can't afford to lose! Panoramic windows and pillars, and 30% more window area, a large, perfect view to see all around you and to drive in maximum safety.

THESE ARE CARS THAT "BREATHE!"

Yes, you'll enjoy the additional pleasure of riding in a "car that breathes," for a completely effective "breathing" and "ventilation" system keeps you cool and comfortable in summer and warm in winter. And this is the world's champion engine for miles service, owners satisfied, and years tested and proved.

THE NEW RIDER'S REVELATION!

A very improved Uniflex Ride combined with new shock absorbers and new disc brakes, front and rear, and extra firm, pressure tires, gives "steadiness, smoothness and road-safety" you have always wanted.

THERE'S ONLY ONE WORLD'S CHAMPION ENGINE

You get the finer results of Chevrolet's sturdy V-8-in-Line Turbomaster engine in all Chevrolet models... together with all of Chevrolet's money-saving economy of operation and upkeep... and this is the world's champion engine for miles service, owners satisfied, and years tested and proved.

JUST COUNT THE COMFORTS!

Push-Button Starter for simplest, easiest starting; Hand-Electric Shift with Synchro-Mesh Transmission for maximum shifting ease, and Firm Foundation Box Girder Frame for ride stability and roadsteadness unsurpassed in the Chevrolet price range.

STOP MORE SWIFTLY AND SAFELY!

The new Certi-Safe Hydraulic Brakes give even faster stops with safety... and assure the highest degree of effective braking action for you and your family.

YOU'LL SAVE MORE MONEY, TOO!

This new Chevrolet is designed, engineered and built to speed your price and spare your pocketbook, for it brings you all these and many other important improvements at the lowest prices and with extraordinary economy of operation and upkeep.

Plus NEW CENTER-POINT DESIGN!

A remarkable 4-way engineering advance exclusive to Chevrolet in its field, and consisting of Center-Point Steering-Center-Point Setting-Lower Center Gravity and Center Point Rear Suspension gives the new Chevrolet riding and driving results without precedent or parallel in lowest motoring. That means a new kind of riding ease and a new kind of driving ease heretofore reserved for owners of more expensive cars. Remember—only new Center-Point Design can give you all these finer motoring results, and only the new Chevrolet brings you Center-Point Design at lowest cost!

Steel Corp. Donates To Detroit Hospital

The Great Lakes Steel Corporation has made a subscription of \$88,600 to the \$19,720,000 Greater Detroit Hospital Fund. M. E. Coyle, chairman of the Hospital Fund's corporations committee, announced last night Coyle pointed out that the Great Lakes Steel contribution is one of several of large dimensions received from corporations in the metropolitan area in late December. Other corporate subscribers to the Hospital Fund have been announced include Chrysler Corp., Ford Motor Co., General Motors Corp., Kelsey-Hayes Wheel Co., S. S. Kresge Co. and the Packard Motor Car Co.

"The support given to the Greater Detroit Hospital Fund by business and industry," Coyle said, "is ample evidence that the federated approach to our hospital problems is the efficient and businesslike way. We are confident that this generous pattern of giving will continue throughout the campaign."

"By contributing \$88,600 to the Fund in 1948 Great Lakes Steel has shown in very tangible form its concern for the health and well-being of its workers and their families. We are gratified at this substantial participation by an important Detroit corporation in the program to build four new hospitals and expand ten of our existing ones."

West Point Park News

By Miss L. A. Ault

At Mt. Carmel Hospital Tuesday evening, January 11, a 5 lb. 5 1/2 oz. baby girl, Hannah Elizabeth, was born to Mr. and Mrs. Edwin L. Johnson of Clarita Ave. The two sons of Mr. and Mrs. Robert Kellogg, Mayfield Ave., were both ill with flu last week. Sharon and Jerry Butler of Hubbard Ave. have both been ill several days with flu. Mrs. Russell Ault has been ill several days.

Dorothy Aittama has had a relapse from her recent illness and consequently was in a most serious condition through the weekend.

Mrs. M. E. Ault and Miss Lora Ault called in Mt. Carmel Hospital Friday afternoon. Jerry Diehl of Shady-side Ave. and his brother, Robert have together purchased a home in Detroit and will shortly occupy it together.

Herman Schult of Shady-side Ave. is convalescing from flu. Arnold Jennings of Norfolk Ave. has recovered from chicken pox.

Mrs. Vett Cooley of Hazel Park visited her cousins, Mrs. Louis Graham and Mrs. Clifton Ault Thursday.

Mrs. Phyllis Harmon is residing with her mother, Mrs. Viola Williamson, on Mayfield Ave. Mrs. Charles L. Funk of Shady-side Ave. is not well and expects soon to enter a hospital, where she will undergo an operation.

Mr. and Mrs. Harry Lewis of Hubbard Ave. spent Saturday evening with friends in South Lyon.

Twenty-four ladies met at the home of Mrs. Harold McVicar on Shady-side Ave. Friday evening and enjoyed a demonstration party.

Carol Ann Buckingham is still ill with a severe cold.

Mrs. George Kacey visited in Detroit Saturday.

Mrs. Jones Simpson was the guest of her son-in-law and daughter, Mr. and Mrs. Raymond Ackerson in Detroit last Monday.

Mrs. Ed Stauch of Hubbard Ave. is reported ill.

Robert Judd and children, from near Grosse Pointe, called on Mr. Judd's parents-in-law, Mr. and Mrs. Edward Stange Friday evening.

Mr. and Mrs. Charles A. Neil of Hubbard Ave. spent a recent weekend with relatives in northern Michigan.

M. Ralph Hantz, who left last Sunday for Florida, has telephoned home to announce her arrival. She will visit her parents, Mr. and Mrs. William Hantz at St. Petersburg for a few weeks.

Mrs. George Middlewood was hostess to a very interesting demonstration party at her home off Farmington Road, near Northville last Monday evening. Cake and coffee with tea and coffee, decorated the affair.

Another enjoyable demonstration party was held in the home of Mrs. Russell Ault Tuesday afternoon, fifteen ladies participating. During the games offered by way of entertainment useful prizes were earned by

young children, and difficult hours of employment cannot attend Sunshine meetings, and it is hoped this activity will instill cheer into many lives that sometimes become drab and monotonous. Each participant is to consider her Secret Pal a Prayer Pal also and will endeavor to remember her appropriately upon birthdays, anniversaries and upon any occasion where a little extra attention might be appreciated.

Another feature of this Sunshine meeting was the tending of a handkerchief and card shower to the hostess, Mrs. Wagner, who had celebrated her birthday that week.

New neighbors introduced were Mrs. William Allen and Mrs. John Allen.

Mrs. Stanley Chavey provided cake for refreshment. This, with tea and coffee, was served by two of the ladies.

The next Sunshine meeting will be held Wednesday afternoon, January 26 at the home of Mrs. James Simpson on Mayfield Ave. At this time, Mrs. Simpson's daughter, Mrs. Edward Bruggman will present her little son, Larry Jon, to the Sunshine Sisters.

THE NEW FUTURAMICS

FUTURAMIC—the most glamorous word in motor cars now applies to two great lines of Oldsmobiles. Not only the newly styled Futuramic '98—but also a brand new Futuramic '76' with a new '49 Fisher Body that's lower, wider and offers greater visibility. And this year, Oldsmobile has struck a new balance of power with two great engines for these Futuramic cars. The new "Big Six" Engine in the '76' is more powerful than ever. And the new '98' is powered by the revolutionary "Rocket" Engine. It's a high-compression, valve-in-head eight—an engineering marvel that steps up horsepower to 135, yet actually cuts down on gas costs. Words can't describe it. You've got to drive it yourself for Oldsmobile's "NEW THRILL!"

The Golden Text (Psalms 88:15)
is, "Thou, O Lord, art a God full
of compassion, and gracious, long-
suffering, and plenteous in mercy
and truth."
Among the Bible citations is
this passage, (Psalms 86:11):
"Teach me thy way, O Lord, I
will walk in thy truth: unite
my heart to fear, thy name."

IN MEMORIAM
In loving memory of my dear
son, Terry, who passed away one
year ago today.
Yes! I am left alone on this
earth;
But I shall not repine,
Because a spirit loved so well
is earlier blessed than mine.
My fate may darken as it will,
I shall not much deplore,
Since thou art where no ill
of life
Can reach thee any more.

During the approximately 160
days when Michigan milk cows
cannot be let out to pasture they
consume great quantities of feed.
Michigan State college dairy
authorities say the average cow
will eat two tons of hay or two
tons of silage and other rough-
age and about 1,200 pounds of
grain. So it is easy to see that
the feed bill for the one million
dairy cows in Michigan runs
rather high in the winter months.

"Town Line 16" is the bound-
ary which southern Michigan
hunters must cross to get into
zone two where rabbit hunting
continues through January 31.
This line is the north boundary
of Oceana, Newaygo, Mecosta,
Isabella and Midland counties,
projecting across Bay county to
Saginaw Bay. Zone two does not
include any part of the Thumb.

Several hundred Michigan
Veterinarians attended a two
day post-graduate conference on
the Michigan State college cam-

and 20. This annual conference
is arranged to bring practicing
veterinarians up-to-date on new
findings in their field.

CONSUMERS POWER COMPANY

While offering a long list of improvements in the new 1949 Studebaker models, the company has continued the popular Raymond Loewy design and added new interior luxury. The famous Studebaker vision is especially notable in the Commander and Commander Starlight coupe (shown) with its panoramic windows. Topping the list of chassis changes are refinements which provide stepped-up performance in both the Commander and Champion engines.

Bouhersh to Observe 60th Anniversary

Mr. and Mrs. John Bouhersh of Beck Road Saturday will observe their sixtieth wedding anniversary. The Bouherhs will mark this milestone quietly as both of them are not in the best of health.

Mr. and Mrs. Bouherhs were married January 22, 1889 at St. Boniface Church, Detroit. They lived there for a number of years, moving to Northville about 39 years ago. To them were born five children, Mr. and Mrs. Kay and Mrs. Katherine Thornton of Detroit. Mrs. Clara Mann of Miami Fla. Mr. Lillian T. of Belle Isle and John Bouhersh Jr. of Detroit. They also have 11 grandchildren and 14 great grandchildren. The anniversary of which is in two weeks old.

Livonia Methodists to Present Play

"The Old Peabody Pew", a drama of old Livonia, will be presented by the Livonia Methodist Church, West Seven Mile Road, on Sunday, January 23, at 7:30 p.m. The play will be presented in the church hall. The play is a comedy and is a story of the old Livonia. The play is a story of the old Livonia. The play is a story of the old Livonia.

Legion Auxiliary News

The next regular meeting of the American Legion Auxiliary will be held at the Veterans Memorial Hall Tuesday, January 25 at 8:00 p.m. At the last meeting the reorganization chairman reported that 121 service baskets supplies were sent to patients at Maybury and Eastlawn Sanatoriums since Christmas.

The Auxiliary is now sponsoring Girl Scout Troop No. 9 with Mrs. Claypool as the leader. The girls meet at the Veterans Memorial Hall each Thursday. A sunbather committee was appointed to visit the shut-in and aged members and Mrs. Beatrice Carlson will head the committee. Mrs. Mae Berend, Mrs. Damar Risher, Mrs. Florence Alexander, Mrs. Eleanor Detlor, Mrs. Henrietta Cohen and Mrs. Lena Hammond attended the 17th District School of Instruction at the Farmington Legion Home last Saturday. Is it Only the Price per lb. that Counts?

Regardless of price, meat isn't a good buy unless it gives you your money's worth of enjoyment. That's what makes A&P's famous "Super-Right" meats such outstanding values. Every one of these tender, juicy cuts is specially selected to give you downright delicious eating, and Close-Trimmed of excess waste to give you more of it for your money. Yet because we sell such huge quantities of "Super-Right" meats, we're able to mark them with prices that are surprisingly low.

Treatment of Infantile Paralysis Shows Trend

Seventy-five per cent of the poliomyelitis cases reported in Michigan in 1948 were in children under 15 years of age with the disease occurring most frequently at the age of five years. Dr. Frederick S. Leeder, Director of the Bureau of Disease Control, Michigan, Department of Health, said today.

The age range of new cases reported during the year was from two months to 49 years, with more cases appearing among adults than in previous years. There were 770 reported cases in 1948 in comparison with 646, the previous year, and 1,091 in 1946, an epidemic year. Reported cases were almost evenly divided between paralytic and non-paralytic types of the disease. About one out of fifteen of the reported cases resulted in death.

Poliomyelitis is now believed to be caused by a family of infectious agents, not by a single virus. These agents are known to exist in the nose, throat and bowel excretions of people who have poliomyelitis, and of apparently healthy carriers who show no symptoms of illness. The agents may be transmitted by person to person contact, by flies, and, possibly, by contaminated water and milk.

Reported cases of poliomyelitis do not show the whole picture, Dr. Leeder said. Almost everyone is exposed to the disease at some time in his life. About 99 out of 100 people who contract the disease have light (abortive) cases which are not diagnosed, but which are communicable, and which probably result in immunity. Many of the people who are exposed to the disease do not catch it because they had these light cases of the disease when they were very young.

Of the people who become sick enough from polio so that their cases are diagnosed, about 75 to 85 per cent will either recover completely, or will show marked improvement if given the kind of treatment shown to be most beneficial. Deformities may be prevented and crippling lessened by prompt, complete and sometimes prolonged medical care, Dr. Leeder said.

Take the wheel

try the new FORD "FEEL"

Yes, one word tells the whole story of the new Ford—it's "Feel"! You feel a new ease of handling in traffic, in parking, on the open road. That's Ford's Fingerprint Steering! You feel a new kind of surging power. That's Ford's new "Equa-Poise" Engines—your choice of a new 100 h.p. V-8 or a new 95 h.p. Six! You feel new stopping power! That's Ford's new 35% easier-acting "King-Size" Brakes. You feel new comfort, too, from Ford's new springs, front and rear! And Ford's "Mid Ship" Ride has the feel of luxury and safety you've always wanted. But take the wheel—try the new Ford—"Feel" yourself!

Your Ford Dealer invites you to stop to the Ford Sales Store—Sundays Evenings—NBC Network. Listen to the Ford Tunes, Friday Evenings—CBS Network. See your newspaper for hours and stations.

Cutaway view shows the "Mid Ship" Ride and brand-new springs that let the wheels step over bumps!

WITH OUR NEIGHBORS

A man believed to be Martin Hanson, 22 year-old escaped Jackson prison trusty, who walked away from the prison farm about 10 p.m. last Sunday, eluded capture in Chelsea later that night by Officer Frank Reed who stopped the truck in which he was hitch-hiking a ride, about a quarter of a mile west of Fletcher road on US-12.

Reorganization of the Avon, Brewster, Hamlin Rochester, and Ross school districts into a Rural Agricultural school district has been recommended to the boards of education of the districts named, according to Mr. Leonard J. Harding, Hamlin school director, and chairman of the steering committee which has been studying this matter for some weeks.

Other members of the steering committee are: Mrs. Ada Toustiant, Avon; Mr. Clarence Porritt, Brewster School, Mr. Earl Dean, Rochester, Mrs. Mary Ecker, Ross School.

Signing of contract for installation of approximately 120 parking meters in the business district was the main item of business at a regular meeting of the Milford village council last Monday night in the municipal building.

A diorama of The General Motors' Proving Ground will be a feature of the gigantic GM "Transportation Unlimited" show at the Waldorf-Astoria, New York, from January 20 through 27.

Forrest Erashewski, Michigan State college backfield coach, was the main speaker at the annual Ithaca Chamber of Commerce Athletic Banquet, which was held Wednesday evening January 12 at the high school auditorium.

The possible introduction of Driver Training to the curriculum of the Farmington High School was discussed by the Board of Education of the Farmington Township School District at their regular meeting last Monday night.

Farmington residents have been asked to assist in the capitalization of funds for the improvement and development of Camp Agassam, Chautauque County, New York, at a Valley Council Boy Scout camp on Pomperaug Lake, near Lake Orion.

On the basis of a University of Michigan Extension Service Community Score Card, 45 delegates and handshakes recently conducted a "Survey" of Birmingham. The idea was introduced

by Mrs. Cleveland Walcott, speaking on "Councils" at the Jan. 4 meeting of the Birmingham Community Council. The 33 persons who answered the 10 questions represented about 30 local clubs.

A defective chimney caused the fire which, Thursday morning, partially destroyed one of Birmingham's landmarks, the W. W. Henry house at 981 N. Woodward. Donald McGaffey, Birmingham attorney, present owner of the house, discovered the fire shortly after 10 a.m., when he smelled smoke and discovered flames around a door casing. Firemen, on their arrival, found the house filled with smoke which hindered them in their efforts at locating the seat of the fire.

The annual drive for contributions to the Infantile Paralysis fund will get underway here simultaneously with the beginning of the drive all over the country, on Saturday, Jan. 15, according to Mrs. Walter Mohrlock, Chelsea chairman.

Changes are being made in the schedules of Pere Marquette division passenger trains of the Chesapeake & Ohio Railway effective Sunday. Schedules for the dispatches of mail from the Howell post office will be revised accordingly.

A woman church worker suffered severe hand burns in Rochester last Monday morning when gasoline she was using for cleaning purposes exploded, igniting her clothing and damaging

surrounding church furnishings and equipment. Two other fires, both in homes, were of minor nature.

The new curfew ordinance went into effect in South Lyon last Thursday night at 10:15 with the sounding of two short blasts of the fire siren.

At the 10:15 signal all youngsters under 14 must be off the streets unless accompanied by parent or guardian, or an adult above 21 years of age.

Rural Tele-news
NIPS TROUBLE IN THE BUD—Special equip-
ment in the telephone central office tells the
approximate location of cable trouble miles
away. A tone is sent out over the wires. Then
a repairman out on the line moves an elec-
trical instrument called a "Cable Bug" along
the cable until he no longer hears the tone.
Right at that spot he opens the cable and
finds the trouble. Another example of how
fast and economical methods have been
developed to do difficult telephone jobs.
ASTRONOMICAL FIGURES—To serve its cus-
tomers, Michigan Bell has some 6,000,000 miles
of wire and 822,000 telephone poles in Michigan.
The wire is equal to 25 single strands stretched
from here to the moon. The poles, if "planted" 40
feet apart, would form an "orchard" of 7,548 acres.
Money for poles, wire and other equipment needed
to provide service comes from folks who invest
a part of their savings in the telephone business
and expect a fair return on their investment.
**RURAL-LINE SERVICE IS WHAT YOU
MAKE IT**—The quality of rural-line ser-
vice rests in the hands of those who use it.
It can be good service if everyone shares
the line... spaces out calls... surrenders
the line when others have emergency calls
to make... hangs up the receiver care-
fully after each call.

**Consult the Library

Tax-paying citizens may avoid
a headache by consulting the
public library for help on their
income tax problems.
With the January 15 income
tax deadline looming for many,
and the March date for others
on apiece, libraries are placing
their tax manuals on front
shelves.
Handy booklets like "Your In-
come Tax and How to Keep It
Down" are in constant demand.
Tax reports like the Federal Tax
Service and the Internal Revenue
Code Service are well-thumbed
these days. Both of these reports
are kept up to the minute with
the addition of loose-leaf pages
as new information is received.
More tax information is found
in the Commerce Clearing House
Tax Return Forms and the
Standard Federal Tax Reports.
These manuals deal with all types
of taxes and are in use all year
around.

Enrollment at Michigan State
College for the winter quarter
totals 15,314 students, according
to Robert S. Linton registrar.
This figure represents the
highest winter term enrollment
in the college's history, surpass-
ing by more than 500 the pre-
vious all time high of 14,798
reached last year.
Regular students number 14,820
and students enrolled in short
courses and specialized training
courses totaled 494, Linton said.
Of this total, 7,990 are attend-
ing college under the G. I. Bill
of Rights, and men students out-
number women students by a
ratio of 11,635 to 3,679.

That They May Walk
Thousands of children ravaged
by infantile paralysis will be fresh
ed this year as a result of the
donations made by the American
people during the 1949 March of
Dimes—January 14 to 31. One of
the top salesmen in the effort this
year is Linda Brown, 4, of San
Antonio, poster girl for the March
of Dimes. She was stricken with
polio more than two years ago
and now, thanks to March of
Dimes funds, she walks without
braces and with only a slight
limp.

**Poultry Will Require
Water for Winter**
**Steady Flow Obtained
With Pressure System**
Farmers have tried various ways
of preventing water from freezing
in their poultry houses in cold
weather. Some simply drain the
poultry line and go back to carry-
ing water during the winter. Others,
who dislike carrying water even
more in the winter than they do in
the summer, appear to have devised
satisfactory ways of keeping their
pressure water systems working no
matter what the thermometer reads.
The result of one farmer's idea
is shown in the accompanying illu-
stration. It presents one of 16 water-
ers fashioned from drain tiles, 2 1/2
feet high and 12 inches in diameter.
Pie plates, suspended a few inches
below the top of the tiles, are used
for drinking purposes and water
flows into them on a continuous.

**Connecticut Yankee
To Begin January 25**
"Connecticut Yankee", starring
Wilbur Evans and Vivienne Segal,
will be the fifth musical on the
Civic Light Opera's ten week
season.
The gay show opens Tuesday,
Jan. 25 at Masonic Temple and
runs through Sunday, Jan. 30.
Among the hit tunes of the
Herbie Fields-Rodgers and Hart
musicalization of the Mark Twain
fantasy are "My Heart Stood
Still," "Thou Swell," "Camelot
Samba," and "You Always Love
The Same Girl."
Vivienne Segal starred in the

**Farm Bureau Ladies
Elect New Officers**
The meeting of the Women's
Farm Bureau was held at the
home of Mrs. Lucile Lyons,
Highland, Tuesday, January 11.
Eighteen members were present.
It was decided to donate
enough money to buy a cart to
carry oxygen tanks to different
rooms of the Polio ward at the
Pontiac Contagious Hospital.
The following officers were
elected: Mrs. Earl Braid, Lake
Orion, chairman; Mrs. Dewey
Stover, Walled Lake, vice chair-
man; Miss Wilma Doeber, Clark-
ston, secretary-treasurer; Mrs.
Jack Hetrick, Walled Lake, pub-
licity chairman; Mrs. Frank Win-
terhalter, Milford, parliamentar-
ian.
A kick-off dinner for a new
membership drive was held
January 18 at the Clarkston
Rotary Hall.
Merchants who were cooper-
ative in helping with the party
at the Contagious Hospital in the
Polio ward were: Taystee Bak-
ery, Pontiac; Simms Store, Pon-
tiac; Capes Ice Cream, Milford
and Willet Trailer Service, Or-
chard Lake Road.
A new project undertaken to
help finance the club's various
projects is selling Wonder sheets.
They are an aluminum sheet to
be placed in the oven to protect
electric units from juices and any
matter leaking from goods while
baking.
The next meeting will be held
at the home of Mrs. Earl Braid,
1875 Buell Road, Lake Orion.

**MILITARY INTELLIGENCE
NEW COURSE AT MSC**
Michigan State College has
selected as one of six colleges in
the nation to offer a special
course in military intelligence
for ROTC students.
Being offered during the pre-
sent term at MSC, the course is
on a voluntary, non-credit basis
and includes 18 hours of instruc-
tion in organization, technique
and procedure of U S military
intelligence work.
Students successfully complet-
ing the course will, on gradua-
tion from Michigan State, be
eligible for a secondary rating as
intelligence officer. The course
will provide basic fundamentals
to students desiring to take spe-
cialized work in military intel-
ligence, college officials said.

New Appliance Cords for Old...
another EXTRA Edison Service
Yes, you can exchange frayed appliance cords
for brand-new ones—at no extra charge—and at
any Edison customer office.
If you have any frayed or worn-out cords, be sure
to trade them in. It's another extra service which
Detroit Edison customers have enjoyed for more than forty years.
Don't forget, too, that we also exchange new incandescent lamp
bulbs for old. Drop in soon—there's an Edison customer office in
your neighborhood. It's there to help you get the most from all
the electricity you use.

News from Novi

By Mrs. L. Ritz

Mr. and Mrs. Gene Van Sickle and son, and the latter's father, Burton Munro, are spending the rest of the winter months at Rio Honda, Texas.

Mr. and Mrs. Homer Kent are now occupying the apartment of Sam Nastich at Twelve Mile Road and W. Grand River.

The Sunshine Club and committee of the "Save the Children Federation" will have their next meeting at the home of the retiring president, Mrs. William Maika. A white elephant sale has been planned. Officers for 1949 are as follows: Mrs. A. McCollum, president; Mrs. Fred Garlick, vice president; Mrs. Bertha Wood, secretary; Mrs. Luther Rix, treasurer; Mrs. Charles Perry, benevolence committee and Mrs. A. McCollum, flower committee.

Mrs. Joe St. Onge is ill at Sessions Hospital in Northville. Mrs. Ted Remoin and daughter of Pontiac spent several days of last week with her parents, Mr. and Mrs. Clyde Johnston.

On Sunday Mrs. Ted Remoin and daughter and Mr. and Mrs. Clyde Johnston had dinner with Mrs. Belle Walter.

Mr. and Mrs. Charles Trickey, Sr. and daughter, Laree, were the Wednesday evening guests of an aunt and uncle, Mr. and Mrs. Walter Bertschinger in Detroit.

At the well attended installation of the Rebekahs last Saturday evening the following officers were installed: Dorothy Snow, noble grand; Rowena Salow, vice noble grand; Frances Curtis, past noble grand; Florence Eno, recording secretary; Kathryn Bachert, financial secretary and Belle Walter, treasurer; Thelma Chaseman, chaplain; Irene Kahrl, warden; Lillian Coe, conductor;

Mary Ann Atkinson, right supporter to Noble Grand; Irene Wendland, left supporter to Noble Grand; Lillian Trickey, right supporter to Vice Grand; Doris Darling, left supporter to Vice Grand and Gertrude Enders and Pearl Wallace, guardians.

An automobile accident occurred in Novi Friday evening in which a car with four Service men going towards Detroit crashed into a car driven by a woman on her way to Fowlerville, in front of Trickey's Tree. All sustained cuts and bruises and were given first aid at Trickey's Store before going to the hospital.

Mrs. Archie Kent is ill at her home on Eleven Mile Road. The Milton Blakeley family, who have lived in Novi several months, has moved to a small town in Pennsylvania.

Mrs. Ray Walters of Union Lake will celebrate her birthday Friday evening at a family party at the home of her mother, Mrs. Clare Lockwood.

Mrs. William Maika, Mrs. A. McCollum, Mrs. M. J. Remoin and Miss Mary Flint attended the Star Federation of the W. C. T. U. in Redford Monday.

A games party, sponsored by the Mother's Club will be held at the school house Saturday evening, January 22, beginning at 8 o'clock.

At least ten different breaking and entering jobs in Alma in which upwards of \$250 in cash was stolen were cleared up late last Tuesday with the arrest of two young Riverdale juveniles 15 and 16 years of age. Sheriff Clark said Wednesday that they would first be taken before Probate Judge Mildred Taft but would probably go before Judge Paul Cash for sentence.

MSC FARMERS' WEEK SPEAKERS

FULBRIGHT

MARTENS

HEINKELE

Outstanding speakers have been arranged for the annual Farmers' Week program at Michigan State College, January 24 to 28. Dean E. L. Anthony announces. Sen. J. W. Fulbright, left, former president of the University of Arkansas, will speak Thursday afternoon, January 27. The Arkansas senator was author of the Fulbright resolution in congress which was a forerunner to establishment of the United Nations. Miss Rachel Martens, associate editor of Farm Journal, Philadelphia, Pa., is featured on the afternoon program for Homemakers on Wednesday, January 26. Wednesday's general session speaker will be Fred W. Heinkele, right, Columbia, Mo., president of the Missouri Farmers' Association.

Board of Education

Minutes, January 11, 1949

The regular meeting of the Northville Board of Education was held in the board room on Tuesday evening, January 11, 1949.

Present: G. H. Stalker, E. F. Clark, R. F. Coolman, R. H. Amerman.

Absent: Dr. R. M. Atchison, H. I. Atwood.

Guests: Leslie G. Lee, C. B. Turnbull and three officers from the DeKay School District, Paul Schulz, Raymond Rogers and Robert Merriam.

R. H. Amerman was appointed

secretary pro-tem in the absence of Mr. Atwood.

The minutes of the last meeting were read and approved.

Communications were read as follows: Deputy Superintendent of Public Instruction notifying the board that our high school has been approved for the reception of tuition students in grades 9-12 for the school year ending June 30, 1950; Wayne County Association of School Board Members meeting at Redford Union on January 24, 1949 at 6:30 P. M.

Superintendent Amerman reported that the new lunch program is operating satisfactorily with about two hundred children

participating. Mr. Gerald Taft has given the auto-mechanics department an air compressor that will be a valuable addition to the shop equipment. Hearing tests will be given in grades four through twelve on February 9-10-11 followed by a dental clinic later in the spring. Teacher contracts and vacancies for the year 1949-50 were discussed briefly.

School building needs were again discussed with the decision reached that a new type of classroom construction, approved by the State Department be thoroughly investigated.

Treasurer Coolman reported balances as follows:

Received since last meeting \$12,709.15

Balance in General Fund \$1,173.07 (deficit)

Loaned to General Fund from Debt Retirement Fund 5,000.00

Balance in Debt Retirement Fund 14.48

Motion by Clark, second by Coolman that the report be accepted, carried.

The auditing committee reported bills in the amount of \$2,263.75 no payable totaling \$11,509.00.

Motion by Clark, second by Coolman that the bills be paid, carried.

Dr. Lee gave a detailed report on the financial condition of the school district as follows:

The district operated by the Board of Education on a non-profit basis. A slight make-up is applied to books and supplies which covers operating expenses. A flat fee of 50¢ per book is charged for handling and book cost.

By operating its own store on a cash margin the Board of Education saves the \$1,173.07 and the payable amount of \$11,509.00.

As on December 15, 1948 the store carried an inventory worth \$3,212.95 with bills payable of only \$361.61.

C. B. Turnbull presented an estimate for electric ventilating fans as follows: 27 inch fans at \$127.00 each and 30 inch at \$157.00 plus installation for \$125.00. No action taken.

Motion by Coolman, second by Clark that the Board accept the suggestion of District No. 3 that they pay \$2,000.00 on their tuition account and give the note of the district for the balance payable by March 15, 1949. Carried.

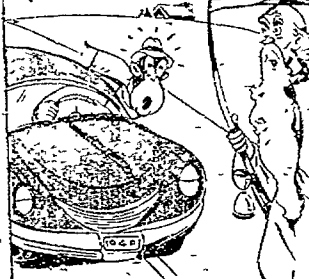

Motion by Clark, second by Coolman that the school add an electric clothes dryer to the list of Westinghouse appliances for the home economics department under the terms of the original contract price to be \$115.00. Carried. Girls in the home economics department have earned about one-half of the money for this equipment.

Motion by Clark, second by Coolman that the senior class be allowed to take a boat trip to Niagara Falls in May as requested by them. Carried.

Upon motion by Clark and second by Coolman the meeting was adjourned at 11:50 P. M.

Marines Accepting Women Enlistments

Major Paul S. Treitel, Officer in charge of Marine Recruiting for the state today announced that the U. S. Marines are accepting applications for enlistment of women in the Regular Marine Corps for the first time in history.

Single women between the ages of 20 and 31 with a high school diploma and no dependents are eligible for the three and four year enlistments now open. Upon being accepted the women will be sent to Parris Island, South Carolina for a training period of six weeks.

Approximately 90% of the billets to be filled by enlisted Women Marines are east of the Mississippi, and only about 10% of these billets are outside the Washington D. C. area. Duties to which the Women Marines will be assigned will consist entirely of a clerical nature, with promotion policies being the same as apply to men.

The minimum tour of duty for enlisted women personnel at any duty station will be two years, the major added in conclusion.

Applications are accepted at the following Marine Recruiting Stations: Post Office, Kalamazoo; Post Office, Jackson; 16 Morris Bldg., 101 Lyons St., N.W. year 1949-50 were discussed briefly.

City Hall, Flint; Post Office, Detroit; 142 Wayne St., Pontiac; City Hall, Lansing; Post Office, Saginaw.

Dry litter, protected waterways screened roosts, and good ventilation of poultry buildings are important in keeping coccidiosis under control.

New '49 Studebaker on Display Next Tuesday

New 1949 Studebaker passenger car models will be on display next Tuesday at Petz Brothers Studebaker Salesroom, 260 Plymouth Avenue.

A long list of improvements in the new Studebakers is highlighted by an interior luxury which in its modern touch produces an effect in keeping with the best in home decoration, according to Mr. W. J. Petz.

Mr. Petz pointed out that in some models the seat backs and cushions are in different and harmonizing patterns, set off by striking two-tone contrasts between upholstery and the side walls and head-lining. In addition, he said, there is a notable stepping up in the performance of both the Champion and Commander engines.

As he pointed to the features of the 1949 Studebaker models, Mr. Petz issued a general invitation to the residents of this area to visit his showroom for an inspection of the cars as well as to obtain an explanation of the latest improvements.

The unique, long-wearing, soil-resisting nylon fabric pioneered for automobile upholstery by the company in 1948 is continued in the Studebaker Land Cruiser but in a new colorful pattern. All-glass leatherette is used for trimmings, door, arm rests and for upholstery piping in Regal Deluxe models.

Among other changes, Mr. Petz pointed to increased luggage space in the trunk, massive re-design of wrap-around bumpers and a parking brake with a push-button release to guard against accidental releasing of the brake.

 tricity) from the St. Lawrence seaway.
 Dewey emphasizes: "We must respond to the needs and obligations for continued and increased services to the people of our state." On a basis of such need, readily and easily proved, New York state taxes are to be increased sharply.

Governor Williams' legislative proposals call for bigger and better public benefits right down the line. Public housing, higher payments for workmen's compensation, more medical benefits for disabled workers, higher unemployment compensation, more old-age assistance, higher gasoline and weight taxes (providing those taxes are part of a complete highway program) and better care of the mentally ill.
 The gap between Michigan's budgeted expenditures and budgeted income is 60 millions. The legislature's big task is to decide

HOW these additional benefits are to be financed—WHO is to foot the bill?

If President Truman and Governor Dewey and Williams accurately interpret the desires of the American people, then more public benefits, more government in our personal lives and more state socialism are on the way.
 To oppose this trend is to invite the label of being a "reactionary," one who is opposed to social progress.

Since public officials want to be re-elected and since public spending is obviously popular today, you arrive inescapably at this conclusion:

We're on the way to bigger and better things.
 Keep your pocketbook handy to help pay for them.

Senior High Group Meets Each Sunday

Each Sunday evening at 7:30 a united youth gathering is held. This month the meetings are being held at the Methodist Church, where last Sunday over 40 young people gathered. An impromptu play was put on by five members of the group and was followed by a discussion period on "What I Would Do If I Were A Member of the Senate At Lansing." Interest was keen and all took part.

Refreshments were served at the close of the program. All Senior High young people of the community are invited to join the group as it can be made better with a still larger attendance and more interest.

Dondero Proposes Bills To Congress

Congressman George A. Dondero, at the opening of the 81st Congress introduced a bill designating the first Tuesday of March of each year as National Teachers Day. He says: "No group in America has a greater responsibility than our school teachers in directing the youth of our land in the right channels. Not one of us who has matured to adult life but remembers at least one school teacher who did much to influence us at the beginning of life's pathway. My own case is no exception." His bill would honor the teachers of America and invites our people to observe such a day in schools and other suitable places with appropriate ceremonies.

Mr. Dondero offered a Joint

Resolution proposing an Amendment to the Constitution of the U.S. to limit the number of Justices of the Supreme Court to nine, one to be appointed as Chief Justice and eight as Associate Justices. "My purpose in introducing this bill is to prevent any President from packing the Court to suit his own political whims, whether Republican or Democrat," he said.

Last week's news letter set forth in detail some of the items contained in the Dondero Bill for the completion of the St. Lawrence Seaway. He has sponsored and fought for this measure during his service in Congress. Other bills of a public nature were introduced by the Congressman and will come before the Committee on Public Works of the House, of which he is Ranking Minority Member.
