

**Presidential Proclamation**  
**BROTHERHOOD WEEK**  
February 20-27, 1949

We approach another Brotherhood Week at a time when none can doubt the urgency of its reminder that men of all creeds and races are bound together in one common fate.

This association in a common destiny means that the real problems of the world are those of human relations. In this age when science has tapped the atom's nucleus, man must tap the nucleus of understanding without which there is no wisdom, no spirit for righteous action, and no mutual concern.

Brotherhood is the solution. It is the source of the unity within our nation which will make us powerful in example and strong in moral purpose so that we may give to our world the leadership worthy of our heritage. Moreover, our future as a nation can be bright with insurmountable achievement as we extend liberty within our borders and lead mankind to a unified world without ancient hates and enlightened by the recognition that all mankind is one family.

Brotherhood Week is the occasion for rededication of the American people to these high spiritual objectives.

I, therefore, call upon the American people to participate in Brotherhood Week, sponsored by the National Conference of Christians and Jews. I urge a personal rededication to the principles of equality and justice which have made our country great, and I hope that all institutions of education, religion, civic betterment, and the media of communications will engage in community activity to make brotherhood a living reality.

Let us join as a united people to serve with diligence that brotherhood which springs from the Fatherhood of God and which offers true glory to our nation and hope to all mankind.

—HARRY S. TRUMAN  
President of the United States of America.

**Racing Petition  
Sent Governor**

A petition coming to the defense of harness racing from the majority of the business men in the community reached Governor G. Mennen Williams' desk and has been turned over to the State Racing Commission for their consideration.

The petition reads as follows: "We, representing 90% of all the business and professional people of the Village of Northville, Michigan, have become alarmed at the mis-statements and distortions of facts appearing in the metropolitan daily papers concerning Harness Racing in our Village.

We call your attention to the fact that in a recent election, the so-called Good Government Group who campaigned against racing was overwhelmingly defeated by the Village voters.

1. Harness Racing in Northville provides part time employment to over Two Hundred (200) local people. This employment at pay rates well above the average means the difference for these part time workers between a decent standard of living and a substandard of living.

2. Harness Racing in Northville has provided a considerable revenue for home-owners in the renting of rooms, services, and the providing of parking facilities.

3. Harness Racing in Northville has increased the business of almost every business enterprise in the Village.

4. Harness Racing in Northville has provided definite community benefits such as:

(a) Major contributor to construction of Ford Field which is the athletic and recreation center of the community.

(b) Supported the High School Band with the donation of new uniforms and instruments.

(c) Supported the local recreation classes with donations of photographic equipment, and members are urged to attend and bring a friend as a guest.

(d) Have greatly enlarged a sinking fund for the Village for construction of a new community building in return for police services at the racing meets. This fund is now \$96,000.

5. The local village council duly elected by a vast majority of the Northville citizens are competent, sincere individuals working for the good of the entire community.

Therefore, we petition you, as our duly elected or appointed officials of the State of Michigan, to disregard the protests of a small but violently vocal minority and heed the wishes of a great majority of our village citizens and exercise your powers to the end that Harness Racing may continue in our Village as a definite contribution to our commercial and community interests."

**Schrader Furniture  
Sale Starts Feb. 18**

Nelson C. Schrader Jr. this week announced the 42nd anniversary sale on furniture from February 18 through Monday, February 28.

The sale includes most of the stock in the store and warehouse, and elsewhere in the paper is an advertisement listing some of the items on sale.

**Gene Keller Opens  
New Taxi Service**

Gene Keller this week opened a new taxi stand in Northville. Headquarters for the cab service are located at Gould Cleaners, West Main Street. Twenty-four hour service is being offered.

The regular monthly meeting of the W.S.C.S. of the Methodist Church will meet at the church house for luncheon at 12:30 p.m. Tuesday, February 22, with a business meeting following. The program study topic will be recreation classes with donations of photographic equipment, and members are urged to attend and bring a friend as a guest.

**Concert Violinist**

YFRAH NEAMAN

**Final Concert At  
W. C. T. S. Monday**

The Northville Concert Association will present concert artist Yfrah Neaman in their final concert of the season Monday night, February 21. The concert will begin at 8:15 and will be held at the Wayne County Training School Auditorium.

The young violinist was born twenty-four years ago in Palestine. At nine he studied in Paris at the Conservatory and at fourteen graduated with a Premier Prix.

During the war he worked in a plant but became an overnight sensation when he left his factory job to replace his sick mother as a teacher, Boston, to play the Beethoven Concerto with the London Symphony.

Since the war Neaman has toured South Africa, Holland, England and Ireland. Highlights of a recent extensive tour of the British Isles were appearances in London playing the Tchaikovsky Concerto with the Philharmonic Orchestra at Albert Hall, and the first broadcast performance in England of the Aaron Copland Violin Sonata for BBC "Third Program."

Mr. Neaman's first tour in the states takes him as far west as Denver, Colorado, where he plays with the Civic Symphony Orchestra.

**Exhibition Game  
Next Wednesday**

The Northville Merchants basketball team next Wednesday, February 23 at 8:30 P. M. will meet Jerry Lynch's All-Stars in an exhibition game at the Northville High school gymnasium. The admission for the game will be twenty-five cents.

The local team is made up of Doug Slessor, Dave Pottinger, Mac Pierce, Dean Nitzel, Perry and Clayton Graham, Bill Widmaier, Tom Houghton, Steve Poline, Al Jones and Charlie Ketterer.

The Jerry Lynch team is made up of Bernie Friedman, former Wayne U. star, Snelton Harris, 1942 captain of Lawrence Tech's cagers, Norm Zauchin, all-state player from Royal Oak High school, Hal Kutnick, 1945-1946 Central High school captain; Bob Deyoe, Western Michigan College star in 1942, Alan Parness, Wayne U. Captain for two years, Ross Stegall and Tony Kaseta of the Detroit Kings.

The game promises to be a thrilling one and should offer local sporting enthusiasts plenty of exciting moments. Plan now to attend the event February 23.

**Dr. Atchison Gives  
Stoker to School**

The Northville school system is the recipient of a stoker given it by Dr. Russell M. Atchison.

The stoker sometime ago was installed for use in the Brock house as a loan from Dr. Atchison. At the last board meeting however, Dr. Atchison gave it to the school system.

**February 20-27 Is  
Brotherhood Week**

Brotherhood Week, sponsored across the nation by the National Conference of Christians and Jews, will begin Sunday, February 20th and continue through Sunday, February 27th. This annual observance was conceived by the late, Monsignor Hugh P. McManamin in 1932, with the thought in mind that Americans should dedicate this week to the cultivation of the virtue of brotherhood.

Beginning on February 20th, the press and radio, the churches and schools, libraries and numerous other civic organizations will call the attention of the nation to the year-around necessity for the practice of the virtue of brotherhood. "Brotherhood must be lived" is the theme for this year's observance and consequently the emphasis will be placed on making brotherhood an integral part of everyday living in the home, school, factory, office, and church.

President Harry S. Truman, on his acceptance of the honorary chairmanship of Brotherhood Week said, "I hope that all institutions of education, religion, civic betterment and the media of communications will engage in community activity to make brotherhood a living reality."

Community after community have undertaken the task of examining the practice of brotherhood in their areas. Many have made excellent progress. On February 20th, the National Conference of Christians and Jews will give special recognition to that American community which has made the most outstanding achievement in the improvement of relations between the several races and religions, and in the treatment of minorities. This award will be in annual presentation.

**H. Cole Turns Hobby  
Into Large Industry**

The Pictorial Section of Sunday's Detroit News carried a story about Howard G. Cole of Brighton and his spear manufacturing industry. Mr. Cole is formerly of Northville and began making the spears when he lived here.

The business was formerly a hobby conducted by Howard G. Cole and his father, Willard F. Cole in a small workshop in Northville. They made spears for local fishermen on a custom basis. When Cole moved to Brighton he took the equipment with him to teach the son the tricks of the machinist's trade.

Then Cole heard Eddie Rickenbacker state that if he had a hole means of catching fish while on the life raft, they could have survived without great hardship. Cole thought of the spears; but let the matter drop, not knowing to what military department to forward his suggestion.

Several days later Cole received a telegram from Washington asking if he could manufacture 10,000 3-lane spears for life raft equipment.

Before the week was over he, his wife Dulah, Charles Sutherland and other neighbors were in full production with machinery hastily set up in the Cole garage. They had just about finished the first order when another for 10,000 spears was received.

That was only the beginning. Soldiers, pilots and others who had seen the equipment wanted similar spears for sporting purposes. Inquiries came in from all over the country. It has become so much of an industry in fact, that Cole, Detroit Edison Co. employee, has turned it over to his son, Howard J., for full time operation with the aid of Sutherland and other neighbors. Howard J. helps a bit and is technical advisor. They produce 11 types of spears for winter and spring use by fishermen.

The Winona Club will meet with Mrs. Don Secord, 224 Lake Street, Friday, February 25 with a pot-luck lunch at noon. Members having birthdays this month will be honored. **To Sing Here**

MISS ELEANOR PEEKE

**Miss Peeke To  
Sing March 1**

Committee women working on the concert to be given Tuesday March 1 by Miss Eleanor Peeke report an enthusiastic response from the townspeople. The concert is under the sponsorship of the Woman's Union of the Presbyterian Church and will be held in the church house of the Presbyterian Church. Miss Peeke is a member of the church and will be accompanied by Mrs. J. P. Lee.

**High School Band  
To Play Tonight**

The Northville High school and Community band will present their annual winter concert tonight, Thursday at 8:00 P. M. in the high school gymnasium. Led by G. Lee will direct the 60 piece band and Mary Louise Lee and Barton Connors have been selected to play solos.

The concert will consist of musical selections by Hall, Skowronek, Handel, Labate, Schubert-Romberg, Harlow, Strauss, Mendelssohn, Rodgers and Loecky. All villagers are invited to attend this musical treat.

**Dog Obedience Class  
Reported Successful**

The first of the Northville Recreation Committee's Obedience Dog training classes successfully completed its first term Monday evening with 13 canine graduates and their enthusiastic owners.

Members of this initial class included Helen Meaker, Adrian Willis, Mrs. E. A. Worth, Paul Bayless, Nancy Ann Lawrence, Frances Pat Malley, Peter Mellen, E. A. Chapman, Dr. W. T. Johnson, Don Matzen, Mrs. J. P. Malley, Barbara Springer and J. E. Strauss.

Arnold Swartz, the instructor of the class, stated that he was very pleased with the initial turnout for the obedience class and the splendid progress made by the members and their dogs.

A new class will be started Monday evening, February 28th at the Scout Building on Dunlap St. Anyone interested in joining this new class may secure information at Johnson's Gift Shop on Main Street or by coming to the class at the Scout Building on the 28th.

The Huron Valley Kennel Club is sponsoring this class as part of their community work with dogs and dog owners.

The Esther Circle, serving the Business and Professional Women of the First Presbyterian Church, will hold their regular meeting at the Manse Tuesday evening, February 22. The mission study book dealing with Christian work in Puerto Rico will be discussed.

Leo A. Sheehan of Clement Road and John M. Miller of Ridge Road became new members of the Rotary Club Tuesday.

**Spelling Bees To  
Begin Here Soon**

Spelling is the subject most on the minds of Northville's grade school pupils these days as it is Detroit News Spelling Bee time again. Rules and entry blanks have been received by teachers throughout the five participating counties, Livingston, Macomb, Oakland, Washtenaw and Wayne.

All schools, private, public or parochial, in this area that give instructions to grades including five, six, seven and eight may take part in the Detroit News Metropolitan and National Spelling Bee.

The first step will be the grade contest which will be held Friday, March 4. In this contest pupils in the eligible grades will spell against their classmates for the title of Grade Champion, or at least for a place on the grade team which consists of the 10 best spellers. This will enable them to compete with the other eligible teams in their school for the School Championship to be held March 13.

Words to be used in the first two contests, the Grade and School Bees will be taken from a list of books, spelling and other books, words with which pupils come in contact in their every day life and reading.

Words for the District Contest, April 3, at which School Champions will gather to compete for the title of District Champion and the right to compete in the Metropolitan Final, will be furnished by The News.

The Metropolitan Final will be held in the Auditorium of the W.D.J. The Detroit News on Friday, May 1 and will be broadcast.

A list of the prizes to be presented the winners of each contest will be given in the next edition of The Record.

**Gov. Acknowledges  
Racing Petitions**

In response to a petition sent Governor G. Mennen Williams several days ago by many Northville business and professional people with regard to their stand in racing in Northville, the following letter was received acknowledging the petition.

"Dear Ladies and Gentlemen: This acknowledges your letter of February 1, advising me of your position with respect to Harness Racing in your village. Thank you for your interest in advising me.

Your letter will be transmitted to the Racing Commission so that he also may know of your position in this matter. Sincerely yours, G. Mennen Williams, Governor.

**Legion To Sponsor  
Home Talent Show**

Rehearsals are being held every Wednesday night at the Legion Memorial Hall by the S. P. E. B. S. Q. S. A. for their part of the Home Talent Show which is to be presented by the American Legion Post at the High School Auditorium March 9th and 10th.

Soloists for the choral group will be Maurice Giles, James Wood and Charles Strautz. Al Porritt is directing the chorus of forty male voices. Tickets may be purchased from members of either the Legion Post or S. P. E. B. S. Q. S. A. Admission price is 50 cents and the entire proceeds will be used for the Vets Rehabilitation Fund.

**Receives Degree in  
Mid-Year Exercises**

Robert Boyden son of Mr. and Mrs. Horace Boyden of First Street in mid-year graduation exercises received his Bachelor of Science degree from Michigan State Normal College, Ypsilanti. Bob last week began his teaching duties at Clawson where he has been engaged to teach Junior High mathematics. He is married to the former Valora Wheeler and is the father of two children.

**P. T. A. Speaker**

## For the Cause of Unity . . .

As Washington's birthday once more approaches, an American's thoughts turn naturally to the foundations of our American heritage and to the great work wrought by the Founding Fathers.

Throughout a large part of today's world people cower in terror of secret police, fearful that their inalienable rights as human beings are being snatched away. We Americans enjoy the priceless protections of due process of law.

"All men are created equal" our forefathers wrote, yet there are certain individuals in our country who would destroy the unity among men that is so vital to keeping a nation strong. Brotherhood Week, which will be observed throughout the nation from February 20-27 affords everyone an opportunity to consider his responsibility to his neighbor, whether he be Jew or Gentile, or Catholic or Protestant in religion.

Come to think of it, we're all foreigners aren't we? Some of us have been over here longer than others, but at one time we all came over to America from a far away land.

Discrimination means of course that some people would like to prove that they are better than others; even though science has proven this to be untrue. To practice brotherhood is to give to others the rights and respect that we want for ourselves.

Respect for all people is an essential part of our teaching from earliest childhood. Moreover, brotherhood is a personal thing involving the relationship between people. It's our attitudes . . . what we think and feel about others. If we are to be religious and true to American ideals, we must give to others the respect and the rights we want for ourselves.

It's easy to talk about brotherhood for other people. But the easy way is often not the right way. Brotherhood must begin with YOU and ME!

For our own sake . . . for America's sake we can all do three things to help the cause of unity:

1. Accept or reject people only on their individual worth.
2. Don't listen to, or spread rumors against a race or a religion.
3. Speak up, wherever you are, against prejudice and work for understanding.

REMEMBER THAT'S BEING AN AMERICAN!

## Northville's Yesterdays

### ONE YEAR AGO

Reverend E. E. Rossow, St. Paul's Lutheran church pastor, was honored at a surprise party in honor of his birthday, Sunday evening in the church house. About 100 members gathered to extend their good wishes and to present their pastor with a new Chevrolet car.

Before a crowded house the Northville High School Band presented one of their best concerts in years.

Saturday afternoon approximately \$500 in cash and checks were taken from the safe of Neil's Northville Hardware.

Despite the ice storm two hundred fathers and sons of the community attended the annual community Father and Son Banquet Friday evening at the Methodist church house.

The business and professional women of Northville will meet in the Library Monday evening for the purpose of forming a club that will be affiliated with the National Federation of Business and Professional Clubs.

### FIVE YEARS AGO

Thursday evening, Feb. 24, Professor Arthur Anton of the University of Michigan will speak before the University Club in the school house.

Just about the biggest event in the history of Northville schools occurred Tuesday morning when Robert Douglas of the War Fund of Michigan presented the pupils with a Minute-Man flag.

Sunday evening, Northville Methodist bunned their mortgage with all due ceremony, of pageant, song and sermon. Bishop Raymond Wade of Detroit was the speaker and local choir and church officials presented the song and pageantry.

The Northville Mustangs won their sixth victory of the season last Friday night by defeating Milford 42-28.

The Red Cross Mobile Blood Bank will be stationed in Northville at the Methodist Church house today from 1:00 to 3:30 P.M.

### THIRTY YEARS AGO

Mary L. Utterbecker, popular young Northville lady, will be the first woman to be elevated to any village office in Northville. She has been in the employ of the Northville State Savings Bank for some years and will take hold of the office of village treasurer with considerable experience.

George Bieri and family have recently moved to Farmington from Northville. Elmer Hollis has received his discharge from military service.

The idea of Deaborn's long-range Master Plan, intended to control the development of the community for the next generation, was dropped squarely into the Mayor's lap this week by a thoughtful Councilman who made no bones about their suggestion that Hubbell planned to put it in the altar of personal political ambition.

"You'll discover as you grow older, my boy, that in our business we've got to have the jump on the rest of them and that's why I read the telephone directory Yellow Pages."

## WITH OUR NEIGHBORS

President Orland Young of the Howell Board of Commerce reviewed advanced ticket sales reports Monday night for the banquet and annual meeting starting at 7 o'clock Friday and mopped his brow. About 200 of the pastebards were distributed that day, which indicates capacity attendance of about 300 will doubtless gather at the armory.

The municipal engineering firm of McNamee Drury & Porter of Ann Arbor, who prepared the factual data appearing in the recent article in the Livingston County Press as to the needs of Howell, promised later articles in which proposed methods of financing the projects would be discussed. The Mayor and City Council have, however, asked the engineers to defer further articles for publication until they have had more opportunity of studying and considering all phases of the problem.

Petitions are being prepared for circulation in Avon, Brevort, Hamlin, Rochester and Rossmore districts, beginning Wednesday February 16 according to information released by the district committee which has been carrying on the planning program for reorganization of these districts. All workers will need Tuesday February 15 in the cafeteria at Rochester high school for final instructions and materials. Other interested citizens are welcome to attend this meeting.

At a special meeting of the Farmington-Township Board held Monday evening, February 7, William G. Edgar was hired as the new Township Police Officer.

Farmington paid final tribute Monday afternoon to Howard C. Knickerbocker, president of The Farmington State Bank, who passed away Thursday morning, February 3, in Harper Hospital.

Wednesday Feb. 2 members of the WSGS of the Methodist church, Cassia with their guests from Ann Arbor, Highland Park and North Lake and from St. Mary's St. Paul's and the Congregational churches of Chelsea gathered for a luncheon in the dining room of the Methodist church.

The Great Bridge high school Council of which James the crucial test of the basketball program will be the game between the Capital Credit conference and the Capital Credit conference on Feb. 14 with 13-26 decision over the Ground and Edison Park.

By a vote of 10 to 9, the Western County governing board appeared to be the only body open to the Board of Education for county planning. It is expected to give a final opinion on the best site for a new structure.

Ann Arbor police are seeking two youths who held up the proprietor of a local ice cream parlor at the point of a gun and escaped with approximately \$35 shortly after midnight last Sunday.

Death closed the career of Stewart M. Dodge, Wednesday, while the well known Plymouth druggist was on his way to Florida for a winter vacation. Traveling south with Mrs. Dodge and his brother, Hugh, and Mrs. Dodge of Holly, he was stricken with a heart attack Tuesday evening in an Orlando, Florida restaurant. On Wednesday doctors in the Orange Memorial hospital believed he was making progress toward recovery, but he suddenly took a turn for the worse and died that evening.

Sixteen 11th grade students of Plymouth High school have set their sights on next Wednesday evening, the time when all rehearsals for their class play must be concluded and plans for opening night begin to unfold. Entitled "George Washington Slept Here", the three act play by Hart and Kauffman will be presented in the high school auditorium on both Wednesday and Thursday evenings, February 16 and 17. Tickets will be sold at the door.

A questionnaire poll given to some 70 persons who attended a meeting Wednesday night of last week called by the citizens' committee will be used as a sampling method to obtain a cross section view of the Milford school building needs and steps taken to meet them.

A family of seven, including parents and five children ranging in ages from 3-year-old Robert to 13-year-old James, got out of their five-bedroom Milford home early this morning and moved to a new home at 3:00 a.m. Saturday.

The action of the Ann Arbor Board of Health will appear in the H. R. of Holland, Michigan in the Police report which comes at a time when the city council has taken action in planning a new mental hospital to be built on a portion of the former site of the old city hall and to fill the space of a new parking lot to prevent the city from collecting a large sum of money on the project.

has been in a poor state of health, expects soon to enter Providence Hospital, where she will undergo an operation.

The Lang baby of Eight Mile Road is ill.

The Rays, formerly of West Point Park, but now residing in the state of Washington, are reported to be returning to Michigan soon. Employment conditions appear to be poor in the far West.

Louis Jennings called in Northville Tuesday night.

Bobby, the young son of Mr. and Mrs. Dale Tallman, is on the sick list.

Nelson Meade of Hubbard Ave. came down with a severe attack of flu Friday evening.

Miss Jewell, a Social Aid worker from Detroit, called in West Point Park Thursday.

An official was making the rounds in West Point Park Friday seeking cattle in need of T. B. tests.

Valentine parties and exchanges were in order in all the schools Friday.

Boys and girls of the Neighborhood Church section enjoyed an informal little get-together in the church from 7 until 9 Friday evening. There was a Bible drill, with Nancy Williamson securing the most points in a Lincoln story contest. Richard Williamson was declared to be the best. Finally, came an exchange of valentines. Jimmy and Judy Muth each received a prize for their home-made valentines which were quite noteworthy. Clay-colored capcides, passed to all, gave a festive note.

The annual Valentine exchange party of the Sunshine Sisters was held at the home of Mrs. James Simpson, Mayfield Ave. Wednesday afternoon February 9. Nine teen ladies and four children were present for this occasion. During the devotional period a quiz on Bible couples revealed Mrs. Ira Magner as the best Bible historian. Names of the neighborhood were read up and special prizes made for all in distress. At this time during the business of the party, Mrs. Stange asked to be received of her position as a business woman and it was decided to have the secretary, Mrs. Crest Willet, call for the women's fund in connection with their duties.

The social hour was one of the most enjoyable ever had by the Sunshine Sisters. Congratulations were in order for Mrs. Charles Armstrong and for Mrs. Edward Pannum, who were having the day on the return date. A party in honor of the birthday of Mrs. Stange was held at her home, and Mrs. Pannum was presented with a beautiful gift.

The infant son of Mrs. Hatten, according to the custom of the group, presented with a beautiful outfit of Sunshine yellow.

After all the fun of exchanging valentines, grab-bag fashion, a special valentine, a handsome crocheted daily was drawn by Norma Jean Brugman, the acting hostess.

A lovely birthday cake was the feature of the refreshment period. Interesting at the last meeting of the Sunshine Sisters was a small display of lovely costume jewelry made by a patient at the T. B. sanatorium in Northville.

The Neighborhood Bible School is about to secure some new song books expressly for the use of the Sunday School children.

The next meeting of the Sunshine Sisters will be held at the home of Mrs. E. W. Stange on Wednesday afternoon, February 21. Abraham will be the topic during the devotional period.

Under the auspices of the Sunshine Sisters, a get-together of neighborhood ladies is being arranged for in the Neighborhood Church from 1 to 3 Monday, February 21. Cards are being sent out announcing the purpose of the meeting.

 "Mind" will be the subject of the Lesson-Sermon in all Christian Science churches throughout the world on Sunday, February 20.

"The Golden Text, (Psalms 147-5) is, 'Great is our Lord, and of great power: his understanding is infinite.'"  
 "Among the Bible citations is this passage, (Amos 4:13): 'For he that formeth the mountains, and createth the wind, and declareth unto man what is his thought, that maketh the morning darkness, and treadeth upon the high places of the earth, The Lord, The God, of hosts, is his name.'"

## Official '49 Road Map Available March 15

The Michigan State Highway  
Department's Official 1949 road  
map will be available for dis-  
tribution around March 15, Highway  
Commissioner Charles M. Ziegler  
reports.

In addition to recording hard  
surface improvements added to  
the state trunkline system in 1948,  
the map will contain a chart  
showing the distance between a  
large number of principal cities  
of the state, Michigan State Ferry  
schedules for the coming year,  
an index giving the location of  
cities and villages and lists and  
locations of State Police posts,  
national and state forests, state  
recreation areas, fish hatcheries,  
trout rearing stations and a de-  
tailed map of the Detroit metro-  
politan area.

Persons desiring copies of the  
new map are asked to send their  
requests to the Highway Depart-  
ment's Public Relations office in  
Lansing. Maps will also be avail-  
able at the eight highway depart-  
ment district offices and Upper  
Peninsula office at Escanaba and  
the Michigan State Ferries office  
at St Ignace.

Commissioner Ziegler also said  
1949 State Ferry schedules will  
be available for distribution with-  
in the next few weeks. Requests  
for schedules also should be  
directed to the Highway Depart-  
ment Public Relations division in  
Lansing. They will also be avail-  
able at outside offices of the  
Department.

Another service available to  
Michigan motorists through the  
Highway Department's Lansing  
and district offices is up-to-date  
information on road conditions  
throughout the state. A summary  
of highway conditions is com-  
piled in the Maintenance division  
offices in Lansing by 2:30 a.m.  
each day, except Sunday. This  
information is available to the  
public through the Public Rela-  
tions office phone Lansing 52144,  
extension 213. It also is sent to  
all State Police posts throughout  
the state and is then relayed to  
all Highway Department and  
County Road Commission offices  
and the Highway Department  
district information offices at  
Ann Arbor, East and New  
Detroit where it is available to  
all motorists.

Information on road con-  
ditions is also available in  
Illinois, Indiana and Ohio also  
available at the Public Rela-  
tions Division office in Lansing  
on Mondays through Fridays  
from 9 a.m. to 5 p.m.

## Cecil F. Denton Will Lecture February 21

The abundant health and joy  
that thousands have found in  
the study of Christian Science  
will be explained in the free  
public lecture on this subject to  
be given on Monday, February  
21st, at Eighth Church of Christ,  
Scientist, Grand River and Ever-  
green Roads Detroit.

The speaker will be Cecil F.  
Denton of New York City. Mr.  
Denton is authorized by The  
Mother Church, The First Church  
of Christ Scientist in Boston,  
to explain how Christian Science  
answers many questions of vital  
importance to every one today.

All such Christian Science lec-  
tures are open to every one  
and are free. The lecture begins  
at eight o'clock and a section of  
seats will be reserved until 7:45  
for those who have never before  
attended a Christian Science lec-  
ture.

The angle was introduced into  
the United States in 1620 by the  
governor of Massachusetts Bay  
Colony.

## Local Man to Appear On MSC Farm Forum

Ray Grimm, well known local  
vegetable grower, is scheduled to  
appear on the program of the  
annual Michigan Vegetable In-  
stitute held at the College on Feb.  
22 and 23. The event is spon-  
sored by the Michigan Vegetable  
Council and Michigan State Col-  
lege to provide an opportunity  
for all Michigan vegetable grow-  
ers to sit together once a year  
to tackle mutual problems.

Jack Rose, vegetable extension  
specialist at the college, stated  
that the problems uppermost in  
the mind of growers are cutting  
cost and better marketing. The  
first day of the institute will be  
devoted to production efficiency  
and the second to marketing  
problems. The program on Feb.  
22 includes three grower panels  
discussing methods of increasing  
efficiency and reducing costs.  
The program on Feb. 23 includes  
similar panels on vegetable mar-  
keting.

Mr. Grimm has been selected  
as one of the outstanding grow-  
ers in the state to serve on a  
panel the first day.

The program also includes sev-  
eral out-of-state speakers. On  
Tuesday evening, Feb. 22, Dr.

Irving Woodin, Michigan State  
alumnus and general manager  
of the California Fruit Ex-  
change will describe methods of  
marketing perishable produce on  
the West coast.

On the program during the  
first day will be Alfred Foote,  
Cleveland, Ohio vegetable grow-  
er and machinery specialist, and  
Joe Robson, Robson Seed Farms,  
Hall, New York. The featured  
speaker the second day will be  
Gordon Lumpkin, Vice President  
of the Atlantic Commission Co.,  
Detroit, who will discuss grow-  
er-retailer relationships.

# PONTIAC

## Featuring 14 Important Motor Car Advancements

**1. THE YEAR'S OUTSTANDING BEAUTY.**  
Completely new front end styling, strik-  
ing new grille by Fisher, new Stream-  
Sweep fenders, and Hi-Arc rear deck  
ensemble—all combine to make the 1949  
Pontiac truly "the most beautiful thing  
on wheels."

**2. LOWEST PRICED CAR WITH GM  
HYDRAMATIC** for unsurpassed "auto-  
matic" driving ease. No clutch pedal.  
No continuous shifting. (You just sit  
back and drive!) Optional on all models  
at extra cost.

**3. NEW WIDE-HORIZON WINDSHIELD.**  
Wider and smarter curved in the mod-  
ern mode.

**4. WIDE, EASY-ACCESS DOORS** con-  
tribute greatly to the pleasure of owning  
and driving a Pontiac. The floor is level  
with all door sills—a safety feature par-  
ticularly appealing to women.

**5. SAFE-NEW DRIVER VIEW.** The new  
windshield, lower hood and slatted  
pillars give greatly increased road vision.  
Greater glass area, both front and rear,  
gives a sense of "open-ness" to the  
VISION-AIRE INTERIORS.

**6. NEW TRAVELX RIDE.** Extraordi-  
nary comfort over all roads is made  
possible by CENTER POISED SEATING—  
which places rear seat passengers ahead  
of the axle, not over it.

**7. WIDER SEATS . . . ADDED ROOM**  
for luxurious, ultra comfortable riding.

**8. NEW LOW PRESSURE TIRES, 15"  
WHEELS AND WIDER RIMS** reduce road  
roughness and assure easier, steadier  
riding.

**9. NU-CUSHION SPRINGING**—com-  
bined with SEALED AIRPLANE TYPE  
SHOCK ABSORBERS, functioning within  
coil springs—assures a soft, smooth ride.

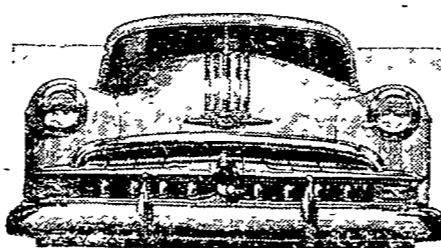

**10. PONTIAC FAMOUS IMPROVED  
STRAIGHT EIGHT AND SIX CYLINDER  
ENGINES** provide thrilling new perfor-  
mance. Packed with power . . . delightfully  
smooth . . . amazingly economical . . .  
thoroughly proved!

**11. NEW HEATING AND VENTILATING  
SYSTEM** with conveniently located con-  
trols on instrument panel.

**12. NEW FINGER TIP STARTER BUTTON**  
located within convenient reach on the  
instrument panel.

**13. CARRY-MORE LUGGAGE SPACE**  
with its new counter-balanced lid pro-  
vides additional space making for new  
travel convenience and enjoyment.

**14. NEW DIAL-CLUSTER DASH** featuring  
the new MAGNA-VUE SPEEDOMETER  
which magnifies mileage figures for in-  
stant, easy reading; the new HITE-LIVE  
IGNITION SWITCH, the HANDI-GRIP  
PARKING BRAKE, located at the left.

PONTIAC—DIVISION OF GENERAL MOTORS

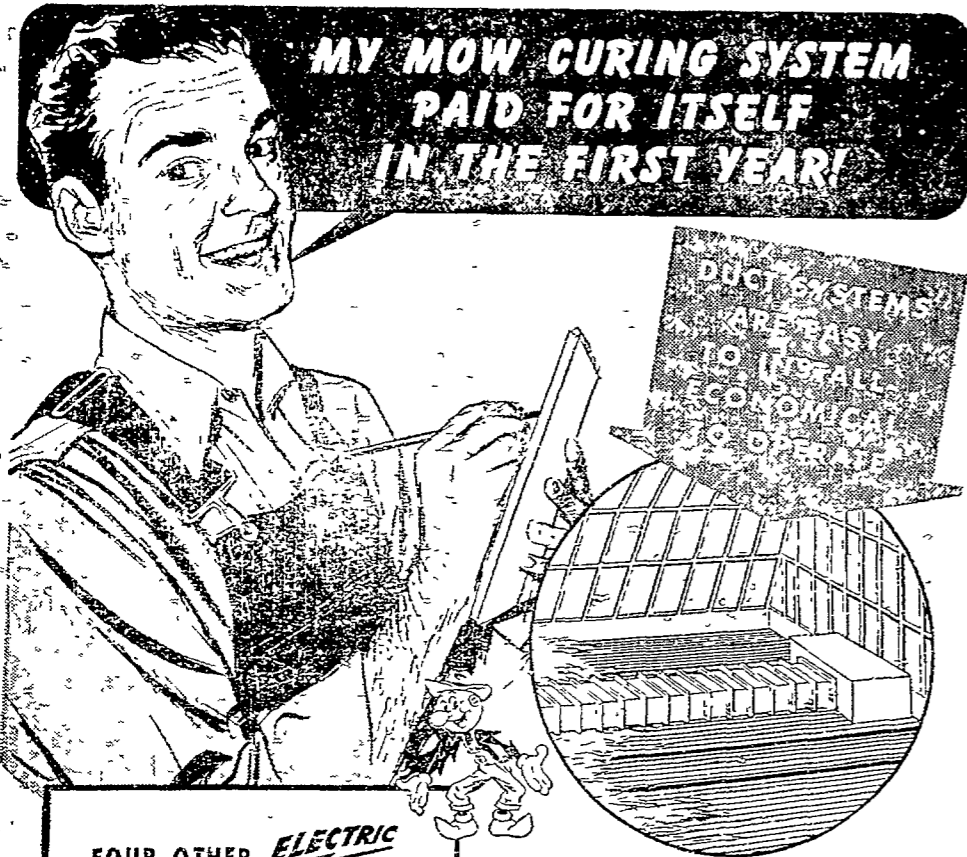

The minute you see it, you'll say, "That's it!" Because  
that's the natural, normal reaction to this utterly  
new and gorgeous beauty—the finest in a long,  
unbroken line of fine Pontiac cars! You'll feast your  
eyes on the outside—and you'll say it's a dream with-  
in! For here's a whole new concept of space, light and  
amenity in a motor car! And when you drive and ride,  
you'll say it's even better than it looks! You'll experi-  
ence a thrilling, delightful, unique combination of  
power, acceleration, smoothness, silence, economy and  
proved design—all made more exciting by the unsur-  
passed driving ease of GM Hydra-Matic Drive. And  
as for comfort—just wait till you experience the al-  
most-unbelievable comfort and ease of Pontiac's  
exclusive new "Travelux" Ride! Here's one new car  
that's well worth looking at! Come on in TODAY!

## MY MOW CURING SYSTEM PAID FOR ITSELF IN THE FIRST YEAR!

DUCT SYSTEMS  
ARE EASY  
TO INSTALL  
AND ECONOMICAL  
TO OPERATE

## FOUR OTHER **ELECTRIC** HAY DRYING ADVANTAGES

1. Easy to set up—any size barn will  
do; no boilers or coils needed;  
ducts are easy and inexpensive to  
build. Mow-curing requires no  
change from your present system of  
making hay.
2. Cuts down weather risk—permits  
cutting at right stage of maturity;  
eliminates loss from rain, dew and  
excessive bleaching; saves hay  
losses in bad weather.
3. Improves hay quality—eliminates  
leaf shattering, sun burning;  
assures more leaves, more color;  
gives increased food value, in-  
creased market value.
4. Reduces dangers of spontaneous com-  
bustion—controlled temperatures  
in mow prevent hazards of fire.

CAN BE USED WITH LONG,  
CHOPPED OR BALED HAY.

## **ELECTRIC** HAY DRYING EARNS AS IT SAVES!

Mow-cured hay has a greater market value  
—you get top dollar for top quality hay.  
Hay cured in the mow reduces supplemental  
feeding, and produces more milk. Farmers  
in all parts of the country say that electric  
hay drying pays for itself in the very first  
year.

Ducts, or slatted drying systems, are inex-  
pensive to build, and have low operating  
costs. Equipment is simple to install, and  
increases mow storage. For complete de-  
tails ask your Edison Farm Service Advisor  
soon! He can give you practical help in  
planning a low-cost curing system for  
your barn.

PROCLAMATION  
National Cherry Week

Michigan again in 1948 produced over one half of the nation's crop of pie cherries and is very pleased to be a part of the National Cherry Week, February 15 to 22, commemorating this important fruit in the nation, and leader in our state.

During the past year 69,000 tons of pie cherries were produced - an all time record! As usual this crop of processed cherries will find a home in most every state in the nation.

Therefore, I, W. Mennen Williams, Governor of the State of Michigan, do hereby proclaim the week of February 15 to 22 as National Cherry Week, and urge the citizens throughout the state to join with me in recognizing the accomplishments of the farmers of the state of Michigan who participated in last year's record crop production; and I hope that all public events during this period especially will feature Michigan's leading fruit crop - cherries.

Given under my hand and the Great Seal of the State of Michigan, this seventh day of February, in the year of our Lord, One Thousand Nine Hundred and Forty Nine, and of the Commonwealth the One Hundred Twelfth.

W. Mennen Williams  
GOVERNOR

BY THE GOVERNOR  
J. W. Williams

### February 15-22 Is Nat'l Cherry Week

During the past 100 years the cherry fruit industry has grown from nothing to the leading fruit industry of Michigan. During the past year 69,000 tons of pie cherries were produced - an all time record! As usual this crop of processed cherries will find a home in most every state in the nation.

According to Lawrence O'Neill, Chief of the Bureau of Agricultural Industries of the Michigan Department of Agriculture, and Acting Secretary of the Michigan Cherry Commission, the largest cherry crop in the nation was produced in 1948.

A hundred years ago there were only a few cherry trees planted in the state. Today, Michigan is the largest producer of pie cherries in the world. The cherry industry has grown from nothing to the leading fruit industry of Michigan. During the past year 69,000 tons of pie cherries were produced - an all time record! As usual this crop of processed cherries will find a home in most every state in the nation.

Babies were born 16: Mr. and Mrs. William Brown of Detroit, a boy, 13 pounds, 10 ounces, 19 inches long, born January 15, 1949. Mr. and Mrs. John Smith of Detroit, a girl, 12 pounds, 8 ounces, 18 inches long, born January 16, 1949. Mr. and Mrs. Robert Jones of Detroit, a boy, 11 pounds, 5 ounces, 17 inches long, born January 17, 1949. Mr. and Mrs. Mary White of Detroit, a girl, 10 pounds, 3 ounces, 16 inches long, born January 18, 1949. Mr. and Mrs. Charles Black of Detroit, a boy, 9 pounds, 1 ounce, 15 inches long, born January 19, 1949. Mr. and Mrs. Elizabeth Green of Detroit, a girl, 8 pounds, 11 ounces, 14 inches long, born January 20, 1949. Mr. and Mrs. Frank Adams of Detroit, a boy, 7 pounds, 10 ounces, 13 inches long, born January 21, 1949. Mr. and Mrs. Helen Baker of Detroit, a girl, 6 pounds, 9 ounces, 12 inches long, born January 22, 1949.

a national crop, this year's big cherry harvest shows that 51% of all of the pie cherries of the nation was produced in Michigan.

It is very proper that Michigan take the lead in featuring Michigan's cherry industry during National Cherry Week - February 15 to 22. The Cherry Growers of Michigan, represented by the Michigan Cherry Commission, appreciate Governor G. Mennen Williams' interest in this important industry by issuing a proclamation for the state in recognition of National Cherry Week.

According to E. C. Van Sickle, Chairman of the Michigan Cherry Pie Baking Contest 44 counties have held cherry pie-baking contests - and the contest involving the winners of all the counties, was held at Grand Rapids February 11, at which time Miss Ruth Ann Lyons, of Howell, Livingston County, was crowned Michigan's 1949 Cherry Pie-Making Queen.

## '49 Ford Given Fashion Award

Selection of the 1949 Ford to receive the Fashion Academy Award of America's "Fashion Car of the Year" was announced officially by Emil Alvin Hartman, Director of the Fashion Academy.

The Fashion Academy has become noted through the years for its annual selection of "America's best dressed women." These awards have been made for the last 20 years.

The Ford was chosen to receive the Fashion Academy Gold Medal after 1949 automobile models of all makes and in all price fields had been carefully studied from the standpoint of excellence in design, simplicity and feminine style appeal, according to Mr. Hartman.

Official announcement of the award to Ford was made in a letter to Henry Ford II, President of the Ford Motor Company. The letter said:

"You will be pleased to hear, I am sure, that the 1949 Ford has been selected for the Fashion Academy Gold Medal Award, as the fashion car of the year. This choice was made on the basis of excellence in design and style appeal for women."

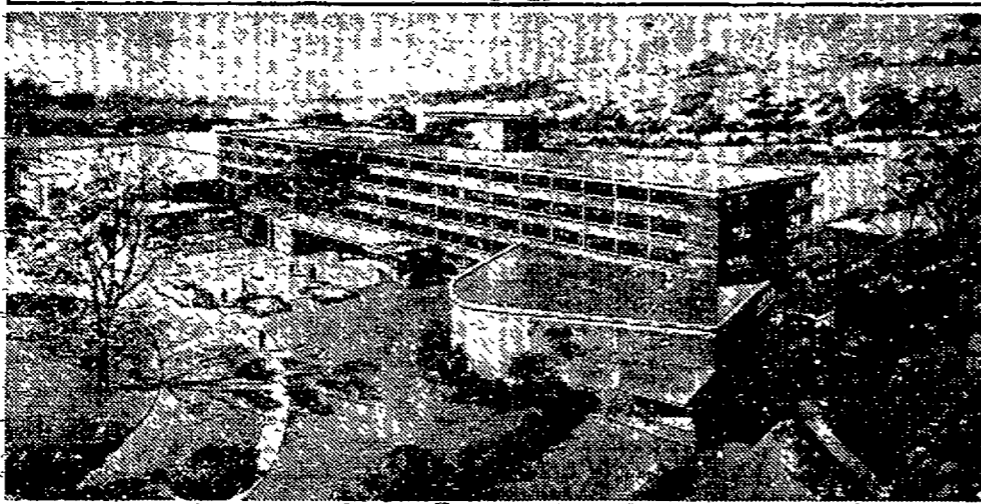

Mindful of the new trends in fashion, and the important part women play in choosing their family car, the 1949 Ford embodies all the essential qualities of good taste, modern design, and subtle harmony in line and color. It is indeed a compliment to the style-conscious women who will recognize and appreciate the flattering background it provides for her "best-dressed" appearance.

"My sincere congratulations to your organization on the 1949 Ford—the ultimate in fashion achievement."

The award will be presented to the company formally at a later date in conjunction with the selection of America's "Best Dressed Woman" for 1949.

A red salmon marked by the U. S. Bureau of Fisheries in Alaskan waters was caught 47 days later in a Siberian stream—1360 miles from the releasing point.

## Proposed Continuing Education Center at Michigan State College

Construction of a large Continuing Education Center at Michigan State College is scheduled to start April 1. The building, shown above in an architect's drawing, will provide accommodations for the college's extensive program of continuing educational services to the people of Michigan. Last year, special conferences and short courses, ranging in subject matter from sheep shearing to government workshops,

brought more than 60,000 Michigan people to the East Lansing campus. In addition, the six-story construction will contain more than 100 guest rooms, 15 special conference rooms, and dining and large assembly facilities. The building will be financed by the W. K. Kellogg Foundation of Battle Creek and furnishings will be provided by the Michigan Hotel Association. The Center will be located on Michigan Avenue, at the northwest entrance to the campus.

## To the Editor

To the people of Northville, whom I represent, I wish to put line what possibly might have been misunderstood by statements in Detroit papers and the Fact Sheet of the Outlaw Pari-Mutuel Gambling Campaign, Michigan Council of Churches.

Some Detroit newspapers carried the information as well as the Fact Sheet of the Outlaw Pari-Mutuel Gambling Campaign, Michigan Council of Churches that Northville benefited but very little from the \$500.00 per day given to the Village in connection with racing operations here.

Total received from Northville Downs in 1948 \$29,500.00  
Transferred to Building Fund from Northville Down receipts 23,500.00

Expenses incurred by

Village \$3,000.00  
From this source in the fund earmarked "For the Northville Community Building" there is now on deposit \$95,000.00

Statement Was Made the President Fred Board of Appeals

Northville's Zoning Board of Appeals was not ousted in July, 1948 because the Village Commission and Village President did not agree with the policies of that board; but because the board was illegally constituted.

The Zoning Ordinance of the Village of Northville, enacted March 18, 1946, was modeled after and was passed pursuant to Act 207, Public Acts of Michigan, 1921. That act provided that the legislative body of the Village had the power to appoint a Board of Appeals for zoning consisting of five members, each to be appointed for three years.

Act 207 was amended by Act 272, Public Acts of Michigan, 1947, which act provided that the Board of Appeals should consist of not less than five members and, further, that the above appointments for the first year shall be for a period of 1, 2 and

3 years, respectively, so as nearly as may be to provide for the appointment of an equal number each year, depending on the number of members. Thereafter each member to hold office for the full 3 year term. The Northville Zoning Ordinance was not amended in accordance with the State Law.

Northville's Zoning Board of Appeals consisted of five members but their terms were not staggered in accordance with the recent legislation, therefore it was necessary to remove the illegally appointed Board of Appeals, amend the Village Zoning Ordinance and appoint a new Board of Appeals legally.

Further That President Sat With Three Commissioners As That Board

Act 207 further provides that the legislative body of any Village may act as a Board of Appeals on all questions arising under a zoning ordinance, and in such event the said legislative body may fix rules and regulations to govern its procedure sitting as such Board of Appeals. In the event that the legislative body of any Village so desires, it may appoint a Board of Appeals as provided for in the above paragraph. Therefore, while Northville had no legally constituted Board of Appeals, it was the duty of the legislative body of the Village to act as the Appeal Board.

## Urges Reciprocal Trade Agreement

Congressman George A. Dondero is slated to appear before the Committee on Appropriations of the House of Representatives, urging an item of \$500,000 to begin construction of the Red Run-Clifford River drainage project. This amount was recommended by the Army Engineers last year to begin the work, but the President's Bureau of the Budget took it out of the budget. Congressman Dondero, however, on account of the urgent nature of this project, will insist that the appropriation be made available in order that the work may go forward without delay. The Committee of which Congressman Dondero was Chairman in the 80th Congress authorized the improvement last year as a Federal project.

REORGANIZATION OF THE EXECUTIVE DEPARTMENT—It comes as good news to the overburdened taxpayers of this country that the proposed reorganization of the Executive Branch of the Government, as outlined by the Hoover Commission, appointed by the President, would afford a reduction of \$3 billion in the cost of government. The House of Representatives acted favorably on the measure.

LINCOLN BANQUET DISTRICT OF COLUMBIA—The annual Lincoln Dinner was held in Washington, D. C., on February 8th. Congressman George A. Dondero acted as Chairman and introduced the distinguished guests. The banquet attracted one of the largest crowds ever to attend this event in the Capital City, including national Republican leaders.

Governor Thomas E. Dewey of New York outlined with rare clarity the difference in the philosophy between the Democratic Party as constituted today, and the Republican viewpoint. He charged that the present Administration had borrowed the ideology of a decadent Europe and a foreign policy embracing only Europe—not a world foreign policy. He pointed out that such a policy ignored China, which is within its borders one-quarter of the population of the world, a nation which has always been a friend of America and left it to the mercy of an oppressive Communism.

For her Speaker Joseph Martin of the House of Representatives set forth in detail the splendid constructive work of the 80th Congress, which passed legislation in a large measure had the patriotic help of Democrats who put the welfare of our country above party.

Congressman Dondero left Washington the following day to be present at the Lincoln Day

Dinners in Detroit and Pontiac, Michigan, accompanied by Senator Arthur H. Vandenberg and Congressman and Mrs. James E. Van Zandt. Congressman Van Zandt, a veteran of both World War I and World War II and a former National Commander of the Veterans of Foreign Wars, spoke at Pontiac.

RECIPROCAL TRADE AGREEMENTS—Congressman George A. Dondero, speaking on the proposed Reciprocal Trade Agreements, which passed the House of Representatives last week by a vote of 319 to 69, said: "I shall support amendments to bring about a more equitable balance between imports and exports. The exports from this country to the rest of the world were \$5 billion more

last year. Such a program is a serious drain on the economy and resources of the United States and should be corrected as quickly as possible."

Mr. and Mrs. Ed Balko of Base Line Road and Mr. and Mrs. N. E. Allison of First Street spent Saturday and Sunday at the Snow Carnival at Grayling.

Makes Complete Assembly of Television Set Here

Monte Ellis of Ellis Electronics has completed a feat of some moment with the assembly of a complete television set. Observers report it an excellent working model with a minimum of static interference. Ellis bought all the parts from the television Radio School in Philadelphia and spent about 50 hours of shop work in assembly and adjusting. The work is enclosed in an attractive regulation walnut finish wood unit. The number of parts used in building the set approximate those of three eight tube radio sets. Ellis, who has been in the radio business over fifteen years, feels that the field of television has an exciting future with a good deal of challenge being offered to the television mechanic enthusiasts. The set is now on display in his Main Street shop.
