OLD NORTHVILLE SPRING

For More Than 78 Years - - Friend, Companion and Kindly Counselor

Volume 78, Number 44 TWELVE PAGES THIS WEEK Northville, Michigan, Thursday, April 7, 1949 \$2.00 PER YEAR IN ADVANCE

Every American child, irrespective of creed, should have a knowledge of God to combat a rising generation which has no God, and moreover, feels one is unnecessary.

Religion and Morality is the basis of Patriotism and we should equip those who will carry on with the moral fortitude necessary to combat the inroad of alien, godless ideologies.

## NATIONAL SUNDAY SCHOOL WEEK

APRIL 11-17

There is a Sunday School in every neighborhood in our country - why not permit your child to enjoy the great American privilege of an early religious education by sending him there.

This message, prepared by The Laymen's National Committee, Vanderbilt Hotel, New York 16, N. Y.

## Congressman Takes Stand on Oleomargarine Tax Issue

Congressman George A. Dondero

spoke before the House of Representatives when legislation to remove the tax on oleo was up for consideration. He said:

"In the last session of Congress, I voted to retain the tax on colored oleomargarine. To have voted otherwise, that is to remove the tax, would have been of no benefit to the people of Michigan, as our State had a law which prohibited both the manufacture and sale of colored oleomargarine. Michigan has very recently repealed that law. During the campaign, I told the people of Michigan that if I were elected, I would vote to repeal the Federal tax. That promise has been kept."

Congressman Dondero stated he was fearful that Section 2 of the bill before Congress might defeat the very purpose of the measure. That section provided that "the manufacture, transportation, sale, use or possession of colored oleo in interstate commerce is declared unlawful." The Congressman said: "It means that only colored oleomargarine manufactured within a State could be sold or used. Suppose one ingredient used in the making of oleo was shipped across state lines. The question of interstate commerce could arise on the shipment in commerce could be interposed, which is declared unlawful under this bill. I hope the Committee in charge of this legislation will clarify and correct this provision of the bill. The average American housewife wants the privilege of buying oleo without having to mix or color it at home."

House Approves Red-Clinton River Appropriation

This project, which has been one of the live subjects in our area for some time, received final approval in the House of Representatives last week. Congressman George A. Dondero, almost single-handed, led the fight in the House for the inclusion of an item for \$500,000 to begin work on the project. The appropriation was approved by a vote of 256 to 138.

Congressman Dondero reports: "The Committee on Public Works of the House of Representatives, of which I was Chairman, authorized this project last year. This year the Bureau of the Budget left the item, for an appropriation to perform the work, out of its recommendations. I then made an appeal to the Committee on Appropriations, stating the urgency of the project which affects 150,000 people of our District."

"I commend the Committee on Appropriations for its effort to curtail public spending. If, however, an item in the newspapers is to be believed, that the amount this bill has been cut and the amount of work reduced in the United States for the benefit of our people is to be expended overseas for like construction work, then of course our sympathy is not quite as warm as it might be. Damages in nine of our Oakland County cities and a village and one township in Macomb County for 1947 reached a total of \$563,000. The average annual damage in the past ten years is estimated at \$120,500."

Congressman Dondero, in referring to the great benefit the project would bring for so small an appropriation, paraphrased Winston Churchill's historical statement, "Never before have so many been dependent on so little." The inclusion of this item in the Appropriation Bill was a distinct triumph for the Congressman and a great benefit for Oakland and Macomb Counties.

## Schools to Hold Clothing Drive

A Save-the-Children "Bundle Day" drive to collect serviceable, used clothing will be launched in the Northville public schools on April 14, 1949. School Superintendent R. H. Anterman announced today. Elroy Ellison will be in charge of the drive in the Grade building and Edward C. Mollema will be in charge of the drive in the High school.

The drive, which is part of the Eighth National Children's Clothing Crusade conducted under the auspices of a national committee of school superintendents, will last for 1 day. Clothing obtained will be distributed by the Save the Children Federation in its program of assistance to children in isolated rural areas of the United States and in six European countries. Northville has specified that its clothing collection be used to assist the American Indian tribes.

Three million pounds of wearable clothing has been set as the national goal for 1949. Last year in the Seventh National Children's Clothing Crusade, nearly three million pupils took part in 716 bundle days in some 40 states and raised a total 1,374,692 pounds. The goal has been increased this year in order to enable the Federation to meet the clothing needs in its steadily expanding fields of child service.

Clothing collected by the Federation is distributed abroad for the relief of such children in Austria, Finland, France, Greece, Holland and Italy. In America clothing is distributed in needy rural areas of eight Southern and Southwestern States and on the Navajo Indian Reservation, in which the Federation operates its sponsored school program. Many of the children in the American areas served come from families with cash incomes of less than \$400 a year. If it were not for the Bundle Day collections, thousands of these children would not be able to attend school during inclement weather because of lack of proper clothing.

## Over \$500 Collected; Seal Sale Continues

Over \$500.00 has been received by the committee in charge of the local Easter seal drive. The drive, which is being conducted from March 17 to April 17, shows encouraging signs of topping the sum turned in last year.

Half of the money collected here will remain in the Village for use in caring for the crippled. If you have not already mailed in your contribution, don't delay, but mail it in today. Use your seals on your pre-Easter mail.

Mrs. Herma A. Taylor, secretary and field worker for the Wayne Out County Chapter of the Michigan Society for Crippled Children and Adults Inc., spoke to the members of the Rotary Club Tuesday. She outlined the needs of the Crippled Children Society stating that it aims to help every crippled person adjust himself to his community. The need for generous support is very great today. Many urgent services must be maintained; transportation to and from hospital clinics and schools; wheel chairs; summer camps; occupational and bed side instruction.

The drive which is conducted entirely through the mail will close April 17. Plan on sending in your contribution now.

## Novi Votes for Township Hall

Four hundred and fifty-one ballots were cast in Novi Township's biennial spring election. The interest in the election there stemmed on the two propositions being referred to the people.

Proposition one which passed 388 to 49 votes appropriates \$20,000 to be used towards completing the Township Hall, fire department and community building. Proposition two which was passed by a vote of 358 to 46 provides for selling the old township building to the highest bidder upon completion of the new building.

## Hearing Tests Given Recently at School

Miss Ruth Knapp, school nurse, recently gave hearing tests to 632 pupils from the fifth grade through high school. Out of the total group screened, 83 were advised to take the pure tone test. Last Thursday and Friday Courtney B. Osborne, consultant for the Division of Hearing for the State Health Department, gave the pure tone machine tests to the 83, plus 30 pupils who had been absent at the time the tests were given and 30 pupils from the lower grades.

Out of the group 40 passed, 16 were advised to watch their condition and 27 need immediate medical attention. The parents of those with poor hearing have been notified.

## Village Council Hears March Police Report

"Chief of Police Joe Denton issued the following police report for March at the Village Commission meeting Monday night.

The list continues with dogs taken to Dr. Cavell and destroyed, 6; dogs taken to Dr. Cavell and recovered, owners fined, 3; persons bitten by dogs, 4; person bitten by muskrat, 1; Golden rule, 2; runaway boys returned, 2; doors found open, 19; to Wayne County General Hospital, 1. Total fines collected, \$245.00.

The Ladies Aid of St. Paul's Lutheran Church will meet at the church house Thursday, April 14. Mrs. Eleanor Schoch and Mrs. Lavina Sterner will be the hostesses.

## NHS Band to Give Spring Concert

The Northville High School and Community Band will present their annual spring concert Friday night, April 8 in the high school gym with Leslie G. Lee directing. A clarinet solo will be played by Joan Oliver and Corine Clark will play a solo on the flute. Donna Schulte will accompany the girls on the piano. Included on the program will be: Ringling Brothers' Grand Entry, Mineva, American Patrol, Chant D'Orient, In a Monastery Garden, Hungarian Dances No. 5 and 6, Sonata No. V and Victor Herbert Favorites.

The band members which recently played at the festival at Ypsilanti will play the three numbers they played there: Old Comrades, Carnival of Roses and American Folk Rhapsody.

## Cancer Tag Day Set for April 16

The American Cancer Society's fund raising drive will be conducted here from April 8-16 during which a house to house solicitation drive will be conducted. Mrs. Orson Atchinson and Mrs. Dayton Deal have been named co-chairmen of the door to door drive.

Saturday, April 16 has been named as Cancer Tag Day. Mrs. John W. Clarke and Mrs. Karl Karg will serve as co-chairmen on this phase of the drive. Girls of the Senior class at Northville High school will assist the ladies by distributing cancer literature, tags and canisters. The girls will be stationed at various spots on Main and Center Streets and will be asking for donations to swell the cancer fund which is used for research, treatment and for educating the public to become cancer conscious.

Mrs. Adrian Willis will be in charge of soliciting the local pieces of business and Mrs. C. Harold Bloom and Mrs. Lee Eaton will distribute posters and canisters in the stores in an effort to publicize April as Cancer Control Month.

Last week, Mayor Conrad E. Langford issued a proclamation designating April as Cancer Control Month and he asked for a doubling of efforts by local citizens in meeting this problem. Local pharmacists will observe National Pharmacy Week, April 24-30 in conjunction with the Cancer Society's drive. They will dedicate the week to the cause of cancer control, and will display educational posters and distribute literature about cancer.

One of the best statements of facts about cancer ever published in a popular magazine appears in the April 16 issue of Colliers which is on the newsstands today. The article, entitled "101 Answers to Cancer," reprints the almost complete text of a pamphlet prepared by the American Cancer Society. The American Cancer Society is seeking a minimum of \$14,500,000 for research, education and service.

A recent survey conducted by the Society showed that Americans fear cancer more than any other disease. Millions of dollars have been allocated to discover the cause and cure for cancer. However the vital program requires vast sums of money which must come from the public. Plan on giving generously when the cancer volunteer worker calls at your home.

## Legion, Auxiliary to Hold Initiation

Members of the Lloyd H. Green Post No. 147, American Legion and the Auxiliary will conduct a joint initiation ceremony at the Veterans' Memorial Hall April 12.

The initiation service will be held for the new members for both the Post and the Auxiliary. Past commanders and past presidents will officiate at the meeting.

Following the initiation, a film put out by the Michigan State Police will be shown and refreshments will be served during the social period. All those members not being initiated are asked to be present to receive their Legion pin.

## Public Hearing on Budget April 18

A public hearing on the proposed budget for Northville for 1949-50 will be held at the regular commission meeting at the Village Hall Monday, April 18 at 8 o'clock. The budget is on file at the Village Hall and may be seen any time during regular business hours.

This notice is given to give all citizens ample opportunity to be present and to participate in the hearing.

## Novi Choirs To Present Cantata

The Easter Cantata, "The Cross of Redemption" by Edward W. Norman, will be rendered by the joint-choirs of the Methodist and Baptist churches of Novi. Palm Sunday evening April 10 at 8:00 o'clock. The choir is directed by Mrs. J. M. McClucas and Mrs. Raymond Scheffer is the accompanist.

The cantata will be interspersed with solos by Mrs. Earl Baugh and Mrs. John Carver, Jr. of Pinckney. The public is invited to attend. The following numbers are included in the cantata: Easter Bells, The Entry into Jerusalem, The Last Supper, Gethsemane, At the Cross, Wonderful Jesus, As It Began to Dawn, In the Cross of Christ I Glory, The Lord is Risen, He Giveth Us the Victory and the Easterhymn Alleluia.

## Laundromat Will Open Next Week

A new self-service laundry will open next week at 144 North Center. Owned and operated by Harvey and Richard Ritchie, the store will be known as the Laundromat Half-Hour Laundry and will be equipped with 12 Westinghouse Laundromat Automatic washers and 6 dryers.

Designed to provide a quick convenient automatic way of washing the service will appeal to people who prefer to do their own laundering with the least amount of effort in other locations throughout the country. Laundromats, if it-High, Laundromats have been received with enthusiasm as the best solution for ending the problem of day-long washing laundry.

Large capacity water-heating and water-softening equipment as well as the laundromats have been installed.

## VFW to Sponsor Blood Bank Apr. 21

The Red Cross Blood Bank will visit Northville Thursday, April 21 from 3:00 to 8:00 p.m. The Blood Bank which is being conducted under the auspices of the Veterans of Foreign Wars is headed by Gene Gooch.

All those who wish to become blood donors should register with Mr. Gooch by telephoning 531-W or by contacting him at his home at 408 Randolph Street.

## Judge Toms To Speak on Neurenburg Trials

It was announced Monday night at the meeting of the Presbyterian Men's Club that Honorable Robert M. Toms, Circuit Judge of Wayne County, has accepted the Club's invitation to speak in Northville Monday night, April 18. Judge Toms will speak at the Presbyterian church house at 8:00 following the regular supper meeting of the Club.

All citizens of Northville and surrounding communities are invited to attend. Judge Toms was one of the chief trial judges hearing the cases of war criminals at Neurenburg for a full year and his report should be revealing, entertaining and of vital interest. The Men's Club inspected original leaves from famous Bibles, some dating back to 1121 A.D. at their meeting last Monday. The leaves were described by John R. Starrs, Detroit Attorney, who owns the collection.

Mrs. M. D. Taylor is now with her daughter in Howell. Mrs. Taylor is still quite ill.

## Confirmation Service Speaker

REV. KENNETH G. NEIGH, D.D.

## Police Announce Safety Program

The city of Northville today joined over 200 other Michigan cities in a concentrated effort to reduce traffic accidents by reducing the number of defective brakes and defective lights on vehicles being driven today according to Chief of Police Joe Denton.

"Police officers will check the brakes and lights of the vehicle of each motorist they stop for a moving traffic violation and will stop all motorists driving at night with defective lights," he said. "The chief urged all motorists to have all of their safety equipment checked by their regular service man and repaired if necessary."

One department has conducted a uniform training school utilizing a uniform training manual prepared by the Safety and Traffic Committee of the Michigan Association of Chiefs of Police. A poster is issued of uniform content to be distributed throughout the city.

Emphasizing the importance of having a vehicle in safe condition, Chief of Police Denton said: "A study of accident records shows that the vehicle defects were the chief defects in 1948 in Michigan. It is hoped to correct this in 1949."

This program, sponsored by the Michigan State Safety Commission, supported by the Advisory Committee composed of 69 organizations interested in safety.

## W. Couse Addresses Mich. Road Builders

Walter L. Couse of West Seven Mile Road was one of the principal speakers at the twenty-first annual banquet of the Michigan Road Builders Association held last Wednesday at the Cape Auditorium at Grand Rapids. Mr. Couse, Vice President of the Michigan Road Builders Association.

Other principal speakers at the meeting which was attended by 1490 persons were the Honorable Charles M. Ziegler, Michigan State Highway Commissioner, Colonel Erno R. Needles, President of the American Road Builders Association and the Honorable G. Mervin Williams, Governor of Michigan.

At the meeting a charter was given to the Michigan Road Builders Association into the Associated General Contractors of America. The charter was presented by Mr. Foreman of Washington, D. C. who is managing director of the A. G. C. A. The Michigan Road Builders Association carries out twenty-nine percent of the Michigan State highway construction program and it plays an important role in advanced highway legislation. Gerald F. Taft of Taft Road is also a member of the M. R. B. A.

Pfc. Wayne Westerfield is spending a ten-day furlough with his parents, Mr. and Mrs. Wallace Westerfield of Nine Mile Road. Wayne graduated from N.H.S. last June and is stationed at Rapid City Air Force Base in South Dakota. Anyone wishing to write to him may address their letters to: Pfc. Wayne A. Westerfield, Rapid City Air Force Base, Box-217, Weaver, South Dakota.

### Uncle Sam Says

Regardless of the heat wave, you can't afford to be lazy about your future because the future holds for you what you hold for the future! Ben Franklin didn't make this statement, but any United States Savings Bonds payroll saver who works with you could claim this bit of advice as his or her own. All he has to do is sign his name once on the card for the United States Savings Bonds payroll savings plan. His employer does all the rest. Three dollars saved through the payroll savings plan get Mr. Summertime Lazybones four dollars 10 years hence.

The "Futures" market on the Chicago Board of Trade fills an important economic function for the grain trade. It serves primarily to either reduce or eliminate speculative risk for farmers and other producers of grain, elevator operators, cooperatives, grain merchants and traders, bankers, millers, food processors, and exporters, as well as insuring them against speculative losses inherent in their business because the futures markets are also utilized by speculators, it becomes possible for those risks to be passed on to them.

Mrs. James Leone of Ten Mile Road and Frank Smith of South Lyon.

At the annual convocation of Northville Commandery No. 39, Knights Templar Thursday, April 8, officers were elected for the ensuing year.

The total attendance of young people and adults taking part in the classes offered by the Northville Recreation program during March totaled 1749, according to a report from the Recreation committee.

Dr. A. R. DeHues, well known cancer scientist, will be the Rotary Club guest speaker next Tuesday at the Presbyterian church house.

The Village Commission voted to follow along with Detroit and the metropolitan area in changing to daylight saving time. The fast time will become effective April 24.

### FIVE YEARS AGO

Selections from the popular musical shows, "Show Boat", "The Desert Song" and "Merry Widow" will feature the spring concert to be given by the Northville High school band Tuesday, April 25 in the high school gymnasium.

The elimination spelling bees held in the school here last Friday were plenty exciting, with Donna Jean Schnute being named the winner.

Newly elected officers for the Northville Women's Club are: President, Mrs. Walter Couze; Vice President, Mrs. Harvey Whipple; Recording Secretary, Mrs. Edna Clark; Corresponding Secretary, Mrs. A. Russell Clark; Treasurer, Mrs. Robert Coolman. The tin can collection date has been moved from April 15 to April 14 for Northville.

Northville will go over the top in the current Red Cross drive for War Funds.

James Murray left last Friday for Great Lakes where he is in boot training.

### TEN YEARS AGO

Northville's business district took the initial step this week in the annual cancer prevention drive for posters and canisters which were distributed by Mrs. E. S. Beard, chairman of the local division of the Woman's Field Army of the American Society for the Control of Cancer.

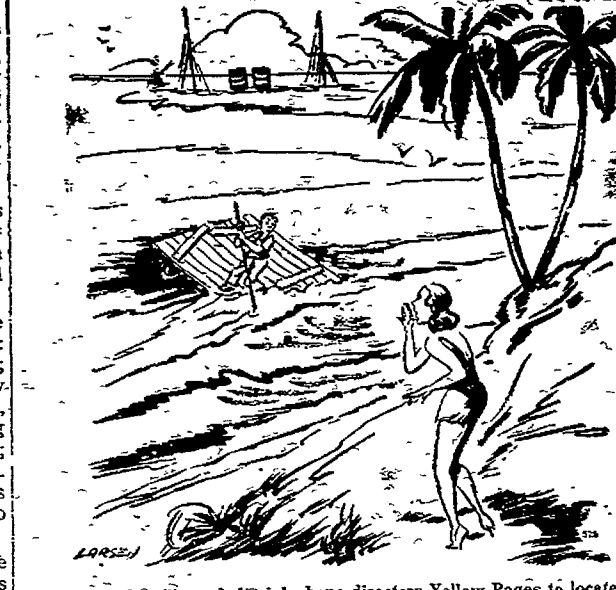

Charles Busby of South Lyon was elected and installed eminent commander Tuesday evening when the Northville Commandery No. 39 Knights Templar held its annual convocation in the Northville Masonic Temple. His supporting officers for the year are:

Representing Northville High School as the senior chosen for the D. A. R. award, Lucille Lapham was among approximately 135 delegates to meet at the state D. A. R. convention at Hotel Bancroft on Friday in Saginaw.

**THIRTY YEARS AGO**  
Dr. Thaddeus Ball died on March 21 after a long illness. He had lived in Northville for 27 years. For many years he was in charge of the Yarnell Gold Cure located on East Main Street. Besides the widow, three sons are left, Ross of Detroit; Forest of the far west and Don of this place.

Northville Commandery K. T. had 115 guests at a banquet in the Masonic Temple, Tuesday. Eighty-five knights in full uniform lined up for photographers. Work of the evening knighted Ira Wilson of Plymouth as the one hundredth member.

An important business deal has been put through this week whereby Dayton Bunn, formerly of South Lyon, becomes the proprietor of the Ford garage operated by F. N. Perrin and sons for some years past.

Rotary club, their wives and  
high Rotary officials from both  
Michigan and Canada last Fri-  
day evening celebrated the 25th  
anniversary of the Plymouth  
club, the overflow banquet tak-  
ing place in the Crystal room of  
the Hotel Mayflower. The event  
proved to be one of the most  
outstanding in the club's history.Circuit court proceedings for  
former Washenaw County Treas-  
urer Clyde D. Fleming, accused  
of altering Ypsilanti tax records  
with intent to defraud were ad-  
judged until yesterday after he  
appeared for arraignment Mon-  
day afternoon.Residents of Rochester, house-  
wives, businessmen and rural  
friends, called at the village hall  
during the afternoon and evening  
Monday to greet the new village  
manager, Robert Stone.

**Farm Topics**  
**Glass Blocks Offer**  
**Builder Advantages**  
**Use Features Practical**  
**Feeder Barn Planning**  
This practical feeder barn, shown  
below, not only offers good ven-  
tilation, freedom from drafts, and  
abundant daylight, but is designed  
to cut maintenance costs as well.  
Developed principally for dairy  
stock, it has a labor-saving floor  
arrangement with a feed room and  
silo convenient to the feeding alleys.  
Doors at either end provide ven-  
tilation through the litter alley to re-  
move odors. Ample roof, vents dis-  
perse summer heat, aid the circula-  
tion of air in winter as do louvers  
under the peak of the gables.  
Control over ventilation has been  
carefully planned to eliminate  
drafting. Sliding doors insure  
a tight closure and the gen-  
erous use of glass block panels  
minimizes drafts usually en-  
countered with conventional windows.  
These panels are fitted with hinged  
cashes which are easily swung for  
ventilation. The glass blocks trans-  
mit an abundance of daylight. Even  
on cloudy days the barn is bright  
and cheerful.  
As a barn material, glass block  
offers many advantages. Of hollow  
construction with a partial vacuum  
inside, the block has a high in-  
sulation factor which can help main-  
tain heat of the barn in winter. This  
insulation value minimizes cold  
down drafts. Condensation and  
freezing are practically eliminated.  
An additional advantage in  
these days of high costs is the per-  
manency of glass block panels. Set  
in mortar, the glass is impervious  
to weather and humidity, is un-  
harmful by chemical disinfectants  
often required to maintain dairy  
sanitation. An occasional washdown  
with a hose is all that is required  
to keep the panel surfaces spark-  
ling clean. Painting is never re-  
quired.  
Maintenance is also reduced by  
the liberal use of other long-wearing  
materials. Walls are of binder or  
concrete block, the floor of poured  
concrete, and the roof of either a  
good grade of galvanized steel sheet  
or aluminum.  
The floor plan has been developed  
for efficiency and functional use of  
space.

How time flies! That's a common  
expression you've used repeatedly.  
Keep it in mind when you think  
about your future and what you can  
do to make your future secure?  
There's no trick to security. Just  
enroll today in the payroll savings  
plan where you work. Every pay  
day from now on you'll be setting  
aside, in United States Savings  
Bonds, money that actually grows.  
In 10 short years you'll be getting  
back \$100 for every \$75 you're  
wisely setting aside today.

**LEGAL NOTICE**  
To the Supervisor of the Town-  
ship of Redford, Wayne County,  
Michigan.  
Sir: You are hereby notified that  
the Board of County Road Com-  
missioners of the Board of County  
Road Commissioners of the  
County of Wayne, Michigan, did,  
at a meeting of said Board held  
on Wednesday, March 9, 1949  
decide and determine that the  
certain alley described in the  
minutes of said Board, hereto-  
fore taken over as a County road,  
should be absolutely abandoned  
and discontinued as a public  
highway, reserving therein the  
easement, set forth in said  
determination.  
The portion of the minutes of  
said meeting fully describing said  
alley is attached hereto and made  
a part of the notice, which is  
given under and by virtue of  
Act 233 of the Public Acts of 1909  
as amended.  
In testimony whereof we have  
hereunto set our hand at Detroit,  
Michigan, this 18th day of March,  
A. D. 1949.

Permanent gas-rate increases  
granted Monday to Consumers  
Power Co. by the Michigan Public  
Service Commission may actually  
decrease the amount now being  
paid by Gratiot gas users. Since  
last summer Gratiot customers  
have been paying a temporary  
surcharge to offset additional  
company expenses.

Brackenridge high school com-

Wednesday by Supt. Gordon  
Helmhold, call for Dr. Dale D.  
Welch, president of Alma College,  
as the graduation day speaker.  
He has selected as his subject,  
"Whither 'Bound'."

The Grand Lodge high school  
boxing show, scheduled for April  
6 and 8, has an entry list of  
37 boys, according to Coach How-  
dy Loomis. They are now in daily  
training, under Charley Wilkin-  
son and Loomis, and promise to  
be in top condition for the bouts.

Besides deciding the fate of a  
proposed \$300,000 bond issue for  
off-street parking facilities, Dear-  
born electors went to the polls  
Monday to pass on four amend-  
ments to the City Charter de-  
signed to curb "abuses of power"  
charged against the City Admin-  
istration.

A four-man committee re-  
quested by the Dearborn Mayor  
visited six homes on Dudley and  
Katherine Streets and was  
"pleased" to report back that no  
direct violation of the Building  
Code could be found, although  
they did admit that various com-  
plaints raised by homeowners  
were "complaints of poor work-  
manship and distasteful appear-  
ance."

Grass fires have kept members  
of the Chelsea Fire department on  
the run the past week. In addi-  
tion, the department was called  
out for a chimney fire on Sun-  
day and for a fire at the Pump-  
kin College school house Monday  
evening.

A six room elementary school  
building in the White Lake area,  
six rooms and elementary gym at  
Milford and ten elementary  
rooms at Milford are included in  
a revised building program which  
will be submitted to the voters  
on April 13.

Prompt and fast work on the

a large barn on the John Mc-  
Donald place, east of Milford  
Tuesday afternoon, when em-  
bers carried from a raging grass  
fire had set the building ablaze.

Howard Thayer, chairman of

announced that only half of  
the total of \$2,200 quota for this area  
has been received.

Eight persons were painfully  
injured in a two car traffic ac-  
cident Sunday afternoon March  
27, at Middlebelt Road and 13  
Mile Road in Farmington Town-  
ship.

Plymouth's school electors gave  
a decisive majority to both school  
proposals when they went to the  
polls last Monday. Voters passed  
the tax limitation ballot by a  
majority of 818 to 431 and the  
bonding proposition by a majority  
of 748 to 418. In both cases the  
vote was in favor of the issues  
almost two to one.

The mild and unseasonable  
winter of the past few months  
has been a boon to the Living-  
ston County Road Commission and  
its operations. Lack of snow has  
eliminated tremendous labor and  
repair costs. Ice removal costs  
have been high, reaching a total  
of approximately \$15,000.00, two  
and one-half times normal. Not-  
withstanding this however, much  
constructive work has been ac-  
complished on the 780 miles of  
township roads.

Reflecting the importance of  
Chicago as the center of grain  
marketing for the nation, govern-  
ment records show that 85% of  
the grain futures trading in 1948  
was conducted through the  
Chicago Board of Trade, most of  
which, however, originated out-  
side of Chicago.

## Soviet Maneuver to Control Art Discussed by Dondero

Congressman George A. Don-  
dero says: "Our truly democratic  
American artists are being  
crowded out of the profession.  
They will not offer their art at  
a showing of paintings, knowing  
in advance that it will not re-  
ceive consideration because the  
Board passing on such pictures  
is composed of four to two, the  
majority of which are Commu-  
nists. What chance has a loyal  
American citizen of receiving  
even honorable mention? Such  
artists are thus crowded out of  
the field of art and soon will  
never be heard from, even  
though their works are outstand-  
ing. It also affords a splendid  
opportunity for subversive ele-  
ments to put across their subtle  
propaganda."

"We have been neglectful of  
the knowledge that Communism  
is a many-headed serpent that  
attacks the true democracies on  
all fronts, political, social,  
economic, scientific, cultural. We  
have been primarily concerned  
with its infiltration in the fields  
of government and labor, while  
it has been making headway along  
numerous avenues. We have been  
blind to the fact that Communism  
has been making broad progress  
in our cultural fields - the field  
of art. The average American has  
a limited knowledge of the im-  
portance of art in our national  
existence."

Dondero stated: "We are able  
to identify their propaganda in  
art and if we are alert to their  
activities we can put the finger  
on their latest moves for infil-  
tration. Communist Front organi-  
zation is the same in the field of  
art as in the field of politics.  
A disguised organization is built  
up, and when its true purpose is  
disclosed to the public it changes  
its name but is controlled by the  
same Marxist individuals. For ex-  
ample the Independent Citizens  
Committee for the Arts, Sciences  
& Professions."

"I call attention particularly to  
the rapid, lusty growth of the  
Artists-Equity Association, arisen  
from the ashes of other dead  
and dying similar organizations,  
but in which identities are easily  
recognized. The Artists-Equity  
Association is located in New  
York City. Many an innocent  
American artist, who is striving  
to advance himself in his career,  
unknowingly 'joins up' as well  
as the alert American who would  
be fighting this type of subversive  
organization if it were not dis-  
guised as legitimate. However,  
like all Communist fronts, the  
actual working apparatus of this  
A. E. A. is controlled and manned

overwhelmingly by Communists  
and Fellow Travelers."

"Of the 77 officers, directors  
and governors of the Artists  
Equity, listed on the 1947 letter-  
head, 69 have left-wing connec-  
tions - and more significant, 42  
are members - and many are  
officers of the American Artists  
Congress."

Congressman Dondero names  
the President of the Artists Equity  
as being a member of several Red  
Front organizations as well as  
other officers. Because the list  
of prominent Reds in the A. E. A.  
was so long he limited the list  
to those with the longest records  
of radical activities.

"It is possible to show  
examples of the output produced  
by these artist politico," Mr.  
Dondero said. "I am sure most of  
you would agree they are en-  
emies to true art, instead of art-  
ists. Leftists in art have suc-  
ceeded in lowering and are at-  
tempting to break down the  
standard to which artists of the  
past adhered - to be worthy of  
the calling of art. We are dealing  
with a subtle enemy. Let every  
loyal citizen be on guard against  
this menace to our way of life."

There are no whitetail deer,  
or only occasional stragglers, in  
Alberta, Prince Edward Island,  
Newfoundland, California, Nev-  
ada, Utah, Colorado, Nebraska  
and Kansas.

American farmers, on the  
average, sell 9% of their wheat  
in June, 23% in July, 15% in  
August, and 10% in September  
— a total of 57% in four months  
time. Throughout the remaining  
eight months, approximately 5%  
is sold each month, accounting  
for the remaining 43% of the  
total crop. This almost universal  
habit has persisted in spite of  
the changing conditions in the  
past century.

Kaiser-Frazer invades new price field!  
Kaiser... new price \$1995  
now world's lowest-priced big car

Our policy on prices

"It has always been our goal to put a bigger, better  
automobile within reach of more people. To that end,  
we have bought the huge factory at Wilcox Run,  
and have a great engine plant in Detroit. In Cleveland,  
we have acquired the world's largest blast furnace  
for the making of steel. Our engineering-production team  
and our vast dealer organization have worked overtime  
to reduce manufacturing and distribution costs. In line  
with the settled policy of our Corporation, we are giving  
substantial savings to the public in the form of greatly  
reduced prices... even sooner than we expected. Now,  
almost any American family can own a really big, fine car!"

Kaiser-Frazer Corporation

HENRY J. KAISER Chairman JOSEPH W. FRAZER Vice-Chairman

Happy days are here again! Today you can get a big, big 1949  
Kaiser Special for only \$1,995\*... a saving to you of over \$333.00!

Prices of all Kaiser and Frazer models have been materially  
lowered. These are by far the most sweeping price revisions the  
automobile industry has seen.

## Easter Dawn—The Time for Universal Joy

"Be not frightened. Ye seek Jesus of Nazareth, who was crucified; He is risen; He is not here." (Mark 16:6).

Joyously proclaiming Jesus as the Risen Christ, as did the Disciples of old, the good news of the Resurrection of life will be retold on this Easter morn as millions of Americans attend traditional sunrise services throughout the land.

Timeless because true, the joyous news will be re-proclaimed not only at the famous annual Easter sunrise rites in the great natural settings such as Mt. Rubidoux near Riverside, Calif., or the Garden of the Gods near Colorado Springs, Colo., but also at thousands of unheralded services in settings of lesser, but none-the-less impressive grandeur throughout rural America.

At Big Spring Park  
Among the latter is the annual Easter sunrise service in the natural amphitheater of Big Spring park at Neosho, Mo. Each Easter morning before sunup the townspeople throng the streets. As the sun rises above the vine-covered, tree-shaded hills they love, they all gather in the bowl of the park—Catholics, Protestants, Jews, agnostics, atheists, rich and poor, young and old—to worship together.

Their differences momentarily forgotten on this one morning of the year, the people come in rough farm wagons from little crossroads villages, and in gleaming cars from nearby cities, to participate in the great "singingspiration"—an outgrowth of the community-singing idea which, previously, had been developed into semi-annual all-day sings by the Neosho Community Singing association, a county organization inspired by Mrs. J. J. Carter. It was Mrs. Carter, incidentally, who inspired the annual Hollywood Bowl sunrise service.

Origin of Sunrise Services.  
Although Easter sunrise services have been held annually for many years at Hollywood Bowl, Ramona Bowl, the Garden of the Gods, Mt. Davidson (near San Francisco), Yosemite, Padua Hills, Palm Springs, Forest Lawn cemetery and many other places besides Big Spring park, it was at Mt. Rubidoux where the first such service is believed to have taken place. The first annual pilgrimage to the left, heights of this mountain took place in 1893, with a hundred souls making the ascent.

Now the roads of automobiles are usually paved up to the summit for the service, with over the rugged mountain side, long trails, threading hidden paths, climbing every where and winding along the rim outside the city the people on foot.

Music with Organ and Piano. The Choir under the direction of Mr. Lee presents special music in song.

Intermediate Fellowship 6:15  
Richard Somers present.

Senior Fellowship 7:15  
Presentation for presentation of Bible Story for Westminster Award to The combined group of the Methodist Church.

Methodist Adult Group meeting at the church 6:30. Triparticipation to Birmingham for monthly meeting with Mr. and Mrs. Wm. Miller.

Monday 11-8 o'clock United meeting in Methodist Church, Rev. Harold Fredsell bringing the message.

Tuesday 12-8 o'clock. United meeting in Presbyterian Church Rev. Wm. Hughes the speaker.

Wednesday 13-8 o'clock. Community gathering in Methodist Church. United Fellowship of Youth presenting the Bible Play.

Thursday 14-Communion Service.  
Friday 15-UNITED GOOD FRIDAY SERVICE 1:30 - 3:00, Presbyterian Church.

**OBITUARY**  
MRS. ADA PERKINS  
Mrs. Ada Perkins passed away at her son's home in Detroit March 29. Funeral services were held Thursday, March 31 in Detroit and burial took place at Grand Lawn Cemetery.

Ada Webber was born in Northville July 18, 1880. She is survived by two sons, Leonard and Clyde of Detroit and one daughter, Mrs. Irene Pekalla of Hancock, Michigan.

Mrs. Perkins made her home with Mrs. Keeney of 514 West Main Street for the past five years.

MRS. HERMAN ROSSOW  
Mrs. Herman Rossow died at Sessions Hospital Friday, April 1 at the age of 51 years. She remains lay-in-state at the Casterline Funeral Home until Monday afternoon when funeral services were held at the Salem Evangelical Reform Church at Farmington with Rev. Carl Schultz officiating. Burial took place at Clarenceville Cemetery.

Mrs. Martha W. Rossow was born in Farmington to the late Mr. and Mrs. Louis Esch. Surviving are the husband, Herman, at the home at 14373 Sheldon Road, Plymouth; two daughters and two sons.

## New Hospital to Use Modern Tools

The most modern "diagnostic tools" will be employed by doctors at the new Oakwood Hospital, to be built near the western boundary of Dearborn. These instruments will give them information essential to the diagnosis and treatment of many diseases.

A delicate little machine can measure the electrical impulses which your heart gives off every time it beats. Modern medical science, through the tracings of the electrocardiograph, can detect abnormalities in the action of the heart before they are detected by other diagnostic means.

The story of the electrocardiograph is still another chapter in the ever-lengthening history of the machine in modern science, a story of how medicine has taken the discoveries in other fields of science and adapted them as aids in the art of healing.

Basically the electrocardiograph—usually called EKG by those who work with it—is the string galvanometer so sensitive and so nicely adjusted to the needs of medicine that a difference of only one millivolt is recorded on a photographic film by a movement of one centimeter, more than a third of an inch.

The string galvanometer consists of a strong electromagnet between the two poles of which is suspended a string of quartz glass fiber coated with platinum to allow the transmission of an electrical current. The electromagnet itself sets up a magnetic field of force which always runs from the north to the south pole. When current from the heart is conducted through the quartz string, it in turn creates another magnetic field of force which varies with the amount of the current. The relation of these two magnetic fields to each other causes the string to move.

That movement produces the electrocardiograph tracings which aid the heart specialist in his diagnosis. A system of lenses, much like those used in a microscope focuses the shadow of the quartz string as it moves on the slit of a camera in which runs photographic paper. The finished record is known as the electrocardiogram.

Doctors have often, however, found that the electrocardiogram is only an aid to diagnosis and that they must know the patient and his history. The electrocardiogram, they emphasize, is not infallible. A patient may have a normal electrocardiogram and still have a heart disease. Sometimes the condition is not shown by the electrocardiogram.

Yet it is equally true that if the electrocardiogram is doing its job it should show the patient's condition in a way that all other diagnostic tests show.

**IN MEMORIAM**  
In loving memory of our dear son and brother E. J. Perry Kenner who gave his life four years ago April 6 at Okinawa. Somewhere back of the sunset Where loveliness never dies He lives in a land of glory Mid the blue and the gold of the skies  
Remembered by Mother, Dad and Sisters.

### HOLY WEEK

(Continued from Front Page)  
the Holy Rite of Confirmation  
will be observed.  
A class of young people and  
a large group of adults will take

their place in the membership  
of the church. Rt. Rev. Kenneth  
G. Neigh, general presbyter for  
the Detroit Presbytery, will officiate. The pastor and elders will  
assist Dr. Neigh in the "laying  
on of hands" service.  
Members of the Pastor's confirmation class are: Gail Blackburn, Betty Ann Stevens, Winifred Welch, John R. Burgess, Arthur Carlson, Jr., Glen Howarth, Nielsen Locke, Craig Rathburn, Bruce Rose and Richard Willis.

A dinner will be given for those becoming members Thursday evening, April 14 at 6:30, to be served under the direction of Mrs. Frederick Hedge, the elders and their wives. Following the dinner the Maundy Thursday service of Holy Communion will be observed.

#### Methodist

New members will be accepted into the fellowship of the Methodist Church at the Palm Sunday morning service, Rev. William Hughes will bring a message in keeping with Christ's entrance into Jerusalem.

Mrs. Richard Somers and Miss Margaret, Sours will play special music on the organ and piano and the choir, under the direction of Leslie Lee, will present special music in song.

### B. Raysor Becomes G. M. Plant Manager

Northville friends of the B. L. Raysor family of Lockport, New York will be interested to hear of the recent promotion of Mr. Raysor. The following information was taken from the "Executive Bulletin" a General Motors publication:

"B. L. Raysor, who recently was transferred from personnel manager in Lockport to staff superintendent at the Washburn Street plant, succeeds Mr. Ryan as plant manager at that plant. Mr. Raysor joined GM in 1938 as a die setter at Fisher Body, Ternstedt Division in Trenton, became a foreman in 1939 and in 1943 was named director of wage administration for Eastern Aircraft Division.

"Later in the same year Mr. Raysor became assistant personnel director. In 1945 he returned to Trenton Ternstedt as assistant director of industrial relations, becoming personnel director for Harrison Radiator at Lockport in 1946."

Mrs. Raysor is the former Mary June Junod, daughter of the A. L. Junods of Plymouth Avenue and the Raysors visit here each year.

The United States exported more wheat during the 1943 crop season than any other nation shipped in a similar period in history.

### Clothing Drive

(Continued from Front Page)  
Superintendent Amerman said that wearable clothing of all types, in both baby's, children's and adult sizes, blankets, sheets and other bedding, and pairs of outgrown shoes are needed.

"I hope we will give a bit of ourselves with these gifts, by cleaning and mending the garments so they will express good wishes for the children who receive them," he said.

A large number of shipping bags have been ordered from the Federation, and leaflets will be given to all children in the school system to take home during the week, stating the purpose of the drive and asking the cooperation of parents.

#### CARD OF THANKS

We wish to thank our many relatives, friends and neighbors for their kind expressions of sympathy during our recent bereavement. Especially do we thank the staff at Sessions Hospital, Rev. Schultz, Mrs. Edith Tyler, Elbert Boltho and the Women's Guild of Salem Evangelical and Reform Church of Farmington, Ray and Fred Carterline.

Herman Rosow and family.
