## St. Paul's Lutheran Church To Lay Cornerstone This Sunday Afternoon

### Top Rating Given Northville Band

Northville High school's band received a number one rating in the Class C division of the State band festival held last Saturday morning.

The band played at eight o'clock at Ann Arbor High School. There were 18 bands in the Class C division and five of them were awarded "number one" ratings. Those who were rated ones besides Northville were Leslie Hudsonville, Elkton and Fraser. All the bands participating in the contest were district winners, having received a number one rating here.

Judges were George E. Wain, Oberlin College, Oberlin, Ohio; Emmett R. Sarg, University of Wisconsin, Madison, Wisconsin; Leonard Falcone, Michigan State College at East Lansing; and Roy Miller of Wayne University of Detroit.

Plymouth High school, which is in class B received a number two rating.

### Postmaster Urges Mail Box Repairs

Postmaster Fred E. VanAlst, requests that persons having mail boxes within enclosed perches remove them and place them where the carrier can make the mail delivery without going through screen or storm door.

With spring being clean up time, Postmaster VanAlst is also asking citizens whose boxes are in poor condition to have them repaired so that there will be no loss in mail through storm damage or through strong winds.

Boxes placed on homes near street level that enables the carriers to make their deliveries without climbing porch steps are appreciated by the carriers. Postmaster VanAlst stated that going up and down porch steps is a hard job on the top of the carrier's head and with 350 steps a carrier can easily be seen why the mail man appreciates the patrons who place their boxes in a spot that saves him steps and does not put the patron to any material inconvenience.

### Optimists Treated To Boxing Matches

At the Optimist Club meeting held Wednesday night at Veterans Memorial Hall the members were treated to amateur boxing matches put on by the Plymouth Recreation Boxing Club Mr. Woolver, director.

Boxing exhibitions were put on by Phil Tobey vs. Bruce Wood, a pair of seven year olds; R. Clouse vs. T. Rutherford, a pair of 12 pounders. The club championship in the 92 pound class was won by Fleming over his opponent, McPherson and the club welterweight championship was won by Rutherford over Batterson. A wrestling exhibition was put on by Brunner vs. Kerner.

At the business portion of the meeting, the Club president, Dr. L. W. Snow reported on the district work meeting held April 19 at Ann Arbor. A. C. Carlson was also present at the meeting. Pres. Snow requested the members to attend the District convention to be held June 4-6 at Battle Creek. Guests at the meeting were Dr. W. L. Howard, Wilson Funk and W. J. Martin-Hurst of Brecon, England. The next meeting will be held May 4.

### Baseball To Begin At Cass Benton Park

The Inter-County Baseball League will open Sunday, May 1 with Polish National Americans meeting Goodale Merchants at 1:00 p.m. and Roger team meets Stenson Enterprise at 3:30. There will be a class A game at Cass Benton Park every Sunday and holiday to July 17.

Class A has 14 teams this year and the Red and White Division has 12 teams.

A large crowd is expected this Sunday, May 1 at 3 P. M. at St. Paul's Lutheran Church at the cornerstone-laying ceremony of the new \$151,000.00 Church and Parish Hall. The Reverend F. A. Heitwig, Pastor of Gethsemane Lutheran Church, Detroit and Third Vice President of the Lutheran Church-Missouri Synod, will be the guest speaker for this outstanding event. Rev. E. E. Rosow has been the pastor of St. Paul's Church for 12 years.

The entire service up till the cornerstone-laying ceremony will be held in the present church building. Loudspeakers will be accommodated the overflow in the School Hall. Visiting Lutheran clergy from the surrounding area will assist in the service to which the public is cordially invited.

The structure itself, of semi-gothic design and modern throughout, reflects not only confidence in the part of the membership in the future of the Church, but in the future of Northville as well. The groundbreaking services were held last November 28th. Building operations due in part to unusually favorable weather conditions, proceeded very rapidly, and it is expected the Parish Hall will be ready for use in about six weeks and that the Church will be ready for occupancy by fall.

The old church structure, which for a number of years has been inadequate to meet the needs of the rapidly growing congregation and Sunday School, was erected in the year 1897. Some of the history and sentiment of the old Church has been transferred to the new, the old cornerstone having been walled into the masonry of the new building and the bell moved into the new lower corner weeks ago has been calling worshippers from its new station.

The cornerstone will hold a copy of the Detroit News, hymnal, catechism, constitution of the congregation, names of the pastor and the officers of the congregation, the Northville Record, copy of last year's annual report, copy of the cornerstone laying program and the names of the President of the U. S. Governor and Mayor of the Village.

The new Church will seat comfortably in pews three hundred while wide middle and side aisles will provide considerable room for chairs in case of overflow attendance. The new Parish Hall will accommodate comfortably three hundred persons and provide ample facilities for Sunday School and recreational activity.

The old Church building and School Hall will be moved off the premises as soon as they are sold. Several years ago St. Paul's congregation purchased nearly an additional acre of property which will make it possible to park all cars off the streets, the site lending itself to unlimited landscaping possibilities. Situated on the beautiful slope leading up to Eastlawn Sanatorium, the Church, in its park-like setting occupies a very prominent position.

The architects were Magl & Lentz of Detroit, the General Contractor, Walter L. Couse, Plumbing and Heating Contractor, Fred W. Siemer; Electrical Contractor, E. E. Dekay. The building committee consists of Clyde DeHoff, Fred W. Siemer, and Julius Feole. The Building Finance Committee consists of Arthur Janetzke, George Lien and Wilhelm Petz.

The building project is being financed through a First Mortgage Real Estate Bond Issue. Bonds are still available in denominations of \$50.00, \$100.00, \$500.00 and \$1000 over terms of five, ten and 20 years. Five-year bonds pay two and one-half per cent interest semi-annually; ten-year bonds pay three per cent interest semi-annually; fifteen-year bonds pay three and one-half per cent interest semi-annually; twenty-year bonds pay four per cent interest semi-annually. The Depositors State Bank is the paying agent and Attorney George W. Schuch of Detroit is the Trustee.

The public is invited to attend the service next Sunday afternoon.

## Basketball Teams Receive Letters

Honored guests at the Rotary Club banquet Tuesday at the Presbyterian church house were the members of the Northville High school basketball team. Other guests at the dinner meeting were the Dads of the basketball players and the members of the Exchange Club.

Tom Rossette was chairman of the banquet and he introduced Dominic Tomack, Pete Elliott, Bob Harrison and Mack Supranowicz, prominent University of Michigan athletes and Clare Ebersole, captain of the Michigan State Normal College football team.

Charles Ketterer, basketball coach for the varsity team, presented letters to Dick Gussell, Bud Porter, Edward Kazarian, Gerry Heaton, Ronald Jennings, Robert Cole, Robert Pion, Captain Tom Stalker, Tom Shraake, Sidney Menge, manager, Jack Stovall and Dick Gray. The boys in turn gave Mr. Ketterer a sport shirt in appreciation of his leadership.

Harry Smith, coach for the reserve team, awarded letters to Harold Atwood, Pete Spagnuolo, Eugene Maloney, Dewey Ketter, Cleon Newton, Dick Coolman, Jack Wilson, Donald Graham, Tom Stanford, Charles Dickinson, David Lee, George Stoiker, John Poulos and Denny Winkler, manager.

## Mustangs Open Baseball Season

Northville High school's baseball team successfully opened their 1949 season at Cass Benton Park Monday by defeating Milford 7-2.

Kremkow did the pitching and allowed only four hits. The Northville team hit safely eight times and committed two errors.

The first two innings were scoreless and Milford scored the first run in the third inning. N. H. scored twice in the fourth and five times in the sixth. Milford made their only other score in the seventh inning.

The minor boys in the local lineup were, Shraake ss, Cole-2b, Jennings 1b, Heaton rf, Stalker 3b, Niven cf, Rowe lf and Pullen c. The Mustangs were scheduled to play at Farmington Tuesday and Friday, April 29 they will meet Walled Lake at Cass Benton park.

## Work Party At Youth Island This Saturday

The Senior Youth Fellowship of the Methodist and Presbyterian Churches are to have a work-party program at Youth Island Saturday, April 30. Most of the group are going up on Saturday for the day and some of the young people plan to stay overnight.

The committee in charge are Dick Coolman, Sally Merriam and Harold Atwood, with Mr. and Mrs. Robert Coolman as chaperones. Sunday morning church services at the White Lake Church will be attended by those staying over the weekend.

Supervising the work program will be John Blackburn and Rev. Harold Fredsell. Youth Island on White Lake is used by various church youth groups for training in Christian leadership.

## Mothers, Daughters To Be Honored May 5

The Methodist church is sponsoring a mother and daughter banquet May 5 to be held at the church house. The affair will get underway at 6:30 p.m. and Mrs. Merritt Meaker is the chairman.

Toastmistress is Mrs. Robert Frost. Beverly Stone will give the toast to the mothers and Mrs. C. O. Hammond will give the reply to the daughters. Miss Eleanor Peeke is in charge of the musical program. Tickets may be secured from members of the W. S. C. S.

Belated birthday congratulations to Shirley Smith of Beal Street whose birthday occurred April 23.

## 2 W.C.T.S. Barns Burn Saturday

A fire Saturday afternoon at the Wayne County Training school destroyed two barns. Answering the call for help were the Northville and Plymouth fire departments, Detroit House of Correction and the fire fighting unit from the Wayne County Training school. The cause of the fire has not been determined but it is believed that the loss will be covered by insurance.

Lost in the blaze was an young bull, and a sizeable amount of hay and straw. One barn was a calf barn and the other a barn for bulls.

The Northville Fire Department also answered calls to the Clyde Schultze home on Cady Street and the building to the rear of Gussell's Drug Store on South Center Street.

The minor blaze at the Clyde Schultze home Thursday afternoon was caused by an electric tea kettle being left on while Mrs. Schultze was away. It was quickly extinguished.

The building on the lot owned by the Masonic organization was discovered ablaze Thursday night. Believed to have been started by children playing there, the blaze was brought under control by the local fire department.

## Cancer Drive To End May 1

A total of \$634.15 has been collected so far in the local cancer drive. The house to house solicitation netted \$400.00, businessmen \$203.50, and the Tag Day \$50.65.

Funds are still coming in through the mail and it is still not too late to send your contribution. Money may be sent to either of the co-chairmen, Mrs. Walter Couse or Mrs. Russell M. Atchison.

Cannisters have been placed in all the local places of business for the convenience of donors and it is hoped that Northville will surpass its total of \$1100.00 collected last year. The drive officially ends May 1.

## Barbershoppers Sponsor Song Parade

Friday, May 20, the local Chapter No. 28 of the S. P. E. B. S. Q. S. A. will give this district an opportunity to hear some of the best vocal music in the country.

The word-Parade has been adopted by the national organization as meaning a presentation of a succession of prominent quarters and generally includes choral and group singing in the coming event the entire Detroit Metropolitan chorus of 60 men will be featured with such famous quartets as the Gardeners, the Four Shorties, the Family Four and the Old Timers.

The Parade will take place in the Northville High School gymnasium and tickets may be purchased from any member of the local chapter, Stewart's Drug Store and Ellis Electronics.

## Blood Bank Secures 29 Pints of Blood

Through the efforts of E. C. Gooch, the V. F. W. Blood Bank held April 21 at the Methodist church house, was a success.

Twenty-nine pints of blood were received from Northville donors. Those who assisted in securing the blood were Mrs. W. E. Fenev, Red Cross chairman, Mrs. George Risher, Mrs. Meta Myers, Mrs. Alice Smith, Mrs. Marjorie Catton, Mrs. Marie Weeks and Mrs. Evelyn Dixon.

## Local Gym To Be Scene of J-Hop

"Roses in the Rain" has been chosen by members of the Junior Class as the theme for their annual J-Hop, to be presented at the high school gym Friday night, April 29. Dancing will take place from 9 until 1 o'clock to the music of Ken Norman's orchestra.

An unusual feature of the dance will be the crowning of a queen who will be chosen from the Junior girls attending. Another highlight will be the grand march, which will be led by class officers.

Those chaperoning the dance will be Dr. and Mrs. Russell Atchison, Mr. and Mrs. Howard Atwood, Mr. and Mrs. George Stalker, Mr. and Mrs. Russell Amerman, Mr. and Mrs. Edward Mollema, Mr. and Mrs. Thomas Smith, Mr. and Mrs. Eural Clark, Mr. and Mrs. Robert Coolman and Miss Kathryn Giltner.

## BPW To Sponsor Concert May 6th

The Northwest Choral Society of Detroit will present a concert Friday, May 6 at 8:15 p.m. at the Northville High school. The concert which is open to the public is being sponsored by the Northville Business and Professional Women's Club.

The program will also present Geraldine Dey, a ballet dancer. The concert is free and the public is urged to be present to hear this group.

## Health Commissioner Addresses BPW Club

Over sixty-five members and guests attended the Northville Business and Professional Women's dinner Monday evening at the Methodist church house.

Guest speaker was Dr. Bruce H. Douglas, Detroit Health Commissioner, and he spoke on the "Health of the Nation". The program was under the direction of Mabel Cooley and members of the Health and Safety committee. Corine Clark played a flute solo accompanied by Donna Schulte at the piano and Geraldine Deyo presented a tap and ballet dance.

A business meeting followed the program. President Beatrice Carlson and twelve members of the local BPW club attended the district meeting held Sunday in Wyandotte. Guest speaker at that meeting was Judge Vera Binks and her topic was "One Hundred Years of Women's Progress."

## Scouts Receive Praise for Maybury Project

Mrs. A. M. Lawrence of Meadowbrook Rd. was hostess at a dessert-luncheon meeting last Saturday for all Girl Scout Troop leaders, assistant leaders and council members. Mrs. Nelle Wing, Maybury San Children's recreational director was also present to speak to the group and acquaint them with the work of her division. The Northville group was highly commended for their past efforts. For the past several months the Brownie troops have assisted with a part of the recreation program and since it is felt to be an important project, Mrs. Wing was asked to explain the need for continued work in the same field. It was decided that Scout and Brownie troops will continue the work next year.

Mrs. Nelson C. Schrader Sr. of West Main Street returned home recently after spending the winter months in Bradenton, Fla.

### to the Editor

After reading in the Detroit News what I was supposed to have said last April 19 in Lansing I wish to clarify to villagers my statements made before the House of Representatives.

I was speaking only as an individual regarding attacks made on our village by the press throughout the state which were not true.

Northville is one of the most cultured and humanitarian villages in the State, race track or no race track. I went to Lansing only as an indignant citizen, who loves Northville and is proud of its people and that's why I went there to defend it.

Signed:  
Mrs. A. C. Carlson

## Northville's Yesterdays

ONE YEAR AGO

During the last week, four children have been bitten by dogs in the village, and two of the dogs have been destroyed by Dr. Cavell because of rabies.

Mrs. Mary Predmore, one of the oldest residents of Northville, celebrated her eighty-eighth birthday, April 29. She lives with her daughter, Mrs. Maude Harmon at the corner of Church and Cady streets.

At a meeting of the newly elected board of governors of the Northville Rotary Club held at the home of Mr. and Mrs. Roy Elliott, the new officers for the ensuing year were elected. Richard E. Allan was named the new president.

The wedding of Marjorie Hancock, daughter of Mr. and Mrs.

Guy Hancock of Plymouth and Robert Stojanoff, son of Mr. and Mrs. Peter Stojanoff of Northville took place at the home of the bride's parents Saturday evening.

FIVE YEARS AGO

Northville climbed over its allotted quota for the second War Loan Drive shortly after noon Wednesday and now is building up an over subscription that will easily run twenty-five per cent of better over the quota of approximately \$60,000.00.

Following changes necessitating two special meetings of the Village Commission, the matter of salary adjustments for the several village employees was completed Monday evening. All employees were on the job and apparently happy Tuesday morning of this week.

Plans for a test blackout covering the eastern half of Michigan on Friday, May 7, are again being formulated by Detroit and State OGD officials. It was disclosed Tuesday.

Local Draft No. 61 reports that two men from Northville have been accepted for service and will entrain at Plymouth, May 1. They are Alvin Sheppard and Ray Westphall.

TEN YEARS AGO

Members of the Lloyd H. Green Post No. 147 participated in the flag raising ceremony at the Michigan Seafarers Tube Co. at South Lyon. Leading the parade in which the South Lyon school children participated were Charles Scholitz, George Simmons, Claude Ely, Floyd Lanning and Arthur Carlson.

FIFTEEN YEARS AGO

The Quality Club met at the Lloyd Northrop home on West Main Street. Mr. and Mrs. E. E. Miller and Ray Richardson won the bridge honors for the evening.

Mrs. E. M. Bogart, Mrs. J. Maurice Lapham, Mrs. O. F. Reng, Mrs. Clifford Casterline and Mrs. H. A. Boyden presented a skit at the W. H. M. S. M. meeting at the home of Mrs. Glenn Richardson.

THIRTY YEARS AGO

L. A. Babitt and E. H. Lapham holding the sales committee in the third Liberty Loan announced that the community had gone over the top and the final results showed an amount far above the quota set.

## Northville Youngster Has Narrow Escape

Little Ann Marie Riley of 324 Wing Street suffered a narrow escape in the muddy creek behind the Carlson home on Fairbrook road last Thursday. Mrs. Joseph Esbershultz, living in an apartment house on Fairbrook, happened to be hanging out some clothes and heard a cry. She rushed down to the creek and found little Bobby Hansen, five years old, trying to get a stick at the youngster Mrs. Esbershultz stepped into the muck and rescued the child, who was in up to her waistline.

There are 23 children now living within the area of the dangerous mudhole. Residents have called the County many times in hopes that something would be done about it.

The incident was reported to the Village and they immediately started draining the hole but as it is County property, that is all they could do. They have written to the County concerning the matter.

By Miss L. A. Ault

Francis Ann Posner has been  
ill with tonsillitis.

Janet and Alfred Schuit were  
both on the sick list part of last  
week.

Little Eddie Brugman, who was  
taken ill at his home on Mayfield  
Ave. a week ago is now con-  
valescing nicely.

Mrs. James Simpson was called  
into Redford Monday to visit her  
mother, who had suffered a  
stroke.

Mr. and Mrs. Jos. Roberts  
visited relatives in Monroe last  
Monday.

Mr. and Mrs. Jos Sidelink, formerly of Mayfield Ave., but now of Plant City, Fla., write that they will shortly make a business trip to Michigan and expect to be calling on West Point Park friends about May 1st.

Beverly Varhol was ill most of last week.

A group of relatives and friends from Detroit enjoyed a picnic supper at the Ira Magnier place on Shady Side Ave. Thursday evening.

Mrs. Stanley Chavey's sisters and their children enjoyed a family picnic at the Chavey home on Mayfield Ave. Wednesday afternoon.

Mrs. Homer Coolman and Mrs. Robt. Diehl of the Livonia Township Health Guild were among the Wayne Co. women who visited Lansing Wednesday and attended a meeting of the legislature.

Mrs. Homer Coolman, president of the Livonia Township Health Guild, entertained all her fellow officers at luncheon in her home on Shady Side Ave. last Thursday.

Mr. and Mrs. Robert Hunter of Detroit, were West Point Park visitors Monday evening.

Donald Bohlinger, of the U.S. Army, and who was home for an Easter visit returned Tuesday by plane to Tacoma, Washington, where he is now located.

Gardens" and after reading the Biblical account of the Garden of Eden, Mrs. Ira Magnier presented a dozen or so poems and quotations centering around the subject of discussion. Nearly everyone present contributed to the program. During a social hour light refreshments were served. An original poem by Mrs. Yeoman, of Parker Ave., and recited by her five-year-old daughter, Sandra, at the Easter service in the Neighborhood Bible School, gave a great deal of pleasure and many requests have been made for a copy of it.

"Notable Mothers" will be the topic at the next Sunshine meeting, which will be held in the Neighborhood Church Wednesday, May 4th, at 1 o'clock.

Home Extension Groups  
Discuss Legal Phases

Leaders of Wayne County Home Economics Extension Groups met to study the laws concerning "Property Ownership, Contracts, and Business Partnerships" as they affect the family. Northville's leaders met Thursday, April 21 from 10:00 to 3:00 at Emma DuBois at the Northville Library.

Many families fail to recognize the importance of doing business in a business-like manner with their neighbors. The purpose of this program was to provide information that will help to protect the interests of members of the family who are doing business with one another, or with outsiders. It will aid in understanding the legal business procedure to be followed and the importance of the service of a lawyer.

For information on joining an extension group, contact Mrs. Emma DuBois, Home Demonstration Agent, 3914 Monroe Street, Wayne, Michigan, Telephone - 2360-2361.

Although most grain is harvested in this country within a space of four months, it is consumed in its finished form during the entire year. In this connection, the centralized grain exchanges make it possible to accomplish an orderly distribution of the grain throughout the entire year with a minimum of price fluctuation.

Trout Season  
Opens Saturday

For those trout fishermen, come April 30, who would like to set up camp by or close to trout waters, the conservation department points out a number of locations which will serve the purpose.

Camping facilities are available in the following state parks: Higgins Lake, near the Au Sable and Muskegon rivers; Hartwich Pines, near East branch of Au Sable; Otsego, near North branch of Au Sable; Wilson, near Tobacco river; and Interlochen and Traverse City, near Boardman and Manistee rivers. These locations offer water, electricity and toilet facilities. A small charge is made for those using electricity. Sportsmen must get a 15-day camping permit from the local park ranger. A permit may be extended to a 30-day maximum when camp grounds are not more than half-occupied.

Public fishing sites north of M-49, larger and more removed from congested fishing areas and suitable for camping, are located on: North branch of Au Sable above and below Lovells in Crawford county; Platte river, east of Homer in Benzie county; Sturgeon river, north of Rondo in Cheboygan county; Pine river, west of Luther in Lake county; and Rifle river, east of Rose City, Ogemaw county. Water and toilet facilities are available at a number of these public fishing sites. Fishermen using the Rifle river site near Rose City must secure private accommodations.

Commodity exchanges, like the Chicago Board of Trade, provide a board, centralized, continuous market where buyers can always find sellers and vice versa. This market liquidity and flexibility minimizes price fluctuation to the advantage of both the producer and the consumer.

### Engagement Revealed At Luncheon April 16

Mr. and Mrs. K. H. Babbitt of Rogers Street have announced the engagement of their daughter, Mary Ellen, to Robert W. Reynolds, son of Mr. and Mrs. Frank A. Reynolds, of Sacramento, California.

The bride elect was graduated from Northville High School, Stephens College, attended the University of Alaska and will receive her B. S. Degree from Michigan State Normal College at Ypsilanti in June.

Bob graduated from McClatchy High School, attended the University of California, University of Alaska and is now a student at Queens University at Kingston, Ontario. He plans to return to the University of Alaska, where he will receive his degrees in Mining Engineering and Geological Engineering. Bob served 32 months as a pilot in the Naval Air Corps.

A summer wedding is planned. Ellen revealed the news to her friends at a luncheon Saturday, April 16. Places were set for sixteen at a beautifully appointed table. Pink snapdragons formed the centerpiece, flanked with pink carnations. The napkins and matches were also pink inscribed in silver with the names of "Ellen and Bob". The place

cards contained miniature pictures of the couple within a heart.

Present at the luncheon were: Peggy Ely, Shirley Ely, Mrs. Stanley Smith, Mrs. Robert Smith, Jr., Mrs. Robert Ely, Betty Snow, Helen Ann Cansfield, Coralyn Stephens, Rita Thompson, Mrs. Myron Utley, Mrs. Dave MacElravy, all of Northville, Mrs. Lottie Babbitt of Ypsilanti, Betty Bedow of Detroit and Joan Kitchener of Chicago.

Mr. and Mrs. C. O. Pontus of Sever Mile Road recently returned to their home after spending the winter months in Fort Myers, Florida.

A number of Northville people last week attended the Scouting Exposition held April 21-23 at Convention Hall, Detroit. Northville's Boy Scout Troop No. 1 had a display there on chemistry.

### Halmark-Catteri Vows Read April 16

Sue Halmark, daughter of Mr. and Mrs. Howard Wood of Brightmoor, and John Catteri, son of Mr. and Mrs. J. B. Catteri of Wixom were united in marriage at the Brightmoor Methodist Church, April 16.

Reverend Dixon read the double ring service before an altar beautifully decorated with bouquets of snapdragons and candelabra. Mrs. Kelso presided at the organ and Ruth Dixon sang, "Because" and "I Love You Truly".

Given in marriage by their father, Sue wore a white satin gown, which was styled with long sleeves and full skirt which ended in a train. Her fingertip veil was held in place by a wreath of forget-me-nots and she carried a bouquet of roses and forget-me-nots.

The maid of honor was the bride's cousin, Joan Hunter and she wore a blue colonial style gown and matching fingertip veil and carried pink roses. Bridesmaids were the bride's sisters, Shirley Halmark and the bride-groom's sister, Mrs. Jennie Bartera. Both wore gowns of colonial style, Shirley's being yellow and Mrs. Bartera's blue, and they wore fingertip veils to match their dresses. Both carried bouquets of pink roses.

Flower girl was Carol Wood, sister of the bride and she wore a white formal dress and fingertip veil and carried a bouquet of pink roses. The bridegroom's nephew, Ricky Falcone was the ring bearer.

Best man was Joe Gatteri, the brother of the bridegroom and the guests were seated by Doyce Ward of Northville and Bob Cox of New Hudson.

The bride's mother chose a blue crepe dress with matching accessories and Mrs. Catteri wore a grey striped dress and white accessories. Both mothers wore bouquets of red roses.

A wedding dinner followed the ceremony for the bride, party and close relatives and friends at Raphael's Restaurant in Redford and a large reception for 250 persons was held in the evening at the Veterans' Memorial Hall. The young couple then motor to Chicago, Ill. and Milwaukee, Wis. for a week's honeymoon. They are now at home on Green River Avenue.

### Nellie Yerkes Auxiliary To Entertain May 3

The Service League of the Methodist Church will be entertained by the Nellie Yerkes Auxiliary, Tuesday night, May 3. At that time the members and their guests will be at Mrs. Dorothy Foster of Acknowledged Cotton Plant, Arkansas.

Miss Foster graduated from Cotton Plant as the school's general chairman and is now a teacher of English there. She attended several other schools, all of which were Presbyterian institutions.

Miss Foster participates in many other activities besides teaching. She has been active in the State Teachers Association, State Association of Women's Club, and was president of Synodical Society that includes women of the churches of Arkansas and Oklahoma. She works with health clubs, trains Sunday School teachers and works with young people and women of the churches.

Miss Foster, out of her wide experience with Negro church life and education work, will use as her topic "Bright With Promise—Youth in the Negro Work".

Members of the Women's Union of the Presbyterian Church are invited to attend. Invitations are also being sent to the Plymouth, South Lyon and Rosedale Gardens Presbyterian Women's Groups.

### V.F.W. Auxiliary News

The V.F.W. 4012 Auxiliary held its first meeting last Tuesday under the leadership of the new president, Evelyn Dixon.

Mrs. Cora Taylor, first charter member, who for many years has been confined to her wheel chair, presented the Auxiliary with hundreds of pennies she has been saving through the years to purchase a life membership in the V.F.W. National home at Eaton Rapids. Mrs. Taylor was surprised a short time ago with a life membership gift from the Auxiliary so her gift was added to an additional sum and sent to the organ fund at the Eaton Rapids home. All Auxiliaries throughout the state are making possible the installation of a memorial organ.

A large delegation of Post and Auxiliary members attended the joint installation of Wolverine Post 171 in Redford Saturday night.

### Millionaire's Party Starts Social Season At Country Club

The roulette wheels of Las Vegas were transferred to Meadowbrook Country Club Saturday night, at the club's Millionaire's Party. As each guest entered the clubhouse, he was handed three thousand dollars in bogus money to spend, following the buffet dinner.

Co-chairmen, Mr. and Mrs. J. J. Lucal asked members to donate hams and turkeys for the affair. "And because it is a pre-season calendar item, members were doing all the work."

Scullery maids for baking the meat and beans, even to cleaning radishes, were Mrs. George Sheldon, Mrs. Fred Sheldon, Mrs. George Whybrow, Mrs. Ross Quakimbush, Mrs. William F. Newberry, Mrs. Glenn Sisler and Mrs. William E. White.

Mr. Lucal and Mr. White, who claim to be experts at meat carving, portioned out the ham and turkey, while the other male members were assigned to KP duty.

The William M. Cuttings had in their party Mr. and Mrs. James Hough, Mr. and Mrs. Don Matzen, of Northville, Mr. and Mrs. Walter Johnston and the Robert Orthweins.

The visiting Associate Matrons and Associate Patrons will exemplify the degrees at 8:00.

### Sharon Wick Remembers Friends With Cookies

Children of Mrs. Bounes' first grade room recognized a picture of one of their classmates in the Experience Column of last Sunday's Detroit News. The picture was of Sharon Wick of Yorkes Avenue over the caption "Another Jump".

It seems that Sharon was born the same day as Lane Lee took the Experience Column and therefore has become a classmate of Lane.

In the article it was explained that each year Sharon makes a lot of crisp paper representing the 1,000 bunnies. He makes many recipes of his favorite egg cakes. In different places he adds them with the help of his little friends Sharon and out of the bunny and egg cake recipe.

On Easter day he came to costume, puts the cookies in bunnies on hats and delivers them to nearby houses. She says to that the children at the nearby Sanatorium are remembered too.

### Danny Pattison Has Fifth Birthday

Easter Sunday had a twofold significance to Danny Wright Pattison, son of the Norman K. Pattisons of Valencia Road, as he celebrated his fifth birthday on that day.

On Saturday his guests arrived to help him celebrate with an egg hunt and numerous other games. Invitations were sent to Gary and Crant Pratt; Judy Ann Wedra; Walter Wesch; Billy Pritchard; Tommy Andersen; Michael Conner; Johnny Mulaire; Roger Laskis; Dianne Wedra; Mary and Bobbie Wettelstrom; Christine Richard; Janet Lemonovitch and Jimmy Jiggins. The children were transformed into bunnies while they ate their party lunch, large ears being on each hat.

### Open Extension Meeting At Northville Library

District No. 5 of the Wayne County Extension program, comprising Northville and Plymouth townships, will hold a bi-annual election for executive committee members Friday, April 29 at 1:30 at the Northville Library.

An outstanding feature of the program will be a half-hour talk by Miss Mary Bodwell of Michigan State College on "New Trends in Home Marketing and Consumer buying".

The public is invited to attend this meeting.

### Home Demonstration Leaders Commended

Local leaders of home demonstration groups in Wayne County were commended today by Emma DuBois, Wayne County Home Demonstration Agent. These 122 leaders have given their time and talents to bring to other women in the county information and new skills to make homemaking easier and homes more pleasant, Miss DuBois said.

Northville leaders who were honored are Mrs. Samuel Geraci, Clement Road; Mrs. W. Hillbrand, Marlynn St.; Mrs. Jack McCrumb, First Street; and Mrs. John Gotro, River Street.

Recognition of the contribution local leaders are making to home and community development comes as members of local groups observe National Home Demonstration Week, May 1 to 7. Local leaders act as teachers in their home demonstration groups, bringing up-to-date information and recommended practices on all phases of homemaking. They are trained at special leader training meetings and then return to their own communities to teach others.

### Local Ladies To Attend WIL Meeting In Detroit

The annual meeting of the Michigan State Branch of the Women's International League for Peace and Freedom took place Thursday, April 21 at St. John's Parish, Detroit. Attending from Northville were Mrs. C. E. Woodruff, Miss Elizabeth Vicland, Miss Alta Powers and Mrs. A. McClung Lee.

Miss Vickland was the program chairman and presented Mrs. Elizabeth Wedeman, who spoke on Japan, and Mrs. Irene Murphy, on the Philippines.

A group of Indian students also took part in the program.

### Extension Group 2 Meets

Northville Extension Group No. 2 met with Mrs. Margaret Smith on Beal Avenue Saturday for an all day meeting. Mrs. Laura Hicks conducted the business meeting with six members present.

The lesson on "Dollar Saving Plans" was given by Mrs. Hicks and Mrs. Dorothy Chene. Each member took part in preparing a plan on a dollar saving menu.

The next meeting will be held with Mrs. Lucille Champney, 341 First Street Monday, May 2 at 7:00. Members are urged to attend the district meeting to be held Friday, April 29 at the Northville Library beginning at 1:30.

### Celebrates First Birthday

Small Kenneth Martin Breitmeyer of 129 West Street celebrated his first birthday Sunday afternoon with a party for several relatives and friends. Kenny is the son of Mr. and Mrs. Arthur Breitmeyer.

Games were played by the youngsters and prizes were won by Joann Breitmeyer of Farmington and Nancy Neubert of Birmingham. Guests were present from Wayne, Detroit, Farmington and Northville.

### Girl Scout News TROOP 6

We had the business meeting first. Then we talked about our Mother's Day tea. We discussed what we were going to put in our Troop history. Those who are working on it are Sandra School, Gail Blackburn, Ann Sears and Arlene Jerome.

Mrs. Clarke, our leader, said that we are supposed to bring a small jewelry box to put our "Ona Craft" pins in next week. We closed the meeting with taps.

The James Tizzards of Plymouth Ave. returned home Monday following a stay in Orlando, Fla.

## WITH OUR NEIGHBORS

For the second time within a year voters of Huron Valley district said an emphatic "no" to a proposal to bond the district for new school buildings. The latest negative was rendered Monday when a \$400,000 building program met defeat by a two-to-one majority.

Death came quietly to Donald F. Noble, one of Northville's oldest residents and well-known figure in the business life and activity of the town, at 5:00 a. m. last Wednesday morning at his home at 541 Hickory. Mr. Noble was an attorney here since 1897 and widely known through his legal practice in Oakland County and

southern Michigan. Since the death of the late James K. Lynch in 1941 Mr. Noble was dean of the Oakland County Bar Association.

Members of the Board of Education met a new problem Tuesday night when representatives of Plymouth's Teachers club appeared before the Board with new salary demands.

There will be one thousand jobs open for residents of Livonia township, Plymouth and vicinity when the new plant of the Detroit Transmission Division of General Motors now under construction on Plymouth road just east of Middlebelt is ready for operation on August 1.

William Hartmann took over the reins of Plymouth's governing body Monday evening. During their regular meeting, city commissioners voted Mr. Hartmann into the office of mayor.

Mayor Delos Hamlin announced this week that the City of Farmington has been given the go ahead signal for the establishment of a parking lot on Grand River Avenue just east of the Fire Hall.

Ralph W. Moxley, chief of the Birmingham police department, has received a telegram from

Ned H. Dearborn, president of the National Safety Council extending congratulations to the city on its traffic record.

Dearborn's new smoke control ordinance, adopted three months ago in a blaze of indignation at the smoke-infested atmosphere of the community, this week gave off more smoke than smoke with the revelation at Tuesday's Council meeting that the employment of an enforcing officer apparently had run into a political stone wall erected by the City Administration.

Cari E. Farmer, chairman of the Board of Assessors and generally considered to be the Mayor's chief political lieutenant, publicly professed his resignation to the Mayor at Tuesday night's Council meeting. He said later he would resign within 30 days to take a position with a leading automobile sales firm in the City of Dearborn.

The Farmington Township Board at its regular meeting Tuesday evening approved a motion, pending a cooperative plan with the City of Farmington, to install a police radio system.

The alarming increase in the cost of the relief load in Gratiot county was unfolded before the

Gratiot county Board of supervisors the past week in reports given by Mrs. Frances Brown, director of the Gratiot County Social Welfare board and Russell Gaffney of the Gratiot county bureau of social aid.

Effective May 2, Howell will have an entirely new police department with Wm. Bradley as chief. George Sargison, chief here for many years, resigned following the recent city election and his entire force consisting of Clarence Cotter, Melvin Zimmerman, Lavern Dibble and Duane Wilson likewise tendered resignations. Sargison and Cotter have worked days, and the other officers had night duty.

Lack of proper parking facilities in the Rochester shopping district has developed into a nuisance to motorists, a hindrance to shoppers, a bottleneck to proper flow of traffic and an enemy to merchants. It is an ill that must be cured.

Chelsea churches were filled to capacity for the Easter services. The services during the previous week were also exceptionally well attended.

The election on the issue to reorganize the Avon, Brewster, Hamlin, Rochester, and Ross

school districts into a rural agricultural school district was held from 1:00 to 8:00 p. m. Monday, April 25, 1949.

The Chelsea Bulldogs opened their 1949 baseball season on a victory note last Thursday as they whipped their DeWitt rivals, 7-5, at the local athletic field.

State Highway Department survey crews will be in Birmingham soon to begin gathering engineering data for construction of three sections of access roads along US-10 and Hunter boulevard. City Manager Donald C. Egbert disclosed this week.

## OAKLAND COUNTY FARM BUREAU MEETS

The Oakland County Women's Farm Bureau met at the home of Mrs. Fred Upcraft, 11140 Holly-Milford Road, Twenty-five women were present. A pot luck lunch was served at 12:30 p. m. and the business meeting followed.

Mrs. Braid, chairman, turned the meeting over to the guest, Mrs. Marjory Karkor, who gave some interesting facts on Farm Bureau work. Topics she discussed were:

1. The oleo-butter problem, every F. B. woman should write to their senators personally as to the Anderson bill.
2. Have broadcast by Marshall Wells on the dumping project.
3. A trip is being planned to a United Nations meeting on June the 25th for better international interest for F. B. women.
4. Also a move is being made to bring a woman from Europe to this country to see our way of living, as a guest at different farm homes.

The treasurer's report was given. In the treasury: Project money, \$31.00 and F. B. money \$38.92.

The next meeting to be held at the home of Mrs. Iva Miller, 8315 Pine Knob Road, Clarkston on May 17th.

"Our 145-horsepower Ford Model F-8 BIG JOB is

# THE BEST TRUCK

we ever had for heavy construction work!"

"WE ARE completely sold on the extra power, economy, durability, as well as the low maintenance cost of the Model F-8 Ford," reports Ike Talbert of Meridian, Mississippi. "Our 145-horsepower Model F-8 is the best truck we ever had for moving heavy construction equipment. The longer we operate this truck, the more satisfactory it is."

Sensational reports on the new F-7 and F-8 Ford Big Jobs are coming in from everywhere. Men who know trucks claim 6,000 miles per month, for months on end, with no time out... gross loads of 50,000 lbs. ... power that leaves other trucks eating dust ... passenger-car type of driving ease and comfort ... gasoline economy that even smaller two-ton trucks cannot excel on comparable runs. Come in and let us give you more facts on the Mr. Big of big-time trucking—the Ford Big Job for 1949.

- ★ Brand New 145-Horsepower Ford V-8 Truck Engine
- ★ New Heavy Duty Quadrax Axles; Single-Speed and Two-Speed
- ★ Big Tires; up to 10.00-20 on F-8, up to 9.00-20 on F-7
- ★ New Heavy Duty Five-Speed Transmissions
- ★ Big Rear Brakes, Power Actuated, 16-in. on F-8
- ★ Built and Warranted for the following ratings:

	Gross Vehicle Weight	Gross-Train Weight
'49 FORD F-7	19,000 lbs.	35,000 lbs.
'49 FORD F-8	21,500 lbs.	39,000 lbs.

State Treasurer D. Hale Brake is of the opinion that consolidation of state departments and boards is not the answer to the state's financial problem.

"The only way the legislature can bridge the gap between receipts and disbursements without new money is to discontinue services now given to the people to the extent of some \$40 to \$50 millions," states Mr. Brake.

"Consolidation of departments and boards might possibly save a little money, although such consolidation is just as likely to result in increasing the expenditures. Major consolidations that we have had to date has done just that. The only material saving that could possibly be made would be not by consolidation or reorganization but by elimination of services."

How much money did the State of Michigan receive last year? Including federal grants-in-aid and special funds like the highway fund, game and fish funds and so on, the grand total was \$462,982,857.58.

Out of this amount, the legislature exercises control over about \$221 millions. If you deduct the earmarked school money now regulated by the state constitution, the net sum is approximately \$140 millions — 30 per cent of the total.

The legislature is responsible for spending of only 30 per cent of the state's total of tax-collected funds, who should be blamed if a deficit develops at Lansing?

Revenue adjustments plus new economies are being counted on by Republican leaders to avert, or at least minimize, the prospective deficit in the state treasury. Governor Williams recently scolded the legislature because of an anticipated \$71 million deficit. G. O. P. hopes count on \$12 million more in sales tax by plugging leaks, \$20 million more by a gas tax transfer, \$11 million shifted to local school districts to pay for teachers' retirement, \$6 million saved by not repeating the old gas tax increase and recovery provisions, in an estimated \$11 million surplus at of June 30, 1949.

Check for the talking tons of thousands of dollars in profits and on Michigan in retail merchants. The national chain store is estimated at \$15,000,000. Foreigners usually do not take clerks into account, check without providing accurate identification. Never accept a second-hand check, bank pass book at hunting license. Ask for driver's licenses or police identification card containing photograph and fingerprint. Michigan's direct relief load is the highest since February, 1942. The cost of living index, U. S. department of labor, has dropped for the fifth consecutive month. Economists say present deflation has yet to run its full course.

business will continue to slacken; 1949 will be a good year by pre-war standards.

County road commissions favor the Michigan Good Roads Federation program for a \$29,000,000 boost in gasoline tax and weight fees. Transportation companies are opposed. Taxpayers would save \$20,000,000 a year through maximum interest rates for automobile installment payments, according to Senator Harry F. Hittle (R-Lansing), sponsor of a bill just approved by the Senate.

A move to merge the presidential and state ballots lost in the Senate. House Bill, 238, liberalizing unemployment compensation payments, is being criticized by employers as creating a state dole for workers, knocking out the present merit rating for steady employment.

Old age assistance is becoming old age pensions in some states. California has a \$75 per month pension for persons at the age of 62. The added cost to the state's tax load is estimated at \$118 millions for the next fiscal year.

A new type of building block, made out of concrete and sawdust, has been tested by Michigan State College, and found to be satisfactory. A Chesaning man erected a home, 22 by 24 feet, at a cost of \$1,500.

Dan Gerber, president of the baby food company at Fremont, heads a committee of the Michigan Economic Development Commission seeking new industries and payrolls for Michigan. It is proposed to speed up tree planting to help revive wood products industries. Manufacturers would be assured of adequate water resources through a state-wide program of water conservation.

Laying off of workers by industries in some Michigan cities has intensified Chamber of Commerce efforts to attract new manufacturing firms to the state. The question has also lessened the chances of legislative approval of a state tax on corporation profits. The general idea seems to be you can't woo and tax industry at the same time.

## Modern Operating Rooms Essential

The operating rooms of the new Oakwood Hospital will be among the most valuable assets of Western Wayne County.

If you need an operation, you must have not only a good surgeon but a good hospital. Modern surgery is a complicated process requiring elaborate preparations by highly trained, skillful technicians working with expensive equipment.

For your operation, the work of the hospital begins as soon as you are admitted. Your blood is tested so that the surgeon can know in advance whether undue hemorrhage or its reverse, clotting, is likely to occur. Your blood is typed, so that a transfusion may be given if necessary. Other tests may be made, such as basal metabolism, or the condition of your heart may be studied by the electrocardiograph to indicate whether certain drugs and anesthetics may be safely used.

Preparations are made for the actual operation long before you are brought into the operating room. Clean linen from the laundry must be sterilized in an autoclave for 45 minutes at a temperature 250 degrees Fahrenheit to kill any germs which might have survived the hot water and soap of the laundry. Instruments needed for the operation, likewise must be sterilized for three-quarters of an hour.

Sterile masks, caps, gowns and rubber gloves must be prepared for the surgeon and his assistants. Each finger of each glove must be blown up and tested for holes. The surgeon and the doctors and nurses who assist him, scrub their hands and arms for at least ten minutes, before they put on their caps, masks, gowns and gloves. The hospital does not permit anyone to enter the operating room unless he is wearing a sterile mask, cap and gown.

After the operation is completed, the hospital still has the responsibility of caring for you until you recover, and must keep your doctor constantly informed of your progress. Thus, the success of your operation depends on both the surgeon and the hospital. You and your neighbors need not only good doctors but a good hospital.

Western Wayne County does not have adequate hospital facilities. That is why Greater Detroit Hospital Fund has allocated \$3,000,000 toward the construction of the new Oakwood Hospital in Dearborn.

For this smart housewife, washday is a cinch. To avoid the drudgery of long hours over hot, steamy wash tubs, she simply takes her clothes to our Laundromat Half-Hour Laundry. As in the picture, she loads her weekly 45-pound wash into five Laundromat Automatic Washers, and lets the machines do the work. In half an hour they are automatically washed, rinsed and spun practically dry—while she shops, reads or relaxes. Women of Northville have this same opportunity to enjoy work-free washdays at our new Laundromat Half-Hour Laundry located at 144 N. Center, Northville. Phone 121W. H. P. and R. C. Ritchie, props.

## Ziegler Has Plan To Lessen Accidents

The latest available statistics reveal that 48 per cent of all accidents on our highways occur at night, and even more alarming is the fact that these same statistics show that over 55 per cent of highway accident fatalities occur at night. State Highway Commissioner Charles M. Ziegler reports "When one considers these percentages in light of the fact that only 20 to 30 per cent of traffic moves at night the importance of darkness as a factor in producing accidents is firmly established."

"The installation of reflectors to delineate roadways at night was an important step in the direction of highway accident prevention. Even though night traffic accidents have declined on highways delineated by reflectors, this device does not entirely solve the problem."

"For some time I have realized that motorists driving at night have difficulty seeing the yellow line on the pavement a sufficient distance ahead and more particularly when there is snow or ice. There is not enough sight distance in a no-passing zone to allow passing in safety," Commissioner Ziegler warns.

To correct this hazardous situation which permits a motorist to attempt to pass while oblivious to the danger, the State Highway Department has developed a new plan for the use of roadside reflectors. Normally reflectors all the same color usually crystal, are placed on both shoulders of a road to outline the roadway. In experimental use of the new system on the Ionia county section of US-16 between Maysburg and Lansing, the reflectors are crystal except when paralleling a yellow line, when they are amber.

they are amber and almost twice as large.

Thus a motorist, when he sees the amber reflectors coming up has warning of the approach to a yellow line indicating a hill or curve where passing is unsafe and prohibited. He is also made aware by the amber reflectors of the beginning, extent and ending of the yellow line. The reflectors show amber only to the motorist about to ascend a hill, when approaching a curve or no-passing zone. In zones where passing is prohibited in either direction the reflection is amber to motorists from both directions.

"I think I am safe in saying that motorists may chalk up this plan as another first in safety for Michigan. The plan is being used in the test section to get reactions from motorists. A special check will be made to determine the reduction in accidents on the section used in the experimental stage. If the test proves successful and provides the protection needed by motorists, the plan will be used on all highways where delineators are installed and on the more dangerous hills and curves on major state trunklines," Ziegler concluded.

## 4-H Safety Workers Striving To Reduce Farm Accident Toll

More than 1 1/2 million farm residents took enforced vacations last year due to accidents. In short, one out of every 17 farm people suffered a disabling accident.

Motor vehicle accidents now head the list of causes of fatalities to rural people. 7,300 of whom were killed due to collisions, blow outs and other highway mishaps in 1948.

The annual economic toll due to all types of farm accidents is not nearly one billion dollars.

In an all-out attempt to reduce these staggering figures 4-H Club members throughout the nation are already engaged in the 1949 National 4-H Farm Safety program, reports Guy L. Noble, director, National Committee on Boys and Girls Club Work.

Daily safety practice is stressed in farm buildings and yards. In use of farm machinery, handling livestock and in driving or walking on highways. Through county extension agents and local 4-H Club leaders, rural boys and girls are encouraged to check and remove conditions likely to cause accidents and fires, and promote safe practices in farm life. This is a fight to co-operate in community safety activities. The entire program is under the direction of the Cooperative Extension Service.

An added incentive to produce good safety records, General Motors is again donating awards. Five sterling silver medals of honor are presented members in each county for best safety achievements. The state winner is given an all-expense trip to the National 4-H Club Congress, and also an opportunity to be selected for national honors and one of the eight \$300 scholarships. The county reporting the most outstanding safety program in each state receives an engraved plaque of merit.

### RURAL HILL CEMETERY FUND

Trans to General Fund 5000.00  
Moved by Schoultz supported by Stubenvoll, that bills be allowed and paid. Carried.

Letter was read from the Michigan Liquor Control Commission regarding the transfer of the liquor license now held by Wm. T. Gibson for 216 Plymouth Ave. to John J. and Joseph G. Manica. Request for transfer was tabled until Chief Joseph Denton makes an investigation.

The 1949-50 budget for the Village of Northville was again presented, and there being no one present who raised any objections to its passage, it was moved by Schoultz, supported by Peters, that the budget proposed, with expenditures of \$135,600.00 and anticipated revenues of \$42,600.00, leaving \$63,000.00 to be spread on the tax roll, be adopted; and that the Village Assessor be instructed to spread this amount on the tax roll as follows:

General Fund	\$52,000.00
Debt Service Fund	11,000.00
Yeas: Ely, Stubenvoll, Locke, Schoultz and Peters.	
Nays: None. Carried.	

R. E. Petersen petitioned the Village Commission for an adjustment of his water bill for 145 E. Main St. There has been a blind leak in his water line which has only recently come to the surface, and the Commission agreed that an adjustment should be made. Moved by Schoultz, supported by Stubenvoll, that they accept \$100.00 in full settlement of the bill. Carried.

No further business appearing, meeting was adjourned.

Signed:

A. R. Clarke, Acting Clerk

American farmers marketed about 31 billion dollars of products last year, according to the U. S. Department of Agriculture. This was 3 per cent above the previous year and probably established an all-time record. Inasmuch as production, expenses also were greater, net income was down slightly from the previous year.

## Advices Increase For Road Maintenance

Northville will receive \$11,100 from the state as compared with \$7,644 in 1947 for street maintenance and construction. If the recommendations of the Michigan Good Roads Federation are enacted into law, the total for all incorporated cities and villages in Wayne County would be \$8,055,939 as compared with \$4,879,551.

The Wayne County Road Commission would receive \$8,405,614 for county road purposes as compared with \$5,377,289 in 1947, if the Federation's proposals go through.

The Federation's program calls for a series of reforms in the expenditure of state collected revenues, a more equitable distribution of funds, a classification of roads and streets according to traffic requirements and the matching of locally raised funds with state collected revenues for local roads and street use.

The bills also would increase the present gasoline tax from three cents per gallon to 4.3 cents. The national average is more than five cents. The weight (license plate) tax would be raised from 35 cents per hundred weight to the less than pre-depression rate of 50 cents, and the weight tax on commercial vehicles would be increased by one-third.

The Federation's formula would increase all road revenues by some \$10,000,000, which would be deposited in the "motor vehicle highway fund" and distributed to meet the needs of the three agencies responsible for roads and streets.

According to the engineering analysis "Highway Needs in Michigan" incorporated cities and villages would receive 197 county road commissions 37%, and the state highway department 44%. Forty percent of the highway department's new construction funds must be spent within city limits thus raising the latter's real share of road revenues to about 33%.

The state of Ohio has navigable waterways for 430 miles of the Ohio river, 230 miles of lake frontage and 100 miles on the Muskingum river. Manufacturing mining and oil are among its chief interests.

The Chicago Board of Trade was organized by 82 members in 1848 to trade in grains, flour, and pork products. Now beginning its second century, the board is the largest grain exchange in the world with 1,422 members who deal in wheat, corn, oats, barley, soy beans, lard, and rye. Some trading is also conducted in cotton and securities.

The weighing department of the Chicago Board of Trade, which was organized to serve as a medium of settlement between buyers and sellers of grain and to furnish accurate weights independent of interests of either party, handles about 400 million bushels of grain annually.
