Tuition Pupils Beneficial To Village School System

Editor's note: (This is the second in the series of articles dealing with the problem of classrooms for the Grade school and the solution being worked out by the Board of Education.)

Grade School classes are being conducted in three houses back of the Village Hall. Would this be necessary if pupils in the system were limited to those residing in the school district?

In recent years many of the smaller school districts have been forced to close for reasons ranging from inability to hire a staff of teachers, to loss or destruction of the school building itself. This has led to an influx of tuition students in the larger, neighboring districts. The Northville schools have been faced with such a problem for some time.

When confronted with the request of a neighboring district to admit a group of pupils, it has been the policy of the Board of Education to carefully examine each proposal from all angles. Is Northville a logical place for such children to attend school from the standpoint of their places of residence and the distance to be covered? To what other school or schools might they be sent? How can transportation be arranged and who will provide it?

Can the pupils be accommodated without overcrowding the classrooms to the detriment of the children living in the Northville school district, whose welfare must come first? Will the tuition money cover the additional expense so that these extra pupils are not a financial burden to the Northville school district? If such questions can be answered satisfactorily, the pupils are admitted as tuition students.

At the present time, the pupils from the kindergarten through the sixth grade are divided into seventeen classes. Among this group are scattered a total of 121 tuition students or an average of about seven per class. Actually the distribution ranges from four in one class to a high of twelve in one kindergarten section.

Eliminating the tuition students would reduce the size of the classes somewhat but would in no way reduce the need for classroom space which is now the important problem. Without the tuition students, the remaining classes would still be too large to consolidate or combine in any workable fashion to reduce the room requirements.

The fact is that, in actual practice, the Board of Education has found that the admission of tuition students to date has permitted a better and more efficient distribution of students per classroom. The average enrollment is now 33 pupils per class.

In the opinion of the Board of Education, the tuition students have definitely paid their own way. Grade school tuition is at present \$206.00 per year so the tuition students in the Grade school produce an annual income to the system of approximately \$24,000.00.

The loss of this revenue, if tuition students were refused admittance, would seriously hamper the school program. It would result in the lowering of the present standards in the Grade school as to the number of teachers and the ratio of students per teacher. A fair, impartial analysis of the local situation by an outside educator brought forth an opinion that the quality of the system would suffer without the tuition pupils.

Under the policy followed by the Board of Education, the admittance of tuition pupils has been more beneficial than detrimental to the school system. Because of the fairly even distribution of pupils throughout the grades, they are not, responsible for the space problem nor would their elimination remedy the situation. The 17 classes being conducted today, require 17 classrooms, either with or without the tuition pupils.

Northville High School will hold their annual Honors Assembly Monday, May 23.

Schools to Hold Exhibits May 25

Wednesday, May 25 at 7:30 P.M., art, home economics and shop exhibits will be held at the Northville schools.

The Brock and Mosher homes where sixth graders are now being taught will be open on that night so that spectators may view their murals and art work which they have worked on throughout the year.

Charcoal, oil, crayon, pastels, chalk, water color, masks and china paintings will be on display for parents and friends of the fourth, fifth, sixth graders and High School art pupils to see. Mrs. William Rector is the art teacher and she will supervise the exhibit to be held in the art room.

Mrs. Bessie Menge, Home economics teacher, will be in charge of the tea which will be held in conjunction with the sewing display. The girls' sewing projects for the year will be exhibited in the home economics room.

Mechanical drawings and all kinds of shop work will be on display in the shop room. Robert Meese, industrial arts teacher, will be in charge of that exhibit.

Villagers are encouraged to come out and lend their support to this exhibit being staged by both the Grade and High school pupils.

High School Choir To Give Concert

The Northville High school choir will present its annual spring choral concert Friday, May 27 at 8:00 P.M. at the High school gymnasium. The chorus of 80 voices is under the able direction of Leslie G. Lee.

Featured on the program will be the Boy's and Girl's Glee Clubs. The program will mostly consist of folk music and all music lovers are cordially invited to attend the concert. There will be no admission charged, but a free will offering will be taken. A complete program will appear in next week's Record.

Senate Approval Given Hospital

Sunday's Detroit News carried an article which stated that the state mental hospital received a \$3,750,000 appropriation from the Senate. The mental hospital is being built on Seven Mile Road, just east of the Village.

Construction for the first patient unit of the long delayed Northville State Hospital is expected to begin in the fall. The Senate about two years ago voted action which stopped the building of the patient unit after the power plant, water system and railroad siding had been constructed.

The News stated that another \$3,750,000 is expected to be appropriated in the 1950-51 fiscal year to finish the first building. The building will contain offices and bed space for 700 patients. The entire institution has been planned to house 3,500 patients, and the site and power plant were planned with that in mind.

A. N. Langford, the building division director and he stated that the building will be a model for the rest of the nation to follow. Safety bars will be used in place of iron bars on the windows, and the institution will be the top of a clinical hospital with the most modern curative processes, used to restore the patient to normalcy as quickly as possible.

When completed which may be 15 or 20 years hence, there will be about 33 buildings on the 500 acre site. An "out patient" clinic will be operated where patients may come and go as they please.

Local Man Attends Insurance Course

Fred L. Hunter, vice president and general manager of G-M Underwriters, Inc., representative of the Aetna Casualty and Surety Company in Detroit, is now at the company's home office in Hartford, Conn., attending a special insurance course.

Mr. Hunter was graduated from Michigan State College and during the war served with the U.S. Army Ordnance Corps. Before joining G-M Underwriters, Inc., he was connected with the Equitable Life Assurance Society. Mr. Hunter is a member of the Detroit Life Underwriters' Association, the Life Leaders of Michigan, the Junior Chamber of Commerce, the Exchange Club and the Masons.

In addition to representing the Aetna Casualty and Surety Company, Mr. Hunter represents the Aetna Life Insurance Company through the H. J. McLaughlin agency in Detroit.

Pres. Men's Club To Paint Church House

A work-see, sponsored by the Presbyterian Men's Club, will be held each Saturday starting at 9:00 a.m. to paint the exterior of the church house. The men at their monthly meeting Monday voted to undertake the painting of the building to match the century-old church which was painted eleven years ago.

Chairman of the painting committee is Maxwell Austin of Walnut Street. Some of the men will paint early evenings during the week to supplement the Saturday work crews.

The paint was donated by Charles Walker, purchased through the Harnden Paint and Glass Co. and is to be a dark red brick finish.

Seventy Junior Police gathered at the Scout Building last Saturday to enjoy moving pictures presented by Haze Bennett. Rodolphe Richard furnished the group with soft drinks.

Legion School Awards Given

The first annual school award banquet of Lloyd H. Green Post No. 147, American Legion, was held at the Veterans' Memorial Hall Tuesday evening. Marlene Weiss and James Hoels were the 1948 winners and Marilyn Funk and David Lee were honored as the 1949 winners from the Northville Grade school.

The American Legion school award was presented to 14 school pupils representing schools in this area. Winners besides those from Northville were: Bessie school, Cynthia Gates and Donald Neely, Waterford; Jack Carr and Gail Whitman, Chippewa; George Rumbach and Barbara Blythes, Thayer; Larry Graham and Sally Glance, Salem; Benjamin Bryant and Joan Bennett and Nova Mitchell Rich and Sally Davis.

The awards which were presented by Charles Carrington, chairman of the Legion's Americanism committee, consisted of a medal and a certificate of meritorious achievement presented to a boy and girl from each of these schools in recognition of their exceptional exemplification of the following traits: honor, courage, loyalty, leadership, comradeship and scholarship.

The awards were made at a banquet held at the Veterans' Memorial Hall Rev. E. E. Rossow, pastor of St. Paul's Lutheran church was the speaker for the occasion and he delivered a timely and inspirational message. Guests present were members of the Legion Post and Auxiliary, and parents and friends of the honored pupils.

Church Bowling Season Closes

The closing banquet of the Church Bowling League was held at Porritt's Cottage Inn last Tuesday night in the absence of the president William Clark, the trophy was presented by Edward Weich to the captain of the winning team, Homer Clarfelter. Other members of the team included Kalin Johnson, John Blackburn, Howard McKeague and Donald Severance.

This is the second year in succession that a Presbyterian team has won first place, with Don Severance the only man whose name appears twice on the trophy. A gold bowling pin mounted on a plaque of black walnut, the trophy is the handwork of Edward Grieger of Northville Road. It was made in 1948 and hangs in the Men's Club meeting room at the Presbyterian church house.

A. Gadoll of the Northville Center Recreation spoke briefly and said that individual trophies will be given to the five winners on the top team. Rev. William Hughes and Rev. Harold Fredsell commented on the years activities of the teams.

Officers elected for next year are: Sidney Menge, president; Dr. Hugh Godfrey, vice president and John Blackburn, secretary.

Peggy Ely Graduates from M.S.C. June 5

Margaret L. Ely of Northville is one of the 1,932 Michigan State College students who are candidates for degrees at the end of the spring term and she will receive her bachelor degree at the college's 91st commencement exercises June 5.

Peggy is the daughter of Mr. and Mrs. Claude Ely of Gardner Avenue and graduated from Northville High School in 1945. She plans to teach following graduation.

The regular meeting of the Baptist Women's Union will be held at the church house Thursday, May 26 at 2:00 p.m.

Hearing To Be Held On Zoning Ordinance

A public hearing will be held in the Northville Village Hall Thursday, June 2 at 8:00 p.m., at which time a proposal will be heard to amend Ordinance 123 of the Village of Northville.

This ordinance is known as the Zoning Ordinance for the Village and the hearing will be held in regard to changing or re-zoning certain pieces or parcels of land in the village.

Poppy Day To Be Saturday, May 28

All members of The American Legion were called upon to wear a poppy on Poppy Day, Saturday, May 28, in a special message issued by Fred Walker, Commander of Lloyd H. Green Post of the Legion.

Urging that veterans of both world wars set an example of reverence for the war dead by wearing the memorial flower throughout the day, Commander Walker said:

"Passage of the years has not dimmed our memory of those comrades of ours who served by our sides and who gave their lives for America. Let us then show that we remember them and honor their sacrifice by wearing our memorial flower, the poppy, on Poppy Day. In this observance war veterans should set the example for all citizens."

Members of the American Legion Auxiliary, our wives, mothers, sisters and daughters will distribute the flowers on the streets of Poppy Day and receive contributions for well-to-do among needy veterans and veterans' children. Knowing as we do the great and growing need for this phase of Legion and Auxiliary activity, we should be as generous as our means permit in giving our poppies.

Members of The American Legion should be among the first to put on poppies on Poppy Day and should give every cooperation toward making the observance of the day a complete success.

Twelve Seniors Top N.H.S. Honor Roll

The Senior class at Northville High school topped the honor roll for the last marking period, placing a total of twelve names on the list.

Pupils on the honor roll are: ninth grade, Mary Jane Woodruff, Gay Duerson, Beatrice Janchick, Gail Matzen, Marilyn Funk and David Lee; tenth grade, Phyllis Starr, Jane Stroh, Alice Newton, John Rachov and Hazel Hammond.

Eleventh graders on the honor roll are: Lucille Schaffer, Ann Beckel, Donna Schaute, Fred Bernhardt, Roger Brummel, Bob Erwin, Tulane German, Leonard Howard and Katie Kampf; twelfth grade, Wanda McKinney, Katharine Rackham, Bill Stanford, Lester Tomazewski, Larry Walker, Evelyn Westerfield, Joanne Bidwell, Corine Clark, Jean Freydt, Jack Heslip, Jean Holman and Don Costello.

Map Plans for Memorial Day

Northville's veterans of World War I and 11 will spearhead the activities here in the Village for the Memorial Day parade.

Sunday, members of the local American Legion Post and Veterans of Foreign Wars and their auxiliaries will attend services at the Baptist church in a body. The group will gather at 10:30 at the Veteran's Memorial Hall and march to church in a body.

Monday, Memorial Day at 10:30 a.m. the group will gather at the Veteran's Memorial Hall and accompanied by music provided by the Northville High school band under the direction of Leslie G. Lee, will march to P and A theater for exercises there. S. L. A. Marshall, Detroit News analyst will be the speaker for the occasion.

The band will then lead the parade to the cemeteries where the graves of those who gave their lives in battle will already be decorated. A complete list of the Memorial Day activities will be found in next week's Record.

Barbershoppers To Give Concert

A really fine concert, plus plenty of life and laughter, is in store for patrons of the Barbershop Parade at Northville High School gymnasium Friday night at 8:15 p.m.

The Detroit Metropolitan chorus of 60 male voices, under the able direction of Thomas Needham, will represent the combination of the best talent of the entire district of chapters. In addition, such well known quartets as the Four Marksmen from Toledo, Ohio, the Gardenites from Dearborn and the Badlanders of Grosse Pointe will put forward their best and endeavor to show everyone what Barbershopping is all about.

The Four Shottes, the Family Four and Three Corns and a Bunyan portray the lighter side of life and the Gardenaires, Collegians, Elkaires and U of D Four express themselves in the good old Barbershop sweet singe way, giving plenty of the old songs known to everyone.

There are a few tickets left and some will be saved for sale at the door. A fine evening of wonderful music in the Barbershop way is proposed for those who attend.

Car Crashes Guard Rail Near Hatchery

A car, driven by Charles Weems of Detroit, ran through the guard rail near the Fishery last Wednesday night and landed in one of the fishery ponds. Mr. Weems had to kick out his window in order to get out of the car and in so doing he received several lacerations on his right leg. He was taken to Sessions Hospital for treatment and later taken to Redford Receiving.

The other occupants of the car were unhurt but the car was badly damaged.

Mayor's Proclamation

The Northville Community Concert Association this week is holding a campaign for members for the purpose of assuring a series of concerts by world famous artists here during the season 1949-50.

Every community is improved by advantages of sound business establishments, industries, good schools, churches, libraries and various municipal improvements. The availability of fine music presented by authoritative musicians is another advantage which will benefit those making their homes in Northville.

Having become interested in music through the excellent instruction in our schools and by our private teachers, through the many radio programs bringing these treasures freely into our homes and through motion pictures, many of us will be glad to welcome our Carnegie Hall in Northville for the enjoyment and cultural development of ourselves and the education and pleasure of our children.

THEREFORE, as Mayor of Northville, I proclaim this week of May 16 to May 21 officially as COMMUNITY CONCERT WEEK.

Northville's Yesterdays

ONE YEAR AGO

Seventy-eight seniors will receive their diplomas from Northville High school at the year's Commencement exercises. The first pack meeting of the new fiscal year in Scouting and Cubbing was held May 11 at the Presbyterian church house. The beautiful memorial window to be dedicated in honor of the men and women of the Northville Methodist church, who served in the Armed Forces has arrived and awaits installation. Collection from the milk bottles, distributed around Northville by the Mothers Club, to date totals \$78.19. Stella Poulos, daughter of Mr. and Mrs. John Poulos of Thayer Blvd. and James W. Barr of Highland Park, exchanged vows Sunday afternoon at the Church of the Assumption in Detroit. The pupils of Henry Schutte will give a music recital Thursday, May 27 at the Presbyterian Church House. Five Years Ago Meadowbrook Country Club is off to a real start this year.

New Drugs Reduce Infection Danger

Operations are not what they used to be. Advances in medical science and hospital procedure have greatly increased the effectiveness and safety of today's surgical procedures compared even to a decade ago, and the best procedures known to science will be followed in the new Oakwood Hospital to be constructed in Western Wayne County. New drugs have reduced the risk of infection to a minimum. The surgeon now has at his command substances to coagulate blood and thus control dreaded hemorrhage. On the other hand when blood clotting presents a hazard, drugs, such as heparin and dicumarol are used to prevent it. Better and safer anesthetics have also been developed. Anesthetic gases have been discovered which are more pleasant for the patient during the period of recovery than were the anesthetic agents of a quarter of a century ago. Spinal anesthesia—both safer and more comfortable for the patient. Ready availability of blood and its component parts offers protection against surgical shock and speeds recuperation. The hospital laboratory aids the surgeon in correctly diagnosing the ailment and indicates when special precautionary measures must be taken to safeguard the patient. The x-ray and other mechanical devices reveal what the surgeon's eye cannot see, and guide his hand in the performance of its exacting task. Pre-operative nursing care brings the patient to the operating table in better condition, and post-operative care makes recovery surer and quicker. Last but not least is the astonishing advance in surgical skill. One by one, disease and conditions for which surgery offered little or no hope that yielded to the increasing knowledge and proficiency in this field. Today a failing heart can be strengthened by a "patch" or graft of tissue over a weak area. Ten years ago cancer of the lung was regarded as invariably fatal. Now, new techniques in chest surgery permit removal of the lung and the cancer, with a good chance of a recovery. Even certain mental disturbances are treated by surgery. However, the hospital facilities of Western Wayne County must be met and if the people of the area are to get the full benefit of these great advances in medical science, The Greater Detroit Hospital Fund was organized to enable a fund to be enlarged to pay for hospital beds and help build four new ones, including Oakwood Hospital near the western boundary of Dearborn. The Fund has allocated \$1,000,000 to Oakwood.

Plymouth To Hear Gospelaire Singers

An evening of music and message will be presented by the Detroit Voice of Christian Youth Gospels Sunday, May 22 in the First Baptist Church of Plymouth, Michigan beginning at 7:30 p.m.

The unique vocal and instrumental ensemble consists of seven fellows and six girls who specialize in unusual arrangements of spirituals, hymns and anthems. Having traveled from miles of miles in the midwest shipping and playing before packed auditoriums, the Gospelaire ensemble heard regularly as staff music at the bi-monthly youth rallies of Voice of Christian Youth in Detroit. These rallies consistently draw 2000 young people from most of the metropolitan churches. Besides singing, as an ensemble the group breaks to present an excellent male quartet, guitar quartet, trumpet trio, and violin soloist. Audience participation is featured as Ray Ivory, popular youth songleader, leads a singtime in connection with the program.

NOTICE to Business Men:

It has come to our attention that, in certain Michigan Bell exchanges, advertising is being sold which is to appear on a "false cover" for telephone directories.

In that connection, we would like to call attention to the following provision of our tariff on file with the Michigan Public Service Commission:

"Directories regularly furnished to customers are the property of the Telephone Company and are loaned to customers; they are to be returned to the Telephone Company on request. No binder, holder or auxiliary cover of an advertising nature, except such as may be provided by or with the consent of the Telephone Company, shall be used in connection with any directory furnished by the Telephone Company."

In order to render good telephone service, it is necessary that we retain full control over our directories, which are an essential part of telephone service. We consider the above tariff to be a statement of a sound and necessary business policy and one which must be enforced.

Legal action has been taken to enjoin two persons who have sold advertising on and distributed such "false covers" for telephone directories.

You ought to be driving a **1949 PONTIAC**

A Sweetheart on the Road!

The plain truth is you never drove a car that displays so many different, delightful and thrilling aspects when in action as does this big, roomy, lovely-looking 1949 Pontiac.

Here, ladies and gentlemen, is a real sweetheart on the road!

It's a treat just to sit behind the wheel and enjoy Pontiac's Safe-T-New Driver View, resulting from the Wide-Horizon windshield, slanted corner pillars and the lowered hood level.

When Pontiac's famous improved straight eight or six cylinder engine idles, there isn't a sound... and when it accelerates—zing!

It takes the toughest hills in an easy stride. You swing around curves surely, steadily and without sway. There's magic in Pontiac's handling ease—comfort supreme in its exclusive new "Travelux". Ride and wonderful convenience with General Motors Hydra-Matic Drive.

Yes, just name any phase of performance and comfort and you'll find it here to a unique and unusual degree. Best of all—it's easy to own a Pontiac because it's priced just above the very lowest. The best way for you to satisfy yourself on Pontiac value is to come in today.

"Activated" Shell Premium is the most powerful gasoline your car can use!

YES, many of today's engines have been stepped-up... they call for more powerful gasoline! Now Shell gives you the most powerful gasoline, your car can use—Shell Premium—it's "activated". No other fuel can top its power in your car!

This is made possible by Shell's own, specially produced power components and by Shell's own blending methods!

Actually, Shell splits molecules to get more power for today's more powerful engines. So you get a gasoline that's "activated" 3 ways!

1. Activated for knockless power!
2. Activated for fast "getaway"!
3. Activated for full mileage.

Two Stork Showers Fete Mrs. Richard Davis

Mrs. Richard L. Davis (Shirley Misolf) of Cambridge Drive was recently honored at two stork showers.

Mrs. Davis' aunt, Mrs. Harry Church of Ypsilanti gave a shower at her home to which guests from Ann Arbor, Northville, Plymouth and Detroit attended.

A friend in Detroit feted Mrs. Davis also. Guests were present at that event from Northville and Plymouth.

King's Daughters Luncheon Is May 26

Thursday, May 26 is the date of the annual King's Daughters luncheon to be held at the Methodist church house.

Featured on the menu will be chicken on biscuits, peas, salad and homemade pie. A bake sale and fancy work display will also be held in conjunction with the luncheon.

The luncheon is in charge of Mrs. E. B. Cavell and Mrs. William B. Walker Jr. will supervise the dining room. The fancy work table will be managed by Mrs. Earl Trinkaus and Mrs. Horace Johnson will be in charge of the baked goods.

Serving in the dining room will begin at 11:30 a. m. to accommodate the school children and teaching faculty and will continue until all are served. Tickets for the event are adults, \$1.00 and children, 50c. They are available from King's Daughters members and at the Northville Record office.

Reception Held To Honor Concert Representative

Monday evening a reception was held in the Northville Library club rooms for Mrs. Edith LeRoy, the Community Concert representative from Chicago. She will be here all week at campaign headquarters to assist with the neighborhood enrollment.

Mrs. LeRoy gave a talk on community concerts and a discussion on a selection of artists that might be presented for the concert series. A duo-piano concert was announced as a possible choice. The Talent Committee will announce the selection of artists after the end of the campaign.

The campaign general chairman, Mrs. Mae Babbitt, gave out instructions and impressed on the workers that no single tickets could be bought for any one concert after the campaign ends Saturday, May 21.

Memorial Altar Cloth Presented VFW Auxiliary

Men's Club To Aid Youth Island Fund

The Presbyterian Men's Club met Monday night at the church house for their regular dinner and meeting. A spaghetti dinner was prepared by Frank Defina with Robert Yerkes furnishing the salad.

At the meeting a donation was voted to assist in the Youth Island improvements, which include new roofs for all three buildings, and a new fireplace for the main lodge. The men also took action to setup a blood bank for local needs.

Participating in the panel discussion on "Men's Work in the Church" were Elder Dr. C. Eugene Woodruff, trustee John Barkman and Deacon Howard McKesque. President Edward Welch reported on the Layman's Retreat held recently at the Kirk-in-the-Hills.

To allow for the increase in Sunday School attendance, plans were discussed by Gerritt Rooks and George Meilen, members of the planning committee, for building six classrooms in the basement of the church proper.

New Noel Coward Hit Coming Soon

Edward Everett Horton, who has made over 200 motion pictures, and Noel Coward the well known playwright-director-producer, will combine forces on the stage of the Cass Theatre on Monday, May 23 when Martin Manulis and C. Edwin Knill bring "Present Laughter" here for two weeks' engagement. Horton plays the role of an egocentric actor about which Author Coward has centered his hilarious farce.

Listed among Horton's better known films are "The Front Page," "Design For Living," "Ruggles of Red Gap," "Alice In Wonderland," and "Here Comes Mr. Jordan". For the past eleven years he has played "Springtime for Henry" to the nation's theatergoers. He enjoys this change in which he plays the part of a matinee idol surrounded by a swarm of glamorous ladies. The show has a total of five years to its running credit which includes Paris, London and Broadway.

Co-producer Manulis in directing this comedy has gathered a group of talented supporting players. Included are: Marta Linden, who played the role of the actor's wife in the original Broadway production; Jane Seymour, playing the secretary who directs Mr. Horton into and out of trouble; Katherine Meskill, a graduate of the Ziegfeld Follies; Phyllis Kirk, until recently one of the top New York Conover models; Herschel Bentley, Marie Paxton, Dudley Sadler, Phil Tead, Peter Boyne and Adina Rice.

Mr. Manulis, who has worked with John C. Wilson in many of his directorial duties, is also responsible for the direction of the current Broadway hit "Private Lives," with Tallulah Bankhead. Charles Elson designed the lavish set which is placed in a London apartment and the modern costumes are the work of Forrest Thayer.

The comedy is the latest work of Noel Coward who has brought to the stage such hits as: "The Vortex," "East Virtue," "Design for Living," "Point Valaine," "Tonight at 8:30" and "Blithe Spirit".

Facts Given About VFW National Home

The Veterans of Foreign Wars National Home is located four miles southeast of Eaton Rapids and 23 miles from Lansing.

Nearly all the food required for the youngsters who live in this unique child village is produced on this 640 acres of rolling Michigan farmland. In this environment, boys and girls have the opportunity to build their own bank accounts with the profits they earn from various farming projects they are allowed to sponsor.

"Why is the V. F. W. National Home the only child welfare project of its kind in the world? Because here the children live in typical family groups. Each child enjoys the love and affection of a "house-mother". Each learns how to live with other boys and girls like brothers and sisters. When real brothers and sisters arrive at the National Home, they continue to live under the same roof. There are no barracks nor dormitories at the home. Every child lives in a house that has a personality of its own. Each dwelling reflects the atmosphere of the type of homes to be found in any modern American community.

Every child admitted to the home attends public schools in Eaton Rapids. Special buses owned and operated by the home transport the children to and from classes.

Because the home is non-sectarian, every child enjoys the opportunity to attend the church of his own creed in nearby Eaton Rapids.

The army had its infantry and the V. F. W. National Home has its "infants", tiny fatherless tots who will grow up to think of the home as the only home they have ever known. The nursery cottage, built with funds raised by the Ladies Auxiliary in 1925, solves the problem of caring for infant children up to the age of five.

The hospital built in 1939 by the Ladies Auxiliary safeguards the health of the proteges of the home. It has all the facilities required to cope with every childhood ailment. Visitors are welcome at any time at the home which is maintained and operated by the Veterans of Foreign Wars Posts and Auxiliaries.

John Jacob Astor, of New York, who lived from 1760 to 1848 was probably the richest man in the United States in his day.

When chartered in 1746 what is now known as Princeton University was called the College of New Jersey.

The Mississippi River has a channel suitable for ocean-going vessels upstream to Baton Rouge, La., a distance of 233 miles.

Thrifty Shoppers Praise A&P's Everyday

Customers' Corner

Millions of women come to our stores every day to save money on their family food budgets.

But we are just as proud of the fine quality of our food, as we are of our thrifty prices. For prices without quality means nothing. It is the combination of low prices and high quality that builds A&P's great values.

That is why we have been able for many years to give our customers this guarantee: "If for any reason anything you purchase is not satisfactory, return it and your money will be cheerfully refunded."

Your advice and suggestions can help us maintain our high quality standards. You will be doing us a favor if you will let us know should the quality of the food you buy at A&P ever fail to satisfy you. And let us know, too, if you have any suggestions as to how we can make your A&P store a better place to shop.

WITH OUR NEIGHBORS
Three persons were injured when a car driven by Earl Driscoll, age 42, of Detroit, ran into the rear of a tractor and plow driven by Stanley Van Blaricum, age 30, of Brighton on Grand River Ave., near U. S. 23 last Saturday afternoon.

DeBaene accepted the appointive office of executive secretary for another year.

Approval has been granted by the State Highway Department for the installation of a red and green regulation traffic light at the corner of Farmington Road and the Grand River Cut-Off, it was announced this week by Kenneth Loomis, city police commissioner.

Harold Bengt, a former Lansing Eastern high school and Western Michigan college football star, will be the new Grand Ledge high school athletic director and head football and track coach. The announcement came last Wednesday morning from Supt. Kenneth Beagle, who stated the appointment was approved by the Board of Education Tuesday night.

The announcement followed a meeting last Friday between Loomis and Samuel Levine, State Highway Department representative. According to Loomis, Levine called Lansing during the meeting and received verbal confirmation of the plan. The installation of the traffic light would automatically eliminate the previously worked out speed control plan.

The opening of the Junior Chamber of Commerce's "Know Your Grand Ledge" show was delayed one day when it was announced that the high school band will stage a special concert on Wednesday, May 18, the proposed starting date of the Jaycee's free exposition.

A total of 438 residents of the Farmington area had chest X-Rays taken during the two day visit of the Michigan Department of Health Mobile X-Ray unit at the Farmington Town Hall.

An old superstition goes that bad luck runs in threes. Last week death visited the highways and roads of Livingston county and claimed three lives.

If the American people continue their complacency, they will lose their freedom by default. This was the warning of Jay Rankel, Vice president and General Manager of Crowley-Milner Company, who was the principal speaker at the Wayne Business-Industry-Education Day banquet held in the Recreation Building last Tuesday night.

Those fatally injured are Martin Götze, Jr., 23 of Williamston; James Wilson, 42, Howell; and Robert E. Glendening, 21, Hartland. Two persons were seriously injured and others suffered minor injuries in the four accidents that occurred in five days.

"What can we do to make Wayne a better community, in which to live?" This question is the theme of the experiment in democratic group thinking in which members of the Wayne Kiwanis Club will share their ideas in helping to solve some of the more pressing problems of the Village of Wayne and Nankin Township.

Acting upon the recommendation of its building committee, the First Baptist church of Howell at its annual business meeting last Thursday evening voted to go ahead with plans for the raising of \$20,000 for building purposes. The new drive which begins immediately will come to a close on the Sunday preceding Thanksgiving.

When final tabulations of funds contributed locally to the Easter Seal drive were made by the Plymouth chairmen, C. H. Bennett and Russell Daane, it was discovered that totals for the 1959 campaign slightly exceeded the amount received last year.

A survey for the completion of members from the Ann Arbor Welfare and Finance committees of the County Board of Supervisors, was appointed last Tuesday to study the Social Welfare Board's load problem in order to determine the amount of increased property tax millage needed to handle the additional number of welfare cases. Applications for welfare swelled because of persons out of work as a result of the Ford Motor Co. strike. The workers are ineligible for MUCC Funds.

A survey for the completion of 16 Mile road, between US-10 and Adams road, will be taken by August 1, the Oakland County Road Commission has promised the City of Birmingham.

Overcoming a 25 point lead the Birmingham track team defeated Ypsilanti to win the Central Michigan Relays for the second consecutive year when they topped the 23 Class B entries Friday. The meet was held at Mt. Pleasant.

Milford's Ford carburetor plant was closed down "for the duration" last Friday with notice to hourly rate employees posted on the clock at quitting time for the day shift. The afternoon shift also worked through the regular period.

Hilburn T. Carpenter was elected President of the Rochester Chamber of Commerce for the coming year at a joint meeting of the old and new Board of Directors, last Tuesday night. Clarence W. Shepard was elected vice president and Walter T.

NOTICE
Is hereby given of a public hearing to be had in the Northville Village Hall on Thursday, June 2, 1949, at 8:00 o'clock P.M. at which time a proposal will be heard to amend Ordinance 123 of the Village of Northville, known as the "Zoning Ordinance for the Village of Northville", by changing or re-zoning certain pieces or parcels of land in the Village of Northville as follows:

- All C-1, C-2, M-1 Districts to be changed with respect to percentage of lot coverage and yards. Buildings in said districts to be allowed to be built to lot lines, except for an alley space in rear.
- The following lots are proposed to be re-zoned from an R-2 area to an R-3 area: Lots 470, 471 and 472 Assessor's Northville Plat No. 6.
- The following lot is proposed to be re-zoned from a mixed R-2, C-2 area to all C-2 area: Lot 561 Assessor's Northville Plat No. 6.
- The following lots are proposed to be re-zoned from an R-3 area to a C-2 area: Lots 280, 281, 282 Assessor's Northville Plat No. 3.
- The following lot is proposed to be re-zoned from an R-3 area to a C-2 area: Lot 514 Assessor's Northville Plat No. 6.
- The following lots are proposed to be re-zoned from an R-3 area to a C-1 area: Lots 13, 14, 15, 16, 17, 18, 19, 20 Assessor's Northville Plat No. 1.
- The following portion of a lot is proposed to be re-zoned from an R-3 area to a C-1 area: The Southerly 200 feet of Lot 718 Assessor's Northville Plat No. 7.
- It is proposed to create a new zoning district in the Village of Northville to be known as T-1.

T-1 district shall cover: Race Track, Fair and Exhibition Grounds. Regulations for said district are proposed as follows:

- USE REGULATIONS All uses to be permitted which are directly and customarily connected with the operation of a race track, a fair or an exhibition, including the operation of a trailer camp, dispensing of beverages and food, housing and training of horses and parking of vehicles.
 - USE RESTRICTIONS. The operation of a trailer camp, dispensing of beverages and food; and the parking of vehicles as a commercial enterprise; shall be limited to duration of the race meet, fair or exhibition, 15 days prior thereto and 15 days subsequent thereto.
 - BUILDING REGULATIONS. All building and construction to comply with the building code of the State of Michigan.
- The area proposed as a T-1 area is as follows:
- Lots 227 and 228 Assessor's Northville Plat No. 3, Lot 183 Assessor's Northville Plat No. 2, Lot 182 Assessor's Northville

Plat No. 2; except a parcel of land in the Northwest corner thereof, described as commencing at the Northeast corner of Lot 183, thence easterly 450 feet along the North side of said lot, thence Southerly 220 feet on a line parallel with S. Center Street, thence Westerly 450 feet to the Easterly line of S. Center Street to a point distant from the place of beginning of 220 feet, thence Northerly along the Easterly line of S. Center Street 220 feet to place of beginning.

The issue of new taxes on economy is now headed for a showdown in the Michigan state legislature due to adjourn May 20.

Indications are that the latter choice will be taken by Republican legislators who are in majority control. They will soon learn whether their economy cuts will be popular. No state agency wishes to have its funds reduced. This is natural.

The situation is further complicated by the stern reality of increased state aid to local government under constitutional earmarking of revenue funds. The state budget office estimates that SIXTY-SEVEN percent of total state revenue will be returned to local units - schools, cities, counties, townships, etc. - during the coming fiscal year, starting July 1.

Can the legislature economize on the remainder of state funds without impairing vital public services? That's the question. As we have said many, many times in this column, real economy must come from curtailment of public services - less service for less money - rather than from the mirage of consolidation of state agencies.

Some administrative officials are already wondering how the voters are going to receive the economy program of the legislature. Time will tell.

Governor G. Mennen Williams, the youthful and smiling chief executive, has already hinted that his platform for 1950 re-election will be the so-called "do-nothing" state legislature of 1949. Williams will try to put the Republicans on the defensive. He will attack the Republican "failure" to do something for social needs - public housing, fair employment practice act

better pensions and payments for workers and so on. The "vested interests" who "control" the Republican party will come in for verbal assaults. Williams believes he has a ready-made campaign issue.

Actually, the 1949 legislature has not been any more tough on the Democratic governor than the 1947 and 1948 legislature was on Republican Governor Kim Sigler. Sigler also fared poorly, considering the over-all picture. The same might be said about governors regardless of party control. The state legislature in Michigan is not apt to be a "rubber stamp" for a governor's recommendations. Legislators do their own thinking; they call 'em as they see 'em.

The Williams strategy to put the G. O. P. legislature on the defensive came out into the open the other day. Democratic solons said they were rebellious over Republican failure to report out important bills from committees. They brought legislative action nearly to a standstill by parliamentary moves to require reading of all bills and other time-killing tactics.

Of course if the Democrats had been in control of the legislature, the same thing would have happened to Republican-sponsored measures which did not meet approval of the party in power. This is the political way of getting things done—denying to the opponents any opportunity of achieving their goals.

Interesting student Judge Paul R. Cahill, Grant county jurist and a Democratic appointee of Governor Murray D. Van Wageningen, elected Kim Sigler for appointment of special prosecutor to try Ivan A. Johnston, ex-Mackinac county prosecutor. It was the Johnston indictment on graft charges which contributed to Sigler's primary victory as nominee for governor.

The post of superintendent of public instruction will remain a constitutional office, subject to election. A move to make the official an appointee through a constitutional amendment failed 17 to 14 in a Senate test.

Adopted unanimously by the Senate a month ago, a bill to running rates in Michigan after Dec. 31, 1949, was killed by the House committee on state affairs. Approximately \$3 millions in state revenues were involved. A similar bill met the same fate two years ago.

Michigan faces a shortage of 2,800 public school teachers this fall, according to the University of Michigan bureau of occupational information.

Five ferry boats are now available for operation by the State Highway Department between Mackinaw City and St. Ignace at the Straits of Mackinac. The new boat, the S. S. Sainte Marie, will permit a 15 per cent additional carrying capacity according to Charles M. Ziegler, state highway commissioner.

The Statue of Liberty, in New York harbor, is 151 feet, one inch in height.

State Social Program Should Be Studied

Michigan citizens should study the proposed expansion of federal welfare, social security and health insurance programs before giving their full support, according to a report just released by the Michigan Survey, a state taxpayer association.

Pointing out that adoption of the whole bundle of projects would ultimately boost payroll taxes to at least 10 per cent, the Survey release says that "the cost is going to mount to almost unbelievable figures unless they stop the music before somebody breaks the bank."

Within 30 years, the Survey bulletin says, it is estimated that the "entire social program might cost \$40 billion a year, which is double the amount now going into national defense."

One of the new plans - the proposed Public Welfare Act - would provide federal assistance on a matching basis to any state plan aiding needy individuals, regardless of age, health or worthiness.

Strangely, according to the Survey, under this proposal, "federal participation in any Michigan public welfare plan would be substantially less (percentage-wise) than it now is in assistance for the aged, blind and dependent children."

"For example, old age, payments in Michigan for December, 1948, averaged \$42 per payment, and of this amount the government contributed \$26 - or 62 per cent. Under the new law, it would contribute a flat 52 per cent - or \$21.84," the Survey statement says.

The report points out that existing social security benefits will require increased payroll levies if there is any hope of keeping the program actuarially sound. Total cost of a compulsory health insurance program, if adopted, cannot be accurately estimated, but it will be measured in billions of dollars.

The Survey suggests that "both the desirability and cost of the proposals be put under 'sharp scrutiny. How much of all this do we need? How much can we afford? What is the price tag? How are we going to raise the money?"

Michigan taxpayers surely cannot be blamed if they share this attitude of honest inquiry," the report states. "After all, Michigan has paid an average of \$2.1 billion per year in federal taxes during the past six years - and that is not small change."

German Industrial Plants Discussed By Congressman

Congressman George A. Dondero, Michigan's Member on the Public Works Committee of the House of Representatives and Ranking Republican Member on the committee, is discussing the channel and enlarging of the turning basin in the Detroit River between Trenton and Grosse Ile, to accommodate industry and larger draft ships on the Great Lakes, has been considered by the Subcommittee on Rivers and Harbors and in my opinion will be favorably reported to the full committee for early action."

Congressman Dondero stated: "A resolution to build a canal across the Upper Peninsula of Michigan is pending before the Committee on Public Works. Such a proposal is fantastic and unnecessary. It may involve the expenditure of the colossal sum of \$500 million. Whether it has any value as a defense measure is questionable. You may be sure that this project will have my very careful attention."

German industrial plants was made up by British-French-United States agreement, to be saved from dismantling. This is only eight less than the original number of plants recommended for retention in Germany by the Humphrey Committee. Dismantling has already caused economic havoc on the European Recovery Program. The eight plants, over which Secretary of State Acheson gave in to British-French pressure, rank among the most important in the German industrial picture.

Congressman Dondero said: "Five of the eight plants are steel works, one of which has the capacity to produce 2.4 million tons of steel annually. This, the Thyssen-Hamborn, has been Europe's lowest-cost steel producer, due largely to location."

The Economic Cooperation Administration (ECA) plans a big public works program to give jobs to Western Germany's ten million refugees.

Newspaper Postage Increase

Congressman George A. Dondero challenges the proposal of the President to make up the record deficit facing the post office department by imposing drastic increases in postal rates on small daily and weekly newspapers as well as national and non-profit publications.

Congressman Dondero indicates: "Testimony submitted to the Congressional Committee on Post Office and Civil Service indicates that postal rates for most small-town dailies and weeklies would be upped from 300% to 500%, if the Administration's bill becomes law. This would force many small papers to the wall because of the excessive cost of mailing. The Postmaster General himself conceded, 'We do know that this greatly increases the rates for publishers of small country newspapers.'"

Dondero further pointed out "the Administration's measure would seriously affect the purchase and distribution of school books as well as books used in public and private libraries."

P. T. A. NEWS

The P. T. A. of Salem Union school met in the lower room Thursday evening, May 12 with about sixty present, including children. A very interesting program was put on by the teacher, Mrs. Gow and room mothers, Mrs. Robert Wilson, Mrs. I. Schmitz, Mrs. Geo. Tanner and Mrs. Myrland Lyke. The program was called "All Kinds of Ribbons" including May baskets by Raymond Dahl and Mary Dix; Baby ribbons by Eldon Raynor and Margaret Kidston; Birthday ribbons by Lynn Gates and Janice Nagel; Hair ribbons by Joan Wilson and Bonnie Burnham; Play ribbons by George Hawes and Pat Bannerman; Christmas ribbons by Jack and Barbara Schmitz; Halloween ribbons by Jimmie Tanner and Marjorie Dix; Bridal ribbons by Murray Lyke and Janice Lyke; Reader Judy Cutter wore all colors. Last of all was the May pole waltz, Robert Bryant, Vernon Hopkins, Arthur Smith, Arthur Sulkowski, Clifford Stoll, Stuart Stoll, Gary Clement, Charles Sulkowski and David Dahl.

Mrs. Honke has offered to be the new librarian. She needs a books case or a substitute to put
