This first section of the proposed building which will include space for the Fire Department, Township Offices, Justice Courts, heating plant and kitchen for the future building will be completed in approximately 100 days. The construction will be built on the corner of Paul Bunyan and Northville Road.

Young Riders Vie for Prizes In Sunday's Horse Show

When the contestants in the Northville Junior Horse Show next Sunday, July 10 take to the ring, an imposing entry of Northville juniors will attempt to turn back the challenge of outsiders.

In the training and breaking class, Tulane German with her two year old gelding, Desert Dust and Barbara Groom with her year old filly, Shady Lane Spice will attempt to carry the honors. Frances Malley has entered her mare, Secret, in the trick horse class. One of the favorites in the quarter mile western pony race is Billy St. Lawrence riding his Pinto, Irish.

In the saddle bred classes Andy Owen will be up on Voo Doo in the three gaited novice and Frances Malley will take her black gelding, Midnight, in the five gaited competition.

In the English equitation Nancy Lawrence, Patty Haas, Sandra Bebke, Barbara Cooksey, and Linda Holland will compete in the nine year old class. In the nine to 13 year class will be Sally Waggoner, Carolyn Burkmar, Marney Bowland, Martha Bloom, Mary Ellen Webber, Ulinda Ely, Frances Malley, and Barbara Groom. Competing in the 13 to 19 year class will be Janie Berkel, Barbara Couse, Gay Duerson, Andy Owen and Catherine Rambeau.

Riding in the western classes will be Gail Lawrence, Shirley Carlson, Bob Hannah, Guy Brandt and Barbara Couse.

In the English equitation team competition will be two teams from the Northville Riding Academy composed of Northville juniors.

Girl Scout merit badges in horsemanship will be awarded during the show to the scouts having passed their tests. These awards will be made by Mrs. Taft Johnson.

Guests of the show will be the Saddle Ridge Junior Quadrille team made up of the following riders; Judy Carroll, Billy Hall, Joyce Martz, Bob Harkness, Virginia Dawson, Don Haugh, Janet Porath and Bob Haugh.

The show, sponsored by the Optimist Club of Northville, will start at 12:30 noon and run through to 9:00 p.m. at Northville Downs.

Mrs. Ernest H. Wood, 45924 West Seven Mile Road, is the show secretary, and will be on hand early Sunday morning at the Downs to take all post entries. Stalls will be available Saturday afternoon.

The proceeds of the show will be used by the Optimist Club to further their work with underprivileged children.

R. Brummell Gives Report on Boys' State

Roger Brummell, who was sponsored by the Rotary club to Wolverine Boys' State at Lansing June 16-24, gave his report to the club Tuesday. He outlined the organization and elections, sports, and activities in which Northville's five representatives participated.

Cy Frid reported on the program and meetings of the Rotary International convention, which he attended at Madison Square Garden in New York.

Break Ground Soon for Novi Building

Ground will be broken for the first part of the Novi Community building within the next ten days, said Frank D. Clark. The contract was let out to Wacaster Fleming-Walker, Inc. of Detroit.

This first section of the proposed building which will include space for the Fire Department, Township Offices, Justice Courts, heating plant and kitchen for the future building will be completed in approximately 100 days. The construction will be built on the corner of Paul Bunyan and Northville Road.

Jack Heslip Awarded Scholarship to MSC

A scholarship for the college year 1949-50 to the Michigan State College School of Agriculture was recently awarded to Jack Heslip, son of Mr. and Mrs. A. J. Heslip of Nine Mile Road.

Rev. and Mrs. Lester E. Smith and Mr. and Mrs. Eddie Adams and son, Charles, arrived from Washington, Pa., this Saturday to be on hand for the 4th of July reunion.

Mr. and Mrs. Ira Magner dined with the McMillans in Detroit last Sunday.

Folklore was humoring this week-end. A family reunion was held at the Tallman home on Mayfield avenue, the Aults held theirs, and a large family picnic was enjoyed at the Stanley Chavey residence. A birthday dinner was given for Ira Magner and numerous parties and picnics were lined up.

Mr. and Mrs. Rudy Tanner of Detroit, were guests one day last week of Mr. and Mrs. Louis Graham.

Mrs. George Smith was the guest Sunday of Mr. and Mrs. Rudy Tanner in Detroit.

Mr. and Mrs. Herman Schulte and sons, Jimmie and Alfred camped last week-end near Grand Rapids.

Mr. and Mrs. Marvin Addis and son, Harold McVicar, Jr., are leaving shortly for a six weeks' vacation near the Straits.

Mrs. Robt. Diehl called in Northville last Tuesday.

Steve Cronin is in Detroit for a couple of weeks.

Walter Rohann has planned a long week-end of fishing and camping at Clarke's Lake.

The Sunshine Sisters met as usual in the Neighborhood Church last Wednesday afternoon. Intense heat cut down the attendance considerably, but several ladies and a number of children enjoyed the quiet get-together. The devotional service and discussion were patriotic in character. The thought was brought out that although each of our holidays, church and state, has its own peculiar significance and should be celebrated accordingly, American people are getting more and more into the habit of observing all in the same fashion, that is, as an opportunity for gay outings and picnic parties. It was observed that the church seems neglected and crowded out, so far as participating in holiday programs is concerned.

A trio of little girls added interest to the meeting by rendering several vocal numbers. Plenty of iced tea, served with generous squares of fresh gingerbread were served the guests. The next Sunshine Sisters meeting will be held in the Neighborhood Church Wednesday afternoon, July 18th at 2 p. m. Topic is yet to be announced.

The Vacation Bible School conducted in the Livonia Methodist Church closed after a successful two weeks' term Friday.

Parents discovered that their children were happier and better contented in the cool church basement than at home during the scorching heat wave.

The Livonia Methodists have changed their hours of service. Sunday School is now held for all ages at 9:30 a. m. and the regular worship service at 10:45 a. m. Nursery school is still conducted for young children during the preaching service. The new minister, Rev. Prout, is already adapting himself well to the needs of the church.

The temperature in Death Valley reaches 120 degrees for days in succession.

St. Paul's Church Scene of Rebitzke-Coe Rites Saturday

St. Paul's Lutheran Church Saturday evening was the scene of the wedding which united in marriage Dorina Rebitzke and Robert Coe of Wixom. Rev. E. E. Rossow read the double ring service before an altar which was flanked with candles, palms, and bouquets of white flowers.

Patricia Akers of Centerline was the soloist, and she sang "Because" and "I Love You Truly."

The bride, who was given in marriage by her father, chose a white, sheer, satin and rose pointe lace gown. Her finger tip veil of illusion was trimmed with lace, matching that of the gown and it was held in place by a tiara. The bride carried a bouquet of white gladioli and roses.

Maid of honor was Barbara Earl and bridesmaids were Mrs. Donald Bidwell of New Hudson and Dorothy Coe of Wixom. The girls were gowned in orchid, aqua, and yellow marquisette respectively and they carried heart shaped bouquets. Flower girl was Sharon Wood who wore a white eyelet organza frock. Ring bearer was David Earl who carried the rings on a satin heart shaped pillow.

Best man was Captain James C. Stotts of Hickam Field and ushers were Captain Thad R. Putnam and Lt. Charles E. Krager.

After the ceremony a reception was held at the Brookland Hotel. The young couple will make their home on Siger Blvd. at Hickam Field where the bridegroom is stationed with Hqrs. Sqdn., 500 Air Transport Group.

The bride is a graduate of Fishbridge Sacred Heart Academy in Pasadena and attended the University of New Mexico. Lt. Martens, who was graduated from Northville High School recently returned after seven months on the Berlin Airlift. He was a pilot with the 8th Air Force, B-24 during the war.

Mr. and Mrs. Fred Lyke have returned from a two-week vacation in Chicago and vicinity where they visited at the home of their son, Jake and family.

A reception immediately following the ceremony was held at Veterans' Memorial for 100 guests. The young couple then left on a week's wedding trip to Northern Michigan travelling by car. For going away, the new Mrs. Coe chose a white eyelet pique dress and white accessories. Upon their return they will make their home in New Hudson.

Donna's parents are Mr. and Mrs. Glen Gerhard of Northville and she attended Northville schools and is employed at the Michigan Bell Telephone Co.

CONEY ISLAND "BURIED" IN PEOPLE. Like a gigantic ant colony, with the tower of the "parachute jump" thrill ride as its core, New York's Coney Island teems with thousands of Gothamites seeking relief from Manhattan's torrid streets and canyons. The sands are literally buried in people as blue skies and soaring mercury brings them out to the time of almost 80° to take advantage of the cooling ocean breezes and water. The heat wave which sent these throngs flocking to the beach had hit a peak of 82 and was only 3 degrees off the city record of 85 set in 1933.

Burnette-Parsons Vows Read July 2

Jean Burnette of Plymouth and Merle Parsons of North Wing Street were united in marriage Saturday night at the Baptist Church. Rev. Stout of Plymouth officiated at the double ring service.

Harriet Lefler presided at the organ playing, "Always," "Because" and "Lord's Prayer." Rev. DeVries of Ann Arbor was soloist and he rendered "Savior Like A Shepherd," "Lead Us" and "At Dawning." Garden bouquets and palms flanked the altar for the ceremony.

Jean, who was given in marriage by her father, wore a white marquisette gown, styled with a lace tier in the front of the skirt. Her finger tip veil of illusion was held in place by a tiara and she carried a bouquet of white roses.

Maid of honor was Norma Dahlager of Grace Street who wore a blue marquisette gown with matching organza picture hat and mitts. Bridesmaid was Jackie Bothwell of Plymouth who was gowned in pink marquisette and wore a matching picture hat and mitts. Norma carried a bouquet of pink roses and Jackie carried a mixed bouquet of blue flowers.

Larry Burnette of Plymouth was best man and seating the guests were Herbert Ware, Stanley Dahlager and George Castel.

For the occasion, the bride's mother chose a navy sheath dress and Mrs. Parsons was attired in a grey print. Both mothers wore corsages of pink roses.

A reception for 150 guests was held immediately following the ceremony in the church parlors. The young couple then left on a week's wedding trip to Pennsylvania and Washington, D. C. travelling by car. For going away, Mrs. Parsons chose a bember print dress and white accessories. Upon their return they will make their home on North Center Street.

Jean is a graduate of Plymouth High School and the Detroit Business Institute and she is employed as an office clerk and typist at Burroughs Adding Machine Company. She is the daughter of Mr. and Mrs. Mewman Burnette of Plymouth.

Merle is a graduate of Plymouth High school and attended Bryan University in Tennessee. He is employed at Herald Cleaners, Plymouth. His parents are Mr. and Mrs. T. M. Parsons of Wing Street.

Ricky Atchinson, son of the Orson Atchinsons of Orchard Drive, and his cousin, Jackie of Detroit, celebrated their birthday at the Atchinson home last Sunday, July 3. Ricky was 11 years old and Jackie 10 years old.

Members of the family who attended the party were Mr. and Mrs. Harry Atchinson and Mr. and Mrs. Norman Atchinson of Plymouth and Jackie's mother, Mrs. Edna Butler of Detroit.

State Parks Popular As Relief from Heat

Geared on by the stifling summer heat, over 1,500,000 persons have sought relief in state parks the last two weeks lifting total attendance so far this season to 4,024,000, the conservation department's parks division reports.

Last year at this time 2,980,000 visitors were counted and at the 1948 season close to a record 12,500,000 had used Michigan's 69 state parks and recreation areas. By the time the three-day Fourth of July weekend tally is made, says L. N. Jones, assistant parks chief, we should have a reasonable idea of the chances of topping last year's record crowds.

Attendance ranges from 570,000 at Holland, which has a heavy influx of Chicago visitors, to 2,400 at Gladwin. Heavily used parks are Grand Haven, 533,000; Bay City, 517,000; Dodge, 411,000; Sterling on Lake Erie, 241,000; and Rochester-Utica, 216,000. Lyle McDonald, manager of the Warren-Dunes park south of St. Joseph on Lake Michigan, has counted more cars from Indiana than Michigan.

The myriad activities which keep park rangers hopping include disposing of tons of paper and refuse, returning lost children, regulating traffic, turning unclaimed wallets and purses over to state police, handling large group or club picnics, maintaining park equipment, as well as answering the countless questions, especially of outstate visitors.

NOW LADY LIBERTY HAS SEEN EVERYTHING . . . It was the ghost from an evil past that glided into New York harbor recently. When he was plotting World conquest, Adolf Hitler often must have had a notion that some day he would sail into New York harbor on his palatial yacht "Grille." Well, half of the notion came true, anyway. Here is the "Grille," from whose deck Nazi Admiral Doenitz broadcast the news of Hitler's death. The vessel passed the Statue of Liberty, not as the carrier of a conqueror but only as a reminder that the world he conquered is gone. Present owner of the yacht, George Arada, will put the craft on exhibition here for various charities.

State Health Dept. Gives Polio Rules

This is the beginning of Michigan's "polio" season.

These are the things which parents can do, according to the Michigan Department of Health:

1. Keep your children clean, well-rested and well-fed. See that they wash their hands and faces thoroughly before eating.

2. Do not allow them to over-exert themselves or to become chilled.

3. Avoid crowds, new contacts and travel.

4. Destroy flies, rats and mice and the things they have touched.

5. Do not let your children eat food that has been left uncovered, or unwashed fruits or vegetables.

6. Give them only pasteurized milk.

7. Be sure that the water they drink, wash in, or swim in is free from contamination.

8. Consult your physician about postponing nose and throat surgery, and your dentist about postponing tooth extraction until after the polio season.

9. Call your doctor at once if during the polio season your child develops any of the following symptoms: unexplained fever, headache, nausea, a cold, upset stomach, muscle stiffness or stiffness. Put the child to bed and isolate him from others when any of these symptoms appear.

Early diagnosis, prompt hospitalization and proper treatment are the doctors' weapons against the disease.

It is difficult to tell when a child has been exposed to polio. Nine out of ten cases are light, unrecognized cases. This type of the disease is contagious. Adults as well as children may have the disease. Some people who appear to be well carry the virus which causes polio. The virus which causes the disease is carried in bowel content and nose and throat discharges. Thus insects, animals, water, or objects coming in contact with these discharges, or food on which insects or animals alight, may be suspected of carrying the disease.

The following encouraging things the Department of Health has to say about polio. Comparatively few people contract the disease in its paralytic form.

Many children exposed to the disease have already had light

cases and will not catch polio. Many will recover completely without any paralysis. Of those who have some degree of paralysis 75 to 85 per cent will recover completely or show marked improvement under adequate medical treatment.

Three Michigan agencies—the Department of Health, the University of Michigan and Wayne University—are doing poliomyelitis research which ranks high in that being done in the world.

A total of 30 cases of poliomyelitis have occurred in Michigan this year. The greatest share of these cases has been in the Upper Peninsula.

While poliomyelitis cases appear the year around, they usually begin to increase in mid-June and peak in late summer.

Records of the Michigan Department of Health show:

MICHIGAN Motoring

June 26th is a "red letter day" on many of the calendars throughout Michigan, for it is the opening of the fishing season on Michigan lakes. Already thousands of would-be "Isaac Walton's" have inspected their fishing gear, looked into new and "infallible" baits and bright new spinners which are sure to bring their limit on opening day.

Be sure that the water they drink, wash in, or swim in is free from contamination.

Call your doctor at once if during the polio season your child develops any of the following symptoms: unexplained fever, headache, nausea, a cold, upset stomach, muscle stiffness or stiffness. Put the child to bed and isolate him from others when any of these symptoms appear.

Build Food Storage To Prevent Spoilage

Those canned foods you have worked so hard to prepare deserve good storage space to prevent spoilage.

Good storage space, according to Olevia C. Meyer, extension home management specialist at Michigan State College, is cool, dry and dark. Insulation and ventilation will help keep the storage cool in hot weather and protect against freezing in cold weather.

Ventilation helps to cool the storage and ventilators should be located at the bottom and top of the food storage. Shutters make it possible to open or close the ventilators as needed.

Food storage may be either a cabinet or storage room, depending on the amount and kind of food and the space available. It should be located near the canning center which may be the kitchen or basement. Cabinet type storage is often best suited for the kitchen.

Cabinets with inside depth of 12 inches are best and two rows of jars can be placed on each shelf. A cabinet with an inside depth of six inches will take care of one row of fruit jars.

Storage rooms usually are best for basement use. At least two square feet of floor space should be allowed to provide room for one person to enter and set cans on the shelves or remove them.

You can plan the amount of shelf space needed if you will allow one foot of 12-inch shelf space for each five cans of any size. Allow 20 feet of shelf space for 100 cans.

Top shelves should not be more than 72 inches above the floor. If shelves are more than three or four feet long they should be supported at 32-inch intervals. Place canned meats on the lower shelves, vegetables next and fruits near the top.

St. Paul's Church Scene of Rebitzke-Coe Rites Saturday

St. Paul's Lutheran Church Saturday evening was the scene of the wedding which united in marriage Donia Rebitzke and Robert Coe of Wixom. Rev. E. E. Rosow read the double ring service before an altar which was flanked with candles, palms, and bouquets of white flowers.

Patricia Akers of Centerline was the soloist and she sang "Because" and "I Love You Truly."

The bride, who was given in marriage by her father, chose a white slipper satin and rose pointe lace gown. Her finger tip veil of illusion was trimmed with lace matching that of the gown and it was held in place by a tiara. The bride carried a bouquet of white gladioli and roses.

Maid of honor was Barbara Earl and bridesmaids were Mrs. Donald Bidwell of New Hudson and Dorothy Coe of Wixom. The girls were gowned in orchid, aqua and yellow marquisette respectively and they carried heart shaped bouquets. Flower girl was Sharon Wood who wore a white eyelet organdy frock. Ring bearer was David Earl who carried the rings on a satin heart shaped pillow.

Best man was Captain James C. Stots of Hickam Field and ushers were Captain Thad R. Putnam and Lt. Charles L. Krager.

After the ceremony a reception was held at the Brookland Hotel. The young couple will make their home on Sigma Blvd. at Hickam Field where the bridegroom is stationed with Hqrs. Sqdn. 1500 Air Transport Group.

The bride is a graduate of Flintridge Sacred Heart Academy in Pasadena, and attended the University of New Mexico. Lt. Maitens, who was graduated from Northville High school, recently returned after seven months on the Berlin Air Lift. He was a pilot with the 8th Air Force, B-24 during the war.

A reception immediately following the ceremony was held at Veterans' Memorial for 100 guests. The young couple then left on a week's wedding trip to Northern Michigan, travelling by car. For going away, the new Mrs. Coe chose a white eyelet lace dress and white accessories. Upon their return, they will make their home in New Hudson.

Donna's parents are Mr. and Mrs. Glen Gurrard of Northville and she attended Northville schools and is employed at the Michigan Bell Telephone Co.

Mr. and Mrs. Fred Lyke have returned from a two-week vacation in Chicago and vicinity where they visited at the home of their son, Jake and family.

Griffin-Martens Vows Pledged in Hawaii

Word has been received here of the marriage of Lt. Kenneth Arthur Martens, son of Mrs. Martha Martens of East Cadiz Street, to Mary Jane Griffin, daughter of Mrs. Marie Griffin of Albuquerque, N. M. The vows were pledged at Sacred Heart Church, Punahoa, Hawaii with the Rev. Father Cyril Gombold performing the ceremony.

The bride, who was given in marriage by her father, chose a white slipper satin and rose pointe lace gown. Her finger tip veil of illusion was trimmed with lace matching that of the gown and it was held in place by a tiara. The bride carried a bouquet of white gladioli and roses.

Maid of honor was Barbara Earl and bridesmaids were Mrs. Donald Bidwell of New Hudson and Dorothy Coe of Wixom. The girls were gowned in orchid, aqua and yellow marquisette respectively and they carried heart shaped bouquets. Flower girl was Sharon Wood who wore a white eyelet organdy frock.

CONEY ISLAND "BURIED" IN PEOPLE . . . Like a grand and colony, with the tower of the "parachute jump" thrill ride as its core, New York's Coney Island seems with thousands of Gothamites seeking relief from Manhattan's torrid streets and canyons. The sands are literally buried in people as blue skies and soaring mercury bring them out to the tune of almost 200,000 to take advantage of the cooling ocean breezes and water. The heat wave which sent these throngs flocking to the beach had hit a peak of 89 and was only 3 degrees off the city record of 92.5 set in 1933.

Burnette-Parsons Vows Read July 2

Jean Burnette of Plymouth and Merle Parsons of North Wing Street were united in marriage Saturday night at the Baptist Church. Rev. Stout of Plymouth officiated at the wedding service.

Harriet Leffler presided at the organ playing "Always," "Because" and "Lord's Prayer." Rev. DeVries of Ann Arbor was soloist and he rendered "Save Like A Shepherd," "Lead Us" and "At Dawning." Garden bouquets and palms flanked the altar for the ceremony.

Jean, who was given in marriage by her father, wore a white marquisette gown styled with a lace tier in the front of the skirt. Her finger tip veil of illusion was held in place by a tiara and she carried a bouquet of white roses.

Maid of honor was Norma Dahlberg of Grace Street, who wore a blue marquisette gown with matching organdy picture hat and mitts. Bridesmaid was Jackie Bothwell of Plymouth who was gowned in pink marquisette and wore a matching picture hat and mitts. Norma carried a bouquet of pink roses and Jackie carried a mixed bouquet of blue flowers.

Lazy Burnette of Plymouth was best man and seating the guests were Herbert Ware, Stanley Dahlberg and George Casper.

For the occasion, the bride's mother chose a navy sheer dress and Mrs. Parsons was attired in a grey print. Both mothers wore corsages of pink roses.

A reception for 150 guests was held immediately following the ceremony in the church parlors.

The young couple then left on a week's wedding trip to Pennsylvania and Washington, D. C. travelling by car. For going away, Mrs. Parsons chose a bemberg print dress and white accessories. Upon their return they will make their home on North Center Street.

Jean is a graduate of Plymouth High School and the Detroit Business Institute and she is employed as an office clerk and typist at Burroughs Adding Machine Company. She is the daughter of Mr. and Mrs. Mewman Burnette of Plymouth.

Merle is a graduate of Plymouth High school and attended Bryan University in Tennessee. He is employed at Herald Cleaners, Plymouth. His parents are Mr. and Mrs. T. M. Parsons of Wing Street.

Ricky Atchinson Has Eleventh Birthday Party

Ricky Atchinson, son of the Orson Atchinsons of Orchard Drive, and his cousin, Jackie of Detroit, celebrated their birthday at the Atchinson home last Sunday, July 3. Ricky was 11 years old and Jackie 10 years old.

Members of the family who attended the party were Mr. and Mrs. Harry Atchinson and Mr. and Mrs. Norman Atchinson of Plymouth and Jackie's mother, Mrs. Edna Butler of Detroit.

Make Your Cottons Look Fresh Longer

A few laundering hints may be the secret to keeping your cotton dresses looking as they did when you first bought or made them, advises Florence Rans, extension clothing specialist at Michigan State College.

All that truly-washable cotton requires is warm water and a good laundry soap. Wash dark colored cottons alone or with other dark colors. This will prevent having unattractive light spots on a dark cotton. If your cottons do not have a permanent crisp finish, a light starch solution will do wonders.

Rinse your cottons well because little soap particles make fabrics look scorched when ironed and tend to weaken the fibres. When hanging on the line, first shake out the dresses to remove large wrinkles and then pin them by the hem at the side seams.

Good rinsing means good ironing. One of the secrets of good ironing is knowing how much moisture to use. Too little moisture makes it difficult to remove wrinkles, while too much adds to the ironing time. A fine spray sprinkler top distributes the moisture evenly.

Always iron absolutely dry as you go along. This will keep the fabric from wrinkling and puckering at the seams. Avoid shining on dark cottons by ironing on the wrong side. Use a pressing cloth to touch up double thicknesses on the right side. Move the iron in unbroken rhythmic strokes so the heat will have time to work. Iron around buttons. To press a pocket, turn the dress to the wrong side and press the pocket carefully. Go over the pockets on the right side if necessary.

The only woman held in really low esteem by the Elbers is the go-between, although she is only employed in the respectable task of arranging marriages.

Temperatures which kill living cells are often only a few degrees above those at which they are accustomed to living.

LEST WE FORGET . . . Remember this grim giant mushroom, grotesque against the sky? You first saw this now familiar spectacle in your newspapers shortly after the first atomic bomb was dropped on Hiroshima (population 343,000) three years ago Friday, August 5, by the U.S. air force. Five days later a second bomb was dropped on Japan, this time on Nagasaki (population 213,000), marking the end of the bloodiest war in history.

Here Are Some Ideas on Vacation Fun for Children

Summer vacation time needn't be a trying period for parents, or a time for children to get into mischief. There are many ways for children to occupy their time constructively and enjoyably without getting constantly underfoot—for the mutual benefit of all concerned. Here are a few ideas:

1. Building an outdoor oven or a tree house.

2. Going on a short camping trip in the car.

3. Entertaining grandparents or distant cousins.

4. Turning all meal planning and shopping over to the children, requiring them to budget the family's food money and to learn to cook the food they buy.

5. Inviting the children's playmates or school friends over for a house party.

6. Giving each youngster a little ground of his own and letting him plant what he wants to. If the children don't take to gardening, they may work like beavers at making a fish pool or a bird bath.

7. Steppling up musical lessons to two a week.

State Parks Popular As Relief from Heat

Goaded on by the stifling summer heat, over 1,500,000 persons have sought relief in state parks the last two weeks lifting total attendance so far this season to 4,024,000, the conservation department's parks division reports.

Last year at this time 2,980,000 visitors were counted and at the 1948 season close to a record 12,500,000 had used Michigan's 60 state parks and recreation areas. By the time the three-day Fourth of July weekend tally is made, says L. N. Jones, assistant parks chief, "we should have a reasonable idea of the chances of topping last year's record crowds."

Attendance ranges from 570,000 at Holland, which has a heavy influx of Chicago visitors, to 2,400 at Gladwin. Heavily used parks are Grand Haven, 533,000; Bay City, 517,000; Dodge, 4,411,000; Sterling on Lake Erie, 241,000; and Rochester-Utica, 216,000. Lyle McDonald, manager of the Warren Dunes park south of St. Joseph on Lake Michigan, has counted more cars from Indiana than Michigan.

The myriad activities which keep park rangers hopping include disposing of tons of paper and refuse, returning lost children, regulating traffic, turning unclaimed wallets and purses over to state police, handling large group or club picnics, maintaining park equipment, as well as answering the countless questions, especially of outstate visitors.

When he was plotting world conquest, Adolf Hitler often must have had a notion that some day he would sail into New York harbor on his palatial yacht "Grille". Well, half of the notion came true, anyway. Here is the "Grille," from whose deck Nazi Admiral Doenitz broadcast the news of Hitler's death. The vessel passed the Statue of Liberty, not as the carrier of a conqueror but only as a reminder that the would-be conqueror is gone. Present owner of the yacht, George Ardis, will put the craft on exhibition here for various charities.

State Health Dept. Gives Polio Rules

This is the beginning of Michigan's polio season."

These are the things which parents can do, according to the Michigan Department of Health:

1. Keep your children clean, well-fed, and well-fed. See that they wash their hands and faces thoroughly before eating.

2. Do not allow them to over-exert themselves or to become chilled.

3. Avoid crowds, new contacts and travel.

4. Destroy flies, rats and mice and the things they have touched.

5. Do not let your children eat food that has been left uncovered, or unwashed fruits or vegetables.

6. Give them only pasteurized milk.

7. Be sure that the water they drink, wash in, or swim in, is free from contamination.

8. Consult your physician about postponing nose and throat surgery, and your dentist about postponing tooth extraction until after the polio season.

9. Call your doctor at once if during the polio season your child develops any of the following symptoms: unexplained fever, headache, nausea, a cold, upset stomach, muscle soreness or stiffness. Put the child to bed and isolate him from others when any of these symptoms appear.

Early diagnosis, prompt hospitalization and proper treatment are the doctors weapons against the disease.

It is difficult to tell when a child has been exposed to polio. Nine out of ten cases are light, unrecognized cases. This type of the disease is contagious. Adults as well as children may have the disease. Some people who appear to be well carry the virus which causes polio. The virus which causes the disease is carried in bowel content and nose and throat discharges. Thus insects, animals, water, or objects coming in contact with these discharges, or food on which insects or animals alight, may be suspected of carrying the disease.

The following encouraging things the Department of Health has to say about polio. Comparatively few people contract the disease in its paralytic form.

Many children exposed to the disease have already had light

cases and will not catch polio. Many will recover completely without any paralysis. Of those who have some degree of paralysis, 72 to 85 per cent will recover completely or show marked improvement under adequate medical treatment.

Three Michigan agencies, the Department of Health, the University of Michigan and Wayne

University are doing poliomyelitis research which ranks high in that being done in the world.

A total of 30 cases of poliomyelitis have occurred in Michigan this year. The greatest share of these cases has been in the Upper Peninsula.

While poliomyelitis cases appear the year around, they usually begin to increase in mid-June and peak in late summer.

Records of the Michigan Department of Health show:

cases and will not catch polio. Many will recover completely without any paralysis. Of those who have some degree of paralysis, 72 to 85 per cent will recover completely or show marked improvement under adequate medical treatment.

The St. Paul's Lutheran Sunday School teachers will have a special meeting next Thursday evening at which time Rev. Rein of Saginaw, Executive Secretary of religious part-time agencies for the State of Michigan will address the group.

Cabinets with inside depth of 12 inches are best and two rows of jars can be placed on each shelf. A cabinet with an inside depth of six inches will take care of one row of fruit jars.

Storage rooms usually are best for basement use. At least two square feet of floor space should be allowed to provide room for one person to enter and set cans on the shelves or remove them.

You can plan the amount of shelf space needed if you will allow one foot of 12-inch shelf space for each five cans of any size. Allow 20 feet of shelf space for 100 cans.

Top shelves should not be more than 72 inches above the floor. If shelves are more than three or four feet long they should be supported at 32-inch intervals.

Place canned meats on the lower shelves, vegetables next, and fruits near the top.

WITH OUR MEMORIES

Howell—Joe Brady of Howell is the chairman for Livingston in an 11-county area organization of University of Michigan alumni groups for the coming Michigan-Memorial Phoenix Project campaign to raise \$6,500,000 for an atomic research center at the University of Michigan.

Grand Ledge—Each person who enters the Grand Ledge Independents \$2500 subscription contest can earn an extra cash bonus of \$2.00 and get 100,000 extra votes for each \$20 worth of new and renewal subscriptions turned in in the first week after they enter.

Farmington—Mrs. Ralph Cotter has been appointed City Treasurer to fill the unexpired term of Mrs. Avis Jamison, whose resignation was read and accepted by the City Commission at a special meeting held last Monday evening.

Howell—In line with a growing practice throughout the system, the Howell post office will follow the recommendation of the Post Office Department and close Saturdays at 12 noon.

South Lyon—July 13 is the date set for the Michigan Horsemen's and 4-H Colt Club Field Day at the Upjohn Farms, Richland. This will be the third anniversary of the event.

Howell—A wrecked car on the east and west end of Grand River at the city limits together with appropriate signs on safety will be displayed by the Howell Jaycees.

Grand Ledge—Voters of School District No. 12, city of Grand Ledge, Oneida and Eagle townships, will have an opportunity to extend the three-mill taxation plan for the building program sinking fund for another five years at the annual meeting scheduled for July 11.

South Lyon—Michigan Seamless Tube Co.'s maintenance men will be the only employees on duty at the mill during the next two weeks, the workers' annual vacation.

Milford—Both racing fans and horse lovers, whether they ride or not will get entertainment from the Huron Valley's Saddle

Club's annual show, the Cavalcade of Horses, Sunday at the Milford Fair Grounds, according to Paul Glasscock, general manager.

Plymouth—June 6 Pranas Zelbs of Lithuania arrived at the farm home of Mr. and Mrs. Fred Palmer on Beck road as the first displaced person to be assigned to Wayne county.

Farmington—Zoning is like planning a house. One room, the kitchen, is set aside for food preparation, another room for sleeping, and another room for bathing, and another one for relaxing and entertaining. And with this identification goes unwritten rules: No crumbs on the living room furniture, no dog-washing in the living room, and so on.

So said Louis A. Wolfanger, of Michigan State College, last

Thursday night when the North

Farmington Civic Association sponsored a zoning meeting de-

signed to acquaint all with the why's and wherefore's of zoning.

Nearly 200 people attended the meeting, filling the Town Hall to overflowing. Even the corridors were lined with people to hear Mr. Wolfanger speak.

Farmington—Gerald V. Harrison, principal of the Farmington High School, was elected president of the Farmington Exchange Club.

Milford—Joe Gaffka of Milford, champ tomato grower in past years really outdid himself this season when he picked a ripe tomato Saturday and two on Monday from his home grown plants.

Plymouth—Recall petitions were put in circulation by the Plymouth Citizens League last Friday after their meeting on Thursday night for the following four city commissioners: James Latture, Frank Henderson, Lewis Goddard and William Hartmann.

Chelsea—The dumping of industrial waste, such as oil, kerosene, gasoline, dry cleaning fluids, etc., into the sanitary sewer outlets here is causing so

Effective July 2—

NEW LONG DISTANCE TELEPHONE RATES for calls within Michigan

INCREASED RATES for long distance telephone calls between Michigan points, effective July 2, 1942, have been authorized by the Michigan Public Service Commission.

Last December, Michigan Bell requested rate increases for both local telephone service and long distance service within Michigan so it might continue giving the kind of telephone service the people of Michigan demand.

The Public Service Commission's order provides only for that part of the application which requested an increase in long distance rates (including rates for teletypewriter exchange service messages) within the state. But it will provide urgently needed revenue until the Commission is able to finish its investigation of the complete request and rule on it.

Your Long Distance operator gladly will give you the new rate to any Michigan point.

Morning Worship 11:00. We are uniting with the Presbyterian Church during the month of July and invite all our people to make a special effort to attend that church and service. Mr. Williams the choir director brings a special message in song. Mrs. Carl H. Bryan and Mrs. Joseph Denton extend a welcome at the door. Rev. Wm. M. Hughes brings the morning message.

Wednesday 13th — Monthly Official Board meeting in the Fellowship room. All members of the board and presidents of organizations are invited to make this the first meeting of a new conference year one of the best. Plans for the coming year will be presented for your approval.

Christian Science Churches "Sacrament" will be the subject of the Lesson-Sermon in all Christian Science churches throughout the world on Sunday, July 10.

The Golden Text (Matthew 6:6) is: "Thou, when thou prayest, enter into thy closet, and when thou hast shut thy door, pray to thy Father which is in secret; and thy Father which seeth in secret shall reward thee openly."

Among the Bible citations is this passage (Matt. 5:8): "Blessed are the pure in heart: for they shall see God."

IN YOUR OWN BACK YARD . . . Vacation time brings the urge to see strange sights. And while such awesomeness spectacles as this giant dinosaur in the Black Hills of South Dakota do not appear in every part of the country, most Americans can find an amazing variety of interesting places within a 100-mile radius of their own homes. Authority for that statement is Miss Carol Lane, women's travel director of the Shell Oil company's touring bureau and one of the nation's leading travel authorities.

Services were conducted by Rev. Walter Hauck of the First English Lutheran church, with cremation at White Chapel cemetery following.

Surviving him are his wife Florence; a daughter, Mrs. Edward R. Davies, Detroit; two sons, Henry C. and Arthur David, Northville; three grandchildren, and three sisters, Mrs. Porter S. NAY SAYS "NAY" TO PLACE ON COMMIE LIST . . . Clowning around a bit with the famed Sir Harry Lauder in Glasgow, Scotland, film's top fiddler, Danny Kaye, indignantly denied a report of the California state senate committee on un-American activities which listed him among Hollywood notables who followed or approved some of the Communist party line.

IN YOUR OWN BACK YARD . . . Vacation time brings the urge to see strange sights. And while such awesomeness spectacles as this giant dinosaur in the Black Hills of South Dakota do not appear in every part of the country, most Americans can find an amazing variety of interesting places within a 100-mile radius of their own homes. Authority for that statement is Miss Carol Lane, women's travel director of the Shell Oil company's touring bureau and one of the nation's leading travel authorities.

THERE'S ALWAYS FISHIN' . . . These coal miners of the H. C. Frick company at Muse, Pa., don't seem to be too disturbed over facing a prolonged work stoppage as a result of CIO leader John L. Lewis ordering a "vacation" for "stabilization of the industry." Instead, they watch A. J. Bayo explaining his new gadget, "lazy fisherman's friend." It holds the rod, locks the reel when the fish nibbles at the bait.

Sheriff Reports Week's Happenings

Tuesday, June 28, Mrs. Viola Howard, 8951 Holland, Taylor Township, was driving south on Telegraph Road at Crest Road and attempted to pass a truck and in doing so lost control of her car,撞倒了 two trucks going north on Telegraph Road. The entire left side of Mrs. Howard's car was demolished and Mrs. Howard was critically injured. Mrs. Howard's four children riding with her were injured and Mrs. Grace Harrison, 2261 Holland, who was also a passenger in Mrs. Howard's car, was seriously injured.

Monday, June 27, four boys and a girl rented two canoes at Newbury Lake. Paul Dorsy, 20, of 2217 Wetherby; Peter George, 23, of 8223 Wetherby; and Delphine Mazur, 18, got in one canoe. Milton George, 21, and Guy Serafino, 19, of 8204 Wetherby got in the other canoe. They paddled out in the lake and started to grab at each other's canoe and both canoes upset. None could swim—all but Paul Dorsy clung to the upset canoes until help arrived but Paul Dorsy was drowned. His body was recovered by Sheriff Andrew C. Baird's deputies a short time later.

Mrs. Clara Richardson, 51, of 29928 Prescott, Huron Township, was awakened about 1:30 the morning of July 4 by the screaming of her grandchildren, Sue Wilkins, 7, and Helen Wilkins, 5, that the house was on fire. Mrs. Richardson tried to get upstairs to wake her mother, Mrs. Josephine McShane, 71, but could not due to the heat and flames. Mrs. Richardson was able to awaken her son, Ernest, and his wife, Dorothy, and they managed to get out of the house with the 2 grandchildren before the house was entirely in flames. The Huron Township and the Flomulus Township Fire Departments responded but were unable to save Mrs. McShane. Sheriff Andrew C. Baird's Deputies notified the Red Cross of the tragedy and in the meantime neighbors are lending a helping hand to the depressed family. The cause of the fire is unknown at present.

Despite all warnings on the danger of firecrackers 4 such injuries were reported to Sheriff Andrew C. Baird's Road Patrol. Ronald Zatkoff, 17, of 12110 Nagel, was injured when a firecracker exploded in his hand—treated at Wayne County General Hospital and released; Wil-

Margarine Licenses Stumps Small Grocers

Describing the plight of the small grocer as "little short of pathetic," W. R. Keasey, secretary of the Michigan Retail Grocers & Meat Dealers Association, has written Senators Vandenberg and Ferguson urging immediate action.

The grocers—and that even includes the large ones—don't know what to do about license fees for sale of margarine," Keasey wrote the Senators.

"For that reason, I am urging you to use every means at your command to try and get the Poage Bill (H. R. 2023) out on the floor and pass it at this session—and before July 31," he continued.

The most immediate problem to Michigan's grocers, of course, is the six-dollar license fee to sell uncolored margarine, which became due July 1. If the Poage Bill passes, these grocers will not need that license.

"They have until July 31 to file for the license, but if the Poage Bill then passes, after that date, these small business men who can ill-afford it, will be out that money," Keasey declared. "Actually, it will cost grocers throughout the nation about \$4,600,000 if the Poage Bill becomes law after July 31—and all competent observers concede it eventually will be passed."

"This sum includes the \$48 annual license fees for sale of yellow margarine, which Michigan's small grocers will have to buy, too, after Sept. 23, when sale of the colored product becomes legal here."

"It is your duty, not only to your thousands of small grocery constituents in Michigan but those throughout the nation, to bring this bill up for vote and pass it before July 31, so they won't have to pay out money they can ill-afford," Keasey concluded.

"Refunds are quite unlikely, you know!"

Uncle Sam Says

Thousands of farmers have found that the safest, surest crop in the world is U. S. Savings Bonds. These Americans are building today for their tomorrow with Savings Bonds. They realize that this is their opportunity, the chance to make their dreams come true, which includes the peaceful protection of land, the finest, modern-day home improvements, or a measure of security on which to retire. All of these can be yours also by investing in U. S. Savings Bonds.

Ragweed Survey To Get Underway

To provide Michigan's residents and vacationing hay fever sufferers with daily information on the ragweed pollen concentration in various areas of the state, the ninth annual ragweed pollen survey of the Michigan Department of Health will be conducted in 57 stations in the state this summer.

The survey, which will begin July 15 and continue until September 15, is taking in more areas in the state than any previous survey. This year's plan of operation will make pollen counts for each area available from the local health officer of that area on a day-to-day basis. Many local hospitals and laboratories as well as the local health departments are cooperating in the survey.

New stations at which pollen will be collected this year include Lapeer, Mid, Roscommon, East Tawas and Paris. The station at Mackinaw City and one of two stations in Bay City will be discontinued.

Other stations will be located in: Alpena, Battle Creek, Bay City, Boyne City, Cadillac, Charlevoix, Charlotte, Cheboygan, Crystal Falls, Eagle Harbor, Elizabethtown, Escanaba, Frankfort, Fremont, Gaylord, Gladwin, Grand Haven, Grand Rapids, Grayling, Harbor Beach, Hart, Hillsdale, Holland, Houghton, Ironwood, Jackson, Kalamazoo, Lansing, Ludington, Mackinac Island, Manistique, Marquette, Menominee, Midland, Mt. Clemens, Mt. Pleasant, Munising, Muskegon, Newberry, Ontonagon, Petoskey, Pinconning, Port Huron, Powers, Rogers City, Saginaw, St. Ignace, Sault Ste. Marie, South Haven, Sturgis, and Traverse City.

Copies of the new 1948 survey report and pollen map, showing areas of greatest and least pollen concentration in the state, are available without charge from the Michigan Department of Health, Lansing 4, Michigan.
