Install New Science Room In Northville High School

With the opening of the Northville schools on September 8th, high school teachers and pupils will commence their school year in a completely redecorated building with many long-needed improvements made.

Workmen are busy on all floors of the building painting, varnishing woodwork and scrubbing floors and making minor repairs. In the back corner of the basement, workmen have been tearing up the flooring, installing under ground plumbing and electrical equipment for the new science room.

The former out-of-date, inadequate science room has been moved to the former shop room in the basement. Here \$5,000 worth of improvements will be nearly completed by the opening day of school. Thirty pupils will have ample room for their scientific study when this long needed change is finished.

The underground plumbing and electrical work has been completed and the floor re-laid in readiness for the new work tables. A fan will be installed and a storage room for equipment will be finished by the opening day though the new desks, purchased from the Welch Manufacturing Company, may not arrive before mid-September.

When plumbing is finished, R. H. Amerman, superintendent of schools, stated, "a little more than \$1,000 will have been spent. Three thousand dollars for furniture and \$1,000 for electrical equipment and miscellaneous items will raise the figure to \$5,000.

To cut costs to the minimum, storage cabinets, instructor's desk, and plumbing fixtures have been salvaged from the old science room.

The vacated room on the second floor will be used for a general class room will relieve the crowded condition in the high school.

Work this year has been concentrated in the high school building, said Mr. Amerman. All woodwork has been revarnished to set off the newly painted pastel walls. All classrooms, including the hall, the auditorium, gymnasium and offices, are re-decorated, and the modernizing of the lighting facilities, begun last summer, has been completed.

Townpeople will no longer recognize the auditorium for a complete new change has taken place over the past two years. Two years ago many improvements were made including a new ceiling. The color scheme this year has been changed from the former gray and white to a pastel green dado and white walls. Carpeting, presented by the Class of '49, will be laid on the stage to add to the richness of the room.

Since the grade school was redecorated throughout last year, only the usual summer cleaning is being done. The rooms are sparkling now with freshly washed walls, windows and floors. Only minor repairs and repairing are being done.

One more class room is being fixed in the former Moshier house to accommodate the large grade school enrollment. A thorough cleaning but only minor repairs are being made in the other two temporary school buildings.

Brannan Proposes Farm Program

The proposal of Agriculture Secretary Brannan for a national farm program, which would guarantee farmers annual incomes on a parity formula basis, is nothing new. It is not and probably never will be a farm program except in the minds of its sponsors, because there is hardly once chance in a thousand that this or any other Congress will provide \$10,000,000,000 a year or more required to operate it.

In reality the Brannan farm program, if one can call it such, is a completely socialistic politico-economic philosophy, a political maneuver, a cluster of wild promises, or a combination of all three of these. As such it is as old as politics.

It promises higher income for farmers. It promises cheaper food for consumers. It promises there will be little, if any, extra cost to taxpayers. Isn't that a bargain? It would be if there were no catch to it. But there is a catch. The Brannan program is an economic mirage.

As a matter of fact, there is no such thing as something for nothing, unless it be fresh air and sunshine. Higher incomes for farmers would come out of taxpayers' pockets. So would the margin of savings to consumers at the grocery stores. And farmers and consumers, indeed, all of us, are taxpayers. The real cost of everything would be just the same, or a little more, because of federal government expense in administering the program.

A careful estimate sets the cost of putting the Brannan plan into effect for fluid milk alone at \$2,480,000,000. Billions, that is. Then one can imagine what the total cost of the entire program would be in the end. Or possibly it would be so great as to paralyze the imagination. Everyone's tax burden would become unbearable.

On this basis it is natural to ask whether the principal purpose of the Brannan farm program proposal is to give farmers a fair deal and consumers cheap food. My answer to this is "No". The principal purpose of the Democratic Administration, which sponsors the Brannan proposals, seeks also in this way to complete the regimentation of the farmers, perhaps to keep it self in power permanently.

Farmers would have to vote as they were told, if they were dependent on a government check for their living. Almost all of them know this. That is why they have opposed even the modified Brannan Plan, legislation through the Congress.

In the knowledge that farmers generally are awake to the dangers of the Brannan proposals, (Continued on back page.)

200 Acre Race Track Planned for Novi

Grading work has begun at Novi for a midget auto, motorboat and harness track, it was announced recently.

Dr. A. A. Holcomb of Northville, John Crawford and Walter Fata, attorney, are B. F. Gregorio's associates in the project. Mr. Gregorio was one of the early promoters of the Hazel Park race track.

The group has a 200 acre track between Elevation Mile Road and Grand River avenue at Novi where an 8,000 capacity grandstand will be built. Midget racing will be held there late this summer.

The group plans for Novi what was originally planned for Hazel Park before the present group took it over for running races.

Ford Co. Analyzes River Rouge Water

In a recent industrial pollution status report, the new Water Resources Commission of Michigan listed six Ford Motor Company plants, located on state streams, as being free from causing water pollution.

The plants graded as Class 1 and the streams they are located on are: Ypsilanti, Huron River, Milford, Huron River, Flat Rock, Huron River, Brooklyn, Raisin River, Waterford, Rouge River, and Northville, Rouge River.

Ford Motor Company makes water analysis tests at frequent intervals at all plants located on streams and the Water Resources Commission makes its own tests from time to time.

The plants are in the company's Parts and Equipment Manufacturing Division.

Union Services Switch to Methodist Church

July 31st closes the Union services in the Presbyterian Church conducted by Rev. Wm. Hughes of the Methodist Church.

During August, Rev. Harold Fredsell will be the guest speaker in the Methodist Church and special music is provided by the host church. A welcome awaits all who can attend.

Rossov Reviews Rotary Meeting

President "Doc" Rossov, presented a review of the District Assembly meeting at Dearborn Inn July 13 at the Northville Rotary club meeting Tuesday noon. Supplemental remarks were added by club secretary Ed Bogart, who also attended the district meeting.

"Doc" Rossov reviewed the District meeting as follows: After the opening statement by District Governor "Shorty" Miller, the first speaker was Past District Governor Joe Brady of Howell, whose topic was "Aims and Objects Plan." Dick Norton then talked about Club Service, stressing club assemblies and the exchange of ideas for mutual benefit.

Past Governor Arthur Fitzgerald of Windsor had as his topic "The Department of International Service." He said that in spite of the fact that there are 330,000 Rotarians in the world, that Rotary should not risk its power in the field of politics, even though the club has been recognized as a consultant in the work of the United Nations program.

"Vocational Service" was presented by Past District Governor George Smith of Plymouth. Roy Plumb spoke on "Community Service," highlighting the need for action and good will. Hugh Allerton of Highland Park talked about "Rotarian," the Rotary magazine. The subject "Rotary Foundation," concerned with student exchange with foreign countries, was presented by E. Roy Shaw.

Guests of the club Tuesday were Elmer Wilson, the guest of John Boyce; William Petz, guest of Wilbert Petz, and Roy Johnson, John Hoban, Paul Johnson, R. S. Thatcher and H. P. Penhale, all of Plymouth.

A birthday rose was presented to Clyde Dethloff, Harry Clark and Dr. V. George Chabut but no present birthdays, but were not present.

Farm Supply To Open on N. Center Street

A new feed and farm store to be known as Hamlin's Feeds and Farm Supplies store, will open soon on Center street. Richard Hamlin of South Lyon has purchased the store formerly occupied by James Ledford.

Mr. Hamlin will carry a complete line of feeds in his new store and will be assisted in his new business by his brother-in-law, Lyman Parker of Ann Arbor.

Mr. Hamlin was formerly associated with the Vir-Del Dog Food Company of South Lyon.

Polio On Increase in Detroit Area

Detroit's polio situation is becoming worse by the day, according to Dr. Joseph C. Molner, deputy health commissioner.

After climbing for a week at the rate of four new cases a day, the polio load jumped six cases Thursday, bringing the week's total to 23 and the year's total to 55.

Only one verified polio death has occurred in the city this year.

Detroit's worst polio year was 1924, when, with a population of little more than 1,000,000, the city had 357 cases and 60 deaths.

Earliest symptoms of polio in children, according to Dr. Molner, are irritability, headaches and stiffness of neck and back all coming together. When these symptoms occur, the child should be put to bed immediately and a physician called.

As for precautions, Dr. Molner urged parents to keep their children away from polio-contaminated areas. (Griatiot County, just north of Lansing, is the second worst county in the state, with Wayne worst.)

Children also should avoid chilling, exhaustion and drinking or swimming in contaminated water. The Department of Health will analyze suspected drinking water sources free of charge and give information about polluted bodies of water.

The State Health Department reports that the Michigan polio total for the year has reached 174 cases. Wayne County was the hardest hit, with a total of 66 cases so far. Griatiot County had 16.

Three children from New Buffalo were hospitalized at Grand Rapids and five others, including a 43-year-old woman, entered the city's hospitals from the Western Michigan communities.

At Marquette, a Sherwood, O., man died in St. Luke's Hospital the first polio death this year in the Upper Peninsula. The victim, Charles Rex Langden, 23, a manufacturer's representative, had been vacationing at Sault Ste Marie.

In Washington, the United States Public Health Service reported the national polio total at 4,695 on July 16. This compares with 3,601 cases on the same date last year.—Detroit News.

East Tawas Is Camp Site for Northville Boy Scouts

"I have inspected many scout camps," said Al Charters, Northville Boy Scout committeeman, "but the camp at East Tawas, planned and built by the Northville scouts under the direction of Bob Hunter, is the best I have ever seen."

The camp commenced so highly by Mr. Charters was set up one mile north of East Tawas on Tawas Bay Sunday, July 17th, and disbanded last Sunday morning.

The camp was made ready on Saturday by Explorer Scouts Dick Gussell, Harold Atwood and Bud Cansfield accompanied by Dave Schoutz. With equipment and members of troop N1 and N5, two trucks arrived Sunday. Bob Hunter, camp director, drove up with the boys on Sunday.

Enclosed by mosquito netting, the 40 foot mess tent was immaculate, said Mr. Charters. The boys made their own tables and planned and cooked their own meals. Two squad tents each holding ten men, were designated for the so-called enlisted men (troop members). The officers tent housed the director and the Explorer Scouts who acted as Junior leaders.

The day's camp schedule for the week was as follows: 6:30—fire detail starts fires for breakfast. 7:00—camp arises for dip and exercises. 7:30—assembly for flag raising. 8:00—breakfast. 8:15—camp inspection. 9:30—recreation (baseball, touch football, cricket). 10:30—swimming. 12:30—lunch. 2:00—hikes, trips, recreation. 4:00—swimming. 6:00—supper. 7:15—camp inspection. 7:30—flag lowering. 8:30—camp fire. 10:30—taps.

After a fishing trip in the Bay on a motor launch the boys ate their catch of 80 perch for supper. Another highlight of the week was a trip to the U. S. Coast Guard Station on the point where the boys were given a ride in an amphibious jeep, called a "Duck".

Here they learned of the functioning of the lighthouse and rescue service carried on there and how a lighthouse 16 miles out in the bay is operated by radio.

A "Grand Muffin" was elected by the boys to rule the camp during the week. Peter Mellen Randolph Street was chosen to order the officers their vacation at their cottage at Grass Lake.

Mr. and Mrs. Roy Van Atta and daughters, Janyth and Carolyn, Randolph Street are spending their vacation at their cottage at Grass Lake.

Harbert, Hamilton Win The Inverness

Chick Harbert brought more honors to Meadowbrook Country Club and to himself when the Meadowbrook pro and his partner, Bob Hamilton of Landover, Md. won the Inverness four-ball matches in Toledo.

The two-some compiled a plus 19 total under the Inverness scoring system, the second largest in history and edged the runners-up, Clayton Heafner and Skip Alexander, out of top place by the greatest margin of 14 points.

In the most spectacular scoring spurge the 12 year old tournament has ever seen, Hamilton and Harbert in addition to \$4,000 first prize, won \$300 for scoring the most birdies (38) and another \$150 for sharing the low score for a round which was 11-under-par 60.

The schedule at the Downs calls for nine races each night with the first race starting at 8:15 o'clock. The newest model of the E. M. Smith starting gate, with Starter Norman Wilson in control, will send the races away.

The preparations for the meeting, now nearing completion, plainly indicate that this will be the biggest season in the track's history.

Mr. and Mrs. H. B. Clark of Thayer Blvd. left last week to visit Mr. and Mrs. Orr Webster at their Wisconsin home. Mr. and Mrs. Dayton Bunn accompanied the Clarks.

Sylvia Hollis is spending two weeks' vacation with her cousins, the Elmer Boilat family at Byron.

Basement Excavated for Novi Building

The basement for the first section of the Novi Community building has been excavated on the lot at the corner of Paul Bunyan and Northville Road.

Frank D. Clark announces that this section, to house the Fire Department, Township offices, Justice Courts, heating plant and kitchen for the future building, will be completed within 100 days.

Swimming Attracts Village Youngsters

Twice a week a special bus takes the children of the Village to Walled Lake for swimming under the supervision of the Recreation committee.

Al Jones, recreation director, says that any child, whether in grade school or high school, can take part in this summer activity. Wednesday and Friday the children meet in front of the Detroit Edison building at 12:30 p. m. Only a locker fee of 20c is charged.

Tether tennis and dart tournaments are being held this week at the Scout building and at Ford Field, Jones announces.

Downs To Begin 6th Year Monday

Northville Downs, expanded and refurbished to provide a great many new comforts for its patrons, will open its sixth year of night harness racing on Monday evening, August 1.

The compact little half-mile raceway is gleaming with new paint, a new entrance, additional pari-mutuel wagering facilities, new rest rooms and an increased lighting plant.

Here, awaiting the first call to race action, are nearly 500 of the finest trotters and pacers in America. The horses which will race at Northville during the 54-night meeting that is slated to continue until October 1 are, by all odds, the finest quality of racing stock ever attracted to the Downs.

The big reason for the extremely high caliber of horses at the 1949 meeting is the rich program of stake races scheduled for the meeting. Starting with an opening night, Northville will present one major stake race every week. Seven of the stakes will carry purses of \$5,000 each, while the other two will be worth \$10,000 apiece.

The two top features are the Michigan Pacing Derby and the Northville Driving Club Trot. The big Pacing Derby is set for Sept. 23, while the \$10,000 Trot will be raced a week earlier on Friday, Sept. 16.

It is this stake program, with its \$55,000 in prize money, that has drawn nominations of such star campaigners as Jimmy Creed, Rosemary Brooke (holder of this year's fastest mile time), Dr. Stanton, Jerry, the First, Brucita's Guy, Guest Star, Royal Man, Little Judy, Forbes Chief and Scotchish Boy. With that class of horses named for the stake races, all of the fields at Northville will be noticeably stepped up in class.

The physical facilities at the Downs have never before been in as good condition for the public. The mutual plant has been expanded by the construction of a new section outside the east end of the grandstand, and by moving the section at the west end so as to give more room for the public to circulate. A new men's rest room has been constructed at the west end, behind the big steel stands which were erected at the Downs a year ago. The new entrance will handle the crowds faster than ever before, and will also provide a great deal more exit room when the races are over. At the entrance and throughout the plant, Northville's traditional red-and-white color scheme has been carried out.

The schedule at the Downs calls for nine races each night with the first race starting at 8:15 o'clock. The newest model of the E. M. Smith starting gate, with Starter Norman Wilson in control, will send the races away.

The preparations for the meeting, now nearing completion, plainly indicate that this will be the biggest season in the track's history.

Village Stream Is Still Contaminated

Dr. V. George Chabut, Village Health Commissioner, reports that the Rouge River which flows through the park and in back of the Fish Hatchery on Fairbrook Road is still contaminated.

The sewer is being repaired but the stream will be unsafe for swimming, wading or fishing until announcement is made by Dr. Chabut.

The Health Commissioner also reports that no cases of polio have been found in the Village.

Milford To Hold 65th Annual Fair

The sixty-fifth annual Milford Fair dates have been set for August 9 through 13. Fair Secretary M. H. Moore states that arrangements are shaping up well.

Northville Grade School To Have Nine Room Addition

2 - 1 Vote Carries Expansion Program

By a vote of two to one, electors of Northville and Novi School-District No. 2 Ft. went to the polls last Wednesday and voted yes for the bonding and millage questions assuring Northville of a nine room addition to the present Grade school building.

The voting was as follows: On the question of whether the school district shall be bonded for the purpose of erecting an addition to the present building yes; 162; no, 75; On the question of increasing the tax rate limitation—yes, 172; no, 84.

The Board of Education's proposed \$165,000 building program will get underway immediately. Fred Thrun of Lansing, legal consultant for the school board, is busy drawing up the necessary bonds and they will soon be placed on the open market. The bonds will be let over a period of 11 years.

Eberle Smith and Associates of Detroit have been contacted by School Board President George Stalker and he has authorized them to draw up detailed plans and specifications of the addition to the present Grade school building which calls for nine classrooms. As soon as these are completed, a call for bids will be made and the contract awarded to a general contractor.

No date has been set for ground breaking but it is hoped by school board members that excavation will begin no later than the spring of 1950.

Farm Bureau Group Discusses Health Insurance Program

The South Novi Farm Bureau met Tuesday, July 19 at 8:30 p.m. at the home of Mr. and Mrs. J. W. Erwin on Ten Mile Road. Attendance was small due to the busy season. There were eight members and two guests present. The meeting was called to order by chairman J. W. Erwin

and the secretary's and treasurer's reports were read and accepted. It was moved and supported that the secretary write a letter of thanks to the West Farmington Group for entertaining the group at their recent picnic. J. W. Erwin conducted the discussion in the absence of discussion leader, Frank Dunham. The topic was the Rural Health program, with a short discussion of Blue Cross insurance completing the business meeting.

A game was lead by Mrs. Gottschalk. The next meeting will be held at the home of Mr. and Mrs. Edward Erwin, August 16. The meeting adjourned at 10:30 after which the group enjoyed refreshments served by Mrs. Shirley Erwin and Mrs. Marjorie Gottschalk. Design, development and construction of the B-29 took three times longer than the design and construction of the Empire State building.

Northville's Yesterdays

ONE YEAR AGO

Northville's premier event of the season, the Rotary Club's sponsored horse show, which will turn over part of the funds for Cancer Research, got underway.

The Moshier property, located at 218 W. Main, next to the Fire Hall has been purchased by the Village and is being rented by the school for additional classrooms.

Mrs. Edward Landau (Harriet Carlson) and Mrs. Robert Parmenter (Anna Jean Flaherty) were co-chairman of the reunion of the Northville High school class of 1944 in Cass Benton Park.

The Business and Professional Women's Club appointed Mrs. Mae Babbitt as campaign chairman of the Northville Community Concert Association.

Miss Marcella M. Ladd, director of Religious Education of the Northville Presbyterian Church, resigned from her position. A reception was given by the Senior Youth Fellowship in her honor.

FIVE YEARS AGO

An open house was held at the Lee Eaton home in Orchard Heights, Monday afternoon, and evening in honor of the ninetieth birthday of Mrs. Levi F. Eaton.

will sponsor the appearance here of the Mills Bros. 3-ring circus at the fairgrounds, Monday, August 21.

Miss Doris Tewisbury of Spring Drive underwent an operation for appendicitis at Mt. Carmel hospital.

Newspaper pickup will be done by the Legionnaires after 5 p. m. each evening.

TEN YEARS AGO

Jane Grosvenor and Leon Robinson were united in marriage Saturday at the bride's home in Farmington.

Joe Louis will give exhibition boxing bouts at the Fairgrounds this summer.

Running races will be a feature at the fair this summer.

A well was drilled in the park to supply the village's water supply.

THIRTY YEARS AGO

A new main building is being erected on the Fairgrounds.

T. E. Murdock, owner of the Northville Drug Co., has sold his business to L. Johnson of Plymouth.

An interesting set of papers concerning the growth of Northville has been found in the collection of newspapers of W. Purdy Yerkes.

State Checks Beaches for Safe Swimming

The 40 beaches at the 80 state parks and recreation areas are regularly checked for safe swimming by state and local health officers and few instances of pollution have been detected, the conservation department's parks division reports.

When unsafe swimming conditions occur the public is notified via posters in the parks and notices in the local newspapers.

The parks division has added beach and other facilities on Bishop lake in the Brighton recreation area this summer. A new beach is being developed at Teepie lake, Highland recreation area near Milford, but will not be ready until next season.

WITH OUR NEIGHBORS

Howell—The third drowning in Livingston county for this season occurred at Sharpe's landing, Thompson lake, last Wednesday afternoon and claimed the life of a two-and-a-half year old lad.

Ann Arbor—Ann Arbor's third general Bargain Day since the war was opened Wednesday morning with nearly every merchant in the city participating and price reductions as high as 50 per cent or more. The annual event was sponsored by the Retail Merchants division of the Ann Arbor Chamber of Commerce.

Dearborn—A 38-year-old Battle Creek salesman died early last Wednesday morning in Wayne County General Hospital after he was knocked to the sidewalk during a fight in front of the Chef Restaurant at 1312 Michigan avenue.

Howell—Howell will have another observance of V-J day this year, according to arrangements now being made by the American Legion, the Junior Chamber of Commerce, and the Veterans of Foreign Wars. Principal events will be August 11, 12 and 13 at Page athletic field. Further announcements regarding arrangements will be made later.

Chelsea—Stern measures to prevent waste oil from being dumped into the sanitary sewer system in Chelsea were recommended in a letter to the village president and council from the Michigan Department of Health.

Farmington—The Farmington City Commission, at its regular meeting last Wednesday, approved a motion establishing several new stop streets in the city in an effort to eliminate dangerous intersections.

Rochester—Although it regards extended area service as a far-reaching development with tremendous benefit to the public, the Michigan Bell Telephone Company said today it had no intention of forcing the service

upon the community of Rochester.

Farmington—The draft of the proposed health ordinance for the Township of Farmington was read at the regular meeting of the Township Board last Tuesday, but action was held pending further joint discussion by a local civic committee and the Township Board later this week.

South Lyon—Farmers who desire to place part or all of their 1949 wheat under government price support protection may choose to place their wheat under government loan or they may sign a purchase agreement, or they may use both methods, according to Walter Cook, chairman of the Oakland County AAA Committee. Either method will provide basically the same price support protection.

Ann Arbor—A unanimous recommendation was filed by fifty citizen last week to have Ann Arbor Township Supervisors investigate the possibility of having the township's principal unpaved road blacktopped.

Plymouth—Rotarians heard Dr. John A. Perkins, assistant provost at the University of Michigan, speak on state finance at their weekly meeting last Friday. Greater economy in state spending was the keynote of Dr. Perkins' speech.

Chelsea—A number of cartons of cigarettes and chewing gum and a 300 pound safe containing valuable papers and a small amount of cash were stolen some time last Sunday night from Vogel's Food Market at M-92 and Sibley road. A drawer of the safe containing most of the papers was found by State Police officers from three to five miles south of Leoni Monday afternoon.

Grand Ledge—The Board of Education, following the annual school meeting of July 11, held a special meeting last Friday evening, at which all officers were re-elected. T. Carl Holbrook is again the president, with Leon Hayes returned as secretary. Bob Maxson as treasurer, D. J. Welch as vice-president and Fred Guild as trustee.

Plymouth—Plymouth resident George Caldwell joined 38,000 persons at a Fourth of July celebration in Piggott, Arkansas, honoring a right hand man of President Truman's Les Biddle. An article on the festivities was included in last week's issue of Life magazine.

Ithaca—Polymyolitis claimed its third victim in this community last Monday when Mrs. Ivan Emery, 35, of Ithaca passed away at the Saginaw cantaganti hospital. Although confined in the Alma hospital for several days early last week with a strep infection of the throat, she was allowed to return home. When her condition became worse she was returned to the Alma hospital where her case was diagnosed as polio last Saturday and she was removed to Saginaw.

The 11 upper peninsula state parks have attracted 222,000 visitors so far, compared to 168,000 last year at this time.

The largest bluegill of record in Michigan weighed two pounds and 10 ounces, was 12 inches in length and had a girth of 14 and seven-eighths inches. The fish was caught in Silver Lake, Cheboygan county, in August, 1945, by Fred Broock of Bloomfield Hills.

WEST POINT PARK NEWS

By Miss L. A. Ault

Charles Hearn of Virginia has been the house guest part of this week of his uncle, Charles A. Armstrong.

Mr. and Mrs. Herman Keyser of Huntington Woods were Saturday evening guests of Mr. and Mrs. Russell Ault.

The Arthur Muirs were visitors in Canada last Sunday.

Mr. and Mrs. Forrest Ault and children spent last week with relatives at a summer cottage by one of the lakes near Pontiac.

Mrs. Willett of Redford was the Sunday guest of Cecil Willett and his family.

John Aittama was at Walled Lake Saturday visiting his son, John Aittama, Jr., who has been ill.

Mrs. M. E. Ault and Miss Freda Ault spent Tuesday afternoon in Plymouth.

Martha Carol Sheets, who has been the house guest of her uncle and aunt, Mr. and Mrs. William Sherman, left early Saturday morning for home. She was accompanied by her cousins, Elizabeth and Ruth Soerman, who planned spending the week-end in Dayton.

Mrs. William Griffith was a guest of her mother, Mrs. E. W. Stange last week. Her brother, Edward Stange, Jr., has been very ill.

Barbara Harrison, who enlisted in the W. A. C.'s last year, has been home on leave. On her return to Virginia, where she has been stationed, she expected a transfer to West Point.

Mrs. Austin Ault, with her daughter and granddaughter, Mrs. Virginia Oman and Miss Ruth Ann Oman of Brentwood Avenue returned home Sunday after a ten days visit among relatives in Western Pennsylvania.

Virginia Harrison of Eight Mile Road entertained a large group of her young friends Saturday. A Treasure Hunt and other stunts made the occasion most lively. All concerned immensely enjoyed the affair.

The Grundy children of Hubbard avenue are participating in the Ford Recreational program and enjoyed an outing with the group Wednesday.

Mr. and Mrs. Clinton Ault spent last Sunday in Detroit.

Mr. and Mrs. Joe Roberts of Mayfield avenue spent last week end vacationing in various Michigan spots.

Mrs. John Vachol and five of her daughters spent last Sunday with friends at one of the lakes.

Mr. and Mrs. Robert Wilson, from near Children's Home, were Tuesday evening guests of Mrs. Emerson Ault.

Mrs. William Dixon of Shady-side avenue has been very ill for the past few days.

Mrs. Herman Schull is ill with pleurisy.

Mrs. William Allen and Mrs. E. W. Stange, with her house guest, Mrs. William Griffith, spent Wednesday together in Detroit.

A grass fire at the rear of the Armstrong property at the corner of Mayfield and Eight Mile Road created much excitement Wednesday evening. Only prompt and heroic measures prevented the chicken house from going up in flames.

Mr. and Mrs. John Ackerman of Royal Oak and Mrs. Florence Kerr of Pittsburgh, Pa., were Thursday evening dinner guests of Mrs. Emerson Ault. Mrs. Kerr is remaining for a week's visit with Mrs. Ault and other Michigan friends.

A celebration honoring the birthday of Albert Owen was held at his home on Mayfield avenue Monday evening. Friends from the Livonia Methodist Church and relatives were participants.

Wanda Graham has returned from a vacation visit with relatives at West Branch.

Mrs. McWhinnie and son, David, were Wednesday evening guests of Mrs. McWhinnie's parents, Mr. and Mrs. Stanley Chavey.

William Fisher of St. Petersburg, Fla., is the guest for a few days of his son-in-law and

daughter, Mr. and Mrs. Ralph Houz.

Mrs. Helen Butler and two children, Sharon and Jerry, are vacationing in a summer cottage by one of the near-by lakes. Mrs. Butler's nephew, Bobby Melvin, is also of the party.

Mr. and Mrs. John Aittama left last Sunday for a fourteen-day vacation trip. They expected first to visit Mr. Aittama's cousin, Mrs. Carl Macon at Meadville, Pa., and then go on to Washington, D. C., where they would spend some time with Mrs. Aittama's sister, Mrs. Edith Cortz.

They then would proceed to Manico, Ind., to attend the wedding of a niece, Mary Catherine Quick. On the return trip they intend calling on relatives in Hammond, Ind. and also in Calumet, Mich.

Mrs. Charles Davis of Farmington Road has been confined to her bed with arthritis most of the last week.

Mr. and Mrs. Burt Callen of Hubbard avenue were celebrating their 46th or Ruby wedding anniversary Saturday. A large open house was held.

Ellen Lewis of Hubbard avenue is returning home this week-end from another week's visit with relatives in Detroit.

Mrs. E. W. Stange was the guest over the week-end of her daughter, Mrs. Robert Judd and family, near Grosse Pointe.

Four-year-old Ina Tallman of Mayfield avenue is spending a week with her aunt, Mrs. Freddy Shelman of Farmington.

Mrs. Charles A. Armstrong visited with her sister, Miss Maude Gallagher, in Wayne Co. General Hospital Thursday. Miss Gallagher was celebrating a birthday and had a great many congratulatory cards on display.

Mrs. Viola Williamson and her daughter and granddaughter, Mrs. Phyllis Harmon and Baby spent most of the last week with friends in Novi.

Mrs. Louis Graham was visiting with friends in Standish Thursday. Returning with her was Mrs. George McDonald, who wished to visit a son and family in Dearborn. Mrs. McDonald called upon Mrs. Clinton Ault who was a former pupil of Mrs. McDonald's in the Rose City, Michigan, public schools.

Miss Lora Ault and Mrs. Walter Relahn represented the local

Sunshine Sisters as guests of Mrs. Ralph Noble, who was hostess to a very fine gathering of the W.C.T.U. at her home on Nine Mile Road Thursday afternoon. A devotional service, conducted by Mrs. Little of Pontiac was a most uplifting feature of the occasion. A W.C.T.U. worker from England made some interesting comments and answered questions regarding conditions in her home land. Mrs. Compton of Pontiac and other W.C.T.U. officials also spoke in an interesting manner.

Mrs. Anna Thayer of Shady-side avenue was another West Point Park lady in attendance at this W.C.T.U. meeting.

During 1948 the scheduled airlines cut weather delays 50 per cent.

Now... Chrysler Offers

1—Safer Driving! Through the years, the greatest advances in driving safety come to you first from Chrysler. Now there's a great new advance in steering . . . Chrysler's exclusive "center control" steering! Your days of fighting a wheel are over. There's greater road stability, easier handling, less road shock. Even the leather covered foam rubber Safety-Cushion dash, the new "Bulls-Eye" headlight lenses, and the Safety-Eye instrument cluster were all designed to give you extra protection.

2—Safer Design! Now the engineers who pioneered the first all steel car bodies have developed a still safer body and frame design—23% more-rigid. Again, you have full control of your automatic gear shifting car. With Prestomatic Fluid Drive Transmission, the Safety Clutch enables you to take over in emergencies and select the gear you need.

3—Safer Vision! When Chrysler engineers introduced 4-wheel hydraulic brakes 25 years ago—they brought to the automobile industry a new idea. The idea of design that begins with safety, then builds beauty, comfort, performance! You can't appreciate the difference until you actually drive this car. Come find out how much more confident you feel in this Chrysler with its mighty High Compression Spitfire engine. Even the non-stop constant speed windshield wiper, operated electrically so power applied to the engine won't slow its speed—demonstrates greater built-in safety.

Prestomatic Fluid Drive* Transmission . . . drive without shifting

Schwarz-Pottinger Marriage Revealed

Mr. and Mrs. George Schwarz of Cranston Road, Rosedale Gardens announce the marriage of their daughter, June Helene to David Pottinger, son of Mrs. A. W. Pottinger of Sheldon Road, and the late Mr. Pottinger.

The couple were married July 6 in Detroit in a double marriage ceremony which also united in marriage Bob Schwarz of Rosedale Gardens and June Gillchrist of Pleasant Ridge.

For her wedding June chose a blue dress trimmed in white. The couple's vows were witnessed by Betty Barry of Dearborn and Dale Harder of Brighton.

June is a graduate of Plymouth High school and Dave was graduated from Northville High school. He is employed in Detroit as a draftsman. The young couple are making their home in Rosedale Gardens.

The Methodist Wesleyan Guild held their July picnic and meeting Thursday, July 21, at the home of Mrs. Inez Stevenson of River street. Plans were made concerning the fall bazaar and dinner which will be held early in November.

Childers-Fritz Marriage Announced

Mr. and Mrs. Ambrose Fritz of North Center street announce the marriage of their daughter, Josephine Ann, to Richard Childers, son of Mrs. Dora Childers of Dayton, Ohio.

The wedding took place July 13 at Toledo, Ohio. The newlyweds are making their home at 402 Center street.

Recreation Classes Plan Picnic for Next Tuesday

Members of the kindergarten through fourth grade recreation classes will have a picnic next Tuesday from 1:00 to 4:00 p. m. near the wading pool in Cass Benton Park. Their leader, Florence McCluskie, will be in charge.

The children are asked to bring their own lunches and the Recreation committee will furnish a beverage. Games will furnish the entertainment for the afternoon.

Mr. and Mrs. D. J. Stark and family of Eaton Drive are vacationing at their cottage at Manistee Lake. Mr. Stark is on vacation from his duties at the local post office.

Mrs. Levi F. Eaton quietly celebrated her 95th birthday Sunday, July 24 at the home of her son and daughter-in-law, Mr. and Mrs. L. M. Eaton, with whom she makes her home.

Birthdays were served to the many neighbors who called on her on that date to extend congratulations and she received many greeting cards, floral arrangements and gifts. She is reportedly feeling much stronger.

Mrs. Eaton came to Northville 34 years ago from Detroit and she and her late husband purchased 57 acres in Orchard Heights. They specialized in raising fruit and the farm home was the one now occupied by the Dr. R. M. Atchison family. Later the land was sold to a real estate syndicate and Orchard Heights subdivision developed.

Mrs. Eaton has one son, Levi M.; two grandsons, Louis and Frank; one granddaughter, Mrs. Roger Sackett and six great grandchildren.

Newly Wed Couple To Live in Novi

Nesby O'Dell of Winter Park, Flo. Ida and A. Russell Button of Novi were united in marriage July 7 at the First Baptist church in Davison. Rev. R. J. Button, pastor of the church and brother of the bridegroom, performed the double ring ceremony before an altar banked with flowers.

The bride is the daughter of Mr. and Mrs. Austin O'Dell of West Virginia and Mr. Button is the son of Jay C. Button of Lake Forest, Illinois, formerly of Farmington.

For her wedding the bride wore a silk heirloom gown which had been worn by her great aunt 50 years ago. A Juliet cap of orange blossoms held in place her veil of imported illusion.

Mrs. M. D. Perkins of Winter Park was her sister's matron of honor. She wore a peach gown of sheer silk crepe and a corsage of roses. The bridegroom's father served as best man.

A reception was held following the ceremony at the pastor's home.

The couple left on a trip to Lost Lake Woods club in Northville, Michigan. For going away the new Mrs. Button chose a white Palm Beach suit with black accessories. Upon their return they will make their home at 44109 Grand River, Novi.

Mrs. Button holds an M. A. degree from the University of Michigan and Mr. Button is an engineering graduate of Michigan State College.

Holiday Proves Traffic Deaths Can Be Avoided

At least 10 lives can be saved each week-end the remainder of the summer if Michigan motorists exercise the same caution that they did over the recent Fourth of July week-end, State Police Commissioner Donald S. Leonard states.

Reports received thus far by the Department's safety and traffic bureau show only seven traffic deaths in the state over the recent holiday. This is the all-time low for that period. The previous low was 10 in 1946 and the high was 32 in 1938. Last year 23 lost their lives.

During the summer months of 1948 an average of 18 persons were killed in traffic accidents each week-end. A saving of 10 lives a week would mean a total of 60 before the end of the present summer.

Of the total deaths recorded over a period of 13 consecutive week-ends last year 50 occurred on Fridays, 95 on Saturdays and 66 on Sundays.

Leonard attributed the Fourth of July record this year to unusual care on the part of drivers, intensified efforts of enforcement officers and the constant emphasis placed on safety by press and radio.

"It shows what can be done when there is a desire to do it," he said. "This record is a remarkable credit to all concerned and was accomplished despite the fact that the volume of Fourth of July traffic was the highest it has ever been for that week-end."

Both aerial and ground observations indicated greater vigilance on the part of drivers. Leonard said. On the last day of week-end the State Police, plane circled the Detroit metropolitan area during the congested hours and

periodic traffic reports were broadcast so that they could be received over car radios. Drivers on crowded highways were advised as to less heavily traveled alternate routes, with the result that traffic moved more quickly and hazards were reduced.

Message to a Millionaire

No matter how expensive a car you've been driving, you'll be amazed by the new Ford "Feel".
You'll be amazed by that easy "Finger-Tip" Steering. You'll be amazed by the smooth surge of power from the great 100-h.p. V-8 or 95-h.p. Six engines. They make driving fun.
You'll feel that new "Mid Ship" Ride-between wheels, not over them. It puts Ford five years ahead of its field. You'll feel the bump-erasing smoothness of new "Hydra-Coil" and "Para-Flex" Springs.
Drive the car that the New York Fashion Academy judged "Fashion Car of the Year." One ride and you'll want to order.

Deer Season Set for Nov. 15-30

Hunting regulations for the general deer season, Nov. 15 through Nov. 30 will continue the same as last fall including the restriction that only shotguns may be used below highway M-46 and in the Thumb, but the gun load in this part of the lower peninsula may be ball or slug as well as buckshot. Bow and arrow hunting again

will be legal Oct. 1 through Nov. 5 this year throughout the state, the conservation department advises, but only bucks may be taken in Keewenaw, Houghton, Marquette, Dickinson, Menominee, Chippewa except Drummond Island, Emmet, Cheboygan, Presque Isle, Otsego, Kalkaska, Missaukee, Ogemaw, Clare, Gladwin, Arenac and those parts of Bay and Huron counties north of Townline 16.

In all other counties including Drummond Island, archers may take deer of either sex in this period. The Allegan county one-deer archery season, Oct. 1 through Dec. 15, will be retained. A special antlerless deer season will be held Dec. 1 through Dec. 15 in three areas to reduce fruit and farm crop damage. In area A, which includes part of Charlevoix, Antrim and Grand Traverse counties, the quota is 4,500 hunters. In area B, consisting of Leelanau, Benzie and part of Grand Traverse and Manistee counties, the quota is 15,000 hunters; and in area C, part of Allegan county, the quota is 800. Area C hunters must register at Swan Creek experiment station near Fenville and at Dunningville checking stations.

Application forms for the antlerless season can be secured early in September from regular hunting license issuing agents, and must be returned to the conservation department's general operations division postmarked not later than Oct. 10. Any hunter getting a deer in other open seasons will be eligible to hunt in the antlerless season. Drawings will be held October 20 if more applications are received than the quotas call for in each area. Should any farm operator make application, who receives the major portion of his livelihood from land in any of these areas, he will be granted a permit on receipt of his application, and he will not have to participate in the drawing.

DISSATISFIED . . . Myra Smith, 16-year-old orphan, has filed suit at Wichita, Kas., to change her guardian after charging her present guardian with refusal to allow her to accept music scholarships and other honors and a chance to go to the national camp at Interlochen, Mich.

Hope, Stafford Top Fair Shows

Michigan's Centennial State Fair will feature the best entertainment program ever held at a Fair anywhere, according to James D. Friel, general manager.

"We set out to make this year's Fair tops in agricultural and industrial exhibits and in entertainment," he said. "We are glad to report progress."

Here is the lineup of stars who will appear in Detroit at various days of the Fair, September 2 through 11: Bob Hope, Jo Stafford, Movie Star Tex Ritter and his rodeo and wild west show, the famous Manhattan Rockets, Bobby Breen, the Grand Ole Opry radio program, Tommy Bartlett, and Welcome Travelers radio program, a 100-mile AAA sanctioned auto race, and Joie Chitwood's thrill auto drivers.

Hope will star at a show in the Coliseum during the first three days of the Fair. He will share with Governor Williams the honor of cutting the silk ribbon to open the Fair at noon September 2nd.

Chitwood and his daredevils will perform before the Grand Stand the opening day and night, and then will make way for Tex Ritter and his beautiful horse "White Flash."

Ritter's show will include the Westernaires' 50 cowboys and cowgirls, 150 head of stock and 60 head of saddle stock. Ritter is America's No. 1 recording Western artist.

The rodeo and wild west show will give afternoon and evening performances through eight days, September 3 through 10, and will be followed by the 100 mile auto race in which the top Indianapolis "500 Mile Classic" drivers will participate.

The Rockets, "24 precision dancing line girls," will perform in the Coliseum for the entire ten days. After three days with Bob Hope, Radio Star Jo Staff-

Giant Air Fair To Be Staged Aug. 6-7

The Aero Club of Michigan is completing plans to conduct its second annual International Air Fair at Willow Run Airport, August 6 and 7. The world's largest and fastest military and commercial airplanes will be placed on display and will take part in the flying demonstrations.

General Hoyt S. Vandenberg, Chief of Staff, U. S. Air Force; Honorable Dan Kimball, Under Secretary of the Navy; the Royal Canadian Air Force, the commercial airlines and personal plane industry have combined their efforts to make the Air Fair the most spectacular display of the world's most modern aircraft. The following types of airplanes will participate:

The Navy Constitution, world's largest military transport plane; The Air Force B-36, world's largest bomber; The Boeing Stratocruiser, world's largest commercial airliner; world's fastest jet fighters; Marine Jet Phantom fighters; the world's most maneuverable jet airplanes; a C-54, direct from the Berlin Airlift; Corsairs, helicopters, 16 jet F-80's; the Navy's Truculent Turtle and the B-50 Commercial Airlines' BC-3's, DC-4's, DC-6's, 202's and Convairs.

The Air Force, Navy, RCAF, National Guard, Air Reserve, commercial airlines and personal aviation industry will be on hand in an effort to stage the nation's finest air fair.

Civil Air Patrol aims to enroll 100,000 youths in a pre-flight program in U. S. high schools this fall.

The famous opera "Madame Butterfly" was pronounced an absolute failure when it was first performed. Electrical wiring on the farm should be checked frequently and thoroughly. It's wise to have the power supply to the pumping system come on separate lines. In case a fire should strike, the pump should continue to work even though other utilities may be put out of commission.

CONSUMERS POWER COMPANY

It's 'Buick weather' -and are you ready?

This time of year your garage doors open onto a wonderful world of fun, wide and fresh again—waiting for you and your Buick!

Great highways where you breeze along—shaded narrow roads leading you back to the hills, or to a piece of water you want to see again—you'll take them equally in your stride if your Buick's in top-flight shape.

How about letting us put it in that shape for you?

Get one of our conscientious motor tune-ups, and one of our thoroughgoing Lubricare treatments. We'll put the bounce back in your motor—while we're taking the bounce out of your ride.

We do this well because we're Buick men. We know your Buick, we've studied correct factory methods for each operation, we know the factory specifications your car was built to. We use genuine Buick parts—even special Buick tools!

Yet you don't pay a penny more for all these extras. Stop in this week, won't you?

HOW HIGH IS A TUNE-UP?

Our Buick tune-ups go far beyond adjusting your spark and carburetor. We cover a long list of things—your valve tappet, voltage regulator, fuel pump filter, coil, hose connections, and so on.

We even tighten the cylinder head and clean off your battery terminals—and do all this at a low, low, flat-rate price that will surprise you!

Buick care keeps Buicks best

Among the Bible citations is this passage. (I John 4:16, 19): And we have known and believed the love that God hath to us. God is love, and he that dwelleth in love dwelleth in God, and God in him. We love him, because he first loved us.

Brannan Proposes Farm Program

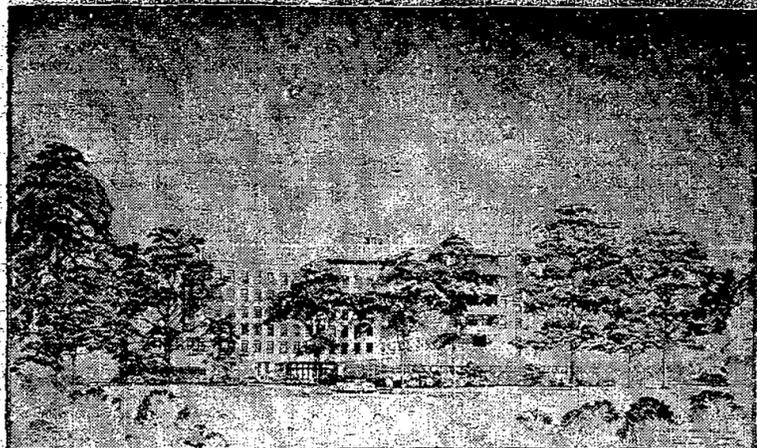

(Continued from Front Page)

I voted against them in the House last week and voted for a continuance of the present farm price support law. I might add that 382 other Members of Congress voted as I did, the final vote being 383 to 25, with 24 Members not voting.

As Chairman of the House Public Works Committee during the 80th Congress I felt that the government's fiscal position was such as to compel rigid economy in government spending. For that reason I established a policy that no new flood control projects, except those of an emergency nature, should be authorized.

The Public Works Committee, under Democratic control in the present Congress, thus far has authorized 21 new flood control projects at an estimated cost of \$209,060,200 and 22 preliminary surveys for new projects. Increased authorizations on existing projects has amounted to \$785,006,000. The total for new projects and increased authorizations now stands at \$994,066,200 or almost a billion dollars.

Development of a current model night fighter costs three times as much as a 1942 model night fighter produced by the same company.

The new Oakwood Hospital is shown in the artist's drawing as it will appear when constructed on its site at Oakwood Boulevard near Venice street. One of four new hospitals to be built and ten existing ones to be enlarged under the program of the Greater Detroit Hospital Fund, Oakwood will house up-to-date surgical, laboratory, radiology, dietary and maternity facilities and will feature vertical than horizontal transportation for the greatest efficiency and economy of operation.

Seven out of 10 people visiting Bermuda in 1948 traveled by air line.

Sault Ste. Marie - Security fences are back in place at the St. Mary's fall canal.

As the close of World War II the army engineers removed the tall steel barriers. Troops left Fort Brady. The government announced it was abandoning the post established in 1823.

When Hitler's Nazis were threatening to invade England and then proceed by Greenland toward this continent, American workers feverishly constructed landing fields near the Soo. Antiaircraft troops moved frantically on both sides of the American-Canadian international boundary.

In 1949, four years after V. J. Day, Washington military officials changed their minds. The steel gate is back, ready for instant use. Tourists continue to inspect the locks freely as before. Thousands of visitors daily witness the passage of long ore boats through the locks in almost endless procession, day and night.

Fort Brady, recently abandoned, may be restored in 1950 to active status. The government has agreed to permit the state to use the barracks during 1949 as a state hospital. But in 1950, well, that is another matter.

The Soo is verily a town built by canal locks.

One hundred years ago it was a village of only 500 souls, mostly French and Indians and their half-breed kin. In history this spot at the junction of Lake Superior and the St. Mary's river pre-dates the Revolutionary war by more than a century. The Jesuits built a mission here in 1668. Father Jacques Marquette conducted services in a small chapel surrounded by a log stockade fort.

In 1797 the British constructed a bateau canal and lock, with a nine-foot lift, on the Canadian side. American troops destroyed it in 1814. The British still maintained a fort on Drummond Island in 1815. Incidentally the ruins of this last British outpost on American soil may still be seen. The fort cemetery is near-

by. The fort and the cemetery are unmarked and forgotten.

As a notice that the Soo was an American frontier, army troops built Fort Brady in 1823. The reign of the British and French here then came to an end.

One hundred years ago the portage of goods around the St. Mary's river fall was the Soo's leading industry. In fact when the State of Michigan decided in 1855 to build a canal and lock the inhabitants were highly resentful. The canal threatened to end their livelihood, the carrying of freight around the falls.

The centennial of the Soo's first canal locks, now one of the leading tourist attractions in Michigan, is to be celebrated in 1955. The state legislature has recognized the event, and a bill is now before Congress to assure federal participation.

Every Michigan child is told in school how the Soo canal carries more freight traffic in a year than all the other canals in the world. The great Panama canal is a piker by comparison, although equally vital to our security.

The military strategic importance of the Soo locks was doubly recognized by the United States government during World War II when a huge ore-loading railroad terminal was rushed to near completion at Escanaba. This project swallowed up many millions of war bond money. It reflected the jittery fears of Washington strategists as to what might happen if the Soo canal locks were bombed out of usefulness by raiding Germany.

Today, as midwest tourists again freely inspect the canal locks, they do so in the shadow of war-time security fences. Fort Brady will probably be reactivated before 1955 when the Centennial is held. This northern Michigan city remains a key economic artery of our nation in peace as in war.

CARD OF THANKS
We wish to thank Drs. Atchison and Wetterstrom, staff at Sessions Hospital and friends who were so kind to our brother, Ben D. Stewart during his stay at Sessions Hospital. Also to Rev. Hughes for his comforting words, Ray and Fred Casterline, all relatives and friends for the beautiful flowers, expressions of sympathy at the time of bereavement.
