

"Ouch!"

Dondero Gives Analysis of Truman's Seven Proposals

A careful analysis of President Truman's seven proposals for government reorganization, according to Congressman George A. Dondero, reveals that they go along only part way with the recommendations of the Hoover Commission and fall almost entirely to carry out the spirit of the Hoover report.

"It looks to me," said the Royal Oak Congressman, "as if the proposals give lip service to the Hoover recommendations while being designed actually to give more power to the administration's political friends and to maintain government spending and government employment at present or even higher levels. I fail to see where any great amount of economy and efficiency would result from them."

The Hoover report favored creation of a new Welfare Department from the present Federal Security Agency, but recommended that functions of the department be limited strictly to matters of Social Security and Education. The report urged also that Compulsory Health activities, if authorized by Congress, should be put under an independent agency.

President Truman's Proposal No. 1 leaves Public Health functions in the new Welfare Department, as well as half a dozen functions relating directly to labor which the Hoover Commission would have transferred to the Labor Department.

These labor functions include the Bureau of Employees' Compensation and its Appeals Board, certain functions of the Division of Industrial Hygiene, and enforcement of labor standards in Government Contracts.

The President's Proposal No. 2 merely transfers the Bureau of Employment Security and its Advisory Council from the new Welfare Department to the Labor Department, and abolishes the Veterans' Service Placement Board, transferring its functions to the Labor Department. The latter provision was not recommended by the Hoover Commission. Employment Security, I believe, should be left in the Welfare Department, a neutral agency.

"At the same time, the President ignores the recommendations for transferring to the Labor Department the Selective Service System and its Appeals Board, an independent agency, and seamen's minimum wage determination from the Maritime Commission. Neither does it provide for conduct of Prevailing Wage Research by the Bureau of Labor Statistics."

Proposals No. 3, relating to the Post Office Department, No. 5, relating to the Civil Service Commission, and No. 6, relating to the Maritime Commission, strike me as going only part way with the Hoover Commission and making minor changes that are ineffective so far as economy and efficiency are concerned. They show a lack of thought.

The President's Proposals No. 4, relating to the National Security Council and National Security Resources Board, and No. 7, transferring the Public Roads Administration from the Federal Works Agency to the Commerce Department, follow substantially the Hoover Commission recommendations.

Driver at Downs

TOMMY WINN

of Northville, Michigan, who is claimed this state's highest rated driver and is having one of the greatest seasons of his career. In 55 nights of racing at Aurora Downs, outside Chicago, Winn went to the post 268 times, finished first 29 times, second 53 times and third, 48 times. That performance easily won him the Aurora Downs driving championship. His achievement of the title dethroned Harry Burright, 1948 Aurora winner, who was also the national driving champion a year ago.

Dairy Queen Seeks State Fair Title

Michigan's Dairy Queen - 17 year old Jane McKimney of Beaumont, Michigan - is the first young lady to seek the title "Queen of Michigan's Centennial State Fair". Her entry was made soon after the queen contest was announced. Eligible participants for the title are those queens, ages 17 through 25 years, who have won a sponsored Michigan beauty contest during the past year. James D. Friel, fair manager, announces. Entries must be made before August 25 on a special entry blank which may be secured at local chamber of commerce offices or by writing to the Michigan State Fair, Detroit 3 Michigan. The lucky queen will be selected on Governor's Day September 7. She will receive a large trophy and will be crowned by Governor Williams. Civic groups and other organizations may sponsor only one queen and must pay her expenses.

Shriner Jamboree To Be Given August 20

Saturday, August 20 has been set as the date of the Suburban Shrine Club's western jamboree, which will take place at the Saddle Ridge Club, located on Curtis Road, between Ann Arbor and Territorial Roads. Some of the events to take place are a rodeo, ox roast and old time dancing. The affair will get underway at 2:00 p. m. Nobles, their families and friends are asked to wear their old clothes to take part in the jamboree. Tickets are available at Gurnell's Drug Store, Neil's Northville Hardware or from N. K. Pattison, 18851 Valencia Drive, Northville.

U-M Lecture Series To Begin October 5

Mary Garden, Leland Stowe, Adolphe Menjou, Dr. Ralph Bunche, Mrs. Franklin Roosevelt, John Mason Brown and King Peter II of Yugoslavia are scheduled to speak on the 1949-50 University of Michigan Oratorical Association series. The lectures are annually held in Hill Auditorium, Ann Arbor. Mary Garden is scheduled to open the series October 5 and she will speak on "My Memories of the Opera." Miss Garden made her debut in 1907 in New York when she appeared in "Thais." One of the most famous and colorful stars of the operatic world, she retired in 1934. Leland Stowe, a dynamic and analytical speaker on world affairs, is scheduled to talk on "October 26 on the subject, 'We Still Have Time to Win Peace'." At present, he is in Europe making an intensive study of world conditions. November 7 is the date of the appearance of Adolphe Menjou at Hill Auditorium to speak on "Stairway to Stardom." One of the delightful screen personalities in Hollywood, Menjou has an intimate knowledge of the motion picture industry. "United Intervention in Palestine" is the topic of Dr. Ralph J. Bunche's talk scheduled for November 28. Dr. Bunche, who is a recognized authority on non-self-governing territories, he recently brought peace to Palestine. Miss Franklin D. Roosevelt will speak on the "Citizen's Responsibility to The United Nations." The date for her lecture will be announced later. Associate editor of "The Saturday Review of Literature," John Mason Brown is scheduled to appear January 10 at Hill Auditorium. "Broadway in Review" is his topic, and he is returning to Ann Arbor by popular request for the fourth successive season. King Peter II of Yugoslavia will speak February 15 on "The Story of My Country." It is expected that King Peter will tell an uncensored story of Yugoslavia.

Livonia Methodists Sponsor Benefit Sale

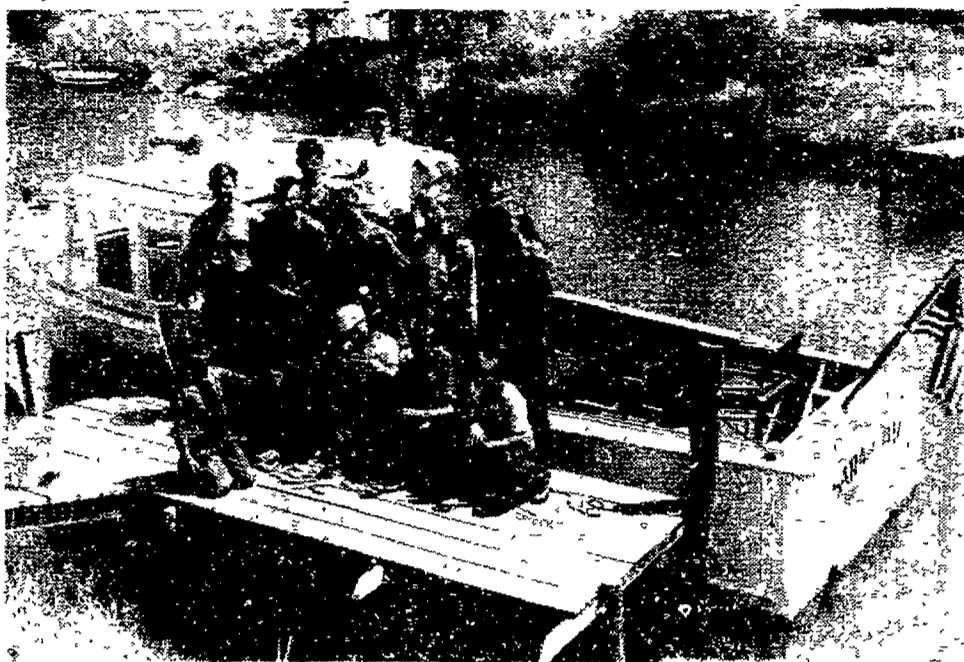

On Sunday, August 14 a vegetable sale and ice cream social will be held at 30425 West Seven Mile Road, near Middle Belt Road, in Livonia Township for the benefit of the Livonia Methodist Church. All those persons who have any surplus vegetables or fruits (either fresh or canned) are asked to donate them to the worthy cause, the proceeds going to the church. Those who are unable to deliver the donation to the site of the sale itself are asked to telephone either Farmington 1163, 1143M, Livonia 2120 or Garfield 3951R, and someone gladly will arrange to pick the produce up. Tomatoes, potatoes, carrots, onions, peppers, squash, corn, beans, pumpkins, apples, peaches, pears, melons, flowers and eggs are some of the items which the committee hopes to have on hand for the sale which is set to begin at 2:00 p. m. Mrs. Charles Meisner of 222 Plymouth Ave. is back home after her confinement in University Hospital, Ann Arbor.

Front row, left to right--Dale Swiggle, Alfred Iversen, Allen Molby, Bob Dixon and Bob Mapes. A nice catch of Tawas perch was made by these Northville Boy Scouts shown as they returned recently from a morning of fishing on Tawas Bay during their week's camp at East Tawas. The fishing trip was made possible through the generosity of Gordon Everett, standing in rear owner of the Sarah Jane and Everett's Tawas Resort.

Packages Sent To Orphans In Alaska

Two cartons of toys, wearing apparel and canned goods arrived recently at the Presbyterian Children's Home at Haines, Alaska, which were sent by boys and girls of the Northville Presbyterian Sunday School. A large collection of mittens was included, which was gathered by the children in the Primary Department. The packages are given to the boys and girls at the home as birthday gifts. A letter which was received this week from Miss Isabel Miller, executive of the Haines Home, goes on to explain that the canned food was taken to the new camp site built on a fifty acre tract on the Alcan Highway, along the Chitina River, looking across at the Rainbow and Davidson Glaciers. A group of college young people from Macalester University in St. Paul, Minnesota and the Chico School in California are assisting with a vacation Bible School in the various salmon canneries in the morning and working at the new camp in the afternoons. The home canned fruit from Northville will assist in feeding these young people. A cordial invitation is extended to drive up the highway and use the facilities of what will be a very beautiful camp. The letter from Alaska contained a Sunday School offering envelope belonging to Dick Biery of 217 West Dunlap Street, which had accidentally fallen into the large cartons when they were packed by the Junior High Christian Endeavor group. The Haines House Children's orphanage in Alaska is one of the missionary projects supported by the local Presbyterian Sunday School.

N.H.S. Band To Play At Mich. State Fair

The Northville High School Band is again invited to participate at the Michigan State Fair. The band will play on September 7, which is also Governor's Day. Members of the band are practicing each Monday night at 7:30 to practice for the event.

3 Cars Reported Stolen In Village

Three cars were reported stolen in Northville over the week-end. Of these, two have been recovered. Thomas Campbell of Reservoir Road reported that his 1948 four door DeSoto sedan had been stolen Saturday night from South Center Street and Edward Hines drive. The license number of car is D G. 4532. At this writing Local police as well as the State Police are working on the case. Cars which were stolen from the Allan and Locke Used Car Lot on North Center Street and the G. E. Miller Lot on Hutton Street Sunday were recovered. The 1937 black Plymouth sedan taken from the Miller lot Sunday evening was recovered by State Police Tuesday morning in Ann Arbor. The car had been abandoned in the streets of that city. The 1939 Mercury sedan which was stolen early Sunday morning from the Allan and Locke lot was found later that day abandoned in front of Rev. E. E. Rossow's home by the police department. At this writing no one has been apprehended for the crimes.

V.F.W. To Sponsor Labor Day Program

Veterans of Foreign Wars Post No. 4012, Northville, will sponsor a program to be held Labor Day, September 5. There will be games for the children with prizes for the winners and a picnic. This game will be followed by a donkey softball game to be played by the Salem, Sibley, Canmore and the Veterans of Foreign Wars Post teams. This will be a highly contest game and should provide a lot of entertainment. The program for Labor Day has not been completed as yet, but all the details will be published in a later issue of the Record.

Make First Entries In 100th State Fair

Exhibitor Pass No. 1 for the Centennial Michigan State Fair has been issued to Mr. and Mrs. Lester C. Finley, 18204 Ridge Road, Northville, Michigan. The Finleys were the first to make an agricultural entry for the State Fair which will run September 2 through 11 at Detroit. They will have a display of horticultural crops and products and will try to win one of the eight prizes which total \$1,650.00 for this section. Displays may include fruits, vegetables, flowers, honey, jams, jellies, canned fruit juices and other products.

Service Clubs to Hold Joint Picnic Aug. 23

More than thirty members of the Rotary club, some accompanied by wives and families, attended the night baseball game between the Detroit Tigers and the Chicago White Sox at Briggs stadium Tuesday evening. This took place of the regular club program Tuesday noon. President Doc Rossow announced that there will be a Club Assembly at his home at 8 p. m. Monday evening. Cy Frid has taken over as the new editor of "Rotary News," published weekly. Mac McElgum's birthday rose was pinned to his lapel by Tom Rossette. All members of the Rotary and Exchange clubs should keep in mind the combined Pot Luck picnic which will take place at the Willows at 6:30 p. m. August 23. Members and families are invited and should bring their own dishes and silverware. There will be games and prizes and other recreation. Mr. and Mrs. George Locke and sons, Rusty, Neilson and Peter of South Rogers Street left Wednesday morning for a vacation in the Upper Peninsula. Part of the time they will visit Mrs. Locke's sister in Marquette.

SUPT. R. H. AMERMAN ANNOUNCES NORTHVILLE SCHOOLS' FACULTY

Superintendent of Northville schools, Russell H. Amerman this week announced that the vacant positions on both the High and Grade school teaching staffs have been filled and that the faculty is now complete for the 1949-50 school year which is to begin September 6.

Three new teachers, Keith Burton, Carl Zwirck and Ralph Barron have been added to the High school staff and three, Gertrude VanHarn, Mrs. Nita L. Wolfe and Richard Kay along with principal Charles T. Pregitzer have been added to the Grade school staff.

Downs To Feature \$5000 Trot Friday

An 18 class trot, the second of the nine stake events scheduled for the Northville Downs harness racing meeting, will top Friday night's card as the popular flood-lighted track goes into its second weekend of the sulky sport. Purses for the trot will be \$5,000, and the event has drawn a field of 29 entries. Included among the starters probably will be the popular Buckle B which raced last Saturday night. Leustra Ingrid, Hanover and Gratian Volo.

The stake race will be run in two sections at a mile and a mile and one-sixteenth. To climax the weekend's attractions, Racing Secretary Stuart McLean Jr. has announced a free-for-all pace to be contested on Saturday night. This pace is expected to draw some of the fastest horses at the track. After one of the most successful opening nights in the history of Northville Downs last week the first week's crowds showed a steady increase and on Saturday night a new attendance record of 10,876 was set. The Saturday night crowd bet a total of \$212,168, the highest amount in the history of the young season. There will be seven more weeks of night harness racing at Northville Downs to complete the 54-night meeting, and a high purse stake event will be a weekly feature.

At the end of the first week's racing, Tommy Winn of Northville was in the lead for driving honors. Winn, who recently was the top driver at Aurora Downs had a total of 40 points after the first six nights of racing at Northville Downs, in 24 starts. He had driven five winners was second four times and had three thirds. Pressing him is Harold Wood, who in 12 starts had 29 points from driving four winners and three second place horses. Howard Miles and Bob Plaque were tied for third with 19 points each.

Most Car Accidents Caused By Speeders

This may throw you for a loss of driver, but it's surely worth thinking about. You are in the greatest danger of being hurt or killed in an automobile accident when you are traveling straight ahead, between intersections, on a clear, dry day in a passenger car in apparently good condition driven by a young man who has more than a year's driving experience, but who is exceeding the speed limit—driving faster than the safe limits of his car, or the roadway, or of his ability to handle the car. Most accidents occur during weekends in the late afternoons or early evenings. All accidents have their causes, the Michigan Department of Health said. These accidents are caused by drivers.

Band To Play Tues. In Village Park

The Northville High School band will present a concert in the Village Park Tuesday night, August 16 beginning at 7:30. Under the direction of their leader, Leslie G. Lee, they will play: "The Foothills," "In a Monastery Garden," "Gardes Du Corps," "American Folk Rhapsody," "Oklahoma," "American Patrol," and Gloria. Mr. and Mrs. Arthur Litschberger of Randolph street are visiting at Ruffe Lake.

### No New Relief For Hay Fever Sufferers

There's nothing new to tell hay fever sufferers this summer.  
 On the eve of the annual bout with the ragweed pollen, the doctors in the Alergy Clinic of the University of Michigan Hospital, surveyed the past year's developments and could find no startling new word for the four to five million "sneezer" in the United States.  
 They outline three possible ways to get relief:  
 1. The best method, if possible, is to go to some region where the pollen count is low or not present. In Michigan, this would be north of the Bay City-Muskegon line.  
 2. The newly developed anti-histamine drugs which counteract the chemical reaction causing hay fever provide symptomatic relief for many, but still must be used with care.  
 3. Injection under the skin of pollen extracts before the hay fever season will bring protection to many.  
 Ragweed pollen liberates the histamine chemical from body tissues during the allergic reaction, the doctors said. This chemical attacks the cells lining the nasal sinuses and eyes.  
 This allergic reaction causes violent itching of the nose and eyes, irritation of the mouth, watering of the eyes, and sneezing, the doctors explained. The reaction may take place directly on the skin surface if sensitivity to the pollen, oil is present, they point out.

The first visitors to Yellowstone Park were not believed when they told of the phenomenon there according to the Encyclopedia Britannica.

Section 2 No street, highway or public place shall be allowed to remain closed or encumbered by construction work for a longer period of time than shall be necessary to execute the same work and the Village Commission shall determine the question of such necessity and the construction company shall at all times be subject to the will of the said Village Commission in fixing the time, date, and terms and conditions of such work and its execution.

# Wonderful New Comfort

*The Beautiful Chrysler Silver Anniversary Model*

New Convenience! Easiest car ever made to get into and out of! Women enter and leave with dignity. Common sense engineering of wider doorways, and natural step in entrances make it seem absurd ever to have to wrestle your way in and out of a car.

New Wider Chest-High Seats! We don't fold you up like a "jackknife." You sit comfortably in seats the height of your easy chairs at home. We've more headroom, legroom, and shoulder room for you. And no other car has ever been so completely engineered from the fundamentals up for your comfort, your convenience, your peace of mind. You don't even have to press a starter button. Turn the ignition key and the engine purrs.

New Easier Steering! In one of the great advances since the war, we give you new "center control" steering. For the first time, the rods of equal length give you balanced control. There's no wheel lift. There's greater road stability, easier handling, less road shock. Yes, and greater safety, too—for everything about this car is designed for safer driving. The new instrument cluster, in your line of vision on the steering wheel, reduces driving strain.

New Smoother Driving! Chrysler's mighty Spitfire engine now has still higher compression for faster acceleration, smoother response. And along with its better all-around performance goes an amazing new Waterproof Ignition System that's exclusive with Chrysler. You can drive through high water or play a hose on the engine but it won't stall. You get quicker starting, even in dampest weather, smoother idling, longer life. To really appreciate this fine car ask for a demonstration today!

**Teachers Permits For 1948-49 Year Total 682 At MSC**

A record total of 682 teaching certificates were awarded by Michigan State College for the 1948-49 school year, according to Robert S. Linton, registrar.

The number, 274 more than last year's 408 certificates awarded, indicates the largest total ever issued in the history of the college. In addition, 259 two-year certificates were also awarded.

Included in the total were: State Elementary permanent, 8; State Secondary permanent, 40; Elementary Provisional, 162; Secondary Provisional, 386; Vocational Education Certificates, 108; Junior College Certificate, 1; and State Limited Certificates, 13.

Largest increases were shown in the issuance of Elementary Provisional, Secondary Provisional and Vocational Education certificates, Linton said.

**CANOE SAFETY**  
The National Red Cross is used by experienced paddlers. The pump is against the bow (NOT ON IT), is easy to use. This keeps weight low, gives more power and is safe. A good pump under the knees makes the pump comfortable and powerful. If caught in a storm while canoeing, lie down on the bottom, hold on to each side and ride it out. Two people should do the same. A canoe is an excellent rough water craft when well handled.

**Over 1,270,000 Trout Planted in Michigan**

Over 1,270,000 fingerling, sub-legal and legal-size trout have been released in the state's trout lakes and streams, the conservation department announces, with another month of regular planting scheduled before fish hatchery crews shift exclusively to the lakes for a final planting period.

More than half of 700,000 of the hatchery fish released in both upper and lower peninsula waters were legal-size and included 216,000 brook, 249,000 brown and 235,000 rainbow trout. Some 13,000 sub-legal and 537,000 fingerling trout of the three species were planted only in the lower peninsula waters were legal-size and included 216,000 brook, 249,000 brown and 13,000 sub-legal and 537,000 fingerling trout of the three species were planted only in the lower peninsula.

Most trout plantings on streams are for the immediate sport they provide since the carryover in streams from one year to the next is believed by the department's institute for fisheries research to be less than one percent. The carry over is much better in lakes where plantings contribute to fishermen's catches for several years.

Last year hatchery crews were able to stock 2,436,000 trout and nearly realized their goal of one million legal-size plants when 987,600 were released.

**to the Editor**

Dear Sirs:

Thank you for the reminder of the expiration date of the Record. I am enclosing a check for \$2.00 for one year renewal. I was born in Northville in 1901 and lived there until I was 11 years old. My mother now dead, was born in Northville and Dad in Novi. Dad is still living and he enjoys looking through the paper very much. Of course there aren't many folks that I know in Northville but I do enjoy reading of the progress of the home town.

Yours truly,  
Signed: Mrs. Fred Kunding

Since 1928, the number of employees in the U. S. Department of Agriculture has increased nearly four times while its expenditures have increased more than 32 times. During the same period the number of farms has declined by approximately 6 percent.

**PLAN FOR LARGE CROWD AT STATE 4-H CLUB SHOW**

Michigan's greatest exhibit of rural youth accomplishment - the State 4-H Club show at Michigan State College - is expected to draw record-breaking numbers of exhibitors and 4-H club members to East Lansing late this month.

A. G. Kettunen, state leader of 4-H club work, says the event on August 30-31, September 1, 2 may bring 3,000 members and exhibitors from as many as 5,000 members.

Because of crowded conditions in expanded exhibit areas last year, provision has been made for greater display space, Kettunen reports. Handicraft and electrical exhibits will be shown in the new Agricultural Engineering Building, leaving added space in the Auditorium for more crops, flowers, garden and home economics exhibits.

The area beneath the seats in the new Macklin Stadium bowl was used for the first time last year to house beef cattle, dairy cattle, swine and sheep and thousands of head will be shown there this fall.

Judging of exhibits will start on Wednesday, August 31 at which time demonstration teams, judging teams and other contestants will also compete. Special evening entertainment is being provided on both Wednesday and Thursday evenings.

for the youth by radio station WJR, Detroit and the Prairie Farmer, Chicago.

Arrangements are being made to house and feed more than 1,500 of the visiting youth and leaders during the show at the quonset village on the MSC campus.

**"\$1250 took care of my \$1,024.00 hospital bill... thanks to BLUE CROSS"**

*Case #130-94925-72*

Wife of a Blue Cross Hospital Plan subscriber, was admitted to general surgery in a participating hospital. Hospitalization for 37 days, her bill came to \$1,024.00. She had to pay only \$12.50 (because a private room was used the first 5 days) Blue Cross covered the rest—and paid her doctor \$140 as well.

**And Blue Cross paid \$140 in Surgeon's fees besides.**

How about you and your family? Are you protected against unexpected hospital and medical bills?

One out of every ten persons in Michigan will go to a hospital this year. New medical techniques usually mean costly drugs and equipment—so that typical hospital bills are often three times as high as in 1941. That's why you and your family need Blue Cross protection now more than ever.

No other health-care plans offer so much for so little

Blue Cross—Michigan's most widely used health-care plan—wholly non-profit—pays out in benefits more than \$8c from each dollar received.

Blue Cross Hospital Plan provides up to 120 days of care in participating hospitals. NO CASH LIMIT on the wide range of benefits covered.

Blue Cross Surgical and Medical-Surgical Plans give liberal benefits for operations... your own doctor's hospital calls in non-surgical cases.

### Ellis-Harris Troth Revealed In Texas

From El Paso, Texas comes the news of the engagement and approaching marriage of Audrey Jeanne Ellis of that city to Gordon R. Harris, son of Mrs. Elvose Harris of Northville and Levi Harris of South Lyon. The couple plan an Autumn wedding in El Paso.

News of the betrothal was formally revealed to close friends at an announcement tea, at the home of the bride-to-be's sister, Mrs. J. L. McGormac.

Dark green myrtle leaves on the mantel piece formed a background for the letters in white which said "Audrey and Gordon Early Fall." Tall white tapers in crystal candelabras flanked the inscription.

A crystal bowl holding a bouquet of white carnations and fern centered the lace covered table which was flanked with candles in crystal holders. Bouquets of white carnations decorated the reception rooms and green

inscriptions on white napkins also revealed the news.

Assisting in the courtesies were Mrs. Marshall Kelly sister of the bride-elect; Mrs. Jay Hillburn, the bride-to-be's cousin, and Ellen Dowdy, Millie Mae King and Beverly Griffin.

For the announcement party, Miss Ellis chose a steel blue satin frock, designed in off-the-shoulder made with a bustle trimming the flared skirt. Black accessories complimented her ensemble and she wore a white carnation corsage.

For her daughter's engagement party, Mrs. Ellis wore a gray silk summer print dress and also had a white carnation corsage. About 75 friends of the bride-elect were included on the guest list.

Audrey is the daughter of Mrs. Clara Ellis and the late Elmer Early Fall. She is employed with the Anti-Aircraft Artillery and Guided Missile Center at Fort Bliss.

Gordon is a graduate of Northville High school, served in the Army for four years, part of the time being spent overseas in Europe and in Panama. He is now employed by the National Cash Register Co. He has made

### Methodist Church Honors Fred Fry

Relatives and friends gathered Tuesday evening at the First Methodist Church to honor Mr. and Mrs. Fred A. Fry of Marilyn Road upon the occasion of their fiftieth wedding anniversary.

The anniversary party was given by the ladies of the Woman's Society of Christian Service in honor of the Frys who have been members of the church for many years. Both Mr. and Mrs. Fry have been actively affiliated with the church organizations and have served in various capacities on the church board for many years.

Reverend William Hughes read the renewal of the vows. Present to hear the renewal was Miss Jessie Hutton of Seven Mile Road who was a bridesmaid for Mrs. Fry at the time of her marriage. The Frys' sons served as ushers and the grandchildren and great-grandchildren were in the procession line for the occasion.

Carl Stephens and Mrs. Arthur Miller sang several vocal solos and Warren Gregory of Detroit played the piano.

Present were Mrs. Fred Lyke, Mrs. Ruby Brainer, Ervin Bisbing, Mrs. Castleman, Mrs. Angie Tucker, Henry Fry and Robert Cameron who had attended the Frys' wedding ceremony fifty years ago.

The ladies of the church served bountiful refreshments. The Frys were the recipients of many lovely gifts. Guests were present at the affair from Flint, Detroit, Ann Arbor, Wixom, Northville, Plymouth, Howell, Vicksburg, Farmington and Pontiac.

Dr. and Mrs. Richard Sears and daughter, Ann, formerly of West Dunlap Street, have moved to San Francisco, California. Their former home is now temporarily being occupied by Mr. and Mrs. Lewis Corbett and daughter, Fredda Jane of Ann Arbor. The new owners of the house are expected to move in about August 25.

The regular meeting of the Altar Society of Our Lady of Victory church will be held at the Willows in Cass Benton park Wednesday, August 17 at 12:30 p. m. The business meeting will be followed by a games period.

**FIRST METHODIST CHURCH**

Morning Worship 11:00.  
Rev. H. Fredsell guest preacher. Mrs. Wanita Waterman and Mrs. Blanche Williams providing special music. This is a Un on Service to which all are invited. Bring the summer visitors to church with you.

**CARD OF THANKS**  
Mr. and Mrs. Fred Fry can scarcely express their gratitude to the friends who so kindly made it possible for their very wonderful 50th anniversary. Mr. Hughes for the reading of the vows, Mrs. Arthur Miller for her singing, Mrs. Sommers who presided at the organ and the wonderful lunch and decorations prepared by the W.S.C.S.  
Also Carl Stephens who sang and Warren Gregory who gave a musical selection on the piano, to our sons and wives, the grandchildren and great-grandchildren, for their wonderful help; to Mrs. Clarence Bicking of Farmington, our starter and all neighbors and dear friends.  
Mr. and Mrs. T. H. Bray and children of West Dunlap Street are spending this week in Perry, Michigan.

his ordination at the regular church services Sunday morning.  
 Plymouth—Good news for and long awaited here is the action taken last week by the Detroit Common Council who voted to let the Plymouth Coach Stages operate continuously runs to downtown Detroit.  
 Farmington—Sunday will be special events day at the Annual American Legion Gala Days celebration highlighted with a big Pet and Doll Parade, contests and games and climaxed with a huge fireworks display in the evening.  
 Birmingham—Birmingham residents will be given the opportunity to discuss the recently released \$325,505 off-street parking program before an election on the matter is held, but just when these hearings will take place and who will hold them still remains undecided.  
 Ithaca—First steps pointing toward the erection of a new office building or an addition to the court house in Ithaca to relieve the crowded condition were taken by the board of supervisors at their regular meeting on Tuesday of last week.  
 Grand Ledge—The Rotary Club of Grand Ledge last Monday was host to Herbert C. Kerlikowski, Governor of the 219th District of Rotary International, who made his annual official visit to each of the thirty-four Rotary Clubs in southwestern Michigan.  
 Chelsea—David Knisely, nine-year-old son of Mr and Mrs. Holton Knisely, was taken to U. of M. Hospital, Ann Arbor, last Monday afternoon as Washtenaw county's eighth case of polio during the present season. He was considered to be seriously ill his mother stated on Tuesday evening. He was being aided in his breathing with a respirator.  
 Howell—Don and William Andrus, accused murderers of William Cline, an aged Brighton merchant, appeared here in circuit court again last Tuesday morning. Later in the day four youths were arraigned on breaking and entering charges and after entering pleas were returned to the custody of the sheriff.  
 Rochester—Before the village council, other Rochester officials, newspaper reporters, interested citizens and one outsider from Pontiac, the story of the Michigan Bell Telephone Company extended area service plan for the town was related by Walter B. Fauson, manager for the company at a special hearing last week in the Kiwanis club room.  
 Dearborn—Members of the city administration who head appointments were warned last Tuesday night to discontinue campaigning for the Mayor and "certain members of the Council" when Councilman Ray Patter introduced a resolution freezing the pay of two division chiefs. Affected by the measure are John Pokorny, head of the Veterans Counseling Bureau and George Brady, Housing Expeditor.  
 Birmingham—Victory Day services sponsored by the Gold Star Mothers and Gold Star Wives of Michigan, will be held on V-J Day, Sunday, Aug. 23, at the impressive "Eou. Freedom Memorial" and veterans' plot at White Chapel Cemetery, E Long Lake road in Troy township.

Among the celebrities who will attend the observances will be Governor G. Mennen Williams, Elliott Roosevelt and Maj. Gen. Lester J. Whitlock of Ft. Riley, Kansas.  
 South Lyon—The final game of the playoffs for the first round of play the South Lyon Softball league ended in forfeit when Simmons, walked off the field last Monday night after an altercation with an umpire while they were playing New Hudson Elevators. The score when the argument started in the 5th inning, was 5 to 3 in favor of the Elevators. After Simmons' walked off the field the umpire ruled that the score would be 7 to 0 and that the game was forfeited by Simmons.  
 Dearborn—The Council decided Tuesday night that the city must find new dumping grounds and agreed to discontinue south of Michigan Avenue and west of Telegraph Road. Presented to the Council was a petition bearing the signatures of 140 residents of that area. They deplored neighborhood conditions and stated that fire and health hazards exist because of the present use of the property. In addition it was pointed out, the burning rubbish constitutes a violation of new anti-smoke laws.

 A growing demand for trained blacksmiths has caused Michigan State College to triple the number of short courses in horseshoeing beginning this fall.  
 Short Course Director Ralph W. Tenny said the eye for additional trained smithies is coming from both recreational and commercial horsemen as well as from farmers and race-horse owners.  
 The Horse Association of America will furnish the college \$3,500 a year to hire an additional horseshoeing instructor and to help purchase supplies used in the course.

 For here, in one stunning, swift-lined bundle, is everything—yes, everything—you've been hoping for.  
 New style note? Well, just look at that brand-new idea in front-end styling. Grille, bumper, bumper-guards and even parking lights all combined in a single, sturdy assembly that means you can't "lock horns" with other cars!  
 New over-all size? We've trimmed inches from its over-all length for handiness in traffic—yet here's still the generous wheelbase that spells a level-going ride.  
 New roominess? Swing open the doors—a thumb-touch does it!—and gaze on the biggest interiors you can buy for the money, with sofa-wide front seats and no less than 12 more inches in rear-seat hiproom.  
 Slip behind the wheel. Finger-easy Synchro-Mesh transmission if you choose—the satiny smoothness of Dynaflo Drive® as optional equipment if you want the very latest thing.  
 And if power is your meat—just lift the bonnet and look on a husky Fireball power plant of 110 horsepower  
 \*Optional at extra cost.  
 with conventional transmission, 120 with Dynaflo Drive.  
 Surely here's a car big as your fondest ambition—yet price-wise it's right down your alley! Fits modest family budgets as it fits modest-size garages, puts Buick in reach of still more people!  
 So here's really a "must see" item! On display now, in three trim-'n'-tidy body types, it won't stay long on dealers' floors. Go now—see it and get that order in!

Advises Parents On Comics, Movies For Children

Comic books and movies need careful community supervision and organizations can render valuable service with this problem.

Suggestions to parents concerning the conflicting opinions about comic books and movies come from Dorothy Ekern, Michigan State College home economist.

Parents should know what types of movies their children see and what kind of comics they read. Authorities in the field of child development have pointed out that comics have certain values. So it isn't necessary to forbid them but to see that your child gets the most desirable ones to read.

Parents can introduce good literature to children by reading aloud to them or telling them stories which are from good literature. This will be more effective than constantly telling a child not to read undesirable material.

Your child will see types of behavior on the screen and in comics which will be strange to him and which may give him wrong ideas. Parents can talk to children about different types of behavior and explain good and bad points. This will help the child develop a finer sense of values and encourage him to make his own discriminations well in years to come.

One child may be more sensitive than another and may be frightened unduly by certain things which would not bother other children. Try to understand your child and know his interests and limitations. He may need especially careful supervision in the forms of entertainment to which he is exposed.

**Mich. Queens Seek State Fair Title**

Fifty Michigan queens are expected to seek the title "Miss Michigan State Fair" in a beauty contest to be held during Michigan's Centennial State Fair in Detroit September 2 through 11. Eligible participants are those queens, ages 17 through 25 years, who have won a sponsored Michigan beauty contest during the past year, James D. Friel, Fair manager, announces.

Entries must be made before Wednesday, August 26, on a special-entry blank which may be secured by writing the Michigan State Fair, Detroit 3, Michigan.

Selection of "Miss Michigan State Fair" will be made on Governor's Day, September 7. The lucky lady will receive a trophy and will be crowned by Governor G. Mennen Williams as part of the day's ceremonies.

"Civic" groups, boards of commerce and other organizations may sponsor only one queen and they must pay her expenses.

Fair officials expect that the Cherry Queen, Blue Water Queen, American Legion Veteran Queen, Ski Queen, Apple Queen, Pickers Queen and scores of others will compete.

**John Joslin Injured in Mexican Accident**

Mrs. Nell Freydl has just received word of a tragic accident in Mexico in which her nephew, John Joslin, 11, was seriously injured and his wife and two other persons were instantly killed.

Mr. Joslin has often visited in Northville and stayed with Mrs. Freydl while here.

Details of the accident were returning to their home in Managua, Nicaragua, after a short

vacation in California and they had made a stop in Mexico City, Mexico. As they were on their way to the airport to continue their journey, the cab in which they were riding was hit by a truck. Mrs. Joslin, the cab driver and driver of the truck were instantly killed.

Mr. Joslin was taken to a hospital at Pueblo, Mexico, where it was determined that he has a serious skull fracture, cuts and bruises. The accident occurred July 15.

A cricket, grasshopper and worm "club sandwich" is sometimes found to be desirable trout bait.

Care means better results from the mowing machine, say Michigan State College agricultural engineers. Always remember in making major adjustments that the knife sections and guard places should be sharp and must be replaced if broken in order to get clean cutting.

LEGAL NOTICES

To the Supervisor of the Township of Redford, Wayne County, Michigan:
You are hereby notified that the Board of County Road Commissioners of the County of Wayne, Michigan, at a meeting of said Board held on Thursday, July 28, 1949, decided and determined that the certain alley described in the minutes of said meeting in the name of said Board heretofore taken over as a county road should be absolutely abandoned and discontinued.

then proceed to view the premises in accordance with the statute; and WHEREAS, it appearing from said hearing and view of the premises that the public will have no further use for the alley in said subdivisions 1922 in the rear of Lots 890 to 903 inclusive, and Lots 966 to 993 inclusive of Grayton No. 2 Subdivision and Lots 47 and 48 of Supervisor's Schoolcraft Superhighway Subdivision No. 1; and WHEREAS, it further appearing from said hearing and view of the premises that the best interests of the public will not be served by granting the portion of the petition concerning the alley lying in the rear of Lots 49 to 60 therein the easement as herein set forth.

 released for distribution some  
 time during August, according  
 to Congressman Dondero. De-  
 signed primarily for farmers and  
 foresters, the book deals at length  
 with forestry and forest indus-

**Soap Holes Found  
 Value in Disguise**  
 Produce Magic Mud  
 With Multiple Uses  
 Ever since Belle Fourche, S. D.,  
 was a rip-snorting cattle town, at  
 the end of the old Chisholm trail  
 its residents have been darning  
 the "soap holes" that plagued the  
 area.  
 Fast-riding cowboys often took  
 a nasty tumble in this super-slip-  
 pery mud and cattle were forever  
 getting bogged down in them.  
 But now, like a man discovering  
 his hives are really a blessing,  
 Belle Fourche has found its soap  
 holes are one of its biggest assets.  
 Every one of them is filled with  
 a magic mud called bentonite. It's  
 an odorless, tasteless, soapy mud  
 with a thousand uses and scientists  
 are thinking up new ones every  
 day.  
 Most of us already are using it  
 a half dozen times a day, but al-  
 most nobody has heard of it. Men  
 use it in shoe polish and hand  
 cleaners. Women use it in face

 their likenesses which appear on  
 six U. S. Savings Bonds. They are  
 President Abraham Lincoln on the  
 \$1,000 Bond; Woodrow Wilson on  
 the \$500 Bond; Franklin D. Roose-  
 velt on the \$200 Bond; Grover  
 Cleveland on the \$100 Bond;

Bentonite is the most absorb-  
 ent material found in nature.  
 When moistened it swells to  
 several times its normal size.  
 This quality makes it useful in  
 waterproofing housing founda-  
 tions and many other industrial  
 uses.

powder, lotions, beauty creams.  
 Bentonite also is found in many  
 types of paint, plaster and cleaning  
 agents. It's handy for filling holes  
 in giant dams and for casting  
 moulds for motor metal. Forced  
 down thousands of feet into the  
 earth this magic mud lubricates  
 the drills in oil wells and sends the  
 debris up to the drillers.

Its new uses and increasing popu-  
 larity for its older uses all add up  
 to a boom such as Belle Fourche  
 hasn't seen since the gold rush.  
 In the past 10 years the popula-  
 tion has practically doubled and  
 bentonite now pours \$500,000 a  
 year into the town in the form of  
 additional purchasing power.

Fifteen years ago Belle Fourche  
 shipped out three carloads of  
 bentonite. Last year its production  
 was 6,187 carloads and this year  
 they expect carloadings to go con-  
 siderably higher.

Scientists say that bentonite, a  
 strange mixture made up mostly of  
 dust from prehistoric volcanoes, is  
 found almost nowhere in the world  
 except in the Black Hills of Wyo-  
 ming and South Dakota.  
 It is the most absorbent material  
 nature ever has devised, they say,  
 and a half dozen teaspoonful will  
 soak up a glass of water.

The above chart shows the  
 almost unbelievable increase  
 in the value of farm crops in  
 the past 17 years, as depicted  
 in a comparison of how much  
 farm produce it takes now to  
 buy a \$1,000 government sav-  
 ings bond with how much it  
 would have required in 1922.

**Insect Killers Made  
 By Synthetic Means**  
 New pyrethrum-like chemicals  
 that kill insects have been made  
 synthetically for the first time in  
 the laboratories of the bureau of  
 entomology and plant quarantine.  
 it has been announced by the U. S.  
 department of agriculture.  
 The chemical makeup of the syn-  
 thetic materials is almost identical  
 with that of the insect-killing prin-  
 ciple in pyrethrum, according to  
 the chemists.

Both marriage and divorce  
 rates declined throughout the  
 world in 1948.
