

GO HOME, FAL... It's the first day of school, and the little boy can't be bothered by a little old dog, yelping and begging to go swimming and fishing. What if he goes sniffing around and puts his feet on an teacher's desk, upsetting an ink bottle? That would be embarrassing. The little fellow has hung up his catcher's mitt and roller skates and has taken down his lunch box and books. So, puppy, you'll have to go home and play with that little boy next door who's too small to go to school yet.

Local Girls Win 4-H Fair Ribbons

Riding in the state 4-H Fair light horse competition at Lansing last Friday, three Northville girls helped to carry the Oakland County delegation to a good share of the ribbons.

In the three horse County group class, Bonnie Hannah, with her gelding, Gaytime, and Tulane German, handling her Palmino, Desert Dust, teamed with Arlene Powers of Avondale, to win first place for Oakland County.

In the Western Horse division, Bonnie took fourth place in horsemanship and sixth place in the model class with Gaytime. In addition to her class wins, Bonnie also received 4-H Merit Award Tulane placed Desert Dust fifth in the two year-old class.

In the saddle horse competition, Frances Mayle took the second place ribbon in the model class with her black five gaited gelding, Capt'n Midnight, and also seventh place in the saddle class.

Other Oakland County winners in the western pleasure horse class were Arlene Powers, first in the walking horse class and Carol Dominic, of Rochester, second in the saddle horse class and second in horsemanship.

The Northville girls 4-H light horse club call themselves the Lucky Horse Show Club. It is the youngest horse club in Oakland County 4-H work, yet is had the distinction of placing three of their members on the ten member troupe that represented Oakland County Horse exhibitors at the Lansing Show, where over seven thousand boys and girls competed for honors in all classes of 4-H work.

V.F.W. Ladies Set Annual Bazaar Date

The annual V.F.W. Ladies Auxiliary bazaar will take place Thursday, September 15 at the Methodist Church.

Mrs. Meta Myers has been chosen general chairman for the affair and Mrs. Vernice Reed will serve as co-chairman. Mrs. Arlie Smith and Mrs. Damar Risher will act as co-chairmen for the dinner. Serving will take place from 5:30 to 7:30 p. m.

Many home made articles will be offered for sale at the bazaar and a table cloth, which was hand crocheted by Mrs. Frank Bongiovanni, will be given away.

Owen Now Appearing On Television Show

Orlow Owen, operational manager at Northville Downs, is now appearing each Thursday night on television over station WWJ-TV.

Mr. Owen announces the television program from 10:00 to 11:00 p. m. Thursday nights.

Mr. and Mrs. Kermit Nolte of Randolph Street, announce the birth of a son, Bruce Edward, born August 31 at Sessions Hospital. The baby weighed six pounds.

Preaches Sunday

Rev. Ernest vanden Bosch, assistant to the President of Alma College, who will preach in the 11:00 o'clock service Sunday morning at the First Presbyterian Church.

Presbyterians To Hear Alma Official

Reverend Ernest vanden Bosch, Assistant to the President of Alma College, is to preach Sunday, September 11 at the eleven o'clock service of the First Presbyterian Church. He will be assisted in the service by the Pastor of the Church, Rev. H. F. Fredsell. The subject of Rev. vanden Bosch's sermon is, "David and Goliath in Present Day Conflict."

A native of Michigan, Rev. vanden Bosch was born and reared at Grand Haven and is a son of the First Presbyterian Church at that place. His father is a long time Elder of that church.

After serving in the Michigan National Guard for two years during World War I, Mr. vanden Bosch entered Hope College from which he was graduated in 1923. He proceeded to Princeton Seminary where he received his Bachelor of Theology degree in 1926. Since then, he has been in three pastorates. He was at Weatherly, Pennsylvania for four years, at Neshaminy-Warwick Presbyterian Church at Hartsville, Pennsylvania for eleven years and for the last eight years he has been pastor of the Wisconsin Church of Philadelphia.

In his work as assistant to the President of Alma College, Reverend vanden Bosch will be concerned with developing the interest and support of the alumni and other friends of the college in the Detroit area. He will spend this week in Northville meeting new students who will attend Alma this fall, counselling with students concerning the college as well as alumni and friends of Alma.

Mrs. Carl Johnson and daughters, Carla Jean and Lynn Ellen of Orchard Drive spent last week at Oscoda. Over the week-end Carl joined his family, bringing them home Sunday.

Plans have already begun for the American Legion masquerade dance October 29 at the Veterans Memorial.

Maybury San Fair Set for Sept. 11

The Annual Maybury Fair will be held this year on September 11 from 3:00 to 5:00 p. m. with a promise of a bigger and better fair. There are a great many prizes - radio's, toasters, flat irons, car service certificates, lamps and many other articles to be given away.

The music is furnished through the courtesy of the American Federation of Musicians, Recording and Transcription Fund, and the Cooperation of the Detroit Federation of Musicians. Jack Perelli, president of the Detroit Federation of Musicians, will furnish an orchestra. Beside this a corp of ballet dancers, under the direction of Mrs. Rosinka Maldawsky, Choreographer, with the Detroit Opera Society Inc. will be on hand.

There will be a display and sale of the articles made by the patients, games, food, pop corn and everything that goes to make a county fair complete.

Pony rides for the children will be offered at the entrance of the fair grounds, since children are not allowed on the grounds at Maybury.

This fair as other years is put on for the benefit of the patients, so come and bring your family for an enjoyable afternoon.

The cooperation of the merchants of Northville, Detroit, and Plymouth is deeply appreciated by both the staff and the patients. The donations of gifts for prizes by these merchants have made the ticket sales greater.

V. Slater Graduates from Michigan State

A total of 667 Michigan State College students have been announced as candidates for degrees at the end of the two six week summer sessions ending September 2. This figure is included with 2,350 degrees granted by the college during the 1948-49 college year, an all-time graduation record.

Victor L. Slater Jr., son of Mr. and Mrs. Victor L. Slater of Meadowbrook Road, received a Bachelor of Science degree. Others who were awarded degrees from this area were Robert Bowden, Donald Reh and Gail Hale of Plymouth and Harry Greenhields of Detroit. The latter man is married to the former Jean McCollough who used to reside on Halstead Road.

The summer total, which indicated an increase of nearly 200 over last year, includes 548 eligible for bachelors degrees and 130 candidates for advanced degrees, according to Robert S. Linton registrar. At the same time last summer MSC awarded 338 bachelor degrees and 100 graduate degrees. Of the total 463 are from Michigan and the remainder representing 22 states and four foreign countries. All these students were eligible to participate in MSC's 51st commencement last June.

Taft Donates Colt For State 4-H Fair

One of the top awards at the State 4-H Fair at Lansing last week was a Northville product.

Gerald Taft, owner of Springbrook Farm, West Eight Mile Road, donated a four month old registered Morgan colt to the horse division of the 4-H club. This colt was won by Virginia Carson of Milford and she will have the opportunity of showing her new colt at the Michigan State Fair Thursday. The colt is entered in the mare with foal class and the proud new owner has been selected by Mr. Taft to handle the little fellow in the Morgan entries.

Jr. Police Meeting Called For Saturday

The Junior Police will meet Saturday, September 10 at 10:00 a. m. at the Scout Building.

It is very important that all members attend wearing their badge as a group photograph will be taken. Members are urged to be there on time. A special treat is in store for all who attend.

Charles Yahn and son, Billy of Eaton Drive spent several days recently camping at Huntsville, Ontario.

Garden Club Show Set for Sept. 22

The 1949 Flower, Fruit and Vegetable Show, sponsored annually by the local branch of Woman's National Farm and Garden Association has been set for Thursday, September 22 at the Methodist church house Mrs. Gerald Woodworth of Thayer Blvd. is chairman of this year's show.

The show is open to the public and the club urges all those persons who have grown flowers, fruit and vegetables to enter them in the show. The rules for entering items are as follows: All entries must be in place by 11:00 o'clock and they must have been grown by the exhibitor. Exhibitors must abide by the decision of the judges and competitor is open to amateurs only, with complimentary exhibits welcome. Exhibitors must furnish and be responsible for containers and no one will be admitted during judging.

Classes are open in vases, centerpiece (cut flowers arranged in water), house plants, dish gardens, antique vase arrangements, specimens (leaf off the stem), miniature arrangements, fruits and vegetables and miscellaneous items.

Committees for the show will be announced in next week's Record.

T. Houghton's Song Recognized On WJR

A former Northville boy, Tom Houghton last week was interviewed over Radio Station WJR. Tom's song, "It's Not Too Late" was sung by Plymouthite Fred Kendall, on the "Anything Goes" program.

Tom, who was graduated from Northville High school with the class of 1944, wrote both the words and music for the tune, and hopes to have it published. He has written numerous songs and hopes to major in music in college. (This fall he will attend Michigan State Normal College, Ypsilanti.)

Tom's love for music stems back to the day, when he played with the Northville High school band under the capable leadership of Leslie G. Lee. He also sang in the High school choir and has played trumpet in numerous dance bands. The son of Mr. and Mrs. T. R. Houghton, Tom now resides at 777 North Harvey street, Plymouth.

Fred Kendall who sang his song over the air is married to the former Evelyn Ambler of this place.

Bell Extended Service Discussed at Rotary

John R. Saxton, of the Michigan Bell Telephone Company, spoke before the Northville Rotary Club at its regular meeting Tuesday noon. Saxton explained the extended-area telephone plan and why Northville had been excluded from it. He said that an official request had been made to the company to exclude the Village.

In a question and answer period which followed his talk, Saxton referred to a recent editorial in the Plymouth Mail and to an article about extended-service in the Northville Record. (Ed. note: Page ten of the August 25 issue.) He said that individual communities must decide whether or not they desire to have extended-service, which will, in the case of Northville, permit calls from Northville to Walled Lake and Plymouth without toll charges, but raise the monthly phone bill of the individual user.

Jim Brummell presented a 100 per cent attendance pin to Roy Elliott for Elliott's perfect record during the last three years.

Belated birthday congratulations to Richard and Mary Roe, who celebrated their birthdays September 2 and 3 respectively.

CORRECTION

An error appears in the Notice of Township Zoning Hearing on page 9. The date "Friday, the 28th day of September," in the second and third lines should read, "Friday, the 30th day of September."

80 Years Old, He Still Races

Bill Milloy, 80 year old trainer and driver, poses during his busy day at Northville Downs to explain about sulkies to Bobby Watson, local boy.

Milloy has trained and driven horses in Michigan for 51 years and his adventures on the "little known" tracks of the State would fill a volume.

"Old Bill" claims Northville Downs his favorite half mile track and his mile choice falls to Lexington, Kentucky.

Polio Epidemic Exhausts Funds

For the first time in its history, The National Foundation for Infantile Paralysis has found it necessary to conduct a national Polio Epidemic Emergency Drive. The appeal for funds will begin Thursday, September 8, according to H. Lynn Person, Chairman of the Wayne County Chapter of the Foundation. Michigan has had one of the worst epidemics of infantile paralysis in its history. Wayne County alone has had 550 cases.

The Wayne County Chapter of The Foundation has practically exhausted its treasury. Its patient care program is currently costing \$1,500 a day. Funds raised in the January March of Dimes have been carrying costs for the epidemic so far. However, local March of Dimes funds throughout the country are nearly exhausted. The National Foundation has been sending \$100,000 a day to stricken areas. There are only enough funds left for 30 days at the present cost. And, while fewer new cases are being reported, bills for many patients who may be hospitalized for months are just beginning to come in.

Pierson expressed hope that the public, so fully aware of the polio epidemic this summer, would give generously by sending contributions to POLIO, care of your local POSTMASTER.

Sept. 10 Set As Vets' Day At Fair

Michigan's veterans are making plans for a gala day at the Centennial Michigan State Fair, September 2 to 11.

From the first day, Friday September 2, to the last, the veterans will play a big role in the Fair activities, with their program hitting a major climax on Veterans' Day, Saturday September 10, when all veterans will be admitted to the grounds free of charge.

All major veterans' groups in the state will participate in the program, which is under the general direction of the Allied Veterans, Inc. The Council represents 21 major veterans' groups, with about 900,000 members in Michigan.

Edwin Herz, of Detroit, has been appointed chairman of the Veterans' Day program which will start at 3:30 p. m. on September 10 with an assembly and parade to the Veterans' Monument for memorial services.

At 5 p. m. there will be a drum and bugle corps contest with 10 of the outstanding units in the State participating. A contest for bands is scheduled in the Music Shell at 8 p. m.

Throughout the week, various veterans units will take active part in the parades which will be a nightly feature of the Fair. Two units, the Port Huron Drum and Bugle Corps and the Vassar Band, a veteran memorial float, took part in the opening day parade up Woodward avenue.

School Lunches To Begin September 9

Northville schools open Thursday, September 8 for a half-day session. R. H. Armerman, the Special Superintendent, states that he expects an enrollment of 500 pupils in grades kindergarten through the sixth and 445 in grades seven through twelve which will exceed last year's enrollment.

Superintendent stated that beginning Friday hot lunches will be available for both Grade and High school pupils. Mr. and Mrs. H. Black will again be the caterers and the lunches will be available for the children at a nominal cost.

Leslie G. Lee and his staff were on hand all week to aid the pupils in selecting their textbooks. Tuesday and Wednesday of this week, the teaching staffs of both schools gathered for a two day orientation period which was devoted to discussion of the 1949-50 school program.

Methodist Men's Club To Organize Friday

The Methodist Church Men's Club will hold a reorganizational meeting Friday evening at 8:30 at the church house. Charles Voss of the Michigan Department of Conservation will be the speaker. D. J. Stark is chairman for the evening. Election of officers will take place at that time and plans will be made for the fall and winter program. All interested men are invited to attend the meeting.

Children Active At Labor Day Program

Although rain fell Monday morning in Northville, the sun appeared at noon and shone throughout the afternoon for the V.F.W. Labor Day activities. A large crowd gathered at Henry Ford Field to witness the events. The Northville High School Band, led by Leslie G. Lee, opened the program by playing the National anthem. They also played at various times throughout the afternoon.

The children's games followed and the results were listed as follows: 25 yard dash, 6 to 8 years old, David Payne, Alexander Mackay and John Peoley; 50 yard dash, 9 to 11, Larry Payne, Max Hollis and Jerry Spagnuolo; 50 yard dash, 12 to 14, Ronald Grissom, Don Johnson and Martin Kasek; 25 yard wheelbarrow race, 6 to 8 years old, David Payne and Tony Simon; Bartlett, William, Larry, Lewis, Nitel, Tommie, McGuire and Frank Bosch; 25 yard wheelbarrow race, 9 to 11, James Newhouse and David Waterloo; Kenneth McKee and Larry Payne; Polo, Locke and Harold Scarfor; 25 yard wheelbarrow race, 12 to 14, Chris Newman and Martin Kasek; Joe Woodin and Jim Gordin, Don Johnson and W. Fitzpatrick.

Speeches were given by Patricia Williams, Larry Nitel and Eric Ann Witt. Speeches were given by David Payne, Nancy Lee and Larry Houghton, who were 12 to 14 for Wooten, James Gordin and Richard Burt.

Judges for the contests were Robert Dixon, Charles Dayton and Howard Heath. R. W. Dickerson was the state and Fost Van Atta, the recorder.

After the children's games the Wayne County Council of the Veterans of Foreign Wars presented their Drum and Bugle Corps for a very fine exhibition in formation drill concert music with one valve bugles and regular drum and bugle corps performance.

Bob Pounds, manager of the Drum and Bugle Corps, introduced Barney Folkenroth, National Champion Strutter and Bill Bevans National Champion bugle player for the last six years. The Wayne County Council Drum and Bugle Corps won second honors at the Golden Jubilee in Miami this year.

Comments were overheard from the crowd that it was quite a rare treat to have the best of high school band and the best drum and bugle corps in the state perform here on the same afternoon.

A humorous part of the program was the donkey baseball game in which the Salem Snake Charners defeated members of the local V.F.W. Post. The Veterans of Foreign Wars Post express their thanks to Leslie Lee and the high school band, the Northville Optimist Club, CIO Local 896 and the Northville Laboratories, all of whom contributed prizes for the children's events and the committees and public who made the program a success.

Junior Youth Dance Set For Saturday

A junior youth dance sponsored by the Northville Recreation Committee will be held from 6:30 to 9:30 p. m. at the Scout Building Saturday, September 10.

Admission to this dance will be one bag of potato chips and the dance is designed for all Village youngsters who are between the ages of 11 to 14 years. Barbara Springer is in charge of the music and the snack bar will be in operation from 7:30 till 9:30 p. m.

Council Discusses Telephone Service

The regular Village Commission meeting was held Tuesday evening at the Village Hall with President Conrad E. Langfield presiding. Present were Commissioners Ely, Locke, Peters and Stubenvolt and absent was Commissioner Schoultz.

John R. Saxton, manager for the Michigan Bell Telephone Company for this area and Mr. Healy, a Bell representative from Detroit, were present to discuss extended area telephone service. The gentlemen explained that there are 2047 telephones in Northville, 1707 of which are residential phones, or about 84 per cent. The charges for extended area service would be twenty-five cents a month for party users, fifty cents for single users and one dollar a month for business, telephones. This would abolish toll charges between Northville to Farmington, Walled Lake and Plymouth.

The Bell Telephone Company has agreed to make an impartial survey in the Village among 300 persons to find out if Northville residents wish extended area service. They will report their findings at the next regular Commission meeting and then the Council will render a decision as to whether Northville shall or shall not have extended area service.

Three persons were present at the meeting to complain on lot draining on Scott avenue. The Council assured these persons that measures would be taken to see that proper grading of the new road would alleviate the problem.

Ahap & Locke Motors Inc. was awarded the bid for the new police car. Regular monthly reports were read from the police department, water and street and public work department and no further business appearing the meeting was adjourned.

\$5000 Stake Tops Friday Night Card

Five Swathland, whose duties as driver training for the great three-year-old pacer, Royal Blackstone makes him one of the most fortunate of Northville's harness horsemen. This year, sends his star performer back into action at the Downs Friday night in a \$5,000 stake race.

It will be Royal Blackstone's second appearance of the year at the Downs, or third if one considers his debut two weeks ago as a double appearance. The magnificent chestnut colt won both divisions of a \$3,000 free-for-all that night over a field of older rivals.

On Friday it will be Royal Blackstone against nine or 10 other entrants, and there seems little chance that any of the others can catch him. The horse with the best opportunity figures to be Ensign John, a rapidly improving four-year-old gelding owned by R. C. Dahlinger of Dearborn and driven by Mel Stine, one of the oldest harness veterans in the Midwest.

Ensign John has won five straight races at the Downs and is unbeaten on the half-mile track here this year.

The rest of the field contains capable pacers, but none with a record approaching that of Royal Blackstone. He is one of the great colts of the decade, and offers for him to owner Bill Brown of Detroit have reportedly gone as high as \$50,000.

The \$5,000 stake Friday night sets the stage for next week's feature, the \$10,000 Northville Driving Club Trot. This race has become an annual attraction of major importance in the harness world, and the 1949 edition will be no exception. From the ranks of top trotters now at Northville the Trot will draw Porter Day, Grattan Volo, Bifty Lu, Burke E., Marsha, Lou Ros, Oh Johnny and Volorian.

Outside horses expected to ship to the Downs for the big race include Worthy Eblis, De Al Stan, Jerry A. Hanover, March First and Coburn Hanover.

Warren Peole of Northville placed third with a water heater, in the electrical exhibit at the State 4-H show at Lansing last week.

Regular Trout Season Closes September 11

Trout fishermen only have a few days left before the regular trout season closes Sept. 11 on special ponds, and on lakes and streams.

For the angler who still wants to fish for trout after Sept. 11, the conservation department points out there are certain lakes and streams in nearly half the counties of the state where only rainbows may be taken by hook and line through Nov. 30. Specific waters in which rainbows may be taken in 23 northern lower peninsula, eight upper peninsula and eight southern Michigan counties are listed in the fish law digest. The fisherman who has lost his digest pamphlet can secure another from his fishing license agent.

Waters close to heavily populated areas in southern part of the state still open to rainbow fishing are Orchard Lake, Oakland county, Lobdell Lake, Genesee county, Half Moon, Big and Little Portage lakes, Washtenaw county, Muskegon and White lakes and rivers, Muskegon county, Gull Lake, Kalamazoo county, Swans Lake, Jackson county, Birch and Hemlock lakes, Cass county and that part of Gull Lake, Barry county, Nanticoke Lake, in Presque Isle county, but not more than 10 pounds and one fish.

Isolate Animals Back From Fairs

Generally the best animals on the farm go to the county fair for exhibition. For this reason Dr. B. J. Killham, Michigan State College extension veterinarian, believes it wise to take every caution to protect them from disease.

County fair regulations under state regulations that require animals to be shown. This not only protects your own stock but that of other showmen as well. Dr. Killham advises "getting necessary papers from veterinarians so that it isn't done as a last minute rush job." Quarantining show animals when they are returned to the farm is an extra precaution that is wise. By isolating them for three weeks from the rest of the herd or flock, you're making doubly sure any infection picked up in the show ring isn't spread.

MICHIGAN

Motoring

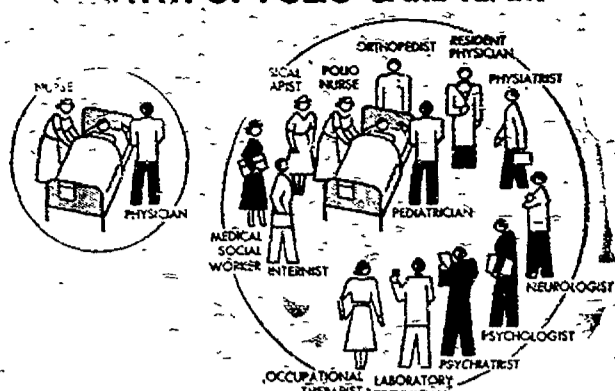

With just a few short weeks of summertime left—and school days once more almost here—the youngsters are trying to "crum" into the remaining vacation time every bit of fun and enjoyment that they can.

These high school and college students are entitled to relax and enjoy themselves, but not at the cost of their lives! And many, many of these young men and women will die in auto accidents before the summer is over—unless they stop being the leading menace on Michigan's highways!

Last year more people were killed or injured in automobile accidents on Michigan highways than died from the other 10 leading causes of death combined. A big majority of these people were youngsters! And that's a record not to be achieved for 1949.

Caution the young people in your family to drive carefully, safely. Remind them again and again that speed is a killer. Remind them that just one mistake—the last act of carelessness—may cost a life. Drive carefully yourself—and do your part by example as well as word of mouth—to keep Michigan safe for youth.

GROWTH OF POLIO CARE TEAM

Medical care for polio patients is costing the National Foundation for Infantile Paralysis more money than ever before because better treatment is available today than formerly, as the accompanying chart reveals. Until 1938 when the National Foundation was formed, physicians and a nurse usually comprised the best available care. Today, modern polio treatment may include 13 specialized services, provided by an entire team of professional workers. This expanded care has cost National Foundation chapters millions in March of Dimes funds. More money is needed immediately to continue these services. Support the POLIO EPIDEMIC EMERGENCY DRIVE to help care for today's polio patients. Send your contribution now to POLIO, care of your local Post Office.

Polio Foundation Asks Dimes and Dollars Now to Pay for Patient Care in Epidemic of Infantile Paralysis Throughout Country

With thousands of children and adults in hospitals today as the result of current widespread polio epidemics, and with as many new cases likely to develop in the months just ahead, the National Foundation for Infantile Paralysis has launched a Polio Epidemic Emergency Drive to provide immediate funds for patient care.

The price tag on this year's epidemic will be so enormous, according to Basil O'Connor, National Foundation President, that \$14,500,000 must be raised to meet the national polio bill.

During 1948, when there were 27,802 cases in the country, the highest number since the record total in 1916, the National Foundation and its chapters spent \$17,000,000 in March of Dimes funds to provide epidemic services, he said. With even more cases this year, it looks as though it may cost \$25,000,000 in 1949 to pay for that part of medical and hospital care which families cannot pay themselves.

By the end of August, as much money has been advanced in epidemic aid to National Foundation chapters whose March of Dimes funds have been exhausted by the cost of care as was sent in all of 1948. The nation's total number of cases now is as large as a full year's toll in previous years, with predictions for at least double that number before December 31.

Furthermore, it is estimated that a minimum of \$6,000,000 will be required to continue helping 1948 patients who still need clinic or hospital treatment. The National Foundation gives assistance as long as medical care is necessary, regardless of age, race, creed or color. The money raised in the Polio Epidemic Emergency Drive will be used exclusively for services to polio patients in all states, Mr. O'Connor said. Contributions may be mailed to POLIO, care of your local Post Office.

"This emergency drive is our only hope of providing care for patients without slowing up scientific research and professional education programs of the National Foundation," Mr. O'Connor explained. "It is an ironical fact that this heavy incidence,

is just not true. Proof of the fact is provided by what happened when the House voted to recess for 30 days while waiting for the Senate to catch up on legislation passed in the House and delayed in the Senate. Neither House of Congress can recess for more than three days without the other's consent.

The Senate refused to grant permission for the 30-day recess. Twenty-nine Democratic Senators and virtually every Republican Senator voted to refuse. But the Democratic leader of the Senate and 24 other Democratic Senators voted to grant the permission. The refusal was voted, not because the Senate was angered by criticisms from the House floor, but because the Republicans and most of the Southern Democratic Senators wanted to get on with Congressional business and put an end to delays.

Thus it is obvious that administration leaders cannot let the Congress adjourn because it has done nothing, and so must delay final action on appropriation measures to hold Congress here and make it appear that an effort is being made to pass the socialistic program which the administration knows it cannot get through this Congress.

It is interesting to note that a pile of 252,000,000,000 dollar bills, representing the national debt, if tipped over on its side, would extend more than half way around the world. In the same way, federal taxes collected last year would extend from Chicago to San Francisco.

Scientists working under 68 March of Dimes grants at top medical and educational institutions are waging the largest research attack ever attempted against a single disease in this country, supported by March of Dimes funds. We must not interrupt the search for a solution because of lack of funds. We must—and we shall be able to do both jobs—help pay for the care of the stricken while finding a means of prevention or control—if the American people contribute now to carry the work through until the next March of Dimes in January.

Progress since 1938 when the National Foundation was formed, was indicated by Mr. O'Connor as follows:

More than \$23,500,000 has gone into a comprehensive research and education program, seeking control of polio and training of experts—virologists, orthopedists, pediatricians, public health physicians, nurses, physical therapists and other medical workers who make up the professional army now battling the disease in laboratories and hospital wards.

At least \$58,000,000 had gone for patient care, prior to 1949, in payment of polio bills families could not meet themselves; in staffing and equipping polio centers for modern care and treatment; in establishing equipment depots in six strategic locations throughout the country from which respirators, hot pack machines, beds, cribs and other emergency supplies can be rapidly dispatched to hard-hit areas.

"We know now that fully 75% of those stricken make good recoveries if good treatment is available," Mr. O'Connor said. "Surely no one would deny a child a three-to-one chance for recovery because of lack of money."

Accidents Outrank Childhood Diseases

Here's a word of warning to all Moms and Dads: Accidents are the greatest kid-killers in America.

According to the 1949 edition of the National Safety Council's statistical yearbook, "Accident Facts," accidents far out-rank any of the more generally feared childhood diseases as a cause of death among children 1-to-14 years old.

There were 10,731 accidental deaths in that age group in 1947, three times more than were claimed by pneumonia, the next most important cause of death. And accidents caused 42 times as many deaths as polio.

Statistics for 1948 show only two unmistakable cases of lynching.

Few Islands Remain Unclaimed In State

Your chances of buying an island from the state of Michigan are not good.

The conservation department's land division, custodian of state-owned acreage, simply does not have an island to sell — yet continues to get requests from persons who want a "little peace and quiet," a "private hunting ground," or a "secluded vacation spot." Most would-be purchasers do not want just any island, but have a specific one in mind, says Charles E. Millar, assistant lands division chief.

Few islands are exclusively owned by the state. Most state-owned parcels of land located on islands, where private ownership also exists, are reserved for public conservation uses, Millar explains.

There is a remote chance of picking up an island in government ownership, Millar revealed. At the time Michigan became a state, there may have been some islands in existence which were overlooked by the government surveyors. The person who has a particular island in mind which he thinks may have been in existence at the time and which was not surveyed, can petition the federal government for a survey. At the same time he should submit a request to purchase. Age of trees on the island or sea level data might serve as supporting evidence that the island was in existence at the time Michigan entered statehood.

No state or federal agency is authorized to sell an unsurveyed island, Millar points out, since its legal status is that of part of the lake bottom. A check of county records will show whether the island has ever been surveyed and patented by the federal government.

Homemade Electric Fences Carry Risk

You're taking a big risk if you use homemade electric fence equipment on the farm, warns Robert Maddex, Michigan State College agricultural engineer.

Each year the newspaper reports cases of deaths and injuries to humans and stock caused by electric fence constructed by farmers to operate from the ordinary lighting circuit.

Farmers who make these fences often believe that they are saving money by the amount of fence needed and the cost of purchasing an approved fence controller. The farmers who use the homemade fence believe they are saving time by the current flow through a light bulb of low wattage. This continuous current does not give the needed warning time but rather gives a painful shock that may keep the victim from getting away from the fence. Serious burns or electric shock may result.

A standard fence controller, Maddex states, but the controller should be of an approved type. The controller which bears an approval gives only a warning sting which causes the person or animal touching them to pull away immediately, unharmed.

Maddex advises purchase only a fence controller that has been constructed to give good dependable service with no danger to animals or people. Constructing a homemade controller may mean that you are making a death trap for your farm.

Soil Cover
The impact of falling raindrops upon the bare soil is usually damaging to good turf. For this reason an effort should be made to maintain a soil cover of growing crops or of crop residues. If the soil must be left bare, the surface should be such as to leave the surface in an open, fine cloddy condition.

U-M Will Extend Counseling Plan To Women's Dorms

A friendly "helping hand" will be extended to undergraduate women students at the University of Michigan this fall through a new counseling program in the dormitories.

Counselors will be carefully selected graduate women students living in the residence halls and working with the full-time directors of the dormitories and with Dean of Women, Mrs. Mary C. Bromage, Associate Dean of Women, has explained.

"The purpose of the counselors is to extend to undergraduate women here for the first time, the kind of friendly help with small problems that they would receive at home," Mrs. Bromage said. "We do not expect our counselors to deal with majors problems of health or academic studies, with which the student gets help from the University Health Service, her faculty adviser, or other University agencies."

Dormitory counselors will work with the student recreation and hobby committees in the residences, helping girls to find activities that they enjoy," Mrs. Bromage pointed out. "They will assist students in getting acquainted with each other and with the campus, and may give newcomers a hand in planning their time for study and recreation."

For the 1949-50 academic year, 26 counselors have been appointed in five major University residences for women. These are Stockwell, Mosher-Jordan New Residence, Betsy Barbour, and Helen Newberry halls. Each counselor will have assigned hours daily in her room during which the girls may consult her. A three-day training program will be given for the counselors, Sept. 15-17, to familiarize them with University resources and regulations, Mrs. Bromage has said.

The University maintains a full-time staff in each women's dormitory, and the appointment of graduate student counselors is an addition to this staff. Each dormitory has a director, with an associate director in charge of each unit within a large hall, and other resident assistants as needed. Each residence dining room is directed by a dietitian.

Mr. and Mrs. Cecil Willet and daughter, Joanne, spent the Labor Day week-end at their

morning with Mr. Cooke's parents, Mr. and Mrs. Earle Cooke, on a vacation trip to Florida. They expect to be gone about three weeks.

Mrs. James Simpson, in company with other ladies of the Farmington Baptist Church, spent the week-end at a Baptist summer camp.

Among the improvements now in order is a garage on the Clinton Ault property.

Mrs. George Welsh visited friends near Redford Thursday afternoon.

Merwyn McPherson of Hubbard avenue spent the Labor Day week-end with relatives in Detroit.

Mrs. George W. Sandau of Hubbard avenue spent the Labor Day week-end with friends in northern Michigan.

Freda Ault was a visitor in Wayne Friday.

Enroute home from a vacation trip to Colorado, the Homer Coolmans are stopping off in Indiana to attend a family reunion during the Labor Day week-end.

Mrs. William Allen of Mayfield avenue is spending a week with relatives in Detroit.

Mrs. Stanley Schilling, formerly of Pembroke avenue, but now residing near Tampa, Florida, is the house guest until September 15 of Mr. and Mrs. Ralph McCubbins, in Detroit, and expects to call in West Point Park.

Mrs. Dave Kelbert and Freda Ault visited in Detroit Wednesday.

Mrs. E. W. Stange spent Saturday in Detroit.

Rev. Cadmon Prout of the Livonia Methodist Church recently called on Dr. Hotchkiss, who has been ill in Bay City.

A celebration honoring the 7th birthday of Joanne Willet was held at the Willet residence on Mayfield avenue Sunday, August 28. Several relatives were in attendance.

Livonia Methodists are planning a Harvest supper for September 16.

FOLKS take a look at those bumper-guard grilles - built as a unit and proof against "locking horns" - and say "Humm! Nice!"

They sweep their eyes over tapering fenders, with a suggestion of jet power in their after contours - and say, "That's for me!"

They eye-measure windshields that are 48% bigger and rear windows with 56% more area - and know without being told they can see the road up closer, both fore and aft.

So they say - "That's for me - IF!"

"What does it cost me to get this handy-sized dandy with the roomiest interiors ever found on a Buick Special?"

"What do I pay for high-compression, high-pressure Fireball power from a big Buick straight-eight engine?"

"What's the tag on that swell Buick ride, with coil springing, extra-wide rims, seats between the axles and all that?"

"And what about Dynaflo Drive - understand I can have that at extra cost - how much?"

Well, sir, the news is good. Plenty good. Because this honey's priced well under your expectations. It's a straight-eight that's priced under a lot of sixes - over the years your investment will be no more than for any other car.

So better not stop with looking. Better price it too - delivered at your door. Your Buick dealer will give you the figures, even demonstrate.

"Canoeing on the Au Sable" Related by Elizabeth Beard

In the August issue of "The Detroit Fluoroscope" published by and for the patients of Maybury Sanatorium and Herman Kiefer Hospital, Elizabeth Beard of East Eight Mile Road, relates her experiences on "Canoeing on the Au Sable." Miss Beard is associate editor of the "Fluoroscope" as well as a secretary to Dr. W. Leonard Howard, sanatorium superintendent.

Locating the river, Miss Beard wrote, "draw a straight line on the map of Michigan from your bed to the small, northern town of Roscommon and you will find under the highway bridge the South Branch of the Au Sable River, a narrow brown stream going to the lake. If you lived in 1849 or 1749, you would probably see nearly the same picture, she states, perhaps without the bridge but surely the same stream swiftly flowing eastward.

Miss Beard relates that the Au Sable was an industrial river during the lumbering days of Michigan, carrying along its current the logs to the great mills at Oscoda and the town of Au Sable. On this journey, only beaver-felled logs were found to clutter the canoeist's channel.

"Or, perhaps," she said, "a log jam, strategically placed" for trout protection by the Conservation Department. Rivers are interesting highways, always turning with another look around the bend, a new view with each stroke of the paddle, swift yet slow, writes the author, swift enough to progress, slow enough to enjoy the passing trees, and the birds. "There was a flash of color and an oriole lighted on an overhanging branch overlooking the fleet" as it passed under. The scarlet tanager, a rarely seen black-winged red bird, was not shy but crossed the path many times. Miss Beard remembers the screeching loons at night, and the hawks who practiced diving at their hot.

The robin, a bird we think of as a city bird, a yard bird, flew by the hundreds in these woods, she said. The kingbird was almost always in sight, and always

NOTICE OF PUBLIC HEARING ON PETITIONS FOR AMENDMENT TO NORTHVILLE TOWNSHIP ZONING ORDINANCE

Notice is hereby given of a public hearing to be held in the Village Hall, Northville, Michigan, on Friday, the 29th day of September, 1949 at 8:00 o'clock P.M., for the purpose of hearing two petitions for the amendment of the Northville Township Zoning Ordinance.

One petition from ELMER M. HOLLIS requesting the rezoning of property located on the North side of East Seven Mile Road, between Maxwell Road and Fry Road, from an R-1 classification to a C-1 classification. This property is specifically described as:

Lot 53 of Grand View Acres Subdivision, of part of the Southwest quarter of Section 1, Town 1 South, Range 8, East, Northville Township, Wayne County, Michigan.

The second petition from LEO MCELLEN requests the rezoning of a parcel of land located at the Northeast corner of Park and Five Mile Road from an R-1 classification to a C-1 classification. This particular property is specifically described as:

That part of the Southwest quarter of Section 13 described as beginning at a point on the South line of said Section, distance North 89° 33' 30" East, 1987.50 feet from the Southwest corner of Section 13 and proceeding thence North 0° 13' 20" East, 273.0 feet; thence North 89° 33' 30" East, 245.17 feet; thence South 0° 34' 55" East, 273.05 feet to the South line of Section 13; thence South 89° 33' 30" West along said line, 249.0 feet to the point of beginning, containing in all approximately 1.35 acres of land.

This notice is given pursuant to the provisions of the Zoning Ordinance of the Township of Northville, Wayne County, Michigan.

STATE 1949 LEGISLATIVE ACTS DISCUSSED BY STATE BAR

This is one in a series of articles on laws which were passed at the 1949 Session of the Michigan Legislature. They affect you and every resident of Michigan. The entire series is prepared as a public service of the State Bar Committee on Legislation and Law Reform. The articles are objective in nature and do not attempt to comment on the relative worth of the legislative enactments but rather to present the most important facts and alert you to the changes these laws represent as they become effective on September 23, 1949.

On September 23, next, practically all of the 317 public acts passed at the 1949 regular session of the legislature and signed by Governor G. Mennen Williams will take effect. The purpose of this series of articles is, first, to refresh the public in regard to the general provisions of such acts on the eve of their effective date, and second, to call to a number of acts which are of general interest but which were not of sufficient importance to catch the headlines at the time of their enactment. Of the 341 bills introduced in the Senate and 546 bills introduced in the House of Representatives, a total of 331 were passed by both houses. Of these, 8 were vetoed by Governor Williams, none of the vetoes being overridden. 1 was recalled by the legislature, and 5 apply to purely local situations and are classified as local acts.

Of the bills enacted, only one, Public Act No. 1, was initiated by

petition. This measure would authorize the sale of colored oleomargarine. The initiation of bills by petition, although seldom resorted to, is authorized by our state constitution. Under the constitution, the legislature must either enact such legislation without amendment within forty days from the date the measure is received by the legislature or else the proposed legislation would be submitted to electors at the April, 1950, election. The legislature chose to enact the bill.

However, it is still problematical whether this will go into effect on September 23, if at all.

Various associations of the dairy industry caused referendum petitions to be circulated and current reports are that they have already obtained sufficient signatures which if filed with the Secretary of State will prevent the measure from going into effect. This will cause the issue to be submitted to the electors at the general November, 1950 election. The referendum action was taken under the referendum provision of the constitution which provides that if a petition is filed with the signatures of qualified and registered electors equal in number to five per cent of the total votes cast for governor at the last election at which a governor was elected, the act shall not go into effect, but instead the issue shall be submitted at the

next general election. Thus, the unusual situation is presented that the bill was originally initiated by petition under the initiative provision, requiring petitions signed by eight per cent of the total vote cast for governor, but the effect therefore, was withheld by obtaining referendum petitions from 5 per cent of the voters.

Constitutional Amendment
The legislature proposed but one amendment to the constitution which will also be voted upon at the next general election. This is a non-controversial amendment to the constitutional provisions having with the qualifications of electors by striking out certain language which, with the passage of years has become obsolete.

Taxes
No new taxes were adopted however, the threat of a potential deficit in the general fund before the end of the fiscal year on June 30, 1950, cast its shadow over the deliberations of the legislature. Instead of passing the corporation income tax proposed by the governor, the legislature insisted on waiting for the appearance of actual deficit before imposing any new taxes.

Sales Taxes
A sales tax upon used cars was proposed but it was defeated by a coalition of Republicans and Democrats. Measures were, however, adopted to tighten up "loopholes" in the general sales tax statute, mainly by providing the Department of Revenue with additional auditors. By other measures, the proceeds of certain minor taxes were transferred from funds to the state's general fund.

Gasoline Tax
The proposed increase in the gasoline tax along with seven other related amendments to highway statutes were defeated, the main objection being, not the proposed increase, but rather, the basis of allocation of the proceeds of the highway taxes between the state, county, and local units of government.

Schools-Sales Tax Diversion
The general school appropriation bill, as required by the sales tax diversion amendment to the state constitution which requires the appropriating of 44 and 77/100 per cent of the total revenue from sales tax in preceding year, totaled \$82,994,203.80. That was based upon total revenue for the year ending June 30, 1949 of \$183,368,702.00. This was close to \$12,000,000 in excess of that appropriation in the year 1949 which was based upon the total revenue of just over \$167,000,000. Next year the legislature will be required to appropriate in excess of \$87,000,000, inasmuch as the total revenue for the fiscal year just ended was approximately \$193,000,000. While due to the sales tax diversion amendment to the Constitution the appropriation will be increased by some \$4,000,000 in 1950, nevertheless it is anticipated that the state will enjoy a smaller total revenue under the sales tax. While estimates as to the total revenue during the present year vary, the estimate given by the budget office to the legislature was \$180,000,000. If these estimates are correct, this will of necessity require either additional taxes or reduction of other appropriations. The 1949 legislature reduced appropriations

below that recommended by the office, total appropriations being \$278,000,000 as against recommendations of \$290,000,000. This compared with total appropriations for the preceding fiscal year of \$241,000,000 indicates that an increase in appropriations of \$37,000,000 was made by the 1949 legislature.

Rochester - Registration of high school students at the Rochester Community high school for the beginning of the 1949-50 school year will be conducted in the school gymnasium on Monday and Tuesday, September 12th and 13th.

Brighton - Monday, September 12, the Brighton Schools will begin their regular class schedule when the faculty will have had its pre-school planning conference and students will have been registered.

South Lyon - The bowling season will get under way this Thursday at Wally's Recreation when the 16-team House league opens its season.

South Lyon - The South Lyon Farmer's Festival came to a close last Saturday night with a good sized crowd filling the downtown streets of the city. For three nights and two days last week many people from this section of the state flocked to South Lyon to see the entertainment, the displays and attractions, and to take part in dancing and festivities.

Howell - Dr. Paul Hoonstra will begin his ministry here Sunday, September 4, as pastor of the Church of the Nazarene, succeeding Rev. J. E. Van Allen, who has transferred to Flint. The new minister is moving his family here from Howell this week.

Howell - Wayne University's football team which is scheduled to begin its fall practice on September 1, will again spend 17 days at Brighton at the Detroit Recreation Camp.

Plymouth - Breaking and entering Plymouth Finance Company last Tuesday, thieves ransacked the office, pryed open the safe and got away with \$86.31 according to Myra R. Smith, owner.

Plymouth - The last day of summer will officially be over September 8 for Plymouth school children when school opens next Thursday. The hour will

be 8:30 a. m. when elementary pupils report to their school building and high school students check in at their rooms.

Ann Arbor - A copy of a three-point letter sent to Attorney General J. Howard McGrath by William A. Lucking, Ann Arbor attorney, was quickly dismissed by Major William E. Brown, Jr. at special sessions of the city Council Tuesday night. Lucking asked the Attorney General to rule, "whether the Veterans' Administrator can erect the proposed Veterans' Hospital in a district zoned by the Township Board exclusively for residence purposes."

Ann Arbor - While John Hanna, citywide Detroit real estate tycoon, remains noncommittal as to what he proposed to do with 4,000 acre tract of land purchased in Sylvan Township, the Washtenaw County Road Commission is continuing the study of Hanna's petition asking for the closing of five roads in the township.

Chel - The Washtenaw County Fair held at the fairgrounds in Ann Arbor last Thursday, Friday and Saturday was declared the biggest ever by fair leaders and members. Events Van Riper, who was in charge of the cattle barn, said that 126 head of cattle were entered. There was also a new showing of horses and a barn full of sheep and pigs.

Chester - At the eastern end, down on the regular schedule of the Tri-County Baseball League

found Webberville and Chelsea clinging to the ship margin of one game. Fowlerville, after dropping the 12-inning contest with Webberville last week, came back to take two close ones from ever-dangerous Mason, while Webberville was trouncing Luckless Okemo, 14-6 to finish in first place in the Western Division.

Ithaca - Ten people received hospital care and two arrests followed a series of four automobile accidents on Gratiot highway the past week. Two of the injured were still considered in serious condition on Wednesday.

Rochester - The Avon Girl Scout Council Tuesday received its 1949-50 charter from the Girl Scouts National Headquarters in New York City. The charter authorized the Avon Council to function as an official unit of Girl Scouts of the United States of America for the next twelve months.

Grand Ledge - Over 400 registered visitors viewed the 150 display of flower and vegetable arrangements at the Grand Ledge Garden Club Flower Show held in the Grand Ledge State Bank on Friday and Saturday.

Dearborn - The petitions of Carl Matheny were filed in the office of the city clerk today bringing the number of candidates in the mayoralty race to four, while 26 councilmanic petitions have indicated that they will be down on the primary campaign along with two hopefuls for the office

of city clerk and one for city treasurer.

Grand Ledge - The annual Eagle township fair is scheduled for next week Thursday, Friday and Saturday, and plans are complete to make it the best of the long list of popular events. It is the 14th annual Eagle fair and will be held on the fair grounds just north of the village, on the Westphalia road.

Birmingham - Responding to the need for a civic discussion of the off-street parking problem in Birmingham, the Kiwanis Club and the Oakland Citizens League, in cooperation, will stage a Town Hall meeting on the subject in the Birmingham Community House October 6.

Birmingham - Birmingham is among the 82 cities in Group VI which recorded no traffic fatality last year. Police Chief Ralph W. Moxley has been notified by the National Safety Council. There were 288 cities of comparable size included in their annual inventory of traffic activities.

Brighton - A large delegation of Brighton rooters will be in Lansing next Saturday noon to see Brighton's representative Vagabond Coach attempt to bring the State Class C softball championship to this city for the first time.

Ithaca - Gratiot county's bean queen for 1949 is Donna Mae Bollenbacher, St. Louis, daughter of Mr. and Mrs. Walter Bollenbacher. She is 19 years of age, has dark brown hair, is pretty and has a lovely personality.

Dearborn - Prof. Dudley Newton, Wayne University engineer, is being sued for one million dollars in damages as the result of his recent publicized report charging "a wholesale violation" of local building code and Federal Housing requirements regarding the "Sunken Heights" homes.

Christian Science Churches
 "Substance" will be the subject of the Lesson-Sermon in all Christian Science churches throughout the world on Sunday, September 11.
 The Golden Text (1 Corinthians 2:9, 10) is: "Eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which God hath prepared for them that love him. But God hath revealed them unto us by his Spirit."
 Among the Bible citations is this passage (Heb. 11:1, 3): "Now faith is the substance of things hoped for, the evidence of things not seen. Through faith we understand that the worlds were framed by the word of God, so that things which are seen were not made of things which do appear."

Krug To Address Conservation Heads

Michigan has been selected as host state for the annual convention of the National Conference of State Parks, Sept. 17-20 at the Statler Hotel in Detroit. The conservation department announces.

Addressing the Sept. 20 joint session with the American Institute of Park Executives will be James Krug, Secretary of the Interior. Also invited to attend the four-day meet which is expected to attract park officials from 35-40 states are Governor G. Mennen Williams and state conservation director, P. J. Hoffmaster.

According to Michigan parks chief, Arthur C. Elmer, conference members will make an inspection tour of the state Waterloo recreation area, city of Detroit Rouge park and the Huron-lake in Livingston county.

"School Days, School Days" ... once more it's Fall and with the beginning of school a regular "epidemic" of ancient jalopies begins. You'll see these antiquated autos in the school parking lots ... on the streets, loaded with youngsters ... on the highways ... at the beach. They're the "pride and joy" of each owner ... and a source of fun for the youngsters. But every jalopy owner, and every boy or girl who rides in one should be reminded of the rules of safety again and again.

Yes, right now — at the beginning of the fall school term, every parent and every teacher should caution the youngsters — should help them to "drive home" the necessity for safe driving. If your son or daughter owns such an auto ... or has friends who do, remind them to "take it easy" — to drive carefully and safely. Insist that the autos your children drive — or ride in — are not overcrowded — that the driver pays attention to the road, instead of the conversation about him.

Get a copy of Michigan's "What Every Driver Should Know" — read it with your own children, and have them pass it around among their friends. Practice and "preach" safety — for the sake of your children's lives!

Allan & Locke Have Car Contest Blanks

Allan & Locke Motors Inc., Ford dealers at 117 W. Main Street, has entered the \$100,000 car safety contest sponsored by the Ford Division, Ford Motor Company.

Seven hundred prizes totaling \$100,000 will be awarded the winners of the safety contest which will be conducted during the months of September and October.

To enter the contest, drive to Allan & Locke Garage and ask for the Free Car-Safety Check. There is no cost of obligation. Then each driver getting the safety check will be given a safety insignia and an entry blank.

Then in 50 words or less on the entry blank, finish this statement: "All cars and trucks should be safety checked periodically because..."

Further details of the contest will be found in the ad appearing on page 9 of this week's Record.

Ford Rd. Accident Claims One Life

At 6:33 a.m. September 1, a truck driven by Clayton Howard, 40, of 1247 24th Street, Detroit, struck a road barricade on Ford Road at Haggerty, Canton Township, and when he stopped to look over the damage a car driven by Elmer Kessler, 46, of 30325 Cherry Hill Road, Plymouth, crashed into the rear of the truck. Mr. Kessler was killed instantly. His son, William, 18, was seriously injured.

According to statements made to Sheriff Baird's road patrol by the driver of the car and William Kessler, the son blinded Mr. Kessler and he did not see the truck in time to stop.

NOTICE OF SALE - \$165,000.00

SCHOOL DISTRICT NO. 2, FR. NORTHVILLE AND NOVI TOWNSHIPS WAYNE AND OAKLAND COUNTIES, MICHIGAN
School Building Bonds

Noted bid, for the purchase of general obligation bonds to be issued by School District No. 2, Fr. Northville and Novi Townships, Wayne and Oakland Counties, Michigan, of the par value of One Hundred and Sixty-Five Thousand Dollars (\$165,000) will be received by the undersigned at the Office of the Superintendent of Schools, Northville Public Schools, in Northville, Michigan, on said School District, until 8:00 o'clock, p.m., Eastern Standard Time on the 22nd day of September, 1942, at which time and place said bids will be publicly opened and read.

Said bonds will be dated September 1, 1942, will be coupon bonds in the denomination of One Thousand Dollars (\$1,000) each will be numbered consecutively in the direct order of their maturities from (1) to one hundred and sixty-five (165), both inclusive, will bear interest from their date at the rate of not exceeding four per cent (4%) per annum, expressed in multiples of 1/4 of 1%. Said interest will be payable on the first day of April, 1950, and semi-annually thereafter on the first day of April and October in each year. The interest rate for each coupon period on any one bond shall be at one rate only. Accrued interest to date of delivery of such bonds shall be paid by the purchaser at time of delivery.

Said bonds will mature serially Fifteen Thousand Dollars (\$15,000) on the first day of April in each of the years 1950 to 1960, both inclusive.

Both principal and interest will be payable at a bank or trust company to be designated by the purchaser of the bonds.

Bonds numbered one (1) to sixty (60), inclusive maturing in the years 1950 to 1953, both inclusive, shall not be subject to prior redemption.

Bonds numbered sixty-one (61) to one hundred and sixty-five (165), both inclusive, may be redeemed at the option of the School District in inverse numerical order on any interest payment date on or after April 1, 1953, at par and accrued interest to the date fixed for redemption, plus a premium for each bond so redeemed as follows:

\$25.00 on each bond called for redemption prior to April 1, 1954.
\$20.00 on each bond called for redemption on or after April 1, 1954 but prior to April 1, 1955.
\$15.00 on each bond called for redemption on or after April 1, 1955 but prior to April 1, 1956.
\$10.00 on each bond called for redemption on or after April 1, 1956 but prior to April 1, 1957.
\$5.00 on each bond called for redemption on or after April 1, 1957 but prior to April 1, 1958.

No premium shall be paid on bonds called for redemption on or after April 1, 1958.

Notice of redemption shall be given to the holders of the bonds to be redeemed by publication of such notice not less than thirty (30) days prior to the date fixed for redemption, at least once in a newspaper or publication circulated in the State of Michigan, which carries as part of its regular service, notices of sale of municipal bonds.

For the purpose of awarding the bonds the interest cost of each bid will be computed by determining, at the rate or rates specified therein, the total dollar value of all future due interest on the bonds from September 1, 1942, to their maturity and deducting therefrom any premium. The bonds will be awarded to the bidder whose bid on the above computation of the bonds shows the lowest interest cost to the School District. No proposal for the purchase of less than all the bonds or at a price less than 100% of their par value will be considered.

The said bonds are payable from ad valorem taxes subject to such limitation upon said taxing power as may result from the provisions of Section 21, Article X of the Michigan Constitution and the Michigan Property Tax Limitation Act.

A certified or cashier's check in an amount of \$3,300.00 drawn upon an incorporated bank or trust company and payable to the order of the Treasurer of the School District must accompany each bid as a guarantee of good faith on the part of the bidder, to be forfeited as liquidated damages if such bid be accepted and the bidder fails to take up and pay for the bonds. No interest shall be allowed on the good faith checks and checks of unsuccessful bidders will be promptly returned to each bidder's representative or by registered mail.

Bids shall be conditioned upon the unqualified opinion of Miller, Canfield, Paddeck and Stone, Attorneys, Penobscot Building, Detroit, Michigan, which opinion will be furnished without expense to the purchaser of the bonds prior to the delivery thereof, approving the legality of the bonds. The purchaser shall furnish bonds ready for execution at his expense. Bonds will be delivered at the Depositors State Bank of Northville, Michigan, or such other place as may be agreed upon with the purchaser.

Inquiries with respect to the details of the issue should be addressed to Thrun and Sidwell, 802 Rauch Building, Lansing, Michigan. Attorneys for the School District.

The right is reserved to reject any and all bids.

Envelopes containing the bids should be plainly marked "Proposal for Bonds."

Secretary, Board of Education.

STAR SPANGLED BANNER DAY - Sept. 14

"Howdy folks, I am Miss Star Spangled Banner. "Francis Scott Key sang to himself the morning of Sept. 14, 1814. A prisoner of the British on a ship, he saw by the sunrise that the stars and stripes were still waving over Fort Mifflin. He made up the Star Spangled Banner, and that's how our flag got its name."

\$28,841,000 Paid In Life Insurance

Michigan families received \$28,841,000 in life insurance death benefit payments in the first half of this year, compared with \$29,320,000 in the corresponding period of last year and \$16,807,000 in the first half of 1941. It was reported today by the Institute of Life Insurance.

The number of policies becoming claims in the first six months was 22,300 which compares with 21,262 in the corresponding period of the previous year and 16,504 in the first half of 1941.

"These payments reflect the growing use of life insurance by the American people to establish their family security plans," Holgar J. Johnson, president of the Institute, said in announcing the figures. "Death benefits paid in the first half of this year countrywide are 48% greater than in the corresponding period of 1941 even though mortality among policyholders generally is at or near a record low rate. Many more people are now protected and those who are insured own, on the average, considerably more today. During the past 18 months life insurance has continued to expand at an unprecedented rate."

Of the aggregate payments in this state, \$16,496,000 was under 7,258 ordinary policies, \$9,789,000 was under 3,676 group life insurance policies, and \$3,196,000 was under 11,371 industrial insurance policies.

For the nation as a whole, \$753,167,000 was paid as death claim, under 696,640 policies in the first half of 1942, compared with \$741,946,000 under 692,443 policies in the corresponding period of last year and \$507,859,000 under 563,000 policies in the first six months of 1941. Of this year's payments, \$515,238,000 was under 194,721 ordinary policies, \$129,113,000 was under 61,904 group policies, and \$108,416,000 was under 439,610 industrial policies.
