Northville Opera House Takes Spotlight Again

Northville's old opera house, located over the Farmer's Market, corner Center and Dunlap streets, came into prominence the first of the week when George W. Stark, columnist for the Detroit News, told of one of the old plays that ran there.

The play, entitled, "A Girl of the Mountains," was presented in the opera house, decades ago, and Sam Wilson of Detroit, was one of the players. Author of the play was the late Lem B. Parker, who wrote comedy plays which toured the theatrical circuit until the early 1920's. The plays were produced in Chicago and then began their tour of one night stands in small towns throughout the Midwest.

Northville's opera house, one of the oldest landmarks in the town, was razed by Ralph Pickard, who owned the building has asked T. Rogovin, an architect from Detroit, to draw up plans for a new stone building. As soon as details can be worked out, the picture of the future building along with pictures of the old opera house will be published in the Record.

Rotary Club Holds Rural-Urban Night

Approximately one hundred seventy-five persons attended the Rural-Urban and Ladies Night sponsored by the Northville Rotary club last Tuesday night. The evening was under the auspices of the club's Rural-Urban committee, headed by Roy Terrill.

Doc Rossow, Rotary club president, was presiding officer for the program, which followed dinner.

The Rural-Urban and Ladies Night is designed to introduce newcomers to Northville to each other and to older residents in an informal manner.

On the program was pianist Buddy Milton, who played several numbers. He was joined by Mayor Con Langfield in a duet on one number.

The speaker of the evening was the Honorable George A. Dondero, congressman from the 17th district, who spoke on national affairs.

Grade School Choir To Give Xmas Play

The Grade school choir under the direction of Miss Eleanor Peeke will present a Christmas program December 21 at 8:00 p. m. at the High School gymnasium.

The song-play is based on the French carol, "Geanette-Isabella" and is arranged by Berta-Elsmith. Parents and friends of the children are cordially invited to attend this affair. The cast will be announced in a later edition of the Record.

Plymouth Chorus To Sing "Messiah"

The Plymouth Symphony Orchestra and civic chorus, will give the third concert of the season, Sunday, December 4. They will present Handel's "Messiah" at 4:00 p. m. and again at 8:00 p. m.

The chorus, composed of 88 voices, will be under the direction of Fred Nelson. Soloists will be Ruth Campbell and Francis Kellogg, sopranos; Alice Trueman, contralto; and Earl Rehni, tenor.

Immediately following the afternoon performance, a tea will be held at the Plymouth Veterans Memorial Center. Mrs. Charles L. Blake will be in charge of the affair.

Bell Co. Raises Minimum Pensions

The Michigan Bell Telephone Company has raised minimum pensions for employees retiring at the age 65 to \$100 a month, including Social Security benefits of the employee.

For those retiring before 65, the minimum is now \$75 a month. The new minimums became effective Nov. 16 and apply to former employees now retired.

Previously, minimum pensions came to \$50 a month, plus that part of Social Security benefit toward which the employee had contributed. Revisions in the company's 36-year-old pension and benefit plan were confined to minimum pensions. Many employees receive more than these minimums upon retirement.

The average of Michigan Bell employees who have retired at the age of 65 is \$130 a month, including Social Security.

Upon retirement, a Michigan Bell employee with 20 or more years of service is paid a pension of 1 per cent of his or her average annual pay for the last 10 years of service multiplied by the years of service. Women may retire at 55 years of age, men at 60. Retirement is compulsory at 65.

New Car Plates Go On Sale Thursday

Passenger and commercial vehicle license plates will go on sale December 1 at the Carrington Agency, North Center Street. They are the new local representatives of the Secretary of State's office. The plates will be on sale through February.

The new plates are silver with black numerals and letters. Northville will have the "CB" series and the Carrington Agency has on hand 3200 passenger plates.

The prepared-plate application forms are being mailed now by the Lansing registration division. The form, along with the car title must be brought to the office when applying for new plates.

Mrs. Frederick J. Lupke, Jr., of Randolph Street spent several days last week visiting her mother in Rochester, New York.

Drinking Drivers To Lose Licenses

The Village of Northville has joined forces with the Michigan State Safety Commission in conducting a state-wide traffic accident prevention program during the month of December according to Chief Joe Denton. "It is called 'Holiday Hazards' and will concentrate on the greatest single holiday hazard, that of driving after drinking," he said.

The official slogan of the program will be "Drunk Drivers Lose Their Licenses." This is appropriate, because over 50,000 have lost their licenses under the mandatory provisions of the State law, this year at the rate of over 5,000 per year.

Chief Joe Denton stated that the month of December is the most fatal month in the year—95 people were killed last December. He emphasized the fact that drunk drivers are involved in far too many accidents. A study made by the Michigan State Police showed that during the critical hours between midnight and 5:00 a. m., 1 out of 7 drivers involved in fatal accidents were reported as "under the influence"; 4 out of 10 were reported as "had been drinking"; and 1 out of 2 of these accidents involved one or more "had been drinking" drivers. It showed that last year in Michigan, 20% of the drivers involved in fatal accidents were reported as "had been drinking." Another study showed that the drivers, who are definitely "under the influence" of alcohol, those with as little as 15% or more blood-alcohol concentration, are 55 times more likely to become involved in injury accidents than non-drinking drivers.

Maay Northville citizens have already received their seals through the mail. Booths will be set up in the post office, bank and theatre next week, December 5th through the 10th. Mrs. G. C. Woodward is chairman of the drive.

Grid Team Honored At Exchange Dinner

Fathers and members of the Northville High school football team were honored by an Exchange club football banquet last Tuesday night. A dinner was followed by a program.

Twenty-one major letters were awarded and nine minor awards were made. Major and minor manager's letters were also awarded. Mustang right halfback Chuck Stephens was named "most valuable player" for 1949 and fullback Dick Gray is captain-elect for 1950.

George Clark, Exchange club president, was general chairman and the Rev. William Hughes was program chairman. Cliff Hill was toastmaster.

The group heard Al Spiegel, All-American halfback for Washington and Lee University in 1913 and 1914, relate some of his experiences as a player and coach.

School board members were introduced and Principal Elroy Ellison and Superintendent Russell Amerman were called upon for comments. Coach Al Jones presented awards to the players and Coach Dick Kay was introduced to the group.

Al Flora, All-American from the University of Michigan and now Freshman Coach at Michigan State College, commented on MSC's games this year and showed and narrated motion pictures of the MSC-Notre Dame game.

Basketball Girls To Play At Plymouth

The Northville Girls' Basketball team will play their first game of the season Monday night, December 5 at Plymouth, where they will meet a girls team from Wayne. Game time is 7 o'clock.

Their first home game will take place Thursday, December 15 at the local high school gym. Their opponent has not yet been named. The home games start at 8 o'clock. No admission will be charged and the public is invited to attend.

The sponsors of the team, the Old Mill, Freydl's Ladies Store and Braders, are furnishing uniforms for the girls. The Northville Recreation Committee is backing the girls.

Mr. and Mrs. Del Hahn of West Main Street were hosts for Thanksgiving dinner to Mr. Hahn's parents, Mr. and Mrs. William Hahn of Detroit.

Juniors To Present "Life Of The Party"

Members of the Junior Class at Northville High School are practicing daily for their annual play, which they will present Wednesday and Thursday, Dec. 14 and 15. They have chosen to present "Life of the Party," and both productions will begin at 8 o'clock.

Miss Florence Panatoni will direct the play, assisted by Marilyn Sackett and Marge DeJohn. The play is a comedy, revolving around the humorous incidents of a family making friends in a new town.

Tuberculosis Seals Are Now On Sale

Asking that all citizens buy tuberculosis double-barred cross Christmas Seals, Governor G. Mennen Williams, in an interview, called TB Michigan's most serious public health menace.

"In terms of money, in terms of loss of manpower, in terms of a communicable disease, tuberculosis is still the most important single public health problem in the state," the Governor declared. The 1949 TB Christmas Seal with the double-barred cross in red of the TB and Health Society of Wayne County now on sale, pictures a white dove.

Maay Northville citizens have already received their seals through the mail. Booths will be set up in the post office, bank and theatre next week, December 5th through the 10th. Mrs. G. C. Woodward is chairman of the drive.

Walled Lake Theatre Group Presents Play

The early Broadway troupe who entertained an audience at the Village Theatre a few weeks ago in "The Hasty Heart" will reappear, December 3 at the Walled Lake High School Auditorium at 8:30 p. m. They will present the Broadway comedy, "Separate Rooms."

The Actor's Guild, direct from New York, which is presenting this play, is composed entirely of actors from Broadway and Hollywood.

Robert Spence, who played the part of "Yank" in "The Hasty Heart" has one of the leads in the forthcoming production. His last New York appearance was in the long run comedy, "Dear Ruth." He was recently seen in the motion pictures, "Crossfire" and "Arch of Triumph."

The cast is being brought again to Walled Lake under the sponsorship of the Village Theatre.

Joseph Shaw Wins Football Award

Joseph H. Shaw, son of Mr. and Mrs. F. Alden Shaw of Nine Mile Road, was awarded a Junior varsity football award at Harvard College, Cambridge, Mass., recently.

He was among the 165 awards voted by the committee of athletic sports to members of seven Harvard fall sports squads. The awards were announced by Athletic Director, William J. Bangham, prior to the varsity football banquet last week.

Cubs To Conduct White Cloth Drive

December 3 to 10 is the actual period during which over 12,000 local Cub Scout Scouts and Leaders will be busy engaged in donating bundles of white cloth for the various Cub Scout Chapters of the area.

Bundles may be taken to Detroit Edison branches for delivery, by Edison transportation to the Cancer Society headquarters at John R. and Huron avenues. In some communities, however, collections may be delivered by the neighborhood Cub Pack Leaders direct to local Cancer Society Chapters instead of having to clear through the Society's downtown headquarters.

The important thing is for people to realize the great need, search their homes for salvage material, and get it into the hands of Cancer volunteer workers! The need is very urgent! Some cancer patients require many dressings, pads and bandages, which must be made from white cotton materials, such as, sheets, pillow slips, tablecloths, napkins, curtains, shirts, and blankets. Silk, rayon and wool are not usable.

The Cubs have already been at work going their preliminary house-to-house collection. Excellent reports have been received, from practically every neighborhood in the Council area, indicating that the final drive, during December 3 to 10 period, will more than meet the need of the many volunteer cancer workers now waiting for salvage material.

Fisherman's Club To Serve Dinner Dec. 15

The Fisherman's Club of the Methodist Church will serve a venison stew dinner Thursday, Dec. 15, at the Methodist church house. Serving will begin at 5:30 p. m. and continue until 7 p. m.

This will be the first dinner sponsored by the club, which organized in the fall. Tickets may be obtained from any member of the club, and everyone is invited.

Mr. and Mrs. N. E. Allison of First Street had as their Thanksgiving day guests their daughter and her family, Mr. and Mrs. Forrest Doren and son, Jack, who attends Alma College, and a cousin, Bob Hamilton of Jacksonville, Fla.

Mr. and Mrs. Frank Hammill of North Center Street were entertained Thursday by Mr. and Mrs. Roy Woodworth of Plymouth.

Coordinating Council To Plan For Needy

The Northville Coordinating Council has asked to serve as a clearing house for Christmas baskets for needy families.

If any local organizations are planning to send Christmas baskets to Northville families, they are asked to call Mrs. William Forney, 3531, by December 15 and give her the names of families they will serve. The council hopes in this way to eliminate duplications and at the same time make sure that no needy families go without a Christmas basket.

Rotary To Sponsor Decorating Contest

The Village of Northville began getting "dressed up" for Christmas Tuesday when strings of lights festooned with pine boughs began to make their appearance on the main thoroughfares.

Headed by Neil Hannard and the Rotary Club, the decorating of Northville has been made possible through the generous donations of local merchants. The strings of lights will be hung on Main Street from Seven Mile Road to the Village Hall and on Center Street from Cady Street to Dunlap Street.

The Rotary Club is again sponsoring a contest for merchants and homeowners. They are offering five prizes to the merchants for the five best decorated windows. Five prizes will go to homeowners whose outside decorations are judged the best. The judges' names will be announced at a later date.

Northville To Have New Post Office

The Northville Record is the recipient of a letter from George A. Dondero, Representative of the 17th District, concerning the location of a new post office.

The letter stated that the Post Office Department at Washington has advised him that an authorization has been made for the purchase of a site and the preparation of plans for Northville. When further authorization is available, it will be published in the Record.

Senior Prom Theme Was "Blue Moon"

Blue Moon was the theme of the annual Senior Prom, which took place last Friday evening at the Northville High School gymnasium. Members of the twelve grade spent all day Friday transforming the gym into a ballroom suitable for the occasion.

The theme was carried out with streamers of tinsel and many colored balloons. A huge silver colored balloon, representing a moon, was suspended over the center of the floor. Large blue letters over the bandstand spelled out the theme song and a garden scene was set up on the opposite end of the hall.

The many colored formal worn by the ladies present combined with pretty decorations presented a colorful scene for the spectators who enjoyed the party from the balcony.

A highlight of the evening was the grand march, led by the class president, Roger Brummel and his date, Katie Kampf. Music was furnished by Al Rice and his orchestra.

December 7 Is Date For Youth Workshop

A number of Villagers who are interested in the youth of the community are expected to attend the Michigan Youth Center Association workshop meeting, December 7 at the Book-Cadillac Hotel in Detroit. Wilson Funk is secretary of the organization. Jean Maxwell, program director of the National Federation of Settlements and Neighborhood Centers, is scheduled to speak on "Programs and Problems of Youth Centers." Registration fee for the workshop is \$2.00.

The Winona Club will meet at the home of Mrs. Irene Boring, 4895 West Seven Mile Road, Friday, December 2 at 1:00 p. m.

Mayor Backs Sale Of Christmas Seals

Mayor C. E. Langfield today issued a formal proclamation urging all residents of Northville to demonstrate their interest in stamping out tuberculosis in Northville through their "unqualified support" of the 1949 double-barred cross Christmas Seal Sale of the TB and Health Society of Wayne County, which opened November 21 and will continue until Christmas.

In issuing his proclamation, the Mayor praised the tuberculosis control program of the association, particularly its project directed at helping to find the "unknown" cases of the disease in the county. These unknown cases, he explained, are those not reported to the health authorities. Many of them are early cases and the people themselves may not know they are ill since the disease has no obvious symptoms in an early stage, he said.

"The more we cooperate with and lend our support to all the association's projects, the closer we shall be to victory over tuberculosis in Northville," the Mayor added. "Since the annual double-barred cross Christmas Seal Sale constitutes the sole support of the society, we take an active part in the campaign to eradicate the disease every time we buy and use Christmas Seals with the symbolic double-barred cross in red."

The text of the Mayor's proclamation follows: "WHEREAS, tuberculosis is a major health problem in this and other communities throughout the county, and

"WHEREAS, tuberculosis kills close to 30,000 Americans annually, in 1949 1,000 each week, one every seven minutes, and

"WHEREAS, the TB and Health Society of Wayne County is conducting an effective tuberculosis control program in Northville, and

"WHEREAS, the tuberculosis program and all its projects are supported solely by the sale of double-barred cross Christmas Seals.

"THEREFORE, I, Mayor of Northville, do recommend that every resident of Northville demonstrate his interest in stamping out tuberculosis in Northville through his unqualified support of the 1949 double-barred cross Christmas Seal Sale."

Legion To Sponsor Vet's Gift Program

The Lloyd H. Green Post The American Legion, and Ladies Auxiliary are again sponsoring their annual "Gifts For Yanks" Christmas program, remembering every veteran hospitalized at Maybury and Eastlawn Sanatoriums with a gift. This is the fifth year that the Legion and auxiliary have backed the program.

The gifts will cost from \$3 to \$5 each and members of the community may assist in the program with money contributions. The donations may be sent to Fred Walker or Mrs. C. O. Hammond, chairman of the Gift for Yanks committee.

Eddie Cantor originated the program which has now expanded into a national campaign. Through the program, all hospitalized veterans will receive gifts on Christmas day.

Tickets Being Sold For Band Concert

Members of the Northville High School band are now selling tickets for their annual Winter Concert, which they will present Thursday night, December 8 at the High School gymnasium. Tickets are being sold on a subscription basis, and may be purchased for what ever the donor wishes to give.

Leslie G. Lee and Keith Burton will direct the fifty-six member band in their concert which will get underway at 8 o'clock. Among the selections to be presented are: "Erica," "Orlando Palandrino," "My Hero," "March of the Majorettes," "Au Pays Lorrain," "Ida and Dottie Polka" and "Christmas Rhapsody."

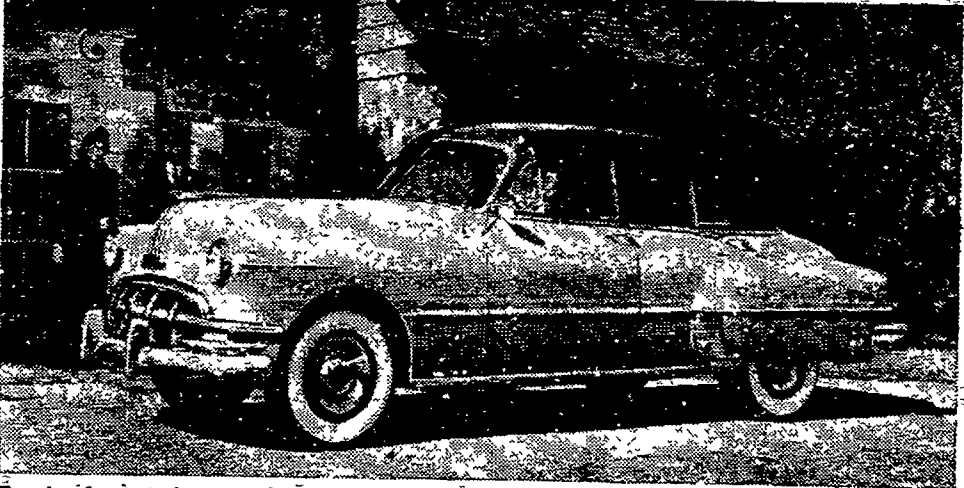

Nancy Littell, Sally Merriam, Harold Atwood and Leonard Howard have been assigned the solo parts.

Shriners enjoyed a venison dinner at the Masonic Temple which was cooked by Fred Fry of Detroit. N. C. Schrader supplied the venison, the results of his hunting trip to the north. James A. Huff, Mark Gardner and Dr. Lewis Tupper were speakers at the event.

Mrs. Mary Lavina Garfield died Tuesday, December 3.

The ninetieth anniversary celebration of the founding of the First Presbyterian church was a huge success in spite of the weather. Many Northville persons took part in the program and several former ministers came to help Rev. Belles with the ceremonies.

Miss Marjorie Putnam and Floyd Lanning were united in marriage in Novi December 3.

Tuition fees and other charges paid by students at the University of Michigan and Michigan State College have doubled in recent years. Whereas students paid 20 percent of the U of M operating cost in 1929, students today pay double that amount—40 percent, said Dr. Alexander G. Ruthven, president of the University of Michigan, in a conference with Governor G. Mennen Williams at Lansing. Dr. John A. Hennessey, head of MSU, pointed out that Michigan colleges are now competing with other agencies for state aid in a way which did not exist a few years ago. The result is that state legislatures have been increasingly reluctant to appropriate funds for colleges in amounts needed to finance higher education adequately. If college fees are increased further, only privileged groups will have advantages of higher education, the two college presidents warned.

One of the best things to hit the Michigan conservation movement in many years is the state park work program performed by inmates from Michigan prisons. A ski run and winter sports improvements are being completed at the Porcupine Mountain State Park near Ontonagon. Construction work is being pushed also at the Tahquamenon State Park in the Upper Peninsula. Two state recreation areas are being benefited by work programs: Pontiac Lake area and Waterloo recreational area, both in southern Michigan.

Kim Sigler, still carefree and an aviation enthusiast, is not a possible candidate for republican nomination of governor in 1950. Interviewed recently by reporters, Sigler replied "Why should I run for public office? I'm 55, having a good time and free to take any law case I want or fly my plane where I want, when I want." Sigler recommended that republicans make an issue of the CIO "control" of the state democratic party.

Michigan farmers have completed in recent weeks, breeding a harvest of corn, oats and barley. It fed grain—on record in the state. The farm crop was 26 percent above 1938 and 21 percent higher than the previous record crop in 1912. October harvesting weather was not only perfect.

It will cost you 12 1/2 percent more to travel on eastern railroads as result of a rate increase granted at Washington. This increase has been necessary because of higher wages and other operating costs, it is explained.

The Michigan 1949 apple crop is 72 percent above average with an estimated production of 11,735,000 bushels. All fruit production was 46 percent above an 10-year average.

Louis M. Nims, Commissioner of the State Department of Revenue, announces that state revenue collection for October 1949, brought an increase of \$1,982,015.07 over October, 1948. The retail sales tax increase was over \$300,000. The utilities tax brought an increase of \$1,500,000. The total tax collected by the department for the current fiscal year shows an increase of \$302,220.19 over the same period in 1948.

Forced saving plan—such is the verdict of C. E. Wilson, President of General Motors Corporation, with reference to company-paid pensions won by C.I.O. from Ford Motor Company, U.S. Steel Corporation, and other big business concerns. Wilson calls for an end to "shotgun bargaining methods" and favored "adequate federal pensions operated on a sound basis."

State department heads have requested legislative appropriations in 1950 of nearly \$100,000,000, above amounts appropriated for the current fiscal year ending June 30, 1950. Comment by Governor G. Mennen Williams: "We will unquestionably need new revenues to operate at present levels." Robert F. Steadman, State Controller, has been asked to yield a sharp ax on budget requests for more money.

More self-reliance by farm people to solve their own health problems on a local community basis was recommended by panel speakers at the Third Michigan Rural Health Conference sponsored by the Michigan State Medical Society. Authorities agreed that there is too much reliance

placed on the federal government to remedy rural health conditions.

Reflecting the jittery thinking of many citizens about atomic warfare was a recent news report that salt mines beneath Detroit offered an ideal refuge for munition plants; a recent article in Colliers that Detroit was the number one target for atomic bomb attack if and when war developed with Russia. WEST POINT PARK NEWS

By Miss L. A. Ault

Mrs. M. E. Ault was a guest Saturday, November 19 at the marriage of Robert Block and Barbara Lee Gardner, both of Detroit. The ceremony was performed in the Plymouth Presbyterian Church, with the pastor, Rev. Walsh officiating. Robert Block is a son of Mrs. Robert Hunter.

Mr. and Mrs. Curtiss, newlyweds from Richmond, Virginia, called Tuesday on Mr. Curtiss' uncle and wife, Mr. and Mrs. Charles A. Armstrong.

Mr. and Mrs. Harold McVicar and children, Joanne, Jimmy and Bobby spent the Thanksgiving Day week-end with relatives in northern Michigan.

Mrs. Harry Lewis is undergoing a real siege of tonsillitis.

Mrs. Harner Coolman is ill with arthritis.

Mrs. Walter Rehahn and her grandson, Robert Hardy, visited University Hospital, Ann Arbor, last Monday.

Mrs. Frank Gould was the dinner guest Thanksgiving Day of friends in Grosse Pointe.

Mr. and Mrs. E. W. Stange and son, Edward, were the dinner guests Thanksgiving Day of Mr. and Mrs. William Griffith in Royal Oak.

Mr. and Mrs. Stanley Chavey and son, Red, have returned from a vacation trip in the south.

The McMillans and the Reddys of Detroit were dinner guests Thanksgiving Day of the Ira Magners.

Ina Mae Tallman of Mayfield avenue, has again been on the sick list.

Mrs. Louis Graham and children, Wanda and Dale, spent the week-end with relatives at West Branch.

Mrs. Cecil Willet is recuperating from a severe attack of laryngitis.

Clyde Buckingham returned Monday from a week's deer-hunting trip.

Mr. and Mrs. Forrest Ault and children spent the week-end with the Johnson Porters in New London, Ohio.

Mr. and Mrs. Fred Alley of Evert, Mich., were Tuesday guests of Mr. and Mrs. Charles A. Armstrong.

Mr. and Mrs. Leslie Grundy gave a Thanksgiving dinner party to which about thirty relatives were invited. The affair was held in the Grundy basement which had been decorated for the occasion.

A family dinner was in order at the home of Mrs. Walter Rehahn Thursday. Mrs. Rehahn's son and wife, Mr. and Mrs. Albert Hardy, and their children and grandchildren were guests.

Robert Hunter and Ray Block of Detroit, called on Mr. Hunter's aunts, the Misses Lora and Freda Ault Wednesday evening.

Mrs. James Simpson visited with her son-in-law and daughter, Mr. and Mrs. Edward Brugman, in Norwayne, Wednesday evening.

Mrs. John Varhol is still quite ill, confined most of the time to her bed.

Mr. and Mrs. William Spencer and daughter, Julie of Wayne, were Thanksgiving Day guests of Mrs. Spencer's parents, Mr. and Mrs. Gordon Vance.

Mr. and Mrs. Robert Diehle had their married daughter and family of Detroit and their two sons, Robert and Jerry, as Thanksgiving Day dinner guests.

Mr. and Mrs. Ralph Voorheis entertained Mrs. Voorheis' three sisters and their husbands at dinner Thanksgiving Day. Guests therefore included Mr. and Mrs. Albert Owen, Mr. and Mrs. Austin Ault and Mr. and Mrs. Norman Gedig of Detroit.

Mrs. James Simpson spent Thanksgiving Day with her daughter, Mrs. Raymond Ackerson and family in Detroit. Mr. Ackerson is on a northern trip.

Mrs. Robert Hunter and her ten-day old daughter, Mary Margaret, returned from Harper Hospital Saturday to her home on

Burt Road. Mrs. Hunter is the wife of Bob Hunter, whose parents, the M. E. Aults, reside on Mayfield avenue.

Mrs. E. W. Stange was a Friday night visitor at the home of her daughter, Mrs. Robert Judd, near Grosse Pointe.

Mr. and Mrs. John Mercer, who moved from Seven Mile Road to California last September, are now comfortably established in a home of their own on Fonthill street in Hawthorne, California. Mr. Mercer is preparing a winter garden.

Walter Dixon of Bretton Road spent two days last week at West Branch.

Mr. and Mrs. Arthur Muir and their three children spent Thanksgiving Day with relatives in Royal Oak.

Mr. and Mrs. William Yeoman and their three children spent Thanksgiving Day with Mr. Yeoman's mother in Dearborn.

Hugh Schell was injured in a traffic accident about two weeks ago and died a few days later in Saratoga Hospital, one year exactly from the date of his wife's death. Until less than a year ago he resided on Eight Mile, near Paiker. Two small sons, who survive him, are living with an uncle on the Six Mile Road.

Mr. and Mrs. Earl Compeau of West Eight Mile Road were in Escanaba the first part of the week attending the funeral of Mr. Compeau's brother.

As usual the Sunshine Sisters were busy last Wednesday fixing a box of groceries for a needy family. This year the recipients were a young mother, whose two small children are being deprived of their father's support. Contributions in her behalf were quite generous.

The Christmas season promises to present many problems to all the charitable organizations of the community. Apparently there are more families needing assistance than since before the war. It will have to be a sharing Christmas for all who have anything to share.

Mrs. Ed Stauch of Hubbard avenue entered University Hospital, Ann Arbor, Thursday evening and Friday underwent a major operation. She expects to be a patient about two weeks.

Mr. and Mrs. Charles Hoff had Mr. Hoff's parents from Detroit as their Thanksgiving Day guests.

Mr. and Mrs. George Sandau and family spent the Thanksgiving weekend with friends at Tecumseh, Mich.

Mr. and Mrs. Edward Koehanch and family were Thanksgiving Day guests of Mrs. Koehanch's parents, Mr. and Mrs. Joseph Roberts.

Soldier Don Bohlinger arrived from the West Coast Monday to be a guest over Thanksgiving of his parents, Mr. and Mrs. Ervin Bohlinger. The Bohlingers spent Thanksgiving Day with relatives at West Branch.

Frank Smith, Louis Jennings, Ervin Bohlinger, Ralph Houtz and Gordon Fisher are among the lucky hunters last week. George Welsh, a Mayfield avenue resident, nearing his 84th birthday, also brought home a buck.

Leslie Bolyard and his sons, Charles, Norman and Jerry returned home the first of the week from a few days' hunting in northern Michigan.

Mr. and Mrs. Harold Hazen and children of Sunnyside Ave., spent Thanksgiving Day with relatives in the Thumb.

Mrs. Leone Jefferson and five children are the new tenants of the Richardson house on Mayfield avenue.

Mr. and Mrs. Kenneth Allen, Parker avenue, entertained a group of Mrs. Allen's relatives from northern Michigan at dinner Thanksgiving Day.

Mr. and Mrs. Walter Dixon of Bretton Road were dinner guests Thanksgiving Day of Mr. and Mrs. Garney Furman of Inkster. Mrs. Dixon, who recently underwent a serious operation, is gradually regaining her strength.

Don't Let Anybody Fool You!

These Things Will Happen If The Anti-Trust Lawyers Have Their Way

When the anti-trust lawyers from Washington filed their suit against A&P, we told the American people, our customers, our suppliers and our employees how this attack would affect them.

We said that this attack, if successful, would mean the end of A&P as you know it.

We said that it would mean higher food prices for American consumers.

We said that if they succeed in destroying A&P the way would be cleared for the destruction of other efficient large-scale retailers.

We thought the American people were entitled to know about this threat to their welfare and standard of living.

Since that time, however, the anti-trust lawyers have been making speeches, talking over the radio, writing letters and giving stories to the newspapers, in which they say we are all wrong.

They say that this suit will not close a single A&P store; and that instead of raising food prices it will lower them.

And they have tried to give the impression that nobody will be hurt by this decision except the present owners of A&P.

We don't think that the American people want to be confused by these statements. We know that when they have the facts, they will understand that this case can affect the living standards and the way of life of every American citizen.

Here are the facts:

It Will Destroy A&P

The anti-trust lawyers have repeatedly stated that "the suit will not result in the closing of a single A&P store", and that "the purpose of the suit is to enjoin A&P from continuing activity which has been held to violate the law."

The fact is that the suit is designed not only to "enjoin" A&P from alleged illegal activities, but actually to destroy the company.

Here is what they have asked the court to do:

Break up A&P's retail stores into seven groups, each of which must be sold to different owners, and operated under new management.

Order us to sell A&P's factories, which produce many of the fine foods you find in our stores, to still other new owners.

Prevent any of the seven groups of stores from operating any of the factories.

None of the present owners, who have made A&P what it is today, can have anything to do with either the stores or the factories.

The first A&P store was opened 90 years ago. For the past 50 years the

company has been managed by George L. Hartford and John A. Hartford.

These are the men who have pioneered the policy of low-cost, low-profit, low-price food-retailing which has won A&P the patronage of millions of American families and given them more good food for their money.

If the anti-trust lawyers have their way, these men and other company executives will be completely out of the picture. No one can predict what the policies of the new owners of the various parts of A&P will be.

No one can predict that they will sell the same quality food at the same low prices, or that they will keep the same employees, or give them the same high wages, short hours, pensions and security.

Nor, despite the anti-trust lawyers' statement, can anyone tell how many A&P stores will remain open or will be closed.

So, while there may be a food store where your A&P is now located, it won't be your A&P store.

Make no mistake about it. If the anti-trust lawyers win their suit it will mean the end of A&P as you know it.

Your Food Will Cost More

The anti-trust lawyers have repeatedly stated that the suit will not increase, but should decrease, grocery prices.

Anybody who has ever shopped in an A&P store, or has ever taken a high-school course in economics, knows better than that.

Everyone knows that A&P's policy has always been to keep costs and profits at a minimum so that it can sell good food cheap.

The very heart of the anti-trust lawyers' case is that A&P's methods, which they claim are illegal, have enabled the company to undersell competitors. How can anyone possibly say that you will get lower food prices by eliminating the company that has done so much to bring them down?

Actually, there is no question that this suit, if successful, will mean higher food prices for A&P customers.

Here is just one of a number of reasons:

We manufacture many of the quality foods we sell in our stores, such as Bokar, Red Circle and Eight O'Clock coffees, Ann Page foods, White House milk, and many others.

The anti-trust lawyers admit that we pass along these manufacturing savings to our customers in the form of lower prices.

But, the anti-trust lawyers have asked the court to order us to get rid of our manufacturing facilities, which would put an end to all these savings.

This means that if these A&P brands continued to be manufactured, you would have to pay higher prices for them wherever you found them.

The anti-trust lawyers say that food prices would go down in other stores. They claim that food manufacturers would be able to sell cheaper to other grocers because they would not have to make up alleged losses they now incur in selling to A&P.

This, of course, is pure nonsense. The suppliers who voluntarily seek our business and are now rushing to our defense obviously find it profitable to deal with A&P. Actually, their sales to this company enable them to build up their volume, reduce their costs, and sell more cheaply to all grocers.

The elimination of A&P from the picture would tend to increase, rather than decrease, the wholesale cost of food; and this, in turn, will be reflected in increases in retail prices.

Make no mistake about it. If the anti-trust lawyers succeed in putting A&P out of business you will find your food bill is higher.

Others Will Be Hurt

The anti-trust lawyers have insisted that this suit will not affect other distributors, "nor will it destroy any efficiencies of mass distribution."

The fact is that the anti-trust lawyers ask the court to break up the company, make it get rid of its admittedly legal manufacturing operations and in general destroy many of the efficiencies which have enabled it to sell food cheaper.

If such an attack is successful, it immediately raises the likelihood of similar attacks on other chain stores.

The anti-trust lawyers are saying that they "do not contemplate any other suits of this nature at this time."

But that does not mean that they cannot undertake such suits at any future time if they win this case.

As a matter of fact, the anti-trust lawyers made practically the same allegations against two of our largest competitors that they are making against us.

And it can also be used as the basis for an attack against other grocers and merchants in other lines.

There are today literally thousands of chain stores, voluntary groups and individual merchants operating with the same methods and in the same pattern here under attack.

If A&P is destroyed, no businessman could safely pursue an aggressive sales policy designed to lower prices and give his customers a better deal if by so doing he takes business away from any competitor.

Even if the anti-trust lawyers have no intention now of prosecuting other suits, a decision against A&P will establish a precedent that could be used by the present anti-trust lawyers, or any future anti-trust lawyers, to destroy any efficient business that buys cheaply, sells cheaply, and grows big in the process.

Such a decision would mean the end of the vigorous, healthy price competition which has given this country the highest standard of living ever enjoyed by any people anywhere in the history of the world.

The anti-trust lawyers are trying to give a new interpretation to the anti-trust laws that, instead of preserving competition, will reduce competition.

They are trying, by court decision, to impose a new kind of economic policy on the people of this country.

Make no mistake about it. If they succeed in destroying A&P they will be destroying the method of distribution that has helped make the American standard of living the envy of the world.

Parties Follow Annual Senior Prom

A number of parties took place after Northville High school's big social event of the season, the Senior Prom, last Friday evening.

A spangasbord party took place at the home of Skip Howard on West Eight Mile Road. Those at the party were Skip's date, Joyce Howarth, Shirley Smith, Barton Connors, Katie Kampf, Roger Brummel, Betty Sutton, Bob Erwin, Barbara Stewart, Jack Dolen, Donna Schnute, Skip Sutton, Tulane German, Rusty Maxwell of Plymouth, Ronald Broquet and Nancy Krug.

Mary Lou Litsenberger, of West Dunlap street was hostess to her date, Charles Dickinson, Celia Bloch, Tom Johnson, Sylvia Hollis, Jim Clark, Marilyn Funk, Dick Sands, Mary Jean Woodruff and Bob Huff of Ypsilanti for a midnight snack after the Prom.

The Obie Butler residence on Neeson street was the scene of an after the dance party and Houston and Bruce Butler were the hosts. Their guests were their dates, Barbara Coase and Gay Deason, Andy Owen, Tom Sutton, Joyce Wick and Dick Gray.

Following the dance Blake Coase entertained his date, Carol Siebert, Lois Taft, Keith Simons, Joan Litsenberger, and Harold Dayton at the Coase home.

At the Whipple home on Seven Mile Road, Jim was the host to several friends at a supper party following the dance. His guests were: Peggy Price, Bob Kiley, Barbara Ruttan, Delbert Black, La Baxter, Jack Wilson, Elaine Benjamin, Cleon Newton, Sally

Toys Are Topic of PTA Pre-School Group Meeting

An interesting discussion on toys and equipment was lead by Mrs. Colman, the nursery group teacher, at the PTA Pre-School meeting held November 21. Mrs. Colman emphasized the need for basic equipment such as climbing apparatus, blocks, paints, sand and toys which can be used for creative and dramatic play.

Mrs. Colman brought a demonstration of toys from Muirheads in Dearborn. Several catalogues and price lists, as well as diagrams for home construction of toys and equipment are available at the nursery school office, any Monday, Wednesday and Friday, morning.

Plans were made for the Christmas party to be held December 21 at 10 o'clock. Mrs. David Hurd Clark is in charge of arrangements.

Mrs. Morris Klopstein was appointed vice-chairman of the pre-school group. The next meeting will be held in January, the date to be announced later. A Geselle film will be on the program.

Methodist Circles To Have Christmas Parties

The circles of the Woman's Society of Christian Service of the Methodist Church are having Christmas parties at their meetings Thursday, December 8. Each circle is having a pot-luck luncheon at 12:30 and an exchange of gifts.

The Lucy Filkins Circle will meet at the home of Mrs. Louise Canfield, 404 W. Dunlap. Members are asked to bring money with which food liver oil will be purchased for needy children at Maybury Sanatorium.

The Bertha Neal Circle is to meet at the parsonage with Mrs. Hughes, where each member is asked to bring a light toy for some child at the Sanatorium.

Mrs. Horace Boyden will be the hostess for the Grace Tremper Circle.

Future Nurses Visit Henry Ford Hospital

Helga Stanford, Shirley Smith, Karen Larson, Sally Meriam and Mary Ann Kasmick, members of the Future Nurses Club, attended the open house held at the Henry Ford Nurses Home Wednesday afternoon, November 16.

Miss Ruth Knapp, school nurse, went with the group.

A student nurse, Miss Peggy Little, showed the girls several rooms where the student nurses live. She then took them to the education building and showed several classrooms and the lecture hall.

The girls thought the trip very worth while as several girls in the group plan to enter that hospital for training in the near future.

TROOP 4

On Tuesday afternoon at 3:30 on November 22 Brownie Troop No. 4 met in the lunchroom of the Grade School. Under the direction of Mrs. Sutherland our leader, we made individual place mats with Thanksgiving trim for children at the Sanatorium.

Mrs. Jennings visited our meeting and taught us a new song. On Tuesday, November 15 we were invited by Mrs. Merham to join her troop on a trip to the Cranbrook Museum. We had a good time and wish to thank all the mothers who drove.

Scribe, Ardyece Atwood.

Mr. and Mrs. Edgar Jolly were visiting Mr. and Mrs. Carles Jolly of Haggerty Road over the week-end.

Sunday School Teachers To Meet In Plymouth

Sunday School teachers throughout the Detroit Presbytery will meet this month to preview their teaching materials for the January, February and March quarter.

John W. Blackbun, general superintendent of the local Presbyterian Church School, has announced that the meeting for this area will take place at the First Presbyterian Church in Plymouth Monday, December 12. Previous to the preview there will be a pot-luck supper meeting of the teachers at the Northville Church at 6:30.

Following the supper the entire group will attend the Plymouth meeting. Plans will be discussed for the local Christmas party planned for Thursday, December 22, when the annual visit of Santa Claus is expected.

Mrs. Joseph R. Plunkett of Eaton Drive has been chosen to speak to the teachers in the North Woods area meeting at the Royal Oak Presbyterian Church Monday, December 5. Mrs. Plunkett is advisor to the Junior Department and teaches a fifth grade class in the local Presbyterian Sunday School.

Chamberlain-Housman Wedding Announced

Dr. and Mrs. V. George Chabul of Sheldon Road announce the marriage of Betty Housman to Hugh Chamberlain, son of Mr. and Mrs. P. C. Chamberlain of Detroit. The ceremony took place October 8 at Jackson.

Betty, graduated from Northville High School in '46 and graduated from nurses training at Grace Hospital last September. She is now serving on the staff at Old Grace hospital. Her husband is a student at Michigan State College and will graduate in June.

McDowell-Simmons Rites Read In Royal Oak

Elmer McDowell of Sheldon Court and Hazel Simmons of Royal Oak were united in marriage Friday night at the home of Dr. Thorman Pryor of Royal Oak who performed the marriage.

The bride's parents are Mr. and Mrs. Sam Nordof of Royal Oak and George and Mary Ream of Hazel Park witnessed the pledging of the vows. They are now at home on the Lazy Breeze Farm on Sheldon Court.

The Service League of the Methodist Church will have their Christmas party next Tuesday, December 6 at 8 o'clock at the home of Mrs. Leslie G. Eee. Co-hostesses will be Mrs. H. Handorf and Mrs. Richard Somers. There will be an exchange of gifts among capsule friends and a Christmas program.

Importance of Canned Leftover Liquids Cited

From now until the next local harvesting season, homemakers will make increasing use of canned produce, either the commercial or home-prepared variety. Modern methods of canning have been developed to preserve the maximum of flavor, color and food value. Whether the family gets the full amount of all these things depends on how the foods are handled in the kitchen.

For example, Mrs. Brown and Mrs. Smith may serve their families canned beans for dinner and the Smiths may get from one-third to one-fourth more of some of the vitamins and minerals than the Browns. It will all depend on whether the liquid on the beans is used or is thrown away.

The Food and Nutrition Service of the American Red Cross says that it's downright waste to pour liquid from canned foods away. It's just as extravagant as it is to discard inedible food. Commercial canners have made careful studies to find just what is in the liquid in the cans. Beside excellent flavor there is about one-third of the vitamin B-1 or thiamine. Approximately one-fourth of the riboflavin in the food is also dissolved in the canning liquid. There's iron and calcium as well.

To get all the good you pay for, use every drop of juice. One suggestion is to drain the liquid from the vegetable into a pan and cook it down until it reaches about half the volume. Add the vegetable and as soon as it's heated through season it with table fat and salt and pepper if liked, and serve. This method results in retention of all the flavor and minerals and most of the vitamins.

Another way of getting full value from the canned vegetables is to drain the liquid into a clean jar and use it in cooking. It's better than water, from both the standpoint of food value and flavor, for making soups, gravies and sauces and to add to rice which is to be served with the meat course. Use it as part of the liquid for preparing molded vegetable salads or instead of water when you cook a pot roast, stew or other braised meat.

A combination of these vege-

part of the liquid in the recipes below and serve over pieces of one-egg cake or gingerbread hot from the oven.

Lemon Sauce

One-half cup sugar, 1 tablespoon cornstarch, ¼ teaspoon salt, 1 cup hot fruit syrup, 1 teaspoon grated lemon rind, 3 tablespoons lemon juice, 2 tablespoons butter or fortified margarine.

Mix sugar, cornstarch and salt together. Stir in hot fruit syrup gradually. When smooth, place over heat and cook until mixture boils and thickens, stirring constantly. Place over boiling water for 15 minutes. Add lemon rind, juice and fat. Stir until blended. Serve hot. Makes 1½ cups sauce.

Orange Sauce

One-half cup sugar, 1 tablespoon cornstarch, ¼ teaspoon salt, ¾ cup hot fruit syrup, 1½ teaspoon grated orange rind, ¼ cup orange juice, 1 tablespoon lemon juice, 2 tablespoons butter or fortified margarine.

Mix sugar, salt, and cornstarch. Stir in hot fruit syrup gradually. When smooth, cook until boiling and thickened, stirring constantly. Place over boiling water for 15 minutes. Add grated rind, fruit juices and fat and stir until blended. Serve hot. Makes about 1½ cups sauce.

The Raysons and Sidney Junods remained for the week end.

CARD OF THANKS
 My sincere appreciation to my friends and neighbors for the lovely flowers, cheery cards and gifts sent me while I was in the hospital.
 Mrs. Clair Avery, 26

IN MEMORIAM
 In memory of our loving son and brother, Ronald, who passed away 10 years ago, December 1, 1939.
 The sun and moon are shining
 On a lone and silent grave,
 Beneath lies one we dearly loved
 But whom we couldn't save.
 Friends may think we have forgotten
 When they see us smile,
 Little do they know the heart-ache
 That our smiles hide all the while.

Enrollments Rise, Money Decreases In State Colleges

Michigan's state supported colleges and universities have shown a slightly greater increase in enrollment and a sharper decline in appropriations per student in terms of 1948 dollars in the past 20 years than have similar institutions in 20 other states.

These are the conclusions of a survey based on a study of enrollments and appropriations in the 20 states made by Robert L. Williams, assistant to the provost at the University of Michigan. The survey is published in the November issue of the Michigan Education Journal.

The significant findings were: Enrollments in state-supported colleges and universities in Michigan increased 158 per cent while the average increase in 20 states was 154 per cent.

Total appropriations (without any adjustment for the value of the dollar) increased an average of 182 per cent in 20 states and only 126 per cent in Michigan.

Average appropriation per student increased 16 per cent in the 20 states but decreased 13 per cent in Michigan.

Average appropriations per student, expressed in 1948 dollars (in order to make allowances for the changes in the cost of living) increased in five of the 20 states and decreased in 15 but the decrease in Michigan was more than for the average of the group. The average decrease for the 20 was 14 per cent while the decrease in Michigan was 35 per cent.

The state-supported colleges and universities have been operating for 20 years on a declining level of support, Williams points out. Unless the level of support can be raised to such an extent that 20 years from now the State will be ready to meet its full obligations to students who will be enrolled, a worse situation will prevail in that day, Williams holds in urging that the State begin now to plan for the future.

The survey points out that enrollments in Michigan's public schools will be increasing in the next 20 years and that "increasingly large enrollments may be expected at the college level after 1950." In the period from 1921 to 1949, the state-supported colleges and universities already have shown an enrollment jump from 20,000 to 52,000.

The average production of increasing enrollment is supported by a report from the U. S. Bureau of the Census. The report indicates that over 7,700,000 more students in elementary schools of the nation and 1,475,000 more high school students in 1960 than in 1917.

Color of Eyes
 Dark eyes are dark because of fine particles of pigment in their irises. Blue eyes have no pigment but look blue because colorless droplets in their irises scatter light, absorbing the longer rays and reflecting only the short blue ones.

Bob McKeague Spends Thanksgiving in Florida

Bob McKeague is back at his studies at Alma College after spending the Thanksgiving recess at Miami, Florida with his sister, Marjorie and Guern Yerkes.

Joe Felber, NHS graduate, now a student at Miami University, joined them for Thanksgiving dinner.

Bob was surprised on boarding a plane at Washington, D. C. to find his sister had been assigned as stewardess on that flight. She is with National Airlines.

**Plan Tour Of State
To Present Dairy
Hints To Farmers**

Dairy problems will be answered for Michigan farmers in the northern and southwest section of the state during the winter months when a series of dairy meetings will be held in more than 50 counties.

James G. Hays, dairy extension project leader at Michigan State College, says the series will include two one-day dairy meetings for each county.

Two of these four subjects will be covered in each county: Feeding by J. G. Hays. Sires, Inheritance and Breeding Troubles by George Parsons.

Marketing Quality Dairy Products by D. E. Murray.
Calf Raising and Management by L. A. Johnson.

All dairy men are invited to attend the meetings. County extension offices are making local arrangements and will announce dates and places. Hays said a question period was being arranged at the end of each session so those attending could get their problems solved.

**Pheasant Leg-Bands
Must Be Reported**

Those pheasant leg-bands nestled in the pockets of hunting jackets, now being forgotten along with the memories of the recent pheasant season, would serve a more useful purpose if they were forwarded to the conservation department's game division.

The game division released nearly 31,000 pheasant in southern and central Michigan prior to the opening of the season last month, but has received very few of the leg-bands from game-farm birds shot by hunters. Game men are convinced hunters got a larger share of release birds than the few bands received to date would indicate.

In checking the number of banded birds taken this season, in proportion to the wild ones bagged, the game division emphasizes that bands found on dead birds are as important to the study as those on birds shot.

If bands are desired for souvenirs, hunters may simply report the band numbers and the date and place of capture. Or they may send the bands in and ask for their return.

To the Supervisor of the Township of Redford, Wayne County, Michigan:

You are hereby notified that the Board of County Road Commissioners of the County of Wayne, Michigan, did at a meeting held at the County Board Room, Detroit, Michigan, at 10:00 a.m., Eastern Standard Time, Thursday, November 10, 1949.

It was moved by Commissioner Wilson that the Board assume jurisdiction over the following streets and alleys in the Township of Redford, Wayne County, Michigan:

All of Appleton Avenue, also all of Elmira Avenue, also the public alleys, 10 feet in width, in the rear of Lots 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, Kris Kringle's Cookies

"How to Make Christmas Come Sooner" could be the real title of this story! For what child does not love the anticipation of Christmas almost as much as the day itself?

Let's set the youngsters up in the cookie-making business by having mother first make up two batches of cookie dough—one for regular sugar cookies and the other for chocolate cookies. Then everyone joins in cutting with a couple of fancy-shaped cutters. Various decorations are added before baking: colored sugar crystals, red cinnamon candies, nuts, currants and citron. When the cookies come out of the oven, the fun really begins with fancy wrappings—and a stolen bite or two!

Old-Fashioned Sugar Cookies
2 1/2 cups sifted cake flour
2 tssps. calumet baking powder
1/4 teaspoon salt
1/2 cup butter or shortening
1 cup sugar
2 eggs, well beaten
1 teaspoon vanilla

Sift flour once, measure, adding baking powder and salt, and sift again. Cream shortening, add sugar gradually, creaming until light and fluffy. Add eggs and beat well. Add vanilla. Add flour, a small amount at a time, mixing well after each addition. Chill until firm enough to roll. Roll 1/4 inch thick on lightly floured board. Cut with floured cutter. Place on ungreased baking sheet; bake in hot oven (400° F.) 10 to 12 minutes.

TO COLOR SUGAR, dissolve a bit of coloring in a teaspoon of water, sprinkle over 1/4 cup granulated sugar, mix well to distribute coloring evenly, and spread sugar out on ungreased paper until dry. This gives attractive large crystals of colored sugar for decorating.

Chocolate Cookies
2 1/2 cups sifted cake flour
1 1/4 tssps. calumet baking powder
1/4 teaspoon soda
1/4 teaspoon salt
1/4 teaspoon cinnamon
1/2 cup butter or shortening
1 cup sugar
2 eggs, well beaten
3 squares unsweetened chocolate, melted

Sift flour once, measure, add baking powder, soda, salt and cinnamon, and sift together three times. Cream shortening and sugar gradually, creaming until light and fluffy. Add eggs, chocolate, and beat well. Add flour, a small amount at a time, mixing well after each addition. Chill until firm enough to roll. Roll 1/4 inch thick on lightly floured board. Cut with floured cutter. Place on ungreased baking sheet; bake in moderate oven (350° F.) 9 minutes.

**Uncle Sam Conducts
Crop Report Service**

**Surrounds Compilation
Of Data With Secrecy**

A question which pops up almost every time anyone talks with a farmer is: "How's the crop coming along?"

Of course, the individual farmer can only reply concerning the condition of his own, or his neighbor's crops, and he is as interested in the question of how the nation's

The farmer is the actual reporter as crop census men take notes.

crops are coming along as is anyone else—in fact, more vitally interested than anyone else except other farmers.

The only person who knows how the "crop is coming along"—that is, the nation's overall "crop"—is a mythical person, Uncle Sam; but he knows and he tells.

His information is gathered from 41 U.S. crop reporting offices, compiled in Washington, and released on or about the 10th of every month as a service of the agriculture department's bureau of agricultural economics. There are about 500 reports made each year, and the farmer who follows these reports knows what is happening in the field of agriculture and he regulates the operation of his own fields accordingly.

The farmers, themselves, are the reporters, having been sending information to the government ever since 1907 when crop reporting began during Lincoln's administration. No pay is received by the farmers for this work, yet some of them have faithfully kept up reports for 40 years.

Streamlined Baler

This new, streamlined baler is typical of the engineering advances featured on 1950 farm machinery. It is an automatic twine-tie pick-up baler marking the 10th anniversary of one-man baling on American farms.

**More Trucking Comfort
In Store for Farmers**

According to tips from automotive engineers, little pigs that go to market in trucks, and the farmers who drive them there will soon be getting the most comfortable rides they've ever had in farm transports.

These engineers say the trend in most new models of trucks is toward more comfort for the driver, with the aim of making his life happier—and also eliminating basic causes of accidents and damage to cargoes.

"Virtually every phase of truck operation is now being studied by truck manufacturers in an all-out drive to eliminate many of the jerks, and jolts and destructive vibrations that cause damage," says W. L. Aiken, automotive engineer of SKF industries, incorporated.

Innovations of many kinds, he says, are now being built into trucks, with special emphasis on ways to cushion both the driver and his load.

**New Milk Nutrient Found
Essential to Good Health**

A previously unidentified nutrient in milk has been labeled—B12—and found to be essential to normal human beings.

Commercial chemists recently isolated B12 in crystalline form from liver extracts and found that it is the material that makes this extract effective in treatment of deadly anemia. It was formerly labeled "Nutrient X." The form is still in an experimental stage.

Dairy Cow's Capacity
The average dairy cow will drink eight gallons of water, daily and will eat about two acres of grass during the summer season.

ON CAPITOL HILL
NEWS
and
COMMENT
FROM
CONGRESSMAN
GEORGE A. DONDERO

Owing to what has amounted to a propaganda campaign covering the last twenty years, millions of Americans nowadays labor under the New Deal-Fair Deal fostered delusion that the United States of America is a Democracy in the classic sense of the word. Others less susceptible to propaganda know the United States to be a Republic. There is a vast and important difference between the two, as any dictionary will show.

James Madison, one of the early American Presidents, who had as much if not more than any other to do with the adoption of our Constitution, wrote the Federalist Papers, which are still the standard reference work on the Constitution and its meaning. In these papers he had the following to say about the difference between a Democracy and a Republic:

"The two great points of difference between a Democracy and a Republic are, first, the delegation of the government in a Republic to a small number of citizens elected by the rest, and secondly, the greater number of citizens, and greater sphere of country, over which a Republic may be extended."

"The effect of the first difference is, on the one hand, to refine and enlarge the public views (public opinion) by passing them through the medium of a chosen body of citizens whose wisdom may best discern the true interest of their country, and whose patriotism and love of justice will be least likely to sacrifice it to temporary or partial (partisan) considerations."

"Under such a regulation, it may well happen that the public voice, pronounced by representatives of the people, will be more consonant to the public good than if pronounced by the people themselves, convened for that purpose."

James Madison's meaning becomes all the more clear when it is considered that a Republic is a representative government, while a Democracy is non-representative. If the United States were a true Democracy, every citizen would have to vote on every measure and make himself directly felt in every decision now made by the Congress of the United States.

Manifestly, it would be physically impossible for every single American citizen to pass personally upon every single item of often highly technical legislation now handled by the Congress. If this were attempted, government soon would cease to be Democratic and would become Mobocratic, owing to lack on the part of most citizens of the special knowledge and skill gained by

Members of Congress in the course of their duties.

Furthermore, the very unwieldiness of the Democratic machinery of government would make it impossible to protect the rights of all minorities. Under the Republican representative system at present, minority Members of Congress are able, by argument and persuasion, to restrain the majority from committing the excesses which would work injustices upon the minority. Under the present representative system, it is even possible for minority Representatives, facing a common danger to their constituents, to combine and defeat the majority which otherwise might destroy one or another of the people's essential freedoms.

The fact that our nation is a Republic, and that Republicans continue to stand firm for representative government, is the chief reason why there always is hope for America. So long as the minority, of whatever political party in Congress, has the right to check on the majority and thus to bring out into the open any proposals that constitute a threat to freedom and justice, just so long will Americans continue to enjoy that freedom and justice in furtherance of which the Republic was founded.

**Rural Housing Now
Available in Mich.**

Farmers in Oakland and Wayne Counties are showing considerable interest in the new housing bill recently passed by Congress for the purpose of new construction, remodeling, repairs, replacements and additions to any farm buildings.

To be eligible for loans an applicant must be a farm owner, an American citizen, twenty one years of age or more and unable to obtain reasonable credit for his construction or repair work from any other credit source. His farm must consist of any parcel or parcels of land commonly used for agricultural purposes that show a gross income for the past year of \$400.00 or better to come under the Farm Housing.

There are no limits set as to the amount that will be loaned, but as most of the operations this first year will be for repairs and possibly some new constructions, the loans will be moderate.

Anyone interested in obtaining further information may do so at the Farmers Home Administration Office, 318 Hubbard Building, Pontiac, Michigan. This office has supervision over Oakland and Wayne Counties.

Wayne—A new heating code for the village of Wayne is now being drafted.

Dearborn—Continued investigation by Dearborn, Detroit and State Police last week led to the uncovering of what may prove to be one of the best organized safe-cracking rings in the state after discovery of a "headquarters" located in a jewelry store at 5235 Schaefer Road.

Rochester—To what extent Rochester will be decorated for the Christmas season will depend upon the sentiment and support of merchants and professional men in the village.

Birmingham—Nine Southern Oakland county communities, including Birmingham, are going to see if economies can be obtained from a cooperative attempt to collect garbage and rubbish. Birmingham city commissioners approved a \$317.08 appropriation as the city's share in the cost of hiring a competent Detroit firm to undertake the investigation.

Chelsea—Washtenaw county people are scheduled to take part in the 35th annual conference of the Michigan Welfare League in Detroit, Dec. 7, 8 and 9. Geoffrey S. Childs of Saginaw, president of the league, has announced that more than 1,000 delegates from all parts of Michigan, representing private and public health and welfare agencies, are expected to attend.

Howell—Cash and pledges in the Howell community chest campaign now total \$5,404.65, according to a report from Charles Sutton, chairman for the solicitation. Of this amount \$5,275.50 is in cash and \$129.15 in pledges. The goal is \$6,000. Mr. Sutton says a number of local industrial plants have not yet made their reports and when they are in he anticipates there may not be any great shortage from the goal.

Dearborn—The much discussed Dearborn Smoke Abatement law that has been contested by the New York Central and Pennsylvania Railroads and the Brotherhood of Locomotive Firemen and Engineers was postponed for the third consecutive time in Circuit Court recently.

Trenton's Christmas street decorations will be lighted Friday night, December 2, with ceremonies at the master switch Weir Jefferson and St. Joseph avenue, at six o'clock, according to R. R. Bauball, president of the Trenton Businessmen's Association.

Farmington—The Farmington School Board looked the problem of overcrowded school buses squarely in the eye and then acted—it decided to ask for bids for two more school buses. The board has already purchased two others this year.

Plymouth—Adding still another item to the list of things for which Plymouth residents can give thanks is the approaching inauguration of through bus service to downtown Detroit from Plymouth by the Plymouth Coach division of DeLuxe Motor Stages on Monday, November 28.

Wayne—The Village Planning commission has given the heating problems of this area thorough study and have come up with a

THE RIVIERA, WITH ITS SPRING-LIKE WINTER CLIMATE, ITS FASHIONABLE TOWNS AND QUAIN, COUNTRY VILLAGES, ATTRACTS THOUSANDS OF VISITORS EVERY WINTER.

Suggests Ideal Christmas Gift

Those lovely green plants that you have been seeing used as decorative objects in the colorful pictures of lovely new homes and rooms in current magazines will make perfect Christmas gifts.

These green plants fill those first gift requirements of being both lovely and useful; something persons might not afford for themselves, and yet inexpensive for your budgeted gift list.

If you don't know the names of these plants, this information from Nicholas Bayle, home economist at Michigan State College, may help you. Most of the plants are available at local nurseries and if not can be ordered for you if you get your request in early.

Diefenbachia has handsome big leaves and comes in pale yellow green with dark veins for contrast. It would be striking against dark walls. Select the dark variety with white streaks if the walls are lighter.

Ficus is an effective plant with large leather-like leaves, and ranges from around 30 inches to four or five feet tall. Consider one of these for your professional friend's office.

Philodendron has endless varieties and comes in different heights. Look at the point or spade leaf type in dark green or variegated hue. The cut leaf and oak leaf philodendron are effective in their design pattern and add interest to any room. Sometimes small philodendron plants are grown on bark or may be combined with the English ivy.

Don't overlook the handsome rubber plant. It is sturdy and the leaves have a texture which is as pleasing as that of beautiful leather.

A bouquet of rhododendron branches is inexpensive and if kept trimmed and in fresh water will last for almost three months. A single branch can be used to fill in many a spot.

Bird on Flying Trap

The reddish egret of Florida is one of the most skillful balancers in the world. He can stand on a swaying vine even in a strong wind.

Basketball NEWS
The 1949-50 basketball season will get under way tomorrow night when the Northville Mustangs take the floor against Clarenceville at the NHS gym. In many spots the "age" squad roster resembles the football list. The ex-gridders have been hard at it in practice sessions, limbering up short muscles necessary for gridiron drive into long tautsies necessary for basketball speed. Both sports demand precision and timing, but in football a man gets credit for how hard he can hit while in basketball he's penalized for it. The Mustangs have a rugged schedule this year, often playing two games a week, Tuesdays and Fridays.

When the NHS team is on the home floor, a reserve game will always precede the varsity game. The first contest tomorrow night will begin at 7:30, with the second game following at approximately 8:30. Spectators will note that the basket-rims are painted orange, an innovation this season. The new color makes it easier for players to spot the basket-against the white backboard. Another change calls for "jump ball" at the beginning of every quarter. The old rule gave possession of the ball at the start of a quarter to the team having possession when the old quarter ended.

To the Supervisor of the Township of Redford, Wayne County, Michigan. Sir: You are hereby notified that the Board of County Road Commissioners of the County of Wayne, Michigan, did at a meeting held on November 17, 1949, determine that the certain alley described in the minutes of said Board, heretofore taken over as a County Road, should be absolutely abandoned and discontinued as a public highway, reserving therein the easement set forth in said determination.

The portion of the minutes of said meeting fully describing said alley are attached hereto and form a part of the notice which is given under and by virtue of Act 283 of the Public Acts of 1929 as amended. In testimony whereof we have hereunto set our hand at Detroit, Michigan, this 24th day of November, A.D. 1949.

ROAD JURISDICTION DETERMINATION
Comptroller William moved the adoption of the following resolution: WHEREAS, this Board has received a petition from fourteen freeholders of the Township of Redford to abandon said alley, and the said petition, by virtue of the act of 1929, is now pending in the County of Wayne, Michigan, and the Board, in accordance with the provisions of Section 18 of Chapter 4 of Act No. 283 of the Public Acts of the State of Michigan for the year 1929, and amendments thereto, this Board did, by resolution dated October 6, 1949, resolve that a hearing be held on November 3, 1949, at 11:30 a.m., certain standard time, at 2400 Cadillac Tower, Detroit, Michigan, to determine the necessity or advisability of abandoning and discontinuing said alley; and

WHEREAS, pursuant to the above mentioned statute, this Board has served a notice of said hearing upon all of the owners and occupants of lands intersected by or adjoining said alley, and published a copy of said notice in the Legal Courier, a newspaper published within the County of Wayne, on October 14, 1949; and WHEREAS, said hearing was adjourned from November 3, 1949 and held on November 10, 1949, at the place appointed by said resolution and the Board did then proceed to view the premises in accordance with the statute, and

WHEREAS, it appearing from said hearing and view of the premises that the public will have no further use for the alley, and said subdivision so mentioned to be abandoned and discontinued, and it is desirable to maintain therein a public utility easement for the use and benefit of the public, and NOW, THEREFORE BE IT RESOLVED, that the 18-foot public alley lying in the rear of Lots 344 to 358 and Lots 404 to 416 both inclusive of the Grand-Dale Gardens, being a subdivision of part of Secs. 29, 31 and 32, T1N, R10E, Redford Township, Wayne County, Michigan, as recorded in Liber 59 of Plats, on Page 31, Wayne County Records, in all of 0.99 acre of alley, be and the same is hereby abandoned and discontinued as a public highway upon the express condition that there be and hereby is reserved an easement in the lands now occupied by said alley for the installation and maintenance of sewer, water, gas, electric, telephone and all other public utilities for the use and benefit of the public, and all persons, firms or corporations owning or operating said public utilities shall have the right to enter upon said easement for the purpose of installing, maintaining or operating any of said public utilities.

SPORTS
Most Valuable 1950 Captain

Chuck Stephens, 155-pound Mustang right halfback, was elected "most valuable player" of the 1949 grid season by letter-winning teammates after the close of the football season. Stephens, a senior, was noted for his steady, consistent play.

Letter-winning members of Northville's Mustangs elected Fullback Dick Gray to captain the 1950 football team recently. Gray, a junior, replaces Tackle Dick Gussell, also a junior, as field general of the Mustang squad.

Flyers Trip London 6-4 In Wild Game

Temper flared and hockey sticks were used for more than batting a puck around last Monday night at Riverside Arena when the Arena Flyers staged a 6-4 upset over the London (Ontario) Tecumsehs. Daniels, right defenseman for the Flyers, saw red in the second period when London's left wing, Heatherly, slashed him in a melle for the puck. Daniels conked Heatherly, opening a four-inch gash on top of his head, and was thrown out of the game. Heatherly drew a two-minute slashing penalty but was unable to play the rest of the game.

An on-the-spot meeting of the Michigan-Ontario Amateur Roller Hockey league board of commissioners suspended Daniels for one game for his hasty action. The game was fast and hot all the way. The Flyers took a 4-2 lead in the first period and increased it to 5-2 in the second. And the penalties began! Heatherly drew two vacations to the box for slashing, including the one already mentioned, and two other penalties were served by Nannis and Bell.

London came bouncing back in the third period, getting two goals to bring the score to 5-4, with more than five minutes to play. The Flyers pulled out of trouble, however, when Perry nudged in a goal only 10 seconds after the Tecumsehs scored. There were seven more penalties in the last frame.

Next Monday the Easton Packers and the Arcadia Wildcats scramble for the league lead. The Packers are one game out in front at the present time.

Grid Coach Names '49 Letter Winners

Head Football Coach Al Jones released names of major and minor letter winners for the 1949 grid season this week. Twenty-one Mustangs won major awards and nine players will receive minor football letters. And a letter was awarded to the man nobody thinks about one of the long-suffering managers, Bob Dayton.

Major letter-winners include: Ends Leon Holman, Ronny Jennings, Bob Prohm, Dick Sands, and Don Graham; Tackles Hank Biddle, Stan Dahlager, Dewey Keiser and Dick Gussell; Guards Del Black, Bob Cole, Bob Pullen and Bud Canfield; Centers Bob Erwin and Tom Sutton; Quarterbacks Norm Rodamsky and Tom Shrike; Right halfbacks Charlie Dickinson and Chuck Stephens; Left halfback Gerry Heaton, and Fullback Dick Gray.

The nine minor letter awards went to Tackle Howe Meyer; Guards Jim Clark and Russ Palmer; Center Denny Curl, and Backs Clancy Ely, Bill Gash, Don Malskan, John Rackow, and Chuck Kramkow.

Salem Resident Reports Details of Bermuda Trip

By Mrs. Myrland Lyke
Mrs. Fred Carter of Whitmore
Lake and daughter, Mrs. Robert
Wilson of Salem have returned
home from a very enjoyable and
interesting tour of the East and
Bermuda. Following is Mrs. Wil-
son's report of their trip.

We left early Wednesday, Octo-
ber 26, heading north toward Port
Huron, going into Canada by way
of the Blue Water bridge. The
first night we reached Niagara
Falls. Our entire evening and
part of the next day was spent
viewing the mighty falls and
other points of interest. Niagara
is an Iroquois word meaning
"Thunderer of Waters." Some of
the later projects completed at
Niagara are: The Princess Eliza-
beth Building, which provides
accommodation for information
offices of the Parks Commission
and the Department of Travel
and Publicity. The Rainbow
Bridge, completed in 1941, with
an overall length of 1,450 feet;
The Rainbow Bridge Carillon
Tower, composed of 55 bells
weighing from 8 1/2 to 10 tons,
a total weight of 445 tons, and
the largest in the British Empire.
The bells were installed in 1947
and first played in 1948.

We left Niagara, traveling the
Parks Way to the village of Chip-
pewa, crossing the Peace bridge
into Buffalo. This is an inter-
national bridge, a symbol of the
years of friendship between the
peoples of the United States and
Canada. We crossed the Allegany
foot hills (hills to the natives but
mountains to me), arriving in
New Jersey Friday night.

We then crossed the George
Washington Memorial Bridge into
New York City. This is one of
the longest suspension bridges in
the world. Completed in 1931, it
is 120 feet wide and contains an
eight-lane road. Here in New
York City we left our car in a
storage garage and boarded the
steamship "The Queen of Ber-
muda". This ship was used only
a few years as a pleasure boat.
Just before World War two, it
sailed for Belfast to be converted
into an Auxiliary Cruiser or
man-of-war. One of her many
duties was patrolling the Anti-
Atlantic. In 1943 when the British
Government had built and re-
equipped its paper force of regula-
war ships and aircraft, the Queen
of Bermuda was converted to
carry troops. This she did until
the end of hostilities. In the sum-
mer of 1945, the Queen of Ber-
muda underwent a complete
renovation and is now one
of the world's most luxurious
ships.

world famous Great caverns of
mystical underground beauty,
calcite walls, high arched cathe-
dral roofs with their projecting
stalactites like great icicles re-
flected in the clear waters of the
underground lake below. Only
one of the two passages to the
caves was in operation. The
aromas of perfume are wafted
at the time of our visit the passion
flower was being used.

There are many real beau-
tiful trees on the island. Several
builders used it for decoration,
especially porch railings and
doors. Many small articles are
also made of the red cedar. The
people of Bermuda are very
friendly and courteous. Two
thirds of the population are
negroes. The white people are
very tanned by the winds and
sun. On November 1, the tem-
perature was 84. After a very
enjoyable visit on Bermuda, we
sailed back to New York City.

In New York City the most
interesting places to me were
Rockefeller Center (a city with-
in a city), and the Chinese Tem-
ple in China Town. The next
stop of interest were the historic
sites of Philadelphia: Indepen-
dence Hall housing the Liberty
Bell and the Declaration Cham-
ber where the Continental Con-
gress adopted the Declaration of
Independence. July 4, 1776; Car-
penter's Hall built in 1770, origi-
nally for the occupancy of the
Carpenter's Company, a guild of
master carpenters, here in 1774

the first Continental Congress
met; Christ Church where George
and Martha Washington, John
Adams, Benjamin Franklin, Row-
ert Morris and Lafayette at-
tended services; the home of Bet-
sy Ross, who is credited with
having made the first American
flag. We then drove on to Wash-
ington, D.C., attending church ser-
vices at Mount Vernon, Plaza
Mediana Church. Some of the
interesting places visited there
were: The White House (now be-
ing remodeled); the Lincoln Mem-
orial, a massive monument of
marble, the Washington monu-
ment, a shaft of granite 555 feet
high; the Library of Congress;
the Smithsonian Institute; Mount
Vernon and Arlington Cemetery,
where we watched the colorful
changing of the guard. We then
visited Lee's Mansion in Arling-
ton.

We then went on to Gettys-
burg. Points of interest to me
were the Eternal Light of Peace
Monument, dedicated by Presi-
dent Franklin D. Roosevelt at
the 75th Anniversary of the Bat-
tle of Gettysburg, July 1938, and
located on the field of battle; the
U. S. National Cemetery dedi-
cated by President Lincoln, Nov.
19, 1863, at which time he deliv-
ered his famous Gettysburg ad-
dress. (More than 3600 Union
soldiers, including 1600 unknown,
are buried here); the observa-
tion tower on Big Round Top,
permitting a view of the fields
of battle which surround it; many
memorials and cannons cover
these fields and roadways, even
some are in the front yards of
homes; the Gettysburg National
Museum, located near the spot
where Abraham Lincoln deliv-
ered the immortal Gettysburg
Address, containing the nation's
largest collection of Civil War
relics and the world's only elec-
trical map. The electrical map
re-enacts the Battle of Gettys-
burg.

We started home by way of
the Pennsylvania Turnpike, the
American Dream Highway that
cuts 160 miles through seven
mountain ranges. It is the long-
est four lane divided highway in
the United States. We arrived
home with no mishaps, very tired
and very happy to have seen so
much of our own beautiful coun-
try.

DRUNK DRIVERS LOSE THEIR LICENSES

Health Dept. Warns New Car Owners Of Monoxide Peril

Watch out for carbon monoxide
from the car ahead of you as you
peep at it. You are driving a new
model car, the Michigan Depart-
ment of Health warned today.
Make sure that the exhaust
system of your own car does not
endanger you, and then give some
thought to exhaust from the car
ahead.

In some new model cars, the
fresh-air intake for the air con-
ditioned heater is located in the
front fender of grille, directly
in line with the exhaust pipe of
the preceding car. This intake
can and may draw in enough
exhaust fumes to endanger occu-
pants of the car, according to the
Department's Division of Indus-
trial Health, which said some
manufacturers have taken or are
taking steps to eliminate the
danger.

In congested traffic, when you
are within less than 8 feet from
the car ahead or when you are
parked behind a car with its
motor running, close the vents
completely.

Carbon monoxide has no odor,
taste or color. It does not irri-
tate the nose or throat. But less
than one cubic foot of carbon
monoxide in a closed car can
kill the occupants in less than
15 minutes.

That car ahead of you, may
put out of its exhaust pipe as
much as ten cubic feet of carbon
monoxide every minute, depend-
ing on the condition of its motor.

If this carbon monoxide is
drawn into your car, your body
will absorb it before it absorbs
the oxygen in your car. The
smaller the person, the more
quickly he is affected. Your
child may become seriously ill
of carbon monoxide poisoning be-
fore you even feel it. The poison

is especially dangerous to people
with heart ailments.
Symptoms of carbon monoxide
poisoning are: drowsiness, head-
ache, dizziness and nausea.
If you suspect carbon monox-
ide poisoning, take the person
into fresh air at once. If he is
overcome by the poison, wrap
him in blankets to keep him
warm, and give him artificial
respiration, until a physician and
an inhalator or respirator arrives.

Here's something different in
the way of Lard delectables. Roll
stuffed olives in bacon slices, then
place them in the broiler until the
bacon is crisp.

PERSONALS (for you!)

FOUND... a golden opportunity to make money while you
save. Absolutely safe U.S. Savings Bonds pay you back \$4 for
every \$3 you put in them, after only ten years.

TILLIE... Please call me. You'll find me a changed man. I'm
saving money regularly now. Yes, I signed up yesterday to buy U.S.
Savings Bonds through the wonderful Payroll Plan. Bill.

AVAILABLE... two trouble-free, all-automatic ways to buy
U.S. Savings Bonds. 1. The Payroll Savings Plan, the only install-
ment buying plan. 2. The convenient Bond-A-Month Plan, for those
not eligible for Payroll Savings.

LOST... a lot of financial worries I used to have before I began
buying Savings Bonds regularly. If anyone finds my worries, he
can lose them the same way I did. T.R.

REWARD... a fine feeling of security is hereby offered to any
man or woman who invests in the future by buying U.S. Savings
Bonds. Starting when? Why today, of course!

FOUND... a long overdue recognition. I am a
woman who has discovered the value of U.S. Savings Bonds.

AUTOMATIC SAVING IS SURE SAVING U. S. SAVINGS BONDS
