

## Lincoln's Birthday . . . February 12

Like the great men, Abraham Lincoln, whose birthday we celebrate Sunday serves as an inspiration for bigger and finer achievements in our Democracy. Let us follow his example with action as well as speech to perpetuate the freedom of the Democratic way of living he worked so hard to create.

## Community Concert Series Becomes Village Project

Because it has become too large an enterprise for one organization to handle, "Community Concerts" at a meeting Thursday night was reorganized so that it will be a community project. The concerts formerly were under the sponsorship of the Business and Professional Women's Club.

Representatives from most of the organizations in the Village met at the Village Hall Thursday night and elected the following officers: president, Mrs. L. M. Eaton; first vice president, Mayor Conrad E. Langfield; second vice president, Dr. Stuart Campbell; third vice president, Mrs. A. C. Carlson; recording secretary, Mrs. Harold Fredsell; treasurer, Donald P. Yerkes; directors, Dr. R. Haskell, Mrs. B. Connors, Mrs. W. H. Cansfield, Mrs. Del Hahn, Mrs. D. P. Yerkes, Mrs. Clarence Davis, Dr. S. Campbell, Rev. W. Hughes and Leslie Lee.

General chairman is Dr. Stuart Campbell and co-chairman is Mrs. K. H. Babbitt. Mrs. Frank Russell is campaign secretary and Mrs. Emma Reid will assist her at headquarters at Allan and Locke, Inc. during the concerted membership drive to be held from May 8-13. On Monday, May 8, there will be a workers' dinner with Mrs. William B. Walker, Jr. as chairman.

These new officers will begin their work on March 1 to enable them to be ready for the membership campaign in May. The present officers will carry on through the final concert of this season.

Two years ago when the B. P. W. was getting organized, this group was challenged by the idea of bringing good music to Northville and the surrounding community. Under the guidance of President Mrs. Arthur Carlson and the concert chairman, Mrs. K. H. Babbitt, "Community Concerts" is in its second successful year.

It was felt by those most active and interested in the project that before entering into the campaign for memberships for the third year, the community concert sponsorship be reorganized so that more people could actively work in bringing good music to the community, thus assuring a large patronage.

Through the action of the Board, new memberships for the 1950-51 season may be purchased before the last concert of the season from Mrs. Frank Russell, campaign secretary. Those holders of the 1950-51 tickets will be privileged to attend the George London concert, to be held in the auditorium of the Wayne County Training School.

Brilliant new color motion pictures of a comprehensive motor tour of "Beautiful France" will be shown by Austen West, witty young South African adventurer and crack color cameraman, in a World Adventure Series public lecture at 3:30 next Sunday afternoon, February 12, at the Detroit Institute of Arts.

## Legion Toy Drive Declared Successful

Operation TOT, the Tide of Toys, which received enthusiastic nation-wide publicity and support, was well backed by residents of Northville, reports Con Springer, who was Lloyd H. Green Post 147 TOT chairman for the American Legion.

The drive which collected Christmas toys for Europe's children, designed to make them friends of America, collected over 150 pounds of toys in the village. These were shipped to Europe under auspices of CARE.

Members of the American Legion handled packaging and shipping of the toys, which were collected at Northville's churches. Members of the Legion wish to express their thanks for the manner in which the village's citizens responded to the call and for the cooperation of all concerned in making the collection successful.

## Scout Tag Day Set for Saturday

The Boy Scouts, Cubs and Explorer Scouts this Saturday, February 11 will be on the streets from early morning until 6:00 p. m. conducting a Tag Day.

The funds derived from the drive will be used to pay for the bus which they recently purchased. The merchants of Northville contributed money this fall so that the Scouts could make a down payment on a bus. Money from the Drive Saturday will be used to clear up the debt.

## Local Men Installed As Pythian Officers

At the Plymouth Lodge No. 238, Knights of Pythias installation ceremonies held last Thursday evening, two Northville men were installed in offices. They were James Willis of Linden street and Fred Van Atta of East Cady street.

Those newly elected officers who were installed into the K. of P. were: Chancellor commander, Ernest Rossow; vice commander, James Willis; prelate, Fred Van Atta; master of work, Harold Yagley; secretary and financial secretary, Frank Henderson; treasurer, Jasper McLeod; master at arms, Charles Miller; inner guard, Frederick Thomas; outer guard, Glenn Davis.

Past Chancellor Russell W. Bingley was the installing officer and he was assisted by other lodge past chancellors. Families and friends of the lodge attended a pot luck supper preceding the installation ceremonies.

Leslie G. Lee of Fairbrook is the new choir director of the Wayne Methodist church.

## Mustangs Bounce Plymouth, 32-30

The Mustangs revenge an earlier basketball defeat last Tuesday night in downing the Plymouth Rocks, 32-30, on the Rocks' home floor. Plymouth had won from Northville last Dec. 20 on the NHS floor by an equally close margin, 45-43.

The Mustangs had a 9-3 lead at the end of the first quarter, and stayed ahead the rest of the game, despite relentless Rock pressure which pulled them to only a point behind with two minutes left in the game.

At the automatic timeout in the last period, with three minutes left, Northville led 28-25, but a Rock field goal by Fenton put the game right back into the fire. Gerry Heaton then took a pass in the foul circle, backhanded the ball to Bob Prom under the basket and Prom popped it to regain the precious three-point margin. Mark dropped in a free throw for Plymouth, and the Rock team, over-anxious to get possession of the ball, began fouling. Dick Gray and Heaton sank two free throws to raise the lead to four points with a minute left, and Jetter's basket for the Rocks was the last of the scoring before time ran out.

The Mustangs were never more than six points ahead and with the Heaton-Gray-Poulos-Robinson-Jennings combination clicking, Coach Harry Smith made only two changes, sending in Prom and Dick Stanley. Prom's score was perhaps the crucial basket of the game because it came when it was so badly needed.

Heaton was high scorer on four baskets and seven free throws for 15 points. Fenton led the Rocks with 11.

The summary:  
Northville—32 FG FT TP  
Prom . . . . .1 0 2  
Gray . . . . .1 1 3  
Poulos . . . . .2 2 6  
Heaton . . . . .4 7 15  
Robinson . . . . .1 1 3  
Jennings . . . . .1 1 3  
Stanley . . . . .0 0 0  
Plymouth—30  
Fenton . . . . .5 11 11  
Jetter . . . . .1 0 2  
Finney . . . . .3 1 7  
Mark . . . . .1 4 6  
Reitzel . . . . .0 2 2  
Dzuril . . . . .1 0 2

Quarter Scores—  
Northville . . . . .9 16 27 32  
Plymouth . . . . .3 12 21 30  
The Rock reserves piled up a 57-24 score against the Northville Colts, with Travis pouring in 30 points for Plymouth in the first game of the evening.

The fast, tricky Rock attack left the Colts behind from the beginning, with Northville trailing 22-5 in the first period. Dick Gussell collected nine points to lead Colt scoring.

## Enlarge Walled Lake Telephone Office

The Michigan Bell Telephone Company announced today that the Chissus Construction Company, of Birmingham, had been awarded a contract to build an addition and make certain alterations to its community dial office building at Walled Lake.

At the time the present structure was completed, the war intervened before the dial switching equipment could be purchased.

When the equipment became available several years later, the local exchange had grown at such an unprecedented rate the building was not large enough to house all of the switching facilities required for an exchange of this size.

Erwin E. Scherdt, manager for Michigan Bell, said the building addition and alterations would cost about \$10,000.

Plans for installing the automatic equipment and converting the exchange to dial operation will be announced at a later date, Scherdt said.

Alterations to the present building involve raising the ceiling height to accommodate a larger and more modern type of dial switching equipment.

Mr. and Mrs. C. E. Bessert and family of Detroit were Sunday visitors at the home of Mr. and Mrs. Leslie G. Lee on Fairbrook Road.

## Methodist Men To Enjoy Oyster Supper

The Fisherman's Club of the Methodist Church are having an old fashioned oyster stew supper and meeting Thursday, February 16 at the church house beginning at 6:30.

Movies and a short business meeting will follow the supper. All men are welcome. Tickets are sixty cents each. For reservations call Rev. Hughes, D. J. Stark, Roy Stone or Harry Sedan.

## Parking Meter Hours Changed

At the Village Commission meeting Monday evening, the hours for the parking meters were changed.

Parking meters are effective Monday through Saturday from 9:00 a. m. to 6:00 p. m., excepting holidays. The change in hours goes into effect immediately.

The Council also passed a resolution to the effect that all the money collected by the village in the parking meters be put in a separate fund to be used for establishing and providing adequate alleys in the downtown areas and for providing off street parking lots.

The Council appointed Mrs. Ernest J. Willis and Mrs. H. Harner to serve on the election board on February 18. These ladies will be on hand next Saturday from 9:00 a. m. to 8:30 p. m. to take the names of those citizens who wish to register for the forthcoming election March 13.

The Commission gave the Boy Scouts permission to conduct a Tag Day February 11 for the purpose of raising funds to pay for the Scout bus. Regular reports were heard and no further business appearing, the meeting was adjourned.

## U-M Course To Be Taught at Plymouth

Announcement was made last week that the University of Michigan will offer an extension course for credit at the Plymouth High school this coming semester. Entitled, "Mental Hygiene of Children and Adolescence," two hours credit will be given for it in either undergraduate or graduate study.

This course is open to anyone in this area and it will be taught by Dr. William Morse, assistant professor of educational psychology and director of the University's Fresh Air Camp.

Registration for the course will be held February 13 and the application blanks are available at the office of Helmer Nelson, superintendent of schools. It will be taught for 16 weeks at the High school from 3:45 to 5:45 p. m. each Monday. Cost of the course for undergraduates is \$14.00 and for graduate credit, \$16.00.

## Show Religious Movie February 17

Cecil B. DeMille's "King of Kings" will be shown February 17 at 8:00 p. m. in the parish hall of St. Paul's Lutheran Church. Under the auspices of St. Paul's Lutheran Laymen's League Men's Club, no admission will be charged, but a free-will offering will be taken to help defray the expense of showing the film.

"King of Kings" is a film which depicts the latter years of Jesus' life. It opens with a scene in the home of Mary Magdalene. Her selfishness fades into repentance and humility when she meets Jesus and she becomes his faithful follower. Emphasis is shown on the miraculous and on the betrayal, trial and crucifixion. The characters of Jesus and the Disciples are outstandingly portrayed. Running time of the picture is 115 minutes and everyone is welcome to attend this fine movie.

Mr. and Mrs. Paul Grier and daughter, Barbara Gale of Dearborn were Wednesday evening guests of Mr. and Mrs. D. Harper Britton and Mrs. Edith Grier. Mr. Grier attended the Optimist Club dinner with Mr. Britton.

## Livonia Township Becomes A City

By a vote of 2,523 to 1,746, the city of Livonia was born. The election Monday in the 36 square mile area which lies east and south of Northville climaxed a three month battle.

A nine member charter commission was elected also for the purpose of drawing up a city charter which will be presented to the electorate about the first of June. Named to the commission were Harry Wolfe, Carl Wagenschutz, Ray Grimm, Daniel McKinney, W. W. Edgar, William Brashner, Leo Nye, Rudolph Kleinert and Fred Weinert.

Of the six precincts in the township, four were in favor of incorporation and two were not. Those which voted against incorporation were the farming area around Seven Mile and Farmington Roads and the Elm Community where the Michigan Racing Commission horse track is now under construction.

## Prowlers Break Into Lumber Company

Early Saturday, February 4, the Northville Milling & Lumber Company was again broken into and entered. The incident was reported by Don Yerkes, owner of the company Saturday morning.

The Northville Police department was called and upon investigation they found that a window was broken on the east side of the office and the pane broken out of another. Those who entered the office pried off the bottom hinge on the safe and damaged the hinge at the top. Nothing was taken.

Monday morning at 3:30 Edsel Eugene Samhat of 27230 Grand River, Detroit ran off the road at the sharp curve on Randolph street. He was driving on Eight Mile Road towards Northville when the accident occurred. He received facial injuries and was taken to Sessions Hospital. He was transferred to Mt. Carmel Hospital, Detroit. Monday night for further X-rays.

Al Innis is now selling cars for Rathburn Chevrolet Sales.

## Clergymen Protest H-Bomb Making

A, strong protest against the manufacture of the hydrogen bomb by the United States is made in a statement issued today by John Haynes Holmes, Minister Emeritus, Community Church, New York; Clarence Pickett, Sec'y, American Friends Service Committee; Paul Scherer, Professor, Union Theological Seminary, New York; Kenneth S. Latourette, Professor of Missions, Yale University; Frank Wright, Dean of School of Education, Washington University, St. Louis and 25 other leading Christian theologians, ministers and educators. They express the belief that "the moral prestige of the United States suffered a heavy blow when by a unilateral decision this nation launched atomic warfare on Hiroshima and Nagasaki in 1945" and warn that "the moral standing of our country, especially among the masses of Asia and Africa, will be undermined almost beyond repair if we now proceed by another unilateral decision to launch the terror of hydrogen bombs on the world."

The signers contend that "the atomic bomb did not bring safety" and the production of hydrogen bombs "can only represent a further investment in insecurity."

Suggesting that "the stalemate in which the negotiations between the Soviet Union and the United States have long been stalled and the suicidal armaments race . . . will not yield to ordinary measures" the statement declares that "for Christians and the Christian Church . . . the issue posed anew by the hydrogen bomb is not primarily whether the United States can afford to run the physical risk of being subjected to atomic warfare, but whether it can afford the spiritual risk of slaughtering other peoples in atomic warfare, of losing its soul in the hope — probably vain — of saving its skin." The nation now needs "an outpouring of the Holy Spirit upon us, giving us a living faith in God and the weapons of the spirit rather than the weapons of the flesh."

In releasing the statement the signers declared: "That the President should have made this fateful decision before there could be any adequate discussion of this life and death issue by the people or even by Congress

Michigan's state government received \$506.4 million in its various operating funds in 1948 to finance the various programs which the state undertakes, according to a study just completed by the Bureau of Governmental Research, Detroit.

Such receipts were 67 per cent greater than those received in 1945-46.

Seventy-two per cent of the state's revenues this past fiscal year came from taxes — such as the sales tax, cigarette tax, corporation tax, gasoline tax, weight tax, intangibles tax and many others.

Revenue from state enterprises, regulatory services, patients and convicts and miscellaneous sources accounted for 14 per cent of the total.

The remaining 14 per cent came from Washington in the form of "grants-in-aid" to help finance those programs which Congress has decided at one time or another that the state or local units should undertake.

With the exception of the charges that the state makes for certain services, all its revenues come from taxes — direct or indirect — levied upon all of us as individuals, consumers or business men. In most instances the tax money goes to Lansing. But \$73.1 million comes to Lansing via Washington. That money, nevertheless, is from the pockets of Michigan taxpayers.

Michigan state government paid to its local units of government 61.2 per cent of its total revenues in 1948-49. Most of this "aid" came direct from Lansing — having been raised by state-wide taxes. But a portion of such aid was funneled through Lansing from Washington to the local units of government. During the past four years well over one-half of the state's revenues are distributed back to local units.

Local units of government — cities, villages, townships, school districts, counties and other special districts — and many citizens sometimes forget that this money which is "given" them by the state can come from from only one source — TAXES.

TAXES regardless of what government collects them or which one in the final analysis receives them to expend are paid by all of us who receive an income.

Every dollar spent by government is a dollar the citizen does not have to spend for himself at his own choice.

## Mother of Five Wins Top Grades at MSC

Mrs. Alice Dunham Henshaw, mother of five children, returned to Michigan State College last fall after a 17-year absence and amassed an All-A average.

Mrs. Henshaw, an East Lansing housewife, was a freshman art student in 1933 when she met and married G. H. P. Henshaw, a telephone company employee. "Now, with our youngest son, Reggie, 5, in school, I'm resuming my art studies at Michigan State," said Mrs. Henshaw. In addition to perfect grades in three art courses, she made one of the highest grades ever recorded in one comprehensive "screening" test, and joined 47 others at Pres. John A. Hannah's term banquet honoring All-A students.

For plump juicy prunes, apricots or other dried fruits, soak overnight or for several hours in tepid water. Cook in soaking water in a double boiler until tender. Slow cooking over indirect heat keeps fruit tender, plump and juicy advises Faye Kinder, Michigan State College home economist.

raises the question whether any claim that we still have a responsible and democratic government is not a mockery."

## HISTORY OF NOVI

By Alice Waite

Editors Note: This is the first in a series of articles on the history of Novi as written by Alice Waite.

Looking at a map of Novi, we will go to the T. in R 8 E, Sec. 21, the W. 1/2 of the S. E. 1/4 occupied by George Simmons, one of the descendants of Joshua Simmons. The farm was taken up from the government by Jason Macomber when Michigan was still a territory.

In 1840, the land was purchased by Joshua Simmons (great-grandfather of George) and instead of a deed he was given what at that time was called a patent signed by Pres. Andrew Jackson. At that time this farm consisted of 151 acres. Joshua Simmons was the eldest of a large family and was born at Dighton, Bristol County, Mass., April 12, 1810 and died April 12, 1882.

The same year that Joshua was born, his family moved to Bristol, Ontario County, N. Y. where he attended school and worked on the farm until he was 21 years old. He then obtained employment working for \$13.00 per month until he had saved \$225.00 and at the age of 23 years he came to Michigan, first settling on 160 acres of Section 6 of Livonia, Wayne County.

After selecting his property he returned home and worked for two years and on January 13, 1826 he married Hannah Macomber. The following September he came to Michigan with his bride to make a home in the wilderness. They came via the old steamboat, "Superior" on Lake Erie to Detroit. It took three days to arrive at their destination, a distance of 30 miles.

After the teamsters, Leland and Wardell Green brought their furnishings out for them he lacked \$5.00 of having enough money to pay them. It was a rainy day when their furnishings arrived but they were unloaded and he stayed with them all night while his wife stayed at a Mr. Thayer's home, a mile away. They agreed if everything was all right in the morning he would fire a gun while she listened intently and when hearing it, she walked through the woods to a newly constructed cabin which had been built, with the help of pioneer neighbors, in one day. The roof was made of basswood boughs. To this union, seven children were born.

Mr. Simmons was said to be a natural mechanic. He erected the first barn in these parts on the Erastus Starkweather farm in 1827; he hewed the timber for the first mills in Farmington and Farmington Township, the latter one being owned by Edward Steele.

The first election he ever at-

tended was held somewhere in Dearborn and the family started before daylight to get to the polls, following a blazed trail through the forest. In due time the cabin was demolished and in 1841 a new residence was erected which was said to be the finest in the county. He was a Democrat of the Jacksonian school and a Universalist in religion.

After Joshua Simmons' death, the farm was transferred to the eldest son, Richmond C. Simmons who was born in 1827. He married Huldah Power and they had four children: William Ira, born in 1851 and died in 1947, the father of Mrs. Earl Banks and Mrs. Ethel Flint of Novi; Duana A. Simmons, Frank Morrell, and Fred Power Simmons, the father of George Simmons.

In 1890, Richmond C. Simmons, deeded the farm to Fred. Richmond married Anna Belle Sutton in 1889 and to this union were born: Mary Lucile (Hill), Arthur Joshua, George Richmond and Fred LeRoy Simmons.

George Simmons married Norine Hogle of Farmington in 1919 and bought the farm from his father. They have four children, Mrs. Lucille Mihay, Mrs. Barbara Jean Jernigan, Richmond Hogle and Bruce Eugene Simmons.

Of the original 151 acres, 75 1/2 acres are now owned by Benjamin Soffe, including the lovely 11 room brick home which Fred Simmons was born in. The old red brick house has been remodelled, with a tenant house built in the rear. George Simmons owns the remaining land, 60 acres of which are given over to orchards, which is the eastern portion of the farm.

The Boy Scouts of America was incorporated on February 8, 1910 in the city of Washington, D. C. Colin H. Livingstone was the first President of the National Council.

Cub Scouting for younger boys was organized by the Boy Scouts of America in 1910. Since then more than 2,500,000 boys have been enrolled.

## Retailers Push Egg Sales to Aid Farmers

Retail and chain store grocers in Michigan have joined poultrymen in pushing eggs and poultry products during the current surplus, according to J. M. Moore, poultry extension specialist at Michigan State College.

"Many grocers are giving special attention to eggs, pointing out with advertising and sales promotion that they offer a fine opportunity to balance both the budget and the diet," Moore said. One large chain grocery firm reports they are featuring eggs "and will continue to do so as long as they are causing a surplus problem."

Moore said the current surplus is causing the industry great concern as orders are being placed or delivery is being taken now for chicks that will produce next winter's eggs. "If too many producers become discouraged, flock numbers will go down and consumers will find the price situation on eggs next winter just the reverse," the poultry specialist predicted.

A good point to consider when buying sheep is the length of the jaws, say Michigan State College sheep specialists. If the jaws are of unequal length, it's difficult for the sheep to make the best use of roughage to produce meat and wool.

You quickly see, too, that these low-built Hudsons for 1950 have full road clearance and more head room than in any mass-produced car built today—thanks to "step-down" design with its recessed floor!

And amazing head room is only one kind of spaciousness you'll find in these great cars! Through "step-

down" design and ingenious use of space that is wasted in other makes, these new, streamlined Hudsons of normal exterior width bring you seat cushions that are up to 12 inches wider than those in cars of greater outside dimensions.

In fact, when you try "The New Step-Down Ride", you'll find the New Hudson has more inside room than any other car, at any price!

You'll thrill to the get-up-and-go performance of your choice of two of the greatest engines in a long line of great Hudson engines—the high-compression Super-Six, America's most powerful Six, or the even more powerful high-compression Super-Eight!

But these are only a few of the great features of "The New Step-Down Ride" that mean more value at less cost. There are more, so many more that the only way to really appreciate all that the New Hudsons for 1950 have for you is to come in, try them yourself. May we expect you soon?

## Nutrition Needs Can Be Met Inexpensively

In planning your family's meals around the basic seven food groups you will find some fairly abundant and relatively inexpensive selections in each group.  
 Some suggestions for the leafy green and yellow vegetable group are made by Winston Osborn, Michigan State College home economist. You need at least one serving daily from this group.  
 Carrots will give more than enough for one day's vitamin A needs for adults and children. Green beans give about one-fifth of one day's needs. Winter squash gives about four-fifths of a day's needs. These recommendations are based on one serving. Second servings from this group will add to the vitamin A requirements.

**CARD OF THANKS**  
 We wish to thank the many relatives, friends, and neighbors for their kind expressions of sympathy during our recent bereavement.

**Reverse Image Mirror**  
 An inventor in Hamburg, Germany, claims he has developed a mirror with a reverse image, permitting the viewer to see himself as others see him. Franz Mueller, the inventor, is a bit nervous about showing the device or allowing it to be photographed, however, he said, it will be placed on exhibition when patented. In this mirror left is really left and right is right as against the "backward" reflection of the conventional mirror.

**Naming U. S. Battleships**  
 Battleships are named for states or cities.

## OBITUARY

**JOHN L. NELSON**  
 Villagers will be saddened to learn of the death of John L. Nelson, aged 52, who passed away Friday in St. Petersburg, Florida. Mr. Nelson, for many years lived at the corner of Hagerty and Five Mile Roads and was well known in Northville as he was president of the Northville Horse Shows for several seasons.  
 Services were conducted Wednesday from the William R. Hamilton Funeral Home in Detroit and burial was made in Oakview Cemetery, Royal Oak.  
 Surviving is a daughter, Mrs. Frances Bowedley of Plymouth. His wife preceded him in death in 1949.  
 Mr. Nelson was born in Cleveland, and he attended the Detroit College of Law, graduating in 1930. He was a veteran of World Wars I and II, retiring shortly after V-J Day with the rank of major with the Army Air Forces. In World War II, he served in China, Burma, North Africa and India.  
 Besides serving as president of the Northville Horse Show, Mr. Nelson organized the Coliseum A. C., which presented boxing matches at both the Fair Grounds and the Olympia.

**MRS. MINNIE M. HUTTON**  
 Mrs. Minnie M. Hutton of Walled Lake passed away January 31 at her home at 111 South Pontiac Road at the age of 89 years. She had been in poor health for several years.  
 The body lay in state at the Richardson-Bird Funeral Home. Funeral services for Mrs. Hutton were conducted February 3 at 2:30 from the Walled Lake Methodist church with Rev. C. F. Oliver officiating. Interment was made in Oakwood Cemetery, Northville.  
 Surviving are three sons, Charles E. of Walled Lake, Louis S. of Detroit and Kenneth P. Hutton of San Francisco, California. Also surviving are one sister, Ida M. Jackson of Detroit, and two grand children and two great-grandchildren.  
 Mrs. Hutton was united in marriage to William Hutton in 1882, who was at one time postmaster in Northville. She resided here for many years, having graduated from the Northville High school. While residing in Walled Lake, she was a member of the Methodist Church, Study Club and the Civic Welfare Club.

**LEON SHUART**  
 Many villagers were saddened last week to hear of the death of a former Northville resident, Leon Shuart. Mr. Shuart had resided in Howell for the past five years. He died at Pontiac Hospital Wednesday, January 25. Funeral services were held last Saturday and burial took place at Riverside Cemetery in Plymouth.  
 Mr. Shuart was born March 29, 1878 in Superior Township, Washtenaw County, Michigan. He was the son of Ed and Ida Shuart. For many years Mr. Shuart owned a farm located at the corner of Eight Mile and Hagerty Road. He was also in the bakery business here at one time.

Surviving the deceased are the wife; one son, Rex of Howell; one brother, Bert of Jackson; three sisters, Mrs. Nettie Pooler and Mrs. Ann McClerg of Detroit and Mrs. Nina Heehy of Marlette; three grandchildren and many nieces and nephews.

**CLINT JONES**  
 Funeral services for Clint Jones were conducted from the Casterline Funeral Home Saturday afternoon with Rev. Bichem Wick of the Temple Baptist Church of Detroit officiating. Burial took place in the Oakland Hills Cemetery. Mr. Jones died Thursday, February 2 at East-lawn Sanatorium, where he had been a patient for a year.  
 Mr. Jones was born forty years ago, in Wallonia, Kentucky, the son of Mr. and Mrs. Jeff Jones, who survive him. He also leaves two sons, Bobby Joe and Henry, two daughters, Dorothy and Mary Belle of Princeton, Kentucky; one brother, Willie of Princeton and three sisters, Mrs. Mattie Jones and Mrs. Reba of Detroit and Mrs. Dimple Love of Illinois.  
 Previous to his stay at East-lawn, Mr. Jones lived in Detroit and was employed as a construction contractor.

**IN MEMORIAM**  
 In loving memory of Mrs. Del Martin, who passed away February 2, 1942. "Gone but not forgotten."  
 Her husband, Del Martin. 36x

**CARD OF THANKS**  
 The family of the late Roy Van Valkenburgh wishes to thank their relatives and friends for the many flowers and cards sent to them at the time of their recent bereavement. Especially do they thank the F. & A. M., Union Chapter, Knights Templar and Eastern Star of Northville. These kindnesses will never be forgotten. 36

**MRS. RUSSELL G. CORBIN**

**Gladys Hammond Wed in Detroit**

Gladys Irene Hammond, daughter of Mr. and Mrs. C. Oscar Hammond, 511 North Center street, was united in marriage with Russell G. Corbin, son of Mrs. Elwin Corbin, Fischer Avenue, Detroit, Saturday, February 4 at eleven o'clock at Nativity of Our Lord Church, Detroit.

For her wedding Gladys was dressed in beige crepe, with an emerald green satin hat and matching accessories. She carried a bouquet of white roses centered with a white orchid.

Marilyn Corbin, sister of the bridegroom, and Donald Duggin, both of Detroit, were the attendants. Marilyn wore an emerald crepe dress. Both mothers wore navy blue dresses for the occasion.

A wedding breakfast for the immediate families followed the ceremony at Hillside Inn, Plymouth.

At 8:30 that evening a reception was held at Veterans' Memorial Hall in Northville with over 140 guests present. Clyde Hinman's orchestra furnished music for dancing.

The wedding table held a large four tier wedding cake, white tapers and baskets of yellow daffodils and white snapdragons were set on each side of the cake. Mrs. Carl Ely, aunt of the bride, presided at the tea table.

The young couple left for a few days trip to Toledo and upon their return, the new Mrs. Corbin will resume her employment with Pan American Airlines in Detroit and her husband will resume his senior year at the University of Michigan.

**Ferris To Graduate 2 Northville Men**

Two Northville young men are among the 42 listed from Ferris Institute College of Pharmacy to take the Michigan state board of pharmacy examination at Ann Arbor, February 21 and 22.

John A. McKenna and Russell G. Merithew are listed to complete their work for their B. S. Degrees in pharmacy at the close of the winter term in February.

They have been there for four years preparing for their life work and hope to be among those who pass the state test late this month.

School for the winter term ends February 24, with the spring term enrollment being held February 27 for new students.

Any citizens wishing to help in this Aid should notify Mrs. E. J. Willis, chairman.

**Mrs. Biddle Honor Guest at Stork Shower, Friday**

Mrs. Roy VanBuren of Plymouth and Mrs. Harold Searfoss of South Rogers street were co-hostesses last Friday evening at the latter's home at a stork shower honoring Mrs. Vernon Biddle of East street.

Those ladies who attended the event were Mrs. John Thomasson, Mrs. Gene Hines, Mrs. Charles Searfoss, Mrs. Dave McElravy, Muri Parmalee, Mrs. Matt Boring and Mrs. Gene Garner of Northville; Mrs. Hamilton Searfoss, Mrs. Clarence Bradford and Mrs. George Molner of Plymouth; Mrs. Clarence Dietz, Mrs. Leonard Schoultz, Mrs. Herb Bowers, Mrs. Emma Wunderlick, Mrs. R. Kempton, Mrs. John Clarke, Miss Helen Tiotrowski and Miss Mary Kvasnak of Detroit.

**Remodeling of Clothes To Be Taught Feb. 10**

A program on the remodeling of clothes for economy and good style will be taught by Miss Emma DuBord, Wayne County Home Demonstration agent at the Northville Library, Friday, February 10 from 10:00 a. m. to 3:30 p. m.

"Remodeling never grows old," says Emma DuBord, "because fashion changes make it ever new." The first problem is to decide how much and what kind of restyling a garment needs—and is worth. Changes in length and little refitting are not so difficult, but a complete remodeling job is a major operation. The leaders meeting will include a clinic for discussion of ways and means of restyling clothes brought in by the leaders.

**Jacqueline Ely Has 10th Birthday Party**

Jacqueline Ely of South Center street celebrated her 10th birthday Saturday afternoon with a party for several of her classmates.

The children played games and then went on a scavenger hunt, returning to the Ely home for refreshments which were served by Jackie's mother, Mrs. Ivan Ely.

Those who attended the party were Sandra Walters, Margaret Witt, Alice Sutton, Susan Ely, Sara Jane Ely, Ivan Ely, Jr., Carol Lyke, Barbara Williams, Nancy Stamann, Ruth Ann Clarke, Judy Robinson, Susan Blackburn and Karen Thibos.

**Mrs. Douglas Bell Honored**

Mrs. Douglas Bell (Virgie Stanley) of Plymouth was the honored guest at the stork shower given Friday night by Mrs. Douglas Slessor (Rosemarie Hauger). The affair took place at the Slessor apartment on South Center Street.

Guests who attended the shower were former classmates Joanne Tuck, Mrs. Robert Hansor (Daphene - Shoebridge), Lorraine Rieger, Mrs. Earl Croll (Greta Chappell), Marjorie Storianoff, Mrs. Gene Howes (Dorothy Stevens) and Marjorie Boyd.

The Teachers Club will hold a Valentine party at the Scout Building February 22. In charge of the event are Mrs. Nita Wolfe, Miss Florence Keith, Mrs. Ann Chizmar, Miss Elizabeth Vickland, Charles Yahne and Elroy Ellison. The group will square dance and play cards. Weather permitting, skating will take place on the Mill Pond.

**Ford's won it again!**

The New York Fashion Academy  
Gold Medal Award for the Fashion Car of the Year

WHAT sterling is to silver, the Fashion Academy of New York is to the world of fashion—the last word! And again for 1950, as for 1949, it has selected the Ford Car to receive its distinguished gold medal award as "Fashion Car of the Year." There is, we believe, no greater proof of the beauty of the '50 Ford. And there's no greater proof of its fine performance than a 10-minute "test drive." Your Ford Dealer will be glad to arrange it.

## LEGAL NOTICES

To the Supervisor of the Township of Redford, Wayne County, Michigan. Sir: You are hereby notified that the Board of County Road Commissioners of the County of Wayne, Michigan, did, at a meeting of said Board held on Thursday, January 12, 1950, decide and determine that the certain alleys described in the minutes of said Board, heretofore taken over as County roads, should be absolutely abandoned and discontinued as public highways, reserving therein the easement set forth in said determination.

The portion of the minutes of said meeting fully describing said alleys are attached hereto and made a part of the notice, which is given under and by virtue of Act 283 of the Public Acts of 1909 as amended.

In testimony whereof we have hereunto set our hand at Detroit, Michigan, this 18th day of January, A.D. 1950.

**ROAD JURISDICTION DETERMINATION** Commissioner Wilson moved the adoption of the following resolution: WHEREAS, this Board has received a petition from ten freeholders of the Township of Redford to abandon and discontinue the 20-foot public alley in the rear of Lots 870 to 886 inclusive and the 18-foot public alley in the rear of Lots 1244 to 1260 and 1333 to 1345 both inclusive of Sheet No. 2 of Frischkorn's Grand-Dale Gardens, being a subdivision of part of Secs. 29, 31 and 32, T15, R10E, Redford Township, Wayne County, Michigan, as recorded in Liber 59 of Plats, Page 32, Wayne County Records, said alleys being county roads under the jurisdiction of this Board, and

WHEREAS, pursuant to said petition and in accordance with the provisions of Section 18 of Chapter 4 of Act No. 283 of the Public Acts of the State of Michigan for the year 1909, and amendments thereto, this Board did, by resolution dated November third, 1949, resolve that a hearing be held on January 5, 1950, at 11:00 a.m., E.S.T., at 3800 Cadillac square, Detroit, Michigan, to determine the necessity or advisability of abandoning and discontinuing said alleys; and

WHEREAS, said hearing was held at the time and place appointed by said resolution and this Board did then proceed to view the premises in accordance with the statute; and hereby determined that the said alleys should be absolutely abandoned and discontinued as public highways upon the express condition that there be and hereby is reserved an easement in the lands now occupied by said alleys for the installation and maintenance of sewer, water, electric, telephone and all other public utilities for the use and benefit of the public, and all persons, firms or corporations owning or operating said public utilities shall have the right to enter upon said easement for the purpose of installing, maintaining or operating any of said public utilities.

BE IT FURTHER RESOLVED, that this Board believes it to be to the best interests of the public that said alleys so abandoned and discontinued should be absolutely abandoned and discontinued as public highways, reserving therein the easement as herein set forth. The motion was supported by Commissioner O'Hara, and carried by the following vote: Ayes, Commissioners O'Brien, O'Hara and Wilson; Nays, None. 34-35

Since the founding of the Boy Scouts of America in 1910, the grand total of boys and leaders enrolled is 16,500,000.

Producing clean eggs gives two-way profits. First, it saves labor that would have to be used in cleaning eggs, and second, it often means that higher prices can be secured for the eggs.

Farmers who are interested in purchasing a large, expensive farm machine for special jobs, can often interest neighbors in joining on a cooperative basis to share expense and work.

# The Third Time The Anti-Trust Lawyers Were Wrong!

## What Has Gone Before

Today's ad is the third in a series telling about times the anti-trust lawyers made serious and damaging charges against A&P that the courts decided were not true.

In the first ad in this series we told you about the time the anti-trust lawyers charged that A&P, and other good American citizens, conspired to fix the price of bread in Washington.

These charges were false.

That was the time Federal Judge T. Alan Goldsborough instructed the jury to bring in a verdict of "not guilty".

It was the time he said to the anti-trust lawyers:

*"If you were to show this record to any experienced trial lawyer in the world, he would tell you that there was not any evidence at all."*

*"Honestly, I have never in my over forty years' experience seen tried a case that was as absolutely devoid of evidence as this. That is the honest truth. I have never seen one like it."*

But that was not the only time the anti-trust lawyers made such serious "allegations" against A&P which were false.

In our second ad we told you about the time in Wilson, North Carolina, they charged A&P's fresh fruit and vegetable buying subsidiary, and other good American citizens, with conspiring to fix and depress prices paid farmers for potatoes in North Carolina, Virginia and Maryland.

Here again, as in the Washington bread case, the charges were false.

This was the time Federal Judge C. C. Wyche directed the jury to bring in a verdict of "not guilty".

It was the time he said to the anti-trust lawyers:

*"I have studied this case from the very outset. In my opinion there is no testimony produced from which it can reasonably be inferred that the defendants entered into a combination to depress or lower the price of potatoes."*

*"I might say that I never tried a case in my life where a greater effort, more work, more investigation had been done, combing almost with a fine-tooth comb to gather evidence, as was done in this case."*

*"But, as was said a long time ago, you can't make brick without straw, and you can't make a case without facts."*

So here were two cases in which the anti-trust lawyers made seriously damaging charges against A&P, in which the judge decided that there were no facts to support those charges.

Today, we want to tell you about the third time—this time in Dallas, Texas—the court decided against the anti-trust lawyers.

Is it a crime to give people more good food for their money?

For 90 years A&P has devoted all its energies to this end.

For many months now the anti-trust lawyers from Washington have been giving stories to the newspapers, making speeches and talking over the radio about this company.

They have been making serious and damaging allegations about the methods that enable A&P to give its customers better food values.

We have already told you about other times the anti-trust lawyers made charges against us that were proved utterly false in court.

In the left-hand column on this page you can read what the federal judges had to say about those two cases.

Now we are going to tell you about the third time a federal judge decided against the anti-trust lawyers.

## The Dallas Anti-Trust Suit

In 1942 the anti-trust lawyers went out to Dallas, Texas, 1,400 miles from the homes of most of the defendants, and instigated criminal charges against A&P.

About this case one thing was sure.

Their previous experience did not deter the anti-trust lawyers from making more inflammatory and damaging allegations, just as they had done before.

They made practically the same allegations they are making today.

Federal Judge W. H. Atwell ruled that the case should not even be tried. He said that the indictment contained inflammatory statements that he would not permit to be presented to a jury.

Judge Atwell said to the anti-trust lawyers:

*"If I thought I was presiding over a court and that I might have to sentence some person because he was a great big fellow, or because he was a Lilliputian, I would feel like resigning. God knows we don't want it ever to occur in America that the size is going to determine whether a man is guilty or innocent."*

Judge Atwell also said to the anti-trust lawyers:

*"If the indictment is not good then it is better to find out before an expensive trial than it is after an expensive trial. I do not think it is good, and thinking that, it is my duty to sustain the demurrers and motion to quash."*

In short, Federal Judge Atwell threw the anti-trust lawyers and their case right out of his court.

So that makes three times that the anti-trust lawyers made damaging allegations against A&P. In two of these cases federal judges said they were all wrong. In the third case a federal judge said the indictment was inflammatory and he would not even permit the case to be tried.

The anti-trust lawyers were not satisfied with the Dallas decision.

Neither were they satisfied with the two other decisions in which federal courts administered stinging rebukes to them.

They were still determined to destroy A&P.

In our next ad we will tell you how they continued their campaign in this case in the Circuit Court of Appeals and subsequent proceedings.

We will show you how, once again, they disagreed with the courts.

Everything that has happened since this suit was filed proves that the American people don't want A&P destroyed.

A deluge of letters from people in all walks of life and thousands of editorials in newspapers and magazines convince us that the public has faith in A&P.

The housewives of this nation, whose patronage has made this company big, are buying from us in increasing numbers and increasing volume.

Our suppliers, whom the anti-trust lawyers allege we have exploited, are rushing to our support.

Labor leaders, mindful of the fact that A&P employees enjoy the best wages, hours and working conditions, are taking a stand against the suit.

Even many of our good competitors, who the anti-trust lawyers allege are hurt by our competition, have taken ads to tell the public that they don't like this attack on A&P.

All this indicates that the American people realize that the suit to destroy A&P is really a suit against efficiency, against low prices and against real competition.

Apparently most Americans do not want to let the anti-trust lawyers in Washington blow the whistle on any businessman who does a better and more efficient job and grows big in the process.

No one can make them believe it is a crime to try to sell the best quality food at the lowest possible price.

# NEWS FROM NOVI

By Mrs. L. Rix

Mrs. Dan Linder was pleasantly surprised over the weekend with a visit from her sisters, Mrs. Nellie Webb and Mrs. Carolyn Webb, a niece, Mrs. Harry Titler of Crystal and a niece and her husband, Mr. and Mrs. Leo Bliss of Greenville. The visitors came down to aid Mrs. Linder in celebrating her birthday and a birthday dinner was served Sunday.

The Red Cross fund campaign, with its far reaching missions, will begin March 1st. Six major missions are being carried out by Red Cross chapters, large and small, throughout the length and breadth of the land. The 84 chapters in Michigan are (1) aiding in disaster, (2) serving the armed forces, (3) serving veterans, (4) promoting health and safety, (5) serving youth and (6) helping around the world.

Mrs. Walter Edelman and Mrs. John Klesner gave another party Wednesday to help finance the Novi community building. Games were played and refreshments served at the Klesner home on Novi Road.

Mr. and Mrs. Harold Drouillard of Wayne spent the weekend with the former's grandparents, Mr. and Mrs. Steve Hicks.

On Valentine's day, next Tuesday, the Methodist Sunday school

children will have a valentine party in the church basement from four to seven. They will have supper and entertainment and exchange of valentines.

Mrs. J. D. Mitchell will entertain the W.S.C.S. of the Novi Methodist Church next Wednesday, February 15 at her home on Whipple street. Bring your own table service and sandwiches for the pot luck dinner. After the regular business meeting there will be a towel shower for the church kitchen. Come prepared to sew on cancer pads.

Mrs. Charles Holmes is quite ill and is being cared for by her daughter, Mrs. Walter McBride of Detroit.

Mr. and Mrs. R. E. Ward returned Friday from a three weeks trip to Florida. Among the friends and neighbors they visited were: Frank Thompson of Northville, at Avon Park, old friends at Winter Haven and Mr. and Mrs. J. O. Munro of West Grand River, who are building a house at Coleman.

Mrs. Andrew McCollum entertained the Sunshine Club at her home, Wednesday. A business meeting followed the pot luck dinner.

Mr. and Mrs. Al Fritchard planned to leave Novi on an extended trip through the southern states and California, some time this week. They expect to be gone until April.

Ed Putnam and L. J. Putnam report that their parents, Mr. and Mrs. Grant Putnam of Huntington Park, California, who have been ill for some time, are now slowly improving in health.

Mr. and Mrs. Frank Martin attended the funeral of the latter's sister, Mrs. Nettie Mulreed of Ann Arbor one day this week. Mrs. Mulreed, who had been ill for a long time, passed away Sunday night.

The Blue Star Mothers Chap-

ter 47 of Novi will meet at the Rix home on First street next Monday evening. Business, connected with a rummage and bake sale in February and a card party early in March, will be discussed at this meeting.

Fourteen couples from Novi attended the chicken dinner at Hickory Hills Saturday evening. After the dinner, which was served by the V.F.W. and Auxiliary, there was entertainment and dancing.

Mrs. Dan Linder is ill with a severe cold.

Mr. and Mrs. Alfred Gow, Mr. and Mrs. Russell Race and Mr. and Mrs. Luther Rix were the Pinochle club guests of Mr. and Mrs. Otis Tewkesbury Saturday evening.

Rev. Grace Morse of Indiana will have charge of the ten thirty morning service at the Novi Baptist Church Sunday, February 12. She and her husband, Rev. Charles Morse have been carrying on an extensive building up program in their present pastorate.

Mr. and Mrs. Frank Rice and Mr. and Mrs. Warren Rice and sons of Pontiac celebrated the birthday of Mrs. Warren Rice Sunday by having dinner with her parents, Mr. and Mrs. Charles Perry.

Mrs. Bertha Wood is recovering from the flu, which made her a shut-in victim all last week.

The Women Mission Band of the Novi Baptist Church will meet with Mrs. Jack Eby today, Thursday with a pot luck dinner at 12:30 o'clock. Mrs. Ivan Graham of Walled Lake will have charge of the program as missionary interpreter.

Mrs. Luther Rix is spending a few days of this week with her parents, Mr. and Mrs. George Tobias, Sr., at Williamston.

## LODGE NEWS

The Novi Rebekah club met at the lodge building in Novi last Wednesday. Grace Frisbie and Elva Bean were hostesses. After a co-operative dinner and business meeting, games were enjoyed.

The next visitation of District No. 6 will be held at Verbena lodge in Holly, February 15th.

The Lakeside Oddfellows lodge at Novi entertained at a visitation Monday evening. After the regular lodge session, talks were given by visitors. This was followed by an amateur musical program by young people of Farmington and Novi. Lunch was served by the host lodge assisted by a group of Rebekahs. 73 members and guests were present from South Lyon, Milford, Hamburg, Plymouth, Clyde, Walled Lake, Northville and Novi.

## Mustangs Scrap Dreadnaught Five at Dexter, 39-27

The NHS basketball five encountered no great difficulty last Friday night at Dexter in downing the Dreadnaughts, 39-27. The Mustangs often led by more than 15 points, except for the first quarter. The game Friday was almost the opposite of Northville's tussle with Dexter December 16, which the Mustangs won, 40-36, after a close fight all the way.

The first quarter was a chilling series of Mustang shots which wouldn't go in the basket, despite almost complete control of the ball by Northville. With the score knotted at 7-all at the end of the initial period, the Mustangs got hot en masse and rammed the score to 24-9 at halftime, holding Dexter to only two points in the second quarter. The third was similar to the second, with all of Coach Harry Smith's combinations clicking.

Coach Smith, in a search for groups of five men who work well together, substituted whole teams rather than one or two men at a time. He started Heaton, Poulos, Robinson, Jennings and Gray and pulled them in favor of Prom, Porter, Cole, Stanley and Shrake. The third combination in the first half which also worked well was Rody, Atwood, Coolman, Gray and Heaton. Smith mixed them in the second half to good effect.

Johnny Poulos was top scorer for Northville with 13 markers on five baskets and three foul shots, followed by Heaton with 11 points. Dexter's Lee Murray was the game's high tallyman with 15.

## Basketball NEWS

The basketball schedule for the Mustangs and Colts is rapidly coming to an end. With twelve games played, the Northville cagers have only three encounters left on the docket before tournaments begin. The Lions of South Lyon will play at the NHS gym tomorrow night and Inkster will take on Northville for the second time on February 17. The last game will be at Keego Harbor February 24.

By way of review, the Mustangs and Colts whipped South Lyon January 6 at the New Hudson gym, but both Inkster and Keego Harbor topped the Northville teams, January 17 and 20, respectively.

We noticed the first break in winter last week when two radio announcers read commercials to the effect that "winter is not over yet so don't forget to check mothballs and be sure to keep the car winterized" and more such talk. Our experience is that when someone gets on the defensive in such manner, winter is almost over. All of which means nothing except that it won't be long before the boys will begin checking baseball cleats and glove webbing and track shoes in preparation for spring outdoor sports and the lads will be tearing around an oval or a diamond instead of up and down a maple floor.

The Boy Scouts of America was granted a Federal Charter on June 15, 1916, giving the organization full protection of titles, uniforms, badges and insignia.

## Colts Pull Another Game Out of Fire, Whip Dexter 31-28

If the last three basketball games are any indication, the Northville Colts are adding a dramatic touch to their games. The Colts trailed the Dexter reserves into the third quarter last Friday night over at Dexter, then knuckled down, collected hard-earned points, pulled a point ahead at the three quarter mark, held the Dreadnaughts off and won the game 31-28.

The Colts were on the short end of a 17-10 score at halftime and playing an ineffective game against the tall Dexter quintet, but in the third quarter Coach Dick Kay's crew settled down to a solid passing and play-making attack that put them ahead 22-21 at the end of the frame.

The drive continued in the last quarter with two baskets by Pete Spagnuolo and a field goal and a free throw by Charlie Reitzke which boosted the Colts lead to 29-21. With three minutes to go, Dexter tallied five points on a basket and three free throws to come up within three points of Northville but Reitzke looped one in to jump the lead to five. Dexter, getting hot again, sank another basket with less than a minute to go, but good backboard control kept the ball in Northville's possession.

Don Graham, who has improved greatly in his last few games, led the scorers with 10 points. Dexter's John Waggoner got eight.

## 4-H Club Forms Basketball Team

The Lucky Leaf 4-H Club of Northville now has a basketball team. They played their first game last Thursday with the F.F.A. Club of Walled Lake and lost, 39 to 20.

The boys that play on the 4-H team are: Jack Ratliff and Dick Barber of Farmington, Tom Measel of Walled Lake, Tom and Bob Heslip and Bill St. Lawrence of Northville. The boys played a good game, considering the fact that they had never held a practice before the game and had only one substitute. Jack Appling and Jim Reid, the 4-H leaders, coached the team while Mrs. Reid and Mrs. Appling kept score.

The team is trying to arrange for a return game at Northville with Walled Lake and also a game at New Hudson with South Lyon F.F.A.

## New Businesses

The number of new businesses has been declining for some time. Fewer than 400,000 new firms began operations last year. That number was considerably under the 600,000 that opened their doors in 1946. It is even less than the number that started in the years just before the war. Moreover, some 300,000 businesses shut up shop in 1948 (a new post-war high), so the net gains in the business population was less than 100,000.

## Rat Prevention

To prevent rats, fire and rain from destroying small amounts of stored grain, try storing it in galvanized steel ash or garbage cans. These rust-resistant containers are equipped with close-fitting covers to thwart such menaces.

## February Lost Two Days To Two Summer Months

IN THE OLD ROMAN calendar, February was the last month of the year. A Roman word meaning to purify is credited with giving the modern calendar the name of its second month. February was the season the Romans were accustomed to purifying themselves for the advent of approaching religious festivities.

February is given 28 days with an extra day in leap year, or the year the number of which is evenly divisible by four. The one exception to this rule is that in the years completing a century, a day is not added unless the number of the year be divisible by 400.

February's lack of days is due to the theft of two days from it to lengthen July and August, named after Roman emperors, Julius and Augustus. Especially observed are several days of February. Candlemas Day, falling on the second, is one of the quarter days in which rents are due in Scotland. The fourteenth is dedicated to St. Valentine.

### WITH OUR NEIGHBORS

Farmington—New efforts were made again by Kenneth Loomis, City Police Commissioner, to get some action on the installation of proper day and night directional markers at the intersection of Grand River and Nine Mile Road.

Plymouth—"Plymouth is faced with a serious housing situation and some action should be taken immediately by the citizens and city government so as to make possible the construction of new

homes to be made available for people seeking a place to live in this area." At least that is the opinion of the Chamber of Commerce Housing committee which expects to complete its report of this situation in the near future.

Rochester — Russell Nowels, head of the Nowels Lumber and Coal Company visited last week in Grand Rapids where he attended a meeting of the Michigan Retail Lumber Dealer's Association.

Ann Arbor — The Ann Arbor March of Dimes campaign, which officially ended last Tuesday, February 7 rolled up a total of \$8,017.33 in what Mrs. Robert Langford, chairman, termed, "most incomplete returns."

Dearborn—Mayor Orville Liscum Hubbard made a last ditch frantic appeal to members of the Dearborn city council in committee session to support the proposed council resolution that would amend the building code, making it mandatory that the Oakwood Hospital include an out-patient-clinic in its present plans.

Plymouth—Bids for the construction of the proposed new George A. Smith grade school are now being accepted, it was announced by the Plymouth township school board.

Ithaca — Gratiot county bean growers, at a very enthusiastic meeting at Ithaca, selected township chairmen for each of the twelve townships where a drive for members was not held last spring and set a schedule of meetings for growers.

Howell—A jury of six men and six women was discharged when it failed to reach agreement on a verdict in the trial of James Paulin and Alfred Monnett, Pontiac young men accused of the holdup at pistol point of the Graham hotel in Brighton early in the morning of last November 3.

Birmingham — A petition to rezone the south corners at Lincoln and Southfield from single family to income bungalow was denied at a hearing before the city commission.

South Lyon — Two hundred and twenty-five people gathered at the New Hudson gymnasium to honor the football players of the past season. The occasion was a banquet and program sponsored by the South Lyon and New Hudson Boards of Commerce. An interesting program followed the dinner at which Charles T. Roby acted as master of ceremonies.

Dearborn — An approximate 300 merchants in Dearborn have protested a proposal plan of the city to erect parking meters in two parking lots in the west section of the town.

Howell—The golden wedding of Mr. and Mrs. Bert M. Earl, 218 McCarthy street, was observed with an open house at the Presbyterian church parlors Sunday afternoon, January 29, from 2 to 5 o'clock.

Ithaca—Hitch hiking a ride on the streets of Ithaca proved fatal to Donald Lee Fair, 20, son of Mr. and Mrs. Lester F. Farr of Alma. He received a fractured skull while attempting to catch a ride on a truck and died less than three hours later in the Carney-Wilcox-Miller hospital in Alma.

Ann Arbor—Preparations are underway for the official dedication of the new building of the Graf-O'Hara Post 423, Veterans of Foreign Wars.

Birmingham — Answers to the nation's mental health problems will come from such "prestige points" as Birmingham and similar type of communities, declared Dr. William Wattenberg, associate professor of educational psychology at Wayne University, to 200 men and women who attended the 11th annual Community Council Institute at the Community House.

### Cherry Queen Tries For Baking Crown

Ann Maurer, Michigan's 1950 Cherry Queen, practices for her entry in one of the state's many Cherry Pie baking contests, now under way. "Bake-downs" will be held to select town, county, sectional and state champions, latter of whom will compete in the national contest at the Morrison Hotel in Chicago on the appropriate date of February 22nd next, the climax of National Cherry Week.

Ann is sure that a Michigan girl will be the national winner—not only because of local baking prowess, but because Michigan Cherries are the "pick of the pack."

FEBRUARY 14

### Romans' Love Lottery-Began Valentine Day

THE PRESENT DAY custom of sending the "heart throb" of the moment a bit of verse surrounded by hearts, darts and flowers which asks, "Will you be my Valentine?" had its origin in the pagan culture of 1,000 years ago!

The Romans believed that on the 14th of February the birds chose their mates and the toga-toting gentlemen took this as an omen from the gods that man should follow suit. So, accordingly on that date a feast was held in ancient Rome to the pastoral gods Luperus and Pan and to the goddess Juno. During the festivities the young maidens would place their name in an urn set up in a public place

and the unmarried swains would draw the slips. This method of introduction, it was hoped, would lead to a permanent romance. At any rate, the young fellow was expected to court his "grab-bag" girl friend until the next feast, when he'd have another chance at the boy-meets-girl lottery.

With the advent of Christianity came early church leaders, who, of course, frowned upon the feast of Luperus as a pagan celebration, but they also realized that the basic idea wasn't half bad. They solved this pagan problem by dedicating the day to Saint Valentine, patron of the amorous. St. Valentine was a martyred Roman priest who, by strange coincidence, was beheaded on February 14, 270 A. D., during the reign of Emperor Claudius, for refusing to denounce his faith in Christianity.

It is said that during his imprisonment he formed a friendship with the jailer's blind daughter and wrote her a farewell message signed, "From Your Valentine." So to this particular St. Valentine (there are actually seven of them) goes the responsibility for that charming, "From Your Valentine" phrase on the Valentine greetings we exchange today.

The remedy for muddy barn yards is a hard surface. Michigan State College extension specialists say that cattle that have to wallow knee-deep in mud can't produce properly and are hard to care for.

### Expect Short Supply of Some Seeds in '50

Just how short we are of seed of some important grasses and legumes shows up in a survey quoted by Milo B. Tesar, Michigan State College farm crops authority. Indications are that the nation's farmers would like to plant about 100 million acres of grasses in legumes in 1950 but seed for only 55 million acres was produced in 1949.

The 1949 seed crop will plant only one-fourth of the bromegrass, one-third of the timothy, and about one-half of the red clover and alfalfa which American farmers would like to seed in 1950. Seed prices have increased because of the shortages. Bromegrass is 40 percent higher this year and timothy almost twice as high.

Michigan farmers produce about 40 percent more red clover than they use but prices remain high since some of the seed is shipped out of the state.

Seed prices are high now but will probably be higher this

spring when the supply of seed becomes more scarce. Now is the time to buy seed for spring seeding, Tesar advises. He believes it won't be any cheaper later, quality may not be as good, and it may not be available.

What about the future supplies of forage crop seed? Seed supplies will continue to be scarce with high prices because of demand brought on by a grassland type of agriculture. Michigan farmers are encouraged to grow more of their own seed to provide a cheaper source of adapted forage seed for home use.

County agricultural agents can advise farmers when and how different forage crops can be harvested for seed. Regardless of harvest methods, seed should be well cleaned of weed seed before it is sown.

To remove a candy stain which contains sugar and no fat, use water. Dip a toothbrush into lukewarm water, and tap the stain with the brush to get water completely through it. Then dry with a chamois, advise Michigan State College home economists.

Winter feeding usually calls for the use of pitchforks on dark dismal days. Extreme care should be used in handling this tool. Don't lean it against the wall and don't leave it on the ground to be stepped on. Instead, hang it in a safe spot.

### NEW HUDSON CUSTOM COMMODORE SEDAN

Shown is the new 1950 Hudson Custom Commodore Series sedan. Hudson last week announced price reductions ranging from \$87.50 to \$166.50 on all models in its Super and Custom Commodore Series. Although these cars are only five feet high, they provide full road clearance and more head room than

any mass-produced car, due to the exclusive "step-down" design with recessed floor. Both lines have a wheelbase of 124 inches and are available with a choice of the 123-horsepower, high-compression Super-Six or 128-horsepower Super-Eight engine.
