Summer Recreation Program Planned for Village Children

The Northville Recreation Department, headed by Wilson Funk, announces an extensive summer recreation program designed for children of grade and high school age.

Margaret DeKett, a fifth grade teacher at the Northville school, will be in charge of activities for the children of grade school age and she will be assisted by Gail Peters. Supervised playground activities have been planned for week days, Monday through Friday, from June 19 through August 18 at the Village green, corner Cady and South Wing Streets.

Douglas "Scotty" Slessor will be in charge of activities for the high school set. He will tour the neighborhood playgrounds, located on North Center Street, corner Rayson and Hutton Streets, corner Thayer and Orchard Drives, and plan softball games between the various neighborhood teams.

Kick ball, softball, table games, a story hour, craft work and croquet have been planned for the younger children on the Village green. Miss DeKett and her assistant, Gail Peters will be on hand from 9:00 a. m. to 12:00 noon and from 4:00 p. m. to 6:00 p. m. Mondays through Fridays to supervise the games.

Special events which are being planned include a sixth grade girls softball team which will play similar girls in nearby towns. The grade school boys softball team will also play in nearby towns and boys interested in playing should sign up with Scotty Slessor. Street dances are planned beginning July 4 and every three weeks thereafter.

The Board of Education has given the Recreation Committee permission to move the swings, slide and merry-go-rounds over by the fire hall so that the children may have easy access to them. Because of the erection of the addition to the grade school, children are asked to keep out of the playground behind the school buildings.

For the teen agers, basketball will be played at the NHS gym from 9:00 a. m. till noon from June 19 to July 18, and from July 21 through August 18 basketball will be played on outdoor courts. Those persons interested in forming teams are asked to register with Scotty Slessor.

Swimming at Walled Lake will be held on Tuesday and Thursday afternoons, beginning June 20. Those persons desiring to go should meet at the Edison office at 12:30 p. m. where a bus will transport them to the beach.

Baseball for Class F teams will be held at 3:00 p. m. on Monday and Wednesday afternoons at Ford Field and Class D softball games will be played on Monday at 5:00 p. m. Class E softball games will be played at 5:00 p. m. on Tuesday afternoon and Fridays will be devoted to local playground activities.

Class F baseball is open to boys 14 years of age and under, class D softball for boys, 18 years of age and under, class E softball, for boys, 16 years and under. All girls that want to play softball should register with June King for Jr. High games or with Florence Farrell for senior High games.

The Boys Club will meet at 7:00 p. m. on Tuesdays, Wednesdays and Thursday each week. Men's softball games will be played at 7:00 p. m. on Monday and Thursday evenings and the girls softball team will play on Tuesday and Thursday evenings.

Mr. and Mrs. William Crump and daughter, Constance Louise, aged one year of 127 Church street. The Crumps moved to Northville from Detroit. They bought the home formerly owned by Fred Kobmann. Mr. Crump is a salesman for the Chicago-Larrobe Twist Drill Company.

Student Council Officers Elected

Members of the Northville High school student body last week elected officers for the Student Council, the High school governing body. John Rackov was elected mayor, Gay Duerson, secretary and Leon Holman, treasurer.

Campaign managers for the victorious mayor were Dick Gray and Duane Branch. Richard Pohl was Bob Cole's manager in the mayoral campaign and Dick Gunsell was represented by Bud Cansfield and Bill Green.

In the race for the secretary position, Gail Duerson was represented by Gail Matzen and Tullane German, Alice Newton's campaign was handled by Dick Coolman and Gail Bemish's brother, Lawrence was her manager.

Leon Holman's successful campaign for treasurer was handled by Oakley Shoemaker and Wayne Hoffman. Bob Pullen and Richard Lazar campaigned for Tom Hessler, and Walter Newton was Mitchell Rackov's manager.

M.S.C. Alumni Group Plans July Picnic

The Michigan State Alumni Club held a potluck dinner at the Northville Presbyterian Church Friday, June 9th. A business meeting followed which included the introductions of new officers: President, Nelson Schrader, Northville; Vice-President, Dr. Ted Cavell, Plymouth and Mrs. Duane Parkes of Plymouth as Secretary and Treasurer.

A by-law committee was appointed consisting of Mrs. Edmund Yerkes of Northville, chairman and Mrs. Arthur Jenkins of Plymouth.

A suitable name for the chapter was discussed and under the chairmanship of Mrs. Robert Soth of Plymouth, Harry Smith, Northville; Don Robinson, Northville; and Carroll Porter, Plymouth the name "Northwest Suburban" was chosen. It was felt that this would include towns in the area connected with the organization; Livonia, Plymouth, Northville, Farmington, and South Lyons.

Tentative plans were made for the July meeting in the form of a picnic of the Michigan State Alumni, family and those people interested in Michigan State. It will be held at Don Robinson's on Six Mile Road. The time and date will be announced later. Card games followed the business meeting.

Two-Year-Old Boy Injured at Play

Gerald LaRoque, two and one-half year old son of Mr. and Mrs. Sully LaRoque of East Main street received injuries Sunday afternoon when a car driven by Keith Coykendall struck the child as he was playing in the alley next to the White Kitchen.

When questioned by the local police, Coykendall said that when he started up he thought he heard a noise, so he stopped to look, finding the LaRoque boy lying on the ground with a severe cut in the throat. The boy was taken to Sessions Hospital for treatment.

Dedicate New Flag Pole at Ford Field

During the program put on by the grade school children at Ford Field last Wednesday night, the new flag and flag pole were dedicated.

Mrs. Daisy Martin, representing the Veterans of Foreign Wars Auxiliary, presented the flag to be used on the field. The flag pole was presented by C. Oscar Hammond of the American Legion. R. H. Amerman accepted the gifts.

Bev. Smith Buys Ford Dealership

A Northville automobile dealership, Allan and Locke, Inc. changed hands this week when Beverly Smith of Plymouth took over the Ford franchise.

Smith is well known in the Village as he worked as a salesman from 1938-40 for Tom Edmonson who then had the Ford agency. In 1940, Allan and Locke took over the agency and Mr. Smith continued to work with the corporation serving as sales manager.

When the war came along, Smith went to the Willow Run Bomber Plant where he was employed for two years. He then took over a Ford dealership in Brighton where he also was made a member of the Rotary Club. In 1947, he took over the agency in Farmington where he has been ever since. The Farmington Ford agency last year achieved the distinction of being one of the finest small town dealerships in the Midwest.

Smith stated that there will be no change in the service and parts staff. Jack Linenfelter, who has been affiliated with him since 1947 will be the sales manager. Joe Potter who has been in the car business for 33 years will be the manager in charge of trucks and used cars. The temporary location of the used car lot will be next to the Center Street Bowling Alley on South Center Street. Ken Moshier, a former Northville man, will be a salesman and Art Oulelette, will be vice president and office manager.

A grand opening is being planned, the date of which will be announced later. The Smiths make their home on Territorial Road, Plymouth, and they have a son, Nickie, aged 10. The dealership will be known as "Bev. Smith, Inc." and the new owner states that his prime concern will be to serve the people of Northville first. He is a member of the Northville Free and Accepted Masons No. 186.

Dick Allan of Detroit and George Locke of South Rogers street took over the Ford agency in 1940 from Tom Edmonson, Allan coming from Detroit where he was a Ford salesman and Locke from the Cincinnati, Ohio Ford Motor Co. Their plans for the future are indefinite. Locke expects to spend the summer months with his family in the Upper Peninsula. Both men would like to thank the community for the splendid cooperation which they have received during their business tenure here.

Sackett Appointed Education Officer

Capt. Roger W. Sackett, MSC, was recently appointed Troop Information and Education Officer at Walter Reed General Hospital, Army Medical Center, Washington, D.C.

He entered the service in November 1940. From an assignment as x-ray technician at Fort Leonard Wood, Missouri, he was transferred to Camp Barkeley, Texas, where he attended Officers Candidate School. From August, 1942 until January, 1944, Captain Sackett remained at Camp Barkeley as Commanding Officer of the 548 Motor Ambulance Company. Overseas assignment included duty in Normandy, The Ardennes, Germany and Austria. He was stationed at Murphy General Hospital, Waltham, Mass., prior to arrival here.

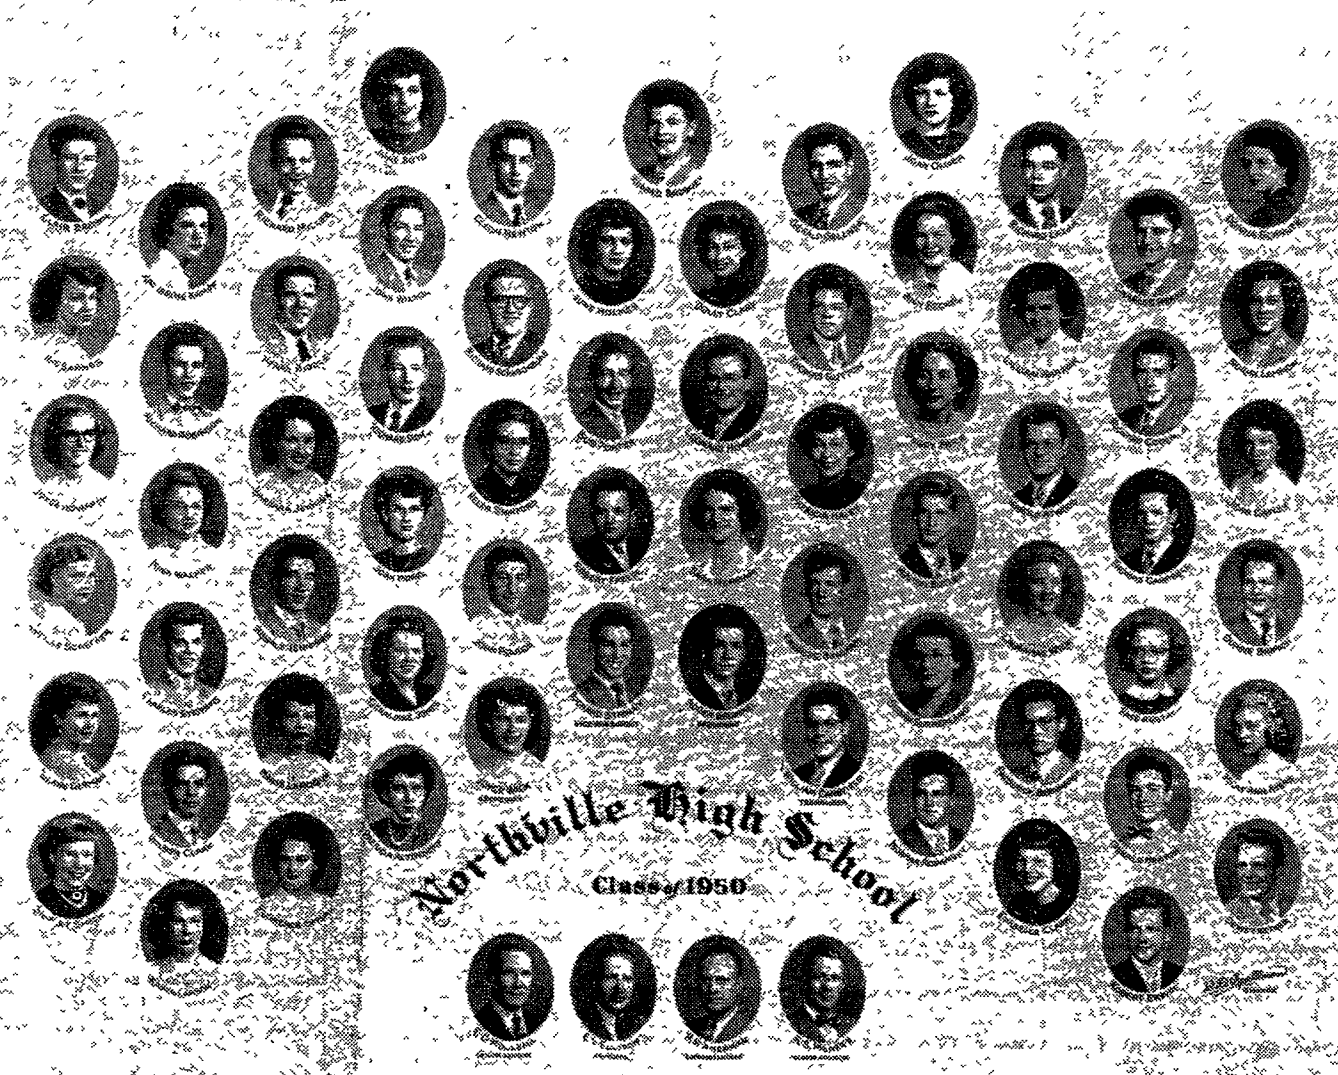

Captain Sackett is a graduate of the Nashville, Michigan High School. He attended Michigan State College for two years and was graduated with a BS Degree from Western Michigan College. His wife and three children reside in Arlington Farms, Va. His father, H. B. Sackett, lives in Nashville, Michigan.

E. Croll Graduates from MSNC Saturday

Earl Croll, son of Mr. and Mrs. H. F. Croll of North Center Street, will graduate from Michigan State Normal College at Ypsilanti this Saturday. He has majored in natural science.

Earl has already been assigned a teaching position this fall at Kinde, Michigan and he, his wife and small daughter will be moving there before September. Earl graduated from Northville High School in 1945.

NHS Alumni To Meet in Cass Benton Park

Northville High School alumni will gather at the Willows, corner Six Mile and Plymouth Road, in Cass Benton Park Friday night, June 16 at 6:30 for a pot luck picnic. In case of rain the picnic will be held in the high school gym. Those planning to attend are asked to bring a passing dish and their own table service.

A special effort is being made to have members of the 1925 graduating class present. Mrs. Sterling Eaton of Plymouth is arranging a special table for those who graduated from N.H.S. 25 years ago.

G. Sinclair To Open Ohio Clothing Store

George Sinclair, who has been employed at the Northville Men's Shop for the past three years, will be leaving the village soon to open a new men's wear store in Columbus, Ohio with his former associate, A. E. Schofield.

Mr. Sinclair has been in Northville since 1944 when he came to manage the Northville Woolen Goods Store for A. E. Schofield. Mrs. and Mrs. Sinclair, who reside on Eight Mile Road, will be leaving on June 29 for Blaney Park in the Northern Peninsula where they will manage a clothing store for the summer months, going to Columbus, Ohio in the fall.

The Northville Extension Group No. 1 will meet at the home of Mrs. E. J. Willis, 119 Rayson Street at 12:30 Tuesday, June 20 for luncheon. Mrs. Ruth Starkweather will present a book review in the afternoon.

NOTICE!

A life preserver was stolen last week from the Ford Mill Pond. Chief of Police Joseph Denton states that the police department will offer a reward for information leading to the arrest of the thief or thieves.

Children To Lead Sunday Service

The traditional Children's Day Service will be held at the Sunday morning worship hour at the Presbyterian Church. All children of the Sunday School will participate as they share their experiences based on the new teaching materials. Along with the Senior Choir, the Cherub Choir will sing "The Children's Prayer" from Hansel and Gretel.

Mrs. George B. Mellen will present the children of the nursery department, the kindergarten, under Mrs. Harold Hartley and Mrs. Raymond C. Rogers, will sing accompanied by Mary Ann Ayers. Bibles will be presented to the following third graders who have been promoted to the Junior Department: Laura Sutherland, Tom Weidner, Alexander MacKay, Tom Grimshaw, Barbara Rollings, Susan Rathburn, Richard Drew, June Ann Ashby, Judy Dickinson, Jesse Hixson, Joseph Miles and Jackie Bailey. The Bibles are a gift of Roy Stone and will be presented by John Blackburn, general superintendent of the Sunday School.

A collection of Bible stories entitled "Heroes Who Chose the Right" will be presented to the following young people for regular attendance during the year: Max Hollis, Peter Locke and Janice Howarth from Mrs. Al Vradenburg's class; Barbara Weiss from Mrs. J. R. Plunkett's class; Phyllis Howard and Jerry Davis from James Howarth's class; Suzanne Blackburn from Kenneth MacKay's class; Mary Byrnes from Charles Carrington's class; Priscilla and Gail Blackburn from Mrs. George Weiss' class and Bruce Rose and Larry Meyer from Marlette Jones' class.

The theme of the Children's Day Service will be "We Witness to the Way." As in the past years the offering will assist in sending young people to summer camps and conferences. The floral display will be arranged by the flower committee under the direction of Mrs. T. R. Carrington.

Leona Patmales is now living in her new home at 46159 Sunset Avenue.

Vredevoe To Speak at Commencement

Sixty-eight seniors will don caps and gowns for commencement exercises at the Northville High School gymnasium Thursday evening. Graduation will climax a busy week of activities for the seniors which began with baccalaureate Sunday evening at the Presbyterian church house.

Dr. Lawrence Vredevoe, director of the University of Michigan Bureau of School Services and associate professor of education, will deliver the main address. Dr. Vredevoe has been affiliated with the University of Michigan since February 1948 when he was made assistant director of the Bureau of Cooperation with Educational Institutions. In June of that same year he was appointed director of the School Services which position he still holds. His office coordinates activities of the University in connection with the high schools over the state such as those in forensics, film service, lectures, accreditation and consultation in curriculum and administration.

Lucien Lovewell will play the traditional professional and recessional for the seniors, who will be led in by Bill Green and Bonnie Hannah, officers of the Junior class. Fred Bernhardt, son of Mr. and Mrs. Fred Bernhardt of Nine Mile Road will deliver the valedictorian address. The salutatorian speech will be given by Faye Austin, daughter of Mr. and Mrs. Edward Austin of Beal Street. The various local organizations will award scholarships to the seniors and Donna Jean Schnute and June Boyd will play the piano and render a vocal solo, respectively. Rev. Edwin E. Rossow of St. Paul's Lutheran Church will give the invocation and benediction.

High school principal, Elroy V. Ellison will present the senior class and Superintendent of Schools, Russell H. Amerman will grant the diplomas.

The Methodist W. S. C. S. organizational board meeting will be held Monday, June 19 with Mrs. William Hughes, West Dunlap Street, at 8:00 p. m. There will be no general Society meetings during July and August. The annual picnic will take place at the home of Mrs. William B. Walker, Jr. East Eight Mile Road, Tuesday, June 27 at 12:30 p. m.

Lutherans To Hold Vacation School

Plans are being finalized for St. Paul's Lutheran Church Vacation Bible School which will begin Monday, June 19. Rev. E. E. Rossow, general chairman, announces that sessions will be held from 9:00 a.m. till 12:00 noon from Monday through Friday and extend through the first week in July.

Mrs. Clyde Dethloff, Mrs. Edith Nickel, Mrs. Clara Janetzke, Mrs. Vera Heidt, Katharine Rossow, Ila and Walter Newton will assist in teaching the children in church history, singing and handicraft. A few teachers are still needed and anyone desiring to help is asked to contact the pastor.

Dr. Jacobs To Speak at Sunday Service

Dr. Henry C. Jacobs of the Michigan Temperance Foundation will be the guest speaker at the Sunday morning worship service at the Methodist Church. Dr. Jacobs is a Presbyterian minister doing great work among high school pupils, dealing with temperance.

Over 21,000 pupils have heard his fine presentation and throughout the schools of Michigan he has repeated calls to visit the schools. Over 262 schools have been visited through the past year. An invitation is extended for all to hear this speaker.

Schrader, Clark, Severance Elected to School Board

Nelson C. Schrader, Jr., and George L. Clark were elected to serve three years on the Northville Board of Education at the election held Monday at the Village Hall. Donald B. Severance, who ran unopposed, was elected to fill the one year term made vacant by the resignation of George Stalker.

Schrader received 99 votes; Clark 65; Dr. V. G. Chabut 56 and Severance 102.

Members of the Board will meet within a few days to elect officers and organize for the year. Following the closing of the polls the annual meeting of School District No. 2 Fr. of the Township of Northville and Northville was held at the High school with a small crowd in attendance. Annual reports were given at the meeting, which will be printed in the Northville Record soon.

Church School To Open June 19th

The annual Vacation Church School will again be held starting Monday, June 19 at the First Presbyterian Church. Sessions are held each day from 9 a.m. to 11:30 a.m., Monday through Friday for the two week period ending June 30.

Mrs. Paul H. Schulz, who was the director last year, has been helping to train the teachers and act as advisor. There will be as usual, classes for all age groups, nursery through the Junior High ages. The general theme used throughout the Detroit area is "Jesus Our Friend." There will be periods of Bible study, handicrafts, recreation and worship.

The staff has been secured including the following teachers: nursery department, Mrs. John B. Hulet and Miss Mary Ann Ayers; kindergarten, Mrs. M. L. Hoyraadt and Mrs. D. H. Groenenberg; primary department, Coralyn Stephens, Mrs. N. K. Pattison, Mrs. Kalin Johnson, Mrs. Nelson Schrader, Jr., Mrs. Hurd Sutherland, Joyce Howarth and Mrs. Harold F. Fredsell; primary department, Mrs. Joseph Plunkett, Superintendent; 4th grade, Patricia Johnston; 5th grade, Mrs. Ray E. Hager and 6th grade, Mrs. Al G. Charter's.

Some of the assistants include Barbara Couse, Gail Matzen, Mary Jean Woodruff, Marlene Weiss, Celia Bloom and Janie Beckel.

One of the projects suggested is that the children's offerings will go toward the purchase of shoes for children in the Haines House Orphanage at Haines, Alaska. Achievement night will be held on Thursday, June 29, with an outing at Cass Benton Park on Friday, June 30.

Former Maybury Dr. Dies in Rhode Island

Funeral services for Dr. Ubaldo E. Zambarano were held last Friday at Providence, Rhode Island. Dr. Zambarano served on the staff at Maybury Sanatorium from September 1, 1925 until March 15, 1928 and his family made their home on North Center Street during his stay here. He died Monday, June 5.

Dr. Zambarano, who was executive secretary of the Providence Tuberculosis League and president of the Providence Medical Association, had devoted his entire professional life to the treatment and care of tuberculosis patients. He had gained national repute for his work in this field. Prior to his acceptance of the executive secretary's post, he was for nine years superintendent of the State sanatorium at Walloon Lake.

He is survived by his wife, Edna (Brenner) Zambarano; two daughters, Betty Ann and Joyce; his mother; two brothers, Joseph and Henry; and a sister, Mrs. George Lewis.

Sid Menge, Del Black, Bob From and Earl Hollis ushered Sunday evening at the baccalaureate service at the Presbyterian church. Bill Green and Bonnie Hannah Junior class president and treasurer, respectively led the senior class in.

**ONE Look**  
 Yes, a look will show you why it's Ford for Fashion, again for '50! Once again Ford's smart, modern styling earned it the New York Fashion Academy's coveted medal as "Fashion Car of the Year." No other car at any price has received such an honor 2 years running.

**ONE Listen**  
 You can hardly hear the '50 Ford's powerful V-8 engine. For with all its road-mastering power it never raises its voice. Your ride is quiet, too, because "sound-conditioning" throughout Ford's roomy and sturdy "Lifeguard" Body keeps noise out!

**ONE Ride**  
 A "Test Drive" and you will learn Ford's quality firsthand! You'll marvel at the performance of the 100-h.p. V-8, or its companion-in-quality, the 95-h.p. Six... the comfort of its "Mid Ship" Ride. You'll feel the safety of Ford's 35% easier-acting King-Size Brakes. And after you've come to know this car, you'll thrill to its complete economy—low first cost, great gas mileage, low upkeep and high resale value. You'll recognize that Ford's "Big Economy Package" of the low-price field.

"It's the Fashion Car of the Year!"  
 "And it costs so little to buy!"  
 "You can hardly hear it run!"  
 "And you go so far for so little money!"

### Northville's Yesterdays

**One Year Ago**  
Commencement exercises for the Northville High school class of 1949 will be held tonight beginning at 8:00 p. m. Speaker for the event will be Paul T. Smith, public relations manager of Bell Telephone.

About 175 golfers led by the National Open champion, Dr. Cary Middlecoff of Memphis, Tenn. are expected to take to the course Thursday at Meadowbrook Country Club in the Motor City Open tournament.

Roy Stone recently announced the purchase of the Gamble store on East Main street from Clayton Gasper.

Eural Clark was re-elected to the Board of Education at the election held Monday at the Village Hall.

Ed Kazarian, son of Mr. and Mrs. H. Kazarian of Newburg Road placed third in the state V. F. W. Auxiliary contest. Ed's prize is \$30.00.

**Five Years Ago**  
The 1945 commencement festivities have held the spot light for Northville during the past week.

The Northville Bond committee through the courtesy of Harry Lush and local entertainers is planning a free bond show for the evening of June 28.

Trotting and pacing races are going big guns these days at the trim little Northville Downs track here.

Next Monday, June 18 is the day that the grade school summer session begins.

The wedding which will occur Saturday, June 23 uniting Ida Marie Walker and Louis Eaton, USNR has been the occasion for five bridal showers.

**Ten Years Ago**  
The Student Council elected officers for the coming year. David Amerman was elected mayor, Shirley Lyke, secretary, and Harry German, treasurer.

Joanne Kitchen, Geraldine Wolfe and Betty Snow were chosen for Girls' State.

**NEW SARONG GIRL . . .** It used to be Dorothy Lamour who appeared in all the South Sea pictures wearing the sarong, but along came a script that called for aquatic adeptness, which in turn called for Esther Williams. She's posing in Kauai, T.H., in a Tahitian-type sarong known as the "paren."

Neil Currie and Alfred Parmenter will receive degrees from the University of Michigan.

Diplomas were granted to 54 members of the class of 1940.

Mr. and Mrs. Edwin M. Flaherty announce the engagement of their daughter, Phyllis to Frederick Russell.

**Twenty-Five Years Ago**  
The heat for several days last week was most excessive reaching its high point Saturday when thermometers about town registered at 100 or above.

Conrad Langfield will leave the first of the week for Glen Lake for a few days of fishing.

**Thirty Years Ago**  
The home of Mr. and Mrs. Edwin O. Blood was the scene of a wedding Tuesday when their daughter, Vera was united in

marriage to R. Clyde Hann of Grand Rapids.

Mr. and Mrs. John Cole have received word from their son, George who started west some time ago, that he is employed as a ranger on the Senator Warren ranches in southern Wyoming.

At 8:00 p. m. Saturday night, there were 206 autos parked about the streets of Northville.

**Forty Years Ago**  
Miss Rachel Rodgers who had been in ill health for the past few weeks died Sunday.

A very pretty wedding occurred at the home of the bride's parents, Mr. and Mrs. David Werner near Salem, June 8, when their daughter, Mary, was united in marriage to William Moss of Farmington.

### New Taxes Will Hit Low Income Groups

If all personal incomes in excess of \$10,000 a year were confiscated by Uncle Sam, it would barely give him the additional money needed to wipe out the \$5½ billion deficit and finance the \$1 billion first year's cost of the new Federal spending programs proposed in the 1951 budget.

Since the nation faces a choice of submitting to higher taxes or reducing Federal spending if Uncle Sam is to live within his income, the Council of State Chambers of Commerce today pointed up some of the difficulties in increasing Federal revenues.

This study revealed that if, for instance, the Federal Government set \$50,000 as the maximum income that could be retained by individuals and took outright all income above \$50,000, it would get only about \$843 million more than it gets now from present taxes on those incomes. This \$843 million would be enough to run the Federal Government only one week.

Or suppose Uncle Sam called \$25,000 the most anyone could have and took everything made above that figure. That would give the Government a little over \$2 billion in additional revenue. This is just a little less than the Government intends to spend on agricultural activities and subsidies alone in 1951.

But, of course, Uncle Sam would never think of taking such a big tax bite because he knows he would destroy all personal incentives to earn that much again.

The survey showed further that in spite of the high taxes on incomes of \$100,000 and over, Uncle Sam collected only \$1.2 billion from 10,844 persons with such incomes in 1947 which is the latest year for which complete statistics are available. This total was only 6½ per cent of all income taxes paid that year. And tax rates on incomes over \$100,000 that year ranged from 67 per cent to as high as 91 per cent.

On the other hand, 51 million taxpayers reporting incomes of less than \$5,000 in 1947 paid \$8½ billion which is 48 per cent or almost half of the income taxes collected that year.

The Council said, "There is no getting around the fact that any additional burden of taxes must fall on the lower income groups. They have only two choices: submitting to more taxes or demanding cuts in present spending with a halt to new spending."

Accumulations of grain, feed, bran, or screenings in and around storage bins and feed rooms should be removed and destroyed.

NEWS and COMMENT

FROM CONGRESSMAN

**GEORGE A. DONDERO**

In past weeks Congress has been engaged in the difficult job of cutting the federal budget. In pursuit of this desirable end, about \$200,000,000 was cut by the House from the appropriation for the Post Office Department. Immediately after this action, and before the Senate could take up the Omnibus Appropriation Bill, Postmaster General Jesse M. Donaldson ordered a drastic reduction in postal services rendered to the public.

Anyone should be able to see, of course, the connection between the budget cut and the reduction of essential postal services to the people. Any good administrator would cut his cost to fit the cloth under such circumstances. But in this instance it is far from being all of the story.

Long ago, when congress established the postal service as a government monopoly, it was done because congress believed then as it does now, that widespread and low cost dissemination of information, through distribution of newspapers and periodicals, as well as of letters, is one of the essentials of successful self-government. For that reason the Post Office Department always has operated at a loss, and Congress has made up the deficits without complaint.

But of late years the postal services have been running up deficits of \$500,000,000 or more each year. Partly this was due to the vast increase in the volume of postal business. Partly it was

Gratiot County Fair held recently. Cooperation, however, will be given the 4-H groups of Gratiot county in sponsoring a strictly youth fair.

Birmingham — "The Birmingham Recreation Board has planned the most extensive program in its history for those who wish to participate in wholesome, adult guided activities this summer," Recreation Director Frank Whitney stated recently.

Dearborn—In one of the most heated verbal outbursts since the present council took office the first of the year the city legislators voted 4 to 3 to transfer an approximate 38 acres of land west of Levagood Park for 2.6 acres of land in the rear of the Ellar Street Apartments for a municipal parking lot.

due to antiquated methods and equipment. The Hoover Commission recommended modernization of the department. Yet no effort along this line has been made. No money was asked for this purpose, and departmental changes have been ineffectual.

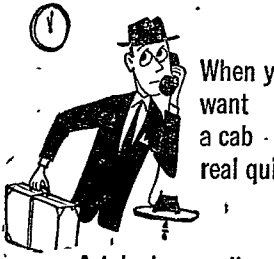

When the budget cut was made, the Post Office Department politicians, acting on orders from higher up, in an obvious effort to intimidate Congress, reduced mail deliveries, delayed the mails and hence delayed business, and threw thousands of conscientious postal workers out of jobs. Home deliveries and mail collections were reduced in number, and postoffices were closed at earlier hours. In most communities now, letters must be mailed before 6:30 p. m., or lose a whole day.

Can any reasonable person deny that this highly unpleasant situation is purely a political situation, and not one of financial necessity? If the executive branch would stop its wild spending on needless services, such as counting migrant wildfowl and issuing pamphlets on The Sex Life of the Watermelon, and would cease its feather-bedding practices to boost the federal payroll vote, then Congress easily could provide the money for modernizing the postal services, and for paying the lesser deficits that would ensue.

A few days ago, a distinguished gentleman from Japan, Mr. Yukio Ozaki, a member of the Japanese Diet, which corresponds somewhat to our own Congress, was the guest of the House of Representatives. He is 91 years old, has served in important government posts for more than 60 years, and is the only survivor of those who brought constitutional government to Japan around the turn of the century. It was as Mayor of Tokyo that he presented to President Theodore Roosevelt in 1905 the cherry trees which now make beautiful the shores of Washington's tidal basin, near the Jefferson Memorial.

Mr. Ozaki's real mission to this country was to advise against a peace treaty and withdrawal of American troops from Japan at this time, because he believes this would only leave the way open for a Communist coup, which would put Japan behind the iron curtain. He arrived in Washington too late this year to

see the cherry trees in bloom but said he hoped to return to see the blossoms on his 100th birthday.

That was the advice given the June bride when she questioned her mother-in-law as to what Jim liked to eat.

Said the understanding mother of the groom: "I hope Jim never hints your cooking isn't like mother used to make but I'm glad he's liked his home and the food I have served.

# Thiemkey-Anderson Vows Read at Presbyterian Church

Jean L. Anderson, daughter of Mr. and Mrs. J. Philip Anderson of West Eight Mile Road, became the bride of Stewart Thiemkey of Attica, Michigan, Friday night, June 9 at the Presbyterian church. Rev. H. F. Fredsell, pastor of the local Presbyterian Church, and Rev. J. C. DeVries of Lapeer performed the double ring service at 8 o'clock. Stewart is the son of Mrs. Mabel Thiemkey of Hadley and the late William Thiemkey.

Mrs. Bart Connors presided at the organ and accompanied William G. Williams as he sang "Oh Perfect Love" and "Because". Baskets of white gladioli and snapdragons, palms and candelabra formed the background for the ceremony.

The bride was given in marriage by her father. For her wedding she chose a gown of white satin, fashioned with a net yoke edged with lace and long sleeves ending in points over the wrists.

Tiers of matching lace fell over the satin skirt which extended into a long train. A tiara of seed pearls held her fingertip veil of lace in place. She carried a tatted handkerchief made by a friend, Grace Meyer. White camillias and roses formed her bouquet. A double strand of crystals, a gift from Stewart adorned her neck.

Clara Robinson of Northville was the maid of honor and she wore an aqua taffeta gown. Grace Meyer of Brighton and Mrs. Ronald Anderson of Northville were the bridesmaids and they wore pink and yellow taffeta gowns respectively. The junior bridesmaid, Janice Thiemkey of Attica wore a gown of blue organdy over taffeta trimmed with net ruffles. All the attendants carried colonial bouquets.

Judy Thiemkey, wearing a yellow eyelet and lace dress, and Cynthia Anderson, in pink eyelet and lace, were the flower girls.

Charles Vilas of Hadley attended his cousin as best man and Ronald Anderson of Northville and Arthur Mann of Farmington were the ushers. They were assisted by Kenyon Seibert of Lapeer and George Reithum of Plymouth. Larry Thiemkey of Attica was a junior usher.

For her daughter's wedding Mrs. Anderson chose an aqua crepe and lace gown. Mrs. Thiemkey wore a blue crepe gown and each mother wore a corsage of pink carnations.

A reception followed the ceremony in the church house for

250 guests. Kay Perrin of Northville and Doris Bewernitz of Inkster, cousins of the bride, poured. They were assisted by Myrna Smeltzer and Irma Butcher of Wayne, college friends of the bride.

Mrs. Elmer Perrin of Northville, aunt of the bride, assisted with the gifts and Mrs. Kenyon Seibert of Lapeer attended the guest book. Janice Hill of Lapeer played the piano as Mr. and Mrs. Thiemkey cut the wedding cake.

The newlyweds left on a two to three weeks wedding trip through the east. For going away the new Mrs. Thiemkey chose an aqua crepe dress with white accessories, accented with the corsage from her bridal bouquet.

Jean received her A B degree from Michigan Normal College at Ypsilanti and has taught in Lapeer High School for the past eight years. Her husband is also a graduate of Michigan Normal College and is a teacher. The couple will make their home in Attica.

Attending the wedding from out of state were Stewart's uncle and aunt, Mr. and Mrs. Earl Stewart of Dubuque, Iowa and the bride's great aunt, Mrs. Mae Armstrong of Harvey, Illinois.

## Shirley Maclean Married Friday

The Iron Mountain Methodist church Friday evening, June 9 was the scene of the wedding of Shirley Jean Maclean, formerly of West Main street, Northville and Edward J. Melin of Norway, Michigan.

Baskets of white gladioli, palms and candelabra formed the setting for the double ring ceremony which was read by Rev. Ernest Brown. Donald J. Maclean of South Wing Street, the bride's father, escorted his daughter down the aisle.

For her wedding, Shirley chose an ivory slipper satin gown which was fashioned with a sweetheart neckline, long sleeves with points over the wrists and ending in a sweeping train. Her fingertip veil of illusion was caught to her head by a tiara and she carried a cascading bouquet of white roses.

The bride's only attendant was her cousin, Sally Rushford of Iron Mountain who wore a royal blue net gown over taffeta. Her bouquet was cascading red roses.

The brother of the bridegroom, Lawrence Melin of Iron Mountain, acted as best man and seating the guests were Donald Maclean, the bride's brother and Calvin Rushford of Iron Mountain, a cousin of the bride.

Mrs. Melin, the bridegroom's mother, chose a navy print dress with navy and white accessories for her son's wedding. She wore a corsage of white carnations.

A reception followed the ceremony at the Pine Mountain Lodge in Iron Mountain and then the young couple left for a short honeymoon to Copper Harbor, travelling by car. For going away, the bride wore a wine gabardine suit with Navy and white accessories. Upon their return, they will make their home in Iron Mountain.

Shirley, who is the daughter of Donald Maclean of South Wing street and the late Mrs. Maclean, attended the Northville Grade and High school, graduating in 1943. She was graduated from the Grace Hospital School of Nursing and was employed at the New Grace Hospital and at the Northville Clinic. In February, 1950, she moved to Iron Mountain and has been working on the staff at the Veterans Administration Hospital in Iron Mountain.

The bridegroom is the son of Mrs. Maude Melin of Norway, Michigan and was graduated from the Norway High school. A U. S. Army Air Force veteran, Eddie is co-owner of the Norway Electric and Sporting Goods store.

Mrs. Sidney Menge of Thayer Blvd. Wednesday evening was the honored guest at a dinner at Devon Gables in Birmingham. Mrs. George Stalker, Mrs. Walter Stamann, Mrs. Alfred Parmenter and Mrs. O. F. Reng attended the bon voyage dinner for Mrs. Menge who will be leaving Monday to make her home in Florida.

JUNE BAILEY

### June Bailey Sets Date for September Wedding

Mr. and Mrs. William Bailey of East Cady street wish to announce the engagement of their daughter, June, to Edward Eugene Campbell, son of Mr. and Mrs. Gene Campbell of Heyden avenue, Detroit. The wedding date has been set for September 9.

The engagement was revealed to relatives and close friends at an outdoor afternoon luncheon Sunday, June 4.

### Shirley Nutten Wed at Lutheran Church

Shirley Jane Nutten of Seven Mile Road and Fred P. Wagner of Plymouth were united in marriage at 2 o'clock Saturday, June 3 at St. Paul's Lutheran Church. Rev. E. E. Rossow performed the single ring service. Shirley is the daughter of Mr. and Mrs. D. D. Nutten of Seven Mile and her husband is the son of Mrs. John Wagner of Ypsilanti.

Baskets of pastel flowers were placed at the altar. "Because" and "I Love Thee" were played on the organ preceding the ceremony.

Given in marriage by her father, Shirley wore a floor length white net and lace gown and a white net picture hat trimmed with orange blossoms. She carried an orchid bouquet.

Her only attendant was her sister, Mrs. Martin Cayley. Mrs. Cayley wore a yellow organdy gown and a corsage of gardenias and yellow roses.

Donald Bailey of Wayne attended as the best man and the ushers were William Stout of Plymouth and Gerald Harder of Garden City.

Mrs. Nutten wore a grey print sheer dress for the occasion and Mrs. Wagner chose a beige sheer dress. Each mother was presented a gardenia corsage.

A reception for 250 guests was held at the Nutten home following the ceremony. Bouquets of pastel flowers were used to decorate the house. Mrs. Ray Baker, Mrs. Charles King and Jean Cayley assisted. A five tiered wedding cake trimmed in pink and white centered the wedding table.

The young couple left on a week's trip to Northern Michigan. Mrs. Wagner's going away costume was a pink linen suit with white accessories.

Shirley attended Northville High school and High School of Commerce of Detroit. She was formerly employed by the Federal Government and is now working at the S. L. Brader store. Her husband graduated from Ypsilanti High and Michigan State College. He is employed by the Plymouth Plating Co. They are living at 775 Wing Street, Plymouth.

## Black-Jared Vows Read at U.M. Student Chapel

Mary Jared, daughter of Raymond R. Jared of Detroit and the late Mrs. Jared, became the bride of Albert Black in a ceremony read Friday evening at the Methodist Church Student Chapel in Ann Arbor. Albert is the son of Mr. and Mrs. William Black of East Main Street.

Dr. James Brett Kenna, Ann Arbor Methodist minister and Rev. DeWitt Baldwin, director of religious education at Lane Hall, U. of M., read the double ring ceremony before an altar banked with baskets of spring flowers and cathedral candelabra.

The bride, who was given in marriage by her father, chose a white chantilly lace gown, princess styled. Her fingertip veil of illusion was caught to her head with a band of matching lace. She carried a copy of the "Prophecy," which was adorned with roses. Best man was Bill Roberts.

Matron of honor was a college friend, Mrs. Grey Austin, who wore a green taffeta gown and she carried a bouquet of yellow roses.

For her son's wedding, Mrs. Black chose a navy and beige dress with matching accessories. Her corsage consisted of yellow carnations.

A reception followed in the parlors of the student chapel. The bridal table was centered with a wedding cake, white roses and lighted tapers.

The young couple left on a honeymoon trip through the southern mountains, travelling by car. Upon their return they will make their home in Ann Arbor where the bridegroom is a student at the University of Michigan.

## Hiler-Gregory Vows Pledged Sunday

Grace Hiler of 111 South Wing and Malcolm Gregory of Detroit were united in marriage Sunday afternoon at First Methodist church. Rev. William Hughes read the single ring service at 3:00 o'clock.

Baskets of spring flowers decorated the church and Mrs. Richard Somers presided at the organ. Lyle Benjamin was the soloist.

For her wedding, Grace chose a grey fine checked suit, navy accessories and her corsage was composed of an orchid.

Matron of honor was Mrs. Irene Jeanes of Detroit who wore a yellow suit, brown accessories and corsage of yellow roses. Bridesmaid was Mrs. Ted Baldwin (Jane Ann Lanning) of Detroit who wore a black and white saw tooth checked suit, red accessories and her flowers were red carnations.

## July 4th Holiday Hazards Are Cited

Don't make your steering wheel a wheel of chance - because you bet your life!

That advice came from the National Safety Council as the nation approached the Fourth of July holiday, one of the most dangerous periods of the year.

With traffic fatalities on the increase this year - up 9 per cent so far - the Council is coordinating a nationwide campaign to hold down the usual upsurge in Independence Day accidental deaths. One hundred and sixty-three national organizations, as well as state and city public officials, are cooperating in the effort.

Last Fourth of July almost 700 persons were killed by accidents of all kinds during the three-day holiday. Many more died later as the result of injuries received during the celebration. Traffic accidents were the chief killer, alone accounting for about 300 deaths.

The Council expects more pleasure-seeking motorists to pile into more cars and roll up more miles on this holiday and the weekend preceding it than ever before in the country's history. For many it will be a four-day vacation. More than 36 million motor vehicles will be on the move.

The increasing number of new cars on the road and the substantial rise in gasoline consumption this year indicate a heavy death toll - unless everyone is fully aware of the holiday hazards and makes a real effort to avoid them.

"Holidays are hazard days," said Ned H. Dearborn, president of the Council. "When you take a chance on the highway you are gambling - and the stakes are human lives. You can't afford to lose in this game."

"Police and those who have authoritative control over public safety will be especially alert and vigorous in their enforcement of sane rules of public behavior. But they can't police every mile of every highway. The individual must police himself."

"If everyone would keep in mind the words 'Take It Easy on the Fourth - Be Alive on the Fifth', this Fourth of July would bring much less tragedy and much more pleasure."

## Food for thought

"School's-out! School's-out!" we hear the children shouting, as they look forward to fun-packed vacation days.

All of us here at Black's Catering Service, wish to take this opportunity of telling you what a pleasure it has been to serve noon-day lunches to the boys and girls and teachers of our school. The crowded lunchroom, together with the inadequate accommodations - while awaiting out the new school addition - has sometimes made the task of supplying a satisfying lunch, a little difficult. But thanks to the fine spirit of cooperation and the patience of both teachers and pupils - the experience has been most pleasant.

Now that we too have a recess from the daily tasks at school, we are concentrating on some re-arrangements in our catering facilities - that we may better serve your summer-time food orders.

## Sowa Shuts Out Ann Arbor, 4-0

Marge Sowa allowed only three singles and a walk in blanking the Ann Arbor Merchants girls' softball team at Brighton last Sunday night, 4-0. The Daisy Air Rifle girls' team played faultless ball in backing Marge to her first win over Ann Arbor in two years. The Rifles pounded Ann Arbor pitcher, Chris Ballingall for six hits, getting two runs in the first inning and two more in the fourth.

The three ground singles through the pitching box were the only balls hit out of the infield by the Merchants. Miss Sowa struck out nine batters.

Easily the best fielding play of the night was first baseman Betty Ross' one-handed stab of a high foul while leaning backwards over a fence.

The Rifles lost their season opener June 4 at Ford Field to Lansing, 5-1. Their next two games, against Adrian and Ann Arbor, will be played at Ford Field on Sunday, June 18, and Sunday, June 25. Both games will start at 7:30 p. m. The games are played in Northville through arrangements with the Northville Recreation committee.

Floyd Fleming of Plymouth started the team in 1947. The girls won only two of 13 games their first year, but in 1948 won 24 and lost 8. Last year was better with seven losses in 31 games. The girls claimed the championship of the Plymouth league in both 1948 and 1949, and the same group of girls were the basketball team representing Daisy Air Rifle last winter which won the Inter-City league hoop championship.

Fleming has been with the team since the beginning, although the team roster has changed considerably. First baseman Betty Ross is the only original Daisy girl left.

The four teams in the league are the Rifles, the Ann Arbor Merchants, the Adrian Merchants and the Lansing Roberts-Burgess team. The Plymouth girls get around to scheduled games via a bus provided by Daisy Air Rifle.

Sandwiched among the league games, the girls play exhibitions against both girls' and men's teams. A pair of home exhibition games are tentatively planned with a Flint semi-pro team for the end of June.

Below is the schedule for the Central Michigan Girls' league:

June 17—Ann Arbor vs Lansing at Brighton	8:30
June 18—Daisy vs Adrian at Northville	7:30
June 25—Lansing at Adrian	8:30
June 25—Daisy vs Ann Arbor at Northville	7:30
July 1—Ann Arbor vs Adrian at Brighton	8:30
July 2—Daisy at Lansing	7:30
July 9—Ann Arbor at Lansing	8:30

## Mayors' 3 Wins Top Softball Loop

MAYORS 7  
SCHRADERS 6

The Mayor's team pushed a run across on a passed ball to top Schrader's team 7-6 in the eighth inning of a softball game at Ford Field last Thursday night. Steve Folino allowed seven hits in chalking up the win for the Mayors. Digs Dion, Schrader hurler, also allowed seven hits.

The game was tied at 6-6 at the top of the eighth and although Rich Vaughn and Dave Bell got on base via a walk and a single, a fly to first base killed the rally.

In the last of the eighth, Elmer Balko and Scotty Slessor led off with singles. George McCollum was out on a fly ball, but Balko came home with the winning tally on the passed ball.

BLOOM'S 7  
SCHRADER'S 5

Schrader's team staged a four run rally in the last inning last Monday night against Bloom's team, but Bloom pitcher Frank Holman, who relieved Ray Doolin, struck out two of the last three batters to end the game at 7-5.

Bloom's got two runs in the first inning. Leon Holman led off with a walk and scored on Doolin's three base hit and Doolin scored on a pitcher error. Bloom's picked up three more tallies in the third frame when Tony Himespach walked and came home on Doolin's second triple. Lawrence Bennett's double sent Doolin home and Bennett took third on a passed ball. He scored on Mankin's single past third base. Mankin's towering home run to deep center sent Bennett home ahead of him in the fifth inning after Bennett had beat out a grounder to second.

Schrader's picked up a run in the fourth inning when Dion led off with a walk and took second on Jim Manard's single. Dion and Manard moved to second and third when Jack Miller grounded

out to first and Dion scored on a passed ball.

In the last frame, Jim Manard went all the way to third on an error. Fred Wick fanned. Manard scored on a passed ball while Earl Croll was at bat and Croll walked. Johnson drew a walk and a passed ball sent Croll and Johnson to second and third. Lyster Wick hit to third but the catcher dropped the ball on a play at the plate and Croll tallied. Johnson moving to third. A two bagger by D. Manard sent Doolin in the showers and Frank Holman came in to pitch for Bloom's.

With Wick on third, Charlie Freydl struck out, Rich Vaughn walked and Holman sewed up the game by fanning Dion.

**SENATOR INSTRUCTS SENATOR . . .** Rae Scarborough, one of the Washington Senator's ace hurlers, gives U. S. Sen. Harry P. Cain (right), Washington, a lesson in the rudiments of mound work. Senator Cain is tuning up for the Democratic-Republican charity baseball game which was played recently at Griffith Stadium in Washington. Pitcher Cain is a Republican, hoping to learn a few choice curves to toss at Democratic batters. He'll be used to rhubarbs.

## Farm Women Plan Meeting June 19

The district meeting of the Women's Farm Bureau was held June 5, at the West Bloomfield Town Hall, Orchard Lake Road, Oakland County, Livingston and Macomb counties assisting.

Potluck dinner was served at 1 p. m. with 75 women present.

The German women brought over by the Michigan Farm Bureau were guests for the day.

Through an interpreter, the women were able to ask different questions as to the method of farming in Germany. After a couple hours of many questions, we learned many things of interest as to their way of living and methods of farming. It was an exceptionally interesting meeting.

The next Oakland County Women's Farm Bureau meeting will be held at Mrs. Haack's on Wixom Road, Wixom, June 19th.

## Spud Harvest Study Would Cut Damages

Preliminary work to determine the points in potato harvesting and handling where bruising injury occurs, with a view to developing methods for avoiding such damage, was started in North Dakota last fall, Perry V. Hemphill, associate agricultural economist of the North Dakota experiment station, reports.

A survey was made by the experiment station in cooperation with regional potato laboratory in East Grant Forks. Samples were taken immediately after digging, from the picker sacks standing in the field, from sacks on the truck at the warehouse before unloading, and from the bins immediately after unloading.

It was noted that the percentage of bruising increased during each operation. After digging it was found 11 per cent of the potatoes were bruised, after picking 17 per cent were bruised, after trucking the percentage bruised went up to 18, and after binning 41 per cent were bruised. It was noted an increase of 23 per cent may be due to the binning process alone.

## LEGAL NOTICES

To the Supervisor of the Township of Redford, Wayne County, Michigan.

You are hereby notified that the Board of County Road Commissioners of the County of Wayne, Michigan, did, at a meeting of said Board held on Thursday, June 1, 1950, decide and determine that the certain alley described in the minutes of said Board, heretofore taken over as a County road should be absolutely abandoned and discontinued as a public highway, reserving therein the easement set forth in said determination.

The portion of the minutes of said meeting fully describing said alley are attached hereto and made a part of the notice, which notice should be also by virtue of Act 283 of the Public Acts of 1909 as amended.

In testimony whereof we have heretofore set on hand at Detroit, Michigan, this 2nd day of June, A.D. 1950.

**BOARD OF COUNTY ROAD COMMISSIONERS OF THE COUNTY OF WAYNE, MICHIGAN.**  
Michael J. O'Brien, Chairman  
John P. O'Hara, Vice-Chairman  
Charles L. Wilson, Commissioner  
EDGAR M. BLAINIGIN, Clerk  
By Carl W. Bischoff, Deputy Clerk.

**Road Jurisdiction Determination.**  
Commissioner O'Hara moved the adoption of the following resolution:  
WHEREAS, this Board has received a petition from ten freeholders of the Township of Redford to abandon and discontinue the public alley 18 feet wide in the rear of lots 187 to 184 inclusive and lots 1888 to 1903 inclusive, of B. E. Taylor's Golf and Country Club Subdivision No. 4, lying south of the River Avenue, being part of the south-east 1/4 of Section 7, Town 1 South, Range 10 east, Redford Township, Wayne County, Michigan, as recorded in Liber 61 of Plats on Page 97, Wayne County Records, said alley being a county road under the jurisdiction of this Board; and

WHEREAS, pursuant to said petition and in accordance with the provisions of Section 18 of Chapter 4 of Act No. 283 of the Public Acts of the State of Michigan for the year 1909, and amendments thereto, this Board did, by resolution dated April 27, 1950, resolve that a hearing be held on May 25, 1950 at 11:00 a.m. E.S.T. at 3800 Cadillac Tower, Detroit 26, Michigan, to determine the necessity, advisability of abandoning and discontinuing said alley; and

WHEREAS, pursuant to the above mentioned statute, this Board has served a notice of said hearing upon all of the owners and occupants of lands intersected by or adjoining said alley and published a copy of said notice in The Legal Courier, a newspaper published within the County of Wayne, on May 5, 1950; and

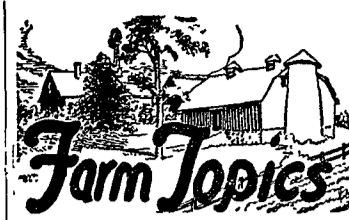

WHEREAS, said hearing was held at the time and place appointed by said resolution and this Board did then proceed to view the premises in accordance with the statute; and

WHEREAS, it appearing from said hearing and view of the premises that the public will have no further use for the alley in said subdivision so petitioned to be abandoned and discontinued, but it is desirable to maintain therein a right of way easement for the use and benefit of the public.

**NOW, THEREFORE, BE IT RESOLVED,** that the public alley 18 feet wide in the rear of lots 187 to 184 inclusive and lots 1888 to 1903 inclusive, of B. E. Taylor's Golf and Country Club Subdivision No. 4, lying south of the River Avenue, being part of the south-east 1/4 of Section 7, T 1 S., R 10 E., Redford Township, Wayne County, Michigan, as recorded in Liber 61 of Plats on Page 97, Wayne County Records, being in all 0.124 mile of alley, be and the same is hereby absolutely abandoned and discontinued as a public highway upon the express condition that there be and hereby is reserved an easement in the lands now occupied by said alley for the installation and maintenance of sewer, water, gas, electric, telephone and all other public utilities for the use and benefit of the public, and all persons, firms or corporations owning or operating said public utilities shall have the right to enter upon said easement for the purpose of installing, maintaining or operating any of said public utilities.

**BE IT FURTHER RESOLVED,** that this Board believes it to be to the best interests of the public that said alley should be absolutely abandoned and discontinued as a public highway, reserving therein the easement as herein set forth. The motion was supported by Commissioner Wilson, and carried by the following vote: Ayes, Commissioners O'Brien, O'Hara and Wilson. Nays, None.

**Fashions in Strip Steel**  
About 1859, ladies' hoop skirts created a demand for flat wire in America. Supplying the fashion gave birth to this country's cold rolled strip steel industry.

## Light Bulb System Hastens Vegetables Speed Up Development In Backyard Hotbeds

Burn 25-watt light bulbs in a backyard hotbed and you'll eat your own early June peas next May.

That advice for home gardeners comes from Robert L. Zahour, Westinghouse lamp engineer. Such miniature "greenhouses" warmed by low-power bulbs hurry vegetables to the table 10 days ahead of regular seed plantings outdoors. Flower seeds started in hotbeds are brought to bloom one month earlier, he added.

The 25-watt bulb is best for hotbeds because higher wattage bulbs are more apt to create hot spots in

Seedlings coddled in electric hotbeds like these hurry vegetables to the table 10 days earlier and bring flowers to bloom a month earlier.

the soil, stunting seed growth or scorching the tender young plants.

The cost of a bulb-heated hotbed averages only three-tenths of a cent per plant for electricity during the entire six-weeks season in northern United States, the engineer calculated. This is 30 per cent less than the cost of soil heated by electric cable and only half the cost of manure. Manure, which requires soil preparation such as digging into frozen ground, depends upon fermentation for its heating effect in a hotbed.

## Term 'Hybrid' in Swine Applicable to Offspring

The term "hybrid" has come to mean superior producing ability to the corn grower. It is natural, therefore, that the terms "hybrid hog" and "hybrid boar" should interest corn belt pork producers.

It seems quite clear, most agriculturists are agreed, that "hybrid vigor" eventually will increase greatly the efficiency of livestock production. Informed breeders, however, believe that there are not yet available adequate dependable sources of boars for producing hybrid hogs.

Furthermore, the name "hybrid" in the accepted sense of the term should be reserved for the litters produced by the market-hog farmer.

## Organic Matter Loss

Maybe you don't need a trip-hammer to work your land. But if you have a hard time plowing the ground, don't blame it on the weather or your implements. The trouble may be due to loss of organic matter from the soil.

C. P. Walker, Purdue University extension agronomist, says that when soils can't take plowing readily, it's a sign they are dangerously low in organic matter.

Walker's advice is more sod crops in the rotation to give the soil an easily worked texture. Sod crops well fed with nitrogen, phosphate and potash put life in the soil and build up its organic matter supply. They improve structure and till.

## Farmers Given Warning Of Newcastle Disease

Bold Ellis, poultry specialist of the Wyoming agricultural extension service, discloses that many farmers may be acquiring a false sense of security over the threat of Newcastle disease to their poultry flocks.

He pointed out that the disease has spread to every state in the union, and although there is less talk about it today than there was casualties are still very heavy.

**Michigan's Dairy Queen**

Reigning over June Dairy Month for Michigan's three-quarter billion dollar dairy industry will be Ola Belle Steckley, Inlay City. The diminutive 17-year-old brunette was picked from a field of eight district winners on the basis of her personality, speaking ability and dairy background. A daughter of Mr. and Mrs. Dave Steckley, who operate a Holstein dairy farm, the queen has had seven years of 4-H Club dairy projects. Ola Belle has completed her junior year in Inlay City high school, has been active in Future Homemakers activities and is president of the Lapeer county 4-H Service Club.

**W.C.T.S. Children Arrange Program**

The annual Children's Day program will be presented at the Wayne County Training School auditorium at 2:30 Sunday afternoon. This is the 24th year the children have arranged a program.

The younger children will participate in the affair which will feature songs, groups speaking and dances and various characters from children's stories will be portrayed.

Family visiting in the cottages will follow the performance until 4:30.

Regular preaching service will be held each Sunday at 2:30 p. m. The first service is planned for Sunday, June 18th with a special program of music and a message by the acting pastor, Rev. Patrick J. Clifford, of Plymouth.

The public is invited to these services to enjoy the singing of the old gospel hymns and hear the old fashioned gospel.

Visitors at the home of the Noble Dahlagers of Grace Ave. last Tuesday were Mrs. Dahlager's cousin, Mrs. Peter Rundquist and husband of Minneapolis, Minnesota.

**Enameled Utensils**

Enameled utensils save dishwashing time because their sanitary glass coatings require only a brief soaking period and a soap and water washing. They may be rinsed with hot water and allowed to drain dry.

**Overworked Sheets**

It is poor economy to have too few sheets and overwork them. Four sheets per bed will allow better rotation and increase the life span of the sheets.

## WEST POINT PARK NEWS

By Miss L. A. Ault

Mr. and Mrs. William Fisher and Mr. and Mrs. George Welsh all of Mayfield avenue spent a day last week with Mrs. Welsh's granddaughter at her cottage near Brighton Lake.

E. W. Stange's sister and husband of Detroit spent Tuesday evening with the Stanges on Mayfield.

Redge Broquet of Detroit called on his father, F. Broquet, last Monday.

Mr. and Mrs. Clinton Ault, Mr. and Mrs. Louis Graham, Wayne Ault, Wanda and Dail Graham visited Canada last Sunday. Mr. and Mrs. Gerald Walker, visitors here from Oregon, were also in the party.

Mr. and Mrs. Forrest Ault and children and Mrs. M. E. Ault were guests at a large potluck dinner party held last Sunday at the home of Mr. and Mrs. Robert Wilson, near the Children's Home, in honor of the Wilson's married daughter, Betty Jean, visiting them from Indiana.

Relatives and close friends tendered a stork shower to Mrs. Norman Bolyard at her home on Parker avenue last Sunday afternoon.

Mrs. Edna Vance, Mrs. E. W. Stange and Miss Francis Kauranen were among the local people

in attendance at the Music Festival held at the Olympia in Detroit last Sunday. Alice Jane Vance, daughter of Mrs. Edna Vance, was one of the performers.

Judy, little daughter of Mr. and Mrs. Charles Bolyard, Parker avenue is ill with mumps.

Mrs. George Welsh of Mayfield avenue has been ill since Monday.

Pierson School Brownies had a picnic Saturday. Wet weather drove them indoors into the recreation rooms of Community Church but they had a wonderful time, nevertheless.

Sharon Butler of Hubbard avenue was ill last week with measles.

Ina Mae Tallman of Mayfield avenue was an overnight guest Wednesday of friends in Brightmoor.

Mr. and Mrs. Tom Roberts and two daughters of Monroe called on relatives in this vicinity last Saturday evening.

While at a ball game with her sisters and girl friends last Sunday afternoon, eight year old Pauline Varhol was accidentally struck in the face by a bat. She was rushed to Receiving Hospital, where it was found necessary to take several stitches.

Critical illness of a sister called Mrs. Charles Funk of Shadyside avenue to southern Ohio the first of last week.

The Youth Fellowship Group of Livonia M. E. Church enjoyed a picnic at Cass Benton Park last Sunday.

Mrs. Ira Wagner was an all-day visitor in Detroit Friday.

Carol Buckingham of Mayfield avenue is ill with mumps. Her brother, Davy, is also ill.

Mrs. M. E. Ault left Saturday morning for New London, Ohio, where Sunday she attended the wedding of a friend, Patricia Porter. At Monroe she expected to stop over at the Tom Roberts residence and then be accompanied on her way by Mrs. Roberts

and her daughters. They were all weekend guests of the Johnson Porters near New London.

Mrs. Robert Diehle of Shadyside avenue visited her married daughter in Detroit, Thursday.

On Mayfield avenue near Eight Mile, at the rear of the William Fisher residence, several men of the neighborhood are in the habit of having a few games of horse-shoe every evening. An 84 year old man, George Welsh, has been declared a champion.

Freda Ault was a patient in Harper Hospital, Detroit, three days of last week.

Mrs. James Simpson of Mayfield avenue was showered with congratulatory cards and pretty, useful gifts Tuesday, the 6th which was her birthday. Mrs. Cecil Willet tendered her mother a lovely dinner.

Mrs. Walter Rehahn, accompanied by her son, Al Hardy and his wife of Garden City, called in Detroit Wednesday evening.

The Stanges called in Detroit Friday evening.

The Kochaneks of Detroit were guests Sunday of Mr. and Mrs. Joe Roberts on Mayfield.

Pierson School boys and girls are going in groups to have dental check-ups.

Mrs. Emerson Ault and Mrs. Forrest Ault spent Thursday in downtown Detroit.

Mrs. Cooke of Detroit was the guest for several days last week of her old friend, Mrs. J. C. Dunaman on Farmington Road.

Mr. and Mrs. "Red" Kramer and baby daughter have returned from a vacation trip to the West, where they visited friends in Oregon and also called on the Mercers in Hawthorne, California. Lt. and Mrs. Guilmette, who traveled with the Kramers, are still guests of Mrs. Guilmette's parents, the Mercers, but expect soon to take up residence in Hawaii. The Kramers called on the Dunamans, Farmington Road, the first of this week; Mrs. Kramer being the former Cleo Longnecker, niece of the Dunamans.

Mrs. J. C. Dunaman recently spent a weekend with her brother in Hastings. Mrs. Miller, Mrs. Dunaman's mother, is spending the summer there.

Mrs. James Simpson enjoyed a luncheon and missionary program at Neighborhood House in Dearborn Thursday.

J. C. Dunaman of Farmington Road was in Kalamazoo most of last week.

E. C. Imonen and his mother-in-law, Mrs. Luella Gamble of Hubbard avenue drove to St. Louis, Michigan, last Monday. Mrs. Gamble remained for a few weeks visit with relatives.

Thursday at 1:30 p. m., at the McCabe Funeral Home in Detroit, funeral services were held for Chauncy W. Campbell, who died June 5th, after several weeks illness in a hospital. For quite a few years he had resided at 32411 Eight Mile Road near Hubbard, and had the respect of all the neighborhood. He and his wife had planned to leave in a short time for California. Besides his wife, a daughter, Mrs. Margaret Strobel of Sacramento, California, survive him. He was 73 years of age.

Bentley High School will hold its first commencement exercises next Thursday evening at 8:00 o'clock. Ninety-five young men and women will receive diplomas. A number are from the West

Point Park area now included in the City of Livonia. Howard Middlewood, Jr., of Farmington Road is an outstanding member of the class and has been awarded a scholarship which will enable him to specialize in the study of agriculture. The school's new gymnasium is still under construction but can be used for the exercises Thursday evening. The program planned will be somewhat different from the usual, since, instead of having an address by some well-known speaker, the students have prepared a pageant, "Make Way For Brotherhood."

Mrs. Ervin Bohlinger was busy as a substitute mail carrier for Mr. Frazier, on Route 3 last week. Catholic boys and girls finished school Friday and are now on vacation.

Beverly Bohlinger, daughter of Mr. and Mrs. Ervin Bohlinger, Mayfield avenue, and her cousin, Darrell, younger son of Mr. and Mrs. Howard Middlewood, Farmington Road, are to leave shortly with their aunt, Miss Esther Middlewood, for a vacation trip to Mexico. Two women friends of Miss Middlewood will also be in the party.

Mrs. Louis Graham, accompanied by her sister and husband, Goldie and Rex Walker, who are her house guests from Oregon, are leaving this Saturday for a few days visit with relatives in northern Michigan.

Mr. and Mrs. Joseph Sidelinker took up residence Monday evening with Mrs. Walter Rehahn on Mayfield. Mr. Sidelinker is employed at a chinchilla farm in a nearby locality.

Mr. and Mrs. Joe Byers and daughter, Carol Anne of Lansing were guests for the weekend of Mrs. Byers' brother, Edwin L. Johnson and family on Clarita. Mr. and Mrs. Harold Slevin and daughters of Akron, Ohio, were also week-end guests of the Johnsons.

Mrs. Austin Ault of Brentwood avenue was the guest this weekend of relatives near New London, Ohio.

Critical illness of his father called Charles Hoff, Mayfield avenue to Detroit, Thursday.

When buying readymade dresses, choose a fabric belt rather than an imitation leather one and be sure that buttonhole stitches are close enough for long wear. Buttonholes should be evenly placed on a double thickness of fabric advises Evelyn Westcott, Michigan State College home economist.

Easiest way to cut notches when cutting out a garment from a pattern, is to cut them out instead of in as the pattern indicates. There is less danger of cutting too deep or starting the fabric to fray out. If you need to let out the seam, the cut notch will not prevent it.

### Blizzard Hit Cattlemen Hard Says Ben Steers

Russell Walker, who resides just west of Plymouth on Terri-

torial road, a few days ago received a letter from Ben Steers, a Northville resident who has a cattle ranch in South Dakota, which told of the excessive damage suffered by cattlemen in the terrific rain and snow storms that hit that entire area early in May.

Mr. Steers, who for a number of years has owned a Hereford cattle ranch near Miller, South Dakota, told graphically of the fight put up by ranchers to save their cattle from the wet snow blizzard that spread over four or five states on May 4.

In part he wrote to Mr. Walker: "We've seen or heard nothing for over a week except bawling cows and calves. After an extra lot of rain all spring, with winter and mud everywhere, a wet snow blizzard hit us on May 4 and in less than 12 hours vast areas in four states were covered with

snow and water. "Since then ranchers have been working night and day to try and get their herds of cattle together. Many were lost in lakes and they became so badly scattered that it is difficult for a ranch owner to find any of his own cattle," he wrote.

The storm came right at the height of the calving season. Old timers say it is the worst storm in 50 years—and, of course, calves couldn't keep up with their drifting mothers in a storm like the one we had. As a result many of the calves became lost, and went in opposite directions from their mothers.

"Saddle horses and teams were all that could operate. Horses and men floundered in knee deep mud and snow, night and day, in their search for the cattle. Stray calves were loaded into wagons and taken to the nearest ranches. Horses had to be changed every few hours, so exhausting was the work.

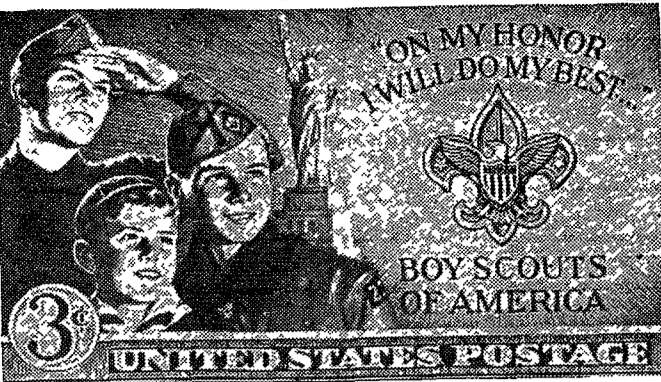

"Yesterday we made our last tour of the back country south and will give up what wasn't found on that tour. It looks like we have lost six cows and probably 12 calves.

"To add to our troubles, after the blizzard it rained steadily for two days. I'm counting myself lucky, as some lost nearly all their cattle. Glad I happened to be out here and to help what little I could. Never again will I discount what old mother nature can do in a very few hours.

"No one is talking much as everyone is so exhausted from working both night and day. You can well imagine what stout hearted people it takes to keep a kitchen full of calves, with coffee and food ready for strangers who are working both night and day to save the cows and calves of people they do not even know. The men came in long enough to change their wet clothes, get a bite to eat then go out searching again.

"I know one rancher about 60 years old and who weighs up around 300 pounds who cannot ride a horse, but he trailed his 150 cows all night on foot. He crossed a state highway within

### New U.S. Stamp Honors Boy Scouts

Postmaster General Jesse M. Donaldson announced that this stamp "in honor of the Boy Scouts of America" will be placed on first-day sale at Valley Forge, Pa., on June 30, the day President Truman opens the National Jamboree there. More than 47,000 Boy Scouts and leaders including 570 from 29 other lands will camp together at this historic site until July 6.

### MICHIGAN MIRROR NON-PARTISAN NEWS LETTER

July 1, 1950 will be a red letter day for Michigan's newest educational institution, Ferris Institute, at Big Rapids.

It marks the occasion when this trade school, founded 64 years ago by Woodbridge N. Ferris, becomes a state vocational training center.

When the state legislature in April, 1949, voted to accept the institute as an outright gift, it did two things:

of few rods of where a woman was stranded in an automobile and the storm was so bad he couldn't see the car, the drifting snow had almost covered it. She was saved because she used common sense and remained within the car."

When Mr. Steers finished his letter he stated that the weather was clearing and ranch work was again being properly organized. —Plymouth Mail.

First, recognition by the State of Michigan that Ferris Institute would fill a big gap in our present educational system. Ferris has specialized in vocational education. Not every high school graduate can afford to attend college; not every graduate has capacities to attain a college degree. But nearly every high school graduate may learn a useful trade, a valuable livelihood, by taking a program of vocational training.

The legislature also paid recognition to the fact that Ferris Institute was a going concern with assets of more than \$1,000,000.

Its tradition of practical education is liberal in scope; thousands of men and women with no more formal education than the eighth grade have profitably pursued practical studies at Ferris.

High school youths may attend specialized trade courses in the following: Watch and clock repair, architectural or machine drafting, refrigeration and air conditioning, radio repair and electronics, printing, stenographic and secretarial, higher accounting, business administration, B. S. degree in pharmacy, B. S. degree in commerce of science teacher training, college preparatory (high school), and advertising-salesmanship.

Some of these courses are short in time; others run for four years.

The one-time superintendent of schools at Pittsfield, Illinois, became the founder of Ferris Institute. Mr. Ferris founded the school September 1, 1884—as the Big Rapids Industrial School. Later, the name was changed to Ferris Industrial School and in 1899 shortened to Ferris Institute. In January, 1902, the Pharmacy building was completed for four-year training.

In 1912 when Republicans were feuding over the Progressive movement, Ferris was elected governor on the Democratic ticket. He then became United States Senator and died in Washington in 1928 while serving as senior senator from Michigan. Arthur H. Vandenberg was named as his successor.

The school has had its ups and downs and during the depression of the 30's the enrollment dwindled to less than 300 students as compared with nearly 1200 today.

When the school officially becomes a state institution on July 1, Ferris Institute will have achieved the educational record of having trained more than 75,000 men and women for the actual duties of life.

President Byron Brophy is proud of this tradition.

He is determined to carry on the founding spirit of Woodbridge N. Ferris in the new coming era of public service.

You'll hear much about Ferris Institute in the years ahead.

### Death Toll Up, Monetary Loss Down in Fires

Fire took 195 lives in Michigan last year and destroyed property valued at \$25,162,957. The death toll was 31 higher than in 1948, but the monetary loss dropped \$4,455,577, or 15 per cent.

The figures are contained in the 1949 state fire loss report compiled by the fire marshal division of the Michigan State Police.

In their annual summaries sent to the state fire marshal, Commissioner Donald S. Leonard, local fire departments reported a total of 53,406 fires, 1,336 less than in 1948.

Victims of fatal-fires included 61 children and 134 adults, including six firemen. No firemen were among the 164 fatalities in 1948.

The urban fire loss last year was \$22,908,259, or \$4,266,347 less than in the previous year. Farm fire loss was \$2,254,698, or \$189,230 under 1948.

In a total of 13,591 dwelling fires damage amounted to \$5,653,812 in buildings and \$2,106,350 in contents. Damage to buildings other than dwellings totalled \$7,546,794 and contents valued at \$5,923,909 were destroyed.

Other fires, including motor vehicles, boats, aircraft and machinery not under cover, represented a loss of \$677,492. Classification totals included: automobiles, 6,899; aircraft, 10; dry cleaning plants, 91; bulk storage plants, 62; house trailers, 233; schools, 101; theaters, 44, and grass fires, 13,517.

Firemen answered 7,304 false alarms, 584 less than in 1948.

Careless smokers were responsible for 3,155 fires. Other leading causes were improperly burning rubbish and building bonfires, faulty electrical wiring and appliances, defective chimneys and heating equipment, overheated stoves, furnaces and boilers, and children playing with matches.

The 1949 record brings the total of lives lost by fire to 905 for the last five years in Michigan. Property destroyed during this same period was valued at \$121,000,000.

**CHRISTIAN SCIENTISTS REPORT ON CHRISTIANITY'S HEALING POWERS**

Vast new evidences of the power of pure Christianity to solve mankind's problems in modern times were reported by The Christian Science Board of Directors last week.  
Addressing a gathering of nearly 7,500 Christian Scientists at the annual meeting of The Mother Church, The First Church of Christ, Scientist, in Boston, the Directors declared that healing of sickness, "release and enrichment" — a full answer to human trouble — awaits all mankind through the utilizing of spiritual power.

Emphasizing "the meaning of pure Christianity" for the present age, the Directors pointed to concrete evidence that spiritual power can be utilized to heal disease, enlarge individual capacity, provide "sure guidance," uncover hidden resources, and provide without measure "the precise good that is needed" by every individual in every human circumstance.  
Their message, read by Thomas E. Hurley, retiring First Reader of The Mother Church, highlighted a session at which progress was reported in many Christian Science activities. A report of healings of serious diseases by Christian Science, compiled from many countries, was read.

The Directors reported that a "marvelous new effectiveness" in the practice of Christianity is resulting today from the "scientific understanding" of its meaning. In referring to substantial growth during the past year in the number of Christian Science churches and the ranks of the denomination, the Directors added: "The healing work of Christian Science, always the best barometer of growth in the movement, was never of better quality or on a larger scale than in the last year."

The audience filled three auditoriums in The Mother Church edifices as well as a nearby theater. Adherents traveled from every state in the union and from Europe, Asia, Australia, and other distant points to attend.  
Throughout the main session ran the theme of the validity and power of Christianity to answer the problems of the modern age. Walter S. Cross of Fitchburg, Mass., Christian Science practitioner and incoming President of The Mother Church, declared in his keynote address: "Men need a deeper understanding of God and His laws in order to cope with the present-day chaos and confusion in world affairs. . . . There is an answer to the mesmeric doctrines of tyranny and mental domination which would spread terrorism over large areas of the globe. The answer lies in the spiritual realm, and is available now."

Steady progress was recorded in reports of various Christian Science activities. George Channing, Manager of Committees on Publication, reported that insurance companies and state laws in growing number recognize the validity of Christian Science treatment, and the right of Christian Scientists to practice their religion by relying wholly upon prayer for physical healing.  
In referring to Camp Welfare activities of the church, Gordon

V. Comer, Clerk of The Mother Church, mentioned the healing within one week of a veteran, suffering from paralysis, who had not walked for 8 years and had not talked for 20 years.

**Capital Goods**

Outlays for capital goods are a smaller proportion of gross national product in depression than in prosperity. In 1925-1926 they formed 19 per cent and in 1933 less than 8.5 per cent of gross national product.

**Color of Eyes**

Dark eyes are dark because of fine particles of pigment in their irises. Blue eyes have no pigment but look blue because colorless droplets in their irises scatter light, absorbing the longer rays and reflecting only the short blue ones.

**Grasshopper Eaters**

Turkeys, quail, frogs, snakes, skunks, and shrews, are voracious grasshopper eaters. Because Mrs. G. deposits her eggs in the ground in autumn, late fall plowing helps to reduce the spring hatch. Development of grasshopper parasites has become an effective method of control.

**Orth Made President of Phone Pioneers**

Henry P. Orth, of Menominee, is the new president of the Wolverine (Michigan) Chapter, Telephone Pioneers of America.  
Elected in a mail ballot of the TPA's 4,000 membership in Michigan, Orth is the Northern Division traffic superintendent for the Michigan Bell Telephone Company.  
New divisional vice-presidents are: Detroit, Miss Mary L. Beach; Northern, Mrs. Duth G. Haynor, Menominee; Central, Leonard J. Scratch, Saginaw; Southern, Arthur J. Neil, Jr., Grand Rapids; and Eastern, Jesse R. Peters, Pontiac.  
Lowell Johnson and J. M. Cleland, both of Detroit, were re-named secretary and treasurer respectively.  
The organization is comprised of men and women who have been in the telephone business for 21 or more years.

**Wind Pressure**

A 40-mile wind exerts a pressure of approximately seven pounds per square foot on the side of an automobile. An automobile might have an area on the side of about 30 square feet, so the total pressure of such a wind would be about 210 pounds.

**Catalytic Cracking**

One of the longest strides ever taken to conserve vital petroleum was catalytic cracking. It splits out three gallons for every one refined before, hence wastes less of each barrel drilled. A triumph of chemical engineering, requiring labyrinthine equipment such as this, the technique yields higher octane gasoline in the bargain.

**HERE'S WHY HUDSONS STAY YOUNG SO LONG**

Low upkeep costs and longer car life, due to extra-sturdy construction that protects against road shock and strain.  
Added resale value in luxurious worsted wool or nylon interiors with crackproof, scuffproof Dura-fab trim.  
Quiet, steady going in an all-welded, single-unit Monobilt body-and-frame\* with exclusive recessed floor.  
Hudson's traditionally brilliant performance with oversized, high-compression engine.  
Marvelously smooth power from the only engine precisely balanced as a unit.  
Unusual security from the only hydraulic brakes with a reserve mechanical system on same pedal.  
Exceptional protection with box-section steel girders completely surrounding the passenger compartment—a Hudson exclusive.  
"Like-new" performance over thousands of extra miles because Hudson uses more costly metal alloys.  
Minimum wear and repair over long engine life because of chromium-alloy engine block—toughest in the industry!  
Increased economy and lengthened engine life from the industry's only planned-in-position piston rings.
