

Here is the proud driver, Ernie Sworthwood, with the great champion pacer, Royal Blackstone who was bred and born in Michigan. The beautiful four year old horse is one of the top favorites in the \$10,000 Michigan Pacing Derby to be held at Northville Downs, July 7.

Northville Downs Drivers Express Superstitions

Are harness racing drivers superstitious?

Well, some say they are not but actually most of them have little habits before and during racing that well could be described as superstitious.

Here is what some of the country's leading drivers at Northville Downs said about their superstitions:

Tommy Winn: Well, I'm not very superstitious except about one thing. That's not to brag about your horse for a least one week before the race. I learned my lesson not so long ago. That's when I praised my horse sky high and told everyone he was going to win. He came in at the tail end.

George Rattenbury: I don't know whether you'd call it superstition but I can't win a race or even come close unless I've had my coffee. Some people say I drink at least 10 cups before every race. That's a fair estimate I guess but the main thing is plenty of coffee or it isn't a race.

Ed Barnes Jr.: I guess I am a little superstitious, at least about my silver dollar. A long time ago, 18 years to be exact, I won my first race at Corydon, Indiana and I've carried the same silver dollar since. It seems to have brought me my share of good luck.

Ora Dunkin: When I was a young fellow I remember passing through the barns on the day of my first race and noticed a cat with a litter of new kittens. From that day on I have convinced myself that cats are

lucky for me. I'm always kind to animals of the feline variety.

Oscar Silvey: I never figured out whether or not I was superstitious but I do light a fresh cigar between races. Seems everything goes right when I do. Otherwise, bad news of some kind turns up. Maybe it's superstition and maybe it's because I like cigars.

Bob Plaxico: I've been around a long time. After all my first race was in 1914 and all that time I never got superstitious until lately. Seems I have a superstition about free legged pacers. Give me one of those and it's always a good race.

Mei Stine: One thing I've never done and that is drive a race before I checked to see whether or not my reins were twisted. I tell you it's bad luck, at least for me, to have twisted reins. They just got to be nice and straightened out.

Claude Wright: Yes sir, I'm the most superstitious man you can find. It's peanuts. I can't stand anyone eating peanuts when I'm going to race. Once a fellow sat on my trunk in Napoleon, Ohio in the 1930's and he was munching those things. I lost and I've hated peanuts ever since.

Probably the most common superstition as expressed by Northville Downs drivers is: "I never hitch my horse on Sunday." Everyone of the above drivers expressed that viewpoint. Reason: some say the horse needs a day off; others feel it's just bad luck; others say because it's Sunday. The Lord's day.

Denton Asks For Controlled Speed

The faster you drive, the longer it takes -- to stop, that is!

Good drivers know that the higher the speed the more distance required to stop, according to Chief Denton.

The question, Chief Denton said today is: Do you know how much distance is required to recognize the need to stop, apply the brakes, and come to a full stop at any given speed? And, more important, do you always drive with the full realization that you must be able to stop in an emergency?

"We'd all be safer drivers," Chief Denton said, "if we'd remember three things: the driver has to see and recognize the need to stop before he can start stopping. After he does that, there's a half second or more interval called 'reaction time' before he is actually doing the third thing, putting on the brakes. All this time -- until the brakes finally stop the car -- the car is moving toward that object the driver doesn't want to hit!"

Here are the figures from the National Safety Council on how it takes an average driver to see an emergency, react, and stop an average car:

At 20 miles an hour -- 43 feet (including 22 feet of reaction time).

At 30 miles an hour -- 80 feet (33 feet of reaction time).

At 40 miles an hour -- 128 feet (44 feet of reaction time).

At 50 miles an hour 186 feet (55 feet of reaction time).

"You see," said Chief Denton, "the faster you go the longer it takes you to stop."

Junior Horse Show Has Many Entries

The equine members of the Northville junior set are training their sights on the coming Junior Horse Show, to be held Sunday July 23 at Northville Downs. Local boys and girls are determined to repel the outside invasion and to annex the lion's share of the trophies and ribbons.

Among the early local entries already in are Barbara Couse with her western horse, Bataan; Barbara Groom and her Morgan horse, Shadylawn Spice; Franny Malley with Captain Midnight; Andy Owen and Voodoo; Tulane German with her palomino, Desert Dust; Bonnie Hannah and Gaytime; Arlene and Bill Gaab; Bob Hannah, Billy St. Lawrence and Bob Harkness.

The show, which will start at noon and run through the afternoon and early evening is expected to attract a sell out crowd. This is the largest all-junior show on the Michigan Horse Show Association circuit.

The many novice, or beginners classes, give the young riders an opportunity to test their skill before starting the tougher competition of the regular big time shows.

The show secretary, Mrs. Ernest Wood, 45924 West Seven Mile Road, Northville, will furnish information on entries and prize lists to anyone interested in entering the competition.

The Our Lady of Victory Altar Society will have a picnic at the Willows in Cass Benton Park, Wednesday July 12 at 12:30. Bring the children. In case of rain the group will meet at the church.

Disposition Given On Hit-Run Case

Chief of Police Joseph Denton announced the disposition of the hit and run case reported last week between Paul Mohr, 15702 Jonas Street, Allen Park, and John McIntosh, 4393 Euclid, Detroit. Mr. McIntosh was fined \$50 and had his driving privileges suspended for 60 days.

Karen Shipley, aged 7, of 112 Walnut street, was bitten by a Dalmatian dog Thursday, June 29. The child was trespassing on property owned by Oren Schnieder, 619 North Center street when the dog bit her. Karen was taken to the Northville Clinic for treatment.

A case of vandalism was reported by Mrs. Chub Smith of 845 Grace Street Saturday evening, between 7 and 11, July 1, at first the police believed an animal had pulled up some of Mrs. Smith's border creeper and plants but later evidence led the police to suspect that some person had committed the crime. A reward is offered for anyone who can give information which will lead to the apprehension and conviction of the vandals.

New MEA President

CLIFFORD H. SMART

MEA Pres. Calls For Better Schools

A call for an even better public school system in Michigan, came from Clifford H. Smart, superintendent of schools in Walled Lake, who on July 1 becomes president of the Michigan Education Association. Mr. Smart succeeds Colon L. Schaibly of Kalamazoo, whose term expires.

"Careful and continuing study of better ways to finance Michigan's entire educational program is necessary," said Mr. Smart. "The Michigan Education Association will continue to exercise leadership in this important matter in the hope that, eventually, earmarking of funds by constitutional mandate will no longer be necessary."

"For nearly a century the Michigan Education Association has worked for the improvement of education in Michigan. During the past ten years great and unusual progress has been made. 'Schools are more adequately financed than they were. While teacher's salaries are higher, in many schools the increase has not kept pace with the rising cost of living. The greatest school building program in the history of the state is now being carried on."

"In the year ahead we must continue to supply more and more building to house the rapidly increasing school population."

"We still have too many boys and girls, in Michigan, who have never been able to attend a full-day session of school; too many pupils are still on staggered shifts and part-time schedules."

"A good education begins with a capable and well-trained teacher. To provide every school system with its full quota of well-trained teachers has not been possible during the past ten years. The demand for elementary teachers still far exceeds the supply."

"The Michigan Education Association, the Department of Public Instruction, and the teacher education institutions must continue to provide opportunities for in-service education. Within the next two years we hope that every teacher in every classroom in Michigan will have at least four years of teacher-education."

The new M. E. A. president was born and reared on a farm near Sault Ste. Marie. He is a graduate of Kalkaska high school and of Kalkaska County Normal School, and attended Central Michigan College of Education and Wayne University. He holds both a bachelor of science and a master of arts degree from Wayne University. Mr. Smart served as principal and superintendent in Auburn Heights for 19 years and has been superintendent in Walled Lake since 1945.

Mr. Smart is a member of the Michigan and National Education Associations, of the Michigan and American Association of School Administrators, of the Masonic Lodge, the United Presbyterian Church, Phi Delta Kappa (an educational honorary society), and he is a past president of the Walled Lake Rotary Club.

Mr. and Mrs. Alfred Parmenter and daughters, Pamela and Sandy of Eaton Drive, are enjoying a ten day vacation at East Tawas. Mrs. Parmenter's parents, Mr. and Mrs. Ralph B. Willis of North Wing Street are also vacationing at East Tawas.

Exchange Chooses Working Groups

Dr. S. F. Campbell, president, of the Exchange Club has announced the new officers and committees for the next six months. Dr. Campbell, president; Essie Nirider, vice president; Bruce Turnbull, second vice president; Russ Bingley, sgt.-at-arms; M. F. Meaker, secretary; and C. H. Bloom, treasurer. Members of the board of control are E. W. Ebert and Dr. W. L. Howard.

The various committees are: Program, Wilson Funk, D. J. Stark, Leo Mainville, Harry Himmelsteib, and Kenneth Rathburn; Project, A. Russell Clarke, E. W. Ebert, George Miller, William Petz; Membership, Essie Nirider, Harry Wagenschutz, Dr. Hugh Godfrey, Harold Church, Lee Eaton and Don Merritt; Finance, Jack Stubenvoll, and George Clark; House, Cliff Turnbull and Sidney Frid; Bulletin and Publicity, Russ Bingley, John Crandell, D. Harper Britton, and George Locke; Citizenship, Dr. W. L. Howard, Louis Stewart, Harle Johnson and Glenn Richardson; Recreation, Joe Alessi, Orson Atchinson and Herman Hartner; Inter-club, Bruce Turnbull and C. Harold Bloom; Scholarship and Junior Exchange, Elroy Ellison, M. F. Meaker, Elmer L. Smith; Metropolitan council, Carl Ely, Fred Van Atta; Interpreter of Constitution and By-Laws, C. D. Hill.

Mergraf Oil Co. Damaged By Fire

Mergraf Oil Products of 175 Railroad street Wednesday afternoon, June 28 at 5:30, was the scene of a fire which destroyed a processing plant. The building was 95% destroyed and an estimated value of \$4,000 was accessed by the insurance company. Fire trucks from Northville and Plymouth arrived and it took them nearly an hour to extinguish the fire which started from an unknown origin and gathered quite a crowd of spectators.

Approximately one year ago the offices of Mergraf Oil were destroyed by fire leaving an estimated damage of \$40,000. The fire developed from a leak which caused the hot oil to spill over causing the balcony to catch fire. The roof of the building, several walls and the laboratory burned.

Village Observes July 4th Holiday

Northville observed a safe holiday as the accident toll was small, according to the Police Department. In the village there were no accidents, fires or fights to alarm the Northville residents.

A field day program was held at Ford Field and a parade circulated throughout the village streets. Young children joined in many games. The parade collected many spectators who gathered along the streets to cheer the band and gaily decorated bicycles and costumes of the participants.

Village Taxes Placed In Mail

A. Russell Clarke, Village treasurer, has announced that summer tax bills were placed in the mail July 5. The tax rate this year is \$15.30 per \$1,000 as compared to the 1949 rate of \$15.60 per \$1,000. This rate is 30c cheaper than last year. The amount spread on the tax roll is \$64,500. Last year it was \$62,000. The assessed valuation is \$4,226,675 as compared with last years assessed valuation of \$4,044,910.

Heating, Plumbing Firm Opens In Novi

Jay Holmes announces the recent opening of the Novi Plumbing and Heating Supply Company, located on Novi Road near Grand River Avenue.

Mr. Holmes, a former Novi resident, has been in the plumbing and heating business for the past 15 years. He was most recently associated with the McCormick Plumbing Supply Co. of Detroit. The Novi Plumbing and Heating Supply Co. will specialize in complete heating and plumbing installation.

New Commander

CHARLES CARRINGTON

Past Commander

MORRIS COHEN

American Legion Elects Officers

The Lloyd H. Green Post 147 of the American Legion held election for the coming year. Morris Cohen is the outgoing commander. The following were elected: Charles Carrington-commander, Paul Burnham-senior vice-commander, Conrad Springer-junior vice-commander, Harry Porter-finance officer, Fred Walker-chaplain, Irving Becker-historian, Bruce Simmons - sgt. at arms. Captain Herman Berendt was elected honorary chaplain of the post.

Delegates were chosen to attend the annual convention which will be held in Grand Rapids from August 24-27. C. Oscar Hammond, Chubb Smith, George Risher, Morris Cohen, Paul Burnham, and Charles Carrington are the delegates. Fred Walker, David McDougall, Dr. Wilbur Johnston, George Simmons, Sherwood Stevens, and Henry Lankhurst are the alternates.

Installation will take place sometime in August at a regular meeting which will be open to the public. The exact date will be announced later.

Youngsters Invited On Fishing Trips

Starting Wednesday, July 12, the Northville Recreation Committee plans to have a fish day each week, providing there is enough interest displayed in the project.

The children need not furnish their own equipment unless they would like to try their own reel or rod. All the necessary equipment will be furnished by the Recreation Committee, including the bait. The children are to meet at the Van Atta house on West Main street, Wednesday, July 12 at 1:30 p. m. From there they will go to the Mill Pond.

More activities are planned for other days of the week. There will be tournaments in checkers, tether tennis and badminton, with prizes being awarded the winners. Some craft work will be done such as soap carving, braiding, simple sewing, paper mache, and plate decorating. If it is rainy weather, games will be played inside.

The Northville Recreation Committee is in need of scraps of material, pieces of yarn and comic books. If anyone has any of these articles which they would like to donate, they are asked to bring them to the Van Atta house or contact Wilson Funk, Gail Peters or Margaret DeKett who will be glad to pick them up.

Commission Orders Phone Rates Raised

Rate increases ordered by the Public Service Commission for Michigan Bell Telephone Company users will apply to just about every type of local service in every exchange in the company's territory.

The \$3,200,000 increase in company revenues, amounting to about \$5,500,000 annually, after taxes, was effective June 20 under the Commission's order.

Residence users here will pay increases ranging from 25 to 75 cents a month under the revised schedule. Increases for business customers will range from 50c to 75c a month.

The new rates for Northville will be:

Residential Service-Individual Line, \$3.00; Two Party, \$2.50, Four Party \$2.25 and Rural \$2.50. Business Service - Private Branch Exchange, \$8.25, Individual Line \$5.50, Two Party \$4.50 and Rural \$3.75.

Residence extension rates are increased to 85 cents a month and business extension to \$1.50.

Long distance rates are not changed by the order.

Thomas N. Lacy, President of Michigan Bell, said the company welcomes the much-needed relief the \$3,200,000 rate order brings.

"Amounting to \$5,500,000, after taxes, the increase is definitely in the consumer interest," Lacy said, "For good telephone service should be - and is - the chief concern of our customers."

"While it will help to strengthen the company's financial condition and will aid us in doing the kind of a job the people of Michigan want us to do, it is considerably less than the amount needed and is sufficient to insure adequate earnings and our continued ability to attract necessary capital."

"Unlike an 'unregulated' industry where price adjustments are almost automatically geared to rising cost, under regulations considerable delays are experienced before relief is granted. We have to wait almost 18 months for this increase. A previous increase in October, 1948, required 14 months of waiting."

Costs of doing business were increasing during all that time and the inadequate return incurred during such a long procedure can never be made up. "In addition, the relief that has been accorded falls far short of matching the increased costs of doing business."

"Prior to 1948, Michigan Bell rates had not been increased in 22 years. As a matter of fact, long-distance and exchange service rates were decreased a total of \$21,000,000 during that period."

"Since 1940, prices of food, clothing and other goods and services have gone up substantially. On the other hand, even with the present increase, the average telephone bill has risen less than half as much as the prices of things that make up the cost of living."

"Telephone service, even with the increase, is still cheap in dollars and cents - standing alone, judged by today's increased purchasing power, or measured by the increased value of the service itself."

Story Lady To Visit Playfields

All children in the village will have the opportunity to hear Northville's own story lady on the playfields near their homes starting July 10th. If you are from the ages of 2 to 12, please make a special effort to join her in games and the story hour. The schedule appears below:

Monday-1:30 to 3:30-Catholic Church playfield and lawn.

Tuesday-10 - 11:30 - Allan Field, Rayson at Hutton.

Wednesday-10 - 11:30-River Street at the park.

Thursday-10 - 11:30 - Allan Field.

Friday - 10 - 11:30 - River street at the park.

Saturday-10 - 11:30 - Center street playfield.

The Story Lady will appear on the Village Green Monday, 10-12, Tuesday, 1:30-3:30 and Thursday, 1:30-3:30.

Delores Bell of Northville is a part-time employee of the village.

Pacing Derby Set For Friday Night

Northville Downs has come up with the greatest harness horse race of the Michigan circuit this year, the annual renewal of the \$10,000 Michigan Pacing Derby slated for decision Friday night (July 7).

A record total of 46 nominations were made to the pacing prize back in March when entries closed. When the list was finally tabulated it showed that three former winners are all coming back for another try at this year.

The event, inaugurated in 1945, has never had a candidate that could repeat. The inaugural winner was the chestnut gelding, Red Go 2.00, owned by Chester Faulder of Sidney, O. Red is among this year's 45 candidates.

Brucita's Guy 2.04 3/5, the rugged pacing star from the Perry Williams stable of Birmingham, and driven by the popular Tommy Winn, gave the home fans their chance to shout in 1946, as he was the winner. Royal Man 2.03 3/5 was second that year, and he has also been named again as a starter this year.

The 1947 winner Grattan McKlyo 1.59, 4/5 was not named this year, having an engagement elsewhere on approximately the same date.

The 1948 winner, sweet little Jimmy Creed 1.59 4/5, has just been retired to the stud, so his racing days are over. But the horse he headed that year, Jerry the First 1.59 4/5, who came through the winner of the \$50,000 Pacing Stake at Hollywood Park last November, is among this year's candidates, and right now one of the top-ranking favorites as well.

Last year's winner, the Canadian stallion, The Diplomat 2.01 4/5, owned by the well-known sportsman, Alex Parsons of London and Brandford, and teamed by Lew James, one of the popular Northville drivers of past meetings, is back for his second try and the big plum. The Diplomat, with one of the greatest race records run up by any pacer last year, will be one of the top favorites in a race that already is the talk of Michigan harness circles.

With three Derby winners, and two others that finished second as well as forty-one other candidates, there is no mistaking the importance of this year's race. It has already been rated by veteran race followers as the greatest single pacing race of the entire 1950 campaign over any half-mile track. Come the night of July 7, and a new all-time attendance record for Northville and Michigan harness racing is a great possibility.

Program Closes Bible School

The Baptist Church held its Vacation Bible School this last week. School closed Friday and the closing program was given Sunday evening at 7:30 in the church for parents and friends. Rev. Charles Schock, pastor from Reading, Michigan was the director.

The daily sessions were well attended. The theme of the school was "Truth For Youth". Object lessons were given from the Bible by stories which illustrate the theme.

This year the children did no handicraft work but filled out booklets which substantiate the daily lesson.

Attendance has been very good at the Vacation School according to Rev. W. Ballagh, pastor of the Northville Baptist Church.

Fire Razes Barns In Novi Disaster

Two storage barns located behind the Novi Hardware and owned by Anthony Mazel burned to the ground last week in a fire which called out both the Novi and Northville Fire Departments.

The barns, 15x12 and 20x20 were on fire when the fire department reached the scene and by that time the fire was beyond control.

An estimated damage was established by the cause of the fire.

Chelsea—School officials emphasize that registration is unnecessary for the election of two school board members to be held on July 10.

Birmingham—A \$100,000 C. F. Smith supermarket with provision for off-street parking for 200 cars, is to be constructed at the northeast corner of Hazel and Hunter, company officials disclosed recently.

Rochester—Avon Township's summer recreation program opened with the park swimming pool claiming the greatest interest among the phases of sports, music and arts and crafts that are being offered.

Wayne—Wayne has more than doubled in size within its corporate limits in this last war-torn decade.

Inkster—On the basis of 1950 census figures released by Roy Perry, Census Supervisor of the 15th and 16th Congressional Districts, Inkster has solidified its place as one of Michigan's largest villages. This new census total in the Village limits of Inkster is 16,694.

Inkster—Inkster's summer playground recreation program got off to a good start and as a result ten playgrounds, well scattered throughout the Village, are under the Superintendent of Recreation.

A new compound "CMC" will soon be available to add to laundry rinse water. It will make cotton fabrics more resistant to soiling and permit them to be laundered with less soap in the next washing. It is the result of research by the U. S. Department of Agriculture.

Remember to take good care of your milk and not let it stand on the porch where sunlight will affect its nutrients. Provide a covered box to protect it, advise Michigan State College home economists.

George A. Smith Files Petitions For Legislature

Voters of the Seventh Wayne county legislative district will be interested in knowing that George A. Smith who for more than 27 years was superintendent of the Plymouth public schools, has filed as a candidate for the Republican nomination for the state legislature.

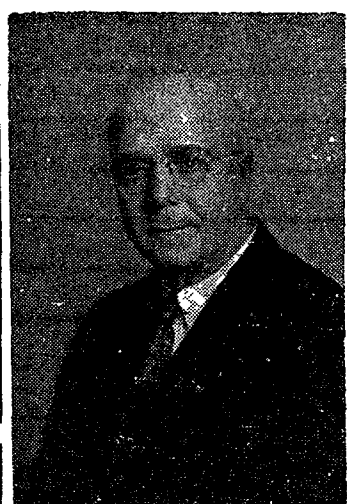

Mr. Smith states that it is his intention to devote a good portion of his time between now and the date of the primary election in campaigning for the state position he seeks. Aiding him will be citizens from all of the various townships, cities and villages in the district. Those who know Mr. Smith well state that he is especially fitted for the position he seeks, through both education, training as well as a long-time interest in state affairs.

He was born in Michigan in 1884 and in 1890 he became an orphan and was placed in the State Public School for Dependent Children at Coldwater. The same year he was indentured into a farm home in Hillsdale county.

Determined to secure an education, with no relatives to help him he saved enough money to pay his way through high school, from which he graduated in 1903. Soon after this he entered the Michigan Normal College and by working after school hours he was able to pay his tuition and board. It was in 1911 when he graduated and was given a life certificate to teach. In 1919 he won his A. B. degree and in 1924 the University of Michigan awarded him his M. A. degree.

He immediately entered school work and for 39 years devoted his entire time to aiding school boys and girls to receive proper educational background.

For 15 years he was a member of the Wayne county board of education and for more than 25 years was actively associated in

GEORGE A. SMITH

Boy Scout work. He is a member of the Presbyterian church, a Mason and a charter member of the Plymouth Rotary club. Rotarians in 1947 honored him by electing him as district governor for this district.

Because of his intense interest in the welfare of unfortunate children, four different governors of Michigan have honored him with appointment to the Michigan State Institute Commission which has jurisdiction over the State Public School at Coldwater, the Michigan School for the Blind, the State School for the Deaf and the Michigan Employment Institution for the Blind. Supporters of Mr. Smith point out the fact that few men who seek election to the state legislature have such a desirable background and knowledge of state affairs as has Mr. Smith. In his campaign he proposed to seek the support of his own party members as well as all of the people who are especially interested in the future progress of the young people of this state.

Roy Mitchell Buys Registered Jersey

Roy T. Mitchell of Northville, Mich. has purchased one registered Jersey, Exceptional Jesterman, from the herd owned by The Oaklands of Ann Arbor, Michigan.

Jerseys are registered at the national office of The American Jersey Cattle Club in Columbus, Ohio. The Club has kept complete records on all registered Jerseys in the United States since 1868.

Jerseys are especially noted for producing milk that averages more than 5 percent butterfat. The breed also calves and begins producing milk from three to six months sooner than other dairy breeds. This means faster herd building and earlier milk checks, and makes Jersey increasingly popular with dairymen.

4,600 Enroll at MSC For First Six Weeks

Enrollment in Michigan State College's first six-week session, which runs from June 20 to July 25, totals more than 4,600, according to Registrar Robert S. Linton.

Registration of full-time students reached 4,508 July 26, and workshops boosted the figure enrollment in several early over the 4,600 mark, Linton added.

This 4,508 figure compares with 4,739 recorded at the same time last year at the East Lansing college.
Enrollment of the second-six week session, scheduled for July 27 to Sept. 2, is expected to total approximately 2,000.

OBITUARY

JOHN MUSOLF
John Gottlieb William Musolf, 92, passed away Sunday afternoon, June 25 at the home of his son, August at Grass Lake. He was born in Germany June 24, 1858 and was married to Augusta Behnke in 1880. Two years later

they embarked for America, settling near Southfield, Michigan. Eleven children were born, two dying in infancy. His wife preceded him in death 24 years ago. Since that time he also lost his two sons, John and Albert, and a daughter, Mrs. Lizzie Schroeder. He spent most of his life in America in the Northville and South Lyon areas.

The deceased leaves to mourn his death, August, of Grass Lake, Charles, of South Lyon and William of Dansville, Mrs. John Phillips (Lena) of Milan, Mrs. Bert Snow (Minnie) of Northville, and Mrs. Ernest Schockow (Bertha) of Ann Arbor; 17 grandchildren and 21 great grandchildren.

The deceased was a member of Farmington Lutheran church for nearly 50 years. Funeral services were held at 2 o'clock Wednesday afternoon at the Phillips Funeral home. Rev. E. M. McGehee, pastor of the First Presbyterian church officiated. Burial was in South Lyon cemetery.

WILLIAM MELOW
William Melow of 616 Oakland Place, aged 78, died June 30 at Mercy Hospital, Bay City.

The body lay in state at the Casterline Funeral Home until time of services Monday at 2:00 p. m. from St. Paul's Lutheran church. Rev. E. E. Rossow read the last rites and interment was made in Livonia Center Cemetery.

Surviving are one son, Glen Melow of Plymouth, a daughter, Mrs. Elizabeth Thompson of Northville, two brothers, John of Novi and Fred of Plymouth, four sisters, Mrs. Louise Rewald, Mrs. Albert Schroeder and Mrs. Ella Bauman of Plymouth and Mrs. George Miller, Sr. of Northville. Also surviving are two grandchildren, Ronald and Frederick Thompson of Northville. Mr. Melow's wife preceded him in death November 18, 1946.

Mr. Melow was born in Livonia Center October 23, 1871 and has resided in Northville for 26 years. He was a member of the Odd Fellows lodge in Novi and was employed as a watchman at Allen Industries, Plymouth.

Keesler Names MSC Alumni Director

Starr H. Keesler, a 1941 graduate of Michigan State College has been named director of MSC alumni relations to succeed Tom King, who will become Dean of Students at Michigan State July 1.

Keesler first joined the MSC staff in 1943 as an instructor in short courses. After service with the U. S. Navy during the war, he returned to the Spartan campus as director of college housing. He held this position until January of this year, when he was named assistant director of alumni relations. His new appointment will be effective July 1.

No husband can understand why his wife should be attracted to a man other than himself.

Joan Litsenberger Wed On Parents 23rd Anniversary

The twenty-third wedding anniversary of her parents was the date chosen by Joan Ruth Litsenberger, daughter of Mr. and Mrs. John Litsenberger for her marriage to Harold A. Dayton, son of Mr. and Mrs. Ace Dayton of Base Line Road.

The ceremony took place Thursday night, June 29 at the Northville Methodist Church at eight o'clock. The double ring service was performed by Rev. William Hughes before an altar decorated with palms and larger bouquets of white gladioli, stock and daisies.

Mrs. Ed Bauman presided at the organ and accompanied Carl Stephens, who sang "Because" and "At the Altar We Stand."

Joan was given in marriage by her father and for her wedding she chose a gown of white organdy, fashioned with a collar of heirloom Rosepointe lace, a fitted bodice and full skirt which fell into a cathedral train. Her veil, which had been worn by her mother, was of silk illusion and was held by a cap trimmed with Rosepointe lace and orange blossoms. She carried a bridal bouquet of gladioli and stephanotis.

Mary Lou Litsenberger attended her sister as maid of honor and wore a yellow organdy gown with a matching picture hat.

The bridesmaids were: Lois Taft, Velma Dayton and Coralyne Stephens, all of Northville and Mrs. Al Tobin of East Lansing. They wore identical gowns of blue, pink, orchid and green respectively and all carried colonial bouquets of rose snapdragons centered with carnations matching their gowns.

Charles Dayton served as best man and ushers were Keith Simons, Robert Dayton, Frank

Defina and Al Tobin.

For her daughter's wedding Mrs. Litsenberger chose an aqua floor length dress. Mrs. Dayton wore a navy blue floor length dress and each mother was presented with a pink carnation corsage. White carnation corsages were presented the two grandmothers, Mrs. Carrie Dayton and Mrs. Carrie Litsenberger.

A reception followed the ceremony in the church house with 250 guests in attendance. William Taft had charge of the guest book and Mrs. G. Louis Balch of Plymouth had charge of the gifts. Virginia Hansen and Mrs. Frank Defina poured and Nancy Litsenberger presided at the punch bowl.

Following the reception the newlyweds left on a trip to an undisclosed destination. For going away Joan wore a white suit with white and navy blue accessories.

Joan graduated from Northville High School with the class of '46 and attended Western Michigan College at Kalamazoo. She is now employed in the office of the local telephone company. Harold is also a N. H. S. graduate, served with the Navy for a time and graduated from Detroit Electronics School. He now has his own radio and television repair shop at South Lyon.

Mr. and Mrs. Dayton will make their home at 113 North Center Street, Northville.

W. I. L. Hears Talk On Post-War Japan

The Northville W. I. L. held a cooperative supper at the home of Mrs. Clara Dickerson in Salem Wednesday night, June 28.

The speaker was Mrs. Elizabeth Weideman of Grosse Pointe, president of Detroit Branch of W. I. L. Mrs. Weideman recently spent a year in Japan, as her husband was a lawyer working in the civilian department of the Army of Occupation.

Mrs. Weideman spoke of the wonderful Japanese people she met. She said that while a democratic constitution had been set up, it would be years before all the people understood and changed their customs to follow it.

Helping with the development of this understanding are the Japanese women who have formed several branches of W. I. L. During the war the Japanese branch had to stop work as they were forced to do in other fascist countries. Now their branches have been reconstituted and hope soon to fulfil the requirements of a national section of W. I. L. Tano Jodai, one of their leaders, studied at Smith last year and was pictured in Detroit papers when she visited there last spring. She is a personal friend of Mrs. Weideman and worked with Mr. Welch, the former Japanese missionary who spoke to Northville W. I. L. in April.

Mrs. Weideman spoke of the great humility of Japanese women leaders. They feel a sense of guilt and are afraid other will not consider them worthy to become part of the family of nations. Mrs. Weideman showed the group her collection of beautiful Japanese art objects.

The final meeting of this season's program will be held soon to hear the report on the International Institute on "Point Four Plus" which will be given by Miss Marie D'Agostino, Northville branch delegate to the institute.

Friends desiring literature about the work of W. I. L. can obtain it from the president, Mrs. C. E. Woodruff or literature chairman, Mrs. Harold Hartley.

Roy Russell, superintendent of the Island Lake state recreational area for the state department of conservation, was the speaker at the Exchange Club luncheon Mr. Russell stressed the damage done by vandalism in the state parks and what a heavy expense it is on the state's budget.

Barbara Jenkins Chooses Marquisette Wedding Gown

Rev. McLucas of Novi Methodist church performed the double-ring ceremony which united Barbara Jean Jenkins, daughter of Mr. and Mrs. Clifford Jenkins of 43525 Grand River, Novi and Clifford Kniffen, son of Mr. and Mrs. Edward Kniffen of 1245 Hemingway, Lake Orion, in marriage Friday evening, June 30 at 7:30 in the evening.

Mrs. McConnel sang "Because" before the ceremony. Mrs. R. E. Scheffer presided at the organ.

The bride, given in marriage by her father, wore a gown of white marquisette with a yoke of lace accented by scallops. She wore a finger tip veil. Both the bridal gown and veil were fashioned by Mrs. N. E. Scheffer, organist.

Lucille Scheffer of Farmington attended the bride. She was dressed in a gown of orchid marquisette and carried a bouquet of carnations. Bridesmaids, Dorothy Jenkins of Novi and Alice Kniffen of Lake Orion were dressed in gowns of blue marquisette and also carried bouquets of carnations. Charlotte Jenkins was the flower girl. She wore a dress of yellow marquisette.

John Fields of 204 Hawthorne, Walled Lake attended the groom as best man. Ushers were Raymond Jenkins, of 43525 Grand River Ave. and Robert Walton, 2635 Perry Street, Pontiac.

The bride's mother wore a navy blue dress with white accessories. The bridegroom's mother also wore a navy blue dress with white accessories.

A reception was held immediately following the ceremony at the Walled Lake Veterans Hall for 250 guests who were present from Novi, Northville, Lake Orion, Pontiac, North Branch and Detroit.

The young couple left for a week's honeymoon to Niagara Falls and upon their return will make their home in Lake Orion.

Mrs. Kniffen is a graduate of Northville High School. The bridegroom is employed at the Fisher Body Plant in Pontiac.

Green blotters are once again available at the Record office.

Camp Designed For Adults and Families

The Presbyterian Church is sponsoring a camp designed for the enjoyment of adults and family groups. The camp is located at Presbytery Point on Lake Michigan in the Upper Peninsula.

The purpose of the camp is to provide a completely restful atmosphere in order that the campers can enjoy themselves in surroundings void of all wearisome activities.

The camp will be held August 5 through 12. Adequate camp facilities of all kinds are provided. The camp is convenient to most points along Lake Superior.

Mr. and Mrs. C. M. Chase attended last summer and plan on going again this year. For information and reservations contact either Mr. or Mrs. C. M. Chase 19820 Clement Road-Phone 161.

Mr. and Mrs. Carl Stephens (Pearl Denton) of Norton Avenue announce the birth of a son, Carl Denton Stephens, born June 27 at Sessions Hospital. The baby weighed seven pounds, 10 ounces.

Black's Open House Termed Huge Success

Black's Catering Service held open house last week for an overwhelming crowd. The crowd mingled around four very attractive tables.

The center table was the Bride's table. It was covered with a white cloth with the center piece being the wedding cake topped with real white roses and flanked by white roses also. Over 150 pieces of cake were cut and served to the guests throughout the afternoon and evening.

Another table centered around assorted canapés and sandwiches, punch, and coffee.

The third table was set for the kiddies. It had different colored cakes, a lamb cake, and suggested jello molds which would be suitable for a children's party.

A miniature smorgasbord was another feature of the open house. It had potato salad, assorted meats and other various tid-bits upon it.

Any boys, aged 15, 16, 17, interested in playing hard ball for the American Legion and Bev. Smith team are asked to contact George Risher at Veterans' Memorial Hall.

IF YOU ARE A PEPLESS PETE

When people feel like they are tied to a log every time they try to do something, and their pep is gone, the chances are it is due to one thing, namely:

BLOOD POVERTY

Your blood cells may be fagged out or shrunken, and you might not realize it. Even if you eat the "best" foods you may not be getting all the good out of your meals simply because you have SLOW Digestion, without knowing it (or gassy stomach) and as a result you are a victim of Blood Poverty! In other words, your blood is not getting the fullest good out of what you eat. So your blood-cells become worn-down and you have only half as much energy as you really need, you get up in the mornings still tired, and your nerves become dull.

Hundreds here in Northville suffered with "faded-out" blood and stomach gas until they got CERTA-VIN. This is the new medicine containing 12 Herbs blended with Vitamin B and Iron; you take it before meals and it works with your food. Benefit comes quickly. Your food digests FASTER, with less gas, and you get more good out of your meals. In a few days your blood is energized with new red cells and your nerves become stronger. Weak, rundown people tell us they soon feel different all over. And best of all, our price on CERTA-VIN is reasonable. You can actually take this New, modern medicine for only a Few Cents a Day! So don't go on feeling half-sick and half-well. Get Cert-A-Vin—Northville Drug Co.

LEGAL NOTICES

To the Supervisor of the Township of Redford Wayne County, Michigan.
Sir: You are hereby notified that the Board of County Road Commissioners of the County of Wayne, Michigan, did at a meeting of said Board held Thursday, June 22, 1950, decide and determine that the certain street described in the minutes of said Board should be a County Road under the jurisdiction of the Board of County Road Commissioners. The minutes of said meeting fully describing said street is hereby made a part of this notice and is as follows: "Minutes of the meeting of the Board of County Road Commissioners of the County of Wayne, held at 3800 Cadillac Tower, Detroit, Michigan, at 10:00 a.m., Eastern Standard Time, Thursday, June 22, 1950. Present: Commissioners O'Brien and O'Hara."
Commissioner O'Hara moved the adoption of the following resolution: BE IT RESOLVED that the Board does hereby assume jurisdiction over the following street located in Redford Township, Wayne County, Michigan. A strip of land in the southwest 1/4 of Section 23, T. 1 S., R. 10 E., Redford Township, Wayne County, Michigan, described as that part of the now vacated portion of Appleton Avenue (formerly Roseville) adjacent to the original lots 1 to 10, both inclusive, now vacated, of the Sunset Heights Subdivision of part of said Section 23 as recorded in Liber 59 of Plats on Page 36. Said strip of land having been conveyed to the Board of County Road Commissioners of the County of Wayne, Michigan, by a warranty deed dated June 19, 1950, from Frischkorn Brothers Real Estate Company, being in all 0.076 mile of subdivided street.
The Motion was supported by Commissioner O'Brien and carried by the following vote: Ayes, Commissioners O'Brien and O'Hara; Nays, None.

THIS NOTICE IS GIVEN UNDER AND BY VIRTUE OF ACT NO. 83 OF THE PUBLIC ACTS OF 1909, AS AMENDED.
In testimony whereof I have hereunto set my hand at Detroit this 29th day of June, A. D. 1950.
BOARD OF WAYNE COUNTY ROAD COMMISSIONERS
Wayne County, Michigan
EDGAR M. BRANTIGN, Clerk
CARL W. EISHOP, Deputy Clerk.

MORTGAGE SALE
Default having been made for more than thirty days in the conditions of a certain mortgage made by Charles T. Opperman and Marion J. Opperman, his wife, to Depositors State Bank, a Michigan banking corporation of Northville, Michigan, dated the Eighth day of February, 1946, and recorded in the office of the Register of Deeds, for the County of Wayne, and State of Michigan, on the Twentieth day of February, 1946, in Liber 7852 of Mortgages, on page 35, and said mortgagee having elected under the terms of said note and mortgage to declare the entire principal and advances

for taxes and fire insurance, and accrued interest thereon, which election is hereby exercised pursuant to which there is claimed to be due and unpaid on said mortgage, the sum of Eight Thousand Three Hundred and Thirty-nine and 9/100. And no suit or proceedings at law or in equity having been instituted to recover the debt secured by said mortgage or any part thereof, now therefore, by virtue of the power of sale contained in said mortgage, and pursuant to the statute of the State of Michigan in such case made and provided, notice is hereby given that on the Thirtieth day of September, A.D. 1950, at 12:00 o'clock noon, Eastern Standard Time, said mortgage will be foreclosed by a sale at public auction to the highest bidder, at the southerly or Congress Street entrance to the County Building, in the City of Detroit, Wayne County, Michigan, (that being the building where the Circuit Court for the County of Wayne is held), of the premises described in said mortgage, or so much thereof as may be necessary to pay the amount due as aforesaid, on said mortgage, with the interest thereon at five per cent (5%) per annum and all legal costs, charges and expenses, including the attorney fees allowed by law, and also any sum or sums which may be paid by the mortgagee, necessary to protect his interest in the premises, which said premises are described as follows:
All those certain pieces or parcels of land situate in the Township of Livonia, County of Wayne, State of Michigan, and described as:
Lots 12, 13, 14, 15, 35 and 36 of the "Zimmerman and Porter Schoolcraft Estates Subdivision" of part of the East 1/4 of Southeast 1/4 of Section 19, Town 1 South, Range 9 East, Livonia Township, Wayne County, Michigan, according to the Plat thereof recorded in Liber 68 on page 73, Wayne County Records, Date at Northville, Michigan, June 8, 1950.

Mayors Hold Lead In Softball; Stone's Moves To Second

Stone's Hardware moved from fourth place to second in the Northville Recreation Softball league standings last Monday night by defeating Bloom's Insurance, 6-2, after Bloom's had lost to the Optimists last Thursday night, 7-5. The two consecutive losses dropped Bloom's into fifth place, just ahead of the Ford team.

The Mayors are still on top in spite of being idle last week, and Schrader's Furniture and the Optimists are tied in the third slot with .500 averages, having each won two games and lost two.

Here are standings as of Monday night:

Mayors	W	L
Stone's	3	1
Schrader's	3	2
Optimists	2	2
Bloom's	2	3
Ford's	1	3

The Bev Smith Ford team and Schrader's Furniture will tangle in the first game at Ford Field tomorrow night at 7 p. m., with the Mayors and the Optimists scheduled for the second game at 8:30 p. m. Monday, July 10. Stone's Gamble Store and Schrader's will meet at 7 p. m. and Bloom's and the Mayors are slated for the windup game.

An exhibition game has been arranged between Schrader's and Dunn Steel, leaders of the Plymouth Recreation league at this writing, for Wednesday night, July 12, at Ford Field. Game time will be 7 p. m. The game is a return match. Dunn Steel won the first encounter.

Optimists 7
Bloom's 5

The faltering Optimists pulled a surprise out of the hat last Thursday night and stopped the Bloom team 7-5. The pitching of

Briggs and Kimball, backed up by one-error fielding, was enough to overcome Bloom's first-inning four-run spurge.

The Optimists put four runs in the second inning together with two in the initial frame and one in the fifth to top the efforts of the Doolin-Earehart battery for Bloom's.

Stone's 6
Bloom's 2

Bloom's team lost its second game within a week to Stone's last Monday night at Ford Field, 6-2, in the lone game of the evening.

Bloom's jumped off to an early lead in the first inning when Stone's pitcher Dave Pottinger walked Leon Holman and Tony Himmelsbach and Ray Doolin's single scored Holman, but Stone's came back with two runs in the second, two in the third and two in the sixth to win.

Dave Pottinger scored Stone's first run on a passed ball after getting on base with a single. Fred Robinson then singled, stole second and tallied on Goude-seune's single.

Three consecutive walks and a passed ball accounted for Stone's third run and Ken Farrell's two-bagger scored Pottinger.

After Robinson singled and Stinson drew a walk in the sixth, both scored on three passed balls while Dean Nitzel was at bat.

The game was called at the end of the sixth inning under the time-limit rule at Ford Field.

Dave Pottinger and Ken Farrell were the winning battery for Stone's. Frank Holman was tagged with the loss.

Farming Danger Increases Yearly

Farming moved up from fourth to third place in 1948 as the most dangerous way of making a living according to the latest National Safety Council statistics. The time lost as the result for accidents to farm residents in any typical year amounts to the time needed to plant, cultivate and harvest nearly one-half the annual average wheat crop in the U. S.

To help reduce the needless deaths and crippling injuries to farm residents, the President has declared the week of July 23-29 as National Farm Safety Week.

As part of its continuing advertising attack on traffic, child and farm accidents, The Advertising Council has issued a new series of newspaper advertisements on Farm Safety phase of the Stop Accidents campaign to dairies and weeklies for local sponsorship. Newspapers are urged to give all possible promotional assistance to the Farm Safety program in order to help cut down the accident rate among farm residents in their own communities.

Added impact for the Farm Safety program will be given by radio network advertisers during July through the Council's Radio Allocation Plan, and by local stations through the National Safety Council.

Another series of newspaper advertisements on farm safety will be released for local sponsorship following the special Farm Safety week promotion.

Safer speeds are the goal of the Michigan State Safety Commission's program this month, a part of Northville's continuing traffic safety program.

Engagement Revealed of Former Northville Boy

The engagement of Constance Ann Pascoe and John Phillip Hancock has been announced by Miss Pascoe's mother, Mrs. Marcella Pascoe, of Plymouth.

John is the son of Mr. and Mrs. Guy Hancock of Blunk Street, Plymouth, formerly of Northville.

No date has been set for the wedding.

Cotton's excellent resistance to alkalis and its greater strength when wet are the secret of its ability to withstand repeated washings.

Confined Flocks Make More for Poultrymen

Average 28 More Eggs Per Hen When Kept Up

Profitable chicken flocks usually lay about 20 per cent of their total yearly eggs during the last three months of the year. They produce one dozen eggs for each seven pounds of feed, have less than 12 per cent yearly mortality, and average 175 eggs or more per bird.

Here is how poultrymen may achieve such records with their fall-housed pullets and insure themselves a profit:

1. More money, will be made if the flock is kept confined. Figures show that confined flocks lay 28

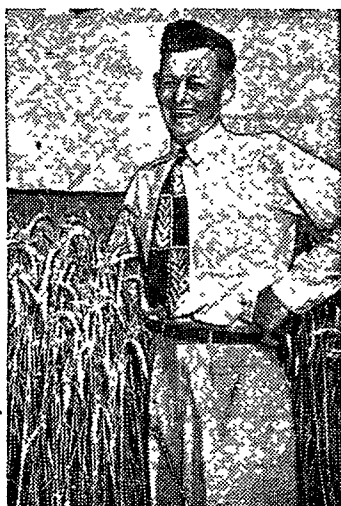

A homemade grain chule set at a tilt on an old truck makes quick work of feeding scratch to pullets on the Glendale poultry farm at Somerset, Mass.

more eggs per hen than those given the run of the farm. If it is desired to turn the flock out for part of the day, it should be done in the late afternoon—on a clean, gravelled yard.

2. Supply plenty of floor space. Three to four square feet for each bird is about right.

3. Use a built-up litter on your chicken house floor. In starting a litter, use straw, wood shavings, sawdust, peanut hulls, peatmoss or any dry material available.

Champ Wheat Grower

Harold Pirtle, of Sullivan, Ind., shown above, was winner of the 1949 "pocket area" wheat growing championship in a contest sponsored by Purdue University and the Southwestern Indiana Wheat Improvement association.

He produced an average of 57½ bushels of wheat per acre on an 11-acre field. His prize-winning wheat was Vigoo, the new stiff-strawed, heavy-yielding red winter wheat developed at Purdue.

Certified Seed Said Need for Good Crops

Only by purchasing certified seed can a farmer make certain he is getting the best product available, says Dr. R. P. Moore, director in charge of the North Carolina crop improvement association.

Dr. Moore says seed are unique in that their breeding cannot be determined from appearance alone. To determine in advance the type of crop which a particular lot of seed can produce, it is necessary to know the history of the seed.

In the production of hybrid corn, the plant breeder probably will know much about the performance of the proposed hybrid before it is actually produced. After it is produced, it is put through a series of tests.

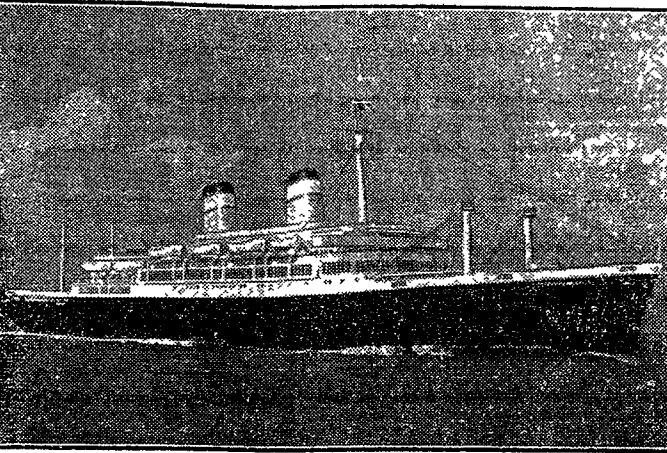

Diseased Livestock Costs Farmer Millions Yearly

Millions of dollars are lost every year in diseased livestock. Less than a dozen diseases are causing unbelievable losses in cattle, calves, hogs and sheep.

Pneumonia and pleurisy are most common, with pyemia, or blood poisoning, in third place. Immaturity alone claimed over one-fourth of the more than seven million calves slaughtered annually, according to the report.

I think the nicest job in the world would be executive director of a mutual-admiration society of which there are hundreds.

America's Most Modern Luxury Liner

AMERICA'S greatest bid in nearly a dozen years for supremacy of the Transatlantic travel trade is the \$25,000,000 25-knot, 1,000-passenger liner S.S. Independence, the nation's most modern luxury liner from stem to stern. This fabulous ship which goes into the New York-Mediterranean service for American Export Lines early in 1951 features a space saving design accommodating the 1,000 passengers, not in cramped little cabins, but in spacious, colorful rooms. Acres of weather-proof glass replace the old-fashioned portholes, and she'll have an artificial climate, air conditioned throughout. This ship, truly representative of the finest in American living, is also the world's safest liner.

Applying Shingles

In applying asphalt shingles over an old wood shingle roof, first nail down loose shingles. Split warped shingles and nail down the segments. Place beveled wood "feathering" strips along the butts of each course of old shingles. Apply an "eaves flashing strip" of asphalt roll roofing. Use six nails in each three-tab, square-butt.

Overhead Water System Creating Wide Interest

The use of overhead sprinkling systems for irrigated farming has created widespread interest in areas where artificial watering is necessary to crop production.

Among the merits of overhead sprinkler systems is that land leveling—which removes valuable top soil from high spots, is not necessary, and ground ordinarily used for ditches can be utilized for growing crops.

Shade trees need water, too. Michigan State College foresters say large trees may be thirsty enough to use 20,000 gallons of water a year.

More than 324,572,000 pounds of cottonseed oil are used in the manufacture of shortening annually.
