

POLIO PRECAUTIONS

RECOMMENDED BY
THE NATIONAL FOUNDATION FOR INFANTILE PARALYSIS

AVOID NEW GROUPS

DON'T GET OVERTIRED

DON'T GET CHILLED

KEEP CLEAN

WHEN POLIO IS AROUND, the National Foundation for Infantile Paralysis recommends these simple precautions: Keep children with their own friends and away from people they have not been with right along. Don't become exhausted through work or hard play. Don't stay too long in cold water or sit around in wet clothes. And always wash hands before eating. Watch for feverishness, sore throat, headache, upset stomach or sore muscles. They may—or may not—mean polio. Call your doctor and then, if help is needed contact the National Foundation Chapter in your area.

Factory-To-You Feature of Local Paint Manufacturer

For a man who had intended on retiring after 50 years in the paint manufacturing business, H. H. Harnden of the Harnden Paint and Glass Co. on Church street, has established both a time consuming and interesting hobby. He has built a paint factory in the garage behind his home at 24141 Novi Road and manufactures his own paint which is sold at his store. Mr. Harnden claims that by manufacturing his own paint, he is able to offer it to his customers at twenty-five per cent less than the price offered in most retail stores. This saving is possible because the paint is sold on a factory-to-you basis which means that profits usually attributed to services performed by middlemen, concerned in the marketing end of the sale of paint, are eliminated.

Mr. Harnden started his career in the paint business when he was 16 years old. By the time he was 18 he was in charge of coloring the paint. He has worked for DuPont in Philadelphia, Pa.; Arco Company in Cleveland, Ohio; and Ault, Wiborg Paint Company in Cincinnati, Ohio, where he was general superintendent of the manufacturing end of the paint. He was last employed by the Detroit White Lead Works and came to Northville in 1946 to open his paint store to serve the people of this community. He decided to make his own products to allow his customers to purchase paint at a saving to them.

Mr. Harnden's specialty is mixing colors to suit the customers' fancy, absolutely free of charge. His business allows him to give a "personal touch" to the paint business.

To manufacture the paint, Mr. Harnden uses a machine called the Patterson Pebble Ball Mill. This machine is a huge round steel barrel which resembles a cement mixer. Inside, the machine is lined with a porous lining. The mill operates by a continuous motion plan. The paint ingredients are mixed by thousands of small flint pebbles, collected on the shores of France and imported for the express purpose of mixing paint, by a rotary motion which joins the ingredients together.

Mr. Harnden expects to expand his plant in the future. People of this vicinity have recognized the fact that he is able to offer customers quality combined with huge savings in supplying them with all kinds of paints for your home, both inside and out, and for your business.

Village Youth Get Basketball Boards

The Optimist Club has purchased one set of Playtime basketball backboards of the new fan shape type for the youth of Northville.

The Athletic board from Northville High School and the members of the Recreation Committee selected the spot directly to the rear of the local high school as the spot most accessible to all the fellows of the village.

Bud Hartner and his crew have installed the uprights and backboards which are being used daily.

The court is full size which will greatly help the youth to get used to the larger court.

Air Raid Defense Centers Chosen

South Lyon has been chosen as one of the 13 civilian air raid ground observation posts to be established in Oakland County. Fred S. Galloway of Pontiac, county air defense chief, announced that South Lyon will join such towns as Pontiac, Birmingham, Milford, Commerce, Oxford, Farmington, and Wixom in setting up air raid stations.

The county air defense agent will appoint supervisors for each of these posts in the near future. These supervisors will recruit sufficient volunteer personnel to man observation stations during operational exercises and around the clock in event of war.

Observation posts are located throughout Michigan in or near towns at approximately eight miles. They will report aircraft activity to a civilian air raid warning system.

The U. S. Army Air Force has installed 11 key air raid warning centers in Michigan for transmitting alarms to the public and civil defense forces. An air defense filter center for evaluating and coordinating the observer's reports will be located at Grand Rapids. Green Bay, Wisconsin will serve as a filter center for Michigan's Upper Peninsula.

The system of civilian air raid spotters will augment a network of U. S. Army Air forces electronic detectors.

Novi I.O.O.F. Plans Big Day Saturday

Members of the Novi I.O.O.F. are sponsoring a big day in Novi this Saturday, July 29. They have arranged an auction sale, a ball game, refreshments will be served and home-made fried cakes will be on sale.

The auction sale will begin at 10:00 a. m. and will take place at the lodge hall and adjacent lot until 3:00. Pete Knowlton of Farmington will be the auctioneer.

Following the auction, a ball game will be played at the Novi School grounds between the old-timers of Farmington and Novi. Lunch will be available from 10 o'clock on and the ladies are making home-made fried cakes to sell.

3rd Outdoor Concert Planned for Tuesday

The Northville High school and community band will be heard in a third outdoor concert Tuesday evening, August 1 at 7:30 p. m. at the Village green. Leslie G. Lee will direct the band in a group of classical and semi-classical selections.

Friday the band will journey to South Lyon to play an outdoor concert in that town. The South Lyon band will be heard in a concert here sometime in August.

Mrs. Starr Bray of North Rogers Street and friends have returned from their trip through the West. While in the Black Hills, they attended "The Passion Play" with Josef Meier, world famous "Christus" portrayal.

Downs Favorites Racing at Detroit

Rosemary Brooks and Dr. Parker are expected to go to the post as the favorites in the featured race on Wednesday night's harness race at the Detroit Race Track.

Eight outstanding races are scheduled, with the first starting at 8:15 p. m.

Rosemary Brooks, driven by the veteran Bob Plaxico, will be seeking her first triumph at the Middle Belt racing strip. She was the favorite in the \$5,000 Inaugural Pace last week, but she broke and finished out of the money in both dashes. Nevertheless, H. R. Carr's six-year-old mare is rated one of the horses to beat by reason of her fine past performances at the Northville Downs, Maywood Park and other midwest ovals. She holds the track record for pacers at Northville with a 2:03.2 for the mile.

Dr. Parker, an eight-year old gelding driven by Dave Albright, turned in five victories, one second and one third in her last seven starts in the recent meets at Northville. On July 15, he beat Rosemary Brooks at Northville with the time of 2:13.1 for a mile and a sixteenth. Other entries in this race are Icara, Captain Ebbis, Mandon, Dillon, Joe Jester and Director. Among the also eligibles are Margaret Ann Blackstone, Noble Hanover and True Neil.

Despite two night of rain in the opening week the half-mile track is rapidly rounding into top condition. Horsemen expect it to be one of the fastest tracks in the country within another ten days.

The current meeting at the Detroit Race Track is developing into a success that few harness people had anticipated. More than 800 of the country's foremost trotters and pacers are already entered, and additional entries are still coming in. Crowds have been surprisingly large in spite of the unfavorable weather which threatened on certain nights.

Novi Baptists Hold Vacation School

The Vacation Bible School of the Novi Baptist Church is being held every afternoon this week at 2 o'clock. There has been a very gratifying attendance, as Monday's class started with over sixty children present.

The program consists of memory work from the Bible, action songs, stories and a display of hand work made during the week.

At the daily devotional period two brass candle sticks are made a part of the service. The candlesticks were sent to Rev. Morse by Lt. Col. Payne, who is stationed in Japan. They adorned a Buddhist Temple for one hundred years and were ordered by the emperor to be made into bullets during the war, but these were saved and sent to Rev. Morse to adorn houses of worship in this country.

The candlesticks will also be a part of the worship service at the closing exercises Friday night. Everyone is invited to the closing service.

Village Librarian Transferred to Wayne

Miss Marie D'Agostino is being transferred from the Village Library to the Wayne Branch Library. After serving the local branch for two years, she is being transferred to Wayne as children's librarian. Her new duties begin July 31.

Mrs. Mercedes Wood of Detroit will fill her position here. There will be a change in library hours effective July 31. Monday through Thursday of each week the library will be open from 11:30 until 8:30; Saturday from 9:00 until 6:00 and is closed all day Friday.

Mr. and Mrs. Richard Shipley (Helen Christensen) of Philadelphia, Pa., announce the birth of a daughter, Rickie Lee, born July 5. The baby's grandparents are Mr. and Mrs. John Christensen of West Nine Mile Road and Mrs. and Mrs. Lee Shipley of West Dunlap Street.

"Land of the Free" Shown to Optimists

Members of the Optimist club at their regular dinner meeting last Wednesday evening saw a film, "Land of the Free," produced by Ross Roy, a Detroit advertising agency. The program was under the auspices of club member, Fred Hunter.

"Land of the Free" is an economic education sound film which makes a strong plea for greater understanding of the American way of life. It carries the message that we can hardly expect peoples of other nations to understand our way of life and to want to adopt it if we don't understand it ourselves.

Necessary economic definitions such as those of capitalism, socialism, and communism are narrated and illustrated and the movie is done in beautiful full color illustration. "Land of the Free" is the first of a series of six films which depicts man's fight for economic freedom from the prehistoric days to the present. The series aims to show the public that we have a system for making a living and why it is worth keeping.

Federal "Aid" Bills Reach Total of 307

Uncle Sam has a bargain basement sale in the making with a total of 307 attractive offers of financial aid to state and local governments. All the Federal Government wants in return is a bigger say in running home-town affairs.

In a special study released today, State Chambers of Commerce added the bills for Federal aid before this 81st Congress and came up with the total of 307.

If all of them were passed, they would add approximately \$3,200,000,000 to present Federal spending the first year and well over \$6,000,000,000 a year by the sixth. None of the bills even hinted that the people in the states would pay in full, by Federal taxes, for the very "aid" they were offered.

These proposals cover 41 different types of grants-in-aid. They include such measures as spending \$8 million for the Federal Government to enter the character training field and another \$50 million to promote the health and soundness of youth.

Federal grants-in-aid to state and local governments have grown steadily since the end of World War II, both in total dollar expenditures and in the number and variety of services subsidized. Federal aid outlays for the fiscal year 1950 amounted to approximately \$2 1/2 billion. This is \$800 million more than the total sum paid out in the fiscal year 1948 - just two years ago.

The amazing thing about this flood grant-in-aid measures is that few, if any, State Governors have come to Congress asking for such legislation. Many State Legislatures have adopted resolutions roundly criticizing Federal grants-in-aid as a growing and costly evil. For instance, the Indiana Legislature said,

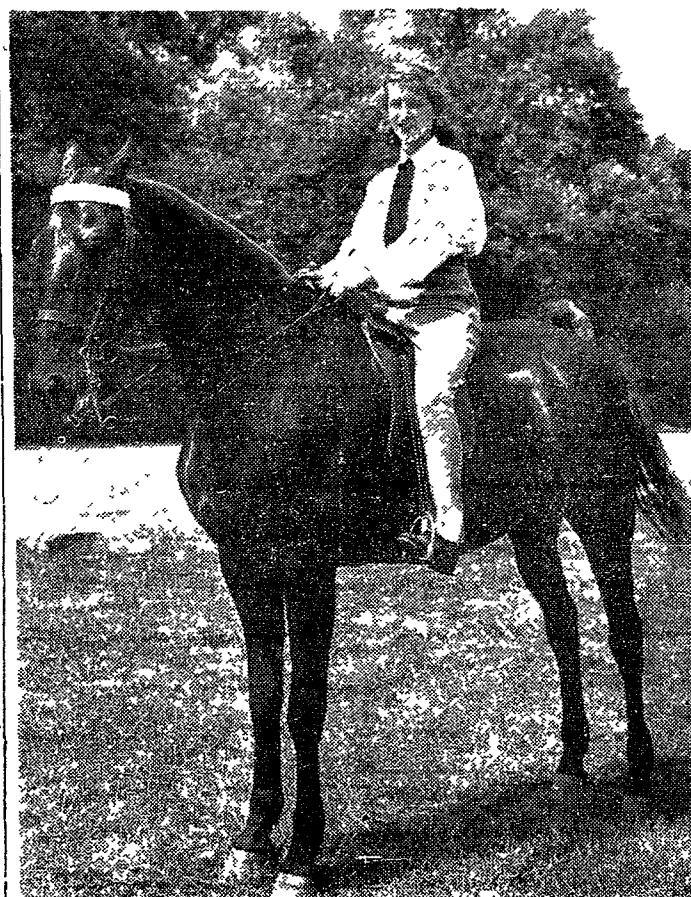

"Indiana needs no guardian and intends to have none. We Hoosiers were fooled for quite a spell with the magician's trick that a dollar taxed out of our pockets and sent to Washington, will be bigger when it comes back to us. We have taken a good look at said dollar. We find that it lost weight in its journey to Washington and back. The political brokerage of the bureaucrats has been deducted. We have decided that there is no such thing as 'Federal' aid. We know that there is no wealth to tax that is not already within the boundaries of the 48 states."

Rotarians See Film on Steel Processing

Rotarians watched a 40-minute sound movie at their meeting Tuesday noon. The movie, presented by the Great Lakes Steel Corp., of Ecorse, Mich., illustrated the manufacture of steel from the ore stage to the finished product.

Rotarian Program Chairman Leland Smith introduced Mr. Harry C. Burton, Assistant Director of Industrial Relations at Great Lakes Steel, and Mr. Bud Selfe, who presented the program.

Juniors Capture Honors in Sunday's Horse Show

With 130 horses and an entry of 295 in the 26 classes, the Northville Junior Horse Show held last Sunday at Northville Downs set a record for Junior shows in Michigan for 1950.

Handling her horse like a veteran of many shows, little Judy Bentley, of Northville, 9 years old, took the Western equitation championship, after qualifying by winning the blue ribbon in the nine and under children's class.

The English, or flat saddle, seat, championship was annexed by the top point-winner of the show, 13 year old Ann Jensen of Birmingham. Winning or placing in seven events, including the trophy and blue ribbon in the Michigan Hunts Challenge trophy class, Ann won 23 points.

Northville riders placed second and third in the point rating. Andrea Owen by taking the first place trophy in junior equitation, the blue and trophy in the English pleasure horse class, and placing in three other events took 16 points for second place. Frances Malley, riding in nine events gathered 15 points for third.

Nine of the 27 trophies were taken by Northville juniors. Others to win first place trophies were Bonnie Hannah, Tulane German and Bill Taft.

Barbara Groom, 12 year old daughter of the Vaughn Grooms, West Eight Mile Road, Northville put on a flawless exhibition with her trick horse, Golden Sunset.

The Northville Junior Quadrille team, complete with color bearers, and decked out in fancy western costumes brought down the house with their square dances on horseback. They were trained and directed by Lincoln Friend of the Howdy Doody Riding Stable.

Recreation To Give Street Dance Aug. 15

The Northville Recreation Committee is sponsoring a street dance to be held Tuesday, August 15, from 7:30 to 11:30 p. m. High Street will be roped off for the occasion.

A good orchestra is promised for the occasion and Mr. and Mrs. Orson Atchinson and Mr. and Mrs. Robert Coolman will be on hand to help with the festivities. The street dances were begun a few years ago by the Recreation Committee and they are being revived again this year by popular demand. All villagers are invited to participate in this event.

Storm Is Cause of Monday Accidents

The storm Monday afternoon was the cause of several accidents in town, according to Police Chief Denton. Corrine Dickerson, 11 years old of 46133 Neeson street was struck by a car driven by Levi Eaton during the storm. She suffered a skinned elbow and ankle but no other injuries were apparent according to Dr. R. Wetterstrom.

George J. Tomi, Jr. of Nevada, Detroit was another victim of the storm. His truck slid on the wet pavement on Griswold street and hit a tree in Mr. and Mrs. Yerkes yard, damaging his truck. Mr. Tomi was unhurt.

The Police Force was called out Monday night to close up several fire hydrants which had been opened and left running. Police are offering a reward for any information which will lead to the apprehension and conviction of the criminals.

Village Hoarding Not Excessive

According to Village merchants residents need not be alarmed about excessive hoarding. Sales of such items as nylon hose and sugar have been high but this can be attributed to a natural concern over the Korean situation. Perhaps people are taking President Truman's warning against hoarding, to heart.

Brader's report that there has been a run on nylons but nothing comparable to the sales reported in the large Detroit department stores. Grocery stores announce that there are large sales of sugar, but it is difficult to decide whether this is the result of the canning season or of hoarding. Weekend sales have been high in all stores but this is natural and there has been no excessive buying of goods which were so hard to find during the last war.

A few merchants have limited their customers to a fair amount. Nylons and sugar can be bought in all stores. Merchants urge customers to buy only what is needed as they have an adequate supply of the above commodities on hand and they can foresee no immediate shortage.

Recreation Plans Swimming Party

The Northville Recreation Committee is sponsoring a swimming party to the River Rouge Park swimming pool on Tuesday, August 1.

A bus will leave the Scout Building at one o'clock sharp and return at 5:00 p. m. that afternoon. Children of all ages are invited to attend the swimming party.

Margaret DeKett, Douglas Slesor and Wilson Funk will supervise the trip. Each person planning to attend should bring twenty cents for the locker fee.

BPW Club Invited to Ionia Free Fair

The Ionia Business and Professional Women's Club has extended an invitation to the local club to attend the Ionia Free Fair, Tuesday, August 8 has been set aside as the day, when business and professional women will be the special guests.

Winnifred Bradley, Ionia BPW president will present the award to the winner of the Ionia Business and Professional Women's Club Trophy Race in the afternoon. A block of seats has been reserved for the afternoon and evening performances. During the afternoon, harness races will be featured and in the evening a "Free Fair Follies of 1950" will be presented.

Northville BPW members who plan to attend the show are asked to make their reservations with Marian Slayon, 338 Baldie, Ionia before August 1. Reserved seat tickets for the afternoon and evening entertainment may be picked up at the fairgrounds on August 8.

Dr. Robert C. Christensen, son of Mr. and Mrs. John Christensen of West Nine Mile Road, has been appointed associate surgeon in the department of Obstetrics and Gynecology at Henry Ford Hospital, Detroit.

Mr. and Mrs. F. M. McCormick of Maxwell Road spent the weekend in Muskegon visiting McCormick's father who years old.

Entries Needed for Amateur Show

Another audition will be held Monday, July 31, at 7:00 p. m. in the Scout building by Roy Rev, magician from Plymouth, who will present his magic and amateur show Friday evening, August 4 at 8:30 on North Center street.

Only five people turned out for the first audition for the amateur show held last Friday. More are urged to turn out for this, the last audition, in order that a well founded amateur show can be given.

A \$25 U. S. Saving Bond will be awarded to the winner by Mr. Rev, the second prize of two tickets to the Tiger ball game is offered by Bev. Smith Motors; and a third prize of five dollars offered by Atchinson Motor Sales.

The winner of the first prize will also be introduced by Mr. Rev the following week over WJBK-TV. If the winner is a girl besides the War Bond, Freydl's Ladies Store will present her with a silk dress and she will wear an orchid furnished by Jones Floral Company. Clara's Beauty Shop will shampoo, and set her hair and give her a manicure. The Northville Drug Company will furnish her with \$5.00 worth of cosmetics.

If the winner is a boy he will receive the \$25 Savings Bond, appear on WJBK-TV, S. L. Brader Company will fit him with a pair of trousers and Freydl's Men's Wear will present him with a shirt.

Mr. Rev wishes that anyone who is interested in winning these prizes come to the Scout Building, Monday evening and audition to appear on the Magic Amateur show coming August 4.

Band To Play at Mich. State Fair

More than 75 bands representing every section of Michigan will participate in the musical program throughout the Mid-Century Michigan State Fair September 1 through 10, according to Graham T. Overgard, musical director. This is the largest number of bands ever selected from the hundreds of applications received each year.

Prominent among the groups will be the Northville High School Band, directed by Leslie G. Lee. The 60 member band will put on a concert in the music shell on Labor Day, September 4 during the afternoon.

Other bands from this vicinity taking part at the fair will be the 70 member Plymouth High School band, directed by Paul T. Wagner, which will play a half-hour concert in the Music Shell on September 8; The 50 member Clarenceville High School band of Farmington, directed by Arthur G. Mann, which will play in the shell on September 7 and the 45 member Lyon Township Schools band of South Lyon, directed by Pearson Bailey, which will appear in the shell on September 9.

Each band coming to the fair will perform in the music shell and members of the organizations will be guests of General Manager James D. Friel and the fair's board of managers at many of the fair's special attractions.

The high school bands will provide only one of the highlights of the program put together for the Michigan State Fair.

Stage, screen and radio stars will be on hand in person, with Betty Hutton and Carmen Miranda providing a headline touch. The star packed Indian Creek Rodeo, featuring Johnny Mack Brown, will be the grandstand attraction September 1 through 9, and a 100 mile sanctioned auto race and the Irish Horan Thrill Drivers will take over the grandstand for the final day, September 10.

A daily feature will be a parade on the fairgrounds, featuring headline performers, contestants in the fair's drum Major and beauty contests and the high school bands on hand that day.

Mr. and Mrs. F. M. McCormick of Maxwell Road spent the weekend in Muskegon visiting McCormick's father who years old.

Help of Public Is Sought in Drive on 'GYP' Schools

American education has its underworld in the form of "shyster" or "gyp" schools and colleges, according to James B. Edmonson, dean of the School of Education at the University of Michigan.

The exact number of these schools is not known because "gyps" sometimes hide behind deceptive names and some change their addresses quite frequently, he reports in School and Society.

Dean Edmonson is chairman of the Committee on Fraudulent Schools and Colleges of the National Education Association's Department of Higher Education. This committee has initiated a program to expose and outlaw these fraudulent schools.

"The committee's campaign against 'gyps' will be chiefly one of informing the public of the operations of fraudulent schools," he reports. Support of the general public as well as professional organizations of educators and state departments of education is sought in this crusade against the underworld of American education. Dean Edmonson says.

He admits that it is not always

easy to identify a fraudulent college, but he offers one sound clue.

Be suspicious of any institution that promises a college degree by first class colleges.

"While good correspondence study has high educational value," the dean writes in School and Society, "a reputable college always requires that a large percentage of a degree program be completed in residence on the college campus. Some fraudulent colleges actually sell graduate or professional degrees and furnish diplomas that appear to be genuine."

Reliable information about educational institutions can be obtained from your state department of education or any of the colleges or universities that you know to be reputable, Dean Edmonson suggests. In the case of trade schools, the director of vocational education in the public schools can be helpful and other local school officials should be able to advise in regard to reputable correspondence study.

Summer time is play time for children. The National Safety Council requests all drivers to slow down and be ready for an emergency.

Rats in the United States eat or destroy as much food each year as 265,000 farmers produce in the same period, say Michigan State College agricultural specialists.

Ann Arbor Reveals Recruiting Hours

Sergeant First Class Norwood E. Boadway, Commander of the U.S. Army and U.S. Air Force Recruiting for this area, announced that the main recruiting office located in the armory building, 213 N. Fifth Ave., Ann Arbor, Mich., will remain open seven (7) days a week until nine (9) p. m.

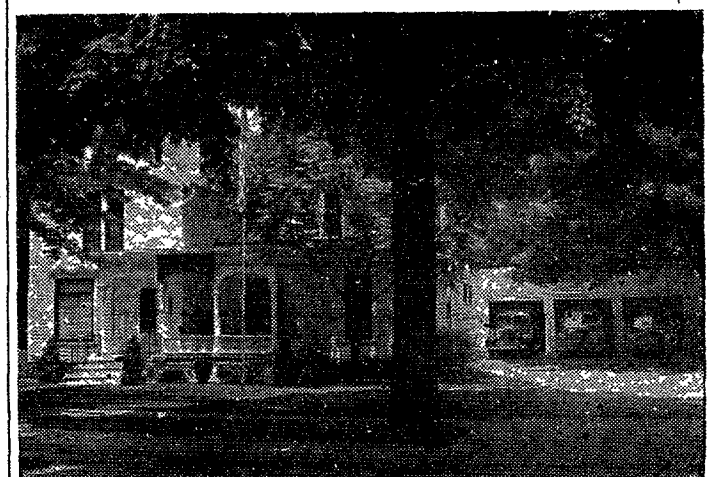

The local recruiter S/Sergeant William D. Long, will continue to be at the Plymouth City Hall every Tuesday and Thursday.

The Sergeant said that single men between the ages of 17 to 35 may now enlist directly for

the far east command or several other assignments. Sergeant Boadway states that

the army requirements have been lowered to meet the present authorized strength needed.

The Great Atlantic & Pacific Tea Company

We will resist all unwarranted price rises with all our might.

We will make every effort to hold our inventories at the lowest point consistent with good service to our customers, because hoarding, whether by wholesalers, retailers or consumers, will cause higher prices.

We will continue to maintain the lowest profit rate generally prevailing in the entire retail industry. Our net profit now is less than one cent on each dollar of sales.

We will continue to strive for more efficient distribution.

We will fight waste of food, or time, or money all along the line so as to narrow the spread between wholesale and retail prices.

We will devote all our energies to giving you the most good food for your money every day of the week.

We will strive always to do what is honest, fair, sincere and in the best interest of our country and our customers.

As most of you know, this company and the low cost, low profit policies that built it are under attack.

We are defending ourselves against a suit brought by the anti-trust lawyers to put A&P out of business.

But the greater conflict in which our country is now engaged takes precedence over all else.

Today, with our boys fighting in Korea, we believe that all citizens and all businesses, big and little, should devote themselves wholeheartedly to the public interest.

We promise the American people that we will cooperate unhesitatingly with our national government in the present crisis.

We promise you that we will continue to do everything in our power to put more buying power in your food dollar and more good food on your dinner table.

Deadline Near for Negro School Fund

Volunteer workers and officials of the United Negro College Fund redoubled their solicitation efforts in Detroit this week as the deadline neared in the campaign to raise the \$90,000 quota assigned to Michigan. So far, only about \$20,000 has been contributed.

Proceeds from the \$1,400,000 national campaign will be used in their entirety to supplement the inadequate endowments and incomes of 32 private colleges for Negroes throughout the country. Fund chairman David W. Lee and his co-chairman, Frank M. Seymour, called a special meeting of the committee heads and other campaign officials last Wednesday in the auditorium of the Detroit Urban League Building, 208 Mack Ave., to discuss ways and means of achieving the assigned quota. They urged intensified efforts on the part of canvassers and solicitors and underlined the responsibility of individual citizens to share in the fund-raising effort.

"We cannot sit back and expect business concerns and churches to bear the full burden of this drive," Mr. Lee told the workers. "Each and everyone of us and all our neighbors must participate to the best of our means and ability." Mr. Seymour pointed out that in many cases solicitors were overlooking the importance of small contributions by individual citizens. "It's more work to get \$100 from 100 people than it is to get a \$100 gift from one person," he said, "but the net result to the campaign is the same and there is more likelihood of getting the \$100 the hard way."

The 32 United Fund colleges are all fully accredited and privately financed. They have achieved nationwide recognition for the high percentage of Negro doctors, lawyers, ministers, teachers, nurses and social workers in their graduating classes.

In Detroit, the drive has been endorsed by Mayor Albert E. Cobo, the AFL and CIO, and numerous religious and civic leaders including Walter C. Laidlaw, vice-president and general manager of the United Foundation.

Mr. Laidlaw, in recommending support for the appeal, said the United Foundation "wholeheartedly approves the current request for support." He explained that the United Foundation does not solicit aid for educational institutions.

Prominent white and Negro residents of Detroit form the committee directing the campaign in Michigan. Mr. Lee, the chairman, is assistant to the vice-president of sales and advertising, Ford Motor Company, and Mr. Seymour, co-chairman, is a public relations specialist for the Altes Brewing Company. George B. Richardson of J. Walter Thompson Company is campaign director and Ben R. Donaldson, director of advertising and sales promotion, Ford Motor Company, is serving as promotion director. Marc J. Parsons of the Ford News Bureau is publicity director, and Francis A. Kornegay of the Urban League is co-publicity director. General canvass directors are W. A. Jordan of Cherrin Brothers and Troy F. Goines of Victory Loan and Investment Company. John M. Reichenback, vice-president of the National Bank of Detroit, is treasurer, and Lamar Webb is executive secretary.

Special gifts chairman is Frank Crum of New York Life Insurance Co., and Hoyt Metzger of Newsweek Magazine heads the corporate gifts group. Other chairmen include Kenneth L. Moore, president of Kenneth L. Moore Co., foundations; W. S. McNary, executive vice-president.

ing with relatives in northern Michigan.

Eleanora Hazen of Sunnyside avenue was the guest over last weekend of her cousin, Marian Walker, near Cass City, Michigan.

As a birthday celebration for herself July 15th, Mrs. William Greene arranged an ice cream and cake party for children of the neighborhood at her home on Sunnyside avenue.

Robert Bingley of Northville was a guest last Sunday afternoon of Mr. and Mrs. Clinton Ault.

Mr. and Mrs. Clarence Roberts and children of Mayfield avenue spent last Sunday at a picnic and fishing at one of the northern lakes.

Mrs. M. E. Ault and her guests, Mrs. Johnson Porter and children; Mr. and Mrs. Forrest Ault, their son and daughter; Mr. and Mrs. Edwin Johnson and their three daughters all went to Monroe Wednesday evening for a potluck dinner and get-together at the home of Mr. and Mrs. Tom Roberts. The group remained long enough to listen to the President's speech.

Monday, July 17th, a baby daughter was born to Mr. and Mrs. Barnes of Farmington road. William Soos of Shady-side avenue is recuperating from cuts and bruises, particularly an injured knee cap, received in a traffic accident on Farmington Road last Sunday evening. The young man's car was also badly damaged.

Mr. and Mrs. John Varhol of Shady-side avenue and Mrs. Horace Gravelle of Brightmoor, visited a hospital at Ypsilanti Tuesday evening. Horace Gravelle, as the result of a 25 foot fall while at his employment Tuesday morning, is in critical condition in the hospital. He and his family have been frequent visitors in this locality and until recently lived on Nine Mile Road near Farmington.

Soldier Don Bohlinger called from Tacoma, Washington Tuesday evening to say good-bye to his parents, Mr. and Mrs. Ervin Bohlinger of Mayfield avenue. Wednesday noon he left with the 2nd Division for Korea, according to the Detroit News which printed a photo Tuesday night of the 2nd Division troops boarding a transport.

Uncle Sam Says

June 21 marks the first day of summer, that time of year when everyone's thoughts turn to vacation, whether it be to travel, to visit the seashore or mountains, or maybe to go fishing, or, maybe a swell vacation in that new home in the suburbs, the one you have dreamed about so long. Whatever it is, you can make those dreams a reality by investing, regularly, in U. S. Savings Bonds. You alone can answer the question "Will you be up or down in 1960?" If you want to be up and coming, enroll during the Independence Drive for the Payroll Savings Plan where you work, or if self-employed, the Bond-A-Month Plan at your bank.

Drive home the facts...

Step into a **POWERglide*** Chevrolet
and enjoy the big driving thrill of the day

... smooth, effortless, no-shift driving at lowest cost!

SET THE LEVER IN
"DRIVE" AND GO!

Sit in a Powerglide Chevrolet and enjoy finest no-shift driving at lowest cost. All you have to do is: Set the lever in "DRIVE"—press on the accelerator—and go!

NO CLUTCH PEDAL—
NO GEARSHIFTING!

You'll move smoothly, silently, effortlessly from standstill to top speed, and back to standstill again, depending on the pressure of your foot on the accelerator.

3 DRIVING OPERATIONS
INSTEAD OF 15!

Start the engine... set the control lever... press the accelerator... and that's all there is to it! With Powerglide Automatic Transmission, you steer, accelerate and brake as desired with no clutch to touch!

SMOOTH POWER-FLOW
AT ALL SPEEDS!

You'll enjoy, an absolutely smooth flow of power at all speeds. You'll have unlimited flexibility and change of pace from 1 m.p.h. to top driving speed, without any lag, drag or roughness.

MUCH FASTER
ACCELERATION, TOO!

The traffic light says "Go" . . . you press on the accelerator . . . and you're away in a flash on a smooth, ever-mounting wave of power, while others are shifting gears.

LEVELS HILLS—
MULTIPLIES THRILLS!

You have a 105-h.p. Valve-in-Head Engine* under that hood—most powerful in its field. It flattens hills and boosts thrills, while Powerglide adds safety and ease!

MORE EFFICIENT ON
ICE OR SNOW!

Yes, you can rock out of snow or icy ruts with this automatic drive, changing from forward to reverse instantly, without clashing. Other advantages include Emergency Low for extra braking power.

SO MUCH SIMPLER—
SO MUCH SAFER!

What ease—and what safety—compared with other drives! Your left foot has nothing to do. Your right foot operates accelerator or brake pedal, as desired. Both hands are free to steer!

FULL CHEVROLET THRIFT
IN OVER-ALL DRIVING!

In addition to all these advantages, the new Chevrolet with Powerglide Automatic Transmission brings you traditional Chevrolet economy in over-all motoring. It's extremely thrifty to operate and maintain.

CUTS DRIVER FATIGUE—
INCREASES CAR LIFE!

You'll be much more relaxed on both long and short trips. Powerglide makes driving easier than ever before. Moreover, it greatly reduces car wear and greatly increases car life!

We are living in tremendous times. What tragedies of moral and spiritual breakdown are all about us! What changes and revolutions with counter revolutions are in the making! It would almost appear that there is nothing stable or certain. Where shall we look to increase our faith? Where shall we anchor? In studying God's word together we will find our lives strengthened and the adequacy of Jesus Christ for our time will increase our faith and give us renewed courage as we strive to build His Kingdom.

OBITUARY

MRS. MINNIE KELLOGG
Mrs. Minnie Kellogg passed away July 19 at the home of her daughter Mrs. Ena Hill at Highland Park She was 84 years old.
The body lay in state at the Hill home in Highland Park until the time of services Saturday at the Bird Funeral Home in Milford Rev. Harvey of the Milford Presbyterian Church officiated and interment was made in the Milford cemetery.

Surviving are four daughters, Mrs. Bessie Goodale and Mrs. Myrtle Sears of Northville, Mrs. Frances Lenker of Detroit and Mrs. Ena Hill of Highland Park, two brothers and one sister. Also surviving are nine grandchildren and 18 great grandchildren.

MRS. SARAH PENNIMAN BURGESS

A former Northville resident, Mrs. Sarah Penniman Burgess of Detroit passed away last Wednesday at her home, 72 Edison Ave.

Funeral services for Mrs. Burgess were conducted from the William R. Hamilton Chapel Friday morning and burial was made at Riverside cemetery, Plymouth. Mrs. Burgess is survived by a daughter, Mrs. Katherine Stockwell, and three grandchildren of Detroit. She was a sister-in-law to Miss Mabel Burgess of East Main Street. Mrs. Burgess' husband, Dr. Claude Burgess preceded her in death several years ago. She was a member of St. Paul's Cathedral, Detroit Golf Club, Detroit Boat Club and Women's City Club.

Mrs. Burgess was born in Plymouth and as a young bride, she and her husband came to Northville to live in the house on West Dunlap Street now occupied by the George Zerbel family. They lived here for a period of years as her husband was affiliated with his father, the late Dr. J. M. Burgess in a medical practice.

Mr. Dickerson was born in Sumpter township, near Belleville, the son of the late William S. Dickerson. He came to Northville with his parents in 1895. He was employed at the old Globe factory and later had a cigar store on E. Main street.

Surviving him are his wife, Ethel, two sons, Earl and Carroll of Detroit; four grandchildren and two great-grandchildren; two brothers, John of Parkville Road and James of W. Base Line Road, Farmington; three sisters, May Buckley of Detroit, Lena Buckley of Ferndale and Grace McMillan of Grace street, Northville.

Pensacola Air Base Training Continues

Lt. (jg) J. R. Fisher, USNR, of 241 Rayson, a member of the Naval Air Reserve's "Weekend Warrior" Fighter Squadron 735, based at the Naval Air Station on Grosse Ile, recently reported for his two-week summer training cruise aboard the light aircraft carrier USS Cabot at Pensacola, Fla.

Like 40,000 other weekday-civilians, weekend-sailorsmen, he is keeping abreast of the latest developments in Naval aviation by his reserve affiliation. During this year's cruise, the squadron is operating under simulated combat conditions in the Gulf of Mexico. After a short period of requalification in carrier landings, pilots and crewmen will take off from the Cabot with full loads of bombs, rockets and ammunition and engage in operations against the "enemy". For diversion from this intensive training, squadron personnel will visit historic Pensacola, including Fort Barancas, one of the early Spanish forts in America.

CARD OF THANKS
I wish to thank my Detroit and Northville friends and relatives for the lovely cards and gifts while I was confined to St. Joseph's Hospital.

Scout Camp Closes With Water Pageant

A gala water pageant brought the first two-week session at Cedar Lake Girl Scout Camp to its mid-way point last Sunday. The pageant, participated in by over seventy of the campers, was put on in an unusually rough lake before a host of visitors.

The pageant began with a dog-paddle race for all beginners. Next an obstacle course was set up for intermediate swimmers. The advanced swimmers engaged in a free style race just before the beginners returned for their formation swim, which was carried off with clock-like precision. The intermediates then came back for the novelty ping-pong race. The advanced swimmers wound up the show with an almost professional display of synchronized swimming.

The pageant included a pioneer skit put on by Juniper Knoll, the group of younger campers at Cedar Lake. Nancy Ann Lawrence was in full Indian regalia for the event, while Jay Page played the part of a trader. Oak Ridge, the campers with one year of experience, entered floats showing Camp Cedar Lake now

Plan Treasure Hunt for Saturday Night

Would you like to explore abandoned schools, haunted shacks and old cemeteries after dark? Has the thought of entering lonely fields, old gravel pits and deserted swimming holes held some intrigue and mystery for you?

A group of Northville young people, desiring a new form of recreation, a few years ago began having planned Treasure Hunts, with the winners planning the next set of clues. The next Treasure Hunt will be held Saturday evening, July 29. Couples interested in going are asked to meet at 8:00 p. m. at the Northville High School parking lot where the sets of clues will be handed out and the instructions given on how the Hunt is run.

Two Showers Honor Mrs. Harry E. German

Two baby showers were given last week in honor of Mrs. Harry E. German (Mary Smith) of Belding. Wednesday night two aunts, Mrs. Mary Jones and Mrs. Essie Nirider were the hostesses at a party given at the former's home on Dubuque street.

Present at the shower were: Mrs. Clyde Ferguson, Mrs. Robert Ely, Mrs. Stanley Smith, Mrs. Alfred Smith and daughter, Shirley, Mrs. Frank Defina, Mrs. Gerald Woodworth, Mrs. Irv Marburger, Mrs. Bill Coulter (Phyllis Jones), Mrs. Loyal German, Mrs. Fred Russell, Mrs. Fred Kidman, Mrs. Harry German and daughter, Tulane and Mrs. Mary Marburger.

Friday night Mrs. Stanley Smith entertained at her home on South Center street. Games were played following which many gifts were opened by the guest of honor.

Attending this party were: Mrs. Robert Smith, Mrs. Larry Bufford, Mrs. William Smith, Mrs. Peter Quain and Mrs. W. S. Witham of Detroit, Mrs. Alex Lyke, Mrs. Jack McCrumb, Mrs. C. Johnston, Mrs. Alfred Smith and daughter, Shirley, Mrs. Harry German, Mrs. Robert Smith, Jr., Mrs. Sam Stremich and daughter, Dorothy, and Mrs. Warren Bogart.

September Bride-To-Be Honored at Farmington

A miscellaneous bridal shower was given Saturday in honor of Shirley Ely of Plymouth avenue. Shirley's grandmother, Mrs. Dohany of Farmington was the hostess.

Forty guests were present at the party which took place on the Dohany lawn. Later the guests went indoors for refreshments.

Shirley has set September 9 as the date of her wedding to Jack McKenna.

Mrs. Roger Sackett, the former Alice Eaton, arrived from Arlington Farms, Virginia for a visit with her parents, Mr. and Mrs. L. M. Eaton of Eaton Drive. She joined Mr. and Mrs. Jack Blackburn of Main Street at Youth Island for a picnic on Monday.

Local Campers Join Cedar Lake Activities

A busy week, which saw every Cedar Lake camper receive at least one award, came to an end last Sunday. The week was highlighted by a carnival, an abundance of hiking, and a rain-soaked canoe trip.

The carnival featured the exciting new game "Shoot Your Counselor." Pictures of every Cedar Lake Counselor were pinned to the wall and the participant was equipped with a rubber ball and told to fire. A direct hit earned the player the right to squirt that counselor with an over-sized water pistol. Unfortunately, the counselors were not informed of this joyous game, and there were several near drownings. However, alert campers willingly applied artificial respiration. The game was kept under strict control by Carol Sparling, daughter of Dr. and Mrs. H. Sparling of Main street, who, in turn, received a thorough dunking by the irate staff. Also at the carnival, were several fortune telling booths, and two extremely effective houses of horror.

Hikes were the order of the day and every camper received a certificate stating that she had hiked a distance of from ten to twenty miles during the week.

A special canoe trip was taken for those who had passed the difficult canoe test, which was given in usually rough water. Carol Sparling was among the nine girls making the trip.

As always, waterfront played a most important part in camp life. Northville scouts who received their Red Cross intermediate's certificate for swimming were Jay Page, daughter of Mr. and Mrs. J. F. Page of Novi Road and Sally Helger, of Northville while Martha Bloom, daughter of Mr. and Mrs. H. Bloom of Main Street received her swimmer's certificate.

Also at Camp Cedar Lake last week was Nancy Ann Lawrence, daughter of Mr. and Mrs. A. M. Lawrence of Meadowbrook Road who represented her unit, Juniper Knoll, on the camp planning board.

Mrs. Nelson C. Schrader, Sr. of West Main Street and Mrs. Ross B. Northrop, Jr. (Betsey Schrader) of Redford were co-hostesses Saturday at a luncheon at Meadowbrook Country Club complimenting Mrs. D. H. Van Hove and Mrs. Dayton Deal.

The Van Hove and Deal families are leaving this week for California where they will permanently make their home. Ladies who attended the bon voyage luncheon were Mrs. T. Howard Bray, Mrs. George Alexander, Mrs. John Kellogg, Mrs. Willard A. Ely, Mrs. Gary Deal, Mrs. Irvin Marburger, Mrs. William B. Petz and Mrs. Ernest Shave.

Peggy Ely was the guest of honor at two bridal showers given in Grand Rapids this week. Tuesday a miscellaneous shower was given in her honor by her fiancé's cousins, Barbara and Thelma Shears and Esther Schichtel.

Wednesday she was again honored at a linen shower given by Mrs. Ray Hamilton and Mrs. Jack Zeff.

Peggy will become the bride of Kent Esbaugh Saturday, August 12 at the Presbyterian Church.

SIDEWALK ARTISTS . . . Adding color to the streets of Rome, young Italian artists, youths from 9 to 14 years, draw pictures on the pavements with colored chalk, in order to earn a living. Passers-by pay the artists a few lire for the privilege of viewing the colorful masterpieces. The origin of the religious drawings is unknown, but some Romans say the custom began with the shepherd painter Giotto, who, at one time, chalked the streets of Tuscany. The children produce their drawings early in the morning before the streets become crowded.

Bride-Elect Tells August Wedding Plans

Beverly Jean Taylor, daughter of Mr. and Mrs. Leo Taylor, of Franklin Hills, has completed plans for her August 1 marriage to Clifford Joel Seeger, son of Mr. and Mrs. Leo Seeger of 26747 Taft Road.

The ceremony is scheduled for 7:30 in the evening in the Taylor garden. The bride-to-be has chosen Louise Smith of Farmington, as maid of honor. Bridesmaids will be Mrs. John Shubel of Lansing and Nancy Isley of Farmington. Mary Ann Stempson of Dearborn will be junior bridesmaid and Diane Anderson, of Franklin Hills will be flower girl.

Other members of the wedding party are: Keith Wieland of Farmington, best man; John Buck and Robert Lussenden both of Farmington and James Stempson of Dearborn, ushers.

First of a series of pre-nuptial parties was given this week at Birmingham Country Club by Mrs. John Shubel.

Mrs. Levi Eaton, 96, Celebrates Birthday

Mrs. Levi F. Eaton, who was 96 years old Monday received guests throughout the day. Many old friends and relatives remembered Mrs. Eaton with gifts, flowers and cards from well wishers who enjoyed punch and birthday cake prepared for the occasion.

Miss Faye Christ of Willow Run and a former teacher in the Northville schools and Mrs. Howard Chapman, widow of the former Baptist minister in Northville were among the out of town guests who dropped in to congratulate Mrs. Eaton.

Sunday Mr. and Mrs. L. M. Eaton entertained members of the family at a quiet dinner in honor of Mrs. Eaton. Attending were hosts, Mr. and Mrs. Eaton, and their daughter, Mrs. Roger Sackett and their son, Louis and the grandchildren and great-grandchildren.

Cady Street Widows Entertained Friday

Mrs. Mary Predmore of Cady Street entertained the Cady Street widows and old timers last Friday. Her daughter, Mrs. Maude Harmon and her grand-daughter, Francis Kennedy served a six o'clock supper to the widows. Mrs. George Johnston of Manitou Beach was the honored guest.

Others present were Mesdames M. Hochkins, M. Brown, K. Pickel, F. Babbitt, E. Larson, L. Smith, F. Maloney, and I. Cook.

Mrs. Predmore presented each guest with a gift. She was the oldest widow present, being 90 years of age on her last birthday.

J. P. Malley's Entertain After Jr. Horse Show

Mr. and Mrs. J. P. Malley of Beck Road were hosts Sunday evening to several horse show enthusiasts at an informal get-together.

Those who were in attendance at the affair were John Wallace of Jackson, Mr. and Mrs. E. A. Kraft and Mr. and Mrs. John Seifer of Birmingham, Arthur Searle of Detroit, Mr. and Mrs. Paul Ginstel, Mrs. Ernest Shave, Mrs. Robert Haass, Mrs. Frank Beeks and Mr. and Mrs. Lincoln Friend.

Tips Given for Sandwich Season

Most homemakers have had plenty of experience in making that favorite American food, sandwiches, but a few modern tips about them are timely now that we are in the midst of "sandwich season."

Ruth Ingalls, Michigan State College home economist, believes that a few suggestions may help your efficiency in sandwich-making. Did you know that day-old bread is easier to cut and to spread, but that bread chilled in the refrigerator gives the same results?

Butter will spread easier if it is first softened. You can do this, of course, by leaving it at room temperature for awhile. Or you can cut it in large chunks, put it in a bowl, and cover it with warm water. Then you can work it with a fork until the butter is soft and drain off the water. You can also use the trick of putting the butter in a hot bowl and then mashing it with a fork.

You can keep sandwiches moist even if you have to make them ahead of time. Wrap each sandwich in waxed paper. Then wrap all of them in a dampened tea towel and keep in the refrigerator. Sandwiches can be made the night before and frozen if the filling is one which can stand freezing. When they thaw out, they taste exactly as if they had been freshly made.

Variety in bread and in the fillings make sandwich eating more enjoyable. Search for different breads or rolls at your grocery store and for new fillings in your cookbook.

If the sandwich is to be the main part of the meal think of its nutritive value and include eggs, peanut butter, meat, but also remember the many fruit and vegetable fillings.

Maude Harmon Given Family Birthday Party

Relatives of Maude Harmon surprised her Sunday evening with a party commemorating her birthday July 24. A luncheon was served and Mrs. Harmon received many nice gifts.

Those present were: Mr. and Mrs. Alfred Beam, Mrs. Francis Kennedy, Mr. and Mrs. Harry Lee Ray and daughter, Cheryl, Mr. and Mrs. Louis Kay and son, Lee, Allan, Mr. and Mrs. Glenn Charter and daughter, Becky, Mrs. Mary Predmore, Katherine Pickle, Mr. and Mrs. Allan Barr and son, Allan, Jr.

Obituary

JOSEPH I. HAVEY
Joseph I. Havey of 46100 Frederick Road, aged 56, passed away July 25 at Sessions Hospital.

Funeral services for Mr. Havey will be conducted from the Castorline Funeral Home Friday at 2:00 p. m. with Rev. William Johnson of the Methodist Church officiating. Graveside services at Rural Hill cemetery will be under the auspices of the Veterans of Foreign Wars Post No. 4012.

Surviving the deceased is a daughter, Mrs. Fred Williams of Northville. His wife preceded him in death in 1947.

Our Lady of Victory Church is planning its annual bazaar and dinner for Sunday, August 27 at Veterans' Memorial Hall. Many prizes will be awarded on that day.

Mr. and Mrs. Lew Stelljes and children of Baseline Road expect to move into their recently purchased home on Maple Street, Plymouth August 1.

St. Paul's Lutheran church is holding their annual church and Sunday School picnic Sunday on their church grounds. A pot luck dinner will be held at noon followed by games and softball.

A Week that Lasts a Year
Throughout the year there's a week for almost everything from dollars, National Thrift Week in January, to donuts... National Donut Week in April. But one week, Friendliness Week, lasts the whole year at Kroger. It's observed every day from the time the stores open in the morning until they close at night. Week-in and week-out the service you get at Kroger is service with a friendly smile.

New Medical Research Building at U-M

ANN ARBOR—This is how the new Medical Research Building at the University of Michigan will look when it is completed.
Made possible by a \$3,000,000 gift from the Kresge Foundation, the new five-story building will be constructed just to the west of University Hospital with a connecting passageway, as shown at the right.

The main structure has two wings on the first floor level only. The front wing (in the left foreground) will house an amphitheater-type lecture hall while a larger wing on the opposite side will provide a medical library with space for 150,000 volumes.
The five floors and basement of the central section will house research laboratories as well as seminar and conference rooms.

WEEKLY MEETING OF EAGLES
N'ville Aerie No. 2504
THURSDAYS 8:00 P. M. Veterans' Memorial Hall

in the City of Farmington was taken recently by the City Commission.

Wayne—Wayne's badly-needed and long-planned for high school is going to become an actuality.

Howell—The body of four-year-old Thomas Perkins, was dragged from Phillips Lake near Brighton by state police.

Plymouth—Three amendments to the city charter were introduced at the city commission meeting held recently. The amendments were drawn up by members of the commission. No action will be taken on the amendments for 30 days.

Chelsea—At the regular meeting of the Village Council a new contract was signed with Consumers Power company; an ordinance was passed creating a fire district and governing the starting of rubbish fires in the village; and a new subdivision was approved within the village.

Farmington—Neighbors of the Ralph Ringer family, have already started a campaign to provide the family with clothes, building material, and help to rebuild the Ringer's small house which was almost completely destroyed by fire recently.

Wayne—A barbecue and street dance will be held to mark the completion of the Harroun Park paving project. Permission was given to the Harroun Improvement Association by the Wayne Council to hold the street dance Saturday afternoon and evening, August 19.

Dearborn—Brushing aside legislative assistance from the Dearborn Common Council the Municipal Employees Association announced that they would seek to have their proposal for an amendment to the city employees retirement system placed on the November ballot via way of initiatory petition.

Plymouth—Members of the Chamber of Commerce heard one of the finest talks given recently in Plymouth from Harry A. Lintz, national affairs advisor to the National Chamber of Commerce. Speaking before a somewhat disappointing audience in size, Mr. Lintz stated that America can no longer afford the present complacency among businessmen especially in regard to their lack of interest in voting at national elections.

Dearborn—Dearborn's "real estate" council wiggled their way free of another one of their "famous" land deals when they officially rescinded their action for the transfer of an approximate five acres of city owned land along Denwood avenue for an approximate one-half acre of land between Schaefer and Maple.

Rochester—A civilian defense program has been outlined for Rochester by Village Manager Robert Stone, who has been appointed director. Included in the set-up are two additional sirens that will be synchronized with the large siren in town which is used for fire alarms and the noon hour signal.

Birmingham—As the result of meetings held during the past week by the three groups interested in increasing hospital facilities in southern Oakland county, it appears that, instead of these groups combining to build a single hospital in Birmingham, three of them may be constructed.

Chelsea—Just 100 years ago today, July 20, 1850, Chelsea officially received its present

Sportsman's Club Picnic Is July 30

More than 3,000 members and guests of the Wayne County Sportsman's Club including Governor G. Mennen Williams are expected to attend the club's Fifth Annual Picnic to be held at the club's Wayne County Sportsman's Park, 18102 Inkster Road, 1½ miles south of Eureka Road, Sunday, July 30.

There will be exhibitions of marksmanship by Dot and Ernie Lund, of Winchester Arms Co., and Claude Parmelee, dog training by Charlie Frank with his Golden Retrievers, bait and fly casting by Paul Cowan, Bill Ruby and Jim Barto and archery by Cliff Krohn of Ypsilanti.

There will be contests for young and old and the popular sweet corn roast will feature the refreshments. There will be music for dancing in the park shelter house. At the same time there will be shooting all day long on the club's skeet and trap field and archery range.

The WCCS Championship Trap and Skeet Shoot will be held at the park, Sunday/Sept. 10 and the Club Target Archery Championship, Sunday, August 6 Leslie L. Royer won the Field Archery Tournament, Sunday, July 16 with 168 hits for a score of 672.

There is trap and skeet shooting all day Saturdays and Sundays and archery practice shooting every evening and on week ends at the park. The Club's picnic grounds is open to members throughout the week.

South Lyon—More than 75 bands representing every section of Michigan will participate in a musical program throughout the Mid-Century Michigan State Fair, September 1 through 10, according to Graham T. Overgard, musical director. This is the largest number of bands ever selected from the hundreds of applications received each year. Prominent among the groups will be the Lyon Township Schools Band, High School, South Lyon, Michigan, directed by Pearson Bailey.

"This is an ideal spot for a picnic" said the father of the family. "Sure, it must be," agreed his wife. "Fifty million insects can't be wrong!"—Jean Kerbs.

An August event of interest to farmers is the annual state farm management tour, Calhoun and Eaton counties, on August 17 and 18.

LEGAL NOTICES

To the Supervisor of the Township of Redford, Wayne County, Michigan.
You are hereby notified that the Board of County Road Commissioners of the County of Wayne, Michigan, did, at a meeting of said Board held on Thursday, June 29, 1950, decide and determine that the certain street, hereinafter taken over as a County road, should be absolutely abandoned and discontinued as a public highway, reserving therein the easement set forth in said determination.
The portion of the minutes of said meeting fully describing said street are attached hereto and made a part of the notice, which is given under and by virtue of Act 283 of the Public Acts of 1909 as amended.
In testimony whereof we have hereunto set our hand at Detroit, Michigan, this 7th day of July, A. D. 1950.
BOARD OF COUNTY ROAD COMMISSIONERS OF THE COUNTY OF WAYNE, MICHIGAN
Michael J. O'Brien, Chairman
John P. O'Hara, Vice-Chairman
Charles L. Wilson, Commissioner
EDGAR M. BRANIGAN, Clerk
By Carl W. Bischoff, Deputy Clerk

Commissioner O'Hara moved the adoption of the following resolution:
WHEREAS, all that part of Norborne Avenue, 60 feet wide, as dedicated for public use in Graydon No. 2, being a subdivision of part of the East 1/2 of Section 30, T. 1 S., R. 10 E., Redford Township, Wayne County, Michigan, as recorded in Liber 49 of Plats on Page 90, Wayne County Records, extending south from a line crossing said Norborne Avenue, which connects the northeast corner of the East 1/2 of Section 30, T. 1 S., R. 10 E., to the south boundary of said subdivision, being 1/2 mile north of the intersection of said street, and the same is hereby absolutely abandoned and discontinued as a public highway, reserving therein the easement set forth in said determination; and
WHEREAS, there are no buildings of any character located on said street; and
WHEREAS, said street is of no use or benefit to the public for highway purposes, but is a nuisance to the public, and an encumbrance to the use and benefit of the public;
NOW, THEREFORE, BE IT RESOLVED, that all that part of Norborne Avenue, 60 feet wide, as dedicated for public use in Graydon No. 2, being a subdivision of part of the East 1/2 of Section 30, T. 1 S., R. 10 E., Redford Township, Wayne County, Michigan, as recorded in Liber 49 of Plats on Page 90, Wayne County Records, extending south from a line crossing said Norborne Avenue, which connects the northeast corner of the East 1/2 of Section 30, T. 1 S., R. 10 E., to the south boundary of said subdivision, being 1/2 mile north of the intersection of said street, and the same is hereby absolutely abandoned and discontinued as a public highway, reserving therein the easement set forth in said determination; and
BE IT FURTHER RESOLVED, that this Board believes it to be to the best interests of the public that said avenue should be absolutely abandoned and discontinued as a public highway, reserving therein the easement set forth in said determination.
The motion was supported by Commissioners O'Brien and O'Hara. Ayes, None. 6-8

To the Supervisor of the Township of Redford, Wayne County, Michigan.
You are hereby notified that the Board of County Road Commissioners of the County of Wayne, Michigan, did, at a meeting of said Board held on Thursday, July 13, 1950, decide and determine that the certain alley described in the minutes of said Board, heretofore taken over as a County road, should be absolutely abandoned and discontinued as a public highway, reserving therein the easement set forth in said determination.
The portion of the minutes of said meeting fully describing said alley are attached hereto and made a part of the notice, which is given under and by virtue of Act 283 of the Public Acts of 1909 as amended.
In testimony whereof we have hereunto set our hand at Detroit, Michigan, this 20th day of July, A. D. 1950.

Read Jurisdiction Determination
Commissioners Wilson moved the adoption of the following resolution:
WHEREAS, this Board has received a petition from seven freeholders of the Township of Redford, Michigan, to abandon and discontinue the 20-foot alley lying in the rear of lots 2139 to 2153 inclusive and adjacent to lots 2080, 2081 and 2082 of Frischkorn's Grand-Dale Gardens, No. 1, being a subdivision of part of the N 1/2 of Sec. 31, T. 1 S., R. 10 E., Redford Township, Wayne County, Michigan, as recorded in Liber 62 of Plats, Page 41, Wayne County Records, and being a public highway, reserving therein the easement set forth in said determination; and
WHEREAS, pursuant to said petition and in accordance with the provisions of Section 18 of Chapter 4 of Act No. 283 of the Public Acts of the State of Michigan for the year 1909, and amendments thereto, this Board did, by resolution, dated May 25, 1950, resolve that a hearing be held on June 22, 1950, at 2:30 p. m., at 3500 Cadillac Tower, Detroit 26, Michigan, to determine the necessity or advisability of absolutely abandoning and discontinuing said portion of said county road; and
WHEREAS, pursuant to the above mentioned statute, this Board has served a notice of said hearing upon all of the owners and occupants of lands through or adjoining which it is proposed to absolutely abandon and discontinue such county road, and published a copy of said notice in the Legal Courier, a newspaper published within the County of Wayne, on June 2, 1950; and
WHEREAS, said hearing was held at the time and place appointed by said resolution and said premises were viewed in accordance with the statute; and
WHEREAS, it appearing from said hearing and view of the premises that the public will have no further use for the portion of county road in said subdivision petitioned to be absolutely abandoned and discontinued, but it is desirable to maintain therein a public utility easement for the use and benefit of the public;
NOW, THEREFORE, BE IT RESOLVED, that said portion of county road, being the 20-foot alley lying in the rear of lots 2139 to 2153 inclusive and adjacent to lots 2080, 2081 and 2082 of Frischkorn's Grand-Dale Gardens No. 1, be absolutely abandoned and discontinued as a public highway, reserving therein the easement set forth in said determination.
The motion was supported by Commissioners O'Brien and O'Hara. Ayes, None. 8-10

being a subdivision of part of the N 1/2 of Sec. 31, T. 1 S., R. 10 E., Redford Township, Wayne County, Michigan, as recorded in Liber 62 of Plats, Page 41, Wayne County Records, constituting a total of 0.059 mile of county road, be and the same is hereby absolutely abandoned and discontinued and shall cease to exist as a public highway, upon the express reservation of an easement in the lands now occupied by said portion of county road for the installation and maintenance of sewer, water, gas, electric, telephone and all other public utilities for the use and benefit of the public; and all persons, firms or corporations owning or operating said public utilities shall have the right to enter upon said easement for the purpose of installing, maintaining or operating any of said public utilities.
BE IT FURTHER RESOLVED that this Board hereby determines that it is to the best interests of the public that said portion of county road be absolutely abandoned and discontinued, reserving therein the easement set forth in said determination; and the same is hereby set forth.
The motion was supported by Commissioner O'Hara, and carried by the following vote: Ayes, Commissioners O'Brien, O'Hara and Wilson. Ayes, None. 8-10

10th grade 91, 11th grade 69, 12th grade 68, total 967. This is a slight drop from the previous year.

III. THE STAFF

The teaching staff for 1949-50 is composed of 40 teachers, the school nurse, 2 principals and superintendent.

Other employees include two secretaries, a part time student secretary and a maintenance staff of six men.

IV. BUILDINGS

Both school buildings have received much attention and are now in the best condition in several years. Roofs, painting, lighting, furniture and other equipment have all received major attention during recent months. With the completion of the Grade school addition in the fall all students will be adequately and comfortably housed.

Teaching aids have kept pace with the requirements of the school and we find in almost daily use the following: two movie projectors, two slide film projectors, two recording machines, one opaque projector, several portable phonographs, three radios, nine pianos, microscopes, charts, maps, globes and many other pieces of equipment. Many free and inexpensive films are used during the year and a strip film library is constantly expanding.

The libraries in both buildings are kept up to date with new volumes of fiction and reference books. Approximately \$1,000.00 is expended every year for the purchase of new library materials.

VI. FUTURE GOALS

If and when funds will permit it would be advisable to add a part time visiting teacher and speech correctionist to the staff. The need for these services is with us and constantly increasing. At the moment we are not solving these problems in a satisfactory manner.

Lack of funds and particularly space hinder the expansion of the industrial arts department to include more training in metal and lathe work. Thought is being given to this need.

VII. REORGANIZATION

Solution of the problem of reorganization of the school districts of this area has been sidetracked from time to time for various reasons. At first advice was given that we wait for the passage of a new state law during the last session of the legislature which was expected to create a new kind of school district favorable to our situation. The bill did not become law and to complicate matters a former law which provided for a township school district was repealed. At this writing there are but two possibilities available to us. One is the formation of a Rural Agricultural school district and the other is to annex adjoining districts. Both plans have their disadvantages.

CONCLUSION

This brief report is respectfully submitted with the expectation that it will supply you with interesting and important data pertaining to the operation of your schools. Questions and requests for additional information are sincerely solicited.

R. H. AMERMAN,
Superintendent.

Old Business: None.

New Business: It was moved by Mr. Ellison and supported by Mrs. Weiss that this meeting express its appreciation to George Stalker for his 16 years of valuable service to the Northville schools as a member of the school board and that a copy of this expression be sent to Mr. Stalker. Carried.

Both Dr. Atchison and Mr. Atwood were also commended for their loyal support and help during their 9 years on the Board of Education.

Election returns: Mr. Atwood reported the results of the annual school election as follows:

For the 3 year term: Schrader 99, Chabot 56, Clark 65.

For the one year term: Severance 102.

Upon motion by Mr. Connors and second by Mr. Ellison the meeting was adjourned at 8:30 p. m.

H. I. ATWOOD,
Secretary.

Stone's Win One, Lose One, But Still Lead Softball Loop

Stone's Hardware still leads the softball loop by a full game after winning a game and losing one this last week. The Optimists have moved into undisputed possession of second place after winning Monday night. The major move of the week is the Schrader Furniture shift from the cellar to a third place tie with the Mayors.

The standings, as of Monday, July 24:

	W	L
Stone's	5	3
Optimists	4	3
Mayors	4	4
Schrader's	4	4
Ford's	3	4
Bloom's	3	5

Schrader's will face the Optimists at 7 p. m. tonight at Ford Field and the Bev Smith Ford team will play the Bloom Insurance nine at 8:30 p. m. in regularly scheduled games. A win by Schrader's will put them in second place. The Ford-Bloom match will be for the low position.

The Optimists and Mayors are scheduled for Monday, July 31 at 7 p. m. Stone's will play a non-league game against Burroughs Adding Machine Tuesday, and the second tilt that night will be the Ford-Mayors game which was rained out July 17. The other game rained out that night, between Stone's and the Optimists, will be played off Wednesday evening.

STONE'S 11 FORD'S 0

Stone's Hardware scored five runs in the first inning, three in the second and three in the seventh to back pitcher Dave Pottinger to an 11-0 shutout of the Bev Smith Ford team last Thursday.

Softball Schedule

July 29—Ann Arbor vs Lansing at Brighton 8:30
July 30—Daisy vs Adrian at Northville 7:30
August 6—Daisy vs Ann Arbor at Northville 7:30
August 6—Lansing at Adrian 8:30
August 13—Daisy at Lansing 7:30
August 12—Ann Arbor vs Adrian at Brighton 8:30
August 20—Ann Arbor at Lansing 7:30
August 20—Daisy at Adrian 8:30

day night at Ford Field. Ken Farrell was behind the plate. Pottinger gave up five hits, walked one and struck out five. DeForest and Barr was the losing battery for Ford's.

SCHRADER'S 2 MAYORS 1

Probably the tightest game of the season was the Schrader-Mayors grind last Thursday which Schrader's finally won in the last of the twelfth inning, 2-1.

The Mayors set up a 1-0 lead in the fourth frame when Tom Stalker hit safely and scored on Cal Bidwell's single. Pitcher Clayt Graham held Schrader's down with two hits until the last of the seventh inning when Fred Wick, after getting a hit, scored and tied the game up on a double error.

The eighth, ninth, tenth and eleventh innings were a pitcher's battle between Graham and Schrader's pitcher, Lloyd Dion, with neither giving ground. Scotty Slessor got a double for the Mayors in the ninth but died on base.

The windup came in the bottom of the twelfth frame with Schrader's at bat. Jim Manard tapped Graham for a double. Fred Wick and Dion were counted out, but Manard tallied on Menchasa's single.

Dick Vaughn was behind the plate for Schrader's. Graham and Bidwell were the Mayors battery.

OPTIMISTS 6 BLOOM'S 2

Bloom's Insurance held a 2-1 lead going into the seventh inning Monday night, but the Optimists broke loose in a five-run spurge to hand pitcher Quent Kumball a 6-2 lead. Kumball helped by striking out the last two batters to face him in the last of the seventh to end the game.

Both Kumball and Bloom's pitcher Ray Doolin had it tough in the first inning. Each got the bases full and walked a run home. For the Optimists, Don MacLain walked, Dick Stanley doubled and Stan Rebitzke walked. Doolin issued a pass to Bob Cole and MacLain ambled home. For Bloom's, Leon Holman

walked, Tony Himmelpach singled, Lawrence Bennett got a base-on-balls and Holman came home when Kumball passed Dick Lyke.

Bloom's got their second run in the fourth inning when Dick Lyke opened by beating out a bunt, moved to second when Harold Heintz walked, got to third when the catcher dropped the ball and scored while Ed Earehart was being thrown out at first.

Things were peaceful until the seventh inning. Then: MacLain popped to the pitcher. Stanley walked. Robinson walked. Ken Rowe got on via an error to fill the bases. Stan Rebitzke looped a single into center and took second on an error. Three runs scored. Rebitzke took third on a passed ball. Bob Cole hit to shortstop but the throw went over first base and Rebitzke scored, Cole going to third. Dick Gray slammed a home run into center, Cole scored, but Gray was called out when the umpire said he failed to touch second in his circuit.

Bloom's couldn't score in their half of the seventh.

MAYORS 10 STONE'S 8

Trailing 10-2 in the fourth inning, Monday night league-leading Stone's Hardware staged fifth, sixth and seventh inning rallies trying to overcome the the Mayors lead but ended the game two runs short.

Charlie Bishop opened the game with a double and took third when Tom Stalker hit a long fly to center. Pitcher Clayt Graham singled, but when the ball got by the Stone left fielder, Graham went all the way around and scored behind Bishop.

Dean Nitzel scored for Stone's in the bottom of the first half by singling, going to second on a passed ball, to third when a balk was called on Graham, and home on Dave Pottinger's single.

Elmer Balko opened the second inning for the Mayors with a blast that was good for four bases, putting the score at 3-1.

In the third frame the Mayors seemed to have the bases loaded most of the time. Stalker, Graham and Cal Bidwell got singles. Bases loaded. Balko hit, was safe at first when the throw forced Stalker at home. Bases loaded. Altmann popped to the catcher Mahoney, Stone second baseman, knocked down Jim Thompson's drive barked, but Graham scored. Bases loaded. Nitzel barely got his glove on George White's hit, but couldn't field it. Bidwell scored. Bases still loaded. Then Charlie Bishop hit a grand slam homer that cleared

the bases for the rest of the inning.

The Mayors got one more run in the fourth inning when Stalker crossed the plate on an error.

With the score at 10-2, Stone's began to rally. Ginger Girardin singled and scored on a fielder's choice and Perry Graham scored on a passed ball after getting to first on an error. That was all in the fifth inning. In the sixth, Girardin forced Nitzel at second but was safe at first on a fielder's choice. A center field error on Perry Graham's hit scored Girardin, and Graham tallied on a passed ball. That was all of the sixth.

Stone's last two runs came in the seventh Ken Farrell hit safely and Goudeseune and Nitzel walked, filling the bags. Girardin's two bagger scored Farrell and Goudeseune but Graham fanned to end the game.

MICHIGAN MIRROR

NON-PARTISAN NEWS LETTER

Let's write to Stalin!

This suggestion is made by Carl M. Saunders, editor of the Jackson Citizen-Patriot who won the Pulitzer prize for the most outstanding newspaper editorial in 1949. We quote:

All over America Communists and glibly phony are circulating "peace petitions."

The petitions are phony because they assume to ask for outlawing the atomic bomb, although it is Russia which has blocked efforts of the United

Nations to set up an honest program for control of atomic weapons.

They are phony also because they pretend to have the backing of the United Nations and Trygve Lie, secretary, although both the UN and Mr. Lie have condemned the North Korean invasion of South Korea.

A few people actuated only by a dread of war and an honest desire for peace have signed these petitions.

That's where Red propaganda scores.

Why not offset that score? We Americans believe in peace. We didn't want to go into Korea. In fact, we got out once.

We are fighting today under direction of the United Nations and under the flag of that world-wide organization.

Why not say so? Why not tell the chief of all the Russians that

we're for peace and ask him to cooperate?

Let's write to Joseph Stalin, premier of the Union of Soviet Republics, telling him that we're for peace and asking him to cut out the dirty work and join up.

Isn't that a good idea?

Each of us write a postcard to: "Premier Joseph Stalin, care of the Russian Embassy, Washington, D. C."

On that postcard we could say something like this:

"Dear Mr. Premier:

"Communists in this country say you want peace.

"So do we—really! Fake peace petitions don't fool us. The way to peace is to call your Red friends out of South Korea and quit bullying small non-Communist nations.

"We'll get out of South Korea as soon as your gang does.

"Also we'll outlaw the atom bomb if you'll permit constant surveillance of all laboratories which might produce the bomb.

"Don't let your agents mislead you. We lambaste President Truman on home affairs; but so far as Korea or any other threat from outside the US, we're back of the President all the way.

"Sincerely,

Probably you can write a better postcard note than that. You can say that you don't want your boy or your neighbor's boy to have to fight; but you want Stalin to know that they will fight if needed and if they do it's really peace they're fighting for.

But anyway, let's write to Joe: Let's get it off our chests.

Buy your postcard and send it along, and urge others in your family to do the same. A postcard costs only one cent.

This may sound silly; but it isn't. We know that Russia gets a great lot of misleading information from its agents in this country just as did Hitler, who thought we wouldn't fight. We know also that the Russian embassy reports to Moscow even little things which show trends. It's just possible that, if the postcard shower spreads, Russia might decide reports of disunity in America aren't true.

Let's do it! Write a postcard to Joe Stalin!

Bricker's Guernsey Cows Set Record

Two registered Guernsey cows, owned by Mrs. M. L. Bricker, Northville, have completed official advanced register records that were supervised by the Michigan State College and reported to The American Guernsey Cattle Club for approval publication.

Starting her record as a 5-year-old in the 365 day division, Eth-Mead Coronation Glorious produced 15,484 pounds of milk and 706 pounds of butterfat. Glorious is the daughter of the famous Guernsey sire, Coronation Forester, that has fifty-five sons and daughters in the performance register of The American Guernsey Cattle Club.

As an 8-year-old in the 365 day division, Eth-Mead FR Joy produced 15,124 pounds of milk and 839 pounds of butterfat. Joy is also the daughter of Coronation Forester.

Motor Fatalities

Motor vehicles killed 6,500 farm residents in 1948 and injured 243,000 more.

"Average American"

In spite of the record number of births in the U.S. in recent years, the "average American" is almost 30 years old.

Silica Makes the Grade

Although over half the earth's crust is silica, only in the 20th century have experts learned to select the best quality to make heat-saving refractory brick for furnaces.

This Question:

We'll be taking a few rough roads this summer during our vacation trip, and I want to be certain that our new car is insured for any damages that might occur en route. For instance, will the Comprehensive Automobile Insurance cover the costs of having to replace a window or two that might be broken by flying rocks from the highway?

On any insurance problem, consult **C. HAROLD BLOOM**, 108 W. Main Street, Northville.

Fairs To Feature New Tent Show

The Michigan Department of Health will take venereal disease facts to the midways of eight Michigan fairs this summer in an educational walk-through tent show called "Since Adam and Eve."

The show which will include animated dioramas, photographs, posters and pamphlets will give facts for lay people. It is a departure from the motion picture type of tent show presented by the Division of Venereal Disease. Control on fair midways during the past two years. Approximately 61,000 people saw the history-making motion picture tent shows at 17 fairs during the two years. The walk-through show is expected to get greater attendance because there will be no waiting for shows to begin; seeing the show will require less time, and more people will be able to go through the exhibit in a given period of time.

"Since Adam and Eve" will make its first appearance at the Barry County Fair in Hastings, August 2-6. It will also appear at the Ionia Free Fair, August 7-12; Upper Peninsula State Fair, Escanaba, August 15-20; Bay County Fair, Bay City, August 22-27; Michigan State Fair, Detroit, September 1-10; Allegan County Fair, September 11-16; St. Joseph County Fair, Centerville, September 18-23; and Hillsdale County Fair, September 24-30.

After the fair circuit is complete the show will be available to local health departments for exhibit in convention halls, expositions, and indoor fairs throughout the state during the winter months.

A & P Will Resist Any Unwarranted Price Increases

The Great Atlantic & Pacific Tea Company, the nation's leading food distributor, moved against inflation today by pledging to "resist all unwarranted prices with all our might."

The pledge was contained in one of the rare public statements issued by John A. Hartford, chairman of the 91-year-old food chain, who said that A & P "will cooperate unhesitatingly with our national government in the present crisis."

"We will make every effort to hold our inventories at the lowest point consistent with good service to our customers," he said, "because hoarding, whether by wholesalers, retailers or consumers, will cause higher prices. We will continue to maintain the lowest profit rate generally prevailing in the entire retail industry. Our net profit now is less than one cent on each dollar of sales."

The current profit rate cited by Mr. Hartford was even lower than the profit of 1.15 per cent of consolidated net sales reported by the company for the fiscal year ended Feb. 28, 1950.

Mr. Hartford said a full statement of the company's policy in the current national emergency is appearing over his signature in nation-wide newspaper advertisements this week.

In today's statement, Mr. Hartford pledged A & P to continue to strive for more efficient distribution and to fight any waste of food, time or money so as to narrow the spread between wholesale and retail prices.

"With our boys fighting in Korea," he said, "we believe that

all citizens and all business, big and little, should devote themselves wholeheartedly to the public interest."

Declaring that although the company's policy of low cost and low profit in the mass distribution of food currently was under attack in a suit brought by the anti-trust lawyers to destroy A & P, Mr. Hartford emphasized that the "greater conflict in which our country is now engaged takes precedence over all else."

"We will strive always to do what is honest, fair, sincere and in the best interest of our country and our customers," he said. "And we promise that we will continue to do everything in our power to put more buying power in the consumer's food dollar and more good food on the family dinner table."

If you're running the combine or having a custom operator do it, observe all the precautions to make sure of a moisture content of 14 percent or less, say Michigan State College crops specialists.

A Great Beauty—A Great Car!

All great beauties have one thing in common—the ability to stand strikingly apart from the crowd, to be instantly recognizable as something very special.

Certainly Pontiac has that distinction to a rare degree. Wherever you go, you see the new Pontiac, you are sharply aware that this one car asserts itself in any company. And yet, beautiful as Pontiac is, it has inner qualities which are even more desirable. Pontiac is built to be thoroughly good, to be an outstanding performer, a dependable, economical, completely satisfying car.

Yes, almost everybody knows that Pontiac is a great beauty. But only Pontiac owners really know that Pontiac is a great car in every way. You should be a Pontiac owner—dollar for dollar, you can't beat a Pontiac!
