Ukrainian Family Declares U. S. Freedom "Wonderful"

"I like the government. The unlimited freedom of the person here in the United States is wonderful." That's what 19 year old Lydia Korol of the Ukraine, had to say about the United States.

Lydia and her mother, Mrs. Lydia Korol and brothers, Constantine, aged 15 and George, aged 13 arrived in the Village two weeks ago and they are Northville's first family of displaced persons. Sponsored by the First Presbyterian church, the family are the temporary guests of Dr. and Mrs. Wilbur Johnson of West Dunlap Street.

The family is learning to eat typical American dishes. So far, corn on the cob has made the biggest hit. It has been several years since the family tasted it. Constantine remembers well the last time they ate it. As he was gathering the corn, a piece of shrapnel hit him in the leg and he was hospitalized because of it.

The Korol family came over on the ship General Langit which sailed from Bremerhaven, Germany. The crossing took 20 days with the ship stopping at New Orleans to dispatch several families. Lydia, who fluently speaks English, German, Ukrainian, Russian and Polish, acted as an interpreter for the escort officer on the ship, helping him talk with the displaced families from the many European lands.

The Korol's home was in Sumy, which is in the northeastern sector of the Ukraine. Mr. Korol, who died several years ago, was an auto mechanic and they were an average middle class family.

Asked what it was like to live all their life under the Soviet rule, Lydia said that they were able to buy enough food to keep alive, but that was all. In the Ukraine, there were special factories where adherents to the Communist party worked and they were given special privileges.

The family has lived in about ten displaced persons camps in the last seven years, and have not seen their homeland in that time. When the Red army advanced in 1943, the German army retreated and took them to Germany. Mrs. Korol was made to work 12 hours a day as an inspector in a nut and bolt factory. Lydia when she had her 14th birthday, was put to work eight hours a day in an airplane factory.

They lived in wooden barracks and all the money they made went towards buying food cards for the whole family. When the American army liberated them the family stayed in displaced persons camps and they said that the food was much better and more adequate.

Lydia has taken a job as stock girl with the J. L. Hudson Company and Mrs. Korol is looking for employment. The family hopes to locate a home in the Detroit area. Donations of furniture for the Korol family will be received by Dr. Wilbur Johnson or Rev. Fredsell.

Council Announces 21ers Banquet Date

The Northville Coordinating council resumed their regular monthly meeting on Thursday, August 17 at the Village Library. The fall program was planned and the date for the "Citizenship Banquet" set for Thursday, October 12. The 21ers and the new voters in the community as well as the Government students of the High Schools will be honored that evening.

All chairmen and committees will be appointed by the president at the next meeting.

Margaret DeKett, fifth grade teacher at the Northville Grade school and summer recreation leader, left last week-end for Harrisville where she will visit her parents for a few weeks.

T. Winn Continues Winning Streak

Tommy Winn, the leading driver at Northville Downs for the last four years, is up to his old tricks in the spectacular 43-day harness racing meet now in progress at the Detroit Race Track, Schoolcraft and Middlebelt Roads.

Winn is once more one of the best and busiest reinsmen on the track. He is driving for a public stable of 20 head -- 12 trotters and eight pacers. Some of his fast-stepping horses here are Express Hal (2:06.1), Direct Hit (2:01), Brucita's Guy, Noble Hanover, Oh Johnny (2:06.2), and Wilson Abbe (2:06).

Winn regards Noble Hanover as the best horse he's driven in a victory-studded career that stretches over the past quarter of a century. He set a track record when he piloted Noble Hanover to a 2:01.3 mile at Lexington, Kentucky, last year.

Among his other notable achievements, Tommy established a record for 10 year old when he drove Arion Guy Scott to a 2:02 mark at Cleveland's North Randall Track.

A native of Clarksville, Tennessee, Winn began as a raiser, trainer and salesman of buggy horses back in the days when the horseless carriage was just a new fangled idea that nobody expected to catch on. He became interested in harness racing after watching the trotters go at a county fair. He read all he could about the sport, studied the methods of the foremost trainers and drivers, and then struck out for himself.

He bought a trotter and a sulky and won his first start at Davison, Michigan. He began racing at Northville in the county fair days in the late twenties. He hasn't missed a meeting there since that time, and he now calls Northville his home.

Winn says he got his biggest thrill when he drove Brucita's Guy to victory over the great Jimmy Creed in the Michigan Pacing Derby at Northville Downs a few years ago. Winn was third among the nation's drivers in 1948, and 11th last year. He was second only to Clint Hodgins, driver of Proximity, in the number of races in which he participated in 1948. Hodgins took part in 637 races, and Winn in 587.

Marlene Bauer Sets Country Club Record

Melvin R. "Chick" Harbert, Meadowbrook Country Club pro, carded a 64 in Sunday's golf exhibition, one stroke off the course record and 16 year old Marlene Bauer turned in a 72 to set a new course record for women.

Horton Smith's score for the game was 70 and Alice Bauer's score for the afternoon was 80.

A fair sized crowd turned out to watch Harbert, the Bauer sisters, Marlene and Alice and Horton Smith, Detroit Golf Club pro put on a golf clinic and exhibition. The golfers demonstrated shots, grips, and various stances.

Novi Schools To Open September 6

Novi School Superintendent, O. Bjorklund, announces that the opening of the Novi schools will be Wednesday, September 6th.

Parents of Kindergarten children should send a note giving the necessary information such as age, place and date of birth and address of the child. Milk will be served to the children on the first day of school.

Methodist School Completes Program

Eighty-four village children have been enrolled in the Methodist Bible school which closes its week's program Friday with a picnic at the Willows in Cass Benton Park. The Achievement night picnic and program will begin at 6:30, stated Mrs. Joseph DeJohn, director of the school.

Since Monday the children have been learning about "The Children of the Bible" from the ten teachers and their six assistants. Besides their lessons, music and refreshments which make up each day's program, Mrs. Paul Beard has charge of handicraft projects.

The recreation period is supervised by Beverly Fry, Marilyn Engle, June King, Marjorie DeJohn, Jean Campbell, Ruth Croll and Joel Soule. These young people also assist with the handicraft.

Teachers with their assistants are: Mrs. Wilbur Guelzow and Mrs. Marvin Stayman, nursery; Mrs. Harvey Engle and Mrs. C. Jerome, beginners; Mrs. Harry Sedan and Mrs. Arnold Hix, first grade; Mrs. Richard Nash, and Mrs. Dorothy Frid, second grade; Mrs. John Dietrich and Ruth Croll, third grade; and Mrs. Paul Burnham, junior department.

Parents and friends of the children are invited to attend the Achievement night program and picnic, said Mrs. DeJohn.

3 Villagers Graduate As Naval Reservists

Huston Butler of Neeson street, Gerald Heaton and Charles Stephens both of Orchard Drive were among the one hundred and thirty-five Airman Recruits who received their graduation certificates Tuesday afternoon.

Captain Ted O. Dahl, Commanding Officer made the presentation following a review of the personnel at the Grosse Ile Naval Air Station.

These men will now take their place in a regular Organized Reserve squadron at Grosse Ile and will continue their training one week-end each month. As members of the squadrons, they will be given training in the Navy rating of their choice.

Captain Dahl pointed out the need for a continual input of personnel into the Naval Air Reserve. As squadrons are brought on active duty during the present crisis openings will be available in the Naval Air Reserve at Grosse Ile. Both male and female candidates for the reserve may apply at the Grosse Ile Naval Air Station throughout the week from 8 a. m. until 4:30 p. m.

United Fund Group Elects Officers

A meeting was held August 14 of the executive committee of the Oakland County United Health and Welfare Fund.

The executive committee consists of the following persons: Paul Averill, A. C. Girard, T. Kenneth Haven, Arthur E. Moore, T. E. Wilson, Alfred G. Wilson, Frank D. Clark, Mrs. Douglas Haddock, L. C. Anderson, F. L. Spooner, Herbert Gardner, H. L. McGregor, Jr., Ernest W. Seaholm, Dalton Coe, Mrs. Earl Braid, Carlos Richardson, Harvey Johns, Leonard Lewis and Howard Hadden.

The purpose of this meeting was for the election of officers and the organization of this year's federated drive in Oakland County. The following officers were elected: F. L. Spooner, county chairman; William John Veer, vice chairman; Herbert H. Gardner, treasurer; Harvey M. John, secretary.

Also at this meeting the budget for the 29 agencies was approved for the coming year. A meeting will be called in the near future of all the Township chairman to discuss and plan this year's campaign.

Mr. and Mrs. Alfred Sibley of Eaton Drive and Mr. and Mrs. Leland Smith and family of Yerkess street are vacationing this week at a cottage at Reel Haven Resort on Lake Bellaire near Traverse City. Mrs. William Light (Grace Bird) and Mrs. John Stark (Joyce Talmage) will manage the Style Shop during Mr. Sibley's absence.

Village Tax Payment Extended to Oct. 1

The payment of village taxes without penalty was extended until October 1 by vote of the Village Council at their regular meeting Monday evening.

The Council also voted to have a member of the Detroit Fire department maintenance crew come out to make the necessary repairs on the fire truck.

Members of the commission discussed the necessary precautions which they felt should be made for civilian defense. The matter was tabled until additional information could be secured from state civilian defense offices. No further business appearing, the meeting was adjourned.

Dondero Discusses US-Russia Problem

Congressman George A. Dondero, guest of Tom Carrington at the Northville Rotary Club meeting Tuesday, spoke briefly to club members about unofficial opinion in Washington regarding the U. S.-Russia problem.

He said that lengthy reports have been filed in Washington revealing plans for sabotage on U. S. industry in the event of war between Russia and the United States. Congressman Dondero emphasized that the world at present is divided into two distinct camps, one favoring and backing the totalitarian form of government and the other based on Christianity. He said that ways must be found to discredit totalitarianism or the Christian form of government cannot survive.

Fair To Feature Early Pioneer Home

The humble unpretentious American pioneer home of the 1750's will be featured by the Edison Institute at the 1950 Michigan State Fair, James D. Friel, Fair manager, has announced.

Handicraft arts of a bygone era will be actually demonstrated by instructors from the Institute's Textile Department. The free exhibits will be housed in the area underneath the stands to the left of the main entrance to the Coliseum.

Visitors to the Fair will see the raw washed wool carded or combed and spun into yarn on a large early American spinning wheel. After spinning, the yarn will be woven into fabric on a manually operated four-harness Colonial loom.

It has been planned to furnish the home with articles which formerly graced dwellings during early pioneer days. A colorful red-checked table cloth will adorn the rude and sturdy kitchen table, while above the fireplace strings of dried herbs will represent the spice sets of yesterday. Candle molds, copper ladles, bed warming pans and a wooden plunger-type churn are but a few of the colonial housewares on display.

A functional split-rail fence will border the area adjacent to the home. Displayed within this area will be agricultural implements and modes of transportation used by our forefathers. Exhibited among the agricultural implements will be a plow said to have been used by Daniel Webster to demonstrate to a young boy the art of handling a plow. The mole board of this particular plow is reinforced with pieces of an old wood saw. A large smokehouse constructed from a single sycamore log will illustrate one of the methods used to preserve foods in early times.

The display will be open to Fair visitors from 10 a. m. until 11 p. m. daily, September 1 through 10.

Pedestrian Injured Slightly Friday

An accident occurred on East Base Line Road Friday evening slightly injuring Eddie H. Lanier of 708 Base Line Road. Driver of the car was Fred E. Brockmiller, Jr. of Milford. Lanier was walking on the side of the road when he was struck by Brockmiller. He received a bruise on the left elbow.

No Drastic Building Curtailment Seen

The defense production program now under way will not require any such drastic curtailment of home building and other civilian construction as was put into effect during World War II, according to Harold Church, manager of the Nowels Lumber and Coal Company and member of the Public Affairs Committee of the National Retail Lumber Dealers Association.

"Although the supply of steel, copper, lumber, and other strategic materials used in housing and other building will be lower than in the last few years, because of the allocations program, there should be enough of all materials to permit a considerable amount of private construction, including repair and modernization work, unless defense production is stepped up considerably beyond the levels now being contemplated in Washington," Mr. Church said.

"The latest information indicates that the partial war mobilization program now under way will require construction of relatively few large war plants and far fewer barracks and war housing developments than were put up during the second World War, because most of those facilities remain available for use in this emergency. Thus, the demand for building materials for defense purposes promises to be considerably less than it was then."

"The government is endeavoring to hold down construction of homes and other buildings through tightening of mortgage credit terms but, as of now, there is every intention that a fairly large volume of new civilian building will continue. Officials in Washington have expressed the hope that it will not be necessary to set up any sort of permit system in connection with private building, and are keeping close track of the trend in housing starts with an eye to tightening mortgage terms still further, if necessary, to keep the demand in line with the available supply of materials."

Local People Win in Novi Amateur Show

At the Novi Gala Days amateur contest last week-end, a barbershop quartet composed of Bob Lemmon, Bob Kirkey, Earl Hollis and Jimmy Whipple placed first in the Friday night audition and won a \$25.00 war bond.

Cynthia Mellen, daughter of the George Mellens of East Base Line Road, did a ballet dance in the Friday night contest and won third prize. Her prize was \$3.00 in trade.

Shirley Way is on vacation from her duties at the Depositors State Bank. She is vacationing in northern Michigan.

Discussing Community Problems

Reading from left to right: Dr. Stuart Campbell, Walter Ligon, Jerry Alles, Rev. Harold Fredsell, Mrs. Hazel Phillips, Adolph Rothschild, Rev. Edwin E. Rossow and Pat Neely.

The Lisle Fellowship team, composed of college students, Pat Neely, Mrs. Hazel Phillips, Jerry Alles, Adolph Rothschild and Walter Ligon this week completed their stay in the village.

Sponsored by the three service clubs, Optimist, Rotary and Exchange, the students spent three weeks in the village studying community problems. They were house guests this week of Optimists George Zerbe, William Milne and Lou Stewart.

As part of the Lisle Fellowship educational approach, these students came to study and evaluate the problems confronting Northville and more particularly the Gerald Avenue community.

Northville Soldier

PVT. EUGENE HOGUE, JR.

Pvt. Eugene Hogue, Jr. entered the army July 5, 1950 and is stationed at Ft. Knox, Kentucky. Previous to entering service he attended Northville high school and made his home here with his grandparents, Mr. and Mrs. Birl McFarland of 623 Randolph street. His mother, Mrs. Price Bickley, resides in Gloucester, Ohio. Eugene is expected home for a visit on August 25.

Local Entries Seek National Honors

V. R. Groom of Shady Lawn farms, has entered two of his Morgan horses in the 1950 National horse show to be held in Windsor, Vt. on Labor Day week end in hopes of collecting another top honor.

His two-year old filly, Abbing-ton, was named as last year's grand champion model mare of the United States. Shady Lawn's Mister, a yearling stud, and Sugar and Spice, a two-year-old filly, are Mr. Groom's 1950 entries. The yearling has already collected two first prizes.

Springbrook farms, owned by Gerald Taft, will show seven Morgans at the Windsor show. His entries include harness horses, jumpers and gaited horses, as well as his well-traveled two and a half-month-old filly, just back from an Ohio fair.

OLV Parish Makes Bazaar, Dinner Plans

Final arrangements have been completed for the bazaar and dinner sponsored by Our Lady of Victory Parish to take place on Sunday, August 27th at Veterans' Memorial hall.

A baked ham dinner will be served from noon until all are taken care of and a cordial invitation is extended to the public. Many useful articles will be offered for sale and the grand prizes will be distributed as early as possible.

Rattenburys Observe Racing Homecoming

Three members of the Rattenbury family have been on hand to observe the harness racing homecoming of George Rattenbury during the past five weeks. George, his father, Bill, and his sister, Mrs. Robert Powers (Willma Rattenbury), both of Northville, are connected with the Wolverine Harness Raceway at the present time.

During the Northville Downs racing season, Mrs. Powers acts as clerk and the senior Rattenbury has served as track superintendent at the Downs since its inauguration six years ago. At the Wolverine Raceway, they hold the same positions with George owning and driving horses at the same track.

Bill has charge of keeping the track in fine condition while Mrs. Powers keeps the records up-to-date for each horse and each race. This record shows the various times the horses finish, the time and the total winnings. George trains and drives his own horses though he used to train and drive for others and a number of years ago had between 30 and 50 in his stable.

At the present time George owns four horses, "Thats It", a trotter; "Vincent Grattan", a "Grattan Lad" and "Little Beaver", all pacers. He also trains and drives "Gad About", a trotter.

Thus far at Maywood, Northville Downs and Wolverine, George has amassed 11 firsts, 22 seconds and the same number of thirds.

Fire Chief McGee Explains Zoning

With the total destruction of a Northville area home recently because of faulty information regarding the correct fire department to contact, Village Fire Chief Bill McGee has released instructions to aid the residents of the outlying districts.

A \$25,000 fire at the Don Albright home in the Phoenix subdivision, August 15, resulted in complete loss since permission had to be granted for the Plymouth truck to go out of its township. The Northville department, which serves that area, was finally called but too late to save the house.

Citizens should realize that the fire department which serves them depends upon the township in which they live...our village truck serves Northville township residents, Plymouth department, Plymouth township and so on, said Fire Chief McGee.

Zoning of the surrounding areas is as follows and should be especially noted by all non-village residents:

The Northville Fire Department can answer any call to Five Mile Road to the south; Haggerty Road to the east; west to Napier Road and Eight Mile road to the north. In case of a house fire the Village truck will serve north to Nine Mile Road.

Residents beyond the southern boundary or township line should contact Plymouth; those past the eastern boundary call Livonia; Novi serves those beyond Eight Mile to the north and Salem those beyond Napier to the west.

Safety Campaign Now In Progress

Chief Joseph Denton of the Northville police department is very gratified at the cooperation he is receiving from the motorists of the village in the month long safety campaign being conducted by the police department in conjunction with a state-wide safety program sponsored by the State Safety Commission and the State Highway Department.

"During this week," Chief Denton said, "every effort is being made to impress upon all automobile drivers the grave importance of obeying yellow no-passing lines on our streets and highways." For a car to cross a yellow line on the right side of a centerline pavement marking is almost "suicidal" the Chief said. "Yellow lines are painted on the right side of a centerline marking when vision is restricted by a curve or hill. Crossing a yellow line invites a head-on collision with a car coming from the opposite direction which cannot be seen and the driver of which cannot see the car which ignored the no-passing yellow line," Chief Denton stated.

"State Highway Commissioner Charles M. Ziegler points out the needless loss of life, injuries, and property damage caused by the drivers who, through carelessness or disregard for their own safety and the safety of others, fail to obey traffic signs and signals on our highways. "Such drivers," the Commissioner said "make our roads unsafe for law-abiding citizens, drivers and pedestrians, alike."

Youngsters May Play at Scout Building

Northville's summer recreation program officially ended Friday, August 18 with many youngsters going to Walled Lake for a free swim.

Miss Margaret DeKett, recreation leader for the children in the 3-15 age group at the playground by the school, reports that over 900 children participated in her program. The children played tether tennis, checkers, fished, were told stories and swam. Some of the arts and crafts which they enjoyed were making yarn dolls, stuffed oil cloth animals, beach bags, jewelry boxes out of cigar boxes and shell work.

The Scout Building is now open six days a week from 7:00 p. m. to 9:00 p. m. where the village youngsters may gather to play billiards, ping pong and other games.

MARRIED SATURDAY

 MRS. CLARENCE A. HOFFMAN

Betty Snow, Cass Hoffman Wed in Rosedale Gardens

Betty Snow, daughter of Dr. and Mrs. Linwood W. Snow of West Main Street and Clarence A. Hoffman of Rosedale Gardens were united in marriage Saturday evening at the Rosedale Gardens Presbyterian church. Cass' parents are Mr. and Mrs. C. M. Hoffman of Rosedale Gardens.

Mrs. E. Blankenhagen presided at the organ. William Williams sang, "Because" and "The Lord's Prayer." Rev. Woodrow Woolley read the double ring service before an altar flanked by candelabra, palms and baskets of gladioli.

Given in marriage by her father, Betty chose a white swiss organdy gown which was fashioned with a Peter Pan collar and bouffant skirt. Her matching Juliet cap held the finger tip veil of illusion in place and she carried a white Bible covered with white orchids and lily of the valley.

Maid of honor was Bette Adams of Mason, a college classmate and sorority sister of the bride's, and bridesmaids were Mrs. Robert Reynolds (Marry Ellen Babbitt) of College, Alaska, Gwen Howell of New Haven, Connecticut and Norma Baughn of Williamston. All the bridal attendants wore yellow organdy gowns and light green headpieces and they carried colonial bouquets.

Cass' best man was his brother, Warren C. Hoffman and seating the guests were Linwood Snow, Jr., brother of the bride, Hugh Harsha of Rosedale Gardens and Lowell Garber of Detroit.

Mrs. Snow's choice for her daughter's wedding was a powder blue chiffon floor length gown and Mrs. Hoffman chose a light grape silk gown. Both mothers wore orchid corsages.

Following the wedding a reception for 300 guests was held at Sergi's Castle Gardens on Plymouth Road. The young couple then left for an undisclosed destination. For going away Betty chose an oxford grey suit with black accessories and her corsage was an orchid from her bridal bouquet.

They will make their home in Alma where the bridegroom is a student at Alma College. Betty is a graduate of Northville High school and Alma College and she is affiliated with Sigma Phi sorority. Cass was graduated from Plymouth High school and served with the Army in Japan. His fraternity is Phi Phi Alpha.

Vandenberg Running For Lieut. Governor
A bit unusual in these times but certainly cheering to most Michigan voters and taxpayers is one outstanding qualification of Wm. C. Vandenberg for the office of lieutenant governor of Michigan, as stated by his hometown newspaper, the Holland Evening Sentinel.
According to the Sentinel, Mr. Vandenberg who is now completing his sixth year as state senator, has "a strong dash of Dutch common sense."
The fact is borne out by Senator Vandenberg's record in the state's upper house. Serving first as a member of the senate's important finance committee and currently as chairman of the state affairs committee, he has worked consistently toward a policy of economy and common sense in state government.
Throughout his 23rd senatorial district, comprising Ottawa and Muskegon counties, it is easy to get an answer to the question facing Michigan voters in the September primary election: "Which of the four Republican candidates for lieutenant governor should have my vote?"
Voters of the 23rd district—the people who have known Senator Vandenberg during his lifelong residence in Holland—answer the question by saying that what Michigan needs is more men like Vandenberg.
They'll go farther if you give them a chance, and cite his 30 years of public service; three terms on the Holland common council, as member of the Board of Supervisors, as chairman of the Ottawa County Red Cross chapter, director of two Holland Community Chest drives and as industrial contact man for bringing new business concerns to Holland.
Senator Vandenberg grew up in Holland, attended public schools and later Vorheis Business college in Indianapolis, Ind. In 1918 he organized the Vandenberg Oil company, disposing of his interests in 1946 and retiring from active business. He was elected to the state senate in 1944 and since his retirement he has, according to the Holland Sentinel, "devoted more time to the office than is usual."
Senator Vandenberg and his wife Florence, whom he married in 1909, have two children and five grandchildren. He is a member of the Methodist church and of the Rotary club.
He is the only outstate candidate for Lieutenant Governor.

BACK to SCHOOL!
The children of Northville will soon be on their way back to the school rooms as each and every one of them bid "Goodbye" to summer vacation. Many are starting to school for the first time and their parents are sharing with them their first exciting venture into the outside world.
As you send your youngster off to school, it is with the hope that in the classroom he will learn the lessons and master the skills which will make him happy and successful on his way through life.
It is a happy, serious time... full of bright hope for the future. To insure their future, make sure that they go back to school... and finish. The economy of 1950 calls for more and more educated young people to fill the many jobs which open up through scientific developments and commercial expansion. Education is the one security which cannot be lost.
BE SURE THEY RETURN TO SCHOOL THIS FALL!

Germans Will View State Government

A practical view of Michigan city and state government in operation will be given. German administrators who will attend the University of Michigan Institute of Public Administration this fall.

Under a contract signed with the U. S. Department of State, the Institute will acquaint government administration in the United States. Three and one half months will be spent on campus in special courses and seminars. The visitors will then serve internships in federal and state agencies and with various city governments in Michigan for six weeks.

"The work with officials here in the state will give the Germans a chance to see how policy in made and how government operates," Dr. John Lederle, director of the Institute, said. "Here at the Institute we will stress the American concept of public administration and service, with particular attention to the accountability of public servants."

The first group of about 12 will arrive in early September.

IMPERIAL...is the word for it!

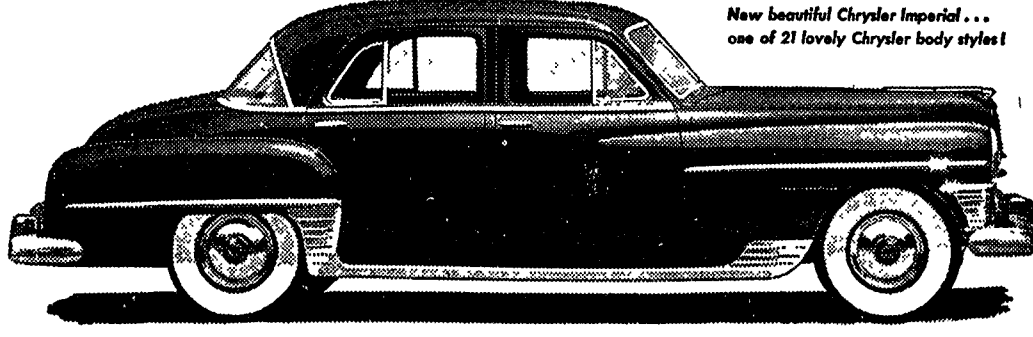

"Imperial," says Webster, means "superior excellence." IMPERIAL, says Chrysler, is this luxurious new car that excels anything on wheels in the sheer exquisiteness of its styling. Come look inside this reigning beauty . . . look at the lavish wool broadcloth fabrics, tastefully combined with topgrain leathers. Look at the lovely color harmonies, the soft sheen of the butler-finished chrome. Consider the advantages of Fluid Drive . . . exclusive new automatic transmission . . . Waterproof Ignition . . . Full Flow Oil Filter . . . High Compression Spitfire Engine . . . electric window lifts . . . the CLEARBAC rear window for exceptional driver vision . . . and dozens more. Surely, of all the world's fine automobiles, only the Chrysler CROWN IMPERIAL, this car's running mate, achieves the same aristocratic distinction. Come see the flawless workmanship, the fine materials, the superb Chrysler engineering . . . and you'll agree that no other car, at any price, compares with the Chrysler IMPERIAL. Inside or out, there is no finer car in America!

ONLY THE CHRYSLER IMPERIAL offers you this absolutely unique system of window control! Each window has its own separate electric motor . . . each one can be raised and lowered independently from the driver's seat or at the window itself. And that's not all! So many other de luxe features . . . the kind you think of as being in the "special order, extra cost" category . . . are STANDARD EQUIPMENT on the Chrysler

Imperial. For example: armrests on all four doors . . . foam rubber seat cushions and seat backs . . . double-width center armrests in front as well as rear seats . . . stainless steel wheel covers . . . white sidewall low-pressure tires . . . carpeted luggage compartment! Full flow oil filter and many other engine features! Yes, you get all these extras as standard equipment with your beautiful new Chrysler Imperial.

New beautiful Chrysler Imperial . . . one of 21 lovely Chrysler body styles!

called, The LORD RIGHTEOUS-NESS."
Among the Bible citations is this passage, (Isa. 52:7): "How beautiful upon the mountains are the feet of him that bringeth good tidings, that publisheth peace; that bringeth good tidings of good, the publisheth salvation; that saith unto Zion, Thy God reigneth!"
Correlative passages to be read from the Christian Science textbook, "Science and Health Key to the Scriptures" by Mary Baker Eddy, include the following (p. 16): "Our Master taught his disciples one brief prayer which we name after him the Lord's Prayer. Our Master said, "After this manner therefore pray ye," and then he gave that prayer which covers all human needs."

Georgian Bay Cruise Follows Stephens-Nelkin Wedding

With the summer garden of the family home, "Edgewood", as the background Coralyn Stephens, daughter of Mrs. Samuel K. Stephens of Orchard Drive, and the late Mr. Stephens, became the bride of Nedwyn Ronald Nelkin of Kansas City, Mo., Saturday evening.

Wrought iron standards filled with cascading white blossoms and vines were placed in the garden where the Reverend H. F. Fredsell performed the double ring ceremony. Coralyn, who was given in marriage by her uncle, E. L. Givan, was dressed in white embroidered French organdy with a fingertip illusion veil. White orchids and stephanotis made up her bridal bouquet.

Ann Davis of Northville served as maid of honor with Mrs. Eugene Smith of Toledo, Ohio, and Miss Virginia Merritt of Royal Oak as bridesmaids. The three attendants wore gowns of white organdy over light green with a headpiece and bouquet of yellow daisies.

Richard Koerner of Kansas City, Mo. acted as best man for the groom and Samuel K. Stephens and Charles Lee Stephens, brothers of the bride, seated the guests.

A beige silk organza gown was chosen by the bride's mother with which she wore a wrist corsage of light green carnations.

Honor Mrs. Gillaspay at M. Weston Home

Former Northville High school classmates gathered at the Monroe Weston home on Center street Wednesday evening, August 16, to honor Mrs. Eugene Gillaspay (Gertrude Deal) of Muskegon Heights, who has been visiting in the village recently.

Those attending the party were: Mrs. James Maxfield (Madeline Haystead), Mrs. Charles Mummery (Winifred McCordle), Mrs. Arthur Miller (Florence Johnson) of Northville, and Mrs. Howard Rice (Marie Humphries) of Redford. The hostess is the former Mary Ann Spagnuolo.

Joan Oliver Honored at Bridal Shower

Mrs. Frederick Campbell, who was Joan Oliver before her marriage Saturday evening at the First Presbyterian Church, was honored Thursday at a miscellaneous shower. Alice Newton was hostess for the event at her home on First street.

Alice used as her decoration theme a rainbow with a pot of gold attached at the end. Guests who attended the shower were Joan's mother, Mrs. Fred Oliver of New Hudson, Mary Ann Ayers, Joyce Howarth, Susan Sutherland, Ann Beckel, Shirley Smith, Donna Jean Schnute, Peggy Price, Marge DeJohn, Nancy Ryder, Sally Merriam, Jane Strohn and Delores Pardy of South Lyon.

MARRIED AT HOME

MRS. NEDWYN NELKIN

Oliver-Campbell Vows Exchanged

Joan Oliver, daughter of Mr. and Mrs. Fred Oliver of New Hudson, and Frederick Campbell of New Hudson were united in marriage Saturday evening at the First Presbyterian church. Fred's parents are Mrs. Mabel Campbell of New Hudson and Frederick Campbell of Oxford.

Rev. Harold F. Fredsell read the double ring service before an altar decorated with bouquets of white gladioli. For her wedding, Joan chose a white nylon net ballerina gown fashioned with a Peter Pan collar and bouffant skirt. White seed pearls trimmed the pockets of the dress. Joan wore a white cloche edged in navy velvet and a corsage of gardenias and white roses.

Her only attendant was Mary Ellen Murphy of East Lansing who was gowned in an aqua nylon net, ballerina length dress. She wore flowers in her hair and a corsage composed of white gardenias and pink rosebuds. Best man was James Ottarson of East Lansing.

For her daughter's wedding, Mrs. Oliver chose a green and white two-piece dress with black accessories and Mrs. Campbell wore a beige suit with brown accessories. Both mothers wore corsages of pink roses.

A dinner for the wedding party took place at Huck's Redford Inn and then the young couple left for an undisclosed destination. For travelling, Joan wore a beige dress with white accessories. Upon their return they will be at home to their friends in New Hudson.

The bride is a graduate of Northville High school, class of 1950 and is employed at the Detroit Gasket Company, Brighton. The bridegroom attended New Hudson High school and works as a test driver at the General Motors Proving Grounds, Milford. He is a navy veteran.

Former Villager Weds in Detroit

A wedding of interest to villagers is one that occurred last Saturday in Detroit which united in marriage Phyllis Marie Powers, formerly of Cambridge Drive, and Robert Joseph Ziawinski of Detroit. The marriage was solemnized at the Bushnell Congregational Church.

Phyllis is the daughter of Mr. and Mrs. Gerald Powers of Northlawn Avenue and Robert is the son of Mr. and Mrs. Joseph Ziawinski of Hartwell Avenue.

Dr. Roger Eddy Treat read the two o'clock double ring ceremony. For her wedding, Phyllis chose a gown of imported organdy embroidered with lily of the valley design over white satin. Her fingertip veil of illusion was caught to her head by an embroidered organdy cloche and she carried a cascade bouquet of white delphinium and stephanotis.

Honor matron was Mrs. Edward Butcher and maid of honor was Helen Lillis of Pelham, New York, who wore ballerina gowns of lime green organdy with mitts and Dutch caps of the same material. They carried bouquets of peach gladioli flowerettes.

Bridesmaids Jim Siebert, Roz Demery, Sue Cruickshank, and Jo-Jo Spike wore gowns styled similarly to that of the honor maids of navy-blue organdy and they carried cascade bouquets of yellow gladioli flowerettes.

"Genie Dragg, niece of the bridegroom was the junior bridesmaid and she wore a lime green organdy gown.

Best man was Zane Rusnowski and seating the guests were Tom Powers of Cumberland, Maryland, cousin of the bride, and Edward Hober of Cleveland, Ohio, and Ronald Stempin, William Bilibrey, Edward Butcher, Joseph Tankiewicz and Edward Dragg.

Mrs. Powers' choice for her daughter's wedding was rose crepe with mauve accessories and Mrs. Ziawinski wore powder blue crepe with navy accessories. Both mothers wore orchid corsages.

A reception followed at the Detroit Yacht Club.

Attending the wedding from Northville were Mr. and Mrs. Herbert H. Brown of West Main street, Mr. and Mrs. Charles Walker of Cambridge Drive and Mr. and Mrs. William B. Walker, of "Happy Acres", East Eight Mile Road.

New York Farmers Hit 'The Jackpot'

New Device Determines Good Soil Management

What a New York farmer gets these days when he "hits the jackpot" might not be dimes or quarters, but it may be increased crop yields in the years ahead.

Or, as the saying goes in Ithaca, Cornell's two versatile soil conservationists have "done it again." Hugh Wilson and Harry Kerr of the state extension staff have come up with another "gadget" to demonstrate the value of good soil management.

That's where the jackpot comes in. Their latest contribution has been dubbed the "one-armed bandit" because it looks like a cross between a slot-machine and a roulette wheel. But it has proved an

Hugh Wilson, left, and Harry Kerr, originators of Cornell's "one-armed bandit," stand before the device discussing improvements.

effective teaching device to let farmers know if their crop practices are robbing the soil.

The "bandit" is in two parts: one, a chart which determines land use capability (LUC) and the other, an analyzer consisting of four concentric circles. It can set up a possible 768 combinations and a flash of green, yellow or red light indicates whether or not favorable soil balance is being maintained.

But that's the last step. First, the land use capability must be established. It is based on these physical characteristics of the land: slope, length of slope, internal drainage, texture, erosion and humus. Values determined mathematically from these characteristics are assigned to slides of varying sizes which fit into the LUC chart. The color and number which the six slides reach show the land use capability for the field.

Grasshopper Control Methods Discussed

Poisoned Bait Erratic, New Experiments Reveal

Poisoned bait, used for many years, has often given erratic control of grasshoppers, the Oklahoma agricultural experiment station reports in a recent bulletin.

During the past few years, many new chemicals have been developed some of which are very poisonous to grasshoppers. Of these, benzene

Adult grasshoppers complicate control since many acres may become infested and adults are not so easily killed as nymphs.

hexachloride is especially useful when temperatures are high and most grasshoppers have reached the adult age.

Insecticides which give most effective control as sprays are chlor-dane, 1.0 to 1.5 pounds per acre; toxaphene, 1.5 to 2.0 pounds per acre; and parathion, 0.2 to 0.3 pound per acre of the actual insecticidal material. Most effective is obtained by spraying these on succulent plants when the nymphs have nearly all hatched and are feeding. As the season progresses, costs increase and control decreases.

The bulletin warned care should be taken to prevent livestock from feeding on plants that have been treated with any of these chemicals. The operator applying them should avoid contact with them to as great an extent as possible. The use of masks and gloves is cheap insurance.

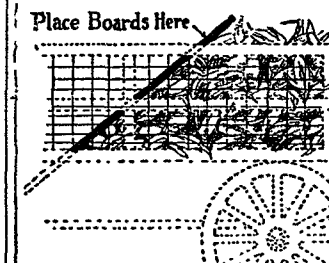

Buying Feeder Pigs May Prove More Profitable

Hog raisers in the future may find it easier and more profitable to sell their sows and buy feeder pigs already weaned, wormed, castrated, deloused, vaccinated, and started on feed.

This is the long-range program of a Wisconsin farmer whose "pig hatchery" output cannot meet the demand of a long list of customers.

The Weix farm in Dane County, Wisconsin, produces a special kind of healthy, well-started weaning pig. According to hog farmers and livestock authorities at the Chicago market, this system has many advantages—among them saving of time in search of good boars and sows and their year-around maintenance. This eliminates time, work and risk in raising pigs from farrowing to weaning. It means cutting down on expensive housing and the elimination of guesswork about the kind of pigs that will result in the use of each new boar.

Unloading Corn

When a wagon box is full of corn it is not necessary to pick part of the load off before the balance can be shoveled. When loading the wagon

Don't work too long in the hot sun without a rest period. Take a few minutes occasionally to sit down and relax. Michigan State College farm safety specialists say you'll be more comfortable if you eat lightly in hot weather, wear light clothes, and have plenty of ventilation where you're working.

LEGAL NOTICES

MORTGAGE SALE
Default having been made for more than thirty days in the conditions of a certain mortgage made by Charles T. Opperman and Marie J. Opperman, his wife, to Depositors State Bank, a Michigan banking corporation of Northville, Michigan, dated the Eighth day of February, 1946, and recorded in the Office of the Register of Deeds, for the County of Wayne, and State of Michigan, in Liber 7852 of Mortgages, on page 35, and said mortgage having elected under the terms of said note and mortgage to declare the entire principal and advances for taxes and fire insurance, and accrued interest thereon due, which election it does hereby exercise pursuant to which there is claimed to be due and unpaid said mortgage, the sum of Eight Thousand Three Hundred and Thirty-nine and 01/100. And no suit or proceedings at law or in equity having been instituted to recover the debt secured by said mortgage or any part thereof, now therefore, by virtue of the power of sale contained in said mortgage, and pursuant to the statute of the State of Michigan in such case made and provided, notice is hereby given that on the Thirtieth day of September, A.D. 1950, at 12:00 o'clock noon, Eastern Standard Time, said mortgage will be foreclosed by a sale at public auction, to the highest bidder, at the southerly end of Congress Street entrance to the County Building in the City of Detroit, Wayne County, Michigan, (that being the building where the Circuit Court for the County of Wayne is held), of the premises described in said mortgage, or so much thereof as may be necessary to pay the amount due as aforesaid, including the attorney fees allowed by law, and also any sum or sums which may be paid by the mortgagee, necessary to protect his interest in the premises. Which said premises are described as follows:

All those certain places or parcels of land situated in the Township of Livonia, County of Wayne, State of Michigan, and described as:

Lots 12, 13, 14, 15, 35 and 36 of "Zimmerman and Porter's Schoolcraft Estates Subdivision" of part of the East 1/2 of the northern 1/4 of Section 19, Township 3 South, Range 9 East, Livonia Township, Wayne County, Michigan, according to the plat thereof recorded in Liber 72 of Plats on page 73, Wayne County Records, dated at Northville, Michigan, June 8, 1950.

Commissioner Wilson moved the adoption of the following resolution: **BE IT RESOLVED** by the Board of County Road Commissioners of the County of Wayne, Michigan, that the certain street described in the minutes of said meeting fully describing said street is hereby made a part of the County Road System of the County of Wayne, Michigan, as recorded in Liber 72 of Plats on page 73, Wayne County Records, dated at Northville, Michigan, June 8, 1950.

Michigan, as recorded in Liber 59 of Plats, on page 32, Wayne County Records, being in all 0.115 mile of county road, said alley being a county road under the jurisdiction of this Board; and in accordance with the provisions of Section 18 of Chapter 4 of Act No. 283 of the Public Acts of the State of Michigan for the year 1909, and amendments thereto, this Board did, by resolution dated June 22, 1950, resolve that a hearing be held on July 27, 1950, at 11:30 a.m. E.S.T. at 3800 Cadillac Tower, Detroit, Michigan, to determine the necessity or advisability of absolutely abandoning and discontinuing said portion of county road; and

WHEREAS, pursuant to the above-mentioned statute, this Board has served a notice of said hearing upon all of the owners and occupants of lands through or adjoining which it is proposed to absolutely abandon and discontinue such county road, and published a copy of said notice in the Legal Courier, a newspaper published within the County of Wayne, Michigan, did at a meeting of said Board held Thursday, August 3, 1950, decide and determine that the certain streets described in the minutes of said Board should be County roads under the jurisdiction of the Board of County Road Commissioners of the County of Wayne, Michigan, as recorded in Liber 72 of Plats on page 73, Wayne County Records, being in all 0.561 mile of roads.

NOW, THEREFORE, BE IT RESOLVED by the Board of County Road Commissioners of the County of Wayne, Michigan, that the certain street described in the minutes of said Board should be a County road under the jurisdiction of the Board of County Road Commissioners of the County of Wayne, Michigan, as recorded in Liber 72 of Plats on page 73, Wayne County Records, being in all 0.561 mile of roads.

THE MOTION was supported by Commissioner O'Brien and carried by the following vote: Ayes, Commissioners O'Brien and Wilson; Nays, None.

THIS NOTICE IS GIVEN UNDER AND BY VIRTUE OF ACT NO. 283 OF THE PUBLIC ACTS OF 1909, AS AMENDED.
In testimony whereof, I have hereunto set my hand at Detroit this 17th day of August, A.D. 1950.

Road Jurisdiction Determination
Commissioner Wilson moved the adoption of the following resolution: **WHEREAS**, this Board has received a petition from seven freeholders of the Township of Redford for the absolute abandonment and discontinuance of the 20 foot alley lying in the rear of lots 125, 143 inclusive, of the N.W. 1/4 of Sec. 20, T. 1 S., R. 10 E., Redford Township, Wayne County, Michigan, as recorded in Liber 14 of Plats, on page 15, Wayne County Records, being part of the N.W. 1/4 of Sec. 20, T. 1 S., R. 10 E., Redford Township, Wayne County, Michigan, being part of the N.W. 1/4 of Sec. 20, T. 1 S., R. 10 E., Redford Township, Wayne County, Michigan, as recorded in Liber 14 of Plats, on page 15, Wayne County Records, said alley being a county road under the jurisdiction of this Board; and

WHEREAS, pursuant to said petition and in accordance with the provisions of Section 18 of Chapter 4 of Act No. 283 of the Public Acts of the State of Michigan for the year 1909, and amendments thereto, this Board did, by resolution dated June 22, 1950, resolve that a hearing be held on July 27, 1950, at 11:30 a.m. E.S.T. at 3800 Cadillac Tower, Detroit, Michigan, to determine the necessity or advisability of absolutely abandoning and discontinuing said portion of county road; and

WHEREAS, pursuant to the above-mentioned statute, this Board has served a notice of said hearing upon all of the owners and occupants of lands through or adjoining which it is proposed to absolutely abandon and discontinue such county road, and published a copy of said notice in the Legal Courier, a newspaper published within the County of Wayne, on July 7, 1950; and

WHEREAS, said hearing was held at the time and place appointed by said resolution and said premises were viewed in accordance with the statute; and

WHEREAS, it appearing from said hearing and view of the premises that the public will have no further use for the portion of county road in said subdivision so petitioned to be absolutely abandoned and discontinued, but it is desirable to maintain the same for public utility easement for the use and benefit of the public.

NOW, THEREFORE, BE IT RESOLVED that said portion of county road, being the 20 foot alley lying in the rear of lots 125 - 143 inclusive of Frischkorn's Grand-De Gardens, being a subdivision of part of Sec. 29, 31 and 32, T. 1 S., R. 10 E., Redford Township, Wayne County, Michigan, as recorded in Liber 59 of Plats, on page 32, Wayne County Records, constituting a total of 0.126 mile of county road, and the same is hereby absolutely abandoned and discontinued, and shall cease to exist as a public highway, upon the express condition that there be and hereby is reserved an easement in the lands occupied by said portion of county road for the installation and maintenance of sewer, water, gas, electric, telephone and all other public utilities for the use and benefit of the public; and all persons, firms or corporations owning or operating said public utilities shall have the right to enter upon said easement for the purpose of installing, maintaining or operating any of said public utilities.

BE IT FURTHER RESOLVED that this Board hereby determines that it is to the best interests of the public that said portion of county road be absolutely abandoned and discontinued, reserving therein the easement as herein set forth.

The motion was supported by Commissioner O'Brien, and carried by the following vote: Ayes, Commissioners O'Brien and Wilson; Nays, None. 12-14

WHEN YOU FEEL WEAK AS A CAT

If you have that good-for-nothing feeling, like you are half-sick and half-well, and your nerve energy is weak and low, the chances are it is due to one thing; doctors call it:

BLOOD POVERTY

Your blood cells may be fagged-out or shrunken, and you might not realize it. Even if you eat the "best" foods you may not be getting all the good out of your meals simply because you have SLOW Digestion, without knowing it (or gassy stomach) and as a result you are a victim of Blood Poverty! In other words, your blood is not getting the fullest good out of what you eat. So your blood-cells become worn-down and you have only half as much energy as you really need, you get up in the morn-

ings still tired, and your nerves become dull.

Hundreds here in Northville suffered with "faded-out" blood and stomach gas until they got CERTA-VIN. This is the new medicine containing 12 Herbs blended with Vitamin B and Iron; you take it before meals and it works with your food. Benefit comes quickly. Your food digests FASTER, with less gassiness, and you get more good out of your meals. In a few days your blood is energized with new red cells and your nerves become stronger. Weak, rundown people tell us they soon feel different all over. And best of all, our price on CERTA-VIN is reasonable. You can actually take this New, modern medicine for only a Few Cents a Day! So don't go on feeling half sick and half-well. Get CERTA-VIN—Northville Drug Co.

WITH OUR NEIGHBORS

Plymouth — A disastrous fire completely destroyed the home of Mr. and Mrs. Don Albright of Lakeview avenue in Phoenix subdivision Tuesday night. The flames were visible from the Plymouth city limits, drawing about 500 people to the scene of the fire.

Plymouth — It was a close election that named Mrs. Thomas Bateman as first in the hearts of Plymouth, the "Tops in Our Town!" Voting was heavy and we were very proud to see everybody give such fine support to this wonderful contest to find and honor our good neighbor, Lois Bateman, the pride of Plymouth, the person our town could least do without.

Farmington — A new Ford "police package" automobile will be purchased by the City of Farmington to replace the Police Department's 1949 Pontiac, the City Commission decided at its meeting last Wednesday evening.

Howell — William Howard Rosenbrook, 14, of 749 S. Third street, Brighton, was killed Sunday, August 13, in an automobile-train accident on Brighton Lake road, Brighton, when the right rear of the car, a 1948 Dodge sedan, in which he was riding, was struck by the engine of a Chesapeake & Ohio freight train going east. The car, driven by Clarence Crissman, 35 was going south. The accident occurred at 10:15 p. m. on the crossing near Calvary cemetery.

Howell — Ballots for the primary election on September 12 are being printed at the County Press office this week and will be distributed by the county clerk in the near future to Livingston's 19 precincts. Candidates of only two parties, the Democrat and Republican, appear on the ballot.

South Lyon — The Northville band entertained on the streets of South Lyon last Friday night when the last of the series of South Lyon days was held. The programs which have been put on mostly by the Lyon Township Band, have proved popular this summer, and large crowds have gathered to hear the music and take part in the awards of cash.

South Lyon — Fire of undetermined origin destroyed the 65-year-old Buffington home at 59488 Eight Mile Road last Thursday afternoon. Only the solid brick walls of the 10-room landmark were left standing when the fire had burned itself out.

Brighton — The possibility of half day sessions for Brighton Area school children was averted Monday night, when at a special session of the board it was voted to rent the basement of both the Lutheran and Federated churches for additional class room space.

Dairy Industry Is Big Business

We usually think of the dairy cow primarily as a source of income for farmers and fresh milk for our tables. G.G. Quackenbush, dairy economist at Michigan State College, says we shouldn't overlook her important role as provider for specialized manufacturing operations which have become big business in Michigan.

More than two billion pounds of milk, over half of Michigan's total commercial supply, is processed into manufactured dairy products in state dairy plants each year.

Butter accounts for 40 percent of all milk used for manufactured products, according to Quacken-

bush. About 43 millions pounds of butter were produced in Michigan in 1948, requiring approximately 900 million pounds of milk. It takes about 221 pounds of milk to make one pound of butter.

The next most important use of milk manufacturing was for evaporated and condensed milk products. This group took about 600 million pounds of milk in 1948.

Ice cream was third. About 362 million pounds of milk were used to produce more than 26 million gallons of ice cream. Cheese ranked fourth, using 245 million pounds of milk.

Quackenbush reports that nearly two-thirds of Michigan's ice cream production is centered in a 10-county area surrounding Detroit. Two-thirds of the cheese produced in the state is made in the Upper Peninsula.

The bull cook at logging camps is a chore-man, not an assistant cook.

In building fires for camp cookery, oak, elm, white ash, and hickory give long lasting coals. Remember that huge forest fires can start from a smoldering match. Be sure your fire is completely out before you leave it.

MICHIGAN MIRROR

NON-PARTISAN NEWS LETTER

New war orders are arriving daily in Michigan. That coupled with acceleration of the postwar boom since the Korean invasion has reduced the state's jobless total to less than 100,000 persons, it is announced by Henry C. Markle, executive director, Michigan Unemployment Compensation Commission. "We're almost at the bottom of Michigan's labor pool." Labor shortages are around the corner.

"Without reducing postal services by one iota" the postoffice department's estimated \$555 million annual deficit could be reduced by more than one-half through Congressional approval of recommendations of the Hoover Commission. This conclusion is advanced by the Citizens Committee for the Hoover Report headed by Dr. Robert L. Johnson, president of Temple University.

"Hand-cranking machinery" would be replaced by modern mechanized equipment; free franked mail; air-mail subsidies would be removed from the department's budget; the "true"

deficit would be cut to \$150 millions.

Communist sabotage is regarded by the AFL Maritime Trades Department as a menace to the Soo canal locks. A time bomb could easily be dropped into the locks, so union officials warn. Recommendation: That the government screen crews of all vessels, American or Canadian, which use the American locks at Sault Ste. Marie.

State Treasurer D. Hale Brake questions the economy savings possible by consolidation of state boards, bureaus, agencies and commissions. Less than one percent of current expenditures could be reduced by this method, concludes Brake. Furthermore, power would be centralized in the governor to a "dangerous degree." "State government is costing more because we are spending more and not because our organization is obsolete."

Should Michigan voters approve a \$65 million bond issue to finance more state hospitals for tuberculosis and mental patients? A state citizens' committee has been formed to seek a verdict of "Yes" next November. Chairman is Dr. Charles L. Anspach, Mt. Pleasant, president of Central Michigan College.

The cost of living rise since the Korean invasion has crowded off the front page such mid-June political topics as the new increase in telephone rates. Labor unions are now demanding more pay, while deploring utility rate "gouging." Facts to consider: Michigan Bell Telephone Company has granted \$35 millions in wage increases since 1940; in the same period rate increases amounted to \$21 million.

Year-end deficit in the state treasury (due primarily to diversion of 78 per cent of sales tax revenues to local governments) was approximately \$20 millions, according to Robert Steadman, state controller. Steadman's solution: The Williams corporation profits tax.

County prosecuting attorneys of Michigan have formally urged restoration of the one man grand jury system. The plan was repealed by the state legislature in 1949 after 32 years' experience. A legislative committee is now studying the three-man law with a view of recommending changes in the next session.

A committee of the Michigan State Bar recommends appointment of supreme court and circuit court judges by the governor. The governor would be restricted in his selection to a list of candidates nominated by a special judicial council of judges, lawyers and lay members. Salaries would be boosted; term of office lengthened; pensions provided for aged judges.

The University of Michigan, in cooperating with the Detroit News WWJ-TV, will undertake a broadcasting service of visual education this fall. The university maintains an extension division at the Rackham Center on North Woodward avenue, Detroit.

Strengthening of public school administration through a grant of more than \$3,000,000 is announced by the Kellogg Foundation of Battle Creek. The project is nation-wide and will be administered through leading universities and colleges. The foundation is financing the W. K. Kellogg Center for Continuing Education—a million dollar hotel—at Michigan State College.

Pertinent to government bonds and war inflation: If American boys are sacrificing their lives in Korea, the least we can do at home is to sacrifice our dollars. Needless inflation, however, is the cause of needless sacrifice. The 1940 dollar is today worth less than 60 cents. If wages and prices go up further, your dollar will be worth less and less.

Foresters estimate nature plants 75 billion trees each year in the U. S.

STONE'S TRIP SCHRADER'S 6-2 TO WIN SOFTBALL CROWN

Sweeping through the softball playoffs without losing a game, Stone's Hardware topped Schrader's Furniture in the finals—Wednesday, August 16, by a 6-2 score. Stone's hurler Dave Pottinger held Schrader's to two hits, both of them coming in the fourth inning. One of them was Dick Vaughn's four-base blast into right center field, the other was Fred Wick's double.

Vaughn led off in the fourth and his home run was the game's first score. Charlie Freydl was out on a grounder and A. Menchaca got to first on a pitcher error. Wick's double advanced him to third and he came home on a bad throw past third on Lloyd Dion's grounder.

Stone's big inning was the top of the fifth, which netted them four runs, two of them the result of Pottinger's homer with Perry Graham on base.

Dean Nitzel led off the inning, getting safely to first on an error. Ed Robinson fanned, but Nitzel had taken second and stolen third and Perry Graham's single chased him home. After Pottinger's four-base hit, Dave Schoutz struck out and Ginger Girardin singled, taking second on a passed ball. Ken Farrell came through with a hit, scoring Girardin, and Bill Stison ended the frame by grounding out.

Pottinger got into trouble in the Schrader half of the fifth, walking the bases full, but two strike-outs and a fly ball to right field pulled him out of the hole.

Stone's tallied again in the sixth when Pete Goudeseune came home on a fielder's choice with the sacks full. The final run came in the top of the seventh.

Farrell was safe at first on an error, Stison sacrificed him to second and he crossed the plate on Nitzel's single.

Stone's played four games in the playoffs, three of them Monday, Tuesday and Wednesday, defeating the Optimists, the Mayors and stopping Schrader's twice. The first Schrader loss was on Monday, August 14. Stone's then tripped the Mayors 5-4 on Tuesday and ended the tournament Wednesday.

Lloyd Dion, regular Schrader pitcher, gave up only six hits in the final game, but they were mingled with errors and good for runs. He fanned 13 Stone's hitters.

Northside Outscores All-Star Team, 6-1

The Northsiders racked up four runs in the first inning in backing hurler Jerry Graham to a 6-1 victory over the All-Stars softball team last week.

Hix, Burkman, Dayton and Goodale crossed the plate in succession, and Hix and Burkman scored again in the fourth inning to account for all of Northside's runs.

Bennett scored the only run for the All-Stars when he went all the way around on errors leading off the fifth inning.

The game was the last softball contest scheduled by the Recreation Committee this summer, since Ford Field is being readied for the football opening September 15.

Rev. Fredsell To Preach in Detroit

The guest preacher on Sunday August 27th at the new, Westminster Presbyterian Chapel at Outer Drive and Hubbell in Detroit will be the Rev. Harold F. Fredsell, pastor of the First Presbyterian Church Northville. Pictures of the Westminster Chapel have appeared in national magazines as one of the outstanding examples of the "new functional colonial" architectural design, built at a cost of \$300,000. The Westminster Chapel is an outgrowth of the Westminster Presbyterian Church at Hamilton and Glenn Court. Mr. Fredsell as Chairman of The Presbyterian Historical Society of the State of Michigan has been asked to preach on "Our American Heritage."

Preaching at the Summer Union Service of the Presbyterian and Methodist churches of Northville, this Sunday will be Rev. William Johnson. Services are being held during August and for Labor Day Sunday at the First Methodist Church. The Rev. Harold F. Fredsell will preach at the concluding Union Summer Service on Labor Day Sunday, September 3rd, using as his sermon topic, "The Torch of Freedom" — John 8:31, 32.

Flower, Vegetable Show Set for Sept. 7

The Annual Flower and Vegetable show sponsored by the Northville Branch of the Farm and Garden Association will be held Thursday, September 7, in the Methodist church house. The show will be open to the public from 2 to 9 p.m.

Entries must be made before noon on that date. Gardeners who are not club members are invited to exhibit their produce.

A Parcel Post and white Elephant booth will also be conducted during the show. Tea will be served to guests from 2 to 5 p. m.

Chapman School To Open September 11

Members of the Chapman School Board have voted to open school for the fall term Monday, September 11. The children will attend a full day session.

Members of the Board felt that since there was a Teacher's Institute in Pontiac Wednesday and Thursday, September 6 and 7, there would be little value in opening school on Friday.

Chapman school is located at the corner of Nine Mile and Taft Roads.

Police Shoot Will Be Held in September

The 13th Annual Michigan Police Shoot will be held at 10 o'clock Thursday morning, September 14, on the Jackson police department's 60-target pistol range.

The event is sponsored by the Michigan State Police in co-operation with the Michigan Association of Chiefs of Police and the Michigan Sheriffs Association. Annual matches were revived last year after having been discontinued in 1941.

This year in addition to the Governor's perpetual trophy in each of four classes of competition, winning teams will also receive plaques which their departments will retain permanently. Other awards in the various events will be provided by the Michigan State Police.

Oakland Kennel Club To Hold Dog Show

The Oakland County Kennel Club will select the outstanding Hero Dog of Michigan for 1950 at its annual all-breed dog show at the Detroit Artillery, Eight Mile Road to be held on Sunday, September 3rd.

This is an annual award given by the club and the winning dog will be rewarded by a cash prize and trophy.

Many acts of outstanding heroism are performed by dogs and the Oakland County Kennel Club feels that these acts deserve recognition.

Anyone knowing of a dog that has performed an act of heroism in saving lives or property is urged to nominate this dog for the award by giving the details and evidence of the act in writing to the club president, J. P. Malley, 21633 Beck Road, Northville, Michigan.

Nominations must be in immediately so that the judges for this award may have time to verify the deeds of these dogs and to select the winner. The winning dog will be on exhibition at the show and will receive the award with appropriate ceremonies.

The dog does not have to be registered or pedigreed individual, his act of heroism is the only requirement.

The good prizes of life go to those who dare to do what others only dare to think.
