

A Detroit paper last week-end carried an article about the University of Michigan stating that students applying for admittance no longer will be required to submit photographs or answer questions relating to race, religion or national origin.

We think that this is a step in the right direction. Education should be offered to everyone, regardless of color of skin, church belief or ancestry. While visiting one of the local eating places the other day, a well dressed Negro woman approached the waitress and asked if the store would serve her. The young lady asked the store's manager who readily answered "yes." It kind of gave me a feeling of reassurance that the human race is beginning to awaken and take a step in the right direction toward equality and tolerance. Education and food should be on the same level for everyone.

Memo to parents: We read where the popular tune of last fall, "Put Another Nickel In, In the Nickelodeon" is strictly passe since Detroit operators have raised the price of the juke box to one dime. Now when parents take Junior and Junorette into the restaurant, to pacify their whims they will have to be given dimes for the juke box.

And speaking of dimes, have you contributed to the March of Dimes? The dimes march... they march for treatment for thousands of girls and boys who were stricken with crippling polio last year, or who will be stricken this year. They march for scientific research to find a preventive and cure for the disease. Are your dimes in line?

A card from Mayor and Mrs. Conrad E. Langfield informs us that they are enjoying Hawaii. They report viewing the pineapple and sugar cane industries.

The mayor will have a fish story to tell his friends when he returns to the Village about February 1. He fought and caught a 115-pound Marlin on a recent fishing trip.

Warning to merchants: Shoplifters were in Northville Monday afternoon, and attempted to make away with a portable radio from Ellis Electronics, 12444 Main Street. Petite Mrs. Monte Ellis (who is all of four foot, 10 inches tall) was in the store alone when the couple entered under the pretext of buying a television set. Noticing a radio from the shelf missing, she asked them to put it back on the shelf.

The man bent over and slid the radio down on the floor. Then acting outraged, they fled the store. Mrs. Ellis called to Lawrence Bogart who ran after them, writing the license number of the car on his shop apron. Police are now investigating the case.

Local VFW Members To Attend Rally

Plans for participation in civil defense preparations and send-parties for draftees will be among the items to be considered at a rally of the fourth district of the Veterans of Foreign Wars, to be held Sunday, January 28 in Wayne. Northville Post No. 4012 will be represented by Stanley Myers and Jack Nulty.

More than 200 members of the V.F.W. and its Ladies Auxiliary representing 37 V.F.W. Posts located in west Detroit, down-river communities and Wayne County, will be in attendance.

The Harris Kehrer Post No. 3323, Wayne, will be host to the gathering at its memorial home, 1055 S. Wayne Road. The meeting will start at 2 p. m. District Commander Charles Marvin, 1517 Academy, Dearborn, will conduct it.

Cub Scouts To Deliver Community Calendar

Northville Coordinating Council announces the distribution of the 1951 Community Calendar. This calendar is made possible by the business people of Northville each year.

Users of the calendar are referred to the important community information which is found on the pink page, relative to church, clubs, organizations, societies, and other items of interest.

Deliveries in the Village will be made by the Cub Scouts under the direction of the Den Mothers. Watch for these young people to call at your home.

Guests Tuesday at the Rotary Club luncheon Tuesday were Jr. Rotarian Tom Heslip, Plymouth members Blake Gillis, Bill Ryan, Cliff Tait, Frank Henderson, Bob Haskell, George Smith and Larry Lyons.

VOLUNTEER NOW FOR CIVILIAN DEFENSE WORK

Dr. Russell M. Atchison spoke to the Northville Exchange Club Wednesday noon on "The Effects of the Atom Bomb".

He said that in the vicinity affected by one explosion, it is impossible to dodge the serious damages by the ray-carried impulses unless one happens to be shielded by something that is impervious to them.

Light Clothing Reflects Rays
Clothing that is light in color reflects most of the visible rays and dark clothing absorbs the heat rays and augments the tendency to be burned. From three-tenths of one second to three seconds after the flash, depending on the nearness to it, the other blast effects arrive.

The blast effects are in the form of a tremendous onrush of a wall of superheated air which levels everything in its path except the structures of reinforced concrete or comparable material. This is immediately followed by an opposite reaction caused by the rush back of air to fill the vacuum created by the explosion. This is responsible for the blowing out of windows and wrecking of buildings as if there were explosions inside them. One has the interval between the flash and the blast (.3 to 3 seconds) to fall flat on the ground covering the face or dive into a spot which is in the shade of the flash.

Pressure Front Created
The flash with all the ray-born harmful impulses arrives with the speed of light or electricity. The pressure front is air activated by the forces of explosive expansion, so naturally is a little slower in movement.

This type of explosion causes an unbelievably high number of casualties who should have medical attention and hospitalization. An even greater number will require first aid. Many cases will be fatal and many will be classified as beyond hope of saving.

This might impose a great responsibility upon those who live near great industrial target areas. Dr. Atchison said. We must fully realize the gravity of the possible emergency and cooperate fully with those who are determining a plan of action, he concluded.

Pastor's Conference Shows Local Writings

At the twelfth annual Michigan Pastor's Conference held at The University of Michigan, Ann Arbor, January 15-17th, writings by two Northville pastors were on exhibit.

The Michigan Historical Collections in the Rackham Building had on display an address on temperance which was dated in 1858 and delivered by the Rev. James Dubuar, then pastor of The First Presbyterian Church of Northville, as well as the book recently published by Rev. Harold F. Fredsell, present pastor of The First Presbyterian church. This book is entitled "The History of the Presbyterian Church in Michigan."

One of the leaders at the conference was Rev. Harry J. Lord, Director of Christian Education for the Michigan Council of Churches. Mr. Lord was formerly pastor of The First Methodist Church of Northville. Dr. D. Elton Trueblood, Professor of Philosophy at Earlham College was the conference speaker.

Presiding at the sessions was Dr. Samuel J. Harrison, President of Adrian College, and President of The Michigan Council of Churches.

Amerman Announces Spelling Bee Dates

Northville school children are busily studying their spelling books in preparation for the annual Detroit News Metropolitan Spelling Bee.

Dates for the 1951 bees have been announced by Superintendent Russell H. Amerman. They are as follows: Grade spelling bee, Friday, February 23; School bee, Friday, March 16; District bee, Friday, April 6; Metropolitan bee, Friday, May 4; National bee, Friday, May 25.

Mrs. Ida B. Cooke is in charge of the bees for the Northville school.

Housing Committee Begins Survey

The Housing Committee of the Civilian Defense program this week began their block by block survey to determine how many persons Northville could accommodate for housing and feeding refugees, should a disaster occur.

Volunteers began calling on residents and asked the following questions: How many are in your family? How many rooms are there in your house? and, How many can you accommodate for sleeping?

To facilitate the survey, the town has been divided up into sections and residents of that section are making the survey. When compiled, the information will be passed on to the Red Cross for their use. Co-chairman of the housing committee are Mrs. Hazel Severance and Mrs. Carrie Taft. Assisting them are Mrs. Marcella Douglas, Mrs. Arline Biery, Miss Elizabeth Etz and Mrs. Ann Guelzow.

BPW Club Hears Senator Reid

Members of the Northville Business and Professional Woman's Club heard Senator Clarence Reid speak on "The International Situation" Monday evening at the First Methodist church house.

Senator Reid somewhat agreed with the foreign policy of former president Herbert Hoover and Senator Robert Taft. Reid said he hoped that General Dwight D. Eisenhower would return from Europe with a working plan for the international set-up. He was introduced by international relations chairman, Beatrice Hawkins.

Members of the club were entertained by dancers from Detroit who were brought here through arrangements of Mrs. Leon Gagner.

Neighboring Church Destroyed by Fire

The People's Church (Presbyterian) in Milan, had a disastrous fire on January 11. Practically the entire building was gutted by fire.

Rev. Leroy Cabbage of that church has preached in the First Presbyterian Church of Northville and is known by the young people of the community for his work in the summer conferences. The Northville Church will assist the Milan Church through its benevolence program administered by the Board of Church Extension of which the Rev. Harold F. Fredsell is a member.

The Milan Church is now meeting in the Community Building and using some of the facilities of the First Methodist Church which were graciously offered by Rev. Wm. Hughes, the Pastor, who it will be remembered was formerly of Northville.

Walther League To Sponsor Card Party

The Walther League of the St. Paul's Lutheran Church is sponsoring a card and bunco party Thursday evening, February 1 beginning at 8:00 p. m. in the Parish Hall.

There will be no admission fee for this social evening, but a free-will offering will be taken to help defray expenses.

The public is cordially invited to attend and have an evening of fun and entertainment.

H. Porter To Open White Lake Pharmacy

Effective Wednesday, January 24, Harry Porter has resigned his position as pharmacist at the Northville Drug Company.

In the near future, Mr. Porter expects to open a drug store at White Lake. The store will be known as the White Lake Pharmacy. White Lake is about 13 miles west of Pontiac on M-59.

Birthday roses were presented to Ed Bogart and Cy Frid at the recent meeting of the Rotary Club.

Novi To Vote On Community Bldg.

The Novi Board of Education and the Novi Township Board are submitting to the electors an opportunity to approve a co-operative plan for the construction of a community building adjacent to the school property.

It is thought that such a building will best serve the needs of both the schools and the adult organizations in the township. This would be in keeping with modern community planning to make the school the center of both the educational and social life of the community.

The community of Novi has been very insistent that any addition to the present school building include an all purpose room. During the past several years the various community organizations have raised approximately \$12,000 for the construction of a community building.

Two years ago the Township electors approved the setting aside of \$20,000 from the Township share of sales tax and other state aid for the construction of a community building adjacent to the new Township building.

The Township electors have now petitioned the Township Board to call a special meeting for the purpose of giving the township electors an opportunity to vote on changing the site of the proposed community building from property adjacent to the township building to property adjacent to the school building.

The Township Board has scheduled this meeting for Monday, January 29 between the hours of 1:00 and 8:00 p. m. All qualified township electors are eligible to vote.

The Novi Board of Education has called a special meeting on Friday, January 26 at 8:00 p. m. for the purpose of giving the school electors an opportunity to approve the deed of the north-west corner of the school property to Novi Township with the provision that a community building be constructed on this site. All qualified school electors are eligible to vote.

The Board of Education is planning the construction of five additional classrooms to the present building.

If the community building is constructed adjacent to the school property it will be under the jurisdiction of a three man board. One will be appointed by the Board of Education, one by the Township Board, and one will be appointed by both boards to represent the Township at large. The member representing the Township at large is not to be a resident of the school district.

Volunteers Needed for Auxiliary Police

Civilian defense director Forrest Doren and Chief of Police Denton attended a civilian defense meeting at Inkster Tuesday evening.

Superintendent Morgan of the Detroit Police department explained the Detroit civilian defense set-up. Detroit is planning a training course for auxiliary policemen. A similar set-up has been planned for Northville by Chief Denton.

Volunteer auxiliary policemen are needed before additional training can be given in the Village. Meetings are held each Friday evening at the Village Hall and any man willing to serve in that capacity should plan to attend the next meeting. Men at the last meeting were George Stanford, George Bowland, Andy Torok, Jr., Chester Finney, Earl Patterson and Rex LaPlant and Jimmy Allen was present from the Boy Scouts.

Dinner Proceeds Slated for Camping

Villagers are reminded of the Boy Scout Spaghetti Dinner which will be held Friday, January 26 at the First Methodist church house.

Serving will take place from 5:30 to 7:30 and the proceeds will go towards financing the Scouts summer camp program. Tickets are available from any Scout or at Gussell's Drug Store.

Banking Hours To Change February 1

Effective February 1, the Depositors State Bank will be closed on Wednesday afternoons and open Friday evenings from 6:00 to 8:00 p. m.

All other banking hours will remain the same. The banking hours have been changed with the hope that it will help to alleviate the congestion on Saturday mornings at the Bank.

Book Review Slated for Woman's Club

A book review by Mrs. E. A. Chapman will be the program for the regular Woman's Club meeting to be held Friday, February 2 at 2:30 at the library.

The book to be reviewed is a biography entitled "Shakespeare of London" by Marchette Chute. She is also the author of "Chaucer of England" and is recognized as an outstanding authority on the contemporary times of Shakespeare.

The book is based on evidence taken from documents about the theatre and London in Shakespeare's time. The latest source is 1630. The emphasis is placed on the working life of Shakespeare as a member of the London theatre and his relationship to fellow actors and workmen.

The book has been well received and has been on the best seller lists several times this winter. John Mason Brown, New York critic, says, "—is a vivid picture of the background of Shakespeare's life".

Senior Class To Swell "Trip" Fund

Each year the Senior Class of Northville High School plans a trip with a destination that will provide recreation and an educational six days. This year the class has chosen to do what so many classes before them found profitable, that is, visit Washington, D. C.

There are always some students that cannot finance their way and consequently have to remain at home. The class feels that it isn't right for some to be waving from the train as they start their journey to others that couldn't afford it. It is with this consideration in mind that the class has organized a committee made up of eight senior students whose duty it will be to make enough money for the fund so that additional students may have the opportunity for the trip.

The committee has designed various class projects for the remainder of the school year and appeals to the Northville public to support the program.

The first big project will be a gigantic bake sale to be held Saturday, January 27 at the S. L. Brader Department Store on East Main Street. Patronage of this project will be most appreciated.

The class would also be grateful for donations in the form of baked-goods to be sold at the Saturday project. Donors are asked to deliver them to the store as early Saturday morning as possible. If this is not convenient, they should phone 949J1 any time before 8:30 Saturday morning and a senior classman will call for the donations.

Any Northville resident who may have a suggestion for a project that will give the class added finance to swell the trip fund and also provide the Community with a beneficial program, please write a penny post-card with full details in care of: Trip Committee, Northville High School.

Card Party To Aid BPW Cancer Fund

The Business and Professional Woman's Club will hold a benefit card party Tuesday, January 30 at 8:00 p. m. at the Veterans of Foreign Wars Hall, 432 Plymouth Avenue.

Proceeds from the card party will go into the state club revolving cancer fund whereby members of the state BPW will receive aid if they are stricken with the disease.

Tickets may be purchased from the club members or at the door on the evening of the party. Prizes will be awarded each table and refreshments will conclude the evening's entertainment.

Awarded Silver Star

1st LIEUT. SCOTT W. COLE

Lt. Cole Decorated in Korean Action

A Northville soldier, First Lieutenant Scott W. Cole, has been awarded the Silver Star Medal for gallantry in action against the enemy while serving with the First Cavalry Division in Korea.

Lt. Cole, son of Mrs. J. A. Cole, 130 West Cady street, was awarded the third highest decoration for gallantry in action on July 23, 1950, at Yong-Dong, Korea.

The positions of the First Battalion, 8th Cavalry Regiment, were attacked by three enemy tanks. The lead tank, penetrating the lines, was destroyed by daisy chain mines which were pulled under the tank by a group of engineers, who were wounded during the action.

"Seeing the predicament of the engineers, Lt. Cole left the comparative safety of his position, according to the citation accompanying the decoration", and proceeded about 150 yards, under the fire of the second tank, to the assistance of the wounded men."

The citation tells of how Lt. Cole carried the wounded men to a covered position and remained with them until aid men relieved him.

"His courage", states the citation, "and selfless devotion to his men saved the lives of the wounded engineers. Lt. Cole's gallantry reflects great credit upon himself and the military service."

Mobile Unit X-Rays 2847 Townspeople

The Wayne County Health Department and TB and Health Society reports that during the year 1950, the Mobile X-Ray Unit took 64,727 free chest x-rays in Wayne County, excluding Detroit.

The findings showed that out of that total, 3,817 individuals had some chest abnormality which included questionably active TB, inactive TB, heart conditions, cancer, etc.

As for tuberculosis, 566 questionably active cases were found, and 1,762 inactive cases which require watching by family physicians.

Northville, had the use of the Mobile X-Ray Unit May 18-26 of last year. During the survey at that time 2847 residents took advantage of this service.

A total of 283 abnormalities were found, including 58 cases of questionably active TB, and 135 inactive cases.

The remaining number of abnormalities were other pulmonary conditions, Cardiac, Cancer, etc.

The sponsoring agencies, Wayne County Health Department and TB and Health Society, point out that chest x-ray service is given to communities in Wayne County to find early tuberculosis and other chest conditions. In the early stage, tuberculosis is easily arrested and treatment prevents the spread of this contagious disease.

Mobile Chest X-Ray service is provided by the Wayne County Health Department through tax dollars, and by the TB and Health Society through contributions for double-barred cross Christmas Seals.

Medical Committee Needs Volunteers

The medical committee of the civilian defense program has made an earnest appeal for graduate nurses, nurses aides and individuals familiar with first aid to volunteer now for work with the medical committee.

Those interested in helping are asked to call Mrs. Carolyn Howard, phone 589M. A meeting of the committee has been slated for Friday evening at 8:00 o'clock at the Village Hall.

W. L. Couse Speaks at Economics Club

"What Are The Prospects For The Construction Industry?" was the subject of a paper read by Walter L. Couse of West Seven Mile Road at the weekly meeting of the Economics Club of Detroit, on Monday, January 22nd at the Book-Cadillac Hotel.

Speaking before the leading business executives and industrial leaders of the city, Couse made a clear and interesting presentation of the problems and the opportunities confronting the construction industry. He was introduced by Joseph P. Wolff, Commissioner of the Department of Buildings of the City of Detroit. Speaking on the same subject with Couse was Robert P. Gerholz of Flint, President of the National Association of Real Estate Boards.

Couse spoke in his capacity as President of the Associated General Contractors of America, Inc. He reported on his conferences in Washington, D. C. as a member of the Construction Industry Advisory Committee of the National Production Authority. He was introduced as living in Northville, and in his opening remarks he paid his community a high tribute as he referred to it as one of the few villages surrounding the City of Detroit that has retained its charm, beauty, and fine community spirit.

Guests present at the dinner from here were L. M. Eaton and the Rev. Harold F. Fredsell.

Mr. Couse was recently appointed by Charles E. Wilson to serve on the Construction Industry Advisory Committee of the National Production Authority. The committee is for the purpose of advising the National Production Authority on the defense production act with special emphasis on the conservation of critical materials in the building program through modification of design and construction practices by the extension of the provisions of order M-4. The latter order deals with the restriction of commercial construction.

Other members of the advisory committee are Glenn Maxon of Dayton, Ohio, builder of the Oak Ridge Atomic plant; Chan Turner of New York, builder of the United Nations Building; Arthur Horner of Denver, Colorado, Ralph Walker of New York President of the American Institute of Architects, and William Stanton of Portland, Oregon.

PTA To Meet for Monthly Session

The Parent-Teachers Association will hold their regular monthly meeting Thursday, January 25 at 8 o'clock in the Grade School lunch room.

Speaker of the evening will be Mrs. Alta Moore whose talk is entitled "Building Human Relationships". Mrs. Moore has been serving our schools as a visiting teacher for five years. She works out of the Wayne County Superintendent of Schools Office.

At the conclusion of the program, the PTA members and guests will be entertained by room mothers of the kindergarten. The ladies have chosen to represent Romania in costume, refreshments and decorations as an added interest to the social hour.

Tuesday, January 30 is the last day for registering for the spring primary election to be held in Northville Township February 19. Township Clerk Fred Lyke will be at the Village Hall on Tuesday from 8:30 a. m. to 8:00 p. m. for the purpose of reviewing and registering all qualified voters.

Anyone desiring candidacy for a township office, may file a petition signed by not less than one per cent nor more than four per cent of the electors of the Township. The petitions must be filed with Clerk Fred Lyke not later than Tuesday, January 30 at 4:00 p. m.

Qualified voters of the spring primary election will be casting their ballots February 19 to nominate candidates for the following offices: County auditor, supervisor, clerk, treasurer, four constables for two year terms, two justices of the peace for four year terms and one member of the Board of Review to serve a two year term.

Clarkston Cagers Here Tomorrow

Northville basketball squads will play host to Clarkston teams at the High school gym tomorrow night. The reserve game will begin at 7:15 p. m., followed immediately by the varsity contest.

The small, dyed-in-the-wool basketball crowds which have supported the Mustangs, and Colts, are seeing improved teams every game. Clarkston defeated the Mustangs 50 to 41 December 8, and the Colts fell 49 to 47, but the improved Northville squads will be out to provide a different ending tomorrow.

Tomorrow's game will be the last on Friday until Inkster comes here February 16. The Inkster game there (January 30), the Plymouth game here (February 6), and the Milford game away (February 13), will all be on Tuesday nights.

"March of Dimes" Drive Nears Finale

Northville's quota for the March of Dimes drive has been set at \$750.00. Nelson C. Schrader, Jr., local "Dimes" chairman, stated that last year's drive netted \$542.80.

Northville school children have been asked to participate in the drive. Miss Ruth Knapp, school nurse, is heading the school drive and she has passed out cards to the children in which they can place their dimes. Canisters have been distributed to all the local places of business. The canisters this year resemble iron lungs and the slogan for the drive is "Lend Me A Hand." The poster-placard which holds the canister shows the picture of 12 year old Larry McKenzie, one of the 54,000 polio victims last year who was helped by the National Foundation for Infantile Paralysis.

March of Dimes funds go towards caring for thousands of boys and girls who every year are stricken with polio. There have been more polio cases in the last three years than ever before for a similar period. The March of Dimes funds also goes towards a great program of research and professional education where efforts are being made to find a preventive or cure and to train polio experts.

Patrons May Attend Royal Oak Concert

Holders of Community Concert tickets are reminded that there is a concert February 2 at Royal Oak to which they are welcome to attend.

to the Editor

Helen McCarthy mailed me the review in The Record of my little article in the Saturday Evening Post. I thought it was very good.

One thing, however—although since no Soviets, probably, read The Northville Record it probably doesn't matter. I was not sent to Russia by Army intelligence. I was not even in the Army. I was in the Navy air corps, and not Navy intelligence. And my assignment in Russia was of a liaison nature with Soviet Navy people; later, in Siberia, I was with a Naval mission to work out with the Russians plans for joint naval attack against Japan, and later aide to the commanding officer of a meteorological expedition on Kamchatka.

As I say, no matter this time, so never mind. But, as you know, I'm sure the Russians are awfully touchy on the question of Intelligence, and should I have to, and be able, to return to the Soviet Union, for the State Department or otherwise, it would decidedly not be an aid to have it said, even in Northville, that I was there previously for Army intelligence.

I have been here the past year as an exchange professor, giving a seminar on contemporary Eastern Europe. I expect to return to the States in a few weeks and hope soon to get out to Northville, at which time I look forward to seeing you.

Yours sincerely,
 Fred Warner Neal.

Domestic Workers Affected by Law

Do you have someone working for you in your home? Do you know if you are now an employer under the change in the Social Security Law effective January 1, this year?

"Because the new Federal Social Security law brings some household workers into the Old-Age and Survivors Insurance system", explained Harry Baltuck, Manager of the Northwest Social Security Field Office at 12065 Wyoming, corner of Grand River, "we want to inform the public, particularly the housewife who hires help, about the change in the law.

"Suppose that you have someone working in your house two days a week and you pay her \$6.00 a day. That would mean that you employed someone on 24 or more days in a calendar quarter and paid her at least \$50.00 or more in cash wages. If this is true, then you are now required to report the wages paid each calendar quarter to the Collector of Internal Revenue. But suppose that you hired someone to come in only one day a week to work in your house. Even if you paid her \$6.00 a day which would be more than \$50.00 in cash wages for the quarter, you would not have to send in a report of her wages for Social Security purposes. "WHY?" - you may ask. Because she has not worked at least 24 days or more in the calendar quarter. If she

worked just one day a week then she would work only 13 days in a calendar quarter - and this employment is not covered by the Social Security law.

"Remember this test if you have a maid, laundress, cook, or other household employee:

(1) The employee must be working for you on 24 or more different days in the calendar quarter AND
 (2) The employee must be paid at least \$50.00 or more in cash wages in the same period.

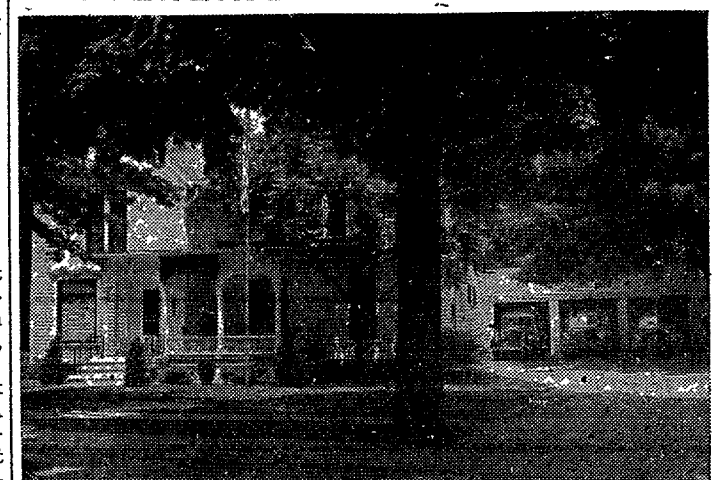

"Both parts of the test must be true before it becomes necessary to report the employee on a Social Security Tax return", emphasized Baltuck.

For further information, ask for the booklet, "Do You Have A Maid" from your Northwest Social Security Field Office at 12065 Wyoming, Detroit 4, Michigan or call TEexas 4-4750.

Falls are the No. 1 accident killer around the home, according to the National Safety Council. Keep ice off outside steps and walks.

Babson Discusses Military Training; Warns Against Undue Pessimism

Washington, D. C.—I am not a military expert and cannot speak with authority as to what is to happen to our 18 to 22 year old young men during the next few years. The plans and hopes of many homes, jobs and colleges are completely upset.

Let Us Not Worry

Let me, however, add a little hope to frightened families. Men who know what the probabilities are assure me that the future is not as bad as it now looks. They insist that only a few more boys will be shipped to Asia. We will be willing to supply guns and munitions to enable the Japanese to protect Japan, to enable Nationalists to hold Formosa, and to give needed aid to the Philippines. But no more American boys will be sent to Korea, Indo-China, Burma, India or elsewhere in Asia.

Experts at Washington believe that World War III, IF IT COMES, will be fought mainly by the navy and air force. They say it would be suicidal to depend upon numbers of infantry to meet the Russians, even in Europe. With the large number of communists who infect each European country, it may be best to limit our help to Western Europe to supplying them with A-Bombs. Therefore, I believe

that mothers and boys are unnecessarily excited. Americans seem unable to strike a middle course. They either ignore danger and insist on "business, profits, wages and entertainment as usual", or else they become panic-stricken and go too far in the opposite direction.

Train For Useful Work

I, therefore, strongly advise that parents and their youths avoid getting unduly excited. First, the chances are 3 to 2 that Russia will not risk a "hot war" for some time to come; and second, if only the present "cold war" continues, 2,500,000 young men in training would be a nuisance and handicap to all concerned. I, moreover, speak with some authority, having founded three colleges and graduated thousands of young men.

I further advise young men between 18 and 20 to quit listening to radio commentators who know no more as to the future than you my readers do. Go on about your plans for schooling or work the same as if no war is now probable. Then if you are called, it will be okay; while the chances are 50-50 that you won't be called. When you go to work, get a job with some industry which is essential to the war program;—don't be content to jerk sodas or drive a truck.

World War III Will Need Brains
The next few years offer a great opportunity for young men to become expert in some one line of work. Too many young people have been getting jobs without any carefully planned aims. The new defense efforts enable a young man to take tests and ascertain for what he is best fitted and how to train therefor. If you live in a small town where there are no industries, have your mother teach you to cook.

This is becoming a real profession. Drafted young men who can qualify as trained cooks are always given good opportunities for advancement.

The trouble with parents and youths today is that they visualize the next war - if it comes will be like the last war. This is a great mistake. We cannot lick Russia by numbers. Korea proved this. It was our Intelligence Forces that let us down. We can win by BRAINS. If World War III comes it will be a conflict of superior intelligence. Hence, let our youth prepare to use their brains; while the poor Russians, Chinese and other peoples are treated as cannon fodder. If General MacArthur had given more attention, to the Intelligence Division of his army and less to old-fashioned fighting customs—things would be different. Our boys should be trained by young leaders in these new ways, rather than by out-dated old "Brass" who cannot adopt modern methods.

Remember Our Religion

Finally, let us parents not forget that God continues to rule in His Heaven and that, in the long run, the Russians can never win without Him. God is still our refuge and our strength if we will cease worrying and take each day as it comes. Let us give more time to reading our Bibles and less to television or even the radio. Perhaps, God is using the Russians to again bring us to our knees and to make our young people - who have had things pretty easy - "stop, look and listen". At any rate, I am an optimist and believe that whatever happens, those who do their best from day to day have nothing to fear.

Pull off the road to change a flat and save your life—there's no spare for that.

A method of concentrating the feed value in alfalfa has been developed. Alfalfa is extracted and then dried so the powder can be mixed in livestock or poultry feeds.

Corn with 30 per cent or more moisture content is likely to spoil even in winter. Artificial drying, feeding immediately, or making ear corn silage are the best ways of making use of wet corn, say Michigan State College agricultural economists.

The elk, or wapiti, is perhaps the most stately member of the deer family.

Teenager Gets Appetite Back; Thanks Hadacol

HADACOL Supplies Vitamins B₁, B₂, Niacin and Iron Which Her System Lacked.

According to Sara Loraine Beck, Box 253, Coker, Alabama, when a person is only 15 years old and feels terrible, can't eat or sleep the way they should, it's mighty bad. That is the way Loraine says she used to feel, but that was, of course, before she started taking HADACOL. Loraine found that taking HADACOL helped her system overcome deficiencies in Vitamins B₁, B₂, Niacin and Iron, which HADACOL contains.

Here is Loraine Beck's own statement: "I was run-down, sick and skinny and weighed only 90 pounds before I used HADACOL. I would not eat because I had no appetite. Now I weigh 123 pounds and have an appetite. I feel a lot better. I have been taking HADACOL 10 months and am still taking it. I am 15 years old. HADACOL has done me lots of good."

Nat'l Youth Week Endorsed by Truman

President Harry Truman reminds young people that they "have a responsibility to give to the church of their courage, their energy, and their enthusiasm."

He wrote in endorsement of National Youth Week to be celebrated January 28—February 4 1951, throughout the United States and Canada. His letter was addressed to Rev. A. Wilson Cheek, executive secretary of the United Christian Youth Movement, which sponsors the observance.

The U.C.Y.M. is the official agency through which 90 per cent of the Protestant youth of North America work together. It also includes such youth-serving agencies as Boy and Girl Scouts, Y.M.C.A., Y.W.C.A., and International Society of Christian Endeavor. It is administered through the National Council of the Churches of Christ in the U. S. A.

"Our American way of life will be secure if our churches and our youth heed this year's theme of National Youth Week and 'Serve in Faith,'" stated the President. Mr. Truman observed that young people often take for granted blessings which they receive largely from the church. Among them are respect for the individual, respect for democratic processes, and the spirit of fair play.

"I am happy to take this opportunity to endorse the eighth annual celebration of National Youth Week, sponsored by the United Christian Youth Movement," President Truman wrote. "I hope that this week in 1951 will be unusually successful in focusing attention upon the responsibilities that young people have to their church, and that the church has to its youth."

ALL-STAR LINE-UP FOR '51!

**NOW ON
DISPLAY**

Standard equipment, accessories and trim illustrated, are subject to change without notice.

Your first eye-smacking look at the line of lovelies pictured here tells you that they've got what it takes in visual charm.

But the fellow who said a picture speaks louder than a thousand words wasn't talking about these superbly able 1951 Buicks.

Sure, they're smart to look at—smart in style and smart in dress.

But they're also smartly powered—smartly engineered—smartly priced. And it would take a book to describe in full their deep-down goodness.

What's been done for '51 is to take the best automobiles that ever bore the Buick name—and top them.

Come, look them over, and you'll see what we mean.

There's the SPECIAL which can accurately be titled "the newest car in the world"—new in structure, new in power, new in dimensions, new in thrift—and potent in price appeal.

There's the SUPER—that looks and is a smart new edition of its "best seller" forebear.

Then there's the ROADMASTER—that coddles your anatomy on luxurious new fabrics and cloud-soft cushions—pampers your pride with its lordly bearing—shoots a delicious tingle right up your spine by

the exuberance of its power and action.

We could go on and on. This is the car that "breathes through its nose." This is the car that sports a brand-new front-end styling. This is the car with new high-visibility instrument dials, more easily read at night. This is the car with glare-and-heat-reducing glass† and a host of other news-making features you can't afford to miss.

So your No. 1 date this week end is with your Buick dealer. It won't take you long to conclude that he's offering the smartest buys of the year.

Guest Musicians

GENE and RUTH JORDAN

Marimbist To Play in Salem Church

Gene Jordan, widely known for his colorful arrangements of familiar gospel hymns, will be guest musician at West Salem Country Church monthly music program, Sunday, January 28 at 2:30 p. m.

Born in Birmingham, Alabama, Mr. Jordan comes from a family of twelve, all of whom are musicians. After receiving a Master of Music degree from Northwestern University he became associated with radio station WMBI of the Moody Bible Institute of Chicago. On two occasions he made evangelistic tours in Europe, playing his marimba with Youth for Christ gospel teams.

Recently Mr. Jordan and his wife Ruth have been appointed to the staff of Radio Station HCJB, the Voice of the Andes, in Quito, Ecuador.

In addition to musical numbers, Mr. and Mrs. Jordan will give their testimonies. The public is cordially invited to this service.

the Lesson-Sermon in all Christian Science churches throughout the world on Sunday, January 28.

The Golden Test (Psalms 108:3, 4) is: "I will praise thee, O Lord, among the people: . . . for thy mercy is great above the heavens: and thy truth reacheth unto the clouds."

Among the Bible citations is this passage, (Ps. 86:11): "Teach me thy way, O Lord; I will walk in thy truth: unite my heart to fear thy name."

Mr. and Mrs. E. J. Cobb Married Sixty Years Ago

Mr. and Mrs. Erlin J. Cobb of 605 Grace street will observe their sixtieth wedding anniversary at an open house Sunday, January 28.

Their daughter, Mrs. Henry M. Ballard of Grosse Pointe has made the arrangements for the open house which will be held from 3:00 to 6:00 p. m.

Mr. and Mrs. Cobb were married in Northville on January 29, 1891, at the home of the bride's parents, Mr. and Mrs. Henry Clark of Base Line Road. Mr. Cobb is the son of the late Mr. and Mrs. Daniel Cobb of Canton Center. Rev. Samuel Bird, then pastor of Salem Methodist Church, officiated at the wedding.

The Cobbs started housekeeping in a home on Walnut Street and later moved to their home on Grace street which they have occupied for 58 years.

Mr. Cobb worked for the Globe Furniture Company until it closed its doors in 1929. He has been retired for several years and formerly was affiliated with the Knights Templars fraternal organization.

The Cobbs are members of the First Methodist Church and Mrs. Cobb is affiliated with the Kings' Daughters.

Mr. and Mrs. Cobb have one daughter, Mrs. Henry M. Ballard of Grosse Pointe, two grand-

daughters, Mrs. Shirley Wigle who makes her home with her grandparents and Mrs. Margaret Becker of Atlanta, Georgia. They are great grandparents to Robert and Richard Becker and Jimmy, David and Suzanne Druce.

Mr. and Mrs. D. J. Stark of Scott avenue will also be in the receiving line as it has been the custom for the Starks and Cobbs to celebrate their anniversaries together. The Starks will be observing their thirty-second anniversary which occurs on January 25.

Mothers Club Hears Dramatic Reading

Members of the Northville Mothers' Club and their guests were delightfully entertained with a dramatic reading Monday evening.

A Wayne University drama student, Robert Phillips, entertained the group with "City of Trembling Leaves." Mrs. Eldon Biery of West Dunlap street was hostess for the January meeting.

At the next meeting to be held March 1, Gordon B. Graham, director of safety for the Detroit Public Schools and chairman of the Detroit civilian defense, will speak on the effects of the atom bomb.

"Land of the Free" Films Are Available

As a service to the community, the J. L. Hudson Company has made available without any charge to social or fraternal organizations the films, "Land of the Free."

The films have been distributed to various agencies where they may be obtained. Agencies from which they may be procured are: The Public Library, Main Branch; Monsignor R. T. Carroll Dady, Detroit Parochial Schools, Detroit; Bloomfield Village School, Birmingham; William Ford School, Dearborn; Grosse Pointe Board of Education, Grosse Pointe; Hamtramck Schools, Hamtramck; Board of Education, Highland Park; Cleveland Elementary School, Port Huron and South Oakland Film Library, Royal Oak.

Complete information concerning whom to contact may be obtained from G. Whitney at the J. L. Hudson Company. The Record office has available a set of the books which accompany the series of movies which interested persons may inspect.

Mrs. G. Mairs Hostess To Extension Group

Northville Extension Group No. 2 met at the home of Mrs. George Mairs of Yerkes avenue Thursday, January 18 for their regular monthly meeting. Six members and eight visitors were in attendance. Mrs. Llewellyn Kingsley presided over the business meeting.

A lesson of "Citizenship, Law and Government" was given by Mrs. George Mairs and Mrs. Earl Ryder. Mrs. Marie Knapp also presented a lesson on cake decorations. Following the discussions, the year's program for the extension group were distributed to the members.

At the conclusion of the meeting, refreshments were served by the hostess.

The February meeting will be held at the home of Mrs. Seymour Orr on Novi Road. "Glove-Making" will be the topic of the lesson to be presented.

The J. Greens' Return from Fla. Vacation

Mr. and Mrs. James Green of Cady street, accompanied by Mrs. Green's mother, Mrs. William O'Donnell of Detroit, returned to a snowy Michigan Saturday, from a month's stay in Florida.

Their first stop was in Palm Harbor where Mrs. O'Donnell remained for the month with relatives at St. Petersburg, the Greens visited Mr. and Mrs. D. B. Bunn and Mrs. Bruno Freydl and then continued on to Fort Lauderdale Beach where they stayed at the Sea Isle Apartments which are under the management of Mrs. Richard Hammermeister, a former Villager. While there, Mr. and Mrs. Green were entertained by the Elmer Smiths, who annually spend the winter months in Fort Lauderdale.

The passing weeks found the Greens dividing their time between Dania and the Willard Elys and the neighboring city of Hollywood where the Neal Hanford's reside.

In Sarasota, Mr. and Mrs. Green were entertained by the Steve Armstrongs and together visited Mr. and Mrs. Samuel Geraci who are in Florida for a month's stay.

Highlight of the vacation was the result of Mrs. Green's expert deep-sea angling—an 18 pound Kingfish, caught off the coast of Fort Lauderdale.

Upon conclusion of the month's stay, the Greens returned to Palm Harbor and Mrs. O'Donnell accompanied them on the return trip to Michigan.

Novi Farm Bureau Holds Jan. Meeting

The South Novi Farm Bureau met at the home of Mr. and Mrs. John Christensen on West Nine Mile Road for their January business meeting.

Chairman James W. Erwin presided at the meeting and Mrs. Basha Hines served as recording secretary. Following the transaction of the usual business, the group was urged to vote January 29 on the proposition whether to erect a Community Hall onto the new Township Hall or to build a Recreation addition to the Novi School. Harold Miller explained the details of Blue Cross insurance and as final business, the group voted that jurisdiction should remain in the township rather than be removed to the county seat.

Sunday School Class Gives Puppet Show

Miss B. Ione Palmer's second grade Sunday School class of the First Methodist Church was asked to share its puppet show with the adult class Sunday, January 21.

The group gave the Christmas story in three acts. Mary Long read the script, and the children who manipulated the puppets included Kenneth Stone, Marlene Smith, Judy Staman, Sammy Chizmar, Freddie Steeper and John Dietrich.

The class wishes to thank Miss Grace Pollock for helping with patterns and the stage and Robert Menees for making the sticks on which the figures were fastened.

S/Sgt. Ted Baldwin Called to Active Duty

S/Sgt. Ted Baldwin of Detroit, formerly of Northville has been called into active service with the U. S. Army and will leave Sunday, January 28 for Camp McCoy, Wisconsin.

Ted is a member of the Activate 979 F. A. Battalion of the Michigan National Guard and will be associated with the medical detachment serving that battalion.

Mrs. Baldwin (Jane Lanning) and sons, Michael and Richard, will remain at their home until such arrangements may be made to enable them to move to Northville.

Church To Observe "Youth Sunday"

Presbyterian young people throughout the nation will observe Youth Sunday on January 28. The theme as chosen by the Interdenominational United Christian Youth Movement is "Christ Calls—Serve In Faith".

Speaking at the service of The First Presbyterian Church will be four of the local young people, Jack Wilson, a student at Alma College, Shirley Smith, student-nurse at Ford Hospital Joyce Howarth, a student at Alma College and Sam K. Stephens, President of the Board of Deacons. Mr. Stephens will present the plan of purchasing a camp for Presbyterian young people at Greenville, Michigan.

Assisting with the service, representing the Senior High School Fellowship will be a girl's quartet composed of Barbara Couse, Cece Bloom, Mary Jean Woodruff and Mimi Harrison. The call to worship will be given by Charles Ely, Jr., the responsive reading led by Peter Mellen and the scripture lesson will be read by Bruce Rose. Ushers for the morning are Tom Johnson, Peter Pietsch, Oakley Shoemaker and Ted Masters.

Shower Compliments Mrs. Charles Finney

Mrs. Chester Finney of Hutton Street gave a stork shower for her sister-in-law, Mrs. Charles Finney of Sheldon Road Friday evening.

Traditional games were played and the gifts were presented to the honoree in a bassinette. Refreshments concluded the evening.

Attending the party were Miss Dudley, Mrs. Mary Carr, Mrs. Louis Tiffin, Mrs. Lloyd Brown, Miss Donna Carr, Mrs. Bonnie Burton, Gerry and Lois Minehart, Mrs. Bonnette and daughter, Mary Ann of Plymouth, Mrs. Helen Malik and Mrs. Walter Sherman of Northville, Mrs. James Coe and Mrs. Wayne Brown of Ypsilanti, Mrs. Mae Blanton and Mrs. Laura Mende of Wayne.

Students Join In Polio Campaign

Health Commissioner of the Northville High School, James Whipple and deputies, Barbara Bayless, Sally Gance, Tom Heslip and Tom Bernhardt, under the direction of Miss Ruth Knapp, R.N., are heading the promotion of the Infantile Paralysis Campaign for the school.

Donations are being solicited throughout the high school classrooms and as a reminder to the students, the funds will be gathered Monday morning.

Monday, January 29, a movie entitled, "Your Fight Against Infantile Paralysis," will be presented to the students. This film demonstrates exactly what is done with the money that Northville students and millions of other Americans contribute.

Auxiliary Members Attend Luncheon

The 17th district membership luncheon of the American Legion Auxiliary was held January 20 at the Cooke Nelson American Legion building in Pontiac.

Mrs. Morris Cohen, 17th district membership chairman was in charge of the program which was attended by about 100 Legion Auxiliary members.

An interesting sidelight of the program was that the chairman of the membership units that did not reach their quota of members had to don burlap sacks and promenade around the hall singing a song.

Attending from the Lloyd H. Green Post No. 147 were Mrs. Hazel Severance, Mrs. Henrietta Cohen, Mrs. Florence Alexander, Mrs. Marie Terry, Mrs. Virginia Burnham, Mrs. Demar Risher and Mrs. Lena Hammond.

The 17th district American Legion Auxiliary monthly meeting will be held February 2 at 8:00 p. m. at the Cooke Nelson American Legion Building in Pontiac.

Suzanne Price Marks Seventh Birthday

Suzanne Price, daughter of Mr. and Mrs. Robert Price of West Main Street was hostess to eight of her playmates Saturday, January 20 at a party celebrating her seventh birthday.

A beautifully decorated birthday cake and lively games contributed to making the party an enjoyable affair.

Guests who gathered to honor Suzanne were: Stevie Slater, Laurie Chabut, Pamela Parmenter, Jimmie Ritchie of the Village, Dickie Richmond and Carol Jones attended from Farmington and Barbara Hogg was a Dearborn guest.

Sets Wedding Date

CLARA VAN BONN

Mr. and Mrs. Leo Van Bonn of Northville announce the engagement of their daughter, Clara, to R. Bruce Kidston, son of Mr. and Mrs. Arthur Kidston of Salem.

The young couple have set their wedding date for July 7.

Students To View Puppet Production

The Marionette Show, "Peppy and the Wild West", is scheduled for the Grade School Children in the High school gym on Thursday, January 25. This activity has been made possible this year by the Board of Education.

Kindergarten through third grade will view the play at 9:00 a. m., fourth through sixth grade at 10:15 a. m. and the high school students are scheduled for a 10:15 performance.

"Peppy and the Wild West" is the thrilling story of adventures that befall a young ranch owner when he tries to solve the mysterious happenings at Bar BVD. The stage settings and brilliant costumes are all western in motif and are authentic to the last detail. The western folk music was chosen especially for the puppet production.

"Peppy and the Wild West" has an unusual appeal which makes it an excellent choice for all age groups.

U-M Alumni Club To Meet Jan. 30

The University of Michigan Alumni Club will meet for a social evening January 30 at 8:00 p. m. at the Scout Building.

The party is planned so that newcomers may get acquainted with the club members. Games will be played and refreshments served. All persons who have ever attended the University or who are interested in its activities are welcome to attend the party.

Blue Star Mothers To Sponsor Card Party

The Novi Chapter 47 of the Blue Star Mothers will sponsor a Valentine card party at the Novi school house Friday evening February 9 beginning at 8:00 p. m.

A door prize, prizes for each table and a luncheon are all included in the price of the ticket.

Highlight of the evening will be a drawing on a hand-made quilt.

Mrs. Larry Eckles Feted at Shower

Mrs. Homer Hodge (Madeline Densmore) of Hutton Street was hostess at a stork shower Friday evening complimenting Mrs. Larry Eckles of Plymouth.

Yellow and green favors were used on the refreshment table. Assisting the hostess, with refreshments were her sister, Ruth Densmore of South Lyon and Mrs. Ray Newhouse of East Main Street.

Guests at the shower were Mrs. Bill Crawford, Mrs. Bill Asher, Mrs. Ed Landau of the Village, Mrs. Walter Post, Mrs. Ted Pocsta, Mrs. Al Murphy, Mrs. Hugh Stewart and Mrs. Al Jenkinson of Detroit; Mrs. Philip Lucas, Mrs. Louis Jerome and Mrs. James Parris of Farmington; Mrs. Howard Eckles and Mrs. Ethel Eckles of Plymouth, and Mrs. Al Melchert of New Hudson.

BOY SCOUT TROOP 5

The Boy Scouts of Troop N-5 met Thursday at the Presbyterian Church House. Scoutmaster Rex LaPlant announced that we were going to meet on Wednesday at the Scout Building now.

We played a few games and closed the meeting.

LOCAL MORGAN HORSE BREEDERS NAMED IN "POPULAR HORSEMEN"

The following article was taken from the December 1950 issue of "Popular Horsemen" which discusses several local Morgan breeders.

Considering the percentage of the original JUSTIN MORGAN blood that flows in his veins (he possesses 13.911 plus percent with

no outside blood of a recognized breed) the MORGAN stallion LIPPITT MORO ASH 8084, owned by Dr. Alexander G. Ruthven, President of "University of Michigan", is the outstanding MORGAN stallion in this section of the country.

VERRAN'S LADDIE 2981,

owned by Mr. and Mrs. Milo G. Dugan, MAR-LO FARM, Northville, Michigan, is one of his most noteworthy sons.

LADDIE has done more to spread the fame of the original MORGAN sire, JUSTIN MORGAN, than any other MORGAN HORSE in Michigan and he can be assured he has played a great part in arousing still greater interest in the breed throughout all Michigan and as far away as Iowa - where he was crowned Reserve Grand Champion MORGAN at the 1950 National Stallion Show, Waterloo.

A number of MORGAN HORSE Champions today in evidence are traceable to LADDIE'S introduction of the breed.

JOHN GEDDES 9853 - Owned by Mr. and Mrs. Thor Nielson Fenton, Michigan. Reserve Champion Stallion 1950 Saginaw Fair; Blue Ribbon Winner: 1950 Donnetta Farms Horse Show Owosso, Michigan; 1950 Model Stallion Class, Saginaw Fair; 1950 Stock Horse Class Saginaw Fair; 1950 Cutting Horse Class Plymouth, Michigan.

BERLIN BISHOP LIES IN STATE . . . The body of Cardinal Konrad von Preysing, bishop of Berlin, lies in state in St. Sebastian's church in the French sector of Berlin, before the body was taken in procession for burial in the cemetery in the Russian sector. Pontifical regalia were worn by the archbishop of Cologne and Cardinal Joseph Frings. All the German bishops attended the funeral and Archbishop Muench represented the Vatican.

COMFORT FOR THE ENEMY . . . A wounded North Korean soldier prisoner of war is tended at a Tokyo hospital by a United States nurse. Most of the seriously-wounded North Koreans captured in battle are taken to Tokyo for treatment. Red captives seem astonished at the humane treatment they receive at the hands of their enemy. They seem to expect to be handled in the same rough manner as United Nations prisoners of the North Koreans.

BUS PERFORMANCE BRINGS DOWN HOUSE . . . This is a general view of damage wrought when a bus skidded on the icy street at Chatterton and Olmstead avenues, New York City, recently. It struck an auto, jumped the sidewalk and smashed into a ground floor grocery store, knocking down one wall of two floors of a three story apartment house. No one was hurt, but 16 families were forced out into the cold with no immediate arrangement for shelter from the weather.

VIENNA HANDSHAKE . . . Captain Steve A. Barnovic, U.S. army, Le-mont Furnace, Pa., and a Russian captain (left) exchange formal greetings while an interested gallery of Viennese looks on. The occasion was the Russian turn-over of the rotating command of the four-power city's international district to the United States. Russian and American troops participated in joint marching in the end-of-the-year ceremonies in the Austrian city.

WITH OUR NEIGHBORS

South Lyon—The annual meeting of the stockholders of the Michigan Seamless Tube company was held at the company offices in South Lyon recently.

Farmington—The extension of work to the graveling and grading of Township Roads was approved at the regular meeting of the Farmington Township Board.

Farmington — Farmington's new charter definitely will be the council-manager type, the new charter commission determined at its first meeting held recently at the City Hall.

Brighton—A freezing rain, followed by a heavy fall of snow, proved treacherous for many motorists recently and as a result four serious accidents occurred within a two-hour period on Grand River, according to State Police.

Inkster — Recalled to active duty with Uncle Sam's armed forces, Inkster's Recreation Director George Lepper is taking leave with the satisfaction of having turned in a remarkably fine building and organizing job in the Inkster community.

Howell — Livingston county chapter American Red Cross informs that the whole blood program set up by the National Security Resources Board and sponsored by the Red Cross is being well received by the various communities in this county.

Birmingham — Birmingham's City commission recently determined to present to local voters, at the annual election here April 3, the question of whether or not they approve a specific plan for financing and developing municipally owned off-street parking lots.

Plymouth — Petitions for the three seats on the city commission to be vacated in April are now being circulated, according to City Manager Albert Glassford. Petition forms are available at city hall and must be filed with the city manager by noon January 27.

Wayne — Civilian defense and its problems are among the most pressing of the village of Wayne today. Recognizing that need, the village council decided to establish (jointly with the Nankin Township Board) a Civilian Defense Commission for the Wayne-Nankin area.

Dearborn—The capture of two youths who stole three autos from a salesroom at 14449 Michigan avenue led to the arrest of nine teen-age Fordson High School students whom detectives said admitted taking part in a total of more than 30 breaking and enterings in Detroit and Dearborn.

Birmingham — Further industrial development of acreage out East Maple, beyond Dearborn Motors Corp., currently is being rumored about town. Conversations run from belief that numerous unidentified Detroit concerns are interested in the Berz Airport land, consisting of 150 acres.

Plymouth—Under an "Indian lust" boycott, local taverns are out of bounds to unruly habitués. This formal plan is an attempt by Plymouth police and bar owners to stamp out what Municipal Court Judge Nandino Perlongo termed any appearance of persistent unruly drunkenness in the city.

Rochester — Senator Kenneth S. Wherry, the Republican party's floor leader in the U. S. Senate, has been secured as the speaker for the Oakland County Lincoln Republican Club Banquet which will be held in the Lincoln Junior High School, Pontiac, on the evening of February 21, 1951, at 6:30 p. m.

Inkster—Six persons were injured recently when a speeding car pursued by two Inkster Police Officers ran through a red light signal at the intersection of Michigan avenue and Middlebelt road and crashed into an automobile containing four young women from Detroit. The four girls were hurled out of the car by the force of the impact and three suffered serious injuries.

Dearborn — Topping off a stormy session of name-calling accompanied by charges and counter-charges between Mayor Orville Hubbard and City Council members, the Council passed a resolution requesting the Kefauver Crime Investigating Committee to make an investigation of "any connection between politics and crime in Dearborn."

THANK YOU!

The GIRL SCOUTS and BROWNIES of the Northville Troops wish to thank all the leaders and mothers that helped to make their Benefit Party a success. Also, we are very grateful to the Veterans of Foreign Wars Post 4012 and Orson Atchinson for the services rendered us. May we take this opportunity of thanking the merchants and townspeople that gave door prizes and contributions for our party . . .

Iowa Farm Earns \$4.50 Per Acre Each Month

The average Iowa acre is earning between \$4.50 and \$5.00 a month, cash, the Iowa development commission reports. Which means that the average 160-acre farm, under good management, is bringing in \$768, gross per month.

Last year Iowa farmers made \$59.40 for each of the 34 1/2 million acres in farms in the Hawkeye state. That figures out \$4.95 per month, per acre, or \$495 per month for each 100 acres of Iowa land being farmed. In the first six months of 1950—the leaner half of the farmer's year—Iowa farm income came to \$27 per acre, or \$4.50 per month, per acre. That still is \$450 a month for every 100 acres of farm land.

The commission hastened to repeat that the figure is gross income. Out of it the farmer must pay for power and machinery, labor, feed, feeder stock and breeding stock, before he arrives at his own salary.

LEGAL NOTICES

To the Supervisor of the Township of Redford, Wayne County, Michigan.

Sir: You are hereby notified that the Board of County Road Commissioners of the County of Wayne, Michigan, did, at a meeting of said Board held on Thursday, January 4, 1951, decide and determine that the certain alley described in the minutes of said Board, heretofore taken over as a County road, should be absolutely abandoned and discontinued as a public highway, reserving therein the easement set forth in said determination.

The portion of the minutes of said meeting, fully describing said alley is attached hereto and made a part of the notice, which is given under and by virtue of Act 283 of the Public Acts of 1909, as amended.

In testimony whereof we have hereunto set our hand at Detroit, Michigan, this 4th day of January, A.D. 1951.

BOARD OF COUNTY ROAD COMMISSIONERS OF THE COUNTY OF WAYNE, MICHIGAN

John P. O'Hara, Chairman
Charles L. Wilson, Vice-Chairman
Michael J. O'Brien, Commissioner
EDGAR M. BRANNIGAN, Clerk
By Sylvester A. Naetzl, Deputy Clerk.

Commissioner O'Brien moved the adoption of the following resolution:

Whereas, all of the alley 20 feet wide in the rear of Lots 27 to 39, both inclusive, said alley being also adjacent to Lots 26 and 40, as dedicated for public use in Snell's Sunset Heights Subdivision of part of S. 1/2 of S. W. 1/4 of Sec. 23, T. 1 S., R. 10 E., Redford Township, Wayne County, Michigan, as recorded in Liber 59 of plats on Page 36, Wayne County Records, said described alley being the same alley that now appears in the rear of lots fronting on Plymouth Road in Frischhorn's Parkway Subdivision No. 2, as recorded in Liber 72 of Plats on Page 32, Wayne County Records, the last mentioned Subdivision being a resubdivision of certain vacated lots and vacated alleys of the first described Snell's Sunset Heights Subdivision, L. 59, P. 36, is a county road under the jurisdiction of this Board; and

Whereas, there are no buildings of any character located upon or along

said above described portion of county road, and

Whereas, said portion of county road is of no use or benefit to the public for highway purposes;

Now, Therefore, Be It Resolved, that said portion of county road, being in all 0.061 mile of county road, be and the same is hereby absolutely abandoned and discontinued and shall cease to exist as a public highway, upon the express condition that there be and hereby is reserved an easement in the lands now occupied by said portion of county roads for the installation and maintenance of sewer, water, gas, electric, telephone and all other public utilities for the use and benefit of the public, and all persons, firms or corporations owning or operating said public utilities shall have the right to enter upon said easement for the purpose of installing, maintaining or operating any of said public utilities.

Be It Further Resolved, that this Board hereby determines that it is to the best interests of the public that said portion of county road should be absolutely abandoned and discontinued. The motion was supported by Commissioners Wilson and carried by the following vote: Ayes, Commissioners O'Hara, Wilson and O'Brien, Nays, None. 33-35

NOTICE OF SPECIAL MEETING

TO THE QUALIFIED ELECTORS OF SCHOOL DISTRICT NO. 8 OF THE TOWNSHIP OF NOVI, OAKLAND COUNTY, MICHIGAN:

NOTICE IS HEREBY GIVEN, that a special meeting of the electors of School District No. 8 of the Township of Novi, Oakland County, Michigan, will be held in the auditorium of the Novi School Building in Novi, Michigan, on the 26th day of January, 1951, at 8:00 o'clock P.M., Eastern Standard Time, to vote upon the following proposition, to-wit:

Shall School District No. 8 of the Township of Novi, Oakland County, Michigan, convey to the Township of Novi, Oakland County, Michigan, the following described land, to-wit:

Commencing at a point on the west line of Section 14 T1N, R8E, 1084.76 feet north of the Southwest corner of said section; thence running north along said west section line a distance of 102.85 feet; thence north 89° 46' 30" east 173 feet to a point; thence south 102.85 feet to a point; thence south 89° 46' 30" west 173 feet to the point of beginning;

in consideration of the construction by said township of a recreational building upon said land, the said deed to contain such conditions as the Board of Education of said school district may deem advisable?

JAMES D. MITCHELL

Secretary of the Board of Education of said School District.

Dated January 12, 1951.

NOTICE OF ELECTORS MEETING

TO THE ELECTORS OF THE TOWNSHIP OF NOVI, OAKLAND COUNTY, MICHIGAN:

Please take notice that a special meeting of the electors of said township will be held at the time and place and for the purpose set forth in the following resolution adopted by the Township Board on January 12, 1951, to-wit:

BE IT RESOLVED AND ORDERED BY THE TOWNSHIP BOARD OF THE TOWNSHIP OF NOVI, OAKLAND COUNTY, MICHIGAN, AS FOLLOWS:

1. That pursuant to the request signed by at least twelve (12) electors of said township, a special meeting of the electors of said township, is hereby called to be held at the Township Hall in said township on the 29th day of January, 1951, at 1 o'clock P.M., Eastern Standard Time, for the purpose of submitting to the said electors, the following proposition, to-wit:

Shall the Township of Novi, Oakland County, Michigan, in lieu of constructing a Community Auditorium on the site designated by the electors at the April 4, 1949 election, construct a recreational building upon the following described property which is now a part of the site of the Novi School building in School District No. 8 of the Township of Novi, to-wit:

Commencing at a point on the west line of Section 14, T1N, R8E, 1084.76 feet north of the Southwest corner of said section; thence running north along said west section line a distance of 102.85 feet; thence north 89° 46' 30" east 173 feet to a point; thence south 102.85 feet to a point; thence south 89° 46' 30" west 173 feet to the point of beginning; provided, the said land is deeded to the Township?

2. That the Township Clerk shall, within two (2) days after this resolution and order shall be left with him, cause copies thereof to be posted in ten (10) of the most public places in the township, and to be published once in the Northville Record, a newspaper circulated in said township (there being no newspaper published therein) at least five (5) days before the day of said special meeting.

Dated January 13, 1951.

EARL BANKS, Township Clerk.

News from Novi

By Mrs. L. Rix

Nine mothers of the Novi Chapter Blue Star Mothers and officers and committee chairmen met last Thursday with the new president, Mrs. Paul Ginstle for luncheon and to outline the year's work. A card party was planned for February 9 at 8:00 p. m. at the school house. Mrs. Clare Lockwood was appointed chairman and Mrs. William Hannon will make and distribute the tickets. Prizes for each table, a door prize, and a lunch will be included in the price of the ticket. Other plans include bake sales, dinners, a dessert luncheon, a visit to the Blue Star Mothers Rehabilitation Foundation and Veterans' hospitals. Also planned are a summer picnic, tag day, bazaar, and a Christmas party.

The Novi Union of the WCTU will meet next Wednesday at the home of Mrs. Fred Garlick.

Little Mary Lynn, daughter of Mr. and Mrs. Gene Van Sickle is recovering nicely from her recent illness.

The Novi School Brownies and their leaders also several other pupils attended the play "Heidi" sponsored by the Farmington PTA last Saturday at the High school auditorium. A Detroit group gave the play.

John Richter, Scout master for the Novi group will go camping Saturday and Sunday at Proud Lake Recreation Park with the scoutmasters of south and west Oakland County.

Mr. and Mrs. Gerald Trotter and children are now nicely settled in their new home on Eleven Mile Road in Novi.

Mrs. William Spear has just returned from a two weeks' visit with Miss Carolyn Gaffney at Kirtland, Mo.

The Cub Scout paper drive will be held this week-end.

Mr. and Mrs. Edward Rix and son David have moved into their new home on Ann street in Plymouth.

Mr. and Mrs. Russell Taylor and children spent Sunday with the former's aunt and uncle, Mr. and Mrs. Charles Brown, in Lapeer.

A pot luck supper will be held at the school, February 2 at 6 p. m. in honor of Boy Scouts of Novi, after which a fine program has been planned by Scoutmaster John Richter. A film, "The Scout Trail to Citizenship," will be shown. Parents and friends are especially invited.

Seven, Novi Boy Scouts took a hike last Saturday into the woods near Beck Road. John Rachov, Fred Loynes and John

Richter had the camp fire lighted before the boy's arrival. The boys cooked their meal over the open fire and spent the rest of the day playing games. The boys reported a very exciting time.

Visitors at the Novi Convalescent Home over the week-end were: William Blackwell, of Redford came to see his father, William Blackwell, Sr., Mrs. Nash of Plymouth visited her mother, Mrs. Sherer. Mr. and Mrs. Peter Rosenberg of Detroit called to see their aunt, Mrs. Rosa Mae Maryfield. Mrs. Charles Fox of Novi Road came to visit with her mother, Mrs. Carrie Gehring and Mrs. Anna Raffie was visited by her daughter and son-in-law, Mr. and Mrs. Cook of Dearborn.

Mustangs Slip Past Clarenceville, 37-35

Northville's Mustangs squeezed out a 37 to 35 victory over the Clarenceville High School basketball quintet in an overtime period last Friday night. The Black and Orange squad had to come from behind to wipe out a five-point deficit in the closing minute to tie up the game, and go on to win on the strength of two free throws by Don Graham and Charlie Rebitzke.

After leading 8 to 7 in the first quarter, the Mustangs trailed Clarenceville's Trojans by four to ten points until the last minute rally. With the score at 35 to 28 and time running out, a free throw and two long one-handers by Tom Shraake pulled Northville to within two points of the Trojans.

A wild Clarenceville pass gave the Mustangs possession of the ball with ten seconds left on the clock and Dick Gray hit the mesh for the tying basket just before the buzzer sounded.

The Mustangs controlled the ball most of the three-minute overtime period which followed and the two foul shots by Graham and Rebitzke were enough to give Northville the final edge.

Tom Shraake's 11 points were matched by Faler and Godette for the Trojans. The rangy Godette, who operated a hook shot in front of the basket, was slow down by Jack Ratliff, who eventually fouled out, but it was Bob Prom who actually put the damper on him. Prom, probably the most improved ball player on the Mustang squad, stole the rebound game away from Godette, especially in the vital overtime period.

The game was a rough and ready affair from the outset. The Trojans used a fast-break offense with Faler on the point, and fed Godette in the center. The Mustangs utilized a sharp passing attack but couldn't penetrate the Trojan defense for close-in shots until the final quarter, when they switched to short corner shots and a semi-fast-break style with Gray, Rebitzke and Graham down the floor.

There's one thing about money—it talks, but it never gives itself away.

Colts Find Trojans Easy Mark, 38-14

Northville's Colts dominated the game all the way to down the Clarenceville reserves 38 to 14 in a basketball game at Clarenceville last Friday night.

Jim Mitchell, Lou Lovewell and Dave Lee shared scoring honors with seven points each but scoring was fairly evenly dispersed throughout the team.

The Colts seemed to have trouble getting the range in delivering an unusually low scoring game, but the Trojan reserves couldn't hit either. Northville had only one large quarter, 16 points in the second period, but maintained a strong lead all the way.

Coach Al Jones used every player on the bench in many combinations.

Lutheran Keglers In Annual Tourney

The Lutheran 22nd Annual Handicap and Over Average bowling tournament will be held at Great Lakes Bowling Centre in Detroit. It begins on Sunday, February 25, and will continue on week ends until all entrants have bowled.

The tournament is for all Lutheran bowlers, of all Synods, in Michigan and Mid-Western Central States. Sunday, January 28, is the final date that entries will be accepted. Complete information and entry blanks may be obtained upon request from Arthur Keck, secretary, 5518 Daniels street, Detroit 10, Michigan, or phone TYler 5-3179.

Prizes in the American Bowling Congress sanctioned tournament will be \$200 in the regular five-man team event and in the over-average five-man event, \$80 in the doubles and \$55 in the singles event. A trophy will be awarded to each team champion and gold rings to champions of each event.

Among the things to consider in producing clean milk are: the health of the cow, care of utensils, handling of the milk, water supply for cleaning equipment, and sanitary processing methods.

MICHIGAN MIRROR

NON-PARTISAN
NEWS LETTER

Governor G. Mennen Williams has dumped a whining-ding of a budget in the laps of 132 money-conscious legislators who shuddered even though it was \$27,000,000 less than his proposed budget of last year (that doesn't include civil defense). Rest assured, legislators will pare that—especially if no new taxes can be devised other than the Williams-sponsored corporations tax.

Will the gas tax bill pass? Not the governor's desk—he is expected to refuse any gasoline levy unless measures concerning general finances also are considered. And the house of representatives lacks the vote to override a veto. A two-cent tax rise would bring \$32,000,000 to the highway fund.

Michigan's share of the federal civilian defense program is \$58,000,000, according to word received from Washington. Whether we can raise that amount plus our own high defense costs is adding to official worries.

But limited defense plans are going ahead at a steady pace—steady as possible with no money. The air force is being asked to conduct maneuvers at the Sault locks as a test run of the defense organization.

The governor has a powerful weapon at his disposal should it be needed. At his hand is a set of forms which he has only to sign to declare a state of emergency, define its nature and area and publish regulations for its control.

It has been suggested that an air raid shelter be built into the basement of the new state office building. Final plans of the building are scheduled for completion March 31.

But war and defense always must share front pages with wages and prices. William Green, president of the A. F. of L., has come out flatly for price control to "prevent black markets." Wage controls, he admitted, would make him unhappy.

Michigan workers, however, would have an advantage over their counterparts in most other states if both wages and prices were frozen right now. They make more money than is paid to other laborers in the nation. Michigan averages nearly \$75 per week. National average is \$62.

In the midst of the excitement surrounding the arrest of the murderers of a college girl in Kalamazoo, another bill has been introduced for capital punishment. Author is Rep. Eugene C. Betz (R-Monroe). Similar death penalty measures submitted in previous years died in committee.

The "little Hoover commission" recommends consolidation of 16 state licensing boards. The commission wants a new agency, the director of which would be surrounded by 15 advisory boards. The amount to be saved by this arrangement has not been estimated.

And Senator Creighton R. Coleman (R-Battle Creek) has asked for an advisory group to work with the senate elections committee to revise state election laws. He hopes his group will eliminate confusion such as held Michigan in a firm grip for several weeks last election.

The surge of shoppers into the stores this month has sent merchants happily back to reordering after a few weeks of gloomy predictions following Christmas. But in reordering they may find some vouchers returned unfilled. Restrictions are beginning to cramp just a bit on metal products.

The trend toward chain store supermarkets is costing Michigan \$300,000 a year. Now there are but 733 stores—in 1937 there were 2,018 stores in the chains. The vanished stores all were in top

GREEK WARRIORS IN ACTION IN KOREA... Greek soldiers on patrol are silhouetted against the sky as they proceed along a ridge in Korea during the withdrawal of United Nations troops after Chinese and North Korean Communists began their drive south across the 38th parallel. Presence of these troops and those of other member nations of the U.N. should dispel critics of the U.N. action in Korea who complain that the United States is bearing the whole burden of defending the Korean republic from the Communists. Most of the rear guard action in the evacuation of troops by sea has been fought by our allies.

revenue bracket (\$250 per license yearly) losing the state \$306,250.

A national survey of elementary and secondary public schools throughout the Nation placed Michigan tied with New Jersey for third place in average of teachers' salaries, 1950-51. New York led with \$4,030; California second with \$3,900 and Michigan and New Jersey tied with \$3,700. Michigan led all Middle-Western states including Illinois, Indiana and Ohio. (Survey sponsor: New York Times.)

Michigan excels in high industrial wages, educational opportunities and diversity of outdoor sports such as hunting and fishing. That's why Southern workers are again flocking to our industrial centers as they did during World War II.

'50 Crop Production Is Near Record Peak

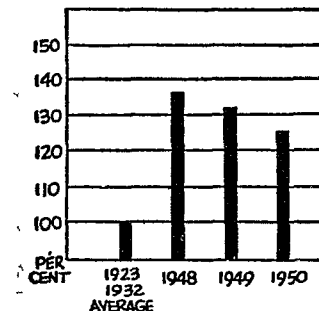

Output Exceeds Average For Previous 8 Years

The United States department of agriculture reported crop production in 1950 was the third largest on record. This output exceeded the average of the previous eight years, the most productive period in American agriculture.

Farmers attained this result despite reductions in acreage of several important crops and a growing season that had many unfavorable aspects.

The composite yield per acre in 1950 was the second-best on record. A prolonged fall season for maturing and harvesting crops helped improve both quantity and quality. Few crops contributed record

CROP PRODUCTION

The above chart illustrates crop production for 1950 on U.S. farms. The agriculture department reported the output was the third highest on record.

turnouts to this relatively large 1950 total—only soybeans, sorghum grain, sugar beets and red clover seed. The corn crop of 3,131 million bushels slightly exceeded forecasts.

Others in this class of very large crops are oats, all hay, rice, potatoes, popcorn, tobacco, cranberries and alfalfa and sweet clover seeds. Cotton and cotton seed, peaches, and apricots were relatively small crops, while rye, buckwheat, sorghum forage, dry peas, velvetbeans, broomcorn, sergo and sugar cane shrub were among those with small turnouts.

Dairymen Up Production By Feeding Good Legume

A number of dairymen are advising keeping your cows literally stuffed with good legume hay to step up milk production and cut feed costs.

C. S. Rhode, of the University of Illinois, says 25 pounds of high-quality alfalfa hay will furnish all the protein a cow needs to produce 30 pounds of 4 per cent milk. It will also furnish all the needed calcium and is the best source of carotene and vitamin D during the winter months.

Alfalfa hay will provide both one pound of protein and 100 pounds of total digestible nutrients at lower cost than soybean oil meal, oats, or corn and cob meal.

One pound of protein in alfalfa hay costs only eight cents, but it costs 11 cents in soybean oil meal, 22 cents in oats and 25 cents in corn and cob meal.

Alfalfa will furnish 100 pounds of TDN for \$2.50, but it costs \$5.56 in soybean oil meal, \$3.76 in oats and \$3.13 in corn and cob meal.

On the highway, you must see danger to avoid it. So for winter driving, keep your mind and your windshield clear.

If practice made perfect, the woman who lives below me in this apartment building would be a female Padewski.

MSC Winter Term Enrollment Is 13,791

Michigan State College's official nose count for the winter term revealed a student enrollment of 13,791.

Although representing a drop of 1,202 from the fall term, college officials were well-pleased. Early predictions said the college would have a "substantial decrease in enrollments" as students enlisted in the armed forces or took industrial jobs.

The winter term drop was attributed to the enlistment of many high school graduates in the armed forces by Registrar Robert S. Linton.

Bovine Type Tuberculosis Is Rare in United States

In some major livestock producing countries, 25 to 50 per cent of the cattle are tuberculous, and thousands of new cases of the bovine type of the disease in man are being reported annually, says Dr. A. K. Kuttler, in charge of brucellosis and tuberculosis eradication work by the U. S. department of agriculture. In this country, the bovine type of tuberculosis in man is becoming very rare.
