

RECORD AMBLINGS

A mother of one of the soldiers fighting in Korea tells us that her son writes that there is a shortage of stationery there. Also leading the list of shortages are towels, wash cloths, playing cards and pipes. Do you know a soldier fighting over there? Stationery is an inexpensive item, and would certainly make a boy's life less lonely.

The Maybury Sanatorium disc jockey program this week is enriched by a quantity of phonograph records donated by Mrs. Charles Reed and the ladies of the Veterans of Foreign Wars Post 4012 Auxiliary and Miss Paddock.

Bud Hartner, superintendent of public works, called Tuesday morning to tell us that four of his men have been caught in the tide of flu which seems to be sweeping the village. Bud asks the indulgence of the citizens until his force gets back to work again.

Rev. A. K. MacRae, George Simmons, John Miller, Mrs. W. L. Howard and Mrs. Richard Krafve this week swelled the sock and tie collection for the occupational therapy department of the Detroit House of Correction. There must be many more neckties and socks in the Village that could be given to DeHoCo. Have you checked your closet to see if you can donate to the cause? Leave them at the Northville Record office or at the home of E. J. Willis, 119 Rayson street.

Got a spare cupscule? Charles Carrington, chairman of the local Blood Bank drive which comes to the Village March 22, tells us that Northville is lagging in getting enough volunteers to make the drive a success. Over 1300 pledge cards have been passed out and only a little over 100 cards have been turned in. Sign up today to donate a pint of blood at either the Carrington Agency or the Forney Coal Office.

Did you notice how many kids were out roller skating and flying kites over the week-end? Another sign of spring was the small whistle of the fire engine, six times on Saturday and Sunday. That's how many times the firemen were called to extinguish grass and brush fires. Fortunately, none of them were serious. Do you know that it's illegal to start a grass fire without a permit? Let's cooperate so that it won't be necessary for the firemen to be called out so many times.

Mrs. Arthur C. Carlson brought a scorpion preserved in alcohol into the Record office the other day. She received it from her daughter, Carrel, who is residing in Hollywood, Florida. The scorpion was picked up in the business office where Carrel is employed.

New League Maps Activities Program

With the closing of the 1950-51 basketball season, a new activities league composed of Clarkston, Clarenceville, Holly, Huron Valley and Northville was born. The league's purpose is to sponsor competitive and non-competitive activities and to promote better understanding and good will among member schools, stated Ray Barber, league president and principal of Holly High School.

The league's name, Wayne-Oakland County League, was chosen by the league student council which has been functioning for several months. Other activities sponsored by the league are: forensics, music, girls' athletics and boys' athletics.

During April, the league is holding its spring forensic contest at Milford. Member schools will be competing in oratory, extemporaneous speaking, declamation and dramatic reading for the honor of representing their school and the league in the state regional meets. The forensic division will also sponsor debate in the fall on the same basis.

The music division of the league has already conducted two all-league band concerts in Clarkston and Northville. Next fall the vocal music people plan to start a league chorus.

Girls' athletics will be organized around the "play-day" type activity where teams from various schools take part in a number of sports on a given night.

Boys' athletics will be in full swing this spring with baseball, track, golf and tennis. The fall and winter sports of football, basketball, and cross country have already been scheduled for next year.

BIRD HOUSE CONTEST DRAWS ENTHUSIASTIC SUPPORT

Robert Menees, third from the left, is shown working with the boys as they put the final touches on their bird houses in readiness for the contest which was held Monday.

Hill To Explain OPS Rulings to Merchants

As a public service, Clifton D. Hill will explain to Northville merchants the Office of Price Stabilization rulings on price ceilings at the Village Hall Thursday evening, March 15 at 8:30 p. m.

All merchants and other interested persons are invited to attend the meeting. Mr. Hill will explain the recent rulings regarding price ceilings on goods and services.

Fire Department Answers Many Calls

The Northville Fire Department was kept very busy over the week-end putting out minor fires, most of which were caused by citizens starting grass fires which got out of control due to the strong winds which prevailed.

Citizens are reminded that before a grass fire can be started, a permit must be secured from the Fire Chief, Bill McGee. It is illegal to start one in any other way and a fine will be imposed upon those violating the rule.

The home which belongs to the Draper family on West Dunlap Street was the scene of a blaze when the trash which was burning spread, endangering the garage. The blaze was extinguished swiftly. Saturday afternoon a field fire at 42200 East Seven Mile Road got out of hand and the fire truck was sent out to control the flames.

Late Saturday afternoon, the chimney of the home belonging to Mrs. Daisy Martin, 353 Fairbrook Road, was the cause of a roof blaze. Some damage was done. That evening defective wiring in a neon sign at the G. E. Miller Garage on Hutton Street set off a blaze, scorching the woodwork in the interior.

Sunday, a chimney blaze was started at the home occupied by Mrs. Rowe at 18340 Northville Road, causing little damage to the roof. The fire department also answered a call to Reservoir Road where a field was ablaze.

Monday, the fire department was sent to Mergraf Oil Products where a high tension wire set off a field fire.

Recreation Plans Girls Swimming

The Northville Recreation Committee has made arrangements to use the Wayne County Training School swimming pool on Monday evenings from 8:00 to 9:30 p. m., beginning March 26.

They have scheduled a swimming class for girls of junior and senior high school age and girls interested in enrolling should contact the instructor, Pauline Rodgers, phone 855W. Girls taking the class should have an examination from the doctor as well as written consent from their parents.

Bird House Exhibit Monday Attracts Many Spectators

Many Villagers viewed the bird house exhibit at the Grade school lunchroom Monday. The bird house contest was sponsored by the Northville branch of the Woman's National Farm and Garden Association and was chairmanned by Mrs. Orson Atkinson.

Winners were chosen by Robert Merriam who was assisted in the judging by Edward C. Mollen. Prize money was given the following boys:

Seventh grade: Wren house: 1st prize, Greig Chapman; 2nd, Clarence Patterson; 3rd, Norman Somers; honorable mentions, Howard Banks, Rollin Gaab,

Oliver Spencer and Richard Krafve. Bluebird house: 1st, David Waterloo; 2nd, Charles Hilger; 3rd, Don Atwood; 2nd, Duane Busch; 3rd, Darwin Teshka; honorable mention, Nelson Stratton.

Eighth grade: Wren house: 1st, Jon Wolfe; 2nd, Bob Hannan; 3rd, Bruce Stratton; honorable mention, Dale Swegles, Paul Schulz, Duane Higbee, Wayne Janetzke, Al Cronquist, John Arnold. Martin house: 1st prize, Claude Smith; 2nd, Mike Collins; 3rd, George Kostich; honorable mention, David Ballagh. Bluebird house: 1st, Jim Wiley; 2nd, Dennis Proctor; 3rd, Joe Girardin.

Prize winners in grades nine through 12: Wren house: 1st, Art Carlson; 2nd, Tom Wick; 3rd, Larry Gots; honorable mention, Jim Hollis. Martin house: 1st, Bob Clark. Bluebird house: 1st, Bob Dixon; 2nd, Tom Wick; 3rd, Bill Girardin; honorable mention, David DeJohn. Feeders: 1st, Jack Waterloo; 2nd, Rod Dahlgren; 3rd, David DeJohn; honorable mention, Ernie Lemon.

Mrs. J. Leslie French of Ann Arbor will be the speaker at the last meeting for the 1950-51 season of the Northville Woman's Club Friday afternoon at the Village Library. Her topic is "The Shepherd's Interpretation of the 23rd Psalm."

Mrs. V. George Chabut, program chairman for the day, will introduce the speaker who is well known to Villagers as she made her home in Northville during the war years when her husband was interim minister at the First Presbyterian church. A luncheon at 1:00 p. m. will precede Mrs. French's talk.

The annual meeting and election of officers will take place. Officers of the club for the past season are: President, Mrs. W. E. Cansfield; Vice President, Mrs. Albert G. Charters; Recording Secretary, Mrs. Robert F. Coolman; Corresponding Secretary, Mrs. D. Harper Britton; Treasurer, Mrs. George Miller; Directors, Mrs. W. E. McCarthy, Mrs. H. C. Duerson, Mrs. D. W. Matzen, Mrs. J. L. Plunkett and Mrs. A. W. Hahn.

Bill Proposed for Mental Care Fund

The legislative study committee has recommended a bill for \$15,000,000 to start mental health construction under the bond issue passed by the voters last November.

For the Northville mental hospital which is designed primarily to alleviate the Detroit area conditions, it would mean the establishment of two additional child guidance clinics and one more adult clinic.

The appropriation would call for \$5,820,000 for additions to the Northville Hospital which would include \$1,924,000 for a 520 bed institution for elderly persons afflicted with psychiatric problems. An 80 bed children's unit would cost \$1,280,000 and is included in the bill.

Red Cross Drive Goal Set at \$1000

Red Cross Chairman George A. Locke announced that Northville's quota in the national drive is \$1,000.00. The drive will be conducted throughout March when volunteers will make a house to house canvass. Mrs. William Forney is soliciting workers to make the house calls and anyone desiring to volunteer should call her, phone 353-J.

Funds from the national Red Cross drive go towards supporting the multiple activities of the organization. One of these is the emergency disaster unit which helps in case of emergency, whether it be fire, flood, explosion or hurricane. The Red Cross offers victims in these circumstances food, clothing and shelter.

On the battle ground, the Red Cross furnishes blood to the wounded and it is only by the continued support of this program both through the donations of blood and money, can this noble cause be continued.

Not only does the Red Cross supply blood to the battlefield, but it also sends field workers and hospital workers which supply the servicemen with necessities such as soap, towels, stationery, and other necessities.

All of these services and many more the Red Cross performs with the monies donated by the citizens throughout Northville and the nation.

Charles Altman of River street accompanied the Plymouth Rock Lodge No. 47, F and A M to Chicago, Illinois recently on the lodge's fifth annual Masonic Pilgrimage.

Register Today for Blood Donations

Does your life or the life of your loved ones mean anything to you? The appeal made for volunteer blood donors has apparently fallen on deaf ears. Charles Carrington, chairman of the local Blood Bank committee, states that of the 1300 pledge cards sent out to local residents, only 100 have been signed and returned. That by plain arithmetic is less than 10%. It is an appalling thought that Northville's citizens can't seem to catch the glimpse of the desperate need of whole blood donations when to date nineteen pints of life-saving blood had to be advanced to the Village reserve to save the lives of local residents. Within the last week alone, eight pints of the vital fluid were used by local patients. These gratefully accepted donations along with Northville (Continued on Back Page)

R. Menees Resigns from School Staff

Superintendent Russell H. Amernan announced this week that Willard Raymond Renard had signed a contract to teach industrial arts in the Northville school system. He replaces Robert Menees who submitted his resignation to the School Board recently. Mr. Menees plans to leave the teaching field and has accepted a position with the Squibb Company.

Mr. Renard is married and is a recent graduate of Wayne University. He is also a graduate of the Ford Trade school in Detroit and is a veteran of World War II. He plans to commute daily to his classes in the Village from his home in Detroit.

Mar. 25 Is Deadline for Seal Monies

Edward F. Angove, Rotary chairman, of the 1951 Easter Seal campaign, for the Wayne Out-County chapter of the Michigan Society for Crippled Children urges all those who have not mailed their donations into the 18th annual drive on behalf of the community's crippled children to do so before, March 25.

"We have by no means achieved our goal in our endeavor to bring help to handicapped children and adults", said Mr. Angove.

"The financial support to help crippled children is one of the nationwide campaigns carried on each year and it is daily making productive citizens of young people who might otherwise be life-long dependents. We need the strongest public support if we are going to do an adequate job."

Easter Seal funds are for the most part utilized in the area in which they are raised. A total of 91.7 per cent remains in the community where it is raised while only 8.3 per cent goes to the National Society for Crippled Children and Adults to finance its program of research, education and service on a national scale.

"I urge the residents of Northville to meet its tremendous responsibility to see that the handicapped have adequate care through giving to the Easter Seal campaign", said Mr. Angove.

Goldberg To Speak at U-M Birthday Supper

Dr. Leo Goldberg, chairman of the astronomy department of the University of Michigan will be the speaker at the birthday supper commemorating the University's founding, Thursday evening, March 15 at 6:30 p. m. in the Grade school.

Dr. Goldberg spoke to the Alumni Club last year and he was so well received that he was asked to return. His talk will be on "The Sun and Its Planets" and it will be accompanied by slides.

Anyone who has ever attended the University or is interested in its welfare is welcome to attend the supper meeting which is potluck in style. Those planning to attend should bring a passing dish and their own table service.

Recreation To Back Kite Flying Contest

It will be kite flying day at Ford Field Saturday and Northville school children are urged to enter the contest which is sponsored by the Northville Recreation Committee.

Prizes will be awarded to the boy or girl who flies his or her kite the highest, fastest and for the most unusual kite.

Ellison Announces Two Top Seniors

Alice Newton and John Rackov have been named the "top" students in the senior class at Northville High school. On commencement night, Alice will have the distinction of delivering the valedictory address and John will give the salutatory oration.

Alice, who is the daughter of Mr. and Mrs. J. Vernon Newton of First street, has an average of 9.85 for her four years in high school. A college preparatory major, she hopes to continue her education in the fall at a college or university, although she hasn't named the one.

She has been active in extra-curricular activities at NHS, having participated in the Junior and Senior plays, Latin Club, Girls Athletic League, the yearbook "Palladium", the band and choir, and the All League Band. Alice spends her spare moments working in the library and her chief interests are music and sports.

John carries a 9.58 average for his four years in high school and his parents are Mr. and Mrs. William Rackov of Novi. In the fall he hopes to attend the University of Michigan, Ann Arbor, where he will major in electrical engineering. John had the honor of being named the outstanding science pupil at NHS and he was recently conferred the Bausch and Lomb Honorary Science Medal for achieving the highest scholastic record in science subjects.

Mayor of the student council, treasurer of his class in his junior year, the Latin Club, and Boys' State are some of the activities which John has been active in at Northville High school. He was a member of the football and baseball teams and enjoys athletics immensely.

SPEBSQSA To Give Parade March 31

The Northville Chapter of the Barbershoppers announced that their 3rd annual Parade will be held March 31 at Northville High school.

Leo Mainville is general chairman and the following committees have been announced: Tickets, Charles Strautz, Len Ritzler, Earl Hollis, Jim McNeice; advertising and programs, Maurice Giles; chorus director, Walt Kiszko; decorations, Duane Bell; after-glo, Jim McNeice, Earl Hollis, Len Ritzler; master of ceremonies, Bob Hafer, associate international secretary of the SPEBSQSA.

Tickets for the banquet and entertainment may be had from members of the Safety Patrol or from C. T. Pregitzer's office in the Grade school.

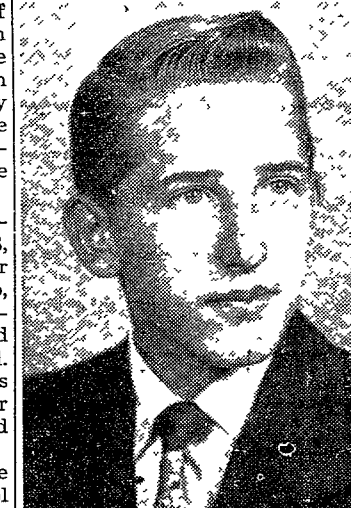

Mr. and Mrs. William B. Walker, Jr. of "Happy Acres" returned to the Village Thursday after spending a few days in Pittsburgh, Pennsylvania.

School Election Registration Ends Saturday, March 31

The Board of Education has called a special election for Tuesday, April 10, when they will ask the qualified voters in Northville and Novi District No. 2 for approval of the levying of six mills for a period of five years. In essence, the six mills means that for every \$1,000 of assessed valuation on taxable property, \$6.00 will go for school use.

Taxpayers need not be alarmed that their tax will be increased because for the past five years an eight mill assessment has been in operation. Actually, if the measure is passed, there probably will be a slight decrease in taxes.

The proposed six mills will go towards continuing present school improvements; to obtain well-qualified teachers and keep them by offering them a fair salary; to modernize the present school buildings such as improving the heating system; and to add to the present school curriculum such modern teaching devices as audio-visual aids.

Registration for the election will take place in the offices of the Board of Education in the Northville Grade school on March 19, 20, 21, 22, 23, 26, 27, 29 and 30 from 9:00 to 11:30 a. m. and from 1:00 to 4:00 p. m. On the last day of registration, March 31, registrations will be held from 8:00 a. m. to 8:00 p. m.

PTA To Entertain Grade Safety Patrol

The Parent Teacher Association is sponsoring a banquet honoring members of the Safety Patrol Thursday, March 29 at 6:30 p. m. in the First Presbyterian church house.

The banquet will take the place of the regularly scheduled PTA meeting and is being prepared under the direction of Mrs. Paul Burnham of E. Eight Mile Road.

George Kohs is master of ceremonies and he will introduce C. T. Pregitzer, grade school principal, who will briefly address the Safeties. Mr. Kohs will then turn the program over to Chief of Police Joseph Denton, who is revered by all the school children, who will speak to the group.

Earl Gotberg, ventriloquist, and author of "You, Too, Can Become a Ventriloquist," will entertain the children with "Oscar," his dummy. The pair come to Northville very highly recommended.

Tickets for the banquet and entertainment may be had from members of the Safety Patrol or from C. T. Pregitzer's office in the Grade school.

Mr. and Mrs. William B. Walker, Jr. of "Happy Acres" returned to the Village Thursday after spending a few days in Pittsburgh, Pennsylvania.

NEW VILLAGE PARKING LOT

Bud Hartner is shown making ready the free parking lot at the Corner of North Center and Dunlap Streets. Through the courtesy of Ralph Pickard, the Village has leased the space which will hold at least 20 cars, and is designed to alleviate the parking problem in Northville.

Churches To Hold Holy Week Services

Church services will again be held each evening during Holy Week. Baptists, Methodists and Presbyterians are uniting in Union Services as follows: Monday evening at the Baptist Church with the Rev. William Johnson, preaching; Tuesday evening at the Methodist Church with the Rev. Walter Ballagh, preaching; Wednesday evening at the Presbyterian Church with the Rev. Howard E. Anderson, returned Presbyterian missionary from India preaching.

Thursday evening, the churches will observe Communion respectively and on Good Friday the service is held at the First Baptist Church with the Rev. Paul Havens of the First Methodist Church in Pontiac preaching.

The evening services are at 7:30 p. m. and the Good Friday service is at 1:30 p. m. The Good Friday Service is sponsored by the Mizpah Chapter of The Kings Daughters.

LUTHERAN
St. Paul's Lutheran Church will observe communion with their Maundy Thursday service at 8:00 p. m. On Good Friday, a Tre Ore service will be conducted from 1:00 to 2:00 p. m. at the church with the choir rendering special music.

CATHOLIC
Our Lady of Victory Parish will bless palms and distribute them at the 8:30 and 10:30 a. m. Masses Sunday. Masses will be Monday, Tuesday and Wednesday mornings at 8:00 a. m. with no abstinence on Wednesday. Masses on Holy Thursday and Saturday start at 7:30 a. m. The mass of the pre-sanctified on Good Friday starts at 7:30 a. m. with regular lenten devotions being held Tuesday night at 7:45 p. m. The Adoration of the Holy Eucharist during the day on Holy Thursday will be taken care of by the women and children and the entire congregation will have the holy hour at 7:30 p. m.

The men will adore from 9:00 p. m. until 7:00 a. m. on Good Friday. That afternoon services will be held from 1:00 to 3:00 p. m. and prayers will be said and the sermon will be on "The Seven Last Words". It will be given by Father McCullum, Paulist missionary. Confessions will be heard on Friday from 4:30 to 6:00 p. m. and from 7:30 to 9:00 p. m. and on Saturday from 4:00 to 6:00 p. m. and from 7:30 to 9:00 p. m. High Mass on Palm Sunday will be chanted at 8:30 a. m.

**An Electric Range helps the
Robert Youngs stay young**

"Feed him well" is one of woman's oldest wiles," says Mrs. Robert Young, "but it always works—and it's a lot easier with the help of a new Electric Range and all its modern improvements. Now, instead of your standing over a stove, the range does the watching for you. I can put my husband's favorite meal in the oven, set the automatic controls, and forget it."

HAM-YAM CASSEROLE
Recipe
1/2 cup sliced green pepper
2 tablespoons butter or margarine
1 can condensed mushroom soup
3/4 cup milk
1 tablespoon grated onion
2 cups well seasoned mashed yams
Cook green pepper in butter or margarine about 3 minutes. Combine soup and milk; add onion, pepper and mustard. Blend flour and water; add to soup mixture; stir over low heat until thickened. Add green pepper and ham. Turn into casserole; top with fluffy ring of mashed yams. Bake in moderate oven, 350° F., 30 minutes or until heated through and lightly browned. Yield: 6 servings.

In the Village election Monday, Mayor Conrad E. Langfield, Clerk Mary Alexander, Treasurer A. R. Clarke, Commissioners John Stubenvoll, and George Locke, were returned to office. Gerald C. Woodworth defeated Carl Schoultz for the remaining post on the council.

Wreckers, armed with crow-bars, hammers and saws, began dismantling the old Northville Opera House Monday. The building for several years has housed the Farmers Market.

Many villagers visited the Grade school lunchroom Monday afternoon to see the bird houses which were entered in the annual Bird House Contest, sponsored by the Northville branch of the Woman's National Farm and Garden Association.

KOREA—A Pershing tank named United Nations goes into battle with the sergeant of the crew shouting "Allah". That's because William C. Koontz, Wilcox, Neb., is a Moslem—probably the only Moslem in the marine corps. "It's a good religion," he said. "A fighting man's religion."

Koontz holds the navy cross for heroism on Saipan in World War II. Cpl. James R. Rader, Akron, O., the tank gunner, is Jewish. A Catholic, Cpl. Andrew Navarro, San Jose, Calif., is the gun loader. The others in the crew are Cpl. Donald R. Husted of Springfield, O., a Methodist, and Sgt. Thomas N. Wiley, Sand Springs, Okla., a Presbyterian.

"We never argue religion," said Koontz.

REGISTRATION NOTICE
SCHOOL ELECTION
NOTICE OF REGISTRATION OF THE QUALIFIED ELECTORS OF SCHOOL DISTRICT NO. 2 FR'L., NORTHVILLE AND NOVI TOWNSHIPS, WAYNE AND OAKLAND COUNTIES, MICHIGAN
TO THE QUALIFIED ELECTORS OF SAID TOWNSHIP:
Please take notice that the Board of Education of School District No. 2 Fr'l., Northville and Novi Townships, Wayne and Oakland Counties, Michigan has called a special election to be held in said School District on
TUESDAY, APRIL 10, 1951
The qualified and registered electors will vote on the proposition of increasing the tax rate limitation for general operation purposes.
Therefore Take Notice That any qualified elector of said School District who is not already registered upon the books of said School District may register in the offices of the Board of Education in the Northville Grade School, 501 West Main Street, Northville, Michigan on the following specified days and at the specified hours: March 19, 20 - 21 - 22 - 23 - 26 - 27 - 28 - 29 - 30 from 9:00 o'clock, a.m., to 11:30 a.m., and 1:00 o'clock, p.m., to 4:00 o'clock, p.m.
On Saturday, March 31, registrations will be held from 8:00 o'clock, a.m., to 8:00 o'clock, p.m.
To be eligible for registration a person must be a citizen of the United States, over 21 years of age, a resident of the state 6 months and of the School District 20 days prior to the date of the election.
This notice is given by order of the Board of Education of School District No. 2, Fr'l., Northville and Novi Townships, Wayne and Oakland Counties, Michigan.
GEORGE L. CLARK
Secretary, Board of Education.

NEWS LETTER
The St. Lawrence Seaway project, long a controversial subject, now is being shunted around in Washington. Says Norman W. Foy of Republic Steel Corp., "The seaway is needed as a lifeline between iron ores in Labrador and the blast furnaces of the Great Lakes area."
Gov. Williams has now evinced interest in the Michigan mining industry. It is still cheaper to use Michigan ore—and so he is organizing a Michigan ore research while negotiating in Washington for a seaway to the mid-west. Research in the state is being pushed. The state mining industry, he says, must not be periled.
The Michigan state legislature adopted resolutions in 1933, 1935, 1937, 1941 and 1947 favoring the St. Lawrence seaway. Decision rests with Congress, legislators point out.
Michigan can look for the establishment of a crime commission or an equivalent organization. Gov. Williams is meeting with lawyers from all over the state seeking the answer to Michigan's increasing crime rate. Look for the announcement soon.
There will be a showdown soon on state taxes. The 3 percent used car sales tax, a 1 1/2 cent gasoline tax increase and a weight tax boost have been approved by the senate. Will the governor sign the bills—even after they pass the house? Gov. Williams says he opposes consumer taxes, favors a corporation tax.
As a substitute for the Williams corporation profits tax, the Senate Taxation committee has reported favorably a \$15 million increase in corporation franchise fees. The Senate already has approved a tax on sale of used automobiles. The new levy would add \$17.8 millions to the general fund. The Higgins industrial processing tax bill is still in committee, and Higgins has indicated it may not be needed to balance the budget.
Inflation note: More liberal unemployment compensation benefits are proposed by a legislative interim study committee. A minimum weekly payment of \$30 is asked by labor. Industry wishes to preserve present merit rating which labor opposes.
The National Institute of Mental Health has awarded \$28,917 in grants to three Michigan institutions for research. The awards: University of Michigan, Dr. Lee R. Rice, \$9,288; Wayne University, Drs. Fritz Redl and Donald Lippitt, \$4,644; Michigan State College, Dr. John H. Huseem, \$14,985.
Mt. Clemens has plans for a new 100-bed hospital (general) to cost an estimated \$7,000,000.
Report is on tap that Republican National Committeeman Arthur Summerfield, Flint, may seek his party's senatorial nomination next year.
Michigan lawmakers are grimacing over the bitter pill tossed them by a specialist for the "little Hoover commission". Hardest to swallow was the assertion that the Democratic governor and his lieutenants have been tied down by "connivance" of a politically hostile legislature whose ideas and methods he describes as "amateurish, blind, discredited and time-wasting". The critic was Arthur Eugene Buck of New York, a reformer more interested in ideas than in results.
Constitutional earmarking of state funds and other restricted accounts have tied the hands of the legislature, Buck pointed out. Legislators now have control over only 36 per cent of general fund monies. In this "hodge-podge" is the sales tax diversion amendment whereby 78 per cent of sales tax revenues must be diverted to schools, cities, villages and townships. (Note: Counties do not receive sales tax revenues, as reported in error here last week.)
The state revenue department took in \$179,000,000 in the first seven months of this fiscal year, an increase of \$31,600,000 for that period last year. January sales tax was more than \$5,000,000 over last year, reaching \$24,800,000 for the month. Ogre inflation still is with us.
Michigan's conservation department is getting back on its feet after being rocked by the state office building fire. All department divisions are operating on a "business as usual" basis with few public services still disrupted.
Although the last of the state's small game hunting seasons closed the first of the month, Michigan's hunter army can still do some legal shooting around the state. Conservation department has a list of non-protected species which can be taken at any time between sunrise and sunset.
Everything in a modern home is controlled by a switch except the children.

Corp. Donald Kelner Weds Marilyn Andrews Friday

Marilyn Andrews, daughter of Mrs. Robert Andrews of Monroe and the late Mr. Andrews, and Donald Kelner, son of Mrs. Jake Kelner of Grandview avenue and the late Mr. Kelner, were united in marriage Friday evening at Our Lady of Victory parsonage. Rev. Lorenzo E. Woods officiated at the rites.

The bride wore a beige suit with brown accessories and she pinned a brown orchid to her shoulder.

The maid of honor, Marie Barton of Monroe, wore a beige suit

with black accessories and her corsage was a green orchid.

The bridegroom chose Hugh Laughna of Monroe as best man. A dinner for the immediate families followed at Hillside Inn, Plymouth. Later the young couple flew to Chicago, Illinois, for a short stay.

Mrs. Kelner is employed in the

salaries personnel office with the Ford Motor Company, Monroe. Corporal Kelner is stationed at Camp Polk, Louisiana

Bunn-Lyke Vows Read in South Lyon

Peggy Bunn, daughter of Mr. and Mrs. Thurman S. Bunn, was married Wednesday, March 7 to Pvt. Richard T. Lyke, son of Mr. and Mrs. J. Burr Lyke of West Eight Mile Road. The rites were performed at the First Presbyterian Church of South Lyon.

For her marriage, the bride chose an aqua suit with navy accessories and a corsage of pink rosebuds.

Her only attendant was Mrs. R. B. Bunn who wore a yellow suit with brown accessories and a corsage of rosebuds. R. B. Bunn acted as best man.

Following the ceremony, a reception was held at the home of the bride's parents for the immediate relatives. Mrs. Don Smith, Mrs. Leonard Aiber and Mrs. A. J. Wooster served at the reception table.

After a week's honeymoon, the bride will resume her teaching at Clio and the bridegroom will return to his post at Camp Cooke, California.

Plans June Wedding

EILEEN BOROFF

Mr. and Mrs. Jesse Boroff of Bradner Road announce the engagement of their daughter, Eileen, to Claire M. Fisher, son of Mr. and Mrs. John Fisher of Baltimore, Maryland.

Eileen graduated from Northville High School, class of 1949 and is now attending Toccoa Falls Bible College at Toccoa, Georgia, where her fiancé is also a student.

The young couple are completing plans for a June wedding in Toccoa, Georgia.

Curtis-Lasho Vows Pledged Friday Eve

Janice Curtis, daughter of Leslie Curtis and the late Ida Curtis, of Salem, and Russell Lasho of Pontiac were united in marriage in a ceremony Friday evening in the Salem Federated Church. Rev. Cora M. Pennell officiating. Attending the couple were the bride's sister, Lois, and Richard Lasho, brother of the bridegroom.

Following a reception for fifty guests in the Church parlors, the young couple left for a motor trip to Florida.

The bride is a graduate of Ann Arbor High School and the bridegroom graduated from General Motors Institute in Flint and is affiliated with Alpha Gamma Upsilon fraternity.

Upon their return, the new Mr. and Mrs. Lasho will be at home to their friends at Lake Orion.

Shower Compliments Plymouth Woman

Mrs. Vernon Biddle of East Street was hostess at a stork shower recently complimenting Mrs. Roy Van Buren of Plymouth.

The ladies played games and then were served refreshments by the hostess. Attending from Northville were Mrs. John Thomason, Mrs. Gene Hines, Mrs. Harold Searfoss, Mrs. Charles Searfoss, Mrs. Harold Fritz, Mrs. Arnold McDurmon and Mrs. Leslie Van Buren. From Detroit came Mrs. Leonard Schoultz, Mrs. Clarence Dietz, Mrs. Charles Dietz, Mrs. Eugene Jakubowski, Mrs. Raymond Kempton and Mrs. Raymond Kempton, Jr. and Mary Kvasnak. Also in attendance was the honoree's mother, Mrs. Clifford Pasley of Vincennes, Indiana.

Mrs. Bryan Entertains Visiting Relatives

Mrs. Carl Bryan of West Main street entertained at a luncheon Tuesday, March 6, complimenting her cousin's wife, Mrs. William R. Thayer of San Francisco, California and mother, Mrs. Harley of Ann Arbor.

Captain and Mrs. Thayer are on their way to London, England for a two year assignment. Captain Thayer of the United States Navy is in charge of all Naval operations in European area. This will entail much traveling to bases in Italy, France and other strategic spots which must be visited regularly.

Rufus Thayer, older brother of Captain Thayer, who will be remembered by many local residents, has recently retired from Naval service with the rank of Admiral.

Reception Honors Concert Artist

A social hour and reception for members of the Board of the Community Concerts Association and concert artist, Genevieve Rowe and her accompanist-husband, Robert Payson Hill, was held Friday evening at the home of Community Concert president, Mrs. L. M. Eaton, following Miss Rowe's concert.

Mrs. Arthur C. Carlson, who was Community Concert Association for two years, presided at the refreshment table which was centered with a bowl of yellow snapdragons and daffodils.

Mrs. Anne Young of West Dunlap street returned recently from a month's stay in Florida and the southern states.

Social Security Act To Benefit Self-Employed

Self employed women, of whom there are thousands in the National Federation of Business and Professional Women's Clubs, will look at brighter financial skies since January 1, 1951, according to Judge Sarah T. Hughes of Dallas, Texas, president of the organization.

"Amendments to the 15 year Social Security Act, effective January 1, now make it possible for several categories of women to come under the protection of the social security act," Judge Hughes said.

"Approximately four and three-quarter million self-employed persons whose annual net income is at least \$400 will be covered. The self-employed not eligible are farmers, doctors, lawyers, osteopaths, chiropractors, optometrists, Christian Science practitioners, naturopaths, professional engineers, accountants and funeral directors.

"Seventy-five percent of the 1,000,000 domestic workers covered under the new law are women, and 70 percent of the 600,000 workers in non-profit organizations now eligible for coverage are women.

"Another social security gain for women is found in 1,450,000 state and local government employees who will be eligible for social security benefits. This excludes those now covered by a retirement system.

"A wife of a retired wage-earner who has young children in her care now receives benefits even though she is not yet 65. In addition a child of a woman wage earner who dies will get monthly benefits on her record even though her husband survives; provided she is currently insured.

"These are just a few of the amendments to the Social Security Act. If you were not covered before, check with your nearest Social Security Office to make certain of your rights and take advantage of them."

That's the advice Judge Hughes gives to the 160,000 members of her Federation, and to all women who work.

Miss Palmer Attends Kappa Phi Meeting

Miss B. Ione Palmer, High school librarian, spent the weekend in Ann Arbor at the home of her brother.

On Saturday, Miss Palmer attended the alumnae luncheon of Nu chapter of Kappa Phi which was held at the Corner House. During the afternoon, a pledging ceremony and initiation were held following which occurred the annual formal banquet. Mrs. Dwight Large was the main speaker. The actives enjoyed a dance after the banquet and the alumnae who did not attend the dance were entertained by movies of France and Germany.

At a recent Wesleyan Service Guild meeting the following people participated in the program: Lucian Lovewell, Mary Lovewell, Sandra Moase, Gloria Clark, Carol Tabor and Richard Drew, all playing piano solos. Nancy Little played a solo on the French horn. Mrs. Barton Connors had charge of the musical program.

Engaged

NANCY LITSENBARGER

At a family dinner Tuesday evening, March 13, Mr. and Mrs. Joe Litsenberger of East Main street announced the engagement of their daughter, Nancy to Clair Brown, son of the Walford Browns of Chubb Road.

Both Nancy and Clair are graduates of Northville High School. Nancy is presently employed at Evans Products and Clair is assistant manager of the local D and C Store.

The young couple have no immediate plans for the wedding.

Hunter-Ward Repeat Nuptial Vows Sat.

Jo Anne Hunter of Detroit and Doyle Ward, son of Mr. and Mrs. R. E. Ward of West Grand River, Novi, pledged marriage vows in the Farmington Methodist Church Saturday afternoon, in the presence of 125 guests.

The young couple will be at home to their friends at 27053 Wixom Road following a two weeks' honeymoon in Florida.

Jo Anne was guest of honor at several pre-nuptial affairs given recently by friends and relatives.

Mrs. Schulz Is Hostess to Garden Club Monday

The Northville Branch of the Woman's National Farm and Garden Association met at the home of Mrs. Paul Schulz, West Seven Mile Road, Monday afternoon.

An interesting program on the care of roses was presented. Edwin Bauman of the California Spray Company was present to give an interesting talk.

Mrs. Samuel Geraci and Mrs. E. E. Miller presided at the tea table which was decorated with a St. Patrick's Day motif.

The tickets for the Detroit Flower Show April 8 may be obtained from Mrs. J. Haller or Mrs. E. Mollema up through March 31. The Northville club will be the guests of the Plymouth club for their annual spring luncheon April 9. Reservations may be made through April 2.

Mrs. Geraci Is Hostess to Clement Road Group

The Clement Road group of the Wayne County Home Demonstration Council met Thursday at the home of Mrs. Samuel Geraci with 10 ladies present. Her co-hostess was Mrs. Harold Schultz.

After lunch, the lesson on gardening was given by Mrs. Geraci. She pointed out the need for proper soil preparation, starting of seeds, cuttings, rock gardens and pool gardens.

Bridal Shower Fetes Lois Gready, R.N.

Lois Gready, R.N. of the staff of Sessions Hospital, was guest of honor at a bridal shower Friday evening, March 9 at the home of Mrs. Harold McElroy of Spring Drive. Co-hostess for the affair was Mrs. Aubrey Gates.

The home was decorated with gay spring bouquets of forsythia complimented by yellow and white streamers. The buffet table was centered by a lamb cake flanked with arrangements of forsythia.

Guests who gathered to fete the bride-elect were twenty fellow nurses, doctors, and employees of the hospital.

Lois will become the bride of Kenneth Burger of South Lyon, May 4.

Sydney Frid of Grace Avenue is able to be out again after a severe attack of the flu.

Couple To Observe Golden Wedding Day

Mr. and Mrs. Orson Corwin of Belleville will celebrate their Golden Wedding Anniversary Sunday, March 18 at an open house to be held at the Salem Congregational Church from three to five o'clock.

Mr. and Mrs. Corwin, who for many years resided on West Seven Mile Road, Northville, are well remembered by their many local friends with whom they would like to renew acquaintance at this occasion.

To aid in the celebration are their children, Mr. and Mrs. George Corwin of Belleville, Mr. and Mrs. Joseph Tomlinson of Garden City, Mr. and Mrs. Jay Corwin of Bryan, Ohio, Emerson Corwin of Belleville, six grand children and 3 great-grand children.

News from Novi

By Mrs. L. Rix

Next Sunday evening, March 18, beginning 7:30 p. m. Rev. Charles G. Morse of the Novi Baptist Church has arranged an interesting program. Rev. A. C. Westphal, a minister, author, inventor and musician who will be assisted by his wife, will be present to entertain with unusual musical instruments, rope ties, chemicals, paper-tearing, magic. The musical instruments include the Singing Heart, Choral Concert Glasses, Waterloo, Battle Bells, and Picadilly Sleighbells. The Westphals will also entertain the Youth Fellowship group who are being organized and will have their first meeting the same evening at 5:30 o'clock. All are welcome to attend.

Mary Flint gave a birthday dinner last Sunday in honor of Doris Quackenbush of Detroit. The guests were: Mr. and Mrs.

Phillip Beyers and twins of Detroit, and Lillian Ashley of Ypsilanti.

Mrs. Alfred Gow and sister-in-law, Mrs. Roy Fangbner of Pontiac, went to Owosso Sunday to visit Mrs. Gow's sister, Mrs. J. A. Stener who is ill.

Eight ladies were present at the Mission Band meeting last week. After a pot-luck dinner the ladies sewed on cancer pads during the afternoon business meeting.

The W. S. C. S. will meet at the Methodist Church next Wednesday, March 21. Mrs. Frank Clark and Mrs. Devere Mitchell will act as hostesses.

Next Sunday evening the Novi Methodist Church congregation will join with that of Brighton Church for a service to commemorate the 114th anniversary of the Brighton church. On Monday evening the two churches will have a family night supper in the Brighton Church.

The Novi Mother's Club regular monthly meeting will be held at the Novi school Monday evening, March 19. This will be an open meeting for the Brownies, Girl Scouts and their mothers and leaders with a social hour, program and refreshments. Mesdames, Scheffer, Pratt, Sancone and Schenkelman will act as hostesses for the evening.

Mr. and Mrs. Howard Greer were hosts to their pinocle club last Saturday evening at their home on West Grand River. All twelve members were present. Mrs. Russell Race won first prize for the ladies and Otis Tewksbury won first prize for the men. Mr. and Mrs. Ed. Rix both won second prizes and Mr. and Mrs. Luther Rix the consolation prizes.

The Novi Girl Scouts will celebrate their anniversary this Friday evening, March 16, at 8:00 o'clock in the Novi School. Mrs. Fred Solomon, leader of the Scouts, will have charge of the investiture service. Eight Brown-

ies will be invested: Billy Marley, Sandra Moody, Judy Wood, Jackie Bailey, Sharon Edelman, Nancy Schwartz, Carol Wendt and Lynn Welch. Mrs. Fran Jennings and Mrs. R. E. Hager have planned and will have charge of the program.

Mr. and Mrs. Martin Goetz of Williamston were the week-end house guests of Mr. and Mrs. Luther Rix. Mrs. Goetz and Mrs. Rix are sisters.

Novi Lodge News

The Fellowship supper at the I.O.O.F. hall Thursday evening, March 8 was preceded by the invocation by Past Noble Grand Doris Darling. After supper the following program was presented. Group singing of Irish melodies, with Irene Staman presiding at the piano; Welcome by Kathryn Bachert, Vice Grand of Novi Rebekah Lodge and response by Glen Salow, Vice Grand of the Oddfellow Lodge; Solo by Claudette Doan. An amusing skit, "Kitchen Karols" was rendered by 6 girls in the following characters: Cook, Claudette Doan; Grandmother, Patricia White; Mother, Lorraine Darling; Aunt Josephine, Shirley Snow and twin daughters, Joan, Phyllis Wendland and Jean, Donna Frisbie. Lorraine Darling, Suzanne LeMay and Peggy Morgan sang 2 songs and the program was closed with group singing. The regular business meeting was held in the lodge room.

The Teen-age dance sponsored by the Novi Rebekah Lodge, at the Oddfellow Hall Saturday evening, March 10, was a very enjoyable affair with about 50 teen-agers present. After dancing, lunch was served by the committee in charge. The chaperones were: Mr. and Mrs. Floyd Darling, Mr. and Mrs. Roy Marshall and Mr. and Mrs. Frazer Staman. The young people are looking forward to the next dance to take place Saturday evening, March 31, sponsored by the Novi Oddfellows.

In behalf of Novi Rebekah Lodge, Mary Ann Atkinson sent an Easter gift to our adopted brother, Frank Bigger, at the Oddfellow home in Jackson.

Degree captain, Doris Darling, requests the members of the official staff to meet at lodge room Thursday evening of this week, March 15.

Kathryn Bachert, Sue Watson, Flossie Eno, Grace Frisbie, Elva Bean and Margaret Marshall attended "Visitation" at Berkley Monday night.

A group of Novi Rebekahs are planning to attend a Television Show at the Masonic Temple in Detroit Thursday, March 22.

Durocher and His Giants

IT WOULD START A breezy argument if the Giants, training at St. Petersburg this spring, should win the National League pennant. Especially if at the same time the Yankees, training in Arizona and California, should fail to win the American League flag.

Grantland Rice

Whatever happens, Leo Durocher expects to win the National League pennant, with anything like an even break from that cockeyed wench known as Dame Fortune.

"No one can say what will happen to any one club from the draft," Leo says. "But we haven't many young rookies. Most of our squad have been around for some time and we certainly shouldn't be hit any harder than anyone else."

"Up to June, 1950, the Giants have had less than their share of good pitching. At least we'll say our pitching has been spotty. We were already out of the race last season when we got Jim Hearn from the Cardinals and Sal Maglie began to win. I know from that spot on we played the best ball in the league."

For the first time, starting this spring at St. Petersburg, we have the ball club I've been hoping to get. That means first-class pitching—with the probability of six good starting pitchers. We have a fine infield, especially strong around second with Stanky and Dark. We have a high-grade outfield and we have our share of power. We can get runs.

Condition and Hustling

You can rate one thing about Leo Durocher—there is no manager in baseball who handles his team better on the field. And there is no manager who works harder for condition and the old hustling act. I've seen Leo work many a team into a froth. He is a great believer in condition and just as great a believer in hustling all the way through.

No team that keeps hustling will be outclassed. I never thought the Giants of the last few years had any sort of chance to run 1-2-3. But it's different this season—or it will be different when Hearn, Maglie, Jansen, Kennedy, etc., get their working arms ready for the long grind. You can use up a lot of pitching between April and October and this time the Giants have it in greater abundance than any other National League club.

Last winter at this date, Durocher was confident that his improved defense, especially at second and short, would take care of his pitching troubles. But it wasn't until Hearn and Maglie got busy winning games that his shaky pitching problem was solved.

It has been a long, long time since the Giants had any intimate association with a National League pennant. In the past 10 years the Dodgers and Cardinals have dominated the older league and when any outside teams broke into the pennant business they were the Braves and the Phillies—not the Giants.

It can be different this year. Horace Stoneham has collected the best team he has known since Bill Terry's day. He and Durocher have a bunch of ballplayers who can hustle their way into first place with any needed breaks. They still have the Dodgers, Phillies and Braves to shove aside, but this is no impossible job. At least Durocher feels he has the team he has wanted for some time.

Concerning the Customers

"Baseball," said one of the best-known club owners in the game, "has one bad weakness. It has never paid enough attention to the care and comfort of the customer or the fan. Most of the stands are out of date. Most of them are dirty. The seats are too narrow and uncomfortable. There are many, many thousands of women fans in this country but they get little consideration. Even racing is more thoughtful in this respect."

Not one man in ten can make an intimate personal call seem like official business to his office staff.

'Old' Pilots of 30 Fly Fighter Planes In Korean Conflict

KOREA—The World War II theory that fighter planes are for the college crowd is being exploded by the old men of the United States air force. In fact, the average age of the fighter boys in Korea is five years above that of those in the last war.

In World War II the age limit for fighter pilots was around thirty. This time many a wingman is in his late thirties and B-28 attack bomber pilots in their forties are common.

According to many group commanders, the older men are preferable. They are less likely to push a plane beyond its capabilities. At first, many a young shot sheared a wing off his plane trying to make it perform the impossible. Their elders take fewer unnecessary chances and don't indulge in victory rolls when coming in over their home field.

Older men get tired faster, but the old fighter pilots' eyesight and reflexes are better than those of the average man of their age, but poorer than those of pilots in their twenties.

The jets are simple to fly. They require less physical exertion than prop planes. But dives and pullouts entail a greater strain, resulting in momentary blackouts.

Physical requirements for pilots have not changed in the five years since World War II ended. Still required of each pilot are split second, perfectly co-ordinated reflexes and perfect depth of perception to prevent collisions in close support flights where only a few feet separate the planes' wing tips.

Some youngsters have accused the older fliers of not diving low enough. To which one gray haired major of 34 with 1,800 hours to his credit in jets replied, "It's all in a man's mind. The weakest muscle is in a man's head. I'll still be flying fighters at 50 if my luck holds out and the air force lets me."

Missouri's Favorite Son Can't Play Missouri Waltz

WASHINGTON, D.C. — Washington's best known pianist can't play "The Missouri Waltz." The secret was exposed at a Blair House tea for veteran patients from Washington area hospitals.

President Truman sat down at the piano and asked the guests what they would like. Someone shouted: "The Missouri Waltz."

And the most famous Missourian in Washington said he never had learned to play it. He substituted "Black Hawk Waltz."

Air Force Plans Delivery Of Troops In Package Form

DAYTON, O.—The air force has come up with a plan for dropping soldiers and equipment in one package—a sort of one-package deal.

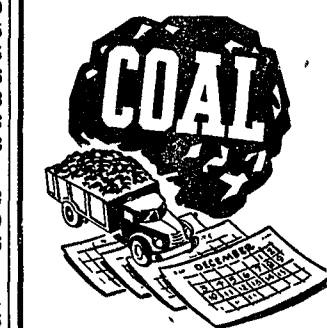

Tests will begin soon on a container capable of holding 6,000 pounds. Engineers at Wright-Patterson air force base say the container may be used to drop an entire infantry squad and equipment from an airplane. Or, the container may be used as a complete weather station, rescue station, or survival and rescue hut for arctic use.

Humans have not been dropped in the container, which consists of a framework of tubes mounted atop metal landing skid provided with plywood flooring.

Four movable aluminum triangular compartments are attached to the frame. They can be arranged as a square box to carry cargo or rearranged to carry troops.

A single 100-foot parachute would be used for loads up to 3,500 pounds, and two 100-foot parachutes for loads up to 6,000 pounds.

Wildlife tracks are best observed after rains, as in mud along stream banks, or following light falls of wet snow.

N.H.S. Science Classes Written Up in "Detroit Science Review"

An article on qualitative analysis as conducted by Carl Zwinck at Northville High school is to be published this spring in the Metropolitan Detroit Science Review. A shorter article on science field trips taken by Northville science classes appeared in the February issue.

The forthcoming article explains the procedures used at Northville in analysis of unknowns by students to determine a term project grade in chemistry.

Mr. Zwinck, author of "The Classroom Teacher and the Guidance Program" included in a text for graduate guidance courses developed by the University of Michigan and numerous other short articles in the field of education, is now teaching in Northville.

The science department in Northville was recently remodeled, and now is one of the most modern in the state. A number of changes have been made in existing science courses, including wider usage of audio-visual aids. Plans are being laid for the addition of a course in physical science at a future date. This course, gaining in popularity throughout the nation, would be a course offered in the 11th or 12th grades for those students not taking separate courses in chemistry and physics. It would include chemistry, physics, geology, astronomy, and aerodynamics, featuring the interrelationships of these fields to an extent not possible in separate courses. The course would be designed as a second course in science for the general student, and would not require a background knowledge of algebra.

Grocers Invited To Produce Meeting

Plymouth and Northville grocers will have an opportunity to brush up on how to increase produce sales, cut losses, and better serve their customers at a meeting to be held at George A. Smith Grade School, Plymouth on Simpson Street Tuesday, 8:00 p. m. March 20 according to P. R. Biebesheimer county agricultural agent.

Ray Higgins, extension specialist from the Michigan State College agricultural economics department, will present an informative demonstration - talk and lead the following discussion period. His topic will include tips on meeting competition, proper refrigeration of perishables, how to buy and keep quality, new ways to build displays, and how to trim and sell produce.

Higgins will also outline the various services available to grocers from the agricultural economics department at Michigan State College.

Biebesheimer believes retailers in the area will find Higgins' presentation interesting and helpful, and says this program is one they "won't want to miss."

Children Baptized at Church Service

The Sacrament of Holy Baptism was observed Sunday at the First Presbyterian Church when parents presented their children for membership in the church.

Dedicated were Deborah Ann, daughter of Leona and Jay Leavenworth; Kim Irvin, son of Gwendolyn and Irvin Marburger and Bruce Michael, son of Monica and Lawrence Mousel Jr. Parents were instructed on the significance of baptism and the meaning of confirmation when as young people these children would confirm the vows taken. Additional children will be baptized at the Easter morning service.

Presbyterians Plan Confirmation Service

In the historic rite of Holy Confirmation a large group of young people will pledge their loyalty to the Church, Sunday morning at the eleven o'clock worship service in the First Presbyterian Church. The Rev. Dr. John Stanley Harker, President of Alma College will assist the Pastor, Harold F. Fredsell in the symbolic service of "laying on of hands." This service goes back to New Testament origin when the Holy Spirit was passed on from Christ to Christians.

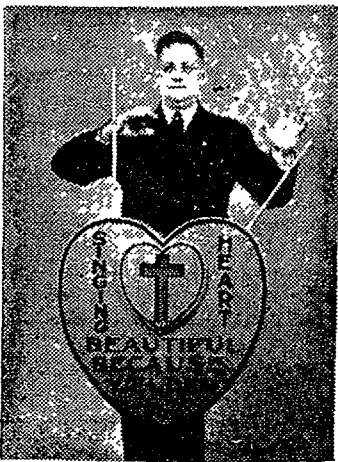

Young people to be confirmed are Ulinda Ely, Phyllis Howard, Gail Lawrence, Carolyn Ann Burkman, Nancy Lee, Barbara Groom, Richard Atchinson, Donald Atwood, David Biery, Greig L. Chapman, Jerry Davis, Weston Fitzpatrick, Lynn Matzen, Kenneth P. MacKay, Jr., and William L. Russell. New adult members of the church will likewise be received at the service preceding the confirmation class.

Small Business Clinic Planned at State

The State Federation of the 'Business and Professional Women's Clubs is sponsoring a "Small Business Clinic" at Michigan State College, East Lansing on Saturday, April 14.

Any women interested in starting a small business or have problems connected with their business are urged to attend. Registrations, accompanied by a \$1.00 fee should be sent to Mrs. Hugh Turner, 117 East Allegan, Lansing.

Speaker-Musician

REV. A. C. WESTFAL

Rev. A. C. Westfal, sometimes known as "The Children's Shepherd" because of his work in mass children's meetings, will present a musical program and speak at the evening worship service to be held at 7:30 p. m. Sunday at the Novi Baptist Church.

For his special work among children, he was awarded an honorary life fellowship in the Eugene Field Society, national society of authors and journalists, perpetuating the name of Eugene Field, "The Children's Poet."

Mr. Westfal is also a musician, playing strange instruments. One of the instruments is "The Singing Heart" which is a large instrument encased in a golden heart. It has no reeds, pipes, keys or strings and is played without being touched. It has been played in Carnegie Hall by its inventor, Dr. Leon Theremin, whose personal instrument it once was. Rev. and Mrs. Westfal will also play the Choral Concert Glasses, and various types of bells.

The public is cordially invited to this interesting and unusual evangelistic service.

Man May Be Only 50,000 Years Old, Scientist Reports

CHICAGO—A question somewhat like the one about which came first the egg or the chicken has long bothered scientists. They have wanted to know which came first in human evolution: man's body structure or his brain?

A University of Chicago anthropologist has come up with a theory, based on laboratory tests with animals, that the brain came last, a mere 50,000 years ago.

Some investigators assume that man has been on earth around 1,000,000 years. Sherwood L. Washburn, associate professor of physical anthropology, has a different time table:

Trunk and arms—10,000,000 years old.
Leg structure (upright posture)—1,000,000 years.
Skull structure and brain—50,000 years.

Washburn has been able to modify drastically the skull form of adult rats by cutting certain muscles in the heads of day-old rats. This surgery parallels evolutionary steps.

He said his work indicated that changes in the bony structure of mammals might not have required the many slow evolutionary steps previously assumed.

He said only a relatively few changes in genes—the factors which control heredity—possibly were required to bring the enlarged skull capacity man needs for his brain.

The evidence checks with other recent findings that much of earth's past is not so distant as once supposed.

An atomic calendar developed at the university which determines age by the amount of radioactive carbon left in matter tested has fixed the end of the last ice age at 12,000 years ago instead of the 25,000 once assumed.

Also, recent studies of the fluoride content in fossil bones in England have indicated that fossil man is much younger than once thought.

Husbands Trade Their Wives On Quick Jaunt to Mexico

PARADISE, Calif. — People do strange things in the name of love. One of the strangest, the second such case in less than a year, was the swapping of wives by two Paradise husbands.

When the couples left Paradise together they were Mr. and Mrs. Elmer Kerr, and Mr. and Mrs. Dick Wingett. They went to Mexico where Mrs. Doris Kerr became the wife of Dick Wingett and Mrs. Mary Wingett was married to Elmer Kerr.

They left Paradise on a Friday, obtained their divorces on Saturday and the new marriages were performed on Sunday. Then the couples drove home together.

The original Wingetts had a 12 year old son who will remain with the Kerrs. The original Kerrs' daughter, 10, will live with the Wingetts. The children will visit between homes.

Both families said they were moving to another town because neighbors didn't like the new arrangement.

It was the second such case in the town of Paradise in less than a year.

Register Today for Blood Donations

(Continued from Front Page)

villes quota of 200 pints must be and will be donated when the Blood Mobile visits the Village March 22.

Citizens reluctantly contemplating blood donations may be assured there will be absolutely no pain involved as a skin anesthetic will be used for the venal puncture which will be done by a skilled technician. An examination by qualified doctors and competent assistants will be made prior to the donation to assure the patient that they are physically fit and will receive no harmful after effects.

Due to the expanded facilities of the National Blood Program, while blood is now ready for distribution in the fighting lines of Korea six days after it has been donated here and is daily saving lives of sons and husbands who, without this vital gift would be listed with the fatalities. This rapid and complete service accounts for the comparatively low percentage of deaths in comparison with the casualties of previous wars.

Any person donating a pint of blood may determine whether the blood shall be shipped immediately for use in Korea or whether it shall remain to build up the community's depleted reserve. Blood and blood derivatives are furnished without charge by the National Blood Program to local physicians and hospitals. The only cost to the patient is the fee charged for the products administration.

Volunteers are urgently requested to register today either at the Forney Coal Office, East Main Street, or at the Carrington Agency on North Center Street. The Civil Defense Committee which recently conducted a housing survey, will soon make a similar canvass for blood donations. Plan to register! Residents between the ages of 21-60 are eligible to donate blood and those between the ages of 18-21 may do so with the written consent of their parents. However, any person who has undergone major surgery within the last nine months or has given birth to a baby within the same period of time is ineligible. Donors are reminded not to eat a heavy meal or drink any alcoholic beverages four hours previous to giving blood.

The Mobile Unit will be at the Methodist Church House from 3:00 to 8:00 p. m. March 22 Register today and do your part for the health and welfare of your community and your representatives in Korea. They are not complaining - All they ask is a chance to live and it will be your blood that may save their lives. Sign up immediately!

Schools To Observe Conservation Week

Conservation of natural resources is being stressed in Michigan schools this month in preparation for National Wildlife Restoration Week, March 25 to 31.

American Boy Scouts are also placing major emphasis on the nation's natural resources this year. Their activities include learning why conservation is necessary, how it can be accomplished, and putting erosion control and other conservation practices into effect this summer on the 350,000 acres of land the Scouts control at their campsites.

Conservation means wise use of our natural resources. Many local, state, and national organizations are working to conserve our soil, water, plant and animal life. National Wildlife Restoration Week this year is to be pointed at and lined up with soil conservation and its related uses, experiences, and benefits.

Northville High school classes in science are studying conservation in units on geology and ecology. The schools, Scouts, and others are thinking of this program as a continuing activity to make future citizens intelligently conservation-minded.

DAR Meeting Mar. 19 To Honor Pilgrims

The Daughters of the American Revolution will meet at the home of Mrs. Edward Cutler of Plymouth Monday, March 19 at 8:00 p. m. Her co-hostess will be Mrs. Sidney Strong.

Special guests will be the two girls who were chosen Pilgrims to attend the state conference in Ann Arbor March 30, Mimi Harrison from Northville High school and Erna Kienbaum of Plymouth High school. These girls were elected by the faculty and pupils on the basis of their character, leadership, ability to cooperate and good citizenship. They will receive their pins at this meeting.

Board of Education Minutes March 5, 1951

The regular meeting of the Northville Board of Education was held in the board room on Monday, March 5, 1951.

Present: E. F. Clark, R. F. Coolman, N. C. Schrader, R. H. Amerman.

Absent: D. B. Severance, G. L. Clark.

The minutes of the last regular meeting were read and approved.

Communications were read as follows: Fred C. Fischer, 3rd payment of sales tax receipts, \$5373.00; Oakland County Board of Education reporting delinquent tax collections in December, \$80.33; resignation of Robert Meneses, effective on or before March 19, 1951; Wayne County Department of Health disapproving of the Brooks Vacuum Breakers for the high school plumbing and approving the installation of check valves as per their attached sketch; card of thanks from the C. E. Pierce family for flowers.

The superintendent reported that approximately \$46,000 in taxes and \$10,000 in tuition has been received to date. Details for the special school election on April 10 are all cared for.

Treasurer Coolman reported balances in the several funds as follows:

General Fund \$29,024.25
Building and Site Fund 13,977.89
Old Debt Fund 14.48
1949 Debt Retirement

Moved by Coolman and seconded by Schrader the report of the treasurer be accepted. Carried.

E. F. Clark reported on his investigation of the new furnace installation at Farmington and then recommended that we order repairs to the present high school heating plant as per the quotation made by the American Warming and Ventilating Company dated January 22, 1951. The board accepted this report and ordered repairs to be made next summer.

Upon motion by Schrader and second by Coolman payment of bills in the amount of \$1,734.67 and payrolls for \$21,341.43 were approved for payment.

Moved by Coolman and seconded by Schrader that the resignation of Robert Meneses be accepted. Carried.

Board approved the purchase of 24 chairs and a table for Mrs. Claypool's kindergarten room.

Upon motion by Schrader and second by Coolman the meeting was adjourned at 10:15 p. m.

BROWNE TROOP NO. 1
We met Monday, March 12, at the Grade School. Our troop entertained Brownie Troop No. 2 in honor of Girl Scout Week. The meeting was called to order and we said the Pledge of Allegiance and the Brownie Promise. Then we took the dues and had roll call. Ice cream, cookies and candy were served for the "nibble box."

We learned a new game and a song to go with it. After that we gave a pantomime play, "Love Conquers All." Before the play, Gail Blackburn told us about Juliette Low, the founder of the Girl Scouts.
Lou Ann Comer, Scribe.

Presbyterian Speaker

DR. JOHN STANLEY HARKER

President John Stanley Harker of Alma College will be the speaker at the First Presbyterian Church Sunday.

A native of New Jersey, President Harker was graduated from the Grove City College, Grove City, Pa., and the McCormick Theological Seminary. He holds his Master of Arts and Doctor of Philosophy degrees from the University of Pittsburgh.

Dr. Harker became president of Alma College in January of this year. Alma College was founded by and is under the control of the Presbyterian Churches of Michigan. It is a fully accredited college of liberal arts which some 4,000 citizens of Michigan have attended. It is a co-educational college with a limited enrollment of 600. Its slogan is "Where Friendliness Links Learning to Living."

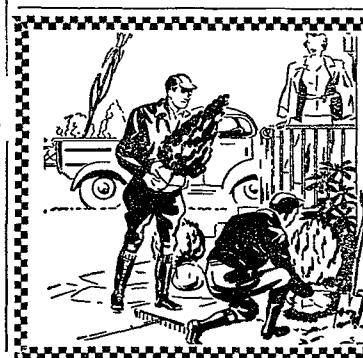

Seniors To Hold Auction-Card Party

The Senior Class of Northville High School is sponsoring an auction and St. Patrick's Day Card Party March 17 at the Veterans Memorial Hall.

The auction which will be held at 1:00 p. m. at the Hall, will be presided over by "auctioneer," Paul Burnham. The class renews its appeal for any donations of items they may sell at this event. Contributors are requested to phone 876 after 3:30 p. m. and a senior will pick up the articles at your home.

The card party will be held the same evening beginning at 8:00 o'clock with door prizes and refreshments available. Get your tickets from any senior or at the door.

CARD OF THANKS
We wish to thank all our friends, neighbors and relatives for the kindness shown us during our recent bereavement.

Consumers Power Company Mails Annual Report To Stockholders

Recording a year of growth and industrial prosperity in the Outstate Michigan area, Consumers Power Company's annual report went into the mail today to the Company's more than 48,000 stockholders.

The Company operates in 62 Michigan counties, serving most

of the Lower Peninsula except the Detroit metropolitan area and the Thumb. It has nearly a million customers—675,872 electric and 316,272 gas—in a territory with a total population approaching 3,000,000.

Gross business in 1950 was up 23% over 1949, according to President Justin R. Whiting's letter to the stockholders, reflecting a record year of industrial production.

The Company added 52,858 electric customers and 26,484 gas customers during the year. Measured in kilowatt-hours or cubic feet, electric sales were up 17% and gas sales up 39%. The sharp rise in gas sales is accounted for in part by the fact that the number of customers heating their homes with gas more than doubled during the year, despite the fact that the accepting of appli-

cations was halted in mid-summer.

The report also reveals that Consumers:

Serves more farm customers approximately 109,000) than any other electric company in the United States.

Now has an electric generating capacity exceeding a million kilowatts, with 276,000 more under construction.

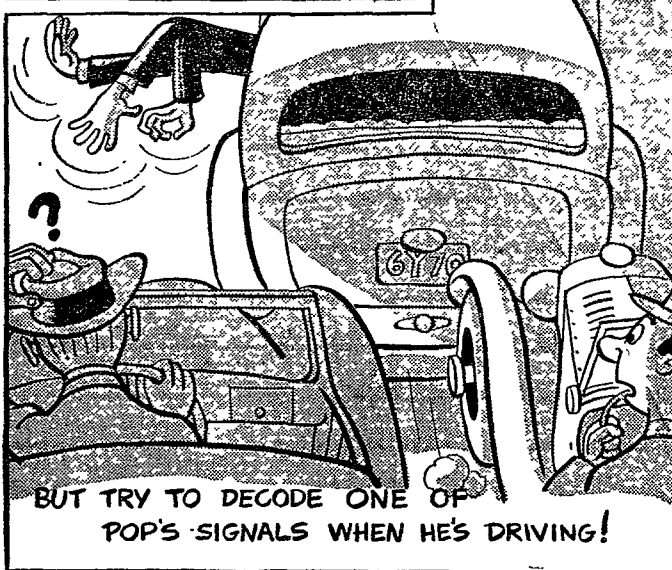

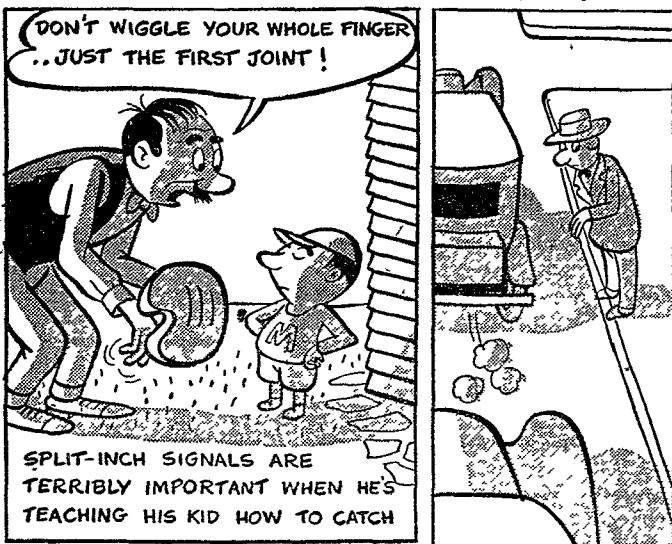

Sent out in one day (December 19, 1950) 78% more electricity than was sent out on the peak day of World War II, when Michigan industry was on a 24-hour basis.

With its subsidiary, Michigan Gas Storage Company, spent more than \$46,000,000 in 1950 on expansion of facilities for serving electric and gas customers in Outstate Michigan.

Gross revenues amounted to \$114,350,814 during the year, with 75% of this amount being derived from electric operations. Net income after preferred stock dividends of \$3,369,188 was \$15,635,152, representing \$2.78 per share on the 5,615,176 shares of common stock outstanding at the year-end. The Company maintained its regular dividend rate of \$2 a share on common stock, paying 50-cent dividends in February, May August and November.

Homer Coolman, Mrs. George Kacy, Mrs. Maynard Horten, Mrs. William Soos, Mrs. Gerald Roberts, Mrs. Ernest Tallman, Mrs. Cecil Willet, Freda Ault and Mrs. Stuart Shaffler.

This week-end finds traveling from our community to Farmington much easier. Workmen have been busy repairing Farmington Road.

A new residence will be erected this spring on the acre adjoining that of Mr. and Mrs. Joseph Roberts, on Mayfield avenue.

Bobby, seven year old nephew of Mr. and Mrs. George Kacy, has been ill.

Mrs. Julius Walt of Farmington Road, was a Detroit visitor Wednesday.

Friends report that Mrs. William Greene, formerly of Hubbard avenue, now of Delaware avenue, Redford, has been ill.

Albert Hardy, of Wayne, spent Friday afternoon with his mother, Mrs. Walter Rehahn on Mayfield avenue. Mr. Hardy, who is a former resident of this section reports that his son, Dale, who has been ill, is now much improved; but that another son, Bob, has a serious eye difficulty.

Mrs. Max Holland and daughter, Gill-Ellen, were out from Detroit Wednesday to visit with Mrs. Holland's parents, the Aittamas, on Shadyside. Mr. Aittama, who recently received injuries in a fall is now able to get around. Mrs. George Cooke and son, Richard, from Albion avenue, suburban Farmington, were Wednesday afternoon guests of Mrs. Cooke's mother, Mrs. Russell Ault.

The W.S.C.S. of the Livonia Methodist Church held their usual business meeting last Thursday.

Don Wellman of Parker avenue, has now joined the armed forces.

Mrs. Grace Simpson of Mayfield avenue, returned last Monday from the Ackerson home on Gill Road, where her daughter, Mrs. Ray Ackerson and Baby Nancy Lee, born February 24, are doing fine.

The following people are flu convalescents: William Varhol of Shadyside avenue; Austin Ault; Mrs. Charles Bolyard of Parker avenue; Mrs. Norman Geistman of West Eight Mile Road; the Spicer family of Loveland avenue; Mrs. Barbara Markham of

Shadyside avenue; the John Allens and family of Mayfield avenue; the Clarence Roberts children of Mayfield avenue; Sandra Houtz of Farmington Road; Robbie Imonen of Hubbard avenue; Mrs. Gerald Roberts of Mayfield avenue; Mrs. Edward Strange of Mayfield avenue; Mrs. Kenneth Allen of Parker avenue; Bobby, nephew of the George Kacys and Mrs. Aittama of Shadyside avenue.

New Uses For Magnets

Markets for the extremely strong permanent magnet alloys of the Alnico type, containing 14 per cent or more of nickel are increasing rapidly. New applications, such as non-mechanical magnetic household refrigerator and cupboard door closure and magnetic tool racks, are constantly being developed, with the field of potential applications being very broad.

MSC Appoints TV Development Head

Dr. Armand L. Hunter, radio and television coordinator at Temple University, Philadelphia, Pa., has been appointed to take charge of Michigan State College's television development.

A national authority on educational TV, Dr. Hunter is also educational director of station WFLA-TV, Philadelphia.

Dr. Hunter will coordinate all phases of MSC's television program, including the direction of MSC's newly completed closed-circuit television station. The station in operation this month, will link several campus buildings with a central control room. It will be used for teaching purposes and research into TV as an educational medium.

Dr. Hunter received his Ph.D. degree from Northwestern University, Evanston, Ill., and has had more than 10 years radio and TV experience. He has

served on the faculties of Northwestern University, University of Nebraska, University of Minnesota, and Temple University.

Michigan State Gets Rare Chapel Stones

Two ancient stones from famous European cathedrals are among 20 such stones to be used in the construction of the new Michigan State College's Alumni Memorial chapel.

The pair of carved stones were salvaged from World War II bombings of Westminster Abbey and St. Paul's Cathedral, London, England. The all-faith chapel is being built in honor of MSC's war dead. It will be completed this summer.

According to legend, the town of White Pigeon, Michigan, was named after an Indian who ran 140 miles from Detroit to this village to warn its inhabitants of an impending attack by an enemy tribe.

VILLAGE PROCEEDINGS

A regular meeting of the Northville Village Commission was held at Village Hall Monday evening, March 5th, 1951, at 8:00 p. m. Present: Pres. Langfield. Commissioners Peters, Woodworth, Locke and Stubenvoll.

Absent: Comm. Ely.

WORK SENT TO U. S. TREASURY DEPARTMENT, INTERNAL REVENUE SERVICE

This is the new social security tax return blank for reporting wages of household workers. First reports using these special envelopes forms are due during April.

Harry Baltuck, manager of the

Detroit-Northwest, social security office located at 12065 Wyoming, corner of Grand River points out that every household worker who meets the 24 day—\$50 test is covered by the social security law. This test is explained in a booklet, "Do You Have a Maid?",

which may be secured at any social security office, post office, or office of the collector of internal revenue. The booklet also includes a post card for use in requesting this simplified tax return blank.

bution of weekly newspapers. An exception which seems to me quite proper.

This demand for drastically increased postal rates is made in part because of the large annual deficit, and in part because of pay raise requests by postal employees. They assert that for comparable services they are not paid equally with employees of other government departments.

In view of the fact that to grant the pay increases, without increasing postal rates, would be to boost the annual post office deficit to at least \$1 billion, the

ON CAPITOL HILL

NEWS and COMMENT FROM CONGRESSMAN

GEORGE A. DONDERO

Last week Postmaster General Jesse M. Donaldson complained to a congressional committee that he is unjustly criticized for lack of economy and efficiency in the Post Office Department.

He told the committee that the annual deficit in post office operations, currently running above \$700,000,000, is the result chiefly of inflationary increases in operating costs, which have not been offset by increases in postal rates.

The Postmaster General pointed out that his department shows a loss of something like 1-1/2¢ on every penny postal card it handles. He said that first class letter mail is the only classification that pays its own way.

He referred also to the tremendous amount of franked government mail that is carried

free, and to the \$37,000,000 in airline subsidies included in the cost of handling air mail.

Incidentally, it should be said here that congressional franked mail costs about \$1,100,000 annually, while comparable mail sent out by government departments costs about \$80,000,000.

Postmaster General Donaldson urged the congressional committee either to double postal rates in virtually every category, as asked by President Truman, or to make it clear to the public that a large postal deficit is a congressional policy, approved in order to keep wide open the avenues of public information.

The only important exception to the proposal for eventually doubling postal rates is that of within-the-county free distri-

committee has taken up first the question of rates.

Owing to the activities of congressional committees, much of the former wastefulness and inefficiency of the Post Office Department has been eliminated. But the job is far from complete. On the other hand, inflation undoubtedly has more than doubled the cost of most postal operations.

'Because of these things, it would seem that considerably higher postal rates are warranted, especially if efforts are continued to eradicate Post Office Department inefficiency. Then the annual deficit could be brought down to a reasonable amount, and it would be possible to approach the matter of correcting inequities in postal pay rates.

Even increases in second class mail rates, it would seem to me, are justified, when it is considered that most large city daily newspapers, and most national magazines, have expressed a willingness to absorb increased mailing costs. In late years, they too have boosted both subscription and advertising rates.

Before irrigating any farm crop, it is advisable to know whether the water to be used and the soil are suitable to long-time irrigation use, say Michigan State College agricultural engineers.

If you have purchased your fertilizer early and are storing it on the farm, Michigan State College soil scientists advise checking the way you have placed the sacks. Stacking fertilizer in piles that are too high can cause caking and loss of time in the spring.

Holstein-Friesian Herd Makes Record

With an average of 379 pounds of butterfat and 10,816 pounds of milk, the 8-cow herd of registered Holstein-Friesians owned by Arthur Heslip, Northville, Michigan completed their last test year recently. The testing was carried on under the official Herd Improvement Registry program of the Holstein-Friesian Association of America.

Milking was done 2 times daily, and testing was supervised by Michigan State College, in cooperation with the national Holstein headquarters.

One of the big changes in farming in recent years is that it's easier to go broke in the business than it used to be. The reason, according to agricultural economists, is the big investment required by the modern farmer.
