

The Kefauver committee hearings have gained such favor that the daily patterns of living for both businessman and homemaker alike have been temporarily changed. For the housewife, such mundane matters as washing the family's clothes, ironing, feeding the baby, scrubbing, getting meals, and catching up on backyard gossip must be sandwiched in between recess periods of the hearing. Overheard one businessman who usually eats his lunch in the Village say that he was going home to eat at two o'clock so that he could at least get a glimpse of the proceedings.

Mrs. C. M. Goodrich, Mrs. Emmett Wirth, George Starr, Russell Amerman, John Litsenberger, Preston Fuller, Fred Cochran, and other kind citizens who didn't leave their names this week contributed to the sock and tie collection for the Detroit House of Correction. Old socks and ties (in any condition) are still needed to carry on the work at DeHoCo. Leave your contribution at the Record office or at the home of E. J. Willis, 119 Rayson Street.

Mrs. Roger Sackett of Rayson Street received a letter recently from her husband, Captain Roger Sackett, who is stationed at a hospital near Nara. Captain Sackett said that the Red Cross workers told him that what the soldiers in Korea would most like to read are comic books. Wilson Funk, recreation committee director, has willingly consented to collect the books and see that they get sent to the soldiers. Comic books (old or new) should be left at the Scout Building, corner Hutton and East Dunlap Street.

We were talking the other day with Konard Packnitz of the rehabilitation department at Maybury Sanatorium. Kon was telling us about a woman patient who is afflicted with a severe case of tuberculosis who is alone and is unable to read. Her days would be less weary and not so long if she had the use of a radio and a bed lamp. Surely there must be a small radio and bed lamp which is just collecting dust in someone's closet. Kon said that he would give this patient much company and comfort. Anyone wishing to be a good neighbor and friend is asked to leave his contribution at the Northville Record office.

Did you read the two page spread about the lumber industry in Oscoda in Sunday's Detroit News? Rotogravure section? One of the owners of the business, H. R. McVeigh is the father of Mrs. Carl Johnson of Orchard Drive and for a time owned the farm at the corner of Ten Mile and Beck Road. Carl accompanied the photographer, John Hermann, on the trip.

## Rotary Undecided On Death Penalty

The Northville Rotary Club weighed the evidence for and against capital punishment in Michigan by means of a forum-type discussion at the club's meeting Tuesday.

The discussion was prompted by the bill for capital punishment which is perennially before the Michigan State Legislature. The Rotary forum, indicated by its comments the knotty problems which death sentences would provoke. The six Rotarians who voted against capital punishment were definitely against it. The six in favor of the death penalty advised it only with modifications to prevent miscarriages of justice.

The principal doubts about the advisability of capital punishment were the fear of executing innocent persons, the ease with which convicted murderers are sometimes paroled, and the inability of a poor man to hire capable legal counsel for trials and appeals. One speaker commented that it does no good to remove the criminal unless the cause for the crime is also removed.

Attorney Philip Ogilvie acted as interrogator and moderator during the discussion.

## BPW Club To Hear City Councilwoman

Mary V. Beck of the Detroit Common Council will give the address at the next Business and Professional Women's dinner meeting Monday evening at 6:30 at the First Methodist Church House.

The program is in charge of the legislative committee, Mollie Lawrence, chairman. Members are urged to be in attendance at this meeting.

WILLIAM R. DANIEL

## MUCC Office Serves Northville Area

William R. Daniel has recently been appointed manager of the Plymouth office of the Michigan Unemployment Compensation Commission, located at 585 W. Ann Arbor trail. This office serves all compensation and employment activities for the N. W. section of Wayne County which includes the townships of Plymouth, Northville, Livonia, northern half of Canton, Redford south of Fullerton, W. of City Limits, N. of Joy Road, Salem township of Washtenaw County, Novi and South Lyon of Oakland county.

Daniel comes to Plymouth with a long background of work with the MUCC. He has been with the commission in a supervisory capacity for the past 13 years and in addition to this he is a veteran of World War I. In his veteran capacities he has served as Commander of Bearl V. Pittenger Post No. 119, American Legion, has been alternate executive committee member, Legion, Department of Michigan and a member of their Wolverine Boys' State Commission for several years. At the present he is secretary of this Boys' State organization.

On the staff of the Plymouth organization Raymond D. Brehmer, a veteran of World War II, serves as veteran employment representative and it is the intention of the office to place every effort on employment for both veteran and non veteran applicants.

At the present they have openings for stenographers, typists, electricians, pipe fitters, maintenance machinists, carpenters, construction laborers, tool makers, male messengers, male break-in machine operators, and male factory labor.

## Village TB Sale Nets \$746.91

Mrs. W. Leonard Howard of West Eight Mile Road has received word that the TB sale conducted in the Village last December netted \$746.91.

In a report to the Northville Woman's Club Friday afternoon, Mrs. Howard said that Villagers mailed in \$561.75; \$148.41 was collected at the booth in the Depositors State Bank and the school children collected \$36.71.

## DO YOU REMEMBER WHEN?

## Taxpayers To Vote Tuesday, April 10 On Mill Assessment

Voters in Northville and Novi District No. 2 Fr1 will be asked to pass on levying six mills for a period of five years at the special election Tuesday, April 10.

The six mills will be used to maintain the school system and to make necessary improvements. Superintendent of Schools Russell H. Amerman stated that state aid is insufficient to maintain the schools and that is why the school board is asking the electorate to renew six of the eight mills which have been in operation since 1946.

The Board of Education will accept registrations in the offices at the Grade school on March 22, 23, 26, 27, 29 and 30 from 9:00 a. m. until 11:30 a. m. and from 1:00 p. m. to 4:00 p. m. On the last day of registration, March 31, registrations will be taken from 8:00 a. m. until 8:00 p. m.

## Mrs. W. H. Cansfield Retains Presidency

The annual meeting and luncheon of the Northville Woman's Club was held Friday March 16 at the Village Library. Luncheon preceded the reading of the annual reports of the standing committees and executive officers.

Mrs. W. H. Cansfield, president; Mrs. A. G. Charters, vice president; Mrs. Merner Eilber, recording secretary; Mrs. Merritt Meaker, corresponding secretary and Mrs. George Miller, treasurer were elected to office on a unanimous ballot. Mrs. Frank Beeks and Mrs. Paul Bayless were elected directors for a two year term replacing Mrs. W. E. McCarthy and Mrs. H. C. Dueron whose terms expired this year.

The program committee was announced for the coming year. The committee chairman is Mrs. V. George Chabot. Her committee includes Mrs. A. C. Runck, Mrs. Robert Yerkes, Mrs. John Blackburn, Mrs. Harvey Whipple, Mrs. Alden Shaw and Mrs. George Kohls.

Mrs. J. Leslie French was the speaker for the afternoon. Her topic, was "The Bible as Literature" was well received.

During the business meeting, a list of the members who had resigned was read and the list of new members who were taken in throughout the year was made known. There is still a long list of ladies waiting to enter the club, but the quota at the present time is filled.

## Wayne Co. Receives '51 Tax Collections

Township Treasurer Roy M. Terrill reports that 92.4 percent of the total tax roll of \$140,777.30 has been collected. He has turned over to the county \$129,697.33, and Terrill states that this is the lowest percent recorded in nine years.

The total cash collections were the highest ever recorded in history though, due to a larger tax roll, he said. Delinquent taxes total \$11,079.47. Last year the total tax paid was \$126,463.64, with delinquent taxes standing at \$8,458.27.

ATTEND church this Easter . . . hear hymns of ageless beauty and magnificence . . . find peace and security in His teachings. And remember that in these uncertain times, you will find renewed faith — renewed hope. — in regular attendance at your church. Go to church . . . Easter Sunday . . . EVERY Sunday.

## Homerooms To Vie for Britton Trophy

Northville High school pupils will again be competing for the D. Harper Britton Memorial trophy in the April 2 township election.

The trophy which honors the memory of one of Northville's most beloved attorneys, is designed to help promote civic-mindedness by getting out the vote. Each homeroom will be competing for the trophy and the winning room will be determined by a percentage basis. Each pupil in the winning homeroom will be given a button to signify that he is a member of the winning team.

## Banquet To Honor Grade Safety Patrol

A banquet honoring members of the Northville Grade school safety patrol will take place Thursday, March 29 at 6:30 p. m. in the First Presbyterian church house. The annual event is sponsored by the Parent Teachers Association.

Master of ceremonies for the banquet is George Kohls and C. T. Pregitzer, Grade school principal, will introduce the Safeties. Chief of Police Joseph Denton will address the group and then the program will be turned over to ventriloquist Earl Gotherg. Mr. Gotherg will bring along his partner, "Oscar," and the pair promises to entertain both the children and their parents and friends.

Tickets for the event may be secured from members of the Safety Patrol or from the office of the Grade school principal, C. T. Pregitzer.

The banquet dinner is being prepared under the direction of Mrs. Drake Older of South Rogers Street.

## David Lee Endorsed for Boys' State

The Northville Rotary Club will sponsor David Lee, Northville High School Junior, to Wolverine Boys' State at Lansing this summer. The selection was made at Rotary's business session Tuesday.

The club will entertain the High School basketball team at the meeting next Tuesday.

Rotarians voted to share with other service clubs the expenses of coffee and orange juice which will be given to blood donors today at the Mobile Red Cross Blood Bank unit.

Mrs. E. B. Cavell of Griswold avenue returned Sunday afternoon following a two months stay at the home of her daughter and family, Mr. and Mrs. R. W. Cassidy and sons of San Diego, California.

## Legion Auxiliary to Select Pupil to Attend Girls' State

In an effort to select the best qualified girl of the eleven contestants to attend Wolverine Girls' State and to stimulate greater interest among the contestants, the Ladies Auxiliary of the Lloyd H. Green Post No. 147, American Legion, has inaugurated a plan whereby the girls chosen must write a letter to the Auxiliary stating her qualifications and reasons for wanting to attend the convocation. The Auxiliary feels that it is a singular honor to be selected as a contestant and wants to inspire the same attitude in the winner.

The eleven contestants have been chosen on the merits outlined by the State organization. In general, the qualifications of the girls selected to compete were

based on the following attributes: A high sense of duty and morality; mental alertness and intellectual curiosity; vigor, enthusiasm and attractive personality; honesty and industriousness; cooperative attitude and amiability; sportsmanship and consideration for others and marked qualities of potential leadership. Scholastic grades were also taken into consideration.

The final selection will be made by the Auxiliary headed by Wolverine Girls' State committee chairman, Mrs. James Green. Letters will be read unsigned and the girl will be chosen on her merits and her ability to make the Ladies of the Auxiliary conscious of her keen desire to be selected. Letters from the contestants must reach Mrs. Green on or before April 10. An alternate candidate will also be chosen.

## Girls Win School Spelling Contests

Nancy Lawrence and Carolyn Burkman are the proud and happy winners of the Grade and Junior High school spelling bees which were conducted Friday. Both girls received handsome medals and they will compete in the district bee April 6.

Nancy, who is in the sixth grade correctly spelled "discipline" after fifth grader Glenn Schultz had tripped upon it. The daughter of the Alex Lawrences of Meadowbrook Road, Nancy won a dictionary a few weeks ago in the grade spell-downs. The spell-down in the Grade building took two hours and judges were Mrs. Joseph Kirkey, Mrs. Alex Lawrence, Mrs. Matt Houser and Mrs. Power.

"Trenches" was the lucky word that gave twelve year old Carolyn Burkman the victory in the Junior High building after eighth grader Ann O'Leary had missed it. Carolyn, who is a seventh grader, is the daughter of the John Burkmans of East Base Line Road. The bee took one hour and ten minutes and judging it were Elroy Ellison, Russell H. Amerman, Mrs. W. Leonard Howard, Mrs. Ray Doeksen, Mrs. Bud Hartner, Mrs. Nelson Archer and Mrs. Ida B. Cooke.

The girls are now busy "boning up" for the district competition on Friday afternoon, April 6 at which Northville Junior High school will play host to the winners from 32 schools.

Mrs. Raymond Plaunt and daughters, Charlene and Leanna of Bois Blanc Island are visiting Mrs. Plaunt's parents, Mr. and Mrs. Sydney Frid of Grace street this week.

Wolverine Girls' State will take place on the campus of the University of Michigan, Ann Arbor, the week of June 19 through 25. Two hundred and thirty-eight girls from the state will make up the enrollment.

The winning contestant will enjoy seven full days devoted to education, companionship, government, recreation and enjoyment.

Gail Bemish, last year's representative to Girls' State, will be available to answer any questions from the contestants relative to the letter of qualifications.

Names of the twelve girls competing who have been selected by committee chairman, Mrs. Green, and the High School faculty are: Luanne Robinson, Nancy Littell, Gay Duerson, Bea Janchick, Mary Lou Litsenberger, Sylvia Hollis, CeCe Bloom, Gail Matzen, Mary Jean Woodruff, Marilyn Funk and Andrea Owen.

## S. Duguid Conferred New Insurance Post

Announcement has been made recently of the appointment of Stewart B. Duguid, 29, to the position of customer relations manager in the Detroit district office of All-State Insurance Co. Customer service in Michigan and Ohio will comprise his new duties.

Duguid's promotion realizes a three-and-a-half year rise from the position as underwriter. He joined the firm in 1947 following graduation from Albion College and brief service with Michigan Seamless Tube Co., of South Lyon.

The new executive is the son of the William Duguids of Grace avenue.

## Good Friday, Easter Services Planned By Village Churches

### NHS Band To Play at State Festival

At the Southeastern Michigan Band and Orchestra Association's 18th annual festival Saturday in Ypsilanti, the Northville High school band was a first division winner in Class C. For having garnered this honor, the band will appear at the State Festival in Ann Arbor on April 21.

The band under the baton of Leslie G. Lee played "Victorious" by Frankiger; "Eroica Overture" by Skornicka; "Sons of the Brave" by Bidgood Reeves. Judging was done by David Mattern of the University of Michigan, Ray Miller of Wayne University, Keith Stein of Michigan State College and Larry Teal of the Detroit Symphony Orchestra.

Fourteen schools participated in the Class C competition: Ypsilanti, Dexter, Saline, Chelsea, South Lyon, Clarenceville, Clarkston, Holly, Armada, Roseville, Fraser, Carleton and Milan.

### Give Blood Today, Committee Appeals

The Red Cross Mobile Unit will be in action today from 3:00 to 8:00 p. m. at the Methodist Church House. The blood they will receive from Northville's citizens will be in Korea within six days helping to save the lives of American fighting men who have been wounded on the battlefield.

The Mobile Unit will be equipped to service more than the number of people who have pledged blood and the committee urges anyone who has not made a pledge to visit the unit today and avail themselves of this opportunity of service.

The committee wishes to remind those who have so generously pledged their blood to be on hand as close to their scheduled time as possible and not to eat a heavy fatty meal within four hours previous to donation.

The local Post of the American Legion which has spearheaded the Blood Drive, wishes to recognize the splendid cooperation they have received from other Northville groups and they extend their sincere appreciation to all of those who have served on the committees, giving their time and effort to make this drive a success.

### Dinner To Observe Legion's 32nd Year

The Ladies Auxiliary of the Lloyd H. Green Post 147 will be host for the thirty-second annual birthday dinner observance of the American Legion Post, 6:30 p. m. Tuesday evening, March 27 at the Veteran's Memorial Hall.

Mrs. Harry Terry of Plymouth, dining room chairman, has announced that the dinner will be pot-luck and requested that each auxiliary member bring a passing dish and table service.

The regular meeting of the organization will follow the dinner at 8:00 o'clock.

### Methodists Plan Father-Son Banquet

The First Methodist church will hold their annual community Father and Son banquet in the church house Thursday, April 12.

The program committee is busy preparing entertainment that promises to delight both the old and young and the event is open to every father and son in the community. The Methodist ladies will serve the meal and more details will appear in the next issue of the Record.

Holders of Community Concert tickets may attend the concert given by pianist Clifford Curzon Monday, March 26 at 8:15 p. m. at the Royal Oak Auditorium. Those persons desiring transportation should contact Mrs. L. M. Eaton or Mrs. M. S. Austin.

Northville churches will join the churches throughout the nation in observing Christ's suffering and death on the Cross on Good Friday and will herald His resurrection with special services on Easter Sunday.

**Union Service**  
On Good Friday, the Presbyterian, Methodist and Baptist churches are uniting in a service which is sponsored by the Mizpah Chapter of the Kings' Daughters. This year the service will be held at 1:30 p. m. at the First Baptist church with Rev. Paul Havens of the First Methodist church, Pontiac, delivering the address.

**Lutheran Church**  
St. Paul's Lutheran church will hold their Tre Ore Service at 1:00 p. m. Friday with the choir rendering special music. On Easter Sunday, the service will be held at 10:00 a. m. with Rev. E. E. Rossow, pastor, speaking. The choir will also present several selections.

**Methodist Church**  
Rev. William Johnson, First Methodist pastor, will conduct the Sunrise Memorial Service at 7:00 a. m. Easter morning. At this service, gifts of flowers, money and other church improvements, will be dedicated and communion will be observed. A breakfast for the choir and Sunday School teachers will follow and the regular service will take place at 11:00 a. m. That afternoon at 4:00 o'clock a baptismal service will be held followed by a tea in the church house for the parents and friends of the church.

**Baptist Church**  
Rev. Walter Ballagh will conduct the Easter service at 11:00 a. m. with the choir singing "Christ Arose". That evening a service will be held at 7:30 p. m.

**Catholic Church**  
Our Lady of Victory parish will hold the mass of the Pre-Sanctified at 7:30 a. m. Good Friday, with the men to adore from 9:00 p. m. until 7:00 a. m. on that day. Afternoon services will be held from 1:00 to 3:00 p. m., with the sermon "The Last Seven Words" being given by Father McCullum, Paulist missionary.

On Easter Sunday high mass will be at 8:30 a. m. and the second mass will follow at 10:30 a. m. Mrs. John Hlohinec will preside at the organ to provide special music.

**Presbyterian Church**  
A breakfast for the Sunday School at 8:00 o'clock on Easter morning will begin the activities at the First Presbyterian Church. Mrs. J. R. Plunkett is in charge of the program and the breakfast will be prepared by the Sunday School classes taught by Mrs. Ray Hager and Mrs. George Weiss. At the 9:00 a. m. service the Men's Chorus will sing and a special service at 10:00 a. m. is planned for the children in the nursery, beginners and primary departments. At the 11:00 a. m. Easter service the chancel choir will render several songs and a confirmation class will be received into membership in the church.

**Novi Spelling Champ Is Seventh Grader**  
Phyllis Wendland, seventh grader at the Novi Public School, won the school spelling bee last Friday against 39 opponents from the fifth, sixth, seventh and eighth grades. Phyllis is the daughter of Mr. and Mrs. Rudolph Wendland of 26150 Novi Road.

The contest lasted two hours and after spelling on a list of 400 studied words, the teachers had to resort to the dictionary. Runner-up, Kathleen Leavenworth, an eighth grader, missed "signature" to make Phyllis the school champion.

Other students in the final rounds were: Lorraine Darling, Donna Frisbie and Iris Richardson.

House guests last week-end at the Sidney Frid home on Grace street were Mrs. Frid's parents, Mr. and Mrs. Peter Rudolph of Au Gras and Mrs. Frid's sister and her family, Mr. and Mrs. Frank Norton and daughter, Sharon also of Au Gras.

The Congregational and Federated Churches of Salem will combine their Good Friday services as is their annual custom, alternating churches each year with both ministers taking part. The services will be at the Congregational Church Friday afternoon from 2:00 to 3:00 o'clock. The combined choirs of both churches, under the direction of Mrs. Emily A. Lewis, will sing. The Salem Union School will attend in a group and under the direction of the teachers, Mr. and Mrs. R. Harteg, will render two appropriate hymns. Other schools

will also attend. The Community is cordially invited to attend these services.

Mrs. Rev. C. W. Lewis spent a few days last week visiting friends in Detroit.

Mrs. Glenn Burnham and mother, Mrs. Crystal Anderson of Northville, were Ann Arbor shoppers Wednesday afternoon.

The Salem Firemen are sponsoring a dance for the children Saturday night in the Salem Town Hall, March 24th at 8:00 o'clock. Chet Finney, Master of Ceremonies, will be on hand to do the calling, contributing his time free of charge. Parents and adults are also invited. A small donation will be taken from

MICHIGAN MIRROR

NON-PARTISAN NEWS LETTER

Michigan is getting closer to a fair employment practices law. Although Democratic efforts failed in the last regular session, Rep. Louis Cramton (R-Lapeer) now has submitted an F.E.P.C. bill which apparently transcends partisan politics.

The state-national civil defense program has not bogged down but there is dissension between Lansing and Washington. Milard Caldwell, federal CD administrator, urges the state legislature to create a "basic civil defense structure."

Brig. Gen. Lester J. Maitland, head of the state's program, says federal efforts are wallowing in bureaucracy. Caldwell hopes to get \$250,000,000 in federal funds to match state appropriations.

The American Meat Institute of Food Distribution says "aggressive retailers are advertising more special prices than 30 days ago," and that this competition will be more effective in keeping food prices down than the legal controls ordered by Washington.

In the larger cities, buyer resistance to meat prices has packing houses in a tizzy. Officials have been meeting to decide what to do about their bulging cold rooms. They could drop prices.

Michigan's automobile industry is making no predictions. Word around Detroit is "we should be able to do very well until June or July. Nobody knows after that."

Politics already. Will Fred M. Alger, Jr., run for governor in 1952. He hints as much. He probably would have opposed Williams in the last election but he waited too long to get into the primary waiting for higher G.O.P. word.

And concerning the presidency? Only one thing seems to be certain. Gen. Dwight Eisenhower is popular today with the voters. He is liked in Michigan as in the remainder of the Midwest.

Leap year is more than a joke to the government. Due in 1952 again, the 366-day year will cost taxpayers an extra \$167,000 for the additional day's pay to federal employees, according to Michigan's Senator Ferguson.

Tin stockpiling has stopped officially for the time being, while the government tries to beat down the price. But the federal government now is the sole importer of the metal unless special permission is granted private firms.

The state paid \$27,190 in bounties during January. Payments were made on 5,240 foxes, 52 coyotes, 17 bobcats and one wolf. Except for six coyotes, all animals bountied were taken in the upper peninsula.

Greetings:

It seems that while home on furlough I couldn't find time to stop in so I thought the next best thing was to write a few lines to you.

I have been receiving the Northville Record ever since I have been at Camp Cooke, California. I have enjoyed it very much and am looking for it every week. I have been here for about four months.

Today the weather is about 80 degrees with lots of sunshine. It sure seemed swell to be back home for a few days. This is about all for now.

Sincerely yours,  
Leslie Nagy.

Russia Claims More People Over 100 Than Any Country

MOSCOW — Russia which has claimed more first than any nation in modern history, put forth a new claim recently. Now the Russians claim more persons over 100 years old in their country than in any other.

According to the magazine Doctor's Gazette, published by the ministry of health, there are more than 10,000 persons more than 100 years old in the USSR.

The magazine said the oldest man in the Soviet Union is Mamsyr Kiut, 154, living in Georgia, and the oldest woman is Kamazan Khanum, 127, of Turkmen.

It told of one 144 year old collective farmer who worked 258 days on a farm last year. And a man, 111, actively works at fishing, hunting and carpentry, the magazine said.

Man Consumes Barrel of BAKING SODA

One man told us he took baking soda for years. Claims he has used over a barrel of it for stomach gas, but got only temporary relief.

Recently he quit the soda habit and took CERTA-VIN. This new medicine is bringing REAL, lasting relief to many Northville gas victims because it is taken BEFORE (not after) meals and thus works with your food. It helps digest your meals faster, so your food doesn't lay there and ferment. Besides relieving gas, CERTA-VIN also contains Herbs with Vitamin B-1 and Iron to enrich your blood and make your nerves stronger. Weak, miserable people soon feel different all over. So don't go on suffering. Get CERTA-VIN — Northville Drug Company.

NOTICE OF REGISTRATION OF THE QUALIFIED ELECTORS OF SCHOOL DISTRICT NO. 2 FR'L., NORTHVILLE AND NOVI TOWNSHIPS, WAYNE AND OAKLAND COUNTIES, MICHIGAN

TO THE QUALIFIED ELECTORS OF SAID TOWNSHIP:

Please take notice that the Board of Education of School District No. 2 Fr'L., Northville and Novi Townships, Wayne and Oakland Counties, Michigan has called a special election to be held in said School District on

TUESDAY, APRIL 10, 1951

The qualified and registered electors will vote on the proposition of increasing the tax rate limitation for general operation purposes.

Therefore Take Notice That any qualified elector of said School District who is not already registered upon the books of said School District may register in the offices of the Board of Education in the Northville Grade School, 501 West Main Street, Northville, Michigan on the following specified days and at the specified hours: March 19, 20 - 21 - 22 - 23 - 26 - 27 - 28 - 29 - 30 from 9:00 o'clock, a.m., to 11:30 a.m., and 1:00 o'clock, p.m., to 4:00 o'clock, p.m.

On Saturday, March 31, registrations will be held from 8:00 o'clock, a.m., to 8:00 o'clock, p.m.

To be eligible for registration a person must be a citizen of the United States, over 21 years of age, a resident of the state 6 months and of the School District 20 days prior to the date of the election.

This notice is given by order of the Board of Education of School District No. 2, Fr'L., Northville and Novi Townships, Wayne and Oakland Counties, Michigan.

GEORGE L. CLARK  
Secretary, Board of Education.

WITH OUR NEIGHBORS

Plymouth—The City Commission reduced the tax assessment of the S. S. Kresge company from \$1,200 to \$800 at a special meeting held recently.

Brighton—Leslie Oliver has been named director of the Brighton Civilian Defense program by Thomas S. Leith, county chairman, and will have charge of all defense measures in Brighton.

South Lyon—The body of Eugene McNally, 78 years old, was discovered by neighbors recently, in his home on Eight Mile Road. It is thought that Mr. McNally, who lived alone, died several days ago.

Howell—Livingston county farmers now have definite word on how they can best contribute to the national defense effort, according to Earl Grubb, chairman of the county Production and Marketing Administration committee.

Farmington—Farmington's new proposed City Charter was signed by Governor Williams Friday afternoon, March 9 and it will appear on the ballot at the biennial spring election, to be held Monday, April 2

Meet Your Michigan

ONION CAPITAL: MICHIGAN GROWS MORE ONIONS THAN ANY OTHER CENTRAL-LATE-PRODUCING STATE. IN 1949 OVER A QUARTER-BILLION POUNDS, VALUED AT MORE THAN \$5 MILLION DOLLARS WERE PRODUCED ON MICHIGAN FARMS AND SOLD TO PRODUCE MARKETS IN ALMOST EVERY STATE EAST OF THE MISSISSIPPI.

FAVORABLE BALANCE OF TRADE: MICHIGAN IS AMERICA'S LARGEST INLAND WORLD-TRADE CENTER. IN 1949 THE MICHIGAN CUSTOMS DISTRICT REPORTED IMPORTS VALUED AT \$280,000,000, EXPORTS WORTH \$658,000,000 WERE SHIPPED FROM MICHIGAN TO DESTINATIONS ALL OVER THE WORLD.

DO YOU KNOW: THE MICHIGAN COLLEGE OF MINING AND TECHNOLOGY IN HOUGHTON, FOUNDED IN 1885, IS ONE OF AMERICA'S LEADING TECHNICAL SCHOOLS. LOCATED IN THE WORLD'S LARGEST NATIVE COPPER DISTRICT AND NEAR LAKE SUPERIOR'S FAMOUS IRON RANGES, IT OFFERS BROAD TRAINING IN THE MINERAL INDUSTRIES AND OTHER ENGINEERING FIELDS.

MICHIGAN TAKES THE CONSERVATION PLEDGE: IN MARCH 1950 MICHIGAN BECAME THE FIRST STATE TO ADOPT AMERICA'S CONSERVATION PLEDGE. SUPPORTED BY OFFICIAL AGENCIES AND CIVIC GROUPS 100,000 MICHIGAN SPORTSMEN PUT THIS PLEDGE TO SAVE OUR NATIONAL RESOURCES INTO ALL SCHOOLS AND BEFORE MILLIONS OF ADULTS THROUGH NEWSPAPERS, RADIO AND TV SHOWS, DISPLAYS AND HUGE PUBLIC RALLIES.

MICHIGAN FEATURE SERIES prepared by MICHIGAN TOURIST COUNCIL... No. 33

Ann Arbor—The Order of Arrow, National Honor Camper organization of the Boy Scouts of America, honored Loren S. Loomis, Assistant Executive of the Portage Trails Council, at a party and dance at the American Legion Home in Ann Arbor recently.

Rochester—Republicans in Oakland Township named a complete slate of officers to challenge the Democratic office holders there, except for the office of supervisor, leaving the incumbent, Earl Braid, veteran Democrat, for re-election without opposition.

South Lyon—On Saturday, March 10, Bob Pollock, director of Civil Defense in South Lyon, called a meeting of the local Civil Defense staff. The members met in the fire station to discuss the organization and promotion of the South Lyon defense program.

Farmington—The first architect's sketches of the proposed additions to the Bond and Mid-diebelt Schools, and sketches of the proposed new elementary school unit will be received from the architects "early next week", superintendent O. E. Dunckel told the Farmington School Board recently.

Rochester—In a quiet election wherein the telephone brigade and the mouth-to-ear campaigner found a perfect set-up for their kind of election, John L. Dahlmann, a native Rochesterite and veteran of World War II, upset the dope bucket and polled 269 votes to defeat Councilman Gale H. Clark for one of the four places on the village council.

Plymouth—A newspaper workshop project with Wayne University has been instituted by the Plymouth Mail. Arranged by Sprague Holden, chairman of the Wayne Journalism Department, William White, assistant professor of journalism, and Sterling Eaton, business manager of The Mail, the program will enable qualified senior students to spend one or two days a week as a staff member of the Mail.

Dearborn—Dearborn merchants who have just rid themselves of the annual ordeal of computing their income taxes found themselves faced with a lengthy new government price ceiling regulation, inconspicuously designated as "Number 7",

which will necessitate, in most cases, a complete re-pricing system and the filing of a price-scale chart with the government Office of Price Stabilization.

**Christian Science Churches**  
"Matter" will be the subject  
of the Lesson-Sermon in all  
Christian Science churches  
throughout the world on Sunday,  
March 25.  
The Golden Text (Psalms 81:9,  
10) is: "There shall no strange

god be in thee; neither shalt thou  
worship any strange god. I am  
the Lord thy God, which brought  
thee out of the land of Egypt."  
Among the Bible citations in  
this passage, (Matt. 6:20, 21):  
"... lay up for yourselves  
treasures in heaven, where  
neither moth nor rust doth cor-  
rupt, and where thieves do not  
break through nor steal: For  
where your treasure is, there will  
your heart be also."

## Goodwill Industries Extend Invitation to 30th Anniversary

Goodwill Industries of Detroit,  
which has done an outstanding  
service to handicapped men and  
women of southeastern Michigan,  
is observing its Thirtieth Anniv-  
ersary during the week of  
April 9.

Goodwill depends upon dis-  
carded household articles for  
carrying on its rehabilitation  
program since the refinishing of  
these articles provides both the  
employment and job training  
needed by handicapped adults.  
After being reconditioned, these  
articles are then sold in the three  
Goodwill stores in Detroit.

Last year over 525 handicapped  
adults were given jobs or train-  
ing at the Goodwill Workshop  
at 6522 Brush Street, Detroit, for  
which they received nearly  
\$400,000 in wages, according to  
Harold H. McKinnon, Executive  
Secretary of Goodwill. This com-  
munity has contributed heavily  
by way of discarded articles dur-  
ing the past several years and  
has played an important part in  
the Goodwill Program, Mr. Mc-  
Kinnon declared.

"Because your community has  
shown such an interest in our  
program through its splendid  
support and contributions of dis-  
carded household articles," Mr.  
McKinnon said, "we are extend-  
ing a special invitation to your  
community to participate in our  
30th Anniversary Celebration  
during the week of April 9.

Thursday, April 12, has been set  
aside as Out-of-Town Day. It is  
our hope that representatives of  
more than 100 suburban and  
nearby communities will be our  
guests. Refreshments will be  
served visitors and they will also  
be taken on a tour of the Good-  
will Workshop so that they may  
see at first hand the operations  
being carried on in behalf of the  
handicapped men and women. A  
special invitation is extended to  
church groups, the men's lun-  
cheon clubs, the women's social  
clubs and the Chamber of Com-  
merce."

The celebration will get under  
way on Monday, April 9, with  
an Open House and an exhibit  
of handicraft articles made by  
handicapped men and women.  
The exhibit will be open to the  
public without charge through-  
out the week and may be seen  
daily from 10:00 a. m. to 6 p. m.  
and until 9:00 p. m. on Tuesday  
and Friday evenings.

Tuesday evening there will be  
a homecoming and buffet lunch  
for several hundred former em-  
ployees and their families. The  
women's groups will be special  
guests on Wednesday and a  
smorgasbord dinner on Friday  
evening will provide a climax  
for the celebration. At that din-  
ner several hundred civic and in-  
dustrial leaders will be guests  
of Goodwill Industries. A special  
award to a handicapped individ-  
ual will be made by Governor  
Williams. The closing day, Sat-  
urday, has been set aside for Boy  
Scouts, Girl Scouts and youth  
groups.

**U-M Expands Service  
to Small Business**  
Service to Michigan small bus-  
iness is being expanded at the  
University of Michigan.  
A field representative has been  
appointed to coordinate the Uni-  
versity's facilities with the par-  
ticular needs of local business-  
men in the state.

Richard Cook, of Lansing, who  
received the Master of Business  
Administration degree from the  
University in February, will be  
the representative for the Ex-  
tension Service and the Bureau  
of Business Research.  
Part of his work will be set-  
ting up sales refresher courses  
and cooperating with state trade  
associations. Courses have been  
given in Coldwater, Plymouth,  
Frankenmuth and other com-  
munities.

**CARD OF THANKS**  
I wish to thank my neighbors,  
friends and relatives for the many  
lovely gifts, flowers, cards and  
letters during my stay in the  
hospital. I especially want to  
thank the Drs. Atchison, Wetter-  
stroem, Belasco, Capuzzi and  
Robinson and the nurses of the  
hospital for their splendid care.  
Marie Knapp. 42x

**Garrier Just Took Mail Home  
When His Feet Began to Ache**  
CHICAGO, Ill. — Bernhard A.  
Dreyer, 23, a mail carrier and part  
time golf caddy, told postal inspec-  
tors recently that his aching feet  
prompted him to skip making all  
his mail deliveries.  
He told inspectors he took the  
mail to his four room bachelor  
apartment when his feet hurt. He  
had been on the job for three and a  
half years.  
Much of the mail, he said, was  
incorrectly addressed. Hundreds of  
letters, post cards and pieces of  
third class mail were found in  
Dreyer's room.  
He was held for action by the  
grand jury.

**Deer Causes Minneapolis  
Traffic Jam; Roundup Held**  
MINNEAPOLIS, Minn. — Deer  
are becoming so thick around  
Minneapolis that the police de-  
partment had to stage a round-  
up recently.  
A herd of five invaded the city  
and caused a traffic menace.  
Frightening the animals with  
their headlights, the police tried  
to drive them out of the city.  
But the deer jumped hedges,  
ducked down alleys and cut be-  
tween houses. The police had to  
radio for reinforcements. They  
finally cornered the deer and  
drove them out to a wooded sec-  
tion west of the city.

## Grid Stadium Is Site for MSC Graduation

Michigan State College will  
have an outdoor commencement  
in Macklin Field stadium Sun-  
day, June 3, at 5 p. m.

This is the first time MSC  
commencement ceremonies have  
been held in the stadium. Since  
1948, graduation has been held  
the first Sunday in June in Jen-  
nison field house.

The location was changed from  
Jenison field house to the sta-  
dium at the request of students  
who wanted more tickets for re-  
latives and friends. In case of  
inclement weather, the ceremo-  
nies will revert to the field house,  
which will also be decked in  
graduation attire.

To add a library to a house is  
to give that house a soul.—Cicero.

Woman cannot be flattered,  
anything good said of her is true.  
C. A. Bowsher, 1913.

# News from Novi

By Mrs. L. Rix

Mr. and Mrs. Charles Perry spent Sunday with their daughter and son-in-law, Mr. and Mrs. Thomas O'Dell in Clinton. Mrs. Thomas O'Dell, Sr. has been on the sick list.

Friends of Mrs. Bertha Wood report that she is ill at St. Peter's hospital, Florida where she is spending the winter months.

The local Blue Star Mothers Chapter 47 has been very active in hospital work since the first of the year. Mrs. Russell Race, state hospital chairman for this area, who is also a member of the Novi Chapter, submits the following report: Mrs. R. E. Ward, Mrs. Thyra Gardella, and a friend of Mrs. Ward, made a trip to Percy Jones Hospital last February. They took with them 35 dozen cookies and were permitted to go through the hos-

pital. On February 22 the Blue Star Mothers gave a party at Dearborn Veterans Hospital with games and prizes, served cookies and ice cream and distributed 80 dozen cookies. The members who went were: Mrs. Pennell and Mrs. Ramsey of Wixom and Mrs. Gardella, Mrs. Ginstie and Mrs. Race of Novi. Five members spent one day at the Fort Wayne induction center serving doughnuts, sandwiches and coffee to the men leaving for the service. Wednesday several members distributed at Maybury San, 62 Easter baskets filled with candy, colored eggs, cigarettes and cookies with an Easter card for each patient. Three money making projects are listed: a dinner served to the Board of Commerce in January; a card party and quilt drawing in February and a bake sale scheduled for March 31.

Mrs. Alex Lawrence, chairman of the Northville Girl Scout leaders, was the guest speaker at the Novi Girl Scout anniversary celebration last Friday evening. Mrs. Fred Solomon, leader of the Scouts, had charge of the investiture service when eight Brownies became Girl Scouts. Second class awards were made to Carol Clemens, Shirley Snow, Phyllis Wendland and Mary McDermaid. First class awards went to Donna Frisbie and Kathleen Leavenworth. Other awards were made. The Mothers Club presented bouquets to Mrs. Fred Solomon, leader, Mrs. R. E. Hager, assistant leader, Mrs. Charles Verhaag, Mrs. Kenneth Cook, Mrs. George Lien and Mrs. T. S. Edwards, Brownie leaders. The older Scouts served punch and cookies. The older group of Scouts meet each week on Wednesday evening and the younger group on Thursday afternoon at the school.

Miss Fanny Fry of Franklin Village is a new patient at the Novi Convalescent Home. Mrs.

Helen Stuart had a birthday party March 6. Twelve friends and relatives were present. Mrs. Stuart received several lovely gifts and refreshments were served to the guests. On St. Patrick's Day evening, Mrs. Tiel and Mrs. Raffle visited their mother, Mrs. Anna Raffle and gave a little party for everyone there. Mr. William Blackwell was visited by his daughter and her family of Detroit one day last week. Last Sunday, Mr. and Mrs. William Rescoe of Detroit, visited the former's mother, Mrs. Edith Rescoe. Mr. and Mrs. Varian of Detroit visited the latter's mother, Mrs. Anna Varian, last week. Ray Stuart of Detroit is a daily visitor who calls to see his wife, Mrs. Stuart. Mr. and Mrs. Ray Nash of Plymouth called on their mother, Mrs. Mary Shearer, recently. Mrs. Elizabeth Hall is spending a few days with her daughter, Mrs. H. Slater in Rosedale Gardens. Miss Caroline Taff's visitor one day last week was Mrs. Commer of Detroit. Mrs. Charles Fox made her weekly visit with her mother, Mrs. Carrie Gehring last Saturday and Mr. and Mrs. Sidney Wood visited their mother, Mrs. Krapp.

Mr. and Mrs. Russell Race spent Sunday with Mrs. Race's mother at Bad Axe.

Mr. and Mrs. Luther Rix and Mr. and Mrs. David O'Leary and Randy were the Sunday dinner guests of Mr. and Mrs. Edward Rix in Plymouth.

The Star Federation of the Women's Christian Temperance Union will meet for an institute at the Walled Lake Baptist church Tuesday, March 27. The meeting will begin at 10:30 a. m. and close by 3:30 p. m. with lunch at noon. The Novi Union has a part in the program.

## NOVI LODGE NEWS

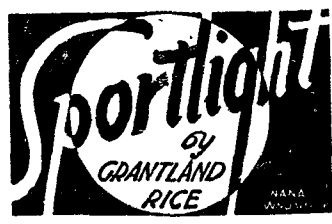

The next regular session of Novi Rebekah Lodge will be Thursday night, March 22.

A degree team party and practice, will take place Wednesday evening, April 3 at Oddfellow hall. The hostesses will be Grace Frisbie, Elva Bean and Margaret Marshall.

The Novi Rebekah Lodge will serve dinner to the Novi Board of Commerce Thursday evening, April 4 at the lodge dining room. The committee in charge is Flossie Eno, Kathryn Bachert, Irene Kahrl and Irene Staman.

Several members of Lakeside Lodge at Novi, plan to attend "Visitation" at Fenton, Tuesday evening, March 27.

Lillian Trickey will entertain the Novi Past Noble Grand club at her home on Thursday, March 29.

## Football vs. Education

THE FESTIVE (after a fashion) game of football has its share of troubles today, but nothing that encroaches on education. Football is numerically too small to have any adverse effect on a student's career.

For example, in a Midwest university of some 14,000 students you'll find around 100 football players. You will also find that in most cases the football player meets the same student requirements as anyone else. This isn't always true. There are colleges with low standards of admission and low student standards later on. But these are in the minority.

What is it about football that has caused Athletic Director Dick Larkin of Ohio State to label the game a "Frankenstein Monster"?

Apparently we have asked a question that we can't answer. What has hurt football is not only the demand for a winner everywhere—but also the various devices used in trying to get this winner.

You don't hear a demand from students or alumni for a winning baseball team—a winning crew—a winning basketball team—a winning track and field team—a winning hockey team. But if you have a losing football team for over a year the howl that follows is heard around the world as the losing coach is catapulted into oblivion.

The alumni and student body or bodies take to the warpath in full war panoply, including tomahawks. As fine a game as football is, we can't see that its importance belongs above all other sports. It is difficult to call a sport amateur that takes in from \$1,000,000 to \$1,500,000 at the gate in one season for one team. No other sport can draw 100,000 people for one game and often turn another 100,000 away. The Army-Notre Dame game could easily have drawn over a million people at \$5 a seat if there had been room enough. This is moving pretty high up for what was originally intended as "exercise, recreation and entertainment." A river is a fine thing for a community, but it isn't so helpful when it turns into a raging flood. A cooling breeze can be useful, but a hurricane or tornado seldom helps.

## Suggested Cures

There is no questioning the fact that football's importance as a college sport should be brought back to the importance of other sports—if possible.

Many cures have been suggested. John Kieran, an ex-college athlete and a keen thinker, suggests that all gate receipts be abolished—as they are in some instances. That would be the complete answer.

Others have suggested the abolishing of all post-season and all bowl games. This would reduce part of the annual autumn hysteria.

A big part of football's weakness is the pressure put upon college coaches. Such colleges as Princeton, Yale, Tennessee, Miami, Kentucky, etc., have answered this by signing coaches for 10 years or for life.

You can stop colleges from paying for talent, but no one yet has been able to think up a device that will stop alumni from offering under the table as much as \$5,000 to a worthy athlete who can help win a few games. These outside funds often run from \$100,000 to \$150,000 a year. It costs around \$250,000 to run a big-time football season.

A coach's job no longer consists of simply coaching a football team. He must become a touring orator, taking in banquets all over the map.

"I haven't been home with my family but two days since our season closed," one leading coach told me recently. "And that was over two months ago. If I have to look at rubber steak and stale potatoes again, I think I'll pick out some tall building for a jumping take-off."

Football is still a great game—one of the greatest of all competitive sports. It has simply been pushed into an importance it doesn't deserve. Just how to cure this overgrowth is something beyond our limited reach. Its so-called friends are the main wreckers.

## The Big Smear

There have been intermittent scandal uprisings in sport between the Black Sox trouble of 1919 and the basketball mess of 1951. But these are the twin peaks of shame, corruption and complete crookedness. Baseball had a terrific let-down around 1918, 1919 and 1920 before Judge Landis took over in 1920. Any number of games were thrown by various teams and players in those three years. More than a few people knew about it.

Three rats will usually eat as much grain daily as two top-production laying hens.

## Uncle Sam Says

"SAVE AND THRIVE" Andrew Jackson BUY U.S. DEFENSE BONDS

Andrew Jackson, our seventh President, said: "Save your money and thrive or pay the price in poverty and disgrace." Ten years ago millions of Americans started buying U. S. Defense Bonds. The money invested in those Bonds helped to finance the greatest war in history, and it helped finance the owners in carrying out many needed projects. Join the ranks of millions of wage earners who are providing security for their country and themselves by enrolling for the Payroll Savings Plan where you work.

# FORD WINS AGAIN!

## V-8 TAKES FIRST PLACE IN CLASS "A" 1951 MOBILGAS ECONOMY RUN

Both Ford V-8 and SIX Deliver more than 25.9 miles per gallon

\*Gruelling 840-mile test proves Ford Economy

Again this year... it's high honors for Ford! In the most important economy trial for American stock model cars... the famous annual Mobilgas Economy Run... A Ford 100-h.p. V-8 equipped with Overdrive took first place competing against all cars in its price class, making 54.587 ton-miles per gallon\* and 25.994 miles per gallon. And its companion in quality, the new Ford SIX with Overdrive, was right up there with the winner. In fact, both cars averaged better than 25.9 miles per gallon.

Traditional Ford economy, for the second straight year, has been proved in open competition. Proved on the tough 840-mile grind from Los Angeles to the Grand Canyon... a course that included city traffic, below-sea-level desert heat and 7,000-foot mountain passes. Ford's Automatic Mileage Maker, standard equipment on all Ford V-8's and SIXES, contributed to this great achievement by squeezing the last mile out of every drop of gasoline.

Why not "Test Drive" the new Ford at your neighborhood Ford Dealer's? There's no better way to be convinced that "You can pay more but you can't buy better!"

\*The AAA Contest Board determines the winner by a "ton-mile per gallon" formula to insure equal chance for all cars in each class regardless of size and weight. Ton-miles per gallon equals the car weight (including passengers) in tons, multiplied by number of miles travelled, divided by number of gallons of gasoline consumed.

## MATCH THIS OIL BILL IF YOU CAN!!

50 CENTS PER DAY FOR OIL HEAT

## BUY WINKLER AUTOMATIC OIL HEAT

Mr. Eggenberger states: We burned 890 gallons of oil for total cost of \$115.70 from Sept. 27, 1949 to June 6, 1950. The year before we burned \$136.46 worth of coal. Very happy to save \$20.76 with WINKLER Oil Heat over coal, plus convenience and cleanliness and no ashes and coal to shovel.

Oil bill of \$115.70 for 230 days gives us very low cost of 50c per day for automatic oil heat in our large 2-story home. You can see why we like our WINKLER furnace.

Signed: KARL EGGENBERGER.

Thank you, Mr. Eggenberger, for telling how you actually heated your home with oil for less than cost of coal. Watch this space next week for another WINKLER story.

## Cold Weather Gives Chickens the Dickens

This winter weather doesn't help the Easter Egg chickens, either.

That's the nickname for the comparatively scarce breed of Aracauna chickens owned by Wallace Westerfield, 50888 West Nine Mile Road. The Aracaunas are warm weather birds and Michigan's wet winters give them a form of rheumatism.

They perk right up when summer comes, but they're not very happy right now about performing their specialty . . . laying colored Easter eggs . . . blue, green and speckled ones.

Don't get excited. You wouldn't want to buy them. They retail for about a dollar each. At twelve bucks a dozen, breakfast would come a little high.

## Commission Votes to Buy Police Car

At the Village Commission meeting Monday evening, the Council voted to buy a 110 horsepower Ford car with a Mercury engine from the Bev. Smith Motors, Inc. for use in the police department.

The council approved the purchase of trees to be planted on the northwest side of the Village to replace those cut down this winter. The planting will be done in April by the Green Ridge Nursery.

Once frozen meat is thawed, you should never re-freeze it. It is then more perishable than meat which has been only chilled.

Ralph Altenberg, a resident of Northville for 29 years, passed away Monday at the Veeran's Hospital in Bay Pines, Florida.

Mr. Altenberg was born 55 years ago in Charles City, Iowa, to the late Leo and Katherine Altenberg. He was a veteran of World War I in which he served with the 32nd division. He was a member of the local American Legion Lloyd H. Green Post 147 and of the Veterans of Foreign Wars Post in Wayne. Mr. Altenberg was an employee of the Maybury Sanatorium for 23 years.

Funeral rites will be conducted Saturday at 2:00 p.m. from the Casterline Funeral Home under the auspices of the local American Legion Post 147 and the Wayne V.F.W. Post. Rev. A. E. Miller of the St. John's Episcopal Church in Plymouth will officiate. Interment will be made in Cadillac Garden Memorial Cemetery in Wayne.

He is survived by his widow, Edna, now of Owosso, a son, Lloyd Newton of Owosso and five daughters, Mrs. Marie Holmes of Owosso, Mrs. Leona Bateman of Mason, Mrs. Lou Creego of Owosso, Mrs. Lolis Nimmo of Owosso and Mrs. Doris Heurd of Cornuna.

Also surviving is a sister, Mrs. Esther Wethers of Butte, Montana and two brothers, Alvin of Owosso and Ray of the Village.

On Old Mission Peninsula, near Traverse City, cherry trees grow 20,000 to the square mile. This is the largest concentration of cherry trees in America.

## Exchange Club Passes Resolution

At a recent Exchange Club meeting, the following resolution was passed:

Whereas the teaching and development of good citizenship and the building of Americanism is especially important at this time and

Whereas Americanism and good citizenship are objectives of the National and the Northville Exchange Clubs and

Whereas the American Legion, Departments of Michigan through the Wolverine Boys' State is making an outstanding contribution in this regard and

Whereas the Northville Exchange Club is permitted to participate in this activity through the Lloyd H. Green Post No. 147, therefore be it

Resolved that the American Legion be commended for this splendid work and thanks for the privilege of cooperating in it.

**BOY SCOUT TROOP N-5**  
The Boy Scouts of Troop N-5 met at the Scout Building Wednesday.

We had our election of officers and the following scouts were elected: Sr. Patrol Leader, Jim Allen; Quartermaster, Vic Miller and Scribe, Ken MacKay.

There will be a Scout dance March 24 at the Scout Building from 7:00 to 11:00 p.m.

Saturday the Lion Patrol went to Plymouth to a first aid meeting.

## Immigrant Shows Gratitude By Leaving Lodge \$10,000

**GREEN BAY, Wis.**—The Odd Fellows lodge of Green Bay received \$10,824 recently and therein is one of the strangest stories of many a day.

Sixty years ago while the lodge hall was building, a penniless immigrant youth asked the member in charge for a job.

When the building was finished, the workman—one Nels Johnson—asked the boss if there was anything he could do to show his appreciation.

And the boss replied jokingly, "If you ever get any money, you might leave some to the IOOF."

A half century later members of the lodge were advised by a Rochelle (Ill.) attorney that one Nels Johnson had left them a bequest.

The name meant nothing. Some optimistic souls thought the bequest might be \$100.

When the check arrived it was for \$10,824. That was the dividend paid by the Danish immigrant, factory hand, industrialist and finally financier. Johnson left an estate in excess of \$200,000.

## Count Shows U. S. Rolling In Chips — Potato, That Is

**CINCINNATI, O.**—The United States is really rolling in chips—potato, that is.

A spokesman for the industry estimated that 92,688,750,000 potato chips were eaten last year—a record. How do they know it was that many?

A public relations man for the institute reported that 294,250,000 pounds of the chips were consumed. Asked how many chips that meant, he said he did not know, but would find out.

Several hours later, he reported: "I got a pound and counted them," he said. "There are an average of 315 chips to the pound. My multiplication shows that to be about 92,688,750,000."

## Report Influenza Cases on Decline

"The high percentage of cases of influenza reported throughout the county have declined in the last few days. There are as yet no adequate vaccines available for protection against this disease which is often confused with the common cold; however, there is no cause for alarm over the present 'outbreak in our area', says Dr. Littlejohn, Director of the Wayne County Health Department.

Dr. Littlejohn stresses the need for immunization against those diseases which are preventable. He stated that vaccination is particularly important since three persons in communities within the jurisdiction of the health department have been reported to be potential sources of smallpox infection. These individuals have just returned from a smallpox epidemic area in England.

One death of a three-year-old girl from diphtheria has been reported in Detroit this month. This child had never been protected against the disease. Three other children in the family who had been immunized were safe and did not contract the disease.

Easy and quick methods of transportation, and shifts in population make it possible for such diseases to be readily spread from person to person not only in neighboring communities and cities, but also from one part of the world to another.

Dr. Littlejohn added that Civil Defense needs make protection against these preventable diseases essential. He also stated that in addition to the above diseases for which reliable means of protection are available, control of communicable diseases in general is important in face of the numbers of cases of chickenpox, mumps, and scarlet fever that are now being reported in the county.

## Brass Orders Army Rookies Be Called Privates Again

**WASHINGTON**—The army again will call the rookie a private, instead of a recruit, for morale and administrative reasons.

Since August 1, 1948, soldiers in the first four months of basic training had been called recruits. But under the present accelerated training program, the army reported, many soldiers complete basic work in less than four months and go into specialist training still with the title of recruit. The army said it found this had a bad effect on morale.

## Many Children Enter Kite-Flying Contest

The kite-flying contest which was held Saturday at Ford Field was attended by 71 local youngsters. The Northville Recreation Committee which sponsored the affair states that ten prizes were given to winners of the highest, fastest and most unusual kites.

First place winners in their age divisions were: Bob Gillick, Walter Thomas, Jimmy McCarthy and Bea Thomas.

The wind increased right after the contest began and some kites were up over 900 feet before the afternoon was over.

The final contest will be held next Saturday afternoon starting at 1:00 o'clock at Ford Field.

## Shoppers in Memphis Are Honest; \$132 Is Returned

**MEMPHIS, Tenn.**—William Minshew, 18, a Kosciusko (Miss.) student at the Memphis business school, will tell you that Memphis shoppers are honest. He dropped \$132 in bills from his pocket recently. A stiff wind scooped them up and sent them flying. All but one dollar was returned after a newspaper story described the "rain" of \$1, \$10 and \$20 bills over surprised shoppers and gave Minshew's explanation.

## Archaeologists Find First Roman Grave in Denmark

**COPENHAGEN, Denmark**—Archaeologists and historians are excited and bewildered by the recent discovery of a Roman grave in Denmark.

Archaeologists are excited because there is no record in the writings of any Roman historian of an expedition to Denmark and only vague references to daughters of Romans being carried off by Cimbrians and Teutons.

History is equally vague as to the fate of those two northern nations after they attacked southward and were smashed by Marius at Aquae Sextiae and Campi Putridi. All that is known is that some remnants went to Britain and others returned to their original homeland in southern Sweden and Denmark.

The grave is that of a woman and a wealth of Roman art objects corresponding to a period about the middle of the third century B. C. have been found.

The only Roman grave ever discovered outside the outermost limits of Rome's spread was a mound in southern Rhodesia, where a Roman style mausoleum was found apparently constructed by the legions that was captured by the Scythians and carried away into what was then a land of mystery.

## Lutheran Church Is Scene of Miller-Cochran Wedding

St. Paul's Lutheran church Friday evening was the scene of the marriage of Marlene I. Cochran of West Ten Mile Road, and Dwight K. Miller of Pontiac Trail, South Lyon.

Louis Meisner presided at the organ and Richard Miller of Ann Arbor, soloist, sang "Because" and "The Lord's Prayer". White tapers and two large baskets of snapdragons and carnations flanked the altar with matching bouquets adorning the altar. Rev. Edwin E. Rossow read the double ring service in the presence of 350 guests.

The bride who was given in marriage by her father chose a colonial gown of blossom white nylon marquisette which was fashioned with an embroidery of pearl beads in petal motif on the chantilly lace bertha collar of the basque. The skirt fell in graceful lace bordered tiers, ending in a wide train. A chantilly lace cap held in place her finger-veil of illusion, and she carried two white orchids showered

with streamers on a white prayer book.

Maid of honor was Donna Jean Schnute of Grandview avenue who wore a floor length gown of white organdy with frosted dots over lavender taffeta. The gown was designed with cap sleeves, Peter Pan collar and tucked bodice which buttoned from collar to waist. A lavender bonnet and sash completed the ensemble, and she carried a yellow lace fan, centered with yellow iris.

Bridesmaids Mrs. Alton Miller of South Lyon, Mary Lou Dowsett of Flint and Lorraine Lueker of Brighton were attired in gowns like that of the maid of honor. Their bonnets and sashes were carried out in rainbow colors and they carried lace fans centered with iris.

A cousin of the bride, Diana Korzon, was flower girl and she was gowned in white organdy and lace over yellow taffeta. She wore a white organdy bonnet with yellow streamers and she carried a yellow lace basket filled

with daffodils. Ring bearer was the bride's cousin, Norman Balko who carried the rings on a white satin and lace pillow.

Best man was the bridegroom's brother, Dwight K. Miller of South Lyon and the guests were seated by another brother, Alton Miller, Milton Heidt, Dale Kimberly of South Lyon and Norman Balko of Northville.

For her daughter's wedding, Mrs. Cochran chose a navy and white ensemble. Mrs. Miller was attired in navy and pink and both mothers pinned orchid corsages to their shoulders.

A reception followed at the parish hall. The bridal table was decorated with a floral arrangement of stock and tulips flanked with lighted tapers in crystal holders on either side. Mrs. Erwin Schneider of Saline was in charge of the wedding cake and Laura Peters of Ann Arbor was in charge of the guest book. Both ladies were presented orchid corsages.

The young couple then left on a short wedding trip to an unknown destination. For going away, Marlene changed to a rose suit with blue accessories and an orchid corsage.

Upon their return they are at home at 319 Whipple street, South Lyon. Marlene is the daughter of Mr. and Mrs. F. E. Cochran of West Ten Mile Road, South Lyon, and she was graduated from South Lyon High school and Cleary College. She is secretary at the Board of Education Offices.

Her husband is a graduate of South Lyon High school and he is engaged in farming. His parents are Mr. and Mrs. Lawrence Miller of South Lyon.

## Mrs. Willis Submits Feb. Cancer Report

Cancer dressings were completed by the following people: Mrs. Wm. H. Aston's group, Mrs. Harriett Angell's group, The Past Matrons of Northville, The Afternoon club, Extension group No. 1, The Women's Society of Christian Service, of Novi, The Baptist Church Ladies of Novi and Mrs. Emma Reid.

Materials for making the dressings were furnished by Mrs. John Litsberger, Mrs. L. M. Eaton, Mrs. Roy Matheson, Mrs. Vernon Newton, Mrs. H. R. Richardson, American Legion Auxiliary, Mrs. F. R. Curtis, Mrs. Jas. Huff, Mrs. P. Biery, Mrs. Ernest Wilsher, Mrs. Joe Revitzer, Mrs. W. E. Forney, Mrs. Howard Rodgers and a number who left salvage without their names.

Cancer patients are furnished supplies free of charge and they are obtainable at any time at headquarters, 119 Rayson street, Mrs. E. J. Willis, district chairman.

Mr. and Mrs. David Catton of Griswold Road are the parents of a daughter, Beth Ann, born March 8 at Sessions Hospital. Beth Ann's birthweight was seven pounds, six ounces.

## BRIDE OF MARINE

MRS. FRANK J. FLOCK

## Janice Covell, Frank Flock Wed in California Ceremony

From Maywood, California comes news of the recent marriage of Janice Arline Covell, daughter of the Roy Covells of Maywood, formerly of Thayer Blvd.

Janice and Corporal Frank J. Flock, USMC, were united in marriage February 10 at St. Rose of Lima Church. Baskets of white gladioli and white stock formed the setting for the double ring service which was read by Rev. Arnold Biedermann.

Given in marriage by her father, Janice chose a gown of traditional white satin which was fashioned with a scalloped neckline of Alencon lace. The Alencon lace was also featured in a deep peplum gracefully falling over a full skirt cut to form a short train. A tulle coronet held her illusion veil which was edged in lace in place. Janice carried a bouquet of white stephanotis which was centered with a white orchid.

Maid of honor was the bride's sister, Hazel who wore a turquoise tulle gown with matching tulle headdress and she carried a bouquet of American Beauty roses. A cousin of the bride, Barbara Jean Frayer was flower girl and she wore a gown and bonnet of pastel pink taffeta. She carried a colonial bouquet of pink sweet peas.

Best man was Corporal James Johnson, and seating the guests were Corporal Richard Zavala and Pfc. James Marshall. For her daughter's wedding, Mrs. Covell chose a navy blue ensemble with white accessories. The bridegroom's mother chose a dark brown dress. Each mother wore an orchid corsage.

A reception for 50 guests followed at the home of the bride. The young couple then left on a wedding trip to Santa Barbara, California. For going away Janice chose a navy blue ensemble with white accessories and a corsage of white orchids.

The bride was graduated from Northville High school, Michigan State Normal College, Ypsilanti, and the University of Michigan, Ann Arbor. For the past few years she has taught school in Long Beach, California.

The bridegroom was graduated from St. Joseph Collegiate Institute and he attended Canisius College, Buffalo, New York, before entering the Marine Corps. He is stationed at the Naval Ammunition and Net Depot at Seal Beach, California. He is the son of Mrs. Nicholas Flock and the late Mr. Flock.

Out of town guests at the wedding were Mr. and Mrs. Oscar Frayer and Mr. and Mrs. Orley Kaser of Deerfield, Michigan and Seaman Nicholas Amigone of the U. S. Navy, San Diego, California, formerly of East Aurora, New York.

The seniors at Northville High School Thursday heard Mr. Mitchell from the Detroit Business Institute discuss the business opportunities available to young graduates.

## Show Cancer Film at Methodist Church

Through the courtesy of Rev. William A. Johnson, of the Methodist Church, the American Cancer Society will show a film on "Breast Cancer" on Tuesday afternoon, April 3 at 2:30 p. m. in the Church House.

Mrs. E. J. Willis, states that it will be of vital interest to every lady in this vicinity, and an invitation is cordially extended to all who are interested in this work.

Appointments may be made for examinations at the Cancer Detection Centers, and will be given prompt dates. A new method of covering dressings will be on display, along with the fine work done in Northville. There is no admission charge, and no collection will be taken. Mrs. Willis will announce the reception committee in the next issue of the Record.

We met in the Grade School lunch room March 19. We took the dues and had the roll call. Patsy Berdan's birthday was today so Mrs. Austin baked a cake for the girls.

We decided what we were going to do the week after next. If it is a nice day we will go to the Farm Crest Farms and see the cows. We played some games. They were the Polka Ach-Ja which is a folk dance and song. Then we closed the meeting with the taps.

automotive production area.

Because of these things, the battle now raging behind the scenes in Congress, over the proposal of Treasury Secretary Snyder drastically to reduce so-called depletion allowances to petroleum producing companies with respect to their federal taxes, is vitally important to every Michigander.

Under the present federal law, petroleum producers are given a twenty-six per cent depletion allowance. This means that twenty-six per cent of the oil taken from the wells is tax free. What it amounts to is a substantial reduction in taxes.

The money thus saved by the oil producers is used to pay the costs of exploration, the seeking of new oil deposits, and developing of new wells.

Treasury Secretary Snyder proposes to reduce this allowance by at least half, in order to squeeze more taxes out of the petroleum producers.

The producers point out that Interior Secretary Chapman, as Petroleum Administrator for Defense, has asked the oil producers to increase production by at least 1,000,000 barrels daily, as a means of assuring adequate wartime supplies of lubricants and high test gasoline.

They point out further that oil exploration is such a gamble that they cannot borrow money at banks for the purpose. They have to take it out of their own incomes. If the depletion allowance is reduced, explorations will be curtailed, and petroleum supplies will fall off, at a time when increased supplies are most needed.

Still further, they point out that reduced petroleum supplies will affect, not only the oil producing industry, but many others, including the automotive industry, so that in the end employment will fall off, many companies will fail, and the government will collect less instead of more taxes.

In support of a continuation of the twenty-six per cent allowance, the oil producers cite figures to show that since 1918, when the depletion allowance was set at twenty-six per cent, proved oil reserves have increased by five times, although consumption has increased four times in the same period. At the same time, the retail price of gasoline, excluding taxes, is about twenty per cent less than the 1918 price, and for a far superior product.

It would seem to me that Congress acted wisely in setting the depletion allowance at twenty-six per cent and that it should not be cut at this time.

Figures made available this week show that Marshall Plan participant nations have reduced their national debts over the past two and one-half years by a grand total of \$1,202,300,000 while Uncle Sam's national debt has risen to about \$260,000,000,000—an all-time high. A lot of those foreign debt reductions were made with the money of American taxpayers.

### Charges Unreasonable Standards for Induction Threaten Security

America will be ill-prepared for all-out war unless its armed forces abandon the unreasonably high standards which are screening able men into the 4-F junk pile.

That's the finding of a Cosmopolitan magazine reporter who claims that the new mental test for the service would have eliminated some of the best fighting men of World War II, including Congressional Medal of Honor winners.

Writing on "The 4-F Scandal" in the March issue, the reporter quotes Selective Service Director Lewis Hershey as saying that he doesn't believe six million of the nation's 150,000,000 people could pass present-day induction standards.

According to the article, "an artful draft dodger could deliberately flunk the Armed Forces' mental test. Despite double checks on flunkers, fifty percent of the men rejected between last July and October were turned down for failure to pass the mental examinations."

The author states that one out of every four registrants is rejected for physical defects. He names top-flight athletes . . .

golfers, gridiron stars and baseball players . . . who were listed as 4-F's during World War II.

"Today," he points out, "the armed forces have raised, instead of lowered, the unreasonable standards they applied during the last war."

Colonel Warner Bowers, chief

surgical consultant to the Army, believes that the wholesale rejection of selectees is a national disgrace, says the reporter. The same officer, he adds, drew up a memorandum showing that the 4-F's could handle more than fifty per cent of the Army's jobs.

## Tree Trunk Girdling Produces Earlier Northern Spy Apple Crop

Northern Spy apple trees don't usually bear fruit until they are 12 to 18 years old. However, in tests conducted by the Michigan State College Agricultural Experiment Station, trees were made to produce sizable crops when only 9 years old.

The tree trunks were girdled by removing a strip of bark one-eighth-inch wide, 12 inches above ground level. The cut was made to the depth of the wood, completely encircling the trunk. The girdling wounds were then coated with grafting compound. Trees girdled in late May of their eighth year produced fruit the ninth year. While subsequent girdling did not produce as great yields, girdled trees were far ahead of ungirdled trees by the time the latter began to produce fruit.

Full information about girdling to produce apple crops more efficiently can be obtained by calling or writing your County Agricultural Agent.

### Schoolmasters To Meet at U. of M.

The Michigan Schoolmasters Club will hold its 64th annual meeting at the University of Michigan, April 27-28, with about 3,500 teachers and school administrators in attendance.

Dr. Alexander G. Ruthven, President of the University, will be especially honored by the Club this year in recognition of his 22 years as head of this institution. He is to deliver the address at the opening general session of the Schoolmasters and will be honor guest at the Club's annual dinner.

Dr. Ruthven's topic before the Schoolmasters will be "Religion, Morality, and Knowledge—Our Cornerstone." At the dinner at which he will be honored, the speaker will be Dr. Charles L. Anspach, president of Central Michigan College.

In addition to their general sessions, the Schoolmasters meeting will include 20 group conferences on special educational topics, ranging from art to vocational training.

### Case of a Missing Jury Is Solved After All-Day Search

GRAND RAPIDS, Mich.—The case of the lost jury caused a number of chuckles around Grand Rapids courthouse. Judge Leonard Verrier excused the jury while an attorney argues a motion. When the arguments were finished the jury was nowhere to be found. After an all-day search, a court attendant happened to walk into the jury room. There was the jury, waiting for someone to call them back to court.

## Edison Outlines Kite-Flying Rules

Kite-flying days are here again - - and a Lincoln Park boy's narrow escape from death is a reminder of the dangers of this fine sport.

The boy, in this case, was in no way at fault. He was running to the scene of a repair job on a 4,800-volt electric line that had been short-circuited and severed by someone else's kite-string. Before Detroit Edison crewmen or police guards could warn him, he brushed against a live wire that was in process of being disconnected.

Result—leg burns that required hospital treatment and shock that might have been fatal if a line crewman had not cut the wire almost at the moment of contact.

R. P. Douglas head of the Detroit Edison Company's safety department, today suggested some rules for keeping the danger out of kite-flying, as follows:

1. Always fly kites in open fields - - away from any overhead wire.
  2. Do not use a metal kite-frame; use only wood, which is a non-conductor of electricity.
  3. Do not use tinsel twine or cord that has any appearance of being metallic. This kind of cord can carry electricity to the hand of the kite-flyer and cause painful injury or fatal shock.
  4. Do not climb a pole or tree to get a snagged kite. The result may be electric shock or a fall.
- "Kite-flying is a great sport for boys and girls everywhere," Douglas said, "and it can be kept safe if these simple rules are observed."

**NEW DODGE**  
"Job-Rated" TRUCKS

The trucks that do the most for you!

Makes driving  
extra easy!

New safety on  
slippery roads!

Better load  
protection!

You get smooth-as-silk performance with gyrol Fluid Drive—a Dodge exclusive available on  $\frac{1}{2}$ -,  $\frac{3}{4}$ -, and 1-ton models. This proved fluid coupling between engine and clutch eliminates jerky starts, helps prevent stalling. Loaf along in high, slow down in traffic, speed up again—all without touching the gearshift or clutch!

With Fluid Drive, there's less wheel-spinning, less tendency to skid on wet or icy pavements. You can start in higher gear, apply power gradually and get away smoothly and safely. Traction is applied more efficiently. With less wheel-spinning, tires last longer, too—another money-saving advantage of Fluid Drive!

Fluid Drive assures extra-smooth starts . . . protects your load. There's less chance for cargo to shift—less chance of breakage or other damage.

### WHAT "JOB-RATED" MEANS TO YOU

A Dodge "Job-Rated" truck is engineered at the factory to fit a particular job . . . save you money . . . last longer.

Every unit from engine to rear axle is "Job-Rated"—factory-engineered to haul a specific load over the roads you travel and at the speeds you require.

Every unit that SUPPORTS the load—frame, axles, springs, wheels, tires and body—is engineered right to provide the strength and capacity needed.

Every unit that MOVES the load—engine, clutch, transmission, propeller shaft and rear axle—is engineered right to meet a particular operating condition.

More  
convenience  
on hills!

Lengthens  
truck life!

Fluid Drive lets you stop on an upgrade and hold your Dodge "Job-Rated" truck in gear, simply by slightly speeding up the engine. And on a downgrade, Fluid Drive gives you effective engine braking. Under all driving conditions, Fluid Drive is easier on both driver and truck.

The "cushioned" power of Fluid Drive saves wear and tear on over 80 vital parts—including clutch, transmission, rear axle. This insures longer truck life—lowers your upkeep costs. And, trade-in value stays high! Ask us for interesting booklet on gyrol Fluid Drive.
