

This week the sock and tie collection for rehabilitation work at the Detroit House of Correction has been enriched by Frank Thompson, John Wortman, Rev. Harold F. Fredsell, Dr. Wilbur Steininger, Carl Johnson, Mrs. E. Wilsher, Harry Himmelstein, Mrs. Bertha Kerr, Mrs. Robert Scott, Mrs. E. H. Lapham and other kind citizens who didn't leave their names. Socks and ties in any condition are gratefully accepted to carry on this work. They may be left at the Record Office or at the home of E. J. Willis, 119 Rayson street.

The cold weather didn't stop the ladies from donning their best chapeaus to be in the Easter parade Sunday morning. Sailors, clothes, berets, bonnets, flower bedecked, laden with veiling, in a multitude of gay colors, were all very much in evidence. Most of them were worn however with a winter coat, for the temperature dipped to a low degree that morning.

Read the other day that the cost of living in Ceylon has been decreasing. Don't know how far your dollar goes, but the general complaint seems to be that they don't stretch very far. Northville's merchants would appreciate it however, if they were spent in the old home town.

## M. Beck Discusses Status of Women

Mary Beck, the first woman to be elected to the Detroit Council was the guest speaker at the Business and Professional Club's dinner meeting Monday evening.

Introduced by Mrs. Mollie Lawrence, chairman of the legislative committee, Miss Beck traced the rights of women from the time they gained the right to vote, up to the present day. She pointed out their civic responsibilities and the need for more qualified women to accept this charge. She explained that it is not an easy task for a woman to campaign for an office or to fill that position after one is elected.

Qualifications for a public office were outlined by the speaker. First, she said, one must have an intense desire to be a public servant, and then one must qualify oneself step by step to meet the needs at hand. Act wisely, and have the courage of your convictions, and never fear to introduce and support any issue that you feel will better the government, be it a village, city or state. She concluded her talk by urging the women to do their part in whatever field they may best be able to serve.

Mrs. Eliza Wagenschütz, a member of the Wayne County Library Board, spoke on Northville's pioneering in its library work. Northville was the first to own its own building and the first in the country to have a completely furnished home library. Mrs. Betty Hay sang "The Holy City" accompanied by Mrs. Gladys Connors.

## Mrs. Sober Reveals Painting Technique

Mrs. F. Donald Sober's technique for painting children was discussed in Sunday's Detroit News.

According to the article, Mrs. Sober applies a technique for wiggling children, similar to that which is used by John Singer Sargent, that of telling the subject that her nose will turn red or green. The subject is fascinated and will sit still so that the artist can capture his or her best qualities.

Mrs. Sober will be featured at the J. L. Hudson Fine Arts Galleries for two weeks. She says that she uses water color and oil for landscapes, still life, but for children she always paints with pastels. "Chalk moves like they do. It's a fluid medium. Oil sets a child."

The artist says that she never paints her subject smiling and starts them in on multiplication tables when they become restless. Children, eight years old and above pose well, she states.

Mrs. Sober, who resides on Sheldon Road, was educated at Wellesley College, Yale; graduate school, Wayne University and the University of Michigan. She was on the faculty at Wayne where she taught drawing and painting.

Home for Easter Sunday were the children of Rev. and Mrs. E. E. Rossow of Elm Street. Karl came from Concordia College, Fort Wayne, Indiana; Edwin, from Concordia Seminary, St. Louis, Missouri; Catherine, from her teaching duties in St. Joseph and Mr. and Mrs. Charles Billmeier and infant son, Mark Alan, of Saginaw.

## VOTE IN THE SPRING ELECTION, MONDAY, APRIL 2

### Registration Ends Saturday for Special School Election April 10

Saturday, March 31 is the last day for registering for the special school election April 10. All qualified persons in Northville and Novi School District No. 2 F.R.I. may register at the Board of Education offices in the Grade school on Thursday and Friday, March 29 and 30 from 9:00 to 11:30 a. m. and from 1:00 to 4:00 p. m. On the last day Saturday, March 31, registrations will be held from 8:00 a. m. to 8:00 p. m.

Superintendent Russell H. Amerman reports that well over 2000 persons are already registered and are eligible to vote in the election April 10. Persons already registered for the township elections are automatically registered for the school election. Anyone who is doubtful as to whether or not he is registered is urged to phone the school and check up on it, states Supt. Amerman.

### Father-Son Banquet To Feature "Magic"

"Waldo the Magician" will make his appearance at the First Methodist church house April 12 at the annual Community Father and Son banquet.

The entertainment committee promises an exciting evening for both the dads and lads and other entertainment acts will be announced in a later issue of the Record.

"Waldo the Magician" is outstanding in his field of tricks and appears at his best in community events. Tickets are now on sale and they may be procured from Roy Stone, Essie Nirider, Harry Sedon, Ed Bogart, Sam Stalter, Clarence Jerome, A. Russell Clarke Merritt Meaker, Fred Clark, D. J. Stark and Rev. William Johnson.

Proceeds from this year's banquet will go towards making necessary improvements and repairs at First Methodist church.

### Eighth Grade Tops Honor Roll List

The honor roll for the Northville Junior and Senior High school has been released for the first marking period. The eighth grade leads the list with 15 names on the roll.

Following are honor pupils by grades:

Seventh grade: Irene Bongiovanni, Kathleen Heatley.

Eighth grade: Dawn Campbell, John Clarke, Leanna Doeksen, Marcia Doeksen, John Funk, Betty Garrod, Adeana Gleason, Mary Lovewell, Marilyn McCarthy, Eddie Mollenau, Anne O'Leary, Dennis Proctor, Paul Schulz, Dale Swegles, Theresa Wicke.

Ninth grade: Ronald Birtles, Margaret Campbell, Bob Gregory, Jack Heard, Dale Mack, Jim Mitchell, Barbara Prunty.

Tenth grade: Pat Baskins, Janie Beckel, Richard Burton, Sally Davis, Theresa Duchesneau, Marlene Weiss, Eva White.

Eleventh grade: Marilyn Funk, Nancy Littell, Judy Sechlin, Mary Jean Woodruff.

Twelfth grade: Martha Chapell, Geraldine Hansen, Dorothy Kehrl, Helen Meaker, Alice Newton, John Rackow, Jan Kay Riley, Barbara Ruffan, Phyllis Starr.

### Union Lists Officers for Coming Year

Results of the March election of officers of the UAW-CIO local 896 have recently been announced.

Officers who have been elected are as follows: President, Charles Root, Jr.; Vice-President, Weaver Farmer; Recording Secretary, Walter Packer and Financial Secretary, Vernon Newton.

Sergeant-at-arms, James Dooley; Guide, Dale Richmond; Trustees, William Wilson, Richard Smith, Vern Benjamin; Chairman of Bargaining Committee, Wayne Thompson; other committee members, Gerald Raymond and Richard Bates.

Application blanks for absentee ballots may now be procured by going to the Board of Education office and filling out the necessary form. Those persons who expect to be out of town on that day or who are ill are urged to make application.

The special election was called by the Board of Education for the purpose of levying six mills (\$600 per \$1000 of assessed valuation) over a period of five years, from 1951-1956. The six mills will be used to carry on needed school improvements as the state aid is insufficient.

In 1946, the voters approved an eight mill levy for a period of five years, which ends in 1951. This eight mill levy was used to pay for salaries of increasing the faculty and maintenance staff, making necessary school improvements, and repairing the school buildings.

In essence, the school board is asking that the electorate renew six of these eight mills for another five years so that the school system can be maintained at its present level and that needed repairs can be made. In all probability there will be no increase in taxes.

### NHS Juniors Pick Three-Act Play

The Northville High school Junior Class held their first practice for Raphael Blau's play, "Mother Was A Freshman" Monday afternoon.

Under the direction of Miss Florence Panattoni, the following parts were cast: Mrs. Abbott, Gay Duerson, Andy Owen; Susan, CeCe Bloom, Joanne Toussaint; Mrs. Miller, Betty Haworth, Dorothy Benton; Sylvia, Nancy Tittell, Mary Jean Woodruff; Bonny, Marilyn Funk, Judy Sechlin; Helen, Bea Janichick, Maxine Clark; Carrie, Ruth Fulkerson, Nazera Shamee; Clara, Gail Matzen, Mary Lou Litsenberger; Marge, Marje Johnson; BoBo, Jim Clark, Chuck Dickinson; Jack, Bob Clark, Charles Lapham; Howie, Skip Burkan; Bill, Gaab; Jean Gillingham, Fred Weihe; Professor Michaels, Dave Lee.

"Mother Was A Freshman", at one time a Broadway hit, is a play in three acts. The scene is set in a college dormitory and the hilarious happenings are those which could only result when a daughter, who is a sophomore in college, goes to classes with her mother, a freshman.

### V. F. W. To Install Officers April 8

The Veterans of Foreign Wars Post 4012 recently elected officers, with Jack E. Nulty becoming Commander.

Other officers elected were Ward Schultz, senior vice commander; Wilbur Guelzow, junior vice commander; Stanley Myers, quartermaster; Myron Utley, chaplain; Jack Banks, surgeon. Installation ceremonies will be held April 8 at 2:00 p. m. at the VFW Hall on Plymouth avenue. Arthur Carlson is the outgoing commander.

### Legionnaires To Give Turkey Dinner Sun.

The Lloyd H. Green Post 147, American Legion is sponsoring a family style turkey dinner to be held Sunday, April 1 from 1:00 to 5:00 p. m. at the Veterans Memorial Hall.

Oscar Hammond has been elected chairman for the dinner and he will be assisted by Conrad Springer, George Simmons and Merrill Sweet. Tickets are obtainable from any Legionnaire or at the Carrington Agency. Patrons may also purchase tickets at the door.

Vernon Newton of First Street will attend the International Convention of the UAW-CIO in Cleveland April 1-6, as a delegate of the local chapter 896.

### Blaze Monday Levels Home in Township

A Northville Township home was leveled by a fire of undetermined origin which broke out Monday morning. The home of Mr. and Mrs. Vern Richards, 15170 LaSalle Street, was completely destroyed, along with household furnishings.

The Northville Fire Department answered the call but by the time that they arrived the flames had gotten out of control and the entire home was ablaze. The home and furnishings were said to be covered partially by insurance.

### NHS Pupils Chosen for Model "UN"

Northville High school will participate in the second annual Michigan High School Model United Nations sponsored by Hillsdale College on the Hillsdale campus, April 20-21.

The two day program will feature outstanding students from more than 40 Michigan High schools representing the sixty countries of the United Nations. Northville will represent Venezuela. Andrea Owen, Barbara Rutan, Earl Hollis and Tom Hesslip have been chosen by Merritt Meaker to make the trip to Hillsdale which is being sponsored by the local Rotary Club.

The issues which will be discussed in three of the main UN committees will concern China and other Asiatic problems, threats to peace in Western Europe, and the questions of improving UN machinery. Dr. Windsor H. Roberts, professor of history and political science at Hillsdale, is director of the program, which is jointly sponsored by the college International Relations Club and the Hillsdale Rotary.

### Northville Downs Maps Biggest Year

The Northville Downs which is scheduled to begin June 11 will present one of the biggest racing seasons in the history of Michigan State Trot programs. The perennial Governors Cup Trot and Michigan Pacing Derby each carrying a \$10,000 purse, will head the \$62,000 stakes program planned for the eighth year of the Northville Downs.

The track will offer seventeen early-closing events in their 54 night schedule. From opening night, the track will present a series of stakes ranging from \$1,800 to \$5,000. Among them will be the Perry Williams Pace, the Owen Brennan Trot and the Inaugural Pace, all worth \$5,000.

Horsemens are reminded that entries for all 17 stakes will close April 1.

Racing secretary for the 1951 track season will be Bill Connors who served in the same capacity a year ago, assisted by Johnny Jenuine.

### Fredsell Counsellor at Harper Hospital

Under the University of Michigan Extension Service and the Michigan Society for Pastoral Care, Rev. Harold F. Fredsell of The First Presbyterian Church will assist for one day a week during a six weeks period as hospital counsellor at Harper Hospital, Detroit.

The program will include bedside counselling and psychiatric social work. Lectures and seminars will be conducted in clinical training for pastoral counselling. Mr. Fredsell will represent the Presbytery of Detroit where he is Chairman of the Committee on Church Social Work. The program is sponsored in cooperation with the Social Service Department of the Detroit Council of Churches of which the Rev. Sheldon Rahm is Director. Twenty pastors will engage in this program from the Detroit area.

Mr. and Mrs. Walter Wacker of Hill Street were week-end guests of relatives in Elyria, O.

### Lutherans Plan Father-Son Banquet

A Father and Son banquet will be held this Friday, March 30 at 6:30 p. m. at St. Paul's Lutheran parish hall.

The program is in charge of the Lutheran Laymen's League. Principal speaker for the evening will be Blake Gillies, superintendent of the Detroit House of Correction. Nationally known artist-lecturer, Arthur A. Sinclair, has been engaged to entertain with his famous chalk talks. Edward Reynolds, Jr. will speak on behalf of the sons and Wilber Petz will respond on behalf of the fathers.

A local quartet consisting of Edward Drews, Arthur Schnute, Fred Sterner and Martin Strasen will give several vocal numbers. Community singing and other features are included insuring balance for an evening of entertainment, recreation and education. The ticket committee consists of Fred Sterner, Clyde Dethloff, Arthur Schnute and Arthur Janetzke.

Fred Fischer, president of the Lutheran Laymen's League is in charge of the program, and the following men have been appointed to serve on the committee: Fred Sterner, Earl Baughman and Edward Baughman.

The Father and Son banquet is being sponsored by the Ladies Aid of the church. Mrs. Lavina Sterner and Mrs. Lena Newton are in charge of the kitchen and Mrs. Marian Lefevre and Mrs. Dorothy Vanatta have charge of the dining hall.

### Red Cross Drive Short of Goal

Northville is lagging in the Red Cross drive. The quota has been set at \$1000, but at this writing, is far short of the goal.

Mrs. W. E. Forney said that the principal reason that the drive is progressing so slowly is due to the lack of workers. Many areas of Northville have not been covered as there are no volunteer workers to canvass the sections. Mrs. Forney has made an appeal for volunteers and anyone wishing to help is urged to call her, phone 353 J. She asks that the public respond generously to the appeal for funds to carry on the multiple activities of the Red Cross.

Funds collected in the national campaign go towards helping persons caught in a disaster caused by tornadoes, floods and hurricanes. The Red Cross also helps to care for men in the armed forces. The national blood program is financed from funds derived from this drive which is conducted annually throughout March. Give today to this noteworthy program!

### Rotary Is Host To Basketball Squads

Members of the Northville High School varsity and reserve basketball teams were awarded letters and numerals at the Rotary Club meeting Tuesday noon. The teams were guests of the club.

Starr Keesler, of the Michigan State College alumni office, showed colored movies of the 1950 MSC-Notre Dame football game to complete the program. High School Athletic Director Harry B. Smith introduced Reserve Coach Dick Kay, who presented numerals to freshmen award winners, letters to varsity members, and certificates to boys who had previously won major letters.

Award winners were Don and Jerry Graham; Charles and Gene Rebitzke; and Dennis Curl; Dick Gray, Bruce Felker, Glen Howarth, Al Iversen, David Lee, Lucien Lovewell, James Mitchell, Lamar Nalley, Eddie Nash, Bob Prom, Jack Ratliff, Ken Rowe, Tom Shraake, Dick Somers, Tom Stanford, Harold Weeks, Gary Hix and Robert Clark.

Jack Waterloo won a letter as varsity manager and Dick Alkire was given the reserve manager award.

### Parade Emcee

BOB HAFER.

Associate International Secretary of the SPEBSQSA, who will act as master of ceremonies at the Parade Saturday night.

### Barbershop Parade Slated for Saturday

The SPEBSQSA third annual Barbershop Parade will be held Saturday, March 31 at 8:00 p. m. at the Northville High school gymnasium.

Some of Michigan's foremost quartets will appear on the program Saturday evening. Bob Hafer, associate international secretary of the SPEBSQSA, will be the master of ceremonies. Two Northville quartets, the Village Four, composed of Bob Lemmon, Bob Kirkey, Jim Whipple and Earl Hollis and the Four Corners, with Don Robinson, Kalin Johnson, Charles Strautz and Ralph Bogart, will be heard along with a couple of surprise quartets.

The SPEBSQSA is a non-profit organization, and the money derived from the Parade will be used to defray expenses for rent, supplies, occasional refreshments and to pay the travelling expenses of quartets imported from out of town or out of state to perform for the programs.

The main purpose of the Society for the Preservation and Encouragement of Barbershop Quartet Singing in America, commonly known as the Barber-shoppers, is to "Keep America Singing." The Society now boasts a paid membership of more than 30,000 in the chapters in all 48 states, Canada, Alaska, Hawaii and Guam.

Chapters take an interest in local affairs and are glad to aid in a worthy program. Locally, the Northville chapter will furnish one or more quartets for the entertainment of any club or organization, free of charge.

Any organization who wishes a quartet at any time to appear on their program should contact the secretary, Kalin Johnson, 39640 Nine Mile Road, Northville.

### Funds Increased for Mental Hospital

The Senate Appropriations committee has recommended that the Northville State Hospital be enlarged to 972 beds.

The Appropriations Committee approved a \$5,268,000 program for the mental hospital, which is the first drawn from the \$65,000,000 bond issue authorized by the voters when they approved the amendment at the election last November. The Senate next week is expected to take action on the bill appropriating funds to add 1,632 beds to present facilities and to provide funds for 1,770 more.

Sufficient funds have been made available to complete the clinical hospital at Northville and to add units for admissions and intensive treatment. It is planned to draw specifications for an 80 bed children's hospital to be located at the local hospital.

Victoria Lynn is the name chosen for the daughter born March 13 to Mr. and Mrs. Robert Taggart of Oakland Street. The baby weighed six pounds, thirteen ounces.

### Voters To Cast Ballots On Three Amendments Monday

#### Northville Donates 140 Pints of Blood

Northville citizens responded heroically to the recent call for blood donations, and as a result 140 pints of the life-saving fluid were collected at the Methodist Church House last Thursday afternoon and evening.

So fine was the response that many had to wait for over an hour to reach the Blood Room which accounted for some of the volunteers being forced by obvious reasons to leave before making a donation, while others were turned away because their physical conditions did not meet the necessary standards. Many who were unable to donate were turned down because of temporary conditions, and the Red Cross urges those who wish to make another try to avail themselves of the facilities of the Detroit Regional Blood Center at 153 East Elizabeth street, a permanent unit, or to visit the Bloodmobile Unit when it is in neighboring communities.

Over 20 volunteer workers from Northville assisted the unit in the various duties connected with the operation. Food for the canteen was donated cooperatively by the Rotary, Exchange, Optimist Clubs, and the local American Legion Post, with paper plates, paper cups, and wooden spoons being donated by the D & C Store. Lunch for the workers was donated; prepared, and served by the local American Legion Auxiliary Unit, and nurses were supplied from the membership of the Business and Professional Women's chapter to supplement the Red Cross personnel.

The local chapter and the District Organization of the Red Cross recognized the enterprise as being highly successful. The Lloyd H. Green Post of the American Legion who sponsored the Bloodmobile visit locally, believes that the above report indicates that the enterprise was truly a community project. They wish to express their grateful appreciation to all who appeared to the unit to donate their blood, and the many other groups and individuals who assisted in attending to the numerous details connected with the success of the unit.

### Committees Named for PTA Carnival

The Northville Parent-Teacher Association will present its annual carnival at Northville High and Grade schools Friday, April 20 from 6:00 until 11:00 p. m.

Don Severance is chairman of the event and he is being assisted by Mrs. Eldon Biery and R. H. Amerman. Al Porritt will act as master of ceremonies for the many acts of entertainment which will be offered.

Following is a partial list of the committees and activities to be included on the carnival's program: doll show, V. F. W. Auxiliary, gypsy tea room, American Legion Auxiliary, collectors show, Wilson Funk, entertainment, Bailey's Dance Studio; drum majorettes, Dolly Porritt; ice cream and cake, Wornan's Club; candy, Mother's Club.

Mrs. George Kohls has charge of the puppet show, Ernie Shelt, gag show; Mrs. Clifford Rollings, white elephant; Mrs. D. Harper Briffon; fish pond and Mrs. Frank Defina and S. H. Robinson, publicity.

Many valuable door prizes will be given away and they will be announced at a later date.

Sunday dinner guests of Dr. and Mrs. Hugh Godfrey were children of Eaton Drive were Dr. and Mrs. G. E. Godfrey of Colon, Mrs. Harry Gillen of Ann Arbor and Mr. and Mrs. W. A. Stuber and children of Whitmore Lake.

**DON'T BE A PART-TIME AMERICAN - VOTE MONDAY!**

At the biennial spring election to be held Monday, April 2, Northville electors will be faced with three proposed amendments to the state constitution.

They will also be voting for two justices of the Supreme Court, two Regents to the University of Michigan, one Superintendent of Public Instruction, one member of the State Board of Education, two members of State Board of Agriculture and one County Auditor for Wayne County.

Voters will go through the motion of electing the following Township officers who are running unopposed: Mollie Lawrence, supervisor; Fred Lyke, clerk; Roy Terrill, treasurer; two justices of the peace, E. M. Bogart, C. W. Schutte; one constable, Joseph Denton; one member of the Board of Review, Fred Fry.

The following constitutional amendments will be passed on:

Proposal one is a joint resolution of the 1951 legislature proposing an amendment which will provide for annual regular sessions of the legislature. The amendment states "that the legislature shall meet at the seat of government on the second Wednesday in January of each year and at no other place or time unless provided in this constitution."

The second proposal would add an amendment to Article 10 which would provide a bonus of \$500.00 to survivors of persons in military service who have died or shall hereafter die from service connected causes, between June 27, 1950, and the termination of the state of national emergency.

The third proposal if passed would amend Section three of Article 16 of the state constitution permitting an increase of salaries of Supreme Court Justices after election or appointment so that all Justices serving concurrently may receive the same salaries.

Polls will be open from 7:00 a. m. to 8:00 p. m. Voters in precinct one will go to the Village Hall and those living in precinct two will cast their ballot at the Scout Building.

### Secure Fire Permits from Village Hall

Charles Voss, Conservation Officer for this area, reports that with the coming of spring the department again reminds citizens that a state law provides that "you must have a permit to have an open fire, except when the ground is snow-covered, or for domestic purposes and that you must have some competent person constantly in charge of your fire to prevent its spreading."

Permits to burn can be obtained from the Northville Village Hall.

Conservation Officer Voss offers the following precautions for persons starting a grass fire: 1) Burn late in the afternoon. 2) Have help, tools, and water available. 3) Burn on calm days only. 4) Take any other precautions to prevent the fire from burning more than you intend.

Obedience to the law and observing these precautions will lessen the number of grass fires on which fire departments make runs every year. These runs cost a considerable amount of money to the taxpayers. Most of these fires are caused by carelessness in not taking adequate precautions to prevent them from spreading beyond their intended bounds. Let's all be careful!

At the second service on Easter Sunday morning of the First Presbyterian Church, the following children were presented for Holy Baptism: David J. R., son of Orlin and Mary Potter Magley; Linda Lee, daughter of Norwood and Dornalee Dickinson; Daniel Hurd, son of John N. and Ruth Wortman; Raymond Theodore, son of Harry and Trude Champe; John Robert and James Michael, sons of John Raymond and Jean Gwynne Fisher.

## to the Editor

March 26, 1951.  
 Northville Record,  
 Northville, Mich.  
 To the Editor:

The taxpayers of Northville school district, Fractional No. 2, should thank the management of our local paper, the Record, for the timely notice of another tax raising or tax continuing school meeting set for April 10, next, since our tax has leaped to the staggering and confiscating figure of over 73%, plus, of all the taxes we pay annually to the Township Treasurer. If our school district could be made a part of the City of Detroit, our school tax would be 36% of our tax bill, today; would that we were a part of the big town or there was a consolidation of the surrounding school districts. Most of them have closed up their school buildings as it is much cheaper to transport them to the big Northville school.

When the people voted an increase in 1946, they thought that would be enough; but in three years therefrom, in 1949, the school establishment again got tax hungry, it asked for more money and got it, to improve the school and put an addition to the then new building by bonding the district for \$165,000, which required, to carry this issue, 151 and 1/3 votes, of the property owners, well the vote return showed the vote to be 152 and looks unusual. This information was obtained from the Records of the Michigan Public Debt Commission at the Capitol, Lansing. I should say that at the time the property owners should come and vote. This \$165,000 bond issue is payable in 16 years, in sums of \$15,000 a year; so the school district is hung up for 14 years more.

After all this tax eating, the School Board has slated another school meeting to raise more money, for April 10, next; the call is for 6 more mills, claiming a reduction of 2 mills in 5 years, or \$2 a thousand, or a diminution of 40 cents a year. I ask why not reduce our school taxes by 8 mills and give the harassed taxpayer a break?

The writer obtained the following information in the files and records of the Public Debt Commission at Lansing, showing the reckless spending in Fr. No. 2, to-wit:

Debt on old building, 1949	\$18,500.00
Bond issue in 1949	165,000.00
Direct debt	\$183,500.00
Per capita debt	\$45.00
Direct debt	4.39%
In 1933-34 the district defaulted and had an overlapping debt of \$223,774.37, \$55.84 per capita. It shows the tax rate of Wayne and Oakland, in connection Fr. No. 2 of \$42.23 per thousand. The above shows that the people have been too willing in voting money for such lavish use, and the request for 6 mills should be rejected.	
In 1946, our school tax was 70%, in 1950, the tax was nearly 74%; this is an increase of over 19%. Superintendent Amerman	

is giving the district a fine school. He can so continue with an increase of, say, 3 teachers; such frills as audio-visual movie and film projector additions should be omitted. There should not be any expense for Driver Training as that is done through the Police Department. As decoration is needed, local decorators can be hired; a full time librarian expense is not necessary.

Remember the Detroit tax is 36% of the whole tax, Northville tax over 73% of the whole tax bill, and we have a debt the next 16 years to pay of \$183,500.00 less \$30,000.00. I submit the foregoing to the taxpayers of Fractional No. 2. The request for a continuation of 6 mills should be rejected, on Tuesday, April 10.

Yours etc.,  
 FRANK E. WHIPPLE.

## Muskegon Bank Sells Dollar Bills for 98 Cents Apiece

MUSKEGON, Mich. — The Muskegon Savings bank came up with a novel advertising scheme. The bank advertised that it would sell crisp dollar bills for 98 cents.

Before the offer was withdrawn it had cost the bank \$400 as some \$20,000 worth of dollar bills were exchanged for 98 cents. And a bank official said it was worth the trouble.

"Americans have a sense of humor," one bank officer said. "I feel sure this new type of bank advertising was enjoyed by everyone in the community."

### Northville's Yesterdays

One Year Ago

Palm Sunday services will begin the observance of Holy Week in Northville as well as in other towns and cities throughout the nation.

The Northville High school band was rated with a two at the District Festival held at Ypsilanti Saturday.

The senior girls were entertained by the Business and Professional Women's Club Monday evening. The occasion was the second annual banquet for senior girls.

In the district forensic contest which took place at Farmington High school, Andrea Owen, Richard Lazar and Walter Newton took first place.

The Northville Police Department has recovered the money which was stolen from Breitner's Hi-Speed Service.

Five Years Ago

The Northville Foundry and Manufacturing Co. has purchased the Stephenson Foundry in Northville and is now operating the plant.

Mr and Mrs. William B. Walker, Jr. of East Eight Mile Road are the donors of the Marr-Colton pipe organ which was recently installed in the First Methodist Church.

Remodelling of the Northville Drug Store is now about done, and the rearrangement of the fountain and fixtures adds much lustre to the store.

When officer Purdy was preventing an intoxicated man from driving his car early Sunday morning, two other drunks stole the police car and made their escape into the country.

Final rehearsals are in full swing for the "Never a Dull Moment" Minstrel Show which is to be given by the Lloyd H. Green Post, American Legion, in co-operation with the SPBESQSA.

Thelma Trapp and Don Kimmel were married Saturday, March 23 at the Lutheran Church in Ann Arbor.

### Potluck with the Pat O'Briens

and their ELECTRIC RANGE!

Pat O'Brien starring in "THE FIREBALL"

#### SAVORY BEEF STEW

Pat O'Brien loves it

1/2 cup butter or margarine  
1/2 cup flour  
1/2 cup ketchup  
1 teaspoon salt  
1/4 teaspoon pepper

4 cups boiling water  
1 lemon, juice  
2 lbs. round or chuck beef  
6 small potatoes  
6 small onions

Melt butter or margarine in deep-well cooker, using low heat; add flour, blend. Add ketchup, salt and pepper. Add water and strained lemon juice; cook until thickened, stirring constantly. Cut meat in 1 1/2 inch cubes; pare and halve potatoes; peel onions; add to first mixture. Cover. Turn switch to high heat until steaming, then turn to low; cook 2 1/2 hours. Add oregano, cook 15 minutes longer. Yield: 6 servings.

"If you'll take potluck with us," says Mrs. Pat O'Brien, "you'll enjoy my husband's favorite dish. Yes—it's beef stew—and he likes it best when it's done in the deep-well cooker of our automatic Electric Range. Slow, steady heat under perfect control brings out all the flavor, makes the meat tender and, m . . . m . . . m, tasty!"

You, too, can enjoy modern electric cooking. It saves money, time and trouble. Stop in and find out how!

Come in and see the "RANGE OF THE STARS" . . . of course it's ELECTRIC!

### Stockholder's Report Reflects Detroit Edison's Busiest Year

Southeastern Michigan's busiest year is reflected in The Detroit Edison Company's 1950 report to stockholders.

Unprecedented industrial production volume has in 1950 brought high employment and accelerated commercial enterprise throughout the metropolitan Detroit area, the newly-issued annual report notes.

In it, Prentiss M. Brown, Edison board chairman, and James K. Parker, president, point out that this large volume of business has brought new high requirements for electric service from the Edison Company. They predict still greater power use as the result of industrial plant conversions arising from the Korean crises.

Brown and Parker also emphasize that the company is proceeding rapidly to provide for all foreseeable electricity needs, both for peace and defense.

The report shows that in 1950 Detroit Edison gained 41,000 additional customers, the largest increase ever recorded except for the year 1925, when 48,000 customers were added. An all-time record was set in amount of electricity sold.

Though there was no change in the extent of the Detroit Edison service area between 1940 and 1950, the report notes, the population has gone up 25 per cent . . . to 3,371,000, or more than half the people in Michigan. Most of this increase took place in the metropolitan Detroit area.

Besides supplying electricity throughout this area, the company provided, during 1950, special customer services including repairs to more than half a million appliances, exchanges of about 11 million bulbs, and completion of some two million service calls to customers' premises.

The report also shows that Detroit Edison's list of stockholders (more than half of whom live in Michigan) increased by 1,613 during 1950, now standing at 54,958.

Expansion activities described in the report include the completion of a 200,000 kilowatt addition at Trenton Chancel, continuation of work on a similar addition at Conners Creek, and the breaking of ground for a new plant on the St. Clair River that is expected to have an installed generating capacity of 250,000 kilowatts by the end of 1953.

The report explains that in view of the need for further extensive construction, additional financing will be necessary during 1951. The decision as to type and appropriate timing of such financing is under continuous study.

Detroit Edison's gross revenues for 1950 were \$150,470,882, or 11.8 per cent over 1949.

Net earnings for the year were \$17,032,101, or \$2.18 per share on shares outstanding at the year end. Four quarterly cash dividends, each for 30 cents per share of stock, were declared during the year.

A feature of the Edison report is a chart which shows graphically the sources of the company's income-dollar, and the uses to which the money is put.

## Fulkerson-Dann Vows Read in Detroit Methodist Church

Ima N. Dann of Detroit and John W. Fulkerson of Farmington were united in marriage at the Calvary Methodist Church, Detroit, March 17. Ima is the daughter of Mr. and Mrs. Lawrence Dann of Paw Paw and John's parents are Mr. and Mrs. John Fulkerson of Farmington.

Jackie Moore, soloist, sang the "Lord's Prayer", before an altar flanked with lighted tapers and vases of spring white flowers. Rev. Harold E. Brehmer read the double ring service.

Given in marriage by her father, the bride chose a gown of traditional white lace and she carried an arm bouquet of white carnations.

Maid of honor was Charlene Winslow of Detroit who was gown in orchid taffeta and net. Bridesmaids were JoAnn Baker of Detroit and the bridegroom's sister, Beverly Fulkerson of Farmington who wore gowns of aqua taffeta and net. All the bride's attendants carried bouquets of yellow carnations.

Best man was the bridegroom's brother, Donald E. Fulkerson of Farmington and seating the guests were Marvin Dann of Kalamazoo and Thomas R. Houghton of Plymouth.

For her daughter's wedding, Mrs. Dann chose a light blue dress with navy and white accessories and Mrs. Fulkerson was attired in a pink dress with white accessories. Both mothers wore corsages of pink roses.

A reception followed at the church house and then the young couple left on a honeymoon to an undisclosed destination. They are now at home in Detroit.

The bride is employed by the U. S. Government and she was graduated from South Haven High school. Her husband was graduated from Northville High school and he was employed by the U. S. Government previous to his entrance in the U. S. Navy.

## Anniversary Dinner Honors Past Officers

The American Legion, Lloyd H. Green Post 147, was honored Tuesday evening on its thirty-second anniversary with a dinner given by the Auxiliary at the Veterans' Memorial Hall. The occasion also served to pay tribute to 31 Past Post Commanders and 25 Past Auxiliary Presidents.

Following the pot-luck supper, the Post was presented a beautifully decorated birthday cake graciously donated by the Black's Catering Service. After a welcome and toast to the Legion and guests given by Hazel Severance, Betty Hay entertained with two vocal renditions.

The meeting was then turned over to Post Commander Charles Carrington, who introduced the guests and presented the roster of Past Commanders. The Past Presidents of the Auxiliary were presented by Mrs. Hazel Severance, president.

A poem was read in dedication to the honored memory of three Post members and two Auxiliary members who have passed away during the past year.

The program came to a conclusion with the singing of old familiar songs, with Jack Fisher at the piano.

Mr. and Mrs. Karl Karg and family of Spring Drive were Easter Day guests of Dr. and Mrs. William Herbold and family of Plymouth.

## Council Reviews Year's Activities

The Northville Coordinating Council gave their annual report at the last meeting.

During the last year, the council had the following projects:

1. Recommended that the name Fishery Road be changed to West Seven Mile Road. The change has been made and the proper signs erected.
2. Sponsored the Citizenship dinner with 115 citizens in attendance. Owen Cleary was the speaker.
3. Allotted \$150.00 for 77 pairs of pajamas for patients at Maybury Sanatorium. Mrs. E. C. Mollena and Mrs. Howard Atwood were in charge of the project.
4. 1,700 community calendars were distributed in the Village and rural area.
5. Council recommended that no parking signs be erected on the park strip on Plymouth Road. This has been done.
6. Council went on record in support of the Easter Seal drive, "PB, Poppy, March of Dimes, Red Cross and Cancer."
7. Letters were received from Dr. Howard McCluskey, and Miss Cynthia Jones complimenting the council for the cooperation extended to other councils throughout the state and recorded in the Adult Extension Education Year Book.

Thirty-four organizations are represented in the Coordinating Council which includes the churches, service clubs, Girl Scouts, board of education, township board, miscellaneous clubs and groups, Legion and veterans, the auxiliaries, Rainbow Girls, Eastern Star and Masonic orders.

The election of officers for the new term will take place Thursday, April 19 at the Village Library at 7:15 p. m.

## Shower Compliments Mrs. Myron Utley

Mrs. Ted Baldwin of Detroit, was hostess Thursday evening at a stork shower complimenting Mrs. Myron Utley of Marilyn Road.

Guests who gathered for the affair were the honoree's mother, Mrs. Mabel Cooley, Eunice Utley, Mrs. Clifford Boyd, Mrs. Alvin Killeen, Mrs. Gene Hines, and Mrs. Robert Smith of the Village; Mrs. Francis Mathews and Mrs. Mervin Atkinson of Detroit.

## Men's Softball Teams To Organize April 12

A meeting of the men's adult softball teams will be held at 7:30 p. m. April 12 at the Village Hall.

Winners of last year's softball league, known as Stone's Gambles Store, have lost six of their players to the Armed Forces and Bloom's eleven have lost four. The Mayor's team remains intact.

Anyone interested in joining a softball team is cordially invited to attend the meeting Thursday, April 12 at the Village Hall.

## Miss DuBord To Speak at Extension Meeting

Miss Emma DuBord, special county agent, will speak on "Your Meal and Your Manners" at the meeting of leaders of the Wayne County Home Demonstration Council Friday, March 30 at the Village Library. The meeting will be from 10:00 a. m. to 3:30 p. m. Lesson for the day will be "Nutrition."

The Clement Extension Group of the Wayne County Home Demonstration Council will meet at the home of Mrs. Adolph Neuman of Clement Road Thursday, April 5. Mrs. Samuel Geraci, group leader, will give the lesson on "Leather Glove Making." Co-hostess for the affair will be Mrs. John Siok.

## BOY SCOUT TROOP N-5

The Boy Scouts of Troop N-5 met Wednesday at the Scout Building. We divided the boys into patrols and selected names for them. We elected patrol leaders for each one. The patrol leader appointed a quartermaster, a cheer leader and an assistant patrol leader.

We made the prices on the refreshments for the dance.

We also made plans for the camp out on March 31-April 1. April 7-8 there will be a Green Bar overnight at Bloom's Woods.

Saturday evening there was a dance at the Scott Building. About 25 people were there. We made about \$14.00 at the last dance.

Kenneth McKay, Scribe.

Angove, Mrs. Horace Boyden, and Mrs. Harriet Angell, will be in attendance to assist.

The committee for the "April Campaign" will be announced with all plans completed, and the territories assigned in a later issue of the Record.

Those nations which the Joint Chiefs of Staff want to bring into the Atlantic Pact comprise Turkey, Greece, Yugoslavia, Switzerland, Spain and Portugal. Of these nations, Turkey and Greece already have received some, but not nearly enough, military aid. Yugoslavia and Spain are receiving some economic assistance.

But the point to the whole thing is that Western European nations, if the six mentioned are brought into the Atlantic Pact now, would have nearly one hundred divisions of about 18,000 men each, which lack only adequate arms and munitions to make them effective. Military manpower in the six nations now outside the Atlantic Pact consists largely of men who have received military training, whereas military manpower in present Atlantic Pact nations is largely untrained.

On the other hand, it appears that Russia and her Balkan satellites at this time have about 115 divisions in Europe, each division comprising only about 10,000 men. At the same time, it is said on good authority, the Russian army, other than that part of it now in Europe, is pretty well occupied in occupying strategic points in the Near East and the Far East, and in preventing insurrection at home and in some of the satellites.

According to the best available information, the State Department wants to exclude from the Atlantic Pact the six nations having the most well-trained military manpower, on grounds that to arm them would be sure to precipitate World War III. This seems to be a strange attitude, in view of the fact the State Department is all for sending additional American divisions to Europe now, and that many military experts warn that

## U.S. Safer Place in 1950 Than in '49 by 1,000 Lives

CHICAGO—The United States, except for its highways, was a safer place to live in 1950 than in 1949.

The national safety council estimated that 90,000 persons were killed in accidents in the year just past—highest with automobiles taking the highest toll. This was 1,000 less than the 1949 total, a reduction of 1 per cent.

The council said about 8,900,000 persons were injured in accidents in 1950 and set the cost at \$7,700,000,000.

Thirty-five thousand died in auto accidents, an increase of 11 per cent over the 1949, the council said. Accidents in the home caused the second largest toll—27,500 victims.

COMMENT  
FROM  
CONGRESSMAN  
**GEORGE A. DONDERO**

Confusion over the question of sending additional divisions of American troops into Western Europe in the near future, it seems to me, stems out of the conflict now going on between the State Department and the Joint Chiefs of Staff.

The State Department, it seems, wants the United States to arm only the fifteen member nations of the Atlantic Pact, and to exclude from American military aid half a dozen Western European nations which have far more effective military manpower than do those in the Atlantic Pact.

Those nations which the Joint Chiefs of Staff want to bring into the Atlantic Pact comprise Turkey, Greece, Yugoslavia, Switzerland, Spain and Portugal. Of these nations, Turkey and Greece already have received some, but not nearly enough, military aid. Yugoslavia and Spain are receiving some economic assistance.

But the point to the whole thing is that Western European nations, if the six mentioned are brought into the Atlantic Pact now, would have nearly one hundred divisions of about 18,000 men each, which lack only adequate arms and munitions to make them effective. Military manpower in the six nations now outside the Atlantic Pact consists largely of men who have received military training, whereas military manpower in present Atlantic Pact nations is largely untrained.

On the other hand, it appears that Russia and her Balkan satellites at this time have about 115 divisions in Europe, each division comprising only about 10,000 men. At the same time, it is said on good authority, the Russian army, other than that part of it now in Europe, is pretty well occupied in occupying strategic points in the Near East and the Far East, and in preventing insurrection at home and in some of the satellites.

According to the best available information, the State Department wants to exclude from the Atlantic Pact the six nations having the most well-trained military manpower, on grounds that to arm them would be sure to precipitate World War III. This seems to be a strange attitude, in view of the fact the State Department is all for sending additional American divisions to Europe now, and that many military experts warn that

This alone would be likely to start a new World War.

Because of these things, it seems to me that the administration has the cart before the horse. If we act quickly to arm both Atlantic Pact nations and the six nations outside the pact, some kind of balance of power between Russia and the West would be created. Then some American divisions sent over later on, should we have another World War, undoubtedly would tip the balance in favor of the West.

At the same time, the creation of a military balance of power in Europe, could be expected to discourage Russian plans for a third World War even more than those plans are discouraged now by our leadership in atom bomb production.

In a public document for sale by the federal government, Oscar Ewing's Federal Security Administration gives the following advice to federal employees and public assistance agencies:

"Social security and public assistance programs are a basic essential for attainment of the socialized state envis-

aged in Democratic ideology, a way of life which so far has been realized only in slight measure."

Now as a free American who believes in personal liberty, just what do you think of that?

"The bonds Esther and I bought for our country's defense have made the down payment on our home!"

HOW U. S. SAVINGS BONDS HAVE PAID OFF FOR MR. AND MRS. GEORGE KING OF DETROIT, MICH.

"It's the U. S. Savings Bonds Esther and I bought during the war that made the down payment on our new home," says George King. "Now we know that grand feeling of owning the roof over our heads. And we have bonds to thank for it!"

"I joined the Payroll Savings Plan in 1941," says Mr. King. "In 1942 I went into the army continuing to buy bonds. Esther worked and put 10% of her pay into Savings Bonds too."

"We've saved about \$3,500 in bonds altogether, leaving a nice nest egg even after putting \$1,500 of it into the down payment on our new home. Bonds are a wonderful saving method!"

The George Kings' story can be your story, too—Start saving now!

You, too, may reach your goal, as the Kings did, and easily. Start now! It takes only three simple steps.

1. Decide to put saving first, before you even draw your pay.
2. Save a regular amount systematically, week after week or month after month.
3. Sign up today in the Payroll Savings

Plan where you work or the Bond-A-Month Plan where you bank. You'll be providing security for yourself, your family and our free way of life.

Governor Williams reports an expected deficit of \$80,000,000 by 1952. He figured a deficit of \$21,311,231 at the end of the last fiscal year, \$50,597,835 at the end of the current year and \$79,997,835 at the end of the fiscal year ending June 30, 1952.

He boosted the '51-'52 budget from \$294,900,000 to \$304,400,000 for civil defense (\$6,000,000) and for state office building repairs (\$3,500,000).

Michigan has taken at least one step to halt the diminishing number of physicians in the state by offering reciprocity to Canada in licensing of the profession. The state has agreed to admit all graduates of Canadian medical schools and those licensed by Canadian provincial boards to Michigan licensing exams without the one-year American training period usually required of "foreign" doctors.

The "little Hoover commission", most recently under fire for being a "theorist organization", has made its first official recommendation. A bill repealing the law making the state police commissioner removable only by the supreme court is the upshot.

Highly skilled designers and production engineers are being

pirated from Michigan by defense-contract firms from all over the country. The labor carpet baggers, competing in the labor market with government funds, offer fantastic salaries—salaries so huge few men can afford to refuse.

And this state still has its own little labor problem in the search for experienced men for new defense-contract plants. Factories are sponsoring schools and short courses to speed up the training of skilled operators.

The sudden flow of women back into the assembly lines, however, has halted. The first flurry of defense work pulled several thousand back, but the babushka brigade never reached World War II proportions.

The house of representatives has passed a bill making it illegal to hunt on property without the owner's permission—a law long sought by the state's farmers.

Since June 1, 1950, wholesale prices increased at a rate of two percent a month; prices received by farmers have risen during this period by 24 percent. Inflation definitely is on the march—and there is little evidence to indicate

it will be halted in the remaining months of this year.

By the end of 1951, according to economists, prices received for products sold from the farm will probably have increased 10 to 12 percent over current prices while prices paid will have gone up only 7-8 percent.

How to build more cars with less steel may be demonstrated by Michigan's auto industry after April 1. That's when the 20 percent steel consumption cutback becomes effective. They will do it by producing a greater proportion of their lighter weight models.

Latest twist in civilian defense is the "alert" card. Brig. Gen. Lester C. Matland, Michigan CD director, will distribute them. They describe air alert warning signals and give instructions for self protection in case of enemy attack. The cards are printed so they may be cut into wall cards and tacked up in homes or buildings.

Michigan now has more than \$2,000,000,000 in defense contracts. So rapidly have the orders rolled in that the predicted labor shortage during conversion has not occurred. The contracts should require two years to complete. Henry C. Markle, executive director of the Michigan unemployment compensation commission, says the state still is not loaded to capacity from a manpower standpoint.

Reapportionment comes up again. This time Sen. Creighton R. Coleman (R-Battle Creek) has a plan to reshuffle rural and city representation in state legislature. It would "parcel out membership in the house according to population while preserving a geographical balance, heavily weighted according to population in the senate".

Federal and state prisoners may be used on work projects on Michigan lands under the jurisdiction of the United States. Currently, 250 inmates of state institutions are assigned to projects in state parks and game areas. A bill now in the Washington hopper extending such activity to federal holdings. The federal government controls some 2,500,000 acres in Michigan.

Today, nine out of ten jobholders in America are covered by some type of vacation-payment plan, according to the Michigan Tourist Council.

I didn't complain about my senility until I was asked if I minded sitting alone with two brats while their parents went off on a gay holiday.

**MSC Prof Receives Patriotism Award**

Paul D. Bagwell, head of Michigan State College's department of written and spoken English,

has been awarded a 1950 honor medal by Freedoms Foundation, Valley Forge, Pa.

Bagwell is one of 850 persons honored by the foundation for "patriotic efforts in behalf of the heritage of American freedom." He received the award for his

talk before the Michigan Rural Health conference at MSC last fall, entitled, "Hats Off to the Past, Coats Off to the Future." Presentation of the medal will be made in April.

Judge of Probate.

## Spring Again

*I saw a redbird winging—I heard a bluebird call,  
I heard above the swinging the crash of bat and ball.  
I heard a duffer cursing out in the bunkered glen,  
Could I be getting goofy? Could it be spring again?*

*I heard old backbones creaking—I saw a double play  
I heard the same old dubs come drifting down the way,  
I saw a duffer kissing his wife good bye—and then  
I knew I had the answer—it must be spring again!*

## Where Pennant Strength Is

OUR RECOLLECTION of the first great ball club we ever saw goes directly to the mid-infield. The team happened to be the Chicago Cubs and the two players were Joe Tinker and Johnny Evers.

Here was the soul of the flag-winning Cubs 45 years ago. The next great ball club was Connie Mack's Athletics in 1910. Here again the main strength and spirit of this club were Eddie Collins and Jack Barry.

The Giants of 1922, one of McGraw's greatest, had Frisch and Bancroft. Here you had another brilliant pair. It is around second base that many pennants are lost or won and this brings us to the impending pennant campaign of 1951 in the National League.

In Florida there are two teams generally picked to set the pace in the older league. They are Leo Durocher's Giants and Chuck Dressen's Dodgers.

It might be noted in this "golden land of booze and blooms," this happy land of lush and leisure, that both Giants and Dodgers have Gibraltar-like strength around second base. The Giants have Eddie Stanky and Alvin Dark. The Dodgers have Jack Robinson and Pee Wee Reese.

Johnny Evers, the Stanky of his day, was known as "The Human Splinter." Eddie Stanky might be called "The Human Flame." Moving into his 34th year, Eddie has been a professional ballplayer for sixteen seasons. Yet he still has more fire than most younger ballplayers and no field ever knew a harder fighter or a greater leader.

Stanky is a fine infielder and a .300 hitter, but his team value belongs much more to the mental or psychological side than to the physical.

In Alvin Dark, one of the star all-around athletes of both leagues, the Giants have the type needed to work with Eddie the Flame and give them one of the best infield combinations baseball has known. Dark has been a star at football, baseball and golf. He was the man Greasy Neale wanted for his Eagles some years ago. Stanky at .300 and Dark at .280 give the Giants a good break in infield power, but teaming together on defense they go well beyond this flag contribution.

## The Dodger Case

Against Stanky and Dark, with all they have to offer, Chuck Dressen gives you Jackie Robinson and Pee Wee Reese, just as good possibly, and certainly no better than Stanky and Dark.

Robinson will outlast Stanky but Dark will outlast Reese, so when it comes to putting runs across the plate there is little to choose. Both Reese and Robinson belong along the borders of stardom. Of the four I would say that last year Eddie Stanky contributed more to his team's strength than any of the others. He was probably the most valuable ballplayer in his league, although Stan Musial's place is always around the top. A second baseman is in a more vital spot and this spot helps make them. Look over the list—Eddie Collins, Larry Doby, Frank Frisch, Rogers Hornsby, Johnny Evers, Joe Gordon, Bobby Doerr and many more.

The defending Phillies have a good pair in Grady Hamner and Mike Gollat. But Gollat only hit .234 and Hamner, an improving player each season, hit .270. This pair doesn't rate with either Giants or Dodgers.

The Cardinals have Marty Marion and Red Schoendienst with Marty and his rickety back always an element of doubt.

## Power Builders

An innocent bystander, or sideline observer, wants to know how Ted Williams and Ralph Kiner get all the hand and arm power they use in swinging a bat.

It might be said they started with better than a fair share of this power—and then worked on. Fred Corcoran was telling me about Williams—"Ted has gotten himself a heavy bat," he said. "It is loaded with lead and it isn't too easy to handle."

A healthy bank balance makes a man just a bit scornful of those whose balances aren't so substantial.

## Electric Water Pump Saves Many Pump Pains

The Rural Electrification administration reports that next to lighting, water pumping is possibly the most valuable farm use of electricity. On many farms, five cents worth of electricity will pump and deliver 1,000 gallons of water to its place of use.

More and more farm families are realizing how much time is spent pumping water and are converting to the use of electricity.

Mr. Glen Truesdell states: "From Feb. 2, 1950, to Feb. 7, 1951, we used 1333 gallons of oil as against our previous high pressure burner average of 2000 gallons per year. Last fall was much colder, yet our Winkler low pressure burner saved us 667 gallons which means \$89.10 we saved in oil in one year."

At this rate, our fuel oil savings will pay for the Winkler burner in less than four years.

## Here's How A&P's "Low-Price, Low-Profit" Policy Works to your Advantage:

1. A&P'S LOW PROFIT OF ONLY 1c ON YOUR DOLLAR makes your money go further.
2. A&P'S STOREWIDE LOW PRICES ON HUNDREDS OF ITEMS EVERY DAY (instead of just a few "week-end specials") makes it easy to save on your total food bill any day you shop.
3. A&P'S GUARANTEE OR ALL ADVERTISED PRICES FOR A FULL WEEK protects you against increases in the market prices of items which are not subject to price ceilings.
4. A&P'S SYSTEM OF MARKING PRICES ON ALL ITEMS, as well as on the shelves, and giving you an instant cash register slip helps you see what you're spending as you shop and your purchases at home.
5. A&P'S MONEY-BACK GUARANTEE OF SATISFACTION enables you to buy with complete confidence that your money will be cheerfully refunded should any purchase fail to please you.

All prices shown here (including those of items not subject to price ceilings) are guaranteed—Wed., March 28th through Tues., April 3rd.

## Here's Why It's to Your Advantage to Buy A&P's "Super-Right" Pork Loins!

A&P's method of cutting pork loins into three equal parts gives you a fair share of the choice center meat with each rib and loin end roast you buy. And A&P's policy of removing excess waste before weighing gives you more meat for your money. What delicious meat it is, too! That's because A&P selects only young, light-medium weight porkers... sweeter, leaner, finer grained and more tender than old, over-fat ones. Yet, to help you cut your meat bill, these value-giving "Super-Right" pork loins are marked with a price that's as low as market costs permit.
