OFFERING...

We have never been able to offer such an ideal opportunity to a family desiring to purchase a REAL home. If you have a moderate amount as a down payment, with reasonable monthly payments, it will not be necessary to go through with the details and expenses of securing a mortgage or other financing — the seller is amply situated to carry his own paper.

If you are looking for a home on a busy, heavily traveled street, don't read any further. If you do wish a home on a nice quiet street, very safe for youngsters, you should get in touch with us.

This home has been built about 25 years, but has been kept in splendid shape, with many features added through the years. On the main floor is a large living room with fireplace, dining room, den (or a third bedroom), sunroom and kitchen. All floor coverings are included. On the second floor 2 large bedrooms and full bath (with shower) and oodles of closet space. Full basement, with oil furnace, auto gas water heater, soft water service and everything else that goes with a modern set-up. A 2-car garage and a nice lot.

The owner has not guessed at the selling price; it was established by an independent honest appraisal. He is NOT leaving town, but has built a much larger home next door, and has just moved from the home we offer to you.

Chelsea—At a season of the year when decoration of all graves, and especially those of soldier dead, is the concern of individuals and patriotic organizations all over the nation, vandals saw fit to desecrate the grave of Lt. Eugene Czapl in East Cemetery, Grass Lake.

Chelsea—Many complimentary remarks have been heard the past two weeks regarding the town clock chimes which again ring out the quarter hours after being silent for about seven years.

The clock is located in the tower of the Federal Screw Works building on North Main street at the railroad.

Plymouth—Approximately 158 Plymouth High school seniors will be clad in blue gowns for their graduation exercises which begin Sunday, June 10 with the Baccalaureate at 8 p.m. in the high school.

The six children riding in the car miraculously escaped almost unhurt when the automobile was practically demolished.

Plymouth—Mary K. Hillmer, last surviving daughter of George A. Starkweather, the first white child born in Plymouth, died last Saturday morning in Sessions hospital at Northville following an illness of many weeks. Ann Arbor—A youthful University of Michigan student who spent exactly 19 of the 24 years of his life in preparation and study for a stage career, took his first step on the road to stardom this week when he won an audition in competition with 200 contestants from all sections of the country and was awarded a contract for a 10-week session in summer stock.

"Some day I'm going to own a Roadmaster"

ONE thing that interests us mightily is the fact that so many people are stepping up, when they buy automobiles. We've been looking at surveys, and it seems that just about everyone wants a better car than the one he's now driving. So we know how you feel, and we'd like to help you make your dreams come true. We'd like you to discover how fine a fine car can be. We'd like you to stretch out in the room of a ROADMASTER—feel the luxury of its double-depth cushions—stroke the fine texture of its fabrics. We'd like you to know the proud levelness of its ride—and its gentle obedience to your hand on the wheel.

We'd like to show you the many extras this custom-built Buick provides—at no extra charge when we come to make out a bill of sale. But above all, we'd like you to experience two thrills found exclusively in ROADMASTERS. One is the smooth might of its Fireball Engine. The other is the supreme simplicity of Dynaflo Drive, which is, incidentally, one of the many features included in the price. We try to hold down our enthusiasm in talking about this masterful beauty. We might claim—you'll find more room—more comfort—

more luxury—a smoother ride—more conveniences—more thrill in a ROADMASTER than in any other car in the fine-car field. But why spoil the thrill of discovery? Come find out for yourself how completely a 1951 ROADMASTER fulfills the dreams of the car you hope sometime to own. And let us whisper something to you: The cost of making this step to ROADMASTER ownership is less than most people believe. Equipment, accessories, trim and models are subject to change without notice.
