

# RECORD AMBLINGS

Members of the Northville Exchange and Rotary Clubs accompanied by their wives and friends last Thursday evening attended the night baseball game. They saw the Boston Red Sox whip the Detroit Tigers.

At the last Exchange Club luncheon Clifton D. Hill had on display several flowering plants which he raised from seeds imported from Holland. The gladiolus were hand pollinated and artificially stimulated by hypodermic injections so that the blossoms are considerably larger than their normal size.

The annual convention of the First Advertising Agency Group, national network of advertising agencies, was held in Detroit last week. The group elected Parker Holden of West Main Street, who is president of Holden, Clifford, Flint, Inc., to head the group.

Northville Downs was all slicked-up for the opening night of harness racing Monday evening. The pioneer half-mile oval began its eighth season of harness racing before a capacity crowd and gave them many a thrill as they cheered their favorites into the home stretch. Dick Fredericks, publicity director for the Downs, points out that the trim oval started harness racing with pari-mutuel betting in the Middle West. The first handle was less than \$20,000, he states, while the record was set September 11, 1948, when the handle was \$287,199.

Mrs. J. O. Munro, Mrs. Robert Yerkes and Jack Bailey are contributors of socks and ties for the Detroit House of Correction this week. More are needed to swell the collection; leave yours at the Record office or at the home of E. J. Willis, 119 Rayson Street.

Signalling the end of the school year, members of the Northville Teachers Club will hold their annual picnic Thursday morning at 8:00 a.m. at Cass Benton Park.

The name of Mrs. E. J. Willis was inadvertently omitted from the list of those persons serving on the Northville Recreation Committee in last week's Record.

Villagers are invited to inspect the flower and vegetable show sponsored by the Northville branch of the Woman's National Farm and Garden Association Thursday afternoon from 2:00 to 9:00 p.m. at the First Methodist church house.

## City Directories Being Distributed

Delivery of the 1951 Plymouth and Northville City Directory to subscribers is now being completed by R. L. Polk & Co. of Detroit. It is the last of a line that began here in 1927—24 years ago.

The new edition is a compact volume of 447 pages listing 10,320 names in Plymouth and Northville and surrounding rural routes, with eighteen continued as the minimum listing age. This count considers the combined names of man and wife as only one name, the publishers said.

Special features of this new guidebook include the designation by symbol of tenant-owned homes and homes and places of business having telephones; marital status, wives' names, heads of households, and lists of government officers and officials also are shown. Two stories, describing each of the communities separately, appear in the book as well.

A classified department reveals that Plymouth and Northville combined have 229 distinct varieties of business endeavor catalogued from "Accountants-Public" to "Yarns-Retail."

Following the usual Polk practice, the latest Plymouth and Northville city directory will again be distributed to the free-reference Directory Libraries maintained by the members of the directory publishers' association at Chambers of Commerce in other cities, the publishers announced. This is a special service administered by the Association of North American Directory Publishers, to which the Polk firm belongs, it was explained. The local unit of this out-of-town directory service is maintained at the offices of R. L. Polk & Co., 431 Howard St., Detroit.

James V. Aceto is number one and Peter Zylstra, Jr. is last on the Plymouth roster, while Horace Aenschbacher and J. Zwierakowski play the same roles in the Northville line-up. Surnames which seem to "go together" are Pardon and Makepeace; Sailor and Helm; and Lush, Pint and Stiff.

### 9113 Fans Attend Downs Opening

Northville Downs opened its eighth season Monday night with 9,113 fans betting \$220,754 for one of the best nights during the past seven years.

From all indications, the 1951 meeting of 54 nights promises to be the best in the friendly track's history.

Northville's first meeting in the fall of 1944 was anything but a huge success, but from that small start, developed one of the mid-west's leading harness programs. Northville's harness meeting was the first of its kind west of New York making it the pioneer of the remainder of the United States. Things were far from bright at the conclusion of the 1944 program but the promoters redoubled their efforts in the spring of 1945 and much to their surprise harness racing took over with a terrific bang. The handle jumped from a scant \$20,000 in 1944 to more than a \$75,000 average in the spring meeting of 1945.

From that time on, Northville Downs, the real pioneers of pari-mutuel harness racing, has enjoyed a steady success.

From the "peanuts and popcorn" crowd of 1944 which enjoyed the races but never thought of betting has come the harness enthusiasts who pour into the half mile plant to witness the nation's top pacers and trotters in action and support their favorites at the mutual windows.

The Monday night opening brought to the fan's attention a pacer, "My Chief," which from its performance in the inaugural pace should be one of this season's top favorites.

Driven by Harold Snodgrass and owned by Andrew Hobbs of Wabash, Indiana, the four year old easily won both heats. Although "My Chief" was not pressed and won by four and one-half lengths in the first heat, he turned in a blistering 2:05 flat.

### Churches Plan Vacation Schools

**Lutheran**  
Vacation Bible School of St. Paul's Lutheran Church will begin Monday morning, June 18, continuing through June 29. This project is sponsored by the Church's Department of Christian Education.

There will be regular sessions Monday through Friday during the two-week period from 9:00 to 12:00 a.m. each morning. All children of the community are welcome to attend.

**Presbyterian**  
The Daily Vacation Bible School will be held at the Presbyterian Church for the two weeks beginning June 18th. The sessions will begin at 9:00 a.m. and children from the nursery through the Junior departments will receive instruction. The theme of the school this year will center around, "This Is Our Church."

Some of those assisting this year are as follows: Nursery, Mrs. Robert Hart, Mrs. John W. Blackburn, Mrs. Ronald Anderson, and Mary Ann Ayers. In the Kindergarten will be Mrs. Dirk Groeneweg, Mrs. William Weidner, and Nancy Harrison. The Primary will have as its teachers Mrs. C. M. Chase, Mrs. Harold Fredsell, Mrs. Kalin Johnson, Mrs. Mildred Walker, Mrs. Robert Reynolds, Miss Florence McCluskie, Mrs. William Crump, Joyce Howarth, Gail Blackburn, Janie Beckel, Judith Tetzloff and Gail Matzen. The Juniors will be taken care of by Mrs. Ray Hager, Mr. and Mrs. Earl Gibson, Mrs. Howard Bray, Mrs. Joseph Plunkett, Marlene Weiss and Ceco Bloom.

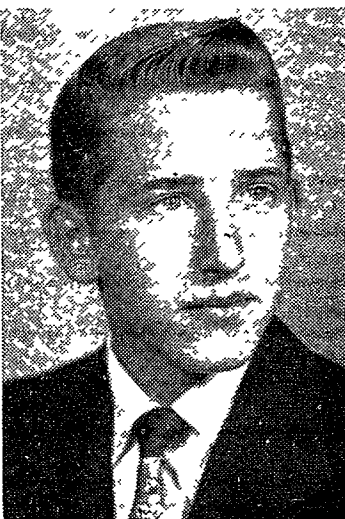

On Friday evening, June 15, the Lutheran Laymen's League of St. Paul's Lutheran Church will have its annual Ladies Night banquet. In addition to the dinner, which will be served, an informal program is being prepared including music, singing and an inspirational address.

### Two Lads To Visit Austria At Scout World Jamboree

Two Northville boys, Dick Gussell and Jim Lapham, will experience the thrill of traveling abroad this summer when they attend the World Scout Jamboree at Bad-Ischik, Austria, from August, 3-10.

Dick, son of Mr. and Mrs. M.C. Gussell of Clement Road, will act as senior patrol leader at the Jamboree to which 15,000 Scouts from every country except China and Russia, will be present. Jim, son of the Maurice Laphams of West Main Street, will serve as patrol leader.

The boys will entrain July 6 for Chicago, Illinois, where they will attend a week of pre-training at the Kiwanis camp. There, they'll join 30 boys from Ohio, Indiana, Wisconsin and Michigan, and form a troop.

On July 14 the 900 Scouts from the United States will sail on the ship, S. S. Argentina, stopping at Algiers, North Africa, for a day. The boys will visit Naples, Rome, Venice and Switzerland, before arriving at Bad-Ischik, Austria. For 10 days they will experience living with boys from other lands, and will take many trips into the mountainous regions.

The boys will then visit Munich, Paris and embark for home from Cherbourg, France, on the S. S. Brazil.

In another game, the Boy's Club lost to Farmington 12 to 8. Farmington stacked up seven runs in the second stanza. Northville got four tallies in the third, one in the fourth and three in the sixth. Tierney and Lemon pitched for Northville, with Joe Girardin behind the plate. Donahue and Markham were the Farmington battery. League games will start next week.

### Alumni To Gather at NHS Gym Friday

Northville High school alumni will gather Friday evening at 6:30 p.m. for their annual reunion and potluck dinner.

Anyone who has ever attended Northville High is urged to come and bring their family. LaVern Calkins of Providence, Rhode Island, a Northville High graduate of 50 years ago, who is visiting old friends in the Village, is expected to be on hand for the festivities.

Calkins, who is probably the only NHS grad to ever become a sculptor, has spent many years designing and modeling for sterling silver companies in the East. He has also done much sculpturing in bronze.

### Honor NHS Grads at Street Dance

A street dance honoring the new graduates of Northville High school will be held Saturday evening on Eaton Drive, corner of Grandview Street.

Dancing, free of charge, will be held from 8:00 to 11:00 p.m. Music will be furnished by John Stark and lights will be furnished by Dr. Hugh Godfrey and Lynn Sullivan. Everyone is invited to attend this Northville Recreation Committee sponsored dance.

### 54 Cast Ballots in School Election

In what was probably the smallest turnout in many years, 54 votes were cast in the school election Monday. Incumbent Robert F. Coolman received 54 votes and Incumbent Donald B. Severance received 52. Both will serve three year terms on the Board of Education, with their terms expiring June 30, 1954.

Monday evening the annual meeting was held at the Northville High school gymnasium with a very small crowd in attendance. Supt. of Schools Russell H. Amerman read his annual report. He pointed out that the tax rate is declining; in 1949 it was \$21.40 per \$1000 of assessed valuation and now it is \$19.50 per \$1000.

Amerman reported that the Northville school system will have seven new teachers in the fall due to the resignations of Mrs. Georgia Mandich, first grade; Miss Olga Nelson, second grade; Mrs. Leonore Upthegrove, third grade; Barton Rogers, Junior High teacher; Madeline Mitchell, home economics; and Miss Elizabeth Vickland, High school English. A teacher will be added to take care of the increased enrollment for the sixth grade. All but two vacancies have been filled, and when the list is complete, the names of the new teachers will be published in the Record.

About \$5000 has been designated for properly equipping the industrial arts room. The money was derived from an old bond issue which expired in 1946. Amerman pointed out that school census figures show that for the past three years there has been a significant increase; 1949 revealed 1085 children between the ages of 5 to 20; 1950 census showed 1112 children. While the 1951 census is incomplete, he feels certain that there will be a rise in the census.

Amerman reported that a new roof will be installed on the high school and the furnace will be overhauled. In the grade school, the building was caulked and waterproofed and the new glass block was installed, putting it in excellent shape.

The Board of Education has recently approved several changes in the high school curriculum. General science was made an elective subject, and world history was taken off the required list. A course in physical science was added as was a course in world problems. In addition the high school faculty has completed a handbook for pupils which describes the various elective courses.

Secretary George L. Clark read the secretary's report which gave a detailed view of the expenditures for the year. Robert Coolman, treasurer, gave his report, which showed that the school year would end with a balance of \$33,000. The full report will be published in the Record at a later date.

### Building Report Denotes Increase

At the recent Village Commission meeting, Building Inspector J. Stanley Waterloo read his report for the first five months in 1951.

The report revealed that 44 permits had been issued with a total valuation of \$109,450, indicating more building than usual in the Village. Seven garage permits were issued at an estimated valuation of \$5,700, six commercial alterations estimated at \$11,050, 23 house alterations at a cost of \$27,700, and eight new homes estimated at \$65,000.

Permits for new dwellings were issued to John Burkman, Del Hahn, Albert E. Jones, Mrs. Myrtle Larkins, Larry Burnette, Norman Frid, Clyde Wheaton and V. LaVassar.

Betty Layaz recently returned from New York where she attended several Broadway productions.

### Church To Observe Children's Day

"This Is Our Church" is the theme of the Children's Day services at the First Presbyterian Church on Sunday, June 17. Children are to come at the regular Sunday School time, but the service is to be presented in the church at 11 a.m. All departments of the Sunday School will take part in the service. The service is one that grows out of the week-by-week experiences of teachers, parents and pupils.

Directing the program will be the General Superintendent John W. Blackburn and the Secretary-Treasurer Raymond E. Hager. The beginners group will be assisted by Mrs. Robert E. Davis, Mrs. Dirk H. Groeneweg and Mrs. Robert L. Hart. Leading the kindergarten group will be Mrs. Harold Hartley, Mrs. Raymond C. Rogers and Nancy Harrison. An exhibit of primary artwork will be made by the first grade classes, taught by Helen Stanford and Mrs. Lawrence Walker, second grade classes of Mrs. Heinz Hilger and Mrs. C. W. Rogers and the third grade class of Mrs. William G. Williams.

Promotion certificates will be presented by the Superintendent Mrs. Harold F. Fredsell. Bibles will again be given to the third grade class through the courtesy of Roy Stone. Short talks will be given by Junior High students entitled, "From Paul to Luther" under the direction of Mrs. George W. Weiss and Mrs. Raymond E. Hager.

Mrs. Joseph R. Plunkett, superintendent of the Junior Department, assisted by the following teachers, Frederick Lupke, Vogtlin and Mrs. W. A. Vradenburg, have arranged a panel discussion on "The Great Men of the Protestant Church." Children will present the lives and contributions of Martin Luther, John Wycliffe, William Tyndale, John Calvin, John Knox, John Wesley and Robert Raikes. Representing the Senior High School department taught by Mrs. V. George Chabut, will be a short skit on the work of Robert Raikes who started the modern Sunday School movement in Gloucester, England. Winifred Welch will take the part of Mrs. Dobbs, in whose home the first Sunday School was held.

Special music will be provided by the choir and a group of girls under the direction of William G. Williams. The sacrament of Holy Baptism for children will be administered by the Pastor, the Rev. Harold F. Fredsell. As in past years the children's day offering will go to the summer camps and conference program. Eighteen young people from the local church are planning to attend, the Greenville Camp, Presbytery Point and Camp Grindley.

Harold Bloom, local representative for the Auto-Owners Insurance Company, last week attended the opening of that company's \$1,500,000 new office building, in Lansing. The building was formerly dedicated last Monday and was open for public inspection.

### A. R. Hellwarth To Deliver 1951 Commencement Address

Diplomas will be granted to 61 seniors at commencement exercises Thursday evening at the Northville High school gymnasium. The class of 1951 will be presented by Principal Elroy V. Ellison and diplomas will be granted by Superintendent of Schools Russell H. Amerman.

A. R. Hellwarth, assistant to the employment manager of the Detroit Edison Company, will deliver the main address on the topic, "You Too Can Be Successful."

Mr. Hellwarth is a graduate of the University of Michigan, Ann Arbor, where he received a Bachelor of Science degree in Electrical Engineering in 1925 and a Master of Science degree in mathematics in 1936. He taught electrical engineering at the University from 1930-33 and then joined the staff of the Detroit Edison Company.

For the past 10 years, he has devoted his time to personnel activities which have been largely centered around the employment, training and development of young college graduates. Mr. Hellwarth is active in the American Institute of Electrical Engineers, Engineering Society of Detroit, and recently he was appointed to a national committee on student guidance sponsored by the Engineers' Council for Professional Development.

The following scholarships will be granted: PTA scholarship, Exchange Club scholarship known as the William H. Cansfield Memorial, Northville Driving Club scholarship, Woman's Club scholarship and two University of Michigan Alumni-Regents' scholarships.

Rev. Edwin E. Rossow, pastor of St. Paul's Lutheran church, will read the invocation and benediction. Alice Newton, valedictorian, has entitled her talk, "Our Hearts Were Young and Gay," while John Rackov will give the salutatory. Jan Kay Riley will sing for the group, accompanied by June Trapp.

Following is a list of the 1951 graduates:  
Alice Newton, valedictorian, John Rackov, salutatorian; Thomas Bernhardt, Marjorie DeJohn, Barbara Rutan and Charlene Waid, honor students.

## ALICE NEWTON, JOHN RACKOV STRESS 1951 CLASS RESPONSIBILITIES

Alice Newton  
"Our Hearts Were Young and Gay" is a fitting title for the book which we, as graduates of 1951, are in the act of closing. The life story of each individual placed on the earth's universe is compiled into a set of books, each book representing a phase of our existence. When this set of books is near completion, the matter contained is often condensed to formulate one book—a biography. In years to come, after our set is nearly completed, each of us will be in a position to accomplish this feat if we so desire. It is deemed advisable for those of us preparing to be up-

rooted from this established educational system and transplanted into the complex universe outside these walls, to pause for a few moments and to reminisce over the three volumes we have thus far completed in our set. Book I is entitled "Happy-Go-Lucky" and leafing through the pages we recall our parents, our childhood, and our home. It was here that we first came in contact with people, happiness, tragedy, and the whirling, reeling involved world outside our colorful, imaginative but undeveloped minds. Home was our beginning. Here the proper morals, discipline, respect, and courage were taught us in simple language by loving parents who possess that most invaluable virtue—patience. It is logical that our parents remember this book more vividly than we, for at that time, we were not fully aware of the momentous activities surrounding us. And so we return "Happy-Go-Lucky" to the shelf, a dedication to our parents.

We would do well to use Kahlil Gibran's statement "As the Bow is Bent, So Shall the Arrow Fly" as the title of our next book. Book II is not quite as large but it is so expansive in its influence on our lives that it is deserving of a place of notice on our book shelf of life. It deals with the church. It is through the church that the basic innate ideals of brotherly love, tolerance, and charity are brought to the foreground. These qualities of human character and the degree to which they effect us mentally and spiritually is evident throughout the course of our remaining lives. How we adapt ourselves to crises and temptation is determined to a great ex-

tent by our religious training. "As the Bow is Bent, So Shall the Arrow Fly" we dedicate then to our churches.

With the closing of "Our Hearts Were Young and Gay," dedicated to the faculty, we say good bye to our carefree light-hearted attitude toward the world in general. In this volume a philosophy of life was imbedded in our hearts; clean living received a new emphasis; the necessity for discipline, respect and responsibility was written with indelible ink; and the importance of cooperation was impressed upon our minds.

For many, Book III records happiness, achievements and worthwhile memories. For others less fortunate, this book is an evidence of wasted time and useful opportunities ignored. Regardless of the contents of this volume, good or bad, we should profit by both the mistakes and the successes, in order that we may formulate interesting and worthwhile volumes yet to be written.

Our hearts were young, they were gay while this book was being composed, but not to the extent that we didn't fully comprehend the conditions of the world around us. We learned. We had to learn. When we leave this school tonight we will be children no longer. We will be men and women.

It is going to be up to us, the graduates of 1951, to cement the pieces of the world together so we may have and maintain a lasting, just, and righteous peace. To do this, it will be necessary for us to combine the knowledge we have acquired from books I, II, and III, the understanding, tolerance, brotherly love, patience, respect for authority, morals and modes for clean living.

Graduation does not mean that our learning is ended. It will continue indefinitely, for every day we live we gain some bit of knowledge. And the books which these bits will fill, we must add to those completed to help us accomplish the task, before us.

The fate of the universe is in our hands. It is our responsibility to see that world is free and at peace. With these thoughts in mind we, the graduates of 1951, close "Our Hearts Were Young and Gay" and go forth into a challenging world.

John Rackov

Yes, our hearts were young and gay. But now we must strike a more serious note as we close our book of High School memories. We must look forward to our future place in this—our country. Once out of these friendly walls, there is no turning back. From this night on we shall be considered adults (and be treated as such in the following years). We, as individuals are on the

threshold of life. We shall have many problems, but the training we have received from our homes, our churches, and our schools will help us to more adequately meet these problems. No matter what we shall have to face in the future, the training given us thus far in our lives will influence each and everyone of us in making decisions and meeting new tasks. Our actions are the net result of all this extensive training.

As we go forth into the world, we are uncertain and a bit reticent. We wonder about what will come next. The world seems as large as the universe and we are as feathers in the wind. Some of us have definite plans. Some will enter college and continue in their educational careers. Others will enter various businesses and industries and therein seek prominence. Many of us will be called to serve our country in the present war in Korea. This nation will find us willing to give our limbs or lives if necessary, for the continuation of such freedoms as we are enjoying. We recognize that it is the American way to protect basic freedoms for its people, no matter what the cost.

Our homes have prepared us to meet family and parental obligations. We as Seniors want to thank our parents who have put endless amounts of time and patience in an effort to prepare us to better meet the challenges we will meet. We would also like to express our appreciation to the faculty and each teacher individually for making our school years most enjoyable and pleasant.

Amongst the groups to be thanked are our churches who have taught us the principles and morals necessary for a wholesome happy life. We have learned to respect each others ideals and beliefs. That is the first step toward a real peace—a democratic world!

## Prefab Home Now Open to Public

First of new low-cost prefabricated Gunnison Homes now erected in South Lyon, is located at the corner of Whipple Boulevard and Warren Street, it was announced today by Future Homes, Inc., the local dealer for Gunnison Homes, Inc.

Gunnison Homes is the prefabricated housing subsidiary of United States Steel Corporation, which has been actively engaged in prefabricating homes since 1936.

Raymond M. Foley, administrator of the Housing and Home Finance Agency, who has supported special aids for the prefabrication industry, recently pointed out its new importance. He said: "Our immediate concern with prefabrication is not as a means of increasing current production, but more than ever we are concerned with whatever possibilities it can develop of reducing costs—by improved techniques, onsite or off—by conservation of materials and by reduction of man power requirements."

The new home, which has taken the nation by storm, is the "Coronado" and "Champion". These homes are available in five different sizes, and with two or three bedrooms. Size number 3 is now available for inspection in South Lyon.

Features of "Coronado" or "Champion" homes to be erected here include: streamlined kitchen with double compartment sink and enameled steel cabinets,

adequate closet space, combination living-dining room, bath, utility room, built-in linen closet, (two or three bedrooms, depending upon size), forced air heat (either oil or gas, depending upon the community), automatic hot water heater, and complete insulation.

The entire packaged ("Coronado" or "Champion") also includes a modern built-in bathtub, medicine cabinet, chrome-finished soap dishes and towel rods. The interior walls are in mellow-tone finish which requires only damp cloth cleaning.

The Gunnison ("Coronado" or "Champion") home is approved by the technical division of FHA, and is made in accordance with the code of the U. S. Bureau of Standards. It also has been approved by the technical committee of the Savings and Loan Association.

Mr. and Mrs. C. N. Woodruff of Glendale, California are house guests of Mr. and Mrs. Al Northrup of Spring Drive.

# Dollar for Dollar you can't beat a Pontiac

**A Beautiful Long-Time Investment!**

We admit that one of the very important attractions of this new Silver Streak Pontiac is its captivating appearance. Nearly everyone says it's a really beautiful car. But if Pontiac didn't have something in addition to its beauty, it couldn't possibly be in such tremendous demand today. That additional something is Pontiac's famous depend-

ability. Talk to any Pontiac owner and you'll hear a wonderful story of months and years and thousands of enjoyable miles with an absolute minimum of routine service attention. Add them together—beauty, performance and dependability—you'll realize that Dollar for Dollar You Can't Beat a Pontiac—a beautiful long-time investment.

# Mae Heintz, Billy Rose Jr. Pledge Vows at High Mass

At a High Mass ceremony Saturday morning read by the Rev. Fr. Lorenzo E. Woods at Our Lady of Victory Parish, Mae Heintz and William Rose, Jr. exchanged their nuptial vows. Mae is the daughter of Barney Heintz of Carpenter Street and the late Mrs. Heintz Mr. and Mrs. William E. Rose of Tampa, Florida, are the bridegroom's parents.

The vows were repeated before an altar flanked with baskets of white gladioli and mums and wedding music was offered by the chorus of the Felician Sisters Convent in Plymouth.

Seed pearl embroidery encrusted the yoke and long pointed bodice of the lace over satin period gown which was Mae's choice for her wedding. The rolled Elizabethan collar accented by a key-hole neckline, repeated the seed pearl motif. Her long, fitted sleeves of lace came to points over the wrists and her full satin skirt swept into a cathedral train. A Juliet cap of lace over satin edged with seed pearls, held her finger tip veil of illusion in place.

A fine strand of pearls was her only jewelry and she carried a cascade bouquet of white roses and Stephanotis.

Betty Heintz, sister of the bride, attended as maid of honor. Her gown of white nylon marquisette over yellow taffeta was fashioned with a stand up collar and cap sleeves edged in embroidered open work which was also repeated as insertion in the full skirt. Her long sash of yellow taffeta tied in back and she wore elbow length white marquisette mitts. Yellow nylon marquisette with matching streamers made up her large picture hat and she carried a colonial bouquet of yellow carnations and daisies.

Mrs. Cliff Boyd of Farmington and Mrs. Jack Stoddard of Royal Oak attended as brides-

# Duane Small Wed in Kansas Rites

From Lawrence, Kansas, comes news of the marriage of Audrey June Keeney to Pfc. Duane James Small. Audrey is the daughter of Mr. and Mrs. Earl Keeney of Topeka, Kansas, and Duane is the son of Mrs. Harry Small of Horton Street and the late Mr. Small.

The marriage vows were pledged on Saturday, May 26. Mrs. Small attended the wedding and spent several days in Topeka visiting.

The annual meeting of the Northville Mothers' Club was held Monday evening, June 11, at the home of Mrs. Nelson Schrader on Orchard Drive.

The members enjoyed an early outdoor picnic and then heard the annual reports of club committees.

Executive officers for the coming year are as follows: president, Mrs. H. Adrian Willis; vice president, Mrs. Jack Reynolds; secretary, Mrs. Richard Juday and treasurer, Mrs. Orson Atkinson.

Committee chairmen are as follows: social committee, Mrs. Paul Terry; program committee, Mrs. Paul Beard; milk bottle fund collection, Mrs. E. W. Ebert; milk fund, Mrs. Paul Terry; financial committee, Mrs. Ed Angove and Girl Scout representative, Mrs. Richard Juday.

The next meeting of the organization will be held Monday, September 10 when the members will meet at the home of Mrs. W. E. McCarthy of West Main Street for a regular business meeting.

On Tuesday, September 25, Northville school teachers will be honor guests at a pot-luck dinner and social evening at the home of Mrs. N. C. Schrader of Orchard Drive.

# College, Business Careers Planned By NHS Graduates

This week is a most exciting one for the 1951 graduates of Northville High school. A note of solemnity filled the First Presbyterian church house Sunday evening when the 61 seniors, clad in caps and gowns, filed into the room to hear Rev. Walter Ballagh deliver the main address on the topic, "Give God His Place."

Enthusiasm waxed high Tuesday evening when the graduates, informally attired in casual dress, presented the Class Night program before a vast audience in the high school auditorium. Thursday evening will climax the graduation activities when the seniors receive their diplomas, signalling the end of their high school days.

What do these 61 seniors plan to do now that their high school days are over? The majority of them have made plans for their futures. Twenty-six have indicated a desire to go on to either business college or to further their academic studies while the balance of the group will enter the business world.

Earl Hollis and Charles Kremkow are planning to attend Dearborn Junior College, while classmates Jane Stroh, Barbara Rutan, Tom Bernhardt, Ardith Bidwell, Tom Heslip, Marjorie DeJohn, Robert Pullen, Robert Kirkey, will call Michigan State College, East Lansing their home for the next four years. Nancy L. Ryder and Marilyn Sackett will commute daily to classes at Wayne University, Detroit, in the fall.

Western Michigan College at Kalamazoo has enrolled Robert Prom and this year's valedictorian and salutatorian, Alice Newton and John Rackov hold coveted scholarships to the University of Michigan, Ann Arbor. A future in nursing is in store for Mary Ann Karschnick when she goes East to attend the Osteopathic Hospital of Philadelphia, Pennsylvania while Mimi Harrison will make Albion College her headquarters when autumn beckons.

Gail Bemish isn't certain whether she'll enroll at Michigan State Normal, Ypsilanti, or at Western Michigan. Bonnie Hannah will pack a trunk and head West for Chaffey Junior College, Ontario, California. Helen Meaker and Charlene Waid will attend Michigan State Normal College, Ypsilanti. When queried, James Whipple said he's planning on college in the fall, but is undecided about where he will enroll.

Teenagers planning business careers include Shirley Carlson and Joan Gow who have enrolled in Cleary College, Ypsilanti. Delores Bell and Florence Farrell will attend classes at the Detroit Business Institute.

Charlene Stobbe, Jan Riley, Dorothy Kehrl, Geraldine Hansen, Martha Chappell, Beverly Lyke, and Jane Trapp are planning secretarial careers and expect to begin work as soon as that "perfect" job is found. June Trapp and Geraldine Miller are working at the D & C Store while Delbert Black is selling footwear at Gladstone's Shoe Store. Phyllis Starr is employed at the

office of G. F. Taft and Phyllis Boyer is managing Pride Cleaners.

The U. S. Navy beckons Denny Winkler while Jack Ratliff will work for Apple Crest Farms. Bob Lemon, Norwood Balko and Hagon Bashian will be tillers of soil helping to feed the nation. David Fulkerson anticipates a career in landscaping. Eugene Maloney, Betty Heintz, Dorothy Banks, David Hazlett, Bob Cole, Lawrence Smith, Charles West-erfield, Zolie Visnyak, Jane Norton, Jean Trapp and Tom Wick are among the new graduates who are undecided about their immediate futures.

Mrs. Don Sober of Sheldon Road, a prominent Detroit artist, will conduct outdoor painting classes at her home beginning Tuesday, June 19 for five successive Tuesdays.

FOR SALE

To the folks at the NORTHVILLE RECORD:

This probably sets no mark, but it is good enough for us.

On Monday, June 4th we secured an exclusive listing on the fine home at 262 Wing Court owned and just vacated by the Dr. Handorf family by reason of their occupancy of the new larger home they had completed next door.

We handed you copy for insertion in last Thursday's Record and up to the publication of the paper we were absolutely without a prospect. At 11 o'clock Friday morning we had a cash deposit on the home, with several phone and personal calls.

We are pleased to announce that the property was purchased by Mr. and Mrs. John S. Canterbury of Cleveland Heights, Ohio. The Canterbury's with their two young children will occupy the home shortly.

Thank you for such good service.

We do have a reasonable facility for the sale of homes, farms or vacant properties. We do not feel it necessary to have an office 'up town,' but we are always pleased to be consulted in the exclusive listing of desirable real estate.

## News from Novi

By Mrs. L. Riz

Mrs. John Bogner of Chicago came up from Chicago to be with her sister, Mrs. William Miller, of West Grand River for an indefinite period.

The people of Novi consider their Memorial Day parade this year to have been the outstanding parade since the parades were started here in Novi. Hadley Bachert, as grand marshal, led the parade and all organizations in town took part, being the first time for the 4-H Club. The Farmington band was very much appreciated and added color and tempo. William Rachov, who headed the committee parade, is to be congratulated on the success of the venture.

Mrs. Russell Race, Mrs. Paul Gintie and Mrs. R. E. Ward attended the Department of Michigan Blue Star Mothers convention at the Book Cadillac Hotel in Detroit three days last week. Mrs. Leda Pless, Mrs. Joseph Gardella and Mrs. Ralph Walden

spent one day at the convention. Monday evening the mothers met at the Walden home on Twelve Mile Road for their June meeting. There were 18 mothers present. Mrs. R. E. Ward gave a report on the convention. The Blue Star Mothers Rehabilitation Home at Indian Lake has a veteran and his wife, a trained nurse, as new caretakers. The Novi Hospital report at the convention totaled \$1487.19 for the past year. The Novi Mothers have volunteered to help with civilian defense. Next Wednesday, June 20 at 1 p. m. the mothers will sponsor a demonstration party at the Rix home on First Street. Alma Klasner of Novi Road and Esther Devine, Gold Star Mother of Walled Lake, were initiated during the evening and Mrs. Bird of Twelve Mile Road, a potential Blue Star Mother hopes to join the chapter this fall.

The Novi Methodist W.S.C.S. will meet Wednesday, June 20 at the church. Hostesses for the day are Mrs. Cotter and Mrs. Scheffer. The ladies will sew cancer pads. Thursday evening, June 21 a seven o'clock dinner will be served at the church for the men and boys. An interesting program has been planned. Call 1215-J11 for reservations. Mr. and Mrs. James Harris had the grand opening of their restaurant, "The Rosewood," at 46077 West Grand River on Wednesday of this week. Roses were given to the ladies and refreshments served to all. Fred Bourbonais is convalescing at his home on East Grand River after spending several days at Sessions Hospital, Northville. Mrs. Russell Button was the guest of Mrs. Fran Jennings at the Northville Garden Club meeting at the home of Mrs. Gerald Woodworth on Thayer Boulevard, Northville, Monday. William Miller passed away at his home on West Grand River at 12:45 p. m. Monday after a lingering illness. Funeral services were held at Casterline Fu-

neral Home, Northville, Thursday afternoon.

Mr. and Mrs. Ezra Roberson and son, Elton, were the dinner guests of Mr. and Mrs. Luther Rix last Friday evening. Over the week-end Mr. and Mrs. William McIntyre of Flint were house guests of the Rixes.

Mrs. Clare Lockwood whose birthday occurred Monday celebrated the occasion last Saturday with her children and grandchildren.

The Novi Chamber of Commerce held its annual pot luck dinner last Thursday evening with about 125 present including the ladies. After the meeting they were entertained by a group of talented young people from Wadsworth School, Detroit. Director, Mrs. Brooks, and the Chamber's officers were highly commended for a very enjoyable evening.

Mr. and Mrs. Leslie Ward are visiting the former's parents, Mr. and Mrs. R. E. Ward, for two weeks. Lester is on furlough from Camp McCoy, Wisconsin.

## Asked by Anglers Stream Betterment

Some trout fishermen believe the conservation department should undertake more stream improvement and they approve a larger trout stamp fee to finance added work, according to a voluntary poll conducted by the department's fisheries research institute.

More evenly divided were the answers of over 300 fishermen, checked on the Pigeon and Ruffe rivers and Hunt creek, on the question of planting more legal-size trout. Answers to another question, "I would or would not favor a fee increase if the money were to be spent for raising and planting of legal trout," were more markedly positive.

Of the 317 anglers replying to a query on stream improvement, 62 percent said they believed the department was not doing enough, 37 percent said enough was being done and about one percent said there was too much stream improvement. Of the 316 answering the fee-improvement question, 76 percent advised they favored the fee increase if the money was used for improvement, 28 percent were against the proposal.

The institute poll report shows 304 answered the planting question. Forty-nine percent felt that not enough were planted, 43 percent enough, and eight percent thought too many hatchery trout were released. A total of 316 volunteered an answer to the fee-planting query. Sixty-eight percent favored a fee increase if the funds were spent for raising and planting more legal trout, 32 percent were against.

## Novi Lodge News

A group of about 70 Novi Odd-fellows, Rebekahs and their families went to the Home at Jackson Sunday, June 10. After a pot luck picnic dinner, guests and the Home folks gathered in the assembly room where a program was held. Group singing of old favorite songs followed. The visitors then enjoyed a tour of the Home. There are 84 residents at the Home and 32 employees. The lodges furnished ice cream for all the people in the Home. Both visitors and Home people will remember the day with pleasure.

The next regular meeting of Novi Rebekah Lodge No. 482 will be Thursday evening, June 14.

## N-5 NEWS

Wednesday we met at the Scout Hall.

We chose up sides and played softball.

Then we had our business meeting.

Kenneth Mackay, Scribe

Don't apply paint to a very hot surface—blisters may result. A couple of thin coats of paint are better than trying to cover the surface all at once with one heavy coat.

### SCHOOL DISTRICT NO. 8 OF THE TOWNSHIP OF NOVI, OAKLAND COUNTY, MICHIGAN SCHOOL DISTRICT BONDS

Sealed bids for the purchase of School District Bonds to be issued by School District No. 8 of the Township of Novi, Oakland County, Michigan, of the par value of \$75,000, will be received by the undersigned, at the office of the Superintendent of Schools in the Novi School Building, Novi, Michigan, until 8:00 o'clock P.M., Eastern Standard Time, on Wednesday, the 27th day of June, 1951, at which time and place said bids will be publicly opened and read.

Said bonds will be dated June 1, 1951, will be coupon bonds in the denomination of \$1,000 each, will be numbered consecutively in the direct order of their maturities from 1 to 75, both inclusive and will bear interest from their date at a rate or rates not exceeding 3% per annum payable on November 1, 1951 and thereafter semi-annually on May 1 and November 1. Each bid shall state the annual interest rate or rates upon which it is submitted, expressed in multiples of 1/4 of 1%. The interest rate for each coupon period on any one bond shall be at one rate only. Accrued interest to date of delivery of such bonds must be paid by the purchaser at the time of delivery.

Said bonds will mature serially on the first day of May in each year as follows: \$6,000 in each year from 1952 to 1957, \$7,000 in each year from 1958 to 1962, and \$4,000 in the year 1963, all years inclusive. Bonds Nos. 51 to 75, both inclusive, maturing in the years 1960 to 1963, both inclusive, will be subject to redemption prior to maturity, at the option of the school district, in inverse numerical order, on any one or more interest payment dates on and after May 1, 1954, at par and accrued interest, plus a premium of \$15.00 on each bond called for redemption on or after May 1, 1954 but prior to May 1, 1956, \$10.00 on each bond called for redemption on or after May 1, 1956 but prior to May 1, 1958, \$5.00 on each bond called for redemption on or after May 1, 1958 but prior to May 1, 1960, and no premium on bonds called for redemption on or after May 1, 1960. Notice of redemption shall be published not less than 30 days prior to the date fixed for redemption, at least once in a newspaper or publication circulated in the City of Detroit, Michigan, which carries as a part of its regular service, notices of the sale of municipal bonds. The remaining bonds will not be subject to redemption prior to maturity. Both principal and interest will be payable at the Detroit Trust Company, in the City of Detroit, Michigan.

The bonds are to be issued for the purpose of paying a part of the cost of erecting and furnishing an addition to the existing school building in said school district, and will be the general obligations of the school district which is authorized and required by law to levy upon all the taxable property therein such ad valorem taxes as may be necessary to pay said bonds and the interest thereon, subject to such limitations upon the said taxing power as may result from the provisions of Section 21, Article X, of the Michigan Constitution and the Michigan Property Tax Limitation Act. The electors of said school district at an election held on June 5, 1950, increased the tax limitation by 8 mills for the years 1950 to 1966, both inclusive, for the payment of principal and interest on said bonds and to establish a reserve therefor.

For the purpose of awarding the bonds, the interest cost of each bid will be computed by determining, at the rate or rates specified therein, the total dollar value of all interest on the bonds from July 1, 1951 to their maturity and deducting therefrom any premium or adding thereto any discount. The bonds will be awarded to the bidder whose bid on the above computation produces the lowest interest cost to the school district. No proposal for the purchase of less than all of the bonds or at a price less than 97% of their par value, will be considered.

A certified or cashier's check in the amount of \$1,500 drawn upon an incorporated bank or trust company and payable to the order of the Treasurer of the school district, must accompany each bid as a guarantee of good faith on the part of the bidder, to be forfeited as liquidated damages if such bid is accepted and the bidder fails to take up and pay for the bonds. No interest shall be allowed on the good faith checks and checks of the unsuccessful bidders will be promptly returned to each bidder's representative or by registered mail.

Bids shall be conditioned upon the unqualified opinion of Berry, Stevens, Barber, Evelyn and MacFarlane, attorneys, Detroit, Michigan, approving the legality of the bonds. The cost of said legal opinion and of the printing of the bonds will be paid by the school district. Bonds will be delivered at Detroit, Michigan.

The right is reserved to reject any or all bids. Envelopes containing the bids should be plainly marked "Proposal for Bonds."

JAMES D. MITCHELL,  
Secretary of the Board of Education.

Dated: June 13, 1951.

# AUDIT REPORT, VILLAGE OF NORTHVILLE, MICHIGAN

The Honorable Commission  
Village of Northville, Michigan  
Gentlemen:

We have examined the balance sheet of the Village of Northville as of February 28, 1951 and the statements of receipts and disbursements and income for the fiscal year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances. We did not consider it practicable to verify taxes and accounts receivable by direct communication with debtors.

The accounts of the Water Department Fund are kept on the accrual basis. The accounts for all other funds are kept on a modified cash receipts and disbursement basis; all assets and liabilities are reflected in the accounts; but revenues are recognized only when cash is received.

In our opinion, the accompanying balance sheet and related statements of income or receipts and disbursements present fairly the position of the Village of Northville at February 28, 1951 and the results of operations for the fiscal year then ended, in conformity with generally accepted governmental accounting principles applied on a basis consistent with that of the preceding year.

Very truly yours,  
ICERMAN, JOHNSON & HOFFMAN  
By C. A. Hoffman.

Howell—Attention of this  
community will be centered next  
week on high school graduation  
activities. Howell high school has  
76 diploma candidates from the  
senior class and two veterans  
have also qualified for the certi-  
ficates. The list of graduates ap-  
pears at the end of this article.

Farmington—Traffic officers  
in the Farmington area were still  
wondering this week what caused  
the almost total absence of  
automobile accidents Memorial  
Day. The new low in mishaps  
came despite an increased num-  
ber of vehicles on Farmington  
roads.

Plymouth—Former mayor of  
Center Line and superintendent  
of schools in that city, Russell L.  
Isbister, will be Plymouth's new  
superintendent of schools.

Plymouth—Fireworks, a pa-  
rade, an auto show, a giant am-  
ateur show, the selecting of a  
queen, a big midway of enter-  
tainment and refreshment booths  
are all part of the mammoth  
Fourth of July celebration being  
planned for the people of Ply-  
mouth.

Wayne—A mere handful of  
Wayne voters okayed a \$394,000  
bond issue at last Monday's elec-  
tion. Only 340 voters thought it  
worth their while to make a trip  
to the polls to vote on the water  
and sewer bonds.

Wayne—Alex G. Hackenberg,  
former publisher of the Wayne  
Eagle, died suddenly last Satur-  
day evening, June 2.

Inkster—A Detroit man and  
his wife died this week in Ink-  
ster in what police term a shoot-  
ing and suicide. Inkster police  
officers were called at 3531 Ash  
street at 2:45 p.m. last Friday.  
They found the bodies of Jessie  
Glover, 55, and his wife lying on  
the floor of the living room.

Rochester—Donald Baldwin, 7  
years old, was hit by an automo-  
bile driven by Betty M. Garnett,  
534 South Main, at noon Monday  
as he rode his bike across Main  
at Woodward avenue.

Chelsea—Next week Friday  
and Saturday will be bargain  
days in Chelsea and merchants  
are planning to make the two-  
day event an outstanding success.

ricultural agent who will retire  
from office on July 1 after 33  
years of service, will be honored  
with a mammoth ceremony of  
appreciation on June 18.

Birmingham—In an effort to  
find a solution to Birmingham's  
growing traffic problems, the  
city commission Monday evening  
authorized City Manager Donald  
C. Egbert to negotiate a contract  
with the Detroit traffic engineer-  
ing firm of Gunderson and Do-  
beleak.

Birmingham—Appointment of  
a committee to study the possi-  
bility of a municipal swimming  
pool for Birmingham has been  
put off until next week, so May-  
or Chad Ritchie can contact all  
prospective members.

Rochester—The Commence-  
ment speaker for graduation ex-  
ercises at Rochester high school  
this year will be Bishop Hubbard  
of the Protestant Episcopal  
Church, it was announced today  
by Donald Baldwin, superinten-  
dent of Rochester Public Schools.

Chelsea—Seven firms sub-  
mitted bids for the general con-  
tracting work for the new elemen-  
tary school, the lowest bid being \$258,  
686 submitted by W. N. Bjork-  
lund, of Douglas, Michigan. The

had a tour of some departments.  
We went to Detroit Humane So-  
ciety in the afternoon and saw  
dogs, cats, rabbits and chickens.  
We saw the animals in the hos-  
pital and ones that were ready to  
be adopted. We rode in cabs and  
came home on the train.

Sunday we had a picnic dinner  
for Brownies and parents in the  
Scout Building because of rain.  
Next fall we become Girl Scouts.  
Monday, we met and took dues.  
We talked about the parade on  
Memorial Day. Then we all went  
uptown for ice cream cones. We  
will start meeting again in the  
fall.

Summer Scheduled  
To Arrive June 22

June will be the month when  
the sun's long journey north-  
ward which began last December  
will come to an end.

The moment when this occurs  
will mark the start of summer,  
according to Dr. Hazel M. Losh,  
assistant professor of astronomy  
at the University of Michigan.  
She reports this event is sched-  
uled for 12:25 a.m., just a few  
minutes past midnight, on Fri-  
day, June 22.

"At that moment the sun will  
have reached its greatest distance  
north of the equator," she ex-  
plains. "It will rise and set ap-  
proximately 35 degrees north of  
the east and west points and will  
remain above the horizon for the  
longest day of the whole year—  
about 15 hours."

You may recall that the sun  
heads northward each December  
but that the coldest weather of  
the winter usually comes in Feb-  
ruary. Just reverse this situation  
and you will know why August  
is usually the hottest of the sum-  
mer.

"Ever since last December the  
northern part of the earth has  
been warming up slowly and will  
continue to get more heat each  
day than is lost in radiation," she  
explains. "This process will con-  
tinue until the time is reached  
when the amount of heat received  
will be equal to that lost dur-  
ing 24 hours. In this latitude the  
balancing point is reached about  
August 1 which is the logical pe-  
riod for the hottest weather of the  
year."

The warmer weather which  
comes during the summer is due  
only to the longer time that the  
sun shines on the earth. Actually  
the sun will be approaching its  
greatest distance from the earth  
by the end of June and will be  
three million miles farther away  
than in January when it was  
closest to the earth.

Sometimes the weather reports  
make us doubtful but the sum-  
mer season is a little longer than  
our winter, Dr. Losh reports. The  
interval between the northward  
passage of the sun across the ce-  
lestial equator and its south-  
bound trip in September is seven  
days longer than the period from  
September to March when the  
sun is south of this line.

Arrival of summer in the nor-  
thern hemisphere means that the  
southern hemisphere is awaiting  
winter. The season between the  
two hemispheres are just revers-  
ed due to the fact that when the  
north pole of the earth is tipped  
toward the sun the south pole is  
tipped away from the sun, she  
says.

Correct air pressure in all  
tires is one of the most impor-  
tant ways of avoiding the dan-  
gers that come with tire fail-  
ure. Make a check at least once  
a week to see that the pressure  
is right in all your tires, in-  
cluding the spare.
