

Old friends of Bill Ely were mighty glad to see him walking around town Friday. Bill has been ailing this winter and he said he had not made it uptown since last September. We hope he is feeling much better now and makes the trip uptown often.

Effective July 2, the post office began issuing a new type of money order which is negotiable at any bank, post office or place of business. The new money order system is much the same as the old one; application for one is on the same form. The new money order is in the form of a punched card and is designed to eliminate much cumbersome record keeping.

Wanted! The culprit or culprits who flagrantly fish in the U. S. Fish Hatchery on West Seven Mile Road. Superintendent E. R. Widmyer states that since last April about 105 trout, measuring anywhere from 10 to 22 inches have been taken from the brood stream. The hatchery is being carefully watched and the maximum penalty, \$5,000 fine or five years in prison or both will be enforced on anyone caught in the act, Widmyer states.

For the convenience of their ice customers, the C. R. Ely and Sons Company of North Center Street has installed an Ice-O-Mat. Patrons may now secure those cold lumps of pure frozen water 24 hours a day, by simply inserting a small piece of change.

Police Promote Safety Program

Chief Denton today named the American motorist's misplaced pride in his "heavy foot" as a contributor to about 9,000 fatal traffic accidents each year.

"This," Chief Denton told the Northville Record today, "is approximately the number of traffic accidents occurring each year in which at least one person is killed and in which excessive speed figures."

The tendency of American drivers to appraise their own driving skill solely in terms of speed plays no small part in this annual highway tragedy, he said.

For this reason, according to Chief Denton, neither enforcement nor traffic engineering can begin to solve the "problem of excessive speed until the driving public is educated to the exact difference between a "safe" speed and an "unsafe" speed, and to the physical and economic costs of the accidents so often resulting from this misconception.

"An unsafe speed," Chief Denton said, "can be any speed — 20 miles an hour to 100 miles an hour. It is this inability to recognize 30 or 35 miles an hour as an unsafe speed under certain circumstances that leads to so much disaster on our highways. Because an official speed limit sign says that 30 miles an hour is permissible on a particular stretch of road, far too many motorists will feel that driving at any lesser speed is wasting a golden opportunity—even though that road may be wet and dangerously slippery at the time.

Chief Denton's remarks today came in support of the State Safety Commission's July program on traffic safety education, of which he is Chief.

"This July program," he added, "has as its aim the sort of public speed education that I mentioned earlier. If we can convince the driving public that anything less than ideal weather, mechanical or highway conditions requires a proportionate decrease in speed, the work will have been well worth while."

The July program, which has as its slogan: "Now — Take It Easy!", is being sponsored in Northville with the cooperation of the State Safety Commission. The work is coordinated by the Police Department.

Plan Benefit Rodeo at Ivory Field

The second annual Michigan Junior Championship Rodeo will be held Sunday, July 22, at the Ivory Polo Field. Lincoln Friend of the Howdy-Doody Ranch on West Eight Mile Road is the show production manager of the event which is sponsored by the Sports Guild, a non-profit organization. All entries must be filed with Mr. Friend.

The rodeo, open to all boys and girls 17 years of age or under, will feature bareback bronc riding, steer riding contests, a scurry race, musical chair contests and various speed and action exhibits, all the thrilling acts of the western rodeo.

Pat Malley, of Beck Road, who served as manager of the recent successful Junior Horse Show, will act as judge for the various events along with Dick Garvit, Harry Seeley and Toby David, all well known Detroit personalities.

Proceeds of the rodeo will send several underprivileged children chosen from each precinct to attend summer camps complete with all necessary sports equipment.

House guests for two weeks at the home of the William Weidners of Fairbrook Road are Mrs. Weidner's sister and her family, Mr. and Mrs. Gerald Doub and children, Suzanne and Danny of Dearborn. The Doubs plan to move to Northville in the near future.

If enough Village youngsters are interested, a schedule will be planned and the dates for the classes will be announced by the Recreation Committee.

Three Reports Given at Exchange Meeting

At the meeting of Exchange Club last Wednesday, R. W. Bingley gave his report as delegate to the State Exchange Club convention. Dick Sands told of his activities at Wolverine Boys State. His trip was sponsored by the local club.

Tom Heslip told of the explicit purposes for which he intended to use his Exchange Club granted scholarship. He stated he will start his course at Michigan State College, specializing in dairy farming. He also voiced his appreciation of the help and stressed the importance of the encouragement to the recipient of the scholarship each year.

Glenn Richardson, recently returned from Florida, rejoined his friends to start his usual summer series in attendance of Exchange Club meetings.

Meeting Called for Retail Merchants

A meeting of the Retail Merchants Association has been called for Monday July 9, at 8 o'clock by Nelson Schrader, president of the organization. The meeting will take place at Veterans' Memorial Hall.

There is a considerable amount of business to be taken care of so it is very important that all persons connected with the association be present.

Rotary Selects Dave Lee As European Exchange Student

David Lee, son of Mr. and Mrs. Leslie G. Lee of Fairbrook Road, has been selected as the high school student to visit Europe this fall as guest of the Northville Rotary Club.

Committee chairman, Lynn Sullivan, announced the decision this week following careful consideration of the twenty-nine applications submitted.

The committee announced the student exchange plan to an assembly the last week of school. Interested students were requested to submit a paragraph stating his reason for wanting to attend a foreign school. With the help of the faculty, the committee composed of Harry B. Smith, Russell H. Amerman, Nelson C. Schrader and chairman, Lynn Sullivan, made the final choice.

Dave was selected for his outstanding ability and poise, his high scholastic rating, dependability, character and maturity. It

is necessary for the exchange student to not only absorb the fundamentals of the way of life of the host country, but to intelligently impress upon them our ideals. He must be able to give, upon his return, a scholastic interpretation of his experiences and impressions.

Dave plans to leave in September for Germany and return to the Village the last of December.

It is unfortunate for the girls who submitted applications that the European Rotary Clubs are not prepared to accept young women this year; next year, however, they will undoubtedly be eligible.

In the student exchange program, two boys and two girls from Germany will arrive in the Village in September to attend a full school year at the Northville High School. Lodging will be provided by members of the Rotary Club.

Optimists Attend Int'l Convention

Joining thousands of delegates from every section of the world, George Zerbel, Dr. L. W. Snow, of the Northville Optimist Club, participated in the 33rd annual convention of Optimist International.

The four day convention, June 27-30, included besides the formal business sessions, a moonlight cruise on Lake St. Clair, a formal ball reception, an "Old Timer's" breakfast, and the 1951 finals of the International Oratorical contest for boys.

The service organization is comprised of over 800 individual Optimist clubs, with an aggregate membership in excess of 60,000 throughout various communities in the United States, Europe and Australia.

During the past year, Optimist International has contacted almost a half million boys either through the maintenance of full time boys' homes or sponsorship of Junior Optimist Clubs, Boy Scout troops, hobby clubs and other recreational activities.

Downs Set for Biggest Season

Northville Downs is on its way to its best season in history.

Track officials reported that both attendance and mutuels handle are running approximately 20 per cent over last year despite the fact that there have been only 16 nights of racing compared to 17 a year ago at this time.

The wagering for the first three weeks of this year—minus two nights because of rain—was \$3,019,812 compared to \$2,594,902 for three weeks last year minus one rain-out night. That is a gain of \$424,910.

Las. Friday's total of \$269,866 was the best night this year and was exceeded by only one other night in the track's history. This was in 1948 when \$287,199 was bet on September 11.

Northville Downs officials explained the increase by a general growth in harness racing interest throughout the country and also to the fact that the Northville races this year have been of top quality. For example, Nellie Abbedale, five year old pacer, driven by Foy Funderburk, this year equals the track record of 2:03 2/5. This mark was set in 1903 by Rosemary Brooke with Bob Plaxico at the reins.

Incidentally, in the second dash of that same race, Brucita's Guy, driven by Tommy Winn, equalled his own mark of 2:04 1/5.

In general, racing has been particularly close and thrilling which is bringing the fans back through the turnstiles night after night.

The Royal Neighbors and Macabees will meet at the home of Mrs. George Pickell on Eaton Drive at 6:30 p.m. Tuesday evening, July 10, for their annual picnic dinner. Bring a passing dish, your own table service and prizes for games.

Villagers Receive Summer Tax Bills

Villagers this week received their summer tax bills in the mail. A. Russell Clarke, Village treasurer, reports that this year's rate is \$15.98 per \$1000 of assessed valuation as compared with the 1950 rate of \$15.30 per \$1000.

The 1951 tax rate is spread as follows: \$13.54 will be used for the general fund while \$2.44 will be used for the debt fund. The total assessed valuation for 1951 is \$4,335,450 as compared with \$4,226,675 for 1950.

Prominent Rotarian Succumbs Sunday

Members of the Northville Rotary Club and many Villagers will be sorry to learn of the death of George A. Smith, a prominent educator, who passed away Sunday in St. Joseph Hospital, Ann Arbor.

Mr. Smith served as superintendent of Plymouth Schools for 27 years, retiring six years ago to act in the capacity of executive secretary of Plymouth's Chamber of Commerce.

For many years, he served on the Michigan Institute Commission and was a member of the Wayne County Board of Education 18 years. Village residents came to know and respect him when he served as district governor of Rotary International.

He is survived by his wife, Clella. Interment was made Tuesday in Plymouth.

Safety Week Set for July 22-28

Circle the week of July 22 to 28 on your calendar. It has been set aside as National Farm Safety Week and Michigan State College farm safety specialists are urging farm families to plan a safety program.

Theme for 1951 will be "Adopt Safe Practices." Records show that 17 million man days were lost last year because of farm accidents. This represents a serious loss in needed farm production.

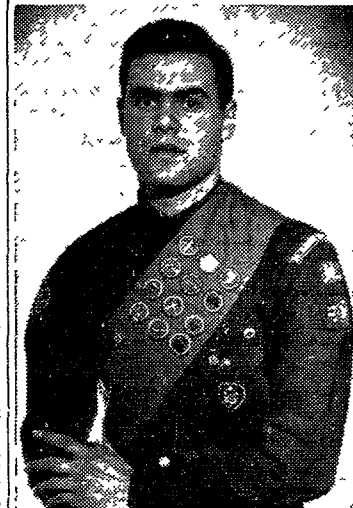

Falls are the cause of the largest number of farm accidents. Machines and animals rank next, followed by motor vehicles and handling objects. Safety specialists say that the accident toll could be cut sharply by taking extra care with each of these hazards.

St. Paul's Church Plans Picnic July 8

The annual Church and Sunday School picnic of St. Paul's Lutheran Church will be held Sunday, July 8, on the church grounds. The potluck dinner will be served at the church as soon as Sunday School classes are over.

Games and other recreational activities will take place throughout the afternoon.

Boys To Leave Saturday for Austria

DICK GUNSELL

JAMES LAPHAM

Local Scouts to Represent Area at World Jamboree

Saturday morning, Dick Gunsell and Jim Lapham will board a train for Chicago, Illinois, for the first lap of what will probably be the most exciting and adventurous two months of their lives.

Dick, Jim, Don Carlson of Rosedale Gardens and their Scout Master, Dan Ling, of Ann Arbor, will represent the Detroit area when they will join 15,000 boy scout delegates at the World Scout Jamboree at Bad Ischl, Austria from August 3-10.

Dick will serve as senior patrol leader of District No. 7 which is composed of delegates from Michigan, Wisconsin, Indiana and Illinois.

An orientation and training period will be held at the pre-jamboree camp at Camp Kiwanis in Chicago from July 7 to 11 where the entire United States delegation will gather.

On July 13, the 550 scouts and their leaders will board the S.S. Argentina at Hoboken, New Jersey, for Algiers, North Africa, their first stop. Before arriving at the scenic camp site, the boys will visit Naples, Rome, Venice and Switzerland. At the ten day jamboree, the scouts will experience living together and sharing their impressions with boys from many foreign lands. Conducted tours are on the agenda and the boys hope to get in some "write home about" mountain climbing.

A visit to Munich, Paris and other places of interest on the continent is on the boys' itinerary before their return to the United States on the S.S. Brazil.

Dick is the son of Mr. and Mrs. M. C. Gunsell of Clement Road and Jim's parents are the Maurice Laphams of West Main Street.

Dog Quarantine Now in Effect

Northville residents who own dogs are warned by Dr. V. George Chabut, health commissioner, to keep them tied up.

In accordance with the State law and the action of the Wayne County Board of Supervisors, the quarantine went into effect June 15 and will end September 15. All unmuzzled dogs will be picked up and impounded in the Village Pound, vaccination and tag not withstanding.

The police department reports that already several children have been bitten by dogs recently and that the law will be strictly enforced. Mothers are urged by the police to warn their children against playing with stray dogs.

Bids Submitted for Church Redecoration

Nelson C. Schrader, chairman of the redecoration committee of the First Presbyterian Church, has announced a committee meeting to be held Tuesday, July 10 at 7:30 p.m. at the Church House.

Plans will be discussed for raising funds for the project and figures will be submitted for work to be done.

Added to last week's list of consultative committee members, are George Weiss and Mrs. Alfred Parmenter, with the Elders' representation, and Mrs. Andrew Burgess and William B. Crump are added to the list of Deacons.

Council Discusses Off Street Parking

The regular meeting of the Village Council was held Monday evening at the Village Hall. Commissioner Claude Ely presided over the session in the absence of Mayor Conrad E. Langfield.

Commissioner Alton Peters reported to the group on the progress of the recently reorganized Recreation Committee. At the Committee's last meeting, they discussed the problems of transportation, director's salary, permanent chairman and the summer program. Because of the absence of several of the members on the Recreation Committee, the group adjourned and will meet again to study these problems.

Commissioners George Locke and Claude Ely made a report on the condition of the Village dump located in the rear of the Pere Marquette depot. They reported that it had been bulldozed and leveled, and recommended that a certain time be set aside when debris may be burned, thus hoping to alleviate all the smoky conditions.

Thomas E. Rooney of Walnut Street was present and proposed that a continuation of Cady Street be built through what is now known as Park Place with an entrance on Plymouth Avenue. He was advised that the matter would be taken, under consideration and will be acted upon when the Council takes up the problem of disposing of that piece of property.

Mike Allan, Supervisor of the Cemetery, reported to the Commission that Rural Hill Cemetery is in good condition, with all the grass and shrubs being trimmed. He pointed out to the group that the chief problem confronting the cemetery is the sale of lots. Allan was advised by the Council that he could take measures to stimulate the sale of lots through the media of letters and information in the Record.

Health Commissioner Dr. V. George Chabut discussed with the Council the possibility of purchasing a medical kit to be used in the event of a disaster. The cost of the kit to the Village would be about \$500, or about one-fourth of the cost to the Federal government (\$2000). The Council voted to buy the kit which is designed to take care of 660 disaster victims.

The off street parking problem was also brought up for discussion by the Council. Mr. Hoheisel, Civil Engineer of Plymouth, stated that he had completed a survey of the property on the south and north side of East Main Street which would be affected. The Village will begin negotiations with the property holders in the near future.

He gets a picture of the weather by Long Distance

Tomorrow's weather is on the wires today for the forces which guard the nation's skies and shores.
Today the largest Long Distance network of its kind brings them detailed "isobar" weather charts around the clock.
These charts are sent by a system known as "facsimile" from the Weather Analysis Center in Washington, D. C. There, an electric eye scans the weather "picture" as it turns on a special drum. The signal waves produced go out over thousands of miles of wire to military installations throughout the country where the picture is automatically reproduced.
This weather network was designed and completed in less than two years. It's another demonstration of the importance of Long Distance lines to the security of the nation — especially right now, when there may be stormy weather ahead.
To help speed your Long Distance call, please give the operator the out-of-town telephone number. Telephone lines are busy with national defense.

MRS. JOHN STEIMEL

Methodist Church Is Scene of Rieger-Steimel Nuptials

Marital vows were pledged by Lorraine Rieger and John Steimel Saturday night in a ceremony which took place at the Methodist Church. Lorraine is the daughter of Mr. and Mrs. Fred Rieger of Novi Avenue and her husband's parents are Mr. and Mrs. Satre of New York City.

Rev. William Johnson was assisted by Rev. William Richards in conducting the double ring service at 8 o'clock. Vases containing bouquets of white gladioli and candelabra formed the background for the wedding. Preceding the ceremony Carl Stephens sang "Oh Promise Me" and "Because."

Given in marriage by her father, Lorraine chose a ballerina length dress of lace over satin for her wedding. The brief jacket which she wore over the strapless gown, buttoned to the waist and had long sleeves which ended in points over her wrists. The gown had a fitted bodice and very full skirt. A lace and satin bonnet held in place her fingertip veil. A white orchid surrounded by stephanotis formed her bouquet.

Joanne Tuck of Dunlap Street attended as maid-of-honor and Mary Lou Charron of East Eight Mile Road served as bridesmaid. Joanne wore a pale green dotted Swiss over a pale gown which was ballerina length, had a scalloped neckline and cap sleeves. Mary

Nancy Litsenberger Married in Home Ceremony Saturday

In a small home ceremony with only the immediate families present, Nancy Litsenberger and Clair Brown were united in marriage Saturday night. The service took place at the home of Nancy's uncle and aunt, Mr. and Mrs. Charles LeFevre on West Street. The bride's parents are Mr. and Mrs. Joe Litsenberger of East Main Street and the Walford Browns of Chubb Road are the parents of the bridegroom.

The fireplace, banked with greens, candelabra and urns filled with white gladioli and stock, formed a lovely background for the service which was performed by Rev. William Richards at 7 o'clock.

Lou wore a lilac gown identical in style to Joanne's. Both girls carried bouquets of pale pink carnations and gladioli and wore matching headpieces of flowers in their hair.

The bridegroom was attended by Charles Freydl of Northville and the ushers were Peter Gross and George Locke of Northville and Carl Burkert of Great Lakes, Illinois.

For her daughter's wedding Mrs. Rieger chose a light blue dress and her corsage consisted of red roses. Mrs. Satre was attired in a rose colored lace dress and white roses formed her corsage.

A reception was held for the newlyweds at Veterans' Memorial Hall following which the young couple left on the return trip to Great Lakes, Illinois, where John is stationed. For traveling Lorraine chose a navy blue dress and white accessories.

The bride is a graduate of Northville High School and the Carnegie School for Medical Assistants. Previous to her wedding she was employed at Sessions Hospital. Her husband has served in the Navy for the past six years. The Steimels will make their home in Waukegan while he is stationed at Great Lakes.

Mr. and Mrs. Leland Smith of Yerkes Street gave a rehearsal dinner Friday night following the wedding rehearsal. A buffet dinner was served and Janice Smith poured. Guests were members of the wedding party and the bridegroom's mother, Mrs. Satre of New York City.

MRS. GERALD W. KLUG

Catherine Rossow Married In St. Joseph, Mich. Sunday

Trinity Lutheran Church of St. Joseph, Michigan, was the scene Sunday evening of the marriage of Catherine Lucille Rossow and Gerald W. Klug.

The bride's father, Rev. Edwin E. Rossow, pastor of St. Paul's church, read the double ring service assisted by Rev. Steunkel of the St. Joseph church. Baskets of white gladioli and peonies formed the setting for the candlelight ceremony. O. C. Scheeger presided at the organ and Lawrence Kelly of St. Joseph sang "The Lord's Prayer" while the Trinity Lutheran choir sang the "Benediction."

For her marriage, Catherine chose a gown of white Chantilly lace over net, fashioned in a redingote style, ending in a cathedral train. A double illusion veil was held in place by a Juliet cap adorned with seed pearls. Catherine wore a single strand of pearls and carried a bouquet of roses and stephanotis centered with a white orchid.

Matron of honor was the bride's sister, Mrs. Charles Billmeier of Saginaw, and maid of honor was Lillian Stolp, a college classmate from Albuquerque, New Mexico. Lois Jean Rossow, the bride's sister of Elm Street, Eleanor Klug, the bridegroom's sister from St. Joseph, Lois Nobis, the bride's cousin of St. Johns, and Jacquelyn Rombach, a classmate from St. Louis, Missouri, were bridesmaids. The bridal attendants wore gowns of white frosted organdy and clusters of flowers in their hair. Mrs. Billmeier and Miss Stolp carried bouquets of yellow Peace roses and the bridesmaids' bouquets were composed of red Happiness roses.

The bridegroom's brother, Edward Klug of the United States Army, was best man. Seating the guests were the bride's brother, Edwin J. Rossow, Charles Billmeier, Richard Ziebart, Robert Ziebart, and John Sprague.

For her daughter's wedding, Mrs. Rossow chose a navy print dress with white accessories. Mrs. Klug was attired in navy lace with white accessories. Both mothers wore corsages of white gardenias and red rose buds.

A dinner for 250 guests followed in the church hall. White garden flowers and wedding bells centered the tables.

The young couple then left on a honeymoon trip to an unknown destination. For going away, Catherine chose a yellow sharkskin suit with blue accessories. They will make their home in St. Joseph.

Catherine is the daughter of Rev. and Mrs. Edwin E. Rossow.
