

During the Northville Retail Merchants Parade of Progress, members of Lloyd H. Green Post No. 147, American Legion, aided the Northville Police department by directing traffic. At a recent Council meeting, Mayor Conrad E. Langfield directed the Clerk to write the Post a letter thanking them for their service to the community.

It could only happen in a small town... the friendliness which was displayed at both the Depositors State Bank open house and the Cy Owens Ford Sales grand opening. We thought that it was so outstanding that it deserved mention. Businessmen and shoppers alike enjoyed the strolling musicians Friday afternoon as they wended their way from one place of business to another.

Ties and socks this week were contributed by Mrs. N. K. Pattison, Mrs. W. Aston, Mrs. Emma Reid, Mrs. J. S. Thompson, Mrs. Katherine Jones, Mrs. Ruth Lee, Mrs. Glenn Hammond and Mrs. J. H. Russell. They will be sent to the Detroit House of Correction where rugs and draperies will be made from them.

The Northville Library has begun their winter season with a change of hours, states Miss Rhea Lyon, librarian. The Monday through Thursday hours are 11:30 a.m. to 8:30 p.m. The library is closed all day Friday but is open from 9 a.m. to 6 p.m. on Saturday.

Village Morgans Take Fair Honors

Northville horses from Springbrook and Shady Lawn Farms walked away with honors from the Saginaw Fair recently.

Gerald Taft's Springbrook Morgans featured prominently with Quikid placing first in the aged stallion class, Shady Lawn's Mister, owned by Vaughn Groom took first in the two-year old stallions and Springbrook Moroson in second place.

Rozella, also owned by Gerald Taft, repeated her performance of the Michigan State Fair by not only taking the blue ribbon in aged mare class but also was judged Grand Champion Mare. Shady Lawn's Spice placed second in this class to bring added glory to Northville as a Morgan horse town.

Springbrook Anne was judged first in the yearling class and was also the Reserve Champion Mare.

Quikid, owned by Mr. Taft, also received the title of Grand Champion stallion and the Reserve Champion stallion honors went to Shady Lawn's Mister.

Presbyterians Plan Dinner-Festival

October 11 has been set for the Annual Harvest Festival at the Presbyterian church house.

A true Harvest Festival is planned by the Presbyterian Women's Union in conjunction with the turkey dinner. Produce from farms and gardens will be on display under the direction of Mrs. Robert Niemi. Mrs. Carl H. Bryan is chairman of the canned goods project.

A turkey dinner is being planned by Mrs. Alfred Parmenter and her committee. A certain number of dinner tickets will be sold at the door. Reservations and tickets for the dinner starting at 5:30 p.m. and continuing through 7:30 p.m., may be procured from the following people: Mrs. Walter L. Couse, Mrs. Lee Shipley, Mrs. Frank C. Beeks, Mrs. Earl Walker, Mrs. C. H. Bryan, Mrs. T. H. Bray and Miss Elizabeth Beard. Mrs. Howard Atwood will have charge of the dining room and serving coffee will be members of the Men's club. The Youth Fellowship have also promised assistance in serving.

P. T. A. Discusses Dist. Consolidation

The history of annexation and consolidation of school districts was given by Northville School Superintendent Russell Amerman at the September 27 Parent-Teachers meeting.

In the discussion that followed, Mr. Amerman revealed that of the three school districts consolidating in the Northville district only Waterford district children are not already attending the Village schools.

Transportation of the children from these districts will be under discussion at the October 8 meeting, states Miss Margaret Sours, PTA publicity chairman.

Training School To Observe 25th Anniversary Friday

The Wayne County Training school which will mark its 25th anniversary. The anniversary will be observed in conjunction with the 15th annual conference of the Michigan Society for Mental Hygiene, Inc., whose theme is "Toward Social Maturity."

In a way, the Wayne County Training school which is foremost in its field of education, is a tribute to its leader for 25 years, Dr. Robert Haskell, medical superintendent. Authorized by a vote of the Wayne county people in 1922, Dr. Haskell was brought in to head it in December 1925 from Ionia where he had served as medical superintendent. The first children were admitted on September 2, 1926, and to date 4,221 children have registered at this school which accepts no custodial cases.

750 Children Registered

The Training School was conceived when it became apparent that mentally handicapped children at higher levels needed more adequate training so that they could become an economic asset to the community. Its first administrative board consisted of Judge Henry S. Hubert, judge of probate; Frank Cody, superintendent of schools; Eber W. Yost, county commissioner of schools; Milton Alexander; Tracy W. MacGregor, philanthropist, and William H. Maybury.

Located on about 1,000 acres of rolling countryside, the Training school at present has about 750 children admitted from seven to fifteen years of age housed in 18 cottages. The basis for admission for these children is that they are mentally handicapped and they offer some possibility of returning to community life.

Education Program Complex

Most of the children remain at the institution on an average of three years where they receive complete social and educational rehabilitation away from the open community. A complex education program designed to meet each age level is available to these children taking into consideration their learning handicaps, unusual learning capacities and unusual emotional factors. They are taught a variety of skills including printing, maintenance, homemaking, shop and farming. Recreation and home life training round out their program.

The two day program will take place at the Veterans Memorial Building, Detroit, and at the Training school. On Saturday, October 6, Dr. Haskell will speak on "The Training School Through Twenty-Five Years."

Council Approves Purchase of Saw

The Council met in regular session Monday evening at the Village Hall. They approved the purchase of a power take-off saw to cut up the trees which the Village took down this spring. Village Attorney James Little and Commissioner Gerald Woodworth reported on the progress being made in securing the alley property on South Main street. They reported that very little progress has been made and other proceedings will have to be worked out.

The Village Council also authorized the purchase of a coin sorting machine. Bills were allowed to be paid and monthly reports were also heard.

Heart Attack Claims Ernest J. Willis

Northville residents were profoundly shocked Wednesday morning to learn of the death of Ernest J. Willis of 119 Rayson Street.

Mr. Willis, aged 73, died early Wednesday of a heart attack. A Northville Justice of the Peace, Mr. Willis was known to most of the Villagers for his service to the community. Funeral services are set for 2:00 o'clock Saturday afternoon from the Casterline Funeral Home. A complete obituary will appear in next week's Record.

Commandry Sets Oct. 13 Field Day

A real old-fashioned open-pit barbecue will be given in conjunction with the Commandry Field Day scheduled for Saturday, October 13 in Northville.

The Northville Commandry No. 39 of the Knights Templar, the hosts for the Field Day and Barbecue, are expecting men from 12 neighboring commandries as well as many of the general public to be present for the festivities.

The parade of uniformed Knights Templar which will proceed down Main street will be followed by the barbecue at the Northville Downs. The services of a barbecue expert who is also a retired Detroit police officer, have been secured for the event. Exhibition drills by uniformed bodies of Knights Templar will parade at the Downs.

Tickets to the barbecue are available to everyone.

Auxiliary To Give October 9 Dinner

The dinner and bazaar sponsored by the Ladies Auxiliary of the Veterans of Foreign Wars Post 4012 will be given Tuesday, October 9 at the VFW hall on Northville road.

The date has been changed from the originally scheduled time for the dinner and bazaar.

General chairman for the affair is Mrs. Alice Smith with Mrs. Evelyn Dixon and Mrs. Ida Butler as co-chairmen of the dinner. Mrs. Hannah Nalley will head the work in the dining room.

Chairman for the individual bazaar booths are: pantry shelf, Daisy Martin, dolls, Vernece Reed, pillow slips, Rachel Weeks; parcel post, Edith Wenker; white elephant, Cecil Thompson, miscellaneous, Florence Russell; and fortunes, Mary Slessor.

Five Villagers To Radio Messages

Five Villagers with members of their family in the overseas service have made arrangements to send Thanksgiving Day messages to them, reports Mrs. Don Severance, president of the local American Legion Auxiliary.

Lloyd H. Green Post 147, Radio station WCAR, Pontiac, is making this service possible, states Mrs. Severance. Mrs. Herbert Koester of Eight Mile road, Mrs. Ed Farrell of First street, Mrs. Ted Baldwin of Seven Mile road, Mrs. Louis Nagy of Fredericks street and Mrs. H. Berendt will make transmissions to be heard by their servicemen on Thanksgiving Day.

Three Amvets and three Auxiliary members attended the regional meeting at Pontiac Country club Monday evening. Those attending were Carroll Baker, Charles Trickey, Charles Custer, Betty Trickey, Pat Kozak and Audrey Ortwine.

Women To Hear Wayne U. Prof.

Dr. Thelma G. James, well known Detroit, will be the guest speaker at the opening luncheon of the Northville's Woman's club Friday afternoon at Meadowbrook Country club. The luncheon will begin at 12:30 p.m.

Dr. James will address the group on "These People in Michigan." An associate professor of English at Wayne university, Dr. James is an authority on folklore work. In 1951 she won the faculty award for her work on the place of the University in relation to the community. John Wiles, a graduate of the University of Oklahoma, will sing several light operatic selections. Wiles is now doing graduate work at the University of Michigan.

The opening luncheon of the fall and winter season is also the occasion when past presidents and life members of the club are honored. Officers of the club are Mrs. W. H. Cansfield, president; Mrs. Albert G. Charters, vice president; Mrs. Merner Elber, recording secretary; Mrs. Merritt Meaker, corresponding secretary; Mrs. George Miller, treasurer. Directors include Mrs. Franklin Beeks, Mrs. Paul Bayless, Mrs. Donald W. Matzen, Mrs. Joseph L. Plunkett and Mrs. A. W. Hahn.

BPW To Support Theatre Opening

A resolution to support agitation for the re-opening of the Northville Penniman-Allen theater was passed at the September meeting of the Business and Professional Woman's club.

The club feels that for the sake of the Village children, the theater should be re-opened, said Miss Margaret Sours, BPW publicity chairman. Mrs. Barton Connors, secretary, was instructed to send a note of protest to Harry Lush, owner of the theater. Mrs. Arthur Carlson brought the resolution to the floor.

The October 22 meeting will be under the direction of Mrs. Mary Alexander. The dinner-meeting will begin at 6:30 p.m. at the Methodist church house. President Elizabeth Etz will preside.

Catholics To Build New Grade School

Principals in the groundbreaking ceremonies Sunday were Mayor Conrad E. Langfield, Father Lorenzo E. Woods and Architect Charles Hannan.

Ground Breaking Ceremonies Held for Our Lady of Victory Parish School

Ground breaking ceremonies were held Sunday, September 30 at 11:30 a.m. at Our Lady of Victory Parish, Northville, Michigan.

The ceremony consisted of the Pledge of Allegiance to the Flag, brief talks by Mayor C. E. Langfield and Father Woods, and the blessing and digging of the ground.

Ranch-Type School

This school plan is the result of a great deal of study by the pastor, Reverend Father Lorenzo E. Woods, and the architect, Charles D. Hannan. The school is a one-story ranch-style designed to harmonize with the residential atmosphere and incorporates the very latest features in school planning. The present building program calls for four classrooms, an office, and a teachers' rest room. Facilities are available to add four more classrooms in the future if needed.

The exterior of the building is face brick. The interior corridor walls are cinder block painted and a ceramic tile base. The classrooms are designed to achieve the maximum amount of natural day-lighting with windows on both sides of the room. The front wall will be thermopane glass with built-in bookshelves below. The opposite side or corridor wall will have ample wardrobe space for student wraps and teachers' supplies. This wall will have high clerestory windows which over-look a low corridor roof to give cross-lighting and ventilation to each room. The new type of green glass chalkboards will also be used.

Radiant Heat Planned

The building will be heated with radiant panel heating, wrought iron pipe embedded in the concrete floors using circulating hot water. This type of heating has proved very satisfactory in other schools and is the type used in many of the modern ranch-style homes. The boys' and girls' toilets have ceramic tile walls and floors, and marble partitions. The floors throughout will be asphalt tile with the ceilings exposed laminated wood beams with tongue and groove boards finished natural.

The plans for this building were approved by the Wayne County Health Department, the Department of Public Instruction, State of Michigan, and the Northville Zoning Board. Construction plans call for this building to be completed by March, 1952. Cooper Construction company are the general contractors.

On October 11, Mrs. Lizzie E. Coates of 2200 Telegraph road, Pontiac, will celebrate her 85th birthday.

The Blue Star Mothers will meet Monday, October 8 at the home of Mrs. Catton of Rayson street at 7:30 p.m.

Merchants To Take Shoppers on Treasure Hunt Friday

A Treasure Hunt Friday will wind up the Northville Retail Merchants Association Parade of Progress. At least 20 consolation prizes will be offered. Lucky ticket numbers will be placed in conspicuous places in merchants shops in the downtown area and it will be the job of ticket holders to check these numbers, and then claim their prizes.

Last Friday, Mrs. James Bates of Walled Lake was the winner of the 1951 Ford tudor. She was so thrilled and breathless when her number was called that Master

Rotarians Work for World Peace

Rotary clubs in 83 countries throughout the world are united in an endeavor to promote international understanding, good will and peace, stated John (Jack) D. Maynard of Detroit, Governor of District 223 of Rotary International, in addressing the Rotary club of Northville last Tuesday noon.

In addition to the activities of Rotary's 7,300 clubs in their own communities to promote this objective, Mr. Maynard explained over a six-year period Rotary International is spending \$1,500,000, principally to create better understanding among the peoples of different nations.

One of the ways in which this money is being spent is on Rotary Foundation Fellowships, which enable outstanding graduate students to study for one year, in countries other than their own, as ambassadors of good will. Since this program was established in 1947, Fellowships have been awarded to students in 42 countries, with grants totaling more than \$700,000.

"Devoted to service, Rotary provides a common ground for 350,000 business and professional executives throughout the world, regardless of nationality or political or religious belief," the Rotary Governor emphasized.

All Rotary clubs in the 223rd District are sponsoring a "Youth for Understanding" program which is bringing boys and girls of high school age from Europe for one year's study to stay and learn our American way of life.

Forty-two young people have arrived here in the last two months and are making their homes with members of the 223rd District clubs.

Goodwill To Pickup Friday in Novi

Tomorrow, Friday, October 5, the Goodwill Industries truck will travel to Novi and New Hudson to pick up discarded items from those communities, states James Mitchell, representative of the Industries.

Coordinator in the Novi area will be the Harnden confectionery. Housewives having articles are urged to telephone Northville 9102.

Mrs. Lee Pierce will take requests from New Hudson residents. They should call South Lyon 7641. The articles will be picked up at the home of each contributor.

"Clothing, including hats and shoes, are always particularly welcome, since the reconditioning of garments is one of the major operations of the Goodwill Workshop. Furniture also can be used to particular advantage," concluded Mr. Mitchell.

Dog Obedience Class To Begin Tonight

Registration for the Dog Obedience Training class to be given under the auspices of the Village Recreation department will be tonight, Thursday, October 4. Mrs. Mary Larson asked that all who wish to register for the ten weeks course be at the Wayne County Training school gymnasium promptly at 7:45 p.m.

Training will not begin until next week so no dogs should be brought this week, said Mrs. Larson. A demonstration will be given tonight.

The course will be taught by a member of the Southern Michigan Obedience Training club.

RATHBURN DONATES NHS DRIVER-TRAINING CAR

Reading from left to right are Driver-Training Instructor Harry B. Smith, Principal Elroy Ellison, Superintendent Russell H. Amerman, and Chevrolet dealer Kenneth Rathburn. Rathburn is shown turning over the keys for the 1951 Chevrolet to Superintendent Amerman.

About 30 teenagers are enrolled in the course which is designed to instill the proper attitude in a potential driver. Adult classes will be formed as soon as enough persons sign up to warrant a class.

Rathburn donated the car for school use and the Automobile Association of America has donated lesson materials. The school need only supply the teacher's salary, insurance and upkeep on the car.

Local Police Seek Name of Victim

The 60-65 year old man who was killed on Grand River July 6 is still without identification. The Northville police are searching for information regarding any relatives who should be notified.

He was killed by a truck as he stepped off a bus at Novi and

Grand River. The following description may help: 5 ft. 5 in.; 120 lbs.; 60-65 years old; gray-brown hair; false teeth; wearing a new pair of brown tennis shoes; a blue spot shirt; new gray trousers and carrying two scraps of new cloth which were perhaps samples to match.

Important Notice to Those Who Wish to Heat With Gas

Consumers Power Company has been granted permission by the Michigan Public Service Commission and the Petroleum Administration for Defense to supply gas to 10,000 additional gas house-heating or other space-heating customers.

These 10,000 additional customers will be apportioned fairly among the many cities and villages in which this company supplies gas service.

We want to give everyone an equal opportunity to obtain gas heating service. Accordingly, application blanks will be mailed to every gas customer of the company who is not now using gas for heating purposes.

If you are NOT a Consumers gas customer at present but live within our gas service area and wish gas heating service, please drop in at the nearest Consumers Office or, if this is not practical, call us by telephone and ask for an application form.

If you ARE a Consumers gas customer now, your application has been mailed to you.

All applications must be in our hands or in the mail by October 8th, 1951.

If the number of applicants in any area exceeds the number of additional gas heating customers approved for that area, those to receive gas heating service will be selected by lot. Only persons who are able to complete the installation of gas heating equipment within a reasonable time and who live in areas where local gas distribution facilities are adequate to serve them can be considered for gas heating service at this time.

To avoid tying up your money in equipment you may not be able to use, please refrain from buying any gas space-heating equipment until an approved application is returned to you by the company. Then see your dealer.

Service can be supplied only to heating equipment approved by the American Gas Association Testing Laboratory or other nationally recognized inspection board or laboratory.

How does it feel to drive a Buick?

If you think perhaps we're hinting that it would be a good idea for you to try out a Buick—mister, you've never been so right.

It does a lot of things for you and to you that will be something new in your driving experience.

Take the way it feels beneath your hands on the wheel—eager and willing and anxious to please.

It spurts when you want to spurt—rolls with effortless momentum when you want to cruise.

When you take a curve, it snugs down to the road with sure-footed confidence.

After you make a turn, the front wheels instinctively seek a straight course. This car seems to guide itself.

When you come to a bumpy stretch, each separate wheel on its own coil spring steps you smoothly along on a level keel.

Then there's power that surges into action at a nudge of your toe—sends your speedometer needle soaring up to any speed the law allows, in a matter of seconds.

And there is also thrift—the gas-saving thrift that comes from a high-compression valve-in-head Fireball Engine found in no other car.

To top all this, there is Dynaflo Drive*—that feeds power in a steady, falterless flow—lets you ride relaxed

in busy traffic or on a day-long cross-country drive.

We're willing to stand on the statement that no other car rides, performs or drives like a Buick.

But why take our word for it? Come in—take over one of these lively lovelies—and see for yourself.

NO OTHER CAR PROVIDES ALL THIS:

- DYNAFLO DRIVE* • FIREBALL ENGINE
- 4-WHEEL COIL SPRINGING • DUAL VENTILATION
- PUSH-BAR FOREFRONT • TORQUE-TUBE DRIVE
- WHITE-GLOW INSTRUMENTS • DREAMLINE STYLING
- BODY BY FISHER

OBITUARY

MRS. MAUDE ALICE KRAPP
Mrs. Maude Alice Krapp, aged 81, of Novi, died September 25 at the Novi Convalescent Home. She was removed to the Schneider Funeral Home and later taken to Muskegon for burial there. She is survived by a son Sidney Wood of 27710 Novi road.

CARD OF THANKS

To our many friends, I would like to express my sincere appreciation to Rev. William Johnson, Mr. and Mrs. Ray Van Valkenberg, Mr. and Mrs. Fred Castlerline for the kindness and thoughtfulness during our recent bereavement.

Mrs. Pinkerton Kelly and family.

IN APPRECIATION

The Northville Nursery School would like to thank the Presbyterian church, particularly Rev. and Mrs. H. F. Fredsell for allowing them to use their especially nice classrooms. Also a note of appreciation goes to Mr. Jackson of C. Owens Ford Motor Sales for repairing the slide in the nursery school play yard so very promptly.

Christian Science Churches

How the understanding of God helps to overcome disease and discords of every nature is discussed in the Lesson-Service to be read in all Christian Science churches Sunday, October 7, on the subject "Unreality."
The Golden Text is from Proverbs (10:22): "The blessing of the Lord, it maketh rich and he addeth no sorrow with it."
Among the Bible citations is this passage, (Isa. 40:31): "But they that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles; they shall run, and not be weary; and they shall walk, and not faint."

CARD OF THANKS

Church School Class Takes on Project

The high school class taught by Mrs. V. George Chabut at the First Presbyterian church have undertaken a unique project to raise needed funds. To assist in the purchase of part of the Blackburn property to the west of the church the group decided to ask for contributions

according to the waist line of the contributor. These contributions will be turned over to the church treasurer, L. M. Eaton, to assist in the purchase of the property.

A busy group of high school students cleaned and painted the class room used by the group at the Presbyterian church which is over the church kitchen. Neilson Locke, Bruce Rose, Sally Wagenschutz, Jerry Davis and Howard Meyer assisted in the painting. "The Chabut Blue Room" Cleaning the rug and windows were Gail and Priscilla Blackburn, Judith Tetzlaff and Marlene Weiss.

The Sunday night fellowship, under the sponsorship of Mr. and Mrs. Richard Kay had an interesting opening meeting. Those present divided into three discussion groups to consider the types of Sunday night meetings and the topics to be discussed. Tuesday's meeting will be on the topic, "Who Is A Snob?" Refreshments will be provided by Peter Pletsch and Tom Johnson. Clancy Ely heads the nominating committee and will present a slate of officers for election at the next meeting. Plans were discussed for the Detroit youth rally on Sunday, October 21 at 3 p.m. meeting at Westminster church on Hamilton. Peter Mellen is in charge of transportation and getting a definite number as to those attending.

STATE OF MICHIGAN
County of Wayne—ss.

At a session of the Probate Court for said County of Wayne, held at the Probate Court Room in the City of Detroit, on the fourteenth day of September, in the year one thousand nine hundred and fifty-one.
Present, Thomas C. Murphy, Judge of Probate.
In the Matter of Rose Marie Tetzlaff, a minor.
On reading and filing the petition of Anna Emil Chapko praying that Floyd G. Shaffer be appointed guardian of said minor with custody of her person and care of her education.
It is ordered, That the twenty-ninth day of October, next, at ten o'clock in the forenoon at said Court Room be appointed for hearing said petition.
And it is further Ordered, That a copy of this order be published once in each week for three weeks consecutively previous to said time of hearing, in the Northville Record, a newspaper printed and circulated in said County of Wayne, and served by registered mail four days previous to said time of hearing upon Hans Arwed Gottlieb Tetzlaff, father of said minor.
THOMAS C. MURPHY,
Ruth R. Bolla, Deputy Probate Register.
Floyd G. Shaffer,
308 N. Center, Northville, Mich. 17-19

To the Supervisor of the Township of Bedford, Wayne County, Michigan.
Sir:

You are hereby notified that the Board of County Road Commissioners of the County of Wayne, Michigan, did, at a meeting of said Board held on Thursday, September 13, 1951, decide and determine that the certain portion of street described in the minutes of said Board, heretofore taken over as a county road, should be absolutely abandoned and discontinued as a public highway, reserving therein the easement set forth in said determination.
The portion of the minutes of said meeting fully describing said portion of street is attached hereto and made a part of this notice.

The motion was supported by Commissioner Wilson and carried by the following vote: Ayes, Commissioners O'Hara, Wilson and O'Brien. Nays, none. 17-19

To the Supervisor of the Township of Bedford, Wayne County, Michigan.
Sir:

You are hereby notified that the Board of County Road Commissioners of the County of Wayne, Michigan, did, at a meeting of said Board held on September 20, 1951, decide and determine that the certain street and alley described in the minutes of said Board should be County roads under the jurisdiction of the Board of County Road Commissioners. The minutes of said meeting fully describing said street and alley are hereby made a part of this notice, and are as follows:

John P. O'Hara, Chairman
Charles L. Wilson, Vice-Chairman
Michael J. O'Brien, Commissioner
EDGAR M. BRANIGAN, CLERK
By Sylvester A. Naezel, Deputy Clerk.
Commissioner O'Brien moved the adoption of the following resolution:
Whereas, that part of Orangelawn Avenue, 60 feet wide, (formerly Priest's subdivision of part of Sections 29, 31, and 32, T. 1 S., R. 10 E., Redford Township, Wayne County, Michigan, as recorded in Liber 59 of Plats, on Pages 31, 32 and 33, Wayne County Records, is a county road under the jurisdiction of this Board; and
Whereas, there are no buildings or any character located on said street, and
Whereas, said street is of no use or benefit to the public for highway purposes;
Now, therefore, be it resolved, that all 0.661 mile of county road, being in the south 12 feet of the above described portion of Orangelawn Avenue for the maintenance of the use thereof, located therein; provided, however, that said easement shall cease to exist upon the removal of the said utilities or the discontinuance of the use thereof.
Be it further resolved, that this Board believes it to be to the best interests of the public that said portion of county road so abandoned and discontinued should be absolutely abandoned and discontinued as a public highway, reserving therein the easement as herein set forth.
The motion was supported by Commissioner Wilson and carried by the following vote: Ayes, Commissioners O'Hara, Wilson and O'Brien. Nays, none. 17-19

Part-Time Workers Need Security Cards

Many workers have the mistaken idea that because they work on a part time job, they do not need a Social Security card. The length of time a person works for any one employer is not the deciding factor. Generally those who work in trade or industry should pay Social Security taxes, even though they work only a short time for any one employer.

For further information, call at your Social Security office located at 12065 Wyoming, corner of Grand River, or telephone Texas 4-4750.

A representative from the Detroit-Northwest office is at the post office the second and fourth Thursday of each month from 9:00 a.m. to 12 noon.

With "hot cereal time" approaching, Michigan State college foods specialists remind homemakers that hot cereal can be kept free of lumps by sprinkling the dry cereal slowly into the boiling water and stirring as the cereal swells.

NORTHVILLE HIGH SCHOOL EMPLOYS MODERN EDUCATIONAL TECHNIQUES

Not too long ago the public schools taught only "readin', ritin' and 'rithmetic," but that's not so in the up-to-date 1951 schools. And the Northville High school education program is an example of the up-to-date system, as Elroy Ellison, principal of the high school, indicated in a recent talk to the Rotarians of the local club.

As the title of Mr. Ellison's speech revealed, our local school has many new educational programs open to the high school youth.

The much publicized Physical Science course has been added to this year's curriculum. Instructor Carl Zwinck has developed a one year elective for Juniors and seniors. For the fall semester the pupils deal with astronomy, meteorology, measurement, mechanics, machines and aeronautics. The remainder of the year energy transmission, the principle of chemistry, atomic structure and nuclear energy will be delved into by the class.

With so many of the boys going directly into the service from high school, Mr. Ellison said, a course in World Problems is being taught by Edward Mollema. They hope to acquaint the class with the many parts of the world, the country's present day problems and their relation to the United States. Current periodicals and newspapers are used as texts in this course.

Class Helps Reading Rate

Since the passage of bills requiring all youth to attend school to the age of 16, a mixture of low and high abilities are forced together, states Mr. Ellison. To help those of low ability in reading and comprehension, a course in Remedial English is being experimented with this year.

Mrs. Pauline Smith is the teacher. A reading accelerator is used to help increase the reading rate and the school board may purchase a staiscope for the use of the class, he explained.

Equipment costing \$5,000 has been purchased for the high school shop room. These include six metal lathes, a new shaper, a metal cutting band saw and hand tools for the use of the 15 boys in each section.

Mr. Ellison revealed plans to expand the shop facilities to accommodate 30 pupils and to develop it into a vocational machine shop in the future. Willard Renard, a graduate of Ford Trade and Apprenticeship school as well as holder of a B.S. degree from Wayne university, has charge of this program.

Speech Correction Offered

Students who are troubled with lisp, stuttering and other speech impediments are being helped this year by Miss Rose Mary Dowsey. As speech correctionist she will divide her time between the Northville and Plymouth schools.

A maximum of twelve to fifteen pupils will be helped every Monday, Wednesday and Friday afternoon in this non-credit course. Mr. Ellison said that pupils for the course are recommended by the regular staff teachers or may enter of their own will. They will be excused from their other classes on the days of instruction.

To encourage the use of a speech correctionist in the schools of Michigan, the State Department of Public Instruction reimburses the schools up to 80 percent of the cost.

60 Youth Given Training

Though the class in diver training attempts mostly to create the proper student attitude, many tests are given the students. These include reaction

Walled Lake Offers Education Courses

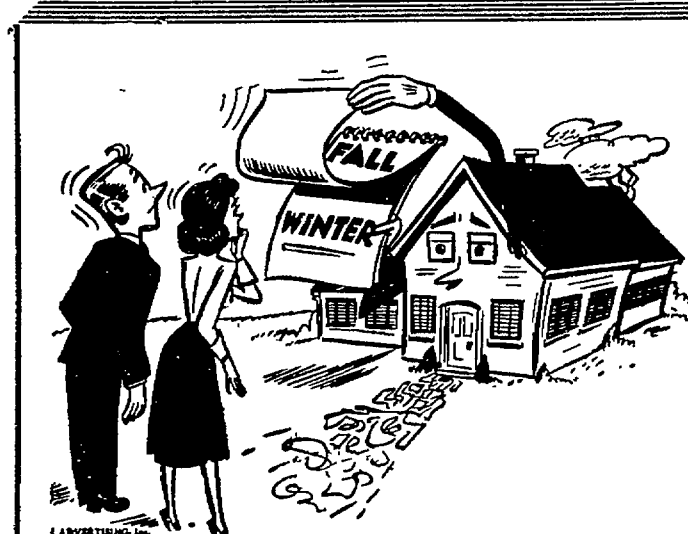

Again this year the Walled Lake Consolidated schools will offer adult education classes. These will begin the week of October 15 and run for 10 weeks, so that the final sessions will be prior to December 21.

Previously classes were offered in typing, shorthand, knitting, sewing, china painting, oil painting, art, jewelry making, photography and wood shop for women. This year classes will be offered in a subject if 15 persons register for the class and a qualified instructor can be secured for the course. Instructors are available for driver education, geography of Russia and American or state government.

Classes will meet once a week and usually for two hours. Registrations will be taken in the office of the Superintendent of Schools by Mrs. Wells.

Fees will be collected by the instructor at the first meeting of the class. They will be \$3.25 per person for the entire ten week course. Members will also have to furnish their own materials.

Mrs. Wells will accept registrations up to and including Friday, October 12, from 8:30 a.m. until 3:30 p.m. Any adult who is interested and qualified to instruct is also asked to contact Mrs. Wells.

Improved Mustangs Come To Life, Defeat Clarkston Gridders 31 to 6

A reshuffled and revitalized Northville High school football team defeated Clarkston High school easily at Ford field last Friday night, 31 to 6.

Quarterback and Co-captain Don Maclean called signals for a mixed passing and running attack which caught the Clarkston defenses down as Northville pushed across four touchdowns in the first half and another early in the third quarter.

Left Half Bill Bingley hit Ends Ken Rowe and Jerry Freydl with short jump passes good for nine and six yards, respectively, for the first two markers.

Co-captain Leon Holman sprinted 47 yards for the third score after finding a hole in the right side of the line. Ron Grissom, running from the right halfback slot, contributed the final two touchdowns with fine runs of 44 and 62 yards, one on a line buck and the other after taking a pass in the flat. Bingley kicked one extra point.

It appeared that Clarkston might stay in the game after tying the score 6 to 6 only four plays after the Mustangs' first TD, but the Northville eleven pounded across the goal line too often for Clarkston to keep pace.

Coaches Al Jones and Dick Kay made changes in the Northville lineup, switching Ken Rowe to offensive end and Marion Kwasek to defensive end.

Northville was noticeably weak on punt coverage against Clarenceville the previous Friday when the Trojans won 19 to 13, but the fault was overcome against Clarkston.

Coaches Jones and Kay employed offensive and defensive units throughout the game. The starting lineup of Rowe and Freydl at end; Per Iversen and Bob Heard at tackle; Al Iversen and Dick Sands at guard; Kwasek at center, and Maclean, Bingley, Grissom and Holman in the backfield, was benched most of the second half in favor of other players.

To date, there is no starting lineup which can be called a "first" team. Denny Carl, Jim Clark, Clancy Ely, Bill Sullivan, Stan Dahlager and Howie Meyer are alternated with those players already named to strengthen the two-platoon system, and others are used frequently.

Gas is OK in Balloons, But Not in Your Stomach

Some people feel like a swollen balloon after every meal. They bloat full of gas and rift up acidous liquids for hours after eating.

CERTA-VIN is helping such gas "victims" all over Northville. This new medicine helps you digest food faster and better. Taken before meals it works with your food. Gas pains go! Inches of bloat vanish! Contains herbs and Vitamin B-1 with iron to enrich the blood and make nerves stronger. Weak, miserable people soon feel different all over. So don't go on suffering. Get CERTA-VIN—Northville Drug Company.

NHS Team Faces Milford Tomorrow

Northville's Mustangs will face the Milford High school football squad at Ford field Friday night, October 5. The game will be played under the lights, beginning at 8:00 p.m.

After losing to Ypsilanti and Clarenceville and winning from Clarkston, the Mustangs will be out to even the slate with a victory over Milford.

Milford, which runs from a split "T," is reported to be a very heavy team and should present a line which will test the best the Northville forward wall can offer.

Tyson To Broadcast U of M Grid Games

Ty Tyson, WWJ-The Detroit News' veteran sportscaster will begin his 28th consecutive year of football broadcasts from the University of Michigan, when the Wolverines meet Michigan State in the first game of the 1951 season on September 29. This radio series will be sponsored by the 27 Dodge dealers of greater Detroit.

Ty, who has been broadcasting football longer than most radio stations have been in business, can compare notes with the best of them.

"Back in 1924 when I handled the first football broadcast from Ferry Field at Ann Arbor, I was lucky to have one spotter to help me keep the Michigan and Wisconsin players straight. Back then we had no shelter. It was a wide open broadcast on a wide open windy day with a wide open mike. Through that season, and later ones, we used to sit huddled through drenching rains and blanketing snow storms—although I'll admit the new high in blizzards came only last year at Columbus when Michigan met Ohio State. The two spotters and I could hardly see the field in front of us, much less the players, but we were tucked away in nice dry warm booths.

"Back in the early days, too, there were only 16 or 18 players to remember. Now it's an era for specialists and traveling teams have around 40 men with them, and the home team has around 50. Except, of course, when it's an easy game, and everybody gets into the act.

"I remember the first out of town game WWJ brought to Detroit radio fans. It was from Ohio State in 1926, and line charges for that one broadcast were around \$2200. That would almost take care of a season's schedule now.

In those early days, too, the colleges suffered considerable fear and trepidation for their gate receipts. Fielding H. Yost as coach for U. of M. was very unhappy about the first broadcast. But by Wednesday after the game, ticket sales had gone way up and Yost phoned WWJ to say it would be all right to carry more games. I remember he said 'It seems as though some of those rich alumni heard the broadcast and it sort of stirred up their old school spirit.' Since radio, of course, football has become a tremendous industry."

When asked whether TV has the same effect on the gate as early radio, Tyson said "TV will not hurt football receipts if there's a good team with a good schedule and fair weather. If there is a heavy storm the morning of the game, people will stay home to watch, but that will be balanced off by the extra attendance on days when mornings are fair."

Deer Rifle Season Opens November 15

Southern Michigan hunters will be able to use rifles for deer November 15-30—as they normally do in the fall small game season and for predators anytime of the year—unless special legislative action should result in a last minute change.

The conservation commission has been advised by the Attorney General that it does not have authority to determine the types of firearms that may be used in the regular deer season as set by statute.

The department points out that since 1947 rifles have been legal during deer season in southern Michigan as far south as northern Ottawa, Kent, Montcalm, Gratiot and Saginaw counties. The rifle also has been used since 1941 in part of Allegan county in a special deer season held December 1-10.

Only about three percent of Michigan's regular season firearm deer hunters sought deer in the southern third of Michigan last year.

Fuerm experts have reported that the rifle is a lesser hazard than shotgun slugs and buckshot although there is hesitancy on the part of some persons to accept this.

The department reminds hunters it is a violation of the Horton trespass law to hunt on privately-owned land without the consent of the owner—and emphasizes the need for caution in handling any legal firearm during deer season as well as in small game season which starts October 15.

Announce Schedule for Mackinac Boat

The fall schedule of the Michigan State Ferries operating across the Straits of Mackinac, between Mackinaw City and St. Ignace, went into effect September 17. Highway Commissioner Charles M. Ziegler announces. On this schedule the ferries will leave both cities every 1½ hours from 1 a.m. to midnight. In addition there will be boats leaving Mackinaw City at 1:30 a.m. and 4:30 a.m. and from St. Ignace at 1:30 a.m. and 3 a.m. The schedule is based on Eastern Standard Time.

Police Fine Driver After Fri. Accident

An accident occurred last Friday night at Main and Rogers street, slightly injuring Freddie M. Jordan, aged 23, of 18303 Northville road.

Jordan was proceeding west on Main street and had stopped at the corner of Rogers, when a car driven by Charles J. Melton, aged 58, of 26269 Novi road, Novi, ploughed into the rear. Jordan was taken to Sessions hospital where he received several stitches in his head. According to Chief Denton, Melton was fined \$50.00 and court costs.

Holiday CARE Pack Available in Detroit

CARE, Inc. has announced a special Thanksgiving Day package, now available in Detroit, which can be mailed to relatives or friends in 14 overseas countries.

The holiday package, enough for a family of 12, contains a seven-pound pre-cooked turkey, canned bacon and butter, a plum pudding, coffee, peaches, mustard, candy and raisins.

The deadline for purchase is October 31.

Post Master Asks Patron Cooperation

Due to the great increase of first class mail, parcel post and magazines, Postmaster Leland Smith has asked city and rural patrons to check and observe the following rules. The coming Christmas rush will necessitate even further the carrying out of these rules if efficient service is to be given by the Post Office.

1. Is the mail receptacle large enough to hold all the mail?

2. Is your name on the receptacle? A card for city boxes and a painted name for rural boxes is needed.

3. Do you have your home numbered?

4. Do you keep your dog tied when the mail man is due? The dog owner is financially responsible for time lost, doctor, hospital and medical bills when the mailman is bitten.

More efficient and quicker mail handling will be possible if patrons will comply with the above rules, says Postmaster Smith.

If patrons are not at home when parcel post is delivered by the carrier, it must then be called for at the Post Office. Carriers are only allowed to take parcel post to the patrons door once.

Regular parcel post packages are held in the Post Office only ten days while C.O.D. packages are held 15 days before being returned. Extensions of time may not be granted, states Mr. Smith.

MICHIGAN MIRROR
NON-PARTISAN NEWS LETTER

How to keep up with inflation is the perennial headache facing government in Michigan today from the state government itself down to the smallest village.

We have the highest price level in our history.

The commerce department at Washington reported a few days ago that Americans had raised their total annual income from \$87 billion in 1929 to \$239 billion last year, an increase of 175 percent.

President Truman has presented a budget for the fiscal year 1951-52 asking for over \$71 billion in expenditures. The amount as authorized by Congress, spurred by the present emergency, will place a new strain on the nation's economy. Full employment is reported in nearly all Michigan cities. It is estimated that 700,000 workers will be added to the nation's labor force next year.

It is this growing, serious problem of inflation that government officials are wrestling with. What will continued inflation mean to Michigan?

The state treasury at Lansing is already incurring deficits under the sales tax diversion amendment which siphons 78 percent of the sales tax revenues back to home governments.

The state civil service commission is reported to be considering new wage increases for state employees, obviously needed by the rising cost of living.

The rise of inflation in our generation may be illustrated by some interesting figures. The federal Reserve banks held \$1,998 million of U. S. Government securities on June 30, 1933. By December 31, 1945 they held \$24,262 million. All commercial banks held \$10.3 billions of U. S. Government securities in 1934. By 1945 this had soared to \$90.6 billions!

The rise of consumer income from 87 to 239 billions in a span of little more than 20 years has been due chiefly to the Washington policy of a managed currency, not redeemable by gold. Our purchasing power has dropped to an all-time record since the Federal Reserve System was established in 1914. This has affected every family, and particularly those persons who have investments in insurance or government bonds. Every person who bought insurance finds that the purchasing power of his dollar today is about one-half what it was in 1940. The same is true with persons who invested in government bonds as an investment. Those who depend on a fixed pension to enable them to take it easy in their old age are already paying the penalty. Inflation is an invisible tax, taking money out of the pocket of all American taxpayers.

Increased wages become an integral part of the cost of all commodities leading to rise of prices. This in turn leads to increase of taxes, another cost of production which must be passed on to the consumer. It is a vicious cycle.

As of February 6, 1951, the purchasing power of our dollar had depreciated to a new low level of 42.3 percent of the average index for wholesale prices for 1939. There are indications that the plague of a depreciating currency may grow worse before Congress and the national administration takes courageous steps to end the spree of inflated dollars we have been enjoying.

These personal observations were prompted in part by an interesting booklet, the "National Economy in Time of Crisis," which came into our hands the other day. The booklet consists of a series of lectures sponsored by the New Jersey Bar Association.

Dr. Walter E. Spahr, chairman of the Department of Economics, New York University, forecasts further depreciation of our dollar unless our Federal Reserve System is protected from control by the President.

Dr. Spahr concluded with the following indictment:

"Our government is doing many things that have characterized the beginning of the end of a strong nation. We seem unable to make ourselves realize this fact. We seem still to believe in the European adage that Providence protects fools, children, and the United States. We are showing ourselves to be a gullible, irresponsible, and foolish people. We refuse to look at the basic causes of our present situation and, like the French 160 years ago, we play with sym-

AREA BLOOD DONORS CAMPAIGN OPENS; NEED 2,861,000 PINTS

At the request of the Department of Defense the Detroit Red Cross blood center has joined with some 50 other regional and defense blood centers in the United States in the largest blood donor recruitment campaign since World War II. The drive was formally launched with special programs on all radio networks, featuring appeals by Generals Marshall, Bradley and Ridgway.

Sixteen states in the mid-west area, including Michigan, have been asked to produce 2,861,000 pints in the next few months, of which 719,000 pints is earmarked for American wounded in Korea and the Armed Forces.

"We can accommodate up to 300 donors a day in the center at 153 East Elizabeth with present facilities," said John M. Sullivan, executive director of Detroit Chapter, American Red Cross. "We are also prepared to operate our three mobile units to full capacity. Remodeling is now underway at the center, which will substantially increase donor facilities."

Sullivan urged that donors report directly to the center, individual or in groups of as many as 20 persons. Community, industrial, fraternal, or other groups wishing to arrange for a mobile unit should call the blood center, WO. 1-3900.

"We accept this request from the Department of Defense as an official mandate," he declared. "Blood procurement has long held top priority on our program, and this new quota is a must. We are asking the support of every person qualified to give blood, and that means every healthy person between 21 and 60 years of age."

Donor hours at the center, 153 E. Elizabeth will remain the same as at present: 10 a.m. to 8 p.m., Monday through Friday, and 11 a.m. to 4 p.m. on Saturday.

Gen. Matthew B. Ridgway, the commanding general of UN forces in the Far East, has called the blood program the "most impressive of all Red Cross services."

He said: "Every American who has given blood through the Red Cross can and should feel that he personally has directly contributed to the saving of the life of an American fighting man."

ptoms by creating, as did they, Laws of Maximum.

"We are rushing into totalitarianism through all the doors that our government officials have thus far been able to open. And when the President encroached upon the independence of the Federal Reserve System on February 1, there was opened another and very dangerous door which it was widely supposed no thoughtful President would ever dare to push through."

This column of the "Michigan Mirror" is another reminder that the financial problems of Michigan governments, state as well as local, are largely the indirect result of policies fixed at a national level at Washington itself.

As long as our dollar is continually depreciated in value, one of two things must follow. Our citizens must give up some public services they now enjoy. This means the lowering of our standard of living—something we all are loath to forego.

Or the citizens must be prepared to pay the price of inflation by ever higher taxes in a perpetual cycle until the point of diminishing returns is finally reached.

All of this may serve to publicize the need of reorganization of government itself whereby public services, instead of being ever augmented, may be actually curtailed. Reorganization itself will achieve little economy unless the citizen is willing to forego some of the benefits he now receives. The record of certain pressure groups in getting all they can for themselves at Washington and Lansing does not augur that reorganization can be accomplished, readily.

What can YOU do about it?

If you have not written a letter recently to your representative and senator at Washington and Lansing, insisting on REDUCED SPENDING for public services from top to bottom, you have contributed indirectly to the inflation trend.

If you have not voted for candidates whose record is clearly one for fiscal sanity, you also have added to the fuels of more inflation.

The situation, serious as it appears, is not hopeless IF enough citizens arouse themselves to do something about it.

Villager Addresses Quarterly Meeting

Sunday, September 23 at 2:30 p.m. at St. Charles Parish, Newport, the second quarterly conference meeting of the "Southwestern Deaneary" National Council of Catholic Women took place, with an attendance of some 500 members.

The meeting was opened with a prayer read by Rt. Rev. Msgr. G. Warren Peek and the guests were welcomed to Newport by the Rev. Father Paquette, pastor of the parish.

The reiner program for the Deaneary has gone into high gear for the fall and winter months. Given were 147 pints of blood for Korea; the cancer committee 1,500 hours and 78,200 pads from all the parishes; Motion Picture committee (Legion of Decency) piloting to new heights; the Torch Drive beginning October 2 in the towns, and the volunteer services of the Deaneary include this year with reading to the blind in the state hospital, and taking the veterans at the Dearborn hospital to Chapel on Sunday mornings.

Speakers for the afternoon were Rev. Father Edward F. O'Grady of Adrian, Mrs. E. J. Willis of Northville and Miss Jan St. Bernard of Detroit.

The meeting was closed with a prayer for peace by Msgr. Peek.

The third quarterly meeting will be held the early part of December and will take place at Our Lady of Good Counsel parish in Plymouth.

528 Polio Victims Helped in 1951

Since January 1, the Wayne County Chapter of the March of Dimes has spent \$423,504 assisting 528 different polio victims of 1951 and previous years, according to Donald W. Barton, administrator of the Chapter.

There have been 472 cases of infantile paralysis and 9 deaths from the disease in the first 8 1/2 months of this year. While 9 cases only were reported in the first five months, 19 developed in June and 124 during July. August cases climbed to 245 and 75 were reported in September. These are the totals for Wayne County.

Ages of polio victims ranged from 3 months to 54 years and included 108 adults more than 21 years old.

Twenty-two families in Wayne County have had more than one member stricken with polio this year—two brothers, two sisters or brother and sister; mother and daughter or mother and son and two instances of a husband and wife both ill with polio at the same time.

"Statistics on the incidence of polio do not convey the heart-break and bewilderment of the families of the stricken," Barton said. "Nor do they reflect the surprise and relief expressed by those same families when they, often timidly, apply for financial aid and learn that they can stop worrying about the cost."

It is too bad, he said, that everyone who has given to the March of Dimes cannot hear the tearful thanks expressed by those who benefit by the gift.

NOVI POSTMISTRESS DIES
