

Eddie Beard, seven year old son of Mr. and Mrs. Paul Beard of East Eight Mile road, is the recipient of a letter from Vienna, Austria, thanking him for toys which he sent last year. Eddie brought his toys to the Lloyd H. Green Post No. 147, American Legion last winter, who took charge of sending them overseas. They were sent as tokens of good will and as a gesture of friendliness to the children of war-torn lands. Eddie's letter was written by Aunt Frieda, a school teacher, for a kindergarten class.

We're wondering what's going to happen to the signboard at the "Four Corners" now that the Parade of Progress is over. I seem to us that some club or organization could make a worthwhile project of it, by advertising Northville as a friendly community. We hate to see it revert to a faded, dingy board, so conspicuous to the visitor in the Village.

Ties and socks this week for the occupational therapy department of the Detroit House of Correction were presented by E. M. Hollis, Mrs. John Warrington, Mrs. Albert Stockman and Miss Inez Bryan. Leave your cast-off articles at the Record office. They will be put to good use.

The Village business district was full of peeping-toms last Friday. The Merchants' Treasure Hunt for the 20 or more Parade of Progress consolation prizes certainly brought window shoppers to town.

The Maybury Fair Board reports that the 1951 Maybury fair was a success. Everyone cooperated towards making it a success; the weather was fine, the prizes which were donated by Northville merchants were wonderful, and most of all, the crowd was excellent. The Board wishes to extend their thanks to everyone for their help.

With the October 4 issue of The Farmington Enterprise, 63 consecutive years were completed. Congratulations!

At the Fourth District Rally of the Veterans of Foreign Wars, held last Sunday at the local VFW hall, Mayor Conrad E. Langfield and Nelson C. Schrader, Jr. were presented with honorary life memberships to the National Children's Home at Eaton Rapids.

The Junior Police meetings will be held this Saturday at 10 a.m. at the Scout building.

Training School Anniversary Tribute to Dr. R. Haskell

Nearly seven hundred persons gathered together at the Wayne County Training School on Saturday, October 6, to observe the twenty-fifth anniversary of its founding and to honor Dr. Robert H. Haskell who has served continuously as its Medical Superintendent.

The Saturday meeting culminated a two-day program which was held in cooperation with the Michigan Society for Mental Hygiene as part of its fifteenth annual conference. Participating in the Training School sessions were several nationally and internationally known psychiatrists, psychologists, and educators, some of whom were former members of the Training School staff, who came from many parts of the country to unite in an expression of tribute to Dr. Haskell and to the achievements of the school. They addressed an interested and responsive audience assembled from numerous communities throughout Michigan, Ohio, and Canada.

Distinguished Guests Attend
Following the morning program a buffet luncheon was served in the school gymnasium. The room glowed with colorful decorations prepared by the children in honor of the "birthday" of their school. Giant floral murals covered the long walls, and products from the school farm and greenhouse made picturesque table arrangements.

Among the distinguished persons in attendance was Judge Henry S. Hulbert, President of the Administrative Board of the Training School. Judge Hulbert, who was one of the founders of the school, has been a member of the Board almost continuously since 1925 and has served as president several times.

Presiding at the speakers' table was Mrs. Fred R. Johnson, Vice President of the Board, who introduced Dr. Haskell.

School Board Gives Annexation Okay

The Northville Board of Education, Monday evening, October 1, adopted a resolution approving the annexation of the several primary districts of Northville Township to the Northville and Novi School Districts No. 2 Fractional. These primary districts are Waterford, DeKay and Hinman school districts.

E. V. Ellison, principal of the high school, was a visitor at the meeting and reviewed with the board a proposed clinic in reading. The proposal will be considered at length at the November meeting by high school staff member, Mrs. Pauline Smith.

Mr. Ellison also disclosed that 17 graduates of the Class of 1951 are enrolled in various colleges for the fall term. The final total enrollment in Grades 7-12 is 430, he reported.

Eural Clark was appointed to review any and all bids for paving a section of the school playground and was given the power to act.

Attending the regular meeting of the board were Eural F. Clark, Donald B. Severance, Robert F. Coolman and R. H. Amerman. George L. Locke and Nelson C. Schrader were absent.

County Withdraws Special Election

The Wayne County Board of Supervisors has called off the special election which was scheduled for November 6. The election had been called for the purpose of voting on a proposed \$1 million dollar bond issue to expand the Detroit-Wayne Major airport.

Township Clerk Fred Lyke has been instructed to cancel all activities relative to the registering of voters and the posting of election notices. The urgency of the bond issue was removed when major airlines signed a lease to continue using Willow Run airport.

ERNEST J. WILLIS

Funeral Rites Held for Ernest J. Willis

Ernest J. Willis, Northville Justice of the Peace, passed away suddenly Wednesday, October 3 at his home, 119 Rayson street.

Born November 30, 1877 in Farmington to the late Clark and Emma Willis, he began his tailoring career in Northville in 1897 on East Main street, later moving to Ann Arbor in 1899.

In 1905 he opened his own business at 1289 Grand River avenue, Detroit. Through the years a real estate and building business was also undertaken along with a furniture business. Always clothes conscious, the tailoring business was never in any way neglected and was carried along for many years.

In 1943 he retired from business entirely, moving to his home on Rayson street. Always interested in the welfare of others, Mr. Willis was well known to Villagers for his work with the Rotary and Optimist clubs. Said Mayor Conrad E. Langfield, "From the standpoint of the Village, Northville has lost a valuable citizen. Mr. Willis was very interested in municipal affairs and we shall miss his counsel." Flags in the Village were flown at half-mast last week in his memory. Mr. Willis was also a charter member of Ionic Lodge 474, F. & A. M.

Funeral services were conducted by the Rev. Harold F. Fredsell of the First Presbyterian church Saturday afternoon from the Casterline Funeral Home. Interment was at the North Farmington cemetery. Active pallbearers included Tom Carrington, Preston Fuller, Edward M. Bogart, Roy Terrill, George Zerbelt and Robert Coolman.

Surviving are his wife, Kathleen Mary, of the home; and one daughter, Mrs. Roman Chmura of Chicago, Illinois. Also surviving are two brothers, Ralph B. Willis of Northville, Frank W. Willis of Detroit; and two sisters, Mrs. James Van Dyne of Northville and Mrs. Arthur Humphries of Northville.

Adult Leather Class Begins in Novi

An adult leather class has begun at the Novi public school. It will meet every Monday evening starting at 8 p.m.

Approximately 12 towns people attended the first class last Monday. Mrs. Celia Sharp, teacher of the Novi school kindergarten, is the instructor.

Plymouth-Detroit Bus Resumes Hourly Run

Hourly bus service from Plymouth to Detroit has been restored.

After a month old bus strike, the buses again begin their trips down Plymouth road beginning at 7 a.m. and continuing until 10:05 p.m.

Return schedules operate on the hour also.

Mr. and Mrs. Ivan Dickinson of Northville entertained twenty-three members of the Get-together club September 29. The next meeting will be held at the home of Mrs. Kate Waterman, October 13. Lydia Ebersole and Carrie Dickinson will be on the committee.

Rotary-Exchange Students Get First View of France

Germany will be the temporary home of David Lee, the Northville boy studying in Europe under the Rotarian "Youth for Understanding" program.

The group of nine Michigan-ers landed Saturday, October 6 in the port of LeHavre, France. After a week of sight-seeing in Paris, they will head for different parts of Europe to live and study until they sail for home on December 9. During their weeks abroad they will be guests of Rotarians and attend classes in the regular public school of that country.

Final selection of the nine students was made by the combined efforts of Rotarians and school boards throughout southeastern Michigan. The committees gave prospective travelers an I.Q. test, examined their school records, evaluated their personalities and temperaments. Each applicant was asked to explain why he would like to participate and what it would mean to him in a thesis "Youth for Understanding" program.

The group selected includes: Larry Thomas, 16, of Highland Park, who will go to Holland; Ted Roumell, 16, of Clinton, to Athens; Linn Wilson, 17, also of Clinton to study in Frankfurt; and Elsie Hansen, 18, of Adrian will

also go to Germany as will David Lee.

Attending school in Denmark will be Lorne Hunter, 20, of Windsor, and 17 year old James Dalley of Wyandotte. In France will be 17 year old Donna Thomas of Saline and Bob Hann of Milan.

Said Charles Miller, past district governor of Rotary and trustee of their Youth for Understanding committee, these good will ambassadors are giving Europeans "a real first hand picture of Americans."

The Rotary club of Clinton Michigan started the program on the theory that "actions speak louder than words." It is their hope that these exchange students being sent to Europe will be a living refutation of false propaganda concerning the United States and its people.

After much negotiating with the American military high command in Germany and the State Department, the first group of 74 German students arrived in August for a year in America. Selection of the German youth was made by the military commanders according to standards of intelligence and leadership. The State Department covered their passage to this country.

1 of 3 Requests for Gas Granted

The Consumers Power company has been granted permission by the Michigan Public Service commission and the Petroleum Administration for Defense to supply gas to 10,000 additional gas house-heating and other space-heating customers.

The nearly 11,000 applicants in the area exceeds the number of additional gas heating customers approved for this area, stated Gerald Mayhew, area manager. Therefore, those to receive gas heating service were selected by lot Wednesday at the Plymouth office.

Approximately 1 out of every 3 applicants were granted their request, said Mr. Mayhew. About 60 Northville applicants will receive their supply request.

Only persons who were able to complete the installation of gas heating equipment within a reasonable time and who live in areas where local gas distribution facilities are adequate to serve them were considered for gas heating service at this time.

Booster shots were given to 50 children and vaccinations to 15 fifth and sixth graders.

October 25 vaccinations to children in the seventh through the twelfth grades will be given. Slips are being sent home to the parents of high school juniors and seniors this week, states Miss Knapp.

Rev. Edwin E. Rossow will deliver the invocation and Rev. Harold F. Fredsell will deliver a brief talk on the community. An introduction will be made of all Northville organizations. H. Cansfield. Tickets for the dinner are obtainable from all the service clubs.

Planning the patriotic motif are Mrs. E. M. Starkweather, Miss E. Elizabeth Vickland, Miss Ruth Knapp, Mrs. Eldon Biery and Mrs. Fred Collins. A series of flags will bedeck the church house.

Sessions are held from 10:00 to 3:00 p.m. Instructing the course are Mrs. Maxwell Austin, Mrs. Fran Jennings and Mrs. Alex Lawrence.

Templar Field Day Saturday To Feature Parade, Barbeque

Saturday, October 13, Knights of Northville Commandery, No. 39, Knights Templar, will be hosts and will welcome Southeastern Michigan Templars, distinguished guests, representatives and their ladies to the Second Annual Wayne County Commandery Association Field Day and parade.

This event will probably be the most impressive Templar display ever witnessed in Northville. In addition to the five affiliated Wayne County Commanderies, twelve or more Southeastern Michigan Commanderies are expected to participate in the field exercises and traditional full-dress street parade.

Local Band To Play at U-M Saturday

Upon invitation by Dr. William D. Revelle, conductor of the University of Michigan Marching band, the Northville High school band will take part in the Third Annual Band Day at the University of Michigan stadium on Saturday, October 13.

Leslie G. Lee, director of the local band, states that the 65-piece band will travel to Ann Arbor in the morning of that day to rehearse the mass formations planned.

Bands from 100 high schools in Michigan will take part in the performance at the half of the Indiana-Michigan game. Individual formations will be shown by the individual bands only as they march onto the field at the beginning of the game. The formations by the Northville band will be made at the south end of the field where the group of local students will also be sitting during the game.

The spectacular sight made last year by the 30 bands participating will be increased more than three-fold when 100 bands will march, states Mr. Lee.

Goodwill To Stop Regularly in Town

Mr. James Mitchell, representing Goodwill Industries of Detroit, told of the employment opportunity for handicapped men and women in a talk before the Northville Rotary club Tuesday noon.

"The castoff materials provide an opportunity for employment and job training for 600 disabled persons who otherwise could not find work," said Mitchell. Wages are paid and expenses met by sale of the reconditioned goods in the Goodwill stores.

The Goodwill trucks will pick up contributions in Northville on the next to the last Thursday each month. Persons wishing to contribute should call TRIMTY 3-3600 in Detroit, or Mrs. William Forney at Northville 353-J.

Heavier contributions of household discards from towns in Southeastern Michigan are imperative if the Goodwill Industries of Detroit is to go ahead with its program of expansion in behalf of handicapped men and women. Materials of every kind are badly needed at the present time if the Goodwill departments are to operate at capacity. Clothing, including hats and shoes are always particularly welcome, since the reconditioning of garments is one of the major operations of the Workshop.

Furniture can also be used to particular advantage now so the articles can be reconditioned for the usual fall upsurge of buying in Goodwill stores.

Hunting Season To Open Oct. 15

What promises to be the best pheasant season since the record year of 1944 opens Monday, October 15, with the conservation department expecting no large buildup of hunters in the field until the first week-end.

It is expected that a little over 635,000 hunters from Michigan will take to the field in search of pheasants, grouse, rabbits, fox and gray squirrels and woodchucks. Hunters are urged to be certain of what they are shooting at, so that this year will be a safe hunting year.

Mayor to Open Ceremonies

Field Day ceremonies will be opened officially at 1:30 with a public greeting and address by Honorable Conrad E. Langfield, mayor of Northville. Following Mayor Langfield's welcome, exhibition drills will be the first order of the day.

These drills and field exercises will continue to about 5:30 during which time the drill corps of visiting commanderies will be the center of attraction. Among the many commanderies taking part will be the crack precision drill teams of Genesee Park No. 53, Highland Park; Northville No. 39, Northville and Redford No. 55 Detroit.

Knights Templar Parade at 6:00
According to Sir Alex Wood, Captain-General of Northville Commandery and Parade Marshal, "Northville will witness one of its most spectacular parades in recent years Saturday night when some 400 or more white-plumed knights of the Order of Knights Templar march up and down Main Street."

The line of march will start at Northville Downs and proceed over Church to Main and over Main to the Northville High school. Parade units will then reform in special ceremonial formations, including the always impressive Passion Cross, and counter-march route to Northville Downs. The colorful massed formations of a full-dress Templar parade presents a most exciting scene. The bands will be merged into one unit, flags and banners will be grouped, officers and past commanders will form a solid triangle and the ranks of uniformed knights a Passion Cross for the return march.

This is always the big feature of a Knights Templar parade and bystanders will be well rewarded by keeping their places for this spectacle of Templarism.

Sir Wilber M. Brucker of Detroit, former Michigan Governor, Right Eminent Grand Commander of the Grand Commandery of Knights Templar of Michigan, and staff of Grand Commandery officers will review the parade.

Stage Old Fashioned Barbecue

Immediately following the parade a big open air twilight barbecue will take place. According to Sir G. Louis Balch, E. C. General Chairman, the old-fashioned open pit barbecue climaxing the Field Day will be long remembered by all who attend. Every effort is being made to provide the largest and best barbecue ever staged in Northville. "Here is an inkling as to what is in store. Finest quality, tender, juicy, prime western beef prepared by experts in special open pit, constructed right on spot, for 'top' results. Some delicious ham too, baked beans, relishes, ice cream coffee, all the trimmings. No limit per person, all one can eat," Balch said. Northville Downs, located on South Center street, will be the Field Day and Barbecue site.

All Templars, Masons, friends and their families are urged to support and attend this gala affair. Field exercises and barbecue will be open to full participation by public at large. Barbecue tickets are available at Gussell's Drug store, the Carrington Agency and from Northville Commandery members.

Dr. and Mrs. Russell M. Atchison of South Rogers street and Mr. and Mrs. A. Russell Clarke of Fairbrook road were guests last week-end at Potawatomi Inn at Angola, Indiana.

Rolling Down The River

by the PETZ BROS.

We sold a new Studebaker to a fellow the other day and he seemed to like it fine. Told us, while he was waiting for delivery, that he wanted to do a lot of driving during the early part of the evenings ahead, since he had decided that he wasn't enough of a mathematician to decipher his son's arithmetic home work any longer. "Just the other evening," he said, "I was deep in the next day's problems, when this son of mine looked over my shoulder, and pipes up, 'for goodness sake Dad, is that all the farther you are? What will you do when I get in high school, if it takes all night to figure a couple of sixth grade problems?'"

Under the circumstances we figure we'd go for a ride too. But then that won't happen to us ever. Never was much fond of arithmetic and couldn't tell cube root from brier. That's why we like to sell the Studebaker. Doesn't take any mathematics at all. You can feel the surging power of the amazing V-8 engines, you can sense the ease with which the car handles and pure instinct will tell you how truly comfortable it is. And when you notice you've got some money left over, come next payday, you'll know how economical the Studebaker is to operate. We'll prove it too — come in for a demonstration.

Friend of ours, down the street, was complaining of being pretty tired from too much dashing here and there. "Really envy the bear," he stated, "who, come hibernating time in the fall, left a note with his friend the woodpecker to wake him up at half past April."

Well, let him sleep. We've got work to do and so have the boys in the shop if you're going to give that car of yours the care it deserves. Chances are it needs new oil, new lubrication, and it won't hurt to give the motor a once-over before fall really gets here. You'll want it at peak performance, too, for those long autumn drives before old man winter starts to get tough.

That's all, but the lug in our parts department says, "Chivalry today is man's attitude towards any woman... if she's good looking and a stranger."

Yours,
BILL and WILL PETZ.

Detroit Grand Opera Season to Open Nov. 13 with "Aida"
Detroit Grand Opera Association's fall season comes a bit later than usual this year. Opening with "Aida" Tuesday, November 13 in Masonic Auditorium, the Opera Festival will continue through Sunday night—its seven performances to include a Sunday matinee of "Carmen."
For the first time, the Detroit Association will present the New York City Opera company, which has been an outstanding success at New York City Center for the last nine years. Its director, Laszlo Halasz, assures Michigan opera lovers that they have a treat in store—a repertoire offering the broadest scope possible, with operas in English, Italian and French; composers ranging from Verdi and Mozart to Puccini, Massenet, Bizet and Offenbach.
Present Seven Operas
Operas to be presented are: "Aida," Tuesday, November 13, "Figaro," November 14, "Butterfly," November 15; "Manon," November 16, "Traviata," November 17; "Carmen," November 18 (matinee), "Tales of Hoffman," Sunday evening, Nov 18.
Milton Cross, famous opera commentator, who has added so much pleasure and interest to Detroit's fall opera season for the last two years, will appear as usual.
Although many of the singers in the casts will be new to audiences here, they have large followings in the east. Furthermore, in each opera to be presented are stars well known and loved. In "Aida" will be Herva Nelli and Raymon Vinay. Vinay also will sing the role of Don Jose in "Carmen." Richard Bonelli will appear as Shapless in "Butterfly."
Scholarship Winner to Sing
Bidu Sayao will have the name part in "Manon," one of her favorite operas. Ann Ayars appears twice—as Violetta in "Traviata" and as Antonia in "Tales of Hoffman" Robert Rounselle, who with Ann Ayars stars in the English film version of the Tales, will have the same roles in opera.
Wilma Spence, long a Detroit favorite in the Civic Light Opera, comes back to us as Giulietta in "Tales of Hoffman." Last, but of special importance, the 1950 Grinnell Foundation Music Scholarship winner, Eleanor Schneider of Detroit, will make her opera debut as Micaela in "Carmen."
Director Halasz will conduct the opening opera. Others conducting during the week will be

Why does the telephone company...

train operators to pronounce words a different way?

Why do they say "fi-iv" instead of "five," "ni-en" instead of "nine"? And why do they use letters sometimes instead of words?

Here's the answer:

"Five" sounds like "nine," so training operators to say "fi-iv" and "ni-en" helps prevent wrong numbers, saves time on the line, and avoids an extra call to get the right number.

Code letters save long sentences. Instead of saying to another operator: "About that call on which you tried to reach Mr. Jones in Chicago, we have Mr. Jones on the line now," operators say, "W. H. with Mr. Jones in Chicago."

GOOD MANAGEMENT GIVES YOU MORE FOR YOUR TELEPHONE DOLLAR
MICHIGAN BELL TELEPHONE COMPANY

Saying words a different way, and using code letters, may save only seconds. But multiply those seconds by the millions of calls Michigan Bell operators handle every day, and the savings become enormous. Without them, it would take more circuits, more switchboards and more operators. With them, the cost of handling calls is kept down. And that helps keep down the cost of telephone service. It's one of the many ways in which—

Christian Science Churches
Is there a sure remedy for every kind of disease? That question is answered in the Lesson Sermon to be read in all Christian Science churches on Sunday, October 14 under the title "Are Sin, Disease, and Death Real?"

The Golden Text is from Psalms (118:147): "The Lord is my strength and song, and is become my salvation.... I shall not die, but live, and declare the works of the Lord."
Among the Bible citations is this passage, (Prov. 15:26): "The thoughts of the wicked are an abomination to the Lord; but the words of the pure are pleasant words."

Northville Woman's Club Begins 59th Year of Service

Marking the commencing of the fifty-ninth year of service the Northville Woman's club held their opening luncheon last Friday afternoon, October 5 at Meadowbrook Country club. Mrs. William H. Cansfield presided. The day's invocation was given by Mrs. Harold F. Fredsell.

Introduction of the past presidents and life members who were honored was made by Mrs. Waldo Johnson. The past presidents in attendance included Mesdames Hattie

Cattermole, Ruth Johnson, Ethelwyn D. Lapham, Vera Bunn, Ruth Chase and Ruth Starkweather. Two life members who attended were Mrs. C. C. Yeakes and Mrs. Carl Bryan. Expressions of regret at not being present were received from Past Presidents Mrs. Eliza Northrop and Mrs. Jeanette Willis.

Dr. James Guest Speaker

John Wiles, graduate of the University of Oklahoma, opened the program by singing two light operatic numbers.

Mrs. V. George Chabut, program chairman for the club, introduced Dr. Thelma G. James of the International Institute, Wayne University, who was the guest speaker. Dr. James outlined her experiences in connection with presenting Detroit's various nationality groups at Detroit's 250th Anniversary Festival. She emphasized the fact that more than 25 percent of Detroit's population is foreign born and that Detroit has become in a very real sense a counterpart of the Old World culture of countless nationality groups.

Detroit Preserves Cultures

In many cases, cultures that have become all but lost in the chaos of modern Europe are preserved in their original form in Detroit, she said.

So it is to Detroit that much of the world looks when seeking information concerning the Old World culture, art and science, Dr. James contended. Here are recorded for posterity the original ballads, folk songs, instrumental music, stories and proverbs that would soon be lost to the world if not preserved at the Institute.

The files of the International Institute contain more than 11,000 proverbs from all nations, countless recipes, many superstitions, much folk lore of those who have come to us from foreign strands. Here almost complete records of pioneer day in Michigan and in the United States are to be found, Dr. James revealed.

Hosbach-Braasch Rites Read In Altamont, Ill. October 7

St. Paul's Lutheran church in Altamont, Illinois was the scene of the marriage of Jeannine Braasch of Altamont, Illinois to Robert E. Hosbach, son of Mr. and Mrs. Charles P. Eich of 428 Eaton Drive.

The ceremony was performed Sunday by Pastor H. F. Guse before an altar banked with palms and white mums. Presiding at the organ was C. G. Hoffmeister and Mrs. A. Grobengieser sang "The Lord's Prayer."

The bride wore an ivory slipper gown with portrait neckline, and a yoke of ivory illusion. The gown was fashioned with long sleeves and a regal train. Her veil of ivory silk illusion fell from a tulle cap encrusted with seed pearls. She wore a single strand of pearls, a gift from the bridegroom, and carried white roses showered with satin streamers.

For her matron of honor, the bride chose Mrs. Leonard Hosbach of Tawas City, Michigan. Her gown was of turquoise satin fashioned similarly to that of the bride's, with short sleeves and full skirt. Her jewelry was a choker strand of pearls and she carried a nosegay of yellow pompons and tulles.

Little Sandra Stenslie of Altamont was flower girl. The little girl was gowned in yellow satin and she carried a tiny nosegay of yellow pompons and tulles.

The bridegroom was attended by Leonard Hosbach, also of Tawas City. Seating the guests were Don Hoffmeister and James Shumaker of Altamont.

For her son's wedding, Mrs. Eich wore a garnet crepe gown with black accessories. Her corsage consisted of an orchid.

A reception was held in the church dining room for about 75 guests. After a short wedding trip to Niagara Falls, the newlyweds will be at home in Northville.

George McCollums Return From Georgian Honeymoon

A double ring ceremony performed Friday evening, September 28, by Rev. J. M. Lucas united Shirley Ann McFarquhar and George Ray McCollum in marriage.

Shirley is the daughter of Mr. and Mrs. George McFarquhar of St. Mary's avenue, Detroit, and the Andrew McCollums of Eleven Mile road are George's parents.

Shirley's father escorted her to the altar of the Novi Methodist church which was decorated with white gladioli and white mums.

A gown of lavender with a lace bodice and large lavender picture hat were chosen by the bride. With this she carried a bouquet of gardenias and baby mums.

Attendants for the couple were Mr. and Mrs. Robert Hansor of Northville.

Following the ceremony a reception was given at Devon Gables.

The couple left on a wedding trip to Georgia and will reside at the McCollum residence after their return.

The bride is a graduate of McKenzie High school with the class of 1947 and is now employed at the office of the Diesel Motors company in Detroit.

George was graduated with the class of 1947 at Northville High school and this year from the Detroit Institute of Technology. He is employed by the Woods Pharmacy, Detroit.

The Knights Templar, whose Southeastern Michigan units will hold their Field Day, Saturday, October 13, at Northville, trace their history back to the 12th Century.

To the Supervisor of the Township of Redford, Wayne County, Michigan:
Sir: You are hereby notified that the Board of County Road Commissioners of the County of Wayne, Michigan, did, at a meeting of said Board held on September 27, 1951, decide and determine that the certain alley described in the minutes of said Board, heretofore taken over as a County road, should be absolutely abandoned and discontinued as a public highway, reserving therein the easement set forth in said determination.

The portion of the minutes of said meeting fully describing said alley heretofore taken over as a County road, is given under and by virtue of Act 283 of the Public Acts of 1909, as amended. In testimony whereof, I have heretofore set my hand at Detroit, Michigan, this 5th day of October, A.D. 1951.

Whereas, pursuant to said petition and in accordance with the provisions of Section 18 of Chapter 4 of Act No. 283 of the Public Acts of the State of Michigan for the year 1909, and amendments thereto, this Board did, by resolution dated July 19, 1951, resolve that a hearing be held on August 23, 1951, at 11:00 a.m. eastern standard time at 3800 Cadillac Tower, Detroit 26, Michigan, to determine the necessity or advisability of absolutely abandoning and discontinuing said portion of said county road; and

Whereas, pursuant to the above mentioned statute, this Board has served a notice of said hearing upon all of the owners and occupants of lands through or adjoining which it is proposed to absolutely abandon and discontinue such county road, and published a copy of said notice in the Legal Record, a newspaper published within the County of Wayne, on August 9, 1951, and

Chrysler's

new

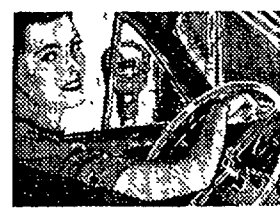

Hydraguide Power Steering!

Chrysler this year introduces the first power steering ever offered on an American passenger car. Many owners tell us it is the greatest advance in car driving since the self-starter! To a person who hasn't tried it, it is actually impossible to describe what a difference it makes. Driving becomes a new and wonderful experience. At your touch on the wheel, hydraulic power instantly provides four-fifths of the energy needed to steer the car. Gone is all sense of tug, strain, tension. In its place you find a wonderful sense of absolute front wheel control with almost no effort on your part. Hydraguide is regular equipment on Crown Imperials, optional at extra cost on other 8-cylinder models. Whatever car you're driving now, we invite you to...

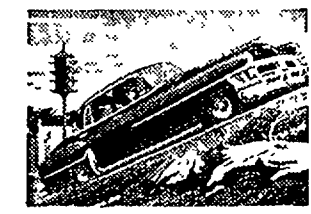

Come TRY Chrysler Hydraguide... First power steering ever offered on an American passenger car!

Come TRY Chrysler FirePower... 180 Horsepower, finest and most powerful passenger car engine on America's highways today!

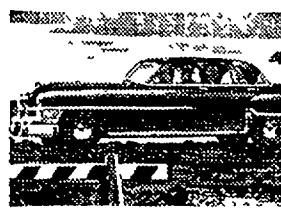

Come TRY Chrysler Power Braking... Power from the engine helps apply the brakes... cuts foot pressure required as much as two-thirds!

NEW EASE! No more whirling or twirling, tugging and straining. The littlest lady you know can actually park the biggest Chrysler with her thumb and one finger on the wheel... drive all day with new freedom from arm-and-shoulder fatigue!

NEW CONTROL! Hydraguide gives your hands on the wheel a new feeling of complete command at any speed. In city traffic... on awkward drive-ways... in snug-fitting garage entrances... you never felt such steering control in any car before!

NEW SAFETY! Even off the road onto a soft shoulder, Hydraguide helps keep your car steady and true with almost no effort... takes the jolt and strain out of driving in ruts, snow, or sand... makes steering many times safer than ever before!

Chief Jos. Denton submitted his report for the Police Dept. for the same period, and Dr. V. Geo. Chabut presented his report for September, 1951.

Moved by Woodworth, supported by Stubenvoll, that these reports be accepted and placed on file. Carried.

Chief Denton was instructed to put on a concentrated traffic drive by having auxiliary police on duty during the hours when he is unable to patrol streets on the days he is alone on duty.

Supt. Herman Hartner was instructed to contact the owners of the property used as a parking lot on the corner of Main and Center Sts. regarding the condition of the sidewalk on the Main St. side of said property and to see that it was repaired as soon as possible.

Moved by Stubenvoll, supported by Woodworth, that a saw

Quarterback Don Maclean is conveyed around left end by Howie Meyer (52) and Bill Bingley (40) on a short ramble in the third quarter. Milford's Hitchcock (74) moves in to break up the play.

NHS, Centerline Have Game Friday

The Northville Mustangs will meet the Centerline High school eleven on the Ford Field Friday at 8:00 p.m.

Northville gridiron fans will easily remember last season's game with Centerline which the Mustangs won—barely—25 to 21. The tough Centerline crew nearly erased a Northville three-touchdown lead in the second half. The Mustangs led 25 to 7 after halftime, and the Busch team scored two TD's in quick succession before Northville stalled the attack.

Also moved by Stubenvoll, supported by Peters, that the coin tossing machine which was left with the Village Clerk by Kloppe Engineering Co., on a trial basis, be purchased at a cost of \$235.00. Carried.

The alley situation on the south side of Main St. was reported on at some length by Atty. Littell, and he stated that negotiations had come to a virtual standstill because of lack of co-operation on the part of property owners. He was instructed by the Village Commission to look into the possibility of acquiring this property on a special assessment basis.

It was decided to ask Wayne County Rd Comm if they would allow the Village to make a direct entrance to Rural Hill cemetery from the end of First St. Pres. Langfield stated he would take this matter up with them personally.

Because of failure of the Village to acquire the alley property on the south side of Main St., Consumer's Power Co. would be notified to go ahead with the laying of their new main under the sidewalk as originally agreed to by the Village Commission.

No further business appearing, meeting was adjourned.

(Sgd.) Mary Alexander, Clerk

Texas City Fire And Explosion Tops Decade Disasters

NEW YORK, N. Y.—Disasters in which the list of dead tallied 100 or more occurred 13 times in the United States during the 1941-1950 decade, each thus greatly exceeding the Kansas flood toll, Metropolitan Life Insurance Company statisticians report.

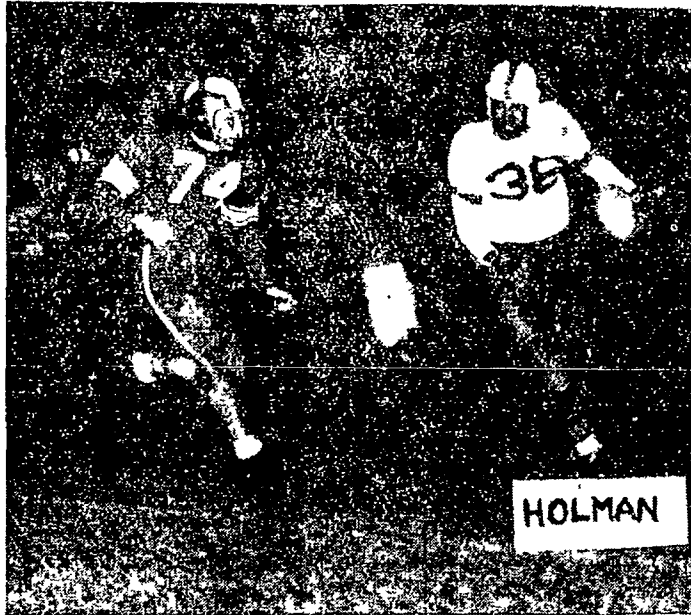

The highest toll was wrought by the Texas City fire and explosion of April 1947, in which 561 lives were lost. Next high in number of deaths were the 1942 night club fire in Boston, killing 492, and the explosion of two ammunition ships at Port Chicago, California, in 1944, which cost 322 lives.

The other ten disasters in which 100 or more died are:

Hartford, Conn., circus fire, 1944, 168 deaths; Texas and Oklahoma tornado, 1947, 167 deaths; Pennsylvania, West Virginia, and Maryland tornado, 1944, 159 deaths; Cleveland, Ohio, gas tank explosion, 1944, 130 deaths; Oklahoma, Missouri, and Arkansas tornado, 1945, 119 deaths; Atlanta, Ga., hotel fire, 1946, 119 deaths; Southern and Midwestern States, tornadoes, 1942, 111 deaths; Centralia, Ill., coal mine explosion, 1947, 111 deaths; New York Bay, N. Y., destroyer explosion, 1944, 100 deaths; Northeastern United States, wind and snow storm, 1950, 100 deaths.

From a continuing study of all catastrophic accidents—those in which five or more lives are lost—the statisticians note that there have been more such accidents during the post war years than during the war years, but the number of deaths has been lower. In 1941-1945 there were 482 catastrophes costing 6,801 lives, but in 1946-1950 there were 588 such accidents with a combined death toll of 6,412. Deaths from military aviation were not included in the study.

Occurring most frequently, the statisticians report, are confagurations, burns, and explosions, with motor vehicle accidents ranking second.

Leon Holman, Northville fullback, reels off 14 yards against Milford in Friday's game to set up first Mustang touchdown. Hitchcock, Milford halfback, made the tackle.

Mustangs Topple Milford Redskins 13 to 6 in Hard-Fought Game Friday

Northville's Mustangs fought their way to a 13 to 6 victory over favored Milford High school in last Friday night's football game at Ford Field.

Northville struck in the first and third quarters on touchdowns by Co-Captain Leon Holman and Halfback Don Johnson. Milford's lone tally came in the last period by Colgrove, the Redskin's fullback.

The Mustangs were sharp against the Redskins from Milford, with the exception of rule infractions which frequently put them in difficult spots which contributed to losing the ball.

Coaches Al Jones and Dick Kay employed the two platoon system and the defensive team proved its value as fully as the offensive unit. The Mustang defenders smashed down a Redskin scoring attack which began on the nine yard line and ended on the one yard marker four plays later. Northville took over on the one, and Lamar Nalley punted out of danger.

The first Northville touchdown climaxed a 49-yard drive which featured ten and 14-yard dashes by Johnson and Holman. It was Holman who went through right guard ten yards to score the first Mustang TD. Bill Bingley's kicking toe too was accurate for the extra point.

Northville opened the second half with a sustained drive from the Mustang 27 to the Milford 15-yard line, but the ball was lost on downs Northville regained control on the fifteen and Johnson scored from the Redskin four-yard line on a reverse. The conversion attempt misfired to leave the score at 13-0.

The Redskins staged a 70-yard drive in the final quarter to tally from the three on Colgrove's plunge three yards through center.

Jerry Ganzel, Redskin quarterback, took to the air frequently throughout the game, but Northville's Holman intercepted four of the long aerials, and Lamar Nalley picked off another with a circus catch near mid-field.

Northville's offensive and defensive units showed much improvement over the squad which had a comparatively easy time with Clarkston last week, but were underdogs in Friday's game with Milford. The Redskins had beaten Clarenceville 31 to 6, and Clarenceville had tipped the Mustangs 19 to 13 two weeks ago.
