

# Should Northville Incorporate As A City?

This is the second in a series of articles prepared and published in the public interest. An attempt has been made to keep the subject matter wholly factual and it is offered solely for the purpose of permitting the residents of Northville and the surrounding community to determine for themselves the desirability of incorporating all or a portion of the community as a city. Upon completion of the articles, an attempt will be made to answer any specific question which may be submitted to the editor upon this general subject.

In the first article in this series the basic differences between city and village government were outlined. There it was shown that if a village incorporates as a city, separating from the township, such new municipality must assume certain legally required duties previously supplied by the township government. This article will consider the effect and cost of such legally required duties, namely:

1. Assessing property as a basis for county and school taxes,
2. Collecting taxes for county and school,
3. Conducting county, state and national elections,
4. Furnishing a district for sending supervisors to the County Board of Supervisors,
5. Providing a primary or justice court system.

**1. ASSESSING PROPERTY FOR COUNTY AND SCHOOL TAXES.**  
In villages, all property, real and personal, has two assessments on it. One is made by the village assessor and the village board of review for village purposes only, such as the cost of paying for the local services supplied by the village government. The other assessment is made by the township supervisor and the township board of review for the purpose of paying the costs of the legally required duties supplied by the township and for county and school purposes. Having two assessments on property creates a certain amount of inconvenience for every village resident. If he objects to the village assessment, he must appear timely before the village board of review, and if he objects to the township assessment, he must appear timely before the township board of review. In Northville, the village assessment rolls and the township assessment rolls are not kept in the same place and this requires a taxpayer to appear at two separate offices.

When a village incorporates as a city all property would be assessed but once by a city assessor and a city board of review for all purposes, city county and school. This would create some obvious simplicity and convenience and some saving in cost in that only one assessment and one review procedure would be required for all purposes. Further, certain other advantages arising from having an appointed assessor rather than an elected one will be considered in a subsequent article dealing with the adoption of a modern city charter.

Because the complete assessment for village purposes is already made, incorporating as a city would create no new cost burden for the city government, as the duplicating township assessment would be eliminated and the one city assessment would serve all purposes. The aggregate amount of taxes paid by a taxpayer might increase, decrease or remain the same, depending upon whether the city or village assessment was greater, lower or identical with the township assessment.

**2. COLLECTING COUNTY AND SCHOOL TAXES.**  
In Northville, as a village, the present billing and collecting of county and school taxes on village property is now being performed by the township through the office of township treasurer. If Northville incorporated as a city such activity would have to be taken over by the city. No substantial effect upon the taxpayer occurs from this change. He would then pay all of his taxes to the city treasurer. The city tax would continue to be due in the summer just as the village tax is now and the county and school tax would continue to be due in December just as it is now.

Such a change would probably result in some small net saving in cost in that the burden of supporting the township treasurer's office would be removed from the city residents and such additional cost as might be incurred by reason of enlarging the duties of the city treasurer's office, should not be as much as the saving re-

## Santa Claus Christmas Seal Sale Opens In Village Dec. 7

With the beginning of the Village Christmas Seal solicitation tomorrow at the Depositors State bank and the Post Office, chairman Mrs. W. L. Howard, hopes to top last year's contributions of \$746.91. Of this amount the schools last year collected \$30.75 and \$561.75 was mailed to the Society by Villagers.

During the regular business hours of the bank and post office, Mesdames Emma Reid, Adrian Willis, Louise Canfield, Del Hahn Geritt Rooks, Louis Stewart, Orson Atkinson, George Alexander, Raymond Stullson and Donald Severance will be among those on duty.

Christmas Seals have become a holiday tradition in this country since their first sale in 1907. Whatever the design of the Seal, the Double-Barred Cross has always appeared on the 44 publications. This is the registered emblem of the National Tuberculosis association and its 3,000 affiliates. An Adaptation of the Cross of Lorraine, the cross is the emblem also of the world-wide crusade against tuberculosis.

The report was as follows: police calls answered, 78; accidents investigated, 4; traffic violations, 55; summons issued, 46; grand larceny, 2; petty larceny, 5; breaking and entering, 5; vandalism, 3; juvenile cases, 1; prowler and peeper calls, 2; arrests, 6; court cases, 6; runaway boys, 3; to Elise, 1; dogs to Dr. Cavell and destroyed, 9; bicycles stolen, 2; bikes recovered, 1; windows found open and unscreened, 5; door sound unlocked, 11; telephone messages, 2; total fines collected, \$504.00.

Sandra York, daughter of Mrs. Jennie York of East Cady street, is recuperating from an operation on her spine. Sandra, who is in the eighth grade, entered Mt. Carmel hospital three weeks ago last Monday.

## Artist-Lecturer

ARTHUR A. SINCLAIR

## Club To Sponsor Chalk-Talk Dec. 11

Arthur A. Sinclair, artist-lecturer, will be presented by the Northville Mothers club Tuesday, December 11 at 8:00 p.m. at the Northville Grade school lunchroom. Club members are urged to bring guests to this meeting.

Using chalks of many colors, Mr. Sinclair will sketch several Christmas carols. He rapidly sketches large brilliant pictures to illustrate his themes while he talks. His early training at the Chicago Art Institute and many years of platform experience enable him to create new pictures before his audience as well as to draw upon his repertoire.

A wide experience in other fields of art, in personnel and recreational work in industry, and in editing and illustrating an outstanding industrial magazine, has provided a rich background for his life work. Following the illustrated lecture, refreshments will be served under the auspices of co-hostesses Mrs. Matt Hauser, Mrs. John Blackburn, Mrs. Sidney Moase and Mrs. H. H. Handorf.

## Choir Director

PROF. EUGENE F. GROVE

## Alma College Choir To Appear Dec. 12

The Alma College A Cappella Choir of 50 voices will be heard in concert at the First Presbyterian church, Wednesday, December 12 at 8:00 p.m. The concert is open to the public.

Under the direction of Professor Eugene F. Grove, head of the music department of Alma college, the choir will begin its annual Christmas tour with a concert in Ithaca. Professor Grove also directs the Alma Choral Union which annually presents Handel's "Messiah."

Since its organization in 1930, the Alma A Cappella Choir has provided a superior type of musical enjoyment for thousands of people. The development of the choir from 30 students has been an interesting and inspirational process of growth, both in numbers and in purely artistic achievement. The present organization includes 50 carefully chosen voices.

Several periods in musical literature will be presented in the concert. A special phase of the program this year will be the Alma College Singers, a group of ten selected singers.

Following is the program: "Faniafa for Christmas Day," Martin Shaw, "How Brightly Shines the Morning Star," Philip Nicolai, "In Dulci Jubilo," 14th Century-arr., F. Melius Christensen, O How Shall I Receive Thee from the Advent Motet, "G. Schieck, 'A Babe Is Born,' 15th Century-arr., Don Main, "Jesu Bambino," Pietro Yon, "A Levee Rose Is Spung," Kenneth Hjelmervik, "The Carol of the Birds," John Jacob Niles, "Baby Sleeping in a Manger," Robert MacGimsey, "Patapan" arr. Wilson, Burgundian Carol.

"Prelude and Fugue in G Major," J. S. Bach, "Mid-Winter," Gustav Holst, "Good News from Heaven," arr. Tkach, Russian Christmas Carol, "Lullaby on Christmas Eve," F. Melius Christensen, "Listen Lordlings," 16th Century, "Song of Mary," C. A. Fischer and Albert Kranz, "Stans Lead Us Ever On," arr. Harvey Gaul, Sioux Tribal Carol, "The Twelve Days of Christmas," Traditional-arr. Nightengale.

## NHS Pupils Hear Missionary Monday

Northville High school pupils Monday afternoon heard Rev. Gilford Casselman, former missionary to the island of Luzon in the Philippines.

Rev. Casselman, who is a nephew of Mr. and Mrs. Bart Connors of Spring Drive, spent five years working with the natives who originally were head hunters. He established a high school and taught them health habits. Rev. Casselman accompanied his talk with movies.

Carl Zwinick of the local high school science department will spend Thursday in Ann Arbor attending the counseling program sponsored by Michigan Testing Service.

## Recreation Board Asks Optimist Club Assistance

The Boys club basketball program set up by Recreation Director Wilson Funk was approved at the Sunday meeting of the Village Recreation board. At the same time a reorganizational meeting of the high school Photo club was designated for Friday, December 7, at 7:00 p.m. at the Village hall.

Funk also states that adult supervisors and instructors are needed for the Photo club.

A letter directed to George Zerb, president of the Village Optimist club, was approved for outlining the program for the boys of the community which needs assistance. In the projects given for consideration by the Optimist's Boys Work committee, most of the activities required little money but do demand man hours, said Funk.

Of immediate importance is the assistance required for the Christmas Week program in which 384 boys will take part. Seventeen basketball teams for play on Wednesday, December 26 from Friday from 9:00 a.m. to 2:00 p.m. on Saturday the 29th from 9:00 a.m. to noon, have been organized by the director. Though the Northville Board of Education will furnish the gymnasium, heat, lights and the equipment, and the lockerman and janitor fees will be paid by the Recreation committee. The coaches fee has not been taken care of.

Funk reports that the Optimist club has been asked to continue their ice skate exchange for the third season. During this time over 100 children have been fitted. The club has been asked to add sleds and skis to the exchange.

Man hours are also needed to build and maintain an ice pond for smaller children and a downhill slide from Horton street to the Ford Field.

At a meeting of the Optimist Boys committee these three projects were voted assistance. The entire request was read before the club at their Wednesday evening meeting. Members of the Boys Work committee, William Milne, Robert Coolman, Robert Shafer and George Zerb, met with Funk Monday evening.

Transportation for recreation events away from home, such as roller skating at Riverside Arena, is needed. Men are needed to cover two nights of basketball at the local gym, and one man for Sunday afternoon Boys club during December, January and February with hours from 2:00 to 5:00 p.m.

The Recreation committee would also like to organize a Youth Dog Training class with free instruction but funds to cover the instructors' fee have not been found, commented Funk. Mrs. Mary Larson of Plymouth, an instructor for the Southern Michigan Dog Obedience Training

club in this area, is available to assist the class.

A Christmas party for the Junior Police will be held in the high school gymnasium on Saturday, December 22 and dances throughout the holiday season are being planned at the Youth Center.

## Rural-Urban Night Planned by Rotary

The Northville Rotary club will hold their annual Rural-Urban night Tuesday, December 11 at the First Presbyterian church. Rev. Robert M. Fiehse, new Detroit Round Table executive secretary, will be the main speaker at the banquet which convenes at 6:45 p.m. Rev. Fiehse, formerly minister of the North Woodward Congregational church, holds a master's degree in sociology, is president of the Detroit Council of Social Agencies and vice president of the Detroit Council of Churches. The Detroit Round Table is made up of distinguished men of the Catholic, Protestant and Jewish faiths who make brotherhood their goal.

Charles F. Carrington, Rotary president, will welcome the group and Mrs. Eleanor Peeke, grade school music teacher, will sing several selections. Russell H. Amerman will serve as toastmaster.

Members of the rural-urban committee of the Rotary club who planned the program are Roy M. Terrill, chairman, assisted by J. Martin Miller, James J. Bummel, Clyde T. Dethloff, John A. Boyce and Wilbert J. Petz.

## School District Changes Favored

The Wayne County Board of Education met with the Plymouth, Livonia and Northville school boards last Wednesday and approved the annexation of two small parcels of property from the Northville school district to the Livonia and Plymouth districts.

Plymouth school district was allowed to annex the southerly portion of the former Waterford district from Northville. The change involves about 25 families.

The Livonia school board was allowed to annex two small parcels from the former Hinman school district which was made up of parts of Livonia and Northville township. At present five children attend the Livonia schools from this district.

Miss Bertha Brown of Plymouth was a weekend guest of Erylene Patterson of Cady street.

## Civilian Defense Head

PHILIP R. OGILVIE

## Ogilvie Appointed Defense Chairman

Philip R. Ogilvie, local attorney, was named Northville defense chairman by the Village Commission Monday evening. He succeeds Forrest L. Doren who resigned because he expects to spend much of his time in the near future away from the Village.

Soon after January 1, 1952, the Wayne County Road Commission is going to install two stop lights at the Main and Hutton streets intersection. The lights will hold for three minutes and will change with the Main and Center street lights.

The Council voted to donate \$100 to be used in decorating the Village streets for the coming holiday season. Street Commissioner Bud Hartner reported that the parking lot being made on the former Blackburn property on East Main street was ready for gravel and the installation of a street light.

Village Attorney James E. Little reported that Northville must file with the State information on local streets so that it may receive its just share of the highway tax fund. The state legislature in 1951 passed the Dykstra Act, he explained, whereby every town and village must supply the State with a map showing, federal, state county and local streets. Major streets must be designated along with mileage figures. The Council instructed Little to engage a civil engineer to secure the necessary information.

The Police Chief, Joseph Denton, was instructed by the Council to bring to the next meeting a report recommending certain measures which he feels will curb the current wave of breaking and enterings in local business places. He was also asked to compile a six months expense account for the scout car.

## Council, Retail Merchants Meet to Talk Over Parking Snarl

A committee of the Retail Merchants Association headed by Roy Stone met with the Village Commission Tuesday evening in an effort to iron out the snarled alley and off street parking problem which confronts the Village.

Thomas R. Carrington of the Northville Planning Commission, instigators of the project, spoke briefly to the group on the critical need for planned off street parking for Northville which will pay dividends to both merchants and shoppers.

Carrington cited the tremendous metropolitan growth in western Wayne county and said, "Despite itself, Northville of its own accord will note its share of that growth, too." We must accommodate shoppers with off-street parking now, he stressed, if Northville is to prosper and grow in an orderly fashion.

**Seniors To Give "January Thaw"**  
The scenes from "January Thaw," the senior play which will be produced December 13 and 14 at the high school auditorium, will take place on a stage representing an old Connecticut home estimated as 125 years old. The present tenants of the house, the Cages, have remodeled the home but upon the return of the former owners, changes take place.

Mrs. Virginia Black, art teacher in the local schools, has helped the stage crew create the effect of an early colonial home. On the crew are Seniors Per Iversen, Eugene Bongiovanni, Jack Oddy, Jim Goodale, Gay Dueron, Mary Jean Woodruff, Gail Matzen, Charles Carr and Bob Heard.

Miss Florence Panattoni, dramatics teacher, has coached a double cast for the weekend performances with the leads being played by Cece Bloom, Janice Smith, Charles Ely and Dick Sands.

The public is invited to the 8:00 p.m. production next Thursday and Friday.

## CIO, Club To Give Christmas Party

The annual Christmas party for the children of the community will be held Friday afternoon, December 21. This year the activities are being jointly sponsored by the Northville Optimist club and the Recreation committee of Local 896, C.I.O.

Arrangements are made so that the children will meet at the Northville High school at 2:00 o'clock as they leave their classes for the Christmas vacation. Santa Claus will personally escort all to the Northville Theatre for a show and treat.

## Two Juveniles Take Auto from Petz Bros.

Two cars were stolen Sunday and Monday night from the G. E. Miller and Petz Brothers used car lots.

Two Northville juvenile boys, 12 and 14 years of age, took a 1941 Buick club coupe Monday evening from the Petz Brothers lot on Plymouth avenue. While traveling on Sheldon road at an excessive speed, the car turned over twice, and is a total loss. The boys were apprehended by the Northville police department though their names are withheld because of their age.

George E. Miller reports that Sunday evening a 1950 Chevrolet Bel Air was stolen from his parking lot on Hutton street. At this writing, no clues have been found as to the whereabouts of the car, which bore an Indiana license plate.

The Northville Retail Merchants will meet Monday, December 10 at 8:00 p.m. at the Veterans' Memorial hall.

Miss Ruth Knapp, school nurse, has on display her collection of Madonnas in the show case in the lower hall of the Grade school. Villagers are invited to stop by and inspect her collection.

## Program Inaugurated in Summer

Early last summer the Council undertook to improve the business off-street parking area because Northville's business section has no suitable alleyways where trailer trucks can make deliveries. Thus, they must unload on Main street congesting traffic. And believing that customers will shop where parking space is available, the Council felt that the merchants will lose business unless a permanent off-street parking lot is made available to them.

The Council accordingly made plans for an alleyway and parking space for 80 cars to be placed in the rear of the business properties on the south side of East Main street. They purchased the Blackburn property in conjunction with the First Presbyterian church, for \$16,000, had the Blackburns move their home off

## Blood Donor Cards Ready at Forneys

Pledge cards for Villagers planning to donate blood during the second community sponsored drive on January 18 are now available at the Forney Coal office on Main street, said Dr. Hugh Godfrey, and Philip Ogilvie, co-chairman of the drive. On these cards, donors may designate the hour they wish to appear at the bank which will be located at the Methodist church house.

Though the Village gave well over the average amount for a town of this population in the drive last March, the Korean crisis has depleted the supply of blood in this area to a dangerously low point, said James Blair, Detroit Red Cross out-county representative. The committee is hoping for well-over 400 pledges which will guarantee about 200 pints of blood. In the March drive, Northvillites gave 140 pints of blood.

Since many donors were lost during the last drive because the Detroit doctor was detained, a local doctor will be standing by to see that the bank starts at the designated time which is 2:00 p.m. The Red Cross unit will be in the Village for a 6-hour period with a dinner break when the American Legion Auxiliary of Lloyd H. Green Post 147, will serve a free meal to the staff. The blood bank will close at 8:00 p.m.

A donation of \$5.00 has been asked of each organization represented at the organizational meeting to help defray expenses. Representatives attending were as follows: Mrs. William Forney, Red Cross; Miss Ruth Knapp, school and BPW; Mrs. Donald Severance, Legion Auxiliary; Lynn Sullivan Rotary; Lew Stewart, Optimist; Paul Burnham, Legion; Dr. Godfrey, Exchange; Mrs. Louise Cansfield, Woman's club and Charles Carrington. This group plans to meet again Monday, December 17, to check the number of pledge cards turned in.

## CASTERLINES FINISH REMODELING OF FUNERAL HOME

During the fall and early winter months, the Casterline Funeral Home on West Dunlap street has been completely remodeled, increasing the seating capacity in their chapel to nearly 350 and affording more efficient service to its patrons.

Owner and funeral director, Ray J. Casterline, stated that the addition of the car-port and double-door entrance to the chapel, allows the removal of the casket

directly to the hearse in the side driveway, as well as allowing additional space for parking in front of the home. Within the chapel, the appearance has been modernized by lightening the walls to a soft gray with off-white woodwork and indirect light fixtures. New draperies of dark green accent the room which has been rearranged with new furniture. A new Stark electric organ is being

installed this week, said Mr. Casterline. A curtained alcove in the chapel has been arranged for the casket and the 12 by 12 foot addition allows for seating 100 more people. As requested, the other arches in the home can be opened or closed by draperies, Fred Casterline, funeral director and son of the owner, said. A new sound-proof ceiling guarantees a quieter atmosphere throughout the funeral home.

# Do Your Christmas Shopping Early in Northville!

Rolling Down  
The River

by the PETZ BROS.

Just the other day a fellow drove into this Studebaker emporium of ours and cheerfully announced that an old uncle of his had just died. So when we asked how come he was so cheerful, he said it was because of his Aunt, who was taking the whole affair in such a grand manner. "As a matter of fact," he alleges, "when I went to console the old lady, she says, 'cheer up honey, I've been fighting that man for over forty years, and today, from the mouth of the minister himself, I heard the first good word ever spoken about that uncle of yours.'"

Well, so much for that, and what with new taxes and all, it's about time we did something that will help pay off all these bills that are lying around and about. Such as selling you a new Studebaker for instance, with the wonderful economical V-8 engine. It's a thriller of a car, lots of power, lots of beauty and lots of comfort. Just how much, you drive it yourself... come in for a demonstration.

With things the way they are now days, about the only thing more certain than death is taxes... especially with congress on the job. We hope those fellows get tired pretty soon and go home for a nice long Christmas vacation, until we can catch our breath again. Oh well, that's the way things are and like the fellow says, it's best to marry a homey girl... she might want to make a lot of trouble... but doesn't have the means

With so much winter at hand, we hope that your car is fully protected against any kind of weather. Winter winter lubricants for all moving parts: winter oil for the motor. These mechanics of ours are highly expert too, in providing a motor adjustment and tune-up that will assure you of an ever starting car all winter long. Take care of it... after all it's your car and your comfort.

That's that, but someone was telling us that the man in the moon is sporting a black eye these days. That's simply because he forgot to duck the last time they raised the price on a hunk of prime porter-house steak.

Yours,

BILL and WILL PETZ.

Saturday, December 6, 7 and 8 is "Passage West," starring John Payne, Dennis O'Keefe and Arleen Whelan. Set in 1853, the movie deals with the terror ridden journey of a group of religious pioneers whose wagon train is commanded at gun point by a desperate gang of escaped convicts. Dennis O'Keefe is the preacher, Arleen Whelan his fiancée and John Payne plays the role of the convict leader.

The delightful comedy, "Behave Yourself" with Farley Granger and curvaceous Shelley Winters is slated to run Sunday and Monday, December 9 and 10. The story evolves around a newlywed

couple who become entangled in a series of gangster killings when a stray dog comes into their lives. The comedy is kept at high pitch with a series of highly amusing incidents, odd characterizations and clever dialogue. The movie is fine for the whole family.

The family night offering for Wednesday, December 12 is "Her First Romance" and "Night Riders of Montana." Starring Margaret O'Brien and Jimmy Hunt, "Her First Romance" is a light-weight comedy-drama of adolescent romance. It evolves around a school girl who becomes attracted to a new boy at school, and the complications arising when another girl vies for his affection. The other film, "Night Riders of Montana" stars Rocky Lane in a typical western following the usual pattern of gun totin' and fistfuffs.

Richard Derr and Barbara Rush star in "When Worlds Collide" coming Thursday, Friday and Saturday, December 13, 14 and 15. Photographed in technicolor, this is the latest in the current cycle of science-fiction films, showing tidal waves rushing through New York City and space ships cavorting to another planet. The ending is a bit incongruous and there has been some romantic interest placed in the plot. The picture is suitable for the whole family.

## Winter's Official Arrival Scheduled for December 22

Everybody in the northern hemisphere will have an extra guest for Christmas this year.

Old Man Winter is due to make his official arrival at 11:01 a.m. Saturday, December 22, just in time for the week-end festivities in advance of Christmas Day.

The schedule for winter, as announced by Hazel M. Losh, assistant professor of astronomy at the University of Michigan, makes December 22 our shortest day since the sun will have reached its lowest point in the southern sky and will begin its trip northward.

While it is winter in the north-  
ern hemisphere, it's the start of  
the summer season in the south-  
ern hemisphere. Professor Losh  
explains that the earth's north  
pole is now tipped away from  
the sun while the south pole is  
tipped twenty-three and one-half  
degrees toward the sun, thus ac-

counting for the different seasons  
at opposite ends of the pole.  
"The northern inhabitants ben-  
efit from the fact that at this  
time of the year the earth is  
about one and one-half million  
miles closer to the sun than av-  
erage," Professor Losh says. "Al-  
so at this time of year the earth  
is moving a little faster in its or-  
bit thus tending to shorten our  
winter season. The interval from  
the time the sun passes the equa-  
tor heading north in March to  
the September equinox when the  
sun is heading south is about six  
days longer than the time when  
the September to the March equi-  
nox."

### Music School Events Are Free of Charge

The School of Music, University of Michigan, offers to citizens free of charge several musical events in December.

Tuesday, December 11 at 8:30 p.m. the Stanley Quartet will be heard in recital at the Rackham Lecture hall. Thursday, December 13 at 8:30 p.m. the University choir, Maynard Klein, conductor, will be heard in concert at Hill auditorium. December 14, Alice Sano, violinist, will present a recital at the Lydia Mendelssohn theater. Marilyn Krimm, soprano, will sing Sunday, December 16 at 8:30 p.m. in the same theater.

Cellist Jerome Jelinek will perform Monday, December 17 at the Lydia Mendelssohn Theater, with Corrine Brown, violinist, playing there on December 18. Under the direction of Oliver Edel, the string quartet class will perform December 20 at 8:30 p.m. in the Rackham Assembly hall.

Turkey will be a better flavor and certainly it will have a better texture if it is roasted at a temperature of not more than 275 degrees. Experienced home-makers know that is a very moderate heat. But that's the secret of the juicy, delicious turkey, say home economists at Michigan State college.

## Should Northville Incorporate As A City?

(Continued from page 1)

alized. The collection of school and county taxes in the winter is a job of virtually identical size as that of collecting city taxes in July and probably could be handled by the present treasurer's office without material increased cost.

### 3. CONDUCTING CITY, STATE AND NATIONAL ELECTIONS.

This legally required duty embodies two separate functions. First, providing for and maintaining registration records and, second, providing voting facilities and conducting elections.

At present, in Northville, the village maintains a registration record of all residents entitled to vote on village issues only. The township maintains separate registration records of all village residents entitled to vote for township, county, state and national elections. As in the case of assessment rolls, these registration records are maintained in separate offices. A village resident in order to vote on village issues and also on township, county, state and national issues must be registered in both the village and the township. Voting regularly in either township or village elections does not satisfy the registration requirements for any governmental unit other than the unit conducting the election. In other words, a voter might vote regularly on village issues but fail to vote regularly on township, county, state or national issues, and, if he failed to maintain his registration record in the township, he would find himself without the right to vote therein. In city government, one registration only with the city clerk is all that is required and such registration may be kept active for all purposes, city, township, county, state and national, by voting in any election at least once every four years.

The principal effect of changing from a village to a city in this particular instance is that the voter is saved considerable confusion. Experience has shown that this confusion has resulted in many instances where the voter eligible to vote only in the township or only in the village, as the case might be, found himself disenfranchised in the other.

Incorporating as a city should in no way increase the costs of city government due to the necessity of maintaining registration records for county, state and national elections, because one set of registration records would serve all city purposes and, likewise, county, state and national purposes. Whatever present cost there is to maintaining township registration records of village residents would thereby be eliminated.

The new city would of necessity assume the burden of conducting county, state and national elections. The primary additional cost of such a burden would be the publication of election notices and the salaries of election officials on election day. Paper ballots are furnished by the county clerk. The village residents at the present time are paying their proportionate share of the publication of election notices and the salaries of election officials through their present township taxes.

### 4. FURNISHING A DISTRICT FOR SENDING SUPERVISORS TO THE COUNTY BOARD OF SUPERVISORS.

The governing board for county affairs is the county board of supervisors. Each county board of supervisors is made up of individual supervisors appointed or elected from the primary basic units of government within the county, namely, cities and townships. Villages, as such, not being a primary basic unit of government, are not entitled to their own representation upon the county board of supervisors except insofar as they receive representation through being a part of the township within which they are located. Each township is entitled to one supervisor upon the county board of supervisors. Cities, however, are entitled to representation upon the county board of supervisors upon a population basis. In Wayne County a special provision in the law permits cities to have one supervisor upon the county board of supervisors for each 12,500 population or fraction thereof. This is a special provision of the law applicable primarily to Wayne County because of the large percentage of city representation upon the county board of supervisors occasioned by the great concentration of population within the city limits of Detroit and is an effort to equalize the city representation and the rural representation.

The law, likewise, provides that where a city is located in two counties, representation is permitted on both county boards of supervisors.

If the Village of Northville were a city it would be entitled to one supervisor upon the Wayne County Board of Supervisors and to one supervisor upon the Oakland County Board of Supervisors. This is because the present corporate limits of Northville, if maintained as the corporate limits of a new city, include areas in both Wayne and Oakland County. To qualify as a supervisor, a person must reside within the area represented.

As far as any additional cost to a city occasioned by its representation on the county board of supervisors is concerned, city supervisors are not paid by the city government. Such city supervisors receive from the county a nominal per meeting payment and mileage allowance for their work on the board of supervisors. A city charter can provide for a city supervisor who is not an official of the city or it can provide for a certain city official to serve as supervisor. The percentage of the cost of the township supervisor's salary, which is chargeable to the residents of the village through their township tax burden, is saved when their village changes to a city.

### 5. PROVIDING A PRIMARY JUDICIAL SYSTEM.

The final legally required duty of all primary basic units of government is that of providing a primary judicial system. The primary judicial system in Michigan is the justice court and, therefore, the justices of the peace who are now entitled to hold court in the Village of Northville are township and not village officials. This is because the village is not a primary basic unit of government. If Northville should incorporate as a city, it would then become a primary basic unit of the government and, as such, would be required to provide the residents with a justice court system.

Such a system can be provided in one of two ways. First, it could be provided by a fee-paid municipal justice elected by the residents of a city and who would conduct a court substantially the same as that now conducted by the township justice. The only effect of such a change would be that the city justice would have sole jurisdiction in the city as compared to a township justice having jurisdiction both in the township and in the village. An alternative method is to provide for a salaried municipal justice in place of a fee-paid one. Whether the justice was salaried or fee-paid must be decided by the charter commission which draws up the new city charter. Certain advantages of a salaried city court will be discussed in a subsequent article.

As to the cost of a city judicial system, if the justice is fee-paid there would be no cost to the city taxpayers. His compensation would be paid by the litigants in his court and the city would receive the fines for violations of city ordinances the same as the village now receives the fines for the violations of village ordinances. Some city charters provide that all court fees go to the city and that the justice be paid a salary no greater than the average annual amount of these fees. In such case, there is no cost to the city taxpayers. If the city charter provided for an established salary for the justice at a figure intended to attract men trained in the law, it is possible that there would be an additional cost to the city government unless the amount of business conducted by the court produced enough revenue to meet the entire expense. In any event, a city court would be a definite part of the city government and subject to the same control and accountability as other city departments.

The next article will deal with the problem of providing such local services as are now being provided by the township, if any, and the financial and general effects of separation from the township should Northville incorporate as a city.

## Extension Women Make Covers for Library Furniture

If anyone ever reminds Walter H. Kaiser, Wayne county librarian, that you can never tell what a group of women will do he will agree; but respectfully. Then he will take you right over to the Northville library to prove his point.

Here's why. In Wayne county the home demonstration club women recently learned how to make slipcovers for their furniture. In their own homes they soon observed the improvement in color and cheer for a modest outlay of cash and their own labor. Their families approved generously.

So they decided to extend their efforts to the community library by making attractive slipcovers for the furniture there. For this public-spirited contribution of materials and labor the women are receiving many expressions of appreciation, says Miss Emma DuBord, Wayne county home demonstration agent. She started this whole idea of face-lifting for old furniture with her training schools for project leaders in home demonstration work. These volunteer leaders are busy passing on the information to other club members, too.

Home economics extension groups are active in all counties of Michigan. They are supervised by home demonstration agents, who are local representatives of the Michigan State College Co-operative Extension Service.

## MSC Students Close Fall Term Dec. 11

More than 13,000 Michigan State college students will close their books for the fall term December 11, and prepare for a Christmas holiday of two weeks. Registration for the winter term will be held January 2-4.

and classes will resume Monday, January 7. Classes will end on March 21 for the winter term.

If you get too much bluing in a garment on washday, you can remove most of it by soaking the article in a gallon of water to which two or three spoonfuls of vinegar have been added.

## OBITUARY

MRS. LULU BOWER

Funeral services were held from the Casteline Funeral Home on Friday, November 30 at 2 p.m. for Lulu May Bower who died November 28 at her home in Plymouth. Mrs. Bower, 59, was born to the late George and Francis Dandison of Novi on December 31, 1891.

For the past 20 years she has lived in Plymouth where her husband, George, survives as well as a daughter, Mrs. Robert Schultz of Plymouth. Two brothers, Joseph, and Lucian, and a sister, Mrs. William Mans of Novi also survive.

Rev. William Johnson, minister of the Northville First Methodist church, officiated with burial following at Riverside cemetery, Plymouth.

## IN MEMORIAM

In loving memory of our dear father and grandfather, Louis Muehart, who passed away four years ago, November 18. Calm and peaceful he lies sleeping. Sweetest rest has followed pain. We who loved him, sadly miss him, But in heaven we'll meet again. Sadly missed by his family and grandchildren. 27

Home sewing is one way to assemble many inexpensive gifts for Christmas. Dresses, smocks, sport shirts and aprons are popular but that isn't the end of the list by any means. Why not an ironing board cover? Or a gardening apron with huge pockets? Or a few pot holders which will protect the hands—not the thin, delicate ones which are more delicate than useful.

Program planning by Mrs. Ed C. Welch, Monday, December 10:  
Pre-school nursery, Mon., Wed. and Friday mornings.

3:45 p.m., Brownie Scouts. Mrs. Ken Rathbun, leader.  
6:30 p.m. Supper meeting of the Men's club. Roy Cabbage will speak on "The Meaning of the Pretzel." Election of officers Tuesday, December 11:

## Need for Blood Heard by Deanery

"Southwestern Deanery," National Council of Catholic Women held their third quarterly meeting on Sunday, December 2 at Our Lady of Good Counsel's new auditorium, Plymouth. Mrs. E. J. Willis, president, opened the meeting.

She presented the following clergy to the large assembly: Rt. Rev. Mesgr. G. Warren Peek; Rev. Father William P. Mooney, and Rev. Father Edward F. O'Grady. Rt. Rev. Mesgr. Edward J. Hickley, guest speaker, stressed the conditions in Korea and the greatest need was for blood. The Deanery has been responsible for many shipments since September, along with hundreds of pounds of clothing and food, but more is needed all the time, and all parishes are contributing for the Christmas shipments that leaves immediately, said Mrs. Willis. Closing the meeting, Msgr. Peek read the prayer for world peace.

## Jehovah Witnesses Plan Convention

More than 1,300 ministers and their friends will convene in Ann Arbor this weekend when the semi-annual Circuit Assembly of Michigan Circuit No. 2 of Jehovah's Witnesses gets underway Friday through Sunday, December 7 to 9 at the Masonic Temple. The delegates, representing 22 congregations from 20 southeastern Michigan cities, will discuss with C. W. Barber, district minister from Brooklyn, New York, organizational problems and will receive instruction in doctrinal matters.

Commenting on the purpose of this gathering, L. Rockwell, circuit minister from Pontiac said: "In these times of uncertainty when all efforts of men to unite in peace seem to meet with failure, heartwarming and cheering is the peaceful fellowship gained by associating together because of a common love of God and neighbor. Circuit court assemblies of Jehovah's Witnesses provide excellent times for such association." He stressed that all meetings are free and are open to the public.

The three day meet will climax Sunday at 3:00 p.m. when Barber will lecture on "Security In A Troubled World." Convention officials estimate that attendance will exceed 1,600 at that time.

The best things in life are free. But then, unfortunately, all hell breaks loose and what seemed to be free becomes a major headache.

MRS. JAMES H. MURRAY

## Joanne Gellner, J. Murray Repeat Marriage Vows

Joanne M. Gellner and James H. Murray spoke their marriage vows before Dr. Harold F. Fredsell at an 8:00 p.m. ceremony Friday, November 30 at the Northville First Presbyterian church. Joanne is the daughter of the Joseph Gellners of Carpenter street and James is the son of the Harold Murrays of East Six Mile road.

The traditional wedding march was played by Organist Mrs. Gerald V. Harrison. She also accompanied William G. Williams who sang "O, Perfect Love" and "The Lord's Prayer." For the candlelight service, the church was decorated with white mums and palms.

Joanne chose a white satin and lace gown of Colonial styling for her bridal gown. Maid of honor, Lois Sutton, wore an orchid ballerina length gown fashioned with a lace berthna over the shoulder. Luree Westfall and Margaret Murray served as bridesmaids. They wore identical

gowns of pale green and orchid, respectively. Their Juliette caps were trimmed with flowers to match their bouquets.

Nagel Poesta of Plymouth was best man while Bob Murray and Billy Weeks acted as ushers.

The bride's mother, Mrs. Gellner, chose a beige dress trimmed with black and Mrs. Murray wore a gown of slate grey with winter-white accessories.

At the reception which followed at Newburg hall on Newburg road, Plymouth, the guests were served a buffet lunch. Mrs. Nellie Kellner assisted. A five-piece orchestra furnished the music for the dancing which followed.

Following a week's wedding trip to Washington, D. C., the couple will reside with the bride's parents on Carpenter street until their new home is completed. Both young people are graduates of Northville High school and James also attended the University of Michigan.

## Scouts Receive 140 Awards

At the Court of Awards last night at the Veterans' Memorial hall, the three groups of Girl Scouts composing Troop 8 displayed the work of their drama section, weaving, and cooking groups. Fourteen Scouts were awarded First Class badges while a total of nearly 140 badges were given out during the evening, said Mrs. Alex Lawrence leader.

The families of the girls were their guests at a pot luck dinner which preceded the awarding of the honors and the marionette show. Mrs. Joseph Page and Mrs. H. Hilger, co-leaders of the troop, assisted Mrs. Lawrence and the troop.

The Scouts which comprise the sewing section, had on display hand-made looms as well as an afghan which the entire troop had made and the sewers put together. The Scouts will send the afghan to the Veterans' hospital in Lodge, Wisconsin in time for Christmas. Those working on nutrition badges will have posters and displays of their work at the hall. During the evening the third group showed their handicraft by presenting a marionette show entitled "The Frog Prince." Mrs. Virginia Staikweather of Dearborn has helped the girls make their puppets and has taught them to work the dolls. George Bowland constructed the miniature theatre used in the presentation of the show.

The girls who were presented with First Class Scout badges were: Martha Bloom, Marjorie Bowland, Sally Hilger, Janice Howarth, Nancy Ann Lawrence, Cynthia Mellen, Penny Niece, Jay Page, Lucille Pullen, Linda Smith, Barbara Weiss, Dorothy Welch, Nancy Williams and Rose Marie Willis.

## Auxiliary Plans Holiday Open House

A Christmas open house and tea is planned by the American Legion Auxiliary, Lloyd H. Green Post 147, on Sunday, December 16. The Veterans' Memorial building will be opened from 2:00 to 3:30 p.m. Mrs. Blair Claypool and Mrs. Robin Cory head the Auxiliary committee.

The Girl Scouts of Troop 9 will assist with the program which will consist of Christmas music and informal entertainment.

The special guests, Gold Star Mothers and charter members of the Auxiliary will be honored. The public is welcome to visit the Veterans' building for the Christmas affair.

## Thursday Shower Fetes Mrs. McElravy

Mrs. David McElravy (Shirley Hodge) of West Seven Mile road was the honored guest at a shower given Thursday evening at the Hodge home on East Dunlap street. Co-hostesses for the event were Mrs. Gene Garner of Garfield road and Mrs. Otto Schoch of Yerkes street.

In attendance at the party were Eileen Schoch, Mrs. Dewey Ketter, Mrs. George Dixon, Mrs. Gene Keller, Mrs. Claude Ely, Mrs. Dawn Holcomb, Mrs. Harold Tuck, Mrs. Charles Freydl, Mrs. Frank Stanford, Mrs. Doris Wick, Mrs. Robert Black, Mrs. Fred Casterline, Mrs. Paul Rebitzke, Mrs. Oscar Hammond, Mrs. Oren Valley, Mrs. Halvey Hodge, Mrs. Frank Hodge, Lillian Hodge and Joanne Tuck all of Northville, Mrs. Harley Hooker and Mary Ann Kubie of Farmington; Jerry West of Plymouth, and Mrs. Halcy Dyer and Mrs. Walter Melchert of New Hudson.

Wilson Funk, recreation director, reports that Villagers who have contributed to the Youth Center this week are Richard Somers of Grace street who gave some dishes and magazines from the Joe Litsenbergers.

## Baptists Welcome Rev. Nieuwkoop

The members of the First Baptist church honored their new pastor, Rev. Peter Nieuwkoop, and his family at a reception last Friday evening at the church. Former pastor of the church, Rev. Walter Ballagh conducted the evening's program.

Words of welcome were given by Mayor Conrad Langfield; Mrs. Biery, president of the Women's Union; Mrs. Stanford, president of the Church Missionary Circle; Mr. Ware Sunday School superintendent, and chairman of the Board of Trustees; Mr. Stiles, chairman of the Deacon board, and the visiting pastors.

Following a response by Rev. Nieuwkoop, Rev. Buraker was introduced as the guest speaker for the evening. Solos were offered by Keith Strichler. Refreshments were served following the meeting.

## Saturday Reception Fetes Newlyweds

Julius Saner, Jr. and his recent bride, the former Marjorie Jones, daughter of Mrs. Anne Wilson of Highland Park, were honored at a reception Saturday. The affair took place at the home of Mr. and Mrs. Julius Saner, Sr., of Powell road, Plymouth.

A three tiered wedding cake made by the bridegroom's mother graced the refreshment table. Games and refreshments were served and the young couple received many gifts. Guests were present from Highland Park, Detroit, St. Clair Shores, Phoenix, Arizona, Farmington, Livonia, Northville and Plymouth.

## Garden Association Invites Scouts to Meeting

The Northville Branch of the Woman's National Farm and Garden Association will meet at the home of Mrs. D. H. Clark at 42150 East Seven Mile road on Monday, December 10 at 12:30 p.m. Members are asked to bring a passing dish and table service. The Girl Scouts of Troop No. 7 will be the guests of the association when Santa makes his appearance. The gifts brought by the members will be judged for their holiday wrappings.

## Rules Class Needs More Applicants

More applicants for the Parliamentary Rule class, sponsored by the Lloyd H. Green, Post 147, American Legion Auxiliary, are needed, states Mrs. Robin Cory, registrar. The class is scheduled to begin January 8 for five consecutive Tuesday afternoons with two hour classes.

If enough requests are received to merit an evening class session, Mrs. Cory said that one will begin Thursday, January 11. A small registration fee will be charged for the sessions.

At the December 11 meeting representatives of the woman's clubs of the Village were guests of the Auxiliary. Each representative was given a copy of the book, "The Key To Peace," by Dean Clarence Manion, which was reviewed during the meeting by Mrs. Wilbur Johnston. The author will be one of the principal speakers at the Mid-Winter conference of the Michigan American Legion Auxiliaries to be held at Lansing December 8 and 9. Many of the local Auxiliary members will be attending the meeting.

A good attendance is asked at

## Mrs. Hutton Wins Pillsbury Contest

Mrs. Charles Hutton, 111 Pontiac Trail, Walled Lake, is one of the five Michigan winners in the third annual Pillsbury Mills' recipe and baking contest. On December 10 the winners will travel to New York for the final baking in a grand finale bake-off in the Waldorf-Astoria ballroom.

The award luncheon to announce the winner in the nationwide contest will be held Tuesday, December 11 in the Starlight Room of the Waldorf.

Mrs. William Coffey of Detroit, Mrs. Fred Peck of Battle Creek, Mrs. W. M. Decker of Lansing and Mrs. Park S. Avery of Grand Rapids were the other Michigan winners who will enter the final bake-off in New York.

The next regular meeting of the unit on December 11 since the December 27 meeting will be limited to a very short business meeting, said Mrs. Charles A. Schoultz, publicity chairman. Auxiliary chairmen are requested to bring summary reports of the first three months of the Auxiliary year to the December 11 meeting.

Son Asks Information of Father, Northville Teacher in 1871-72

The Northville Record has been asked to help in the search for a man named Henry Floyd, who presumably taught in the Northville schools in 1871-72. Russell H. Amerman, superintendent of schools, received recently a letter from Robert L. Floyd of Chicago, asking if the school records had any information about his father.

Since the records have failed to be of any help, Mr. Amerman is asking that if any of the older citizens of this community know of this man or know where information can be acquired to contact him at the Board of Education office.

We quote here some excerpts from the letter which may help to bring out positive information about his life in Northville. "It is more probable that he is remembered for scandals about him that came to light while he was here or were discovered later. To make effective inquiries the investigator should know two stories about him:

Holiday Warning Issued by Denton

Will your home be a house of joy or one of sorrow this Christmas?

If you or some member of your family is in a hospital as the result of a traffic injury, or if an accident in which you are involved has sent someone else to a hospital, Christmas for you will be a hallow day instead of a holiday!

Chief of Police Joseph E. Denton reminded motorists yesterday that Christmas, which lends an added incentive to everyone to avoid tragedy, frequently brings some of the worst driving weather of the year.

In the role of Santa Claus' helper, Chief Denton yesterday advised wise motorists how they can help steer clear of pre-holiday tragedies.

"Driving carefully, of course, is half the battle," he said, "But only half. The safe winter-conditioning of autos and drivers know-how to combat the added hazards of winter is the other half."

Noting that statistics show the millionth person will die sometime this winter as the result of a traffic accident, the chief listed the following pointers.

1. Be sure your lights, windshield wipers, and defrosters are in good condition. Darkness and winter storms come early these days, and if you can't see, you can't drive.

2. Be sure your brakes are equalized and functioning properly.

3. If you have tire chains, be sure they fit your new tires and are ready for use when needed on snow or ice. If you don't have chains better get some. When severe snow or ice conditions prevail good driving habits combined with tire chains are far and away the best safety and no-stall insurance.

Tests last winter on hard-packed snow, Chief Denton said, disclosed that cars equipped with chains had 273 percent greater tractive ability than cars with conventional natural rubber tires not so equipped. The new prevalent cold synthetic rubber tires wear better, stop and go fine on dry or wet pavements, but tests showed they are only about two-thirds as effective as natural rubber tires in tractive efficiency on snow or ice. They require chains on relatively minor grades of hard-packed snow or ice.

In stopping tests, reinforced chains proved to be 39 percent better on hard-packed snow than even natural rubber tires, and 63 percent better on glare ice.

I have a lively hope that you will find something that will help me to find the truth about the matter which has assumed far greater importance to me than can be justified on any sensible basis, writes Robert L. Floyd.

A strip of land 50 feet wide and 975 feet in length in the NW 1/4 of Section 6, T. 1 S., R. 16 E., Redford Township, Wayne County, Michigan, said strip of land extending north from the north line of Norfolk Avenue (formerly Troy) 60 feet wide to the south line of the existing alley 20 feet wide in the rear of the lots fronting on Base Line Road, the west line of said strip of land being 321 feet east of and parallel to the west line of said Section 6 and being more particularly described as the east 20 feet of Lots 10 to 23, both inclusive, and the west 30 feet of Lots 21 to 37, both inclusive, of D. H. Wark's Urban Gardens Colony, a subdivision of part of the aforesaid NW 1/4 of said Section 6 as recorded in Liber 55 of Plats on Page 72, Wayne County Records; the above described parcel of land to be known as Glenmore Avenue, being in all 0.185 mile of county road.

The motion was supported by Commissioner Wilson, and carried by the following vote: Ayes, Commissioners Wilson and O'Brien, Nays, None.

This notice is given under and by virtue of Public Act 282 of the Public Acts of 1909, as amended.

In testimony whereof, I have hereunto set my hand at Detroit, Michigan, this 15th day of November, A.D. 1951.

NEWS  
and  
COMMENT  
FROM  
CONGRESSMAN  
**GEORGE A. DONDERO**

This week I ran upon an interesting and quite horrifying time-table of the garbled developments since the first announcement was made in Korean war atrocities. It served to highlight the bungling and confusion in the handling of this matter which becomes more incredible day by day. Here is the time-table:

November 14—Colonel James M. Hanley, of the Eighth Army, gave to the American Press an estimate that 5,500 American prisoners of war had been slaughtered, mostly by the Chinese Communists.

November 16—Colonel Hanley revised his estimate upward to 6,270 including American war prisoners slain by the North Koreans.

November 17—General Ridgway expressed "utmost regret" over the release of the Hanley report saying that it had been "poorly timed."

November 20—General Ridgway acknowledged that the number of atrocity deaths might "approximate" 6,000 but said that

only 365 bodies had been recovered, of which 254 had been identified.

November 23—It was revealed that on November 12 General Ridgway had reported to the United Nations that, as of July 20, 1951, approximately 8,000 United States military personnel have been reported killed as war crime victims.

Four different estimates in a little more than a week, and the American people still do not know which is correct. How many of the 12,603 American soldiers listed as missing were included in these estimates? How many, for that matter, of the 16,972 officially listed as dead?

The Department of Defense, it appears, takes the attitude that it knows nothing about General Ridgway's report to the United Nations. These reports, according to the Department, "come through every couple of weeks from Korea. They come through the Joint Chiefs of Staff and the State Department. They come to us classified and are rewritten in declassified form" for the United Nations.

Thus it becomes evident that Communist bestiality is considered "classified" information by the Defense Department and the Joint Chiefs of Staff. As classified information it is kept from the American people, whose sons were slaughtered. But the information is passed on to the United Nations.

Here, according to the best information available, the 8,000 estimate of American soldiers slaughtered in Communist war prisoner camps was buried under such a heap of other United Nations news release that news correspondents missed it. Or was it placed where it would not likely to be found? And for what reason?

Now it is reported from Korea, via the Pentagon, that General Ridgway thinks all the estimates of American war crime victims are grossly exaggerated. It would seem that now the cat is out of the bag an effort is being made to minimize it.

Personally, I do not think the American public is in any mood to put up with juggling of figures to put a better face on the unspeakable Communist war crimes—not for the sake of a dubious truce in Korea, or for any other reason the State or Defense departments may advance. Certainly not for any political reason.

If the Armed Forces of the United States have any intelligence services worthy of the name, there must be some pretty accurate figures somewhere. The American people should be told the truth, and at once. Let the President see that it is done.

Calling your neighbor or friend at mealtime may insure your finding her home, but it may not be the thoughtful, considerate thing to do. Family talk and family relaxation around the table is a precious commodity which should not be interrupted, according to Dorothy Greey, of the home management and child development department, Michigan State college.

**CONSUMERS POWER COMPANY****STATE MENTAL HOSPITAL TO AFFORD COUNTLESS JOB OPPORTUNITIES**

Many job opportunities are available to Villagers interested in securing work at the new Northville State hospital, states Dr. Philip N. Brown, hospital head. Declared to be the most modern mental institution in the world, the first unit built to hold 522 beds will be open on or about March 1, 1952.

All jobs at the mental institu-

tion are under Civil Service. Dr. Brown states that about 168 nurses and hospital attendants and seven physicians besides he and his assistant will be needed to staff the hospital. Needed are scores of receptionists, stenographers, kitchen help, laundry workers, cooks and marking room workers.

Jack Patterson, personnel man-

ager, will interview applicants beginning this week at the temporary office in the powerhouse. After December 15 interviews will be conducted in the hospital. Patterson will also help them file their civil service application forms.

Dr. Brown stated that a patient's library will be established. Needed are thousands of non-

fiction and fiction books to fill the shelves. Anyone willing to donate books is asked to leave his contribution at the Northville Record office. They will be collected and sent to the hospital when it opens. He also explained that volunteer workers will also be needed to operate the institution. Many ladies in the Village will probably want to give their time and energy to hospital work.

**WITH OUR NEIGHBORS**

Farmington—Farmington's annual Goodfellow Christmas paper sales drive will be held Friday and Saturday, December 14 and 15, Judge John J. Schulte, member of the Farmington Exchange club, announced.

South Lyon — The South Lyon Flying club has just completed two years of operation and has elected new club officers for the coming year of 1952.

Farmington — Farmington's 1951 United Fund and Community Chest Drive officially closed last Saturday with a total of \$7,346.97 collected in cash and pledges, according to John Hulett, chairman of the campaign.

South Lyon — It was announced this week that Rex Kunne, owner of the Lyon theatre in South Lyon has purchased the Lee theatre at Whitmore Lake.

Trenton — Another indication of future growth in the Trenton area, in the form of increased electric power facilities for Grosse Ile homes, was realized this week when the Detroit Edison company finished laying a new power cable across the river channel to the island.

Inkster — Members of the Dearborn Township Board at their meeting on November 13 instituted action to alleviate serious unsanitary sewage conditions in three different sections of the township.

Wayne — Chuck "Babe" Templeton, former Wayne high school sports star, signed a contract this week with the Brooklyn Dodgers of the National League.

Plymouth — Walter Goodwin, high school teacher, and director of the Hi-Y, was chosen to direct the local March of Dimes campaign for 1952, according to Neva Lovewell.

Trenton — The Village of Trenton Monday became the last of six down river communities to adopt a uniform traffic ordinance.

Plymouth — Voters in the city of Plymouth will soon be using voting machines to cast their vote in all elections. In a recent City Commission meeting the Commission voted unanimously to accept City Manager Albert Glassford's recommendations to purchase eight voting machines for the city of Plymouth.

Brighton — The towns around Brighton are gay with Christmas decorations, and bright holiday lights are shining forth the spirit of Christmas. Howell, South Lyon, Milford and Ann Arbor are brilliantly adorned.

Why isn't Brighton?  
 Is the Christmas spirit here suffering a blackout?

**Building Limited To Small Structures**

There can be a lot of construction work done in Northville during the next year, but it will consist mostly of smaller buildings, according to Harold Church of the Nowels Lumber and Coal company, local lumber and building materials dealer and member of the Public Affairs committee of the National Retail Lumber Dealers association.

"Larger homes and commercial and industrial buildings cannot be put up without securing permission in Washington unless they are designed to require a minimum of steel and copper, and few permits are being approved," Mr. Church said.

"On the other hand, no permit is needed to build a single-family home if it uses no structural steel and not more than 1,800 pounds of other steel and 35 pounds of copper, or 1,450 pounds of other steel and 100 pounds of copper, not counting fabricated building products, such as heating and plumbing fixtures, whose weights need not be considered.

"In the case of stores, garages, warehouses, and other commercial and institutional buildings, construction can go ahead with-

out a permit if no more than 4,000 pounds of steel and 200 pounds of copper are to be used in any calendar quarter. The same provision applies in the case of farm buildings.

"In other words, the size of a new building, except one intended for amusement or recreational purposes, is limited only by the quantity of critical materials it requires.

Any type of repair and modernization work also can go ahead without special authorization from Washington, provided the

necessary materials are available."

The average passenger riding in a railroad coach now travels approximately 94 miles, and those in parlor and sleeping cars average 398 miles.

Candle-making hobbies have solved Christmas gift problems for some families. The great delight is to be able to present the candle as it burns. If it is pine-scented, its arrival at the door on a dark night is a memory.

**Picture of a man making a smart decision**

HERE is a man who's been doing a lot of thinking.

Someday, he's told himself, I'm going to turn in my old car and get a new one.

And he said, still talking to himself, when I do that I'm going to size up the field—give 'em all a real going over.

You see him here at the wheel of a Buick. He hasn't bought it—yet. It's a demonstrator, and he's trying it out.

But the more he tries it, the more he knows he's been wasting a lot of time.

From the moment he looked inside, he said: Here's the room—and the comfort—and the style I've been looking for.

Then he nudged its Fireball Engine into action. It's a high-compression valve-in-head, as you probably know.

He eased out into traffic. Stopped and started for a couple of traffic lights, and said something to the effect that this Dynaflow Drive\* is a honey. Why don't they all build 'em this way?

He saw a bump ahead. Place where the pavement

had been torn up. Other cars were braking down to a creep to cross it. He held back—rolled right across at regular speed with barely a bobble.

It's hard to believe, he said, but what they say about Buick's ride is right.

Ten minutes later he was out on an open stretch of road. Tried an experimental push on the gas treadle. Boy—what a take-off! You couldn't want more power than that.

Ten minutes more—and he knew something else. You don't really steer a Buick. It just about steers itself. Stays right on the beam on the straightaway. Even straightens itself out after a curve.

To make a long story short—he's found out that nothing else he's tried out can hold a candle—not even a little Christmas candle—to this Bonnie beauty.

Back at the Buick showroom, he's going to get one more surprise. The price of a Buick is a lot less than he'd guessed it would be.

Moral: Smart Buy's Buick—right now.

Mrs. Myrtan Lyke  
Phone Northville 903-J1

The Salem Federated Ladies Aid will enjoy their Christmas party at the home of their president, Mrs. Arthur C. Cramm-Smith, December 13. There will be an exchange of gifts and dinner at noon. All are welcome.

Patry Willmer has come to make her home with Mr. and Mrs. H. Opdycke. Patry attends Northville High school.

Sunday visitors at the George Bennett home were Mr. and Mrs. Kenneth Proctor and son, Don, Mr. and Mrs. Robert Robins of Chelsea, Mr. and Mrs. Walter Bowler and baby, Marilyn, Mr. and Mrs. Howard Shipley of Plymouth and Mr. and Mrs. Ray Clark and sons of Ypsilanti.

Mr. and Mrs. William Esch and daughter, Karen, Mr. and Mrs. Myrtan Lyke and son, Murray, spent Sunday visiting in Toledo.

Mrs. Raymond Lewis, Sr. was pleasantly surprised on her birthday Friday evening by her family. A birthday cake centered the table and she received many lovely gifts.

The 4-H club girl and knitting group meet every Friday after school at the home of their leader, Mrs. Robert Wilson. At their last meeting, Marjorie Clemens gave a demonstration of a simple manicure.

Tuesday, November 27, the Electrical club organized at the home of the leader, Carlton Hardesty. Officers elected were Murray Lyke, president; Charles Bueers, vice president; Charles Raymor, treasurer; David Dahl, program chairman, and Robert Wilson, secretary. President Lyke took over and the issues of meeting dates and dues were decided. We will be known from now on as "The Salem Fuse Blowers."

The Sew and Sew 4-H meeting was held at Mrs. Brickelbaw's home Monday after school with five girls present. The leader, Mrs. Brickelbaw, served the refreshments.

The combined group of 4-H club members held their first monthly party at the Salem Town hall Saturday evening, December 1. Entertainment consisted of games, round and also square dancing. Refreshments were furnished and served by the Handicraft boys. All 4-H club members, their parents, sisters and brothers are cordially invited to these monthly meetings, which will be held the first Saturday of each month at 8:00 p.m. in the Salem Town hall.

Mrs. Charles Hannert entertained the Woman's club in the Walker school district Friday evening.

Children of Ford Atchison will enter four calves in the Detroit 4-H Stock Show Tuesday. Jimmie will enter two and Shirley and Freddie will each enter one. These calves the children are entering weigh from 900 to 1,200 pounds. Judging will be held Wednesday and the calves will be sold Thursday. There are 490 entries in all from all over the state.

## Novi Lodge News

Fourteen members of Lakeside Lodge at Novi attended "Visitation" at Hamburg Tuesday evening of last week. About 100 from several lodges in the area attended the affair.

The Independent Rebekah club met at the hall Wednesday for dinner and afternoon meeting. Hostesses were Irene Kahrl, Lillian Truckey and Irene Staman.

The Degree team will meet at the hall Thursday evening, December 6 for their annual Christmas party. There will be entertainment followed by refreshments. Thelma Cheeseman, Martha Milks and Olga Tuck are the hostesses.

Members of Novi Rebekah Lodge attended the annual district meeting at Ferndale Thursday, November 29. Noble Grand Flossie Eno and her official staff exemplified the granting of a transfer card and reinstatement.

There will be a pot luck family night supper at the hall Thursday, December 13 at 6:30 p.m. The regular meeting of Novi Rebekah Lodge No. 482 will follow the supper. We expect to be privileged to have as our guest, Sister Zetta Timpson, Past Assembly president and present Assembly treasurer.

The Novi Past Noble Grand is looking forward to their annual Christmas dinner Tuesday, December 11 at Rosemond Hills at 12:30 p.m.

# EXCHANGITES HONOR FOOTBALL SQUAD AT BANQUET

Head Coach Al Jones, 1951 Co-Captains Don Maclean and Leon Holman, and Dick Kay congratulating newly-elected Football Captain Al Iversen.

The 1951 Northville High school football squad was honored by the Exchange club at a banquet last Wednesday evening. Mothers of the football players attended as special guests of the club. Athletic Director Harry B. Smith displayed the football trophy which the team shares with Milford, co-winners of the Wayne Oakland League.

Russell Bingley, Exchange program chairman, introduced Orlov Owen who presented Frank Sim, director of sports broadcasting for Dearborn Radio Station WKMH. He explained the various techniques used in covering football or baseball games while they are being played. Several "spot-ter" are necessary in addition to the sports announcer, he said, and each must be thoroughly familiar with all the plays, players' numbers, their backgrounds, referees' signals, rules, etc. In the

re-broadcast of a game, he explained, sound effects are employed to create the desired effect.

Toastmaster Bingley introduced Jack Brotzman of the coaching staff at Michigan State college. Brotzman directed the showing of the Michigan State-Pen State film, and accompanied it with a commentary of the plays.

Head Coach Al Jones congratulated the team and named Leon Holman as the team's choice for the most valuable player of the season. Don Maclean, co-captain, was also cited for his excellent direction of the team during the season. Alfred Iversen, who was elected captain for the 1952 season, represents the first junior to head the team.

Co-captains Holman and Maclean presented Coaches Al Jones and Dick Kay with matching sets of cuff links and tie clasps.

Squad photos were given each member of the team by the Exchange club.

Members of the Northville High school band provided music during the program.

Twenty-six boys, 18 of them seniors, were awarded major letters by Coaches Al Jones and Dick Kay. They were: Kenneth Rowe, Bob Clark, Tom Stanford, Lamar Nalley, Marion Kwasek, Stan Dahlager, Bob Heard, Jim Clark, Denny Curl, Al Iversen, Per Iversen, Howie Meyer, Bob Scheffer, Don Blair, Don Maclean, Leon Holman, Clancy Ely, Tom Mosher, Jerry Freydl, Ron Gussor, Don Johnson, Bill Bingley, Bill Bailey, Bob Burgess, Dick Sands and Bill Gaab.

Allan Maltby, Jerry Freydl and Bruce Felker were awarded minor letters, and numerals went to eighth graders, Norm Somers, Ollie Spencer and Dave Hartner.

# ON CAPITOL HILL NEWS and COMMENT FROM CONGRESSMAN GEORGE A. DONDERO

One gathers from the news reports that the Korean War has now reached a critical stage. The Reds have a fleet of at least 400 jet fighter planes operating in Korea, while the American Air Force is able to muster no more than half that number. The actual number of American planes, of course, is a military secret.

The American Air Force no longer, so the dispatches say, is able to send B-29 bombers on daylight raids, because of insufficient fighter plane protection. At times our planes in the air have been outnumbered five to one. We have lost 15 B-29's, and in at least one air battle American planes shot down numbered twice those lost by the Reds.

General Hoyt S. Vandenberg, Air Force chief, who returned a few days ago from the battle front, has said that our F-86 Sabrejets are no better than the Russian MIG's, that our F-80 Shooting Star jets are obsolete, and that we haven't enough planes of any kind.

Vandenberg has said also that he does not expect more than a trickle of new jet planes to reach the war theater before the first of the year. He evidently blames the situation on the slowness of American plane production. Plane producers blame the Air Force for delays in producing new models for them to manufacture.

Plainly matters have reached a point where this country might lose the vital air supremacy in Korea which has helped to keep the Red ground forces in check. This at a critical moment in the cease-fire negotiations. Something is tragically wrong.

"Since the end of hostilities in World War II, Congress has appropriated over \$20 billion for military airplanes. Most of this has been spent. In 1946, 1947 and 1948, this country spent an average of \$1.5 billion a year. During the fiscal year ending next June 30 we will spend an estimated \$15,250,000,000 for this purpose. Out of every defense dollar currently marked for defense procurement, 48 cents is going for military planes and equipment.

Wherever the fault lies, it is a fault which I believe calls for sweeping Congressional inquiry, and prompt remedial action by the Defense Department and the Office of Defense Mobilization.

Current estimates by Treasury Secretary John W. Snyder and Federal Budget Director Frederick J. Lawton put the prospective government deficit for the fiscal year ending next June 30 at approximately \$8 billion.

As a matter of fact, figures contained in Treasury reports show that the federal government already has spent in this fiscal year nearly \$6 billion more than it has taken in. The fiscal year is only four and one-half months old.

The government officials say there are only two ways of paying the government's bills—to tax or borrow. Congress has refused to give the administration all it wanted in the way of taxes. Therefore it is clear that the administration intends to borrow on a tremendous scale. The borrowing is likely to be inflationary borrowing from banks and insurance companies, rather than from the public, which is cashing in more bonds than it is buying.

Apparently it never occurs to the administration officials that there is another way of avoiding tremendous borrowing as the re-

sult of a tremendous deficit. At least they never mention it. That way is to quit spending too much on largely useless and often politically motivated schemes which have nothing to do with national defense.

If you plan to make peanut brittle for Christmas gifts, try inserting strips of cellophane between the pieces to prevent sticking. The salty flavor of peanut brittle makes it a welcome gift when too many sweets have a way of collecting at holiday time.

## Rock Cagers Defeat Mustangs, Colts

Northville High schools varsity and reserve basketball squads lost to Plymouth High school Tuesday night in games on the Rocks' court.

The Mustangs led 43 to 7 after the Colts had dropped a 55 to 33 decision in the earlier game.

The Mustangs watched their shots fall short and bounce away from the basket again and again as they failed to get the range. Ed Nash accounted for four of the Northville points, getting his team's only two field goals. The first came midway in the third period, the second at the final buzzer. Tom Stanford, Glenn Howard and Charlie Rebitzke added the other three points on free throws.

Plymouth's Dave Finney was high scorer for the night with 19 points on eight field goals and three free throws.

The Colts—Northville's reserve squad—made it a game until the third quarter, when Plymouth lacked 20 points to pull ahead 39 to 24. The Colts led 8 to 6 in the first period and trailed 19 to 15 at halftime. Bob Scheffer led Colt scoring with 11 points. Jerry Kelly paced Plymouth with 15 markers.

## Postage Rates To Increase Jan. 1

Beginning January 1 the increased postage rates on special delivery, registered mail, and postal cards will go into effect, said Leland Smith, Postmaster of the Northville office.

One cent postal cards are usable by the public only until January 1 when all cards including picture cards and private mailing cards will be subject to two cents postage.

Postmaster Smith reports that special delivery fees on all classes of mail, including air mail will be as follows beginning January first:

	2nd, Class 3rd or 4th Class
Up to 2 lbs. ....	\$20 .35
Over 2 lbs. ....	.35 .45
Over 10 lbs. ....	.50 .60

There has been no raise in first class regular or air mail postages, though local residents have been paying a higher fee for parcel post since October 1.

## Scout Swimming Starts Thursday

The Northville Girl Scout swimming program starts tonight, Thursday, December 6. There will be two swimming periods, the first starts at 5:00 and continues until 5:45 p.m., and the second starts at 5:45 and continues until 6:30 p.m.

Over 50 girls have returned their participation sheets, with parental permission blanks. Mrs. Robert Coolman has assumed the responsibility for providing transportation for this project. Girls swimming in the first period will meet at the Scout building at 4:30 p.m. and the second group will meet at 5:15 p.m.

Swimming lists will be posted on the bulletin boards of the Grade and High school. Each girl will bring 25 cents which will be collected by a parent at the Wayne County Training school pool. The girls will be returned to town by the drivers and they will be left at the Scout building where parents will call for the children.

## Foreign Student To Speak Friday

The Northville Woman's club will meet tomorrow afternoon, Friday, December 7 at the Village Library at 2:30 o'clock for their regular program.

Mrs. F. Alden Shaw will introduce Fred H. Lutter, the speaker for the day. Mr. Lutter is a University of Michigan graduate student under the Fulbright scholarship. He brings with him a distinctly cosmopolitan flavor. Mr. Lutter is a native of Holland and he received his law degree from the University of Leyden and he studied economics at the University of Rotterdam.

In 1950 he traveled in many of the main countries in Europe studying their economic conditions. He has appeared on many round table discussions relative to this theme, one of the most recent being "The U. S. Through Foreign Eyes," which was heard over local radio channels.

Tomorrow is guest day and the members are urged to bring two or more guests to hear this talented speaker.

## Men's Club Plan Game Dinner

For the supper meeting of the Presbyterian Men's club on Monday evening, December 10 a game stew dinner will be served. The meat was part of the season's catch of Nelson C. Schrader. It is to be served at 6:30 p.m.

Following a brief meeting and election of officers, the presentation of a humorous but thought provoking talk by Roy Cabbage of Milan entitled, "The Meaning of the Pretzel," will be given.

Plans will be presented by President Robert E. Davis concerning the national meeting of Presbyterian Men at the Palmer House in Chicago, February 1, 2 and 3. Reservations for the dinner meeting can be made by calling Secretary Paul H. Steencken or Vice President William B. Crump.

## Northville Cagers Play Holly Friday

Northville High school's varsity and reserve basketball squads will open the home season Friday night against the Holly quintet at the high school gymnasium.

The Colts will play the Holly reserves at 7:00 p.m., with the Mustang-Holly varsity game following at approximately 8:15.

Holly is a member of the new Wayne-Oakland County league which also includes Northville, Clarenceville, Milford and Clarkston.

## Fifth Graders To Give Bazaar

Miss DeKett's fifth grade is happy to announce that everything concerning the fifth grade bazaar is going as planned.

The bazaar will be held in the grade school lunchroom on December 13 and 14 from 3:30 to 4:30 p.m. and from 7:00 to 8:00 p.m.

Some of the articles on sale will be aprons, canned goods, pot holders, needle work, bake goods, doll clothes and many other useful things. Most of the articles are being furnished by the parents of the children in the room.

This class is planning to fly to Lansing and also visit the Capitol next May.

If you desire entertainment after the bazaar, the senior play, "January Thaw," is going to take place in the high school auditorium.

## Parking Snarl—

(Continued from Front Page) then property at the family's expense, and set about to secure in most cases the 45 feet in the rear of the East Main street business properties.

To date, negotiations have been completed with three property holders for their rear 45 feet of property. The program has bogged down because the remainder of the owners are holding out for various sums or money. The Council feels that because the rear parking will enhance and improve their business frontage and advance their business opportunities that in most cases the property should be deeded over to the Village gratuitously.

**3 Alternatives Face Council**  
The Council is now faced with three alternatives. 1) Abandon the program 2) Begin condemnation proceeding for the properties, and 3) Abandon the off-street parking program but acquire 20 feet to alley purposes.

The Village Council will meet Monday, December 17 at 8:00 p.m. when a decision will be made on the program.

Members of the Retail Merchants Association present to offer their services to the Council in untangling the problem besides Stone were Joe Spagnuolo and L. E. Nider. Businessmen Nelson C. Schrader, Jr. and George L. Clark were interested participants in the discussion.
