

In appreciation of the work that Wilson Funk, Village Recreation director, has done for the Boy Scouts of Troop N-1, the troop presented him with a watch. The presentation was made at the Christmas party given at the Recreation building Thursday night. About 85 Scouts and their parents attended the party. Monroe Weston is the Scoutmaster.

Alumni of the University of Michigan will be interested to know that one of the "shorts" at the Northville Penniman-Alten Theatre last Thursday and Friday evening showed the U. of M. Marching Band. A detailed explanation of the preparation that goes into one 6-minute half-time performance of the musicians was given.

Lloyd H. Green Post No. 147, American Legion, and Aerie No. 2504, Eagles held a party for the children hospitalized at Maybury Sanatorium last Wednesday afternoon. About 100 children were treated to ice cream, fruit and toys. Those children that were able to be moved into the auditorium saw a movie.

Northville, along with most of the Midwest, experienced a mixture of snow, sleet, ice and rain last week. About the only kind of weather that the Village was fortunate in missing was a shower of hailstones. Through it all, Bud Hartner, street superintendent, and his crew worked night and day to keep the thoroughfares passable.

There was music in the air in Northville last week with loud speakers amplifying Christmas carols on the Main street, the organist playing request numbers at the Depositors State Bank and the non-musician organ on display at Schrader's Furniture store. It all helped to give the town that holiday spirit and make last minute shopping more enjoyable.

At the annual presentation of Handel's "Messiah" Sunday evening at the First Presbyterian church, Rev. Harold Fredsell, while explaining to the audience that the free will offering goes to defray the incidental expenses of the performance, told the following true story. Sunday morning, after Rev. Fredsell had commented on giving "your all to Jesus," the ushers passed the collection plate among the congregation. When the plate passed a little tot, three or four years old, he dropped in his "all" which happened to be a roll of lifesavers.

During last week's heavy snow storms, were you in the Village to note the heavy traffic congestion on Main street due to the semi-trucks double parked, trying to unload their merchandise? Besides being a source of irritation to the driver who tries vainly to plot his course around them, this business of double parking is a serious menace to the safety of both the pedestrian and driver. Take hope, one day soon the alley behind the stores on the south side of East Main street will be put through so that the trucks can easily unload in the rear of the business places.

"A record breaking amount of Christmas mail went through the Northville Post Office during the last few weeks," said Leland V. Smith, postmaster. The out-going mail in the post office was delivered before Christmas by making three and four deliveries on the day before Christmas. A Sunday delivery was also made. Patrons are urged by Postmaster Smith to keep their sidewalks and steps cleared of snow and ice. If any carrier injures himself on your front walk, or porch, you are liable for the damage, Smith warned.

The needy in the Village were remembered this Christmas by the Kings Daughters. Seven baskets of food and toys were distributed to the needy and 21 baskets of fruit were taken to shut-ins. The Kings Daughters also sent 80 gifts to the children at University hospital, Ann Arbor.

The Village Hall looks very festive these days. A huge Christmas tree, garnered from Milford, is decorated with strings of lights outside the front door, and welcomes all to the Hall.

The series of articles on "Should Northville Incorporate As A City?" will be resumed after the holidays. We think our readers will have more time to read them after Santa has paid his visit and everyone has made the rounds of open house throughout the community. Watch or them to appear beginning January 10.

## Northville Churches Plan New Year's Services

The churches of the Village will play an important part in the observance of the New Year with Watch Night services and the serving of communion on the eve of December 31. Many of the churches will set aside this Sunday, December 30, for bringing the New Year's message to their congregations.

Rev. Peter Nieuwkoop, new pastor of the First Baptist church of Northville, will emphasize the New Year in his Sunday morning service at 11 a.m. Sunday School will be held as usual at 10 p.m. Masses at Our Lady of Victory parish will be heard on New Year's Day though no evening services will be held.

Rev. E. E. Rossow will conduct the annual Watch Night and Communion service at St. Paul's Lutheran church on New Year's Eve. The service will begin at 8:00 p.m. A regular Sunday morning service will be given December 30.

The Watch Night service at the First Methodist church will consist of the Covenant service of John Wesley and close with a communion service. December 31 service will be held from 11 p.m. to midnight with Rev. William A. Johnson officiating. He will also bring the New Year's Sunday message entitled "I Resolve" on December 30. Also on December 30, the Women's Society of Christian Service will hold an Open House for the high school and college students as well as the servicemen home for the holidays. The affair will be held from 7:00 to 9:30 p.m. at the home of Mrs. Louise Cansfield.

New Year's Sunday, December 30, Holy Communion and the reception of new members will take place in the First Presbyterian church. Dr. Harold F. Fredsell will bring the sermon of the day which is entitled "The Things That Abide." On New Year's Day, Dr. and Mrs. Fredsell will hold an Open House at the Manse on West Main street for members of the congregation. This annual affair will be held from 3:00 to 9:00 p.m.

## Artist, Lecturer To Speak at Novi

George Small, former professional artist and now council executive of the Detroit Area Boy Scouts, will give an illustrated address at the Novi Baptist church Sunday, December 30 at 7:30 p.m. The public is invited to hear and see the program which is sponsored by the men of the Novi church.

Small, who is a member of the Covenant Baptist church of Detroit, will illustrate his talk with pictures drawn during the program. An additional attraction will be Gordon Small, the 12 year old nephew of the speaker, who will play the trumpet and accordion. Master Small entertained at the Novi Baptist church a few months ago, said Rev. C. Gillman Morse.

Boy Scouts of the community are extended a special welcome to attend the program and meet one of their executive council members.

## Meter Profits Aid Parking Project

Since the parking meters were installed in the Village two years ago, patrons have pushed enough pennies and nickels into the little slots to pay for them plus a clear profit of more than \$10,000.

Cost of the meters was \$9,286.50, and to date, there is \$10,046.55 in a fund earmarked for public parking improvement. At the time the Village Council voted in favor of installing the meters, they stipulated that any profits derived from their use should be set aside to improve the business district parking facilities. The money will probably be used towards the purchase of desired properties on the south side of East Main street for the alley and off-street parking project now underway.

## Northville Cagers Trip South Lyon

Northville's basketball teams broke into the win column December 18 by turning back South Lyon High school's teams at the New Hudson gymnasium. The Mustangs posted a 47 to 30 victory after the Colts had stopped the Lion's reserves 33 to 17 in the first game.

Glenn Howarth, operating from the twin pivot position with Tom Stanford, pushed in 15 points to lead scoring for both teams. Jerry Graham added 13 more markers for Northville and Ed Hock got 13 for South Lyon. The Mustangs led from the first quarter on, maintaining their attack while Coach Dick Kay used all his reserves.

Northville-47 South Lyon-30	
Glenn Howarth	7 1 15
Jerry Graham	5 3 13
Dick Somers	3 2 8
Charlie Rebitzke	2 1 5
Ed Nash	2 0 4
Tom Stanford	1 0 2
Bob Clark	0 0 0
Jim Mitchell	0 0 0
Don Johnson	0 0 0
Dennis Curl	0 0 0
	30 7 47

Quarter Scores	
Northville	0 21 34 47
South Lyon	3 11 26 30

After the Colts put a stopper on Gary Treganewan, who scored all of South Lyon's seven points in the first quarter, the Northville reserves went on to defeat the Lions 33 to 17.

Northville's Hix registered 13 points while Bailey was getting ten, to lead the scoring for both teams. Treganewan's nine points and Tommy Gardner's six accounted for all South Lyon scoring except for a field goal by Woodrow Choate.

The Colts trailed seven to six at the first quarter mark, but moved ahead 18 to 9 at half-time, never to relinquish the margin.

Colts-33 South Lyon-17	
Hix	4 5 13
Bailey	3 4 10
Newton	2 1 5
Rebitzke	1 0 2
Iverson	1 0 2
Scheffer	0 1 1
Tierney	0 0 0
Wiley	0 0 0
Girardin	0 0 0
Bonar	0 0 0
	11 11 33

Quarter Scores	
Northville	6 16 26 33
South Lyon	7 9 13 17

## Fire Friday Routs Apartment Dwellers

Eight apartment dwellers were routed early Friday morning when fire spread through the four apartment dwellings owned by Mr. and Mrs. Carl Hunt of 642 North Center street.

Firemen estimated the damage done at more than \$2,000. Joan Gow and Lillian Hansor arose and found smoke coming into their apartment and quickly awakened the Hunts who called the Northville Fire Department. They quickly responded and found that the fire which started in the basement chimney had spread between the walls to the apartments occupied by Mr. and Mrs. Louis Sizemore and Mr. and Mrs. Elijah Moore. The Sizemores lost personal belongings and much of their furniture was either lost or damaged. Plaster was damaged due to the water used in fighting the blaze.

Sunday evening, the C. O. Hammond family entertained at a family dinner at their home on Center street. Their guests were the Carl Elys of North Center street, Mr. and Mrs. William Foss of Ann Arbor, Mrs. Augusta Foss of Walnut street, the Aubrey Gates and children, Cynthia and Terry of Napier road, and Mr. and Mrs. Russell Corbin and daughter, Christine, of Inkster.

## Villagers To Attend Health Conference

Representatives of various Northville organizations have been invited to attend the fifth annual Michigan Rural Health conference at the University of Michigan at Ann Arbor, January 11 and 12. The conference will strive to appraise rural health needs and discuss ways to afford greater health opportunities to rural people.

Financial sponsorship for the conference will be given by the Michigan Foundation for Medical and Health Education, Inc., who are constantly seeking ways and means to stimulate and expand medical and health education on a statewide basis. Among the 94 health organizations helping to sponsor the conference, are the AMVETS, the Veterans of Foreign Wars, T. B. and Health Society of Wayne County, the Michigan Society for Crippled Children and Adults, the American Red Cross and the American Cancer Society.

J. S. DeTar, MD, president of the Michigan Health Council, will act as moderator of the Friday afternoon program. Featured on the program will be Leonard Scheele, MD, Surgeon General, U. S. Public Health Service, who will talk on the "Responsibility of the Government in Health." Among the other outstanding speakers of the day will be Raymond H. Barrows, executive director of the National Foundation for Infantile Paralysis.

The meetings are open to the public and they are urged to participate in the discussion following the presentation of each subject during Friday's program which starts at 1:00 p.m. at the Michigan Union.

Saturday morning at 9:00 p.m. in the ballroom of the Michigan Union, the Court of Public Appraisal will be given with the members of the audience serving on the jury. The case of The People vs. Michigan Health Programs will present the charge as follows: "Those primarily engaged in carrying out the health programs are failing to make adequate progress in discharging their responsibilities to the public."

## Bazaar Aids Trip To State Capitol

Margaret DeKett's fifth grade class at the Northville Grade school recently held a bazaar which netted them \$140 towards their proposed airplane trip to the State Capitol next spring.

Mrs. Earl Ryder of Randolph street, took charge of the bazaar which was held December 13 and 14 in the Grade school lunchroom. All the articles for the bazaar were donated by parents and friends of the fifth graders, and the mothers and the children took turns selling at the booths.

The fifth graders wish to thank Mrs. Kathleen Newton's sixth graders for making raised rolls, and Dick Kay's sixth graders for the publicity given them in their class newspaper. The class netted \$24.00 profit from recent popcorn sales, making their trip fund total \$164. They are working towards a goal of \$300 for their May plane trip to Lansing.

## Babson's Forecast Appears in Record

Roger W. Babson's "Business and Financial Outlook for 1952" appears in this issue of the Northville Record.

Babson, pioneer in the field of business and financial statistics, brings an unusual record of accuracy in his Annual Forecasts. His score for 1951 was 86 percent accurate.

On December 28, 1950, he predicted: (1) that World War III would not start during 1951; (2) that the Taft-Hartley Law would not be repealed during 1951; (3) that there would be an increase in corporation and personal taxes—including excess profits taxes; (4) that the National Income for 1951 would be the highest in history.

Babson's 1952 Outlook contains 50 forecasts covering such important topics as: General Business, Commodity Prices, Taxes, Trade, Labor, Inflation, Farm Outlook, Stock Market, Real Estate, and Politics.

We are calling this feature to your attention because we believe that every one of our readers will find it of inestimable value.

## Polio Fund Drive Begins Wednesday

The March of Dimes Drive which begins January 2 will help to bolster the funds of the Wayne County chapter. Though the yearly drive raises a good share of the money for the aid of the counties' polio patients in the last three years over \$780,000 has been sent to Detroit by the National Epidemic pool when the local money supply was exhausted.

Nelson C. Schrader, Jr. will again act as chairman of the Northville drive and though plans are not complete, as last year, solicitation will probably be made by direct mail and through contributions dropped in the "Dimes" canisters. Local merchants will have canisters on their counters during the drive which lasts until the last day of January.

During 1951, Wayne County spent \$523,840.51 for medical bills and services to polio patients out of the March of Dimes fund. In the last 12 years polio has become a growing problem with cases rising from 26,255 in 1941 to the 1948-50 total of 103,619. In Wayne county last year 589 patients were assisted through the Foundation funds. There has been no polio victim attacked within the last five years who has not been aided in some way through services made possible by the March of Dimes.

Your contribution sent to The March of Dimes, 153 East Elizabeth, corner of John R., Detroit, will assure this aid throughout the coming years.

## School TB Seal Drive Fund Totals \$85.80

Ruth Knapp, RN, school nurse and chairman of the school TB seal drive, reports that \$85.80 was collected in both buildings which is more than twice as much as that raised last year.

The grade school collected \$45.70, the high school \$36.68, Waterford school, \$3.16, with an anonymous donor giving 26 cents. Miss Knapp states that the money has been turned over to Mrs. W. L. Howard, the Village chairman.

## Northville Mental Hospital Employment Schedule Clarified

### Early Copy, Please

Because the New Year holiday falls on Tuesday, news and advertising copy for the Thursday, January 3 issue of the Northville Record must be in our hands by Monday, December 31.

Better placement of news and advertising can be given if we receive the copy before the Monday deadline.

As usual, the Northville Record will be mailed for delivery on Thursday morning of the New Year's week.

## Blood Bank Group To Make Final Plans

Final plans for the Community Blood Bank scheduled for Northville on January 18 will be made at a meeting of the committee next Thursday, January 3. The representatives of the Village organizations on the committee are asked to meet at 8:00 p.m. at the Veterans' Memorial hall.

Villagers are asked to make their appointments with Mrs. William Forney at Northville 333-J for donating blood.

Upon the receipt of an emergency telegram from the Department of Defense last weekend, a king for more blood for Korea, the Detroit Chapter of the American Red Cross has renewed its efforts to get donors. Type 'O' blood, the universal type which can be used safely in all transfusions, is especially in demand. Mobile units have increased their efforts during the holidays to fill the urgent demand.

Co-chairmen of the Northville drive, Philip Ogilvie and Dr. Hugh Godfrey, hope that the donations made during the January 18 drive will help the Detroit chapter to meet this emergency. But judging from the appointments made, the Village donation will be below the 140 pints given last year.

## Unclaimed Freight Changes Owners

The Unclaimed Freight store partnership has been dissolved and is now solely owned by Michael Kuczek. The store, which is located on East Main street in the building formerly occupied by the Wolf market, was opened November 6, 1951, by Kuczek and Raymond Hernandez of Detroit. Kuczek has changed the name of the store to The Railroad Salvage store. He also states that the merchandise in his store is not unclaimed freight but railroad salvage which has been damaged.

The building is owned by Mrs. Maude Bennett of High street.

Mrs. Daisy Martin of Fairbrook road is hospitalized at Sessions hospital.

Due to the interest and enthusiasm shown by Northville residents in the mental hospital now under construction on East Seven Mile road, Jack Patterson, personnel manager, has endeavored to explain the employment process.

In order to make the personnel program function with the least amount of inconvenience to interested applicants, Patterson stated that the hiring schedule will depend upon the rate at which units of the hospital are completed and the rate at which patients are admitted. Within this framework, the hospital will need three categories of personnel.

The first category includes specialized hospital positions for which specific training and previous experience are needed. Examples of this type of job are pharmacists, X-ray technicians, registered nurses, doctors, and similar types of specialized persons. These people, of course, states Patterson, are needed to staff our major departments and to carry out the responsibilities of the medical and patient care program.

The second category of jobs involves those which require specific training and experience, but which are found both inside and out of hospital work. Examples are carpenters, refrigeration mechanics, stenographers, cooks, etc.

The third type of jobs are those which are important to the running of the hospital but for which there is no organized training and experience available except in hospitals themselves. These positions involve nurses' aides, food service and cafeteria helpers, janitors, clothing clerks, and various other positions. For these jobs, the hospital will be conducting its own training program, so that in time it will build up a body of trained personnel. It is expected that in February, a nurse's aid instructor will be added to the staff, whose responsibility will be to train both male and female attendant nurses, Patterson said.

He explained that he is interested in interviewing applicants so that he can build a file for the various positions. For the immediate future, the personnel office which is located temporarily in the power house, will interview applicants between the hours of 8:00 and 11:30 a.m. Monday through Thursday. In the event that interested people cannot come during these hours, it is suggested that they either write or call Northville 858, and interviews can be arranged.

## Angoves To Entertain Rotary on New Years

As has been the custom for the past several years, Mr. and Mrs. Percy Angove of West Main street have invited the members of the Rotary club to be their guests at a New Year's Day breakfast. Rotarians will have breakfast at the Angove home from 8:30 to 11:00 a.m. Mrs. Angove will be assisted by several Rotary wives.

## Bell Operators Forego Party To Aid Paralyzed Employee

Though the Christmas season is traditionally the time of giving, often the receiving of gifts, unfortunately, becomes most important. But this was not the attitude of the operators at the Northville Bell Telephone office.

This Christmas season the operators sent their money which is usually set aside for a big turkey dinner and party, to Jimmy McKindles of Detroit, a former employee who has been paralyzed since August.

Almeda Liebold, chief operator, told us that on the day set aside for drawing names for Christmas gifts, the operators received word that the doctors at Mayo Clinic had discovered a tumor on Jimmy's brain. After two operations and with one more

in the offing, Jimmy is still paralyzed on one side, has lost his vision in one eye and has difficulty in talking. As an installer of extended service equipment, he worked in the Northville office only two or three months, but during that time he made many friends among the Bell company workers. His work brought him to Northville in June and in August the tumor was discovered.

For Jimmy McKindles' benefit the Western Electric company, of which the Bell system is a part, held a raffle last Saturday. The local operators carried their good will even further and have sold 31 tickets to further help their employee-friend.

Rolling Down  
The River

by the PETZ BROS.

Well Christmas is over and we hope that it contained everything you wanted. We hope too, that a great many of you found a new Studebaker in your stocking on Christmas Day. The lad in our parts department says he can't imagine anything nicer than a Studebaker in a well-filled stocking unless it's a well-filled stocking in a Studebaker.

Oh well, maybe he predicted, but it just so happens that in case you didn't get that Studebaker for Christmas we have a few '51 models in stock. Not very many, but because a most important announcement we'll be making next week, we're in a most receptive mind when it comes to talking trade-in. You'll get the greatest car value you ever received if you come right over. But hurry, there aren't very many left.

We're told that a very young man of our acquaintance was a bit disturbed when an uncle he had heard much of, but never seen, dropped in for a Christmas visit. "Mommy," he wailed, "I thought Rudolph was a reindeer."

Now, time and again, last fall, we asked a lot of you to kindly stop in this establishment of ours and get a bit of winter lubrication inserted in your personal transportation unit. So what happens, it gets cold, it snows, it gets warm, it gets cold and some of you, who've been skimming the advertising portions of this column call in and are YOU mad! Well, do you see, it's the car in! Let our expert mechanics give it a tune-up! Let our lubrication man give it the grease and oil it requires for cold weather! Then your car will start whenever you want it and our men can relax in the warm comfort of the shop. . . . guy out there says that if you happen to live in Florida, the last line doesn't count. He'll be glad to make the service call.

That's that, but please drive carefully this coming New Year's Eve. You look over so much nicer as a customer than as a statistic.

Yours,  
BILL and WILL PETZ.

Mr. and Mrs. Russell Corbin of Inkster on Christmas Day entertained Mrs. Corbin's parents, Mr. and Mrs. C. Oscar Hammond of North Center street.

Mr. and Mrs. Raymond Westphall of Horton street have as their house guests, Mrs. Westphall's parents, Mr. and Mrs. Charles Darby of Indiana.

Mr. and Mrs. Gael Downer and family on Christmas Day entertained Mr. and Mrs. Herbert Letzke of Dearborn and Leo Downer of the Village.

The William Duguids of Grace street spent Christmas Day with their son and his family, Mr. and Mrs. William James Duguid of Detroit.

On Christmas Eve, Mrs. Glen Weeks of Grace street entertained Mr. and Mrs. Chas. Steinhilber and Keith, Mr. and Mrs. Bud Murray, Mr. and Mrs. Joe Gellner, Mr. and Mrs. Billy Weeks, Mr. and Mrs. Glen Weeks, Jr. and Sgt. and Mrs. Louis Westphall.

Mr. and Mrs. J. Leslie Kerr of Highland Park, Mr. and Mrs. Earl Kerr and daughter, Barbara, of Ferndale and Mr. and Mrs. Don Vandemere of Royal Oak joined the Ernie Ebert family for Christmas Day festivities.

Dr. and Mrs. Hugh Godfrey of Eaton Drive entertained Mrs. Godfrey's bridge club for their annual Christmas party Saturday night. Special guests were the husbands of the members.

The Ralph Gallagher family of Eaton Drive spent Christmas Day with Mrs. Gallagher's mother, Mrs. David Boese, of Detroit.

Mr. and Mrs. Joseph Gellner of Carpenter street were hosts Tuesday to Mrs. Rachel Weeks of Grace and Sgt. and Mrs. Louis Westphall.

Mr. and Mrs. Jim Green of East Cady street went to Detroit Tuesday to spend the day with Mrs. Green's mother, Mrs. William O'Donnell.

The Henry Grimshaw family of Haggerty road on Christmas Day were joined by Mr. and Mrs. Charles H. Walker, Mrs. Mabel Walker Miller and Peter Pletsch of Cambridge Drive.

Jim Butler, who attends the University of San Francisco, is home for the holidays visiting his parents, Mr. and Mrs. Charles Butler, of West Seven Mile road. Jim leaves for the California campus December 30.

Mrs. George Westphall is hospitalized at University hospital, Ann Arbor.

**Mayor's Wife Clears Man Of Resisting Arrest Charge**  
BIRMINGHAM, Ala.—The testimony of the Mayor's wife was credited with clearing a 32-year-old ironworker of charges that he resisted arrest.  
Mrs. Cooper Green, wife of Birmingham's mayor, was a star witness at the trial of Lawrence Williams on charges of being drunk and resisting arrest. She told a judge that a policeman struck Williams several times as he left a patrol car and that Williams offered no resistance. The ironworker was fined \$15 on the drunk charge.  
A series of additional charges from other people saying they had also been beaten followed the newspaper publicity given Mrs. Green's statement.

## CASTERLINE FUNERAL HOME

### Our Creed - - - -

The word "Customer" has always had a pleasant connotation, but I am afraid that during the past some people have rather lost sight of its full significance. So by way of reminder, I give you a few brief answers to the question . . . "WHAT IS A CUSTOMER?"

A Customer is the most important person ever in this store — in person or by telephone.

A Customer is not dependent on us — we are dependent on him.

A Customer is not an interruption of our work — he is the purpose of it. We are not doing him a favor by serving him — he is doing us a favor by giving us the opportunity to do so.

A Customer is not an outsider to our business — he is part of it.

A Customer is not a cold statistic — he is a flesh and blood human being with feelings and emotions like your own, and with biases and prejudices.

A Customer is not someone to argue or match wits with. Nobody ever won an argument with a customer.

A Customer is a person who brings us his wants. It is our job to handle them profitably to him and to ourselves.

## Business and Financial Outlook for 1952

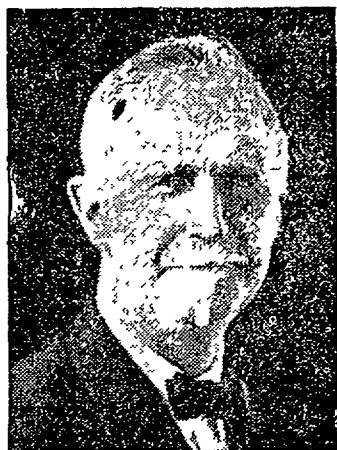

by Roger W. Babson

1. Excluding defense orders, the total business volume in 1952 will be less than that for 1951. However, National Income in 1952 will be very high, as war orders take the place of peace production.

### GOVERNMENT CONTROLS

2. The outstanding feature of 1952—barring all-out war—will be the Presidential Election on November 4, 1952. I comment further upon this under paragraph 48.

3. The Administration and its economic advisors appear firmly convinced that radical inflation is about to break out next year. But the "brain trusters" are overlooking the fact that the boom is already old and that it was creaking badly when the Korean War broke out. The date of the slide has only moved ahead.

4. Farm income will continue high in 1952.

5. As 1952 wears on, the effect of controls, increased taxes, and high prices will cause a decline in legitimate business. If civilian production declines too much,

the public may then cry, "This is a government-made slump; let's change the Administration."

6. If in 1952 it becomes evident that business is declining too much as a result of government curbs, the planners at Washington will rush their patient into an oxygen tent.

### LABOR OUTLOOK

7. Many labor groups will be successful in getting another round of wage increases in 1952. Although there may be more important strikes in the first part of 1952, there should be a decline in work stoppages in the last half year.

8. Tightness in the labor supply will continue through 1952, particularly of highly-skilled workers. Wages of such workers will be advanced voluntarily in order to hold them.

9. The Taft-Hartley Law will not be repealed during 1952, but may be amended. The Adminis-

trators of the Law will continue to wink at some of its clauses.

### COMMODITY PRICES WILL REMAIN FIRM

10. Wholesale prices of many commodities will suffer a mild decline in 1952 when compared with the price level for December 31, 1951. In some lines the drop may be quite steep from the high levels of 1951. Retail prices for 1952 will hold steady.

11. Commodity speculation for a rise will not pay in 1952. Furthermore, our expanding stockpiles of strategic materials present a real price threat in the event of a peace scare. Such stockpiles could then act strongly as a depressant on prices. Wise merchants will operate with only a conservative inventory.

12. The cost of living will remain high during 1952. This prediction recognizes that living costs next year may continue above the lower levels that existed during the first half of the year now closing. I also predict further rises in freight and passenger rates.

### FARM OUTLOOK GOOD

13. Congress will not take any action during 1952 to legally bolster so-called Fair Trade price maintenance. It's too risky politically when consumers are complaining about the cost of living. But, some manufacturers will tighten up on distributors, eliminating those who won't sign Fair Trade contracts.

14. Barring crop failures, the total supply of food available should be larger in 1952 than for 1951, since the government will raise planting quotas as part of its attack on inflation. If the weather is extremely favorable, the government will be asked to give away surplus crops.

15. With prospects good for a rising supply of feed grains, most meat should be more plentiful next year than in 1951. Prices for beef, however, will be held up by high wages and military needs.

### LOCAL TAXES WILL BE HIGHER

16. The burden of Federal taxes, both corporate and personal, will not be increased again during 1952 above the advance late in 1951. State and Municipal taxes, however, will go higher again.

17. The above forecast is based on the assumption that unless Stalin starts World War III during the early months of 1952, he has made up his mind to forget World War III until the United States and our Allies again "Go to sleep," which may be some years hence. We give this as a definite prediction as to the outlook for World War III.

18. There are three ways of preventing inflation: (1) increased production; (2) decreased spending; and (3) as a last resort, increased taxes. I forecast that the current exploitation and accompanying fear of inflation are not yet at their peaks for this business cycle.

19. States and Municipalities will again be under pressure to find adequate sources of revenue. Further increases in sales taxes by States and Municipalities can be looked for next year.

20. There will be no increase in "luxury taxes" during 1952.

### DOMESTIC TRADE UNCERTAIN

21. Credit curbs will continue to hold down the demand for automobiles and certain household equipment. Completions of fewer dwellings will also act as a damper on furniture sales.

22. Falling demand for hard goods should stimulate the public's spending for food and lower-priced soft goods.

23. The above trend forecast will mean a decline in department store volume. I predict a rise in the sales of variety and drug chains.

### FOREIGN TRADE OUTLOOK

24. I believe that armament is to become a new and permanent industry at least for many years to come. Airplanes, tanks, artillery, guns and munitions will constantly be replaced as they become obsolete. This new activity will operate much as the automobile industry has operated. I forecast that this will be more and more recognized throughout 1952.

## Business Outlook

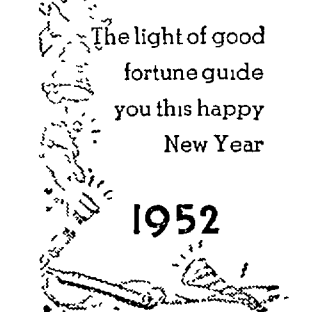

(Continued from Page 3)

25. Barring new war developments, I look for continued shrinkage in our civilian exports during 1952. Imports, however,

Best Wishes  
The light of good  
fortune guide  
you this happy  
New Year  
1952

BLACK'S  
Catering Service  
William and Ruth Black

may rise further. Exports to South America will be off. Total foreign trade should not be changed much, but the exporters will be on the short end of this business with the importers gaining.

26. Except for war supplies, it will become more difficult to convince Congress that additional heavy credits should be granted abroad.

27. Many domestic manufacturers will feel increasing competition from foreign merchandise. A cry for increased tariff protection will be heard; but no radical tariff legislation will result.

**MORE DEFICIT FINANCING**  
28. The first quarter of 1952 may actually see a budget surplus as a result of high National Income and increased taxation.

But, a Federal deficit will surely arise during the balance of the year.

29. Government loans will gradually increase during 1952 and there will be some strengthening of basic interest rates.

30. Government bonds will continue to be held tightly between the floor of Federal Reserve support purchases and the ceiling of Federal Reserve anti-inflation sales. Under such conditions, price changes should be negligible during 1952.

31. While Canada and South Africa have permitted "free markets" or revaluation of gold, because of increases in costs of production, the Administration is still opposed. The Gold Stock of the United States is, however, likely to be revalued upward when the nation, in the opinion of government economists, "needs another shot of inflation." This will not be in 1952.

### STOCK MARKET AND BOND OUTLOOK

32. Until the danger of war is past, wise people who can easily do so will move out of large bomb-vulnerable cities and avoid having investments in such areas.

33. Sometime during 1952 stocks will sell lower than current quotations. This applies especially to oils and certain "blue chips."

34. Stocks now in the best position for 1952 should be many of those that have not been popular as inflation hedges in the past months. I like good chain variety store stocks, certain movie stocks and possibly the transportation issues.

35. Investment Trust funds, pension funds, and insurance companies may provide an excellent backlog of demand for sound Income Stocks where good values can be demonstrated.

36. Successful investors of 1952 will be those who have the PATIENCE to follow a carefully planned investment program. Such a program will emphasize diversification—not only by company and industry, but also by quality and cash.

37. Highest-grade taxable corporate bonds should hold in a narrow price range during 1952, but I see no reason for individual investors to buy them unless they are CONVERTIBLES.

38. With present high income taxes, tax-exempt bonds should continue in good demand. Investors should see to it that their bond maturities are carefully diversified, with some part of their bond funds maturing each year. As there usually is not a good market for tax-exempts when an estate is liquidated, it is wise to hold only such bonds as will mature near the time of one's probable death.

**REAL ESTATE ACTIVITY**  
39. Much of the recent real estate boom was the result of easy credit—almost nothing down and small payments for years hence. Under the recent legislation there will be fewer small homes built in 1952; but some credit restrictions will be modified. Mortgage money should soon be had on more liberal terms.

40. Non-essential commercial building will be hit in 1952—but, barring World War III, controls will be lessened rather than increased.

41. The decline in new building will continue to throw a wet blanket over speculation in vacant suburban lots during 1952.

42. The scare caused by the Korean-China War and fears of an early outbreak in other sections will adversely affect the demand for big city real estate. This fear, however, is declining and many who had put their city properties up for sale are withdrawing them.

43. Small sustenance farms should hold up well in price as these continue to be valuable inflation hedges. Demand for large commercial farms, however, should weaken as the year progresses.

44. Any swing back toward rent control will act as a further damper on new apartment house

## THE AMERICAN WAY

A Hearing Aid Would Help

building. There is as yet no incentive to build homes for rental income, although rent control is gradually lessening.

45. Tighter credit controls will make it more difficult to improve older residential properties. Hence, the prices for these should weaken even though these are now the best buys.

46. Volume of money and credit in circulation will continue to increase to about the peak of a few years back. The big rise has been in credit. Much of the credit increase is "secured" by commodity and property values that can shrink greatly when defense spending ends.

### DEFENSE ORDERS AND POLITICS

47. Those who can do so should attempt to get defense orders if needed to hold up production volumes and reduce overhead. Not too much profit from such war business should be expected. These contracts will be subject to tight-fisted renegotiations.

48. The political outlook for

1952 will be completely dominated by jockeying for position in the Presidential race for 1952. Barring World War III, Congress will pass very little new legislation except some sops to labor and the veterans.

49. Congress will still be dominated by a conservative coalition of Northern Republicans and Southern Democrats. This North-South coalition will still be able to curb onslaughts by New Dealers.

50. Democrats, as well as Republicans, in Congress are making every effort to avoid antagonizing farmers. Again, in 1952—as in 1948—the farmers will hold the balance of power in the Presidential and many Congressional elections. Midwest states can make or break the Presidential candidates. The labor vote is over-rated.

With mechanization, bituminous coal mining has become a mass production industry, opening up new fields to engineers and skilled workers.

## Northville's Yesterdays

### One Year Ago

Announcement was made that Dr. Philip N. Brown, assistant superintendent at the Ypsilanti State Hospital, will be the medical superintendent at the Northville State hospital.

The collection for white material for the Cancer Patients Aid conducted under the supervision of Fred Foster VanAfta, Cubmaster, netted approximately 300 pounds.

Radio Station WHMS was formally inaugurated at the Wm. H. Maybury Sanatorium Tuesday evening. Broadcasting can now be done from several parts of the building, affording opportunity for entertainment, radio educational courses and church services to reach each patient.

The engagement of Eunice Utley and Raymond Michaels of Plymouth was told by her parents, the Roy Utleys.

### Five Years Ago

Babson reports that 1947 business will reach higher levels than recorded in 1946; politics to show increased foreign troubles.

Nelson Schrader has been appointed community chairman of the Northville March of Dimes drive.

### Ten Years Ago

The Northville First Presbyterian church was packed with persons standing in the balcony to hear the 60-voice community chorus present Handel's "Messiah," directed by Leslie G. Lee.

The NHS Girls' basketball team fought hard to win their second victory of the season against Redford Union. The score was 20-15.

The Village of Northville carried the one-day defense bond and stamp drive over the top last Saturday by purchasing stamps totaling \$570 and turning over in actual cash \$20,536.75 for bonds.

As late as Tuesday noon, 26 more persons had registered this week for Civilian Defense Service at the Village hall, bringing the total number of registrants to 113, as against 87 registered in the first three days of last week.

### Fifteen Years Ago

Samuel Stremick and the PA theatre's Christmas gift to the 494 high school and grade pupils Wednesday afternoon was a theatre party.

D. J. Stark replaces the late Nelson C. Schrader and Charles Schoultz succeeds the late T. G. Richardson on the Northville Wayne County Fair board in accordance with action taken Friday evening at a board meeting.

Five Villagers completed the ground school aviation course Tuesday which has been conducted in the high school since early last September. Recommended for credit by the instructor were A. Abrams, Harry Richardson, Donald Armstrong, Paul B. Thompson and Harry Rattenbury.

What might have been a serious accident occurred between Northville and Plymouth Sunday night. Dr. D. B. Henry's team ran away, going down Main street and following the DUR track to the bend near Cass Benton where the horses stumbled through the culvert. The 6:30 p.m. car would have run over and killed the horses when coming around the bend had it not been for the quick action of the motorman in throwing on the brakes stopping the car about six feet from them.

### Forty Years Ago

The use of the Penniman-Allen theatre and its attractions for one evening without charge has been offered by the management to the newly organized welfare committee of Northville.

Three thugs carried on a profitable business in their particular line of work December 17, when they filched a total of \$108 from three Northville residents.

There were 35,000 motor vehicle accident fatalities in 1950. According to authorities, mechanical defects are a contributing factor in at least 16 percent of all fatal motor accidents. Many of these defects could be prevented by proper lubrication; many others might be spotted and corrected in the process of periodic lubrication.

Your dairy cows will let down their milk better if you handle them gently, say MSC dairy husbandry authorities.

### NORTHVILLE AREA GETS NEW HOME SERVICE

A new service has been made available to the residents of the Northville area.

The DU-ALL WINDOW CLEANING COMPANY is furnishing Northville residents with a complete home maintenance service. In addition to regular window cleaning, they do paint scraping, floor waxing, wall washing, and hang storm sash and screens as well as clean and paint them.

This handy service is just as near to you as your phone. Just call Market 4-2267 and they will be right over to do the job and do it right.

## WEST POINT PARK NEWS

By Miss L. A. Ault

Mrs. Homei Coolman's Girl Scout troop held their Christmas party last Monday evening. Mothers and daughters enjoyed the affair together.

A suggestion that because of poor driving conditions schools remain closed last Friday met with little favor on the part of school children. Almost all the grades were having Christmas parties that day.

Dale Graham of Mayfield avenue was visiting in Northville last Tuesday evening.

Old-timers assure us we may expect a recurrence of Indian summer at January thaw time.

Mrs. Margaret Buckingham and her children, Wallace, Davy and Carol left Saturday to be Christmas guests of relatives at West Branch.

Mrs. Jim Penrod of Dearborn was calling on the Misses Lora and Freda Ault on Shadyside avenue Wednesday morning.

Stanley Chavey, Jr. of the U.S. Navy is spending the holidays with his parents on Mayfield.

Soldier Frederick Schult arrived from his camp in Texas last Sunday and will be with his parents on Shadyside through the Christmas season.

Mr. and Mrs. Austin Ault, Miss Helen Ruth Ault, Mrs. Virginia Oman and her daughter, Ruth Ann, all of Brentwood avenue, and also several well known local young people spent last Saturday evening with the George Thiones near Ypsilanti. Honoring Mrs. Thione's birthday, a dinner was served for 18 guests.

A Christmas grab-bag exchange party for children of the Neighborhood church section was held in the church last Saturday afternoon and proved to be quite a success. Nelson Meade won a prize.

Misses Beth Anne and Mary Lynn Roberts of Monroe have now been guests of their grandmother, Mrs. M. E. Ault on Mayfield, for two weeks.

Mrs. Clinton Ault of Mayfield avenue was visiting with Miss Ada Fritz in Northville last Tuesday evening.

Livonia Goodfellows did a good job selling newspapers last weekend. Howard Middlewood, who conducted the canvass in this district, states that he greatly appreciated the thoroughness of Ed Cioate, Russell Nacker and Albert Owen, who made up the crew working under him.

As the result of being in a traffic accident early in the week, Mrs. Genevieve Lewis of Hubbard avenue is much handicapped with a crippled arm.

Mrs. Raymond Ackerson of Farmington was an all day guest Wednesday of her mother, Mrs. Grace Simpson on Mayfield.

Because of weather conditions, the program planned to be presented by the Ward Presbyterian young folks in the Neighborhood church last Thursday evening was postponed until a later date. It is hoped the service can be conducted Thursday, December 27.

Mrs. Bertha Mercer, formerly of West Seven Mile road, writes from Honolulu saying that just now at the Christmas season the weather is very warm and the poinsettias lovely. Mrs. Mercer expects to return to the states in April and to visit Michigan again next summer.

Mr. and Mrs. George Throne of Ypsilanti were dinner guests of Mrs. Thione's parents, the Austins Aults, on Brentwood avenue last Sunday.

Mr. and Mrs. M. E. Ault of Mayfield avenue were visiting with their daughter, Mrs. Tom Roberts in Monroe last Saturday evening.

Nancy Varhol of Shadyside avenue was a guest last weekend of Mrs. Paul Schmidt in Detroit.

Al Hardy of Wayne was the Wednesday evening guest of his mother, Mrs. Walter Rehahn, on Mayfield.

Mr. and Mrs. Ervin Manning of Mayfield avenue were dinner guests last Sunday of their son and family in Berkeley.

Mr. and Mrs. Krumm of Traverse City spent last weekend with the latter's sister, Mrs. J. C. Dunaman and her husband, of Farmington road Saturday evening they all attended a Christmas party held at the home of other relatives, the Browns of Norborne avenue.

Wallace Buckingham of Norfolk avenue spent Thursday afternoon and evening in Detroit.

Herbert Criegui, a well known resident of Farmington road, died last Thursday. His wife and several children survive him.

Freda Ault called on Mrs. Nelson Cameron in Redford last Monday afternoon.

Japan, unable to secure coal from North China and Manchuria, is purchasing 100,000 tons of coking coal from this country each month during 1951.

If we really want to do something, we can soon think of a good reason for doing it.

## Mrs. Howard Says TB. Program Important To All

Three groups in the United States are in the vanguard of the tuberculosis prevention and control campaign. They are the medical profession, the official health agencies, and the voluntary tuberculosis associations. Basic to their cooperation is public understanding of what tuberculosis is and how it can be prevented. This understanding is created through education, one of the major functions of the voluntary tuberculosis associations.

cross Christmas Seals is important in financing the health education and public information programs of the Tuberculosis and Health Society of Wayne County — one of the 3,000 affiliates of the National Tuberculosis Association. Along with the Educational and Informational programs, the TB and Health Society conducts case-finding surveys through use of Mobile X-ray units.

"These programs are important to you and to your family," Mrs. W. L. Howard, Northville Seal Chairman for the TB and Health Society, reminds everyone. "Buy your Christmas Seals with the Merry Christmas Santa Claus today."

Ila Shirliff Speaks Vows To Dick King of Farmington

Ila Shirliff, daughter of Mr. and Mrs. Glen E. Shirliff of West Twelve Mile road, was united in marriage to Richard Gerald King, son of the Floyd Kings of Farmington, on Friday, December 14, at the Emanuel Lutheran church in South Lyon. Rev. Alfred Maas officiated at the 8:00 p.m. double-ring ceremony.

Given in marriage by her father, the bride wore a white satin and net gown. A satin bolero jacket topped a net over satin skirt and she wore matching satin gauntlets. Her fingertip veil was caught to her head by a tiara of orange blossoms. Her crescent bouquet of white chrysanthemums was centered with white rosebuds and tied with satin streamers.

Maxine Shirliff, her sister's only attendant, wore a gown and matching headpiece of orchid net over satin. She carried yellow chrysanthemums in a colonial bouquet.

Foster Grace of Redford served as the bridegroom's best man. Seating the guests were Albert Melchart of New Hudson and James Heship of Farmington. After a reception at the Shirliff home, the couple left for a short wedding trip. Upon their return they will live near Redford.

MRS. RICHARD KING

Plymouth Society To Give Ball

For the fifth year, the Plymouth Symphony society is holding their Christmas-time Symphony Ball at the Plymouth High school gymnasium to raise funds for the symphony orchestra which gives free concerts through out the year on Sunday afternoons. The dance will be held tomorrow, Friday, December 28, from 9:00 to 1:00 a.m.

As general chairman of the ball, Mrs. Harry Balfour, announces that Ken Norman and his orchestra from Ann Arbor have been engaged for the evening. During the evening, Norman will also call a few square dances, she said. The decor for the ball is a secret but judging from the transformation of the gymnasium at last year's affair, an elaborate ballroom will be devised this year, Mrs. Balfour commented.

Refreshments will be served during the evening and a candid camera booth as well as a cloak room will be in operation. Dress for the ball is optional.

When the orchestra presented Handel's "Messiah" last Sunday, Emily Woodroffe of Northville sang. In the past years, Edith Durancieu and Margaret DeKett have played in the orchestra.

WITH OUR NEIGHBORS

South Lyon — A group of 140 Kiwanians and guests sat down to dinner at Quick Hall last Monday evening. Approximately 75 youngsters of seventy or older were the special guests of the Kiwanis club.

Farmington — Over \$1,600 was collected by the Farmington Goodfellows during the annual paper sale Friday afternoon and Saturday, Judge John J. Schulte announced Monday.

Plymouth — The City Commission passed a resolution, at their regular meeting last Monday evening, authorizing an alley to go straight through from Ann Arbor trail to Wing street.

South Lyon — Next Saturday will be Kid's day in South Lyon and Whitmore Lake, thanks to Rex Kinne, owner of the Lyon and Lee theatres.

Farmington — The City Council has approved the appointment of James Tennant as Assistant City Manager on a 30-day trial basis, it was announced at the regular Council meeting held on Monday evening.

Plymouth — Some time ago the City Commission authorized the printing of the new city charter in booklet form. These new booklets can be purchased at the city hall.

Howell — Officers and men of the Howell Heavy Mortar company are all smiles over the "superior" unit rating just received on the annual federal inspection conducted here November 7 at the armory. This is the highest rating awarded. Administration of the company was also rated superior.

Plymouth — The Plymouth Community Fund went over the top this year according to Co-chairmen Norman Marquis and Tom Kent. The \$17,800 demands

A New High in Pie

There's news today! A brand new flavor in a pudding and pie filling mix—coconut cream—is now on the market! Brought out by a well known food manufacturer, it's rich in flavor, creamy in texture, has just the right amount of coconut blended right in and quite literally is "as good as home-made!"

It is mighty versatile too—equally adaptable for pudding or pie filling. Simple too! Just add 2 cups of milk and cook about 5 minutes. It's ideal, either plain or combined with other flavors.

Take this Chocolate Coconut Cream Pie, for example—a glamorous, different pie, with chocolate used in the unbaked pie crust and flaked on top. This is just one of many delightful recipes for this new red letter dessert.

**Chocolate Coconut Cream Pie**  
1 package coconut cream pudding and pie filling mix  
2 cups milk  
**Chocolate Graham Cracker Crust**  
1/2 cup cream, whipped and sweetened  
1/2 square unsweetened chocolate

Place pie filling mix in saucepan. Add milk gradually, blending well. Cook and stir over medium heat until mixture comes to a full boil and is thickened. Cool slightly (about 5 minutes), stirring once or twice. Turn into pie shell. Chill. Spread with whipped cream. Shave chocolate on top.

**Chocolate Graham Cracker Crust**  
Grate 1 square of unsweetened chocolate. Add 1 cup fine graham cracker crumbs, 2 tablespoons sugar, and a dash of salt; mix well. Then add 1/4 cup melted butter. Press firmly on bottom and sides of 8-inch pie pan. Chill.

of the benefitting agencies was met thus assuring them of carrying on their worthwhile programs for another year. Up to the present time \$18,995 has been collected, or pledged.

Farmington — Charles J. Habemehl has been appointed acting postmaster of the Farmington Post Office, Postal Inspector H. W. Loch, announced Saturday.

Rochester — Henry W. Axford, former village councilman, this week urged that the council do something about removing snow from sidewalks in the village.

Wayne — At the request of a group of interested citizens, the mobile X-ray unit will be in Wayne beginning January 7. So stated Dr. David Littlejohn, director of the Wayne County Department of Health.

Wayne — Wallace G. Arrow-smith, Wayne's village manager, was named chairman of the Area Regional Planning Group No. 9 formed in Inkster Monday night.

LOCAL NEWS

Mr. and Mrs. Charles Freydl and sons spent Christmas Day with Mrs. Freydl's parents, Mr. and Mrs. B. A. Nelson of West Five Mile road.

Mr. and Mrs. Frank Stanford of Dubuar street entertained the Charles Stanfords of Norwayne on Christmas Day.

The Howard Walkers of Gaylord joined Mr. and Mrs. Nelson Schrader and family for Christmas Day festivities.

An open house took place on Christmas Eve at the William Crump residence on Church street.

Holiday Open House Honors Students

The high school and college students and servicemen home for the holidays will be the honored guests at an open house Sunday, December 30, given by the Methodist Women's Society of Christian Service. The affair will be held at the home of Mrs. Louise E. Cansfield, student secretary of the church, from 7:00 to 9:00 p.m.

Also assisting with the preparations for the day will be Mrs. Joseph DeJohn, Methodist youth secretary.

December 30 has been set aside in all Methodist churches as Student Recognition Sunday. Instead of the customary program during church, Mesdames Cansfield and DeJohn feel that an open house will allow the youth to renew acquaintances and spend an informal evening with their friends.

New Year's Party Planned for Youth

A New Year's Eve party for high school youth will be given at the Recreation building December 31 from 8:30 to 12:45 a.m. Dancing and refreshments will fill the evening for the students with noise makers and hats available for the New Year's Eve celebrators. The food will be provided by some of the mothers of the group.

## "Two Tickets To Broadway" Comes To P-A Theatre on December 30

"Two Tickets to Broadway," starring Tony Martin and Janet Leigh will come to the Penniman-Allen Theatre Sunday, December 30 and Tuesday, January 1. The theatre will be closed on New Year's Eve.

"Two Tickets To Broadway" is a breezy technicolor musical with plenty of singing, dancing, comedy and romance and should go over well with the entire family. Tony and Janet play the romantic leads with Gloria DeHaven, Ann Miller, Barbara Lawrence and Eddie Bracken in the supporting cast. Janet leaves home to try her luck on Broadway and meets up with Gloria, Ann and Barbara who are showgirls, down on their luck. Tony who is seeking his fortune on the famed "White Way" meets Janet and their meeting soon ripens into love. A series of incidents separates them temporarily, but the movie ends happily with them finding each other with success on the way.

The Wednesday night, January 2 family night feature is the Bowery boys in "Triple Trouble" plus Johnny Mack Brown in "The Man from Sonora."

January 3, 4 and 5, Michael Rennie and Patricia Neal will star in "The Day the Earth Stood Still." The movie is by far the best of the science-fiction pictures yet produced and holds one's interest undiminished from start to finish. The theme is fantastic, yet one is made to feel as if he is seeing a real life occurrence because of the expert handling of the subject matter. The story revolves around Michael who is an earth-like man from another planet who lands his space ship in Washington, D. C. to warn the people that they must live in peace or face complete obliteration at the hands of other inhabited planets. The excitement and suspense stems from the panic created throughout the world by his visit. The movie is suitable for the whole family.

## Leaf Raking Problem Solved With Vacuum-Type Gadget

**URBANA-CHAMPAIGN, Ill.**—Leaf raking, a problem to pop with his 50-foot lot, was a real headache at huge University of Illinois campus until R. S. Chamberlin, physical plant superintendent of operations, had a bright idea.

The idea has been built into a combination vacuum cleaner-hammer mill and composting machine which picks up fallen leaves, grinds them, and blows them back to the ground where they are of considerable value as a soil conditioner.

Previously the school's 450 acres of lawn, studded with some 4,000 trees were a six-weeks raking job for a dozen men plus trucking and burning operations entailing more labor.

The new machine, pulled by a tractor, will do the work of 20 men each hour and eliminates trucking and burning.

The contraption was born several years ago when Chamberlin, dissatisfied with the annual fall raking operation, which smacked of bonddogging, saw a vacuum box being used to harvest mint leaves.

## Heart Attack Claims Man Deciding Suicide Weapon

**YORK, Pa.**—A local coroner returned a verdict of death by a heart attack in the case of a York county man who died while trying to decide whether to use a knife or a gun to commit suicide.

Guy E. Watson, 79, was found slumped in a chair in his home with an open pocket knife in one hand and a loaded rifle across his knees. He previously had informed a neighbor that he intended suicide.

Coroner Lester J. Sell said, "The strain he must have endured while sitting there, making up his mind how to kill himself, must have been just too much for his heart."

## Blind Wife Sits Quietly As Husband Hurt Nearby

**CHICAGO**—A man was knocked down by a car a few feet from the parked automobile in which Mrs. Harriet Couch, 63, was sitting, but she didn't see the accident, for she is blind.

Police arrived and a crowd gathered. The victim was rushed to the hospital with a skull fracture.

Patrolman Ed Halvorsen approached Mrs. Couch. "I want your name as a witness, lady," he said. "I am blind," she explained. "But my husband must have seen it. He left the car to mail a letter just before it happened."

The officer looked at the victim's identity report in his notebook and then asked Mrs. Couch her name. He told her quietly that her husband was on the way to a hospital.

Carbon dioxide for making dry ice can be obtained from petroleum.

B-29's from World War II have been converted into "flying tankers" to transport, bombers and fighters in flight.

## Bowl Game Situation

**NEW YORK**—An amazing number of letters have come to us both for and against Bowl games.

Those against the Bowls are not all from the Ivy League country, or from the Big Ten or the Far West, where only two teams can be involved. Many come from the South.

The Cotton, Sugar, Orange and Gator Bowls involve a vast sweep of territory, from Texas to Florida.

In my opinion the Bowl situation is easily solved. Here is the solution—play all the bowl games. But divide most of the money among the teams of the Conference involved.

Don't give the winning or Bowl team more than all audited expenses and around \$20,000. Or maybe \$25,000 profit. Let the Southern or Southeastern or Southwestern Circuit split the rest.

The idea is that no team should make a big profit out of Bowl games through overpaying, overcounting, oversubsidizing football players—a common practice today, where you can be sure the leading teams will be far overpaid.

We can see no harm in the leading Bowls if handled under such conditions. I can slip a tip to the Sugar and Orange Bowls. They are headed for certain trouble if they maintain their present method. The Southern Conference has long been on record, 14 to 1, against Bowl competition.

Vanderbilt is also heading a Southeastern revolt that is gaining considerable support.

We are among many others who would hate to see the Bowls canceled through bad handling, when they might be carried on under smarter direction.

## As Things Are Now

Today the Southern Conference, the Southeastern Conference and the Southwestern Conference are all involved in Bowl bids. Before Georgia Tech's acceptance of the recent invitation to play in the Orange Bowl, January 1, Bobby Dadds, Georgia Tech's smart coach, said that, "Only the 1950 Bowl winners, Tennessee and Kentucky, were solvent in the South. They got over \$100,000 for postseason appearances. One must get a Bowl bid to break even."

This is true—and it is also a bad thing. But if the big financial stake were scattered around the teams of the Conference there would no longer be any mad rush over to go out for a winner, or to arrange Bowl schedules most likely to insure Bowl bids.

No team is going to invest \$100,000 or more in order to get expenses and \$20,000 or \$25,000. But when the surplus from the Bowls is divided among many other teams there can be no complaint about financial concentration on a few.

We have the feeling that those at the head of Bowl organizations and leading teams from various Conferences don't quite appreciate the movement now gaining headway against Bowl play.

There is no denying the fact that Bowl receipts, from \$100,000 to \$125,000, are at least partly responsible for the mad stampede to build up winning combinations. Cut down the financial killing and you can save the Bowls. We are strongly for the Bowls if properly directed, if removed from the taint of overcommercialism.

Unless certain changes are made at an early date we feel the Bowls will be in a bad way, ruled out by Southern and Southeastern Conferences.

The Big Ten has its only Bowl game conducted under the plan we've suggested, Notre Dame and the Ivy League are not interested. The Bowl bunch might as well get busy.

## Drawing Cards

Michigan and Ohio State should outdraw any other teams this season for two reasons—they both have violent and enthusiastic partisans, and both have tremendous stadiums that can handle 97,000 and 78,000 spectators.

Michigan, for example, played to more than 71,000 at Champaign in a driving snowstorm once this year. That's drawing power.

But perhaps the most consistent record of them all belongs to Notre Dame. Year in and year out the Irish pack them in. "I have been athletic publicity man at Notre Dame for six years," Charlie Callahan told me a day or two ago. "In that time we have played over 50 games. Yet I'd say we've had only five games that were not sellouts. And these were close to sellouts. This means both at home and on the road. Those few non-sellout games were only a few hundred shy in the others our sellouts were complete."

Four-fifths of the geologists in the United States are petroleum engineers.

## Edison To Charge for Installations

Notification from the Detroit Edison company states that beginning January 2, 1952, the company will resume the former policy of charging for installation wiring of electric ranges.

Since March, 1950, the Edison company has been doing the wiring of new ranges free of charge. In the Wayne district, of which Northville is a part, 70,000 electric ranges have been sold during the time of free wiring. Free wiring of electric clothes dryers and electric water heaters will continue for the present unless government limitations, controls, or unavailability of materials may prevent us from doing so, states E. L. Millis, district manager of the Detroit Edison company.

The company will grant free wiring to all persons who purchased electric ranges before the deadline of January 2, providing they are installed by May 1, 1952.

Today's gasoline is 67 percent more powerful than that produced in 1925, but its bulk cost at the refinery has dropped one-eighth in that time. The price the consumer pays for gasoline today is about the same as 25 years ago—only the tax is higher.

# Church Services

**First Baptist Church, Novi**  
Rev. C. Gillman Morse, Pastor  
December 30, 1951:

10:30, Morning Worship service. Illustrated lesson for the boys and girls. Special music by the choir. Topic for the morning message: "What The New Year Offers."

Bible School will follow in classes. There will be no Youth Fellowship, they will join the whole church in the special Evening service sponsored by the men.

7:30, Artist George Small of Detroit will give an illustrated address.

**Christian Science Churches**  
Has the "Comforter" promised by Christ Jesus come? This question is answered in the Lesson-Sermon to be read in all Christian Science churches on Sunday, December 30, under the title "Christian Science."

The Golden Text is from Isaiah (40:5): "The glory of the Lord shall be revealed, and all

flesh shall see it together: for the mouth of the Lord hath spoken it." Among the Bible citations is this passage, (Ps. 119:130): "The entrance of thy words giveth light; it giveth understanding unto the simple."

**First Presbyterian Church**  
Rev. Harold F. Fredsell, Pastor  
New Year's Sunday, Dec. 30:

10 a.m., Sunday Church school with classes for all age groups. Earl T. Gibson, Jr., Gen. Supt. Ladies Bible class meets with Mrs. C. M. Chase in the parlors. Men's Bible class discussion, led by Robert L. Hart in the church kitchen.

11:00 a.m., Morning Worship and sermon by Dr. Fredsell. New Year's Communion and reception of new members. Sermon topic: "The Things That Abide." Nursery and Junior Church during the morning service.

Monday, December 31: Pre-school nursery group each morning, Monday, Wednesday and Friday.

3:45 p.m., Brownie Scouts. Mrs. Ken Rathburn, leader.  
Wednesday, January 2, 1952:

3:45 p.m., Brownie Scouts. Mrs. A. R. Allen, leader.  
7:30 p.m., Choir practice, Wm. G. Williams, director.

Thursday, January 3: Christian Education Servicing program of the Sunday School curriculum.

Conferences for church officers, teachers and parents.  
6:00 p.m., Pot luck dinner, bring a passing dish and your own table service.

7:00 p.m., Program leaders from the Department of Christian Education.

**Pentecostal Church**  
Church of All Nations  
8275 McFadden Street, Salem  
Pastor, Elder Vance Hopkins

Altar Society meeting—every Wednesday before the third Sunday of the month.

**Salem Federated Church**  
C. M. Pennell, Pastor  
Sunday morning worship, 10:30 o'clock. The message for the last Sunday of the year will be "Spiritual Inventory."

Sunday School, 11:45 a.m. Vesper Service, 7:30 o'clock. Prayer meeting, Wednesday, 7:30.

**Novi Methodist Church**  
Rev. J. M. McLucas, Minister  
Residence: Brighton, Phone 3731

Mrs. Raymond Scheffer, organist; Mrs. J. M. McLucas, Choir Dir.; Mrs. J. D. Mitchell, S. S. Supt.

10:00 a.m.—Morning Worship and sermon.

11:00 a.m.—Sunday School.  
7:30 p.m.—Methodist Youth Fellowship, Wednesday, January 2.

8:15 p.m.—Choir rehearsal on Wednesday, January 2.  
W.S.C.S., third Wednesday of each month at noon.

A hearty welcome is extended to all who worship with us. Classes in Sunday School for all ages from Primary to Adult departments.

The minister and family wish to express their appreciation to the members of the parish for the liberal Christmas gift and also the personal gifts and cards.

## Vacation Program Planned for Youth

The Christmas week recreation program for the youth of the Village will consist of the boys program at the high school gymnasium which began yesterday and will continue until Saturday noon.

High school Coach Al Jones is supervising the play which will open every day at 9:00 a.m. and continue until 2:00 p.m. Saturday the gym will close at noon.

The first of the week, the toboggan slide from Horton street onto the Ford Field was completed and the ice pond in back of the school was flooded to provide outdoor recreation for the youngsters.

The Boy's club will be open during vacation at the Recreation building from 1:00 to 10 p.m. every day.

## Exchange Club Gives Welfare Report

At a recent luncheon of the Exchange club, the 1951 report of the club's beneficial projects was given. Nearly \$500 was given toward the public welfare of the community.

Items covered in this report were: educational materials given to the Board of Education, recognition of individual senior students, "Northville Records" sent to men in military service, a scholarship to Michigan State college, sponsorship of softball teams with various equipment provided, visual care for three children, a banquet and celebration for members of the local football squad, contribution to the local fund for street Christmas decorations and a cash grant to a local needy family.

Dr. S. Misaki of Japan will speak at the next meeting about his homeland.

Mr. and Mrs. Karl Karg and family of Spring Drive spent the Christmas holiday with Mr. Karg's parents in Findlay, Ohio.

## Detroiters Meet for Winter Outing

Between 200 and 300 young people are expected tomorrow, Friday, December 28, for the Annual Winter Outing of the Detroit Area Presbytery. The Youth Fellowship of the Northville church will act as hosts and hostesses to the young people from 10 a.m. to 3:30 p.m.

This is the tenth annual outing at Cass Benton park for the Detroit fellowships with the Northville church as hosts, said Dr. Harold F. Fredsell, pastor of the Northville Presbyterian church. The groups will meet at the church before leaving with their sleds, toboggans and skis for the park. Each person will bring his own lunch and the host church will provide a hot drink served in the church house.

For the closing service of Worship in the sanctuary, "The Call" of the United Christian Youth movement will be given. Also during the afternoon a movie of the new Presbyterian youth camp at Greenville will be shown.

## LOCAL NEWS

Al Smith arrived in the Village to spend the Christmas holidays with his family and friends. He is spending the winter in Venice, Florida.

On Christmas Day, the Clyde Dethloffs entertained Mr. and Mrs. Charles Westphall, Mr. and Mrs. Clarence Hicks and John Dethloff of Plymouth.

Mr. and Mrs. Jack Dewsbury and family of Grace street spent Christmas Day with the Al Zimmermans of Randolph street.

Mr. and Mrs. Charles Schoultz of Baseline road are the proud grandparents of Susan, born Sunday in Grand Rapids to Mr. and Mrs. Harold Schoultz. Susan's birthweight was seven and one-half pounds.

Mrs. Perry Taylor of 340 Pennell street underwent a second major eye operation December 21 at Henry Ford hospital, Detroit.

Sgt. Michael Nagy is spending his furlough with his parents, the Louis Nagys, of Frederick road. Micky is stationed at Fort Monmouth, New Jersey.

Mr. and Mrs. Raymond Plaunt and children, Charlene and Leanna of Bois Blanc Island are house guests at the Sidney Frid home on Grace street.

Mr. and Mrs. Robert T. Flatery (Dorothy Wisler) of Detroit are the proud parents of a son, Daniel James, who weighed six pounds, three ounces at birth.

Mr. and Mrs. Keith Simons (Lois Taft) of Carpenter street announce the arrival of Mark Gerald, born December 19 at Mt. Carmel hospital. The baby's weight at birth was eight pounds and nine ounces.

## Chief Denton Warns Drinking Drivers

Chief Joseph Denton today recalled Northville's pedestrian injuries of last December in an urgent appeal for a caution by all holiday drivers.

Specifically, Chief Denton asked drivers to reduce their speed to compensate for the reduced visibility of winter, and to triple their caution when the weather is rainy or snowy.

"As a driver, you must realize three important things," he said. "The first is that Christmas brings far more walkers out on the street than we could ordinarily expect to find in weather like this. The second point is that your limited visibility—either because of rain, sleet, snow or the mere fact that our days are quite short at this time of year—may bring your car dangerously close to a pedestrian before you realize it. Third, wet, snowing or icy streets may prevent your stopping in time to avoid hitting a walker even if you do see him beforehand."

"Most of the pedestrians killed in December," Chief Denton said, "are struck in cities and towns, where congestion is heaviest and where the possibility of a pedestrian stepping out without warning is the greatest."

"Drunk Drivers Lose Their Licenses" has been selected as the slogan for the December program of traffic safety education, which is being sponsored by the State Safety Commission.

## Salem News

Mrs. Myrlan Lyke  
Phone Northville 903-J1

Mr. and Mrs. H. Opdycke and Burt Ryder spent Christmas Day with the Cloyd Hardesty family at Whitmore Lake.

Mr. and Mrs. Ronald Lyke entertained Mr. and Mrs. Perry Richwine, Beulah Wagenschutz and Joan Rupp for dinner Wednesday evening.

Mr. and Mrs. William Ritchie entertained their children and grandchildren Tuesday evening.

## IT CAN HAPPEN IN '51

Do you know the next event on the Prophetic calendar according to the Bible? If you do not—then let me have a moment with you to tell you about it. Over nineteen hundred years ago the Lord Jesus Christ arose from the dead on the third day and 40 days later He ascended on high. Before He went back to God, Jesus said many times that He would come again a second time. For 1919 years real Christians have been expecting His return and there is an eagerness and expectation in the hearts of Christians even now. Many people scoff at the idea, but if they were acquainted with the prophecy found in the Bible they would realize that everything is right on schedule. The present time of distress—the wars and rumors of wars—the times of lawlessness—the lukewarmness of the church—the restoration of the Nation of Israel—all of these are characteristics of a closing age. For proof from the scriptures I would refer you to Matt. 24, Luke 17:22-37, and II Tim. 3. The stage is being set now for the return of the Lord Jesus. Tell me dear reader, are you looking for Him and loving His appearing, or are you one who shall be left to suffer the judgments of God during the Great Tribulation? Remember, He may come in 1951.

## CARD OF THANKS

Miss De Kett's fifth grade wishes to express their sincere thanks to all those who contributed and to those also who attended the fifth grade bazaar. Our special thanks go to the school for the use of the lunchroom, to Mr. Kay's sixth grade for free advertising in their paper, to Mrs. Newton's sixth grade for their baked goods and to all of our mothers who so generously donated their time. 30x

## CARD OF THANKS

To the friendly people of Northville who have helped so much with words of cheer, with acts of kindness and gifts to help us over our time of sorrow, we wish to thank you with deepest appreciation and gratitude.  
Mrs. Brososke, Sue Jane, Jeanette, Fred and Carol 30x

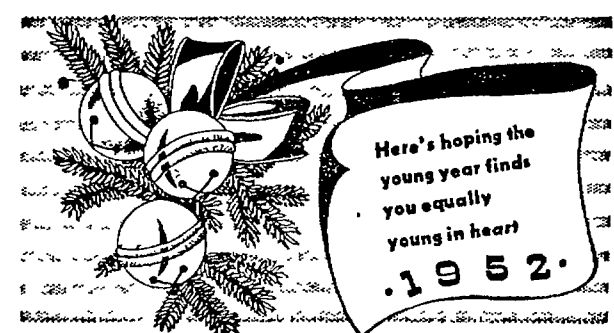

## IN MEMORIAM

In loving memory of John Waterman, who died one year ago, December 21, at the age of 79. Sadly missed by his wife, Ella Waterman, and children. 30x

The Warm Feeling of Fellowship and Understanding Experienced During the Holiday Season is the Rosy, Pleasing Afterglow of a Year Well Spent

As in good business, good living also requires periodical inventories. These generally occur as a year ends... and a new year appears upon time's horizon. It is quite proper that this should generally occur in one's mind during this fine season of year when one retreats from work-a-day cares of the World into Spiritual thought... just before and in the post-Christmas afterglow of good will. Then is when one evaluates his accomplishments for the closing year.

Let us all ask ourselves: Have we been as understanding of others as we would have them be of us? What helps and pleasures have we provided for others for the sheer delight of being kind to our fellow beings? How much of ourselves, and our facilities have we given to those less fortunate? This, most certainly, is not meant in a material sense. Let us question ourselves to find out if we thoroughly appreciate the bounteous gifts made possible by our free democratic way of life.

When we have arrived at the true answers... may we fashion our living for the coming year of 1952 so that we may fully enjoy the many marvelous things a kind Providence has provided for all of us who remain free men under a free system of government and self expression... and... may we all pray for a just and lasting Peace with all the Nations of the Earth.
