BEGINNING THE EIGHTH YEAR

With this article we begin our eighth year of writing these columns in the weekly newspapers. It has been a joy to our hearts to know that the Words of Life have been received by so many. We received a letter some time ago from a soldier stationed in Japan. He writes, "I read one of your write ups in a paper that my friend got from home. It shows that you are doing what you can to tell of what God can and will do for a man if he will let Him . . . And that is exactly our purpose in writing these weekly columns, to tell out the message of the saving grace of the Lord Jesus Christ. He has brought joy, peace and satisfaction into many lives and what He's done for others He'll do for you. You must, however, turn from your life of sin and yield to the Savior. I want you to know that I stand ready to help you in any way that I can to bring you to a saving knowledge of the Lord Jesus. If you have spiritual problems, if there are questions about the Bible or the Church, feel free to write me. Or, if you live within driving distance, I shall be glad to make a personal call upon you."

Christian Science Churches
How obedience to God brings rich blessings to mankind will be discussed in the Lesson-Sermon to be read in all Christian Science churches on Sunday, January 6, 1952, under the subject "God." The Golden Text is from II Samuel (22:31): "As for God, his way is perfect."

Among the Bible citations is this passage, (Ps 143:10): "Teach me to do thy will; for thou art my God: thy spirit is good; lead me into the land of uprightness."
