

Statement of Policy

When ownership of a weekly newspaper changes hands, as happened Jan. 9 in the case of the Northville Record, the event may be of more than passing importance to the community. This is because the newspaper is a regular visitor in almost every home. Through the character of the news it prints, and the editorial viewpoint it expresses, the social and political philosophy of its publishers inevitably has some impact in each household where it is received.

It is appropriate, therefore, that the new owners of the Northville Record set forth the policy they will follow in conducting the newspaper's editorial and business affairs.

We believe that a newspaper should print all the local news that is worth printing, and that every story should be written accurately, interestingly, and in language that is crystal clear. This does not mean, however, that the fundamentals of good taste should be ignored in handling certain types of stories that occur at times in every community. There is no need, in a murder case, to describe just where the blood was spattered.

We believe that a newspaper should maintain a lively interest in local civic affairs, and that it should endeavor to stimulate a similar interest on the part of its readers by publishing interpretative or explanatory stories about matters that are of importance to the community. We are not crusaders by nature. Neither are we unaware that there invariably are two sides to any argument. We shall not hesitate, however, to lend editorial support to projects which we believe are needed for the general public interest, but in doing so we shall endeavor to be considerate of the opinions and feelings of those who may differ with us. And we shall try always to remember that our judgment is not infallible.

We believe that Northville is one of the most ideal communities in the entire Detroit area in which to live and raise a family, and that for this reason it is destined to enjoy a very large growth during the next five to ten years. To us, it seems imperative that the inevitability of this growth be recognized, and that an intelligent effort be made to direct it along lines that will both preserve and increase the village's present charm.

In brief, we shall continue to publish the Northville Record so it will be a welcome visitor each week in every home in the community. We shall strive to make it accurate, complete, interesting, considerate and civic minded.

RECORD RAMBLINGS

Northville High school pupils will have a two day vacation Thursday and Friday while the teachers are busy correcting first semester examinations, and setting up classes for the new semester. However the grade school will be in session.

The Consumers Power crew is busy bringing the gas main from Northville east on Seven Mile road to the new mental hospital. The job is expected to be completed by January 24.

Found an item in the Wayne newspaper this week that might be applied to Northville. Wayne is also debating the question: City vs. Village government? and as a help to the citizens a local civic organization last week presented a public panel to clarify any questions. On the panel were village, township, county and school officials who presented incorporation from their standpoint. Surely in Northville with its many civic clubs, this idea could be taken up!

Friday, February 29, will be the last day for paying the 1951 Northville township taxes, said Roy M. Terrill, township treasurer. He will be at the Depositors State Bank every Tuesday and Friday during banking hours until then.

In the recent contest conducted by Northville High school to get blood donor pledges, Joan Page, a seventh grader, took the first prize of \$7.00 for soliciting 24 pledges. Second prize went to Mariana Ratliff of the ninth grade with 13 pledges. Her prize was \$3.00. Ludwig Jagla, German exchange student, turned in 10 pledges. For his outstanding job, the Student Council awarded him a \$3.00 prize.

The Northville Fire Department Monday afternoon was called to the White Kitchen. Fire Chief Bill McGee stated that he believed the small blaze was caused by a defective neon sign.

Books and magazines for the Northville State Mental hospital were contributed this week by Mrs. Theda Lyke, the Wayne library, Mrs. George Pickell, Mrs. George Dixon, Mrs. C. F. Walter, Merrill Sweet, Mrs. Richard Kravie, Mrs. Herbert H. Brown, Mrs. Starr Bray, Mrs. R. Merriman, Miss Beatrice Hawkins and

Dick Somers. More are needed and they can be left at the Record Office. In addition to books, the hospital is badly in need of coat hangers for patients' use. Bring your spare hangers in along with your old books and periodicals.

Kenneth Rathburn of Rathburn Chevrolet Sales celebrated his 20th anniversary in business in Northville last week. Ken said that it sure was a lot different in the Village back in 1932. He's in the midst of building a new showroom and service department down on Plymouth avenue.

Art Teacher To Talk To P.T.A. Members

Mrs. Virginia Black, art teacher at Northville High School, will talk to members of the Parent-Teachers' Association at their meeting Thursday at 8 p.m. about pictures which have been purchased to brighten the classrooms. The pictures were purchased from proceeds from last year's P.T.A.-sponsored carnival.

Eleanore Peeke, grade school music teacher, and 12 of her pupils, will present several rhythm numbers. A movie, "Music Everywhere," will also be shown.

Most Modern Mental Hospital in U. S. Takes First Patients

At the end of a rutted and frozen road leading south off Seven Mile to the service entrance of the new Northville State hospital is a sign pointing the way to the office of Dr. Philip N. Brown, medical superintendent, which has been set up temporarily in what will eventually be the hospital's beauty shop. In the same room is Dr. Edward N. Hinko, assistant medical superintendent, and in adjacent quarters is Mr. Jack Patterson, in charge of personnel, and presently faced with the job of hiring, by June, over 200 competent staff employees ranging from nurses to kitchen helpers, and including social service workers, stenographers, typists, clerks and maintenance workers.

This temporary set-up, unimpressive to the casual visitor, is the nerve center of the newest and most modern hospital in the country for treatment of the mentally ill. Dr. Brown has been concerned for the past seven months with construction details of the eight-story building being rushed to completion. Now, he is taking on the additional job of recruiting a medical and psychiatric staff to introduce the most advanced methods of treatment for mental illness.

Bank's Resources, Deposits Increase

Total resources of the Northville Depositors State bank for 1951 as reported at the annual meeting Tuesday, January 15, exceeded last year's figure by \$494,028.44. At the close of the bank's business on December 31, 1951, \$5,178,992.73 in resources were recorded.

The vacancy on the Board of Directors, created by the resignation of Edmund S. Beard as vice president, was not filled, stated A. Russell Clarke, vice president and cashier. John F. Stubenvoll was elected by the Board to the position of assistant cashier as well as continuing his duties as auditor of the bank.

An increase in the deposits at the Depositors State bank is also evident in the yearly report. The 1951 savings deposits amounted to \$2,261,211.46 compared to the 1950 figure of \$2,063,882.99. Since the commercial deposits have increased by \$282,713.88, the total deposits were reported at \$4,832,734.16 for the past year.

John A. Boyce was re-elected to the position of president of the bank with Charles H. Walker as vice president, A. Russell Clarke as vice president and cashier, and Leona Parmelee as assistant cashier. Stubenvoll will again serve as auditor and was given the additional position of assistant cashier. The Board of Directors, in keeping with the by-laws, has been reduced to seven members, stated Clarke. G. Carmi Benton, E. M. Bogart, John A. Boyce, A. Russell Clarke, L. C. Stewart, R. M. Terrill and Charles H. Walker will continue to serve as directors.

Merchants Seek Associate Members

Charles Altman and Alfred Sibley were named by Nelson Schrader, president of the Retail Merchants association, as co-chairmen of a committee to invite retail store personnel, attorneys, doctors, insurance men and other professional persons to become associate members.

Their appointment followed affirmative action by the association's membership Monday evening on a proposal to seek additional members with business interests in the Village.

Also discussed at the meeting was progress to date in acquiring downtown property required for completion of certain alleys needed to relieve traffic congestion, and the prospect for acquisition by the Village of other property needed for off-street parking in the downtown area.

DR. PHILIP N. BROWN

TELEVISION FILLS EMPTY DAYS FOR MENTAL PATIENTS

The 25 patients recently moved into the mental hospital while away many long hours by watching television. Dr. Philip Brown, hospital head, hopes that a set will occupy every ward. The set shown in the photo was taken to the institution by a local merchant and is being used daily although funds for paying for it as yet have not been allocated.

Coordinating Council Needs Support of Village Clubs

Only eight clubs were represented at the Coordinating Council meeting last Thursday night while the membership includes 32 organizations, said W. F. Sterner, president of the council. Without the physical as well as financial support of its members the council cannot hope to serve successfully in its job of coordinating Village functions, he stated.

Council To Attend Area Conference

Members of the Northville Coordinating council will join with representatives of 30 other communities in the area to discuss the problems confronting the communities at an Area conference on Community Organization to be held Wednesday, February 6. The group will meet at the Garden City High school from 3 to 10 p.m.

Village organizations are asked to send representatives to the conference.

In December, Russell H. Amernan, superintendent of Northville High school, attended a planning meeting in Plymouth while C. T. Pregitzer, the grade school principal, met with the group Monday. The final announcement concerning registrations will be made in next week's paper.

Mrs. Eldon Biery, secretary of the council, stresses the fact that she has not as yet received the names of the officers and council representatives from a large number of the Village clubs. Without this information the council cannot function properly, she said.

The group meets every third Thursday from 7:15 to 8:30 p.m. at the Village library where plans are made for such projects as the Citizenship banquet held each fall, and printing of a weekly calendar in The Northville Record. Organizations should clear dates for regular and special meetings with Mrs. E. J. Willis, phone 99-R.

Treasurer Dr. Wilbur H. Johnston reported that only 10 clubs have paid their dues. They are payable to him at 139 West Dunlap or to Mrs. Biery at 217 West Dunlap.

Mrs. Billman Named To Realtors Board

Mrs. Maude Billman of Billman's Realty, Northville, was installed as one of the two directors of the Western Wayne County Board of Realtors at its annual dinner meeting in Plymouth on Monday, January 14.

A. R. Saunders, executive vice president of the Michigan Real Estate association, was the installing officer.

Village Approves Snow Ordinance

At their meeting Monday evening, the Village Council passed an ordinance requiring property owners and occupants to remove snow and ice from their sidewalks. The ordinance goes into effect February 11.

The ordinance provides that no person, firm or corporation shall permit any snow or ice to remain on the sidewalks longer than 24 hours, without removing same or by scattering salt, sand or ashes, so that the walk is safe for pedestrians.

Any person who refuses to comply with the ordinance provisions shall be subject to a \$100 fine, or to imprisonment or both. The Village Council purchased new snow removing equipment from Hugh Arms and Son of South Lyon, at a cost of \$590. New equipment for the street department includes a hydraulic front end loader, snow bucket and materials bucket.

B.P.W. Speaker

Fran Harris

Women's Editor to Speak Jan. 28

"Celebrities Can Be Fun" is the title of the speech which Fran Harris, WWJ and WWJ-TV Women's Editor and Publicity and Promotion Director, will give at the January 28 dinner meeting of the Business and Professional Women's club. The meeting will take place at 6:30 p.m. at the First Methodist church house.

A native of Detroit, Miss Harris has been in radio since 1931. She joined the WWJ staff in 1943, first as a newscaster, and then became woman's editor in 1945. Last September she was named publicity director for both the radio and television stations.

"Housewives' Serenade" and "Question Please" are her current radio shows and she may be seen regularly on two television shows, "Garden Show" and "City Affairs." Miss Harris is the producer of the outstanding television program, "Traffic Court," which enacts current Detroit traffic cases.

Portion of Village "Alley Program" Nears Completion

Negotiations for purchase of the final pieces of property needed by the village to begin construction of an alley in the rear of stores on the south side of East Main street from Center to Main, opposite Hutton, are nearing completion, it was revealed at the Council meeting Monday evening.

Simultaneously, the lack of available funds for immediate acquisition of the Hill property on the north side of West Main street, to permit construction of an alley in that block, came to light. Some councilmen believe an offer for this property may have to be delayed until tax receipts for the 1952-53 fiscal year become available.

2-Day Blood Drive Nets 229 Pints

Northvillites numbering 320 turned out for the Tuesday and Friday blood drives held in the First Methodist church house last week. One hundred and thirty Ford men went through the registration line on Tuesday while 190 Villagers were registered on Friday. Though 64 of the Friday registrants and 27 of the men from the Ford plants were rejected, 229 pints of blood were taken. In the Friday drive 126 pints were donated.

Only a percentage of the 103 pints given during the Tuesday Ford day will be accredited to Northville. This is the first year that the Ford workers at the Northville and Waterford plants have had separate drives, stated Co-chairmen Philip Ogilvie and Dr. Hugh Gogfrey. Other years the workers have made their donations on the day of the Village drive.

The success of the drive, said the co-chairmen, was due to the cooperation of the American Legion Lloyd H. Green Post 147, who were the instigators of the drive; the service clubs of the Village; the public school system; Dr. L. W. Snow, the attending physician; the Legion Auxiliary, who prepared the evening meal for the workers of the mobile unit, and the recruits whom Mrs. W. F. Forney asked to help during the day's session.

Though the exact number of pints of blood accredited to Northville will not be known until the Ford day percentage is announced by the Detroit chapter of the American Red Cross, the collection can be estimated to exceed the 140 pints given in the March drive.

Mobile X-Ray Unit To Visit Village

Northville citizens will have an opportunity to have their chests X-rayed, free of charge, when the mobile unit comes to the Village February 18, 19, 21 and 22.

Dr. V. George Chabut, Village Health Commissioner, will discuss the mobile unit's work with members of the Parent-Teachers association at their meeting Thursday at 8 p.m. in the grade school. The unit is to be at the Northville High School on February 18 to X-ray every pupil in grades nine through twelve. On the remaining three days it will be at the Village fire hall.

The mobile X-ray unit was in the Village in May, 1950. At that time 2,847 residents availed themselves of the free X-ray which aims to stamp out tuberculosis. The results showed that of those persons X-rayed, 283 had abnormal chests, 58 had questionable cases of tuberculosis, while 135 citizens had inactive cases.

Rathburn To Display New Olds Jan. 24

The Oldsmobile car for 1952 will be shown at Rathburn's showroom on West Main street, beginning Thursday, January 24. The community is invited by Kenneth Rathburn to come in and view the new model.

Major styling changes and important mechanical improvements characterize the new Olds being introduced throughout the United States. Oldsmobile presents three lines of cars in 1952, the classic series "88," the super "88" and the deluxe "88."

Owners of the property still to be acquired on the south side of East Main street are Drs. Paul and Victoria Lovewell, Mrs. Sally Britton, Fred Bartholomew and Clifford Cranston. The Lovewell property, it is understood, may be acquired almost immediately, and no difficulty is anticipated in dealing with the other owners.

Village Attorney James Littell reported to the Council meeting that title has been acquired to the properties of Mr. and Mrs. Roy Stone, Mr. and Mrs. Maurice Lapham and Charles Altman within the past week.

As soon as title has been acquired by the Village, it is expected that Consumers Power company will lay a new gas main under the alley between Center and Main streets. This line, which was scheduled originally to be laid under the sidewalk on the south side of Main, was postponed several months ago in favor of the alley route. If Consumers Power goes ahead with this plan, actual construction of the alley probably will await laying of the gas main.

Construction of the alley will involve building a retaining wall along the south side to prevent erosion on the downhill slope toward Cady street. Total cost of all properties acquired to date, has been \$20,200, Mr. Littell reported.

While the Council was discussing its property acquisition program, the Northville Retail Merchants association in its monthly meeting was considering tentative suggestions for financing the hard-surfacing of the new alleys, and a broadened program for Village acquisition of off-street parking areas in the rear of downtown stores. The consensus of opinion of those present was that unless the alleys are hard-surfaced they will be impassable in the spring, and after heavy snowfalls.

"Dimes" Campaign Nears Conclusion

The 1952 March of Dimes campaign now being conducted here and in 16,000 communities throughout the country is aimed at equipping the nation to cope with polio on a national basis. Northville citizens are urged by Nelson C. Schrader, Jr., local "Dimes" chairman, to do their part in the current drive.

Contributions may be made in three ways: By contributing through the canisters which are located in every place of business; by mailing your contribution to Mr. Schrader; or by mailing your money directly to the March of Dimes headquarters at 153 East Elizabeth street, Detroit.

Northville school children also have joined the campaign and are busy putting dimes in cards. They will be turned in the last of the month. To date, contributions have been coming in slowly.

The drive in Northville will be concluded at the end of the month. It's still not too late to send your donation in. Do it today!

Charles Trickey, Amvet State junior vice commander, has called a joint meeting of all Amvet and Auxiliary members of Perry Kenner Post No. 76 at the Novi school at 8 p.m. Jack H. Hamm, State executive director, is to be the special guest. Hamm is also editor of Michigan Amvet News.

Rolling Down
The River

by the PETZ BROS.

We're not sure just where we heard it, but there's a rumor going around that the government is all set to print an extra large batch of those unlucky \$2.00 bills. It seems that they are the only things available today, to teach the youth of America the value of the old fashioned dollar!

Incidentally, the biggest value in town is the one you get when you invest in the 1952 Studebaker. The whole line, from the Champion to the Land Cruiser, including the beautiful new "hard-top" Starliner, offers you the greatest return for today's dollar. Sheer beauty, economy and amazing power in the Commander V-8; and even greater economy in the '52 Champion with its extra miles per gallon of gasoline. If you haven't been behind the wheel of the Studebaker for 1952, by all means hurry to rectify such a situation at once. It's a driving thrill you'll really appreciate.

Some Joker in the garage the other day, for a bit of lubrication, told us he saw an old western movie on television the previous evening. "As a matter of fact," he said, "the movie was so old, the scalping scenes were real."

Have you noticed how 'General' the Presidential election arguments have become lately?

And generally speaking which we often are, it's about time you dropped in for a bit of lubrication and oil change. The boys in the back shop would like to tune your car's motor too, because they tell us it sounded a bit ragged the last time you drove by. Maybe they're just hungry—that Christmas turkey can't last forever—but it's no secret that, if you haven't been around lately, your car could stand a bit of check-up to keep it at peak performance the rest of the winter.

Well, that's that for this week, but a lug we know, just back from Florida (the lucky stiff), reports that this season's bathing suits are really wonderful. "It's a gadget," he told us, "with no hooks, but a lot of eyes on it!"

Yours,
BILL and WILL PETZ.

Dave Lee Returns To High School After Four Months of Study, Travel

Of the six young Americans who studied in Europe under the "Youth for Understanding, Inc." organization, conceived by several Michigan Rotary International clubs, David Lee, son of the Leslie G. Lees of Fairbrook Road, sailed from England nearly a month later than the rest of the students. While the group as a whole sailed on December 9, 1951, Dave was asked and desired to remain on the Continent until the January 15 sailing of the "Queen Mary."
Dave has toured in England, France, Germany, Denmark and Finland as well as passing through many other countries. He has lived with the people of these countries, observing their way of life and studying with their children. Already many organizations have asked to hear of his experiences and see the pictures he has taken, said Dave's mother.
He arrived in the Village Sunday and will be ready to begin his senior year at Northville High school when the second semester begins. With some tutoring to make up for his lost school work, he will graduate in June, said the Lees.
This opportunity for Americans to see the continent, has been taken over by various civic and public service organizations who plan to send more American youth to Europe and bring up to 600 European teen-agers to America during 1952, said Rev. Harold Sullivan of Clinton, Michigan, who directs the organization.

Mustangs Stop Clarenceville Cagers, 38 to 31, Maintain First Place Tie

The Northville Mustangs turned back Clarenceville High School 38 to 31 last Friday night to maintain a tie with Holly for first place in Wayne-Oakland basketball league standings.

Both Northville and Holly have won three league games and lost one.

Charlie Rebitzke spearheaded the Mustang attack with 13 points on three field goals and seven free throws in a close game which featured 46 fouls—25 by Clarenceville and 21 by Northville.

The Mustangs kept a small lead until midway in the third quarter when the Trojans fashioned three baskets and a pair of free throws into a 21 to 20 advantage. Northville came back to regain a 25 to 24 lead as the third period ended and Lamar Nalley, Ed Nash and Charlie Rebitzke combined on driving lay-up shots and a free throw to register 13 points and push the score to 38 to 29 with a minute left.

Coach Dick Kay started Rebitzke, Nalley, Dick Somers, Jerry Graham and Glenn Howarth but used Tom Stanford and Ed Nash frequently. Nalley, Howarth and Stanford alternated

as twin pivots, giving the Mustangs fair control of the boards on rebounds. Somers, a scrappy guard, saw limited action in the second half because of four personal fouls registered against him in the first two periods.

Colts Trip Trojan Reserves 38 to 28

Northville's Colts beat the Clarenceville basketball reserves handily Friday night, 38 to 28, to post their fifth win in six games. Their only loss was to Plymouth in the season's opening game.

Walter Newton hooked, pushed and lobbed 15 points into the Trojan basket to lead scoring for both teams.

The Colts took charge of a close-scoring game halfway through the second period and maintained an eight to ten point advantage the remainder of the route.

Coach Al Jones sent the majority of his reserves into the contest in the last quarter.

The summary:

Basketball In Stall On Small Courts

The handicap of playing basketball on a small court was apparent again Friday night when Northville and Clarenceville High school teams struggled through a game at the undersized Northville gymnasium.

Forty-six fouls were assessed against the two teams and slowed the game to a long series of free throws interrupted sporadically by floor play.

Spectators who complain that such slowed-down contests add nothing to crowd appeal in this age of free-wheeling, race-horse basketball have many supporters. The teams can't work plays with any success because of the congestion around the basket, and officials are hampered in their job of enforcing rules. They're lucky if they can see half of what's going on.

Most of the fouls committed by both teams Friday night were accidental, caused by players running into each other trying to set up plays or in scrambles for the ball in the crush around the free-throw circle.

The advantage of playing on a large floor can be measured in the point column. Games on the Northville court are usually low-scoring affairs, but the Mustangs topped Milford 53 to 40 on the larger Redskin floor January 11 and scored only seven points against Plymouth on the Rocks' tiny court.

The court size problem plagues all coaches who have to hold practice sessions on large courts and play other teams in small gyms. The same is true in reverse situations.

The problem will be worked out gradually as new school buildings go up. The trend is toward large gym facilities which can serve as combined basketball courts, seating space for plays and concerts and as an area to be used in the expanded physical education programs now conducted by most schools. The Livonia Bentley and Plymouth High school building programs are typical.

Actually, Northville nearly had no gym at all. When the local high school building was constructed in 1916, basketball was still in its infancy. Few schools had courts OR teams. Supt. of Schools Russell Amerman reports that when he came to Northville in 1927, the high school had one of the few gyms in this area, and it was regarded as one of the best. At that time, the extra money needed to add a gym to school facilities was regarded as a large expenditure.

This year's farm production costs are above those of last year. Next year they probably will go higher.

Admission to school athletic events and school fairs held in the school's own facilities have been exempted by OPS from ceiling price regulation.

...WITH THE **FINEST PERFORMANCE OF ALL TIME!**

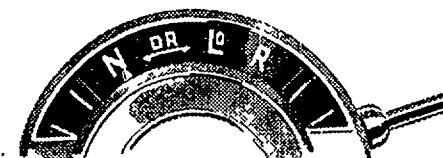

Featuring **3** of Cadillac's Greatest Engineering Achievements!

THE NEW 190 H. P. CADILLAC ENGINE

Here is the most powerful, the most durable, and the most efficient automotive engine ever offered in a Cadillac car. Its power increase alone is almost 20%—and its new four-throated carburetor, larger exhaust valves, wider exhaust ports and new dual exhaust system make this engine one of the most dynamic performers of all time.

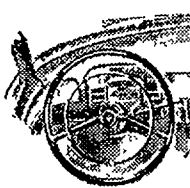

Fifty years ago, the first Cadillac car made its bow to the public. Today, as a fitting climax to those fifty years of progress, we are presenting in our showrooms the Golden Anniversary Cadillac—by far the finest car ever to bear this distinguished name. . . . It is easily the most beautiful of all Cadillacs. Numerous changes have sharpened and smartened the exterior design—while the wholly-new interiors are a revelation in comfort and luxury. . . . Performance is the finest of all time. The great Cadillac engine has a power increase of almost twenty per cent—and is even smoother and quieter in its operation. . . . There's a new Hydra-Matic Drive that gives the proper power application for every need. At a flick of the finger, you can have extra power and acceleration for city traffic and mountain driving—or wonderfully smooth, quiet, gas-saving performance for the open road. . . . And there's a new "power steering" mechanism, optional at extra cost, which reduces normal steering effort by as much as seventy-five per cent! . . . If ever it could be said of a car's performance that it is "out of this world," it can be said of the performance of the new Cadillac. The Golden Anniversary Cadillac is available in three series—the "Sixty-Two," the "Sixty Special" and the "Seventy-Five." . . . These new creations are now on display in our showrooms—and we invite you to see and inspect them at your earliest convenience.

THE NEW HYDRA-MATIC DRIVE

By introducing an entirely new performance range, Cadillac's Hydra-Matic provides the proper power for every need . . . extra acceleration and responsiveness for city and mountain driving; smooth, quiet, gas-saving performance for the open road. Optional at extra cost on Series 75. Standard equipment on all other models.

THE NEW CADILLAC POWER STEERING

This "power steering" mechanism eliminates as much as seventy-five per cent of all normal steering effort. It provides incredible handling ease, and yet does not interfere in any way with the driver's "road feel" or directional control. Available as an option at extra cost.

Christian Science Churches
The Bible teaches that the understanding of truth frees one from the bondage of sin and sickness. "Truth" will be the subject of the Lesson-Sermon to be read in all Christian Science churches on Sunday, January 27.
The Golden Text is from John (8:31,32): "Then said Jesus to those Jews which believed on him, If ye continue in my word, then are ye my disciples indeed; and ye shall know the truth, and the truth shall make you free."
Among the Bible citations is this passage, (Zechariah 8:16): "These are the things that ye shall do; Speak ye every man the truth to his neighbor; execute the judgment of truth and peace in your gates."

OBITUARY

MILDRED H. AINSWORTH
Funeral services were held Saturday in Sheffield, Massachusetts for Mrs. Mildred H. Ainsworth, director of Social Service at the Wayne County Training school. Mrs. Ainsworth died on Monday, January 14 in Washington, D. C., where she was convalescing after an operation.
She was born March 26, 1891 and was 61 years of age at the time of her death. Burial in Sheffield followed the services. A son, Lieut. Colonel Donald A. Ainsworth of Washington, D. C. survives as well as two brothers from Albany, New York and Milwaukee, Wisconsin.
Mrs. Ainsworth was recording secretary of Northville Business and Professional Women's club

and vice president of the American Association on Mental Deficiency. Before coming to the Training School in 1928, she had served as one of the first members of the women's division of the Detroit Police department. She was also employed as a social worker at the Women's hospital in Detroit.

ARTHUR RENARD
Arthur Renard, father of Wil-laid Renard of the Northville High/school faculty, died January 18 at his home in Detroit.
Funeral services were conducted Monday afternoon from the Harvey Neely Home in Detroit.
Surviving are his wife, Constance; his children, Willard, Arthur, Donald, Mrs. Louise Brady and Mrs. Ruth Richardson, and nine grandchildren.

DENNIS MICHAEL MEYER
Services were held Monday, January 21 from the First Presbyterian church for Dennis Michael Meyer, seven-year-old son of Howard and Sherry Meyer of West Eight Mile road. Dennis died at his home on Thursday, January 17.
A second grade student, Dennis was born July 11, 1943 in Detroit, and was the twin brother to Terrence Patrick Meyer. Surviving besides his parents and twin brother are two other brothers, Howard and Larry; and a sister, Sherry Lee.

The body lay in state at the Casterline Funeral home until removal to the Presbyterian church on Monday where Dr. Harold F. Fredsell conducted the services. Burial followed at Rural Hill cemetery.

Gail Matzen Wins Award To Monticello College

Gail Matzen, daughter of the Donald W. Matzens of Novi road, has been awarded a President's scholarship from Monticello college, Alton, Illinois, the college's president, John R. Young, announced. The \$300 scholarship, given for outstanding academic excellence, will continue during her two years at the junior college for girls.

Competition for the scholarships is nation-wide and Gail, with a better than "B" average throughout her high school career, was one of the several winners. Gail is a senior at Northville High school where she has majored in science since her aim has long been that of a medical career.

Gail has been active in the local high school as a member of the high school band for four years, Forensics club, GAL, and has taken part in the junior and senior class plays. She is on the debate team and was a member of last year's team that became the state quarter finalist. The high school yearbook of 1952, "The Palladium," will be under her direction as co-editor.

GAIL MATZEN

Theatre To Present "Hansel & Gretel"

"Hansel & Gretel" will be presented by the Catholic Theatre's Children stage at the Knights of Columbus auditorium, Woodward at Forest, on Saturday, February 16 at 10:30 a.m. and 2:30 p.m. on Sunday, February 17 at 2:30 p.m.

All the familiar figures of this favorite fairy story will come to life to delight the youngsters. Maureen Sheehan, popular young stage and TV artist, will portray the role of Gretel. Ronald Wolber is Hansel; Katherine Miller is the wicked old witch, and Pat Chester is the naughty little boy who was turned into a cat.

Jerry Moons and Chick Ray have collaborated in designing the settings of the woodcutter's hut, the gingerbread house and the enchanted forest. Kay Flood is directing.

Tickets may be purchased downtown at Grinnell's, McDevitt's, and the Catholic Theatre office, 305 Michigan avenue; or at the box-office the days of the performances. For reservations phone WO. 1-1700.

Institute Plans Artist Lectures

The lives and works of four great modern painters will be discussed in a new evening lecture series at the Detroit Institute of Arts, February 6 at 8 p.m. and continuing for four successive Wednesdays.

The series by Marvin Schwartz of the Museum staff opens with a discussion of the colorful life of Henri Matisse, and continues with Pablo Picasso, February 13; Paul Klee, February 20; and Ben Shahn and his influence, February 27.

Matisse is considered the greatest of the decorative painters of the 20th century; Picasso is the founder of cubism and other modern trends in art; Paul Klee, Swiss, is known for his humorous surrealism; and Ben Shahn, whose "Clarinet and Tin Horn" was added to the Museum's modern collection last year by Friends of Modern Art, is the dean of modern American painters.

Parties To Honor Mrs. Roger Sackett

Members of the Nellie Yerkes Circle of the First Presbyterian church will hold a pot luck luncheon Thursday at the Alfred Parmenter home on Orchard drive. Mrs. Herbert Berendt will be the hostess.

The luncheon will honor Mrs. Roger Sackett of Rayson street who, with her three children, will be leaving soon for the West Coast where she will board ship for Japan. Mrs. Sackett's husband, Major Roger Sackett, is stationed at a hospital near Nara, Japan.

Mrs. Sackett will be honored January 29 at a luncheon given by Mrs. Hugh Godfrey and Mrs. Russell M. Atchinson, and at an evening party February 1 by Mrs. William B. Crump.

Couples Club Plans Progressive Dinner

The Couples club of the First Presbyterian church is holding a progressive dinner party Sunday evening.

The William B. Crumps of Church street will be hosts for the first course, while the William G. Williams of Spring drive will prepare the second course. Mr. and Mrs. George Weiss of Grace street will entertain for dessert.

June King, Sharon Teschka, Arlene Jerome and Helen Cansfield, counselor, will attend the Methodist Youth Fellowship Mid-Winter Institute at Adrian this weekend.

Brunch To Honor Mrs. Riley Allen

Mrs. Francis S. Jennings of West Eleven Mile road will entertain at a "brunch" Friday morning honoring a new Northville resident, Mrs. Riley Allen, of East Seven Mile road.

Covers will be laid for Mrs. George L. Alexander, Mrs. Orson Atchinson, Mrs. John W. Clarke, Mrs. Raymond N. Stillson, Mrs. Rick Goodrich and Mrs. W. Leonard Howard.

Lillian Hodge Wed To H. J. Biddle

At an 8 o'clock ceremony read in the Northville First Presbyterian church Friday, January 18, Lillian G. Hodge and Henry J. Biddle were united in marriage. Dr. Harold F. Fredsell performed the ceremony while Mrs. Gerald V. Harrison presided at the organ.

Lillian is the daughter of Mr. and Mrs. Harvey M. Hodge, Sr. of 127 East Dunlap street, and the bridegroom's parents are the Tunis Biddles of East Seven Mile road.

For her bridal attire, Lillian chose a white silk crepe gown. With this she wore a fingertip veil of imported lace caught to her head by a coronation of orange blossoms. Her bouquet was made up of white roses. Mrs. Homer Hodge, sister-in-law of the bride, acted as Lillian's matron of honor. With her floor-length gown of ice blue satin, she wore a matching bonnet headpiece and carried a red rose bouquet.

Serving as the groom's best man was Quentin Biddle.

Mrs. Hodge wore a black gown and the bridegroom's mother, Mrs. Biddle, was attired in a navy blue dress. Both mothers wore gardenia corsages.

A reception for the 60 wedding guests was held following the ceremony at the Hodge home on Dunlap street. The reception table which was centered with a three-tier wedding cake was laid with a white linen cloth, made by the bride's great-grandmother nearly 43 years ago. Assisting with the reception were Mrs. Charles Freydl, Mrs. Harold Tuck, Mrs. Dawn Holcomb and Jean Stevens.

The new Mr. and Mrs. Biddle will live on South Center street. Henry has been employed by the Northville Coach Line since his graduation from Northville High school in 1950. Lillian was graduated from the local high school with the class of 1949.

Panel To Promote Religious Tolerance

A panel of Wayne university students sponsored by the Inter-Faith council, will present the Monday, January 28 program to the Northville Mother's club. The guest day meeting will begin at 8 p.m. at the home of Mrs. Orson Atchinson, Orchard drive.

This "Panel of Americans" is composed of a Jew, a Catholic, a Protestant and a Negro, who hope to bring about a better understanding among the people of diverse racial, religious and cultural backgrounds in the community.

The University of California students and faculty conceived the idea of combining the various religious groups on their campus for better understanding. Thus they formed the University Religious conference. The group organized at Wayne university with the same goal in mind is under the direction of a governing board of faculty members and students.

Catholics To Hold 41st Annual Meeting

The 41st annual meeting of the League of Catholic Women takes place Friday, January 25 at the League Building with a breakfast at the Copper Kettle and a luncheon at the Crystal ballroom.

Mrs. E. J. Willis states that Sister Ann Joachim, O. P., of Sienna Heights college, Adrian, will be the guest speaker. She is a lawyer, educator and writer, and the only nun ever admitted to practice law before the Supreme Court of the United States. Her topic will be "Woman's Role in the Atomic Age."

Newcomer Feted at Dessert-Bridge

Mrs. T. H. Bray of West Dunlap street entertained at a dessert-bridge Friday, complimenting Mrs. Francis Wiesmyer of Sheldon road, a newcomer to Northville.

Two tables of bridge were enjoyed by the honored guest and Mrs. Karl Karg, Mrs. Edward Angove, Mrs. Richard Ambler, Mrs. Orlo J. Robinson, Mrs. Robert Lyke, Mrs. William Weidner and the hostess.

BPW To Attend District Meeting

Northville members of the Business and Professional Women's club will take part in the winter district meeting at Dearborn on Saturday, January 26. The business meeting will open at 4:30 p.m. at St. Paul's Evangelical and Reformed church on Goddard and Telegraph roads.

During the afternoon demonstration of functions of the BPW organization in its national and international scope will be given by Mrs. May K. Burke, membership chairman for the district. The 6:45 dinner will be followed by an address by Mrs. Bernice Dondineau of Dearborn who spent most of the summer touring Europe and attending the "World Organization of Teaching Profession" at Malta.

Included in District No. 2 of the BPW, besides Northville, are the clubs from Plymouth, Ann Arbor, Belleville, Garden City, Dearborn, Monroe, Livonia, Wyandotte, Wayne and Ypsilanti.

Friday Deadline Set for Ladies' Swimming

Medical examination cards, registration slips and fees for the ladies' swimming class proposed jointly by the Northville and Plymouth Recreation committees should be sent to the Department of Recreation, Plymouth City Hall, before tomorrow, Friday, January 25.

The two evening sessions will be held at the Wayne County Training school pool on Wednesday evening, and possibly Thursday evening, said Wilson Funk, Northville Recreation director. The class will probably begin next week, said Funk.

Registration and medical cards can be picked up at the Northville Village hall. These, along with the \$3.00 fee, should be sent to Plymouth.

Dinner Party at Eatons' Honors Mrs. Plunkett

On Wednesday evening, January 23, Mr. and Mrs. L. M. Eaton of Eaton drive, honored the birthday of Mrs. Joseph Plunkett at their home.

Attending the dinner party besides the honoree's husband were Mr. and Mrs. George Muller, Mrs. George Bowland and Mrs. Roger Sackett. Mrs. Sackett and children will be sailing to Japan to join her husband in February.

ATCHINSON MOTOR SALES
202 West Main Street Northville, Michigan

15 different American stock automobiles—equipped as you buy them—were driven by Motor Trend Magazine as hard as steel and rubber can be driven. In these actual road tests of efficiency and performance, measured by the most accurate instruments obtainable, Chrysler proved itself superior to all others. In 13 tests Chrysler was first in 7—tied in 2, making a total of 9 out of 13... and first in total points!

Only by taking an engine to the limit of its potential, only by turning the corners at high speeds, applying brakes for emergency stops, torturing body, springs and shock absorbers, can you learn just what performance you can expect from the make of car you drive. The results of the Motor Trend tests were conclusive... as Chrysler, again, proved itself the one best car in America.

The Motor Trend Award, like numerous other honors today's Chrysler has won, is both a proof of and a tribute to Chrysler's magnificent Fire-Power engine and master engineering. Each demonstrates why, among men and women who know automobiles... Chrysler is always the first choice.

"A Place In The Sun" Coming To P-A Theatre Sunday and Monday

Northville theatre goers will be privileged to see one of the most talked about movies of the year when "A Place In The Sun" is shown, Sunday and Monday, January 27 and 28.

Starring Shelley Winters, Elizabeth Taylor and Montgomery Clift, this remake of Theodore Dreiser's "An American Tragedy" is as morbid and depressing as the original one made by Paramount in 1931. The story has been brought up to date, but the theme, that of a young man who seduces his sweetheart and plans to drown the pregnant girl so that he might be free to marry a socialite, is basically the same and is just as gruesome and horrible, despite the artistry of the production and the competent direction and acting. Montgomery Clift plays the poor, but ambitious son of a religious mission worker, who works in a bathing suit factory where he meets Shelley Winters, who also works at the factory. Invited to a swanky party, Clift meets and falls in love with Elizabeth Taylor, who returns his love. The movie ends unhappily for all concerned.

The Wednesday night double feature is "Gene Autry and the Mounties," starring Gene Autry, and Jon Hall and Marie Windsor in "Hurricane Island." The latter movie is in super cinecolor. Wednesday night is family night when the admission price is reduced.

Thursday, Friday and Saturday Joel McCrea, and Dean Stockwell will be seen in "Cattle Drive," technicolor western. The story revolves around a spoiled, egotistical youngster who becomes regenerated when he comes under the guidance of a kindly cowboy. It is an above average picture of its kind, and one that should please even those who normally shy away from westerns for the story is appealing. Young Dean Stockwell is excellent as the bullying boy who learns the error of his ways and a top notch performance is turned in by Joel McCrea, as the cowboy who wins his friendship. The outdoor background, enhanced by the color photography is a treat to the eye. This movie is fine entertainment for the entire family.

Skating Party Given To Honor Ardyce Atwood

Saturday, January 12, was set aside for celebrating the birthday of 12-year-old Ardyce Atwood, daughter of the Howard Atwoods of High street. Ardyce's parents invited eight of her school mates to spend the afternoon ice skating and playing games.

The girls attending the party were Kristin Karg, Eileen Gallagher, Sally Arnold, Judy Robinson, Becky Coolman, Joan Howser, Mary Welch and Bonnie Walker.

Novi Auxiliary Installs Officers

A slate of new officers headed by Betty Trickey was installed by Perry Kenner Post No. 76 Amvet auxiliary at the home of Mrs. Charles Trickey on Thursday, January 17.

Darcas Sugg, regional director, assisted by Reatha Houck, state chaplain, installed the 1952 post heads.

Taking office with President Betty Trickey are Irene Wendland, senior vice president; Lulu Whittington, junior vice president; Audrey Ortwine, secretary; Dorothy MacDermid, treasurer; Laura Baker, chaplain; Nellie Rackov, historian; Arline Rippey, sergeant-at-arms; Betty Sutton, liaison officer; and Laree Bell, parliamentarian.

Pat Kozak is the outgoing president. Mae Custer became a new member.

Blue Star Mothers Elect Officers

The Blue Star Mothers met last Monday with Mrs. Charles Westphall of High street.

Officers were elected for the ensuing year. Elected were: Mrs. Arlie Smith, president; Mrs. Nellie Koontz, senior vice president; Mrs. Doris Wick, junior vice president; Mrs. Doris Westphall, secretary; Mrs. Elsie Larson, treasurer; Mrs. Ann Dixon, chaplain; and Mrs. Mamie Nulty, hospital chairman.

LEGAL NOTICES

John L. Crandell, Attorney
Northville, Michigan
State of Michigan,
County of Wayne—ss.
395,215
At a session of the Probate Court for said County of Wayne, held at the Probate Court Room in the City of Detroit, on the thirty-first day of December, in the year one thousand nine hundred and fifty-one.

Present: Thomas C. Murphy, Judge of Probate.
In the Matter of the Estate of Laura Olson, Deceased.

An instrument in writing purporting to be the last will and testament of said deceased having been delivered into this Court for probate:

It is ordered, That the thirty-first day of January, next, at ten o'clock in the forenoon at said Court Room be appointed for proving said instrument.

And it is further ordered, That a copy of this order be published once in each week for three weeks consecutively previous to the day of hearing, in the Northville Record, a newspaper printed and circulated in said County of Wayne.

THOMAS C. MURPHY,
Judge of Probate.
Raymond Sadek,
Deputy Probate Register.

To the Supervisor of the Township of Northville, Wayne County, Michigan.
Madam:

You are hereby notified that the Board of County Road Commissioners of the County of Wayne, Michigan, did, at a meeting of said Board held on January 10, 1952, decide and determine that certain portion of road described in the minutes of said Board, heretofore taken and circulated as County Road No. 2, be abandoned and discontinued as a public highway.

The portion of the minutes of said meeting fully describing said road is attached hereto and made a part of the notice, which is given under and by virtue of Act 289 of the Public Acts of 1909, as amended.

In testimony whereof, I have hereunto set my hand at Detroit, Michigan, this 17th day of January, A.D. 1952.

BOARD OF COUNTY ROAD COMMISSIONERS OF THE COUNTY OF WAYNE, MICHIGAN.
John P. O'Hara, Chairman
Charles L. Wilson, Vice-Chairman
Michael J. O'Brien, Commissioner
By Sylvester A. Noetzel, Secretary and Clerk of the Board.

Commissioner Wilson moved the adoption of the following resolution:

Whereas, a strip of land, 60 feet wide, in the N.W. ¼ of Section 14, T. 1 S., R. 8 E., Northville Twp., Wayne County, Michigan, being the portion of the existing Reservoir Road, 60 feet wide, across Lot 52 of Supervisor's Northville Plat No. 2, as recorded in Liber 66 of Plats on Page 34, Wayne County Records, and being more particularly described as beginning at the intersection of the southerly boundary of the existing Reservoir Road and the westerly boundary of Northville Road, 66 feet wide, being a point in the easterly boundary of said Lot 52, thence proceeding from said point of beginning along the boundary of the Reservoir Road, 60 feet wide, N. 73°45'53" W., 307.03 feet to a point on the northeasterly boundary of Reservoir Road as relocated, thence said northeasterly boundary N. 20°42'30" W., 20.18 feet and N. 69°48'50" W., 143.47 feet, thence along the northerly boundary of said Lot 52, thence S. 73°45'53" E., 441.62 feet to the westerly boundary of Northville Road, 66 feet wide, being also a point in the easterly boundary of said Lot 52, thence along said easterly boundary S. 0°44'40" W., 51.88 feet to the point of beginning, and thence proceeding from said point of beginning along the boundary of the Reservoir Road, 60 feet wide, and

Whereas, there are no buildings of any character located upon or along said abandoned portion of county road; and

Whereas, said portion of county road is of no use or benefit to the public for highway purposes; and

Now, Therefore, Be It Resolved, that said portion of county road, being in the N.W. ¼ of Section 14, T. 1 S., R. 8 E., and the same is hereby absolutely abandoned and discontinued and shall cease to exist as a public highway; and

Be It Further Resolved, that this Board hereby determines that it is to the best interests of the public that said portion of county road be absolutely abandoned and discontinued.

The motion was supported by Commissioner O'Brien and carried by the following vote: Ayes, Commissioners O'Hara, Wilson and O'Brien, Nays, None. 34-36

To the Supervisor of the Township of Northville, Wayne County, Michigan.
Madam:

You are hereby notified that the Board of County Road Commissioners of the County of Wayne, Michigan, did, at a meeting of said Board held on January 10, 1952, decide and determine that certain roads described in the minutes of said Board should be a County road under the jurisdiction of the Board of County Road Commissioners.

The minutes of said meeting fully describing said roads are hereby made a part of this notice, and are as follows:

"Minutes of the meeting of the Board of County Road Commissioners of the County of Wayne, Michigan, at 3800 Cadillac Tower, Detroit, Michigan, at 10:00 a.m., Eastern Standard Time, Thursday, January 10, 1952.
Present: Commissioners O'Hara, Wilson and O'Brien.

Commissioner Wilson moved the adoption of the following resolution:
Be It Resolved by the Board of County Road Commissioners of the County of Wayne that the following described road be and it hereby is taken over as a county road and made a part of the County Road system of the County of Wayne:

A strip of land 60 feet wide in the N.W. ¼ of Section 14, T. 1 S., R. 8 E., Northville Township, Wayne County.

WEST POINT PARK NEWS

By Miss L. A. Ault

Miss Nancy Varhol of Shady-side spent last week-end with Mr. and Mrs. Paul Schmidt in Detroit.

Al Hardy and son, Duane, of Wayne were Sunday afternoon guests of Mr. Hardy's mother, Mrs. Christina Rehahn, on Mayfield avenue.

Mr. and Mrs. E. W. Stange of Mayfield avenue were calling on Mr. Stange's sister, Mrs. Clara Ahler, and family in Detroit last Saturday evening.

Mrs. Morton and daughter, Carol, who have had rooms with Mrs. Grace Simpson of Mayfield avenue, have moved into their own home in Detroit last week.

Thirty friends from Detroit, and neighbors from nearby, surprised Mrs. George W. Sandau at her home on Hubbard avenue with a birthday celebration last Saturday evening, which was a few days previous. Numerous lovely gifts were presented her.

By mysterious arrangement, a hearty supper was discovered to be in readiness and was greatly enjoyed by all.

At their home on Shady-side avenue last Saturday evening, Mr. and Mrs. Harry S. Wolfe entertained a group of friends.

Mr. and Mrs. Gerald Roberts and children of Mayfield avenue were guests Sunday at a birthday dinner honoring Mr. Roberts' father, George Roberts, at the latter's home in Farmington.

Mr. and Mrs. Homer Coolman and daughters, Wanda and Ruth Ann, visited friends in Detroit last Sunday.

Mrs. William Barrett of Irving avenue was the guest of Detroit friends last Saturday.

Mr. and Mrs. Francis Wagner of Westmore avenue spent last Sunday with relatives in Wyandotte.

Pvt. Howard McLellan has returned to Camp Leonard Wood in Missouri after visiting at his home on Westmore avenue.

Mrs. Homer Coolman of Shady-side spent Tuesday and Wednesday assisting at the Blood Bank at the Ford Motor company, near Plymouth.

Mrs. M. E. Ault of Mayfield avenue and daughter, Mrs. Edwin L. Johnson, visited near Monroe Wednesday.

Mr. and Mrs. George Throne of Ypsilanti were Friday night guests of Mrs. Throne's parents, Mr. and Mrs. Austin Ault of Brentwood avenue.

Mr. and Mrs. Fred Shelman and son, Dennis, of Colgate avenue are spending the week end

with Mrs. Shelman's sister, Mrs. Robert Laughman, and Mr. Laughman in Michawauka, Indiana. Their foster son, Robert Tallman, who has been a guest of his aunt and uncle, the Laughmans, for a few weeks, is returning home with them.

A son, Scott, was recently born to Mr. and Mrs. James Weatherdon. Mrs. Weatherdon will be remembered in this community as Ruth Broquet, daughter of F. Broquet of Norfolk avenue. The Weatherdons have purchased a home near Telegraph and Plymouth roads.

Mr. and Mrs. Sofus Persson and daughter, Hazel, of Filmore avenue were dinner guests of friends in Royal Oak last Saturday evening.

Mr. and Mrs. James Cupto of Ferndale were dinner guests last Sunday of Mr. and Mrs. Isidro Patino of Clarita avenue.

Mrs. Roy McMoran and daughter, Janice, of Shady-side avenue have returned home after a visit with Mrs. McMoran's parents in Towanda, Pennsylvania.

Miss Diana Boyd of Hillcrest avenue is the houseguest of her grandmother, Mrs. Thelma Boyd, in Northville.

The Livonia Methodist church plans a communion service for the evening of Ash Wednesday. The congregation expects to have a pot luck supper weekly during the period of Lent.

Women are invited to meet again Friday, February 1 at the home of Mrs. Homer Coolman on Shady-side avenue to work on the making of cancer pads and dressings. Anyone having cotton cloth suitable for such use and willing to donate same should contact Mrs. Coolman.

Mrs. Herman Schult and son, Alfred, were Detroit visitors Friday.

Mrs. E. W. Stange of Mayfield avenue is spending the week end with her daughter, Mrs. Robert Judd and family, in Grosse Pointe.

If one lives rightly, every effort to hurt one will only help that one; for God will give the ability to overcome whatever tends to impede progress.

BEGINNING FEBRUARY 2, all Edison offices will be closed on Saturdays. So when you phone or visit us from that date on, please remember—

• Detroit Edison Customer offices will be open Monday through Friday.

• Office hours will remain unchanged in the new 5-day week.

EMERGENCY CALLS—Of course, emergency calls can still be made day or night, seven days a week. If the office is closed, just phone our "after 5, Sunday and Holiday" number.

DETROIT EDISON

WITH OUR NEIGHBORS

South Lyon — The C. & O. railroad tracks through South Lyon were extra busy last Thursday because all New York Cen-

tral passenger trains between Detroit and Chicago were routed through here. The re-routing was done because of the derailment of New York Central's east-bound Wolverine flyer at Dexter Wednesday night.

Farmington — Purchase of a

tractor with snow plow and grass cutter attachments, was approved by the Board of Education of the Farmington Township School District at its regular meeting Monday evening.

South Lyon — Rev. and Mrs. C. G. Williams, formerly residents of South Lyon, celebrated their golden wedding at Auburn, Michigan last Friday, January 4. Rev. Williams was pastor of the First Methodist church here in South Lyon for many years. They were honored with an open house reception held at Auburn Methodist church. Hosts for the event were Rev. and Mrs. Leslie Williams of Highland Park, and Dr. and Mrs. H. C. Moore of Bay City.

Farmington — Establishment of area and block wardens is the initial step to be taken in the de-

fense of the Farmington area, it was decided at the first public meeting of the combined City-Township Civil Defense Council held Tuesday evening at the Farmington Town Hall.

Rochester — Village Manager Robert Slone was instructed by the council Monday night to draw up a map of the underground wires, sewers and electrical hook-ups and submit it to the Michigan State Highway Department as requested by that department.

Chelsea — Junior Reiley got the thrill of his life last Thursday afternoon when he speared an 18-pound pike through the ice at Half Moon lake.

Plymouth — The city of Plymouth stands to benefit about 50 percent more this year from the state gas and weight tax than was received last year.

Plymouth — The kind-hearted citizens of Plymouth again came through with flying colors. An appeal was made in this paper last week for blood donors for the boys in Korea. Over 700 persons in this community wouldn't let those fellows down as that many signed up by Tuesday night to give a pint of their blood so some boy might have a chance to come home alive.

Wayne — Questions raised on changing Wayne from a village to a city were answered by a panel at the Wayne Business and Professional Women's club meeting Tuesday night.

Brighton — Zoning for Brighton is now a fact. The zoning ordinance, passed by the City Council at its regular meeting January 3, is published in this week's Brighton Argus, as required by law. Zoning was initiated in Brighton a number of years ago by the now defunct Board of Commerce, whose members felt that a city which was experiencing such rapid growth should have some long-range city planning.

Brighton — To save money, property and lives, is the object of the City Fire Inspection program to be carried out in Brighton on January 25 by the Michigan State Fire Prevention Association, Colton Park and Charles Powers, co-chairmen, said this morning. Kiwanis and Rotary clubs here are sponsoring the program.

Village Library Receives New Books

The Northville branch of the Wayne County library has received a new stock of books, announced Miss Rhea Lyon, librarian.

Mary Lasswell has used the characters of "Suda In Your Eye" for another hilariously funny book, "Wait For The Wagon." The island of Samos is the background for the book "Cleopatra Slept Here" by Lillian Brown who is also the author of "I Married A Dinosaur." More humor can be found in "How To Get From January to December" by Will Cuddy. An excellent guide for abundant living for the man or woman of 40 years who want to plan for a happy future at retirement age can be found in "These Harvest Years" by Janet Baird.

Also to be found on the library bookshelves is the book "Best Science Fiction of 1951" and "The Wanderer" by Mike Watari who also wrote "The Egyptian." The story of Rachel and Andrew Jackson has been told delightfully by Irving Stone in his book, "The President's Lady," commented Miss Lyon.

Jinx Falkenburg's amusing biography "Jinx" is now at the Village library as is Elswyth Thane's book "This Was Tomorrow." This book is the sixth in a series concerning the Day family which deals with that family during the strife in Europe in 1934-38. Margery Sharp's new book, "Lise Lilly White" is as entertaining as her "Cluny Brown" and "The Nutmeg Tree."

Mobile unit grades apples in the orchard, boosts profits

Field tests have shown that mobile orchard graders increase the net income from apple crops, especially where fruit is stored orchard run or marketed in unfaced crates. Michigan State College Agricultural Experiment Station, in cooperation with the U. S. Department of Agriculture, tested a grader that weighed about 450 pounds and was powered by a 1-hp. gasoline motor. With it, 6 or 7 pickers and a sorting crew of 4 picked and sorted 7,852 bushels of apples in 135 1/4 hours. Results of using the mobile grader were: less handling and bruising, no unnecessary handling of undergrade fruit, increased picker output, less packing-house space needed and longer storage life of apples. For more information, telephone, write or visit your County Agricultural Agent.

Rural telephone service steadily improves

In 1951 Michigan Bell added 9,000 more telephones in rural areas. It made service better for 4,000 others with new equipment that put fewer parties on their line or gave them better ringing. Nearly three of every four establishments in Michigan Bell rural territory have telephones now; most are on lines with eight telephones or less. Money for extending and improving service must come from people who invest their savings in the telephone business. Naturally they expect the business to earn a fair profit, to pay them a fair return for the use of their money.

"We did it Again!"

That's the jubilant news that comes from Flint to every Buick dealer—and here we pass the thrilling story on to you. It sure is true for '52 that better automobiles are being built—and Buick is building them. Read the good word and you'll agree.

Let's pare this down to plain statements of fact and let them speak for themselves:

The dynamic darling pictured here is the 1952 ROADMASTER.

It has the mightiest engine in Buick history.

It has the biggest brakes of any postwar Buick.

It is the quietest car that Buick ever built.

It has the richest fabrics and smartest tailoring that ever graced a Buick's interior.

It has the greatest trunk space since spare tires moved off the front fenders.

It has the most superb ride in Buick history.

It has the finest carburetor that Buick research has ever devised.

And with all its new power, it delivers more miles per gallon.

But that is not all.

For those who wish it, there is a brand-new version of power steering that works like a helping hand—gives you the same sure feel of control you have always known in straight-away driving—yet takes less than one-fifth the effort needed to turn the ordinary wheel standing at curbside.

Sure, we're putting our best foot forward when we talk about ROADMASTER.

But you'll find a host of notable features in SUPERS and SPECIALS too—plenty to make them, as always, the standout buys in their fields—for ride, for comfort, for style, for room, and for power.

Come in—look this triumphant trio over—and you'll know why every Buick dealer from coast to coast is going around with a smile on his face.

Novi News

By Mrs. L. Rix

Dr. Glenadye Snow of Ypsilanti was the guest of honor on her birthday Sunday at a family dinner at the home of her sister and brother-in-law, Rev. and Mrs. Charles G. Morse. Other guests were their son and his family, Mr. and Mrs. C. L. Morse and children of Birmingham; and their daughter, Marjorie Morse, of Kalamazoo.

The Novi 4-H club girls met January 10 at the home of Sandra Walters. Plans were made for a bake sale to be held at Harnden's confectionery store on Saturday, January 26. The club will meet at the home of Sharon Edelman January 22.

Wednesday evening, January 30, at 7:00 p.m. a family night supper will be served in the basement of the Novi Methodist church. Mrs. Lacey, Supt. of the Methodist Children's Home, will be the guest speaker. Serving on the committee are Mrs. Elmer Burnstrum, Mrs. Leo Harrawood, and Mrs. Ray Scheffer.

Frank Watza has set up a real estate office in the Andrew McCollum building on East Grand River in Novi.

Last week was moving time for Novi school, when the rest of the lower grades moved into the new building.

The cast has been chosen for a spring operetta from the sixth, seventh and eighth grade pupils of Novi school. The operetta, "Up On Old Smoky," will have its setting in the southern mountains with all the old favorite ballads.

The Sunshine club held the January meeting at the home of Mrs. George Gleason on Wednesday of this week.

M. J. Moran was honored on his 84th birthday at the home by his daughter and her husband, Mr. and Mrs. Frazer Staman, by a surprise visit of about 40 friends and neighbors. Mr. Moran received two bouquets of red roses. Ice cream and birthday cake were served to the assembled guests.

Mrs. Belle Walter who is spending the winter months with her brother, William McCowan, in Mason, was in town for a short time Sunday. She called on Mrs. Joseph St. Onge and her sister, Mrs. Clyde Johnston.

Nurses Check Donors at Blood Bank

John Angell, left, and John Chedrick, right, were two of the first in line to be checked by Red Cross nurses in last Friday's blood bank drive at the Methodist Church House. The drive netted 126 pints of blood.

Dealer Announces 1952 Dodge Tests

The 1952 Dodge Coronet sedan has received a "standout" rating for its brakes, riding comfort and driver vision in scientific tests conducted by Motor Vehicle Research, an independent testing laboratory, of Boston, it is announced by G. E. Miller Sales and Service, Northville.

Results of the tests, which involved both road and laboratory work, are published in the February issue of the magazine "Science and Mechanics."

"On at least three points which are important in a family automobile, the Dodge is a standout," says "Science and Mechanics."

"Whereas average braking efficiency of 50 percent is considered acceptable and safe, this Coronet model registered 94 percent in braking to a stop from 50 mph—at a pedal pressure of only 44 pounds! Normally, as much as 80 pounds pressure is needed in emergency stops; somewhat less for a woman. The Dodge braked smoothly to a stop from 50 mph in only 87-88 feet, well under what is judged to be a safe stopping distance."

"The second point of excellence was the smooth ride. Over the roughest road surfaces, the Coronet was exceedingly comfortable, due to ride control Oriflow shocks, which controls the bouncing action by metering the flow of hydraulic fluid through shock absorbers."

"The third item which impressed the test crew was the high degree of driving vision. Forward the driver sits higher than in many other modern cars. His eye can see the road over the left fender at a distance of 21 ft 8 in. To the rear, his vision is considerably better than average, due in part to the shape of the rear view mirror."

An added feature, optional on the '52 model for the first time, is tinted glass for windshield and windows. The glass reduces sunlight glare and restricts passage of radiant heat through the windows, thus making the car's interior cooler in summer." —Adv.

CARD OF THANKS

I wish to thank the Methodist WSCS Society, Grace Tremper Circle, King's Daughters, Eastern Star, Maccabees and friends for the beautiful cards sent me while I was ill and especially do I wish to thank all those who were so thoughtful and kind to me during my stay in the hospital and when I returned home.

THE PROFESSOR SAYS

Dr. William G. Mather, professor of rural sociology at Pennsylvania State college, spoke the truth when he told the National Council of Churches that the measure of religion can no more be gauged by church membership "than the counting of a number of people in an area is a measure of health." Church membership has been made a very easy matter by churches who have modernized their methods by setting aside the scriptural requirements for membership and inviting in anyone who wants to be a member. The real church is composed only of sinners who have repented of their sins and put personal faith in Jesus Christ. By the very creative act of God they have become the new creations of God (See II Cor. 5:17) and their desires were changed. ONLY PEOPLE WHO HAVE BEEN BORN OF GOD SHOULD EVER JOIN ANY LOCAL CHURCH. The church was never intended to be a Community society to include all the people who have a splattering of goodness. The genuine church is an exclusive organism made up of people whose hearts have been changed by the Holy Spirit. A people who love Jesus Christ and seek to honor Him by living in subjection to Him. The world has no place in the church and the Church is not at home in the world. Are you united to Christ or are you merely united to a church?

Plymouth Optimists Hear Al Wistert

Al Wistert, former All American and an outstanding member of one of the University of Michigan's Rose Bowl teams who now resides on West Seven Mile road, was the guest speaker at the Plymouth Optimist club last Monday night. The Optimists were honoring David Walasky who was chosen the outstanding junior athlete of 1951 by the Plymouth Recreation department. Wistert spoke on the importance of training youth in sports and the effect of that training on a boy's future. He stressed the fine qualities of leadership, cooperation and other valuable characteristics a boy derives from participating in sports.

A member of the Northville Optimist club, Wistert, is in the insurance business in Northville. He last competed for the great Michigan team of 1947 and helped his alma mater to a 49 to 0 win over Southern California in the Rose Bowl game of that year.

Gookin Boy Wins Football Honors

As the most outstanding player on the East Nashville (Tenn.) football team, Richard Gookin, the son of former residents of Northville, Marvin and Helen Gookin, was awarded a gold wrist watch in the Thanksgiving Day Clinic Bowl game.

The Gookins lived on Baseline road while Mr. Gookin was affiliated with the Stinson Aircraft company in Northville and Wayne. When that company moved to Nashville, Tennessee, Gookin was transferred there.

Dick is a junior at East Nashville High school whose team was picked to play in the second annual Clinic Bowl game. The bowl games are sponsored by the Junior Chamber of Commerce with the proceeds earmarked for the Vanderbilt hospital Physical Therapy clinic.

The 160 pound left halfback "played one of his finest games on Thanksgiving Day," stated the Nashville Tennessean. He tossed a 13 yard pass to the end for one touchdown and scored another on a 29-yard dash. "If there's any one reason behind our success, it's been the improved play of Gookin. Offensively and defensively he's been our key man in recent games," said H. Martin, East mentor. The East-West game ended in a 34 to 6 victory for the East.

The former Northville boy was elected captain of the 1952 football squad by his teammates and is the captain of the 1951-52 basketball team.

Northville Debaters Win First Place

The Northville High school debaters won their affirmative and negative battles in the Wayne-Oakland League tournament at Milford January 10, according to Miss Florence Panatoni, debate coach. With these victories, the local team came into first place in the league with four wins and no losses.

The negative team composed of Barbara Couse and Walter Newton, won a decision over the Clarenceville team. Lucien Love-Schraders and Marilyn Funk of the affirmative team battled the Milford team.

The topic for the year's debating is: "Resolved: All American citizens should be subject to conscription for essential service in time of war."

MICHIGAN MIRROR

NON-PARTISAN NEWS LETTER

All eyes are on the state legislature again. Will it pass in the next three months a corporation tax bill? Will more consumers taxes be levied? Will the lawmakers balance the budget? Can the deficit spending be halted? All are weighty and ponderous issues facing the lawmakers. But rest assured, there will be budget piling.

And deep in the pile of budget bills will be one which undoubtedly will draw little fanfare from the busy lawmakers and an apparently disinterested public: The Michigan Tourist Council request for \$452,100. Officials now are wrought up because of unemployment in Michigan's number one industry, the automobile business.

The Conservation Commission again is out to gain discretionary power to set deer hunting regulations, a move advocated for some years now. Such a law would allow the commission to regulate seasons and bag regulations according to the supply of game in any specific area. Lawmakers have been cool toward giving up their strings on hunting.

With scrap drives being discussed again to bolster slackening auto production, Michiganites are reminded of World War II days. Copper is one of the most vital metals running short. John B. Martin, auditor general, says Michigan, above all states, should take its own steps to stimulate a scrap drive.

The state now owns 955,000 acres of land under oil and gas lease, netting \$1,200,000 in bonuses, rentals and royalties during the year.
