

## Opinion of Village Attorney On Use of Race Track Fund

Here is the opinion, written January 8, which James E. Littell, Village attorney, briefed to the Village Commission Monday night. The Commission requested Mr. Littell to explore the situation further, and report at the next meeting on how the accumulation of payments from Northville Downs can be reserved exclusively for the construction of a community building.

January 8, 1952

Village Commission  
Northville, Michigan  
Gentlemen:

You have asked our opinion as to the status of monies presently in a Village fund designated as "Building Fund" with particular reference as to whether these monies can be used for any purpose other than the construction of a community building. Specifically, we understand that you wish to know whether or not any portion of these monies can be used for the alley and off-street parking program presently underway.

### Facts

We have made an exhaustive investigation of the factual background in respect to the acquisition of the monies presently in the so-called "Building Fund." These monies have been received by the Village over a period of years in annual installments from the Northville Downs Association by reason of a provision in the lease between the Northville Driving Club, as Landlord, and the Northville Downs Association, as Tenant, to which lease the Village of Northville is not a party. The lease provides that \$500 per night of racing will be paid to the Village of Northville by Northville Downs Association in consideration of the Village supplying "an unlimited amount of water, adequate police protection required at said race meets, adequate fire protection" and the maintenance of "the highway through the south side of the demised premises and the highway running through the fair grounds along the north side of the grandstand." While the Village is not a signatory party to the lease, it has supplied the various local services mentioned in the lease as being the consideration for the \$500.00 nightly payment. The lease contains no restriction of any character as to the use by the Village of the funds received from the Northville Downs Association.

The minutes of Village Commission meetings indicate that the first reference to the creation of a building fund occurred at the meeting of January 28, 1946, when a resolution was adopted as follows:

That "\$25,000.00 from the 'General Fund' be transferred to a 'Building Fund' to be set up for the erection of the proposed community building."

On December 2, 1946, \$26,000.00 was transferred by resolution from "General Fund" to "Building Fund."

On November 17, 1947, \$20,000.00 of money from "race meet" was transferred to "Building Fund."

On November 1, 1948, \$23,500.00 was transferred from "General Fund" to "Building Fund."

On November 7, 1949, \$20,000.00 was transferred to "Building Fund" race meet).

On September 11, 1950, \$20,000.00 was transferred from race receipts to "Building Fund."

On September 17, 1951, \$20,000.00 was transferred from race meet to "Building Fund."

A total of \$154,500 of monies received from Northville Downs Association has been transferred to the "Building Fund." Such additional money over and beyond \$154,500 as may presently exist in the Building Fund is the result of interest income on investments.

Nowhere in the minutes does there appear to be any action of the Commission establishing formally a Building Fund and neither does there appear to be any Commission formal action in respect to the construction of a community building.

### Discussion

By statute and by charter, the Village is required to divide monies raised by General Tax into three primary funds, namely, the General Fund, the Highway Fund and the Interest and Sinking Fund. By charter, monies not received for any particular fund are required to be credited to the General Fund. The charter also prohibits monies belonging to one fund from being transferred to any other fund. It is well settled that "General Fund" collection from sources other than ad valorem taxation become a portion of the General Fund of the fiscal year in which the same are received by the Treasurer of the municipality involved, unless otherwise specifically provided by statute.

The specific monies in question are not the result of ad valorem taxation, have no incidences of taxation, were not received with any conditions imposed. Therefore, they are required to be in the General Fund and although presently entitled in an account known as "Building Fund," are in fact but a subdivision of the "General Fund."

Michigan statutes are silent on the question of transferring monies from one fund to another and the charter prohibition against

### Retail Merchants to Meet Monday

Members of the Northville Retail Merchants association will meet at the Veterans' Memorial hall Monday, February 11 at 8 p.m.

Associate members and those who wish to join as associate members are urged by the association to attend the meeting.

Sandwiches and refreshments will be served after the formal part of the meeting.

### Debaters Enter District Finals

After winning the Thursday, January 31 decision at Holly from Clarkston, the Northville High school debate team is eligible to enter the District finals for Class A and B schools. In the Wayne-Oakland league, the Northville team, coached by Miss Florence Panatoni, have won all six of their debates.

The Northville team, which is debating the question "Resolved: All American citizens should be subject to conscription for essential service in time of war," leads the league standings. Making up the team are: negative-Barbara Couse and Walter Newton; affirmative, Lucien Lovewell and Marilyn Funk.

The league standings are:

|                | Won | Lost |
|----------------|-----|------|
| Northville     | 6   | 0    |
| Clarkston      | 3   | 3    |
| Claremontville | 3   | 3    |
| Milford        | 2   | 4    |
| Holly          | 1   | 5    |

The team winning the District finals will advance to the quarter finals, semi-finals and finals.

### Election Workers Given Raise in Pay

Election board workers were granted a pay raise by the Village Commission Monday night. They will be paid \$1.25 an hour instead of the previous 85 cents.

There's a slight hitch, however. Board workers will be required to buy their own evening meals in the future instead of having them paid for.

### Workers to Sign Villagers For Free Chest X-Rays

In connection with the chest X-ray program to be conducted in Northville starting Monday, February 18 through February 22, exclusive of Wednesday, a canvass of Village homes will be made next week. Members of the Civil Defense housing committee will solicit citizens to visit the mobile unit during that time.

Mrs. Eldon Biery heads the survey group, said Dr. V. George Chabut, Village Health commissioner. Among those working

with her will be Mesdames Cliff Rollings, Karl Karg, Paul Beard, Claude Ely, Stewart Robinson and Joseph Denton. Other helpers will be enlisted to make the survey, he said.

The mobile unit is scheduled to visit the Village Monday, February 18, when it will be located at the Northville school from 9 to 12 noon and 12:30 to 3:30 p.m.

To X-ray pupils in grades nine through 12. For the rest of the week's visit the unit will be located at the Village Fire hall on West Main street. The Tuesday hours are set for 1 to 5 p.m. and 6 to 8 p.m.; on Thursday, 9 a.m. to 12 noon, and 1 to 5 p.m.; and Friday, 1 to 5 p.m. and 6 to 8:30 p.m.

### Novi School Plans Open House Feb. 13

The Novi school will hold an open house Wednesday, February 13 from 7 to 9 p.m. to officially open the new building, announce Mrs. Mary Ann Atkinson, superintendent of Novi school. Clara French, Eva Newman, Cecilia Sharpe and Wendel Crum are on the planning committee for the community affair.

After a tour of the new school building and the Community building, the parents and friends may interview the teachers and see exhibitions of each child's work, said Mrs. Atkinson. Acting as guides for the tour will be members of the Service Squad Girls' Cafeteria manager, Mrs. Doris Darling, will serve refreshments to the group.

A contest among the classrooms in the Novi school is being held this week to register visitors for the open house. A prize will be given to the class with the most registrants.

### Rotary Speaker

DAVID LEE

David Lee, whose trip last fall to Europe under the Youth for Understanding program was sponsored by the Northville Rotary club, related the high spots of his trip to members of the club last Tuesday noon. David is the son of Mr. and Mrs. Leslie G. Lee, of Fairbrook road.

Dr. Robert Scott of West Seven Mile road, and Frederick Collins of Cady street, were elected to membership in the Optimist club at the club's regular meeting Wednesday, January 30.

### Lost-Alumni Officers

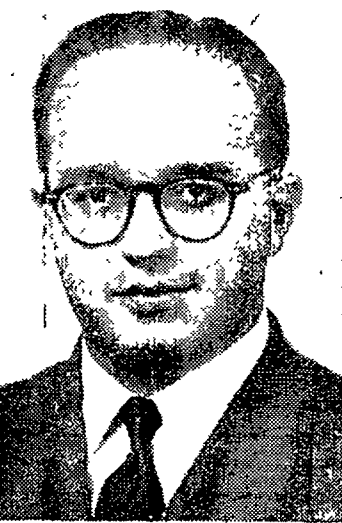

The Northville Alumni association in its endeavor to reorganize, has been unable to find records indicating what graduate holds the office of secretary.

Since John Stark, who was elected president of the group last summer, has left for the service, Dick Scharburg has taken over the duties of president. Any one having information concerning the current officers of the association are asked to contact him by phoning 347.

### Ham Operators to Stage "Operation Speed" Tonight

A group of local ham radio operators will show how they could be of use if a disaster situation should threaten Northville. Four members of the Amateur Radio club will send mobile units from point to point in Northville to demonstrate the speed with

### To Address Church

Rabbi E. F. Einhorn

### Exchange to Hear Rev. Zimmerman

The Rev. Donald E. Zimmerman will speak at the Northville Exchange club meeting February 13. The Rev. Zimmerman is director of church extension of the Detroit Presbytery and was recently named leader of a group which will make plans to develop Ford-owned land in Dearborn as a model community.

During World War II, Rev. Zimmerman was a prisoner of the Japanese. His experiences and observations while in their custody provide ample and interesting facts which he will relate.

### Rabbi Will Speak at Local Church

Rabbi Ephraim F. Einhorn, a spiritual leader of Congregation Ahavas Achim, of Detroit, will speak at 7:30 p.m. Sunday, February 10, at the First Presbyterian church, Northville. The program, presented by the Couples club, is open to the public.

Rabbi Einhorn has recently returned from a round-the-world tour, visiting in Spain, Morocco, Tripoli, Libya, Istanbul, Teheran and Israel. He will bring the annual talk on "Brotherhood," in keeping with Abraham Lincoln's birthday. Robert L. Hart, program chairman of the Couples club, will lead an informal discussion following the presentation by the Rabbi.

Rabbi Einhorn has served congregations in Pennsylvania and Canada, having received most of his education in England. He was spiritual leader of the West Ham Congregation, one of the largest in London, England. Rabbi Einhorn has been very active in Rotary International, as well as the National Conference of Christians and Jews. He has recently had an audience with President Seno, Miguel Alaman of Mexico. Also he has discussed the shift in policy in favor of Franco with the United States ambassador to Spain, Mr. Stanton Griffiths.

The Rabbi is recognized as the qualified to discuss the theme of "Brotherhood" because of his background as a world traveler.

### Lee Gives Program For Band Concert

Under the direction of Leslie G. Lee, the Northville High school band will present its Winter concert Tuesday, February 12. It will be held in the high school gymnasium beginning at 8 p.m. Besides the selections by the entire band, a flute trio will be featured, said Lee.

Sousa's march, "Fairness of the Fair," will be the first selection with the overture from "The Red Mill" by Victor Herbert preceding the flute trio. Marilyn Funk, Arlene Jerome and Gloria Clark will play "Impromptu" by Paulsen and Colby's "Three Blind Mice." The band will return to give the first movement of Schubert's Unfinished Symphony No. 8 and a novelty number entitled "Little Red Caboose" by Moffitt.

"Der Rosenkavalier" by Strauss and Haydn's "Adagio" from the cello concerto will be given. Walter Newton will solo in the latter number.

Concluding the concert will be a selection from "Martha" by Von Flotow and another Sousa march, "El Capitan," played by the entire high school band.

### Legion to See Film

The next regular meeting of Lloyd H. Green Post 147 of the American Legion February 12 at the Veterans' Memorial building will concern new social security regulations. Harry Falkoff will show a sound film on the subject at the 8 p.m. meeting.

## Money from Track Not Earmarked; Commission Looks for Way to Do So

How can the Northville Village Commission legally earmark, for the construction of a community building, the \$154,500 which the Village has received from the Northville Downs association over the past seven years?

This question was put to the Commission at its regular meeting Monday evening. The Commission, by a unanimous vote, asked James E. Littell, Village attorney, to come up with an answer at the next meeting.

It was Mrs. Arthur Carlson who raised the question.

Mrs. Carlson, with Walter Couse and Dr. August Holcomb, were the chief public spokesmen who asked the Commission to find a way to tie down, for use only in a community building, the funds received to date from Northville Downs.

Parking Lot Use?

Background of their request was a rumor that the Commission may be asked to use money from the building fund to purchase and improve parking lots in the rear of downtown stores. This was quickly denied by Leland Smith, a director of the Northville Retail Merchants' association. Mr. Smith emphasized that no member of the association would favor use of the money for such a purpose if it meant that the community building could not be built.

Mr. Smith pointed out that the merchants' association had merely inquired whether money in the building fund might be borrowed for the purchase of parking lots, if not needed immediately for the community building, and repaid either by receipts from parking meters or by a special assessment against business property benefitted by the parking lots.

Registration may be made at the opening session. Qualified students may elect the course for two hours of graduate extension credit if they wish. The course is open to teachers and others interested in psychology.

### Attorney's Office to Serve Northville

The Out-County branch of the Prosecuting Attorney's office opened Tuesday, February 5, in Allen Park to serve the people of the Village of Northville and Northville township in recommendations for warrants and other phases of law enforcement. Gerald K. O'Brien, Wayne county prosecuting attorney, has set up his office on the second floor of the Allen Park postoffice building at 6805 Park avenue, Allen Park.

Garfield A. Nichols, assistant prosecutor, will be in charge of the office with his staff consisting of John A. Mowatt, assistant prosecutor; Stanley Granankowski, assistant prosecutor; Lambert Pfeiffer, investigator; Marvin Polinsky, investigator; Abi H. Castel, Walter D. Naion and Elizabeth Ponczek, stenographers.

The office will be open from 8:30 a.m. to 4:30 p.m. Monday through Friday and 8:30 a.m. to 12 noon on Saturdays. The telephone number is Dunkirk 2-8155 for appointment.

Holidays, Saturday afternoons, Sundays and nights, all cases requiring immediate attention will be handled by the main office.

### Driver Training Class to Organize Monday

Since six Villagers have indicated their desire to enter a Driver Training class, Instructor Harry Smith has called a meeting for next Monday, February 11 in Room 1 of the Northville High school. This organizational meeting will begin at 7 p.m.

Any adults interested in learning to drive are asked to be at the meeting or call the high school office. On Monday, plans for the day and the time of each meeting will be made, said Smith.

RECORD  
AMBLINGS

A crowd of police cars and Villagers rushed to the Kroger store about 10:15 p.m. Saturday night when the burglar alarm went off. But, no burglars caused the bell to ring, but merely a gust of wind, reports Chief of Police Joseph Denton after making an investigation with Ed Barnes, store manager.

Contributing to the book, magazine and hanger collection for the new Northville Mental hospital this week were Mrs. Charles Boyce, Charles King, William Liebetreu, Mrs. Mable W. Miller and Harold Hatchett.

## Local Cancer Group Hears E. Tuescher

Smoking habits of Northville men between the ages of 50 and 65 years will come under close scrutiny in a health survey to be conducted by the American Cancer Society in an effort to determine the relationship, if any, between smoking and the development of lung cancer.

E. W. Tuescher, of the Detroit headquarters of the society, explained the program at a recent meeting in the Village library, over which Mrs. E. J. Willis, patients' aid chairman, presided.

Local organizations represented included the Board of Education, Rotary and Optimist clubs, Blue Star Mothers, Parent-Teachers association, Cub Scouts, Lutheran church, Veterans of Foreign Wars, Coordinating council, the Eagles and Eagles' Auxiliary.

Mr. Tuescher outlined a plan whereby volunteers in each community will be trained to conduct the survey among smokers and non-smokers, obtaining answers to a four-page questionnaire, which will be sent to national headquarters for analysis.

The program is the first health study of such magnitude to be conducted by volunteers, Mr. Tuescher said.

## Seniors Lead Third Honor Roll

With the closing of the third marking period of the first semester at the Northville High school, 11 senior class members have been placed on the honor roll with a B or better average.

The seniors on the roll were: Marjorie Johnson, Mary Lou Littenberger, Nancy Littell, Gail Matzen, Ingeborg Rothenpieler, Nancy Sanislow, Judy Sechlin, Vernon Westover, Mary Jean Woodruff, Gay Duerson and Ludwig Jagla.

Only two members of the junior class were named and they included Marlene Weiss and Barbara Bayless.

Ninth grade: Anne O'Leary, Dennis Proctor, Lynn Matzen, Mary Lovewell, Edward Mollema, Leanna Rae Doeksen and Marcia Doeksen.

Eighth grade: Gail Lawrence, Kathleen Heatley, Carolyn Burkman, Irene Bongiovanni and Ellen Dee Lornager.

Seventh grade: Thomas Heatley, Max Hollis, Cynthia Mellon, Mary Palmer and Janice Howarth.

## Rolling Down The River

by the PETZ BROS.

A fellow we know, dropped around the other day for a bit of service on his car and to give out with a big gripe about prices, especially those that make even a diet expensive these days. Told us that his wife, tired of trying to make ends meet on a salary that wasn't too big at that, especially after Uncle Sam took a whack at it, had figured a budget. 52% for food and heat, 25% for shelter, 10% for clothing, 8% for transportation, another 8% for insurance, 7% for the doctor and medicine and 5% for amusements, newspapers and other incidentals.

"But that comes out to 115%," we said, after some rapid calculation. "Don't I know it," said the customer, "but it's 20% better than we have been doing."

Well life's like that and one of those figures struck our fancy, because in our book, the Studebaker for '52 is about 20% better than anything else you'll find on the road today. More power, more beauty, more economy than you ever thought possible. We hope you've seen the new 'hard-top' convertible Starliner too, with its long sweeping, glamour lines. Available in both the V-8 and Champion lines, you'll agree it's the sweetest car you've ever seen . . . or driven.

Did we tell you of the boy, who when told to wash his hands, thought to stomp his mother by asking which one "The left one, dear," she answered, "and do you mind if I come along to see how you do it?"

By the way, is your car still using all its cylinders? Does it ride along with never a squeak or rattle? Just in case your own personal transportation unit doesn't live up to such a questionnaire, better get it in the garage and let our experts put it back in shape. It's so much more fun driving a car that answers readily, drives easily!

With the scent of politics in the air (we wouldn't say "smell"), we'll have to tell you of the politician, a perpetual sort, that buttonholed a meek little voter, determined to get that vote at least. "I'm sorry, Joe," said the voter, "but you're my second choice." "And who is your first," roared the candidate, determined to do a smear job. "Anybody, Joe. Just about anybody."

Yours,

## Letter to the Owner of Two-Tone Blue-and-Tan Chevrolet, '50 or '51 Model, 1951 Michigan License No. CX-9368

Dear Sir or Madam:

For the past week, I've found myself wondering, every now and then, if that boy of yours got home in one piece on January 26, the day you let him take the car to Lansing.

Beautiful car, and nice-looking boy, what little I saw of him. I didn't meet him, exactly, but five folks in another car nearly did, when he topped one of those long hills beyond Howell doing at least 85 on the wrong side of the double yellow line.

Three or four of us sissy drivers, plodding up the slope single-file behind a semi, took to the shoulder of the road just in case he might be guessing wrong. He made it by a few feet, thanks to the driver of the semi, who topped the rise, saw the other car coming, spotted your boy in the mirror, and made room for him to cut back in.

My companion remarked: "There's a kid who won't pull THAT again," which only shows how wrong you can be. When we passed the boy, I don't know; he must have stopped in Brighton. Anyhow, as we threaded those winding hills just east of U.S. 23, the same thing happened all over. The same two-tone Chev overtook a string of traffic on a long grade, cut out of line, and went all the way up and over the top on the wrong side of the yellow. And again, he made it.

We turned off at Novi, and up to then, at least, his luck apparently was holding. No sirens, no wreckage, no hushed knots of bystanders — none of the things one associates with that kind of driving. So maybe he did get home.

He won't always, if he keeps it up.

There's the off-chance, of course, that the State Police took him out of circulation east of Novi, and that is a pleasant reflection. In the interests of public safety, he should be grounded by someone, while his brain catches up with his body.

I could be wrong about that license number, by the way. You don't get much of a look at the license when acar's doing 80 or so; but if you have a two-tone blue hard-top Chevrolet with tan top and a number something like CX-9368, chances are that it was your car. There aren't too many of that particular model in existence — and there may be one less any minute, if that kid stays on the road.

N. W. HOPKINS.

## Rev. Wm. A. Johnson to Speak at Opening of Dearborn Church

Rev. William A. Johnson

Out of his experiences as a layman who helped to organize the first Sunday School of what is now the Mt. Olivet Community Methodist church in Dearborn, the Rev. William A. Johnson, pastor of the Northville First Methodist church, found his calling as a minister of the church. This Wednesday he will speak at the Recognition banquet honoring the opening of the new sanctuary of the Dearborn church.

"In 1920, while I was employed in the factory of the Ford Motor company, the Sunday School was begun in our home on Williamson street, in what was Springwells township," said Rev. Johnson. For two and a half years the school as well as the church services was held in the Johnson home. Every Sunday morning, the children congregated for their services and in the afternoon, the Rev. William Dawe of the Dearborn Methodist church, preached to the small gathering. "Because of crowded conditions, the piano and chairs were often carried out of doors for summer services," he reminisced.

Later the church was moved to a temporary building in the community which by that time was known as Dearborn. After the experiences of organizing this church, Rev. Johnson decided that he would like to be commissioned by the Detroit conference to work with the struggling churches and Sunday schools in the area. But since no provision was made for such a worker, he was ordained a Methodist pastor in 1924 and spent his summers attending Methodist conference schools. Until 1929, Rev. Johnson took courses at the University of Michigan, Ann Arbor, to aid him in his ministry work.

At the Wednesday Recognition dinner for the present pastor of the Mt. Olivet Community church the Rev. Edgar M. Wahlberg and his family, Rev. Johnson will be among the former ministers in attendance.

The celebration began Sunday, when the first services were held in the new sanctuary with the Rev. H. Clifford Northcott, Methodist Bishop of Madison, Wisconsin, giving the sermon. Scout services were held Monday evening, followed by a concert by the Ford orchestra and chorus Tuesday evening. The celebration will close tonight, Thursday, with a youth service.

### The Tower of Babel

We have a feeling that the NCAA and the college presidents will complete a tower of Babel. Recently a president of the Southeastern Conference, who is also a college president, came out savagely against all bowl games. A few days later most of the other Southeastern presidents voted overwhelmingly for bowl games, more and bigger bowl games.

Now if there is a split in one Conference you can imagine what will happen when rival sections tangle up. You may recall what happened to the Sanity Code when it came to NCAA attention. It was completely wrecked, thrown out of the window.

The big crash will come when athletic scholarships come up for a vote. Here the Ivy League and other Conferences are a thousand miles apart. Others are not so far apart, but at least they lack the direct honesty of the Southeast and Southwest who want from 100 to 150 athletic scholarships, where football players are often a group apart from the rest of the college.

I have seen the silver spoon welded to the pewter handle, but I am still waiting to see the NCAA delegates from seven Conferences get blended.

That will be something to see. And even then I won't believe it. We are quite likely to have several breeds of football players, forcing rankings under different playing or paying conditions. There may be the strictly amateur ranking, the sub-amateur ranking, the semi-pro and the boldly declared pro.

What a pretty dish that will be to set before the football fan! Bowls Abol!

## Northville to Get 1951 Tax Monies

Under the new formula governing distribution of monies collected in gas and weight taxes, Northville's share for the final quarter of 1951 is \$2,525.22, says a report from the Michigan State Highway department. Vouchers covering the payments to counties, cities and villages have been turned over to the Auditor General's office for payment.

The tax, totaling \$22,209,237.35, is now disbursed in accordance with provisions of Act 51 of the Public Acts of 1951. Under this act, all collections of weight and gas tax, and Diesel fuel, are placed in Motor Vehicle Highway fund. The State Highway department receives 44 percent of it, after deductions for the cost of collection, and for refunds to purchasers of fuel for off-highway use. The cities and villages received 19 percent and the counties the remaining 37 percent, distribution being made on the basis of population, highway mileage, and the amount of weight taxes collected in various counties.

The city of Plymouth will receive \$6,543.17 in the current distribution; the city of Livonia \$23,584.50, and South Lyon \$938.53.

## Weston to Aid Scout Course

Northville Patrol Leader Monroe Weston will be one of the officers for the Scoutmasters training course which will begin Thursday, February 7 at the Plymouth Junior High school. The seven week series will begin at 7:30 p.m. Other officers for the course include Scoutmaster Horace Cooke, Garden City; Assistant Scoutmaster J. B. Baker, Romulus; Patrol Leaders Bernard Lary and Bob Johnson of Plymouth and Bob Clarence Artley of Belleville.

Special guest instructors will be Norman Reckling of Detroit and Robert Tower of Royal Oak. Both men have attended national recognition in Scouting's Wood Badge Training course.

This course is open to any man who wishes to know more about Boy Scout troop operation. Assistant Scoutmasters and commissioners are expected to attend with the Scoutmasters.

A six-week series of training meetings for Cub Scout leaders will be open on Thursday, February 26, at the Bird Elementary school in Plymouth. This course will be open to both men and women.

Mr. and Mrs. Charles Stanford of Gladwin street, Wayne, announce the birth of a son, Charles Franklin, born Saturday, February 2 at Mt. Carmel hospital. The baby weighed eight pounds, two ounces.

There are now 80,298 units of Cub Scouts and Explorers in the Boy Scouts of America.

## Week's P & A Theatre Schedule Includes War Drama, Western

On the show card for tonight, Friday and Saturday, February 7, 8 and 9 at the Northville Penniman Allen Theatre is a re-issue of "My Friend Flicka." Starring in this popular horse film are Roddy McDowell, Preston Foster and Rita Johnson.

A typical war melodrama, "Fixed Bayonets" starring Richard Basehart, Gene Evans and Michael O'Shea, will play at the local theatre Sunday and Monday, February 10 and 11. The story revolves around a platoon of American soldiers who are left behind on a snow-covered Korean mountain pass to fight a rear guard action so that the rest of the regiment could be deployed safely elsewhere. While the action is marked by a number of thrilling scenes and by individual feats of daring and sacrifice, the story is more or less a character study in that it concerns itself chiefly with the thoughts and reactions of the soldiers.

The Wednesday, February 13, family night show is the "Ghost Chasers" with the Bowery Boys and Leo Gorcey. This movie, which is earmarked for family

entertainment is a mild comedy, is being shown with Johnny Mack Brown in "Blazing Bullets."

The show scheduled for the weekend of February 14, 15 and 16 is "Apache Drums," a western technicolor. This whites-versus-Indians melodrama is based on "Stand at Spanish Boot," by Harry Brown and presents the thrills that audiences seek. Excitement in the picture mounts and during the second half where the Apaches attack the town, is filled with suspense. Stephen McNally, Coleen Gray and Willard Parker are cast in the leads.

## Mrs. Wagenschutz Entertains Friday

Preceding the Friday meeting of the Northville Woman's club, Mrs. H. F. Wagenschutz of Beal street entertained at a luncheon in her home.

Attending the luncheon were Mesdames J. C. Burkman, R. M. Atchison, Orson Atchinson, A. R. Clarke, Frank Beeks, W. H. Cans-chasers" with the Bowery Boys and Leo Gorcey. This movie, which is earmarked for family

## Plymouth Council Denies Appeal by Future Homes

The Plymouth City Commission Monday night again denied permission for Future Homes, Inc. to build a Gunnison home for Mr. and Mrs. D. V. Hale at the corner of Brush and Harvey streets in Nash subdivision, Plymouth.

"Permission to build was denied," said a representative of the company, "despite the fact that cities such as Kalamazoo, Battle Creek, Grand Rapids, Lansing and Detroit have approved them and allowed them to be built."

Leo Myers, dealer for Gunnison home in Ann Arbor, said that approximately 75 of the Gunnison homes, many of them six years old now, have been built in the city of Ann Arbor and surrounding townships.

A representative of Future Homes, Inc. remarked that an article in last week's issue of the Record was not entirely correct. "The Plymouth Commission," he said, "has never viewed construction of the homes at the plant in New Albany, Indiana."

## Customers' Corner

We've 93 Candles on Our Cake!

Your A&P is 93 years young this week. For it was about this time in 1859 that our founder, George Huntington Hartford, proudly opened the doors of his modest little store on Vesey Street in downtown New York, the forerunner of today's A&P.

Even with his vision, we suppose he'd be surprised to see how his little business has grown.

We think he'd be proud, though, to know that the basic idea that guided him then, "to bring more good food to more people for less money," has been the reason for our growth.

We pledge to maintain this principle as long as there's an A&P!

## OBITUARY

**MICHAEL C. WEINER**  
A guard at the Detroit House of Correction for 19 years, Michael C. Weiner, of 4095 Webb, died Tuesday at the age of 62.  
Services were held last Thursday, January 31 from the Ira Kaufman chapel. Burial was in Macphelah cemetery.  
Survivors include his wife, Rose; a son, Leonard, and a daughter, Florence.

**MRS. W. M. WARD**  
The wife of a former minister of the Northville First Methodist church, Mrs. W. M. Ward, died at the home of her daughter, Mrs. Royal R. Campbell, of Detroit, on December 31, 1951 after a long illness.  
Besides serving in Northville, the late Rev. Ward had charges in Ortonville, Goodrich, Grand Blanc, Corunna, Tecumseh, Laumium, Romeo, Wyandotte, St. Clair and for six years was superintendent of the Bay City district.  
She is survived by two daughters, Lena Ward Campbell and Ruth A. Ward, both of Detroit; two sons, Robert Frank, of Flint and Leslie W. of Plymouth.

**MRS. HAZEL K. MOON**  
Services were held January 28 in Plymouth for Mrs. Hazel K. Moon, 61, of Plymouth, the mother of Mrs. Mary Katherine Clendenning of Six Mile road. Mrs. Moon died early Friday, January 25.

Mrs. Moon was the granddaughter of Michael Connor, the founder of the Conner Hardware company, one of the oldest business establishments in Plymouth. She was a member of the Plymouth First Presbyterian church, a past regent of the Sarah Ann Cochran chapter of the Daughters of the American Revolution, as well as a member of the Plymouth Historical Society, Plymouth Woman's club and the Symphony Society.

Surviving besides Mrs. Clendenning is her husband, Maxwell, a son, John, of Plymouth; a sister, Mrs. Elizabeth Tilton of New Hampshire; and a grandchild, Katherine Clendenning.

**MRS. LOTTIE CARD**  
Funeral services were held on Wednesday from the Casterline Funeral Home for Mrs. Lottie Rusner Card, 94, who died Monday, February 4 at the University hospital, Ann Arbor. The Rev. William A. Johnson, pastor of the Northville First Methodist church, conducted the services with burial following at the Novi cemetery.

Mrs. Card, who had recently made her home with O. L. Rusner in Manitou Beach, Michigan, was born September 28, 1856 to William and Sophia Rusner in Lake Orion. She had lived most of her life in the Northville, Novi and Plymouth area.

Surviving is a niece, Miss Camilla Rusner; Miss Cora Hake; Mrs. Sadie Long and Clarence Hake.

**MRS. MABEL P. PRESTON**  
Funeral services will be held today, Thursday, February 7, for Mrs. Mabel P. Preston, 64, who died at her home, 109 Fairbrook road, on Tuesday. The services will be conducted at 2 p.m. by the Rev. William A. Johnson from the Casterline Funeral Home. Burial will be in Rural Hill cemetery.  
Mrs. Preston was born March

## EVERETT M. HARRIS

Everett M. Harris passed away Saturday, February 2 at the William H. Maybury sanatorium at the age of 53. The body remained at the Schrader Funeral Home, Northville, until Sunday when it was shipped to St. Louis, Missouri for burial. A half brother, Charles Payne, of St. Louis, accompanied the body.  
Harris was born in St. Louis, Missouri, to William and Katherine Harris. For the past eight years he had lived in Detroit. He was a veteran of World War I.

## CORRECTION

In the January 31 edition of The Northville Record it was erroneously stated that the funeral of Dr. Jonathan A. C. Hildner, father of Mrs. Cameron W. Lodge of Plymouth, was conducted by the Schrader Funeral Home in Plymouth. Services were held from the Schrader Funeral Home of Northville Monday, January 28.

## CARD OF THANKS

I would like to express my appreciation for all the beautiful greetings and nice wishes I received while in Beyer Memorial hospital at Ypsilanti.  
Each came with its own ray of sunshine and a wonderful lift. May I especially thank all the employees of the Kroger store and Dr. Handorf.  
Wava G. Lee 36

If all of Michigan's laying hens produced in 1951 were lined up, head to tail, they would make a line 3,408 miles long or a distance from East Lansing to Nome, Alaska. Likewise, if all the turkeys were on parade, their line would be 473 miles long or the distance from East Lansing to Baltimore, Maryland. Although the broiler business in Michigan is still in its infancy, if we again lined them up, this line would stretch out 492 miles or the distance from East Lansing to Minneapolis, Minnesota.

**Early Start Suggested**

Mr. Couse emphasized that construction of the community build-

ing might be financed now without waiting for receipts from the Downs to accumulate to the point where the entire cost can be defrayed at the outset. Several other Michigan communities have financed similar projects, he said.

**Opinion of Attorney**

(Continued from Front Page)

the transfer of monies from one fund to another can only reasonably refer to the use of specific funds, raised for specific purposes, by some form of taxation. Legally, funds within the "General Fund" of the municipality are not frozen in any particular subdivision unless some contractor or similar person has acted to his detriment in reliance upon these funds. Such factual situation does not exist in this case. Within the various subdivisions of the "General Fund" there can be free transferrability of monies.

**Opinion**

We have found no case law in Michigan directly in point with the facts. This is probably so because it is an uncommon situation for municipalities to receive money from any source other than taxation. Such gifts of money as may be received usually have conditions upon their use attached to them. Statutes and charters do not generally consider municipalities as receiving monies from any source other than taxation, and all statutory and charter construction as to mandatory, permissive, and prohibitive uses of funds must be made with this basic conception in mind. The safeguards which statutes and charters set up with respect to the use of public monies are predicated upon an attempt to protect the taxpayer, the person who supplied the public money in the first instance, and to protect the public as a whole.

It is, therefore, our opinion, that if this problem were presented to a Michigan court, it probably would conclude as follows:

1. That the monies presently in the so-called "Building Fund" are in fact in a subdivision of the "General Fund."
  2. That these monies can be transferred from this subdivision of the "General Fund" to another subdivision of the "General Fund," such as an Off-Street Parking Fund, and be used for the purpose of acquiring such public improvement.
  3. That such monies being subject to transfer within the "General Fund" can likewise be borrowed by one subdivision of the "General Fund" from another subdivision of the "General Fund."
- An additional problem presents itself not specifically mentioned above. The charter prohibits the payment of General Fund monies unless an appropriation has been specifically made therefor in the last preceding annual budget. Modern municipal charters are much more liberal in this appropriation problem, recognizing as they do the arbitrary inflexible prohibition as contained in the Northville Charter. However, with the charter provision such as it is, the Commission cannot spend for off-street parking in the current fiscal year more money than it appropriated in the current budget.

Very truly yours,

**New Sex Hormone to Make Sheep Bear Twice a Year**

The farmer's dream of making sheep bear lambs twice a year, thereby providing more and cheaper lamb chops, appears about to come true.

Upjohn Co. announced the development of a new sex hormone, known as E.C.P., which, the firm claims, makes sheep come in heat twice a year instead of once. It also has proven highly successful in treating sterility in cattle and swine, the company said.

Dr. J. L. Davis, head of the department of veterinary medicine at Upjohn, said the hormone will be widely available by March 1.

In tests of the new hormone, two scientists at a southern veterinary college took 202 ewes during the summer when sheep normally do not come in heat. One flock of 48 were not treated and held as controls. Of the balance of 154, the scientists reported 92 percent came in heat. In other experiments made on 300 ewes in Tennessee and Alabama during the off-season, more than 90 percent came in heat within the first five days, the company said. The period of gestation of a ewe is 21 weeks to 22 weeks.

Upjohn claims the new discovery should have great economic importance in increasing the supply of food. There are about 24 million dairy cows, 14 million brood sows who produce about 106 million hogs for market yearly, and 31 million sheep and lambs in the United States.

Figures are not available on losses now because of failure of cows to breed. However, it is estimated about 3 million sows every year do not produce litters. If these could be made to produce, as many as 20 million pigs might be added yearly to the national food supply. Doubling lamb production from the 31 million sheep who now produce about one lamb a year also is considered of major potential importance.

**CHURCHES DIAGNOSED**

"A Missionary home on furlough, when asked what he thought was the matter with Churches in America, diagnosed the ills as follows: (1) Fatty degeneration of the heart. (Wealth, luxury and ease). (2) Pernicious anemia. (Lack of blood in their theology and in their fight against sin). (3) Cerebral brospinal meningitis. (Destruction of backbone and brain center). (4) Cancer. (Unbelief in the supernatural). (5) Neuritis. (Supersensitiveness to ridicule and criticism)." One is reminded of the rebuke given to the Laodicean Church in Rev. 3:15-16 "I know thy works, that thou art neither cold nor hot; I would thou wert cold or hot. So then because thou art lukewarm, and neither cold nor hot; I will spue thee out of my mouth" One of the greatest deceptions being practiced on the American public today is that all churches are alike. Believe me, friends, they are not! If the church you go to stands uncompromisingly for the Truth as found in the Bible teaching salvation by faith in the Lord Jesus Christ, and exhorting believers to a Holy Walk, then support that church with all that is within you. On the other hand, if the church you attend is like the above church diagnosed by the Missionary, then it's time for you to honor God by getting out. Christians should be better separators than mixers!

## White Shrine to Sponsor Tri-City Players Feb. 15-16

Add a willingness to work to a yen for the stage and an amateur group of players may result. That's the case with the Tri-City Players, who will present "Take Your Medicine" at the Presbyterian church house Friday and Saturday nights, February 15 and 16.

The Tri-City players will be sponsored in the play by the White Shrine of Jerusalem, of Northville. Proceeds will go into the group's general fund for local charitable work, according to Mrs. Ida B. Cooke, High Priestess.

The Players organized late in August, 1951, when Chairman and Director Stewart Dodge began rounding up men and women who wanted to belong to an acting group. Response was quick. The Players now number 18, with room for more.

"Take Your Medicine," a comedy, will be the initial effort for the Players. The one-act, one-scene play concerns a crotchety old rich man and a pleasant old gentleman who are hospitalized. Confusion results when the dissatisfied, wealthy uncle thinks his niece's boyfriend is about to become a medical doctor. Actually, the boyfriend is only going to receive a scholastic honor. Ten other members of the cast running in and out—among them a scatterbrained nurse—don't help things a bit for the principals.

The Players are a non-profit organization. They seek sponsorship of various organizations interested in adding to funds for charitable work.

Stewart Dodge is president of the Players. Mrs. Patricia Roginski is vice president; Clyde Davis is business manager, and Norrine Kleinschmidt is secretary-treasurer.

## Manufacturers Say Gas Interruptions Hit Industry

Michigan's industrial strength is being threatened by official failure to prevent repeated interruptions in the supply of gas for vital manufacturing operations, it was charged this week by the Gas Appliances Manufacturers association.

Pointing out that curtailed delivery of gas to industry is often necessitated by house-heating needs during winter months, Donald A. Campbell, an official of the Gas Appliance Manufacturers association, said "both industrial and domestic gas users would benefit if the state public service commission established a system of rating industrial users in terms of true essentiality."

"Such a system would indicate where gas is indispensable and would remove a major obstacle to Michigan's industrial expansion," Campbell said. "Direct benefits, besides uninterrupted production, would include more and better payrolls and greater security for thousands of Michigan families."

It is known, he said, that manufacturing companies seeking locations or planning expansion of facilities in this area have been discouraged by inadequate gas supplies. "In fact," he added, "some industries may already have left the state on this account."

"Industries have been told that additional supplies of gas simply are not available," he said. "The answer to the problem, however, is not supply, but in balanced distribution. Delivery of gas in direct proportion to each industry's contribution to the defense and domestic economy, must be undertaken if Michigan's automotive, machines, chemical, cement and other leading enterprises are to be spared labor layoffs and reduced productivity."

Campbell, who heads GAMA's industrial gas equipment division, said that "engineering advances in recent years have turned gas into a tool instead of a fuel, and in many processing and heat-treating applications there is no substitute for the gas flame."

Improved uses of gas have enabled many companies here and in other states to increase their output and improve the quality of their products, with relatively minor increases in gas consumption.

"Technology made this possible," he declared. "Technology applied to gas distribution, might solve the industrial gas problem, without interfering with domestic uses of the fuel."

## LEGAL NOTICES

To the Supervisor of the Township of Northville, Wayne County, Michigan

You are hereby notified that the Board of County Road Commissioners of the County of Wayne, Michigan, did, at a meeting of said Board held on January 10, 1952, decide and determine that certain portion of road described in the minutes of said Board, heretofore taken over as a County road, should be absolutely abandoned and discontinued as a public highway.

The portion of the minutes of said meeting fully describing said road is attached hereto and made a part of the notice, which is given under and by virtue of Act 293 of the Public Acts of 1909, as amended.

In testimony whereof, I have hereunto set my hand at Detroit, Michigan, this 17th day of January, A.D. 1952.

**BOARD OF COUNTY ROAD COMMISSIONERS OF THE COUNTY OF WAYNE, MICHIGAN**  
 Charles L. Wilson, Chairman  
 Charles L. Wilson, Vice-Chairman  
 Michael J. O'Brien, Commissioner  
 By Sylvester A. Nottel, Secretary and Clerk of the Board.

Commissioner Wilson moved the adoption of the following resolution: Whereas, a strip of land, 50 feet wide, in the N.W. 1/4 of Section 14, T. 1 S., R. 8 E., Northville Twp., Wayne County, Michigan, being the eastern boundary of the existing Reservoir Road, 50 feet wide, across Lot 52 of Supervisors Northville Plat No. 2, as recorded in Liber 66 of Plats, on Page 34, Wayne County Records, to be abandoned, said portion of road being more particularly described as beginning at the intersection of the existing Reservoir Road and the westerly boundary of Northville Road, 66 feet wide, being a point in the easterly boundary of said Lot 52, thence N. 0°41'40" E. 1120.41 feet, from the S.E. corner of said Lot 52 thence proceeding from said point of beginning along the easterly boundary of the existing Reservoir Road, 50 feet wide, N. 73°45'53" W. 307.03 feet to a point on the northeasterly boundary of Reservoir Road as relocated, thence along northeasterly boundary N. 20°42'30" W. 20.18 feet and N. 59°18'50" W. 140.47 feet, thence along the northerly boundary of the existing Reservoir Road S. 73°45'53" E. 411.62 feet to the westerly boundary of Northville Road, 66 feet wide, being a point in the easterly boundary of said Lot 52, thence along said easterly boundary S. 0°41'40" W. 51.88 feet to the point of beginning, as a County road under the jurisdiction of this Board; and

Whereas, there are no buildings of any character located upon or along the above-described portion of county road, and

Whereas, said portion of county road is of no use or benefit to the public for highway purposes; and

Now, Therefore, Be It Resolved, that said portion of county road, being in all 0.066 mile of county road, be and the same is hereby absolutely abandoned and discontinued and shall cease to exist as a public highway; and

Be It Further Resolved, that this Board hereby determines that it is to the best interests of the public that said portion of county road be absolutely abandoned and discontinued.

The motion was supported by Commissioner O'Brien and carried by the following vote: Ayes, Commissioners O'Hara, Wilson and O'Brien, Nays, None.

To the Supervisor of the Township of Northville, Wayne County, Michigan:

You are hereby notified that the Board of County Road Commissioners of the County of Wayne, Michigan, did, at a meeting of said Board held on January 10, 1952, decide and determine that certain portion of road described in the minutes of said Board should be a County road under the jurisdiction of the Board of County Road Commissioners.

The minutes of said meeting fully describing said road are hereby made a part of this notice, and are as follows: "Minutes of the meeting of the Board of County Road Commissioners of the County of Wayne, held at 3800 Cadillac Tower, Detroit, Michigan, at 10:00 a.m., on January 10, 1952.

Present: Commissioners O'Hara, Wilson and O'Brien.

Commissioner Wilson moved the adoption of the following resolution:

Be It Resolved by the Board of County Road Commissioners of the County of Wayne, Michigan, that the following described road be and it hereby is taken over as a County road and made a part of the County Road system of the County of Wayne:

## Proposed Amendment Of The Zoning Ordinance Of The Township Of Northville

THE TOWNSHIP OF NORTHVILLE ORDAINS.

Part I. That the Zoning Ordinance of the Township of Northville is hereby amended by the amending of the title to read as follows:

**AN ORDINANCE ENACTED UNDER ACT 184, PUBLIC ACTS OF 1943 OF THE STATE OF MICHIGAN, TO PROVIDE FOR THE ESTABLISHMENT OF ZONING DISTRICTS LYING WHOLLY WITHIN THE UNINCORPORATED PARTS OF THE TOWNSHIP OF NORTHVILLE, WAYNE COUNTY, MICHIGAN, WITHIN WHICH ZONING DISTRICTS THE USE OF LAND, NATURAL RESOURCES AND STRUCTURES, INCLUDING TENTS AND TRAILER COACHES, THE HEIGHT, THE AREA, THE SIZE, AND THE LOCATION OF BUILDINGS HEREAFTER ERECTED, THE LIGHT AND VENTILATION OF SUCH BUILDINGS, THE AREA OF YARDS, COURTS AND OTHER OPEN SPACES, AND THE DENSITY OF POPULATION SHALL BE REGULATED; TO PROVIDE FURTHER FOR A METHOD OF ADMINISTRATION AND ENFORCEMENT OF ITS PROVISIONS AND TO PRESCRIBE PENALTIES FOR THE VIOLATION OF ITS PROVISIONS; AND TO PROVIDE FOR A BOARD OF APPEALS AND ITS POWER AND DUTIES.**

Part II. That the Zoning Ordinance of the Township of Northville is hereby amended by the amending of Sections 3.06, 3.08 and 3.09 of Article III, Section 10.01 of Article X, Section 13.01 of Article XIII and Section 16.01 of Article XVI, respectively, to read as follows.

Section 3.06. PLATTING. No unplatted areas shall be platted until such time as streets are dedicated and laid out to conform with the adjoining platted property and approved by the Township Board, and such other bodies as required by law, and no area shall be platted so that the depth of individual parcels is greater than four (4) times the front width.

Section 3.08. TOILETS AND SEWAGE. No outside toilets shall hereafter be erected. Also, sewage and toilets shall be connected to sewers when available. Where sewers are not constructed or in operation, all sewage and toilets shall be connected to approved septic tanks with approved disposal fields.

Section 3.09. NON-CONFORMING USES. The lawful use of buildings or of land existing at the time of the adoption of this ordinance may be continued subject to the provisions of Section 3.03 hereof in respect to dwellings, although such use does not conform with the provisions hereof, and such uses may be extended throughout the building, provided no structural alterations or changes are made therein, except those required by law or ordinance or such as may be required for safety, or such as may be necessary to secure or insure the continued advantageous use of the building during its natural life.

Nothing in this ordinance shall prevent the reconstruction, repairing, or rebuilding and continued use of any non-conforming building or structure damaged by fire, collapse, explosion, or acts of God or public enemy, subsequent to the effective date of this ordinance, wherein the expense of such reconstruction does not exceed sixty (60) per cent of the assessed valuation of the building or structure at the time such damage occurred.

Whenever a non-conforming use of a building or land has been changed to conform with the provisions of this ordinance, such use shall not thereafter be restricted use or to a conforming use, such use shall thereafter be restricted back to a less restricted use.

If a non-conforming use of a building or land is discontinued for a continuous period of one (1) year, any subsequent use of such building or of the land on which the same is situated shall be in conformity with the regulations specified by this ordinance for zoning districts in which such building and land are located.

Immediately after the effective date of this zoning ordinance or amendment thereto, the Township Zoning Board shall prepare a complete record of all non-conforming uses and occupations of lands, buildings and structures, including tents and trailer coaches, existing at the time of such ordinance or amendment. Such record shall contain the names and addresses of the owners of such non-conforming use and of any occupant, other than the owner, the legal description of the land and the nature and extent of use. The Township Board shall prescribe the procedure for making any necessary corrections and copies of the corrected record, when approved by the Township Board, shall be filed in the offices of the Township Clerk, which record shall constitute prima facie evidence of the number, character and extent of the non-conformances at the time an ordinance or an amendment thereto becomes effective. The record of non-conformance shall be revised annually as the Township Board may prescribe.

Section 10.01. USES PERMITTED. All other uses not prohibited by law, except any of the following uses:

Bag cleaning;  
 Blast furnace;  
 Boiler or tank works;  
 Central mixing plant for cement, mortar, plaster or paving materials;  
 Coke oven;  
 Curing, tanning or storage of raw hides or skins;  
 Distillation of bones, coal or wood;  
 Distillation of tar;  
 Removal of top soil, clay, sand, gravel, stone, rock or aggregates, except as hereinafter provided;  
 Any use which by reason of the emission of odor, fumes, dust, smoke, vibration or noise, or the disposal of wastes, if deleterious to other industrial or commercial activities lawfully conducted within the district, or if noxious or offensive to uses permitted and conducted in neighboring residential or commercial districts.

Section 13.01. No building or structure within the limits of the unincorporated area of the Township of Northville shall hereafter be erected or altered until a permit shall have been obtained by the owner of said building from the Building Inspector. No such permit shall be issued to erect or alter a building or structure or make any changes of use unless they are in conformity with the provisions of this ordinance and amendments hereto hereafter duly enacted.

No building permit shall be issued under the terms of this Ordinance before

(a) The Building Inspector shall have inspected and verified the existence of a well or water supply, and

(b) The Building Inspector shall have approved plans for the disposal system and the location and distances of the building (residential, commercial, industrial or assembly) from the well and the disposal system.

Section 16.01. CHANGES AND AMENDMENTS. The Zoning Board of the Township of Northville shall, at least once each year, prepare and file with the Township Board a report on the operations of the Zoning Ordinance, as amended, including, when necessary, recommendations as to the enactment of amendments or supplements thereto.

The Zoning Board shall receive petitions from individual property owners or groups of property owners requesting district change or amendments or supplements to said Zoning Ordinance. The Zoning Board shall consider each petition and after study, with the technical assistance if deemed necessary, vote on the issue as stated in the petition. When approved by a majority vote of the Zoning Board, said Board shall prepare a proposed amendment for public hearing as required by Act 184 of the Public Acts of 1943, as amended. The Zoning Board may modify a proposed amendment as it affects the comprehensive zoning plan and regulations of the Township and as it reflects the interest of adjacent property and of the community as a whole. After submission to and approval by the County Zoning Commission or the County Coordinating Zoning Committee, the Zoning Board shall then report its district changes, amendments or supplements to the Township Board and recommend their adoption.

Part III. That the Zoning Ordinance of the Township of Northville is hereby amended by the amending of Article XVIII thereof to read as follows:

**ARTICLE XVIII. VIOLATION, ENFORCEMENT AND PENALTIES**

Section 18.01. It shall be the duty of all architects, contractors, sub-contractors, builders and other persons having charge of the erecting, altering, changing or remodeling of any building or structure, including tents and trailer coaches, before beginning or undertaking any such work, to see that a proper permit has been granted therefor and that such work does not conflict with and is not in violation of the terms of this Ordinance; and any such architect, builder, contractor or other person doing or performing any such work of erecting, repairing, altering, changing or remodeling without such a permit having been issued or in violation of, or in conflict with the terms of this Ordinance, shall be deemed guilty of a violation hereof in the same manner and to the same extent as the owner of the premises or the persons or person for whom such buildings are erected, repaired, altered, changed or remodeled in violation hereof and shall be held accountable for such violation.

Section 18.02. Any building or structure, including tents and trailer coaches, erected or being erected, constructed or reconstructed, altered, repaired, converted or maintained, or any building, structure, including tents and trailer coaches, or land used in violation of this ordinance or other regulation made under the authority of the Township of Northville is hereby declared to be a nuisance per se and the Township of Northville through its qualified officers as provided for by statute for maintaining suits, may institute proceedings in the Circuit Court in Chancery for the purpose of restraining any violation of any of the provisions of this Ordinance. The Building Inspector, the Legislative Body of the

Township, the Board of Appeals or any court having jurisdiction shall order such nuisance abated and the owner or agent in charge of such building or land shall be adjudged guilty of maintaining a nuisance per se.

Section 18.03. Any person, firm or corporation who shall violate any provision of this Ordinance shall be deemed guilty of a misdemeanor and upon conviction thereof punished by a fine not to exceed One Hundred Dollars (\$100.00), and the costs of prosecution or, in default of the payment thereof, by imprisonment in the County Jail for not to exceed ninety (90) days, or of both such fine or imprisonment in the discretion of the court. Each day that a violation is permitted to exist shall constitute a separate offense. The imposition of any sentence shall not exempt the offender from compliance with the requirements of this Ordinance.

Section 18.04. RELIEF FROM PERSONAL RESPONSIBILITY. The Building Inspector shall not be personally liable while acting for the Township and he is hereby relieved from all personal liability from any damage that may accrue to persons or property as a result of any act required or permitted in the discharge of his official duties.

Part IV. That the Zoning Ordinance of the Township of Northville is hereby amended by the addition of new sections to appear and become a part of said Ordinance in numerical sequence and be numbered as follows: Article I, Section 1.20 (a); Article III, Sections 3.19, 3.20 and 3.21, respectively.

Section 1.20 (a). FLOOR AREA. Floor area shall be the area including within the exterior walls of the main structure at the ground floor level, not including garages or enclosed or unenclosed porches and not including attached utility or accessory rooms having three or more exterior sides.

Section 3.19. REMOVAL OF TOPSOIL, ETC. The commercial use of land for and by the removal of topsoil, clay, sand, gravel, stone, rock or aggregates from the land is not permitted in any district except under a Temporary Certificate from the Board of Appeals, which may be denied or issued in appropriate cases upon the filing of an application accompanied by a suitable agreement or bond that such removal will not cause stagnant water to collect or leave the surface of the land at the expiration of such permit in an unstable condition or unfit for the growing of turf or for other land uses permitted in the district in which such removal occurs.

Section 3.20. TEMPORARY OR GARAGE DWELLING. All temporary basement dwellings, or garage dwellings, which have been heretofore erected or occupied, are hereby declared to be unlawful dwellings and shall be vacated within a period of two (2) years or otherwise altered so as to comply with the provisions of this Ordinance. Buildings erected as garages shall in no case be occupied for dwelling purposes unless they comply with all the provisions of this Ordinance.

Section 3.21. STORAGE AND PARKING OF MOVING VANS, TRAILERS, ETC. The storage or parking or use of moving vans, automobile trailers, trailer coaches, bus or street car bodies, similar dwellings, or tents shall not be allowed or considered a legal accessory use in an R-1, R-1-F, R-2, C-1 and C-2 districts except that a temporary permit may be issued for the parking of one (1) house trailer for not more than sixty (60) days within any calendar year when occupants of such house trailer are provided with the sanitary facilities used by the household on whose lot they are occupying. This shall not prohibit the storage of one unoccupied house trailer in the rear yard which is the property of the occupant.

Part V. CONFLICTING PROVISIONS REPEALED. Any ordinance or parts of an ordinance in conflict with any of the provisions of this Ordinance are hereby repealed.

Part VI. WHEN EFFECTIVE. The provisions of this Ordinance are hereby declared to be immediately necessary for the preservation of the public peace, health, safety and general welfare and are hereby ordered to take effect thirty (30) days after final enactment and publication.

Part VII. VALIDITY. Should any section, clause or provision of this Ordinance be declared by the courts to be invalid, the same shall not affect the validity of the Ordinance as a whole, or any part thereof, other than the part so declared to be invalid.

## Brighton, Keego Harbor High Schools Admitted to Wayne-Oakland League

Brighton and Keego Harbor High schools were admitted to full membership in the Wayne-Oakland county league at a special meeting of league officials January 30 at Milford.

The admission of the two schools raises membership to seven, Northville, Clarenceville, Milford, Clarkston and Holly are the original members.

Admission will become effective as soon as the two new members can involve themselves in scheduling and regular participation. The league sponsors girls' and boys' athletics, speech, forensics, music and student council activities.

The Wayne-Oakland league originated in the spring of 1951, with baseball, a league band, forensics and exchange assemblies.

### Durocher Cuts In

WHEN big Don Newcombe was officially announced as definitely leading for the army, we ran into Leo Durocher.

"Naturally," Leo said, "losing a pitcher with Newcombe's stuff isn't going to help any team. It wouldn't help us to lose Maglie, Jansen or Hearn. But this isn't going to break the Dodgers, either. They have too good a ball club to have any one man wreck them. But Chuck Dessen must rustle himself a pretty fair pitching staff. He has a good starter in Preacher Roe. There's a pitcher—a great one."

Durocher didn't care to comment on how Branca, King, Labine, Erskine, Podbielan and the others would make out.

Certainly Newcombe's absence gives the Giants a much better chance to win. Newcombe has never quite worked to his potential ability as his career down the hot stretch proved late last summer. But he could be good and might have found himself this year.

"What about Willie Mays?" I asked Leo.

"Not a word about him," the Giant manager said. "But we'll have a good ball club," he said. "You were right in saying our ball club was in fine condition when we left St. Pete. I never had a ball club in better shape. We were rearing to go on the side. Our pitchers were all set. I was dead sure we'd get away flying. And then we drop 11 straight and almost fall out of the league. How can a ball club drop 11 straight in April and May and then win about 80 per cent of its games to come from behind in August and September? When you see things like that happen you get afraid to make any predictions."

I asked Leo which of the Giants he expected to have a big year.

"Just about all of them," Durocher said. "I mean by that they'll play up to their ability. We have a real hustling club. You don't have to needle them. I know Maglie, Jansen and Hearn will have good years. I expect to have two more good working pitchers to help out. We'll miss Eddie Stanky, but we'll have a good man in his place. The rest of my infield is pennant material. So is our outfield. Watch Monte Irvin. There's one of the best."

Livestock must have plenty of salt the year 'round.

## Mustangs Survive Last Minute Rally to Turn Back Keego Harbor 56 to 53

Northville's Mustangs staved off a last quarter rally and topped Keego Harbor 56 to 53 last Friday night at Northville High school.

The Mustangs had a 10-point lead midway in the last quarter when Keego adopted pressing tactics that almost turned the game into a wrestling match. The Harbor basketball crew pumped in three quick baskets and pulled up to within two points of the Mustangs with a minute left. The game went on ice when Dick Somers, quick little Northville guard, was fouled on a floor-length break for the basket. He sank a free-throw to boost the score to 56-53 with only 25 seconds left in the contest.

Scoring was well spread among the seven Mustangs who saw action. Charlie Rebitzke led with 16, followed by Glen Howarth and Somers with 11 each.

For Keego Harbor, Fred Harbringer got 17 points and Jim Collins tallied 16.

Northville led from the outset, hitting the mesh for three field goals without a miss. Coach Dick Kay alternated combinations, starting Howarth, Somers, Rebitzke, Lamar Nalley and Jerry Graham and sending in Ed Nash and Tom Stanford at intervals. Stanford's height, along with Howarth's length and the springy don't-funne shelve omer legshSet legs of Somers helped under the baskets.

The summary:

|             | fg | ft | tp |
|-------------|----|----|----|
| Rebitzke    | 6  | 4  | 16 |
| Howarth     | 5  | 1  | 11 |

### Who said 'Over'?

"Now that the football season is over," a writer starts his piece. "Over for how long in many places? About three weeks and then 'spring practice' will be under way again. It's not over."

We have never felt that spring practice, held under correct supervision, is wrong in any way. It is the overindulgence in this part of football that cuts in too heavily on a student's time.

As a safety measure, keep guns out of reach of children.

## NHS Cagers Begin 3-Game Home Stand

Northville High school basketball teams will take up a three-game home stand beginning with Clarkston on Friday, February 8, Milford will be here Friday, February 15, followed by Plymouth on Tuesday, February 19.

The Clarkston and Milford contests are Wayne-Oakland league games.

Northville will play Clarenceville in a league game, there, February 22 and Detroit Lutheran will be entertained on the Mustang court February 29.

Reserve games begin at 7 p.m. followed immediately by varsity games.

## Colts Lose 46 to 45 to Keego Reserves

A fourth-quarter rally by the Northville Colts fell a point short and the Keego Harbor basketball reserves emerged 46 to 45 winners last Friday night.

The Colts had trailed by eight to 10 points throughout the contest, but pulled up close in the final minutes. A long shot from mid court by Al Iversen put the Northville squad within striking distance in the final ten seconds, but Keego stalled until the buzzer ended play.

Close checking efforts by the Colts in the last three minutes cost them four fouls and resulted in three points for Keego.

Walter Newton collected 15 points for the Colts on six field goals and three free throws, followed by Gary Hix with 10 tallies.

The summary:

|          | fg | ft | tp |
|----------|----|----|----|
| Newton   | 6  | 3  | 15 |
| Hix      | 4  | 2  | 10 |

One ride and You'll say:

"That's the Smartest Million Dollars BUICK Ever Spent"

WHEN we tell you that every 1952 Buick rides like a million dollars, we're not just slinging slang—we're talking real money—right-on-the-barrelhead cash.

A million dollars and more were poured into research and testing—design and tools—engineering, production and components—to team up the combination of ride features you'll find on a Buick—and on no other car in the world.

A million dollars and more was the price paid to work out control of end-sway and side-roll on curves—to double-check vertical "throw" with shock absorbers and big soft-acting coil springs for all four wheels—to V-brace the torque-tube keel and X-brace the

frame—to cushion body and engine—and to silk out the whole operation with Dynaflo Drive.\*

You may not care how the job was done, or what it cost. But we'll lay you this: You're going to say "thanks a million" to Buick engineers once you get this spirited smoothie under your hands and haunches.

Old familiar roads take on a new smoothness. Gone are the weave and wander, the jitter and jounce that you've felt in lesser cars. You ride with road-hugging assurance and level ease.

All of which only begins to tell you what really great cars these 1952 Buicks turned out to be.

Never before have style and stamina—comfort and character—power, performance and price been brought together with such satisfying skill.

The obvious thing for you to do is come in and look them over. How about taking half an hour off to do that—today?

Equipment, accessories, trim and models are subject to change without notice. \*Standard on ROADMASTER, optional at extra cost on other Series.
