

## Chest X-Ray Unit to Arrive Monday For Northville Program

An effort to stamp out tuberculosis is being made by the Northville Health Commission, headed by Dr. V. George Chabut, by bringing a free X-ray mobile unit to the Village next week. Pupils in Northville High school, grades nine through 12, will be X-rayed on Monday from 9 to 12 noon and 12:30 to 3:30 p.m. On Tuesday, Thursday and Friday the unit will be located at the Village fire hall.

The Tuesday hours are set for 1 to 5 p.m. and 6 to 8 p.m.; on Thursday, 9 a.m. to 12 noon and 1 to 5 p.m.; and Friday 1 to 5 p.m. and 6 to 8:30 p.m.

A house-to-house canvass has been made by members of the Civil Defense Housing committee which is headed by Mrs. Edon Biery to urge householders to visit the unit. When the unit was located in Northville in 1950 residents numbering 2,847 were X-rayed. At that time 283 were found to have abnormal reactions. We hope that the Villagers will respond to this service again so that steps can be taken to help those with abnormal or questionable results this year, said Dr. Chabut.

DR. V. GEORGE CHABUT

## Board to Consider 40-Hr. WCTS Week

A new hourly week schedule for employees of the Wayne County Training school will be considered at the meeting of the Wayne County Board of Auditors at 2 p.m. this afternoon.

The employees may be returned to a five-day week and are considering cutting the current 48-hour week of about 2,270 employees to 40 hours. The Wayne County General hospital at Elise will also be affected by the proposed change.

Auditor Jacob P. Sumeracki said the change would save \$290,000 and would create 300 full-time jobs.

Attending the meeting this afternoon will be the Wayne County Board of Institutions which operates the hospital and the training school.

## Rotary Club Views New State Hospital

Members of the Northville Rotary club were escorted on an inspection trip through Northville State Mental hospital on Seven Mile road Tuesday by Dr. Philip N. Brown, medical superintendent of the new institution.

## RECORD AMBLINGS

News was received this week that Mrs. J. R. McColl, who resides with her daughter, Mrs. Alex Lawrence, of Meadowbrook road, is to be honored as one of the women of Detroit who have contributed to the city's growth and renown. In March, her picture will be hung in exhibition at the Woman's City club, Detroit. Details of the citation will be given in the next issue of The Northville Record.

Copies for the Northville Mental hospital on Seven Mile road were donated this week by Jessie Roe, Larry Burnette, Jack Bailey, Carl Johnson, Mesdames Joseph Geilner, V. Reed, Ernest Wilsner and George Lee.

We hear by the grapevine, that last week's editorial—the one about the boy who didn't observe the rules of the road too closely—resulted in quick justice. The lad's parents, as a calming influence, have forbidden him to drive for a while. We hope the punishment is calming, at least to the extent that the boy's future driving will not endanger himself or other motorists.

The Northville Grade school kindergarten classes, taught by Mrs. Blair Claypool and Miss Grace Pollock, attended the Shrine circus last Thursday afternoon. Transportation and tickets were provided by C. R. Ely and Sans. Room Mothers, Ivan Ely and E. V. Ellison accompanied the group. Also guests were the German Exchange students.

We noticed Orson Atchinson and V. L. Slater, dressed in fishing clothes, getting out of Slater's car. We asked the usual question about how the fishing was, but got a surprise. Slater hauled open the car's trunk door and showed us his prize: a sturgeon so long it wouldn't fit diagonally across the trunk without bending. What's more, he speared it . . . at Mullett lake, he said. The boys didn't have time to stop and gab, so we missed some of the fish's vital statistics.

We have a question. There's an advertisement painted on the building face over the structure housing the Center Street Market, Laundromat and Jack's Barber Shop. The inscription reads "Finck's Overalls—Wears Like a Pig's Nose." We wonder about the vintage of the ad. We've been noticing it for more than two years as we round the corner from West Dunlap. It's faded now but still very legible.

We've been watching for local evidence of girls with the new "Poodle Cut" inspired by "Tales of the South Pacific" and Mary Martin, and publicized by Life magazine. Noticed one, so far, but haven't seen even one exponent of the opposite style, that coiffure that bushes out like a horse's tail.

Northville area residents have responded very well to this column's plea for hangers and magazines for the Northville State Mental hospital. The truck has already taken away two loads, and, at this writing, a corner of the Record office is again filled with hangers, books and magazines.

## Clerk Accepting Registrations Now For Village Election

Mrs. Mary Alexander, Northville Village clerk, announced this week that registrations for the March 10 Village election will be accepted until 8:30 p.m., Saturday, March 8.

In the past, acceptance of registrations has terminated 20 days before the date of election, according to Michigan state law. Investigation of the Village charter, however, according to Village Attorney James E. Little, shows that registrations in Northville are allowed until the Saturday before the election date, which is the second Monday in March.

Residents may register at the Village hall between the hours of 9 a.m. and 12 noon, and from 1 to 5 p.m., Monday through Friday, and from 9 a.m. until noon on Saturday, up to and including March 7, 1952.

A board of registration will be at the Village hall from 9 a.m. to 8:30 p.m. on Saturday, March 8, for the purpose of receiving applications of persons not already registered who possess the qualifications of electors, or who will possess them on March 10, 1952, the day of election.

Elector qualifications call for six months' residence in Michigan and 20 days' residence in the Village, plus United States citizenship.

## Organist

Herbert Gotsch

## Novi Cubs Hold 2nd Anniversary

Novi Cub Scout Pack No. 54 held their second anniversary meeting with a pot luck dinner at the Novi school Friday, February 8. Special guests included the sponsors of the pack, Perry Kenner Post No. 76 Amvet Auxiliary, Novi school teachers and families of the Cubs.

One and two year pins were presented to Den Mothers and Cub Scouts by Cub Master Jack Crawford and Russell Taylor, chairman of Pack committee. Two year service pins were presented to Pack committee by Auxiliary President Betty Trickey.

The program included flag ceremony by Den No. 4, skits by all dens and community singing. There were over 100 people attending.

## Father-Child Dinner Set For Monday

The Presbyterian Men's club has launched a new approach in sponsoring a Father and Child banquet to be held Monday evening, February 18. For many years they have had the traditional Father and Son banquet, but this year they are encouraging boys and girls to attend the dinner with their dads, said Rev. Dr. Harold F. Fredsell.

Members of Boy Scout Troop N-5, which is sponsored by the Men's club will be honored and will present the colors at the opening of the dinner. Toastmaster for the banquet will be Richard Kay, sponsor of the Senior Youth Fellowship. The toast to the sons will be given by Charles R. Ely, Sr. and the toast to the fathers by Charles R. Ely, Jr. A program of singing and entertainment has been planned by Ed C. Welch and William G. Williams.

Tickets may be secured from Dr. Wilbur H. Johnston, Robert E. Schreier and Paul H. Steencen, as well as at the Carrington agency on North Center street.

Mr. and Mrs. Cass Bolton of South Wing street returned Friday after spending five weeks vacationing in Florida.

## 2nd Anniversary of Lutheran Church to Include Recital

St. Paul's Lutheran church of Northville will celebrate its second anniversary in its new building on Sunday, February 17, with special events culminating in an organ recital by Herbert Gotsch, to which the public is invited, it was announced this week by the Rev. E. E. Rossow, pastor of the church.

At the 10 a.m. service, the Rev. Victor Halboth of Grace Lutheran church, Detroit, will occupy the pulpit as guest speaker. At 8 p.m., Mr. Gotsch will present an organ recital featuring the work of some of the world's best known composers of sacred music.

Mr. Gotsch majored in music at Concordia Teachers' college, River Forest, Illinois, graduating in 1948. For the past two summers, he has been a student in the Graduate Department of Northwestern university's School of Music, majoring in church music. He has studied under such teachers as Carl Halter, Thomas Matthews and Carl Waldschmidt.

During the past two and a half years, he has presented many programs, covering a wide range of organ literature, at East Bethel Lutheran church, Detroit, where he is director of music.

## Dog Training Class to Begin Feb. 21

Sponsored by the Northville Recreation committee, the fifth Dog Training class will begin Thursday, February 21 at the Wayne County Training school gymnasium. The class enrollment will be that evening at 8 o'clock, said Mrs. Mary Larson, instructor.

A demonstration will also be given and enrollees are not required to bring their dogs to the first session, she added.

The class will again be given by an instructor from the Southern Michigan Dog Obedience Training association. The ten-week course will be held every Thursday.

For additional information call Mrs. Larson at Plymouth 421-M12.

## Commission Buys Property For Alley

The Northville Village Commission at its meeting February 4, approved payment of \$2,322 for two parcels of property to be used as part of the planned alley off-street parking project on the south side of Main street.

Property belonging to Drs. Paul N. and Victoria Lovewell, of 148 E. Main street, was bought for \$1,122. The parcel behind Stone's Gamble store, 130 East Main street, was purchased for \$1,200.

The commission also approved a motion that the Salome Britton property behind 152 East Main street be bought for \$1,128.50.

Marsha Rodocker of Main street, spent the weekend with her aunt, June Welder, in Detroit.

## Lutheran Pastor

THE REV. E. E. ROSSOW

## Villagers to Get \$1,600 in Rebates

The Michigan Bell Telephone companies' Northville customers will receive a share in the \$14,033,000 in rebates for service over charges between January 1, 1946 and October 16, 1948. Northville residents will receive checks totaling \$1,600. Residents of Livonia will be refunded \$9,020.

The amount includes interest and a rebate of the Federal excise tax on the overcharges. An average check of \$17 will be sent to 1,000,000 residential customers in Detroit and 42 other cities though it is expected to take some months to get out the first check.

Rural customers and businesses are not affected.

## Northville Cagers Play Milford Friday

The league-leading Northville basketball team will meet Milford at the high school gymnasium tomorrow night, Friday, at 8:15 p.m., following the reserve contest at 7 p.m.

The Mustangs, possessors of a 5-1 record in the Wayne-Oakland league, topped Milford 53 to 40 in their first season encounter January 11.

Prospects are for a closer game tomorrow night, in view of the small size of the Northville court. The Mustangs play best on larger courts, such as Milford's and the one at Clarencville.

The Mustangs will meet Plymouth in a home game Tuesday, February 19, and Clarencville at the Trojans' gym Friday, February 22.

## Novi Leader Reports Dimes Drive Results

Mrs. William MacRobert, the chairman of the March of Dimes drive in Novi, reported total contributions of \$403.43. The money was turned over to the Farmington district chairman.

Mrs. MacRobert cited the cooperation and help of workers in the drive, especially school children and teachers who turned in \$13.01.

## Merchants Group Favors Expanded Paving Program

The Northville Retail Merchants association will recommend to the Village Commission next Monday evening that a comprehensive paving program be undertaken in the 1952-'53 fiscal year, instead of the piecemeal program carried on in recent years.

## Couse Speaks at Chicago Meeting

Residential, commercial and institutional construction are likely to decline in 1952, but industrial and power projects should remain at high levels, Walter L. Couse, president of the Associated Equipment Dealers at their annual convention in Chicago. There is a possibility that the total value of construction projects in the United States, including maintenance and repairs, may reach \$27 to \$28 billions for the year, against \$36 to \$37 billions in 1951, he said.

Of special interest to Northville, Mr. Couse urged that future planning that involves building projects be undertaken immediately by cities, villages, counties and school districts so such projects can be ready when it again becomes possible to build without restriction.

Mr. Couse's talk to the Associated Equipment Dealers follows by three years an earlier speech at the 1949 convention.

## Committeeman

E. V. ELLISON

Northville High School Principal E. V. Ellison will travel to Chicago for the week of March 31 to participate on an evaluating committee of the North Central Association.

## Hearing Slated For Zoning Ordinance

A proposed amendment to the zoning ordinance of the township of Northville will have a public hearing February 28 at 8 p.m.

The amendment, proposed by the Northville Township Zoning commission, would amend several sections of the ordinance and add new sections.

Included in the proposed changes would be an amended title which refers to the use of land natural resources and structures, including tents and trailer coaches; future building size, area and height, regulation of population density, and area of yards and courts. The proposed amendment would provide for a method of administration and enforcement of its provisions and prescribe penalties for violations.

The complete text of the proposed amendment is available at the Village hall for inspection, and will be printed in full in the February 21 issue of the Record.

Col. Ben Limb, chief of the Korean delegation to the UN will discuss the Korean war, and Asiatic problems in general at Detroit Town Hall, Wednesday morning, February 20 in the Fish-er theatre at 11 o'clock.

The Association representatives will point out that such a program can be accomplished at considerably less cost than if the work is stretched over a longer period. It could be financed by a bond issue to be repaid annually by use of monies which in the past have been included in the Village budget for yearly paving costs, they will point out.

The Merchants association also went on record unanimously as favoring construction of a community building as soon as such constructions projects again are feasible.

It would be the commission's problem to determine which of the streets should be paved and the extent of paving necessary. Members of the Merchants association cited the large number of streets in Northville which are yet unpaved, and which stand little chance of being paved in the near future with the present small yearly budget allocations for surfacing.

Referring to the Merchants association's position regarding the community building, Mr. Leland Smith pointed out at the Village Commission meeting February 4 that the association had merely inquired whether money in the building fund might be borrowed for the purchase of parking lots, if not needed immediately for the community building; and repaid either by receipts from parking meters or by a special assessment against business property benefited by the parking lots.

## Sealed Bids Taken For Hospital Road

Bids are being taken by the Michigan State Highway department for grading and drainage structures as well as aggregate surface on the service road and parking area from Seven Mile road to the Northville State Mental hospital, announces Ralph F. Swan, director of the department's public relations division.

Completion date for the 1.14 mile project is June 1, 1952, he said. The department's standard specifications may be examined at the district office of the department at Redford. Only contractors having 1951 or 1952 Michigan State Highway department pre-qualifications need send proposals, Swan stated.

The sealed proposals will be received in the Veterans' Memorial building, Lansing, until 11 a.m. on Wednesday, February 20 when they will be publicly opened and read. Proposals may be mailed to Contract-Estimate Office, 222 Townsend street, Lansing.

## Attorney Concedes Livonia Candidacy

The battle of Attorney George E. Squirrel to become a candidate for City of Livonia councilman was conceded since discovery that under a state law Livonia has been a city longer than most of its officials realized.

To prevent similar misunderstanding in the future, he announced that he will go ahead with his Circuit Court suit for a place on the ballot.

After contending that the city charter provision stating that candidates must be residents of Livonia for two years was illegal, he admitted that he had overlooked one point. State law provides that a city legally becomes a city when its election commission is elected.

Livonia's election commission was elected in February, 1950.

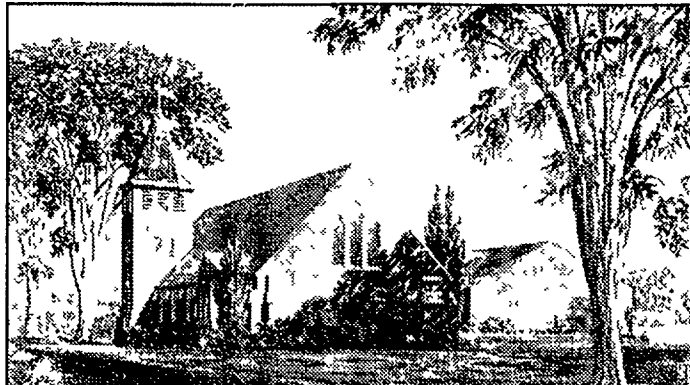

Members of Cub Scout Pack N-6 were driven to the Shrine circus last Saturday by Howard Sherman, David Rayl and Clyde Ferguson.

## Two Year Old Lutheran Church Replaced 1897 Building

Four years ago groundbreaking ceremonies were held at the corner of Elm and High streets for the \$160,000 St. Paul's Lutheran church and parish house which this Sunday is commemorating its second anniversary. The Rev. E. E. Rossow, who has been pastor of the church for 15 years, will preside at the afternoon and evening programs.

Two years and three months after the groundbreaking for the church, of semi-gothic architecture with a seating capacity of 300 was dedicated on February 19, 1950. Over the altar, three stained glass windows depicting the Trinity were placed as a memorial to the late James Copeland, for many years superintendent of the Lutheran Sunday School. The Story of the Apostles in stained glass on either

side of the pews as well as the other oak furnishings were dedicated as memorials to the deceased.

St. Paul's Lutheran Church, located at the corner of Elm and High streets, which was formally dedicated on February 19, 1950, will celebrate its second anniversary with special services this Sunday, February 17.

The sanctuary capacity can be increased by opening the doors in the rear of the room.

The parish house which is furnished with a kitchen and dining hall is used every Sunday for class rooms. Office rooms and organizational meeting spaces are also available.

Though the old church building was moved to make way for the new structure, the church bell was moved to the new tower and the old cornerstone reading "First German Lutheran Church, 1897" was used. The former church was built a year after organization of the congregation by the late Pastor Paul J. Reinhardt. The first congregation of 50 members held services in a school building on Taft and Nine Mile roads until the deed for the present location of the church was purchased for \$125.

## Rolling Down The River

by the PETZ BROS.

A fellow lounging around on the sunny beaches of Florida took time out to drop us a line about the column. He said he wanted to tell us a story, but we figure he just wanted to make us feel bad, considering the weather we've been having. Besides, we think we told the story before and the only stories we repeat are those we forget we've told. Unless it's good and we can't think of anything else. But he's in Florida so we'll tell of an Eskimo traveling the country with a road show. His wife, they tell us, had an incubator baby the other day... only they had to keep it in the refrigerator.

Rugged people those Eskimos, if they happen to be in the right climate... but the right climate for the new Studebaker for '52 happens to be on the road or in your garage, or in front of your house, in case you don't happen to have a garage at the moment. No matter where you are, or what the weather, this rugged new Studebaker won't mind it a bit. Easy starting, tremendous power, suave beauty, they're all yours in the V-8 Commander. You will thrill at the thrill of the car too... and if it happens to be the new Champion, you'll be amazed at all those extra miles that come out of an ordinary tank of gas.

Well they tell us that the mid-semester exams are now past and we even heard tell of one youngster that complained bitterly about the unfairness of his teacher. "Dad," said he, "she had me marked as even dumber than last period and you yourself told me that she was impossible."

They tell us that spring is full of kisses and June is full of Mrs. and whether you're young or old, you'll want that car in perfect mechanical condition. There's nothing that can take your mind off the subject at hand easier than an ailing motor. We respectfully suggest that you bring that car of yours in for a motor tune-up and all around lubrication. It's taken quite a beating the past several months and certainly needs a bit of help along about now.

That's that and we'll close this week with a bit of advice to newlyweds... when you start to feather your nest, be sure that you have enough down.

Yours,

BILL and WILL PETZ.

## Northville's Problems

### Controversial Projects Affecting Residents of Northville Area Demand Thoughtful Study and Planning

In the weeks since we assumed responsibility for editorial direction of The Northville Record, we have met and talked with a great many residents of the Village. We have attended meetings of various civic and business groups, and have listened intently to what has been said about subjects presumably important to every resident of Northville.

Among the subjects brought to our attention is that of incorporating Northville as a city. The one reason always mentioned for so doing is that it would enable the community to realize greater revenue from Northville Downs than the \$500 which the Village now receives for each night of racing. Less is said of other considerations, although there doubtless are good arguments both for and against incorporation.

Another project of special interest to Village merchants is the acquisition of more adequate parking space to encourage trading locally. This project goes hand in hand with the "alley extension program," the \$64 question now being an acceptable method of financing.

There also is the matter of constructing a community building with the approximately \$168,000 now in the Village general fund under the heading — now somewhat dubious in light of the Village Attorney's ruling — of "building fund." The Village Commission voted several years ago to postpone its construction until sufficient money had been received from the race track to defray the entire cost. Meanwhile, construction costs have approximately doubled, which raises the question of the advisability of re-examining the present "pay-as-you-go" policy to see if it offers any hope of the Village's savings overtaking inflationary increases in building costs in the foreseeable future.

Another problem that concerns both the Village and the school district is the need for enlarged school facilities to keep pace with the community's growth and the increasing number of children reaching school age as a result of the higher postwar birth rate. Some residents who have studied the matter closely feel that the need for a community building and for additional school facilities should be considered together, rather than as isolated and entirely separate subjects.

The Record takes no definite position on any of the foregoing problems at this time. Each, obviously, is worthy of careful study by Village officers and residents of the community at large. They are of major importance, for upon how they are handled may depend to a considerable extent the character of the Village's growth in the years immediately ahead.

One means of not only furthering such study but of expediting its conversion into action, it seems to us, might be the creation of a permanent non-partisan group in Northville, whose function it would be to analyze the Village's needs, formulate a definite program, and present it to the Village Commission. Such a group should be composed of individuals whose reputation for fairness and objectivity is beyond question. It should undertake to focus attention upon various subjects in the order of their relative importance to the community, and to give the Commission the benefit of non-political judgment on matters of interest to all. Such an organization could, we believe, perform a service of inestimable benefit to the community.

Obviously, such a proposal raises many questions. We do not profess to know all the answers at this time. In fact, we believe they might well come from the community itself. Is such a group a desirable thing? How should it be set up? Should membership be restricted to residents of Northville proper, or should Northville township also have representation? Should someone from the school district also be included?

The Record would like to hear from its readers on the matter, and will appreciate letters.

## Your Home-Town Newspaper

This article, from the Christian Science Monitor, discusses the problems of every home-town newspaper editor with such understanding that we reprint it in full. We hope it may inspire our readers to help us publish the interesting paper which they deserve, and can have, if they only will help us gather all the news that occurs in our community. (Ed)

by R. Elizabeth Reynolds

"There isn't a thing in the paper today," you say as you lay your home-town newspaper on the floor.

You wonder why there is nothing in it about your friend's son, who day before yesterday was made vice-president of a bank in a metropolis miles away, or about the party the people up the street gave last night. In fact, you tell yourself that you can think of a half dozen local stories the people down at the newspaper office passed up.

How right you are. They surely passed up a number of good stories. But the fault was not altogether theirs. You as a member of the community have a responsibility to your newspaper.

It can serve local needs only in proportion to the cooperation it gets from the members of the community. National, international and most of the state news comes in over leased wires. Local news is a different matter. Part of the responsibility for it is yours.

Never get the idea that the editor of your newspaper is interested only in certain people in your town. On the contrary he is interested in everyone who subscribes to his paper. Both the wealthiest woman in town, who lives in the swank residential district, and the poorest man, who lives in the smallest house on a side street, subscribe for the paper and pay the same price for it. In the eyes of the editor both subscribers are important.

Getting back to those stories the newspaper passed up—just how did you expect the folks at the office to know about your friend's son? The father was justifiably proud of his son, but did he or any of his friends think to tell a reporter so that even acquaintances could share the new vice president's pleasure in his good fortune? No, they fed the grapevine and probably criticized the newspaper, too.

Now about that party of your neighbor's. How do you know that the society editor didn't call the lady? "Please don't put our party in the paper," perhaps she begged when she was asked about it. "We didn't ask three couples we're indebted to, and—well, you understand." You, too, realize the importance of self-preservation socially speaking as well as otherwise.

Maybe you think to yourself, "I don't like the editor and his policies." What if you don't always agree with him? Have you ever thought how little you really agree with your best friends? Yet you don't ignore or criticize them constantly just because you fail to see eye to eye with them, do you? Give the editor a break.

In many cases the newspaper editor is far more conscientious in promoting the interests of his home town than he is given credit for being. If he weren't public spirited he wouldn't be in the newspaper business.

"He's running the paper for the money he can make," you say. Of course he wants to make money. Who doesn't? But he chose the newspaper business because he likes it. And any man or woman who can make money in the newspaper business can make money in some other line of work in which he would not have to deal with so many different personalities, many of them sensitive folks. Yet the editor of a newspaper chose this particular means of making a living, for in his way he wants to help the town in which he lives.

"I don't like the way he goes about helping the town," you continue. Maybe you do object to his way. But his way may be nearer right than you think. He knows a great deal about your town. He knows much of the in-

side workings of its big and little businesses, of its clubs and lodges, of its churches and amusement places and of its people.

Have you ever considered the services the newspaper renders you, the reader? For one thing, it helps you save money. When you read the ads, you learn where you can find bargains without wearing out shoe leather or using up tires and gasoline.

Then in the classified ads you find an abundance of help and sometimes even a laugh. Remember the time you needed someone to do chores around the house and found just the right man through the classified ads? Have you forgotten the time someone advertised a room for rent to a business girl with kitchen privileges?

Your newspaper also keeps you informed concerning happenings in your town, even if the news is not so complete as you'd like it. You learn about projects of civic clubs. You find out how the schools are progressing. You read news of the courthouse. In fact, you know many things because of your local newspaper.

In the society section you are told something of what goes on among the people who entertain in your town. Remember how you had a pleasant chat with friends from out of town because of a little item which stated that they were the guests of some people you know? The hosts couldn't call every one of the visitors' friends but the newspaper cheerfully spread the word around for them.

The newspaper gives much free publicity to worthy organizations. Some coat hangers are needed by a veterans' hospital nearby. The local committee has a quota to fill. What does the chairman do? She just calls the newspaper office and explains, "Our society needs hundreds of coat hangers by a week from today. You'll give us a couple of good stories requesting people to bring coat hangers to headquarters before then, won't you?"

"Where's yesterday's paper?" you ask. "I want to find out what time my lodge meeting is."

You wonder about church services on Sunday morning. From your newspaper you learn not only about Sunday services but also about church meetings during the week.

"The junior class is presenting its annual play at the high school auditorium Friday evening," the play director explains to the reporter. And another front page story is born.

Does the newspaper charge for this publicity? Of course not.

When you give a story to the paper, don't forget that there are four things a reporter must know—who, what, when and where. Check the material you prepare to be sure that you have answered all four questions.

A newspaperman works eternally against time. He can't call other persons to get information you have forgotten to include. Always before him is the old deadline that changes not. And time is always a-wasting.

Keep in mind also that the newspaper is in reality a public utility and must be treated as such. Gas has to be lighted before it furnishes heat. Electricity must be switched on before it gives forth light. Water has to be turned on before it flows from the pipes. News has to be given to the newspaper before it can be put into print. And therein lies your responsibility, as has been mentioned before.

## Your Blood Is A Vital Life Force

If It Lacks Vitamin B-1 You May Suffer Gassy, Upset Stomach and Feel Low, Weak, Nervous.

If your blood is PALE, WEAK and THIN (due to simple anemia), containing too few Blood Cells and too little Red Coloring Matter (percentage of hemoglobin) you can't fully enjoy life and, lacking vitamin B-1, you may be a victim of indigestion and gassy, bloated stomach.

Let the Vitamin B-1 and Iron in Certa-Vin help to regenerate RED BLOOD CELLS and to produce RED COLORING MATTER in your blood. Certa-Vin helps to increase both the NUMBER and the COLOR of your Red Blood Cells. It assists you to RICHER, STRONGER BLOOD. The carminative herbs in Certa-Vin also help rid your stomach of distressing gas pains and bloating, because this medicine is taken BEFORE (not after) meals and works WITH your food, helping Nature digest your food faster and better.

Many people say the relief they feel after a course of Certa-Vin is amazing. So to feel better, look better and act more alert, get CERTA-VIN — Northville Drug Store. —Adv. 371f

## Villagers Attend Planning Meeting

Nearly 200 people from the "fringe areas" of Metropolitan Detroit met at the Garden City High school Wednesday, February 6 for a conference on community organization. Though many towns had as many as 20 representatives, Mrs. E. J. Willis and Mrs. W. H. Cansfield, members of the Northville Coordinating Council, were the only Villagers attending. The majority of the communities had 6 to 10 citizens in attendance, they commented.

Since in most areas community planning is centered around the school unit, the greatest number of those present were school personnel, including superintendents, school board members and athletic directors.

Mrs. Willis, past president of the Northville Council, served as a resource assistant in the Community Council discussion session. Discussions covered such topics as raising money for community buildings, recreation for youth and adults, organization of community councils and village vs. city governments. On the latter topics, Mrs. Cansfield stated that reports were heard from communities which had recently changed to city charters. The discussion which ensued helped greatly in understanding the advantages of city government, she said.

Other conferences, on a smaller scale will be planned for a future date, according to a sug-

gestion by those attending the conference, they said.

The Boy Scouts of America have honored 2,861 of its members since 1910 for the saving of lives of others.

Th Novi Mothers club have scheduled a card party for Friday, February 15 at the Novi school to raise money for school and playground equipment. The dessert luncheon will begin at 1 p.m. For reservations call 971-W11.

Robt. Mitchum Stars at Local P & A; Weekend Brings Abbott and Costello

Robert Mitchum, Elizabeth Scott and Robert Ryan star in the Sunday and Monday picture set for showing at the Northville Penniman-Allen theatre. The Crime-melodrama movie, "The Racket," based on a Bartlett Cormack play, was produced in 1928

as a silent picture by Paramount. Following the Wednesday family night showing of the latest "Jungle Jim" series, Abbott and Costello will team with Dorothy Shay on Thursday, Friday and Saturday.

The story for "The Racket" revolves around an honest police captain who fearlessly defies a crime syndicate that controlled crooked politicians. Robert Ryan, who defies orders of a crime syndicate plays the racketeer; Robert Mitchum as the police captain who is assigned to a case involving the racketeer. Elizabeth Scott provides the romantic interest as the girlfriend of one of Ryan's henchmen. In the Wednesday showing of "Jungle Man-hunt," Bob Waterfield, the professional football player, makes his debut as an actor. Johnny Weissmuller is the star. Thursday, Friday and Saturday, Abbott and Costello star in "Comin' Round the Mountain." This time the boys go to the Kentucky Hills where they become involved in an old feud between the McCoy and Winfield clans. Worked into the proceedings are a number of Dorothy Shay hill-billy type songs.

A piece of white chalk carried in your purse will work wonders in touching up dirty smudges on white gloves.

Dear Friend,

This is a personal invitation to you to help us to celebrate the beginning of our 45th year of service in this community.

To commemorate this anniversary we are making very substantial reductions on all the merchandise in our store. But more than that, we are giving away without obligation a large beautiful sapphire to 45 lucky visitors at our store, during this event.

All you need to do is visit our store and register for the drawing to be held on March 1st at 9:00 P.M. It is not necessary to be present for the drawing. The jewels will be sent, to the winners, by registered or insured mail.

We urge you to come in and inspect the outstanding values we are offering. Our usual credit terms are available for extended payment purchases if desired.

Don't forget you can be a winner.

Sincerely,

Nelson C. Schrader

## Vallie-Snow Marriage Vows Read at Alma College Chapel

In the Alma college chapel on Sunday, February 9, Mary Elaine Vallie and Pvt. Linwood Snow, Jr., were united in marriage by the Rev. Dr. William J. McKeefry. Mary Elaine is the daughter of the Melvin Smiths of Alma and the bridegroom's parents are Dr. and Mrs. Linwood Snow, Sr., of West Main street.

To the strains of the "Wedding March," Mr. Smith escorted his daughter to the altar where the double ring service was read. During the ceremony, Gail Donaldson of Alma sang "Because" and "Through The Years." Mary Elaine wore a white lace and nylon tulle gown fashioned with an illusion neckline and a full skirt which ended in a train. Her fingertip veil was held to her head by a lace cap. White roses formed the bridal bouquet.

As her sister's maid of honor, Barbara Vallie, chose a dark green gown styled with a lace bodice and full net skirt. Bridesmaids, Shirley Vallie and Donna Smith, both of Alma, and Mrs. Cass Hoffman (Betty Snow) of Northville wore identical gowns of coral, blue and yellow, respectively. The four attendants wore picture hats to match their gowns. Their bouquets of white carnations were tied with pastel satin streamers which matched their gowns.

Serving as the groom's best man was his brother-in-law, Cass Hoffman, of Northville, while Jack McCarthy of Hazel Park, Pfc. George Locke, stationed at Selfridge Field, and Warren Hoffman of Livonia, seated the guests.

A corsage of pink roses and carnations was worn by Mrs. Smith with her rose lace gown. Mrs. Snow's dress of plum color-taffeta was accented by a

corsage of pink roses and carnations.

After a reception for the 125 wedding guests at the Alma college Union, the new Mr. and Mrs. Snow left for a short wedding trip into northern Michigan. They will later travel to Fort Lee, Virginia where Pvt. Snow is waiting orders. The bride is a graduate of Alma High school while Linwood was graduated from Northville High school in 1946 and Alma college in 1951. He is a member of Phi Phi Alpha, a social fraternity.

## Gene Nitzel Wed in Columbus, Ohio

Mr. and Mrs. Gene Nitzel who were married in Columbus, Ohio, on Thursday, January 17, are now making their home in Cuyahoga Falls, Ohio. Mrs. Nitzel is the former Betty Parker of Barberton, Ohio. Gene is the son of Mrs. Donald McLean of South Wing street.

Gene is employed at Public Utilities which operates out of Akron, Ohio. His wife is employed as a secretary at the Ford Motor garage. A veteran of World War II, Gene reentered the Marines and was discharged in November of 1951.

Last weekend the Nitzel family gathered at the home of Mrs. Homer Williams on Carpenter street for their first family reunion since before the war. Visiting at their sister's home were Gene Nitzel and his wife, Sgt. I/C Norman Nitzel, his wife and daughter from Fort Dix, North Carolina, Pfc. Dean Nitzel and his wife of Fort Bragg, North Carolina.

## Misc. Bridal Shower Fetes Phyllis Starr

Bride-elect Phyllis Starr was the guest of honor at a miscellaneous shower Wednesday evening, February 6 at the home of Faye Austin on Beal street. Acting as co-hostess with Faye was Marilyn Capaldi of New Hudson.

Twenty-five guests from Northville, South Lyon, Detroit, New Hudson, Wayne and Plymouth attended.

Phyllis will become the bride of Marion Lee, Jr. of South Lyon tomorrow evening, Friday.

## Mrs. Atchinson Gives Canasta Luncheon

Mrs. Orson Atchinson of Orchard drive was hostess at a canasta luncheon last Thursday afternoon.

Spending the afternoon at the Atchinson home were Mesdames George Alexander, Russell M. Atchinson, Robert Wetterstrom, H. Handorf, Jack Reynolds, Orlo Robinson and Russell Clarke.

★ Try The Want Ads

## Eva Briggs to Tell of "Famous Faces"

Eva Briggs, master photographer, will be featured at the Guest Day tea and meeting of the Northville Woman's club tomorrow, Friday, February 15 at the First Presbyterian church house. Members of the Woman's clubs of Farmington, Plymouth and Redford have been invited as special guests.

Miss Briggs will reveal some of the tricks of her trade in her talk entitled "Famous Faces." She will tell how she got Milton Cross to take off his glasses for a portrait and how she got Joe Louis to smile. Miss Briggs will also tell some of the thrills of crawling into a lion's cage to photograph big cats.

Miss Briggs, who is a teacher, painter, lecturer and salon exhibitor, is one of the 118 persons in the world to hold the title of Master Photographer. This she earned in 1941 for outstanding service. A noted photographer of fine portraits, Miss Briggs is a graduate of the Dale Carnegie school and is affiliated with the Greater Detroit Area Council of Camera clubs, Detroit Portrait association and is also an honorary life member of the Photography Association of Michigan.

Mrs. Louis Petersen of Redford will be the soloist for the afternoon with Mrs. Richard Somers as accompanist.

Mrs. Walter L. Couse and Mrs. C. Harold Bloom will preside at the tea table.

## King's Daughters Committees Told

At the meeting of the Northville King's Daughters last Tuesday, Mrs. Gerald F. Taft, president, announced the 1952 committees for the organization. Serving on the devotional committee will be Mrs. Joseph Denton with Mrs. E. B. Cavell in charge of visiting.

Mrs. George Hills, Mrs. Lee Shipley and Mrs. Clifford Winter will serve on the sewing committee; Miss Jessie Roe, cards and flowers; Mrs. Eural Clark and Mrs. James Congo, camp; Mrs. John Litsenberger, historian and Mrs. William H. Cansfield, Coordinating council representative.

Twenty-eight members worked at the home of Mrs. Cansfield last Tuesday making 180 cancer pads. The next meeting of the group will be held Tuesday, March 4.

## DAR Group to Hear Ancestor Stories

The February meeting of the Sarah Ann Cochran chapter of the Daughters of the American Revolution will be held Monday, February 18 at the home of Mrs. Walter Nichol, 985 Church street, Plymouth, at 1 p.m.

The program will consist of short stories concerning the Revolutionary ancestors of members. Mrs. Carl Bryan will distribute the paper mats and napkins which the members are to sell for the National Building fund.

Election of delegates will be held for the March State conference in Detroit and for the National Congress to be held in Washington in April.

## Kincaid to Play at Feb. 22 Ball

Kincaid's orchestra has been chosen to play at the annual ball sponsored by the Order of the Eastern Star and the Northville Lodge 186, F. & A. M. The dance is scheduled for Friday, February 22 at the Northville High school gymnasium.

During the hours of 9:00 p.m. to 1:00 a.m., dancing will be featured with refreshments served. Dress for the dance will be optional, said Mable Monroe, OES publicity chairman.

Tickets may be purchased from the officers of either organization. Mrs. J. L. McKinney is Worthy Matron and Dale Martell is Worshipful Master.

## Church to Sponsor American Dancing

By popular request an evening of Early American dancing will be presented by the Presbyterian Men's club tonight, Thursday. It will have a St. Valentine's theme with dancing from 9 to 12 p.m.

Refreshments will be served by Messrs. George Weiss and Robert E. Davis and a four-piece orchestra has been engaged by William G. Williams and Ed C. Welch. Assisting with the plans are Mr. and Mrs. Alfred C. Parmenter and Mr. and Mrs. Ed C. Langtry. The committee states that if the dance is well received they will be held at regular intervals.

## Friday Speaker

EVA BRIGGS

## BPW to Attend International Nite

The Northville Business and Professional Women's club has been invited to attend the annual International Night given by the Windsor club on Saturday, February 23. The affair will begin at 6:30 p.m. at the Prince Edward hotel.

Reservations must be made to Mrs. C. H. Langwith at 245 Elman, Windsor, Ontario, or phone Mrs. Langwith at 3-4841.

Speaker for the dinner will be Miss Lakshmi Rao who is in her final year of post graduate work at the University of Toronto. A native of India, her talk will be entitled "Indian Women Through The Ages."

## Valentine's Day Tea Honors New Villager

Mrs. Fredrick J. Collins has chosen a St. Valentine's Day tea to introduce Mrs. Wayne J. Wilcox to the ladies of the Village. The tea will be held at her home at 164 East Cady street, from 2:30 to 5:00 p.m., today, Thursday.

Mrs. Wilcox and her family reside at 45924 West Seven Mile road, in the home formerly occupied by the Ernest H. Wood family.

Assisting Mrs. Collins at the tea table throughout the afternoon will be Mesdames R. D. Merriam, Paul Schulz, Orson Atchinson, Charles Ely, Jack Burkman, C. Harold Bloom, W. Leonard Howard, Del Hahn, Russell M. Atchinson and Walter L. Couse.

## Open House to Honor Rev. and Mrs. Clark

Honoring the Rev. and Mrs. Ward Clark of Addison who will leave February 25 as missionaries to the west, Mr. and Mrs. Wilson Clark and Mr. and Mrs. Austin Sweet will hold open house on Saturday, February 16.

Guests will arrive at the Clark residence, 340 East Cady street, between 2 and 5 p.m. and 7 and 9 p.m. on Saturday.

Rev. Clark, who will speak at the Salem Congregational church this Sunday, is Mr. Clark's brother. His talk will be illustrated by a flannelgraph.

## Past Presidents Give Discussion

Five past presidents of the Northville branch of the Woman's National Farm and Garden association took part in a panel on "Garden Problems" at the Monday meeting. Mrs. Parker Holden of West Main street was hostess to the group with Mesdames Fran Jennings, S. Thompson, T. J. Knapp, Clyde Schultz, John Haller and N. W. Hopkins as co-hostesses.

Thirty-five members were present to hear the panel discussion by Mesdames Ralph Hay, William B. Walker, Jr., Roy Matheson, Joseph Denton and M. L. Hoysradt.

The tea table which was presided over by Mrs. Paul Schulz was centered with red candles and a Valentine bouquet of red carnations. The Valentine box was won by Daisy Martins.

Mrs. Glenn H. Cummings was welcomed as a new member of the Northville branch of the association.

## Seeing Is Believing

The eight senior high school girls taking the "Home and Family Living" class taught by Miss Margaret Kovitz, last week learned to do their meat shopping thriftily from the family butcher himself.

Meat cutting was explained and demonstrated by the Kroger meat butcher. The class visited the J. L. Hudson company, Detroit, while their home exhibition was being given and next week they will have dinner together at Dearborn Inn. The girls earned money for the dinner party by washing athletic uniforms.

## Mr. and Mrs. McKenna Living in Washington, D. C.

Joyce Lee Chambers chose a white lace ballerina length gown to wear for her marriage to Robert Thomas McKenna on Sunday afternoon, February 9 in St. Francis Xavier Rectory, Washington, D. C. The Rev. Father James Brooks officiated at the ceremony.

Joyce, who is the daughter of the Owen Henry Chambers of Lynchburg, Virginia, wore a matching jacket with her gown. Her Juliet cap of white satin was trimmed with seed pearls and held a shoulder length veil in place. With this she carried a colonial bouquet of white carnations tied with white streamers. Sister of the bride, Jean Chambers, who served as maid of honor, wore a pale blue ballerina length gown of tulle. She wore a matching hat and carried a colonial bouquet of pink roses.

Jack Stoner of Harrisburg, Pennsylvania, acted as bestman for the groom. Bob is the son of Mrs. Gerald McKenna of Orchard drive and the late Mr. McKenna.

Mrs. Chambers and Mrs. McKenna, mothers of the bride and groom, respectively, wore gowns of navy blue accented by a corsage of gardenias.

After a reception in Washington, D. C., the couple left for a wedding trip to New York City.

The bride changed from her wedding gown to a navy blue knit suit with matching accessories for traveling. Upon their return they will be at home at 4612 Hillside road, S.E., Washington, D. C.

Bob, who is a graduate of Northville High school with the class of 1947, is stationed at Fort George Meade, Maryland. Mrs. McKenna is employed by the Federal Security agency in Washington, D. C.

## O.E.S. Plans Box Social

The regular business meeting of Orient Chapter No. 77, Order of the Eastern Star will be held Friday, February 15 at 7:30 p.m. in the Masonic Temple.

An old fashion box social will follow the meeting.

Perry Kenner Post No. 76, Amvets Auxiliary served refreshments at the Boy Scout Round Table held February 5 at Novi school.

The Lutheran Ladies Auxiliary will meet at the home of Mrs. Fred Wenker, 46066 Sunset, on Thursday, February 21 at 1:30 p.m.

Novi Extension group will meet at the home of Mrs. J. W. Erwin on Novi and Ten Mile roads on Thursday, February 14 for lesson on pattern alteration at 8 p.m.

Scouts Set Party For February 21

Reservations for the annual Girl Scout benefit party planned for Thursday, February 21, may be acquired from any members of the Girl Scout Council, Brownie troop leaders or Girl Scouts, said Mrs. W. E. McCarthy, publicity chairman. The benefit will be held at the Veterans of Foreign Wars hall on Plymouth avenue starting at 8 p.m.

Not only bridge, but also canasta and other card games may be played that evening, reports Mrs. McCarthy. Fifty door prizes, including shampoo, waves, cash and merchandise, have been planned.

Mrs. John Clarke, president of the Girl Scout Council which is sponsoring the affair, has appointed Mrs. A. W. Hahn as chairman. Reservations may be made with Mesdames Clarke, Hahn, McCarthy, Heinz Hilger and Leonard Howard and Miss Evelyn Ware.

Offers Adult Sketching

Every adult who has ever wished to draw has an opportunity to try sketching in the galleries of the Detroit Institute of Arts on Friday evenings at 8 o'clock. Materials are furnished and though no formal instruction is offered, members of the Museum's Education Department are on hand to give pointers. The fee for each Friday sketching session is 50 cents.

Mrs. H. Whipple Fetes Hollander at Luncheon

Entertaining at a luncheon last Friday, February 8, was Mrs. Harvey Whipple of West Main street.

Mrs. Peter Schipper of Plymouth and her sister, Elizabeth Stoorvoel of Zucht, Holland, Mrs. Glenn H. Cummings, Mrs. Herbert Froger, Mrs. T. G. Hegge, all of Northville, and Miss Lila Fyan of Detroit were her guests.

Wixom PTA Announces "Kotten Carnival"

The "Kotten Carnival," square dance and card party, is planned by the Wixom Parent-Teachers association for Saturday, February 16. The party will begin at 8 p.m. at the Wixom school.

Russ Egloff's orchestra has been engaged with Herman Shields as caller. Door prizes and a cakewalk are planned for the evening.

Blue Star Mothers Meet at J. P. Smith Home

Mrs. J. P. Smith of Dunlap street was hostess to the Blue Star Mothers Monday evening at her home. Mrs. George Dixon assisted as co-hostess.

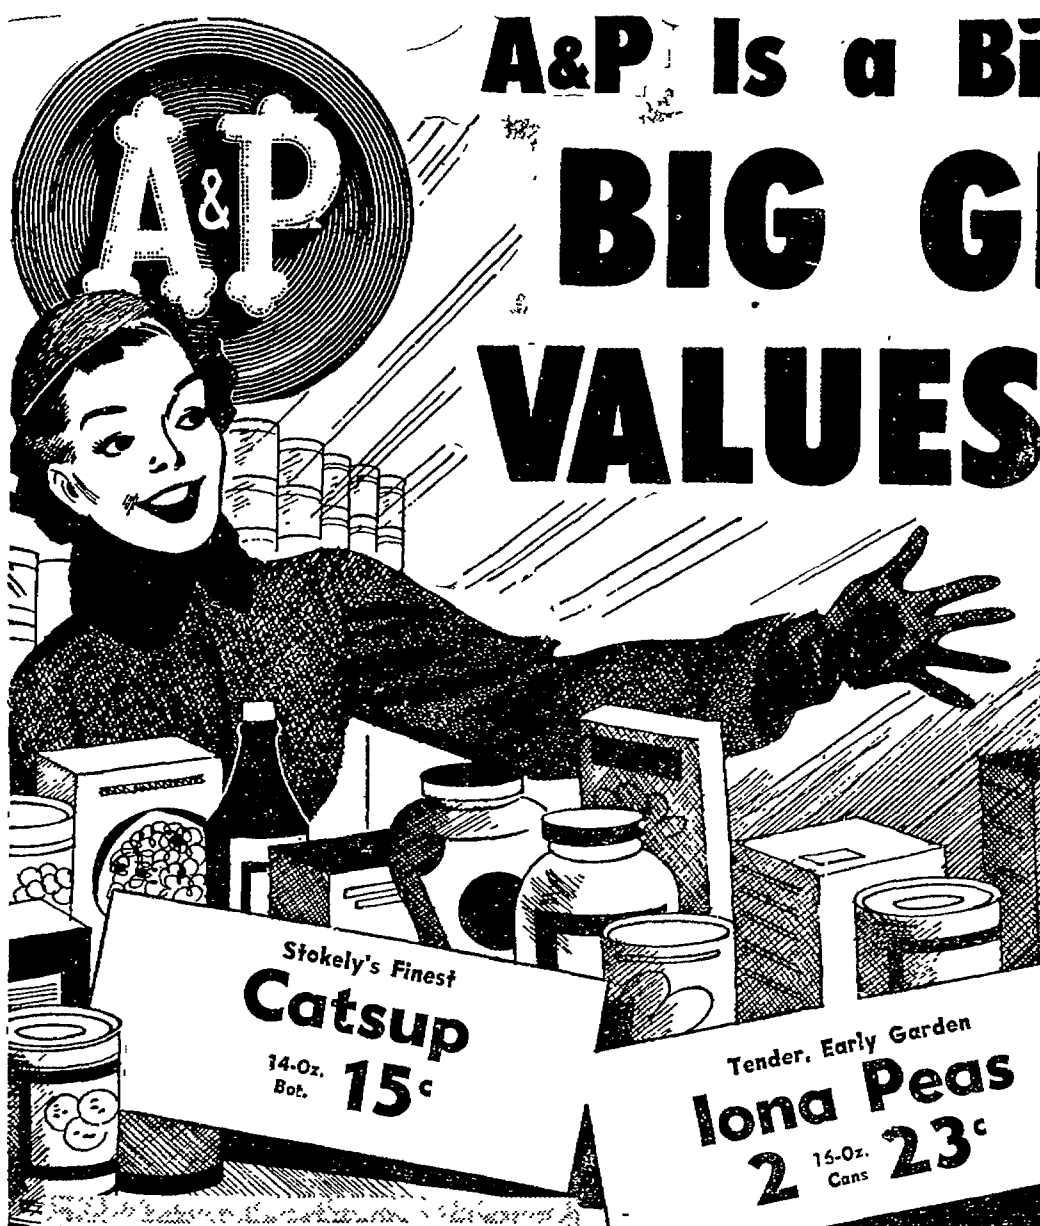

The group is planning a bake sale, said Mrs. Doris Wick, publicity chairman. At the next meeting, Monday, March 10, the mothers of servicemen and women are to be guests, she added.

NOVI EXTENSION

The Novi Extension group met at the home of Mrs. James Leavenworth of Twelve Mile road Tuesday, February 5. The lesson was on pattern alterations. Roll call was favorite flowers. Mrs. George Mairs resigned as co-leader of the group. The March meeting will be at the home of Mrs. James E. Mitchell, Whipple street, in Novi.

# A&P Is a Big Favorite for BIG GROCERY VALUES

Because we know our groceries at A&P, folks know they can count on us to have plenty of the famous brands they prefer at the thrifty prices they're looking for. No wonder so many smart shoppers buy everything from alphabet soup to zwieback in A&P's well-stocked, value-packed Grocery Department! Why don't you get this money-saving habit, too?

Wanted: One First Class Crystal Ball!

Serving folks for almost a century now, we like to think we're pretty good at knowing just what they want and how to please 'em best. But experience and intuition can go just so far.

Sometimes we think we could use a "crystal ball" to find out if customers have "something on their mind" they're not telling us—that we don't know, but should—in order to serve them better.

Have you something on your mind that concerns us? We'd appreciate knowing it—then the crystal ball won't be necessary. Please write:

Fellowship, Wednesday. Don Ko-  
nodel, Youth Counselor in charge.  
W.S.C.S., third Wednesday of  
each month at noon.

**Christian Science Churches**  
In Christian Science the word  
"Soul" is often used as a synonym  
for the word "God." This is ex-  
plained in the Lesson-Sermon  
which will be read in all Chris-  
tian Science churches on Sunday,  
February 17, under the subject,  
"Soul."

The Golden Text is from  
Psalms (35:9): "My soul shall be  
joyful in the Lord: it shall re-  
joice in his salvation."

Among the Bible citations is  
this passage, (Ps. 34:22): "The  
Lord redeemeth the soul of his  
servants: and none of them that  
trust in him shall be desolate."

Correlative passages from "Sci-  
ence and Health with Key to  
the Scriptures" by Mary Baker  
Eddy include: "Only by losing  
the false sense of Soul can we  
gain the eternal unfolding of Life  
as immortality brought to light."  
(p. 335).

**First Presbyterian Church**  
Rev. Harold F. Fredsell, Pastor  
Sunday, February 17:  
9:30 a.m., Breakfast of the  
Men's Bible class in the church  
kitchen, followed by a discussion  
led by Robert L. Hart.

10 a.m., Sunday Church school  
with classes for all age groups.  
Earl T. Gibson, Jr., Gen. Supt.

Ladies Bible class meets with  
Mrs. C. M. Chase in the parlors.  
11:00 a.m., Morning Worship  
and sermon by Dr. Fredsell.

Nursery and Junior Church  
during the morning service.

7:30 p.m., Senior Youth Fellow-  
ship, Mr. and Mrs. Richard Kay,  
sponsors.

Monday, February 18:  
Pre-school nursery group each  
morning, Monday, Wednesday  
and Friday.

3:45 p.m., Brownie Scouts. Mrs.  
Ken Rathburn, leader.

Tuesday, February 19  
3:45 p.m., Girl Scouts, Mrs. Wm.  
G. Williams and Mrs. Alfred Par-  
menter, leaders.

6:30 p.m., Supper meeting of  
the Board of Deacons at the  
Manse.

7:00 and 9:00 p.m., Men's club  
bowling at Northville Rec.

Wednesday, February 20:  
3:45 p.m., Brownie Scouts. Mrs.  
A. R. Allen and Mrs. Foster Van  
Atta, leaders.

7:30 p.m., Boy Scouts N-5 at  
the Scout building. Harold F.  
Wagenschutz, Scoutmaster.

**Salem Federated Church**  
C. M. Pennell, Pastor  
Sunday morning worship, 10:30.  
Sermon subject: "Behold the  
Lamb of God which taketh away

## St. Paul's Church to Take Part in National Survey

The Northville St. Paul's Lu-  
theran church with Rev. E. E.  
Rossow as pastor, has been asked  
to take part in a nation-wide sur-  
vey on "family life" to be con-  
ducted during the month of Feb-  
ruary.

The first of its kind to be at-  
tempted by any church body, the  
Lutheran Family Life survey  
will cover 10,000 homes in the  
United States and Canada and  
is part of a \$25,000 family re-  
search project of the Board for  
Parish Education of the Lutheran  
Church Missouri Synod.

According to the Rev. Paul G.  
Hansen, Denver, research direct-  
or for Family Life, the survey  
will study Lutheran attitudes on  
the home and family life "in a  
day when many people believe  
that the foundations of American  
family life are 'shaking'."

The Northville church was one  
of the 854 congregations selected  
at random and representing  
several Lutheran synods from ev-  
ery section of North America to  
cooperate in the survey. Pastor  
Hansen reports.

The research program will in-  
clude studies in such areas as  
mixed marriages, engagement, di-  
vorce and remarriage, attitudes  
toward sex, authority in the home  
and related problems.

## Salem Church Reorganizes School

A reorganization of the Salem  
Federated Sunday School has  
been made which will go into ef-  
fect immediately. With the in-  
creasing number of students,  
classes are being added to take  
on the 116 members and new  
members.

The new classes are as follows:  
The Nursery class will include  
children up to four years old.  
Pre-School class includes four  
and five year olds; Primary class  
for the six, seven and eight-year  
olds. Divided classes for boys  
and girls in the nine, ten and 11-  
year old group, and Divided clas-  
ses for boys and girls in the 11,  
12 and 13-year-old classes.

The class for 13 to 18 age group  
will remain the same and a new  
class will be formed for the 18  
to 30-age group. The Bethany  
class will remain the same as  
will the class age group over 50.

An attendance contest is plan-  
ned with the Daily Vacation Bi-  
ble school in view, said Blaine  
Hicks, superintendent.

## Novi Baptist Ladies to Meet Thursday

The Women's Missionary So-  
ciety of the Novi Baptist church  
will meet today, Thursday, at  
noon for their regular monthly  
luncheon meeting. Mary Flint of  
Twelve Mile road will be hostess.

Mrs. K. Boyer will conduct the  
devotional period with Mrs. Jas.  
Leavenworth in charge of the  
program period.

## World Day of Prayer Planned For Feb. 29

The community of Northville  
will join with 17,000 United  
States communities Friday, Feb-  
ruary 29, in the observance of a  
World Day of Prayer.

The meeting will be held at  
the Village library from 2 to 3  
p.m. on that day.

I agree with Rev. Dr. Talmage,  
that "there are wit, humor, and  
enduring vivacity among God's  
people."

—Mary Baker Eddy

I would like to express my ap-  
preciation for all the beautiful  
greetings and nice wishes I re-  
ceived while in St. Joseph's hos-  
pital, Ann Arbor, and during my  
long illness at home.

Bart Connors 37x

## OBITUARY

**CHARLOTTE MacPETRIE**  
Part time assistant librarian at  
William H. Maybury sanatorium,  
Miss Charlotte MacPetrie, 11386  
Broad street, Detroit, was killed  
in an auto-train accident Wednes-  
day, February 6. Miss MacPetrie  
was 31 years old.

The Detroit librarian was re-  
turning from enrollment at the  
University of Michigan when her  
car skidded into the path of a  
Cheapeake and Ohio train at a  
grade crossing on Seven Mile  
road, two miles east of Pontiac  
trail in Salem township.

She is survived by her mother,  
Mrs. Jessie MacPetrie; three bro-  
thers and two sisters.

**MICHAEL J. LYNCH**  
A retired accountant supervisor  
of Fisher Body company, Michael  
J. Lynch, 66, died Saturday, Feb-  
ruary 9, at his home at 15894  
Northville road. Rosary was said  
Monday evening at the Schrader  
Funeral Chapel, Northville, with  
High Mass celebrated by Rev.  
Father F. J. Wojciek at Our Lady  
of Victory church Wednesday  
morning. Interment was in Rose-  
land cemetery, Royal Oak.

An employee of General Mot-  
ors for 27 years, Mr. Lynch was  
born April 7, 1885 in Madison,  
Ohio, to Jeremiah and Mary  
Lynch. He came to Northville  
from Detroit and has resided  
here for seven years.

He is survived by his wife,  
Nora; two sons, Edward J. of  
Detroit and Lt. John R. serving  
with the U. S. Army; as well as  
three brothers, three sisters and  
five grandchildren.

**EDWARD OTOTTE**  
Saturday, February 9, services  
were held for Edward Ototte, 71,  
who died February 6 at William  
H. Maybury sanatorium. The  
body remained in state at the  
Schrader Funeral Home, North-  
ville. Services were held at Our  
Lady of Victory church. Rev. Fa-  
ther F. J. Wojciek conducted the  
services with burial at Rural  
Hill cemetery.

Mr. Ototte was born in Kansas  
to George and Nancy Ototte. He  
had resided in Detroit for the  
past 12 years while in the employ  
of the Western Railway company.

He is survived by one brother,  
Frank, and a nephew, George,  
both of South Bend, Indiana.

**JESSIE L. GRISWOLD**  
Jessie L. Griswold, 71, wife of  
Harry Griswold, and mother of  
Mrs. John Thomasson of 411 Hor-  
ton street, died at Sessions hos-  
pital Wednesday, February 6.  
Services were held from Schrader's  
Funeral Home, Northville. The  
Rev. Dr. Harold F. Fredsell  
conducted the services which  
were followed by burial in Oak-  
land Hills cemetery, Novi town-  
ship.

Mrs. Griswold was born in  
Pennsylvania to John and Ellen  
Smith. On January 1, 1952, she  
and her husband, Harry, celebra-  
ted their 57th wedding anniver-  
sary. Surviving besides her hus-  
band and daughter is a sister,  
Mrs. Charles Searfoss of North-  
ville; four sons, Ward and Clare  
of Detroit, Frank of Clinton and  
John of Wilkes Barre, Pennsylv-  
ania; a brother, Guy Smith of  
Mt. Holly, New Jersey; 21 grand-  
children and 26 great-grandchild-  
ren.

**REV. FRANK N. MINER**  
Funeral services will be held  
tomorrow, Friday, for the Rev.  
Frank N. Miner, former pastor of  
the Northville First Methodist  
church. News of his death ar-  
rived Tuesday morning.

Services will be held at the  
Groves and Company Memorial  
Chapel, 605 Garland, Flint, at  
1 p.m. with cremation at White  
Chapel, Detroit. He was 79 years  
old at the time of his death and  
is survived by his daughter, Eliz-  
abeth, with whom he made his  
home at 906 Chevrolet in Flint.

The Boy Scouts of America  
have \$32,650,000 invested in its  
camps for the boys of the nation.

Chief Denton gave his report for the month of January, 1952, and Malcolm Allen, Cemetery Supt., reported that there was no activity in the cemetery during that period.

Moved by Eaton, supported by Peters, that the reports be accepted and placed on file. Carried.

Moved by Ely, supported by Eaton, that the Village election Board be paid \$1.25 per hour and no meals will be furnished by the Village. Carried.

Mrs. A. C. Carlson was present and talked with the Village Commission about the monies in the building fund, which according to an opinion submitted by Atty. James Littell are in fact in a sub-division of the General Fund and can be transferred to another sub-division of the General Fund such as an Off-Street Parking Fund and can be used for the purpose of acquiring such public improvement. She stated that she was speaking for a large group of four citizens and it was desired that this money should not be used for any other purpose than the building of a Community Bldg., Mr. Walter Couse was present to give a detailed explanation of the steps already taken towards the accomplishment of this fact, he having been the Chairman of the Village Planning Commission at the time this project was instituted. It was requested by Mrs. Carlson, that the Village Commission find out if there was any way that these monies could be definitely earmarked for the Community Bldg. project, and it was moved by Eaton, supported by Peters, that Mr. Littell render an opinion as to whether or not there are ways and means of earmarking the monies presently in the Building Fund, amounting to approximately \$161,000.00, in a Community Building Fund and not in a sub-division of the General Fund. Carried.

Moved by Ely, supported by Eaton, that two hour parking be between Center and Wing Sts. on Cady St.; also in the block on W. of the street between 8:00 A.M. to 6:00 P.M., and in the block between Center and Wing Sts. to Cady St.; also in the block on W. Dunlap St. between Center and Wing Sts. where there are no meters. Carried.

Chief Denton was instructed to post Church St. between Cady and Beal Sts. for west side parking only.

Plans were discussed as to the work to be done during the year 1952-53 and also what new equipment it would be necessary to purchase, with a view to making up the budget to cover such expenditures.

Comm. Peters reported that he had called at the Michigan Municipal League office in Ann Arbor, and that a representative from the League would be present at the next regular meeting to talk with the Commission about how the monies received from the State under the Dykstra Act would have to be handled.

Mr. John Miller, of the Green Ridge Nursery, reported that he had trimmed 106 trees and dropped 22 trees so far this winter. He was instructed to report on the number of trees that needed to be replaced and the price of same.

Atty. Littell then reported on the terms under which Salome Britton would negotiate regarding the property which the Village wishes to acquire from her on the south side of Main St., which were as follows: Cash payment of \$1,128.50 for the land desired for alley and parking lot purposes; also that the Village at its expense construct a retaining wall and fence along the west line of the Britton property; a curb and fence along the south line of said property and erect a protective device at the southeast corner so as to prohibit vehicles from trespassing on the remaining property; and to remove the large pine tree presently growing in front of the building on said premises. Moved by Eaton, supported by Woodworth that the deal be consummated upon the terms stated. Carried.

No further business appearing, meeting was adjourned. (Sgd.) Mary Alexander, Clerk

## Farmington Twp. Special Vote Set For Next Monday

One of the most important issues to come before the voters of Farmington township will be settled at a Special Election next Monday, February 18 when the proposed Zoning Ordinance will be submitted for approval. A heavy vote is indicated by the large increase in registration during the past few months and the lively pre-election interest throughout the area, said Watson F. Kinney, secretary of the Farmington township Citizen's committee.

All of the neighboring townships, villages and cities, including Northville, are protected by zoning ordinances, commented Kinney. In Farmington township, no zoning ordinance is now in effect.

The proposed zoning ordinance has been under consideration for about two years. Public meetings have been held from time to time to obtain comments from residents so that the ordinance would be of maximum benefit and protection, he related. It is intended to regulate the usage of land and to provide adherence to established health and safety standards as well as promote the future residential, commercial and industrial development of the township, Kinney said.

A citizens committee has been formed to publicize the ordinance, to assist residents in understanding its provisions and to encourage registered voters to express their opinions at the polls Monday. Polls will be open on election day from 7 a.m. until 8 p.m., states Harry McCracken, township clerk. Precinct 2 voters will cast their ballots at the Odd Fellows hall, 20911 Inkster road while voters from Precinct One will cast their ballots at the Farmington town hall.

Place one of your favorite clip earrings on a black velvet ribbon for an attractive choker necklace for evening wear, suggest Michigan State college home economists.

More than 700,000 adults serve in the Boy Scouts of America as volunteer leaders.

## Amateur Radio Operators Stage Speed Demonstration

Allen Krafve and Bob Dixon (left panel) test reception from control station with Glenn Radio Club demonstration last Thursday.

## Skip Howard Sings With Albion Choir

Leonard Howard, son of Dr. and Mrs. W. Leonard Howard of West Eight Mile road, will sing bass in the Albion college a cappella choir under the direction of David Strickler at Michigan's first Intercollegiate Choral festival to be held at Kalamazoo Central High school at 8 p.m., February 27, with Kalamazoo college as host.

The choirs of six colleges will be heard, namely Albion, Alma, Calvin, Hillsdale, Hope, and Kalamazoo, approximately 400 voices in all. Each choir will sing two or three numbers as its contribution to the music of the evening, and at the program's conclusion all will join in presenting four well known numbers, with orchestral accompaniment also furnished by the participating colleges.

Howard is a sophomore at Albion college.

## Amateur Radio Operators Show Usefulness in Test

Four amateur operators gave a convincing demonstration of radio's value in emergencies last Thursday night.

Simulating a disaster situation in Northville, Allen Krafve and Bob Dixon manned a control station at the Cy Owens Ford display room. They sent two mobile units in automobiles scurrying from place to place in the Northville area.

The control station sent the cars to Sessions hospital and Maybury sanatorium to determine supplies and the number of medical personnel available. The mobile units checked the lumber companies for temporary shelter building material. They went to the railroad depot and the Ford valve plant at the edge of town on assignments. The high school, they found, had floor space for hospitalization. They visited the fire hall to inspect equipment and investigated street lighting and streets. Elapsed time was 3 minutes.

Village President Conrad E. Langfield rode in one car with operator Al Michels of Plymouth. Civil Defense Director Philip Ogilvie and Village Commissioner Gerald C. Woodruff were observers in the other mobile unit operated by Glenn Fredericks of Plymouth.

The control station commanded the Northville police car and sent it from the corner of Dunlap and Rogers streets to the railroad depot in two and a half minutes.

Another radio facility was demonstrated by Patrolman Clarence Baum. He telephoned the Sheriff patrol in Wayne, which radioed the Northville police car and sent it from the intersection of Northville road and Johnson street to Northville Laboratories.

The patrol car manned by Patrolmen Grant Dale and Gill Glasson, reached destination 105 seconds from the time the call was placed to Wayne.

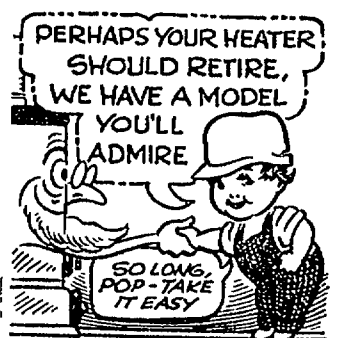

Wilson Funk, Northville Recreation director, explained that this service is available to merchants and citizens.

In emergencies, he stated, phone Wayne 2345, ask for the Sheriff patrol "radio," give the message and car 48 and the Northville patrol car will be contacted immediately.

The four operators who gave the demonstration belong to the Amateur Radio club, part of Northville's recreation program.

You can easily replace a lost knob on the lid of your favorite pot. Just put a sharp screw through the hole and twist a cork onto it. It will be heat-proof, too.

## Mustangs Manhandle Clarkston 59-45, Stay on Top in Wayne-Oakland League

The Northville basketball team throttled Clarkston 59 to 45 last Friday night in a home game, to stay on top of the pack in the Wayne-Oakland league race. The victory was the ninth for Northville against three defeats.

The Mustangs had trouble with Clarkston's height in the first period but pulled even 9 to 9 at the quarter mark. With a 26 to 22 lead at half-time, Northville turned on the steam and raced past, rolling up a 51 to 35 lead at the three-quarter mark.

Charlie Rebitzke combined push-shots with driving lay-ups to register 17 points and lead the scoring for both teams. Don Thomson's five long-rangers in the first and second quarters without a miss were noteworthy.

Northville's method of "solving" the Clarkston defense was to employ high-pitch, aggressive tactics which often worried Clarkston out of possession of the ball.

Glenn Howarth and Dick Somers stood out as backboard

## tenders, Howarth employing his height well and Somers exhibiting a startling ability to get high in the air despite his lack of length.

The summary:

	fg	ft	tp
Rebitzke	8	1	17
Thomson	5	0	10
Somers	4	1	9
Graham	3	2	8

Stanford	2	0	4
Fitzpatrick	1	0	2
Nash	0	0	0
Clark	0	0	0
Scheffer	0	0	0

## NHS Colts Trip Clarkston Reserves

After holding the Clarkston reserves to a single point in the first period, Northville's Colts went on to win easily, 42 to 30, last Friday night.

Bill Bailey hit the mesh for 12 markers, followed by Al Iversen with ten. The game was the ninth win for the Colts in 12 starts.

The summary:

	fg	ft	tp
Bailey	4	4	12
Iversen	5	0	10
Newton	4	0	8
Hix	1	1	3
Mitchell	0	3	3
Rebitzke	1	1	2
Felker	1	0	2
Wooten	0	1	1
Funk	0	0	0
Wiley	0	0	0
Giraidin	0	0	0

## Country Day Nips NHS Cagers 44-42

Detroit Country Day school nipped Northville 44 to 42 in a road game February 3 after the Colts had turned back the Country Day basketball reserves 38 to 19 earlier in the evening.

The defeat was Northville's third setback this season; two of them by Country Day and the season opener at the hands of Plymouth.

Glenn Howarth and Charlie Rebitzke shared scoring honors with 14 points each in the varsity game. Gay Hix was top man for the Northville Colts with 12 markers.

## Meadowbrook Loses Assistant Pro

After four years as assistant pro at Meadowbrook Country club, Wade Ruffner has resigned as Chick Harbert's aid. Ruffner states that he is leaving to become a salesman for the Oglesby Equipment company in Detroit.

As of last week, Harbert had announced no successor for the position of assistant pro. "When I talked to him in Florida Tuesday, he said that he had several applications for the job, but had not decided upon whom he would hire," said Ruffner.

## Newscaster Scores Hole-in-One Assist

A pair of holes-in-one with an unusual twist is reported in Lawrence Witte's radio and television publicity release from New York. Both acts involved Lowell Thomas, noted CBS newscaster.

Thomas' hole-in-one was a natural. He drove to the green and his ball rolled into the cup. There was the usual acclaim and celebration.

In another match, his ball hit one that had landed near the cup on a single stroke from the tee, and the other fellow's ball rolled into the cup, making a legitimate hole-in-one for Thomas' opponent—New York State Supreme Court Justice Charles E. Murphy.

By gluing corks removed from bottle caps on the bottom of chair legs, you can protect uncarpeted floors from being scratched.

## WITH OUR NEIGHBORS

Brighton — Bingo games, car raffles, and other lotteries and games of chance are a thing of the past in Brighton and the rest of Livingston county, according to Prosecutor Wilfred H. Erwin and law enforcement officers of the county, who agreed at a meeting February 1 to enforce the state laws against gambling. A policeman's lot is not a happy one. Officer LaMoria learned Friday night when he informed a group assembled at the American Legion hall to play bingo that the game was off.

Plymouth — Approval of Board of Education in Livonia was given early this week to the demands of the superintendent for three new grade schools to be located in the following areas. One in the Dutch Mill area near Middle Belt and Five Mile roads, another in the Plymouth and Middle Belt road area and the third in the Farmington and Seven Mile road area.

Farmington — A total of 1,539 students and 570 adults participated in the blood typing program sponsored by the Farmington Township School District last week, O. E. Dunckel, superintendent, announced Monday.

Brighton — If faces of members of the Brighton City Council are red this week, it is because they have discovered that their January 11 action to amend the recently passed zoning ordinance was illegal. The Council reclassified the block occupied by the old creamery building and the area from the depot to Walnut street immediate adjacent and parallel to the railroad track as a light industrial district January 11.

Wayne — The Ford Motor company will build a \$50,000,000 plant, one and one-half miles west of Romulus. The plant, to be built on a 160-acre site, will be four and one-half miles from Wayne.

## Michigan Bell Cites Expansion Gains

With a financial outlay approaching the \$50,000,000 mark, the Michigan Bell Telephone company wound up the year with substantial gains in its projected expansion and service improvement program.

The company's total expenditure for land and buildings, central office equipment, outside plant facilities, station equipment and general operational needs, totaled \$48,128,000.

The bulk of Michigan Bell's disbursement was for new construction representing the installation of new central office equipment and the improvement of its existing plant.

During the year, the company added 112,500 more telephones in its territory of which some 8,500 were rural stations. Michigan Bell now serves a total of more than 1,950,000 telephones.

In its 1951 improvement program, station equipment represented the largest single expenditure for the company, reaching \$22,789,000. The company spent \$11,021,000 for new and the improvement of existing plant facilities, \$9,810,000 for central office equipment, \$3,298,000 for land and new buildings and building additions, and \$1,210,000 for equipment in the general classification.

A significant result of the company's program was the reduction of its backlog of new service orders by more than 44 percent. Also high on the company's achievement list for 1951 was a further broadening of its extended-area service plan to include a total of 216 towns in Michigan.

In the category of service improvement, the company converted three more of its exchanges from manual to dial operation, making its system 87 percent dial-operated.

There are more than five million Boy Scouts and Leaders in the 52 nations using the Boy Scout program.

## Torch Fund Contributions In Use

Speech Therapist Nell Allen tests the hearing of a young patient in the Detroit Cerebral Palsy Center, one of the health services made possible by contributions to the recent Torch Drive. Highly-trained experts using special equipment help youngsters overcome handicaps imposed by their ailment. The Center is housed in a wing of the Children's Hospital Convalescent Home at Farmington.

## MICHIGAN MIRROR

NON-PARTISAN  
NEWS LETTER

With Washington in such a hubbub, even investigating its investigators, the quiet turmoil of Michigan politics is restful as a June zephyr. But even here there are hints of corruption. With the resignation, under fire, of Sidney Phillips of Charlotte as president of the board of managers of state fairs, Michigan took another look at itself.

Phillips, charged with accepting a \$300 bribe from a concessionaire at the state fair, faced impeachment proceedings when he threw in the towel.

Meanwhile the legislature was literally working day and night to meet its new deadlines. Committees burned the midnight oil to get their bills on the floor. Under rules adopted last session, all bills other than taxation and appropriation measures must be out of committee 21 days after introduction or they were dead.

One bill came in again this year in revised form. It is a new type of "used car tax." The measure, differing from the Higgins bill defeated twice before, would impose a 3 percent specific tax on the sale of used cars through licensed dealers. Thus, it would exempt so-called isolated sales — those between individuals — a feature of the previous measure.

Another rumor is extant that

Ford Motor company's present

Governor Williams again is keeping an eye on the vice presidency. Observers swear on a stack of government manuals that the governor's ears are getting cauliflowered from keeping them to the ground — especially if Kefauver gains in strength. But, such observations are still — just rumors.

Somewhat more tangible in the political world was the visit of Arthur E. Summerfield of Flint, national G.O.P. committeeman. He held a 45-minute peace-making session with a group of rebellious legislators over his repeated hostility to the U. S. senatorial candidacy of John B. Martin, Jr., auditor general.

Summerfield emerged from a closed-door meeting with 28 house Republicans, his grip on the party reins still secure. Said Summerfield, apparently smoothing down the ruffled hackles of the 28 Republicans, "I never have taken the position that any candidate is unacceptable, including Mr. Martin."

Prof. C. R. Hoglund, MSC agricultural economist, believes it is possible by 1955 to raise Michigan milk production by 10 percent, red meat production by 8 percent and poultry and turkey meat production by 15 percent over the 1950 level. He says better cropping practices could boost production of feed grain by 5 percent along with a 10 percent rise in hay and pastures.

Prof. Hoglund also sees a possibility for a 10 percent rise in corn yields and production gains of 10 to 25 percent for other crops if Michigan farmers make more extensive use of fertilizer.

defense contracts total \$1,800,000,000. The company expects to employ 40,000 workers and use 11,000,000 square feet in defense work alone.

Oil and gas operators plan to drill 711 new wells in Michigan in 1952, compared with 746 wells completed in 1951. The forecast is based on drilling schedules of oil companies and individual operators and show that the new wells will be divided into 345 wildcats, seeking new pools, and 366 developed wells in known fields.

Last year, of the 746 completed wells, 223 were successful in finding oil, 20 hit natural gas, 46 were sunk as service wells in older fields and 457 were dry.

The Michigan Inter-Industry Highway Safety committee has given Michigan State college \$10,000 for salary and expenses of a professor in driver education, the first in the country, who will give special courses to high school driver education teachers throughout the state.

Dr. Arthur Bromage, University of Michigan political science professor who became an Ann Arbor alderman to test his theories, reviews his experience in a new book, "A Councilman Speaks."

A Mississippi Flyway council has been organized. Composed of Michigan and 13 other states, it is designed to gear closer the shooting season and bag limits to the annual harvestable duck surplus. This will be the first time representative sportsmen and conservation officials will be meeting regularly to consider duck problems on an entire flyway basis.

The state senate affairs committee has killed a bill which would have required Michigan State college and the University of Michigan to televise home sports contests.

## How you, too, can reduce hauling costs on your job

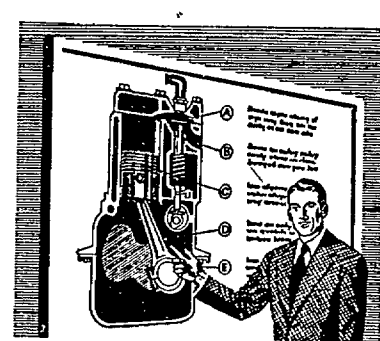

Here's a sure way to cut hauling costs on your job. Get a truck that gives you more mileage on gas and oil . . . that costs less for upkeep . . . that carries more payload. A truck like that will really save you money!

Owners of Dodge "Job-Rated" trucks enjoy the outstanding economy of trucks that are "Job-Rated"—engineered at the Dodge factory to fit a specific job. Because they're "Job-Rated," these trucks stand up better, save money.

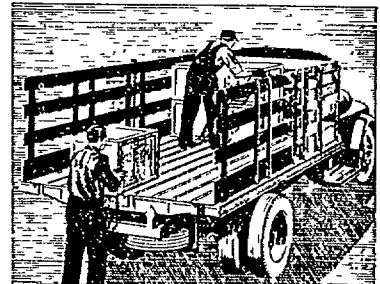

Come in today and let us show you how a Dodge "Job-Rated" truck will cut your hauling costs.

Reduce costs with economical power—Dodge truck engines have four rings per piston, lightweight aluminum pistons, compression ratios as high as 7.0 to 1, and other economy values.

Reduce costs with low upkeep—You get such money-saving advantages as chrome-plated top piston rings, exhaust valve seat inserts, positive-pressure lubrication, and many others.

Reduce costs with bigger payload—Because a Dodge "Job-Rated" truck has better weight distribution, it carries more load on the front axle. As a result, you can haul bigger payloads.

says fruit packer  
**FRANCIS HEIDRICH**  
Herman J. Heidrich & Sons  
Orlando, Florida

"We've saved a lot of money with Dodge 'Job-Rated' Trucks".

"We're really sold on Dodge for all-round economy and dependability. Every one of our trucks has been replaced by a Dodge and the whole fleet is standing up in a way that sure saves us money."

"Dodge trucks certainly fit our job—and keep costs down."
