

# Can Paving of Municipal Parking Lot Be Done Without Cost to Village Taxpayers?

Many municipalities in Michigan and other states have provided off-street parking facilities without cost to their taxpayers by issuing bonds to be retired from parking meter receipts. The Northville Record describes below the method that is commonly used, and which has proven successful in several cities. Next week, and in succeeding issues, the Record will describe in detail the experience of particular cities.

Six months have elapsed since the Village of Northville purchased the Blackburn property on East Main street to provide off-street parking facilities to encourage shopping at downtown stores. Except for having been leveled off after the Blackburn house was removed, the lot is of little more use today than when it was acquired.

There is general agreement, especially among the merchants who stand to benefit most, that the parking lot will be of real value after it has been hard-surfaced, in alleviating overcrowded parking conditions which cause many residents of the surrounding area to do their shopping in Plymouth. No one, however, has come up with a definite plan for defraying the cost of such hard-surfacing. Until someone does this, the parking lot will be of dubious value—a quagmire of mud in the spring and after every rain next summer.

## How Do Other Cities Do It?

Under the circumstances, the Record believes the method used by other municipalities in Michigan and elsewhere to pave and maintain their parking lots WITHOUT ONE CENT OF COST TO THEIR TAXPAYERS may be of interest locally. Quite possibly, it may be feasible here.

This method, in simplest terms, is to first create a MUNICIPAL PARKING LOT AUTHORITY to assume responsibility for acquisition, construction and maintenance of the present parking lot, and such additional parking lots as may be acquired to meet the village's future needs. The second step is to give the PARKING LOT AUTHORITY the right to all collections from parking meters located on the lot and in the village. (Collections from meters already on the streets amounted to \$10,074.79 in 1950 and \$9,561.74 in 1951.)

With these preliminaries accomplished, the PARKING LOT AUTHORITY is in a position to solicit bids from investment dealers for revenue bonds in such amount as will be required for proper surfacing of the lot, construction of raised concrete run-ways on which to mount parking meters so they will not be damaged by cars using the lot, and for purchase of the necessary meters.

A revenue bond is an obligation of the issuing governmental unit, in this instance the PARKING LOT AUTHORITY. The security which purchasers would require if they are to lend the AUTHORITY their money is a pledge of the village's parking meter receipts. Such receipts should retire the bonds and would involve no increase in taxes. Revenue bonds issues that are properly set up by a recognized firm specializing in this field find a ready market with investors.

If the present parking lot, and others that may be acquired in the future, can be financed through sale of revenue bonds, it is a matter of importance to the village. The reason for this is that Northville's present assessed valuation of approximately \$4,000,000 is sufficient only to permit issuance of \$400,000 of general obligation village bonds. Its ability to issue such bonds, when and if deemed advisable, will not be impaired by the issuance of PARKING AUTHORITY revenue bonds. It is a foregone conclusion that the village will find it necessary at some future time to sell general obligation bonds to pay for extension of municipal services. Growth of the community will make this inevitable, and it is well to allow as much leeway as possible for providing such services.

The existing indecision concerning where the money is to be found for hard-surfacing the paving lot, and even more, the circulation of petitions by the Northville Retail Merchants Association for a special election to vote on a sizable issue of paving bonds leads to only one conclusion.

Northville has need for a well-planned financial program that takes into consideration not only the village's needs this year and next, but also the things that will have to be done five and ten years hence. Should the proposal for issuing general obligation paving bonds actually be ratified and such bonds be issued in an amount sufficient to pave the village's unpaved streets in their entirety, Northville might find itself unable to issue bonds in the future to provide other municipal facilities that may be even more necessary.

We believe these matters deserve the immediate careful attention of the Village President and the Village Commission, all of whom we readily admit contribute far more to the Village in time and services each year than it is entitled to get for the \$100 it pays them.

## Village Residents to Join in Observing Nationwide World Day of Prayer

The people of Northville will join with some 17,000 communities in the United States to observe the World Day of Prayer tomorrow, Friday. The Village library on Wing street has been designated by Mrs. William A. Johnson, chairman of the observance, as the meeting place for the 2 p.m. service.

Assisting with the services on the first Friday in Lent will be Mesdames L. M. Eaton, William Crump, George Weiss, Howard Bray, Joseph Denton, A. W. Parmenter, Harold F. Fredsell, Clifford Nutter, Howard Greer, William Liebetreu, H. C. Rodgers, C. M. Chase and Miss Jessie Hutton. Mrs. William Williams will accompany Mrs. David Hay who will be the afternoon's soloist.

This observance which was begun in the year 1887 will use as its theme "Christ, Our Hope." Translated into many languages and dialects, the World Day of

Prayer Service is used on this day, not only in the United States but in 104 countries around the world.

In the United States the general department of United Church Women of the National Council of Churches sponsors the day. Services are held in churches both great and small and even in the open air, said Mrs. Johnson.

Gifts are given on behalf of extending the Christian Missions. The offering in the United States is, divided between the Division of Home Missions of the National Council for its ministry to migrants, sharecroppers, and American Indians with the other half going to the Division of Foreign Missions of the National Council to be used for Christian colleges overseas; and for work with the 30,000 students from other lands who are studying in our country.

## Candidates Seeking Election to Village Offices

Mary Alexander

Conrad E. Langfield

A. Russell Clarke

Harry G. Rackham

Edward M. Bogart

Levi Eaton

Alton Peters

With Friday as the filing date for petitions, the candidates pictured above have definitely indicated their desire to seek village offices. Mary Alexander, Conrad E. Langfield and A. Russell Clarke, respectively, the incumbent clerk, president and treasurer, will seek re-election. Harry Rackham and Edward M. Bogart oppose each other for the office of assessor. Levi Eaton and Alton Peters will seek, respectively, to fill a two-year unexpired commissioner's term and to seek re-election to a four year commissioner term.

## Red Cross Drive to Get Underway March 1; Bloom Named Chairman

Northville's quota in the 1952 Red Cross fund campaign will be \$1500, four hundred dollars more than the 1951 quota, said C. Harold Bloom, Northville chairman of the drive.

Medical superintendent at Maybury sanatorium, Dr. W. Leonard Howard, is co-chairman with Mr. Bloom in the Red Cross campaign this year.

The campaign will get underway in Detroit and 21 county branches tomorrow with a kick-off luncheon in the grand ballroom of the Hotel Statler. The fund campaign will last from March 1 through 31.

Detroit's goal for 1952 will be \$1,833,000, of which \$1,452,000 was raised in the United Foundation-Red Cross campaign last fall, leaving \$381,000 still to be collected to reach its quota.

Northville residents oversubscribed the fund last year, contributing \$1,204 against the assigned quota of \$1,100. The quota has been raised this year because of the continuing Korean war.

Chairman Bloom will seek volunteers for soliciting of businesses and industry and a house-to-house canvass.

The Red Cross asks everyone to "Answer the Call" for funds to carry on its local, national and international humanitarian work.

John S. Sinclair, national chairman of the campaign, said that the critical world situation makes it imperative that the Red Cross be fully prepared to answer the call of people in need.

## Dinner Honors Past Officers of V.F.W.

The Veterans of Foreign Wars Post and Auxiliary No. 401 honored the past presidents and post commanders at a dinner at the V.F.W. hall Sunday, February 24.

Fifty-five members were present. Two past presidents, Mrs. Stanley Meyers and Mrs. Clara Broda, and past commander Stanley Meyers attended. Mrs. Zada Riley and Jack Nulty are the president heads.

## Three Radios Given to Amateur Club

The Amateur Radio club is richer this week by three used radios donated by Levi Eaton, David Severance and Ellis Electronics.

Members of the club study parts and constructions of old radios, then take them apart for experimental purposes.

The club can use more old radios. They will be called for if Villagers will phone 412 and leave word with Mrs. Mary Alexander, Northville Village clerk, about when and where the sets can be picked up.

## Dog Show Slated For Weekend

When judging starts at the Detroit Kennel club's 35th annual dog show Saturday, Northville and environs will be well represented.

Mr. and Mrs. J. P. Malley, consistent exhibitors at this show, will enter their pointer, Champion Gunfire, declared best of breed in the last three shows. Among other exhibitors will be Mr. and Mrs. Foster Howell of West Eight Mile road.

The world famous collie of the films, Lassie, will be exhibited. There will be obedience trials, and for the first time, a class for gun dogs, of great interest to sportsmen.

## Detroit News Spelling Bee Begins March 14

The Detroit News Metropolitan spelling bee, which last year claimed Carolyn Burkman, the daughter of the John Burkmans of East Eight Mile road, as a finalist, will begin March 14.

Two succeeding bees will cut down the fifth, sixth, seventh and eighth grade spellers to the 31 competing in the May 9 finals.

## Signe's Beauty Salon Changes Ownership

Effective Monday, March 3, the ownership of Signe's Beauty salon, 107 East Main street, will be changed from Signe Nelson to Joseph Zrenchik of Detroit.

Signe will remain in the salon next week to introduce "Mr. Joseph," as he is known to his Detroit customers, to the Villagers. As his specialties, "Mr. Joseph" has announced permanents, fashionable hair shaping, styling and tinting.

Signe, who will be moving to California in the near future, has been in business in Northville for 16 years.

## Lutherans to Give Father-Son Dinner

Sponsored by the Ladies Aid of St. Paul's Lutheran church, a Father and Son banquet is planned for tomorrow, Friday. The 6:30 p.m. dinner will be held in the parish hall.

F. W. Sterner, chairman of the evening's program, has asked Fred Heidt to give the toast to the fathers while Erwin Doecker will answer with the toast to the sons. The Girl Scout puppeteers of Troop No. 8 will present a show entitled "The Frog Prince." Mesdames Joseph Page and Alex Lawrence are the group's leaders.

Mrs. Obie Butler is chairman of the kitchen committee with Mrs. Clyde Dethloff as dining room chairman and in charge of the ticket sales.

## Harnden Co. Named as Express Agency

The Harnden Paint and Glass company, 115 Church street, has been designated as the Railway Express agency for Northville.

The order will be effective on March 1. Northville has had no agency for some time, although the Harnden company had been the Express agency some time ago.

Mr. and Mrs. Louis Lanning and Mr. and Mrs. Elmer Sperkowski attended the Ice Revue in Detroit Sunday.

## Two Classes Slated For Dog Training

Two classes for Dog Obedience training will be conducted at the Tramm school gym on Sheldon road, beginning tonight, Thursday, running for ten weeks. At the termination of the classes, graduation will be held under a qualified judge.

At 8 p.m., the class for beginners will convene, followed at 9 p.m. by the class for advanced pupils.

Any purebred dog of either sex, over nine months of age is eligible for training with the owner or any other member of their family. Additional information may be obtained from Mrs. Mary Larson by calling her at Plymouth 421-M12.

## Zoning Amendment Hearing Tonight

Northville Township residents will have opportunity to discuss various phases of the proposed amendment to the township zoning ordinance at a meeting to be held at 8 p.m. tonight in the Village Hall under the sponsorship of the Township Zoning Board.

The amendment, which was published in the Record of February 21, represents several months' work on the part of the Board, including wide study of zoning practices in other communities. It is described by Robert H. Shafer, board chairman, as an effort to foresee and provide in advance for problems which will arise as population of the area increases. Certain ambiguous provisions of the existing ordinance are eliminated, and the ordinance is given "teeth," which have heretofore been lacking.

Tonight's public hearing is preliminary to the submission of the amended ordinance to the County Zoning Commission and the County Coordinating Zoning committee, prior to recommending its adoption by the Township Board.

## Fifth Graders Plan Minstrel Show

The fifth grade pupils of Miss Margaret DeKett are sponsoring a Minstrel show, Thursday and Friday, March 6 and 7 to help finance their trip to Lansing to visit the capitol. The 8 p.m. performance will be held in Northville High school's auditorium.

Tickets will be one sale Monday by any of the students and at the door the night of the performance.

The class has earned \$202 for their trip but a total of \$300 is needed, said Miss DeKett. Miss Eleanor Peeke is helping with the music while Mrs. Virginia Black is working with the advertising committee in making posters.

Mr. and Mrs. Clarence LaFaive (nee Dolores Glaser) and daughter, Lucille, left last Thursday for California where they will make their home. They have been visiting with Mrs. LaFaive's parents, the A. E. Glasers, of River street, since their arrival from Ispeming.

## Petitions Circulating for March 10 Village Election; Must Be Filed by Friday

Unless unannounced candidates file nominating petitions by tomorrow (Feb. 29), Conrad E. Langfield, incumbent village president, will be unopposed in seeking his third term at the village election March 10. Mrs. Mary Alexander, incumbent village clerk, and A. Russell Clarke, incumbent treasurer, also are unopposed in seeking re-election. The coming term will be the ninth consecutive one for Mrs. Alexander and Clarke's fifth.

## City Incorporation Committee Talks Problems Over

The subject of incorporation of Northville as a city will not be placed before the voters for several months.

This became apparent at the first meeting of the Village Incorporation Committee February 20, when committee members discussed tentatively the logical area to be included if and when the matter is put to a vote. In view of the many problems involved, including the possible need for water and sewage service, and the attitude of present residents of areas which might be annexed, the committee adjourned without reaching any definite decision as to city limits.

The general feeling, however, was that it may be advisable to hold the area quite closely to present Village limits, rather than attempt to include all of Northville township.

Committee members agreed unanimously that its first step must be for individual members to agree upon the limits after giving due consideration to these factors. They also agreed that when this decision is made, they must be prepared to answer all questions which may be raised by residents within the area affected.

Announcement of Plan Not until these things have been established to the committee's satisfaction, will it attempt to present a definite program for public consideration. The presentation will be made at public hearings, and before various civic groups such as the Rotary, Exchange and Optimist clubs, Parent-Teacher groups, and the Women's club. Speakers qualified to answer all questions will discuss the matter before such organizations.

The Northville Record also will publicize the program fully to give those favoring incorporation and those who are against it an opportunity to present their arguments.

Committee members are Village Commissioners John F. Stubbenvoll, temporary chairman, L. M. Eaton, F. Alton Peters and Gerald Woodworth, and John S. Canterbury and Cyril Frid.

Northville State Hospital Committee members agreed tentatively that from a long range standpoint it probably will be advisable to extend the city's boundary southward along the east side of Northville - Plymouth road to include the Northville State Mental hospital buildings.

The reason for this is that the city's rebate of state sales and inheritance tax receipts is on a population basis, and at present rates amount to from \$10 to \$11 annually per resident. When completed, the state hospital will have 3,500 inmates, equivalent to \$35,000 revenue per year for the city.

James E. Littell, Village attorney, explained that distribution of these taxes by the state is on the basis of the last census in 1950, but that under special circumstances, the state has recognized interim census figures for other communities, and probably would do so in the present instance.

Mr. and Mrs. William Birt, Esther Bedore and Mrs. Clarence Bolton of Wayne attended the Ice show Wednesday at the Olympia.

There are six prospective candidates for the three openings on the Village Commission, however, and two for the office of Village assessor.

Commissioners Claude Ely and Alton Peters will seek re-election for four-year terms. Commissioner Levi Eaton, appointed November 5, 1951, to fill a vacancy created by the resignation of George Locke, will seek the two-year unexpired term.

Also candidates for commissioner's offices, but not yet indicating whether they will seek four year terms or the unexpired term, are Dr. Russell M. Atchison, M.D.; Mrs. William H. Cansfield, former publisher of the Northville Record, and A. Malcolm Allen, proprietor of Allen Monuments.

Edward M. Bogart and Harry G. Rackham will oppose each other for the office of Village assessor. Elmer E. Perrin, incumbent, who ousted Rackham in the 1950 election, has decided not to run for re-election.

Some of the prospective candidates have indicated, at this writing, that they may not file their petitions at all, thereby cancelling themselves from the election. One or two of the petitions are being circulated as draft instruments without the prospective candidate's wholehearted acceptance, which may account for some of them failing to file before closing time Friday.

The Village charter provides that petitions in village elections must be filed not more than 12 days nor less than ten days before an election. This limits petition filing in next month's election to not earlier than yesterday, February 27, nor later than tomorrow, February 29.

## Mobile Unit Takes Thousand X-Rays

Dr. V. George Chabut, Northville Village Health commissioner, reports that more than a thousand chest X-rays were taken of Villagers during the X-ray mobile unit's stay in the Village last week.

At writing time, more than 300 of the X-rays had been processed and examined. None of these indicated abnormalities or traces of tuberculosis. The remainder of the X-rays will have been processed within a short while, Dr. Chabut said. Villagers will be notified by postal card.

The 1,000 figure is considerably under the number of X-rays taken in 1950, when the unit last visited Northville. The unit took 2,847 pictures then.

Of the more than a thousand taken this year, 349 were school students in grades 9 through 12.

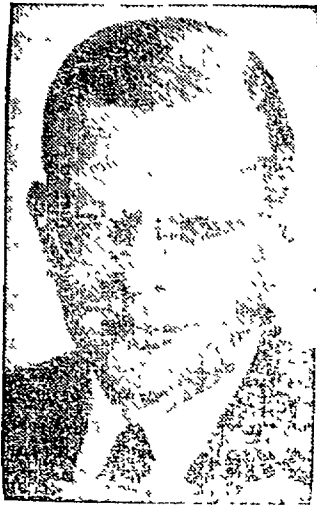

## Twp. Tax Collection Ends Tomorrow

Tomorrow, Friday, February 29, is the last day to remit 1951 Northville township taxes, reports Roy M. Terrill, township treasurer. Terrill has set the Depositors State bank as the collection office.

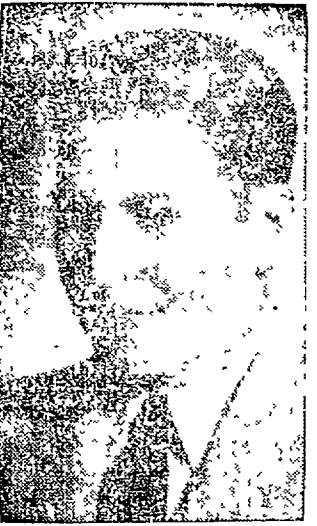

Since the beginning of the collection Friday, December 21, Terrill estimates receipts at \$113,000 with approximately \$30,000 yet to come in. Tax remittances which are in the hands of township citizens, should be turned in at the time of payment.

Dog licenses for 1952 are due and payable at this time, also, he said. Owners must bring a certificate of vaccination for rabies signed by a veterinarian before the license can be issued, Terrill remarked.

## Rolling Down The River

by the PETZ BROS.

Well, a guy walks in this showroom the other day and he looks somewhat battered up, what with a bandage here and there, and the top of his head being a bit on the flat side. We hurried right over, because after all he might be a customer and a customer in such condition might not keep too well. He tells us that he wants to buy a new '52 Studebaker, as he understands from friends that the Studebaker has a tremendous fast getaway and if there's anything he wants in this world it's a car with plenty of fast getaway.

We're glad to accommodate him, of course, and when we take the down payment, we inquire, how come he looks like a refugee from a major disaster?

"My wife," he tells us, "loses an argument this morning and before I can get away, she taps me with an oak leaf."

"But an oak leaf shouldn't hurt," we answer. "At least not much."

"Maybe not," says he, "but it just so happens she picked this particular leaf out of the dining room table!"

Under such conditions we are glad he bought the new Studebaker, because with the fast pick-up of the amazing V-8 engine, the only place his wife can hit, from now on, is where he used to be. It's a truly economical car, too, and rides so smoothly that even the most throbbing neggin can go along with pleasure. And for sheer out-and-out beauty, we hope you come in and look over the new "hard-top convertible" Starliner. . . you'll love it, but then we don't care much what car you buy, as long as it's one of the four Studebakers.

There's been a lot of talk about football in the papers lately, and how certain colleges are going to de-emphasize the sport. Some of the colleges are being a bit drastic. In fact we hear a couple of these institutions go so far as to make a rule that if a football star can't read his own press clippings, he's off the team.

That first paragraph was pretty long and it cuts into the advertising something terrible, which, after all, is why we write the column. Only have room to mention that your car needs lubrication, a bit of tune-up and a general all-around inspection to give you better service. Bring it in . . . besides, we like to have you drop around occasionally anyway.

That's that, but we still believe the best Interior Decorator we've ever heard tell of is a good cook.

Yours,

BILL and WILL PETZ.

### "Robbing Peter to Pay Paul"

Two interesting pieces of mail, each concerned with tax proposals now before the state legislature, reached our desk this week. One was the "column" written by Gene Alleman, secretary of the Michigan Press Association, for member papers. The other was Gov. Williams' weekly "column" for state papers.

Although neither writer refers specifically to Northville or Northville township, what they say is important to every taxpayer here. They discuss tax proposals now before the legislature that would cost the village and the township a sizable portion of the revenue now derived from the state in the form of an annual refund of sales and intangible tax collections. Northville alone receives between \$10 and \$11 per year for each resident from these two taxes.

Three general tax programs are before the legislature for consideration. One is the Governor's proposal for a tax on corporation profits. A second proposal comes from a Citizens' Tax Study Committee. It opposes the governor's corporation profits tax, but advocates certain new taxes, including a "use tax" on sales of used cars, taxes on hotel rooms and tourist cabins, a 3 percent levy on telephone service, a new tax on unincorporated business, a new tax on national banks, an increase in the tax rate on intangible property, and application of present corporation taxes to railroads, telephone and telegraph companies.

The third program, which Alleman describes as "Republican-inspired," would recapture some state funds which now go to schools, cities, townships and villages. For example, both houses of the legislature have approved a bill that would cut local government's share of liquor license fees from 85 percent to 50 percent. This bill would cost local government units \$1,293,000 annually.

Another bill in the Republican program would eliminate the present 3 percent sales tax on liquor sales, and substitute a new specific tax of 3 percent which would go solely to the state. Still another bill, which would divert \$3 million from the gas and weight tax revenues to help support the State Police highway patrol. Local government units also share in such revenues, and would be penalized accordingly. A fourth bill would deprive the cities, villages and townships of the entire proceeds of the state's intangibles tax, of which \$11 million now is refunded to them.

There can be no legitimate argument against the legislature taking positive steps to recoup the state's finances, when its funds are so low that there is danger that it will not be able to meet its current bills.

We have no quarrel, under these circumstances, with the imposition of new taxes that will balance the state's budget. The proposals of the Citizens' Committee have much to commend them for serious consideration. The public will pay them, of course, but that is as it should be if the state is to maintain its present services.

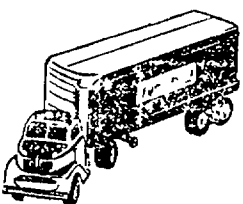

Nor can we argue too strongly with the Governor's proposal to tax corporation income. Other states have adopted similar legislation, without serious detriment to their interests, and we do not believe that industry would move out of this state if such a tax were initiated here. In fact, it probably would be a more "painless" solution than the specific taxes advocated by the Citizens' Committee.

But how can there be any justification of common sense reason for taking away the revenue of a thousand school, village and township government units, thereby upsetting their financial programs and compelling them to revise their local tax rates. It is not only that this course would merely rob Peter to pay Paul; it also would increase many-fold the present confusion that exists in state finances.

The cost of political expediency is high indeed, if this is the best we can expect from our legislature in an election year.

Pictured above is an area east of the Northville-Plymouth road and north of Seven Mile road which is under consideration for inclusion in boundary plans when the incorporation of Northville as a city is placed before voters. The area is known as Gerald avenue.

### For What It's Worth

Dr. N. E. Christenberry, veterinarian of 15235 Grand River avenue, Detroit, is doing what he can for a large town dog of mixed descent which some Northville residents found hanging by one frozen hind foot from the top wires of a fence on the Leonard Esch farm, Seven Mile road near Haggetty, on the morning of February 20.

The animal had obviously caught his foot while jumping the fence, and from the condition of the snow, which his front feet just reached, may have hung there most of the cold night. He made no sound while being cut loose with pliers loaned by a passing motorist, but wagged a grateful tail all the while, although he couldn't walk, and had to be carried to a car.

Residents in the vicinity disclaimed ownership, so he was taken to the nearest veterinarian open at that hour. Dr. Christenberry says the foot is frozen but may still be saved. He estimates the dog's age as about six years.

Anyone shepherding a large brown dog with sheep, a medium-shoot hair, uncropped tail, no collar, and a predilection for cross-country travel, can get in touch either through Dr. Christenberry—Vetmont 6-2677—or at the Record office.

It's hard to imagine anything more futile than complaining about the weather; yet we catch ourselves indulging in that kind of nonsense now and then. Even our associate, a rugged soul who habitually walks the hundred yards to his mailbox in preference to driving, admitted in a recent off-guard moment that he could do without more snow.

"You'll have to admit, though," he said, "that a nice heavy snowfall does one thing worth while. It covers up the heaps of garbage and trash folks have dumped along the roadside, a thing you were cursing about just the other day."

That was exaggeration, of course. If public-spirited citizens feel like sharing their bottles, cans, citrus and banana peels, eggshells, broken crockery, and expensive coffee grounds with others less fortunate, who are we to cuss them out? Especially when, for the sake of gratifying a generous impulse, they risk tangling with Section 681 of Public Act 284.

The comment he referred to was inspired by the sight of an unusually liberal outpouring, along the west side of Sheldon Road a little north of Six Mile. These roadside displays always stimulate our interest in genealogy, and we did speculate a bit on the ancestry of this John Doe. His contribution was such a dandy, it simply couldn't be ignored. Not just the gift, either, but the way in which it was given. It had obviously been kicked from the

moving car, so it spread along several yards of road.

There are 40 or 50 lesser ones along highways we travel fairly often, but the fine old custom, we note with regret, seems to be dying out. In the absence of a recent survey, on which our cigarette friends seem to have a monopoly, we can't quote figures, of course. But it would be our guess that for every householder who gladly and willingly shares his garbage with the public, there are at least 999 who insist, these days, on burning, burying, paying for collection, or selfishly putting it to one of the (off-highway) public dumps.

#### Interesting Sequel—

We referred in an editorial last week to the discriminatory action of residents in a South San Francisco suburb in voting against a former Chinese Nationalist Army officer, and graduate of Earlham College in Indiana, moving into the community. The incident aroused a nationwide wave of indignation. As a sequel, the owner of the largest and most valuable house in the community announced he is putting his house up for sale "to any person, regardless of color, nationality or creed, because I do not want to continue living with a bunch of bigots."

### Farmington Gets Parking Meters

Parking meters were scheduled to be operating in the Farmington business area this week, according to a statement by City Manager James Tennant.

Work was started February 20 on the marking and drilling of holes for the installation of meter stands. Michael Ferrante, Farmington contractor, has been awarded the contract for the installation of posts by the Park-O-Meter company.

# Chances are 1 out of 4 you will face hospital bills in the next 12 months!

Here's a wonderful way to protect your hard-earned savings against hospital and medical bills, and to afford the best medical care.

THERE IS NO ESCAPE from hospital-confining accident or sickness for one out of four families in Michigan during 1952. It is estimated that about 425,000 Michigan families will suffer this experience in the next 12 months.

But there is a way to escape the hospital and medical bills that follow accident and sickness. At little cost, you can get health-care protection sponsored by Michigan hospitals and doctors.

**Blue Cross - Blue Shield** provides big benefits... and a lot of them! In the 12 years since Michigan hospitals and doctors started BLUE CROSS - BLUE SHIELD, these plans have paid out over 220 million dollars in benefits for subscribers. They have provided hospital and surgical benefits totalling as much as \$8,054 for one person in a single case.

**BLUE CROSS Comprehensive Group Hospital Plan** provides up to 120 days care in ward or semi-private room, according to the service for which you enroll, in any of the 192 participating hospitals in Michigan. There's no cash limit on the certificate benefits covered, no matter how high the total bill.

**BLUE SHIELD Medical-Surgical Plan** pays generous amounts for specific procedures and provides substantial payments towards your doctor's visits to the hospital in non-surgical cases.

"Blue Cross is more than worth the little it costs just to know that if anything does happen to you, all the hospital care needed is yours without worrying about how to pay the bill. This year alone, Blue Cross has paid over \$1,000,000 in hospital benefits for Mrs. Ludwig and me. Without Blue Cross, I would have had to go into debt to meet this expense."

"Believe me, anybody who is working, should have Blue Cross-Blue Shield!"  
Mr. Joseph A. Ludwig

**Blue Cross - Blue Shield benefits** you can't measure in dollars and cents! Your health-care benefits are taken care of automatically, without red tape... with no embarrassing questions asked... with no complicated claim forms to fill out. BLUE CROSS - BLUE SHIELD pays hospitals and doctors directly.

The best possible protection at the lowest possible cost!

Several Blue Cross - BLUE SHIELD plans are available. The average cost is about 9 cents per person per day.

Wholly non-profit operation makes these low costs possible. Every penny received above nominal expense, is earmarked for benefits that go back to the members. BLUE CROSS - BLUE SHIELD plans are a public service and a public trust conducted truly and purely "for the people" of Michigan by the hospitals and doctors themselves.

"Blue Cross has been wonderful. It was a great relief to know I was receiving the care needed to get well without worrying about the cost. When I saw the bill for \$2,400 which Blue Cross paid, I realized just how the Blue Cross service 'benefits' really are. Why, without Blue Cross, we would have had to sell our home to pay that kind of a bill!"

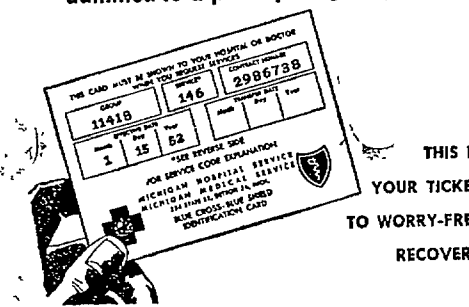

Mrs. Irene Matoszek

**Who is eligible for Blue Cross - Blue Shield protection?** If your firm employs 6 or more people, it may be eligible for BLUE CROSS - BLUE SHIELD Comprehensive Group health-care protection.

Agricultural workers can join through Farm Bureau Discussion Groups or Grange Groups.

Individuals are eligible for special BLUE CROSS - BLUE SHIELD plans, in enrollment campaigns held for a limited time, at regular intervals. Get details from your nearest BLUE CROSS - BLUE SHIELD office.

**Your Blue Cross - Blue Shield Card gets you admitted to a participating hospital!**

No red tape when you enter the hospital... no claims to file when you leave!

This membership card is all you need to be admitted to a participating hospital. Simply show it to your doctor and to the admitting clerk. And when you leave, there are no claims to file because BLUE CROSS - BLUE SHIELD pays the hospital and doctor directly.

PROTECTION THAT'S PRICELESS

## Overtured Auto Hospitalizes Three

Three young people narrowly missed death last Friday night when their car overturned on the Northville-Plymouth road between Seven and Six Mile roads. All three were hospitalized at Session hospital in Northville, but are recovering satisfactorily.

According to James Tucke, of Detroit, and John Chisholm of 361 East Cady street Northville in an eyewitness report to the Wayne County Sheriff Road Patrol, the 1948 Mercury convertible driven by George Woodward of Plymouth, passed at a high rate of speed, then rolled over on a curve.

Woodward, 19, was hospitalized with facial abrasion, and muscular damage to his arm and shoulder. Nancy Zobel 15, also of Plymouth sustained comparatively minor cuts. Darrell Heinzelman, of 1494 Northville road, received head lacerations and bruises.

The Sheriff Road Patrol's report said there was no evidence that the youngsters had been drinking.

## Noted Author at Wayne University

Louis J. Alber, author and foreign correspondent, will be the first speaker in the spring session of the 1951-52 Wayne university forum series. Under the title, "Kremlin Blueprint, 1952," he will speak at 3.00 and 9.00 p.m. Wednesday, March 5, in the Mart Room of Wayne's student center.

Alber, who has studied Russia, the Soviet System, and World Communism for the past 25 years, travelled through 16 European countries following World War II including six months east of the Iron Curtain. In 1951 he made a fact-finding trip along the boundary between Free World and Iron Curtain countries from China to Finland interviewing leaders in government, business and education as well as average people in all walks of life.

Mary Ann McLellan of Westmore avenue was a houseguest of Mary Lou Passmore.

## Plymouth Dental Group Asks For Water Fluoridation

Fluoridation of the Plymouth water supply was recommended in a resolution adopted by the Association of Plymouth Dentists and presented to the Plymouth city commission Monday, February 18.

The resolution has been turned over to Dr. R. R. Barber, Plymouth city health officer. The resolution called for fluoridation "as soon as possible."

Many cities are now using the water fluoridation treatment, according to a Plymouth Mail article, with positive results in lessening tooth decay. In a New York experiment it was found that fluoridated water proved much more effective in preventing tooth decay than untreated water.

Current opinion among dentists, according to surveys and magazine articles, is that fluoridation is highly beneficial to children whose teeth are in the formative stage.

Members of the association who signed the resolution are A. E. VanOrnum, J. H. Todd and Doctors J. L. Olsaver, chairman; B. E. Champe; F. B. Foust; J. M. Robinson; B. A. Fitch and F. H. Armstrong.

## 685 Students Given Hearing Tests

During the last few weeks a total of 685 students of Northville schools, 3rd to 12th grades inclusive, have been given hearing tests, said Miss Ruth Knapp, R.N., school nurse.

The test, called the Massachusetts Pure Tone test, is given under the auspices of the Michigan Health department, the Wayne County Health department and the local school system.

Of the total pupils tested, 64 were retested. Miss Knapp states that in the near future they hope to have a specialist from the State Department of Health in the vicinity to retest 26 others.

## Novi Church Plans Lenten Services

Lenten services at the Novi  
Methodist church on Sunday eve-  
nings will be rotated with the  
Brighton Methodist church, the  
Rev. J. M. McClus announces.  
An Ash Wednesday dinner fol-  
lowed by a Communion service  
opened the period of Lent in the  
Novi church.

On Sunday, March 9 and 23,  
services will be conducted in the  
Novi church with an Easter can-  
tata being presented April 6 by  
the joint choirs of the Novi and  
Brighton Methodist churches.

The Union Good Friday ser-  
vices beginning at 2 p.m. will be  
held this year in the Methodist  
church. The Rev. Charles Morse,  
minister of the Novi Baptist  
church, will preach the sermon.

## Methodists Plan Sunday Suppers

The Lenten season at the North-  
ville First Methodist church be-  
gan on Ash Wednesday with a  
pot luck supper for the congre-  
gation. Sunday Lenten suppers  
are planned also for the follow-  
ing weeks.

Speaker at the Sunday, March  
2 supper, which begins at 6:30  
p.m. will be the Rev. Melbourne  
Johnson, minister of the Ply-  
mouth Methodist church.

On March 9, the Youth Fellow-  
ship of the church will sponsor  
the dinner. The Rev. Robert  
Seals, Director of Ann Arbor  
District Youth work, will be the  
evening's speaker.

## Novi Lodge News

## Wilbur - Chappell Repeat Vows in Home Ceremony

Before a fireplace banked with white flowers and candelabra, Jean Wilbur, daughter of Mel Wilbur and the late Mrs. Wilbur of East Detroit, became the bride of Terry C. Chappell, son of the Earl Chappells of North Center street. The 8 p.m. ceremony was read by the Rev. William A. Johnson at the Joseph Litsenberger home on Finner road.

Jean wore a corsage of yellow tea roses to accent her green suit while her mother of honor, Mrs. Claire Brown (Nancy Litsenberger) wore a navy blue suit and a corsage of red roses. Claire Brown served as the groom's bestman.

At the reception which followed for the 30 wedding guests, Mrs. Earl Coll, sister of the groom, presided at the table.

The young couple left for a wedding trip in northern Michigan on Tuesday, March 4. Terry will leave for training with the Army. Mrs. Chappell will make her home with her father in East Detroit, where she is

## Birthday Party Fetes Carolyn VanAtta

Ten schoolmates of Carolyn's attended the party where they played games before supper was served.

Those present were Carole Tabbar, Carol Ann Fritz, Carolyn Millington, Marjorie Baer, Virginia Baumk, Mary Ebert, Sally Stroh, Ann Downer, and Joann Morse.

## Judge Rogart Marries Detroit Couple Sunday

Justice of the Peace Edward M. Rogart performed the wedding ceremony of Norbert Peter Beseck and Ethel Veischuren, both of Detroit, on Sunday, February 24.

Witnessing the double ring service were Mr. and Mrs. Edward and John Beseck of Hamtramck.

employed at the East Detroit Public library. Terry was graduated from Northville High school and from the Detroit Business Institute.

## Mrs. J. R. McColl Selected By Soroptimist Club For Honor

In tribute for her contributions to Metropolitan Detroit of leadership, vision and interest in humanity, the portrait of Mrs. J. R. McColl will be included in a gallery exhibit of 150 portraits entitled "Detroit's Women of Achievement." Mrs. McColl resides with her daughter, Mrs. A. M. Lawrence on Meadowbrook road.

The opening of the show is scheduled for Saturday, March 8, in the auditorium of the Women's City club, 21100 Park avenue, Detroit.

Mrs. McColl was selected by the Soroptimist club as one of the living dynamic women of Detroit to be honored. In this way the club, which is an international organization of business women is dedicated to the betterment of womenkind, is paying homage to Detroit during its 250th Birthday celebration.

As a resident of Detroit for more than 30 years, Mrs. McColl was known as an outstanding teacher of current events. For nearly 20 years, she conducted classes in Detroit and its suburbs on world affairs, enhancing the course with first hand knowledge gleaned from her three European trips. These classes were also conducted at the Detroit Young Women's Christian association. "Current happenings have always been my hobby," said Mrs. McColl, "and after the classes were discontinued, I often lectured to club groups." Her lectures on the Passion play given yearly at Oberammergau, Bavaria, which is her specialty, have been given from here to Florida, she commented.

During the 1927-29 term, Mrs. McColl was president of the Detroit New Century club, one of the cities' largest women's clubs. As a board member of the International Institute, the Detroit League of Women Voters and the Women's Committee of the Detroit Symphony orchestra, she furthered her contributions to the cultural growth of Detroit. She was also a member of the literature committee of the Women's City club, Detroit, where the portraits will be shown.

Mrs. McColl's talents include more than lecturing. She has contributed many feature articles to The Detroit Free Press and for many years wrote a column for that publication entitled "Over My Neighbors Fence." For four years she held the position of editor-in-chief of the Detroit Club Woman, the official publication of the Detroit Federation of Women's clubs.

"Ten years ago, I came to spend the weekend with my daughter, Mrs. Alex Lawrence, and I've been here ever since," Mrs. McColl reminisced. Since that weekend ten years ago, she has become a member of the Northville Women's club, where she has presented many programs. She is slated as the March 7 speaker for the organization. She is also a member of the Northville First Presbyterian church.

men's club, where she has presented many programs. She is slated as the March 7 speaker for the organization. She is also a member of the Northville First Presbyterian church.

As a young girl, Mrs. McColl began her travels when she spent the summer with her parents and brother in the Hawaiian Islands visiting her father's uncle, Dwight Baldwin, who was one of the earliest missionaries to the islands. "At that time, the islands were known as the Sandwich Islands," she commented, "after the Earl of Sandwich who sponsored Explorer Cooke." To get a better understanding of world problems, she has made three tours of Europe accompanied by her late husband and daughter. On another occasion, Mrs. McColl drove her own car across the continent.

During her program before the Northville Women's club on February 15, Eva Briggs, master photographer APSA, displayed the picture of Mrs. McColl which she took for the exhibition. Miss Briggs composed and contributed the portraits for this unusual first showing.

## Reception Honors Mr. & Mrs. Bridson

Mr. and Mrs. George Bridson, Jr. (the former Dolores Pardy) were honored at a reception at the home of Mr. and Mrs. John Pardy of Milford road on Saturday, February 16. The Bridson's were recently married in Dundee, Michigan.

The affair was also a farewell party for the groom who leaves tomorrow, Friday for the army. Baskets of red and white gladioli and blue iris were used to decorate the house. Yvonne North of Northville, Mrs. John Schaffer of Lansing and Mrs. James Bridson of Detroit, helped Dolores open her gifts. A buffet luncheon was served.

The young couple at present make their home in the Roberts apartment on East Lake street in South Lyon. Guests were present at the reception from Detroit, Lansing, Ferndale, Royal Oak, Port Huron, Northville, Plymouth, Dearborn and South Lyon.

## Garden Association to Sponsor Annual Bird House Contest

Schoolboys in grades seven through 12 will compete in a bird house contest in the afternoon of Sunday, March 10 at the grade school lunch room.

The contest is sponsored by the Northville Branch, Michigan Division of Woman's National Farm and Garden Association. The contest is sponsored annually by the National association. Local chairman is Mrs. Orson Atchinson.

The association will award cash prizes to first, second and third place winners, and for honorable mention.

The boys are building wren, martin and bluebird houses and feeders. They must follow rules specified by the Detroit News. The show, which the public is encouraged to attend.

The boys are building the houses under the supervision of Willard Renard, high school manual training teacher. R. D. Merriam and Edward Mollema will be judges for the contest.

## BPW to Attend Wayne Meeting

The Northville Business and Professional Women's club members have been invited to attend the March 25 meeting of the Wayne BPW organization, said Miss Elizabeth Etz, local BPW president.

Guest speaker for the evening will be Hazel Meyer, regional club chairman and delegate to the 1951 BPW convention in London, England. The dinner will begin at 6:30 p.m. at Mrs. Temple's Colonial tearoom, 4915 South Monroe avenue, Wayne.

Reservations must be in by Saturday, March 22 to Vera S. Wilkinson, chairman of the International relations committee of the Wayne club. Her address is 3270 Sophia street, Wayne, with telephone reservations made to Wayne 0604.

## Shirley Carlson Wed Thursday to Bill Nuottila

Marriage vows were repeated by Shirley Carlson and William Nuottila in a candlelight ceremony at the bride's home Thursday evening, February 21. The 8:30 p.m. ceremony was performed by the Rev. Dr. Harold F. Fiedsall.

Shirley's parents are the Arthur C. Carlson's of Fairbrook road and Mr. and Mrs. Emil Nuottila of Seven Mile road are the groom's parents.

Carol Jean Hansen, sister of the bride, played the wedding music. The bride was met at the foot of the stairs by her father, who escorted her to the altar. The matron of honor was Mrs. Edward Landau (Harriet Carlson) while her husband, Edward Landau, acted as bestman.

Shirley wore a royal blue traveling suit for her wedding attire. A white lace hat and a corsage of white carnations accentuated the costume.

The new Mrs. Nuottila was graduated from Northville High school with the class of 1951 and attended Cleary college in Ypsilanti. Her husband is a graduate of Hancock High school and is employed at the Dodge plant in Detroit.

## Youth Give Saturday Scavenger Hunt

Plans are completed for the scavenger hunt to be given this Saturday evening, March 1, at the Methodist church house. The youth of the community are invited by the Methodist Youth Fellowship to attend.

### Wilbur - Chappell Repeat Vows in Home Ceremony

Before a fireplace banked with white flowers and candelabra, Jean Wilbur, daughter of Mel Wilbur and the late Mrs. Wilbur of East Detroit, became the bride of Terry C. Chappell, son of the Earl Chappells of North Center street. The 8 p.m. ceremony was read by the Rev. William A. Johnson at the Joseph Litsenberger home on Fanner road.

Jean wore a corsage of yellow tea roses to accent her green suit while her mother of honor, Mrs. Claire Brown (Nancy Litsenberger) wore a navy blue suit and a corsage of red roses. Claire Brown served as the groom's best man.

At the reception which followed for the 30 wedding guests, Mrs. Earl Croll, sister of the groom, presided at the table.

The young couple left for a wedding trip in northern Michigan. On Tuesday, March 4, Terry will leave for training with the Army. Mrs. Chappell will make her home with her father in East Detroit, where she is

Witnessing the double ring service were Mr. and Mrs. Edward John Berek of Hamtramck.

employed at the East Detroit Public Library Terry was graduated from Northville High school and from the Detroit Business Institute.

### Mrs. J. R. McColl Selected By Soroptimist Club For Honor

In tribute for her contributions to Metropolitan Detroit of leadership, vision and interest in humanity, the portrait of Mrs. J. R. McColl will be included in a gallery exhibit of 150 portraits entitled "Detroit's Women of Achievement." Mrs. McColl resides with her daughter, Mrs. A. M. Lawrence on Meadowbrook road.

The opening of the show is scheduled for Saturday, March 8, in the auditorium of the Women's City club, 21100 Park avenue Detroit.

Mrs. McColl was selected by the Soroptimist club as one of the living dynamic women of Detroit to be honored. In this way the club, which as an international organization of business women is dedicated to the betterment of womenkind, is paying homage to Detroit during its 250th Birthday celebration.

As a resident of Detroit for more than 30 years, Mrs. McColl was known as an outstanding teacher of citizen event. For nearly 20 years, she conducted classes in Detroit and its suburbs on world affairs, enhancing the course with first hand knowledge gleaned from her three European trips. These classes were also conducted at the Detroit Young Women's Christian association. "Current happenings have always been my hobby," said Mrs. McColl, "and after the classes were discontinued, I often lectured to club groups." Her lectures on the Passion play given yearly at Oberammergau, Bavaria, which is her specialty, have been given from here to Florida, she commented.

During the 1927-29 term, Mrs. McColl was president of the Detroit New Century club, one of the cities' largest women's clubs. As a board member of the International Institute, the Detroit League of Women Voters and the Women's Committee of the Detroit Symphony orchestra, she furthered her contributions to the cultural growth of Detroit. She was also a member of the literature committee of the Women's City club, Detroit, where the portraits will be shown.

Mrs. McColl's talents include more than lecturing. She has contributed many feature articles to The Detroit Free Press and for many years wrote a column for that publication entitled "Over My Neighbor's Fence." For four years she held the position of editor-in-chief of the Detroit Club Woman, the official publication of the Detroit Federation of Women's clubs.

"Ten years ago, I came to spend the weekend with my daughter, Mrs. Alex Lawrence, and I've been here ever since," Mrs. McColl reminisced. Since that weekend ten years ago, she has become a member of the Northville Women's club, where she has presented many programs. She is slated as the March 7 speaker for the organization. She is also a member of the Northville First Presbyterian church.

Mrs. J. R. McColl

### Garden Association to Sponsor Annual Bird House Contest

Schoolboys in grades seven through 12 will compete in a bird house contest in the afternoon of Sunday, March 10 at the grade school lunch room.

The contest is sponsored by the Northville Branch, Michigan Division of Woman's National Farm and Garden Association. The contest is sponsored annually by the National association. Local chairman is Mrs. Orson Atchinson.

The association will award cash prizes to first, second and third place winners, and for honorable mention.

The boys are building wren, martin and bluebird houses and feeders. They must follow rules specified by the Detroit News. The show, which the public is encouraged to attend.

The boys are building the houses under the supervision of Willard Renard, high school manual training teacher. R. D. Merriam and Edward Mollema will be judges for the contest.

### Reception Honors Mr. & Mrs. Bridson

Mr. and Mrs. George Bridson, Jr. (the former Dolores Pardy) were honored at a reception at the home of Mr. and Mrs. John Pardy of Milford road on Saturday, February 16. The Bridson's were recently married in Dundee, Michigan.

The affair was also a farewell party for the groom who leaves tomorrow, Friday for the army. Baskets of red and white gladioli and blue iris were used to decorate the house. Yvonne North of Northville, Mrs. John Schafer of Lansing and Mrs. James Bridson of Detroit, helped Dolores open her gifts. A buffet luncheon was served.

The young couple at present make their home in the Roberts apartment on East Lake street in South Lyon. Guests were present at the reception from Detroit, Lansing, Ferndale, Royal Oak, Port Huron, Northville, Plymouth, Dearborn and South Lyon.

### BPW to Attend Wayne Meeting

The Northville Business and Professional Women's club members have been invited to attend the March 25 meeting of the Wayne BPW organization, said Miss Elizabeth Eitz, local BPW president.

Guest speaker for the evening will be Hazel Meyer, regional club chairman and delegate to the 1951 BPW convention in London, England. The dinner will begin at 6:30 p.m. at Mrs. Temple's Colonial tearoom, 4915 South Monroe avenue, Wayne.

Reservations must be in by Saturday, March 22 to Vera S. Wilkinson, chairman of the International relations committee of the Wayne club. Her address is 3270 Sophia street, Wayne, with telephone reservations made to Wayne 0604.

### Shirley Carlson Wed Thursday to Bill Nuottila

Marriage vows were repeated by Shirley Carlson and William Nuottila in a candlelight ceremony at the bride's home Thursday evening, February 21. The 8:30 p.m. ceremony was performed by the Rev. Dr. Harold F. Fredsell.

Shirley's parents are the Arthur C. Carlson's of Fairbrook road and Mr. and Mrs. Emil Nuottila of Seven Mile road are the groom's parents.

Carol Jean Hansen, sister of the bride, played the wedding music. The bride was met at the foot of the stairs by her father, who escorted her to the altar. The matron of honor was Mrs. Edward Landau (Harriet Carlson) while her husband, Edward Landau, acted as bestman.

Shirley wore a royal blue traveling suit for her wedding attire. A white lace hat and a corsage of white carnations accented the costume.

The new Mrs. Nuottila was graduated from Northville High school with the class of 1951 and attended Cleary college in Ypsilanti. Her husband is a graduate of Hancock High school and is employed at the Dodge plant in Detroit.

### Youth Give Saturday Scavenger Hunt

Plans are completed for the scavenger hunt to be given this Saturday evening, March 1, at the Methodist church house. The youth of the community are invited by the Methodist Youth Fellowship to attend.

The hunt will be held from 7 to 9 p.m. with dancing and refreshments following.

The Sunday meeting of the Fellowship will be held at the home of David Severance, 516 Novi road, at 7:30 p.m. Betty Garrett will present the discussion topic and Gilbert Black the worship service.

Mrs. E. J. Willis was on hand Friday, February 22 for the opening of the USO of Metropolitan Detroit located at 147 West Lafayette.

## Mustangs to Play Detroit Lutheran

Northville's basketball teams will close out the regular playing season against Detroit Lutheran High school on the Mustang court tomorrow night, Friday. The reserve game will begin at 7 p.m., followed immediately by the varsity match at about 8:30 p.m.

Going into this last game, the Mustangs have a ten won-four lost record, with a seven and one record in Wayne-Oakland league competition. The Colts also have won seven and lost one loop games.

Mr. and Mrs. Jack Farmer of Northville and Mr. and Mrs. R. Kog Bidwell of Loveland attended the Ice Revue at the Olympia in Detroit, last Saturday evening.

## Northville Team Elevated to Class "B" in District Basketball Tournament

Northville will move up into faster company next week during the district tournament at Walled Lake High school.

The local basketball team is now Class B, and must get by Howell, Milford and Walled Lake to win the District Tournament title.

Drawing for the tournament was slated for Tuesday afternoon, after press time for the Record. However, Northville will play its first game either Wednesday at 8:30 or Friday night March 5, or 7, against one of the teams mentioned above.

In Class B, no game is scheduled for Thursday, but games are slated for Friday at 8:45 and Saturday at 9 p.m.

Class C games, which include Brighton, Hartland, Keego Harbor, South Lyon and St. Mary's of Orchard Lake, are scheduled all four nights: Wednesday at 7:30, Thursday at 7:30, Friday at 7:15 and Saturday at 7:30 p.m.

## Riverside Skating Show March 16-17

A skating review, "Skating Varieties of '52," will be presented March 16 and 17 at Riverside Arena on Plymouth road, Livonia. The review is the 11th annual skating show of the Riverside Figure and Dance club.

The March 16 performances will be at 2 p.m. and 8 p.m., and the March 17 show will be at 8 p.m. The review will include a Frankie and Johnny number, a sailor number and other group and individual acts.

The 92 roller skaters who are busy practicing for the review range in age from seven to 20 years. They hail from Wayne, Plymouth, Northville, Farmington, Redford, Garden City, Livonia and Detroit.

James E. Mazie, St. president of the club, says that many of the skaters are state and national champions.

Proceeds from the show will be used to send skaters to the national meet.

## Colts Lose to Rocks, Trojans

Northville's Colts found the going rough last week, losing both their basketball games to the Plymouth reserves February 19, by the score of 58 to 47, and to the Clarenceville reserves last Friday night, 38 to 18.

Coach Al Jones' squad was well muddled Friday before it took the floor. Gary Hix was out with a cold, Bill Bailey couldn't play; Al Iversen was sidelined most of the game with a twisted ankle, and Joe Girardin wasn't available for play. That left, of the starting five only Walter Newton.

An interesting point of the Trojan game is that Northville players did not commit a foul in the first half, and had only six assessed against them in the second two periods. Clarenceville drew 24 personals.

In the Plymouth contest, the Rock reserves led from the outset, posting a 19 to 10 quarter lead and staying ahead 33 to 19 at the half.

## Harbert Team 2nd in Golf Tourney

Chuck Harbert, pro at Meadowbrook Country club, and his partner, Beverly Hansen, came in four strokes behind Sam Sneed and Betty MacKinnon, winners of the 11th annual mixed two-ball golf tournament in Orlando, Florida, Tuesday, February 12.

The winners scored seven-under-par 64 while the Harbert-Hansen team scored with their twosome of Betty Rowland and Henry Linder.

Thirty-two teams were entered in the match play over the 6,454-yard Dubshead Country club course in 81-degree weather.

## Mustangs Defeat Clarenceville 35 to 26; Turn Back Plymouth in Overtime

The Mustangs from Northville outdistanced Clarenceville High school 35 to 26 in a basketball game on the Trojan court Friday night.

The low-scoring game was close, scorewise, until the Mustangs began to pull away in the last period. Northville hit 16 of 26 shots from the free throw line against Clarenceville's eight of 12, to provide the Mustangs with almost the winning margin.

Charlie Rebitzke was top mark in the scoring department with 15 counters, seven of them successful free throws, boosting his point total for the season to 133, right behind Glenn Howarth's 145, and just ahead of Dick Somers' 113.

The third period was slow for both teams. Starting the half with Northville leading 22 to 12, both teams amassed only six points in the quarter.

The summary

	fg	ft	tp
Rebitzke	4	7	15
Howarth	1	4	6
Somers	1	3	5
Clark	2	1	5
Stanford	1	0	2
Nash	0	1	1

	fg	ft	tp
Northville	9	16	35
Clarenceville	8	12	26

## NORTHVILLE-51 PLYMOUTH-49

The Mustangs squared accounts with Plymouth February 19 turning the Rocks back 51 to 49 in a three-minute overtime period.

Northville had the game nearly tied in the last minute of play, but a series of miscues set the tally scene for Plymouth. A pair of Rock free throws tied the score at 45-45 at the whistle ending regulation play.

In overtime Glenn Howarth hit the mesh for the deciding field goal, finishing out his 12-point total as high scorer for the game. Plymouth's Cavell also registered 12 counters.

WHEN YOU WANT TO BE HERE, THERE, EVERYWHERE AT ONCE...

A SUGGESTION: The youngsters might have fun cutting these out for paper dolls.

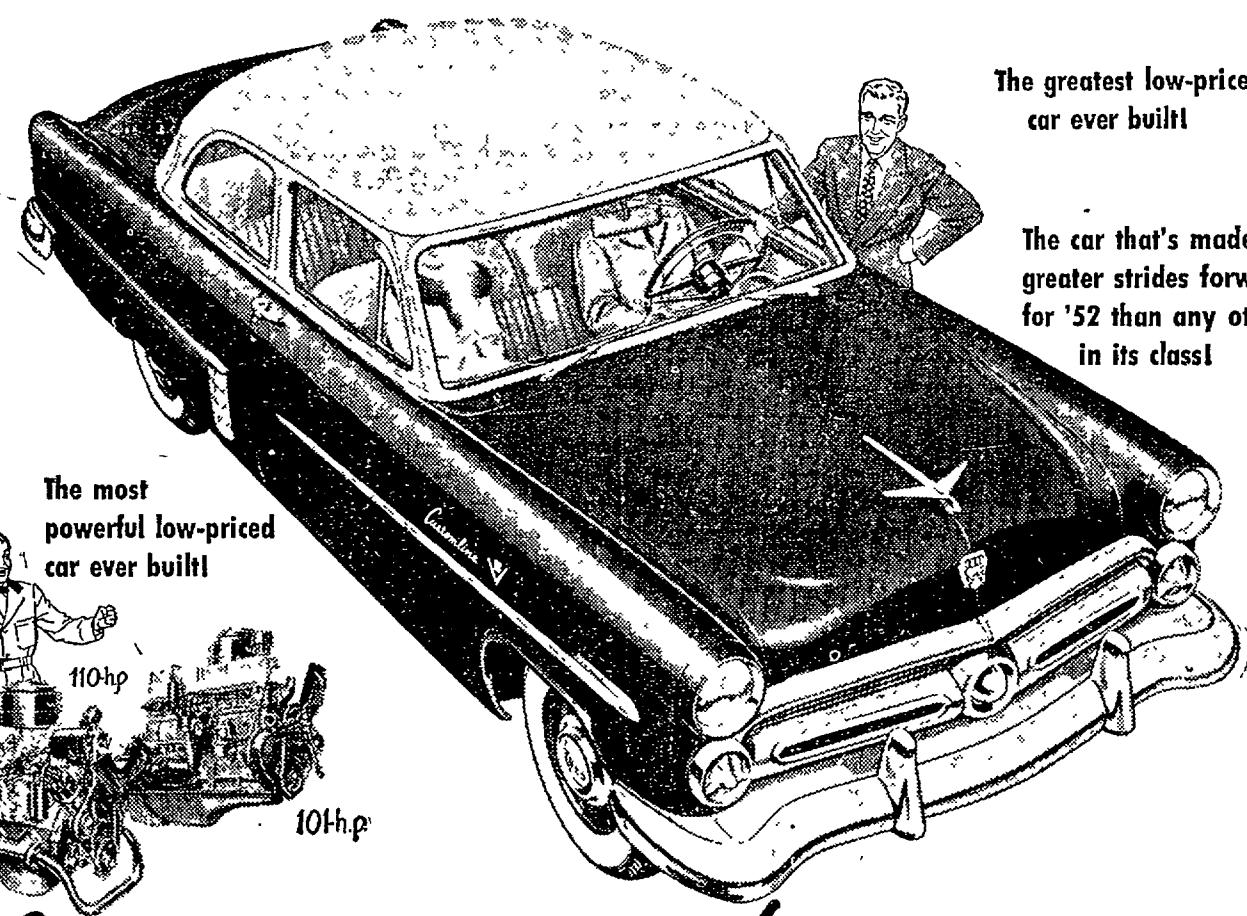

It's practically impossible to measure the real value of your telephone. In shoe leather and energy saved... in minutes and hours saved... in savings of gasoline and wear-and-tear on the family car... in things accomplished in an ordinary day—your telephone does an enormous job for a small cost. Today you can be here, there, everywhere at once through calls you make and calls you receive.

Telephone service has not gone up in price nearly as much as most other things you buy.

The greatest low-priced car ever built

The car that's made greater strides forward for '52 than any other in its class!

The most powerful low-priced car ever built!

Guess again... it's the '52 FORD!

You won't believe your eyes when you see the big, new '52 Ford! For never before has a low-priced car offered such power, such fine-car styling, such big-car comfort! You'll see such built-for-keeps advances as Ford's new longer, stronger Coachcraft Bodies... its more powerful, high-compression V-8 and Six engines... and the many other features described at right.

Ford's 110-h.p. Strato-Star V-8 is the most powerful engine—the only V-8 offered in a low-priced car. Ford's 101-h.p. Mileage Maker Six is an all-new low-friction Powerhouse with new free-turning overhead valves and shorter piston stroke. Both engines feature the Automatic Power Pilot which gives you high-compression "go" with regular gas.

## Garden Book and Slides Highlight Woman's Club

Gardens and gardeners will dominate the program at the Friday, March 7 meeting of the Northville Woman's club at the Village Library. The meeting will begin at 2:30 p.m.

Mrs. J. R. McColl will give excerpts from the book entitled "The Joyful Gardener." The author, Agnes Rothery, and her husband, Harry Rogers Pratt, a professor at the University of Virginia, have visited gardens throughout the world. The book is not a textbook, the reader will not find cut how to grow berries or roses, said Mrs. McColl, but it deals primarily with the joys that come from gardens.

Mrs. William B. Walker, Jr. will show color slides of her garden. These pictures show the progress of her gardens from their earliest forms through the years to the present landscaped plan.

### NOVI GIRL SCOUTS

The Intermediate Girl Scouts and Brownies who meet at the Novi school will meet on Tuesday for an 8-week period starting March 4. The leaders will take this opportunity to take the Leader Training course with the Farmington area leaders which begins Wednesday, March 5.

The Novi Scouts are still in need of leaders for the older troops, said Mrs. Robert Skellenger. If any one is interested, they are asked to contact her by phoning 995-73.

The Uniform Exchange club has received eight uniforms to sell at reasonable prices. Those interested are asked to call 987-31.

## Novi AmVet Post to Paint Signs

At the February 14 meeting of the Perry Kenner AmVet Post No. 76, the members voted to repaint the Novi highway signs "Please drive slowly, we love our children" which are placed on Grand River. Leslie Clarke will do the work.

Seven renewals and three new members were present at the meeting which was held at the Novi school. The new members are Russell Baker, Anthony Skelton and Gerald Trotter.

In a report to the group on the Mid-winter rally held at Kalamazoo on February 9 and 10, Carol Baker and Charles Trickey stated that the post received the regional cup for the highest percentage of new members for the month of January. The post was ranked among the highest ten posts named as being over the member hip quota. Such notables as AmVet Governor G. Menon Williams and AmVet National Commander John L. Smith were among the 400 AmVets present at the rally, they said.

The AmVets of Novi are continuing their scrap metal drive. Arrangements can be made to pick up all metal by calling 429-R or 1256.

Grade school spellers from schools in Wayne, Washtenaw, Oakland, Macomb and Livingston counties are set for the March 14 spelldown. Carolyn was in the eighth grade last year.

### CARD OF THANKS

We are sincerely grateful to our friends and neighbors for their many kindnesses and sympathetic acts during our recent bereavement. Especially the Rev. Cora Pennell and the Casterline Funeral home.

### A CHAMPION LIAR

From Burlington, Wisconsin comes the news that Rev. Arthur R. Kirk won the Champion Liars award for 1951 according to the Burlington Liars Club. I am fully aware that such doings are all in fun, yet such a distinction is far from a complement.

Proclaimers of the Truth  
However, the "lie" which won this preacher the award is such a "whopper" that no one would be led astray by it. The lies that are most dangerous are told as truth in such a deceitful, cunning way that people are lead astray by them. The Bible refers to them as "Cunning devised fables" (II Peter 1:16) and "Speaking lies in hypocrisy" (I Tim. 4:2).

These Champions of Untruthfulness" destroy faith in the Bible by denying that it is God's word. They say that Jesus was an ordinary man, a prophet, or a teacher but deny that He was very God manifested in the flesh. They tell their followers that there is "No hell" even though Jesus Christ plainly warned of the hell to come. (Mark 9:43-48). They tell their listeners that if you do the best you can you will go to heaven, while the Bible says we are saved by faith in Jesus Christ alone. (Eph. 2:8-9). Look to Isaiah 6:20 for instructions on how to detect these champions of untruthfulness.

### It Ain't Perfume

## Memory Lingers On - -

North Center street had a distasteful air Sunday morning, due to a polecat which had violently departed this life. But only his spirit was gone. That's all, just his spirit.

Elementary deduction led to the skunks remains in a gutter. A length of clothesline halting the animal led to the belief that either (1) the skunk was a runaway captive which had come to town and hurled itself under the wheels of a passing auto just to spite the human enemy, or (2) that an overdone sense of (p) humor had led someone with a waggish nature to drag the unwilling beast into town behind a cat.

No one really cared, at that stage. The problem at hand was to do a major re-location job on Mr. Polecat. No volunteers bravely stepped three paces forward, so a call was put in to the police department.

While all interested persons (and who could be disinterested?) hid behind closed doors, Street Superintendent Herman Haatner rolled up in a Village truck and took care of the disposal job, efficiently and cheerfully.

And soon North Center street was busy again with people going about their Sunday business.

Welcome to Mr. and Mrs. H. Foster Howell, newcomers to Northville. Mr. and Mrs. Howell recently bought the Ben Steers property on West Eighth Mile road and are well known breeders of some of the finest Chow Chow dogs in the country. Their No. 1 Kennels were formerly located on West Seven Mile road in Detroit.

## Motorist Radios For Aid; Gets It Fast

A radio call for help from a motorist stranded in the upper peninsula was picked up by a brother "ham" operator several hundred miles away in the lower peninsula, and the unfortunate driver was "rescued" by troopers from a State Police post only 10 miles from him.

The driver, Rudolph C. Fleischer of Chicago, had a mobile amateur radio unit in his car. When he got into trouble just outside of Rapid River, near Escanaba, he broadcast a call for help. An amateur operator in Charlotte received the message. He notified the Eaton county sheriff and the sheriff called the Jackson State Police post. The State Police radioed the Gladstone post and troopers were sent to Fleischer's aid. They found he was just stuck in the snow and after giving him an assist he went on his way safe and happy.

## Zoning Ordinance Approved For Farmington Twp.

A new zoning ordinance has taken effect in Farmington township since the voters approved it in the special election Monday, February 25. The total vote was 1,428 in favor of the ordinance with 415 voting against the ordinance.

The administration of the new ordinance will be set up in the next few weeks by the Board of Appeals. The ordinance takes effect immediately on all future construction in the township although it is not retroactive and cannot affect any construction now existing in the township.

Though officials say the special election brought an unusually heavy vote, less than 50 percent of the registered voters in the township went to the polls. The total vote was 1,822 in the two precincts of the township out of a total registration of 4,163.

### Rotary Club Members Get Started on Easter Seal Drive

Northville citizens this week received packets of Easter Seals in their mail during the annual campaign sponsored by the Rotary club. Edward Angove is the chairman, assisted by Chubb Smith and Dr. V. George Chabut. The drive is sponsored nationally by the National Society of Crippled Children, and begins one month before Easter.

George Locke will again be chairman of the Northville Red Cross fund campaign which was launched last week. Mrs. William Forney will assist him in lining up volunteers to canvass the residents of the Village.

The Northville Optimist club has been awarded a prize of \$100 and an honor medal by the Freedoms Foundation for their outstanding contribution to the American Way of Life. The club placed fourth in the category for community programs by men and women's groups for their program last fall of sponsoring the "Land of the Free" movies to the people of Northville.

Glenn Schultz, Nancy Lawrence, Ellen Loranger and Ann O'Leary were the recipients of Webster collegiate dictionaries for winning the spelling bees in their grades.

Packers Super Market has moved into the building on East Main street formerly occupied by Vel's Superette.

### Fifteen Years Ago—

Petition is being passed around Northville township asking for the submission to the voters of the township the question "shall the sale of alcoholic liquors by the glass in addition to beer and wines be allowed in the township of Northville?"

Ford employees have been to practically every part of the inhabited world during their years of service with the armed forces of Uncle Sam, but it remained for Robert Gates, a former Phoe-

Philip Ogilvie, Harold Schmidt and Chairman Edward Angove stuff Easter Seals into envelopes for the direct mail campaign sponsored by the Northville Rotary club a year ago.

nix Regulator plant employee, to get to uninhabited points as a member of the Admiral Byrd expedition.

### Ten Years Ago—

Boy Scouts of Troops N-1 and N-7 were the guests of Dr. L. W. Snow at the Shrine Circus in Detroit Tuesday.

Chief of Police Richard Loonis has resigned from the Northville police force effective on March 1 to become a civilian employee of the Army Air Corps ferry command.

### Fifteen Years Ago—

A \$20,000 surplus in the Northville township treasury may keep taxpayers from having to pay township taxes during the coming year.

This week finds the classrooms in the new \$85,000 grade school building filled with new work table, seats and desks completed by Charles A. Dolph, contractor for the furniture in the kindergarten first and second grades.

A book carried by Lloyd H. Green in the World War was returned to the local Post this week by Walker Sehneke.

### Twenty Years Ago—

Out of 300 high school debating teams in Michigan, only 32 have survived the contests and Northville High school is one of the schools still in the race for forensic champion.

While going back to school Monday, seven year old Junior Ambler ran out in front of a car at the corner of Cady and First streets. He suffered a concussion of the brain.

### Forty Years Ago—

The following Workingmen's ticket was nominated Tuesday at the caucus: W. J. Lanning, president; Sam McLean, W. L. Tunham and G. W. Hotaling, trustees; T. E. Murdock, clerk; E. H. Lapham, treasurer; C. A. Sessions, assessor; W. L. Tinkham, J. A. Huff and J. W. Perkins, committee.

Heading the citizens' ticket is C. A. Dolph, president; C. L. Dubuar, L. D. Stage and W. P. Johnson, trustees; I. E. VanAtta, clerk; Ernest Miller, treasurer; W. E. Ambler, assessor; E. K. Starkweather, F. N. Perrin, and W. E. Ambler, committee.

### David Sackett Given Farewell Party

Members of the Junior Police gave a farewell party for David Sackett last Thursday afternoon at the Boys club.

Mrs. Roger Sackett and her three children left Saturday to live in southern Japan where their husband and father, Major Roger Sackett is stationed.

### LaMotta, Hairston in Crucial Match

Jake LaMotta, former middleweight champion of the world, returns once again to the site of his greatest triumph—Detroit, the one city that has always been a good luck charm to the Bronx Bull, who faces hard-hitting Eugene Hairston, also of the Bronx, in the ten-round main event at the Olympia, Wednesday, March 5.

This will mark Jake's 19th local ring appearance, having both won and defended the middleweight championship here. On June 16, 1949, LaMotta knocked out the late Marcel Cerdan in Briggs Stadium, in the tenth round. On September 13 of the same year, Jake was behind on points in his title bout with Laurent Dauthuille, and in the closing minutes of the final round he stopped the Frenchman to retain his title.

In taking Hairston, Jake will be virtually fighting for his fist life, for should he lose to the 23 year old youngster, then his career as a top ranking fighter will be over. LaMotta has already made public the fact that the Hairston fight is a real test for him and a deciding factor in his continuing fight. Says Jake, "They think that I can't fight anymore because Robinson beat me. Even the great Robinson couldn't knock me off my feet. Sure he beat me, but it was making weight that did it, not Robinson. I'm glad that my weight making problems are over, and I have nothing to worry about except to get into top shape and fight."

For Eugene Hairston this is the acid test of his brilliant career. The Silent Bomber recently fought a blistering 10-round draw with Robert Villemain February 6, a bout that still has boxing fans all over the country talking. By virtue of his draw with Villemain, Hairston proved that he is definitely ready for a little bout with Ray Robinson, but must first overcome LaMotta. With the winner already promised a bout with Villemain for the early part of April here in Detroit, Hairston is aiming his sights for an impressive victory over the ex-middleweight champion.

Both LaMotta and Hairston will arrive in Detroit next Wednesday afternoon and drill daily at the Motor City gym.

'39 Years of Groans  
Ratification of the 16th Amendment—the Income Tax law—was proclaimed Feb. 25, 1913

## No Place for a Heavy Foot!

You'd find it out, in a mile or so, even if we failed to tell you. But we think it's best if we tell you now—

—you must treat the accelerator with special respect when you drive the Golden Anniversary Cadillac!

Down under the hood of this gorgeous car is the most powerful engine ever used in standard American production.

So take it easy—wherever you drive.

Don't use that power to bolt away when the light turns green—and other cars have their ways to make in the traffic lanes beside you. And never use it for unnecessary speed, or for dominating the highway.

Use it, instead, for the thing it was put there for—

—use it to give you that easy, floating, comforting ride which can come only when your engine is "loafing," and most of its power is in luxurious reserve—

—use it to give you that "shot ahead" when an opening shows in the traffic line—or when your safety calls for a blast of power—

—use it for a thrilling sense of mastery over car and time and space—

—use it, in short, for happiness and luxury—and for adding satisfaction to every mile you drive.

As you would expect, this amazing performance is but one of the wonderful virtues that have been added to the Golden Anniversary Cadillac.

There is marvelous new beauty—inside and outside. There is a wholly new type of power steering—available as optional equipment at extra cost. And there are literally scores of refinements and improvements of vital importance.

For its "year of years," Cadillac has certainly built its "car of cars."

Come in and see it—whether you feel you are ready for a Cadillac or not. It's an inspiration to inspect it—and an experience to drive it.

But if you do drive it, please remember—it's no place for a heavy foot!

## Northville Uses 72 Million Gallons of Water in 1951

Northville residents turned on  
faucets, twisted valves, and let  
more than 72 million gallons of  
water flow in 1951, costing them  
\$16,183.89.

The total does not include the  
39,421,000 gallons of water used  
by Michigan Powdered Metal  
Products, which utilizes water  
for machine cooling and drains  
it directly into the Rouge river.  
Water used by residents passes  
into Wayne County Sewer Com-  
mission drains, and costs the Vil-  
lage \$50 per million gallons for  
disposal, or a total of \$3,611.15  
in 1951.

Residents and businesses con-  
sumed more water during July,  
August and September than in  
any other three months last year.  
Water totalling 22,611,000 gallons  
flowed through the mains in the  
hot months, but only 15,243,000  
gallons were used in October,  
November and December.

The January - February and  
March quarter was second high  
with a total of 17,321,000 gallons,  
and April, June and July fell off  
with a total of 17,048,000 gal-  
lons.

Breaking down totals, North-  
ville residents averaged about  
21,855 gallons each in 1951, al-  
though use by business and in-  
dustry, if disregarded, would de-  
crease the average.

Northville's Water fund, says  
Village Clerk Mary Alexander,  
is self-supporting. Receipts are  
kept in the water fund and bills  
paid from it.

## 5 Liquor Licenses Listed for Township

Officials of Northville town-  
ship have been asked, along with  
officials of the cities, villages and  
townships in the five Detroit  
area counties, to recommend per-  
sons for 256 new liquor licenses  
soon to be issued. George J.  
Burke, Jr., chairman of the Li-  
quor Control Commission made  
this announcement last week.

Five new licenses are availa-  
ble in Northville township, two  
each in Garden City and Livonia  
and one each for Plymouth and  
Plymouth township.

"We are sending letters to the  
local governing bodies telling  
them the number of additional  
licenses their communities may  
have and asking them to list the  
applicants they consider eligible  
in order of their preference,"  
Burke said.

Of the 98 new bar or tavern  
licenses resulting from 1950 cen-  
sus figures, 256 of the bars will  
be assigned to this area. Detroit  
will get none, but other Wayne  
county units will be allotted 93  
new permits. In addition, the  
county units may up-grade 14  
licenses who are now selling only  
beer and wine in areas which  
have voted to permit sale of  
liquor by the glass.

Two upgraded licenses are  
available in Livonia.

## Gellner's Receive Son's Citation

Mr. and Mrs. Joseph Gellner

# How to get what you want and need in a truck

**"Dodge 'Job-Rated' Trucks are  
the best we've ever used!"**

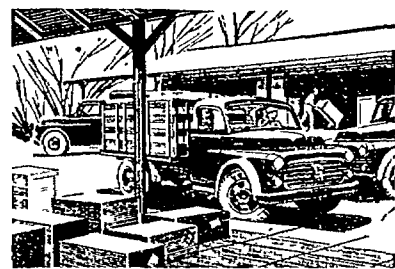

... says PAUL CRUCE,  
Cruce Butane Co., Tulsa, Okla.

"We do a lot of driving on narrow roads, in and out of  
driveways, in small yards and other tight spots. We need  
trucks that are real easy to handle, so we switched to  
Dodge. They'll turn on a dime!"

"We service oil wells, too, and that's the toughest  
off-the-road hauling there is. We need plenty of pulling  
power. For mud and heavy pulling, Dodge 'Job-Rated'  
trucks are dependable and economical to operate."

**Power with economy.** The big high-  
compression engine of a Dodge "Job-  
Rated" 1½- or 2-ton truck operates  
with outstanding economy. You get  
chrome-plated top piston rings, and  
exhaust valve seat inserts.

**Easy handling.** Exceptional handling  
and steering ease is made possible by  
wide front tread and short wheelbase.  
Thanks to shorter turning diameters,  
you can turn sharper either right or  
left—back into tight places easier.

## Mitzi Gaynor Stars in Song, Dance Technicolor Musical, "Golden Girl"

A technicolor musical, "Golden Girl" based on the career of Lotta Crabtree, who was famous as an entertainer in California in the Gold Rush days, comes to the Northville Pennman-Allen theatre Sunday and Monday, March 2 and 3. The movie will feature the singing and dancing talents of Mitzi Gaynor with Dennis Day and Una Merkel.

The Sunday showings begin at 3 p.m. with the last show starting at 9 p.m. The Wednesday Only feature, "Let's Go Navy," starring the Bowery Boys is a comedy. It is billed with the western, "Nevada Badmen" to begin at 6:45 p.m.

There is much about the World War II drama "Decision Before Dawn" that is different, in-  
teresting and impressive, for it re-  
volves around Nazi war prisoners  
who, to aid the Allies, volunteer  
to spy against their own coun-  
try. Richard Basehart and Gary  
Merrill star in this show sched-  
uled for Thursday, Friday and  
Saturday, March 6, 7 and 8 at  
the local theatre. The story is

based on George Howe's novel, "Call It Treason."  
William Bendix, William Hol-  
den and Nancy Olsen appear in  
this weekend's showing of "Sub-  
marine Command" The Thurs-  
day, Friday and Saturday, Feb-  
ruary 28, 29 and March 1 per-  
formances will deal with sub-  
marine warfare with Japan.

## Tips on Repairing Rowboats Given by U - M Engineer

Now's the time to repair that  
boat, fishermen, for spring's just  
around the corner and all good  
fishermen know there's a magic  
happilyland among the cattails  
and lily pads.

After a winter in drydock, the  
boat dries out, and even changes  
dimensions, according to C. Wil-  
lett Spooner, associate professor  
of mechanical and marine en-  
gineering at the University of  
Michigan. "It'll need a lot, of  
work," he says.

A hole in the boat resulting  
from a collision with stones or  
other objects can best be re-  
paired by cutting the damaged place  
Then fit a rectangular piece of  
wood inside the boat larger than  
the hole, cut a piece to fit the  
hole, and nail or screw these two  
pieces to the boat before caulking  
and painting.

Caulking can be done best with  
cotton wicking driven into the  
seams with a caulking iron and  
mallet. With this planing, it is  
better to roll the wicking into  
the seams with a small, sharp-  
edged roller. A good, thin paint,  
mixed with turpentine should be  
soaked into the wicking to wa-  
terproof the material against rot.

Where the seams show, they  
can be filled with caulking com-  
pound over the wicking. Don't  
use putty, as it shrinks when it  
hardens and comes loose. Marine  
caulking compound, which can  
be used both above and below  
the water line, remains flexible  
and stays in the seams better.

Don't overdo the job. Caulking  
a boat too much when it is dry  
tends to loosen fastenings and  
buckle planks when the wood  
swells after it is put in the water.

Porch and deck enamels are  
good for painting boats. The  
usual small boat can be painted  
both topside and bottom with  
the same paint. It's a good idea  
to paint the inside of the boat  
some medium-dark color to re-  
duce glare from sunlight. Be  
sure the paint is dry before put-  
ting the boat into the water.

Sailor Richard Sackett (far right), shackled to a Sheriff's  
Road Patrolman, is led to the stream near Edward N. Hines  
drive and Sycamore street in Plymouth Park, where Sackett  
is accused of drowning 8-year-old Harold Frame in 1947.

## Accused Sailor's Judge, Jury View 1947 Death Scene in Plymouth Park

Seaman Richard Sackett, 19, shackled to a burly  
Sheriff's Road Patrolman, was led around the scene in  
Plymouth Park last Thursday where he is accused of  
having drowned 8-year-old Harold Frame in 1947.

Circuit Judge Lila M. Neuenfelt and the jury of eight  
women and six men, along with the sheriff's deputies and  
state police, in uniform and plain clothes, examined the  
heavily wooded scene near Sycamore street and Edward  
N. Hines drive.

### Alleged Confession

The judge and jury were shown  
the drinking fountain where Sac-  
kett, in a police statement not as  
yet introduced in the trial, con-  
fessed he drowned the boy be-  
cause he was going to tell of the  
sailor's alleged liberties with the  
boy's sister, Patty, then 10.

They were next shown the  
clump of bushes where the boy's  
fishing pole was found, then the  
tree at the base of which Har-  
old's clothing was found.

### Body Found In Stream

The jury saw the fishing hole  
where Harold's chum, Ronnie  
Pratt, left him fishing on August  
31, 1947, and finally the spot in  
the stream where the boy's body  
was found.

According to writer Margaret  
Russell in the Detroit Times,  
principal testimony Wednesday,  
February 20, came from Mrs

Lucy Pratt, Garden Lake, On-  
tario. In 1947 she was a neigh-  
bor of the Frames and the Sac-  
kett.

Said Mrs. Pratt: "The day af-  
ter Harold was missing we were  
searching for him in the park.  
Dick Sackett was there by the  
drinking fountain and he sug-  
gested to Harold's father that  
maybe someone had done away  
with Harold and had buried his  
body. He said it might be a good  
idea to dig."

"He pointed out a spot about  
six to ten feet from the foun-  
tain, an area of dark loam and  
said that might be the spot."

"Frame was so excited and  
frantic that he took the sugges-  
tion literally and got down on  
his knees and started to dig."

### Witness Reprimanded

Mrs. Pratt drew a reprimand  
from Judge Neuenfelt when she  
became vague as to the times on  
which she saw Sackett on Aug-  
ust 31. First Mrs. Pratt said she  
saw him at noon and then about  
1 p.m. Later she said it was some  
time between 9 a.m. and 1 p.m.

Mrs. Pratt in her testimony  
remembered many details of  
what happened, even to conver-  
sations, but she said she did not  
remember seeing the Sackett car  
return about dark with Sackett,  
his mother and sister in it.

Sackett's defense is that he  
was visiting friends at Upper  
Straits lake when the crime was  
committed.

### Historical Misconception

Contrary to opinion, all dele-  
gates did not sign the Declara-  
tion of Independence on July 4,  
1776. By vote, John Hancock was  
directed to sign for the Contin-  
ental Congress. Not till the De-  
claration was engrossed on parch-  
ment was it signed by every  
member.

drive in Michigan. It is in the hands of Arthur H. Vandenberg, Jr., son of the late senator and now organizing director of the Eisenhower movement.

In Grand Rapids, Arthur's bailiwick, he met with leaders of the statewide Eisenhower committee members and they worked out details. By now the Grand Rapids procedure is being repeated all over the state to collect enough endorsements to tip the scales against Taft, who has been doing rather well in the mid-west.

Now there comes speculation on whether he will return to this country to campaign. If he doesn't, according to more than one source, he won't stand a chance against Taft. And if Taft doesn't win the nomination on the first vote, predicts these same sources, Grey Horse MacArthur may get it.

A new twist on an old story Michigan each year is cheated out of from \$500,000 to \$1,000,000 in cigarette taxes by bootleggers operating between Detroit and St. Louis, Missouri. Michigan has a three-cents per package tax. St. Louis has none.

Department of revenue says bootlegging cigarettes is being held to a standstill, at least, through increased activity of its workers and making the offense a felony. Prior to last June offenders usually were given 60 to 90 days in jail. Two men recently sentenced pulled prison terms of five months to five years and nine months to five years.

The revenue department is afraid of the cigarette bootlegging potential. Cigarettes are more profitable (\$5,000 per load and two loads a week) and more easier to handle than liquor during prohibition.

Michigan's mental hospitals are overflowing and inadequate—a fact generally known. But the latest figure from the department of health says they are 22 percent overcrowded. Some 30,000 patients are under state care.

Detroit is battling over a proposal to substitute the medical examiner system for the coroner set-up now in effect. New York, which has the medical examiner program says a complete medical investigation of a case costs only \$5 and saves the state thousands of dollars in rechecking cases, witness fees and prolonged criminal investigations.

The federal civil defense administration warns Michigan residents against being taken in by racketeers who sell guaranteed "radiation proof overalls" and the like. FCDA says that even if genuinely protective clothing would be devised probably no one would be wearing it at the right time.

Michigan's birth rate is playing hob with its schools. Some 170,000 babies were born last year as compared with 99,000 in 1940. School officials say they will get 109,000 new pupils next fall while seats are needed already for 108,000 now in overcrowded facilities.

After vowing to the press a few weeks ago that he had been cured of the "politics bug," Eugene C. Keyes turned his back on his pious resolutions and declared himself in the U. S. senate race. On what tucket? Why the independent - progressive - Republican slate, of course. Keyes' last billboard campaign fizzled miserably.

**MAKE YOUR FAMILY ROOM REFLECT FRIENDLINESS**

Good lighting spreads a cheery glow all about a room . . . creates a light-hearted mood. Draperies take on brighter color . . . furniture seems to shine . . . your living room takes on new glamour.

To enjoy the comfort, convenience and beauty of good lighting you should have at least one or two floor or table lamps plus wall and swing-arm lamps. Remember, as your family increases so do your lighting needs. Visit your lamp and fixture dealer.
