

Northville Post Office To Be Modernized and Enlarged

The Northville postoffice is to be extensively enlarged and modernized under terms of a new ten-year lease negotiated between Nelson C. Schrader, Jr. and the United States Postoffice Department, Leland V. Smith, Postmaster, announced this week.

Schrader's offer was considered by postoffice officials as being the most desirable from a financial standpoint of four proposals made by local property owners, Smith said. The other proposals, all of which involved construction of a new postoffice building by the owners, were made by Ray Stone, Cyril Frid and Elliott C. Schubiner. Stone offered a choice of two locations, one on the Burgess property at 136 East Main Street directly east of the Mainville Drug Store and the other on Cady Street almost directly back of the Main Street lot. Frid's proposal was for the construction of a building on the vacant lot adjoining the Frid apartment building on East Main Street. The Schubiner proposal was for the lot at 118 East Dunlap Street.

Ten Year Lease

The terms of Schrader's lease provide for completion of the entire expansion and modernization project by October 1, 1952, with the lease running ten years from that date. Work is to start next Monday.

The enlargement plans call for extension of the present post-office building to cover the privately owned alley between it and the Pride Cleaners building, and for a ten foot addition at the rear of the present building, a total of approximately 2,750 square feet of new space. The remodeled building is to have a new front which, it is understood, will be part of a complete face-lifting program which Schrader is planning for the block of buildings on North Center Street starting with the Clark Hardware and extending to the Pride Cleaners building. Architect's plans for this major downtown improvement are now being drawn.

Will Not Move

The postoffice will continue to operate in its present quarters throughout the extensive modernization program. Initially, a false partition will be erected about three feet inside the present north wall, which will be torn down as soon as the floor in the new part has been poured and the roof erected. When the new part is completely finished, postoffice equipment will be moved in and renovation of the present structure will commence. The remodeled building will be equipped with a mono-flow hot water heating system. It will have a tile floor throughout, with a loading dock at the rear for mail trucks. The lobby for public use will be slightly smaller than at present, but more boxes will be installed for the convenience of patrons. Fluorescent lights will be installed to provide better light than at present.

Examinations Open For Novi Postmaster

The position of postmaster at Novi, now vacant, will be filled by an open competitive examination, according to an announcement by the United States Civil Service Commission.

Applications are obtainable at the Novi post office or from the U. S. Civil Service Commission, Washington, D. C. They must be properly executed and on file at Washington prior to April 10, 1952.

Applicants must be United States citizens and must actually have resided within the delivery area of the post office for at least one year. They must be at least 21 and not more than 63 years old and in good physical condition.

Coordinating Council Appoints Committee

F. W. Sterner, president of the Northville Coordinating Council, at the Thursday, March 20 meeting of the organization, appointed the nominating committee to draw up the slate of 1952 officers. The election of officers will take place on Thursday, April 17, at the Village Library. The committee appointed consists of Mrs. Samuel Geraci, Mrs. E. J. Willis and Dr. W. H. Johnston.

Huff Hospitalized After Auto Accident

Marshall C. Huff, 51300 West Seven Mile Road, is recovering in Aitchison Memorial Hospital after an automobile collision in which he sustained broken ribs and a cut scalp.

He was taken to Redford Receiving Hospital for first aid, and later entered Aitchison Memorial Hospital.

Huff is the son of Mrs. Beulah Huff, 43564 Reservoir Road.

Thayer District Favors Annexation

Residents of Thayer School District No. 10, fractional, voted 58 to 31 in favor of being annexed to Northville School District No. 2, fractional, at an election Saturday, March 22. One voter cast a blank ballot.

Roy M. Terrill, Thayer School District Moderator, estimated that about 120 persons were eligible to vote.

Thayer District must turn over its money and account books to the Northville District within 30 days after the election, in a joint meeting of the two boards, said Terrill.

About 45 children now attend Thayer School, which has eight grades. The Northville School Board will decide whether or not Thayer School will be closed and the children attend Northville Grade School.

Annexation assures that boys and girls of high school age in Thayer District, now tuition students, will be allowed to attend Northville High School, said Schools Superintendent Russell H. Amerman.

Legion Post to Host British Consul

W. N. Storey, British consul general at Detroit, will be the guest of the Lloyd H. Green Post 147 of the American Legion at its annual pot-luck dinner in the Veterans' Memorial Building, Detroit, at 6:30 p. m., April 5. Allied veterans and legionnaires of the community are invited to attend.

This annual banquet is given by the post to honor those who served with our allies in the two world wars but are not eligible to belong to the local post, said C. O. Hammond.

Mayor Conrad E. Langfield will be present to officially welcome the out-of-town guests including the Canadian consul at Detroit.

The pot-luck dinner will be followed by a short program, said Hammond.

Village Gets \$1001 From Detroit U. F.

The Northville Community Chest has received \$1,001 from the 1951 United Foundation Drive of Metropolitan Detroit, said Mrs. W. H. Cansfield, member of the Community Chest committee, at a meeting of the Northville Coordinating Council last Thursday night.

The funds will be distributed among local organizations according to a budget drawn up by a committee composed of Mrs. Cansfield, Mrs. Ernest Wood and Mrs. Walter Couse.

The funds represent a portion of monies contributed to the United Foundation by employees at the Ford valve plant on East Main Street, Mrs. Cansfield said. The Northville portion will be paid in quarterly installments.

Allocation of Funds

The budget, as planned by the committee, allocates \$250 to the Recreation Committee for the summer program, \$200 to the Kings Daughters for local charity, \$100 to the Cub Scouts for handicraft, \$125 to Boy Scout Troop N-1 for 70 boys at camp, \$50 for Troop N-5 for 22 boys, \$50 for Explorer Post N-1 for 18 boys, \$75 for 60 Girl Scouts, \$75 for the 120 Brownies, and \$25 for bird house contest prizes.

The budget is similar to those of past years and, has been approved by Daniel Hester, suburban director for the 1952 United Foundation Drive, said Mrs. Cansfield.

2 Trailer Wheels Stolen by Thieves

Thieves removed two tires and wheels from a trailer and made off with five lengths of pipe and pieces of scrap iron from outside the building of Warren Products, Inc., on Baseline Road last Thursday night. State Police are at work on the case, but tire marks are the only clue, said Northville Police Chief Joseph Denton.

Denton Says Dogs Must Be Enclosed

Police Chief Joseph Denton asks villagers to observe the village ordinance calling for enclosing dogs or keeping them on leashes.

Denton said that stray dogs must be picked up by police officers when complaints are filed by villagers. The dogs are impounded for 48 hours by Dr. E. B. Cavell, village veterinarian surgeon, and then destroyed unless claimed.

Villagers may claim their dogs by paying a five-dollar fine and two-dollar pound fee. The pound is located at 310 Griswold Street.

Weber Machine Co. Must Relocate or Leave Northville

Unless the Weber Machine Tool Company, now located at 455 East Cady Street, can purchase a suitable industrial site for a new plant in or adjacent to Northville, it will be forced to move to a new location at Haggerty and Joy Roads, just east of Plymouth.

The company faces the need for immediate expansion of its plant to handle a large volume of business that has been booked recently. Its management would prefer to remain in Northville, or to build as close to the village as possible, but has been unable to secure a suitable location.

\$10,000 Weekly Payroll

Its predicament was related to the Record this week by John A. Weber, president, who said the company is now employing about 60 men and operating two shifts per day in its limited quarters. An additional 40 to 50 men are to be employed in the next 30 days, and by June approximately 150 will be on the payroll, Weber said. Payrolls within a few weeks will amount to about \$10,000 per week, or an annual rate of around \$500,000.

Practically all of the company's employees are from Northville or the area immediately adjacent to the village. Those to be added this spring also will be drawn from this area if possible, Weber said.

Business Growing Rapidly

The Weber Machine Tool Company moved to Northville in 1946, after being located in Detroit for the previous six years. Since moving here, its business has grown to a point where it has occupied a large part of the adjoining Roy M. Van Atta building. Next week a small addition will be started to provide badly needed office space. This, however, is only a temporary expedient pending construction of more adequate quarters in another location, Mr. Weber said.

Immediate cause of the company's need for expansion is a large contract from the Kaiser-Frazer Corporation to provide all tools and fixtures needed for the manufacture of wing section cargo plane which is to be built at Willow Run. Some of the fixtures are 30 feet long and would be difficult to fabricate in the present plant.

Another new contract is for balancing machines for tank engines to be built by the Chrysler Corporation. These include equipment for balancing large crankshafts and flywheels.

Makes Foundry Equipment

One of the company's important products is foundry equipment, including conveyors and flasks. Customers for such products include the Milwaukee, Louisville, Memphis and Rock Island plants of International Harvester Company, Ford Motor Company, Philadelphia, Budd Manufacturing Company, Detroit, Chrysler Corporation, Packard Motor Car Company, Studebaker Corporation, John Deere and Company and J. I. Case.

Officers of the Weber Company, which is privately owned, are John A. Weber, president; John W. Weber, vice-president; Ada M. Weber, treasurer, and Judge Clyde L. Fulton, Highland Park, secretary.

Denton Says Dogs Must Be Enclosed

Police Chief Joseph Denton asks villagers to observe the village ordinance calling for enclosing dogs or keeping them on leashes.

Denton said that stray dogs must be picked up by police officers when complaints are filed by villagers. The dogs are impounded for 48 hours by Dr. E. B. Cavell, village veterinarian surgeon, and then destroyed unless claimed.

Villagers may claim their dogs by paying a five-dollar fine and two-dollar pound fee. The pound is located at 310 Griswold Street.

OLD NORTHVILLE SPRING

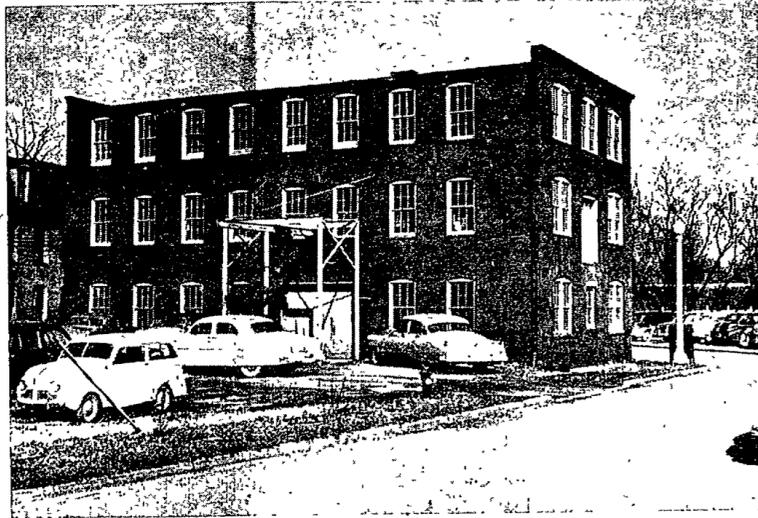

For More Than 81 Years - - Friend, Companion and Kindly Counselor

Volume 81, Number 43 TWELVE PAGES THIS WEEK

Northville, Michigan, Thursday, March 27, 1952

\$2.00 PER YEAR IN ADVANCE

Present Weber Machine Tool Plant

This is the present Weber Machine Tool Co. plant on East Cady Street, which is now inadequate to handle the company's growing business. If a site for a larger plant cannot be purchased in or near Northville, the company will be forced to move to a new location at Haggerty and Joy roads, near Plymouth, John A. Weber, President, said this week. The company's payroll will be \$10,000 per week by next summer, he said. See story in adjoining column.

Recreation Building Is Scene of Varied Activities For Youth of Northville

One glance at the bulletin board hanging in the Recreation Building on East Dunlap Street will tell the story of the youth activities planned for the next few weeks by Wilson Funk, Recreation Director, and the Village Recreation Committee. The building is in use not only for evening meetings and weekend parties but also for programs planned for teenagers every noon.

Open Noon For Lunches

Within the last two weeks, the building has been open from 11:45 a. m. to 1:15 p. m. to give high school boys and girls an opportunity to congregate for lunch with recreational facilities available for use until the school bell rings. Special programs are also planned for the lunch period with Mrs. Virginia Burnham, former Arthur Murray dance teacher, scheduled to give dancing lessons on Thursday and Friday, March 27 and 28.

Wednesday and Thursday of next week, April 2 and 3, a hair stylist will demonstrate new fashions to the girls from 11:45 a. m. to 12:45 p. m. The talent of two Northville High School musicians, who perform under the name of "Dave and Louie", may be heard in a special Easter noon program on Wednesday and Thursday, April 9 and 10. "A good crowd of the teenagers have been congregating at the Recreation Building at this hour," said Funk, "and we are planning new entertainment features every week for them."

Robert Campbell Is Now Staff Sergeant

Robert G. Campbell, son of Mr. and Mrs. Thomas Campbell of Wing Court, has notified his parents of his promotion to staff sergeant at Carswell Air Force Base, Texas. He has been assigned his own platoon of men. Sgt. Campbell graduated in 1948 from the Northville High School and has been in the Army four years, of which three years were spent overseas. He was home last Christmas for the first time.

Telephone Patrons to Receive Refunds

Special crews working for the Michigan Bell Telephone Company are at full speed determining the amount of refund that will be mailed to certain customers. Saginaw is the headquarters for a refund team figuring the amounts that some users in Northville and in 17 other Michigan Bell exchanges will receive as result of a recent decision handed down by the Michigan Supreme Court.

\$14,000,000 Refund Total

A total of \$14,000,000 will be refunded by the company in 43 of its exchanges altogether. Of the total amount, about \$1,600 will go to some 360 eligible persons in Northville.

G. P. Hartrick, Plymouth-Northville manager for Michigan Bell, said that the first of the refund checks will be mailed out within a few weeks, but he emphasized that it will take about three months to complete the repayment.

The average check in Northville, to be received by those included in the refund will amount to about \$4.50, Hartrick said. To

Rotary Club Names 1952-53 Officers

Northville Rotary Club officers for the 1952-53 year were announced at the club's meeting Tuesday noon. They will take office July 1.

New officers are Carl H. Johnson, president; Philip Ogilvie, vice-president, and Arthur Schutte, treasurer. Edward M. Bogart was re-elected secretary and Clyde Dethloff continues another year as sergeant-at-arms.

The reserve and varsity high school basketball teams, and Coaches Albert Jones and Richard Kay, were guests of the club. Athletic Director Harry B. Smith introduced the coaches, who in turn introduced members of the teams.

Easter Seal Drive Has \$1,500 Goal

Contributions totaling \$568 were received through Tuesday for the Easter Seal Appeal, said Edward F. Angove, Northville chairman of the drive. The Michigan Society for Crippled Children and Adults, Inc., hopes to raise \$20,000 in Wayne County outside of Detroit. The Northville quota is \$1,500. Northville residents will be contacted by letter for contributions.

The society wants to know about crippled children and adults who need help, Angove said "Crippled" means not only those who are unable to walk, but those with other handicapping conditions, such as vision, hearing and speech defects; rheumatic fever, diabetes, and any handicaps that prevent leading a normal life.

The Wayne Out-County Chapter directs services, including the discovering of cases, diagnostic clinics, medical care, and physical, occupational, speech and hearing therapy. Also financed by Easter Seals are special schools, classes and homebound teaching; psychological, vocational, recreational and employment services; curative and sheltered workshops, and provision of braces and special equipment.

"If you know a crippled child who needs help from us," Angove said, "telephone Logan 1-3320 or Wayne 2455 for information."

Edgar Guest to Speak

Edgar A. Guest will speak at the Veterans' Memorial Hall under the auspices of the American Legion Auxiliary of the Lloyd H. Green Post 147 the evening of Tuesday, April 15.

Village President Conrad E. Langfield will introduce the poet. Reservations can be obtained from members of the Auxiliary.

The Wesleyan Service Guild will meet at the home of Mrs. Drake Older, 364 South Rogers Street-Tuesday, April 1 at 8 p. m.

New Teacher Pay Schedule Approved; Provides Increases

Northville school teachers may look forward next year to salary increases that will bring them to the median level of salaries paid by comparable schools in Southeastern Michigan. This will be in sharp contrast to present salaries, which in many instances have lagged behind those paid by neighboring cities.

This happy situation is the result of several meetings between the Professional Problems Committee of the Northville Teachers Club and the Northville Board of Education, during the past three weeks to discuss higher salaries and other matters.

New Registration For School Election

Northville School District residents who wish to vote in the annual school election June 9 must be registered with Township Clerk Fred Lyke in conformity with a change in the registration law voted by the State Legislature in 1951, Russell H. Amerman, Superintendent of Schools, said today. Residents of the Oakwood Subdivision in Oakland County must register with Novi Township Clerk Earl Banks at Novi, and those in the newly annexed Thayer School District with Salem Township Clerk Mrs. John M. Waldecker at Salem.

Electors previously have been permitted to register with either their township clerk or at the Northville High School.

Voting will be at the Northville Village Hall.

Frogner Takes Four German Students to See Detroit Schools

The four German exchange students attending Northville High School this year were visitors Wednesday at the new Mumford High School, and the Greusel and Tappan Intermediate schools in Detroit, as guests of Herbert N. Frogner, of 18651 Sheldon Road, who is principal of the Greusel school.

The students are Ingeborg Rotherpieler, Ingrid Haenzel, Ludwig Jagla and Charles Wuerschling.

Highlight of Visit

A highlight of their visit to Detroit, and one of Frogner's principal reasons for inviting them, was an opportunity to visit the classes in human relations which the Greusel school is conducting in three sections.

In them, over 100 Negro, Oriental and white students of ten different nationalities are taught mutual respect and understanding for the children of races other than their own. The course deals with native customs, religions, cultures and racial environments, which are presented by the teachers in a manner calculated to instill sympathetic understanding on the part of children who take the course.

Frogner and other members of the Greusel faculty were hosts to the German boys and girls at lunch.

Police to Have New Patrol Car

The Northville Police Department will receive delivery on an eight-cylinder 1952 Ford patrol car in four to six weeks at a cost of \$545 plus the present 1951 Ford. Cy Owen, Northville Ford dealer, is allowing \$1334.70 on the present car.

The Village Commission accepted Owen's bid at a special meeting Monday night, called when the patrol car broke down, said Mrs. Mary Alexander, village clerk. The commission decided that it would be to the village's financial advantage to buy a new car rather than to pay future repair bills on the present car, bought in May, 1951.

Other bidders were Aitchison Motor Sales, Chrysler-Plymouth dealer, and Roy Van Atta, Mercury dealer.

Salary Schedules

1. Starting salary for teachers holding A. B. degrees is to be \$2950 per year, with annual increases for ten years to maximum salaries of \$4650. Teachers holding M. A. degrees will start at \$3150 and advance to \$4850 over a ten year period. Still to be worked out is a formula for establishing the amount of the annual raises.

2. Protection for teachers against the rising cost of living is established through salary adjustments based upon changes in the Bureau of Labor Statistics cost-of-living index for Detroit, in the same manner provided in most union contracts in the automobile industry.

3. All teacher compensation except starting salaries may be exceeded by the Board of Education at its discretion. This will permit the board to reward outstanding teachers with higher-than-average salaries.

Accepted By Teachers

The foregoing program was ratified at a general meeting of all Northville school teachers held Tuesday evening, March 25 at the High School. A formal Board of Education meeting was held Wednesday evening, March 26, after the Record had gone to press, to vote on the program officially. In view of the board's previous acceptance of the terms, it was anticipated that formal ratification would be only a routine matter.

The BLS salary adjustment schedule, which begins with the 1952-53 school year, provides that for each rise of three points in the BLS index, minimum salaries will be increased as follows:

Salary Range	Increase
\$2950 to \$3500	\$50 per year
\$3501 to \$4000	\$60 per year
\$4001 to maximum	\$70 per year

For each drop of three points in the index, minimum salaries will be lowered as follows:

Salary Range	Decrease
\$2950 to \$3500	\$25 per year
\$3501 to \$4000	\$30 per year
\$4001 to maximum	\$35 per year

In the event that there are insufficient funds available to meet the salary schedule on any annual renewal date, the Board of Education is to present all facts to the Teachers' Club before instituting salary cuts. The percentage scale of cuts will be based upon the relationship between funds available and funds needed.

Credit For Experience

The new program provides that yearly credit for teaching experience outside Northville shall be three-fourths of the total years taught, with a maximum of ten years allowed.

Russell H. Amerman, Superintendent of Schools, pointed out that the last salary schedule was adopted here in 1947. All sections of the 1947 schedule, such as those relating to extra compensation for coaching and other outside work, that are not in conflict with the new schedule are to continue in effect, he said.

The Teachers' Professional Problems Committee consists of Richard W. Kay, chairman; High School Principal Elroy V. Ellison, Harry B. Smith and Gertrude Martin.

School board members are Eural F. Clark, George L. Clark, Robert Coolman, Nelson Schrader, Jr. and Donald B. Severance.

Mr. and Mrs. F. J. Broad and Mr. and Mrs. C. R. Fox, all of Detroit were Sunday dinner guests of Dr. E. B. Cavell of Griswold.

Rolling Down The River

by the PETZ BROS.

Everything changes as life goes on, but how were we to know, the first time we offered to bet "dollars to doughnuts" that the day wasn't very far off when it would be almost an even money wager?

Tourists from Wisconsin dropped in for a bit of automobile attention. Told us, while waiting that there is a newspaper in his state with two owners, related, the same name, both Republicans but with different presidential preferences. Nothing to have two editorials in the same issue of the paper boosting rival candidates. Had the poor subscribers in a muddled state of mind until the other day a special notice makes the front page.—The editor, and his nephew, having separate political views will henceforth initial their respective editorials. Anyone wishing to lick the editor will first state whom he wishes to take on, when entering this establishment.

Well, that's how things go, but it just so happens that while there are several of us ready and willing to sell you the fine new Studebaker for '52, there isn't a contrary opinion on the premises. We all know that the Studebaker is a fine car (the best); we've experienced its comfortable ride (boy, those soft cushions); we've felt the thrilling surge of its amazingly powerful V-8 engine (golly, what a pick-up). We've saved money too, with all those extra miles per gallon of gas. We know that if you'll just take time to get behind the wheel for a demonstration, the car will sell itself. Come on in... Try it!

One of the fellows in the shop calls our attention to an article in some paper the other day, that some of these banking institutions are suffering from a penny shortage. He says that ever since March 15th he has the same sort of affliction with 5 and 10 dollar bills.

He's a pretty good sort of mechanic, knows your car thoroughly and we'd like to keep him around. Best cure we can think of at the moment for his type of trouble is for a flock of you good folks to rally 'round and have that lubrication, that tune-up, that motor overhaul taken care of. Besides, you've put it off long enough and your car is beginning to suffer. See you soon, and incidentally, we've got a most economical sort of price list.

That's that, but some joker was telling us the other day of a new book he just read. "The only thing they forgot," says he, "is when they bound the book, they should have gagged it too."

Yours,
BILL and WILL PETZ.

"The Federals Are Coming"

Because of the clarity with which Wheeler McMillen, editor-in-chief of Farm Journal and Pathfinder magazines, discusses the basic issues at stake in the coming presidential election, the Northville Record this week presents a condensed version of an address which he made recently in Detroit.

By Wheeler McMillen

Here we are in the second half of the twentieth century . . . Behind us we have all the built-up achievement of human experiences . . . the enormous gains in science, in techniques and in productive experience which have resulted from more than a century and a half of American freedom.

We have the broadest and firmest and finest foundation for peace and prosperity, for the abolition of poverty around the world, for the wellbeing and happiness of mankind, which ever existed.

Can we sit back contentedly to anticipate the wealth and welfare which we know that human energy can now produce? What obstacles stand in our way?

One major obstacle! The only real barrier between mankind and a half century of unprecedented progress is governments. Government of course is necessary, but its only indispensable purpose is to prevent aggression from without, or to protect one citizen from aggression from another; in other words, to make certain that my liberty ends where yours begins.

Unfortunately, governments have been permitted to enter into innumerable undertakings for which they are not fitted. In consequence, they tend to absorb the power which belongs only to the people themselves, to absorb the earnings which individual effort produces.

With this thesis in mind, that government is our most dangerous enemy, may I now tell two stories of recent American events.

The first of these comes from the pleasant little valley of the Santa Margarita River in southern California. A small stream flows . . . through a land where rainfall is slight. Crops do not grow and life cannot flourish except as water can be obtained . . .

A few years ago the Government established Camp Pendleton, a Marine base, by purchasing a 125,000 acre ranch at the mouth of the river. With the ranch they obtained the ranch's water rights . . . When more water was needed, steps were taken so that it might be obtained from the Colorado River Aqueduct.

Then, somehow, the Federals came . . . in the shape of men carrying brief cases from the Department of Justice. They declared that military necessity made the rights of the United States government paramount and sovereign. They began filing suits against each of the 1400 residents, requiring each individual to defend his rights to the water he has used . . . They have invoked the whole power of the Government of the United States against the little people of the Santa Margarita.

When the Federals brought their brief cases to Santa Margarita they carried a threat to property everywhere in these United States. If they can take those water rights away under any pretext of military necessity . . . they can take the mines and the forests, the waters and the soil itself anywhere in America.

My second story comes from Iowa, where Harold McKinley and his three sons raise potatoes near St. Ansgar, in one of twelve Iowa counties that were brought under a so-called federal potato marketing agreement by

Pigs Will Be Pigs

a referendum of dubious honesty and doubtful legality. Under this deal, the Government obtained an injunction to prevent McKinley from selling his potatoes . . . Now the McKinleys have filed actions to bring the Department of Agriculture into court. The Federals don't like that . . . and have protested to the court that McKinley's suit "unreasonably annoys, embarrasses and oppresses" the United States of America!

The most fearful phenomenon of these mid-century years . . . is the colossal expansion of the government of the United States and the constant increase of executive power within the government . . .

We have seen that it is possible for a single presidency in less than seven years to spend more money, and to collect more taxes, than all previous administrations since the United States' beginning in 1789 . . .

Today, more civilians are employed by the U. S. government in the one state of California than in Washington, D.C.

The Federals . . . now make certain that no one of you here, nor anyone who works for you, can any longer decide what to do with the money he earns on Monday. The Federals take that. The more you make the more they take. Some of you can keep nothing for yourselves until Wednesday or Thursday . . .

The Federals are coming! They have invaded your offices to compel you to collect for them and remit the earnings of others. Every corporation and every employer has become an unremunerated tax collector.

The Federals are coming! They have invaded your home to make every housewife who keeps a maid into a tax collector . . .

The Federals are coming! They have invaded your factories and shops to interfere with your purchases and sales, and your wages and salaries.

The Federals are coming! They have invaded your grocery stores to hang up their price tags and to decide how the butcher shall cut your meat.

The Federals are coming! They have an eye on your growing boy. They are making our strong and free America into a fear-shaken garrison state, with a uniform awaiting every youngster before he has finished growing up.

The Federals are moving into your state and every state to preempt the authority and responsibility, and areas of taxation, that belong by American tradition to the states and to the people in the states.

The Federals are heading up the rivers to build costly dams that are intended primarily as steps toward control of all the nation's electric power. The Federals are not going to be satisfied if they control the power resources. They look to Britain to the glories of nationalized railroads and buses and trucks and of nationalized steel manufacture.

The Federals are not only here and coming closer, but they are spreading their forces and our wealth out over the face of the earth. They magnify our fears of the Communist International cliques in order to militarize American economy and American life at the very time they play into the Russian hand to weaken the forces of individual freedom. They play Santa Claus to corrupt governments and bolster up wobbly dictatorships over helpless citizens in other nations. They involve us in undeclared wars.

When we speak of "the Federals" we mean specifically and generally the executive department of the federal government . . . The Presidency, the State Department, and every other department and agency have accumulated power until "the Federals" on the executive side have become overwhelmingly dominant . . .

When Congress came to deal with the Executive's proposed \$72 billion budget for 1952 . . . it was confronted with previous and almost untouchable obligations of \$48 billions, as against only about \$24 billions where some opportunities for economies might remain. Two-thirds of the power of the purse has been captured from Congress by the Executive Departments.

Can the Federals be repulsed? Is it now too late? Has "point of no return" already been passed?

I am optimistic enough to believe that there's still a chance. This may be the last year . . . in which we shall have a chance to decide. Nevertheless, even though a new administration with new philosophies shall succeed in being elected, the task of preserving individual freedom will only be made easier; it will not have been accomplished. It will take lifetimes of effort to restore American thought to a full understanding of individual freedom, and to the principles of the American way . . .

"Government Unlimited"

The March 25 Wall Street Journal carried an article about the newest manifestation of bureaucracy in Washington — a plan calling for a stockpile of goods for civilian use be created alongside the present military stockpile. The article points that the scheme is unpublicized, and has not yet won the endorsement of officials at the pinnacle of the mobilization hierarchy. "But it is being discussed soberly by some of the bureau chiefs who speak with most authority in shaping policy", said the Journal.

"Some officials believe a quick start should be made at civilian stockpiling of non-ferrous metals, not because these are growing scarcer, but on the contrary, because they are apparently heading toward plentiful world supply."

Just one day previous, the Journal carried another front page article with this head: "ROTTING CORN — Two Years Late, the U. S. Picks Up Some of Its Decaying Grain; Four Warnings by Agitated Elevator Managers Were Ignored; the Weevils Won."

When will the American public rise up in wrath against the starry-eyed Washington bureaucrats who are stealing away individual freedom in the United States as effectively as the Soviet Union has enslaved the Russian people.

State Traffic Toll Reaches New High

The record number of 176,587 accidents that occurred on Michigan streets and highways last year resulted in more than 50,000 casualties—1,640 deaths and 48,418 injuries. It was the worst toll in the history of the state, according to the 1951 traffic experience report released by State Police Commissioner Donald S. Leonard.

The death total was the highest since 1941 and the sixth highest recorded. Injuries and accidents climbed to new peaks, accompanying the sharp upward trend in the number of licensed drivers, motor vehicle registrations and miles of travel which began at the close of World War II.

Few Starved Deer Found This Year

Lansing, March 26. A few starved deer now have been found in all five northern lower peninsula districts, but the conservation department notes that the starvation picture appears to be considerably less critical than last year at this time.

Deer are confined to yards only in more snow-covered stretches in Kalkaska, Gaylord and Mio areas. Little or no snow is evident in more southern regional yarding territories . . . as much as 18 inches in the eight-county Gaylord district.

Upper peninsula snow depths range from one to two feet, with around two feet in upper parts of the Lake Superior watershed. A few starved deer were found in Blaney Park early in March.

Season on Trout to Open April 12

Lansing, March 26. Trout enthusiasts are going to have a lot more fishing time this year, beginning April 12 with a 14-day special rainbow season on 55 lakes and streams in 22 counties. Great Lakes and connecting waters are included, according to the conservation department.

Regular brook, brown and rainbow season will start April 26, two days earlier than in 1951, and end September 14, five days later than before. The extra fall rainbow season will have a longer list of legal waters this year, too.

LOVE BIRDS

Bay City, March 26. While "first robin" reports now are coming from more northern state parks, the Bay City park has a different species of birds showing up at night.

W. F. Richter, conservation department park manager, says "love birds" are especially noticeable on clear, moonlight nights.

Players to Present Lenten Drama

A Lenten drama entitled "Were You There?" will be presented by the Alma College Christian Association Players at 7:30 p.m. on Sunday, March 30, at the Northville First Presbyterian Church.

The play is a chance drama and will be presented in the sanctuary. It was written by Arthur E. Turner, a senior student at Alma.

A fellowship supper sponsored by the Senior Youth Fellowship and the Couples Club, will precede the play at 6 p.m. There will be no charge for admission. The evening offering will go toward the work of Alma College.

Dr. Fredsell Speaks At Monroe Church

As moderator of the Presbytery of Detroit, and historian for the Synod of Michigan, the Rev. Dr. Harold F. Fredsell will speak at the dedication service of the Monroe Presbyterian Church on Sunday, March 30 at 3:30 p.m.

This is the oldest Presbyterian church in the state and to the building erected in 1846, a new addition costing \$150,000.00 has been added.

Among those attending the dedication will be Mr. and Mrs. J. W. Blackburn and the Earl Walkers.

Electrically-operated rotary dumping machines used at coal mines can unload a car as easily as a worker might unload a wheelbarrow.

Parliamentary Class Ends

Following the March meeting of the Parliamentary Practice Club, which is sponsored by the Auxiliary of the American Legion, Lloyd H. Green Post-147, further meetings will be adjourned until September.

The fall program will include a course in public speaking. Mrs. Austin Whipple has instructed the group.

News Around Northville

Word has been received from Mrs. D. W. Richmond of Bradenton, Florida, of the death of Herman Winter on Thursday morning, March 20 in Palmetto, Florida. Burial was in Manasota Park, Bradenton. Mr. Winter was the owner of a summer resort at Hubbard Lake and was known to many Northville people.

The radio broadcast from station WCAR Pontiac, sponsored by the American Legion Auxiliary on Civil Defense, set for March 29, has been indefinitely postponed due to a baseball broadcast. The program was to feature Mrs. Donald Severance, 17th District Civil Defense chairman, who lives on Novi Avenue.

A congregational meeting of the First Presbyterian Church has been called for Wednesday, April 2 following the Lenten mid-week service to discuss plans for the Building Funds program.

The Men's Bible Class of the First Presbyterian Church will hold a breakfast Sunday, March 30 at 9:30 a.m. in honor of the visit of Dr. Brian K. Bradford. A former teacher of the class, Dr. Bradford was instrumental in the organization of the group. Formerly on the staff of the Maybury Sanatorium, Dr. and Mrs. Bradford will be weekend guests of the Rev. and Mrs. Harold F. Fredsell.

May Scovie of Saginaw was a guest last weekend at the William Horsfall home.

The Northville Review Club will meet at the home of Mrs. Robert Coolman, 542 Dunlap Street, on Thursday, March 27, at 1 p.m. Mrs. A. M. Lawrence will continue the review of "The Sea Around Us" by Rachel Carson.

The public is invited to a Hard Times Dance at the V.F.W. Hall on Plymouth Road on Friday, March 28. There will be square and round dancing from 9 p.m. to 1 a.m. The dance is sponsored by the O.E.S. and Wilson's Orchestra, with Uncle Henry, fiddler, will play. Admission is \$1.00 per person, and there will be door prizes.

Daniel E. Wells has returned to the Village after spending the winter in Venice, Florida.

Katie Kampf, daughter of Mr. and Mrs. Theodore N. Kampf, Jr. of West Seven Mile Road, is spending her spring vacation from Smith College with 19 of her college friends in Bermuda. The girls left from New York on Saturday for the islands by Colonial Airways.

Mrs. Elizabeth Collins and Mrs. Charles Raymor, along with Herman Rohraff, visited relatives in Munnings last week. Mrs. Collin, of Kellogg, Idaho, is Mrs. Raymor's mother, and is visiting her in Salem.

Your chiropractor, Dr. G. K. Ashton, is now located in the Penniman Building, 861 Penniman avenue, Plymouth, Mich. Phone Plymouth 1016 for appointment.

E. V. Ellison, principal of the Northville High School, will leave Monday for Chicago to work with an evaluating committee for high schools of the North Central Association of Colleges and Secondary Schools.

Mrs. E. J. Willis of Rayson Street served as hostess Monday at the new USO located in the basement of the Shubert-Lafayette Theatre in Detroit.

The Mizpah Circle of King's Daughters will meet at the home of Mrs. Nelson C. Schrader, Jr., 116 Orchard Drive, on Tuesday, April 1 at 12:30 p.m. for a pot-luck luncheon. The business meeting and sewing of cancer pads will start at 2 p.m.

News from Novi

By Mrs. L. Rix

The South Novi Farm Bureau met last Tuesday evening at the home of Mr. and Mrs. Philip Anderson on West Eight Mile Road. There were 29 present.

Pfc. Harold Tuck is now taking an eight weeks vehicle maintenance course at Eschwege, Germany where he is stationed.

Mr. and Mrs. Russell Button returned last week from a five weeks trip through the southwest, old Mexico and California. In California, they spend some time with the former's father, Jay Button, and his brother, Clyde and family. Jay Button returned with the Russell Buttons for a short visit with relatives in Michigan.

On Sunday Mr. Button spent the day with his son and family, Rev. and Mrs. Ronald Button and children at Davison.

Mrs. Keith Branch was honored at a pink and blue shower last Friday evening at the home of Mrs. Glen C. Salow. Assisting Mrs. Salow were Mrs. George Atkinson and Mrs. Charles Trickey, Sr. Forty guests were present.

Mrs. Andy Kozak and daughter, Kim, have returned to their home in Novi after spending a month with her parents, Mr. and Mrs. John V. Gohn and sons, Bill and Joe, at Champaign, Illinois. Brother Joe left for the Air Force.

Kim, daughter of Mr. and Mrs. Andy Kozak modeled in a children's Easter style show last week in Champaign, Illinois.

Keith Branch arrived in Novi Monday afternoon. His brother, Duane, arrived a week earlier. Both, sons of Mr. and Mrs. Ed Branch, have been with the Marine Corps in California for the past several months.

Mr. and Mrs. L. Rix attended a dinner party in honor of their son, Ed's birthday, last Saturday night at the home of Mr. and Mrs. David O'Leary in New Hudson.

The Novi Union of the WCTU is scheduled to meet next Thursday at the home of Mrs. Andrew McCollum on Eleven Mile Road.

Brownie Troop No. 3 held their regular meeting on Tuesday, March 18 at the Novi School. The group made pink plastic covers for the Brownie Handbooks. The treat was Girl Scout cookies and candy bars donated by Noel F. Geppart. A special treat of gum was sent to the troop by the Beechnut Gum Company.

Five years ago, 16 cerebral palsy centers were scattered throughout the United States. Today there are 367 treatment services for cerebral palsy children, in all sections of the country—supported by Easter Seal funds.

Extension Group to Meet March 27

Novi Extension Group No. 2 met at the home of Mrs. Harold Miller Thursday, March 20, for a lesson on basic finishes. There will be a special meeting at 1 p.m., March 27, at the home of Mrs. George Mairs Mrs. Platz and Mrs. Summerville, representatives of the Extension Board, will give a talk on extension work. Anyone interested may attend.

Mrs. Marvin Guntzville will have the next regular meeting on April 10. The lesson will be on furniture refinishing.

Named to Dean's List

Nancy Boyd, daughter of Mr. and Mrs. C. C. Boyd of 321 Rayson Street, and Patricia Johnston, daughter of Dr. and Mrs. Wilbur H. Johnston of 139 West Dunlap Street, have just been named to the Dean's list at Albion College, in recognition of their high scholastic standing during the first semester of the college year.

Miss Boyd and Miss Johnston are seniors at Albion.

Chickens fed finely-ground feeds are often more apt to pick feathers than those fed coarsely ground feeds, say Michigan State College poultrymen.

Club President

Mrs. Fred Van Atta

Woman's Club Elects '52 Officers

At the annual meeting of the Northville Woman's Club, Mrs. Fred Van Atta was elected to head the group for the next year. Eighty members attended the luncheon and fashion show last Friday afternoon.

Serving with Mrs. Van Atta as vice-president will be Mrs. R. M. Atchison. The remainder of the board is made up of Mrs. Merner Eilber, recording secretary; Mrs. E. R. Widmyer, corresponding secretary and Mrs. H. H. Brown, treasurer. Mrs. Philip Anderson was elected to serve on the board of directors replacing Mrs. D. W. Matzen who had completed her two-year term.

The other directors are Mesdames Frank Beeks, Paul Bayless, T. G. Hegge and W. H. Cansfield. Mrs. Cansfield is the retiring president.

Mrs. George Kohs was appointed by the retiring president as the chairman of the 1952-53 program committee. Working with Mrs. Kohs will be Mesdames F. A. Shaw, Harvey Whipple, Robert Wetterstrom, F. J. Collins, Paul Schulz and Robert Scott.

John M. Turnbow Wed in Brighton

Catherine C. Meacham of Centerline and John Madison Turnbow of Northville were married Saturday afternoon in the parsonage of the First Methodist Church, Brighton. Rev. J. M. McClucas, minister, read the single ring ceremony.

The couple were attended by Mattie Sue Kragh of Mt. Clemens, sister of the bride, and William J. MacRobert of Novi.

After a short honeymoon trip the couple will make their home in Northville.

Schrader, Jr. THURSDAY, APRIL 3- 8:00 Pre-Nursery Group, Presbyterian Church.

Open House Sunday to Commemorate 45 Years of Marriage

Mr. and Mrs. George Dixon of 401 Yerkes Avenue, will celebrate their 45th wedding anniversary with an open house for friends and neighbors from 2 to 5 p.m. Sunday, March 30. About 50 guests are expected.

Mr. and Mrs. Dixon were married in Detroit on April 2, 1907. They have lived in Northville for 39 years and are the parents of three sons: Robert, of Northville; Howard, of Garden City, and George, of Wayne. They have two grandchildren, Janice and Robert, Jr., the children of Robert Dixon.

Mr. Dixon has worked at Novi Equipment Company for the past ten years and has maintained a greenhouse and flower shop on Yerkes Avenue.

Sally Merriam Receives Cap at Nursing School

Sally Merriam, daughter of Mr. and Mrs. R. D. Merriam of Beck Road, took part in the Capping Services at the Grace Hospital School of Nursing held Friday, March 21. Her parents attended the services.

At this ceremony, the student nurses who have completed their first term are presented with their nurses caps and take the Florence Nightingale Pledge. Following the welcome by the Sally was awarded the Northville-Plymouth Scholarship in Nursing last fall and the scholarship awarded by the Wayne County Road Employers Association. She has recently been elected president of the Glee Club.

President of the student association, Sally gave the response for the freshman class. This honor was voted on her by her classmates. The principal address was given by Dr. Kenneth B. Babcock, director of Grace Hospital. After the capping ceremony, tea was served in the reception room of the nurses residence.

Auxiliary Fetes Post on Birthday

The 33rd birthday of the American Legion was celebrated locally when the Legion Auxiliary entertained the Lloyd H. Green Post 147 at a birthday party March 18.

Past Commanders and Past Presidents were honored. Sixty-five people attended the affair.

Mrs. Paul Burnham was chairman for the event which followed the St. Patrick's Day theme in decorations and entertainment. Mrs. Milo Chapman was chairman of the pot-luck dinner.

BIRTHS

Mr. and Mrs. Thomas Shrake announce the birth of a daughter, Deborah Sue, on March 21 at St. Joseph's Hospital, Ann Arbor. Mrs. Shrake is living with her parents in Plymouth while Pvt. Shrake is stationed at Scott Field, Illinois.

Mr. and Mrs. Owen Horsfall of Orchard Drive announce the birth of a daughter, Lois Marie, born March 17 at Mt. Carmel Hospital. Lois Marie weighed 7 pounds 14 ounces.

Mr. and Mrs. Richard Ambler of West Dunlap Street announce the birth of a daughter, Nancy Jean, born Sunday, March 16.

Mr. and Mrs. Royal Keller of West Seven Mile Road announce the birth of a son, Robert Gene, born Wednesday, March 19 at Sessions Hospital. Mrs. Keller was the former Louise Atchison.

To help Americans get top efficiency out of the half-billion tons of coal consumed annually, Penn State College has a four-year course on fuel combustion.

Pre-School Group to Hear Panel

A panel discussion entitled "Nursery School, Its Aims and Practices," will be the feature of the Thursday, April 3 meeting of the Parent-Teachers Pre-School Group. The 8 p.m. meeting will be held in the Northville First Presbyterian Church House.

Serving on the panel will be Mesdames William Crump, Howard Meyer, G. S. Luvegood, William Chizmer and Richard Nelson. Mrs. Chizmar is the teacher of the group.

Plans will be made at the meeting for entertaining the parents of prospective enrollees in the Pre-School nursery in May.

Mrs. Orlo Robinson and Mrs. William will serve as hostesses for the April 3 meeting.

Northville Cubs to Participate In Achievement Exhibit

All Cub Scouts of Northville will participate in the 1952 Cubbing Achievement Exhibit Saturday, March 29, in the Plymouth High School Gymnasium, said George H. Muller, cub master. The gymnasium will be open to set up displays at 2 p.m. on Saturday.

The eight days of Northville Pack N-1 will participate in such projects as Indian costumes, bird houses, scrap books, astronomy, birds and nature, and models.

Parents and friends are invited to visit the exhibit, said Muller.

Family Congregates to Honor Parents

The 42nd wedding anniversary of Mr. and Mrs. Charles Lute, of Newburg Road, was celebrated at their home Sunday, March 23. Members of the immediate family gathered for Sunday night supper.

Besides Vera, Tom and Don Lute, who live at the parental home, Mr. and Mrs. George Van-Hellmont and children, Mr. and Mrs. Othal Baggett and children, and Mr. and Mrs. William Lute of Northville attended.

From Farmington came Mr. and Mrs. Homer Lute and children, Mr. and Mrs. Wilbur Lute and daughter and Mrs. Jean Lute and son.

★ Try The Want Ads

Green Thumb by Paul Newton

Now that the snow has gone, unplanted banks and hillsides show the ugly efforts of erosion, but with the variety of ground covers now available, they can be made as attractive as your lawn, and with very little effort. One of the most inexpensive plants for the larger areas is Vinca Minor, or common myrtle. It is hardy, grows rapidly, and forms a heavy carpet that thrives equally well in sunny locations or in the shade. It stays green all winter and its deep blue blossoms add interest in the spring.

Hall's Honeysuckle Hall's honeysuckle has much in its favor for the planting of banks. It grows rapidly and sends its roots down deep, to prevent washing of the soil. It does best in full sun but grows moderately well in a semi-shady, woody location. The blossoms, known for their fragrance, come in May and last through July.

For a quick temporary cover, plant vetch to keep the soil from washing during the summer while your permanent cover is getting a start.

Do you need a cover under your shade trees where the grass is robbed of moisture, sun and food? Pachysandra Terminalis is an evergreen cover giving a light and airy effect. It is one of the very few plants which thrive well under pine trees. For steep terraces, or a border along a pathway or the north side of your house where there is no sun, it can't be equalled. It sends out trailing shoots and soon forms a bed of light, glossy foliage which remains green throughout the winter.

Euonymus Alata Euonymus Alata is highly recommended for larger areas. It remains green all winter and has a smooth, shiny, dark green leaf. It is a quick-growing vine, hardy anywhere, and does equal-

ly well in full sun, semi-shade or deep shade. For those who wish to spend more time on the porch and less time digging weeds out of the border, try a strip of English ivy (Hedera Helix). This solves a trimming problem and makes an interesting ground pattern for winter.

If you have a flagstone walk, you have already discovered the advantages of the low-growing thyme. This small herb is most useful planted around and between the stones. As a ground cover, a carpet of thyme has no equal, especially as a border along a brick or gravel path. It can be neatly sheared to a definite edge, or allowed to grow informally. It is a rapid grower and is easily grown from seed in finely prepared soil. The tiny thyme (T. Serpyllum Albus) is the best choice. Dainty drifts of pure white flowers almost completely cover the plant over a long period in spring. Flowers often recur in fall. It is hardy

and evergreen, and provides the clearest, brightest green throughout the year. Another choice edging plant is the colorful Sedum Spurium Dragon's Blood. It has an all-over effect of deep bronze. The flowers are bright red in July, August and September. It gives an interesting contrast in color when planted with Sedum Glaucum, which has blue-green foliage.

GIRL SCOUT TROOP 4 We met Wednesday, March 19, at the Methodist Church House and were joined by Troop 3. We sang songs, and when Troop 3 left, we talked about what we will take with us on a camp-out and what we will do when we get there. It will be for work on a badge. Judy Robinson, Scribe

The Beaumont, Texas, oil boom began in 1901 with a gusher spouting 25,000 barrels a day, sending a column of oil 200 feet into the air.

NEWS FROM SALEM

Mrs. Myrlean Lyke
Phone Northville 903-J1

Mrs. L. J. Vici of Detroit was a houseguest of her sister, Mrs. Lucia M. Stroh several days last week. Mr. Vici and son, Fredrick James, were Thursday evening supper guests of Mrs. Stroh. Mrs. Vici returned to Detroit that evening.

Mr. and Mrs. William Scheel were guests of Mr. and Mrs. Walter Tripp at Whitmore Lake for dinner Wednesday. The occasion honored Mrs. Irving Scheel on her birthday.

Mr. and Mrs. H. Opdycke were Sunday visitors at White Lake. Sunday visitors in the Grant Currie home were Elwood Monroe, Mrs. Herbert Monroe and John Currie of Berkley. John M. Currie of Wyandotte was a Tuesday evening dinner guest.

Mrs. Burton Rich entertained friends of her daughter, Mary, on her birthday last Saturday. Mary was ten years old.

Mrs. William Compton attended the annual alumna banquet at the U. of D. in Detroit Saturday evening.

Friday evening callers in the Arthur Wheeler home were Bob Wheeler and Jeanne Lake from Holly.

Beverly Lyke is spending her spring vacation at home from MSC.

Mr. and Mrs. Kenneth Rich celebrated their 49th wedding anniversary March 18. Last week they attended the golden wedding anniversary open house of Mr. and Mrs. Frank Woodworth in Northville given in their honor by Mr. and Mrs. Gerald Woodworth.

Mrs. Ida Hall will entertain the Ladies Aid Thursday with dinner at noon.

Frank Gendron, 4-H leader of Ann Arbor, will be on hand for the 4-H group party April 5 at the Town Hall. In Robert Wilson's group of 20 boys, 19 are completing the course in woodcraft. Mrs. William Compton with her 4-Hers in the "Stitch and Chatter" Club from Laphams Corner will join Mrs. Lloyd Birckelbaw and her group, the "Sew and Sew" Club from Salem and go to the Diesel together in Detroit, Wednesday, and attend a style fashion show at Hudsons. Achievement Day for all groups in 4-H will be held in Ann Arbor on April 8 and 9.

Mrs. Nellie Larned is a house guest in the Kenneth Rich home. Bobbie Rich of South Lyon spent the weekend with his grandparents, Mr. and Mrs. Kenneth Rich. Mr. and Mrs. Al Glance were

Saturday evening guests of Mr. and Mrs. Burton Rich.

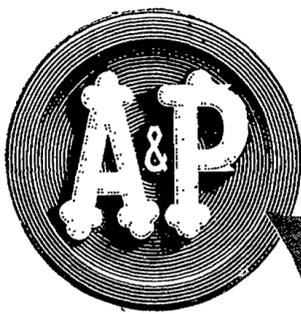

The Walker school district will sponsor a dance Saturday, March 29 in the Salem Town Hall. The proceeds will go for school ground equipment.

At the Salem Union School spell down last Friday, the winners were as follows: Marjorie Clemens, 8th grade; Murray Lyke, 7th grade; Bonnie Burnham, 6th grade, and Arthur Sulkowski, 5th grade. These youngsters will receive a dictionary with their name printed in gold on each (They also told us they were treated to a malted at Mary's).

Mr. and Mrs. Myrlean Lyke and Murray visited the Rex Shuarts at Howell Saturday afternoon and evening.

Rev. Henry Green of Pontiac will be a guest speaker Sunday, in the Salem Federated Church. Mr. and Mrs. Myron Whipple, Mr. and Mrs. Myron Atchison and house guest, Mrs. F. A. Robertson, of Kalamazoo, were dinner guests of Mr. and Mrs. Asa Whipple at Fowleyville Sunday. Mrs. Fred Atchison of Northville spent a few days last week visiting in the Myron Atchison home. Mr. and Mrs. Earl Roberts and family spent the weekend in Forestville, visiting Mrs. Robert's parents, Mr. and Mrs. William Messner.

Jean Karr, of Pontiac, has come to make his home with Mr. and Mrs. John Bond. Jean attends school in Salem.

Customers' Corner

"Two guarantees—for the price of one!"
A&P is famous for famous grocery brands—and for value on 'em, too. Everybody knows that!
But did you know that every brand sold in your A&P is backed by two reputations? Yes, the maker's and A&P's!
In these days when getting your money's worth counts more than ever, A&P insures it by stocking brands guaranteed by the makers and, by guaranteeing all these brands itself.
So whatever the brand . . . whoever makes it . . . if ever you're not completely satisfied with it see your friend—your A&P manager—he'll return your money without question!

DODGE - PLYMOUTH 127 HUTTON

2 Drivers Fined by Justice Bogart

Justice of the Peace Edward M. Bogart tried two cases last week on drunk driving and reckless driving charges.

Harry C. Dahmer, of 610 Baseline Road, was fined \$50 and \$10 court costs by Bogart on a charge of driving while drunk.

A six-man jury found Robert G. McMullen, 1168 Helen Street, Inkster, guilty of reckless driving on complaint by Thomas D. Clark, of 16070 Northville Road. McMullen was given a choice of a \$50 fine and \$17 court costs or 45 days in the Detroit House of Correction. He is appealing the case to Circuit Court, according to Justice of the Peace Bogart.

Family Fight Ends in Jail Sentence

James Ellenwood, of 42655 West Seven Mile Road, was sentenced to 90 days in the Wayne County jail by Justice of the Peace George E. Wicklund, of Inkster, after Ellenwood's conviction on an assault and battery charge.

Ellenwood was charged with striking his wife, Mrs. Rose Ellenwood, in a family dispute last Thursday evening. She was treated at Wayne County General Hospital, at Wayne, and released, according to Detective Harry Cummings of the Wayne County Sheriff's Department.

Christian Science Churches
 "What is reality?" is the question which confronts all mankind. This will be discussed in the Lesson-Sermon on the subject "Reality" to be read in all Christian Science churches Sunday, March 30.
 The Golden Text is from Isaiah (63): "Holy, holy, holy, is the Lord of hosts; the whole earth is full of his glory."
 Among the Bible citations is this passage, (1 Cor. 2:9): "But as it is written, Eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which God hath prepared for them that love him."

OBITUARIES

EARL BARLOW
 The father of Mrs. Margaret Cutter of Chubb Road, Earl Barlow, died on Sunday, March 16. Services were held Wednesday, March 19.
 Mr. Barlow, who was 63 years old, had for the past 18 years lived in Baldwin, Michigan. Prior to moving to Baldwin, he lived in Plymouth for 45 years.
 Surviving besides his wife, Lena, are a son, George, of Somerville, Massachusetts, and three daughters, Mrs. Cutter of Northville, Mrs. Lolah Mae Noll of Plymouth, and Mrs. Eleanor Harris of Somerville, Massachusetts.

The Rev. Melbourne I. Johnson, officiated at the service which was followed by interment in Livonia Cemetery.

MRS. FRANCES FOSS

Mrs. Frances Foss, wife of Paul Foss, died Monday, March 24, in Alton, Nebraska, after a long illness. Mr. and Mrs. Foss lived on Walnut Street, Northville, until moving to Nebraska 21 years ago. Services will be held today, Thursday, March 27, in Petersburg, Nebraska.
 Mrs. Foss leaves six children. Mrs. Carl Ely of South Center Street, and Mrs. Oscar Hammond of Center Street are sisters of Mr. Foss. Mrs. Foss' mother-in-law is Mrs. Augusta Foss of Walnut Street.

Easter Seal contributions finance diagnostic clinics, treatment centers and special schools.

You are cordially invited to attend a

FOR PERFECT ENAMELING RESULTS

Experts and amateurs alike acclaim LOWE BROTHERS PLAX, the universal beauty gloss for all enameling. And no wonder! PLAX makes it easy to obtain expert results. Adaptable to any surface PLAX hides effectively, covers solidly and flows freely. What's more, PLAX resists wear and weather and many stains and acids—as dramatic "abuse tests" prove. And PLAX, the universal beauty finish, is economical, too, because ordinarily only one coat is needed for refinishing.

Thrift Shop Bake Sale Next Week

Mrs. A. W. Parmenter, general chairman, and Mrs. L. M. Eaton, co-chairman of the Presbyterian Thrift Shop announced this week that the shop will be open at 9 a.m. next Tuesday and Wednesday to receive contributed articles of clothing, furniture, dishes and other salable articles. It is located in the former telephone company office at 116 N. Center Street.

Such articles will be placed on sale for the month beginning April 3, with members of the Presbyterian Women's Union in charge of the store. Proceeds from the Thrift Shop will be divided equally among the circles of the Women's Union.

The Auxiliary Circle will be in charge April 3rd, 4th and 5th and will conduct its baked goods sale at the time.

Suburban Shriners to Hold Dance

The Suburban Shrine Club will hold a dance party at the Hawthorne Valley Country Club, Merriman and Warren Roads, the evening of Friday, April 18. The party will be informal and door prizes will be available.

The Suburban Shrine Club is composed of members of Moslem Temple and other Shrine organizations who live in Western Wayne County. The Suburbanites invite any Shriner living in this area to attend. The coming dance and get-together is the first party of its kind that has

OBITUARY

CHARLES W. PAYNE

Funeral services were held on Tuesday, March 25, for Charles W. Payne who died March 17 at Tolfree Memorial Hospital, West Branch. The services for Mr. Payne were held at the Salem Congregational Church with the Rev. Mrs. Lucia M. Stroh and the Rev. Mrs. C. M. Pennell officiating. The Casterline Funeral Home conducted the services and the burial which followed in the Salem Walker Cemetery.

Previous to his 36 years of residence in Salem, Mr. Payne lived in Northville. For the past four years he has lived with his grandson, Richard Hall, in Mio, Michigan. He is a retired mechanic having owned and operated a garage in Salem.

Mr. Payne, who was 70 years old at the time of his death, was born on November 30, 1882 in Summerfield Township to James and Elizabeth Payne. His wife, Hester L., preceded him in death in 1948. Surviving is a brother, Edward of Petersburg; a sister, Mrs. Edith Burdenau of Deerfield; a daughter, Mrs. Herman Kreeger of Salem; four grandchildren, 12 great-grandchildren and two nieces.

been held by the group since last June.

Tickets may be obtained from President John Leitz, Plymouth 1030 or Plymouth 504-M, Charlie Huebler, or any one of the board of governors for this area.

Local P & A Slates Day - Thomas Musical "I'll See You In My Dreams"

A schedule of westerns, comedy and a musical movies has been announced by the management of the Northville Penniman Allen Theatre for the next week. The production slated for the end of the week is the Doris Day-Danny Thomas musical "I'll See You In My Dreams".

The technicolor western on Thursday, Friday and Saturday, March 27, 28 and 29, "Man In The Saddle," stars Randolph Scott. The supporting cast is

Phone Revenues Hit All-Time Peak

The Michigan Bell Telephone Company reports that its return slipped from 6.5 cents to 6.4 cents on each dollar invested in the business in 1951 despite an all-time high in revenues from customers and a gain of 110,000 telephone lines.

President John A. Greene and Board Chairman Ben R. Marsh said in the company's annual report that the added revenues were virtually offset by increased costs of doing business.

Emphasizing the impact of inflation on company operations in the postwar era, the report cited an average return of 5.5 cents on each dollar invested in the business the last 10 years — an average that did not take into account the \$14,000,000 prospective refunds affecting the 1946-48 period. The refunds reduce the previously-recorded average return for those years from 4.9 cents to 3.9 cents on the invested dollar.

Revenues Lag Behind Costs
Greene and Marsh pointed out that company revenues, through rate increases, have risen 21 per cent against an 89 per cent increase in the cost of living since 1940. They characterized the company's 1951 return as "far below that needed" to maintain financial strength under current economic conditions.

"As long as inflation continues to boost our costs," they said, "we will have to seek rate increases to cover those costs."
"We have the tools and employee know-how for service achievements far surpassing those of the past. We are confident that with a realistic understanding of our problems by those who share the responsibility for their solution, we will succeed in providing a more and more valuable public service."

Wages And Taxes
Nearly three-fourths of the company's costs of doing business went for wages and taxes. The company itself paid \$26,700,000 in taxes, an increase of \$6,300,000 over the previous year and \$8,500,000 more than was paid the owners of the business. In addition, customers paid another \$26,700,000 to the Government in excise taxes for a total tax bill by customers and company of \$53,400,000, or \$2.35 per telephone per month.

Employees were paid \$80,200,000 in wages and salaries, an increase of \$6,200,000 over the amount paid to about the same number of employees in 1950. New records were set by the company in every phase of its operations. Telephone calls reached an all-time high of 10,100,000 a day — up 300,000 a day over 1950. There were 1,951,000 telephones — more than double the number in 1941.

Michigan Bell spent \$37,000,000 for new construction, bringing the total capital expenditures since V-J Day to \$286,000,000.

Joan Leslie, Ellen Drew and Alexander Knox.
Jane Russell and Frank Sinatra team in "Double Dynamite" on Sunday and Monday, March 30 and 31. Frank Sinatra, who gained fame by singing, is confined to only two songs. The comedy is enhanced by Groucho Marx's handling of the comedy lines. Gene Autry will appear in "Valley of Fire" as the first show on Wednesday night, April 2, starting at 6:45 p.m. The double feature includes "Revenue Agent".

"I'll See You In My Dreams" is a musical drama about the life and career of Gus Kahn, the famed lyricist. Danny Thomas, as Gus Kahn, and Doris Day, as his wife, are outstanding. Opening in Chicago around 1915, the story has Thomas, a driver of a horse-drawn delivery wagon, visiting a music publishing house, where he persuades Doris, the boss' secretary, to look over his lyrics. She encourages him and writes the lyrics of "I Wish I Had A Girl". Doris writes the melody and after publishing, the song becomes a smash hit. The entire movie is centered around the struggles of the songwriter to have his many songs, including "Memories," published.

Pfc. Barber Wins Infantry Badge

Pfc. Bill A. Barber, son of Mr. and Mrs. A. V. Barber, 39040 Nine Mile Road, Northville, recently was awarded the Combat Infantryman Badge for excellent performance of duty in combat with the 7th Infantry Division.

The badge, a symbol of the front line fighting man, distinguishes the combat soldier from rear area and service troops. It consists of a miniature replica of a Revolutionary War flintlock rifle mounted on a blue background and superimposed on a wreath.

Pfc. Barber, a rifleman in Company C, 17th Regiment, has also earned the Korean Service Ribbon with one campaign star since arriving in Korea last January. A graduate of Northville High School, Barber attended Alma College before entering the Army in May 1951. He received basic training at Camp Breckinridge, Kentucky.

Pvt. Grant Barrett Completes Training

Pvt. Grant A. Barrett, 20, son of Alvia Barrett, 46039 Neeson Street, Northville, has completed Army Branch Immaterial Basic Training conducted by the 3rd Armored Division, here. During his eight weeks of intensive training he attended classes on general military subjects and received instructions and practical work in firing of basic Army weapons — the M-1 rifle, carbine and .45 pistol. He entered the Army November 28, 1945.

Christmas Trees Are Big Business

The growing and selling of Christmas evergreen trees in Michigan is a \$5 million business annually. Of the 618,000 trees checked in 1951 at the inspection stations set up by the Michigan Bureau of Plant Industry, 272,000 were spruce, 315,000 balsam, 2,500 red pine and 7,500 Scotch pine, with 22,500 trees whose species were not checked revealed C. A. Boyer, chief of the bureau.

WEST POINT PARK NEWS

By Miss L. A. Ault

Mr. and Mrs. Forrest Ault and children of Hubbard Avenue spent last weekend with relatives in Flint.

A 6 pound 14 ounce daughter, Kathleen Jean, was born to Mr. and Mrs. George Cooke of Al-

bion Avenue, Farmington, Monday, March 17. Mrs. Cooke is the former Dolores Ault, daughter of Mr. and Mrs. Russell Ault of Shadyside Avenue.

Pfc. Frederick Schult, son of Mr. and Mrs. Herman Schult of Shadyside Avenue, arrived from Texas last Monday evening and will be on 12-day leave.

Mrs. M. E. Ault and Mrs. Stanley Chavey, both of Mayfield Avenue were dinner guests on Thursday evening of Mr. and Mrs. John Ackermann in Dearborn.

Mr. and Mrs. George Sandau of Hubbard Avenue visited the News Travel and Sport Show at the Detroit Fair Grounds last Sunday.

Mr. and Mrs. Norman Kauranen and their three youngest children were guests of Mrs.

Kauranen's mother in Detroit last Sunday evening.

Mr. and Mrs. Arthur Muir and children of Shadyside Avenue were guests last Sunday of Adrian friends.

Francis Kauranen of Mayfield Avenue spent last weekend with relatives in Grosse Pointe.

Mrs. Florence Jones and son, Bobby, arrived from Tennessee last Sunday morning and are spending the week with the former's parents, Mr. and Mrs. Ed Grant, on Farmington Road.

Mrs. Herman Schult and son, Alfred, and Mrs. Marietta Wyman of Shadyside Avenue, were all visiting in Ypsilanti last Monday evening.

The next meeting of the Sunshine Sisters is to be held April 2 at 1 p.m.

Mr. and Mrs. Albert Dirk of Myron Avenue returned the first of this week from a visit to California, New York. On the trip they were accompanied by their daughter, Mrs. Robert Oakley and children, Susan and Martha.

Mrs. Frank Smith and daughter, Dorothy, of West Eight Mile Road, visited relatives in Clarkston last Sunday.

Mr. and Mrs. Merlin Adams of Oakland Avenue, Farmington, gave a dinner party last Satur-

day evening. Guests were Mr. and Mrs. Clare Grace and Mr. and Mrs. Gerald Grace. Congratulations were extended to Mrs. Grace in honor of their birth-

Mr. and Mrs. Arthur Smith and son of near West Eight Mile Road, visited at the Great Lakes Naval Training Center last weekend.

At the Persson home on Westmore Avenue, a dinner honoring the ninth birthday of Hazel Persson was given last Saturday.

Mrs. Harry S. Wolfe of Westmore Avenue is in Chicago visiting her daughter, Mrs. Don Brock and Dr. Don Brock and their son.

Mr. and Mrs. Clarke Bonar of Northville were guests at the Harry S. Wolfe home last Sunday evening.

William McLellan of Westmore Avenue was the dinner guest of Mr. and Mrs. Dirk in Northville last Sunday.

Pvt Howard McLellan of Ft. Leonard Wood, Missouri, has been visiting with his father, William McLellan of Westmore.

Sunday, March 30 at 4 p.m. an artist, Miss Pauline Todd of Detroit, will present with luminous colored chalk "Peter Walking On The Water" at the Neighborhood Church.

Mr. and Mrs. George Throne of Ypsilanti were guests last Sunday of Mrs. Throne's parents, the Austin Aults on Brentwood.

At a luncheon party last Tuesday, Mrs. Austin Ault of Brentwood Avenue, had as her three sisters, Mrs. Norman Gedig of Detroit, Mrs. Albert Owen of Mayfield Avenue and Mrs. Ralph Voorhees of Shadyside Avenue.

A group of relatives of Grand Rapids are guests of the Herman Schult family on Shadyside Avenue this Saturday.

Local Girl Scouts visited the Art Institute last Saturday.

Mrs. Zelpha Sable of East Detroit was calling on Mrs. Arthur Muir and Freda Ault this Saturday morning.

Mr. and Mrs. Ira Magner of Shadyside Avenue are quietly celebrating their 41st wedding anniversary Saturday, March 22.

Mr. and Mrs. Richard Stevens of Hubbard Avenue gave a dinner party entertaining a group of relatives from Detroit last Sunday.

Bill Varhol, who recently enlisted in the Navy and is stationed at the Great Lakes Naval

Northville Artist Wins Critic's Praise

Mrs. Carl Johnson, of Orchard Drive, poses with the oil painting which won praise from a New York critic. The landscape was entered in the Amateur Oil Painting Competition Number 1 in New York City.

New York Critic Praises Northville Artist's Painting

Training Station, called his mother, Mrs. John Varhol of Shadyside Avenue Tuesday night. Along with his other activities he has become a swimming instructor at the base.

Coaches Prepare For Spring Sports

Although it's too cold yet for outdoor spring sports, Northville High School coaches are completing schedules and getting equipment in order for an early start.

Coaches Al Jones and Dick Kay have put aside their basketball worries and turned to seeking out hitters, pitchers and fielders for their baseball team. Jones will be head coach and Kay will assist him.

Coach Merritt Meaker will take his golfers out for practice sessions as soon as the courses are firm enough to allow the ball to roll and the linksman to stay dry-footed.

Coach Charles Yahnne has charge of track and field. Lacking a track and suitable jumping pits, Northville's thinclads must hold all meets away from home, which creates scheduling difficulties.

All home baseball games will be played at Cass Benton Park at 4:00 p.m., unless otherwise noted in the schedule below:

A New York critic's praise is causing Mrs. Carl Johnson, of Orchard Drive, to give more serious thought to her hobby of painting in oils.

Mrs. Johnson entered a landscape in the Amateur Oil Painting Competition, Number 1 at the gallery of Arthur Brown & Brother, New York City, in December, 1951. A criticism written by Jacob Getlar Smith came back to Mrs. Johnson, encouraging her to continue painting, and pointing out the strong and weak points in her work.

Smith said that her landscape of barns and trees at the Wayne County Training School was a "lovely, sensitive interpretation, full of mood," that it was "marked by good compositions and thoughtful analysis." He commented that her ability to design shapes with emphasis on essentials contributed greatly to the effectiveness of her painting.

Mrs. Johnson began painting "just for fun" as a recreation exercise. She joined one of the classes conducted by Mrs. Donald Sober, of Sheldon Road, and did sketches and water colors of the landscape. She completed the oil interpretation later in the fall.

It was Mrs. Sober who suggested she submit the painting to the New York competition, sponsored by the Amateur Artists Association of America and American Artist magazine. Two hundred of the 356 paintings submitted were hung for exhibition.

One Billion Tons With growing population, increasing production, and expanding needs for electric power expected to double America's energy requirements by 1975, coal consumption may reach a billion tons annually—or about twice as much as is used today.

Villager to Sing In Albion Oratorio

Leonard Howard, son of Dr. and Mrs. W. Leonard Howard of West Eight Mile Road, will sing in the bass section of the Albion College Choral Society when it presents Bach's oratorio "Passion of Our Lord, according to St. John" in the First Methodist Church of Albion, Sunday afternoon March 30. David Stickleler of the Albion College music faculty will conduct.

The Albion College choral group, which numbers 90 voices, will be assisted by five guest vocalists and a guest orchestra composed of members of the Detroit, Battle Creek and Grand Rapids symphony orchestras.

"Skip" is a sophomore at Albion College.

Salem Missionaries Arrive at Navajo Indian Post

The Rev. Mr. and Mrs. Ward Clark, missionaries from Salem Congregational Church, are now settled in their new post among the Navajo Indians in Colorado and New Mexico. Rev. Clark is the brother of Wilson Clark of East Cady Street.

The family is living in an old army barracks, reports the Rev. Mrs. Lucia M. Stroh, minister of the Salem Congregational Church. Services for the Indians have been started and Mrs. Clark, who is a nurse, has opened a daily clinic. Most of the Indians can neither speak or write English, write the Clarks.

The Clark's have two sons, Robert, five years old, and Paul Jay, two years old, and a daughter, Judith, who is four years old.

NEW 1952 Chevrolet

CENTERPOISE POWER
 Vibration and power impulses are "screened out" as engine is centered and rubber-cushioned between new high-side mountings.

LARGEST BRAKES
 Big 11-inch brake drums apply more leverage for more stopping power. Stops are smoother, safer, with less effort.

WIDEST COLOR CHOICE
 Two-tone combinations . . . widest choice in Chevrolet's field. New De Luxe interiors are color-matched.

Lowest priced in its field!

This beautiful new Chevrolet Bel Air—like many Chevrolet models—lists for less than any comparable model in its field. (Continuation of standard equipment and trim illustrated is dependent on availability of material.)

BODY BY FISHER
 Fisher Body sets the standard—for styling, for craftsmanship, for comfort. Fisher Uni-steel construction is extra strong and sturdy.

UNITIZED KNEE-ACTION RIDE
 Chevrolet's famous Knee-Action ride is now even softer, smoother. New shock absorbers give even finer ride control.

WIDEST TREAD
 Chevrolet measures 58 3/4 inches between centers of rear wheels—a broader base to give you more stability, less sway!

4-WAY ENGINE LUBRICATION
 Chevrolet's exclusive engine lubricating system supplies exactly the right-kind and amount of lubrication to each moving part.

CAST IRON ALLOY PISTONS
 Pistons are of same material as the cylinder block—expand and contract at the same rate. Reduces wear, saves oil!

SAFETY PLATE GLASS ALL AROUND
 Chevrolet alone in its field gives you safety plate glass in windshield and all windows for a clearer, truer all-round view.

POWERGLIDE AUTOMATIC TRANSMISSION
 Powerglide is simpler with fewer parts to wear. It's smoother—no complicated intermediate gears. (Optional on De Luxe models at extra cost.)

MOST POWERFUL VALVE-IN-HEAD ENGINE
 Teamed with Powerglide is the most powerful valve-in-head engine in Chevrolet's field and an outstandingly fine performer in any field!

E-Z-EYE SAFETY PLATE GLASS
 This superior tinted glass cuts down glare and heat from sun, glare from sky, snow and oncoming headlights. (Optional at extra cost.)

No other low-priced car offers these fine features!

Every single feature shown here is offered only by Chevrolet in its field. And every single one means extra pleasure, extra safety, or extra economy for you. Yet again in 1952 Chevrolet is the lowest-priced line in its field! Come in and see for yourself!

The Only Fine Cars PRICED SO LOW! **CHEVROLET**

MICHIGAN MIRROR
 NON-PARTISAN NEWS LETTER

As Michigan's political machinery clatters on toward November elections, it is somewhat obscured by the fierce battle for the presidential nomination.

But in this state a new element has been introduced to the strange alchemy which is politics. Michigan Republicans are booming for a constitutional convention.

Doesn't sound too significant—but if a constitutional convention is approved it will be the third time in the state's history such a device has been used to get out from under an otherwise untenable situation.

And the Republicans are roaring that such a situation now is evident. "I mean," says Victor A. Knox (R-Sault Ste. Marie) speaker of the house of representatives, "how untenable can you get?"

Rep. Knox is the father of House Bill No. 432 which provides that the question of whether a "con-con" shall be called be put on the ballot next November. The craggy-featured veteran representative, who at 53 rules the house firmly with his hickory gavel, says flatly that something must be done to revise the tax structure of the state.

As quoted before in this column, Rep. Knox wants state taxes and local taxes completely divorced so the state can quit being the collection agency for local units.

"The way things are going," he says reflectively, "the general fund just can't keep up with the cost of government and the legislature can't adjust to this trend because of provisions in the constitution.

The proposed bill he is backing provides for a referendum on the question, election of three delegates from each senatorial district and submitting of any proposed constitution back to the people for approval.

On the other side of the political ledger, however, sit the Democrats, who are demanding re-apportionment before the constitutional convention is considered. Rep Ed Carey (D-Detroit) says, without batting an eye, "if we had a legislature with guts we could get a lot of this work done without a constitutional convention.

THE AMERICAN WAY

No Answer To That

"This is a negative outfit," he said. "They can't live up to the constitution as it stands so they'll want a new one. It's not the Republicans as individuals that condone this situation, but that little policy group which seems to be running the show."

He too is, and has been for years, bucking for reappointment. If the state were reappointed prior to a convention it would probably mean the Democrats would gain two more senatorial districts—six more delegates to the convention which probably wouldn't throw anything their way.

That is assuming, of course, that anything accomplished in such a constitutional convention would follow party lines. There are those who feel that delegates to such a convention would be Michiganders first and politicians second.

Sen. Harold M. Ryan (D-Detroit) while favoring reappointment—and what Detroit doesn't feel that the integrity of con-con delegates would transcend the tawdry skirts of political maneuvering. "I certainly would like to see reappointment first," he said, "but not if it's going to take a long time." Senator Ryan's district with half million people would have three delegates to the convention the same as Sen. Leo H. Roy's UP district which has only 65,000 population.

Rep. Howard R. Estes (R-Birmingham), whose opinions usually are heard with a good deal of attention, says he feels a constitutional convention would avoid politics as such. "First," he points out, "delegates to such a convention would not be career politicians. Most districts would turn to their lawyers, their ed-

ucators and men who know and understand the problems of the state. Pressure groups? Sure they'll be rife around the fringes, but I feel the caliber of men who would be sent to the convention precludes any more discussion of that subject."

What are the possibilities of a constitutional convention being called? The governor could veto the bill. He's over a barrel the size of Briggs stadium. A veto hints at distrust of the people—a fatal attitude for a "grass roots governor."

But there is another gimmick. A constitutional convention must be approved by a majority of the people voting. Balloting history offers a pessimistic side to con-con backers. Rarely—or never—has a majority of the voters put the X mark on any issue requiring a separate ballot sheet. Not even the veterans bonus bill in 1946.

Democrats are circulating petitions to get reappointment on the November ballot. They want 250,000 signatures. That means they must get some 6,000 signers per day to get the petitions filed the required 35 days before the election.

Assuming there will be a constitutional convention authorized by the people to meet "on the first Tuesday of September of the year next succeeding," what will be discussed.

None is making any predictions—overall. Taxes, to be sure, will be the primary object. To revise the taxing system and put the state back in the black. Re-appointment surely would be on the agenda and some means of releasing funds now tied up by being earmarked would come up—but that's as far as anyone will go.

"Perhaps the people don't want a constitutional convention," says Rep. Knox, "but if they don't we have to assume they expect new taxes. They should at least have a choice."

One Year Ago Downs Schedules Biggest Season

Northville citizens donated 140 pints of blood at the drive held last Thursday afternoon. The Northville Downs which is scheduled to begin June 11 will present one of the biggest racing seasons in the history of Michigan State Trot programs.

Five Years Ago—
Monday night on the heels of a downpour of rain, a strong northwest wind brought the worst blizzard of the winter to the immediate area. Tuesday, no buses entered or left the village. Schools with an attendance of less than 15 per cent were closed at noon.

Following a period of shortage and "no oil" it looks this week as if a brief respite is at hand for oil users in Northville as 15 cars of fuel oil arrived this week from the Atlantic Seaboard for C. R. Ely and Sons.

The Michigan Bell Telephone Company today announced plans to change all telephone numbers in Northville in the next four to five years.

Ten Years Ago—
The Northville High School auditorium was filled to capacity Tuesday evening at the mass meeting called for the purpose of showing a film which gave instructions on how to extinguish incendiary bombs.

Morton Green, 43, plant electrical engineer at Maybury Saha-torium, was electrocuted Friday as he was fixing a drain pipe in the basement of his rooming house. He fell into a cistern while still clutching a light cord he had been using while making repairs.

Fifteen Years Ago—
Ward VanAtta is listed on the Michigan State College roll of honor.

Twenty Years Ago—
Northville's Boy Scout organization under the leadership of Orlov G. Owen, has formed a new troop, N-7.

John M. "Dinty" Moore left Wednesday for Nashville, Tennessee, where he will receive a try-out with the baseball club of that city.

25 Years Ago—
F. H. Woodworth has purchased the Covert house on Dunlap street which has been occupied by the C. A. Ponsford and family for the past year.

The three million tons of lignite consumed annually in this country are expected to double within a few years, largely because research has revealed better ways to utilize this solid fuel.

Northville Students Improve Reading Rate and Understanding

Two Northville High School students have tripled their reading speed and increased their ability to understand what they have read by from 70 per cent to 90 per cent after six weeks in a new course in accelerated reading given by Mrs. Pauline Smith, English teacher. Thirteen others who took the course also benefited appreciably, although not to the same degree.

The new course, which is given without credit, is offered to college preparatory seniors to enable them to cope with heavy reading and study assignments at college, Mrs. Smith said. It results from suggestions made last fall by Michigan State College freshmen from Northville to E. V. Ellison, High School Principal, and Mrs. Smith, that they were finding the words too big and the paragraphs too long for easy understanding.

New Reading Course
The Northville Board of Education is to be commended for its foresight in approving such a program for the local school, said Mrs. Smith, since many larger schools have no such reading class. The Northville program, which was developed by Mrs. Smith, has been rated by the Science Research Association as one of the most complete in the area because of its wide range and individual instruction.

The course is designed to increase speed and vocabulary and to improve understanding. To determine the individual needs of the student, three tests are given. They revealed seven grades in reading capability in a class of 15, Mrs. Smith commented.

Machine Is Used
With this information as a starting point, a small machine called a "reading accelerator" is used daily by the students to increase their reading speed. The instrument is equipped with a shutter which prevents re-reading any of the material. Any size book may be used. For the beginner, the speed regulator may be adjusted as low as 30 words per minute, while the skilled reader can set it at 2400. An un-paced reading test with a stopwatch as a guide is also taken. An outline of the reading done with machine and the un-paced work is required to test comprehension.

The students have found that the techniques used in this course can be applied in all classes. One boy reported that his increased ability to memorize has enabled him to raise his grades in physics class from 70 to 90 per cent.

15 Pupils Take Course
The 15 pupils taking the work are divided for their work two days per week. On the third day, the entire class meets to receive individualized help from Mrs. Smith. The accelerator is in use from 7:50 a.m. to 4:50 p.m., said Mrs. Smith.

This year's program is set up to develop speed, understanding and interpreting ideas, organizing ideas and understanding words. A developmental course may be instituted next year, said Mrs. Smith, with machines and material to take care of 15 students.

Mrs. Willis Reports Cancer Donations

Mrs. E. J. Willis, American Cancer Society patients aid chairman for Northville, reports that several village organizations have donated their time and material to the Society.

White materials were collected by the Northville Cub Scouts; Mesdames J. Feole, E. W. Ebert, John King, George Thompson, J. Nelson, William G. Williams, Leonard Ford, Ralph Simons, E. Trinkaus and Howard Rodgers, as well as by The House of Cottons, the Northville Girl Scouts and the Afternoon Club.

Dressings have been completed by the Kings Daughters of Northville, Eagles Auxiliary, Past Matrons of Northville, Afternoon Club, Circle of the WSCS, Presbyterian Women's Union, Home Circle, and Mesdames Harriett Angel, C. C. Winters and William Aston.

National Magazine Publishes Item by Mrs. Doris Wick

Mrs. Doris Wick, of West Seven Mile Road, is the contributor of an item in "The Personal Touch" department of the April issue of "Family Circle," a national magazine sold in chain grocery stores.

The item tells of Mrs. Wick's own pet method of making her nieces and nephews happy with cookies shaped like Easter eggs.

"The Personal Touch" consists of letters, verse and prose sent in by readers. The magazine has more than three million circulation, and is on sale at all Kroger stores.

Come in and "Test Drive" the ablest* car on the American Road

Built Big

...IN SIZE

It's a Longer, Lower Beauty with a rugged new K-bar reinforced box-section frame, wider front tread, longer wheelbase and the largest luggage locker in its class.

NOW 110-h.p. High-Compression Strato-Star V-8

NEW 107-h.p. High-Compression Mileage Maker Six

It's new from road to roof, this great '52 Ford. It's built for Keeps! A host of new features... exclusive to Ford in its field... make this new Ford the ablest car... the greatest car ever built for the American Road. It's a car that will do more things for more people at lower cost. It's a car that you'll be proud to own now... and years from now!

NEW AUTOMATIC RIDE CONTROL

Ford's lower center of gravity, diagonally mounted shock absorbers, 3-inch longer rear springs, and new front springs, tailored to each model's weight, iron out the bumps and take the curves on the level.

NEW FULL-CIRCLE VISIBILITY

You get visibility "unlimited," with a huge, curved, one-piece windshield and one-piece car-wide rear window... with narrower corner pillars and center posts.

...IN IDEAS

New Ford Coachcraft Bodies, styled to stay beautiful, designed to stay young, are yours in this new Ford. You get many new hand-finished details... bull-tight construction to keep dust, water and noise outside.

Meets the widest range of motorists' needs

...IN POWER

The Most Powerful Low-Priced Car ever built is this '52 Ford with its high-compression 110-h.p. Strato-Star V-8. And Ford's all-new high-compression, low-friction Mileage Maker Six has 101 h.p.

...IN VALUE

This year, more than ever before, Ford offers you more car for your money. It's the greatest car ever introduced in the low-price field! A car that will give you years of smooth, economical going.

New Hybrid 125 Boosts Sugar Beet Yield 13%

Michigan Agricultural Experiment Station has developed male-sterile and normal flowering strains of sugar beets that were crossed together to increase the yield of this valuable crop. The result is the new Hybrid 125, showing an average tonnage increase of 13 per cent over ordinary commercial sugar beet varieties. Researchers used careful selection and inbreeding for several generations from varieties with valuable characteristics. For further information, telephone, write or visit your County Agricultural Agent.

Telephones in "Shirtsleeves"

All telephones are mechanically about the same. But special uses call for special "work clothes" for some telephones. Michigan Bell supplies these instruments where needed. Shown here are: (1) telephone for flour mills, gasoline storage plants, etc., with operating parts sealed so no spark can set off an explosion; (2) portable telephone with a cord that can be plugged into outlet boxes; (3) wall type, used near shelves, etc.; (4) outdoor telephone. These telephones do special jobs more efficiently—and that means better service all along the line.

MICHIGAN BELL TELEPHONE COMPANY

Mary Louise Lee Tours State With MSC Quintet

Mary Louise Lee, daughter of the Leslie G. Lees of Fairbrook Road, is a member of the woodwind quintet of the Michigan State College music department which began a two-day tour of western Michigan Wednesday, March 26.

Mary Louise, a junior in the music department, is the oboist with the group. She was graduated from Northville High School in 1949 where she was a member of the woodwind section of the local band.

Besides the woodwind quintet making the tour, a brass sextet consisting of two cornets, a horn, trombone, baritone and tuba is also scheduled. The itinerary includes high schools in Grand Haven, Holland, South Haven, Allegan and Three Oaks.

A single train with enough cars to handle all the coal produced in West Virginia in 1951 would reach the whole way around the world at the equator.

The Easter Seal campaign is conducted in all 48 states, Alaska, Hawaii, Puerto Rico and Washington, D.C. to raise funds for crippled children.

Dairying Future in Michigan Is Bright

Future of dairying for Michigan farmers is looking better, according to Art Mauch, extension economist at Michigan State College. He adds that this is no time to get out of the dairy business.

Mauch explained that average prices received for milk and butterfat by farmers in the United States went up 17 percent during 1951, more than the increase in beef cattle or all farm products lumped together.

Making the picture brighter for dairy farmers is the fact that population is going up faster than milk production. In 1942 farmers in the country produced 119 billion pounds of milk—the same amount expected for 1952. But there are 20 million more people to use it.

Further Cutback in Building Averted

The threat of a further sharp cutback in home building and other light construction in Wayne County has disappeared as a result of decisions just announced in Washington, according to Harold C. Church of the Nowels Lumber and Coal Company, local lumber and building materials dealer and member of the Public Affairs Committee of the National Retail Lumber Dealers Association.

"Allotments of copper for homes using copper plumbing system have been reduced slightly, but, on the other hand, contractors can self-certify more carbon steel than was permitted in recent months for stores, schools, farm structures, and other non-residential buildings," Mr. Church said.

"Structural steel and aluminum still cannot be used for home building, except where the metals come in manufactured building products for which the government makes special allotments. "However, the quantities of non-structural steel and copper which builders can acquire through the self-certification plan are sufficient to permit the construction of quality homes containing as many as three bedrooms and two complete bathrooms if the scarce metals are used only where necessary.

"Lumber and other non-controlled materials are in ample supply for use in any type of building. "Nationally, it is expected that as many as 900,000 new homes will be built this year, or about 75 to 80 percent as many as in 1951. Locally the percentage should run in about the same proportion.

"The more liberal allowance of steel for commercial construction will make it possible to undertake somewhat larger buildings than could be started in the last six months."

New Books Added By Local Library

Effective this week, the Northville Library will remain open on Fridays and will be closed Saturdays until next fall, Miss Rhea Lyon, librarian, announced. This change in hours is made possible by conclusion of the 1951-52 season Women's Club meetings.

Eleven new books were received by the library this week, Miss Lyon stated. Condensed reviews are presented below.

"I'm Telling You Kids For the Last Time"—Do your kids drive you crazy with questions? Do they want to eat constantly between meals? Do you have trouble getting them to bed when you have visitors? All these problems are discussed with charm and humor in "I'm Telling You Kids For the Last Time" by Parke Cummings—whose children do the same. He manages, however, to provide some helpful hints as well.

"Square Dance"—Another subject of special interest is found in "Square Dance!" by Ralph J. McNair. This explanation of square dance figures is concise and is illustrated with many drawings. Information on how to start your own square dance group, where to get music and how to call dances is also given.

"Back to Mandalay" by Lowell Thomas is the story of the exploits of General Orde Wingate, British guerrilla fighter, and the American Air Commandos in the Burma jungles during World War II.

"Jumping Jupiter"—On the fiction list is "Jumping Jupiter" by Ernestine Gilbreth Carey. The co-author of "Cheaper By The Dozen" and "Belles On Their Toes" takes you behind the scenes of a large department store in her new novel. How Jumping Jupiter saves toy-buyer Kay Lunsey's job and quickens Jarany's sales makes entertaining reading.

"Monday Follows Tuesday" by Ed Sovola is a collection of human interest stories by the newspaperman who wondered how many leaves were on a tree—so he counted them. Later he very nearly drowned while trying to find out if a pen actually would write under water. There are many laughs in his stories, but sympathy, sorrow and understanding also are found in his descriptions of people who make news.

"The Far Side of Paradise"—If your memory goes beyond 1930—"The Far Side of Paradise" by Arthur Mizener will be of interest. This is the biography of F. Scott Fitzgerald, author of "The Great Gatsby" and "Tender Is the Night", whose books captured so well the spirit of the Twenties.

"The Complete Barbecue Book" by John and Marie Roberson is a how-to-do handbook of two-fold value. Every detail of building and improvising barbecue pits and fireplaces, indoors and out, is covered and techniques of successful barbecue cookery are outlined. Sketches and drawings are included.

"Good Food Without Salt" by Margaret Vaughn proves that saltless dishes may be made enjoyable by the use of herbs and spices. This unusual cookbook lists recipes for all types of food and every recipe indicates the exact number of calories and milligrams of sodium per portion. Design Your Own Dress Patterns—Also of interest to the

KARL D. BAILEY

Bailey to Discuss Tree, Shrub Care

Pruning methods and spraying of fruit trees and berry bushes will be demonstrated and discussed by Karl D. Bailey of Michigan State College at two meetings during the coming week in the Wayne area.

At the first meeting at 10 a. m., Saturday, March 29, at 33935 Ecorse Road, two miles south and one-half mile east of Wayne, Bailey will demonstrate pruning methods of apples, pears, peaches, grapes, raspberries, cherries and plums. William L. Nemeth and Ernest A. Akowitz are co-hosts at this meeting. Bailey will demonstrate bud grafting to save trees girdled by mice and rabbits, and will discuss tree mouse injury, fertilizing and mulching.

The second meeting, at 8 p. m., Tuesday, April 1, will be held at 3930 Newberry Street, Wayne, when Bailey will discuss spray materials and time of application to control fruit insects and diseases. Copies of the "Spray Calendar 1952 Supplement", containing information about the control of insects on apples, pears, plums, peaches, cherries, grapes, strawberries, raspberries, and blackberries, will be available for interested parties.

Easter Seal funds train specialists needed to make crippled children strong and happy.

Homemaker, "Design Your Own Dress Patterns" by Helen Nichol Tanous, is a practical approach to dress and pattern design. Many diagrams are included. The author is a former designer of play-clothes and children's clothing.

"Field Guide to Early American Furniture," by Thomas H. Ormsbee, is a dependable handbook for the antique collector for identification of period and value of all types of furniture before 1850. Explanation of terms and description of antique places make this a valuable reference. "Dwellings of Colonial America," by Thomas Tileston Waterman, is illustrated with many photographs and floor plans of homes of historic and architectural interest.

Pat Chase Elected to Oberlin Post

Pat Chase, senior and psychology major in the department of arts and sciences of Oberlin College, has been selected to serve on the junior counselor selection committee by the Women's Self Government League.

Junior counselors live in freshman dormitories and act as advisors to the freshman women. Members of the selection committee interview applicants and their references.

Miss Chase is the daughter of Mr. and Mrs. William Chase of 43300 Eight Mile Road, Northville.

Home Freezer Preserves Flowers

An ordinary home appliance is helping University of Michigan botany students get a better education.

For by an unusual routine, 100 different species of flowers picked last summer have been stored in a home-type deep freeze unit from which they can be withdrawn at any time for study. This brings living flowers into the classroom, no matter what the season.

The frozen-stiff specimens retain all their natural brilliance and fragrance for from ten to sixty minutes after being taken out of the freezer.

IS MAN'S SOUL IMMORTAL?

Does the soul live on after the death of the body? Men have sought the answer to that all important question ever since the human race began to die. Is there life after death? Does death end all? If we were to consult the opinions of men, we would find a variety of answers and very conflicting ones too. Some even go so far as to deny any existence after death of the body. A son asked his lawyer father if the soul was immortal. His answer to that question was, "Son, nobody has ever proven that it isn't!" If you will consult the Book of ALL Books, the Bible, you will discover that it declares plainly that ALL, both saved and unsaved, shall live eternally somewhere. If you want a very plain description of what happens when a person dies, turn to Luke 16:19-31. Then, for the eternal home of the redeemed, turn to Rev. 21; while the eternal home of the unsaved is described in Rev. 20: 12-15. It is indeed a solemn fact that our soul will spend eternity somewhere. It is within one's power to take his own life here but it is not within the power of anyone to destroy the life of his soul forever. Remember the Gospel Message is that Christ died to save your soul.
