

Langfield Appoints Heads to Seven Village Departments

Village President Conrad E. Langfield appointed heads to departments of Northville government at the April 7 village commission meeting. Below are pictures of seven of them, exclusive of members of the commission who were appointed to other committees and posts.

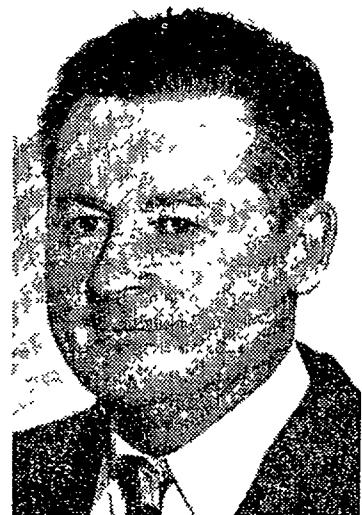

All are reappointments, with the exception of Levi M. Eaton, who was appointed to the board of review, to replace Nelson C. Schrader, Jr., who resigned this year.

Members of the commission are John Stubenvoll, Gerald Woodworth, Claude N. Ely, Alton F. Peters and A. Malcolm Allen.

The appointments were confirmed by commission vote.

Dr. Chapman Talks Before Garden Club

Dr. H. L. R. Chapman, Michigan State College extension specialist in horticulture, addressed members of the Northville Chapter, Women's National Farm and Garden Association, at the annual spring luncheon April 14. Mrs. Walter G. Fenton, president of the Michigan Division, WNFG, members of the Plymouth and Rosedale Gardens chapters, and Mrs. Sherwood Seckell, of Grand Rapids, sister of Northville Chapter President Mrs. Paul Schulz, were guests of the local chapter.

Dr. Chapman's topic for the discussion was: "I Fashion My Own Garden."

Exchangites Stock Streams With Trout

Several hundred trout were lifted from the comparative safety of enclosed pools at the Fish Hatchery on Fishery Rd. yesterday and put "on their own" in the Rouge River in Cass Benton Park.

Members of the Exchange Club did the actual transplanting, carrying the fish to the streams in bucket-sized containers. All this is in preparation for the opening of trout season April 26, said Russell W. Bingley, Exchange Club president.

Curtain to Rise on Couples Club Play

The curtain will rise at 8 p.m. Friday and Saturday, April 18 and 19, on "Alice Sit-By-The-Fire," a play to be produced by the Couples Club of the Northville First Presbyterian Church at the church house.

The three-act play, written by James M. Barrie, is a page from a daughter's diary, and concerns a woman's problems in readjusting to her children and to a new kind of homelife after she and her army husband move from India to England. The play was first produced in the United States in 1905.

MAYOR'S PROCLAMATION

WHEREAS, April has been designated by Presidential Proclamation and Act of Congress as a month in which to emphasize the need for cancer control, and

WHEREAS this is a time in which all of us should give profound thought to the gravity of cancer's peril on the one hand and the hope of controlling the disease on the other, and

WHEREAS statistics show that one of every five persons in this village will eventually have cancer, and

WHEREAS among cancer victims only one-third are now being saved, and

WHEREAS it is possible to double the number of cures through early detection and prompt treatment of the disease by radiation and surgery, and

WHEREAS the American Cancer Society is summoning all of us to participate in this life-saving work by informing everyone of cancer's danger signals and to cooperate in this work of education.

THEREFORE, I, Conrad E. Langfield, President of the Village of Northville, do ordain and proclaim the month of April:

CANCER CONTROL MONTH and request that every citizen of this village participate in observance of the occasion.

Scout Groups Offer Memberships in "Sustaining Patrol"

Northville area residents are offered a means of joining Boy Scouts of America through contributions which will make them part of the Sustaining Member Patrol.

The idea is that Sustaining Members match dollars with the hours contributed by the 57 men and women who give volunteer leadership to youth in Cub Scouts, Boys Scouts and Explorer Scouts in Northville said Arthur Henry, Sunset District executive.

"No volunteer help, no matter how willing or loyal, can function effectively without a professional staff with 'know how' to start them off on the right track," said Henry. Speaking of the top echelon leaders who organize and supervise local scouting units. The staff is small, with each man supervising more than fifty Cub Scouts, Scout Troops and Explorer Groups in the Sunset District. The average for Metropolitan Councils is only 33.

"Many essential parts of scouting are not cared for by United Foundation funds," said Henry. "In the past, Sustaining Members have provided the support for these activities. Support is needed more urgently than ever, just to maintain our work at its present level."

Members of the Northville Boy Scout Finance Committee who will accept contributions from prospective Sustaining Members are Arthur Schnute, chairman; the Rev. Dr. Harold F. Fredsell, M. C. Gussell, Douglas R. Lorenz, Charles F. Carrington, Philip R. Ogilvie, A. Russell Clarke and K. H. Babbitt.

Northville Record Subscription Rates to Advance May 1

As announced last week, subscription rates for the Northville Record will be advanced on May 1 to meet rising costs. It is the first advance since 1941.

Prior to May 1 the Record will accept new subscriptions and extensions of existing subscriptions for one and two years at present rates.

The new rates effective May 1 will be: six months \$1.75; one year, \$2.50 and two years \$4.50 for subscribers residing in Michigan. Single copies will sell for 7 cents.

Subscriptions outside of Michigan will be priced at \$3.00 for one year and \$5.00 for two years.

Northville Now Has Two (Count Them) Mayors

Northville's two mayors shake hands as Mrs. Donald B. Severance examines the badge with which Village President Conrad E. Langfield (left) designated post Edgar A. Guest honorary mayor of Northville. Guest was the principal speaker at a program Tuesday night sponsored by the Auxiliary of the Lloyd H. Green Post 147 of the American Legion. Mrs. Severance is president of the Auxiliary.

High School Forensics Students Win All 5 First Places in Speech Contest

Miss Florence Panattoni's forensics students made a clean sweep of the District Speech Contest at Northville High School Tuesday, April 8, winning first place in all five divisions, and second in two.

Six University of Michigan judges awarded Nancy Dewsbury and Lucien Lovell first and second place, respectively, in the declamation contest. Marilyn Funk won top honors in extemporaneous speaking, with Meribah Meyer, of Clarencville, placing second. The humorous reading division was led by Mary Jean Woodruff, with Fran Davey, of Brighton, as runner-up. Kay Conley, of Brighton, placed second in the dramatic reading section.

Following Northville's Joan Tossaint, and Walter Newton and David Lee added points for Northville in oratory, placing one-two in that division. Fifty-four contestants from Brighton, Clarencville, Clarkston, Holly, Milford and Northville High Schools competed in the District Contest, which lasted from 9:30 a.m. to 5:30 p.m. Winners of first and second places will go to Waterford High School north of Pontiac on May 16 or 19 for Regional eliminations. Students and contestants were welcomed in a short talk by High School Principal E. V. Ellison at a noon dinner served by the ladies of the Lutheran Church at the church house.

Two No-Account Checks Net \$240

John Poulos, proprietor of the Northville Restaurant, 115 W. Main St., is \$240 poorer as the result of cashing two bad checks April 1, said Police Chief Joseph Denton.

The checks, each for \$120, bore the business name "Stephen L. Giant and Sylvan T. Cain, Carpenters and Contractors" and were drawn on the Farmington Bank. Chief Denton said that the bank had no account listed in that business name.

The men apparently made out checks to each other, endorsed them and cashed them on the same day, according to Chief Denton. They had been inscribed on a mechanical "check protector."

The case was turned over to Michigan State Police, since Northville's justice of the peace system has no jurisdiction over felonies.

Carl Johnson Buys Dr. Cavell Property

Carl Johnson, of Orchard Drive, has purchased three acres of property on Griswold St., including the home of Dr. E. B. Cavell, village veterinarian. The triangular-shaped property is fronted by the sharp curve of Griswold St. and bounded by Pennell St. and Butler Ave on the remaining two sides.

Dr. Han to Speak at Men's Club Dinner

Dr. Ung Soo Han, of Seoul, Korea, will be guest speaker at the annual Ladies' Night dinner sponsored by the Men's Club of the First Presbyterian Church on Monday, April 21. The dinner will be at the church house at 6:30 p.m.

Dr. Han, a member of the staff at William Maybury Sanatorium since Jan. 1, will talk on "Korea: Then and Now." He came from the Korean National Department of Health to the United States in the fall of 1949 for post-graduate work in medicine. After six months at Duke University, he spent 18 months at North Carolina Sanatorium under Dr. Stewart Willis, former medical superintendent at Maybury Sanatorium.

Other highlights of the program will be a vocal solo by Mrs. David Hay and an instrumental duet by Mrs. William G. Williams and Mrs. Edwin Langtry. The Bertha Neal Circle of the Methodist Women's Society of Christian Service will serve the dinner. Tickets may be obtained from William Crump president of the Men's Club or from J. R. Plunkett, E. R. Langtry and C. E. Woodruff, members of the committee.

Roy Stone to Head Retail Merchants

Roy Stone was chosen as the 1952-'53 president of the Northville Retail Merchants Association by its board of directors following the regular meeting last Monday night. Nelson C. Schrader, Jr., president since the association's organization in April, 1951, will be vice-president. Alfred Sibley was elected treasurer of the group, and Mrs. Mildred Doran will continue as secretary.

William Gladstone, Glenn Long and Sibley were elected directors for three-year terms by a general membership vote. Charles Altman, Jr., was appointed a director to fill the unexpired two-year term vacated by Maurice Lapham.

The president, vice-president and treasurer were elected by the nine-man board of directors from its own ranks after association members had elected the three directors. Three directors are replaced each year and neither officers nor directors are eligible for reelection until they have been out of office or off the board for a year.

Holland-Born Residents Received by Queen Juliana

Mr. and Mrs. Pieter W. Schipper, of Biadnee Rd., and Mrs. Elizabeth Stooivogel, who has been visiting from Vucht, Holland with the Schippers, were among the 325 Dutchers of Dutch descent who were personally introduced to Queen Juliana of the Netherlands on Tuesday, April 15.

The reception was held at 5:20 p.m. at the Veterans' Memorial Building following the appearance of the Queen and her husband, the Prince of the Netherlands, at the opening Tiger baseball game at Briggs Stadium.

"I had always wanted to be presented to the Queen," said Mrs. Schipper, "and after I wrote to the Hague and received no reply, my sister, Mrs. Stooivogel, called the Dutch consul in Detroit." Notification from the consul was received shortly after the call. None of the family had ever met Juliana before the

Parking Lot Recommendations Will Be Studied Next Week

Recommendations by the Village Planning Commission for additional off-street parking sites to relieve downtown traffic congestion will be made as quickly as possible after definite instructions have been received from the Village Commission, President Thomas R. Carrington, said this week. He indicated that the Planning Commission probably will meet some time next week after he has had an opportunity to consult with the Village Commission at its meeting next Monday night.

As matters stand now with respect to extension of the Village's off-street parking areas, the Village Commission is willing to go ahead with an over-all program, including purchase of sites, as soon as it receives and approves the Planning Commission's recommendations.

Annual Carnival Planned by PTA For May Second

For the third consecutive year, the Northville Parent-Teachers Association is planning a carnival complete with movies, a colorful midway, dancing and a puppet show May 2 has been selected as the date with festivities beginning at 7 p.m. at the Northville High and Grade Schools.

Village clubs and organizations will again sponsor concession and game booths. Optimist club members will have charge of the midway with the white elephant sale under the direction of Miss Ruth Knapp, school nurse, and the Gypsy tea room sponsored by the Veterans of Foreign Wars Auxiliary. A doll show will be put on by the American Legion Auxiliary. An ice cream and cake sale will again be handled by the Woman's Club. The Mother's Club will conduct a candy sale and the junior and senior Student Councils of Northville High School will sell pop-corn, soft drinks and hot dogs.

An added feature this year will be a dance in the grade school gymnasium with the Recreation Orchestra furnishing the music. A ham radio exhibition, a puppet show and several free entertainment numbers are also planned.

A feature movie, "The Outlaw Stallion", will be accompanied by full color cartoons featuring Woody Woodpecker and short features with W. C. Fields and Abbott and Costello.

Two Points Must Be Decided
Two major points must be cleared up before such recommendations can be made. They are: How many cars should provision be made for in metered locations, and how much non-metered space should be provided for all-day parking by individuals who drive to work in the downtown business district? As quickly as possible after desirable parking sites have been determined, the Village Commission probably will go ahead with plans to issue revenue bonds to provide money for their acquisition and hard-surfacing. Commissioners John F. Stoen-voll and Gerald C. Woodworth and Village Treasurer A. Russell Clarke met with Matthew Carey, Detroit municipal financial consultant last month to discuss such a revenue bond issue, to be repaid by use of parking meter receipts.

Coordinated Action
Action of the Planning Commission probably will be coordinated with recommendations by a special Village Commission committee consisting of Commissioners Stubenvoll and Woodworth, who were given the responsibility several weeks ago of investigating the possibility of acquiring the land in the rear of stores fronting on Center St. between East Main and Dunlap St. Stubenvoll and Woodworth have been studying the feasibility of the Village using this land for parking space but, because of the divided ownership of the property, have come to no conclusion at this time.

Mr. Carrington indicated that the Planning Commission has already suggested the use of land between West Main and Dunlap St. in the rear of the Hill property for parking and alley purposes. For all-day parking an area between the present fire hall and the southern line of the proposed Community Building site on West Main St. has been suggested.

Another area which the Planning Commission may consider for future parking lies on Cady St. to the rear of commercial frontage on South Center St. Members of the Village Planning Commission in addition to Mr. Carrington are Carl Ely, secretary, Preston Fuller, Harry Wagenschutz, Charles J. Murphy, Joseph Hoehl, George Zerbel and Ernest Ebert.

Workmen Begin Post Office Addition

Work on enlargement of the Northville Post Office started this week with construction of a new front wall across the alley between the present post office building and the Pride Cleaners building. Steel beams will be run between the two buildings and a roof put over the new area as quickly as possible so work on pouring the concrete floor and doing other interior work can proceed.

Nelson C. Schrader Jr., owner, states that he hopes to have the entire enlargement and remodeling program completed in three months.

Lutherans to Present Three-Act Comedy

The young people of St. Paul's Lutheran Church will present the play, "Thirty-Second Cousin" by G. L. Wind next week on Thursday and Friday evenings, April 24 and 25. The curtain will rise at 8 p.m. in the parish hall.

The play is a three-act comedy with an eleven character cast, said Mrs. Clara Bernhart, director. Tickets may be purchased from any member of the youth group or at the door on the night of the performances.

Optimists Complete Dinner-Dance Plans

The Northville Optimist Club will open its spring social season with a dinner-dance at Meadowbrook Country Club Saturday evening, April 19.

The 80 members of the club, together with friends and guests, will dance to the music of Ray Labarr's orchestra. Nelson C. Schrader, Jr., assisted by Orson Atchinson, is chairman of arrangements. Mrs. Schrader and Mrs. Atchinson have charge of decorations.

Rolling Down The River

by the PETZ BROS.

Now one of these mornings the sun will be shining, the weather warm and everyone will be figuring on planting something or other. They got a bit of ground. So a fellow that comes round this Studebaker Mart of ours tells a story, that don't repeat for quite some time, because for all we know, he's perhaps one big liar and we never want lies in our stories unless we can't think of anything else. He tells of being out in the country and the farmer he visits has a beautiful corn field, but this cornfield is on the side of a steep hill.

"How do you plow it," he asks?
"Don't," says the farmer, "the spring rains and rolling rocks do it."
"Well, well," says our friend, "that helps, but just the same, if sure must be one tough job crawling up and down that hill planting the seed."
"Don't do that either," says the corn grower. "Just load my shotgun full of seed and shoot."

Surprisingly enough, that's what we do in this space devoted to the beautiful '52 Studebaker. We load it full of facts and shoot and one of them is bound to hit one of you someplace. Maybe you want beauty... or power... or comfort... or economy, and no matter what you want in a motor car, Studebaker has it. There's nothing like it for fine performance and you'll think so too, once you've been behind the wheel. Why not prove it to yourself today?

We hear rumors that politics is at large in this land, and while being non-partisan and selling Studebakers to both Republicans and Democrats, we are in a restaurant the other day and a couple of politicians come in. One of them orders ham and eggs and limits the eggs to just one. The waitress turns to the other who also orders ham and reminds her that he only wants one egg too. So when she goes by us on the way to the kitchen with the order she leans over and says: "That's the trouble with this country, too doggone many one-egg men running it."

It's now about time for our weekly reminder that if you don't take care of that car of yours and give it fresh oil and other lubricants on regular occasions, how can you expect it to go on taking care of you? New oil is the "plasma" of a winter weary car. Then too, there is no doubt that it could stand a bit of tune-up, scientifically done by these master mechanics of ours. We suggest that you do yourself a favor and bring the car in now.
That's that, but a fellow tells us his teen-age daughter now wants to drive... being of a careful sort, he isn't going to stand in her way.

Yours,
BILL and WILL PETZ.

Steel Is Not the End

(Reprinted from the Wall Street Journal, April 14, 1952)

Last week in the steel industry we had a full demonstration of what happens when a labor dispute can be settled only upon an industry-wide and nation-wide basis.

Last week, almost lost in the shadow of that steel crisis, we had a demonstration of the steps by which we arrive at the place where the country has to choose between a nation-wide strike and the Government seizure of a vital industry.

The traditional pattern of labor relations in the oil industry has been one of collective bargaining between individual unions and individual companies. In that pattern disputes have arisen and been settled—some times after rough going, but still settled—without threatening to paralyze the country or pushing the Government into drastic action.

Some weeks ago there arose a dispute between the unions and eight companies in the industry. But this time it did not remain a local matter.

It became a matter of state, not just because of the importance of oil to the defense industry (even a strike in these companies would not have deprived the nation of oil) but also because the Government now has a "stabilization program." The Government is trying to control the wage level for the whole country and a wage settlement which might disrupt the Government's set pattern, as well as have some adverse effect on the defense program, could not be allowed to run its normal course without setting at naught the Government's policies.

So the matter was certified by President Truman to the Wage Stabilization Board. Indeed, before the certification was complete the dispute had become quite a big one. It came to involve some eighty companies and twenty-two unions, including the C.I.O., the A.F.L. and independents.

So here was the W.S.B. with the problem dumped in its lap of making wage rulings for all these companies and all these unions scattered clear across the continent. And these companies and these unions have many different contracts involving different pay scales and different working rules. In some cases the same union and the same company have different agreements for different plants located in different parts of the country.

It is estimated that counting all these variations the total number of "cases" to be decided approaches two hundred.

Overwhelmed by the complexity of this situation, the W.S.B. decided to pick out four of the leading companies and hold "pilot" hearings. What would be done with the pilot hearings, how the facts and conclusions from them would be applied, the W.S.B. has not yet made known, if indeed it has been able to decide.

Last week these pilot hearings collapsed. The pilot companies declined to attend the hearings. They charged that the W.S.B. procedure would result in the substitution of industry-wide determination of labor disputes for the established local bargaining pattern.

What the W.S.B. intended, we do not know. But if it attempted to decide each and every one of the cases with individual rulings taking into account the individual local situations, it would be attempting a hopeless task. This, remember, is only one industry. The W.S.B. has like responsibilities in all industry.

Whatever it intended, it is compelled to attack the problem through some sort of general rules. It is the situation, not necessarily the individual views of the W.S.B. members, that is creating another of these industry-wide situations in the oil industry.

That situation is, first, that the labor unions could precipitate a more-than-local labor dispute by acting in concert in threatening a simultaneous strike against the leading companies for an across-the-board, 25-cents-an-hour wage increase. This kind of monopoly action, prohibited by law in any other economic field, is not only tolerated but encouraged by the Government in the labor field.

Secondly, under the guise of stabilization, the Government is trying to manage the whole economy and directed the W.S.B. to manage all the wage labor problems.

In that situation the W.S.B. can hardly do anything else than clamp industry-wide bargaining on the oil industry. It can't stop the unions' concerted action. It can't, short of doomsday, treat each case separately.

So what do we move to? Toward exactly the situation we now have in steel. And when the oil industry is saddled with an industry-wide labor pattern and a wage dispute threatens a nation-wide strike shutting off all the oil, the Government will feel that it must seize the oil industry as it has the railroads and the steel industry.

What is happening here in oil is also happening in the copper and brass industry. There, too, the industry by virtue of Government interference in collective bargaining is moving toward industry-wide, rather than a local, handling of labor disputes.

Steel is only the shadow of what will come. So long as the Government, by attempting to manage every phase of the economy, has to interfere with the collective bargaining process, the unions will turn to the Government for what they cannot get in bargaining.

And so long as the laws permit unions the power to monopolize, directly or in concert, the labor of a whole industry, there will be no end. The Government, confronted with a power it will not check, can only answer by assuming the greater power to seize all.

Moved by Stubenvoll, supported by Peters, that bills be paid. Carried.

Pres. Langfield recommended the following appointments for the ensuing two years:

Chief of Police	Joseph Denton
Supt. of Public Wks & Water Comm.	Herman Hartner
Building Inspector	J. Stanley Waterloo
Fire Chief	William McGee
Board of Review	Luther B. Lapham and Levi Eaton

Health Commissioner V. George Chabut
Moved by Woodworth, supported by Allen, that these appointments be confirmed. Carried.

Pres. Langfield also recommended the following committee appointments:

Finance Committee—	
John F. Stubenvoll, Chairman	
Gerald C. Woodworth	
Public Works Committee—	
Claude N. Ely, Chairman	
F. Alton Peters	
Recreation Committee	
F. Alton Peters	
Asst. Police Commissioner—	
John F. Stubenvoll	
Asst. Fire Commissioner—	
A. Malcolm Allen	

He also recommended that Harry Wagenschutz, George Zerbel and E. W. Ebert, Jr. on the Village Planning Commission be re-appointed to succeed themselves for a period of three years, their terms having expired.

Moved by Peters, supported by Stubenvoll, that these appointments be confirmed. Carried.

Treas. A. R. Clarke was unable to submit his report for the month of March for the reason that the auditors have his books in Ann Arbor at present.

Chief Jos. Denton gave his report for the Police Dept. for March, 1952, and Supt. Herman Hartner reported that the work in the alley on the south side of E. Main St. had been completed as far as his department could go.

Moved by Woodworth, supported by Stubenvoll, that these reports be accepted and placed on file. Carried.

Pres. Langfield appointed Comm. Stubenvoll and Woodworth to contact the Michigan Powdered Metals Co., Webster Machine Tool Co. and Petz Bros. as to their interest in the acquisition of the property belonging to the Village in the location, including Park Place, adjacent to the properties owned by these parties, and to report to the next regular meeting on this matter.

Kenneth Rathbun was present to ask the Commission if it would be possible for him to rent all parking meters in the Village on Saturday afternoon, Apr. 26th, he to pay the Village \$50.00 for such rental, this being the opening date of his new garage and sales room on Plymouth Ave. This arrangement was agreed to by the Commission.

Comm. Stubenvoll, Chairman of the Finance Committee, then presented the proposed budget for 1952-53 as prepared by this Committee, and it was moved by Stubenvoll, supported by Woodworth, that a notice of public hearing be posted and published, and that such hearing be held on April 23rd, 1952, at 8:00 P.M. at the Village Hall. Carried.

Moved by Stubenvoll, supported by Allen, that the Village advertise for bids on a Road Grader, also on some sewer cleaning equipment as recommended by the Public Works Department and per specifications furnished by Mr. Hartner. Supt. bids to be opened at the next regular meeting, Apr. 21, 1952, at 8:00 P.M. Carried.

A communication was read from the Northville Auxiliary Police requesting a raise in pay from the present rate of \$1.40 per hour to \$1.75, also that in the event of a rainout at the race track that they be paid for three hours after reporting for work. This request was refused by the Commission.

Comm. Allen reported that the Fire Department was in need of six raincoats, six helmets and six pairs of rubber boots, as well as 1 Dry Powder Fire Extinguisher, and was instructed to purchase these items.

No further business appearing, meeting was adjourned.

V.F.W., Auxiliary to Install Officers

The Veterans of Foreign Wars Post 4012 and Auxiliary will hold a combined installation of officers at an open meeting at the V. F. W. Hall of Plymouth Ave. at 1:30 p.m. April 20.

Post officers to be installed are Wilbur Guelzow, commander; Floyd Kupsky, senior vice-commander; Glenn Gerrard, junior vice-commander; Donald B. Severance, chaplain; Stanley Meyer, quartermaster; Myron Uley, adjutant and Jack Duguid, officer of the day.

New auxiliary officers are Mrs.

Wilbur Guelzow, president; Mrs. Barnaby Bird, senior vice-president; Mrs. Floyd Kupsky, junior vice-president; Miss Margaret Rager, treasurer; Mrs. Donald B. Severance, chaplain; Mrs. Laverne Inland, conductress, and Mrs. Frank Bongiovanni, guard.

Novi Scouts are asked to call Mrs. Bernice Harrowood at 971-W11 for inserting news.

If there be any truer measure of a man than by what he does, it must be by what he gives.

Police to Enforce Turn-Signal Law

Police Chief Joseph Denton this week ordered Northville policemen to step up enforcement against drivers who fail to give a signal when they are turning left on right.

He pointed out that the traffic law requires that the driver, before turning, shall drive his car into the proper lane "and before stopping or materially varying the course in which he is proceeding," shall give a warning signal either by extending the arm in an outstretched horizontal position or by using a directional signal device to signify his intentions.

"Failure to signal produces two results," Chief Denton said. "It is a violation of the law which causes a great number of accidents. Secondly, it causes more frayed tempers, which in turn produce accidents, than any other violation."

He emphasized that this was not to be considered a crackdown. It is merely enforcement of a law which is too often violated. Failure to signal is probably the chief "gripe" of drivers in our area, he said.

He cited a typical example of how this violation produces bad tempers and jangled nerves:

"A driver pulling up to make a left turn fails to signal, thereby holding up the driver behind him," he said. "The driver in the rear starts to blow his horn, more insistently the longer he is held up. The first driver, who should have signaled, is held up by oncoming traffic and becomes irritated at the hornblower behind him. Muttering angrily to himself he finally gets an opportunity to complete his turn. The hornblower is also talking to himself as he goes forward. This is the mood that too often leads to accidents."

An educational program emphasizing the importance of giving signals is being conducted by police and the State Safety Commission. It stresses that the four steps in proper sequence to make a safe and legal turn are: (1) Observation (2) Pulling into the proper lane (3) Giving a signal well in advance, and (4) Completing the turn when safe.

Audubon Society Plans Spring Trips

The first spring field trip for the members of the Washtenaw Audubon Society will be held on Sunday April 20. The group, which will be led by Dr. H. W. Hann, will begin at 8 a.m. for Pleasant Lake.

Members of the club are asked to meet in front of the Rackham Bldg. on the campus of the University of Michigan. The trips will last not more than two hours.

The schedule for the remainder of the trips is as follows: Begin at 8 a.m. on April 27 for Arboretum with leader, Dean Fisher; 7 a.m. on May 4 for Whitmore Lake with leader, William Lunk; 7 a.m. on May 11 for Portage Marshes with leader, O. T. Owre; 7 a.m. on May 18 for Arboretum with leader, Cecil Kersting and 7 a.m. on May 25 for Highland Lake with leader, Dr. Andrew Berger.

Conrad Burkman to Attend Convention

Conrad Burkman, son of Mr. and Mrs. John C. Burkman of East Eight Mile Rd., leaves today, Thursday, April 17, for Washington, D. C., as a delegate to the National convention of the Children of the American Revolution.

Conrad is president of the Plymouth Corners Society, CAR. He will attend meetings on April 19, 20 and 21.

The high-point of the convention will be a reception at the White House on Saturday afternoon where the delegates will be received by the president's wife, Mrs. Harry S. Truman.

Best-Seller, "Kon-Tiki" Scheduled For Northville P & A Theatre

Some of the best hits of the past are on the schedule for the Northville Penniman - Allen Theatre during the next two weeks. The management of the theatre is also bringing to Northville the movie version of "Kon-Tiki", the photo record of six brave men who crossed the Pacific Ocean on a raft.

Neither of these movies has played in the area theatres, the management said.

On Sunday and Monday, April 20 and 21, the re-issue of the comedy of "The Lady Takes a Chance", starring John Wayne and Jean Arthur, will be shown.

The first Abbott and Costello comedy as well as their best movie, "Buck Privates", is on the

bill for Wednesday, April 23. Also featured will be Leo Carillo in the western "Under The Western Skies".

"Kon-Tiki" which will star Thor Hyerdahl and the members of the expedition, will be shown in Northville on Thursday, Friday and Saturday, April 24, 25, and 26. This is a record of a 101-day voyage on a 40-foot balsawood raft from Peru to Tahiti, undertaken by six Scandinavian scientists, headed by Thor Hyerdahl. Mr. Hyerdahl's published account of this voyage became a best seller. The picture is narrated by Mr. Hyerdahl himself.

Walt Disney's musical technicolor picture, "Fantasia" is slated for April 27 and 28.

NEW-REVOLUTIONARY REV SATIN THE RUBBER BASE WALL PAINT

You'll like Rev Satin. It's the perfection which was bound to come in the field of latex emulsion paints. Revolutionary new qualities make it a positive "revelation in easy painting." You'll revel in its smooth velvety beauty . . . in colors which range from delicate pastels to breath-taking deep tones. Its latex content makes it unbelievably rugged — practically scuff-proof, shine-proof, more washable, more impervious to grime than any paint you've ever known. Latex provides a film which can't even be penetrated by stains which ruin an ordinary paint finish. With REV you can decorate any time of the year, enjoy the novelty of painting with the windows closed. REV is completely free of the usual painty odor! And because it dries to touch in just twenty short minutes you can move your furniture back in place and put the room to use immediately after it's painted.

Moved by Coolman, seconded by Severance, that the meeting be adjourned at 12:30 a.m. Carried.

NEWS FROM NOVI

By Mrs. L. Rix

Mr. and Mrs. Duane Bell are the parents of a son Timothy Duane born in St. Joseph Hospital in Pontiac on Wednesday April 2. The baby weighed 6 lb. 4 oz.

Mrs. Chas. Reimer of South Haven has been the house guest of Mr. and Mrs. David O'Leary for the past two weeks while her son Jimmy is recovering from an operation at the University Hospital. Mrs. Reimer has also been the dinner guest of Mr. and Mrs. Geo. Simmons of Ten Mile Rd. and Mr. and Mrs. Luther Rix of First St., Novi.

Last Wednesday the Novi Chapter of the Blue Star Mothers distributed 25 Easter baskets and 19 pairs of pajamas for veterans at the Wm. H. Maybury San in Northville. The mothers were Mrs. Russell Race, the hospital chairman, and Mrs. Ralph Walden, Mrs. Luther Rix, Mrs. Royal Lamontagne, Mrs. Paul Sharkey, Mrs. Fred Handlik and Mrs. John Roberts.

The April meeting of the Novi Blue Star Mothers was held Monday evening at the home of Mrs. Paul Sharkey at Walled Lake. Mrs. Royal Lamontagne acted as co-hostess. Final plans were made for the dessert luncheon and card party at the schoolhouse on Wednesday, April 23. Mrs. Paul Ginstle and Mrs. Russell Race were elected as delegates to the State Convention in May, with Mrs. R. E. Waid and Mrs. Clate Lockwood as alternates.

Miss Ruth Rogers from the State Department of Health, will be present to discuss the fluoride dental treatment program planned for the local school.

Miss Ruth Knapp, R. N., school nurse, who is chairman of the local program, will also be present.

The PTA Carnival, scheduled for Friday, May 2, will also be discussed.

Mrs. Furman Reaches 102nd Birthday

Mrs. Emma Furman, who resides with her daughter, Mrs. James Calhoun, in South Lyon, will celebrate her 102nd birthday on Saturday, April 19. Ladies of the South Lyon First Presbyterian Church will gather at the Calhoun home to honor her.

Mrs. Furman will soon be moving into her own home on East Lake St. to spend the summer months. From June to October of each year she lives in her own home but returns to 516 East Lake St. with her daughter and son-in-law when the cold weather arrives. Mrs. Furman is in good health, said her daughter.

Mrs. Calhoun is her only living child. Another daughter died in infancy and her husband was killed in 1930. Two years after his death, Mrs. Furman began spending the winters with her daughter.

Smith-Lahser Rites Read in South Lyon

Pvt and Mrs. Charles A. Lahser are making their home in Boston, Mass., following their marriage at the South Lyon Methodist parsonage on Saturday, April 5. Mrs. Lahser is the former Ruth Jeanette Smith, daughter of Mr. and Mrs. Leslie Smith of 12 Mile Road.

The double ring service was repeated before the Rev. Mr. James Roberts at 8 p.m.

Ruth chose an ankle-length white gown for her wedding. Fashioned of nylon over taffeta, it was worn with a matching bolero jacket. A pearl tiara holding her finger-tip veil in place and a hand corsage of white carnations completed her attire. As maid of honor, Weslene Lahser wore a pink nylon over taffeta gown with a matching picture hat and a bouquet of pink carnations.

The bridegroom, who is the son of Mr. and Mrs. Clifford Lahser, of South Lyon, asked Donald Smith to serve as his best man.

Mrs. Smith chose a mauve taffeta dress with navy accessories and a corsage of gardenias for her daughter's wedding. The bridegroom's mother, Mrs. Lahser, wore a gown of salmon taffeta with black accessories and a gardenia corsage.

The newlyweds are both graduates of South Lyon High School. After entering the U.S. Army in July, 1951, the bridegroom has been stationed at Ft. Riley, Kan., and is now at Ft. Devens, Mass.

Green Thumb

Successful gardening depends upon many factors not the least of which is the chemical properties of the soil in which plants are expected to grow and bloom. Now is the season to determine if your soil is suitable, or if it should be improved by increasing its acidity or alkalinity.

The plants thrive in a neutral or slightly acid soil, although most some require more acid soil and others a greater degree of alkalinity. Perennials, as a rule, do best in soil that is only slightly acid.

Soil Should Be Tested
To determine the nature of your soil, samples can be sent to the county agricultural agent for analysis, or you can do your own testing with a small kit obtainable at most seed stores. Samples to be tested should be taken at a depth of two inches and 12 inches below the surface, and at several locations in the garden. Acidity is measured on a PH scale in which PH7 is neutral. Above this, the soil is alkaline; below, it is acid.

Soil acidity can be increased by applying aluminum sulphate at the rate of one pound per 100 square feet. A light application of cottonseed meal also is effective. Other methods of increasing acidity include the use of peat moss, black humus, spent sawdust and oak leaf mold. Any of these, mixed into the soil at the rate of five to eight bushels per 100 square feet will help change an alkaline or neutral location to one that gives an acid reaction. (In buying peat moss it is well to inquire from the dealer if it is neutral or acid.)

Maintaining Soil Acidity
Acidity can be maintained from year to year by a light addition of peat moss or humus. Many prize evergreens and a few deciduous shrubs require an acid soil to survive. Among the latter are azaleas, rhododendrons, caroliniana, Japanese holly, blueberry, pieris japonica, witch hazel and anemone japonica.

The gardener with neutral or slightly alkaline soil has few worries, for most plants will grow as well in alkaline as in acid soil. A cover crop such as thousands of fibrous roots are rye or winter wheat turned under in spring is excellent to maintain proper balance. Their more valuable than their green tops in loosening and are eating the soil. For good plant growth,

organic matter is all-important. Alkaline soils are fertilized in the same manner as other soils, with 4-12-4 or 5-10-5 excellent for the purpose. Now is a good time to apply these fertilizers at the rate of two to four pounds per 100 square feet. Flower beds can be given a second application of one to two pounds per 100 square feet in early June.

Plants For Alkaline Soil
The following plants and shrubs enjoy alkaline soil: American and Japanese holly, barberry, euonymus, mahonia, viburnum, lilac, iris, and chrysanthemums. Wood ashes and a slight dressing of agricultural lime will help to maintain the alkalinity of soil around these varieties.

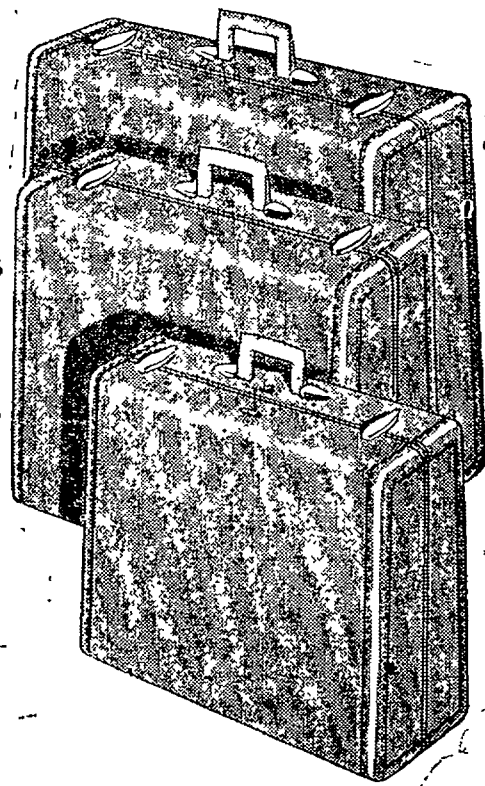

Dr. H. L. R. Chapman, Michigan State College extension specialist in horticulture, advocates the use of plants which are native to the locality. Dr. Chapman spoke this week before the membership of the Northville, Plymouth and Rosedale Gardens chapters of the Women's National Farm and Garden Association. He studied at Kew Gardens in England and worked with Mr. Wilson in the Arnold Arboretum in Boston before joining the MSC extension staff.

Dr. Chapman suggested that early flowering bulbs planted on southern exposures in the garden will effectively lengthen the short Michigan growing season for flowering plants.

A&P's Big Buys for the Value-Wise!

Customers' Corner
"Have some . . . every time you shop—no extra charge!"

Your A&P is in the food business primarily. But it likes to feel it sells more than groceries . . . more than meats . . . more than dairy products, baked goods and vegetables.

A&P deals in neighborliness . . . friendliness . . . service. We think you're entitled to them every time you shop—at no extra charge.

We can't wrap them . . . but you get them with whatever you buy. And you always will—as long as they make A&P a more pleasant place to shop!

CUSTOMER RELATIONS DEPT.
A&P Food Stores

Softball Meeting Scheduled April 23

The first meeting for men interested in playing softball in the Recreation League this summer will be at the Village Hall Wednesday, April 23, at 8 p.m., said Wilson Funk, Recreation Director.

Teams from Redford Township and Farmington are interested in joining the league, Funk said. Their addition might be a factor in bringing the local loop to full strength if too few men show an interest in playing.

The Northville Hotel team was last year's champion, winning the playoffs in August against teams sponsored by the Cy Owen Ford dealership; Stone's Gamble Store, the Optimists, and C. E. Langfield, Northville village president, called the "Mayors".

ARTHRITIS—RHEUMATISM

Do you suffer the pains of arthritis and rheumatism? Do your shoulders, hands, knees, or feet pain you? Do you wake up mornings fatigued, actually more tired than when you went to bed? Do you feel discouraged and down hearted, as though it were all impossible?

Well, dear friend, I have gone through all of this for twelve years, with very little relief after having carried on a program of treatment which cost me nearly thirty dollars a month for several years.

During these last twelve months, however, I have found relief. I will not waste the use of drugs and at a cost of only a few dollars a month I cannot express my full appreciation for the most remarkable improvement I have experienced.

If you need me, year in and out, I shall be very happy to give you a demonstration regarding the nature of the product that has given me such relief.

Charles L. Wheeler,
127 St. Joe St., Detroit, Mich.

Christian Science Churches
Not all people understand what
is meant by the Atonement of
Christ Jesus. Christian Science
explains this in the Lesson-Ser-
mon entitled "Doctrine of Atonement"
which will be read in all
Christian Science churches on
Sunday, April 20.

The Golden Text is from Mark
(10:45): "The Son of man came
not to be ministered unto, but
to minister, and to give his life
a ransom for many."
Among the Bible citations is
this passage, (John 3:17): "God
sent not his Son into the world
to condemn the world; but that
the world through him might be
saved."

Baptists to Hear Rev. Reese Speak

Rev. Reese

The Rev. Mr. J. Irving Reese,
general director of the Fellowship
of Baptists for Home Mission,
Inc., of Elyria, Ohio, will be the
guest speaker at the First Bapt-
tist Church Sunday morning at
11 a.m.

The Rev. Reese has had more
than 35 years of experience as
a pastor and evangelist and has
worked extensively in Bible Con-
ference activities. In 1947, he be-
came full-time director for the
Fellowship of Baptists for Home
Missions, Inc., a continent-wide
mission on the approved list of
the General Association of Regu-
lar Baptist Churches. This fel-
lowship majors in establishing
new Baptist churches, especially
in urban centers.

The Rev. Reese's work takes
him into almost all northern
states and has given him an ex-
tensive knowledge of the spiri-
tual needs of America. He is a
forceful speaker who will chal-
lenge his hearers with the pre-
sent opportunities for mission
work in the United States, said
the Rev. Mr. Peter Nieuwkoop,
pastor of the First Baptist
Church.

Wednesday 7:30 p.m., Prayer
meeting.

Funk Reports Good Noon Attendance

The noon hour programs at the
Recreation Building on East
Dunlap Street for the students of
Northville High School have
proved very successful, said Wil-
son Funk, recreation director.
During the first lunch period,
11:45 a.m. to 12:45 p.m., on an
average of 65 students are report-
ed. At this time, the girls out-
number the boys, said Mr. Funk,
though during the second period
only boys usually appear.
Approximately 15 boys take
advantage of the ping pong and
pool tables in the building during
the late lunch hour from 12:45
to 1:15 p.m.
Supervision during the noon
hour program is provided by Mrs.
Herman Hartner, jr., who op-
erates the Photo Club for the Re-
creation Committee, and Mr.
Funk.

NOTICE

For the edification of those
interested in the truth, and the
lady who has so little to occu-
py her time as to broadcast an
untruth: Due to personal de-
sires, and at their own vol-
ition, Mr. and Mrs. Geo. B.
Noll have subleased the prop-
erty they rented the past 14
months from Mr. John Gabel,
in fact, still hold the original
lease on said property. The
house and its contents were
left in as good, if not better
condition than when received,
including installation of a
shower fixture, modern light-
ing fixtures, repairs to non-
operating plumbing and elec-
trical outlets. All carpets, in-
cluding those belonging to the
owner, were thoroughly sham-
poosed by a competent, pro-
fessional cleaner, and there
was absolutely no destruction
of carpets by the Noll dogs as
reported.

Mr. and Mrs. Noll owe no
debt to anyone in Salem and
do not appreciate the circula-
tion of stories to the detri-
ment of their reputation, es-
pecially in view of the time,
effort and money they have
put forth, while residents of
Salem, for the benefit of the
community as a whole and in
particular, the children.

WINKLER

AUTOMATIC HEATING EQUIPMENT

For Radiant or Warm Air Heating—whichever you prefer—a Winkler
Boiler or Furnace will give you supreme winter comfort for less money. You
get more heat from fuel burned—whether gas, oil or coal—because of the
patented Econ-O-Flow design. This construction extends the travel of hot
gases before releasing them to the chimney, extracting the maximum of heat.

Not "warmed over" but strictly brand new!

YOU owe it to your pocketbook to drive
this Chrysler engine before you buy any
fine car today.

It's not a "warmed-over" engine, but a
basically brand-new one!

It gives a new kind of performance that
means new value for every dollar you pay out
for purchase, upkeep, or operation.

It was built brand-new around a hemi-
spherical combustion chamber which makes
better use of gasoline, and also permits
sounder all-round engine structure, than any
American motor car engine has had before.

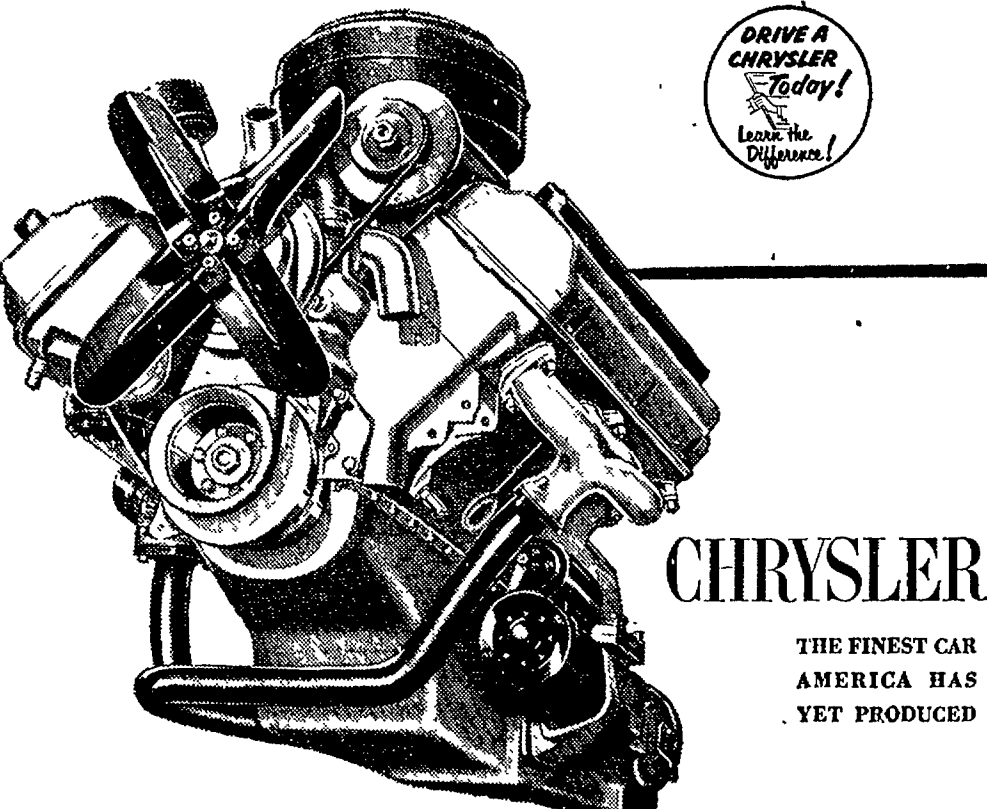

It delivers 180 horsepower... without
requiring you to buy premium gasoline. It
runs with less waste, less heat, less friction
and less wear than previous designs can

equal. Its combustion is so clean it literally
develops almost no carbon deposit at all.

It will last longer than any engine you've
ever known. It will cost you less along the
way. It will stay "young" in performance
thousands of miles past the point where an
ordinary engine shows old age.

And on top of all that, it makes driving a
lot more pleasure! Its smooth response...
its safety-power, in reserve for emergencies...
its easy scorn for distance or hills...
make you just plain feel good at the wheel
as you've never felt before.

For the good of your purse and your
pleasure too... we invite you to drive
it, soon!

Cancer Society in Educational Drive

The American Cancer Society launched its educational "Crusade" this month, designating April as "Cancer Control Month," in an effort to decrease the number of persons who will die of cancer this year, said Mrs. E. J. Willis, Northville Village and Township Patients Aid Chairman.

Mrs. Willis has appointed Mrs. Edward F. Angove and Mrs. Robert Lyke co-chairman for the crusade in Northville Township and Village. Mrs. Russell Clarke is treasurer and Mrs. J. K. Klaesner is Nov. chairman. Membership will be handled by Mrs. Robert Wetterstoem, and organizations by Mrs. W. E. McCarthy. Mrs. T. H. Bray and Mrs. J. W. Reynolds head the business committee.

Mrs. H. A. Willis will have charge of solicitations at Depositors State Bank; Mrs. Harvey Whipple will be at the post office, and Mrs. R. M. Atchison will be at the theatre. A tag day is planned, with Mrs. Karl Karg and Mrs. George Alexander in charge.

Cannisters and posters will be distributed by Mrs. William Weidner, Mrs. Gerald Daub and Mrs. A. Paumenter, and a house-to-house canvass will be made by Mesdames Orson Atchison, Paul Terry, William H. Cansfield and Howard Rodgers.

About 215,000 persons in the United States will die of cancer this year, according to ACS figures, even though improved diagnostic and treatment methods have lowered the death rates for some types of cancer.

Pontiac Speaker to Outline Purpose of "Minute Women"

The purposes and aims of the Minute Women of the United States of America will be explained by Mrs. Fred Black, of Pontiac, at a 9:45 meeting Thursday, April 24, at the Northville Library on South Wing St. Mrs. Black is Oakland County chairman of the Minute Women.

"This new and vital woman's organization began in 1949," said Mrs. Joseph Page, of Novi Rd., "for the purpose of arousing women to vote in every election—town, state and national." It is hoped that Suzanne Silvercrucy Stevenson, of Southport, Conn., who spearheaded formation of the organization, can be present at a later date to explain the group's aims in more detail.

Hill, Ogilvie Move Office to Center St.

The offices of Hill and Ogilvie, attorneys, were this week moved to 113 North Center St. They will occupy the second floor of the building, said Clifton D. Hill and Philip R. Ogilvie.

After the purchase of the practice of the late D. Harper Britton, Hill and Ogilvie moved to offices at 152 East Main St. on Nov. 15, 1950. They had been located previous to that time on North Center St.

READY FOR TOMORROW?

A recent article in a popular magazine was headed with this question, "How much does it cost to get ready for tomorrow?" It stated that American businesses spent an estimated \$1,300,000,000 on development and research. That's a lot of money to be spending for the prospects of tomorrow's business and yet they consider it a wise investment. My friend I'm wondering about the tomorrow that will come someday in your life: the tomorrow when you shall no longer wake in this life? Scripture declares in certain terms in Heb. 9:27 "And as it is appointed unto men once to die, but after this the judgment." Of this judgment the book of Romans says, "As I live saith the Lord, every knee shall bow to me, and every tongue shall confess to God. So then everyone of us shall give an account of himself to God." (Rom. 14:11-12). Here every thought, word and deed of our life shall be reviewed before the Lord Jesus. The hidden shall be brought to light; the secrets of man's hearts shall be revealed. No excuses shall pass. The guilty shall not be acquitted. God offers mercy now to those who will trust the Savior. (See Acts 10:43). For a sure tomorrow—trust Jesus Christ today.

"The Loveliest Night of the Year" the Northville Class of '52 senior prom, will be Friday night, April 25, at the high school gymnasium. Dancing will be from 9 p.m. to 1 a.m. Lonsilvai and his quintet will furnish music for dancing.

Contrary to practice in some high schools, said ticket and program chairman Jackie LaPlante, parents and the public are invited to attend the prom.

Class sponsored are Edward Mollema and Harry B. Smith. Senior class officers are Donald Maclean, president; Fred Weihe, vice-president; Gay Duerson, secretary, and Mary Lou Litsenberger, treasurer.

Carrington Elected Bank Secretary

Thomas R. Carrington, Jr., has been elected secretary of the Bristol Savings Bank, of Bristol, Conn. He joined the bank staff Mar. 1, following six years spent as security analyst and economist for the National Life Insurance Co. at Montpelier, Vt.

He is the son of Thomas R. Carrington, Sr., of 536 W. Main St. After graduating from Northville High School, Mr. Carrington attended Michigan State Normal School and the University of Michigan Business Administration Department.

He had four years of World War II service with the Army, training in meteorology at Massachusetts Institute of Technology, after which he had two and one-half years of foreign service in Africa, India and China. He served as operations officer of the unit supplying weather information in the China-Burma-India theatre and held the rank of Lieutenant Colonel on discharge from service in 1945.

IT'S PART OF THEIR JOB FOR DEFENSE

YOU CAN DO SOMETHING FOR DEFENSE, TOO—SOMETHING EASY!

You can buy U. S. Defense Bonds to back up men like these who are keeping America's armed forces strong. For by buying bonds, you contribute to the maintenance of your country's economic strength—as the men and women in the armed forces are building and maintaining her military strength.

You see, America's economic stability depends on your financial independence. And by bonds and other forms of saving you are building up a sturdy backlog of personal security.

So sign up to buy United States Defense Bonds now. Buy them today and buy them regularly. And remember... bankers recommend them as one of the safest forms of investment.

The U. S. Defense Bonds you buy
give you personal financial independence

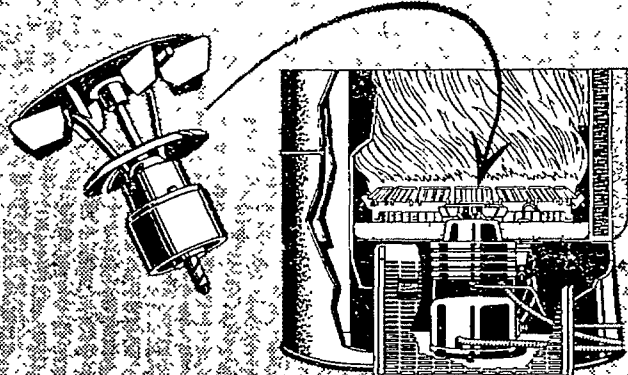

Don't forget that bonds are now a better buy than ever. Because now every Series E Bond you own can automatically go on earning interest every year for 20 years from date of purchase instead of 10 as before! This means that the bond you bought for \$18.75 can return to you not just \$25—but as much as \$33.93! A \$37.50 bond pays \$66.66. And so on. For your security, and your country's too, buy Bonds now!

PEACE IS FOR THE STRONG . . . BUY U. S. DEFENSE BONDS REGULARLY!

Here's why...

it's so reliable!

the
TIMKEN
Silent Automatic
WALL-FLAME
OIL BURNER

has only one moving part!

You are assured of maximum reliability when you install a Timken Silent Automatic Wall-Flame Oil Burner! The one moving part—with its integral oil distributing tubes and fans—does all the work. Unlike most burners. Actuated by an electric motor, the monomotor rests on a steel ball pressed into the bottom end of the shaft, with the result that the rotor spins like a top—freely, easily and with little wear. The basically different, basically better wall-flame burner is the heart of every Timken Silent Automatic oil heating unit—conversion burners, furnaces and boilers. Phone us today for free survey and estimate. Easy terms.

NO PRESSURE!
NO BLOWTORCH ROAR!
No complicated pressure pump is required to force the fuel oil through a pin point atomizing nozzle. No blower is required to send a blast of air into the asphit. It's whisper-quiet!

NO "OIL CAN" LUBRICATION!
The shaft of the monomotor is lubricated by the fuel oil flowing through the burner, eliminating the need for "oil can" lubrication at any time!

Salem Correspondent For Record

Mrs. Myrlan Lyke, Salem correspondent for the Record, gathers social and news items for her weekly column, "Salem News".

Correspondent Regards Job as Another of Many Hobbies

Collecting and writing news items about friends and neighbors is regarded as another of her hobbies by Mrs. Myrlan Lyke, Salem correspondent for the Northville Record for the past three years.

She enjoys writing, just as she enjoys her many other hobbies which, along with her duties as wife, mother and homemaker, she attacks with a quiet, relaxed vigor.

Most of her news items are collected by personal contact rather than by telephone. The others for her weekly column, "Salem News", are brought to her home, gathered at school or noted at Salem Federated Church activities. The compiling of the column is done bit by bit during the days following publishing of the Record and her deadline Tuesday morning, and is sandwiched in among her many other activities.

The Myrlan Lyke home has the atmosphere of quiet, comfortable living typical of small communities such as Salem. Evidence of the homemaker's industry and talent are everywhere in the spotless white cottage on West Six Mile Road. The crocheted

Years Ago In Northville

Items Taken From the Record's File

One Year Ago—

A delegation from the First Methodist Church was present at the village commission meeting Monday evening to protest the removal of the town clock in the Methodist Church steeple.

Andrea Owen, daughter of Mr. and Mrs. Orlow Owen, of West Seven Mile Road, was chosen by the American Legion Auxiliary of Lloyd H. Green Post 147 to represent Northville at Wolverine Girls' State.

G. Louis Balch was installed as Commander of Northville Commandery No. 39.

The Northville High School Forensics group came out on top in the District Wayne-Oakland County League contests April 11 with three out of four first places and three out of four second place wins.

Five Years Ago—

Two Northville basketball players were named to the Inter-Lakes Conference Basketball team. Mac Pierce was chosen for the first team, Dave Pottinger for the second team with Dean Nitzel and Bob Campbell receiving honorable mention.

Ten Years Ago—

Charles F. Murphy was elected vice-president of the 119th Field Artillery, 32nd Division Veterans Association, at the annual reunion held in April in Lansing.

Between 40 and 50 members of the Medical Emergency Corps were on hand April 12 for the practice run to the Kelsey-Hayes plant in Plymouth.

Stepping vigorously into the civilian defense picture, Mayor Elmer E. Perrin named Chubb Smith as chief air raid warden for the village.

Fifteen Years Ago—

Taking office July 1, Superintendent of Schools, R. H. Amerman will succeed W. E. Forney as president of the Northville Rotary Club.

Mrs. H. S. Willis was named president of the Northville Woman's Club for the second consecutive year.

Twenty Years Ago—

At the end of a hard-fought contest in spelling on Friday, Frances German, 12-year-old daughter of Mr. and Mrs. Harry

S. German, carried off the laurels and will represent Northville in the district contest.

M. J. Murphy, formerly associated with the Globe Furniture Co., and at present actively engaged in assisting with Northville welfare work, was named democratic congressional candidate for the 17th District.

The moratorium plans to open Northville banks provides for the separate opening of the two with a merger afterwards.

Thirty-Five Years Ago—

The interior of the local electric lighting plant has been dismantled and rearranged by the Edison Co. to take care of Plymouth service. Part of the machinery went to parties in New York State, some to Wyandotte, and the boilers were purchased by the Northville Milling Co.

VFW Names Contest Judges

Mrs. Daisy Martin, Americanism chairman of the Northville Veterans of Foreign Wars Auxiliary, has announced the judges for this year's V.F.W. essay contest. Serving as judges will be the Rev. Father Bernard J. Dominick, of Our Lady of Victory Parish; Glenn H. Cummings, editor and publisher of The Northville Record; and Lynn Sullivan, of Eaton Drive.

The local auxiliary will award \$40 in prizes to the winners for their interpretations of the subject "America Is Everybody's Business". Essays for final judging by the panel were selected at the Northville High School from the 150 pieces entered by high school English students.

Winners for the contest will be entered in state competition and, if a winner, will be sent to the national contest sponsored by the V.F.W.

Ordinance Requires Grass Fire Permits

The Northville Village and Township fire department has made fewer runs on grass fires since the ordinance requiring permits for fires was passed last week, said Fire Chief William McGee. Township residents are cooperating with the spirit of the law even though the ordinance does not become legally effective until May 10, 30 days after it was published in the Record April 10.

The ordinance requires that Northville Township residents secure permits for grass fires from the Northville Village Hall. The aim of the law is to permit use of fire as a tool to clear land and dispose of debris, yet control it and prevent damage.

Conservation Officer Charles Voss said that much of the burning done is unnecessary and destroys game cover and vegetation beneficial to the soil, but that necessary burning should be closely controlled.

Violation of the ordinance is punishable by a fine of not more than \$100 or not more than a 90-day jail sentence, or both.

Memorial Piano Dedicated

A new Story and Clark spinet piano was dedicated at the early service on Easter Sunday at the First Presbyterian Church, Northville. In memory of Dennis Michael Meyer, it was presented by his mother and father, Mr. and Mrs. Howard Meyer and family. Dennis, age eight, died on January 17, 1952.

The piano, which is in the sanctuary, is used each week by the junior high department of the church school and during the church services for the children's choir sings.

The former piano is now being used in the ladies' parlor.

**Reception Honors
Albert Nackers
on Anniversary**

A reception honoring the 50th wedding anniversary of Mr. and Mrs. Albert Nacker, of Farmington Road, was held in Adams Hall, Farmington, last Sunday afternoon, April 6. One hundred and fifty friends and relatives gathered for the occasion.

Albert Nacker and Lucy Hess were married April 9, 1902, at the home of the bride's parents, Mr. and Mrs. John Hess, of Waterford Center, Oakland County.

The Rev. Mr. John K. MacGillivray officiated Mrs. Carrie Giegler Graham of Leslie and George Nacker, of Livonia, who were present at the anniversary celebration, were the couple's only attendants.

After living on a farm near Inkster, the Nackers moved into their present residence, 19604 Farmington Rd., in 1925. They have two children, Mrs. Viola A. Sweezy and Russell A. Nacker, and one grandchild, Carol Nacker.

A family dinner was held at the Nacker home on Wednesday evening in their honor.

Fully to understand a grand and beautiful thought requires, perhaps, as much time as to conceive it.

**Northville Students
Support Four Drives**

Northville and Waterford school students have been conscientious in contributing their share to the four major fund drives in Northville, said School Nurse Miss Ruth Knapp, R. N. Grade school students have turned in a total of \$273 and high school students have contributed \$203.

The Christmas Seal drive in December, 1951, brought in \$49 from the grade school and \$38 from the high school, a total of \$87. High school students contributed \$108 to the March of Dimes last March, and the grade school bolstered the fund with \$154, a \$262 total.

The Miss Knapp said The grade school and Waterford School turned in \$31 and high school students added \$57, to bring the total to \$88.

The Easter Seal Appeal this month has netted \$39 to date from Northville and Waterford pupils.

Winners of Ford Scholarships Told

Three Northville area high school seniors were among the 74 students notified this week by Henry Ford II, president of the Ford Motor Company Fund, that

they have won four-year college scholarships in the second nation wide competition among eligible children of Ford Motor Company employees.

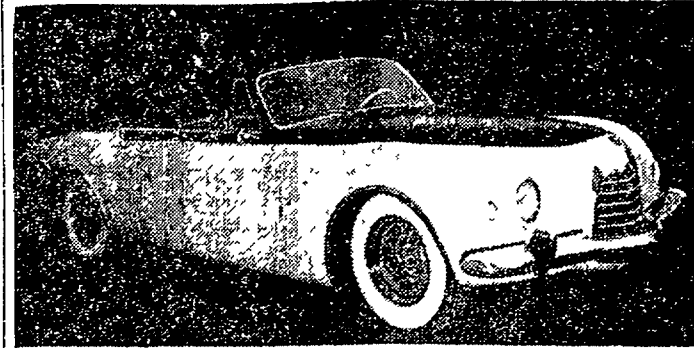

J. Lynn Osen, the son of John Kinsley Osen, a plant protection employee of the Northville Ford Valve Plant, will receive full tuition at any recognized

college or university which he chooses to attend. He lives with his parents at 42475 Parkhurst St., Plymouth, and attends Plymouth High School.

Ronald Lee Cadogan, whose father, Percy L. Cadogan, is employed at the Ford Rouge plant, won the second scholarship. He also attends Plymouth High School. David Clair Davis, son of a Waterford plant employee, was awarded the third scholarship. His father is Clair George Travis, 992 Palmer St., Plymouth, a member of the plant's estimating department.

To be eligible for the scholarships, in addition to being sons or daughters of Ford employees, the students had to be in the top third of their high school class and take a competitive examination. Final selections were made by a Scholarship Board composed of college and university presidents.

The 74 winners, 48 of whom were from Michigan, will be guests of the Fund in Detroit and Dearborn on June 30, July 1 and 2.

Newest American experimental car, Chrysler Corporation's C-200 convertible, is being shown for the first time in New York City after arriving from Europe aboard the liner S.S. Constitution. Conceived and designed in Detroit by Chrysler engineers, the C-200 was built in Italy in a further experiment to explore the blending of sports car styling with practical automobile design and engineering features.

Rural Schools Designated For Clothing Drive

The Thayer and Baseline schools have been designated as collection centers for the annual clothing drive which will be held from Tuesday, April 22 through Friday, May 2. The drive, planned in conjunction with the Volunteers of America, is sponsored jointly by the Wayne County Council, Parent-Teachers Association and the Wayne County Board of Education.

With a high rate of unemployment in many areas of Wayne County, the need for clothing and shoes has been the biggest factor in the non-attendance of school children in the rural and township schools of Wayne County, said G. E. Matthews of the Wayne County schools attendance department.

Last year's collection in the rural and township schools of the county far surpassed any previous drive, he said. Increased school enrollments make it necessary that even more clothing be collected this year.

The Volunteers of America will pick up the clothing, collected at the two Northville schools on Monday, April 28, and Monday, May 5. The volunteers will clean and repair the clothing before it is distributed to the needy children of the county schools.

The volunteers have provided a clothing service to the Wayne County schools during the past 14 years.

Too Fast

The first electric railway car was operated in 1851, by Prof. Charles Grafton Page. It ran on batteries and attained a speed of 19 miles an hour—but was a bit ahead of its time.

Why the right power is so important to truck buyers

WHEN a truck engine is too small for the job, you'll pay in poor performance and high upkeep. When it's too big, you'll waste money on operating costs.

To be sure of the right power for top performance and top economy on every job, Dodge builds eight great truck engines. There's one that's "Job-Rated" to fit your kind of work.

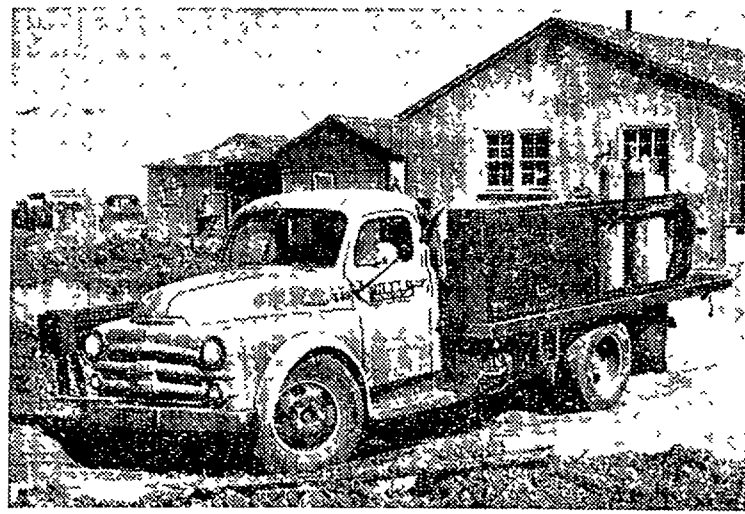

In fact, you get a truck that's "Job-Rated" in every way. Every load-moving unit is factory-engineered to meet the most severe operating conditions. And every load-carrying unit is factory-engineered to provide the strength and capacity needed.

Visit your friendly Dodge dealer today for all the facts about Dodge "Job-Rated" trucks.

Tests prove power with economy. To save gas, powerful Dodge truck engines employ compression ratios as high as 7.0 to 1. And on high-tonnage models, a twin carburetor and exhaust system is used.

Records show low upkeep. For dependability and low repair costs, rugged Dodge truck engines have 4-ring pistons with chrome-plated top ring and heat-resisting exhaust valve seat inserts.

Owners report, "Greater value!" You get all these plus values: Cyclebond brake linings; easier handling, sharper turning; glycol Fluid Drive available on all 1/2-, 3/4- and 1-ton and Route-Van models.

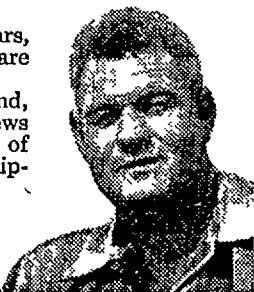

"When power is needed, Dodge trucks have it!"

says C. R. SHEARMAN, Hood Construction Co., Lynwood, Calif.

"We've been big Dodge users for many years, because our business demands trucks that are dependable, economical and rugged. We do most of our driving over rough ground, a lot of it in the mud. The trucks work with crews who are laying pipe in the field. This kind of hauling calls for plenty of power to carry equipment to the men."

"And when power is needed, Dodge trucks have it! They seem to be able to pull anything."

Upsy-Daisy Candy Custards

Let that old family favorite, Cup Custard, turn up with a new look and a new flavor twist by the simple addition of diced chocolate and coconut candy placed in the bottom of each cup before baking. Best of all, this tasty dessert, with health-giving energy because it calls for eggs and milk as a base, takes but moments to prepare and can be served at any time.

Mounds Chocolate Frosted Custards

- 2 Mounds bars, diced
- 2 eggs
- 2 tablespoons sugar
- 1/2 teaspoon salt
- 1/2 teaspoon vanilla
- 2 cups milk, scalded

Lightly butter 6 six-ounce custard cups; divide Mounds among cups. Beat eggs slightly in medium-size bowl; stir in sugar, salt, and vanilla. Add milk slowly, stirring constantly, until blended. Strain into prepared custard cups; place cups in deep baking pan; add hot water to half fill baking pan. Bake in slow oven (325°F.) 35 minutes, or until knife inserted in center comes out clean. Remove cups from hot water at once; cool 10 minutes; loosen at round edges with knife or spatula; turn out onto individual dessert dishes. (Chocolate-coconut sauce will dribble down over custards.) Serve warm or chilled.

Youth to Have Hike, Tournament

The Recreation Building on East Dunlap Street, during this Easter vacation week has been full of activity and plans for a bicycle hike, dancing lessons and a marble tournament have been made, said Wilson Funk, recreation director.

Mrs. Paul Burnham, former Arthur Murray dancing teacher, was on hand yesterday, Wednesday, to instruct the high school set. On Friday April 18, from 2 to 3:30 p.m. she will give lessons in the rhumba, waltz and jitterbug steps as well as the fox trot. Boys and girls are invited by Mr. Funk to take part in the bicycle hike Saturday, April 19. The group will leave the Recreation Building at 9 a.m.

The annual marble tournament, which is held during morning and afternoon recess and the grade school lunch hour, will begin soon. The contest is also open to junior high boys and girls. The Northville Optimist Club in cooperation with the Recreation Committee is sponsoring the function.

Police Chief Gives March Report
