

Rathburn Chevrolet Sales Grand Opening Is Saturday

Kenneth Rathburn will stage the grand opening of his new Chevrolet display room and garage at 560 Northville-Plymouth Rd. on Saturday, April 26. Rathburn invites the public to visit the greatly expanded and improved facilities of the new building from 8 a.m. to 10 p.m. on that date, when favors will be given and refreshments served. Rathburn has served customers for more than 20 years at the old address on West Main Street, he said.

The brick-fronted building has been rising over the period of the last few weeks. The entire front is glass-pannelled. The curve at one corner will be the building's "show case" for display. The other portion of the display room is backed by a large parts department with many more parts bins than are now in the present building.

Rathburn decided to make the move in order to have more floor space, better internal facilities, adequate parking and an in-and-out drive. In addition to present equipment, the new garage will have a large truck hoist, two passenger car hoists, machines for aligning automobile front ends, a complete separate bumping and paint shop, a wash rack and an expanded parts department.

There will be no changes in present personnel, Rathburn said, but more men will be added later to adequately care for increased services. Ralph Hays will continue as office manager and Ralph Strange will be sales manager. The parts department will be managed by Carl Shettler, and James Lee will remain as service manager, aided by Leonard Ortwin and Leslie Mitchell, both mechanics. Robert Steinfelt will handle the bump and paint

"Northville has been good to me," said Rathburn. "I've never had any desire to leave since I started in business in January, 1932, even though trade wasn't very brisk in those days. I certainly appreciate the patronage of Northville people and the fact they've shown in our products and work." He said that several customers have bought as many as 15 automobiles from him in his 20 years of business.

Six feet of bank were excavated to level the property, acquired from Mr. and Mrs. Charles Altman, Sr., of River St., and five trees 30 inches in diameter were removed. Rathburn said, before building could begin. Fill dirt was used to fill in a ravine to the north of the building. A gravel topping was spread on the parking lot this week, and the used car display on the other side of the building is nearing completion. Local contractors and business concerns did all the work on the new display room and garage.

Rathburn married the former Madelon Shingleton, of Plymouth, in 1933, a year after he started in business. The couple has three children, Craig, 16; Roger, 13, and Susan, 10.

The old display room and garage on West Main Street has been contacted for by Atchinson Motor Sales, Rathburn said.

Presbyterian Dinner For Building Fund

The Board of Deacons of the First Presbyterian Church will sponsor a dinner for the congregation on May 1 at the Church House in recognition of progress made to date in the church's building fund campaign.

The Rev. Wilfred Simpson, pastor of the First Presbyterian Church of Monroe, will address the meeting. Singing will be directed by W. G. Williams and George Bennett will be presented in some of his popular vocal selections.

Those planning to come to the dinner should notify Richard W. Kay or W. B. Crump. No specific charge is to be made for the dinner, but an offering will be taken, with the surplus over expenses allocated to the building fund.

Consumers Power Hearing April 28

The Michigan Public Service Commission has scheduled a hearing on the request of Consumers Power Co. for higher natural gas rates for 10 a.m. April 28 in the Commission's office in the Prudden Auditorium at Lansing.

Village President Conrad E. Langfield suggested that any interested parties in Northville should attend the hearing. The Village will not be represented officially.

Inter-Club Banquet to Hear Lt. Gov. W. C. Vandenberg

Members of Northville's three service clubs and two veterans organizations will hear Lieutenant Governor William C. Vandenberg as the principal speaker when they meet together at their annual inter-club banquet at the Lutheran Church House on Wednesday, April 30.

The Lloyd H. Green Post 47 of the American Legion, the Veterans of Foreign Wars Post 4012,

Lt. Gov. Vandenberg

and the Rotary, Exchange and Optimist Clubs combine meetings at least once each year in the Legion-sponsored banquet, said George R. Simmons, who has charge of the dinner-meeting.

Vandenberg, who has announced his candidacy for the Republican nomination for governor of Michigan, has been Lieutenant Governor since 1950 and was a State Senator from 1944 until 1950. He has been in community and public life for 35 years.

Vandenberg was a member of the council in Holland, his home city, for several years, and refused on three occasions to be a candidate for mayor of the city. He was one of the organizers of the Holland Chamber of Commerce and an officer in it for many years. The Lieutenant Governor is a 30-year member of the Holland Rotary Club, and for several years was chairman of the local chapter of the American Red Cross.

In 1950, Vandenberg was presented with a plaque by the Holland Chamber of Commerce and City Council in token of his "devoted interest to the economic welfare of our community and for his effective services."

Rubbish Collection Schedule Discussed

The possibility of rubbish collections by the Department of Public Works on alternate weeks on the north and south sides of Main St., with weekly collections in the downtown business area, was discussed by the Village Commission at its meeting Monday night.

The subject arose as a result of the Public Works Department being swamped this year by an unusually large amount of rubbish which villagers are putting on their curbs for collection instead of burning as in previous years. Failure to burn rubbish is attributed to the Village ordinance which prohibits burning on the pavement.

Various members of the Commission pointed out that the ordinance does not prohibit burning rubbish and leaves in the yards, but that apparently home owners prefer to have it hauled away by Village trucks if they cannot burn it in the street. At the suggestion of Herman Hartner, Jr., Superintendent of Public Works, decision on the new collection schedule was postponed until the present spring cleaning rush is over.

Gas Bill Passes State Legislature

During the windup of the Michigan State Legislature, both houses unanimously passed the so-called "gas explosion bill" which will permit the Michigan Public Service Commission to set up rules and procedures to be followed by gas utility companies in the installation of their transmission lines.

The legislature also approved a \$10,000 appropriation for the next fiscal year to provide enforcement personnel.

The bill is the result of a legislative study arising out of the circumstances surrounding the December 1949 gas explosion and fire of the antique shop on North Woodward in Birmingham, Mich., in which five lives were lost.

Birmingham Representative Howard R. Estes, chairman of the legislative study committee which sponsored the bill, said last week. "All three members of the Public Service Commission have assured me they will establish the necessary rules and procedures."

First thing the MPSC will do, Estes believes, will be to set up a safety code for gas transmission line installation. A high-grade engineer would do the preliminary code work in cooperation with the gas utility companies and the state fire chiefs association, said Estes.

The laying of new gas lines by Consumers Power Co. is nearing completion in Northville. Knight Construction Co. employees, contractors for the job, were at work this week in several village locations. Last month they laid new six-inch, corrosion resisting line west along main street to Wing St., and from the main four corners to the end of North Center St.

The new lines replaced gas mains which have been underground for many years, and are designed to care for the greater gas load which has arisen in recent years.

Commission Delays Park Place Action

Decision on whether the Village should take steps to vacate the Park Place area on East Main St., so it can be sold for industrial use was delayed by the Village Commission at its meeting Monday evening until Commissioners John F. Stubenvoll and Gerald C. Woodworth can ascertain if the Weber Machine Tool Co. would be interested in bidding for the property.

Commissioner Stubenvoll reported that the Michigan Powdered Metal Products Co. probably will be a bidder if the site is put up for sale.

Weber Machine Tool is faced with the necessity of acquiring a site for a new plant to meet the requirements of its expanding business, and the Commission at a previous meeting discussed the Park Place area as a possible desirable location as it is adjacent to the present Weber plant. It was explained at the time, however, that if the property is sold by the Village, it must be done through competitive bids, rather than as a negotiated sale. It also would be necessary for the sale to be authorized by Northville voters.

At the request of Commissioner Stubenvoll, the matter was tabled until the next Commission meeting, at which time he plans to report what companies may be interested in acquiring the site if it is made available.

Village Seeks New Dog Pound Location

Sale of the Cavell property on Griswold St., which has served for years as the Village dog pound, will force the Village to seek a new pound location, it was reported at the Village Commission meeting Monday evening.

At the suggestion of Commissioner John F. Stubenvoll, the local police department was instructed to find a new site for the pound.

Clothing Drive Sets Goal at 100 Tons

A goal of 100 tons has been set for the Spring Public School Clothing Drive which opened Tuesday in Detroit and Wayne County schools and will continue through May 2. The Public is asked to take their contributions of used shoes and clothing to a public school during the drive. The garments are then cleaned and repaired by the Volunteers of America and given to needy children absent from school because parents cannot afford to clothe them.

The Thayer and Baseline schools have been designated as collection centers for the annual clothing drive.

The Volunteers of America will pick up the clothing collected at the two Northville schools on Monday, April 28, and Monday, May 5.

A. N. Hennigar, chairman of the School Social Service Committee which sponsors the drive, pointed out that the clothing received in the spring drive will be processed in the summer to prepare for the heavy demand during the fall and winter months.

Thousands of children are kept in school every year as a result of the public support of the clothing drives, Hennigar said.

Those contributing to the drive should tie shoes in pairs and wrap clothing in bundles. All sizes are needed, both child and adult, as the program helps even students of high school age. Families with no children in school may arrange a pick-up at their home by calling the Volunteers of America at Lorain 7-4900.

Commission Accepts Bid on Equipment For Sewer Cleaning

The Village Commission at its meeting Monday evening accepted a bid of \$914 submitted by the Tojan Tool Equipment Co. for sewer cleaning equipment. Bids of the Miller Equipment Co., of Detroit, and the Michigan Tractor and Machinery Co. to sell the Village a road grader were opened, but a decision on which to accept was delayed until last night, Wednesday, in order to give Commissioner Claude N. Ely, chairman of the Public Works Committee, and Herman Hartner, Jr., Superintendent of Public Works, an opportunity to examine the equipment.

The Miller Equipment Co. submitted a bid of \$8654 for the grader, and the Michigan Tractor and Machinery Co. bid \$8645.

Stolen Car Found in Birmingham

A Packard sedan belonging to Herman Foist, 368 South Wing St., was stolen in the early evening on Monday, April 21, said Police Chief Joseph Denton. It was discovered abandoned in Birmingham, Mich., in the early hours of the morning on April 22, and appeared to have suffered no damage.

Kappa, oldest scholastic honorary society in the nation, according to an announcement by Albion College, where Miss Johnston is a senior.

She was one of 12 seniors and two Albion alumni to receive the honor this year. Initiation of newly elected members of the society will occur May 21 at a formal dinner to be held in their honor, to which faculty, initiates and their parents will be invited.

Miss Johnston was previously honored in October, 1951, when a student-faculty committee elected her, along with 16 other Albion seniors, to be included in the 1952 edition of "Who's Who Among Students in American Universities and Colleges". The selection was based on personality, scholarship, character, leadership and campus participation.

At Albion College, Miss Johnston has been president of the Pan Hellenic Council; secretary of Zeta Tau Alpha, national sorority; editor of the Campus Directory, president of the Contributor's Club; member of Alpha Phi Gamma, national honorary journalistic society; member of Alpha Lambda Delta, national honorary society for freshmen women; a staff member of the "Plead", the college's weekly news publication, staff member of the college's yearbook, the "Albionian"; cabinet member of the YWCA, and a member of the college band and orchestra.

Rotary Club Hears Forensics Students

Members of the Rotary Club heard four high school forensics students deliver the declamations, and readings which won them places in District Speech Contest April 8.

Nancy Dewsbury's declamation, "Ivory Towers," won first place in the District Contest. Lucien Lovewell delivered "The Price of the Best," the declamation which won him second place. Joan Toussaint's dramatic reading, a cutting from Shakespeare's "MacBeth," third on Tuesday's program, won her a first place in the District Contest. Another first place winner, Mary Jean Woodruff, delivered a humorous reading, a cutting from "Cyrano de Bergerac."

The students were introduced by Miss Florence Panatoni, teacher of speech, debate and forensics at Northville High School.

Earlier in the program, members agreed to send the four German exchange students now attending the high school to Washington, D. C., when the seniors take their annual trip in May. The cost, about \$55 each, will be underwritten with voluntary contributions by members of the club. Village President Conrad E. Langfield offered \$50 as an initial contribution.

Edward F. Angove, chairman of the Rotary-sponsored Eastern Seal Appeal, reported that \$1179 has been turned in to date, almost \$200 more than last year, and that contributions are still arriving.

Driver Ticketed For Reckless Operation

Dennis Waters, of East Lake Street, South Lyon, was ticketed for reckless operation of his automobile near the intersection of Taft Road and Randolph Street on Thursday, April 17, said Police Chief Joseph Denton. Waters pleaded guilty and was fined \$25 and court costs by Justice of the Peace Edward M. Bogart.

The sharp curve, which rises approaching Northville, is known as "Dead Man's Curve" because of its sudden turn and obstruction of driver's vision, said Chief Denton. Oliver Swanson, of Hazel Park, lost his life on the curve Sept. 1, 1951, when he failed to complete the turn while driving at high speed. Drivers are warned of the turn by a large sign and arrow pointing in the direction of the curve.

7 Danger Signals of Cancer Described in April Crusade

The American Cancer Society is continuing its month-long Crusade during April in an effort to warn of the disease's seven danger signals and convince people to see their doctors when symptoms appear, said Mrs. E. J. Willis, Northville Village and Township Patients Aid Chairman.

Early cancers are easily cured, according to the Society. There is no problem in detecting skin cancers because they can be seen, but internal cancers, like those of the stomach and lung, are hard to cure because they are allowed to develop before treatment is begun.

Fifteen million Americans will die of cancer by the end of the century unless present mortality rates are altered, according to the Society. Five million of these could be saved with fullest use of present knowledge, if the disease is detected in time.

The society listed the seven danger signals as, any sore that does not heal; a lump or thickening in the breast or elsewhere; unusual bleeding; any change in a wart or mole; persistent indigestion or difficulty in swallowing; persistent hoarseness or cough; and any change in normal elimination habits.

Mrs. Willis has appointed Mrs. Edward F. Angove and Mrs. Robert Lyke co-chairmen for the Crusade in Northville Township and Village. Mrs. A. Russell Clarke is treasurer and Mrs. J. J. Klasner is Novice chairman. Membership will be handled by Mrs. Robert Wetterstrom, and organizations by Mrs. W. E. McCahey, Mrs. T. H. Bray and Mrs. J. W. Reynolds head the business committee.

Members of the Northville group will be at Depositors State Bank, the post office and the Penniman-Allen Theatre. Mrs. Karl Kaig and Mrs. George Alexander will have charge of a tag day.

A house-to-house canvass is being made by Mesdames Orson Atchinson, Paul Terry, William H. Cansfield and Howard Rodgers.

Cannisters and posters have been distributed by Mrs. William Weidner, Mrs. Gerald Daub and Mrs. A. Parmenter.

Police Continue Campaign Requiring Signals For Turns

Northville is entering the second week of its attack on traffic accidents caused by dangerous turns at intersections according to Police Chief Joseph E. Denton.

He emphasized that there are two special hazards in turning: the turning driver cuts across the paths of vehicles and pedestrians, and a driver behind the turning driver may try to pass on the wrong side or may not be able to stop in time. One way to lessen this hazard, Chief Denton said, is to signal other motorists and pedestrians that you are going to turn, and in what direction.

Expert drivers give three separate signals on each turn, according to Chief Denton. They pump their brake pedals for slowing down so that the stoplights flash to the rear; they pull left to the centerline for a left turn and pull close to the right edge for a right turn, and they give the legal arm signal or use a directional signal device.

Chief Denton called upon all motorists to cooperate in the safety program being conducted by the police and the State Safety Commission. He reminds all motorists that giving correct signals in time not only informs other people but reminds the turning driver himself to be extremely careful when turning.

Village Hall May Get New Paint, Repairs

Commissioners Claude N. Ely and Gerald C. Woodworth have been given the responsibility of studying the need for painting and repairs to the Village Hall, with the request that they make recommendations on the subject to the next Commission meeting.

Commission Takes Steps on Community Building Project

Two steps preparatory to submitting the proposal for a Northville Community Building to voters for approval are being taken this week.

The first is the filing with the National Production Authority of a request for permission to start the building and for allocations of steel and other materials that will be required in its construction.

The second is a special meeting of the Northville School Board Thursday evening to discuss with members of the Village Commission some equitable financial arrangement under which the local school system will be entitled to use of gymnasium, auditorium and cafeteria facilities in the Community Building.

Filing of the NPA application is merely a protective formality to insure that if the Village decides to go ahead with the project this year that there will be no long delay in getting authority and securing materials. This application is to be filed by Walter L. Couse & Co. as a courtesy to the Village.

In asking the Couse to file the application in behalf of the Village, President Conrad E. Langfield pointed out that this does not mean the firm is necessarily going to handle the construction. He explained that this will be decided by competitive bidding by various contractors who may be interested. Langfield stated that Walter L. Couse, head of the Couse Co., has spent a great amount of time assisting village officials and advising them as to construction costs and planning of various features. "These services have been given willingly by Mr. Couse as a public spirited citizen," Langfield said. He emphasized that Couse understands that actual construction will be determined by competitive bids and is fully in accord with this practice.

The school board meeting should lay the groundwork for arriving at a definite financial arrangement for use of the Community Building. Without such an agreement, especially as it relates to the construction of a power house to provide heat for the Community Building, there jointly for the High School and is no way of arriving at the construction cost of the building. This must be known before the Village Commission can determine the amount of additional money that must be raised by a bond issue.

Present thinking is that if the High School uses Community Building auditorium, gymnasium and cafeteria facilities, and constructs a new power house, a considerable amount of space in the present high school building now used for such purposes can be remodeled into class rooms. This will postpone the necessity for construction of an addition to the High School for some time, it is believed.

Also to be decided before any definite cost figure can be arrived at, is whether the Village will move its offices into the Community Building, as has been suggested from time to time. Another feature of the Community Building, should this be decided upon, may be the provision of space for a jail in its basement.

Bogart said that Grand River Ave. has a state posted speed limit of 40 miles per hour through Novi, but that trucks with trailers hauling 15 to 20 or more yards of gravel come over the viaduct at such speeds that they are unable to slow down sufficiently when the traffic light changes. Motorists often drive through the Novi School zone at 65 miles per hour when the law specifies 25 miles per hour in any school zone, Bogart said. One motorist followed by the officer made three violations in driving three miles west from Novi and was at last overtaken for passing a truck on the yellow line at 85 miles per hour. Bogart asked, "What chance does a child have in the school zone?"

Bogart said that it has been charged that a speed trap has been established, but that this is entirely false. The officer, he said, issues about three warnings to each ticket given. He added that several persons were killed in Novi Township last year in traffic accidents.

Bogart has been a Justice of the Peace for 25 years, and said that he is not now a member of the Town Board, and was not a member when the action was taken.

Paint experts will demonstrate correct painting techniques and show how a new product cleans paint from brushes completely and quickly at a Home Paint Demonstration at Stone's Gamble Store on East Main Street Saturday, April 26, said Roy Stone, owner of the store.

The Northville High School will be closed on Friday April 25, said E. V. Ellsion, principal of the school. Teachers at the local school will be attending the Annual School Masters Club program in Ann Arbor on that day.

Representing the Women's Club, Mrs. Waldo Johnson told the girls of the class about the \$100 scholarships available. The Northville Driving Club, which offers \$150 to some high school senior, asked Clifton D. Hill to explain the necessary qualifications for their scholarship.

Russell Bingley, president of the Exchange Club, was present to tell of the \$125 offered by that organization and Harry Sedan, representing the Parent-Teachers Assoc., presented the facts in connection with the \$125 available through the PTA.

Rubbish Collections Are A Village Problem

With the spring clean-up season at its height throughout the Village, local rubbish collection facilities are being taxed to the limit; in fact, are buried at times under a veritable avalanche of discarded refuse that far surpasses that of other years.

So great is the size of the Village's trash pile this year, that it has become a matter of some concern to the Village Commission, which discussed the situation at length at its meeting Monday night. Part of the trouble, it seems, comes from the anti-burning ordinance passed last year, which forbids burning leaves and other trash in the street. This leaves the home owner with a diligent desire to clean out his back yard two alternatives. One is to build his bonfire in his back yard. The other is to put his rubbish and leaves on the curb in front of his house and let the Village's trucks haul it to the dump.

The latter course apparently is preferred by a majority of local cleaner-uppers, to the dismay of Bud Hartner, whose job is to see that it is carted to the Village dump, but whose trucking equipment, unfortunately, is not equal to doing the job as quickly as it should be done. The result, as is evident to anyone who drives around the Village streets, is piles of uncollected rubbish in front of a great many homes.

Hartner and the Village Commission join in asking that home owners burn as much of their rubbish as possible in their back yards, and confine their discarded articles which they want Village trucks to haul away to only such things as cannot be burned readily.

Planning for Community Bldg. Progresses

Slowly, and, we hope, surely, progress continues to be made toward starting construction of a Northville Community Building. The preliminaries, at least, are being settled gradually, to pave the way for a final decision by voters on whether they wish to go ahead with its construction.

One tangible step that will pave the way for a quicker start of construction if the Village decides to go ahead, was action by the Village Commission Monday night to have an application made to the National Production Authority for permission to build and for allocation of materials needed for construction. This application is merely a protective step, taken now to avoid delay later on if the final decision by voters is favorable. It in no way commits the Village to proceed, but it will at least get us on the priority list for necessary materials with the government agency which controls the allocation of steel and other materials that will be necessary.

A second step toward settling preliminaries will be taken tonight (Thursday) when a committee from the Village Commission will attend a special meeting of the School Board to discuss the financial aspects of use by the school system of a portion of the Community Building for auditorium and gymnasium purposes. This is a crucial subject which must be settled before the final method of financing the building can be decided.

There will be many more matters to be decided before the Community Building can be put to vote of the people, but it is encouraging to see that some tangible details are being settled from week to week.

Notice to Taxpayers

The Board of Review of the Village of Northville will meet in the Village Hall

Monday, Tuesday and Wednesday,
 May 12, 13 and 14

from 9:00 A.M. to 4:00 P.M. on each of said days for the purpose of reviewing the assessment roll of said Village.

Taxpayers deeming themselves aggrieved may be heard at that time.

To The Editor,
 Northville Record:

There has been, and will be a great deal said about the proposed "Community Center". It seems to me, the problem requires some very careful analysis at this stage of the game.

I, like all other Village property owners, am a taxpayer in the Village as well as the school district. I, therefore, am concerned whether or not the present plans for the Community Center are adequate to take care of the needs of the High School in the coming years. It is my understanding that the High School is at present filled to capacity. If this is so, it will be necessary, in the not too distant future, to provide additional High School facilities. There seems to be a considerable amount of fuzzy thinking as to how much additional facilities will be produced in the High School by transplanting the gymnasium and the band room to the new Center. Does anyone really KNOW?

There seems to be some concern about citizens of the school district (not villagers) reaping the benefit of Village funds received from the race track. I personally don't mind if they do as long as my own tax bills in the future will not be excessive.

Here is what I am leading up to: From where I sit, it looks as though we are going to build a community building which will not be a school building except for a gymnasium and a band room. This can apparently be done without additional tax bur-

den. It's wonderful — I am all for it — BUT, I am afraid it won't be more than two or three years (probably not that long) before we shall have to build a new High School which will probably require a bond issue of three or four hundred thousand.

I don't pretend to know all the answers but it seems some way could be found to make the new Community Center serve the needs of our school for quite some years to come. I heard one person say the money now on hand should be turned over to the Board of Education and let the school district float the bond for the balance. I don't suppose this could be legally done, but maybe a portion of the building could be built and sold to the school district for one dollar or some such arrangement.

I am not proposing any particular scheme except that the Village Commission and the Board of Education get their heads together so that we are not going to build a Community Center now and a High School building in a couple of years. I don't think the present plans will meet the needs of the school in the immediate future.

By all means let's build NOW before inflation catches us any worse than it already has. Let's do it in a way that we won't be sorry for in a couple of years.

Voter (Really)

LOCAL NEWS

The Northville Review Club will meet at the home of Mrs. F. C. Beeks, 690 Thayer Blvd., today, Thursday, April 24, at 1 p.m. Mrs. W. E. McCarthy will give the review.

Plans will be made at the Sunday, April 27, meeting of the Senior Westminster Fellowship for the State meeting at Saginaw on May 2 to 4. The groups meet at the First Presbyterian Church at 7:30 p.m.

A bake sale will be held at the Methodist Church House by the Junior Sunday School class from 11 a.m. to 1 p.m. on Saturday, April 26.

Dr. and Mrs. T. G. Hegge of Phoenix Road entertained a group of twelve friends for dinner Saturday, April 19.

The Tuesday Book Club met this week with Mrs. F. Alden Shaw of 52905 W. 9 Mile Rd. Mrs. Harvey Whipple reviewed the new book "Cream Hill", by Lewis Gannett. Mrs. Pieter W. Schipper, who with her husband and sister, Mrs. Elizabeth Stoorvogel, was presented to Queen Juliana last week, gave an interesting account of the event.

The Dorcas Circle of the Presbyterian Women's Union will have charge of the Thrift Shop in the Telephone Building this week-end and will conduct a bake sale with Mrs. Joseph Denton in charge. Products of the Northville Laboratories, including flavorings, toppings and table syrup, and plants from the Jones Floral Co., also will be on sale. S/Sgt. Raymond R. Schuchard, whose wife resides at 9536 West Seven Mile Rd., was honorably discharged from the United States Air Force on April 17.

Anniversary Sale

Our second year has rolled around and passed. It has been a pleasure and a privilege to have served the residents of the Northville area since our opening two years ago.

It is our intention to continue to provide you with the best in quality and style — and above all, with the best in service.

We here at Gladstone's want you, our customers, to feel free at all times, to call on us for any assistance in purchasing your shoe wardrobe.

We will be glad to advise you on the proper care of your and your child's feet.

In appreciation of your patronage during the past two years, we are offering a **10%** discount on any purchase made from now until the end of April.

THANK YOU

Rolling Down The River

by the PETZ BROS.

Now we've been reading about the problems of modern education and the steps taken by teachers to eliminate certain elements and the complaints of parents that the kids can't spell too well and with one thing and another we feel sorry for the kid, who in all this pulling and hauling is pretty much in the middle without a dictionary to his name and an allowance of only two and a half bucks a week, because his parents are poor.

So the other day a guy steps in this office and after a bit of this and that, informs us that the main trouble is that no one bothers to teach the gozintas any more and after this country grew prosperous on the gozintas and every mother's son that got as far as the fourth grade knew them. "What's a gozinta," he says, "a gozinta is 2 gozinta 4 and 4 gozinta 8 and everything worked pretty well before the politicians reversed the field and pulled a 12 (billion) gozinta 6 on us.

We sort of go for this gozinta business, because the money you have that gozinta a new Studebaker will pay you the finest dividends ever in comfort, power, beauty and economy. You'll love the sheer beauty of the car; thrill at its superb performance; and truly marvel at the economy you'll discover in every '52 Studebaker. There's a beautiful new hardtop convertible too, that's out of this world when it comes to modern day streamlining.

Getting back to what we read in the newspapers, we've come to the conclusion that it's against the law these days, to aid and abet crime... unless you happen to be a smart lawyer.

And a lot of you people aren't lawyers, yet you aid and abet crime every time you drive your car with the old winter oil and grease, trying to do the job a fresh spring supply should be doing. Better let these mechanics of ours have your car for a short while, they'll make sure it will give you the sort of performance, you've always wished it would.

That's that, but a guy tells us that he was going to do his Xmas shopping early this year, but with things the way they are, how does he know in April, who his friends will be in December.

Yours,

BILL and WILL PETZ.

News Around Northville

The Plymouth Chapter of the Order of the Eastern Star will be the guests of the Orient Chapter at their school of instruction Tuesday, April 29, in the Masonic Temple, Northville. There will be a cooperative dinner at 6:30 p.m. with the chapter opening at 7:30 p.m.

Lucius Blake attended the jewelers convention in Grand Rapids on Sunday, Monday and Tuesday, April 20, 21 and 22.

Members of the Exchange Club released over 1700 trout in the Rouge River in Cass Benton Park last week. Assisting the following exchanges were Charles Ely and several high school boys L. M. Eaton, R. W. Bingley, A. R. Clarke, Bruce Turnbull, Dr. Stuart F. Campbell, Dr. H. G. Godfrey and Dr. W. Leonard Howard. Trucks were provided by the C. R. Ely & Sons Coal & Fuel Co., Petz Bros., G. E. Miller and Northville Electric.

Your chiropractor, Dr. G. K. Ashton, is now located in the Penniman Building, 861 Penniman avenue, Plymouth, Mich. Phone Plymouth 1016 for appointment.

Dr. and Mrs. W. Leonard Howard and daughter, Phyllis, Mrs. W. H. Cansfield and Mrs. Lotta G. Buck attended the Sunday concert of the Albion College A Cappella Choir at the Metropolitan Methodist Church, Detroit.

The pre-registration program in the Northville High School begins this week, said E. V. Ellison, principal of the high school. After the pupils have set up their courses for next year, they will be taken home for parental approval. They must be returned by May 9, said Mr. Ellison.

Mr. and Mrs. Claude Ely, of Gardner St., returned home Sunday evening from a visit with their daughter and son-in-law, Mr. and Mrs. Kent Esbaugh, and daughter, in Augusta, Ga. They toured the eastern states before returning home.

Mrs. Bruno Freydl has returned to the village after spending the winter in St. Petersburg, Fla.

Mrs. W. E. McCarthy substituted in the Home Economics Department of the Northville High School on Monday.

Mr. and Mrs. William B. Walker, Jr., returned to their home, "Happy Acres" last Wednesday after a trip to California where they visited with their daughter and son-in-law, Mr. and Mrs. Louis Eaton, and family.

The Future Teachers of America Club of Northville High school, will attend a conference at Ypsilanti sponsored by Michigan State Normal College on Thursday, April 24. High school principal E. V. Ellison and C. T. Pregitzer, principal of the grade school, will accompany the group.

Mr. and Mrs. Wm. F. Clark, of West St., and son, Jim, returned Sunday from New Orleans where they spent spring vacation.

Mary Ann Karschnick, daughter of Mrs. Mable Karschnick, of West St., took part in capping ceremonies at the Osteopathic Hospital, Philadelphia, Pa., on Tuesday, April 1. Mrs. Karschnick attended the ceremony.

The twelve elected commissioners of the Presbytery of Detroit who will represent this area at the national meeting of the Presbyterian Church in New York City in May, will have their organizational meeting Saturday, April 26, at the Northville Manse. The Rev. Dr. and Mrs. Harold F. Fredsell will entertain the commissioners and their wives at a buffet supper.

James E. Straus, of 23892 Beck Rd., has returned home after spending six days at Atchison Memorial Hospital. Mr. Straus was treated for a head injury and three broken ribs which he suffered after a fall from a ladder while working on his new home near Farmington.

Mr. and Mrs. Walter Kleinschmidt of Northville Rd. entertained 21 members of the Get-Together Club and two guests on April 5. The next meeting will be May 3 at the home of Mr. and Mrs. Frank Taylor on Parkhurst. The occasion will honor the birthdays of Frank Taylor and John W. Taylor. Mr. Taylor will be 56 years old.

The Methodist Youth Fellowship will meet next week, April 27, at the home of Gil Black, of Main St., at 7:30 p.m. He will lead the discussion while Barbara Prunty will have charge of the worship. The group is planning a picnic and outing at Judson Collins Memorial Camp on Sunday, May 11.

The Nov. Extension group will meet with Mrs. Jack Eby, of Twelve Mile Rd., for their next meeting. On April 8, nine members met at the home of Mrs. James Leavenworth for a lesson on refinishing furniture. Mrs. Rex La Plante gave the lesson. Mrs. Ralph Walden joined the group.

NEWS FROM SALEM

Mrs. Myrland Lyke
Phone Northville 903-J1

Rev. and Mrs. Fred Burnett, of Holly, were Tuesday and Wednesday guests in the Kenneth Rich home.

THEIR BRUSHES!

—it saves money—

- It's a new and better way to clean paint brushes and rollers. Superior to all other methods. And, it saves money, too.
- SWIPE can be used over and over again. Will not evaporate.
- You can even switch a paint brush from black painting to white painting by bathing and swishing it in SWIPE for half a minute.

- Unnecessary to store brushes or rollers in any solution between jobs if you clean them with SWIPE. It acts to preserve brushes and rollers indefinitely, keeping them like new.
- Keeps brushes soft and flexible—and will not let them gum up or become sticky.
- Thousands are using SWIPE and saying "It's tops." Always ask for SWIPE!

Iris Sarnes' Attendants Gowned In Gold, Turquoise

Tones of gold and turquoise were chosen by Iris Sarnes for the gowns of her three attendants at her wedding Friday, April 18, in St. Paul's Lutheran Church, Farmington. The vows that united Iris and Richard W. Pichler were read by the Rev. Mr. Walter Rutkowski at a candle-light service.

Before Carl Sarnes escorted his daughter to the altar, soloist Laverne Garchow, accompanied by Selma Schnute, sang "Because" and "The Lord's Prayer".

A traditional gown of white satin was worn by the bride while Karin Sarnes, as her sister's maid of honor, wore a floor-length dress of gold taffeta. Bridesmaids Lois Leverenz, of Allen Park, and Amelia Boynton, of Detroit, had gowns of turquoise taffeta. Turquoise taffeta also fashioned the gown of the flower girl, Cheryl Knight, of Allen Park. Descending the aisle with Cheryl was Joseph Moran, Jr., who carried the rings for the double ring service.

Robert Pichler, of Detroit, acted as best man for the groom while Wilbert Rump, of Farmington, and Burt Boynton, of Detroit, seated the guests.

Mrs. Sarnes chose an aqua dinner gown and hat accented by a yellow rose corsage for her daughter's wedding. Mrs. Vern Pichler, mother of the groom, wore a black dinner gown with white accessories and a corsage of pink roses.

Before the new Mr. and Mrs. Pichler left for their wedding trip, a dinner for the 150 wedding guests was served in the church.

Speaker to Explain New Group's Aims

Mrs. Fred Black, of Pontiac, Oakland County chairman of the Minute Women of the United States of America, will present the purposes and aims of that organization at a meeting at 9:45 a.m. this morning, Thursday, at the Northville Library.

This woman's organization was begun in 1949 to arouse the women of the country to voted in every election town, state and national.

At a later date, Suzanne S. Stevenson, of Southport, Conn., who helped to form the Minute Women, may be present to explain in more detail the aims of the group, said Mrs. Joseph Page, of Novi Rd.

house. Mrs. Pichler changed into a black and white checked suit for her travel costume. The bride was graduated from Northville High School and is now employed as a stenographer by The Detroit Edison Co. Her husband, who was graduated from Redford Union, is with the U. S. Army.

Mr. and Mrs. Carl Sarnes, of Farmington, are the bride's parents and Richard is the son of Mr. and Mrs. Vern Pichler, of Five Mile Rd., Detroit.

Jane Marie Trapp Becomes Bride of Sgt. Kenneth Valsar

On Saturday afternoon, April 19, Jane Marie Trapp, daughter of Mr. and Mrs. Adolph Trapp of Salem, became the bride of Sgt. Kenneth Valsar, son of Mr. and Mrs. Kenneth Valsar of Rock Island, Ill. Sgt. Valsar is now stationed in Macon, Miss.

For the double ring ceremony solemnized in the Lutheran Church at Northfield by the Rev. Mr. Alfred Maas, the bride was attired in a lavender street-length dress. She wore black accessories and a corsage of white gardenias and stephanotis to accent her gown. Jean Trapp, wearing a lavender dress with matching accessories and a corsage of yellow roses, assisted her sister as maid of honor. Fred Brockmiller of Milford acted as best man for the groom.

For her daughter's wedding, Mrs. Trapp chose an orchid dress with matching accessories.

After the ceremony, a reception was held at the home of the bride for members of the immediate family. The young couple left for Rock Island, Ill., after the reception. Sgt. Valsar reported for duty at Macon, Miss. on Wednesday. The bride was graduated from Northville High School with the class of 1951 and Sgt. Valsar was graduated from high school in Illinois.

Mrs. Valsar will join her husband in Macon in June.

Local DAR Awarded Publicity Prize

Mrs. Robert Willoughby, newly elected Senior State President of the Children of the American Revolution, on the National Convention at the last meeting of the Sarah Ann Cochrane Chapter, Daughter's of the American Revolution. The meeting was held at the home of Mrs. William Bake on Monday, April 21.

Mrs. Willoughby attended the convention which was held in Washington, D. C., over the week end.

While reporting on the State Conference, Mrs. L. E. Mack, Mrs. Sterling Eaton and Mrs. Edward Cutler announced that the local chapter was awarded a five-dollar prize for the greatest increase in inches of publicity during the past year.

The Regent, Mrs. Cutler, presided at the business meeting which was followed by tea.

Blue Star Mothers to Give Box Social

The old-fashioned custom of the box social will be revived in Northville on Tuesday evening, April 23, by the Blue Star Mothers. The auctioning of the box lunches will begin at 7 p.m. at the American Legion Memorial Bldg., on West Dunlap St.

The Mothers are sponsoring the social to raise money for veterans hospitalized in the near-by hospitals.

The public is invited to bring their boxed lunches for auctioning, said Mrs. Locke Koontz, publicity chairman.

CKLW Editor to Give Course For Girl Scouts

Mary Morgan, of Radio Station CKLW, will be in Northville for three successive Wednesday nights to give Northville Girl Scouts the fundamentals of Good Grooming. Miss Morgan, who is fashion and beauty clinic editor for CKLW, gives a news broadcast three times a week and also initiated a narcotics broadcast which has had far-reaching effect. As a result of the latter she has been made a member of Mayor Cobo's narcotic committee.

Miss Morgan's course for the Girl Scouts will be given from 7 to 9 p.m. in the Northville Grade School lunchroom on three Wednesday evenings, April 23, 30 and May 7. Admission will be 25 cents a girl for each of the three nights. The course is primarily for Girl Scouts, their leaders and their mothers, but members of the Northville Girl Scout Board and the leaders of the Brownie troops also may attend.

The six-hour course will take into consideration such essentials in good grooming as hair, make-up, clothes, proper walking and posture. After completing the course, Northville's Girl Scouts not only will know how to be extremely pleasing to the eye, but will have passed their "Good Grooming Badge", said Mrs. Howard Atwood, leader chairman.

Party Given in Honor Of Anniversaries

Mr. and Mrs. Arthur Breitmeyer, of West St., and Mr. and Mrs. Stanley Smith, of Farmington, were hosts to twenty of their friends on Saturday night, April 19, at the Breitmeyer home.

The occasion honored the wedding anniversaries of the two couples. April 14 marked the seventh anniversary of the Breitmeyers while the Smiths were married five years ago on April 26.

Guests gathered from Farmington, Garden City, Royal Oak, and Livonia as well as from Northville.

Local Teacher Wed In Howell During Spring Vacation

Margaret Kovitz, daughter of Mr. and Mrs. Ray Vandercook, of Linden, exchanged vows with Thomas Donahue on Saturday afternoon, April 12, at the Howell First Presbyterian Church, before a hundred guests. The Rev. Mr. Walter A. Geske officiated. The bride was given in marriage by her father, Ray Vandercook.

The bride's gown was of white slipper satin with a fitted bodice of imported chantilly lace, featuring a Peter Pan collar and long sleeves. The fingertip veil of illusion was attached to a cap of lace over satin, trimmed with seed pearls. The bridal bouquet was of stephanotis centered with red roses.

Mrs. Caroline Wilson of Brighton, sister of the bride, was maid of honor, wearing Nile green moire and carrying dark pink carnations.

Fred Donahue, of Lincoln Park, brother of the groom, was best man. Ushers were Erwin Donahue, of Ypsilanti, and Harley Smith, of Garden City.

A reception for the guests was held in the church parlor immediately after the ceremony. Following the reception, out-of-town guests were served a buffet dinner at the home of the bride's parents.

The bride, who teaches home economics at Northville High School, was graduated from Michigan State Normal College of Ypsilanti where she was a member of Kappa Delta Pi, an honorary education fraternity. The groom is a graduate of the same college and is teaching in Monroe.

Mrs. McColl to Give Address at BPW

Mrs. J. R. McColl, of Meadowbrook Road, who was recently named as one of Detroit's Women of Achievement by the Soroptimist Club, will lecture to the Northville Business and Professional Women's Club on the Passion Play. The dinner meeting will be held at the First Methodist Church House on Monday, April 28.

Mrs. McColl's lecture on this play, which is given every ten years, in Oberammergau, Bavaria, is her specialty and has been given from here to Florida.

Saturday, April 26, members of the Northville club will attend the District Two meeting of the BPW at the Mayflower Hotel, Plymouth, Miss. Elizabeth Etz, president of the local group, announces that the business meeting will begin at 2:30 p.m. with dinner following at 6 p.m.

● Try the Want Ads!

NOVI GIRL SCOUTS

All Novi Scout and Brownie Troops will meet on Wednesdays after school instead of Tuesdays since the Farmington Leader Training Course has been completed.

The Novi Brownie Troop No. 3 met in regular session on April 15. The members of the group planted zinnias and marigolds in

pots donated by the George Clark Hardware. They learned a new song "All Night, All Day" and played new games assisted by intermediate scout, Sharon Edelman.

Marion Flentz and Janet Shaibe returned to the group. The meeting closed with disappearing taps. The group was treated by Virginia Root and Marion Flentz.

"Every-Whereables"*

by

Evelyn Pearson

Wherever you go... whatever you do, you'll be well turned out in this fresh young fashion. You'll love the spanking white trim... the "sunflower" pockets... the clever back-wrap... the way it takes to tubbing.

Sanforized corded chambray in Blue Mist, Charcoal,

OFFERING—

This older six room and
bath home, in fine condition,
at 442 Randolph. Living room,
dining room, kitchen and
NEW sunroom on the first
floor; 2 bedrooms and bath,
on second floor. Fine large lot,
with live stream flowing
across rear of lot, terraced.
Offered simply because seller
has need for a larger home, in
which he is now located, and
is arranging an apartment in
this larger home for the oc-
cupant of the home now being
offered. The price is \$7900
with about \$3500 down, the
seller being amply able to car-
ry the balance with monthly
payments of \$50.

A choice building site in
Northville Hills Subdivision.
2.19 acres. Seller has other
plans and will sacrifice for
quick action.

One of the very few desir-
able lots left in Oakwood Sub-
division. 80 feet frontage, 132
feet deep. On Grace Avenue
in natural forest surroundings.

Fourth Sunday—Sodality of Our Lady, 10:30 Mass.

Altar Society meeting—every Wednesday before the third Sunday of the month.

Christian Science Churches
Is there a "hereafter" and how may one prepare for it, if there is? That question has puzzled many. The answer will be found in the Lesson-Sermon to be read in all Christian Science churches on Sunday, April 27, under the subject "Probation After Death". The Golden Text is from Psalms (49:15): "God will redeem my soul from the power of the grave: for he shall receive me."

Among the Bible citations is this passage, (Prov. 4:23): "Keep thy heart with all diligence; for out of it are the issues of life."

First Baptist Church, Novi
Rev. C. Gillman Morse, Pastor
Sunday April 27, 1952:
10:30 Morning Worship Service.
Rev. Donald Grey of Lansing, speaker.
4 p.m. "Trip Around the World".

7:30 p.m., Senior Youth Fellowship will meet at the home of Gilbert Black.
Wednesday, 7:30 p.m., Choir rehearsal.

Sunday May 4: Camp Booster Sunday.

A United Nations Seminar, sponsored by the Detroit Conference on May 12-15. Call Church office for further information.

Trout Fishing April 26

This scene will be common to Michigan's many trout streams beginning April 26. Trout fishing attracts a breed of fishermen about as rabid as they come. They invade the streams armed with all the usual trappings, including the beat up but cherished topper which frequently serves as more than a sunshade. Conservation department again plans to release well over 1,000,000 legal-size trout as a supplement to natural stream production. About 200,000 will have been planted by opening weekend.

3 Baptist Churches Plan 'World Trip'

A unique trip around the world in one evening has been arranged by three of the area Baptist churches for Sunday, April 27, beginning at 4 p.m. Co-operating in the affair are the churches of Walled Lake, Novi and Plymouth.

Each church will represent a foreign country. The decorations, costumes, program and lunch served at each church will be characteristic of the country represented, said the Rev. Mr. C. Gillman Morse, pastor of the First Baptist Church, Novi.

The Novi church will have the Rev. Mr. Donald Grey, of Lansing, whose sister is a doctor in Buina and India, as their guest while portraying India. Rev. Grey will speak at the morning worship service of the church as well as take part in the evening program Japan will be represented by the Walled Lake church and the Plymouth church will portray Latin America.

The tour may be started at any of these churches, said the Rev. Morse. The programs of the three churches are coordinated so that all churches can be visited during the evening.

An offering which has been designated for missions, will be the only charge for the evening.

At the teenager dance Friday night at the Recreation Bldg. Wilson Funk, recreation director, reports that 14 girls and 31 boys attended the function.

Automobile Club to Finance Trip For Safety Patrol Boy

Northville's Elementary School will be honored as one of 101 Michigan elementary schools having outstanding safety patrols in their areas this school year, according to Automobile Club of Michigan records.

In recognition, it will be invited to send a safety patrol boy on a tour of Washington, D. C., from May 8 through May 11, Ernest P. Davis, Auto Club Safety director, announced. Name of the boy, to be selected by school and Club officials, will be determined soon. In March the American AAA patrol boy was honored with a special U. S. Post Office commemorative three-cent stamp.

The 101 Michigan school patrols singled out for honors were selected on the basis of efficiency and effort, as revealed in school records. All expenses of the patrolers' trip by special section of a crack train to Washington, D. C. will be borne by Auto Club as a small reward from the motoring public to Michigan's 43,000 AAA safety patrols.

"Superintendent R. H. Amerman, Principal C. T. Pregitzer and local police can feel jointly honored with the safety patrol for the patrol-boy stamp being used this year. Their efforts along with those of 1,200 other Michigan schools in this program helped keep our child pedestrian death rate so low last year," Davis said.

CARD OF THANKS

We wish to express our thanks and gratitude to relatives, friends and neighbors, the Winona Club, Patriotic Club, Royal Neighbors, Macabees, 500 Club, Dr. Atchison and his staff for kindness and sympathy shown us at the time of the illness and death of our husband father and brother. Specially do we wish to thank N. C. Schrader, Jr., and staff and the Rev. Mr. William A. Johnson for kind and comforting words. Mrs. Ernie Lyke
Mr. and Mrs. Arthur Lyke and Family
Mr. and Mrs. Fred Lyke
Mr. and Mrs. William Cornelius
Mrs. Arthur Lyke, sr.

CARD OF THANKS

My sincere thanks to Dr. Harold F. Fredsell, OES, Northville branch of Woman's National Farm and Garden Assn., Drs. Atchison, Wetterstrom and Robinson and the staff at Atchison Memorial Hospital and friends who so kindly remembered me in various ways during my recent illness.
Maude Price 47x

CARD OF THANKS

We wish to thank all those who sent cards and flowers at the passing of our mother, Mrs. Caroline Kaiser of Plymouth.
Mrs. Katharine Pickell and brothers and sisters 47x

CARD OF THANKS

An expression of appreciation to the doctors and nurses at Atchison Memorial Hospital for the excellent care and kindness afforded me during my stay there.
Marshall C. Huff.

Novi News

By Mrs. L. Ritz

Mr. and Mrs. Flint have returned to their home at Twelve Mile Rd. after spending two months in Florida.

Mr. and Mrs. Chas. Perry and Grace and Janie Leavenworth attended the silver anniversary concert at the Pontiac High School last Wednesday night. Chas. Perry, grandson of Mr. and Mrs. Perry, played the drums in the band.

A Spring Festival will be held at the Novi Methodist Church on Wednesday, May 7th. The affair, sponsored by the W. S. C. S., will have on sale, needle-work and baked goods. A luncheon will be served beginning at 11:30-12 noon.

The following officers have been elected by the Novi W. S. C. S.: Evelyn Cotter, president; Nesbie Button, vice-president; Bernice Hairawood, secretary, and Signa Mitchell, treasurer.

The Operetta, "Up On Old

OBITUARY

ERNEST E. LYKE

Funeral services were held Monday, April 21, from the Schrader Funeral Home, for Ernest E. Lyke, 72, who was a Northville village employee for more than 20 years. Mr. Lyke died at University Hospital, Ann Arbor, on Friday, April 18, after a long illness.

Officiating at the service was the Rev. Mr. William A. Johnson, pastor of the First Methodist Church. Burial followed in Rural Hill Cemetery with Joseph Denton, Thomas Carrington, Frank Hill, Fred VanAlta, Elmer Perrin and Fred Wendt as pallbearers.

Mr. Lyke, who with his wife, Blanche, lived at 319 South Rogers St., was born on March 15, 1880, in Northville Township to Edgar and Frances Reeves Lyke. He had lived in Northville for 43 years. Seven years ago he retired from his village position on the police force. He was affiliated with the Knights of Pythias and the Forresters. Mr. and Mrs. Lyke celebrated their 43rd wedding anniversary on March 29 of this year.

He is survived by his wife; one son, Arthur of 127 South Rogers St., two brothers, Fred of Northville, and Arthur of Topeka, Kan., and a sister, Mrs. Grace Cornelius of Detroit, as well as two grandchildren, Faye and Carole.

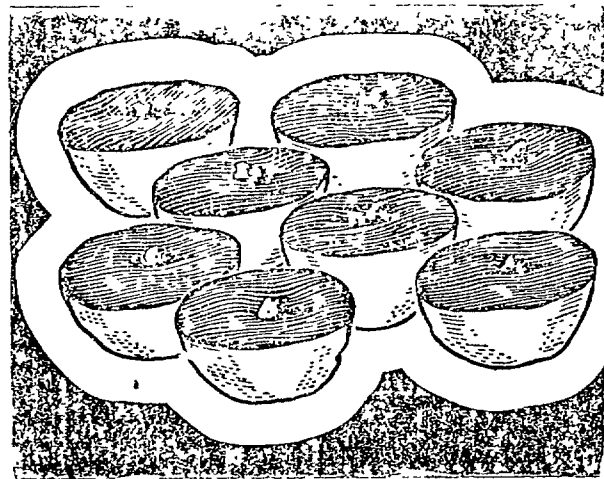

LINDA DIANA BURTON

Funeral services were held, Tuesday, April 22, for Linda Diana Burton, daughter of Pfc. and Mrs. Allan Burton. Linda died at birth on April 21 at St. Joseph's Hospital, Pontiac. Mrs. Burton resides at 974 Ann St., Walled Lake, while her husband is stationed in Germany.

The Rev. Mr. C. F. Oliver, pastor of the Walled Lake Methodist Church, officiated at the services which were held from the Richardson-Bird Funeral Home, Walled Lake. Burial was at Oakland Hills Memorial Gardens.

Mr. and Mrs. Justin Burton of Eleven Mile Rd. are the paternal grandparents and Mr. and Mrs. Allan Willis of Walled Lake are the maternal grandparents.

FORD WINS AGAIN!

TAKES FIRST PLACE IN CLASS "A"

IN THE 1952

Mobilgas Economy Run

Ford's the Class "A" Winner for 3rd Consecutive Year!

New Ford Mileage Maker SIX Thriftiest in its Field!

Again this year... Ford was first in gas economy over all cars in its price class in the Mobilgas Economy Run. In this toughest test, a Ford Six with Overdrive (optional at extra cost) averaged 53.855 ten-miles per gallon and 25.463 actual miles per gallon. A very important contributing factor is Ford's Automatic Power Pilot which squeezes the last ounce of power out of every drop of gas. Found for pound, Ford's All-New Mileage Maker Six is definitely the most economical low-priced car to run!

Ball Team Splits Two Game Series

The Northville High School baseball team opened the season by splitting a two-game series with the Howell nine, losing the first game at Howell April 17, 10 to 2, and winning the second game at Cass Benton Park April 18, 4 to 2.

Ken Rowe's home run in the first game with the bases empty didn't help the Mustangs, as Howell picked up runs consistently to run the string to ten. Don Thomson, who pitched one and one-third innings, was charged with the loss. He was relieved by Charlie Rebitzke. Howell accumulated its ten runs on six hits and committed no errors. Northville got two runs on five hits and were charged with five errors.

In the second game, on April 18, the Mustangs picked up runs in the first, third, fifth and sixth frames to outdistance Howell 4 to 2 behind the effective pitching of Ken Rowe. Gehringer was tagged with the loss for Howell.

Coach Al Jones, assisted by Coach Dick Kay, will send the Northville team against Clarenceville at Cass Benton Park this afternoon, Thursday, at 4 p.m. A return game will be played at Clarenceville Monday, April 28.

CARD OF THANKS

James E. Straus wishes to thank the Drs. and staff of Atchison Memorial Hospital for the care and consideration shown following his recent accident.

A NATION REBORN:

An amazing event is taking place right before our eyes in the rebirth of the Nation of Israel. Israel's natural population increase is the largest in the world. The Jewish population of Israel in 1948 — the year the State was created — was 565,000. The population today is 1,800,000, more than double the number there when the State was formed.

What is the meaning of all this? Perhaps the average person sees nothing beyond the will of these suffering people to survive and live normal lives. But to the student of the Bible it is the fulfillment of prophecy regarding the Jewish people. Though the present exodus back to the land is not the regathering spoken of in Jeremiah 23:7-8 and Ezekiel 34:11-13 (for the regathering spoken of in these passages will be a miracle performed by the Lord) yet the stage is definitely being set for the events which follow. A seven year treaty will be made between the forces of the Great Dictator and the Jewish nation (Daniel 9:27) Israel must, of necessity, be back in the land for the making of that treaty. Keep your eyes upon the land of Palestine for it shall be the hub of activity at the end of this age.

UF Asks Village to Join Torch Drive

A proposal to join with the United Foundation of Metropolitan Detroit in their October, 1952, UF Torch Drive has been made to the Village of Northville. The Coordinating Council received and discussed the proposal at its last meeting, held Thursday evening, April 17.

The council has been asked to have the plan presented to the various service clubs in the village for approval or disapproval. At the present time 205 people who work in the Northville Ford Valve Plant and employees of the Detroit Edison Co. in Northville and a few residents who contribute to the Torch Drive in Detroit are helping with the support of agencies which may benefit the entire community. Representatives of the UF feel that Northville should carry its share of the Wayne County quota for the 17 United Health and Welfare Agencies, American Cancer Society, Detroit USO and the Metropolitan Detroit Polio Foundation. The share for our village amounts to \$2,523, which is based on .00133 ratio of Northville to Wayne County population.

Funds collected by the annual Torch Drive finance services to Northville residents of the Visiting Nurse Association which will have an anticipated cost of \$560. The drive also pays for services totaling \$325 given to the Northville Boy Scouts by the Detroit Area Council.

Although such a drive would eliminate some other charitable drives in the business and industrial areas of Northville, residential membership drives would be carried on to cover their budget needs.

Current Social
Security Standing

Is it worth two cents to satisfy your curiosity? Ray V. Haning, Manager of the Detroit-Northwest Social Security office says that's all it takes to learn how much in wages has been credited to your Social Security account.

Your interest when you reach 65 or your family's, if you should die, may be considerably more than idle curiosity. It is on this account that any social security payments must be based. Failure of this account to show all your earnings under social security may mean reduced payments.

January 1, 1951, regular full time farm laborers and regular domestic help came under social security. In April, 1951, farm operators and housewives were required to make their first reports of the earnings of these employees.

Generally, these employers undertook to fulfill their obligations. For practically all of them, however, reporting was a new and perhaps puzzling experience. And some, it must be presumed, were not immediately aware of their obligations, in spite of concerted efforts to publicize them.

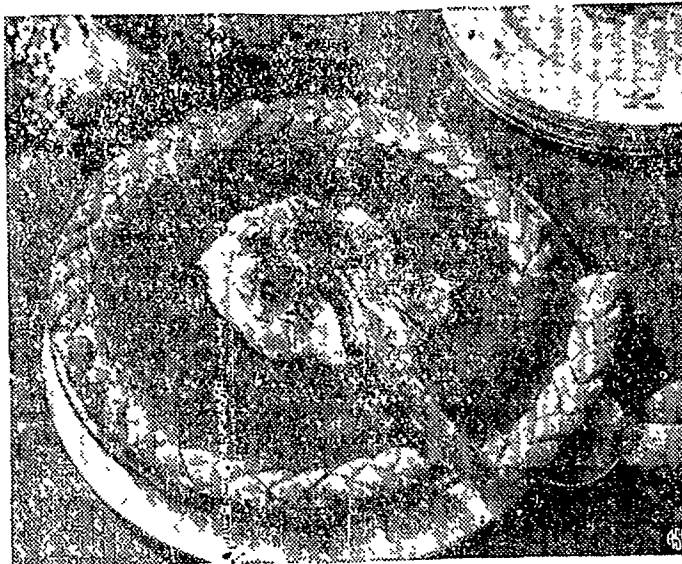

It is possible, then, that some of these employers, because of their lack of familiarity with the procedure, have reported their employees incorrectly, or that some, because of a misunderstanding, have failed altogether to report.

Therefore these workers who have recently come under the law may have reason to inquire about the correctness of their social security accounts. To make the check requires only a few minutes' effort and a two-cent stamp. Any social security office will furnish a simple post card form for this purpose. This post card form will bring within a short time a statement showing total earnings under Social Security, September, 1951, the last month since January 1937 through now included, and, individually, earnings for each of the last three years.

The Social Security field office located at 12065 Wyoming, corner of Grand River has a supply of these cards and will be glad to furnish them without charge.

To preserve the fit of your gloves, take a tip from the glove salesperson who eases the fingers on first and then puts the thumb and palm into the glove. To remove, Michigan State College clothing authorities suggest peeling the glove off after loosening the fingers gently.

The Coconut Pie Mystery

Here's a mystery that will have you asking "what dunnit" instead of "who dunnit"! What makes this Coconut Macaroon Pie so mysteriously different? In the making process, it doesn't seem at all out of the ordinary—a mixture of good ingredients; a pie shell. But during the baking process, something quite amazing happens. The ingredients separate—some of them rise to the top and form a wonderful crunchy macaroon-like layer; the rest stay "downstairs" and bake into a velvety custard. What dunnit? Who cares! Just make it and serve it. It's terrific!

Coconut Macaroon Pie

1/2 recipe pie crust
1/2 teaspoon salt
3 egg yolks
1 1/2 cups sugar
1/4 cup milk

2 tablespoons butter, melted
1 teaspoon lemon juice
1/4 teaspoon almond extract (optional)
1 1/2 cups shredded coconut, cut
3 egg whites, stiffly beaten

Line a 9-inch pie pan with pastry, rolled 1/4-inch thick. Flute edges. Chill. Add salt to egg yolks and beat until thick and light. Add sugar, 1/2 cup at a time, beating well after each addition. Add milk, butter, lemon juice, and almond extract. Blend well. Fold in coconut and egg whites. Turn into pie shell. Bake in moderate oven (375°F.) 50 minutes, or until knife inserted comes out clean.

101-Day Ocean Voyage on Raft Heads
Coming Week's Films at P-A Theatre

Two top-billing movies, "Kon-Tiki" and Walt Disney's "Fantasia", will be playing at the Northville Penniman-Allen Theatre this week and The best seller, "Kon-Tiki", is slated for Thursday, Friday and Saturday, April 24, 25 and 26 while the Disney musical-technicolor picture will play on Sunday and Monday, April 27 and 28.

The Donald O'Connor and Peggy Ryan musical "Mr. Big", will play on Wednesday, April 30, along with the western, "Riders of Santa Fe". Rod Cameron will be the star in the western. The first show will begin at 6:45 p. m.

Another re-issue of a "great movie of the past" will be seen on Thursday, Friday and Saturday, May 1, 2 and 3. It is the technicolor Danny Kaye and Dinah Shore movie, "Up In Arms". Three hours of outstanding comedy evenings with Bob Hope's "Got Me Covered" also on the bill. The last complete show starts at 8:40 p. m. for this special feature.

"Kon-Tiki", which will star Thor Heyerdahl and members of his expedition, is a documentary record of a 101-day voyage on a 40-foot balsa-wood raft from Peru to Tahiti undertaken by six Scandinavian scientists, headed

by Heyerdahl. His published account of the voyage became a best seller. Heyerdahl himself narrates the movie.

The Michigan Council provides free vacation information services at offices in Chicago, Detroit, Cleveland and Lansing.

Mrs. Kaiser, 82,
Dies in Plymouth

Mrs. Caroline P. Kaiser, who resided in Plymouth, and is the mother of Mrs. Katherine L. Pickell, 213 Church St., Northville, died on Saturday April 12 at the age of 82 years.

Services were held Tuesday, April 15, at St. Peter's Evangelical Lutheran Church with the Rev. Mr. Edgar Hoenecke officiating. Interment was in Riverside Cemetery.

Mrs. Kaiser was born in Germany and came to Plymouth at the age of 14. She has been a member of St. Peter's Evangelical Lutheran Church for almost 70 years and a member of the Ladies Aid of that church. Her husband, Gustav Kaiser, preceded her in death on May 11, 1924.

Surviving besides Mrs. Pickell are two sons and two daughters, J. William, Fred W. and Mrs. Caroline B. Rhead, all of Plymouth.

Novi Twp. Exceeds
Red Cross Quota

Novi Township was announced this week as one of seven Oakland County areas to surpass its goal in the 1952 fund campaign for the Oakland County Chapter, American Red Cross.

The Novi quota was \$978.18 and solicitors in the township have reported collection of \$1,010 to date, which is \$31.02 over their goal.

People of Addison Township, Huntington Woods, Milford, Farmington, Royal Oak City and Township and Waterford Township have also put their communities out in front, said Gar A. Sweezey, campaign chairman.

The Oakland County Chapter quota is \$115,000 plus \$11,000 for flood and tornado victims. Of this total goal of \$126,000, only \$87,877.67 has been collected by the 36 local chapters.

16 Local Youths Join State Troops

Sixteen Northville and Novi men took part in the mustering ceremonies for Company D, 1st Battalion, 31st Regiment of the Michigan State Troops on April 10 at the drill area of the armory on West Eight Mile Rd. where the State Troops are headquartered. On that day, D Company having reached the required minimum strength, was officially activated.

The local men, most of whom are new recruits, are Douglas

Bennett, John Burgess, James Clark, F. Coury, Albert Cronquist, William Dietz, Jerry Freydl, William Gaab, James Goodell, Duane Hoffman, James Mitchell, Donald Maclean, Harvey Russell, Bruce Wagenschutz, Robert Westerfield and Charles Westerfield.

Enlistments in "D" Company will be accepted from qualified applicants for a limited time only, said Second Lt. Raymond Pezzi, executive officer of Company D. To qualify, applicants must be a male resident of the State of Michigan between the ages of 17 and 55 and be able to pass the physical examination.

Pvt. Barber Wins Service Certificate

During graduation exercises at the Eta Jima Specialist School in Japan, Pvt. Robert J. Barber, of Northville, was congratulated and awarded a certificate of efficiency by Col. Kimball C. Smith, assistant commander.

Pvt. Barber completed the combat construction course with a grade of 92, highest in his class.

Enlistment is for a period of three years and required attendance is once a week from 8 to 10; at the Eight Mile Rd. armory. Charles Hiltz, 767 Fairbrook Rd., will accept enlistments or contact may be made with any recruiting personnel at the armory from 8 to 10 p.m. Monday and Thursday evenings.

Years Ago In Northville

Items Taken From the Record's File

One Year Ago: Fred Hunter, of the Optimist Club, congratulates James Lapham, who received the D. Harper Britton Memorial trophy on behalf of the tenth grade homeroom headed by Miss Florence Panatoni. The trophy is presented to the high school room which gets the greatest number of voters out to the polls on election day.

One Year Ago—

Hundreds at the high school jammed the midway at the PTA Carnival to make the event an outstanding success. Funds from the carnival are marked for PTA scholarships and other worthy school projects.

Decreasing memberships and apparent lack of interest caused directors of the Community Concert series to discontinue them. A balance of \$121 in the working fund was turned over to Leslie Lee, high school music director.

The Kroger Co. leased the Christensen building on East Main St. in preparation for the forthcoming opening of the new Kroger store.

Walled Lake Casino ballroom prepared for its spring opening. Mr. and Mrs. Harry S. German, of Carlton, observed their Golden Wedding anniversary on April 15. Mr. and Mrs. Barney Tuck made plans for their 50th wedding anniversary open house on April 29.

Five Years Ago—
A public address system, consisting of a turntable, program timer, microphone, room return and radio with FM reception, was installed in all rooms at the high school and shop in the grade school, making it possible to hear programs from Ann Arbor and Michigan State College.

Several Extension Agents met at the Northville Library April 11 to make plans for 4-H Club boys and girls to go camping this summer.

The Mustangs defeated Walled Lake High School 5 to 4 to open the 1947 baseball season. Charley Cole was the winning pitcher. The Veterans of Foreign Wars Post 4012 Auxiliary installed Mrs. Damar Risher as new president.

History was written when the local congregation of the Northville First Presbyterian Church elected three new elders for the first time in ten years. Elected and ordained were Dr. C. E. Woodruff, John Blackburn and Clarence Davis.

Ten Years Ago—

Despite the increased cost of improving Hill Springs and the contemplated construction work on Bernhardt Spring, the Northville village budget for the year is \$1,000 lower than last year.

A distinct honor has come to Ernest Racz, who was chosen by Director Joseph Maddy as a member of the famous National High School orchestra which meets each summer at Interlochen.

New honors came to Kathleen Ruck, young Northville pianist, when she was successful in winning third place in the final state contest sponsored by the Michigan Federation of Music Clubs held Saturday at Battle Creek.

Fifteen Years Ago—

Confirmation came Thursday that the Kehrl well, Salem Township, gave a 16,000 pound rock pressure assuring a daily production of some 15 million cubic feet of gas.

The dedication of Northville's \$89,000 grade school building was an event of Thursday night. Dr. Lee Thurston, deputy state superintendent of public instruction, was the principal speaker.

The vote of Dr. H. H. Burkart, village mayor, was the deciding factor in favor of granting a dance permit to Norton's Inn. The absence of Commissioner W. T. Gregory placed the affirmative votes of Floyd Shafer and J. W. Perkins at a draw against the negative expressions from George Hicks and Elmer Perrin.

Twenty Years Ago—

The Mustangs opened the baseball season, defeating Milford 4 to 1, with Chuck Mankin getting credit as the winning pitcher.

Virginia Kuehn, champion speller at the junior high school, was runner up in the district spelling bee at Plymouth. She lost to Lorraine French, of Stark School.

The personnel of Northville schools are working out the details for the two sugar registrations April 27-29 for retailers and wholesalers, and May 4-7 for consumers.

Northville is cooperating with Detroit and other communities in Wayne County for a practice blackout from 10 to 10:15 p.m. May 15.

Forty Years Ago—

Northville ladies have not yet adopted the wearing of overalls as a working costume as we have read that women are doing in many places, but probably the local belatedness in that respect is due to the fact that our merchants haven't yet displayed those garments for feminine wear. Northville ladies are usually right up-to-the-minute when it comes to styles.

Greenfield Village Starts New Season

Summer season at The Henry Ford Museum and Greenfield Village began last Saturday, April 12, marked by a new Reception Center, the reopening of five buildings closed during winter months and new, lower summer rates.

Total attendance for the first quarter of 1952 is already more than 25,000 over last year. Fifteen thousand more people have been through the museum and nearly ten thousand more visitors have toured the Village out of the 41,000 total attendance.

The Gate Lodge, which previously served as entrance to the Village only, has been remodeled inside and renamed "Reception Center" and now receives all visitors to both the Museum and Village. The gift counter has been enlarged and repositioned to facilitate easier handling of traffic. An information booth has been built to supply travel directions and help with tourist accommodations as a service to out-of-state visitors.

The Sarah Jordan Boarding House, the Edison Homestead, the Cotswold Cottage, Kingston Cooper Shop and the Tintype Studio have been reopened for the summer season.

The Old Time Movie Program, a popular winter feature, will continue through May 4, and be resumed next fall.

Lower summer rates went into effect Saturday. Standard adult admission is 85 cents for the Village and Museum each, with combination tickets available at \$1.50. Children under 12 years of age are admitted for half price with a combination ticket for 75 cents. Educational rates continue as before at 15 and 30 cents for each and special carriage tours of the Village remain at \$1.00 each.

The Detroit-Windsor Tunnel is the first vehicular tunnel ever built between two countries. One thousand automobiles an hour can stream through the mile-long tube which dips 80 feet below the surface of the Detroit River.

ARTHRITIS—RHEUMATISM

Do you suffer the pains of arthritis and rheumatism? Do your shoulders, hands, knees, or feet pain you? Do you wake up mornings fatigued, actually more tired than when you went to bed? Do you feel discouraged and down hearted, as though it were all impossible?

Well, dear friend, I have gone through all of this for twelve years, with very little relief after having carried on a program of treatment which cost nearly thirty dollars a month for several years.

During these last twelve months, however, I have found blessed relief, all without the use of drugs and at a cost of a few dollars a month. I cannot express my full appreciation for the marvelous improvement I have experienced.

If you will send me your name and address, I shall be very happy to give to you information regarding the nature of the product that has given me such wonderful relief.

Sprouting and storage losses of root crops controlled with maleic hydrazide

A new growth regulator, maleic hydrazide, has reduced or prevented sprouting of stored onions, potatoes, sugar beets and vegetable root crops in experiments conducted by Michigan State College Agricultural Experiment Station. Sprayed on plant leaves at specified times before harvesting, maleic hydrazide has lengthened the storage life of onions, even perishable hybrids. Treated potatoes have been kept up to 12 months without sprouting. Storage losses of carrots, beets and other vegetable root crops have been greatly reduced. For full information call, write or visit your County Agricultural Agent.

"Visual Truck" helps preserve telephone service

Telephone wires and cables exposed to weather get periodic inspection to make sure they are in good condition. A big time-saver on such a job is a special ladder truck, with an aerial platform that can be shifted in a complete circle 21 feet above the ground. Michigan Bell is making more and more use of this truck, because it gives inspectors free use of both hands, and enables them to inspect wires over parked cars and trucks. It's another of many modern methods which Michigan Bell uses to preserve dependability and quality of telephone service.

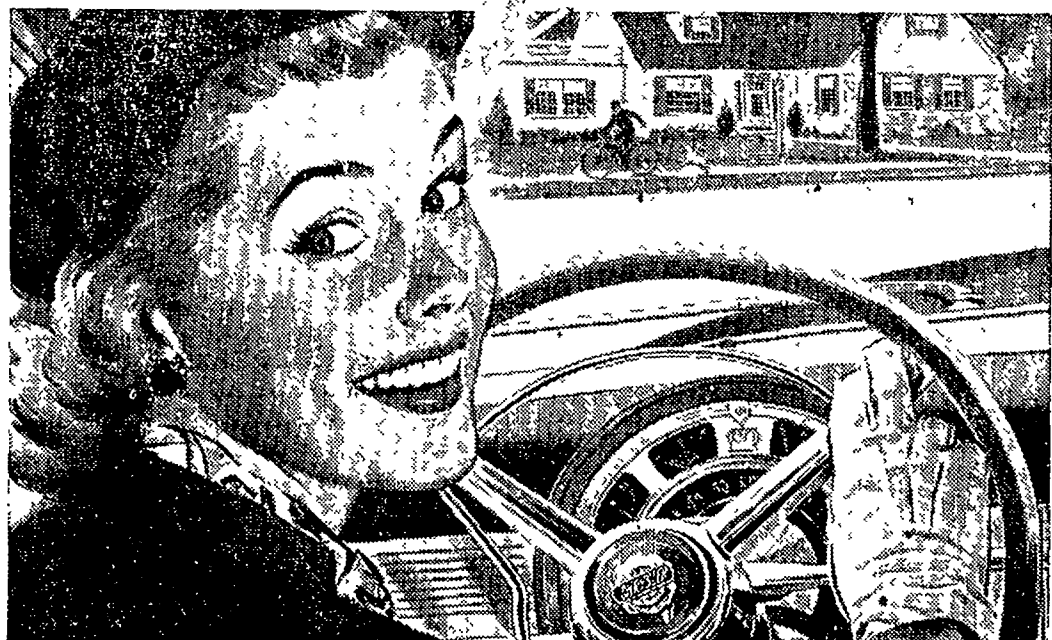

MICHIGAN BELL TELEPHONE COMPANY

SHE'S THE SAFEST LADY ON THE ROAD

With Chrysler **POWER STEERING** plus Chrysler **POWER BRAKES**

At the wheel of a new Chrysler, you have quicker, surer control of motion than you've ever had in a car. You can't imagine what it's like till you drive it! With this full-time power steering, hydraulic power does 4/5 the steering work at your gentle pull on the wheel! You also turn the wheel 1/3 less distance. And on rough roads, soft shoulders, snow or sand, "wheel fight" just doesn't happen. Your hand actually has five times the usual steering control, through every minute of every mile... with the same sure "wheel feel" at all times!

With this safer way to steer, power brakes make stops at all speeds safer and easier, too. Power from the engine "boosts" every touch of your toe. Actually you stop with up to 2/3 less foot pressure than non-power brakes. You can bring your Chrysler to a halt from full speeds in many feet less distance than other cars of comparable size can stop. See your Chrysler dealer soon. Feel for yourself why thousands of owners say Chrysler offers the two greatest advances in many years in driving safety and driving ease!

Teacher, Students Visit Chicago Mart

Carl Zwinnick, Northville High School science teacher, accompanied six students to Chicago during the high school spring vacation last week. They visited science museums, and were escorted on a tour through the 93-acre expanse of the Merchandise Mart.

In addition, the group visited the Mart's "Good Design" exhibition, a permanent display of the best new designs available on the American home furnishings market as selected by the Museum of Modern Art in New York.

The Merchandise Mart contains seven and one-half miles of corridors and is exceeded in size only by the Pentagon Building in Washington.

Twice yearly, for two-week periods, buyers from across the world attend the International Home Furnishings Markets in the Mart.

Legion Pageant Reviews History

The American Legion believes there's no business like show business — to whip communism.

To that end, 30 points in the state of Michigan are being mobilized to handle local details of "Know Your America," a musical pageant sponsored by the Legion which has its opening date at the Holland Tulip Festival May 16.

Narrated by Dale McIntyre of Radio Station WJR of Detroit, the hour and one-half show will depict some of the advantages which have made our nation great.

In a flash-back to Revolutionary War Days, the pageant will progressively show how freedom of thinking, individual initiative and private enterprise aided greatly in bringing about the strong USA as it exists today.

Actual demonstrations of mechanical inventions starting from the electric light and continuing through jet propulsion will be included in the production.

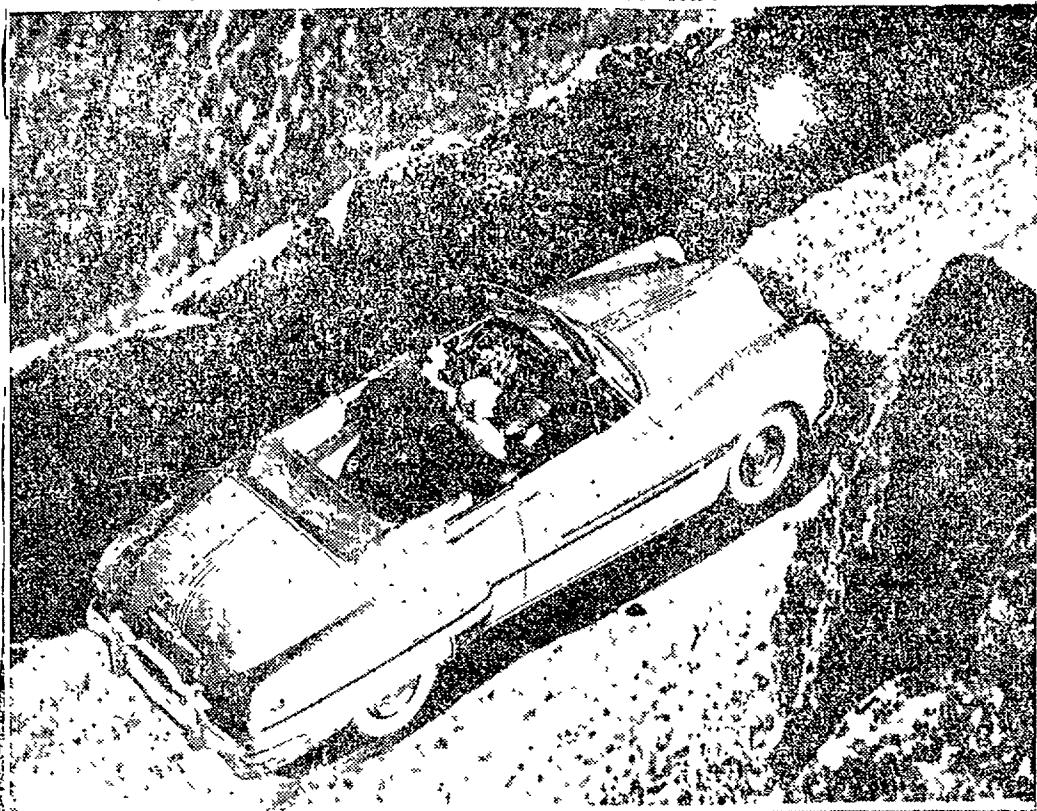

An accompanying exhibit will feature a pictorial review showing replicas of famous American documents such as the Declaration of Independence and the Bill of Rights.

Climax to the production will be a short plea for a stronger American spirit by State Legion Commander Thomas Rounell of Dearborn.

Exchangites See Airlines Color Film

Members of the Northville Exchange Club saw the newest American Airlines color movie, presented by its representative, James C. Lowrie, at the club's April 16 meeting. The movie pictured vacation activities in resort areas of Mexico, including deep-sea fishing at Acapulco, which was more popular than the strenuous water-skiing done there.

ENGINE SPEEDS AUTOMATICALLY MATCH TERRAIN

Illustrating engine and transmission performance "tailored" to driving conditions are these 1952 Pontiacs shown in boulevard and mountain road settings, both traveling at 45 miles per hour. In the hill-climbing car the engine is turning over at 2500 rpm in high, using the extra performance setting of the Dual-Range transmission. In the level-driving scene, at the same speed, the engine is turning over at 1700 rpm, giving a gliding, "coasting" ride. Here the Hydra-Matic transmission is set for "normal" driving range. By developing a power train combining high compression engines, two transmissions and an unusually low rear axle ratio, engineers have aimed at maximum economical performance — whatever the driving conditions.

David Lee Wins MSC Scholarship

David Lee, son of Mr. and Mrs. Leslie G. Lee, of Fairbrook Rd., has been awarded one of the 402 scholarships granted by Michigan State College, said J. Robert Stewart, MSC scholarship director. The awards, which become effective in fall term, 1952, were awarded to high school graduates from 76 Michigan counties.

David is the second member of his family to receive such a scholarship. His sister, Mary Louise, who was graduated from Northville High School in 1948, is attending State on a music scholarship. David has not as yet decided whether he will attend MSC, although the scholarship is very tempting, said Mrs. Lee.

Selection of winners was made on the basis of scholarship, leadership and citizenship qualities displayed in high school, said Mr. Stewart. These qualities were also the criteria used by the Northville Rotary Club in selecting Dave to attend Wolverine Boy's State in 1951 under its sponsorship. This winter, Dave toured and studied in Europe under the auspices of the Rotary International "Youth For Understanding" program.

The MSC scholarship covers tuition fees of the recipient and is awarded for one year. It may be renewed for four years if the student maintains a satisfactory scholastic average. Other winners from this area are Gladys Witt of Plymouth High School; Mary L. Passmore, of Bentley High School, Lovonia; Edwin A. Robertson, of Walled Lake High School; Joann M. Kinne, of South Lyon High School; and Norman L. Raupp, of Farmington High School.

Novi Lodge News

Six members of Novi Rebekah Lodge attended "Visitation" at Fidelity Lodge at Ferndale Wednesday night, April 16.

Sisters Elsie Kent and Dorothy Snow entertained the Novi Past Noble Grand Club at a dinner party at the hall last Wednesday April 16.

Noble Grand Kathryn Bachett, Flossie Eno Rowena Salow and Eva Behndt accompanied Sister Della Farmer to the Rebekah and Odd-fellow Home in Jackson Monday, where Mrs. Farmer will make her future home.

"Mibs" Tournament Thursday, Friday at Grade School

The annual marble tournament, sponsored jointly by the Northville Recreation committee and the Optimist Club, will get under way this week on Thursday and Friday with contests in the kindergarten, said Wilson Funk, director.

The tournaments, held during recess and lunch hour at the Northville Grade School, are open to boys and girls of the grade school and junior high.

As co-sponsors of the affair, the Optimist Club is donating the prizes and providing help with the supervision of the contests.

Funk announces the following winners in the skating party held last Friday on High St.: Barbara Rollings, best skater; Patricia Willing, best costume; Lois Leavenworth, fastest girl skater; Christine Mueller, second best skater; Marilyn McLoughlin, second best costume, and Carla Johnson, third best costume.

Rebecca and Nancy Kellogg won prizes as the best couple skaters while Lynn Johnson and Mary Godfrey are the waltz couple champs. First and second place in the boy's class was won by Chris Kovacs and Paul Bay, respectively. Honorable mention was also given for novelty skaters. Winners were N. C. Schrader, Ronnie Dethloff, Sarah Schrader and Larry Angove.

Following the party, the winners were treated to movies by the Optimist Club.

Twenty-eight boys took part in the bike hike on Saturday, April 19, said Funk. The group was divided into two sections with 21 of the boys taking the route up Taft Rd. to Ten Mile Rd., to Napier and down Eight Mile Rd. to town. Only four of the seven members of the second group completed their trip up Center St. to Nine Mile Rd. and home via Eight Mile Rd. The group stopped at the J. P. Malley home on Beck Rd. for refreshments.

ALL GOOD PAINTERS

Swipe

THEIR BRUSHES!

—it saves money

It's a new and better way to clean paint brushes and rollers. Superior to all other methods. And, it saves money, too. SWIPE can be used over and over again. Will not evaporate. You can even switch a paint brush from black painting to white painting by bathing and swishing it in SWIPE for half a minute.

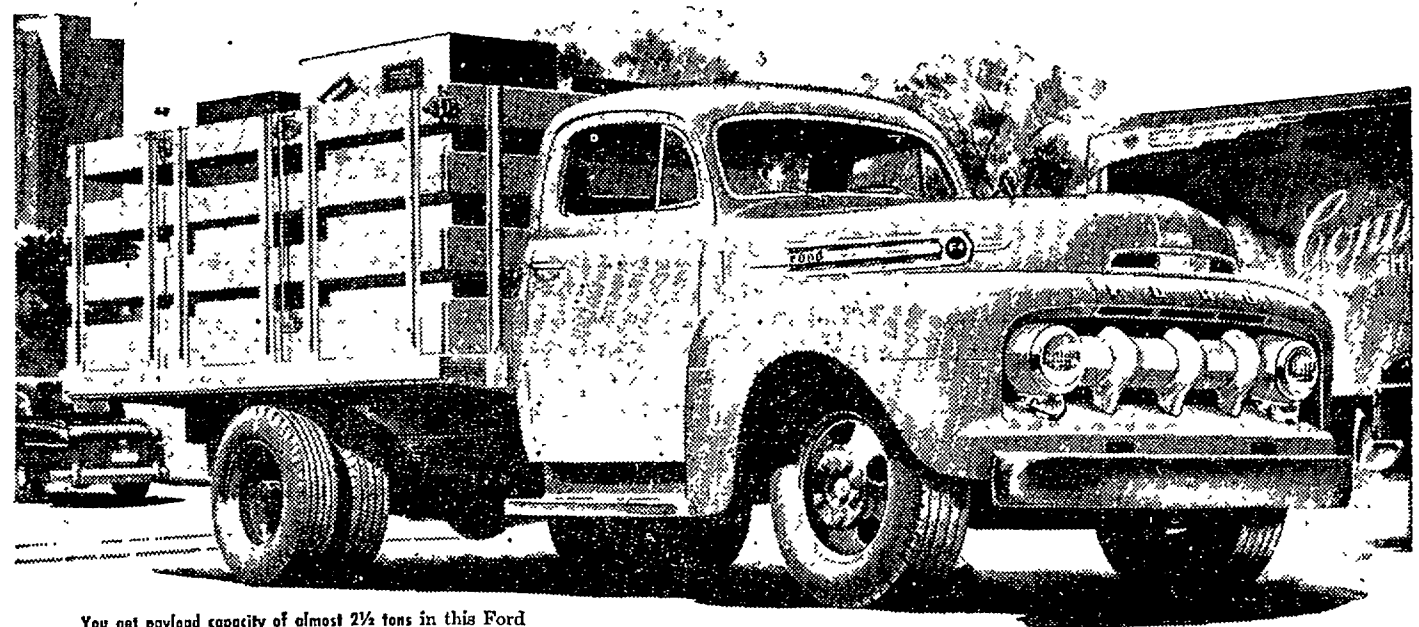

Unnecessary to store brushes or rollers in any solution between jobs if you clean them with SWIPE. It acts to preserve brushes and rollers indefinitely, keeping them like new. Keeps brushes soft and flexible—and will not let them gum up or become sticky. Thousands are using SWIPE and saying "It's tops." Always ask for SWIPE!

WEST POINT PARK NEWS

By Miss L. A. Ault

Miss Marie Bolyard, of Hubbard Ave., spent last Sunday with friends in Garden City.

Miss Francis Hauraneir, of Mayfield Ave., returned Sunday evening from an Easter week-end spent with friends in Detroit.

Mr. and Mrs. Robert Judd and four children, of Grosse Pointe, were Easter Sunday dinner guests of Mrs. Judd's parents, Mr. and Mrs. E. W. Stange, of Mayfield Ave.

Sunday Mrs. John Varhol, of Shadyside Ave., received a "Happy Easter" phone call from her eldest son, Bill, located at the Great Lakes Naval Training Station. Bill expects to complete his boot training about May 18.

Mr. and Mrs. Tom Roberts and children, of Monroe, were Easter Eve guests of Mr. and Mrs. Ernest Ault, of Hubbard Ave.

Mr. and Mrs. Louis Jennings and children, of Norfolk Ave., spent the Easter week-end with relatives in Lambertville.

Ernest Ash, of Seven Mile Rd., returned home last week-end from several days visit to Florida.

Accompanying him on the trip was Coastguardsman Wayne Ault, who has been transferred from Detroit. In August the two young men met Mrs. Cloy Taylor and her daughter, vacationing in Florida. Mrs. Taylor, now living in Northville, is former West Point Park resident.

Mr. and Mrs. Richard Stevens and their three sons, of Hubbard Ave., were Easter Sunday guests of relatives in Hillsdale.

Mr. and Mrs. Magnel were Easter Sunday guests of the McMills, in Detroit.

Mr. and Mrs. Robert Laughman, of Ind., spent the Easter week-end with Mrs. Laughman's parents, Mr. and Mrs. Ernest Tallman of Maryfield Ave.

Freda Ault was calling on Mrs. Chas Haas, in Redford, last Monday.

Mr. and Mrs. Carsner, from Pontiac, were Wednesday evening callers at the home of their son, Kenneth Carsner, on West Avenue, Eight Mile Rd.

Mr. and Mrs. Robert Padot and their little daughter, of Monroe, were Easter Sunday guests of Mrs. Padot's parents, Mr. and Mrs. Jos. Roberts, of Maryfield Ave.

Mr. and Mrs. Irvin Manning, of Berkley, were Thursday afternoon guests of Mr. and Mrs. George Welsh, of Berkley.

Mrs. Harold McMillan and her sons, Terry and David, were Thursday afternoon callers at the home of Mrs. McMillan's mother, Mrs. Ira Magner, of Shadyside Ave.

Mr. and Mrs. Edwin L. John-

Wins Award For Americanism

DETROIT—American Legion's Citation of Meritorious Public Service for one of the most colorful anti-Communism advertising campaigns in business today has been presented to the Bohn Aluminum & Brass Corporation, one of the nation's largest manufacturers of aluminum and brass products. The citation, given for "outstanding service and contribution to Americanism," was presented to Simon D. DenUyl, Bohn president (right), by Thomas Rounell, commander of the Michigan Department of the American Legion.

The Legion action came after it had been revealed that Bohn had appropriated the bulk of its advertising budget for a national magazine and network television—NBC's televised American Forum of the Air—campaign to alert Americans to the dangers of Communism.

son, of Clarita Ave., were overnight guests Friday and Saturday of friends in Jackson.

Mrs. William Barrett, of Irving Ave., attended a meeting of her Pimble Club in Detroit last Tuesday.

Mr. and Mrs. Stuart Shaulier, with their son, Duane, and daughter, Coral Lee, of Farmington Rd., were dinner guests last Tuesday evening of Mr. and Mrs. Gordon Stuart, in Windsor.

After spending Easter with his father, William McLellan, of Westmore Ave., Howard McLellan has returned to Camp Drum, in New York.

Rose Mary Atkins, who was a house guest of Mrs. Carl Johnson, on Fibmore Ave., has returned to her home in Dexter.

Merlen Adams, caretaker at Pierson School, and Mrs. Adams, were Easter breakfast guests of Mr. and Mrs. LaMar, of Inkster, and dinner guests of the Pan-kows, on Six Mile Rd.

Easter Sunday evening guests of Mr. and Mrs. Harry S. Wolfe, of Shadyside Ave., included their son, Don, home from Michigan State College; Mr. and Mrs. Jack Manning, Mr. and Mrs. Harry E. Wolfe and Mr. and Mrs. Albert Owen, from this community.

Mr. and Mrs. Carl Johnson and family, of Fibmore Ave., spent last Sunday at Horseshoe Lake.

Mr. and Mrs. Matt Metts and family were out from Detroit Sunday to participate in a 12th birthday celebration honoring Carol Ann, daughter of Mr. and Mrs. Harry Rickett, at the Rickett home on Westmore Ave.

The new Red Cross station wagon was officially presented to Mrs. Austin Ault, Red Cross chairman, last Monday by Mayor Zeigler and Council President, Harry S. Wolfe.

Mrs. William Spencer and

Martin Outlines Campaign Program For Congress Seat

Homer Martin, Republican candidate for Congress from this district, will campaign for election on a program calling for return to local government units of powers taken over by the Federal government, abandonment of inflationary and enforcement of the Taft-Hartley labor act, rejection of the national policy of seizing private property under the guise of a national emergency, and outlawing of the Communist Party.

Martin describes himself as farmer and small business man, former minister, and founder of the United Automobile Workers

30 Mrs. Edward Brugman, of Phoenix, Ariz., who is a guest of her mother, Mrs. Grace Simpson, was a visitor at this meeting. Mr. and Mrs. Fred Vincent have moved from Mayfield Ave. to Detroit.

Mrs. E. W. Stange, of Mayfield Ave., was an all-day visitor Tuesday at the home of her daughter, Mrs. Judd, near Grosse Pointe.

Al Edison, of Jackson, was a Tuesday guest of Mr. and Mrs. Edwin Johnson, of Clarita Ave.

Pvt. Frederick Schult called from San Francisco Wednesday evening to announce his departure, to an overseas destination. He was able to speak to his mother, Mrs. Herman Schult, of Shadyside Ave. and his elder brother, Herbert Schult, home on leave from Panama.

After a lengthy period of ill health, Mrs. Alice Sherman, of Farmington Rd., died at University Hospital, Ann Arbor, Tuesday, April 15. Mrs. Kenneth Owen, of Farmington Rd., a daughter survives. Funeral services were held at Thayers' Funeral Home, Farmington, Friday afternoon, April 18.

"Our Heavenly Home" was the devotional topic at the last regular meeting of the Sunshine Sisters held in Neighborhood Church Wednesday afternoon. The topic will be continued at the next get-together, on April

Union. His specific proposals call for:

1. Strengthening and enforcement of laws against Communists and outlawing the Communist party;

2. Return to local government every function to which it is entitled under the Constitution, reversing the procedure of the last two decades of federal seizure of power and control;

3. Abandonment of inflationary subsidies which needlessly cost taxpayers and consumers billions of dollars each year;

4. Abandonment of unrealistic, inflationary government hoarding of basic materials;

5. Revocation of the present withholding tax law;

6. Checking inflationary policies which result in devaluation of the dollar and undermine the foundation of the social security program;

Martin advocates certain steps by Congress which he said would encourage the freedom and prosperity of business and the individual. They are: (A) removal of government banking regulations which prevent credit for small business; (B) stimulation of small business by long-term low-interest rate arrangements along the lines of the National Farm Loan Association, a privately-owned enterprise; (C) tax relief for small business and for businesses which share their profits with employees; revision of the present federal tax system; (D) enforcement of the Taft-Hartley labor act, with such amendments as may be necessary to save the nation from dislocations resulting from national strikes; (E) rejection of the present governmental policy of seizing private enterprise, such as the steel industry, under the guise of a national emergency; (F) adoption of a realistic foreign policy designed to protect the United States.

A stone monument in a little park on the main street of St. Ignace marks the grave of Father Jacques Marquette.

Drive It Yourself!

ONLY PONTIAC
GIVES YOU THIS DUAL-RANGE
COMBINATION!

1. Powerful, High-Compression Engine
2. New Dual-Range Hydra-Matic Drive*
3. New High-Performance Economy Axle

A Great Car—a Great Buy—and a Spectacular Performer!

Naturally this new Pontiac is a thoroughly good car—for the Silver Streaks of Pontiac have always identified one of the best all-around automotive values in the world.

But there's something basically better built into this new Pontiac—something you must drive yourself to appreciate fully: Pontiac's spectacular new Dual-Range* performance!

We want you to come in and drive a Pontiac as soon as you can. See for yourself how

Pontiac delivers precisely the power you need, whenever you want it, automatically.

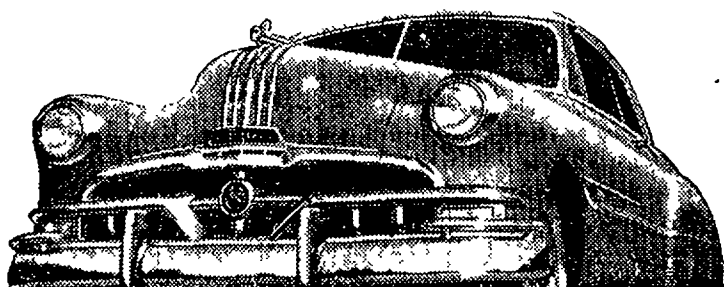

Set your Pontiac in Traffic Range and then pick out the toughest driving you can find—you'll ease through it with no trouble at all, relaxed and confident all the way. Out in the open, switch over to Cruising Range and glide over the miles as though you were coasting—saving gas every inch of the way. Somewhere on your drive, park this Pontiac

for a few minutes and look it over carefully—its distinctive Silver Streak beauty; the luxurious comfort and quality details of its interior; its sweeping full-horizon vision.

Remember, too, you're looking at the lowest priced straight-eight in America. The lowest priced car with Hydra-Matic Drive.

Then drive back to us and get the facts and figures that prove what a great buy this spectacular new Pontiac really is!

Mrs. A. Sherman Passes Away at 68

Mrs. Alice Emily Sherman of Livonia, died Friday, April 15, in University Hospital, Ann Arbor. She lived the last 42 years of her life in Livonia, where she was a member of the Baptist Church.

In addition to her Northville son, Mrs. Sherman is survived by three other sons: Eschel L. of Livonia; Paul R. of Denver, Colo.; and John H. of Livonia; two daughters: Mrs. Mary Owen, of Livonia, and Mrs. Beulah Miller, of Fowlerville; one brother: Daniel B. Perrin; 23 grandchildren, and four great-grandchildren.

Rule of thumb for hosiery buying: "Denier" means thickness of the thread and the lower the denier number, the sheerer the hose; "Gauge" means number of stitches per inch and a half of fabric and the higher the number of stitches the finer, sheerer the stocking.

NOTICE

Take notice that the Township of Novi offers the following described premises for sale to the highest bidder:

Novi Twp. Building and Land.
Lot 15 of Supervisor's Plat No. 3, T. 1 N., R. 8 E., Sections 15 & 22 of Novi Township, Oakland County, Michigan.

Sealed bids accompanied by a deposit of 10 percent of the offering price may be submitted to the Township Clerk at the Township Hall and shall be received up to 8:00 p.m. May 5, 1952.

The Township Board reserves the right to reject any and all bids if in the opinion of the Board such bid or bids do not represent the fair value of the premises.

In the event the Board accepts an offer submitted, the balance of the offering price shall be paid to the Board within fifteen days after notice of acceptance. Failure to tender the balance within such fifteen day period shall result in forfeiture of the deposit.

This action is taken pursuant to a vote of the electors of Novi Township held on April 4, 1949, and a resolution of the Novi Township Board adopted at a meeting of said Board on March 12, 1952.

Bids to be opened at a regular meeting of Novi Township Board, Monday, May 5, 1952 at 8:00 p.m. March 24, 1952

Spelling Championships an Old Habit For Wendland Children at Novi School

If you ever have trouble spelling a word, ask one of the Wendland children; they'll set you right. Phyllis, Doris, Arlene, June and Bruce are probably the all-time family spelling champions of Novi School.

Springing words like "caryophyllaceous" or "proantidisestablishmentarianism" on them wouldn't exactly be cricket, but if you were so inclined, they could look it up in a dictionary. They've got dictionaries, eight of them—all awards for spelling prowess at Novi School.

Phyllis is the newest champion, winning on the word "ceramics" at the school spell-down April 4. She's in the eighth grade, and will represent Novi School at the district spelling bee in the near future at Farmington. Donna Frisbie was runner-up in the Novi competition.

Phyllis was presented with a dictionary by the Detroit Free Press, as were her sisters, Arlene and June, before her. Another sister, Doris, has won two dictionaries, and Bruce, a brother, has been awarded three.

Arlene, who is 23, and June, 19, are married now. Bruce is in Korea, and only Phyllis and Doris are at home in Novi with their parents, Mr. and Mrs. Rudolph Wendland.

Photographers take aerial pictures of Traverse City from a height of three feet. The city's Clinch Park contains a miniature of the city, accurately constructed to scale.

Consumers Power to Ask Rate Raise

Consumers Power Company will ask for a gross increase of \$5,800,000 a year in the gas rate hearing scheduled to begin April 28 before the Michigan Public Service Commission, it was announced this week.

Dan E. Karn, president of Consumers, said the proposed new rates would represent an average increase of about 16 per cent and "leave the cost of gas to our customers generally below competitive fuel."

Officials of Consumers are visiting cities served with gas by the company to discuss the rise in costs and explain the proposed increase.

Increases amounting to \$6,455,000 in four items of annual cost were cited by Mr. Karn as indicating how company expenses have risen since the present rates were established in 1949. Natural gas supplied by the Panhandle Eastern Pipe Line Company will cost \$4,200,000 more under Panhandle's new rate schedule, he said. The Gas Department portion of the company's Federal income tax is up \$1,240,000. Gas Department payrolls are \$775,000 higher, and there has been an increase of \$240,000 in the Gas Department portion of the Michigan corporation franchise fee. Gas department earnings amounted to \$4,145,000 in 1951.

is the time to plan
ELECTRIC DRYING
for HAY and CORN

"Better quality, fewer field losses, much less spoilage and big savings in time and labor." That's the report of farmers who use electric crop drying equipment.

A good investment? Yes, indeed. Ask your Edison Farm Service Advisor for complete details. There's no obligation whatsoever.

Greener, leafier hay for the dairy cows on the Ervin J. Haskill Farm in Lapeer Co. Installed in 1947, the electric hay dryer cuts weather losses, cures 100 tons of chopped hay yearly.

Early picking, safe storage are two profitable benefits to the corn grower. On the Swartzendruber Farm, Huron Co., a 42" fan and 7½ h.p. motor are used to dry hay first, then are moved to the well-filled corn crib.

Good wiring is always important. So always ask your Farm Service Advisor for his recommendations.
