

### 3 Firms Show Interest in Park Place Property

Interest in acquiring all or part of the Park Place area on East Main St. has been shown by the Weber Machine Tool Co., Michigan Powdered Metal Products Co., Inc. and Petz Bros. Commissioners John F. Stubenvoll and Gerald C. Woodworth reported at the Commission meeting Monday evening. They hope to work out a three-way deal whereby all parties most directly concerned may be satisfied, they said.

Immediate cause of the consultation with the three firms was the recent statement by the Weber Machine Tool Co. that it must find space for erection of an additional building to handle its growing business. Stubenvoll stated that Weber expects to add another 50 men within the next three or four weeks.

To meet Weber's needs, the Village Commission has discussed selling the Park Place area, but under the Village charter such a sale can be made only by sealed bids after a vote of the Village.

Stubenvoll reported that Weber wants to acquire the entire area, but that the company was indefinite on how soon it would undertake any construction and upon the purpose for which the area would be used. Meanwhile, an alternative location for a plant in Northville has been suggested to the Weber company and Commissioner Claude Ely has undertaken to contact the owner to try to arrange for its purchase. Should this prove possible, Weber's urgent need for space would be satisfied, although the company still might bid on the Park Place area.

John Haller, President of Michigan Powdered Metal, has indicated to Stubenvoll and Woodworth that his company also will bid for the Park Place area if it is offered for sale and that it will be willing to sell Petz Bros. the small portion of the area that this firm needs.

Further action was deferred by the Commission pending a report from Commissioner Ely on his efforts to secure a new plant site for Weber Machine.

### Bachelor Seeks Land, Permission to Build Mausoleum

Plans for construction of a mausoleum in Rural Hill Cemetery at a cost upwards of \$100,000 were presented to the Village Commission at its meeting this week by Raymond Bachelder, of Plymouth, with a request that the Commission authorize sale of the necessary land for the structure.

The Commission asked Mr. Bachelder to submit a definite proposal in writing at the next meeting, May 19.

As outlined by Mr. Bachelder the mausoleum plans contemplate a structure with approximately 400 crypts, together with a chapel for grave-side services which would be available for general use in inclement weather. Rural Hill Cemetery Board members Cy Frid, A. Malcolm Allen and Charles F. Carrington had been contacted by Mr. Bachelder prior to the Commission meeting and were on hand to urge favorable action on his proposal. They were agreed that the mausoleum would be a desirable adjunct to the cemetery, and that even though it would be in competition with the cemetery in selling burial space, its erection probably would also stimulate the sale of cemetery lots.

### Salem Twp. Board Adopts Fire Rule

The Salem Township Board adopted a resolution Monday which warns residents that they must pay all costs involved in calling out the fire department to subdue fires which have been set without obtaining a permit from the Salem Township fire chief, said Clerk Lucinda Waldecker.

She said that some persons become careless with fires, especially grass fires in the spring, and that the resolution is designed to decrease recklessness in setting them.

### Retail Merchants to Meet Monday

The Northville Retail Merchants Association will hold its May meeting Monday night at 8 p.m. at Veterans' Memorial Hall. Refreshments in the basement will follow the business meeting, to be headed for the first time by newly-elected President Roy Stone.

### Dr. J. K. Bosch at Northville Clinic

Dr. J. K. Bosch is now connected with the Northville Clinic, 208 West Dunlap St. He is a surgeon. Dr. Bosch graduated from the University of Groningen medical school, the Netherlands, in 1936,

Dr. Bosch

and was connected with the surgery department of the City Hospital in the Hague from 1938 to 1947.

He was at the surgery department of the University Hospital, Ann Arbor, Mich., from 1948 to 1951, specializing in chest diseases.

### Petition Protests Zoning Violation

Residents of the Oakwood subdivision presented a petition to the Village Commission Monday evening asking that it take action to end an alleged violation of zoning restrictions by the Glenn C. Long Plumbing and Heating firm of 411 Baseline Rd. The petition protested Long's use of a residential area for a commercial business.

Answering the petition, Mr. Long told the Commission that he endeavored to find a different location for his plumbing and heating business, but that no suitable location was available.

Commissioner John F. Stubenvoll stated that at the time Mr. Long built his house and garage he was told that it could not be used for business purposes.

After considerable discussion it was pointed out that Village Attorney James E. Littell had ruled some time ago that if Mr. Long desired to have a vote taken by residents on the Oakwood subdivision on changing zoning restrictions to accommodate his business, it was the duty of the Village Planning Commission, headed by T. R. Carrington, to initiate such a vote. To this, Mr. Long replied that Carrington had held that this is not the responsibility of the Planning Commission.

The upshot of the discussion was agreement to have Littell send a copy of his ruling to Carrington and ask that he take steps to see if residents want the area rezoned.

### B.P.W. President

Evelyn Ware

Evelyn Ware, of West Seven Mile Rd., will lead the Business and Professional Women of Northville as their president for the coming year. Elections were held at their last meeting, April 28.

Serving with Miss Ware as vice-president will be Mrs. Mabel Cooley. The remainder of the officers are filled by Elizabeth Hoose as recording secretary, Marjorie Monica as corresponding secretary and Mrs. Fred Clark as treasurer.

Eight delegates will be sent from the Northville group to the State convention at the Fort Shelby Hotel, Detroit, on Friday, Saturday and Sunday, May 23, 24 and 25. The week-end will begin with the President's luncheon on Friday and after the Saturday business session, will close on Sunday morning.

### New Registration for School Election Needed This Year

Registration for voting in the June 9 Northville School Board election must follow a new procedure this year, said Superintendent of Schools Russell H. Amerman.

Electorals may no longer register with the Board of Education as in the past. They now must register with the clerks of townships in which they live. If already registered with their clerks, they need not re-register for the election. Electors now in doubt should check with their clerks, Amerman said.

Any general elector may vote in the election provided he is a citizen of the United States, a resident of Michigan for at least six months, a resident of the school district for at least 30 days, and registered with his clerk prior to the deadline Monday, June 2, at 5 p.m.

Northville Township residents must register with Clerk Fred W. Lyke, who will be at the Northville Village Hall on May 28 and 29 from 8 a.m. to 8 p.m. and on Monday, June 2, from 8 a.m. to 5 p.m.

Novi Township residents may register with Clerk Earl Banks at his home at 39700 E. Eleven Mile Rd., any day until Monday, June 2, on which day he will accept registrations at the Novi Township Hall from 8 a.m. to 5 p.m.

Salem Township residents may register with Clerk Mrs. John Waldecker by appointment at her home, 6355 Seven Mile Rd., any day until June 2, when she will be at home all day to accept registrations until 5 p.m.

The Township Clerks will transmit registrations to the Northville School Board.

Saturday, May 10 is the deadline for filing petitions for election to the three-year term on the Board of Education which will expire June 30. Board President Eural F. Clark, whose term is expiring, has announced his candidacy for reelection.

Petitions may be secured at the office of Superintendent Amerman at the Northville Grade School, and must be filed with Board Secretary George L. Clark, 849 West Main St., Northville.

### Walled Lake Boy Saves Child of 3

Fifteen-year-old George Norton was credited with saving the life of a three-year-old girl last Saturday after she strayed from home and fell into west Walled Lake.

Oakland County Sheriff's deputies said Norton, of 309 Elmwood Dr., Walled Lake, pulled the girl, Jennifer Kay Pemberton, from the lake after he noticed bubbles coming from under the water and investigated. He had been fishing at the time.

Jennifer was rushed to the hospital after Walled Lake Fire Chief Ray Price revived her with a resuscitator.

The girl's mother, Mrs. Alby Pemberton, of 103 Poplar St., Walled Lake, said that Jennifer would probably be brought home yesterday or today, Thursday, from Sessions Hospital, where she was reported in good condition. Jennifer was kept at the hospital during the early part of the week because of the possibility of pneumonia.

### Examiners Studying Area Assessments

Examiners from the State Tax Commission have been working in Northville and nearby Oakland County communities for several days on a study of comparative assessed valuations in Wayne and Oakland counties for school district equalization purposes, according to Edward Kane, Secretary of the State Tax Commission.

Mr. Kane stated that their study will have no effect on assessed valuation on either side of the county line.

### Patrol Leader to Represent Village at Washington Rally

Michael Willis

Michael A. Willis, son of Mr. and Mrs. H. Adrian Willis, of 220 North Wing St., will represent Northville in Washington, D. C., with 101 outstanding Michigan boys as guests of the Automobile Club of Michigan on a four-day all-expense trip to the 16th Annual AAA National Safety Patrol Rally.

Michael, a 12-year old safety patrol leader at Northville Grade School, was chosen by local school authorities and Club safety men after Northville was cited for its superior 1951-52 safety record.

Highlights of this year's trip will include participation by Michael in a mile-long parade down Constitution Ave. with 25,000 patrolers from all over the nation. They'll be led by school boys' television heroes "Captain Video" and the "Video Ranger."

### 2 Men Appointed to Planning Council

The appointment of E. W. Ebert, Jr., as a member of the Northwest - Wayne Planning Council, and George Zerbel as alternate for Gerald Woodworth on the council were made at the Monday meeting of the Village Commission by Mayor Conrad E. Langfield.

Mr. Ebert replaces Charles Murphy. Both Mr. Ebert and Mr. Zerbel are members of the Northville Planning Commission.

The appointments to the council, which is part of the Detroit Metropolitan Area Regional Planning Commission, were made on the request of Thomas R. Carrington.

### Baseline District Declines Annexation by Vote of 54 to 41

Baseline School District No. 11, fractional, of the Townships of Salem, Novi and Northville, voted 54 to 41 against annexation to Northville School District No. 2, fractional, at a special election Saturday, May 3.

The special election followed a disputed vote on April 23 which had resulted in a vote of 42 "yes," including one late vote, and 43 "no," including two votes challenged on the basis of non-residence. Proponents of the annexation proposal circulated petitions on the spot calling for the May 3 special election.

Thayer School District completed formal annexation to the Northville District Monday night when Moderator Roy M. Terrill and Board Member Mrs. Wilson turned over accounts and records of Thayer District to the Northville Board of Education.

### Excavation Delayed in New Subdivision

Excavation scheduled to begin last week in the new Mill View Subdivision for the first of nine homes to be built by Carl Johnson, of Orchard Dr., was delayed because surveyors could not complete their work on time, Johnson said.

Dr. E. B. Cavell, village veterinarian, will remain at his address at 310 Griswold until he can find a suitable location elsewhere in the village, he said.

Lt. Gov. William C. Vandenberg (center), who has announced his candidacy for the Republican nomination for governor of Michigan is shown after the April 30 Inter-Club banquet with Attorney Donald B. Severance (left), who introduced him as the evening's speaker, and Russell Bingley (right), the banquet toastmaster.

### Community Building Details Must Be Worked Out Before Decisions Can Be Formulated

Many details must be worked out between the Village Commission and the Northville School Board before a final decision can be reached on specifications and facilities of the proposed Community Building, Commissioners Alton Peters and A. Malcolm Allen reported at the Commission meeting this week.

They also reported some skepticism as to the feasibility and advisability of attempting to have the Community Building serve both the schools and the community at large, pointing out that many conflicts may arise between school needs and those of various civic organizations.

### Circle "D" Stable Levelled by Fire

Fire of undetermined origin razed the Circle "D" Riding Stable on Haggerty Rd. in Plymouth Township Monday afternoon, killing 11 horses stabled there and injuring another to the extent that it had to be destroyed. A number of others were led to safety.

The Plymouth Township, Livonia and Northville fire departments were called to the scene, but flames had gained so much headway before discovery that the building was a total loss. The State Fire Marshall is investigating cause of the fire.

Most of the horses were privately owned and boarded at the stables, owned by Arthur Blunk, 14590 Haggerty Hwy., and rented by Orville Dudley.

Explosion of gas in a nearby tractor hampered fire fighters. Fire destroyed a garage across the street from the stable the previous Thursday morning at 3 a.m. when a motor scooter backfired and set the gasoline saturated floor aflame, Plymouth Township and Livonia firemen did not arrive in time to save the garage, owned by Oscar Puckett, 14605 Haggerty Hwy.

### Curtain Rises on Jr. Play Tonight

The twelve Gilbreth children, made famous by the best-selling book and the movie built around their family life, will come alive tonight, Thursday, May 8, in the first performance of "Cheaper by the Dozen" by the junior class of Northville High School. The curtain will rise at 8 p.m. tonight and Friday night, May 9, in the high school auditorium.

Under the direction of Miss Florence Panattoni, high school speech and forensics teacher, a double cast has been rehearsing. The three-act comedy, written by Frank Gilbreth, Jr., and Ernestine Gilbreth Carey, has been dramatized by Perry Clark to show the joys and sorrows of raising a large family.

Walter Newton and Pat Herbert will be cast as "Dad" with "Mother" played by Barbara Couss and Catherine Rambeau. The two children who wrote the book, Frank and Ernestine, are played by Leland Brown and James Lapham and Pat Baskins and Theresa Duchesneau.

### Construction Bids Asked by Village

Sealed proposals for the construction of retaining walls, storm sewer and woven wire fencing for the municipal parking lot at the corner of E. Main St. and Hutton St. will be received by the Village of Northville at 8 p.m. Monday, May 19, for consideration by the Village Commission at that time. The work will consist of approximately 400 feet of retaining wall, 730 feet of sewer and 185 feet of wire fencing.

### Warden Gillies Is 69

Warden Blake Gillies, who has been superintendent at the Detroit House of Correction in Plymouth for 32 years, celebrated his 69th birthday yesterday, May 7.

Their report followed a meeting with the School Board April 24 to discuss joint use of Community Building facilities by the Village and the schools. Among the subjects discussed were whether the Community Building can be heated by enlarging the capacity of the present school heating plant or if a separate heating plant will be needed. This matter is being studied by the Walter L. Couse Co., whose report is expected in time for the next Commission meeting May 19. In any event, whether the present school heating plant is enlarged or a new plant is built, the cost will have to be included in any Community Building financing as the School Board has no funds at its disposal for this purpose, Commissioner Peters reported. A school bond issue would be necessary if the schools were to assume this cost, and the School Board does not look with favor on such a bond issue as it probably will have to issue bonds a few years hence for additional school construction, Peters stated.

The same consideration will apply to the cost of cafeteria, gymnasium and auditorium equipment, which will have to be handled through Community Building financing rather than by the schools, even though the latter will admittedly use the Community Building as presently planned to a far greater extent than the general public, he said.

The Commission reaffirmed its intention of proceeding to secure authority from the National Production Authority for construction this year if a final decision can be reached on several features of the building which must be provided if it is to serve jointly the need for Village offices, school facilities and as a community center. This authority is being obtained through the Walter L. Couse Co. as a courtesy to the Village.

### Village Water Called Pure Despite Odor

The Village water supply may still have a bad odor but it is bacteriologically pure and suitable for drinking, Herman Hartner, Jr., Water Commissioner, and Dr. V. George Chabut, Health Commissioner, told the Village Commission this week.

Samples taken from the wells and from locations throughout the Village have been sent to Lansing for analysis repeatedly this spring and all have come back approved for use, they said.

One of the Village's wells has been temporarily closed down in an effort to eliminate the objectionable odor and Hartner is awaiting a visit by a representative of the state department of geology for a consultation on the possible cause.

### Novi Civil Defense to Meet Wednesday

The Novi Township Civil Defense Organization will meet on Wednesday, May 14, at the Novi Township Hall at 8 p.m., said Director Edwin Branch, of Novi. The duties of the various branches of service will be discussed and an attempt will be made to formulate plans for the area.

It was recently announced that plane watchers and spotters are now on 24-hour duty.

The new trees planted on village streets will die soon unless villagers water them, said John M. Miller, who supervised planting of the trees.

### Rolling Down The River

So tomorrow it comes up Tuesday and the fellow from the newspaper says they must set this column in type on Tuesday at the very latest, if we want it in this week's paper. That means we write it now, because no one wants to miss the paper and especially this newspaper man doesn't want us to miss publication as he collects money for putting us into print. Now if enough of you good folk would write this newspaper and tell them how much you enjoy (?) the column, and how it builds circulation, maybe they would get nervous and start paying us, or at least give us a reduced rate.

Now with Mother's Day coming up this Sunday, we hope that one and all of you decide to give the little lady a dollar bill, tied to the steering wheel of a '32 Studebaker Champion. We know she'll marvel at the sheer beauty of the car and the terrific economy of the Champion will make that dollar bill look like twins at any gas station, now selling the stuff. Of course, if mother likes the open highway and wants to get some place without dilly or dally, we suggest the surging power of the V-8 engine she'll find in the Commander lines.

They tell us of a local teacher, who being a most educated sort of a person, views with horror the phrase, "him and me did this"—"him and me did that". So the other day, overhearing a student remark, "Him and me went pike fishing," stopped the culprit in his tracks and demanded to know what was wrong with the remark.

The boy hesitates only a second before answering, "The season hasn't opened yet!"

It just so happens there is always an open season on car lubrication or fine motor tune-up, and we keep fishing every week for you fellows that would rather take to the highways these balmy days, for a car that will give you service in the long spring days ahead. BRING THE HEAP IN! You'll drive it out feeling like you've a new car under the wheel.

That's that, but we're at a meeting the other day, during which "teen-agers" and their problems receives quite a bit of attention. The subject closes most abruptly when an old Spanish American war veteran says, "You know, I'm gettin' to the age where juvenile delinquency looks pretty good."

### Help Wanted

A group of Northville residents with a high sense of civic responsibility to carry on the work of the Committee on City Incorporation in developing a plan for submission to voters in 1952.

For several months last fall and winter there was a lot of discussion of the advisability of adoption by the Village of Northville of a city charter. The Northville Record printed a series of several articles prepared by Village Attorney James E. Littell to present the pros and cons of the subject. Village President Conrad E. Langfield on January 23 appointed a committee to study the matter further. Membership of this committee comprised Commissioners John F. Stubenvoll, as temporary chairman, Gerald E. Woodworth, Alton Peters and Levi M. Eaton, together with Cy Frid and John S. Canterbury representing the public.

This committee held two meetings in February, at which tentative decisions were reached as to the area that should be incorporated into the city limits, and the various problems that may arise in proceeding with an election to determine if Village residents wish to change their form of government.

More than two months have elapsed since this committee held its last meeting, with nothing accomplished in the meantime. The reason, stated by Commissioner Stubenvoll at the Village Commission meeting this week, is simply that he and the other commissioners have been too busy with more pressing problems, including parking lots, alleys, the budget for next year, and a multitude of duties connected with Village administration.

We are heartily in accord with Stubenvoll's statement that members of the Commission have been too busy to find the time to proceed with planning for city incorporation. They have been swamped this spring with many other matters of greater urgency and they should in no sense be criticized for the lapse in their work on the proposed change in Village government.

Nevertheless, if any progress is to be made in this direction the committee's work must proceed with reasonable dispatch. It should not be allowed to drag along as it has.

The present need, as pointed out by Stubenvoll, is for a group of Northville citizens to accept membership on this committee and devote the necessary time to doing the job the committee was intended to accomplish. All members of the Commission who were original members are willing to continue to serve, but they require the assistance of a competent public group which is willing to do the spade work that is necessary in developing a well considered proposal to submit to Northville voters. The recommendations of such a group should carry more weight with the public than those made by the small committee now in existence.

We believe that as a result of the frank discussion by the Commission this week Village President Langfield will make a strenuous effort to secure the services of several outstanding citizens to revitalize the committee's work and carry it to a point where a vote can be taken on the proposition. We hope that those whom he may approach on the matter will accept their appointment as a civic responsibility, and willingly devote the time necessary to develop the pros and cons of the proposal so the public may vote intelligently on the matter.

### Green Thumb

by Paul Newton

The gardener who has once learned to save and use compost becomes very miserly with waste products. With the exception of dry bread, which attracts rodents, the garbage can is cheated of most kitchen refuse. Peelings, outside salad leaves, pods, carrot tops, coffee grounds and egg shells go into the heap. Likewise, grass cuttings, leaves, bits of sod and soil from flower pots all add to the pile, and in a few months decay to form humus, which is an ideal soil conditioner.

**Converting Humus to Fertilizer**  
Compost, or decayed vegetation, is not in itself a fertilizer, but by the addition of certain fertilizer materials which add phosphoric acid and potash to the nitrogen content of the humus, it can be made into a fine fertilizer. Balanced commercial plant food can be added to serve this purpose. It should be added from time to time as the compost pile increases in size, with each layer well watered to increase the rate of decomposition. Always leave a hollow in the center of the pile to retain the moisture.

When treated with plant food, compost becomes an ideal soil conditioner. It helps to break down the compact texture of clay soil. For sandy soil it is even more useful in helping to retain moisture and add to fertility.

**Aids to Decomposition**  
Several commercial products are available to speed the process of decomposition and give a proper balance to plant food. Among the better known of these are "Adco" and "Activo." The latter introduces a bacteria into the waste which causes rapid decay with no odor. With these products, applied according to directions, compost should be ready for use in four to five months. When a new compost pile is started it is well to add

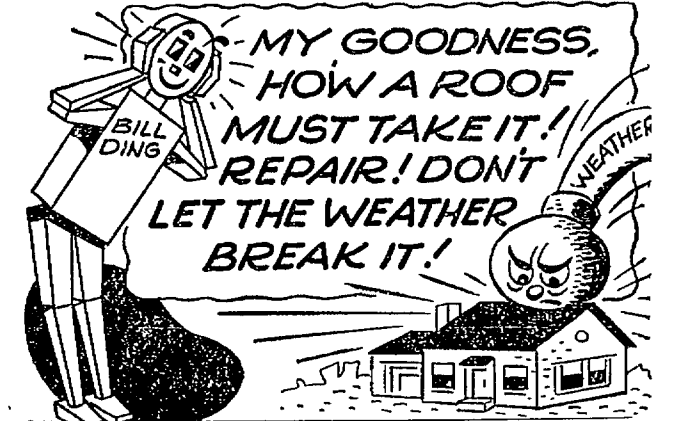

some from the old pile to keep the bacteria active.

As an alternative to the commercial products, Cornell University recommends the following chemical formula as much more economical: 3 lbs. ammonium sulphate, 2 lbs. agricultural lime, 1 lb. superphosphate. Each substance should be spread in turn over successive layers of the compost heap. The amounts stated above will be adequate for the treatment of approximately 100 pounds of accumulated waste garden materials.

**Insect Infestation Ahead**  
A heavy insect infestation is predicted for this year. A few squirts of DDT will get rid of the tent caterpillar nests that form in a few hours in trees and shrubs. It is superior to burning out these nests, which often injures the tree. Forceful hosing with water cleans up red spider on evergreens, which may be detected by a yellow appearance of the foliage.

The All Girl Scout Fair is scheduled for May 12 at the Presbyterian Church House. Each troop will exhibit its projects for the year.

Women of the First Methodist, First Presbyterian, and Lutheran Churches are busy putting final touches on their Mother and Daughter banquet plans. The Methodist banquet is scheduled for May 10, and the other two banquets will be May 11.

William Duguid is the new sexton of Rural Hill Cemetery.

succeeding Alex Serra, who resigned some time ago. The Michigan Pointer Club, composed of owners and breeders of pointers throughout the state, has selected Northville as the location of their spring dog match.

Carol Ann Gaffield and June King teamed to carry off top honors with an 845 three-game total in the Teen Agers match doubles tourney at Royal Recreation.

### Five Years Ago—

Dr. W. Leonard Howard has been appointed new medical superintendent of Maybury Sanatorium to succeed Dr. H. S. Willis, who left recently to take a similar position at the North Carolina State Sanatorium.

Emory Mapes was elected to the office of worthy president of the Northville Eagles.

### Ten Years Ago—

Northville is to have a municipal garbage pickup service for at least six months, beginning May 11. Members of the village council voted to have this service during the summer months, with two pickups a week.

Seventy-two local men and women attended and enrolled in the first air raid warden school that opened in Northville.

Some 2800 persons were registered for sugar rationing on the first three days by Northville teachers.

### Fifteen Years Ago—

A break in the drain valve casting at the PWA reservoir Saturday necessitated the draining of the water from the half-filled reservoir before the leakage tests could be completed.

Two fires here within the week did approximately \$800 in damage to the Don Ball property on Main St., and the Cecil Taggart property at the corner of Rouge and Oakland Sts.

### Twenty Years Ago—

Instructing the village treasurer to sign the supplemental depositors' agreement which makes it necessary for Northville banks to obtain signatures representing only 85 per cent of the total bank deposits in order to reopen, the Northville Village Commission threw its wholehearted support in favor of the movement.

The Village of Northville has approximately \$25,000 in public money on deposit in the two closed banks and their reopening would enable the commission to borrow from the banks against its deposits, restore its sinking fund to its proper total, and pay off \$12,000 in past due bonds.

## Urges Removal of Building Controls

The time has come for the federal government to remove all emergency controls over home building and other construction, according to Harold C. Church, of the Novels Lumber & Coal Co., local lumber and building materials dealer and member of the Public Affairs Committee of the National Retail Lumber Dealers Association.

"Unless both credit restrictions and construction controls are removed promptly, there soon will be an over-supply of materials commonly used for building purposes," Mr. Church said.

"The latest information from Washington shows that the quantity of steel, copper, and aluminum available for use in building has been increasing steadily and will be more than sufficient to meet normal construction requirements by the time builders will be able to get additional work under way in any volume.

"Builders and contractors also should be allowed to use any controlled materials which they have in inventory or can get on the open market so as to permit greater flexibility in construction.

"The existing controls, adopted before the materials situation began to improve are throwing the local home building pattern out of balance by allowing only enough controlled material to build smaller homes.

"The credit restrictions also penalize those families who need and want larger homes but are not in position to make the high down payments required under the regulations now in force.

"Construction now is the only major industry whose volume is being effectively held down below demand by the controls system."

## Pre-School Group "Hep Kittens" Show They've Got Rhythm

The P.T.A.-sponsored Pre-School group gets together for a jam session, with the accent on rhythm, accompanied by the group's teacher, Mrs. William Chizmar (at piano). The band is "backed up" by Mrs. Orlo Robinson (left, rear) and Mrs. Carl Clendenning (right, rear), who are handy to retrieve dropped instruments and keep the musical output at its peak.

## Hundreds Expected to Compete June 8 in Milford-Kensington Park Canoe Race

The largest scale canoeing event ever staged in southern Michigan, an eight mile "Paddle Push" on the Huron River between the village of Milford and Kensington Metropolitan Park, will be held Sunday, June 8, said Jacqueline Peck, of the Huron-Clinton Metropolitan Authority.

Hundreds of canoeists, both skilled and unskilled, are expected to participate in the race which will start at 2 p. m. at Milford and finish between 5 and 6 p. m. in Kent Lake in Kensington Metropolitan Park.

Prizes will be offered in eight classes scaled to both sexes, all ages and all degrees of experience.

Sponsored by the Metropolitan Detroit Council of American Youth Hostels, in cooperation with the Huron-Clinton Metropolitan Authority, the Paddle Push is designed to show that easy and enjoyable canoeing is available within 40 miles of Detroit.

Spectators may view the race all along the course. The speed class for men over 21 will offer thrills comparable to the famed Au Sable race in northern Michigan, but unlike the Au Sable race which is open only to experts, classifications in the Paddle Push scale down to the youthful and the inexperienced of all ages.

Arthur J. Lusty, Jr., executive director of Youth Hostels in this area, describes it as "a safe and easy course for everyone interested in canoeing with no rapids and only one easy lifeguard."

The race will be held rain or shine. Eight classifications, giving equal opportunity to all ages and both sexes, in teams of two, using standard 17-foot canoes, are: (1) men over 21—fastest time; (2) women over 21—fastest time; (3) boys or girls under 16—fastest time; (4) boys, 16 to 21—fastest time; (5) girls, 16 to 21—fastest time; (6) mixed team, over 21—fastest time; (7) mixed team, under 21—fastest time, and (8) team hitting the "unknown" time.

In class "8", a time for the course will be drawn from a hat, and the team whose time is closest to this chance figure will receive a prize.

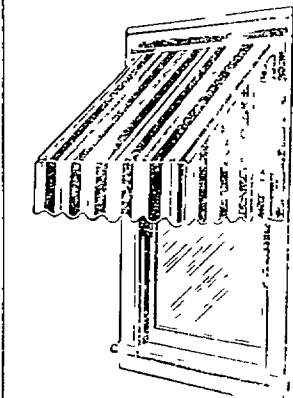

Awards will be made at a supper at Walker House in Kensington Metropolitan Park which spectators as well as racers may attend by paying the \$1.00 fee in advance.

## Ignorance, Terror Called Assistants to Cancer Deaths

"Cancer in order to cause the death and suffering it does calls in two assistants—Ignorance and Terror," said Keith Munro, writing for the American Cancer Society in its Crusade against cancer.

"Every year," Munro said, "American families lose nearly half a million dollars in support when men who are breadwinners die of cancer." The disease killed nearly 220,000 persons last year.

"Physicians are doing a remarkable job," said Munro, "but they could cure about twice as many persons as they do by early diagnosis and prompt proper treatment. Ignorance keeps us from recognizing the danger signals—the change in body structure or body functions, changes, warning that something is wrong. Terror paralyzes our judgment when we do suspect the worst. Terror has its roots in superstition; that old and frightening phrase — 'Cancer is incurable'."

Mrs. Spencer Van Valkenburgh and two daughters, Cecelia and Donna, of Vicksburg are spending the week in Northville visiting relatives.

### CARD OF THANKS

I want to thank my many  
friends who helped me celebrate  
my 92nd birthday with cards,  
flowers and remembrances.  
Mary Predmore 49x

### IN MEMORIAM

In loving memory of Emma Gre-  
goir who passed away May 18,  
1951.  
How little we knew when we  
woke that morn the sorrow the  
day would foretell;  
For it is hard to part with one  
you love, without a last farewell.  
But we think of her in silence  
and often repeat her name  
Though her smile is gone for-  
ever and her hand we cannot  
touch, we'll never lose sweet  
memories of one we loved so  
much.  
God took her home, it was His  
will, but in our hearts she liveth  
still.  
Husband, children, grandchild-  
ren, sisters, brothers. 49x

### CARD OF THANKS

I wish to thank Dr. Atchison  
and staff of Atchison Memorial  
Hospital, Casterline Funeral  
Home, the Rev. Peter F. Nieuw-  
koop, V.F.W. Post 4012 and my  
friends and neighbors for kind-  
ness shown during my recent be-  
reavement.

## Mrs. R. D. Merriam Chosen Northville Branch President

Mrs. R. D. Merriam, of Beck Rd., will serve as president of the Northville branch of the Michigan division of the Woman's National Farm and Garden Association for the coming year. Mrs. Merriam took over her duties at the annual meeting of the association on Monday, May 5, at the home of Mrs. Joe Hoehl, of West Baseline Rd.

First vice-president will be Mrs. Merner R. Eilber with Mrs. Orson Atchinson as second vice-president, Mrs. J. H. Clark as recording secretary, Mrs. Gerritt P. Rooks as corresponding secretary and Mrs. N. K. Pattison as treasurer.

The annual meeting on Monday also marked the sixteenth birthday of the Northville branch. Thirty-eight members attended the meeting where the traditional birthday cake was presented by the outgoing president Mrs. Paul Schultz. Mrs. Thad Knapp was the first prize winner in the flower contest which was held during the afternoon.

Co-hostesses were Mesdames Roy Matheson, Howard Greer, Luther Rix, Herbert Martin, Merner Eilber and Paul Steenken. Mrs. Schulz and Mrs. Merriam poured at the birthday tea.

## Missions Talk Planned For Woman's Union

Foreign and National missions will be the subject of a talk by Miss Elizabeth Beard at the Wednesday, May 14, meeting of the Woman's Union of the First Presbyterian Church, Northville. The meeting will begin at 1:30 p. m.

To aid in giving the women a wider scope of the mission field, Miss Beard will show films in conjunction with her talk.

Mrs. H. F. Fredsell will have charge of the devotions for the meeting while Mrs. C. C. Yerkes and Mrs. Emmett Wirth will serve on the reception committee.

Mrs. C. G. Morse will be the guest speaker at the morning Mother's Day service at the First Baptist Church of Ann Arbor, on Sunday morning, May 11. Her topic is "So God Made Mothers".

## WSCS to Hold Meeting, Elections

The annual meeting and election of officers for the Women's Society of Christian Service of the Northville First Methodist Church will be held on Tuesday, May 13, said Mrs. Oscar Hammond, president.

The Bertha Neal Circle will serve the luncheon which will precede the meeting at 12:30 p. m. in the church house.

Plans for the business meeting includes the pledge service as well as the reading of the officers' reports for the year and the election, said Mrs. Hammond.

## WSCS Selects Banquet Speaker

Mrs. C. A. Rydmark, past president of the Detroit Conference of the Woman's Society of Christian Service and now the recording secretary of the North Central Jurisdiction, has been selected as the speaker for the Mother and Daughter banquet sponsored by the WSCS of the First Methodist Church, Northville. Mrs. Rydmark's topic will be "A Great Mother's Faith."

The banquet has been set for Friday evening, May 16. The dinner will be served at 6:30 p. m. in the church house, said Mrs. Oscar Hammond, president of the WSCS.

Mrs. Hammond has appointed Mrs. Wilson Clark as general chairman for the dinner with Mrs. Merritt Meaker as program chairman. Mrs. William H. Cansfield has charge of publicity, Mrs. Merner Eilber, tickets, and Mrs. Paul Burnham, decorations.

Honors that evening will be given to the oldest mother, the youngest mother, the youngest daughter, the mother with the most daughters and the mother and daughter who has come the greatest distance to attend the banquet.

Tickets may be secured from Mrs. Eilber, who lives at 350 South Wing St., or by calling her at 1132-J.

Mrs. Marie Shamee and Mrs. Thomas Campbell, with daughters Nacera and Margaret Jean, attended the Wayne King concert held in Masonic Temple, Detroit on Sunday evening. The concert was sponsored by the Order of the Eastern Star and featured the Don Large chorus, the Meadowlarks and the Quintones.

## Former Villager, Wife Married 52 Years Ago

Mr. and Mrs. William B. Barley, of Fairport, N. Y., will celebrate their fifty-second wedding anniversary today, Thursday, May 8. Though the Barleys have lived in New York State for 44 years, Mr. Barley was born and raised in Northville. The Barleys were married in Milford.

He is the son of the late Mr. and Mrs. Peter Barley who resided on North Center St. after moving to Northville in 1870. Mr. Barley attended the village grade school and was graduated from Northville High School with the class of 1896.

During his childhood in the village 69 years ago, he served 15 families as carrier for The Detroit News. He was a member of the village band for twelve years and was in the 35 Michigan Band during the Spanish American War.

Mr. and Mrs. Barley will spend their anniversary at their home on Blossom Lane, in Fairport. Mrs. Barley's sister, Bessie I. Wells, who for many years lived with Mr. and Mrs. William Ambler in Northville, now makes her home with her sister in New York.

## Misc. Shower Fetes Mrs. Blackwell

Mrs. Hugh Blackwell (Esther Bedore) was the guest of honor at a miscellaneous shower Saturday, May 3.

The gathering was given at the home of her mother on Butler St. by her two sisters, Mrs. Clarence Bolton (Rose May Bedore) of Wayne and Mrs. Bill Burt (Irene Bedore) of Northville. Twenty-five guests from Detroit, Wyandotte, Wayne, Walled Lake and Northville were present.

## King's Daughters Plan Annual Bazaar, Luncheon

The Muzpah Circle of the King's Daughters will hold their annual bazaar and luncheon on Thursday, May 22, said Mrs. Gerald F. Taft, president of the circle. The affair will be held in the First Methodist Church House.

The doors will be opened at 10:30 a. m. with the serving of the luncheon set for 11:30 a. m.

Mrs. Richard Johnson is honorary general chairman of the project. Mrs. George Hills is chairman of the apron and fancy work department with Mrs. Donald Miller heading the baked goods counter and Mrs. Donald Severance in charge of the white elephant booth.

## Presbyterians Plan Annual Banquet

The First Presbyterian Church will hold a Mother and Daughter banquet in the Church House at 6:30 p. m., Wednesday, May 16, with Mrs. Ed Langtry and Mrs. William Weidner acting as chairman and co-chairman respectively.

Mrs. William Williams and Mrs. George Weiss will be in charge of the program and Mrs. William Crump will supervise the decorations.

Ticket sales under the direction of Mrs. H. F. Wagenschutz will be handled by Mrs. Joseph Denton, Mrs. Frank Beeks, Mrs. Robert Niemi and Mrs. Paul Steenken.

Dinner guests of Mr. and Mrs. Ronald Anderson of Ridge Rd., last Saturday entertained at a dinner party before attending the New Hudson square dance. Their guests were Mr. and Mrs. Harry Keller, Mr. and Mrs. Arthur Breitmeier, Beverly Fairmer and Wesley Schratz.

There is wisdom in generosity, as in everything else.

## MICHIGAN MIRROR

NON-PARTISAN NEWS LETTER

Non-partisan government at Lansing is functioning as usual this spring—vetoes from the governor, accusations from legislative leaders, more unbalanced budget, more confusion and almost daily political fireworks.

When the voters of Michigan chose Republicans to fill seven out of eight state administrative offices and to dominate the state legislature, they also picked Democrat G. Mennen Williams by a slim margin to serve as Governor.

The pattern is familiar by now.

Every year Democrat Williams has voiced hope that the Republican legislature will try to cooperate.

And every year it's like putting two cats in a crock sack. They just tear each other to pieces.

It's an almost untenable situation. The result?

We are now faced with an unbalanced budget. The legislature, after heaving and tossing, came up with its \$333 million budget for the coming year, some \$32 million more than the present income will produce. Then the lawmakers presented tax bills which would bring in an estimated \$32 million.

The governor, who has been futilely kicking the wall for a 4 percent corporation tax for three years, vetoed the Higgins used car tax bill which would have poured \$12 million into the empty coffers. This tax would have put a 3 percent tax on used cars and cut off \$3 million now diverted to schools.

Governor says it is unfair. Legislature smirks at Williams' corporation tax, his FEPC bill, his additional welfare proposals and says they're unfair.

And no one wins.

Speaker of the House Victor A. Knox (R-Sault Ste. Marie) as quoted before in this column, says, "The legislature has had no help at all from the governor in meeting the crisis. He wants to spend and spend . . . because he thinks it is smart campaigning to promise the people more and more. Never does he tell people that they must pay for the cost of state government. He tries to make them believe they are getting something for nothing."

The governor replies in kind, saying, "The GOP program is based upon the recovery of funds now being returned to local units of governments and more consumer taxes." And he says he'll veto any tax bills following those lines.

And by gum he has. Republicans say the governor has sold out to the C.I.O.

Governor says Republicans are backed by "big business."

Then the affair at Jackson blew up like a tin can on the Fourth of July.

Republicans say Williams caused the state to reach the nadir of public respect by being so wishy-washy with the rioters. Governor Frank Murphy took the same attitude with the C.I.O. sit-down strikers at Flint back in 1937. Lives were saved, he said.

Governor says he was protecting the kidnapped guards.

This could go on for days. Just what is the answer? Outside of an election, there apparently isn't any. The two camps fight now are sitting around the council fires plotting war strategy—and they will continue to do so until there is a new governor or a Democratic legislature. Non-partisan government is a sorry mess.

Salary and wage costs to some 25,500 state employees and officials hit \$103,614,469 in the last 15 months. In the same period of the first Williams administration there were \$88,431,465 and 10 years ago the total was barely \$42 million.

But the legislature promises that by the end of the fiscal year there will be from 800 to 1,000 fewer state employees.

The agriculture department warns that Michigan may face another invasion from forest tent caterpillars this year. Last year more than 800,000 acres were stripped by the pests. Could be worse this year. Mostly the upper peninsula suffered, although some of the caterpillars appeared around Grand Rapids and Battle Creek.

If you are planning spring redecoration of a room used principally at night, remember it needs special color treatment. Plan to key colors higher, make them more intense, say Michigan State College specialists.

Lift cobwebs from walls and corners rather than approaching them head-on and smearing the wallpaper or paint.

By Miss L. A. Ault

Mrs. Leigh Minks, former Mayfield resident now living in Detroit, recently called on Mrs. Ernest Tallman, Mayfield Avenue.

Mrs. Frank Gould of Farmington Rd. visited her niece in East Detroit last Sunday.

Mr. and Mrs. Herman Keyser of Huntington Woods, and Mr. and Mrs. Delbert Bosley, with

their baby daughter of Detroit, were all calling on Mr. and Mrs. Clinton Ault of Mayfield Ave. last Sunday afternoon.

Mrs. M. E. Ault of Mayfield Ave. was visiting the Goffs in Pontiac last Monday afternoon.

In celebration of his birthday, the family of Richard Stevens of Hubbard Ave. gave a wiener roast Sunday evening

Mrs. A. R. Oldham was a Monday guest of Mrs. Myron Carrier of West Eight Mile Rd. Mrs. Carrier was entertaining her Rug Club.

Mrs. M. E. Ault and Mrs. A. R. Oldham were calling on Mrs. Spaulding in Wayne Monday night.

Mrs. Martha Mertz of Detroit was calling on her sister-in-law, Mrs. Christine Rehahn of Mayfield Ave. last Wednesday afternoon.

Julius Walt of Farmington Rd. spent this last week in Ft. Wayne, Ind.

Mr. and Mrs. Lee Galloway and the latter's mother, Mrs. George Bennett, of Wayne, were Wednesday evening dinner guests of Mrs. Christine Rehahn, of Mayfield Ave. Mrs. Bennett remained for a week's visit.

The Prayer Service, usually held in the Neighborhood Church was transferred to the home of Mrs. Walter Rehahn on Mayfield Ave. last Thursday evening. Several friends joined the group and at the close of the service Mrs. Rehahn, who was celebrating her 71st birthday, was showered with cards, flowers and small remembrances.

Cpl. Herbert Schult, who for a month has been visiting at the home of his parents, Mr. and Mrs. Herman Schult of Shadyside Ave., left Friday evening on the return trip to Panama, where he is stationed.

Mrs. Robert Laughman of Indiana is arriving this week-end for a ten-day visit at the home of her parents, Mr. and Mrs. Ernest Tallman, of Mayfield Ave.

Mrs. Norman Gedig of Detroit was visiting with her sister, Mrs. Ralph Voorheis, of Shadyside Ave., last Tuesday.

Visitors in Northville Wednesday included Mr. and Mrs. Clin-

## Early Opening Argued

Up and down Michigan trout streams on the opening weekend fishermen argued: Had the early opening on inland lakes taken some of the pressure off the trout streams? Or did you hold with the school that contended trout fishermen couldn't ever be wowed away from the thrill of that long-awaited opening weekend end?

From our own survey the opening day parade looked just about as long and populous as ever, but that's not the real test. The next month will probably show slackening interest in trout because anglers will be diverted to lakes closer to home—at least that's the belief of our Conservation Department's fish division. And thus the terrific drain on Michigan trout will be somewhat relieved.

**Put-And-Take Planting**  
Just how severe this drain has become can be dramatically demonstrated by the heavy planting program required to keep trout fishermen happy today. In our so-called "put-and-take" system, about 250,000 legal-sized trout are planted just before the season opens. The fish are well scattered over hundreds of miles of streams. A surprisingly large percentage of them are caught on the opening weekend end. During the balance of the season another 750,000—all 7" or better—are planted, and they, too, are over-anxious to take flies or bait cast their way.

## Costly Project

It costs real money to hatch a trout, raise him to legal length, transport him from the hatcheries and release him in a stream that may be many miles away. The figure is said to be about 40¢ per fish. On a million-fish basis the bill is a little alarming—\$400,000. Whatever fisheries experts think of the idea is neither here nor there. Sportsmen apparently demand it, too. So it's likely to continue for awhile. The day may come however, when the picture will change, and we'll go back to nature's way of maintaining fish populations.

**New Rules Point Way**  
Sometime in the not too far distant future many of our best trout streams may be restricted to fly-fishing only. The new regulations for 1952 point the way. With fly-fishing-only allowed in certain streams, and the limit cut to an adequate ten per day or elaborate and costly trout-planting program may gradually become unnecessary. The money saved may be spent more wisely on stream improvement necessitated by erosion resulting from over-zealous lumber operations. That's where man can help nature. But when it comes to helping nature maintain trout population by raising and releasing a million fish a year, man fails to meet the challenge in more ways than one. If you don't believe it, compare the flavor of a hatchery-raised trout and one of Mother Nature's children of the stream! You'll be surprised!

## MSC to Conduct Counseling Clinics

A series of 12 counseling clinics for high school graduates will be offered again this summer by Michigan State College.

The three-day clinics, which begin June 16, are designed mainly for students planning to enter M. S. C. in the fall term. The service also is available to other high school graduates who might wish to know their aptitude and abilities either for college or vocational pursuits, according to Dr. Paul L. Dressel, director of the M. S. C. Counseling Center.

Students will be given a battery of tests to determine academic aptitude, personality, skills and interests, and special aptitude tests to suit the needs of individual students. Students planning to enter M. S. C. in the fall also will take part in several orientation activities designed to make their adjustment to college life easier.

The clinics will be held June 16-18; June 30-July 2; July 8-10; July 15-17; July 22-24; July 29-31; Aug. 12-14; Aug. 19-21; Aug. 26-28; and Sept. 9-11. Further information may be secured by writing the M. S. C. Counseling Center, East Lansing.

## 7-Man Track Team Loses First Meets by Small Margins

Seven men don't make a well-rounded track squad, but Coach Charles Yahne's Northville High School team comes close to proving it's enough.

Despite the team's lack of depth, Northville lost dual meets to Romulus by only 54 to 35½ and to Clawson by the shorter margin of 57 to 53.

Ron Grissom leads Northville scorers with 23 points, winning the broadjump, 100-yard dash,

220-yard run, and running on the victorious Northville half-mile relay team at the Clawson meet.

Howie Meyer, with 22 points, won the shotput event and 440-yard run at both meets, and ran on the relay team.

Charles Dickinson has collected 14½ points by winning the broad jump and taking second in the 220-yard run at Romulus, and placing third in the broadjump and highjump and second in the 220 at Clawson, plus running on the relay team.

Bob Burgess has added 10½ points to the Northville total with a second in the pole vault, a third in the 440-yard run at Romulus, and a first in pole

vaulting at Clawson. He also runs on the relay team.

Dick Somers also has 10½ points after winning first in low hurdles at Clawson and second in the event at Romulus, a third in the 100-yard dash at Clawson and running on the relay squad.

Bob Scheffer's third in the half mile at Romulus and first in the event at Clawson added six points to Northville's scores. Fred Weihe added a third place in the 880 at Clawson for 1½ points.

The Wayne-Oakland County league track meet was scheduled for yesterday, Wednesday, at Ypsilanti, with new league members Brighton and Keego Harbor joining Northville, Clarenceville, Milford, Holly and Clarkston in competition. None of the seven schools has a track of its own.

Future meets for the Northville thinclads will be with the Walpole Lake reserves on May 20, Milford on May 23 and Clarenceville on May 28.

## Northville Loses First Inter-County Baseball Game

The Northville team was edged out in its opening Inter-County baseball league game in the tenth inning by Clarenceville last Sunday at Cass Benton Park, 14 to 12.

Northville came up with a six-run rally in the last of the ninth inning to tie the score at 12 to 12, but couldn't overcome Clarenceville's two runs in the tenth.

The Northville team, sponsored by Cy Owens Ford Sales and Eader's Department Store, is one of eight teams in the Class "A" league division, and managed by Tom Fairbanks, Sr., assisted by player-manager Steve Folino. The pennant winner in the league after playoffs July 27, will enter the N.A.B.S. tournament at Youngstown, Ohio.

Northville, champion of the loop last year, has started the season this year with almost an entirely new roster, Folino said. In addition, the team has moved into Class "A" from Class "B" competition.

Teams and dates Northville will play in remaining games: Sunday, May 11: Teamsters Local 247, at Riverside Park, Plymouth, 3 p.m.

Sunday, May 18: Ypsilanti, at Cass Benton Park, 3:30 p.m.

## Dog Obedience Class Graduation Set

Graduation exercises for the Southern Michigan Obedience Training course being held at the Wayne County Training school will be held tonight, Thursday, May 8, at the WCTS gymnasium at 8 p.m.

The 10 weeks training course has been given under the sponsorship of the Northville Recreation committee with Mrs. Mary Larson, of Plymouth, as instructor.

Ribbons and trophies will be awarded to the dogs and their owners on that night. The dogs of Mrs. C. H. Clendening, Mrs. Hugh Godfrey and Mrs. Al Wistert, all of Northville, will be among those graduating.

## Don't Guess

Have you increased the fire insurance on your home and household property to allow for their full insurable value?

Don't guess about your protection, but ask us to check up your insurance policies. After a fire, it will be too late!

## Advertisement For Proposals

FOR THE CONSTRUCTION OF

Retaining Walls, Drainage and Fencing  
Municipal Parking Lot

Village of Northville, Mich.

Sealed proposals for the construction of retaining walls, storm water sewer and woven wire fencing for a municipal parking lot in the Village of North-ville, Michigan, will be received by the Village Clerk up to and including 8:00 P.M. Monday, May 19, 1952. Proposals will be publicly opened and read aloud at a meeting of the Village Commission be-ginning at that time.

The work consists of approximately the following:

- 400 lineal feet of retaining wall.
- 730 lineal feet of 10 and 12 inch dia. sewer.
- 3 manholes. 3 catch basins.
- 185 feet of 36 inch high woven wire fencing.

Plans, specifications, forms of proposal, contract and corporate surety bonds are on file at the office of the Village Clerk and may be obtained up to 12:00 noon of Monday, May 19, 1952 and not thereafter. A deposit of \$10.00 will be required for each set taken out, which will be refunded to those submitting a bona fide proposal or to those persons returning the set in good condition on or before May 17, 1952.

A certified check or bid bond in the amount of not less than 5% of the proposal made payable to the Village of Northville must accompany each propo-sal. No proposal may be withdrawn after the scheduled time for opening nor for 15 days there-after.

The Village Commission reserves the right to waive any irregularities in any proposal, to accept any or reject any or all proposals should it deem it for the best interests of the Village.

Dated May 5, 1952

Mary Alexander  
Village Clerk
