## Committee to Meet, Consider Limits of Proposed City

The Committee on City Incorporation will meet at 7:30 p.m., Wednesday, May 28, to decide on the area to be incorporated into the city limits should voters decide to adopt a city form of government for Northville instead of the present antiquated village charter, Dr. L. W. Snow, chairman, announced today.

This action follows several days of study by the committee and discussion by John F. Stubbenvoll at last week's meeting of the boundaries that were tentatively decided upon last February by the original Committee on City Incorporation, which has since been enlarged. These boundaries will be reviewed Wednesday evening and a definite decision reached on whether they should be modified or enlarged.

Robert H. Shafer, chairman of the Northville Township Zoning Board, will meet with the committee to discuss boundaries and make available aerial maps of the area under consideration.

George W. Stanford, president of the UAW-CIO Local 896, has been chosen to represent his organization on the committee and will participate in this week's discussion, Dr. Snow announced.

## 2 Games June 9 Open Competition

Northville Softball League competition will open Monday, June 9 at Ford Field with a double header, the first game scheduled for 7 p.m. and the second for 5:30 p.m.

Six teams will play a 32-game schedule through July 30 and enter playoffs for the league title Aug. 4-6 and 11-13.

At 6:45 on opening night, two prizes will be given away to holders of schedules donated by the Northville Record bearing winning numbers.

All six teams are not yet at full strength, said Recreation Director Wilson Funk. Anyone desiring to join the league should mail a card bearing name and phone number to the Department of Recreation at the Village Hall.

The majority of players on the teams are teen-agers and young service veterans plus a few "old timers," said Mr. Funk. Mayor Langfield's "11" is managed by George White; the Optimist Club team is directed by player-manager Al Wistert; Stone's Gamble Store by player-manager John Gatter; the V.F.W. team by Gil Perry; the Cy Owens team by acting manager Dave Bell and Harold Bloom's team by manager Earl Johnson.

A team made up of best players in the league will form an All-Star team and play the Plymouth All-Stars at Ford Field on July 2. A second feature game will take place July 30 when the leading league team will take the diamond against a team composed of the best players on the other five teams.

Next week's issue of the Record will print a complete schedule of games for the league.

## Marilyn Funk Wins U. of M. Scholarship

Marilyn J. Funk, daughter of Mr. and Mrs. Wilson Funk, of Yerkes Ave., has been awarded a University of Michigan Regents-Alumni scholarship. Marilyn was selected as one of the 473 winners from 1,059 applicants representing 306 high schools.

The scholarship covers the full semester fees for the first two terms and may then be renewed for a total of six additional

Marilyn Funk

terms. At least one scholarship is available for every accredited high school in Michigan provided a qualified candidate applies, said E. A. Walter, dean of students and chairman of the committee on university scholarships.

Marilyn, who was also recognized as an outstanding high school senior by receiving a Regents-Alumni Honor Award from the University of Michigan, is enrolled in the College of Literature, Science and the Arts.

### Ranks Third in Class

In scholastic standing, Marilyn ranks third in her class, said E. V. Ellison, principal of the Northville High School. She won first place in the regional extemporaneous speaking contest and is a member of the Northville Drama Club and the debate team.

As a member of the flute ensemble of the Northville band, she helped capture the "one" rating in the district competition and "second" rating in state competition. Marilyn occupies the first chair in the local and the Wayne-Oakland County league bands.

She has assisted with the junior and senior dances, been a cast member in the class plays and served as Worthy Advisor of Rainbow for 1950-51.

The Regents-Alumni scholarships have been awarded since 1945. The officials of Northville High School and of the local University of Michigan Alumni club helped with the selection of the award and scholarship winners, Dean Walter said.

## Northville Juniors Ready for Show June 1

### Entries Top Other Years

A record entry of 371 juniors—the highest yet in Michigan—will compete in the 30 classes of the Fourth Annual Northville Junior Horse Show at Northville Downs, Sunday, June 1.

Because of the large number of entries, judging will take place at two rings run simultaneously in order to finish by the end of the day. The show will begin at 11 a.m. and continue through to 8:30 p.m.

Judging the Saddle Horse and English Equitation events will be Mrs. Howard Dickey, of Detroit. Western classes will be judged by Lincoln Friend, of Detroit, and the Hunter and Jumper competition will be scored by John Cornell, of Battle Creek.

### Proceeds For Youth Work

Proceeds of the show, sponsored by the Northville Optimist Club, are earmarked for youth activities of the community throughout the year.

The Junior Olympic Equestrian teams will ride over modified Olympic jumping courses and scoring will be according to F.E.I. International rules. The Northville Equestrian team, the Outland Equestrian team of Birmingham, and the Bloomfield Beavers of Bloomfield Hills are the three teams entered and since the Northville show is the first of the season, the winning team will gain an immediate season point advantage, which will tend to sharpen competition.

### Champions Enter

All of last year's champions in the Saddle Horse and Western events are entered this year and good newcomers are expected to test their horsemanship.

The show committee consists of J. P. Malley, general chairman; Gerald Taft and Harry Seeley, programs; Dr. Linwood W. Snow, trophies; Dr. Waldo Johnson, tickets and box office; Alex Lawrence, concessions and refreshments; and L. C. Stewart and John Wallace, grounds.

All members of the Optimist Club are assisting the committees. Mrs. Franklin Beeks is show secretary, assisted by Mrs. Frank Russell and Mrs. Chester Menendez, of Farmington.

Heading the entertainment committee and chairman of the hostesses for the juniors is Mrs. Conrad Langfield. She will be assisted by Mrs. James Littell, Mrs. Nelson Schrader, Jr., Mrs. J. P. Malley, Mrs. Don Lawrence, Mrs. Max Austin, Mrs. J. F. Page, Mrs. Vaughn Groom, Mrs. C. W. McLoughlin, Mrs. George Zerbel, Mrs. John Wallace and Mrs. Lincoln Friend.

Show announcer will be Chester Menendez of Farmington.

John Wallace and Max Austin are ringmasters and Stan Schaffer of Birmingham, James Green and Keith Smith, of Lansing, are show stewards.

Northville's Junior Equestrian Jumping Team, entered in the Junior Horse Show June 1, are (l. to r.): Captain Ann Jensen, 15, with "Twenty One"; Gail Lawrence, 14, alternate, with "Mr. Man"; Jo Ann Wallace, 14, with "Mountain Breeze", and Franny Pat Malley, 14, with "Rainmaker".

Franny Pat Malley takes a hurdle with "Rainmaker".

## Band Concert Draws Enthusiastic Compliments for Members, Director

The 25th Anniversary performance of the Northville High School band, last Friday night,

has been acclaimed by the audience and by individual comment as the most superior concert in many years.

Superintendent of Schools Russell H. Amerman said that a large number of people have commented that they have not heard a better performance in their many years of attending concerts here.

Perhaps the highest compliment to the musical organization and its director, Leslie G. Lee, was paid by Edwin Head, the original director, who returned to Northville to direct two numbers. Mr. Head said that both he and the band were strangers to each other, but that the band performed like veterans under the baton of a new director, which is the real test of the organization's discipline and training under Mr. Lee.

## Northville Theatre Will Close June 15

The management of Northville's Penniman-Allen theatre has announced that the theatre will close for the summer months effective June 15. The full schedule now in effect will continue until June 14. No date for opening in the fall has been set.

## Local Organizations Combine for Memorial Day Program

Northville, along with cities and villages throughout the nation, will pause Friday to honor with Memorial Day exercises and parades its heroes who have given their lives to preserve the safety of the nation and its people.

### Contractor to Repair Village Sidewalks

A contractor will be available in the village during the summer to repair sidewalks for residents who desire the contractor's services, said Mrs. Mary Alexander, village clerk.

Villagers are requested to contact Mrs. Alexander at the Village Hall so that scheduling may be arranged for repair work, which will be at the individual resident's expense.

## School Registration Deadline Is June 2

Registration for residents of Northville-Novis School District No. 2, fractional, will close at 5 p.m. Monday, June 2, a week before the School Board election on June 9.

Under provisions of new school election laws, registrations with the School Board are no longer valid. Electors must now be registered with the clerks of the townships in which they live in order to vote in the School Board election and since Northville-Novis School District No. 2, fractional, lies in three townships, electors are urged to verify that they are properly registered.

Northville Township residents must register with Clerk Fred W. Lyke who will be at the Northville Village Hall on May 28 and 29 from 8 a.m. to 8 p.m. and on Monday, June 2, from 8 a.m. to 5 p.m.

Novi Township residents may register with Clerk Earl Banks at his home at 39700 E. Eleven Mile Rd. any day until Monday, June 2, on which day he will accept registrations at the Novi Township Hall from 8 a.m. to 5 p.m.

Salem Township residents may register with Clerk Mrs. John Waldecker by appointment at her home, 6355 Seven Mile Rd., any day until June 2, when she will be at home all day to accept registrations until 5 p.m.

## Membership Open in Golf League

Membership in the Northville Golf League is still available for linksmen wanting to join the league, said President E. C. Welch. A membership of 50 or 60 is sought in the league to make it well-balanced.

League play began Tuesday at Hilltop Golf Course, which will be the scene of play throughout the summer on Tuesdays at 4:00 p.m. Anyone wishing to join should simply make an appearance at the course and announce his desire to be a member.

Golfers are arranged each week in flights suited to the individual's average for the previous week, keeping players of comparable ability together. A nine-hole round is played each week.

The Hilltop Club, at Beck Rd. and Ann Arbor Trail, is equipped with showers and lockers, and food and refreshments are available, said Mr. Welch. George Weiss is secretary-treasurer of the league.

A parade will form at Veterans Memorial Hall at 10:30 a.m. and march down Main St. to the Penniman-Allen Theatre where the Memorial Service, which Northville's people are urged to attend, will take place at 11 a.m. Following the service, the parade will re-form and march to Oakwood and Rural Hill Cemeteries for completion of Memorial Services.

Arrangements for Friday's exercises have been in the hands of Paul Beard, representing Lloyd H. Green Post 147 of the American Legion, and Clayton Myers, of the Veterans of Foreign Wars Post 4012. Principal speaker at the theatre exercise will be E. C. Slater, Past Commander of the Michigan Department of the Veterans of Foreign Wars.

Parade marshals will be George R. Simmons and Charles Murphy, both of the local post of the American Legion.

## Blood Donor Drive Set for June 17

A committee composed of representatives of Northville service clubs and other civic organizations continued preparations, this week, for the visit of the Red Cross Bloodmobile at the Methodist Church House, June 17, from 2 to 8 p.m.

Blood donations in surrounding communities have shown a tendency to lag far behind results achieved in previous drives although the list of Korean casualties continues to mount and the need for blood is urgent, said Charles F. Carrington, chairman of the drive.

The committee solicits the cooperation of interested citizens to help in the recruiting of donors. Meetings are held each Monday night at 8 p.m. at Veterans Memorial Hall, which all persons interested in helping are invited to attend.

Boy Scout troops will assist in recruiting of donors and suitable prizes will be awarded to the Scout who enlists the greatest number of donors.

To be eligible to donate, a person must be between the ages of 21 and 60. Those persons falling in the 18 to 21 age group may donate with the written permission of their parent or guardian.

## Stanford Elected Local 896 President

Members of UAW-CIO Local 896 named George Stanford president in an election held May 13. Mr. Stanford defeated Charles Root for the post. Arnold Hix is new vice-president, Vernon Newton is financial secretary and Walter Packer is recording secretary.

A runoff election was necessary for the posts of sergeant at arms and guide, with Arthur Hurrell-brink and Dale Richmond emerging with majority votes. The three new trustees are William Wilson, Richard Smith and Vern Benjamin.

Gerald Raymond was elected chairman of the bargaining committee, and Robert Strachen and J. T. Stone are committeemen. Mr. Newton was named the Local's delegate to the State Convention June 2 through 4 at Grand Rapids.

## Plans Changed, But Pupils Make Trip

The weatherman wasn't cooperative last Thursday and Friday, but Miss Margaret DeKett's fifth grade class made its trips to Lansing with not too many changes in plans.

Thursday's section of the class got to Lansing on the Capital Airlines flight but had to return by train because of bad weather. Friday's flight was delayed at Willow Run for 45 minutes, and the return trip was bumpy, but all fifth grade stomachs were reported as behaving satisfactorily. The youngsters shook hands

with Governor Williams at Lansing, toured the Historical Museum and ate lunch in the gallery of the House of Representatives before an escorted trip through the Oldsmobile factory. Transportation was then provided to the State Police post where the children were shown police facilities. A chartered bus took them on a tour of Michigan State College.

"In spite of the plane difficulties," said Miss DeKett, "most of the children have decided they want to be pilots or airline hostesses when they grow up."

## Rolling Down The River

We've been reading the papers of late, and have come to the conclusion that the news isn't any too good, what with Korea, politics and more strikes on the front page than you'll find in even a Tiger's baseball game.

So when a fellow, who buys a Studebaker from us about six months ago, drops in, we're glad to lend him an ear, especially so when he tells us of a long trip he takes and how beautifully and economically the Studebaker operates. He tells us, too, of being in Omaha where the Missouri river goes about knocking on doors and kicking things about here and there. One morning he drops in a restaurant for a bite of breakfast and on a stool next to him is a guy that looks like he wrestles the river all night. "Certainly looks a lot like the big flood," our friend observes.

"What big flood," asks the man, "isn't this one big enough?"

"Why," says our pal, "the really big one . . . you know . . . forty days rain, the ark, Mt. Ararat and all the rest."

"Mr.," says the man from Nebraska, "I've been carrying sand bags so doggone long, I haven't seen a newspaper for a week."

Sometimes we think that's what happens to you when we get around to asking you to bring the car in for the spring tune-up it needs. Especially now that the weather is getting around to the warm side and no one can get either kids or motorists in the house in time for dinner. But getting down to facts, that car of yours needs a bit of aid now and then and our mechanics are just the sort of people that can give it new life and enthusiasm for the open road. Really economical too!

Maybe the meanest man we know, is the fellow who recently had a wall telephone installed. That way, he tells us, he knows he'll get a chance at the thing when his wife's feet get tired.

Maybe the fellow that bought two new '52 Studebakers from us felt that he would like to hang one on the wall too. The first car he bought, his family takes over, so he gets a beautiful new Starliner convertible hard-top for himself. He likes the extra economy the Champion provides, seeing as how he is stuck for the gasoline, no matter who drives the family car, but is extra thrilled at the fast accelerations, surging power and ease of handling of his Commander. You'll love it too, all it takes is a demonstration.

That's that, but a fellow tells us that many a girl has a tough time deciding whether she wants to show distinction or distinctly in her new summer outfit.

### Poor Advertising for Northville

Normally we are inclined to follow the path of least resistance and accept with a certain degree of resignation the things we don't like but are unable to correct. Under such circumstances we always hope that eventually someone will get around to fixing them up — and usually this happens.

We are beginning to wonder, however, when "someone" will start repairing the short stretch of South Center St. adjacent to Northville Downs, which has been in disgraceful condition for many months. The responsibility for this street repair job rests with the Wayne County Road Commission and, we are told by Village Clerk Mary Alexander, several requests have been made to the Road Commission to get at the job. To date, nothing has happened and the street continues to get worse and worse. After the prolonged rain this past week-end, it is nearly impassable.

Much as we dislike sounding a discordant note of indignation on this bright, sunny May morning, we respectfully urge that the street has deteriorated to a point where it behooves the Village Commission to get up on its ears and register a strong protest with the Wayne County Road Commission. The racing season will open in two weeks, bringing thousands of visitors to Northville. They will not know that it is the County Road Commission that has fallen down on the job, but will assume that the Village has neglected its responsibility. The street should be repaired before the racing season starts. Otherwise, the street is a poor advertisement for a Village which prides itself in being an ideal community in which to live.

# Convocation to Honor Students

One-hundred and seventy-four students in grades seven through 12 will be honored with certificates, letters and special awards at the Annual Honors Convocation at Northville High School at 9 a. m. Tuesday, June 3.

The students won or qualified for the awards in the many regular and extra-curricular activities during the current school year.

The program will open with singing of "The Star Spangled Banner," led by Leslie G. Lee, high school music director, accompanied by Lucien Lovewell at the piano. Charles Ely, Jr., will lead the Flag Salute and

High School Principal Elroy V. Ellison will formally present the honorees to Superintendent of Schools Russell H. American, who will address them.

The principal address will be made by Fred W. Frostie, instructor at the University of Michigan, who will be introduced by Mr. Ellison.

**Scholastic Awards**  
Preceding announcements and the school song, to be led by Gene Page, music teacher, scholastic awards will be made to Nancy Littell, class valedictorian, and to Mary Jean Woodruff, class salutatorian.

Eighteen special medals, awards and scholarships will be made or announced preceding school awards to students in classes seven through 12: The V.F.W. ## Plymouth Orders City Hall Appraisal

An appraisal of the Plymouth city hall and its contents as well as all other city property will be made by the American Appraisal Co., to allow the city to insure its building up to the amount of evaluation, or to the proper amount under a co-insurance clause.

The company will, in case of fire, send out its own "fire brigade" with the list of the contents, the evaluation of the building burned and the type of construction used in the building.

The appraisal was ordered by the Plymouth City Commission since the city owned buildings are believed to be under-insured at this time.

The cost to the city for this survey is \$1,500 for the original appraisal and \$200 per year for continuing service by the American Appraisal Co.

## U. of M. to Announce Hopwood Writing Winners

Some 44 books of fiction, biography, poetry and drama, winners of major awards in the Hopwood creative writing contest at the University of Michigan, have been put on the market by publishing companies in the 20 years the awards have been made. The annual contest, which usually awards about \$7,000, is open to students taking English or writing classes at the University. This year's winners will be announced May 28.

## SPINNING FOR SPORT

Not enough Michigan fishermen have discovered the art of spinning—one of the most deadly of all approaches to fish of every size and species. Most of the current addicts are recruits from the plug casters—and they're having a heyday tossing light lures amazing distances with unbelievable accuracy. This combination of long casts and small diameter monofilament transparent line is turning big fish that are ordinarily too wary to tempt.

## New Reels on Market

One of the drawbacks of the original spinning reels is the necessity for manual operation of a pick-up arm before and after each cast. This proves confusing to lots of fishermen—so much so that many a spinning reel is gathering dust in a closet shelf after only a few hours use. But the 1952 version is streamlined and simplified, and all of the old objections seem to have been overcome. This should bring a lot more sportsmen into the fold—and high time, too!

## Trout Stream Technique

It's probable that you can catch more trout per hour on worms than on any other lure. And if that's true you may be sure that the relatively small clan of fishermen using worms and spinning

equipment are really slaying them! Their success is going to become even more apparent as streams grow crystal clear and low. Using light, whippy rods weighing less than 3 ounces, these anglers bait a single #10 hook with a gurgling garden worm, never a night crawler, allowing the bait to drift naturally in the current with no sinker. The light, nylon line tests no more than two pounds and is all but invisible. Little wonder that even the wariest of trout are fooled. Spinning anglers will prove to be the real "meat fishermen" when the going is tough!

## Adaptable to All Fishing

If you are now a spinning enthusiast—or if you plan to be soon—don't fail to investigate the variety of lures applicable to every type of fishing. And remember you should fit the lure to the line. Smart spinners carry spare spools of line, using the heavier 6# test nylon for the heavier type plugs, and switching to lighter lines for lighter lures. Once you master the art of spinning you're on your way to better fishing, and it's an art that comes much easier than casting with the standard rod and reel. Try it for more fun in Michigan Outdoors!

Mort Neff's "Michigan Outdoors" television show may be seen every Thursday at 10:15 p.m. on stations WWJ-TV, Detroit and WJIM-TV, Lansing.

## Howard Hill Exhibits Bow and Arrow Prowess in 'Tembo' at P & A Theatre

Howard Hill, world-famous bow-and-arrow expert, with his safari crew and African natives will appear in "Tembo" at the Northville Penniman-Allen Theatre over the Memorial Day weekend. It will be shown on Thursday, Friday and Saturday, May 29, 30 and 31.

A re-issue is scheduled for Sunday and Monday, June 1 and 2. "The Return of Frank James" starring Henry Fonda and Gene Tierney, will bring back all of the West's most notorious outlaws. The Wednesday only picture, June 4, will be Johnny Weissmuller in "Jungle Jim in the Forbidden Land." The extra showing that night will be Gene Autry in "Hills of Utah."

Marlene Dietrich, Arthur Kennedy and Mel Ferrer star in the technicolor western "Rancho Notorious" which will play at the local theatre on Thursday, Friday and Saturday, June 5, 6 and 7. The story deals with the determination of Arthur Kennedy to track down the outlaw who had violated and murdered his sweetheart. The background is given a novel touch in that part of the background music is a ballad, the story of which unfolds on the screen.

Miss Dietrich is as good as ever in the role of an ex-saloon entertainer, who operates a ranch hideout for desperadoes who share their loot with her.

Accidents sometimes happen from which a man cannot well extricate himself without a species of madness.

## Many Bad Checks in Wayne County

"Business men in Wayne County, outside the City of Detroit, should use extreme caution in cashing checks," Gerald K. O'Brien, Wayne County Prosecutor, warned this week.

"My out-county office in Allen Park reports that complaints of bad checks reached alarming proportions in recent weeks," O'Brien continued.

"Apparently the 'bad-check artists,' gyps and confidence crooks, always a problem for law enforcement officers in Detroit, have shifted their scene of operations to the out-county areas to escape the 'crack-down' which the police and this office have given to them in Detroit during the past," O'Brien said.

## Small Checks Are Worst

"Contrary to what most people think, it is the check calling for small sums of money and which has the appearance of being a workman's pay-check, which causes us the most trouble," O'Brien said. "Burglars steal check books and check writers from business firms; obtain the services of bad-check artists and flood bars and other small business places with what appears to be pay checks of from \$50 to \$70. The small amounts make

the checks easier to cash, but after visiting 40 or 50 business places the amount of the loot is considerable.

"The average business man or citizen can do much to assist this office in stamping out this type of crime," O'Brien continued. "The cardinal rule to be followed in cashing checks is: KNOW THE PERSON FOR WHOM YOU CASH THE CHECK. If you do not personally know the name and address of the person, or if identification is presented which appears to be sufficient for you to cash the check, be sure to write on the check the address, driver's license number or any other information which will assist the police in tracking down the person if the check proves to be bad. Another good thing to remember is that driver's licenses may be lost, stolen or forged. They are not always the best kind of identification. Compare signatures whenever possible.

"The law provides very stringent penalties for writers of bad checks. My office will extend every cooperation to the business man or other citizen who has been unfortunately victimized by a 'bad check artist,' gyp or other confidence crook. But, we can't do anything unless they bring their complaints to my Detroit or Allen Park office," O'Brien concluded.

Christian Science Churches  
That hypnotism or mesmerism has no part in the healing method of Christian Science is clearly shown in the Lesson-Sermon entitled, "Ancient and Modern Necromancy, alias, Mesmerism and Hypnotism, Denounced" to be read in all Christian Science churches on Sunday, June 1.

The Golden Text is from Isaiah (59:19): "When the enemy shall come in like a flood, the Spirit of the Lord shall lift up a standard against him."

CARD OF THANKS  
We wish to thank our many friends and business associates for the kindness shown during our recent bereavement.  
Mrs. Deane Herrick and family.

YOUR LIFE'S SPAN  
Barring unforeseen accidents, how long do you expect to live? Insurance companies have found that heretofore may also be seen in the law of longevity. They call this the "expectation of life." They determine the approximate life of an individual by taking the age of his father, mother and four grandparents and dividing it by six. Well, it is interesting to figure your life expectation in this way—but friend listen to the length of your life's span is not the most important consideration. Our life here on earth is but a very short time in comparison to the eternity which is ushered in after this life is over. We see that even by ratio of time, it is more important to consider the life to come than the present life. Now where you spend eternity will be determined by Jesus Christ (John 5:22) whom God has appointed to be the Judge of all. Each man shall be judged on the terms laid down by God and not on man's terms. There are two main divisions of the terms on which man will be judged (1) The acceptance or rejection of Jesus Christ (John 3:18 & 36) and (2) The thoughts, words, and deeds of man's life time (Rev. 20:12-15). Will you stop long enough to consider these facts?

## NEWS FROM NOVI

By Mrs. L. Rix

Wm. Hansor, Sr., has been a patient at Mt. Carmel Hospital for the past 12 weeks where he has undergone several operations. Mrs. S. R. Marks, of Vernon, spent the week end with her brother and sister-in-law, Mr. and Mrs. George Waite.

Monday was the last day of school session for Novi School. On Tuesday the school picnic was held at Kent Lake recreation park and Wednesday evening, eight graduation exercises preceded a banquet.

The Novi Chapter of the Blue Star Mothers has been invited to attend the V.F.W. breakfast at the V.F.W. Hall at Walled Lake Friday morning after which they

will attend a service at the Walled Lake Memorial. At 9 a.m. Gov. G. Mennen Williams will dedicate a memorial plaque at Novi while the parade will begin at 10 a.m.

Mrs. Etta Schwartz and children, Nancy and John, are spending some time in California. While Mrs. Schwartz is absent her sister, Mrs. Helen Stevenson, is staying in the home with her children.

Mrs. Celia Shupe and her three daughters have rented the Stevenson's house on First St. and will be moving about June 1.

Mrs. Fran Jennings entertained at a dinner party Saturday evening in honor of her husband's birthday. Eight guests were present.

Mr. and Mrs. Russell Recc, Mr. and Mrs. Al Cow, Mr. and Mrs. Howard Greer, Mr. and Mrs. L. Rix and Mr. and Mrs. Ed Rix were guests of Mr. and Mrs. Orie Fewkesbury in Plymouth Saturday evening.

Mrs. Daisy Scothorne was the Sunday dinner guest of Miss May Flint. In the evening the ladies attended a piano recital at the Michigan State Normal College in Ypsilanti.

The Junior Choir of the Novi Baptist Church had a party after rehearsal Saturday afternoon at the parsonage.

Mr. and Mrs. Charles Trickey, Jr. and their children have moved into the Trickey house on First St. and Mr. and Mrs. Charles Trickey, Sr. have moved into their newly remodeled home on East Grand River.

Novi Rebekah Lodge attended a meeting of the Oakland County Past Noble Grand Association at Clyde, Tuesday, May 20. Novi sisters under the direction of Vice President Irene Staman conducted Memorial services for departed sisters.

Novi Rebekah Lodge No. 482 met in regular session Thursday evening of last week. Both the Oddfellow and Rebekah lodges in Novi voted to send a money gift to Peter Knowlton, an auctioneer near Farmington, who was seriously injured in an automobile accident recently. Mr. Knowlton hopes to recover sufficiently to act as auctioneer for the annual auction sale which takes place at Odd-fellow Hall on Saturday, July 26.

A Father and Son Banquet sponsored by the Novi Rebekahs, will be held at Odd-fellow Hall on Wednesday, June 11. Grace Fiske will be in charge of the tickets.

There will be a family night supper at the dining hall Monday night, June 2 at 6:30 p.m., with Rowena Salow in charge.

Members of the Independent Rebekah Club are asked to meet at the hall at 10:30 a.m., Wednesday, June 4, to go to the Blue Star Mother's Rehabilitation Home at Indian Lake. They will have a picnic dinner there and members are asked to bring canned goods or other gifts for the boys at the home.

### Elizabeth Coates Buried Monday

Elizabeth E. Coates, formerly of Novi, died on May 23 at Pontiac Hospital at the age of 85 years.

Services were held on Monday, May 26, from the Casterline Funeral Home. A complete obituary will appear in next week's paper.

THE CHRYSLER NEW YORKER NEWPORT

## WHAT ARE YOU DOING TOMORROW?

This invitation could result in the most important day of your motoring life. We'd like you to take the wheel and really drive a Chrysler New Yorker car. Everything good you've heard about this great car is true... and then some. Its new V-8 engine... its power steering... its power brakes... its astonishing comfort... each is an experience you will thrill to, and remember.

So... tomorrow... or any time that is convenient... come discover real power steering! Hydraulic power does 4/5 the work as you turn the wheel...

and also gives you 5 times the usual control on bad roads... with the same wonderful "wheel feel" every mile!

Drive America's finest engine! Feel for yourself the acceleration, response, reserve power of 180 V-8 horsepower. Learn why owners praise the matchless performance they get... without even having to use premium fuel!

Feel what power brakes are like! Power from the engine boosts the power of your toe. With up to two-thirds less than normal pressure, you will get the surest, easiest stops in your life!

Test the comfort that's unequaled! On body-pleasing chair-height seats... with sweeping vision all around... you take good roads and bad on shock absorbers with over twice the shock-absorbing power of those on cars you've had before!

## Mr. and Mrs. N. Hickok To Live In Dearborn

The Saturday, May 17, wedding of Grace DeBene and Norman Thomas Hickok at St. Alphonsus Church, Dearborn, is of interest to Northville since the bridegroom was graduated from Northville High School.

The double ring ceremony was read at high noon.

Mr. and Mrs. William DeBene are the bride's parents while Norman's parents are Mr. and Mrs. Lee M. Hickok, former Northville residents.

The bride's gown of ivory satin was fashioned with a bodice trim of seed pearls. A rhinestone and pearl tiara held her fingertip veil in place. Her bridal bouquet was centered with two white orchids.

Sisters of the bride, Toni and Loretta DeBene served as the only attendants. Though both were gowned in floor-length dresses of powder blue nylon tulle, with matching picture hats, Toni, as maid of honor, carried a bouquet of dark rose carnations. Yellow carnations formed the bridesmaid's bouquet.

Brother of the bride, Richard DeBene, served as best man while Richard Nash, of Dubuair St., Northville, who is Norman's brother, seated the guests.

Thirty members of the two families gathered after the service for a dinner at Dearborn Inn.

The new Mrs. Hickok changed into a pink gabardine suit for traveling. The two white orchids from the bridal bouquet were worn with the costume. The young couple left for a motor trip to Florida. They will make their home at 6809 Oakman Blvd., Dearborn.

Mrs. Hickok was graduated from Fordson High School and both she and her husband are employed by the Chesapeake and Ohio Railway Co.

## Rainbow Assembly Installs Officers

Marsha Doeksen was installed as Worthy Assistant Advisor. Betty Stevens will hold the position of Charity, Leanna Doeksen the position of Hope and Arlene Jerome, Faith.

**Presbyterians Plan Youth Island Trip**

A weekend outing at Youth Island will be planned at the Sunday, June 1, meeting of the Westminster Fellowship of the First Presbyterian Church, Northville.

The group will spend Saturday and Sunday, June 7 and 8, at the island, accompanied by Mr. and Mrs. Richard Kay, counselors.

If any members who wish to take the trip cannot attend the June 1 meeting, they are asked to call Mr. or Mrs. Kay.

## Engagement Told

Doris Elaine Van Tuyle

Mr. and Mrs. Jesse Van Tuyle of New Hudson, announce the engagement of their daughter, Doris Elaine, to PFC Richard W. Lobdell, son of Mrs. Mike Pokora of Plymouth.

PFC Lobdell, who attended Northville High School, is stationed temporarily at Fort Story, Va., but expects to be transferred to Labrador.

No date has been set for the wedding.

## Farm and Garden Assn. Will Hold Annual Meeting

Plans are nearing completion for the annual meeting of the meeting of the Michigan Division of the Women's National Farm and Garden Association, which will be held June 3 and 4 with the Birmingham branch as the hostess club, and the Birmingham Community House as headquarters.

Included in the program are an outing and luncheon at Haven Hill, tours of Birmingham and Bloomfield Hills gardens, and a banquet at Oakland Hills Country Club with Louis Bromfield as speaker. Also scheduled are a luncheon at Oakland Hills, and a Presidents' Tea at which all past and new presidents will be honored.

Members wishing to attend any of the meetings, or desiring further information about the program, are asked to get in touch with Mrs. R. D. Merriam.

## Capt. Ken Martens to Instruct at Reese AF Base

Captain Kenneth A. Martens, 404 Dubuair St., Northville, now is stationed as an instructor in the USAF Basic Pilot School (Multi-Engine) at Reese Air Force Base, Texas.

He is the husband of the former Mary Jane Griffin, of Silver City, New Mexico, and the son of Mrs. John C. Martens of Spokane, Washington.

Captain Martens entered military service in March, 1941, and was commissioned in March, 1944. He has served in the European Theatre of Operations, the Philippine Islands, Hawaii, Germany, and from November, 1951, until April, 1952, in Korea.

He graduated from high school at Northville, and attended Wayne University in Detroit. His Air Force schools included flying training at Spence Field, Ga., B-24 training at Boise, Idaho, and B-26 training at Langley Field, Va.

## C.A.R. Elects Officers

Anthony Worth was named president of the Plymouth Corners Society of the Children of the American Revolution at their recent meeting.

Serving as vice-president is Margaret Sue Daniel with Carolyn Burkman as secretary and Sande Cutler as treasurer. Mary Ellen Cruse is historian.

Mrs. R. D. Willoughby, of Plymouth, was recently named state senior president of the C.A.R. at the state convention.

## Camp Site Needed

The Northville Recreation Committee is looking for a camping spot on or near some lake within 50 miles of the village for a summer and early fall camping program, said Wilson Funk, Recreation Director.

Also needed for the program are a number of tents, from the pup-size to large tents, said Mr. Funk. Donors are asked to contact Mr. Funk.

## IN MEMORIAM

In loving memory of our dear father, Ferdinand Kreeger, who departed from this life eight years ago, May 19.

Though not with us now, you still live on.

A little step away,  
Your soul in everlasting life,  
Has found a better day.  
Greatly missed by his sons  
and daughters. 52x

## J. Edgar Hoover OK's Minute Women

The present membership of the Minute Women met at the home of Mrs. John Burkman, of East Eight Mile Rd., to make plans for the open meeting of the group on Monday, June 2. Mrs. J. D. Runkle, of Royal Oak, will speak at the gathering which will begin at 8 p.m. in the Northville High School auditorium.

Women contemplating joining the Minute Women are assured that it is not connected in any way with any subversive or communist-front group, said Mrs. Herbert N. Frogner and Mrs. N. W. Hopkins, co-chairmen of the local chapter. They assure the prospective members that the Minute Women of America have been thoroughly investigated by the Federal Bureau of Investigation and have been cleared by J. Edgar Hoover.

## Marshall Huff to Head Local P.T.A.

Marshall Huff was elected by the members of the Parent-Teacher Association as president for the next year. Elections were held on Thursday, May 22.

Vice-president will be Mrs. Hurd Sutcliffe with Mrs. William Milne as secretary. Mrs. Sonya Johnston will serve as treasurer. The officers were installed by Clifton Hill, vice-president.

The annual report of the P.T.A. school nursery school was given by Mrs. Howard Meyer, and Donald B. Severance reported on the P.T.A. Carnival.

## 104 Kindergarteners Register at School

The names of 104 prospective kindergarteners were recorded at registration last Thursday, May 22, at the Northville Grade School. A few more are expected to register, said C. T. Pregitzer, principal.

The annexations of additional school districts has raised the registration figure, he said. This school season 97 pupils were enrolled.

Mr. Pregitzer said that the law states that any child who is five years old on or before November 30, 1952, can be registered for kindergarten. Parents are asked to contact him if they have not as yet registered their prospective kindergartener.

## Events of the Past in Northville

News Items Taken From the Files of the Record

#### One Year Ago—

Extended-area telephone service between Northville and four of its neighboring communities, will be inaugurated at exactly 12:01 a.m. Monday, June 4. The new service will permit Northville customers to make calls without paying toll charges, to Farmington, Plymouth, Walled Lake and South Lyon. Their local calling area will climb from its present level of 1,927 telephones, to an all-time high of 10,996 telephones.

The Northville School election on Monday, June 11, promises to be nothing more than going through the formality of casting a ballot since Robert F. Coolman and Donald B. Severance, incumbents, are the only citizens who filed petitions for the two vacancies.

Henry Schnute, of North Center St., was recently certified by the Michigan Music Teachers Association.

Fred Warner Neal, a former villager, who recently returned from Paris, France, where he taught at the University of Paris, spoke to the students of Merritt Meaker's twelfth grade government class at the Northville High School.

#### Five Years Ago—

Three candidates have qualified for the annual election of trustees for the Northville Board of Education. Sidney Fild, Howard I. Atwood and Dr. R. W. Atchison will vie for the two vacancies.

Northville High School's baseball team defeated Roosevelt High at Keego Harbor, 16-4, last Friday to finish their schedule in the Inter-Lakes Conference, undefeated.

Funds for a Community Hall building for Novi will be augmented next week when a benefit circus and jamboree takes place on the grounds of the Novi School.

#### Ten Years Ago—

Charles Shaw, son of Mr. and Mrs. F. Shaw of West Nine Mile Rd., has been awarded a fresh-

One Year Ago—

Northville High School linksmen carried off top honors in the Wayne-Oakland league golf tournament at Bob-O-Link golf course topping Milford, Holly and Clarkston. Art Carlson, Denny Winkler, Coach Merritt Meaker, Glenn Howarth and Tom Wick pose above with the trophy. Wick was medalist with a 94 and Winkler carded a 96 for second. man scholarship at Harvard University.

Two minute men will be stationed from 1 to 5 p.m., Friday, in the Northville Library to assist villagers in signing bond and stamp pledge cards.

Only one violation marred the total blackout test here from 10 to 10:15 p.m. Sunday.

Superintendent of schools Russell H. American and George Smith presided Thursday night at the Boy Scout Court of Honor held at the Wayne County Training School.

#### Fifteen Years Ago—

Three witnesses of the Northville bank robbery have definitely identified the notorious gang leader, Brady, as one of the two men who held up the Depositors State Bank on April 20.

Carl Ely and Dr. Harold Sparling were elected to represent the Exchange club at the State convention.

#### Twenty Years Ago—

Over 1400 people gathered at the Wayne County fairgrounds, Thursday, to witness the Night-hawk celebration featuring a ball game under the powerful arc lights, boxing contests, quoits, tournament and horse racing.

Looking forward to next winter, when again it may be necessary to extend welfare aid to worthy people, the Northville Community Fund, whose activities were started last fall, will offer 20 acres of land for raising vegetables and potatoes.

Sheriff W. Ambler says that the B. Freydl Dry Goods Store which was vacated last week, is empty for the first time in 32 years.

#### Thirty-Five Years Ago—

Dr. L. N. Tupper is the new commander of the Northville Commandery No. 39.

The Detroit Boy Scouts who assisted in the Decoration Day program began arriving here Monday with the advance detail hiking out from the city and pitching camp on the school grounds.

### Consider Forming Plans Commission in Farmington

City Manager of Farmington, James Tennant, was directed by the council of that city to secure information on the organization of a city planning commission.

Information will be secured through the Michigan Municipal League and other governmental agencies. Paul Pate, city attorney, was directed to make a study of the legal aspects of such a commission and the authority of the council in setting up and directing such a board.

No action was taken by the council, although councilman James Cavanaugh urged the group to take steps as soon as possible. It was suggested that a representative of the Metropolitan Area Planning Commission be secured to talk before the council.

### Costs Are High for U. S. 'Help' to Small Business

Uncle Sam is making a big business out of helping small business. This is a development which the Citizens Research Council of Michigan pointed out this week in a plea that "our government in Washington give some real help to the nation's small businesses by reducing Federal spending, cutting the taxes on the small business man, and getting rid of bureaucratic red tape and restrictions."

If Congress should vote the full amount requested next year for the "small business" activities of the various Federal agencies and of Congress itself, the Council figured the total bill to run them would be about \$8,000,000 annually. Most of this money would go for salaries of more than 1,300 persons on various Federal "small business" agency payrolls.

Representative J. Vaughan Gay (D., Va.) of the House Appropriations Committee added the number of actual employees on small business activities in 11 Federal agencies and found that these alone totaled 757 persons. On top of all this, an appropriation of \$3,100,000 is now asked to support the newly created Small Defense Plants Administration which would have a payroll of some 500 employees next year.

Still others are similarly employed in connection with the Federal Government's foreign economic aid programs. The activities of the Senate and House Committees on Small Business cost more than \$150,000 a year.

The Council said Congressional committee hearings and reports show mounting evidence of duplication, competition and conflict among these small business agencies of the Government.

"The Federal Government's concern for the small businessman," according to the Council, "is often offset by legislation which regulates and restricts him, taxes away his earnings and even puts the Government into businesses which compete unfairly with him."

There is no action so slight or so mean but it may be done to a great purpose, and ennobled thereby.

Ability is of little account without opportunity.

## Helicopter rotor helps control orchard frost damage

This 22-foot helicopter rotor, spinning atop a 20-foot tower at a Michigan State College test installation at Beulah, Michigan, was found to reduce danger of frost damage under certain conditions. Night temperatures at 300 feet are sometimes 20 degrees warmer than those nearer the ground, and the helicopter rotor pulls down the warmer air and mixes it with the cooler ground air. In one test, the ground temperature 40 feet out from the machine rose from 26 to 35 degrees within a half hour after the rotor started. When orchard heaters were used with the wind machine in the same test, the temperature went from 26 to 38 degrees. For more information on this new weapon against frost damage in fruit orchards, write or telephone your County Agricultural Agent.

Efficiency speeds rural telephone service

In telephone work as in farm work, experience generally adds up to newer, better, faster ways of doing things. The linemen you see adding more telephone wire and cable in rural Michigan have plenty of telephone experience behind them. Last year alone they used that experience to increase by 9,000 the number of telephones in Michigan Bell rural areas. Today, 3 out of 4 establishments in Michigan Bell rural territory have telephones. And we're adding more just as fast as we can.

## ICERMAN, JOHNSON &amp; HOFFMAN

Certified Public Accountants

April 17, 1952

The Honorable Commission  
Village of Northville, Michigan  
Gentlemen:

We have examined the balance sheet of the Village of Northville as of February 29, 1952 and the statements of receipts and disbursements and income for the fiscal year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of accounting records and such other auditing procedures as we considered necessary in the circumstances. We did not consider it practicable to verify taxes and accounts receivable by direct communication with the debtors.

The accounts of the Water Department Fund are kept on the accrual basis. The accounts for all other funds are kept on a modified cash receipts and disbursements basis; all assets and liabilities are reflected in the accounts, but revenues are recognized only when cash is received.

In our opinion, the accompanying balance sheet and related statements of income or receipts and disbursements present fairly the position of the Village of Northville at February 29, 1952 and the results of operations for the fiscal year then ended, in conformity with generally accepted governmental accounting principles applied on a basis consistent with that of the preceding year.

Very truly yours

ICERMAN, JOHNSON & HOFFMAN  
By C. A. Hoffman
