\$2.50 PER YEAR IN ADVANCE

Baccalaureate Service for Seniors Is Sunday Evening

Baccalaureate service Sunday, June 8, will be the beginning of the eighty-third Commencement exercises at the Northville High School. The class night program is planned for Tuesday, June 10, at 8 p.m. at the High School gymnasium. Diplomas will be granted at Commencement on Thursday, June 12.

The 70 seniors of the class of 1952 will wear their caps and gowns for the first time at the Baccalaureate service which begins Sunday at 8 p.m. in the Northville First Presbyterian Church house.

The Rev. William A. Johnson, pastor of the First Methodist Church, whose daughter is a member of the class, will give the evening's address. He has chosen as his topic "At the Highway to Success." Assisting with the service will be the Rev. Dr. Harold F. Fredsell, pastor of the host church.

The seventeen senior members of the Northville High School choir will appear for the last time with the group when they perform that evening. Leslie G. Lee will direct the group as they sing "Holy Lord God" by N. Cain and "Blessings of Peace" by Arkhangel'sky. Lucien Lovewell will play the processional and recessional for the class.

President of the senior class, Don Maclean, will open the class night program on Tuesday evening. The senior committees have made out the class will, history and prophecy to present that evening. Members of the class will receive gifts planned by the giftatory committee. Musical numbers and an oration will be presented before the farewell is given by Fred Weihe.

Sponsors of this year's class are Harry B. Smith and Edward C. Mollena, both high school teachers.

Minute Women Expect Big Meeting

All women of Northville and surrounding communities are urged to attend the meeting tonight, Thursday, of the Minute Women of the U.S.A., said Mrs. Herbert N. Frogner and Mrs. N. W. Hopkins, co-chairmen of the local chapter. The meeting will be at 8 p.m. in the Northville High School auditorium.

The speaker will be Mrs. J. D. Runkle, of Royal Oak, Mich., who will discuss the vital part women can play in today's affairs. She will be introduced by Mrs. Joseph F. Page, Jr. Mrs. Runkle is expected to tell details of several specific instances in which the Minute Women of her community contributed to the betterment of the area, revealing several local situations which needed immediate remedy.

The Minute Women have extended invitations to the Rotary, Optimist and Exchange Clubs; the Veterans of Foreign Wars Post 4012 and Auxiliary; the Lloyd H. Green Post 147 of the American Legion and Auxiliary; the Business and Professional Woman's Club; Daughters of the American Revolution, and the Mother's Club.

The Un-American Activities Committee in Washington, D. C., has cleared the Minute Women of any subversive taint, according to word received from Washington by Mrs. A. C. Carlson.

Curbs, Gutters for Lake, Grace Streets

Village Clerk Mary Alexander will advertise shortly for bids covering installation of curbs and gutters on Lake Ave. between Center and Horton streets and on Grace Ave. between Baseline and Rayson.

The Village Commission voted Monday evening to go ahead with this work as soon as possible and to lower the grade level of Grace Ave. so curb and gutter will be level with the sidewalks. This will involve regressing a portion of the street to bring it down to sidewalk level. The regressed street will be allowed to settle until next spring when it will be resurfaced.

Rev. William A. Johnson

Council to Act on Parking Lot Plans

The Northville Village Commission will hold a special meeting Monday evening, June 9, to act on the parking lot plan submitted by the Village Planning Commission May 19. Commission members are hopeful that definite action may be taken then to pave the way for financing an over-all parking program that will relieve traffic congestion and facilitate doing business in the downtown district.

Seven Point Plan
The Planning Commission's proposals are:

1. Completion of the present parking lot adjacent to the First Presbyterian church, and parking space along the alley in the rear of stores on the south side of East Main St.
2. Acquisition by the Village of all available property suitable for parking in the east side of Dunlap street, together with the rear 20 feet of lots fronting on the south side of Dunlap St.
3. Construction of an all-day parking lot on Village property just west of the Fire Hall to accommodate between 105 and 140 cars. This space would be available for the use of persons employed downtown, many of whom now park in the lot at the corner of Main and Center streets and in the rear of stores fronting on the north side of East Main St.
4. Acquisition by the Village of the east ten feet and the rear 80 feet of Lot 534 (the Hill property on West Main St.) and all of Lot 544 (the McKinney property) to provide parking space for 30 cars.
5. Acquire lots 879 and 880 (front and back lots at 117 E. Dunlap) on the north side of East Dunlap St. to park 28 cars now and serve for an alley entrance when East Dunlap is developed for business use.
6. Grade and surface the privately-owned lot at the corner of Main and Center streets and install 2-hour parking meters until the lot may be needed for a store building.
7. Acquisition or reservation of Lots 47, 48 and 49 (center of block on north side of East Cady) on East Cady St. for future parking.

Committee Views Areas for City

Plans for submitting a proposal to incorporate Northville as a city to a vote late this summer are proceeding satisfactorily, with a prospect that the Committee on City Incorporation may be ready to announce the area to be included in the city limits within a few days.

The committee held its third meeting Wednesday evening, with discussion centering on the advisability of including certain areas which may present topographical problems. There also was some discussion of the advantages of converting the present Village form of government.

Guard Authorized for Village Jail

The Village Commission at its meeting Monday evening authorized Police Chief Joseph Denton to hire a guard for duty at the Village jail on such occasions as it may be occupied.

The action followed a statement by Commissioner Claude Ely that the jail has been condemned by the state as unsuitable for use, one of the chief drawbacks being lack of an attendant in case of fire or some other emergency. Ely pointed out that if the jail continues in use the Village would be liable for damages in case anything happened to a prisoner. He suggested that arrangements be made with Plymouth, Livonia or some other neighboring community for the detention of Northville prisoners. Chief Denton said it is impossible to make such an arrangement except with Livonia, whose jail, however, has only one cell and might not be available when needed.

Issue Permits for 36 Buildings in 1952

Permits for the construction of 36 buildings in Northville with a total valuation of \$152,400 have been taken out since Jan. 1. J. Stanley Waterloo, building inspector, reported to the Village Commission this week. This is \$84,000, or 55%, ahead of the corresponding period last year, he said.

Twelve new houses valued at \$108,000 are included in the total for the year to date.

American Legion Post Active Locally in Nationwide "Get Out Vote" Campaign

As part of the nation-wide drive to get out a record vote in fall elections, Paul Burnham, commander of the American Legion Lloyd H. Green Post 147, has been appointed chairman of the "Get Out the Vote" program in the new 17th Congressional District.

Donald R. Wilson, American Legion national commander, said in a recent magazine article, "In 1948 nearly 50 million Americans of voting age did not vote. A light vote is a party vote and compels the party to emphasize party interest. A heavy vote is a public vote and compels the emphasis of public interest. Thus, those who do not vote compel political organizations to follow paths that place party loyalties above public loyalties. If we are to make good government, the fact that we vote may be as important as who we vote for."

Mr. Burnham has appointed a committee to further the program in Northville and surrounding communities. The committee is composed of Charles F. Carrington, Donald B. Severance, Paul Beard, Merrill Sweet, Charles Schoultz and Claude Ely.

The committee will concentrate on getting people to register for the primary elections Aug. 5, so they will be eligible to vote. Legionnaires will canvass the entire local area urging people to register and will seek from qualified voters pledges that they will vote in the coming elections.

Canvassers will have identification cards and will be qualified to answer questions concerning registering and voting.

The entire "Get Out the Vote" campaign is non-political and is only concerned with getting out the vote as a public service, said Mr. Burnham.

Gift by Langfield Solves Split Opinion
Village President Conrad E. Langfield this week solved a friendly rift among members of the Village Commission at a cost of \$30 to himself. The cost, he believes, will be trivial in comparison with the happiness it may bring some boys in Boy Scout Troop N-1.

The split among members of the Commission arose from a request by Troop N-1 for a donation of parking meter receipts for one Saturday during June to assist the troop in financing its summer camp at East Tawas.

Commissioners Claude Ely, A. Malcolm Allen and Alton Peters favored the proposal but Commissioners John F. Stubenvoll and Gerald C. Woodworth questioned the Commission's authority to make a donation of this character and the wisdom of establishing a precedent, although they also expressed themselves as being sympathetic to the troop's request.

It was to avoid a formal split on the proposition that prompted Langfield to offer to donate personally the approximately \$30 which was estimated as the amount of one day's parking meter receipts.

Name 5 Scholarship Winners

Judy Sechlin

Joan Buck

Joan Buck, Gay Duerson, Mary Lou Litsenberger, Judy Sechlin and Joan Toussaint are the senior recipients of cash scholarships granted by five Northville organizations to assist them with their advanced education.

The Northville Retail Merchants, which this year set up a \$100 fund, awarded its scholarship to Joan Buck. Gay Duerson is the winner of the Women's Club scholarship which amounts to \$100, and the Parent-Teachers Association scholarship of \$125 will go to Mary Lou Litsenberger. The \$125 grant from the Northville Exchange Club goes to Judy Sechlin, while the Northville Driving Club scholarship of \$150 will assist Joan Toussaint.

Joan hopes to enter nurse's training at St. Joseph Hospital, Ann Arbor. She has been active in the Girl's Athletic Association, the Future Nurses of America Club and has attained a "C" scholastic average while attending the Northville High School.

Gay will attend the University of Michigan next fall. She is an honor student and has been an officer of the Student Council and the senior class at the school. This winter Gay was chosen by the Sarah Ann Cochran Chapter of the Daughters of the American Revolution as the Northville DAR Pilgrim. In November she was elected by the students as the Northville Homecoming Queen. Her parents are Mr. and Mrs. Harry Duerson of Meadowbrook Road.

To pursue her teaching career with aid from the PTA scholarship, Mary Lou is enrolled at Western Michigan Teachers College in Kalamazoo. This year she was president of the Future Teachers Club, which has as one of its activities, practice teaching in the Northville Grade School. She was treasurer of the senior class and is a member of the Forensics Club. Mary Lou is the daughter of Mr. and Mrs. John Litsenberger of West Dunlap St.

The winner of the Exchange Club scholarship is the daughter of Mr. and Mrs. Elton G. Sechlin of Northville Rd. Judy will take a secretarial course at Cleary Business College starting next fall. During her four years in high school, she was in the band, and the choir, and as a cheerleader, was a member of the Pep Club. She was treasurer of the junior class and gave dramatic readings as part of her work in forensics.

A business course at Michigan State College or Cleary is the goal of Joan Toussaint, who won the Driving Club scholarship. She has been a member of the band, choir, Drama Club and Forensics Club at Northville High School. Her parents are Mr. and Mrs. Henry Toussaint of Horton St.

Scouts to Give Dinner to Raise Camp Funds

The annual spaghetti dinner, sponsored by the Northville Boy Scouts of Troop N-1, will be held tonight, Thursday, June 5, starting at 5:30 p.m.

Serving will continue until 8 p.m. in the church house of the Northville First Methodist Church.

This project is put on annually by the scouts to raise funds to send Northville boys to the summer Boy Scout camp. The camp will be held this year for two weeks in July at the United States Coast Guard Station at East Tawas, said Monroe Weston, scoutmaster.

Hammond Bid Wins Construction Job

Oscar Hammond was the successful bidder for the job of constructing retaining walls, storm sewers and woven wire fencing for the Village parking lot on the south side of East Main St., at a cost of \$9,908.

Six bids were opened by the Village Commission Monday evening, ranging from Hammond's low figure to a high of \$14,405 named by the E. C. Nolan Co. of Centerline, Mich. Dewey Burrill was second lowest at \$10,024, followed by the R. E. Davis Construction Co., \$10,299; Ray L. Welch, Farmington, \$11,134, and Ivan Oliver, Wayne, \$13,695.

Bids were to have been opened at the previous Commission meeting May 19 but it was discovered that incorrect specifications for the job had been given to one contractor. As a result, all bids were returned and the job was readvertised.

Merchants Association Plans 'Parade of Progress' in Fall

The Northville Retail Merchants Association will sponsor a community-wide "Parade of Progress" during the month of September, similar to the event of the same name held last year which was received by villagers and residents of surrounding communities with enthusiasm.

A meeting of the association board last Monday night laid plans for the month-long affair, during which major prizes will be given away on the four Friday nights in September. The board named committees and outlined a plan to be presented to a general meeting of the association at the Veterans Memorial Hall Monday night, June 9, at 8 o'clock.

Major prizes in last year's program included a Ford automobile, a television set, a refrigerator and four bicycles. Similar prizes are planned for the event this year, with additional smaller prizes and various promotions by individual merchants.

Essie Nirider, general chairman for the fall "Parade", along with members of the association board, named chairmen and members of six committees. Chairmen will be Nelson C. Schrader, Jr., budget; William Gladstone, advertising and publicity; Leland V. Smith, programs and special events; Carl Johnson, prizes; Robert Lyke, decorations, and Harry Sedan, tickets.

The board also decided at Monday's meeting that memberships in the association will not be accepted after June 15, 1952, except in case of new businesses which originate during the next year. Memberships in the organization will not be available between June 15, 1952, and June 15, 1953.

The Village Commission instructed Clerk Mary Alexander this week to notify the Wayne County Road Commission that the Village will pay one-half of the cost of installing a traffic light at East Main and Horton streets. This will amount to \$1,115.

Northville Downs Opens 54 Nights

Northville Downs will open 54 nights of harness racing Monday night, June 9, in a meet which will continue through August 9. This is the ninth year for Michigan's pioneer mutuel track. Grand Opening night will see many of the nation's top pacers and trotters going to the post. The first race will begin at 8:15 p.m. nightly, Monday through Saturday.

The more than 1100 applications by horsemen for Northville Downs' 600 stalls indicate a season which may eclipse all others in quality of racing and attendance, said Orlow G. Owen, operational manager.

Brand new lighting down the stretch, making the track one of the best-lighted in the Midwest, will insure clearer vision for racing fans. Constant work on the track since late winter has brought it to fine condition for the opening night, Mr. Owen said.

Tommy Winn and Bob Taylor, leading drivers, will be on hand for the Grand Opening from recently-closed Yonkers Raceway. One of Northville's "favorite son" drivers, Archie Niles, is bringing his stable from Santa Anita. Others who will be ready for the meet include Jack Williams, Foy Funderburk, Ora Duncan, Denzel Berry, Leon Boring and Harold Snodgrass.

The \$10,000 Governor's Cup Troop is set for Friday, July 11, and the \$10,000 Michigan Pacing Derby will be held Friday, August 1.

Jackson Raceway, which has had the area's first racing dates, will conclude June 7 with its most successful harness racing meeting, according to Raceway officials. At the end of 17 of the 34 racing days, pari-mutuel wagering had passed the 1951 total set in 23 days. A 52% increase was shown over the corresponding period of a year ago. Attendance totals are up 40%.

Grand Opening for Black's Catering

Black's Catering Service will have a grand opening in its new quarters at the corner of North Center and West Dunlap streets on Sunday, June 8.

The opening will feature a buffet style dinner from noon to 9 p.m. The business will carry on as previously, but will now offer a combined catering service and dining room facilities, said Mr. and Mrs. William Black, owners of the Catering Service.

Tax Rate Placed at \$16.50 Per \$1,000

Northville's tax rate this year will be \$16.30 per \$1,000 of assessed valuation, compared with \$15.98 last year, Edward M. Boring, village assessor, reported to the Village Commission Monday evening. The rate is based upon a valuation of \$3,618,800 for real estate and \$1,058,800 for personal property, or a total of \$4,677,600.

Rolling Down The River

Now the other day a fellow drops in our garage to show us a beautiful five pound Brown Trout, that, he says, he catches up the road a piece. "Just a matter of the right combination," he tells us, "the right man, the right equipment, the right time."

His wife tells us later, that what really happens he falls in the river and then comes right home, complaining that the cold bath makes his ulcers exceptionally active. When he bends over to get a glass of milk to relieve this activity, the trout falls out of his shirt front.

But then again, maybe she is telling us a big story, because it could have been a case of the right combination: the right man, the right time, the right equipment. Just like the right man, the lure of the open road and a sparkling '52 Studebaker, now that summer is getting closer. Such a combine will certainly take care of that feeling you have to get up and go places... you'll go! The Studebaker with its tremendous power, wonderful economy and driving comfort is just the sort of a car you need to get there... and back. No worries, less cost per mile, and amazingly easy, tireless driving. Better see us right away.

In between this paragraph and the last one, a lady drops in this Studebaker mart to have her '51 Champion lubricated and while here tells us that her husband has taken to eating downtown during housecleaning time. Not only that, the young son wants to do the same. "All housecleaning is," says he, "is letting the rest of the house get dirty while you clean one room!"

Just in case you don't feel that the time is ripe for us to sell you a new Studebaker, why not have us service the old one before taking any week-end or vacation trips? Your car will appreciate the careful inspection our mechanics will give it... and you'll love the extra performance it will deliver after a bit of lubrication, new oil and a fine motor tune-up. The cost is surprisingly small and the results exceptionally large.

That's that, but a fellow was telling us the other day that this country is certainly in a mess these troublesome times and blames it on the Indians. "Yes-sure," says he, "it's the Indians fault. It would never have happened if they had observed stricter immigration laws."

Yours,

BILL and WILL PETZ.

1952 Parade of Progress

The decision by the Northville Retail Merchants Association to sponsor a 1952 Parade of Progress next September, modeled after the similar event that proved so successful last year, is a constructive step which deserves the whole-hearted support of the community.

Not only will it serve as a stimulus to local business next fall, but it also will emphasize to the thousands of visitors whom it will attract the many advantages which the Northville area offers as an ideal residential and shopping center. Further, it provides an incentive for better merchandising by local stores, which will enable Village shoppers to save many dollars on their purchases during the month.

To us, it appears that the 1952 Parade of Progress should not be considered solely as a promotion for the primary benefit of Northville merchants. Nor was the corresponding event last year in that category. Rather, they are evidence that our local merchants are alert to the need for joint endeavor by all civic groups if Northville is to keep pace with other communities in the Detroit area. Such communities, although not so fortunate in natural advantages which make for pleasant living, have been more aggressive in promoting their growth. The Northville Merchants Association is well aware that community progress and civic betterment are highly competitive and very selective matters that cannot be left to chance. The annual Parade of Progress is one of their answers to making Northville a better place in which to live.

It should be said in passing that the Merchants Association has also taken a leading role in Village affairs by its emphasis for several months on the need for more adequate off-street parking facilities, and its support of the move for construction of a Village Community Building and other matters of a constructive nature. Although the merchants are not alone in seeking to guide the community's development along sound lines, they are to be commended for their efforts in this direction.

District Scouts Plan Spring Camporee

The Boy Scouts and their fathers, of Sunset District, are looking forward to the Spring encampment which is to be held on June 13, 14 and 15 on the Multi-Lakes Conservation Club properties on Reed Lake, three miles north of Walled Lake.

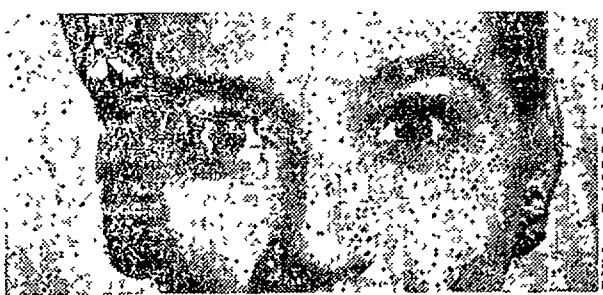

Among the activities planned for this Dad and Son Camporee are demonstrations in outdoor skills such as marksmanship, fly casting, bait casting, archery, trapping and dog handling.

Scouts, including those attending from Northville, will register on Friday, June 13, beginning at 5 p.m. Taps will be blown at 10:30 p.m. on the opening day. All units are expected to arrive and set up camp during this time.

Saturday, June 14, will open with reveille at 6:30 a.m. and a day spent learning the arts of marksmanship, fly casting and archery from experts sent from the Detroit Area Council. After an 8:30 p.m. Council Fire, taps will blow at 10 p.m.

After 7 a.m. reveille on Sunday morning, the Catholic Scouts will attend mass in adjacent churches while the Rev. Dr. Harold F. Fiedsall, Moderator of the Detroit Presbytery and pastor of the Northville First Presbyterian church, will conduct services on the camp grounds. The formal closing of the encampment is scheduled for 1:30 p.m. Sunday afternoon.

NEWS FROM NOVI

By Mrs. L. Ritz

Governor Visits Novi

Novi was honored by the presence of the Governor of our State, G. Mennen Williams, at the unveiling and dedication of the Novi Township veterans' memorial. The memorial stands conspicuously near the front entrance of the Community Building in plain view of those passing by on Novi Rd.

A Memorial Day parade followed the dedication sponsored by Novi AmVets and the Walled Lake Veterans of Foreign Wars and their Auxiliaries. Other patriotic groups were three Gold Star Mothers and 16 Blue Star Mothers, the Boy Scouts, Girl Scouts, Cubs and Brownie troops. An Army vehicle of the National Guard Armory driven by Royal McCormick and the Walled Lake High School band led the parade. The Novi Rebekah and Oddfellow lodges also marched in the parade. Ceremonies were held at Novi, Oakland Memorial and Walled Lake cemeteries.

Mr. and Mrs. Glen C. Salow and Mr. and Mrs. George Atkinson left Thursday for a weekend at their cottages near Lewiston.

Mr. and Mrs. Lester Ward are the parents of a daughter, Debra Gail, born Saturday, May 31 at the hospital at Camp McCoy, Wisconsin. Lester, whose parents are Mr. and Mrs. R. E. Ward of West Grand River, expects to be moving with his company to Camp Atterbury, Ind. some time this week.

Mr. and Mrs. David O'Leary returned Sunday afternoon from Indianapolis, Ind. where they attended the races there and were entertained by the Ferguson company by whom Mr. O'Leary is employed.

Mrs. R. E. Ward returned last week from a ten day trip to visit relatives in Arkansas and his son's family at Camp McCoy.

Gerry Davis and Shirley Snow, who won the good citizenship honors, were presented with bronze lettered medallions by their sponsors, the Novi AmVets, on the night of graduation and are now known as the Novi Am-Vet Boy and Girl.

Eighth Grade Graduates

Donna Frisbie and Shirley Snow, secretary and vice-president of their class, shared top honors of the Novi graduating class. Others who were graduated from the eighth grade and were present for the exercises Wednesday night, May 28, were: Erma Barton, Billy Joe Buchanan, Patricia Burleson president of the class, Betty Buckner, Dale Cook, Norman Cooper, Mary Curtis, Gerald Davis, Conrad Doan, Valentino Fuoco, Joe Hayes, Evelyn Johnson, Margaret Johnson, Gloria Karagiosian, Arland Levett, Suzanne Mairs, Victoria Momen, James Morrison, Amos Neely, Anthony Olivich, Joe Ohmer, Billy Skeltis, Phyllis Wendland and Patricia White, class treasurer.

Graduation was preceded by the banquet for the class, their parents, members of the Board of Education and members of the faculty.

The children of the fifth grade, accompanied by their teacher, Miss Scothorne, and several mothers, attended the Detroit Zoo one day last week. The sixth grade and several mothers spent a day at Greenfield Village. The eighth grade pupils traveled by train from Plymouth to Lansing to visit the Capital.

The Novi Union of the WCTU are invited to be guests of the Farmington Ella Irish Union on Thursday, June 5 at the home of Mrs. Leonard on Orchard Lake Rd.

The Sunshine Club will meet at the home of Mrs. Al Pritchard next Wednesday, June 11.

Mr. and Mrs. Al Pritchard were called to Toronto, Canada, by the death of a friend, over the weekend.

The Service Squad girls and Safety Patrol boys will be guests at the Detroit Tiger baseball game at Briggs stadium Thursday, June 12. They will be accompanied by Mrs. Rittenour, Mr. Crum and Mrs. Atkinson.

Mr. and Mrs. Keith Branch and daughter have moved into their own apartment in the Staman house.

Novi Lodge News

The Novi Rebekahs and Oddfellow with their families enjoyed a fellowship supper Monday night preceding their regular meeting.

All Odd-fellows and Rebekahs are asked to furnish articles for the Auction Sale which will be held Saturday, July 26. Please call Brother George Hines, 950-31 for pick-up.

Memorial services will be held at the Novi Methodist Church on Sunday, June 8, for the deceased members of the Odd-fellow and Rebekah lodges. Those attending are asked to meet at the hall at 9:45 a.m.

The fathers and sons of the community are invited to a banquet on Wednesday, June 11, at 6:30, sponsored by the Novi Rebekahs.

No Charge Dates Set at Local Library

Again this year no fines will be charged on over due books and magazines from the Northville Branch of the Wayne County Library from June 9 through July 3, said Miss Rhea Lyon, librarian.

All library property, whether two days or several years overdue may be returned during this time with no questions asked, she said.

ELECTION NOTICE

for
ANNUAL SCHOOL ELECTION
NOVI SCHOOL DISTRICT NO. 8
JULY 14, 1952

The annual school election of Novi School District No. 8, Novi Township, Oakland County, Michigan, will be held at the Novi School on July 14, 1952 for the purpose of electing two trustees for terms of three years each.

Candidates for the office of trustee must file nominating petitions with the Secretary of the Board of Education not later than 4:00 P.M. on June 14, 1952. Each petition must be signed by not less than fifty or more than seventy-five qualified registered school electors of the district. No elector shall sign the petition for more candidates than are to be elected.

Blank nominating petitions may be obtained from the Secretary of the Board of Education or from the Superintendent of Schools.

(Signed) JAMES D. MITCHELL,
Secretary

WEST POINT PARK NEWS

By Miss L. A. Ault

Mr. and Mrs. Owen Stevens and children, of Redford, were Sunday evening guests of Mrs. Steven's father, F. Broquet, on Norfolk Ave.

Mr. and Mrs. George Welsh, Mayfield Ave., quietly celebrated their 28th wedding anniversary last Sunday.

Mr. and Mrs. Francis Wagner and son, Kenneth, of Westmore Ave., attended a wedding in Detroit last Saturday.

Mr. and Mrs. Roy Kirby and Mr. and Mrs. Roy V. Kirby and children, of Detroit, were dinner guests last Saturday evening of Mr. and Mrs. William Barrett, on Irving Ave.

Mr. and Mrs. Harry S. Wolfe, Mr. and Mrs. Pat Mahoney and Mr. and Mrs. Ralph Voorheis were supper guests last Sunday night of Mr. and Mrs. Wayne Wickham, in Detroit.

Following the Senior Prom last Friday evening, Miss Maryanne McDonald entertained a group of her friends at her home on Farmington Rd.

Mrs. Frank Smith, W. Eight Mile Rd., spent last Thursday with her father in Warren, Michigan.

Mr. and Mrs. Lilley, of London, Ontario, were recent guests of Mr. and Mrs. Isidro Patino, on Clarita Ave.

Mr. and Mrs. Kenneth Kirkwood and daughter, Linda, of Detroit, were Sunday night guests of Mr. and Mrs. Russell Kirkwood, on West Eight Mile Rd. Mrs. Frank Smith and daughter, Dorothy, of West Eight Mile Rd., made the trip to Holland and viewed the parade and the Tulip Festival.

Mr. and Mrs. Forrest Ault and children, of Hubbard Ave., are spending the Memorial Day weekend with Mr. Ault's sister, Mrs. Tom Roberts and her family, in Monroe.

Mr. and Mrs. Edwin L. Johnson and their four children, of Clarita Ave., are guests of relatives in Akron this weekend.

Mr. and Mrs. Robert Laughman, from Mishawaka, Ind., are with Mrs. Laughman's parents, the Ernest Tallmans, of Mayfield Ave., for the weekend. Mrs. Tallman's sister and husband, from Jackson, Mich., were also guests.

Mr. and Mrs. Edwin Bruggmann, and their three children, arrived from Phoenix, Ariz., Monday, and for the present are residing with Mrs. Bruggmann's mother, Mrs. Grace Simpson, on Mayfield Ave. Mr. Bruggmann has just been discharged from the U. S. Reserve Air Force.

William Varhol, who had been home on leave for ten days, left

Thursday on the return trip to the Great Lakes Naval Training Station.

Mr. and Mrs. Cecil Willet and daughter, Joanne, are spending the weekend at their cabin in northern Michigan.

Last Sunday guests of Mr. and Mrs. Harold Knapp, Farmington Rd., included Mr. and Mrs. Ed. Barto and family and Mr. and Mrs. Joseph Zulek, of Corunna.

Honoring Mrs. Esther George, of the Wilcox School, Mrs. Harold Knapp gave a stork shower at her home on Farmington Rd., Wednesday evening of last week. Nineteen guests were present.

Mr. and Mrs. Harrison, from Rhinelander, Wisc., are house guests of Mrs. Harrison's son, Harold Wulf and his family, on Brentwood Ave.

Mrs. Merlon, of Brentwood Ave., is visiting her daughter, Mrs. Herrington, and family, in Washington, D. C.

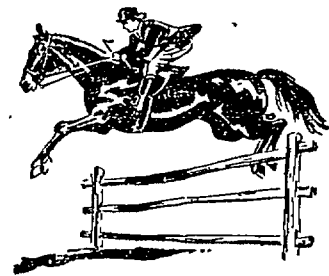

The next Sunshine Sisters meeting will be held Wednesday, June 11, at 2 p.m. There will be a discussion on the subject, "Should school boys and girls be made responsible for certain home tasks and how much of this form of home work should be required of them."

DONALD B. SEVERANCE,
Attorney,
Northville, Michigan.
NOTICE OF HEARING CLAIMS
STATE OF MICHIGAN—The Probate Court for the County of Wayne, No. 398,104
In the Matter of the Estate of DAISY L. CARD, Deceased.
Notice is hereby given that all creditors of said deceased are required to present their claims, in writing and under oath, to said Court at the Probate Office in the City of Detroit, in said County, and to serve a copy thereof upon Daniel J. Stark, executor of said estate, at 900 Scott Ave., Northville, Michigan, on or before the 4th day of August, A. D. 1952, and that such claims will be heard by said court, before Judge Joseph A. Murphy in Court Room No. 318, Wayne County Building in the City of Detroit, in said County, on the 4th day of August, A. D. 1952, at two o'clock in the afternoon.
Dated May 26, 1952.
JOSEPH A. MURPHY,
Judge of Probate.

Missionary to Philippines to Preach

Guest speaker at the Northville First Presbyterian Church on Sunday, June 8, will be the Rev. C. Guilford Cosselmon, a recently returned missionary from the Philippines. The Rev. Dr. Harold F. Fredsell will conduct the service of worship and present the Rev. Mr. Cosselmon. He has served in the mountains of the Philippines for five years and now after a brief furlough, he is returning with his family the latter part of June to one of the seaport communities. The Rev. Mr. Cosselmon will speak on the united Protestant Mission program on the islands. A nephew of Mrs. Bart Connors and Mrs. Iva Tabor, Mr. Cosselmon has visited Northville before.

Poppy Sales Net \$1,500 for Veteran

Approximately \$1,500 was collected by the Post and Auxiliary members of the Lloyd H. Green Post 147, of the American Legion and the Veterans of Foreign Wars Post 4012 in the recent Poppy Day sale.

The two veterans organizations, cooperating on areas at time of sales, staged separate campaigns on May 22, 23 and 24. The amount turned in to the VFW post and auxiliary chairman, Mr. and Mrs. Floyd Kunksky, was \$796.70 while the joint efforts of the American Legion post and auxiliary netted approximately \$707. Donald B. Sevrance served as chairman for the Legion Post with Mrs. George Siramons as chairman for the auxiliary.

All money acquired from poppy sales by both organizations is used for hospitalized veterans and for veterans rehabilitation work. Veterans' children also benefit from the funds.

Recreation Dept. Plans Swimming, Baseball Programs

A schedule for beginning swimming classes and recreation classes at Maple Beach in Kensington Metropolitan Park has been worked out and approved by Park authorities and Northville Recreation Director Wilson Funk for Northville children during the summer months.

The schedule calls for beginning classes on Tuesday and Wednesday and recreation classes Monday through Friday of each week.

A beginning class will start on June 14 from 1:30 to 2:30 p.m. and continue every Wednesday. A bus will leave Northville at 12:45 p.m. The recreational classes will also begin June 14 and continue weekdays, with the bus leaving at the same time as for beginners.

The beginning class will be expanded beginning July 1, when a morning swim will occur every Tuesday from 11 a.m. to noon, the bus leaving at 10:15 a.m. and returning at 12:45 p.m. The beach supervisor at Maple Beach, and an instructor, will be on hand for all classes.

Beginning July 1, morning swims will also take place at River Rouge Park during all hot days.

BASEBALL

The Eight-City Recreation Baseball League, which will include teams in three age groups will be formed by June 16, said Wilson Funk, recreation director, although any boys interested are asked to join.

Costs of operating the 12-year old and 14-year old teams will be underwritten by the Hydramatic Division of General Motors Corp. The Tank Plant Division of the Ford Motor Co. is underwriting costs of the 16-year old teams.

Boys born after Sept. 1, 1935 are eligible for the 16-year old teams, which will play games on Tuesday and Thursday at 6 p.m. home games to be in Cass Benton Park.

Boys born after Sept. 1, 1937 are eligible for the 14-year old team, which will play games Monday and Wednesday at 6 p.m. in Cass Benton Park.

Teams in the Eight-City League will represent West Point, Rose-dale, Plymouth, Clarenceville, Livonia Center, Wilcox School (Plymouth), Garden City and Northville.

In the 12 years and under group softball as well as baseball will be played.

Boys desiring to play should contact Wilson Funk at the Boy Scout Building.

NOVI GIRL SCOUTS

The Senior Girl Scouts of Novi will hold a slumber party Saturday evening, June 7, at the home of Mrs. Roy E. Bassett.

Plans for the party were made at their May 29 meeting. After a hike, the group were served refreshments by Ardena Leavenworth.

The Senior and Intermediate Scouts and Brownie Troops 1 and 2 participated in the Novi parade on Memorial Day. The Senior Troop also marched in the Wall-e Lake parade.

LAMPREY RUN NEARS PEAK

The first week in June marks the peak of the spawning run for sea lamprey in the Great Lakes, and is the signal for intensified action in the battle against this vicious blood-sucking predator already responsible for the destruction of a \$5,000,000 Michigan fishing industry.

Visitors to the former coast guard station at Hammond Bay near Rogers City will find the U.S. Fish & Wildlife Service manning a complete research project designed to bring the sea lamprey under control—but the battle is only starting.

Lakes Infested

Millions of these vampire-like lampreys now swarm through our Great Lakes waters attacking every species of fish, multiplying so rapidly that they threaten to eat themselves out of house and home at the expense of vast populations of our most highly prized sports fish including lake trout, rainbow trout, wall-eyed pike, bass, northern pike and perch.

They spawn in an estimated 200 rivers emptying into the Great Lakes from bordering States and Canada—and it is during their annual spawning run that control measures are put into effect. Biologists know that the sea lamprey dies after spawning, OR if blocked off from its spawning grounds.

Ocegoe River Proving Ground

Your visit to Hammond Bay

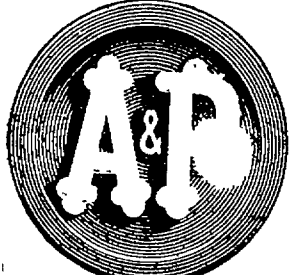

should include a stopover at near-by Ocegoe River just a mile west of the laboratory. There you'll see how scientists effectively block a typical lamprey spawning area with weird-looking electric fences. And you're likely to see hundreds of lamprey ranging up to 20" long massed just out of reach of the electric field generated under water.

Occasionally one will break from the pack and rush blindly into the shocking area in a desperate effort to move upstream, only to fall back, stunned to unconsciousness, drifting far downstream before squirming back to life and rejoining the pack. Some will move back out into the lake seeking other spawning rivers with no barriers. Others will maintain the vigil just out of reach of the electric field, gradually growing weaker and finally dying, without completing the spawning cycle.

Victory in Sight

Some day in not too many years all spawning rivers used by sea lamprey may be effectively blocked. Then and then only can we expect the return of the great Mackinaw Trout now nearing extinction in Lake Huron and Lake Michigan. The battle lines are drawn—and the battle is a spectacle well worth your trip to Hammond Bay on the Lake Huron shore.

Mort Neff's "Michigan Outdoors" television show may be seen every Thursday at 10:15 p.m. on stations WWJ-TV, Detroit and WJIM-TV, Lansing.

Auto Mishap Kills George Starr, 88, Near St. John

Funeral services were conducted for George B. Starr, 88, by the Rev. E. E. Rossow, St. Paul's Lutheran Church, in the Eastern-line Funeral Home, at 2 o'clock Thursday afternoon, May 29.

Mr. Starr was killed almost instantly near St. John, Mich., Tuesday afternoon, May 27, when the tire of a car in which he was riding blew out and the car struck a tree. He was enroute to his former home in Kingsley to visit his brother, Arthur, over the Memorial Day week end.

Mr. Starr was born in April, 1864, in Locke, Sheldrake, N. Y., the son of Mr. and Mrs. William John Starr. He came to Michigan when 20 years old with two brothers and took up telegraphy, being subsequently employed as a railroad station agent and brakeman. He became chief clerk in the demurrage department of the Marquette Railroad and was eligible for retirement at the opening of the second world war. Due to the wartime emergency he became a claim adjuster for the same railroad and retired in 1946, having been 80 years in railroading.

In 1886 he married Miss Ida May McCully in Kingsley and during the couple's married life they resided there, in Greenville, Manistee and eventually Northville, where they established their home in 1920 and remained thereafter. Mrs. Starr preceded him in death in 1944.

They had seven children: William, who died in February, 1951; Ray, Muskegon; Mrs. Maude Holliis, Northville; Lynn and R. C., Ypsilanti; Mrs. Orren Elwell, and Donald, Northville. Also surviving are 18 grandchildren, nine great grandchildren, and two brothers, Arthur, of Kingsley, and Herman, of Los Angeles.

Mr. Starr was a member of Northville Lodge 188 F. and A.M. and of Union Chapter No. 55, R.A.M.; of the Northville Rotary Club and of the First Baptist Church.

Burial was in Rural Hill Cemetery.

Reserve Officers Hold Convention June 6-8

The 1952 annual convention of the Department of Michigan, Reserve Officers of the United States, which has some 20,000 members from all branches of the service, in the state of Michigan, is to be held June 6-8 in Detroit, with headquarters at the Sheraton-Cadillac Hotel.

Delegates to the national convention in San Antonio, Texas, July 9-12, will be elected. Speaker at the convention dinner Saturday evening will be Frank T. McCoy, Jr., deputy for reserve forces in the office of the Secretary of War.

Viennas 'n Baked Beans

Spicy little canned Vienna sausages with baked beans make casserole news. Here's all you do. Place a can of baked beans in a baking dish, add catchup to your taste, then top with onion slices. Heat for 20 minutes, then arrange the sausages over the casserole and return to the oven for an additional 10 minutes.

Chief Reports 110 Violators

Fines from 110 traffic violations during the month of May totaled \$1,086, Police Chief Joseph E. Denton reported at the Monday night, June 2, Village Council meeting.

The police answered 86 calls during the month and investigated nine accidents and issued 98 summons. The 19 arrests made by the local police resulted in the same number of court cases. Though no grand larceny cases were reported, five petty larceny cases were reported.

Only two vandalism cases and two juvenile cases are on record at the police station for May. Four prowler calls were made while night officers found eight windows open and unscreened and seven doors unlocked. Only one of the two bicycles stolen have been recovered, Chief Denton said.

Three dogs were taken to Dr. E. B. Cavell for observation after biting persons. Only two of the stray dogs picked up and taken to the pound were reclaimed and the owners fined. Eight dogs were destroyed.

Mrs. Stillwell, 71, Buried Saturday

Mrs. Sarah E. Stillwell, a resident of Northville for 15 years, died May 29 at Wayne County General Hospital. Funeral services were held Saturday, May 31, from the Schrader Funeral Home with the Rev. Dr. Harold F. Fredsell, pastor of the Northville First Presbyterian Church, officiating. Burial was in Oakland Hills Cemetery.

Mrs. Stillwell, who had been ill for many years, was 71 at the time of her death. She was born in Toledo, Ohio, to William and Kate Shannon. She lived in Detroit before moving to Northville. She was a member of the Patriotic Club.

She is survived by her husband, Lorenzo, of Northville; two sons, Clifford, of Detroit, and Lloyd, of Owosso; three daughters, Verna Helmbold of New York City, Clara Broda of Northville and Betty Williams of Plymouth; three sisters, Mrs. Charles Messler of Marion, Ind., Mrs. Agnes Boyer of Auburn, Ind., and Mrs. Louie Lee of Springfield, Ohio. Three grandchildren also survive.

Dog Training Class to Convene in Fall

The Southern Michigan Dog Obedience Training club will hold classes next fall, Mrs. Mary Larson, instructor, announces. The classes, which were held this spring at the Wayne County Training School, are sponsored by the Northville Recreation Committee.

Northville people interested in entering the fall class should leave their name and address with Wilson Funk, recreation director. The dogs entered must be at least six months old, said Mrs. Larson.

Graduation for the spring class was held at the WCTS on May 8 with Don Dasher, of Birmingham, who is a licensed judge, judged the award winners.

NEWS FROM SALEM

Mrs. Myrland Lyke
Phone Northville 903-J1

The Ladies Aid will meet with Mrs. John Oliver, 535 Starkweather Ave., Plymouth, for a pot-luck dinner at noon on Thursday, June 12.

London Man Heads Christian Scientists

Lt. Col. Robert Ellis Key, of London, England, has been named president of The Mother Church, The First Church of Christ, Scientist, in Boston at its annual meeting attended by Christian Scientists from all over the world.

Colonel Key is associate editor of the Christian Science religious periodicals and formerly served as a lecturer. He is a Christian Science practitioner and has been an authorized teacher of the religion since 1937. He first became active in Christian Science

more than 40 years ago. In World War I he was decorated by the British Army with the Order of the British Empire, and granted the permanent rank of lieutenant colonel. He left the Army in 1920 and in 1923 he began to devote all his time to Christian Science work.

Before and during World War II he served as district manager of Committees on Publication for Great Britain and Ireland, and in various capacities in connection with Christian Science War-time Activities in Europe.

He will continue as associate editor during his one-year term as president. His new appointment was announced by the Christian Science board of directors.

Services Held in Chicago, Ypsilanti for F. Upthegrove

Mr. and Mrs. Sydney Upthegrove, of 442 Butler Ave., returning home Saturday after attending the funeral of Mrs. Upthegrove's father, Frederick James Carroll, in Chicago. Mr. Carroll passed away at Lutheran Deaconess Hospital in Chicago where he had been confined for several years with a serious heart condition.

Following private services in Chicago, a Requiem High Mass was held at St. John's Catholic Church, Ypsilanti. Burial was made in St. John's Cemetery.

Mr. Carroll is survived by two sons, Frederick D. Carroll and Francis R. Carroll of Chicago; one daughter, Mrs. Upthegrove; one grandson, Frederick Carroll Upthegrove of Ypsilanti, and one granddaughter, Mrs. William Ludka of St. Paul, Minnesota.

CARD OF THANKS
The family of George Starr wish to thank the friends and neighbors, the Rev. E. E. Rosow, the Castaline Funeral Home, V.F.W. Auxiliary, Masonic Rotary Club, and Orient Chapter, O.E.S., No. 77 for the sympathy shown during their recent bereavement.

CARD OF THANKS
The American Legion Lloyd H. Green Post 147 and the Auxiliary appreciated the generosity of the Northville people during the recent Poppy Days.

CARD OF THANKS
We wish to express our thanks and appreciation to all our neighbors and friends in Novi for the lovely flowers, gifts, cards and food sent during our illness. It was very kind and generous. Thank you for your thoughtfulness. We also want to thank the Acheson Memorial Hospital staff and doctors for their wonderful care and kindness.

Mr. and Mrs. Kenneth Cook

Try Out Pre-Fab Houses in Alaska

New Albany, Ind., May 22 — Three Seattle businessmen plan to erect several hundred prefabricated houses in the Alaskan territory, manufactured here by U. S. Steel's housing subsidiary, Gunnison Homes, Inc. The first of their Gunnison Homes already has been shipped from the local plant to Seattle and now are en route by ship to Alaska.

The men are Gordon S. Newhouse, general manager; Glen Odgen and George W. Goetz, who have acquired a Gunnison Homes dealership for all of the Alaskan territory. The firm name is Newhouse-Alaska, with offices at 7010 32nd St. N. E., Seattle. Their Alaskan development will be undertaken on sites at Fairbanks, Juneau and Anchorage.

Goetz has been here several days absorbing the "know how" of Gunnison Homes plant prefabrication as well as erection techniques of dealers in this area for use in the Alaskan project. He is the building expert of the firm and has been associated with conventional residential construction for the past 16 years.

"But never again," he added, "because I believe the Gunnison homes prefabrication represents the ultimate in low-cost housing. When the time comes, it's good for higher-priced housing, too, without all the worries of conventional building and with far more speed, a factor which is very important in residential development in Alaska with its limited building season."

Pilot Gunnison homes in Alaska will be erected this month in Fairbanks. Then, next month, two more pilot homes will go up in Juneau. Anchorage pilot homes will be erected subsequently, according to Goetz. "Based on a searching investigation, we are convinced that Gunnison Home models are adequately weather-proof to withstand the extreme Alaskan winters without additional safeguards."

He said the Gunnison homes he has purchased are of standard, marine plywood construction and will be equipped with the usual storm windows and doors and oil heating plants.

Goetz said the Alaskan dealers for Gunnison Homes expect to have homes erected within two weeks from original shipment from the plant here.

Pvt. Robert M. German is spending his furlough with his parents.

Ladies Revive Old Styles at Convention

Evelyn Ware Mrs. Mabel Cooley Mrs. Fred Clark

The age of the bustle and the plume hat came to life again at a Gay Nineties party at the State Convention of the Business and Professional Woman's Clubs held at the Fort Shelby Hotel in Detroit on Friday, Saturday and Sunday, May 23-25.

In the picture above, dressed in gowns and hats loaned by Mrs. May Lanning, are Evelyn Ware, president of the Northville Business and Professional Woman's Club; Mrs. Mabel Cooley, vice-president, and Mrs. Fred Clark, treasurer.

Also attending sessions of the State meeting were Northville club members Mrs. Arthur Carlson, Mrs. Marcella Douglas and Miss Elizabeth Eitz.

New TV Program On Current Events

Expanding its primary purpose of providing public enlightenment for the cause of good government, "INSIDE MICHIGAN" Magazine will present on June 17 the first of a series of weekly television programs entitled "This Year of Decision."

The program, to be shown every Tuesday at 7 p.m., will be carried over a network of Michigan television stations: WWJ, Detroit, channel 4; WJIM, Lansing, channel 6; and WZKO, Kalamazoo, channel 3 and made available to a potential audience of 5 million persons.

"This Year of Decision" will be a dramatized panel-type discussion of those vital issues which the people will face in 1952. Subject for the first program is "Contest for Reapportionment," and will emphasize how all-important it is for the people of the state to have fair representation at the state capital. The subject is particularly timely inasmuch as efforts are under way at this time to have submitted to the voters in November three different proposals to change the manner in which state representatives and senators are elected.

All programs to be televised will be based upon subjects or issues outlined in articles published in "INSIDE MICHIGAN" Magazine. First series will cover thirteen issues which have been selected from state and nationwide surveys.

Mechanics of the program will be simple and eloquent—a brief live-action or film presentation designed to bring the subject into understandable focus with a 3-member panel and featured guest selected on the basis of familiarity of the issue featured. The studio audience, made up of college students whose studies include subjects related to the issues, and the public, will participate in the program by submitting pertinent questions for discussion. Authors of the best question used will receive a U.S. War Bond as an award.

At the close of each program, the moderator, the only permanent member of the program staff, will summarize the presentation.

Quick Version
Corned beef and cabbage need no introduction. And here's a quick version of this famed team—canned corned beef and seven minute cabbage. Heat the beef thoroughly, then place it in the center of a large platter and surround it with cabbage.

Mayor Langfield Treats Holiday Parade Crowd

Northvillites thronged the downtown area on Memorial Day to watch and take part in the parade and exercises to commemorate our war heroes.

The parade, led by the Northville High School Band, assembled at the Veterans Memorial Hall and marched to the Penniman-Allen Theatre for services arranged by the Lloyd H. Green Post 147 of the American Legion, and the Veterans of Foreign Wars Post 4012.

G. Edwin Slater, Past Commander of the Michigan Department of the Veterans of Foreign Wars was the principal speaker.

After the service, the band and the members of the village veterans' organizations in full dress marched to Oakwood and Rural Hill Cemeteries where taps were blown and three volleys saluted the Northville war-dead.

As in other years, Mayor Conrad E. Langfield treated the parade members and the crowd at the completion of the festivities. Ice cream and other refreshments were served at the Northville Laboratories on Fairbrook Ave.

Stew, Canned Style
Simply heat it through and you have savory stew ready to serve when you use the handy canned version. For one variation, place the stew in a casserole and top with biscuits. Bake in a hot oven for 12 to 15 minutes.

The winds and waves are always on the side of the ablest navigators.

We are more heavily taxed by our idleness, pride, and folly than by government.

Garden Consultant to Speak at Assoc. Guest Day

Alice Wessels Burlingame, dirt garden consultant and lecturer, will speak before the Northville Branch of the National Farm and Garden Association on Monday, June 9, at the home of Mrs. William B. Walker, Jr., "Happy Acres" on West Eight Mile Rd.

The guest day tea will begin at 1:00 p.m. with Mesdames Herbert H. Brown, E. E. Miller, George C. Gries, C. J. Jolly, W. B. Chase and F. Bryan assisting the hostess.

Sponsored by the J. L. Hudson Company Speakers' Bureau, Mrs. Burlingame's topic will be, "Dirt Gardening as a Hobby." She will speak on various phases of gardening, discussing informally the basic principles in the culture of seeds, bulbs, perennials, yard preparation, garden grooming and selection of plant material. She will also bring to the members of the Northville association information about the newest weapons to combat bugs and plant diseases.

Mrs. Burlingame attended the University of Michigan and the School of Floriculture at Michigan State College, specializing in greenhouse production. Her many club affiliations include membership in the Birmingham branch of the National Farm and Garden Association, and the American Association of University Women.

Local members of the association in Birmingham, Tuesday and Wednesday, June 3 and 4, to help celebrate Michigan Division's Silver Anniversary were Mesdames Walker, Roy Matheson, T. J. Knapp, Herbert Martin and Joseph Denton.

Two Weddings Highlight Memorial Day Weekend

Westerfield-Lucas Wed Saturday

Mrs. Murray Lucas

At a candlelight double ring ceremony, Saturday evening, May 31, Wallace Westerfield gave his daughter, Evelyn, in marriage to Murray J. Lucas. The altar banked with baskets of white lilies and stock, formed the background for the service which was read by the Rev. C. M. Pennell in the Salem Federated Church.

The bride is the daughter of Mr. and Mrs. Wallace Westerfield, of West Nine Mile Rd., and the bridegroom is the son of Mr. and Mrs. Charles R. Lucas, of Phoenix Rd.

Evelyn chose for her wedding an ivory satin and lace gown. The lace bodice was fashioned with an illusion neckline edged in pearls while the full satin skirt extended into a circular train. A lace crown held her finger-tip veil in place. The bride's bouquet of white roses adorned her white Bible.

Taffeta gowns with a net tuck skirt were worn by the bride's two attendants with a wide cummerbund and a matching bolero jacket. Betty Gardner's gown was fashioned of yellow taffeta. Lila Rakestraw wore an orchid gown.

Chester Yost, of Jackson, served as best man with Jeremiah C. Gardner also assisting the groom. Seating the guests were Charles and Robert Westerfield, brothers of the bride.

Before Mrs. Julia Ann Given played the wedding march, Nat Libold, of Plymouth, sang "I

Read-Spotts Repeat Vows in Angola

Mrs. Bernell Spotts

Mr. and Mrs. Peter L. Perkins announce the marriage of their daughter, Patricia Ann Read, to Bernell Spotts, son of Mr. and Mrs. J. M. Spotts of Plymouth. The service was read Tuesday, May 24, in Angola, Ind.

Pat will be graduated from Northville High School with the class of 1952. The couple is now residing at the home of the bride's parents on West St.

"Love You Truly" and "With This Ring I Thee Wed." Later, as the bride and groom knelt at the altar, he sang "The Lord's Prayer." For her daughter's wedding Mrs. Westerfield chose a gown of dusty rose lace with white accessories. The groom's mother was attired in a navy blue sheer gown with which she wore white accessories. Both mothers wore a corsage of white roses.

Immediately following the ceremony, a reception was held in the church dining room which was decorated in spring colors of yellow and violet. Dorothy Lucas and Mrs. James Ayers assisted with the cutting of the wedding cake while Mrs. Glen Hix and Mrs. Bruce Reeves presided at the punch table, and Mrs. John Binger and Mrs. Bruce Kidston poured.

The new Mr. and Mrs. Lucas left by car for a honeymoon in Florida. For traveling, the bride changed from her wedding white into a green silk print dress. She wore white accessories and the rose corsage from her bridal bouquet with her going-away outfit. After two weeks, the young couple will be at home at 8575 Seven Mile Rd.

Mrs. Lucas was graduated from the Northville High School where she was valedictorian of the class of 1949. She is now employed in the office of Whitman and Barnes, Plymouth. Mr. Lucas is a graduate of Cooley High School with the class of 1948 and is now employed by the Ford Motor Co.

Curator to Speak at Woman's Union Annual Garden Tea

Hat styles covering a span of 100 years will be displayed and discussed by Margot Pearsall, curator of Social History of the Detroit Historical Museum, at the annual garden tea of the Woman's Union of the Northville First Presbyterian Church, on Wednesday, June 11.

The Alex Lawrence residence on Meadowbrook Rd. will be the scene of the 1:30 p.m. tea with Mrs. J. R. McColl as hostess.

Miss Pearsall, whose program topic is "Mad Hatters," will use hats of the 1830 to 1930 period secured from the Detroit museum as the basis of her talk.

Music for the afternoon has been arranged by Mrs. Wm. G. Williams. The flower committee headed by Mrs. Mark Gardner will have charge of the tea with Mrs. N. K. Pattison as program chairman.

Harvey C. Hodge, who has been serving aboard the USS Saipan, is home on leave.

Project Reports, Election Held at Mothers' Club

The annual meeting of the Northville Mothers' Club was held Monday evening, May 26, at the home of Mrs. Alfred Millington. Reports of the years activities were given and new officers elected. A resolution of appreciation to the people of Northville was introduced and accepted by members to thank the community for supporting the club's benefit projects.

Mrs. Leslie Gingell, nominating chairman, presented a slate of officers which was unanimously accepted. New officers are president, Mrs. Jack Reynolds; vice president, Mrs. Rano Papini; secretary, Mrs. Robert Lyke, and treasurer, Mrs. Sidney Moase.

Mrs. Jack Reynolds, project chairman, reported that arrangements have been completed to give fluoride treatments to school children during June and July. This is an experimental project to ascertain the effectiveness of the treatment, she said.

Mrs. Paul Terry, reporting for the school milk fund, stated that 2,508 bottles of milk had been provided for school children out of club funds.

Other projects reported on included the furnishing of the teachers lounge in the new grade school addition and the sponsorship of a girl to Girls' State.

The last meeting of the year will be a picnic to be held Monday, June 9 at 7 o'clock at the home of Mrs. Alfred Parmenter on Orchard Rd. Co-hostesses will be Mrs. Alfred Millington and Mrs. Robert Lyke.

Snack Burgers
Here's a quick trick for snack time. Cut a canned luncheon loaf into slices and broil, then spread with prepared mustard and serve in hamburger buns. Be sure to have sweet relish on the side.

Canned Vienna Tidbit
Spicy canned Vienna sausages, thoroughly heated, make an easy and tempting addition to an appetizer tray. And for an extra-special treat, make miniature buns for holding these tiny sausages.

WCS Plans Picnic at "Happy Acres"

The annual picnic meeting of the WCS of the Northville First Methodist Church will be held on Tuesday, June 10, at "Happy Acres," the home of Mrs. William B. Walker, Jr.

Ladies needing transportation are asked to meet at the church at 12 noon.

The members of the Ethel Seelye Circle are urged to come and bring their children.

A short business session will follow the picnic lunch after which the new officers for the year will be installed.

Louis Bromfield's Speech Highlights Silver Anniversary

Highlights of the Silver Anniversary of the Michigan Division of the Woman's National Farm and Garden Association on the opening day, June 3, included an outing and luncheon at Haven Hill, the former home of Edsel Ford.

The Birmingham branch of the association was "hostess to the members of the Michigan division."

In the afternoon, Tuesday, a tea was given at Mrs. Hobart Andree's home in Bloomfield Village with a banquet in the evening at the Oakland Hills Country Club. Louis Bromfield was the speaker. Following the banquet, a reception for Mr. Bromfield was held.

After the annual meeting on June 4, a dramatization of the division's history was presented by Mrs. Lloyd Linton. The Silver Anniversary luncheon honored the charter members and division officers.

Twelve gardens were open for view on both afternoons, with eighty flower arrangements on display.

At 3:30 p.m. on June 4, a President's Tea at the new Birmingham High School honored the past presidents of all the branches. Among those being honored were Mrs. Walter G. Fenton, Michigan president; Mrs. Henry P. Williams and Mrs. Truman Barbier, past national presidents.

B.P.W. Chooses Club Delegates

Mrs. Marcella Douglas was chosen by the members of the Northville Business and Professional Women's Club as their delegate to the National B.P.W. convention to be held in Boston in July. The last meeting of the group was held Monday evening, May 26.

Elizabeth Etz is the alternate delegate. Twenty-five members of the newly-formed Farmington club were present for the installation of the Farmington and Northville officers at the last meeting.

During the meeting the bake sale committee reported a profit of \$72.75. The group voted to place a sign announcing the time and place of their meetings on the roads entering the village. This month the meeting date has been set for the third Monday, June 16, said Margaret Sours, publicity chairman.

Modern Meat Loaf
Here's a meat loaf serving you'll have ready in a wink. Cut a canned pork loaf into individual servings and place in a baking dish. Top each slice with a pineapple ring, centered with a pitted prune. Sprinkle with brown sugar, add about 1/2 cup of pineapple juice and bake in a moderate oven for about 30 minutes.

Merchants Team in First Place Tie

The Northville Merchants baseball team gained a tie for first place in the Inter-County league by defeating Wayne, 9 to 3, on Memorial Day, and held the tie by turning back Plymouth, 6 to 5, last Sunday. Northville has won four and lost one game.

Pitcher "Lefty" Boland held Wayne to four hits in gaining the Memorial Day victory, while his Northville teammates garnered eight hits to push across their nine runs.

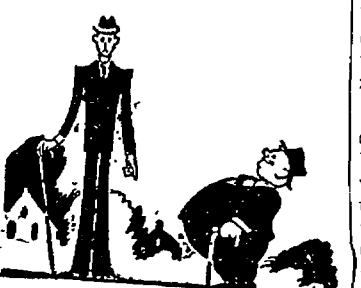

Northville aggregated nine hits in Sunday's game, but had three errors. Plymouth got five runs on six hits off pitcher John Cullen and committed one miscue. Jim La Rue caught both games for Northville.

Northville will play the Grandale Merchants at Cass Benton Park on Sunday, June 8, at 3:30 p.m.

Ken Rowe, hurler for the Northville High School squad, with a good record, will join the Northville Merchants for the remainder of the summer season, said Steve Folling, member of the Merchants' managerial staff.

"We believe," he said, "that with Kenny in there pitching, the people of Northville will be there to back him on his first step to a successful season."

The Northville team, sponsored by the S. L. Brader Department Store and Cy Owens, Northville Ford dealer, won last year's Inter-County championship and has a good chance to win for the second consecutive year, something no team in the league has done so far.

What a Difference!

There's a decided difference between Property Damage Insurance and Collision Insurance. The former covers your legal liability for any damage your car may do to the property of others. The latter covers the damage done to your own car. You need both policies! Get them here.

Turnbull-Alessi Team Wins Again

Joe Alessi and Bruce Turnbull won the Inter-Club Doubles bowling tournament for the second consecutive year, keeping the trophy for the Exchange Club. Four local organizations competed in the tourney.

Bruce Turnbull-Joe Alessi Team Wins Inter-Club Bowling Tournament

Bruce Turnbull and Joe Alessi turned in a total of 1151 to win the Inter-Club Doubles bowling tournament in the third annual renewal of the event, repeating their victory of last year and keeping the trophy in possession of the Exchange Club. The tourney was held at Royal Recreation.

Members of the Rotary, Exchange and Optimist Clubs, the V.F.W. and American Legion were invited to participate in the tournament. The Optimist entered eight teams; the Exchange Club, two; the V.F.W., five, and the American Legion, five. The Rotary Club was not represented.

In order of scoring, the teams were:

B. Turnbull (Exchange)	
J. Alessi	1151
L. LeFevre (Optimist)	
Dr. L. W. Snow	1134
H. Richardson (Optimist)	
E. Biery	1117

School Announces Council Officers

The results of the Thursday, May 29 elections for the officers of the Northville High School Student Council were made known to the students when they returned to school Monday, June 2.

Mike Rackov was chosen by the high school students as mayor for the next school year.

Opposing Mike for the office were David DeJohn and Dick Somers.

Theresa Duchesneau was elected as secretary of the council by defeating Judy Tetzloff and Lillian Dickinson. Lucien Lovewell will serve as the school's treasurer. He opposed Barbara Couse and Gary Hix.

Albion Seniors to Receive Degrees Monday

Nancy D. Boyd, daughter of Mr. and Mrs. Clifford Boyd of 321 Rayson, and Patricia Alice Johnston, daughter of Dr. and Mrs. Wilbur H. Johnston of 139 West Dunlap, will receive their bachelor of arts degrees at the Albion College commencement ceremonies Monday morning, June 9, in the Kresge gymnasium.

Degrees will then be awarded to 220 young men and women by President W. W. Whitehouse of Albion, following the commencement address by Dr. Hailan H. Hatcher, new president of the University of Michigan.

Announcement has also been made by Albion College that Miss Boyd and Miss Johnston will receive their state teacher's certificates from the State of Michigan on this occasion.

You cannot teach a man anything; you can only help him to find it within himself. Galileo.

NOTICE TO PROPERTY OWNERS

The Village of Northville is entering upon a program of sidewalk construction and repairs to be done during the summer of 1952. A contractor has been engaged to do this work at a cost of 40 cents per square foot, and property owners who are desirous of having their sidewalks repaired under this program may contact Mary Alexander, Village Clerk, to make arrangements for such repair work. Replacement of sidewalk is the responsibility of the individual property owner.

Travelers in Great Lakes Region Are in Area Rich in History of Country

Our earliest history on this continent largely centers in the Great Lakes region. These vast inland seas were vital to the expansion of early Colonial France and later bulked large in the hectic years of struggle between French and English colonials for the fur trade and the rich continent toward the setting sun. Mackinac Island was, for instance, first seen by Jean Nicolet on his adventurous search for the fabled Northwest Passage in 1634. Its history from then covers occupancy under three flags—the French, the English and the American. Today Mackinac Island stands at the top of Great Lakes ports in travel interest among Georgian Bay Line cruise passengers.

Old Fort Mackinac, erected by the British on Mackinac Island in 1779, played an important part in the struggle with the French for control of the Straits and the Indian tribes north and northwest. Its old cannon still stands, frowning out across the Straits, and its old Block Houses still remain in good repair. The Fort is a major point of travel interest with passengers on the Georgian Bay Line cruise ships, both of which stop over at the Island each week on their Great Lakes' cruise itineraries which cover 2200 miles of America's Great Inland Seas.

Lakes Erie, oldest geologically of all the Great Lakes and the shallowest, was first discovered by Joliet in 1669. The name Erie is a corruption of its original Iroquois name "Erige," meaning cat or panther. It got its Iroquois name from the Indians living on its shores—known as "People of the Cats," who were destroyed by the fierce Iroquois about 1645. Early French maps showed Lake Erie as "Las du Chat" (Lake of the Cat). Both cruise ships of the Georgian Bay Line traverse its entire length weekly during July and August from Buffalo to Detroit enroute to the Upper Lakes.

Lake Superior, largest expanse of fresh water in the world, has an area of 31,280 sq. miles and a depth of 1600 feet. This great inland sea, 350 miles in length, was first seen by the French explorer Brule in 1629. Sieur Du Lhut, famed French adventurer, traversed it by bark canoe in 1660 to establish a French fur post where the great grain and iron port of Duluth now stands—named after him. The S. S. SOUTH AMERICAN, of the Georgian Bay Line, is the only American cruise ship now sailing Lake Superior. It stops at Duluth every Wednesday for 5½ hours on her weekly 2,200 mile itinerary from Buffalo.

Lake Michigan is the third largest of the Great Lakes, with an

area of 22,400 sq. miles and a length of 307 miles. It was called Lake Illinois by the Indians and Jean Nicolet was the first white man to travel it in 1634. It played an important part in the extension of French exploration westward to the Mississippi and the building of the great fur trade during the next hundred years. The S. S. NORTH AMERICAN, cruise ship of the Georgian Bay Line, follows during most of its itinerary the old canoe route through this lake on its weekly "Voyageur Cruise" from Chicago to Mackinac Island, the Georgian Bay and thence down Huron to Detroit and Buffalo.

Summer Will Be Here on Saturday Morning, June 21

Summer arrives at 6:13 a.m. on Saturday, June 21.

This is the big news in June for those who keep close watch of astronomical affairs, Hazel M. Losh, assistant professor of astronomy at the University of Michigan, reports.

The longest days of the year will be on the calendar around June 21, since the sun will have reached its most northerly point. From that date on, the sun will begin backtracking over the route it has been following since last December when it reached its most southerly point.

Just as in winter when colder weather comes several weeks after the winter solstice in December, the usual weather pattern brings the warmest temperatures in August, Professor Losh explains. This "lag of the seasons" occurs in the summer because the earth continues to receive more heat during the day than it loses by radiation at night. It takes until late August or early September before the earth begins to cool off.

The reverse applies during the winter. Then it takes until early March before more heat is received during the day than is lost at night.

Among the planets, Saturn and Mars continue to be the main attractions during June, she reports. June also brings the constellation of The Scorpion into view each night around sunset in the southeast sky. As this collection of bright stars appears at the time Orion, which dominates the heavens during the winter months, disappears in the west, Professor Losh recalls the old stories handed down in mythology.

Sincerity is impossible unless it pervades the whole being, and the pretence of it saps the very foundation of character. Lowell.

Timely Tips

Keeping up interest in a winter weary wardrobe at this time of year is a problem, particularly with a budget deflated from income tax. But don't despair. Have fun playing tricks and treats with past-dated numbers by adding new touches of color and trim.

That love-of-a-print dress you should throw away because it is definitely worn out will make a stole or collar and cuffs for your dark basic, and a bit of it, too, can trim your hat to complete the ensemble.

New buttons will put a bold, new front on that little suit you wear and wear. Pick something flashy now, like shiny jets or those bedecked with brilliant jewels or lustrous pearls.

"CROWDED OUT OF MIND"

In a recent article Whittaker Chambers said that when the thought of the existence of God as the originator of all things entered his mind, it was involuntary and unwanted. He said, "I crowded it out of my mind. But I never wholly forgot it, or the occasion." This is exactly what a lot of people are doing. They are not allowing their minds to think about God, to think about the future, to think about the day of their death and the eternity beyond the grave. It is not that they do not believe—but rather that they are not willing to face the issues which are so important to their souls. Then there are many people who are not considering these vital matters because their time is wholly taken up with the things of this life, legitimate though they may be. They are too busy. My friend if either case is yours will you stop long enough right here and consider three important Bible facts? First, you will someday die and stand before God in judgment. (Hebrews 9:27) Second, you are not in position to stand judgement the way you are. (John 3:30) Third, you need the Lord Jesus Christ as your Saviour before you can enter heaven. (John 3:16) Stop-Look-Think!

MICHIGAN MIRROR

NON-PARTISAN NEWS LETTER

Political control of Michigan's correction system has bred unrest among inmates at the Southern Michigan Prison at Jackson, according to Ionia reformatory and a former corrections commissioner.

Heys testified to this effect before legislative finance committees at Lansing. Riot damage at the prison exceeded \$1,500,000.

His allegation was another "hot potato" tossed into the lap of Governor G. Mennen Williams who, like former Governor Kim Sigler, has advocated more appointive power for the governor to run state government.

As quoted in the press, Heys said:

"When the director is appointed by the governor and is a political appointee, the nervousness of subordinates cannot be eliminated. It even filters down to the inmates."

HEYS' SOLUTION IS A RETURN to the five-man corrections commission law whereby prisons were taken out of control of the governor and were run by persons "chosen for the jobs on the

basis of their training and experience in corrections work."

An obvious target is Earnest C. Brooks of Holland, Williams' appointee as corrections director. Brooks, a Democrat, is in the insurance business.

The so-called "model" correction commission law, interestingly enough, was a product of a Democratic governor—Frank Murphy in 1937. It continued on the statute books 10 years until Governor Sigler convinced the legislature that the governor should be responsible. Sigler took great pride in his appointment of a career man, Joseph Sanford, former deputy at Atlanta's federal prison.

WHEN THE VOTERS' PROTEST tide against Sigler swept unknown young Williams into the governor's chair, Sanford was promptly replaced by Williams' own appointee, Mr. Brooks. Brooks is a successful business man and a former member of the State Senate. Sanford died in 1951.

The situation thus has some contradictory aspects. Heys criticizes political control of prisons through a Democratic governor's appointment of a one-man commission. His solution is a return to a model law inaugurated by a Democratic governor. If a Republican legislature agrees with his recommendation, it will be admitting its error in accepting a Republican governor's solution: One-man control. And so it goes.

Who's right? Who's wrong? In

the game of politics the answer depends largely on which side of the party fence you happen to be. So roll your own!

IT IS COMPARATIVELY easy to create and build up a new department in state government, once the legislature accedes to public pressure and appropriates money to hire manpower.

It is quite another thing, however, to get the equivalent of results through co-ordination of existing governmental agencies.

An illustration at point is Michigan's civil defense program, a new postwar activity of state government. Last year this department spent \$1,973,000, one million dollars of which went for blood typing. For this year's budget the governor asked \$3,000,000, a good 50 per cent more. The legislature, trying to cope with a rising state deficit, granted only \$271,575.

GEN. LESTER J. MAITLAND, civil defense director, has practically shelved ambitious plans to continue blood typing for an atomic disaster, expand the ground observer plan, buy fire trucks and medical supply trucks and set up special programs for key areas such as the Soo Locks. By dire necessity he is now resorting to an appeal to existing state agencies for coordination. The health and highway departments, for example, are asked to help carry some of the load through their own manpower and funds.

Another illustration is the state

department for economic development. Here is a super-chamber of commerce, fathered by former Governor Sigler, to help build business and industry in Michigan.

Government again intervened to supplant private leadership and private action, and all at the taxpayers' expense. The test of a new state agency, as we see it, is this: Is it needed? Can we afford it? Are we getting our money's worth?

A TAX BREVITY: The state constitution says, in effect, that the legislature shall balance the budget. But Gov. Williams vetoed \$18,000,000 of the Republican's \$28,500,000 program, creating a deficit of some \$20,000,000 to be tacked on to the \$65,000,000 accumulated deficit.

Who is now responsible for the unbalanced budget—Governor Williams or the Legislature?

Sen. Frank Andrews (R-Hillman) says, "My position is to vote no on any attempts to balance the budget. We did our legislative duty and the governor vetoed it. He won't get a chance to veto the beer tax, for it's not coming up."

Sen. Leo H. Roy (R-Hancock) said, "We won't solve any of our problems until we bounce Williams. . . . He's just a jinx."

C. J. McNeill, legislative comptroller, says quietly, "They've authorized expenditures of more than \$330,000,000. That's law and you know it as well as I. Their only answer is to find more money—somewhere."

GOVERNOR WILLIAMS' solution is simple and familiar. Distribute the wealth by taxing employers' profits. FDR applied for this principle of European socialism nearly 20 years ago. He called it the "New Deal."

A by-product of increased taxes and government spending, both impelled in part by the cost of World War II and the present cold war against communism, is inflation. Socialism and inflation go hand in hand.

The average hourly rate of Detroit production workers last March was \$2.04. A 40-hour work week meant earnings of \$81.60—as an AVERAGE! That is inflation.

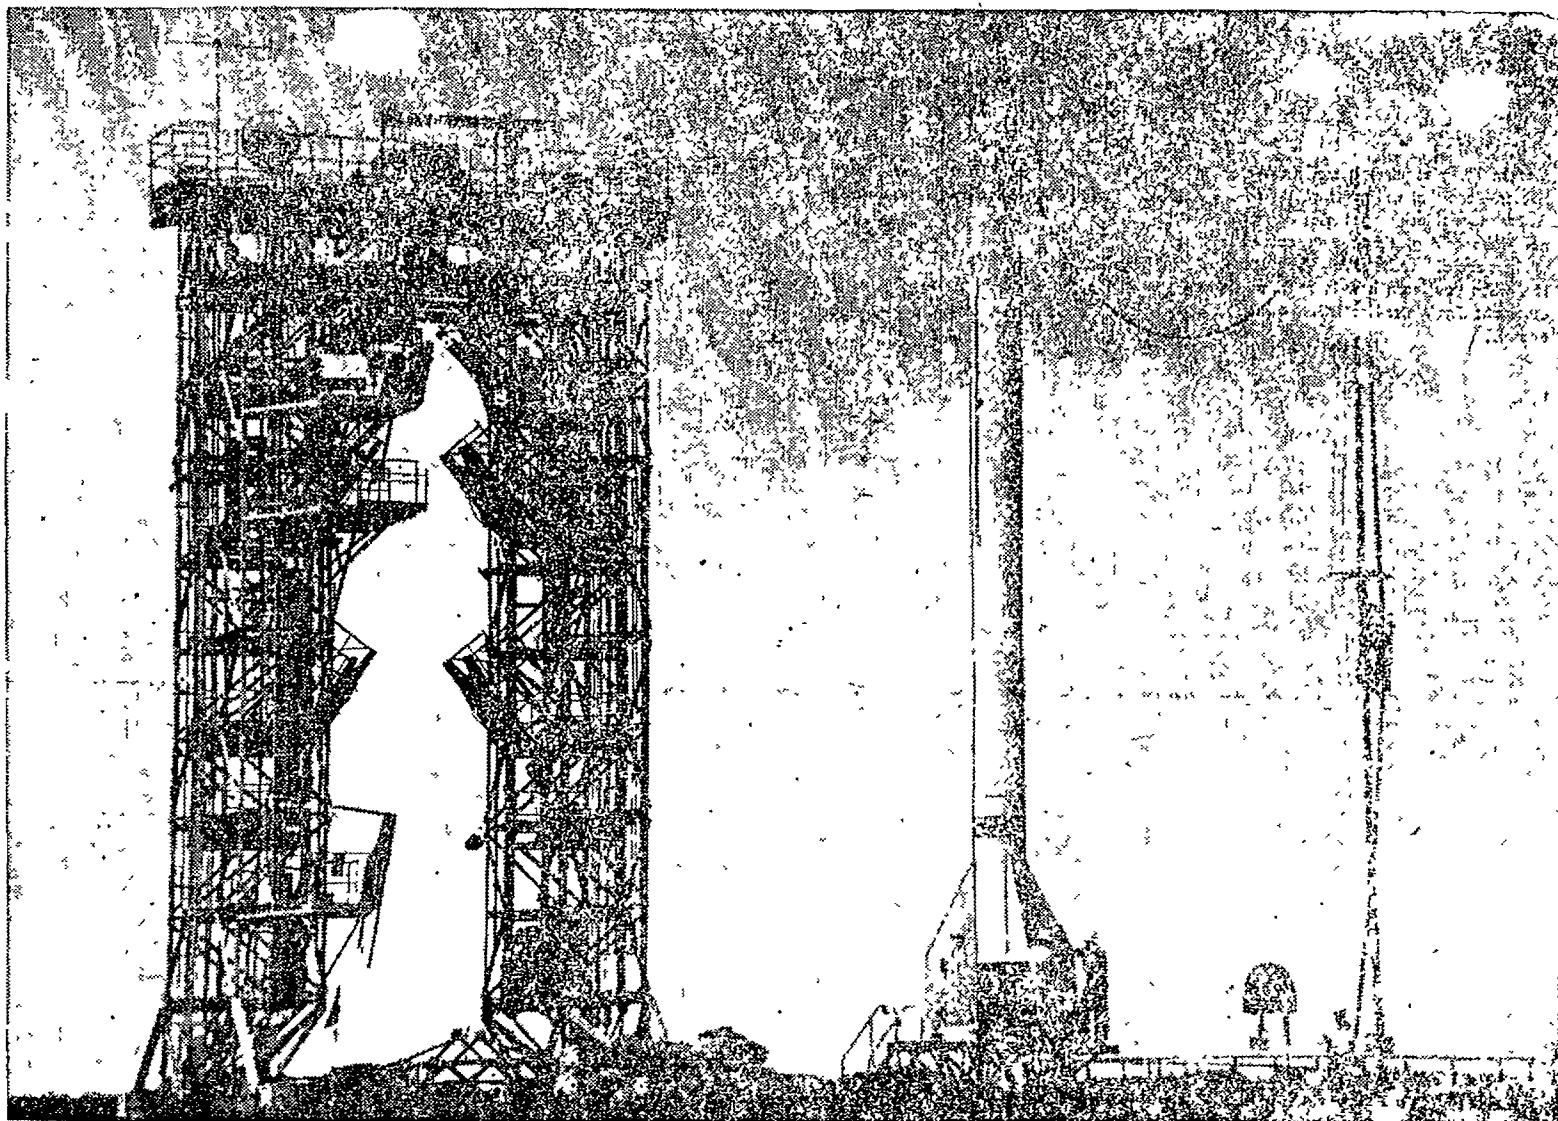

If further priming of the inflation pump is effected in 1952 under political direction, the illusion of good times will be even greater.

GOVERNOR WILLIAMS' greatest trump card is his championship of the under-dog, the "common man" whose welfare he would improve, at every opportunity, primarily at the expense of the profits of "big business" and other the illusion of prosperity.

It is a political mirage hard to overcome.

And the Republican legislative leaders know it.

If Michigan has more deficits, who's to blame? The governor who vetoed "consumer tax" bills, or the legislature which "refuses" to tax employers' profits? The showdown is just about at that level. Take your choice.

VIKING NO. 7

135 miles straight up, at 4,100 miles per hour!

- It's zero minus 20—Seconds are ticking away as the crew of Navy technicians applies the finishing touches to Viking No. 7.
- Zero minus 10—The site is cleared of all living things, for the blast of the rocket motors will bathe the area in smoke and flame.
- Zero-zero! Tension is at a fever pitch! Only the whisper of a breeze through the gantry platform suggests motion.
- Then suddenly—with a blinding flash and a mighty roar the rocket comes alive, in an orange and white blanket of smoke and flame.
- And slowly—ever so slowly, the needle-nosed monster rises from the launching platform. Five and one-half tons of steel lifted straight up, by some hidden force.

- Now Viking No. 7 begins to climb—100 feet, 1,000 feet, 10,000 feet in a matter of seconds! Screaming straight up into the heavens at the unearthly speed of 4,100 miles per hour, to reach a height of 135 miles and break all existing altitude records!
- Triumphs in American Military research—like this, mean that we are determined to stay out in front in the race for supremacy of the skies. For knowledge gained from research like this may one day be used to keep the peace.
- But you and eighty-three million intelligent, thrifty Americans like you are helping keep the peace, too. For your regular purchase of U. S. Defense Bonds backs up this kind of defense research. And remember U. S. Defense Bonds are as safe as America!

The U. S. Defense Bonds you buy give you personal financial independence

Don't forget that bonds are now a better buy than ever. Because now every Series E Bond you own can automatically go on earning interest every year for 20 years from date of purchase instead of 10 as before! This means that the bond you bought for \$18.75 can return you not just \$25—but as much as \$33.33! A \$37.50 bond pays \$66.66. And so on. For your security, and your country's too, buy U. S. Defense Bonds now! Bankers recommend them as one of the safest investments.

Peace is for the strong . . . Buy U. S. Defense Bonds regularly!

The U. S. Government does not pay for this advertising. The Treasury Department thanks, for their patriotic donation, the Advertising Council and

Area Students to Graduate in MSC, Wayne Exercises

Among the more than three thousand students who will receive degrees at the Michigan State College 94th annual commencement on Sunday, June 8, will be William E. Dowsett, Charles J. Hubbard and Lois Marion Tobin, all of Northville.
Yvonne MacMurtrie, who was graduated from Northville High School, although now a resident of Farmington, will also receive her bachelor's degree.
Other candidates from Farmington are Lee E. Lathrup, Stanley C. Bailey and June B. Toth. Anne M. Phillips, of South Lyon; John D. Adams, of Walled Lake, and Nancy Ann Bourns, of Wixom will also graduate on Sunday from MSC.
Plymouth residents to receive their diplomas are Tom S. Corey, Frank E. Hokenson, Jean O. Thompson, Eugene R. Highfield, Joann G. Levitt, Sally Gustafson, Allyn B. Williams, Raymond P. Runkel and Elizabeth L. Baker.
Commencement speaker will be Paul Hoffman, director of the Ford Foundation and former director of the Economic Cooperation Administration. Ceremonies are scheduled for 5 p.m. in Macklin Field stadium.
Included in Wayne University's list of 1,324 candidates for degrees at commencement exercises at 8:30 p.m. Thursday, June 12, in the State Fair Coliseum, are Emmett N. Leith, 41180 Seven Mile Rd., and Robert J. Westley, 235 S. Center St., Northville.
Both men have attended the Graduate School. Mr. Leith is a candidate for the degree of Master of Science, and Mr. Westley is a candidate for a Master of Arts degree.

Track Team Wins Triangular Meet

Northville's seven-man track team, coached by Charles Zahne, defeated the Milford varsity and Walled Lake reserve squads in a meet at Walled Lake on Wednesday, May 21.
Ron Grissom was a triple-winner, scoring victories in the 100-yard dash, the 220-yard dash and the broad jump. Chuck Dickinson won the high jump and low hurdles and Howie Meyer placed first in the shot put. Bob Burgess won the pole vault.
Northville's medley relay team, composed of Bob Scheffer, Dick Somers, Howie Meyer and Fred Weihe, and half-mile relay team, composed of Chuck Dickinson, Meyer, Somers and Grissom, scored the other victories.
Other second and third places gave the team the necessary margin to win.

Plymouth Police Begin Policy of "Get Tough"

As part of the "get tough" policy of the Plymouth police department regarding speeding, reckless driving and cruising, three part-time policemen have been hired.
Patrolmen have been instructed by Chief of Police Carl Greenlee and Plymouth Mayor Russell Daane, to issue tickets marked "court" for all traffic violations involving persons 17 to 21 years old, "hot rodders," speeders, reckless drivers and cruisers apprehended on minor offenses.
Persons under 17 years of age are to be referred to juvenile court.
A citizens' traffic committee, whose membership is secret, has been selected by Chief Greenlee. They have been instructed to report only the license number of a car and the violation observed. Upon receipt of the report, a letter will be sent to the owner of the car announcing the type of violation.
Letters will also be written to parents of juveniles who are apparently driving the family car, reporting the conduct of the driver in the City of Plymouth.

Richwine to Run for Congress Seat

Perry W. Richwine, prominent Plymouth attorney, announced last week that he would be a Republican candidate for Congress in the newly formed 17th Congressional district of which Northville is a part.
Mr. Richwine, a life long resident of this area, was born in Plymouth in 1905 and graduated from the Plymouth Public Schools. He received his graduate work at the Detroit College of Law and has practiced law in Plymouth for 24 years.
He has been president of the Plymouth Chamber of Commerce, Mayor of the City, a member of the Plymouth City Charter Commission, a former Municipal Judge, president of a service club and has been president of the Suburban Bar Association. At the present time Mr. Richwine is a member of the Real Property Committee of the State Bar Association and has served on this important committee for three years on the appointment by the presidents of the State Bar Association.
He has been legal counsel for the Plymouth Federal Savings for over 20 years and has served as a delegate from the Michigan Savings Associations at the Washington conference.
He is married and the father of three daughters, two of whom are married and reside in Plymouth. The youngest daughter recently joined the United States Marine Corp and will enter officer training following graduation from Western State College in June. He resides with his wife in their home at 790 Burroughs St., in Plymouth.
Accept the place the Divine Providence has found for you, the society of your contemporaries, in the connection of events. Emerson

EURAL F. CLARK
Dated this 20th day of May, 1952.
GEORGE L. CLARK, Secretary

THE CHRYSLER IMPERIAL 6-PASSENGER SEDAN
YOU'LL FIND IT EVEN BETTER THAN YOU'VE HEARD!..
It's been many years since a new car has caused as much talk as today's Chrysler Imperial has. What you may not realize is how long it's been since a car gave so many reasons for excited talk as this one.
May we invite you to drive and test the best and most worth-while engine on the road today? (Chrysler's magnificent new 180 H.P. FirePower V-8.)
May we invite you to handle the easiest and safest steering wheel in existence at the moment? (Chrysler's full-time Power Steering.)
May we invite you to try out brakes which require as little as one-third the usual foot-pressure, and still stop you in many feet less than other cars do? (Chrysler Power Brakes.)
May we invite you to sit on the most comfortable seat cushions, and enjoy the fullest window vision you can find? May we invite you to ride on the rough-road miracle of the Oriflow shock absorbers which only Chrysler-built cars have?
May we invite you to drive a Chrysler Imperial... and learn how much you'd miss, and deeply regret, if you bought another car today without knowing this one first?
We... and Imperial by Chrysler... are at your service, any time.

Plymouth Twp. Residents Pass School Proposals

Three proposals to provide the money for an additional elementary school building and remodeling of the high school building in Plymouth were approved by the residents of the Plymouth Township school district, at the special election Monday, May 26.

Proposal I raised the limitation of taxes on all property in Plymouth township two-tenths of one per cent for 20 years to pay for the principal and interest on bonds not to exceed \$650,000.

The limitation on the total amount of taxes will be raised two-tenths of one per cent for five years for the purpose of providing additional funds for operating expenses under Proposal II. The authority to borrow the money and issue bonds to the amount of \$640,000 was provided for in Proposal III.

A study group has met to discuss plans for the new elementary school building and a committee under the direction of Carvel Bentley to study the changes to be made in the Plymouth High School and to decide what should be done first in remodeling and re-equipping of the high school.

17th District to Host Local Girls June 6

Marlene Weiss and Theresa Duchesneau, who are being sent by the Auxiliary of the Lloyd H. Green Post 147 of the American Legion to Wolverine Girl's State, will be entertained in Holly on June 6.

They will be guests at the 17th District American Legion Auxiliary meeting. The girls from the 26 units of the 17th District attending Girl's State will also be present.

Marlene and Theresa leave June 17 for Ann Arbor.

Elizabeth Coates Dies at 85

Funeral services were held Monday, May 26, from the Castertine Funeral Home for Elizabeth E. Coates, formerly of Novi. She passed away at the Pontiac Infirmary Hospital on May 23, at the age of 85.

Officiating at the funeral was the Rev. C. Gilmore Morse assisted by the Rev. Grace Morse, of the Novi First Baptist Church. Pallbearers at the burial in Novi Cemetery were William Flint, Eugene Verduyne, Earl Banks, Clyde Johnston, Brent Monroe and Harry Watson.

Elizabeth Elmore Coates was born on October 11, 1866, at Novi, Michigan, to James J. and Sarah Ann Taylor. In 1905 she was united in marriage with Walter E. Coates, who died in 1917. She was a member of the Novi First Baptist Church.

Surviving are seven nieces, Mesdames Archie Kent, Glenn Salow and Ross Kenner, all of Novi; Mesdames Russell Holcomb, Edward Koche and Fred Briggs, of Detroit, and Mrs. John Mosley, of Winter Haven, Fla. Also surviving are nephews, Clair Woodruff, R. Russell Taylor and Perry P. Taylor, of Novi.

Bill Chase Receives Honor for Writing

Bill Chase, son of Mr. and Mrs. W. B. Chase, East Eight Mile Rd., recently was given an honor rating in the Southeastern Michigan Division of the National Creative Writing Contest held at the Rackham Memorial in Detroit. The honor was presented by Miss Willa Allured, manager of the contest, which is sponsored by the Detroit News, following an address of congratulations by A. L. Hegener, director of language education, Detroit Public Schools, and was given to Bill for a radio script.

Rev. Ralph T. Andem to Speak at Novi Baptist Church Supper

The Rev. Ralph Taylor Andem, Executive Secretary of the Baptist State Convention, will be the guest at the family night supper at the Novi Baptist Church on Wednesday, June 11, at 6:30 p.m.

The Rev. Mr. Andem will show pictures of the "Trip Around the World" program in which the Novi, Plymouth and Walled Lake Baptist Churches cooperated. He will also show pictures of the Latin American missionary fields.

Walt Sterner Graduates

Valparaiso, Ind., June 1—Walter E. Sterner, the son of Mr. and Mrs. F. W. Sterner of 22701 Beck Rd., Northville, was among the 275 students who received degrees from Valparaiso University, Valparaiso, Ind., in spring commencement exercises June 1.

Sterner was honored as a senior scholar, maintaining an average of at least 2.5 (B plus) during his senior year.

Over-taxation cost England her colonies of North America. Burke

It is more easy to forgive the weak who have injured us than the powerful whom we have injured. Colton.

Nothing comes to us too soon but sorrow. Bailey.

Elizabeth E. Coates

AUNT LIZZIE

She is fair, her eyes are blue,
She has red hair and some freckles, too

She is sweet, good and kind,
Aunts like her are hard to find.

She is far from young, you see;
She is 'way past sixty-three,
But she has a winning smile.

She has class and lots of style;
She is proud and full of vim,
She is neat and always trim.

If she can be of help to you
She is glad to pull you through.
She can sew, mend and bake,
There's no job she won't undertake.

When you are ill or feeling blue
She does her best to solace you
And she brings you jellies sweet
Or some cookies for a treat.

She is really mighty fine
And I love this aunt of mine.
And on Sunday, come what may,
If the day be bright or grey,

She is off to church and then
She will stay for Sunday School.
As, of course, it is her rule.
For she has a host of friends,

And she is aunt to most of them.
As I told you on the start
She is quick and she is smart
And her faults are mighty few;

But she talks the arm off you.
But, when all is said and done,
There is only, only one
— Aunt Lizzie.

CARD OF THANKS

We wish to express our thanks to those whom so kindly assisted in any way after the death of our aunt, Mrs. Elizabeth E. Coates; the Castertine Funeral Home, the Rev. Charles and the Rev. Grace Morse for their comforting words, the pallbearers and floral tributes.

Nieces and Nephews of
Mrs. Coates

William E. Dowsett, son of Mr. and Mrs. William Dowsett of Eight Mile Rd., received his commission as a second lieutenant in the Air Force Reserve Tuesday, May 27. Bill was a member of the Air ROTC Unit at Michigan State College with the rank of Captain in the Cadet Corps.

Nothing comes to us too soon but sorrow. Bailey.

MSN College to Offer ROTC

Michigan State Normal College will offer, starting in September, 1952, a full Army Reserve Officers Training Corps program, Eugene B. Elliott, president announces.

Starting with the freshman class entering in September, 1952, all entering men students will be required to take the basic two-year course. Exemptions from the basic program may be granted by the college for reasons of physical disability, for previous military service, for religious reasons, and for other extenuating circumstances.

Students going on into the advanced ROTC program during their junior and senior years will be able to earn commissions as second lieutenants in the army upon successful completion of the program.

Participation in the advanced program is on a voluntary basis and is also selective by the army. Students completing the program and receiving their commissions will be able to elect the branch of service in which they will receive that commission.

Farmington to Have New Sewage System

Initial planning is expected to begin this week on a proposed sewage system for the City of Farmington.

James Tennant, city manager, has discussed with the Wayne County Health Department officials the possibility of connecting with the Wayne County Sewer system which is being extended into the northeast section of Livonia.

Tennant stated that another possible solution might be the construction of a new system known as the Refinite-Hayes Contact Aeration System. It is a less complicated system than the conventional sewage disposal units and costs considerably less, he said.

According to the resolution approved by the Farmington City Council, plans for the sewage system must be filed with the State by March, 1953, and the system must be in operation by June of 1954.

Blake Gillies Seen on TV Program

A. Blake Gillies, superintendent of the Detroit House of Correction, was the guest on the Detroit Free Press sponsored television program, Press Conference, Sunday, June 1.

Mr. Gillies, who has just started his 33rd year as a prison official, was questioned by the three member panel about penal problems and their relation to troubles in other penitentiaries in the nation, as well as about the operation of the House of Correction.

At the end of the year, Mr. Gillies will retire from his position at DeHoCo.

Brewster P. Campbell, executive city editor of the Free Press, moderates the program which can be seen on Sunday at 12:30 p.m. over WXYZ-TV Channel 7.

Dewey Ketner Completes Air Force Basic Course

Airman Dewey E. Ketner, 20, son of Mr. and Mrs. L. C. Ketner, VanDyke Rd., Romeo, Mich. and husband of the former Susan Sutherland, of West Dunlap St., is completing his AF basic airman indoctrination course at Lackland Air Force Base.

His basic training is preparing him for entrance into Air Force technical training and for assignment in specialized work. The course includes a scientific evaluation of his aptitude and inclination for following a particular vocation and career.

Garden work consists much more in uprooting weeds than in planting seeds. This applies also to teaching. Auerbach.

Events of the Past in Northville

News Items Taken From the Files of the Record

One Year Ago—

Village property owners will pay sixty-six cents more per \$1,000 of assessed valuation as compared to 1950, according to Assessor Elmer Perrin. The present tax roll reveals that Northville property is assessed at \$15.96 per \$1,000.

Bev Smith, local Ford dealer, has sold his business to Cy Owens of Plymouth.

An all time record entry of 376 juniors competed before a crowd of over 3,000 spectators at the third annual running of the Northville Horse Show last Sunday.

Graduation activities have begun for the 61 Northville High School seniors. Baccalaureate services will be Sunday with the Rev. Walter Ballagh, pastor of the Northville First Baptist Church, as speaker. A. R. Halliwell, of the Detroit Edison Company will deliver the address at the commencement exercises on Thursday, June 14.

Five Years Ago—

Dr. W. Leonard Howard arrived in town June 1, from Battle Creek, to take over his new duties as superintendent of the Win. H. Maybury Sanatorium. He assumes the office formerly filled by Dr. H. S. Willis who resigned recently to take a similar position in North Carolina.

The Northville Exchange Club will honor the members of the Northville High School League Championship Baseball team at dinner Wednesday noon. Charles

ONE YEAR AGO: June, Jean and Jane Trapp became the first set of triplets to graduate from Northville High School. They were born in Salem Township, the daughters of Mr. and Mrs. Adolph Trapp.

he Gehring will be present, at the gathering.

The Northville Recreation Committee has secured Clifton Russell, of Ann Arbor, as director of the 1947 summer recreation program in this village.

Ten Years Ago—

Northville High School closed the baseball season this week as the holders of the Southwestern Oakland County champions.

Minute men stickers are in 710 of Northville's 741 homes, showing that villagers have pledged themselves to do their share in winning the war by buying bonds and stamps regularly.

One hundred and fifty members of the posts and auxiliaries of the 17th District of the American Legion will be in Northville on June 5 for a banquet.

Fifteen Years Ago—

The Northville High School voted Keene Bolton as mayor of the student council, Margaret Walker as secretary and Ed Reid as treasurer for the 1937-38 school year.

Twenty Years Ago—

Seventy thousand dollars for a proposed public building in Northville to house a post office is one of the items in a bill which Speaker Garner pushed vigorously at Washington this week.

Northville school teachers did not receive their customary pay checks Wednesday for the first time in the history of the education system in the village. A loan to meet the payroll is expected.

Along with debating honors, spelling honors and similar laurels, the Northville High School is sending one boy, Ernest Racz, to Camp Interlochen, and the golf team is on its way to Grand Rapids to battle for state championship as a result of its victory in the Ann Arbor regional last week.

About half of the corn crop around the Novi area is in, according to Frank D. Clark. The wet weather has slowed down the farmers' work the past month. The rains have put the hay crop in good condition, although last year's seeding is not so good due to the dry weather in the fall.

Theatre Schedules 3 Movies Before Summer Closing June 15

For the last week of operation before closing on Sunday, June 15, for the summer months, the management of the Northville Pennman-Allen Theatre has slated three excellent movies with a cast of top-notch stars.

Marlene Dietrich, Arthur Kennedy and Mel Ferrer in "Rancho Notorious" will play on Thursday, Friday and Saturday, June 5, 6 and 7. This is a technicolor western which has been given a background with an interesting musical flavor.

"A Wing and A Prayer," starring Dana Andrews, Don Ameche and Charles Bickford, is scheduled for Sunday and Monday, June 8 and 9. This is a re-showing of the war-time story of our Air Force Bombers. The Wednesday only shows on June 11 are "Yukon Manhunt" and "Pals of the Golden West." The first showing begins at 8:45 p.m.

As the last offering by the local theatre before the summer closing, "The African Queen,"

the picture that won Humphrey Bogart an Oscar award, will be shown. The dates are Thursday, Friday and Saturday, June 12, 13 and 14. Co-starring in the technicolor movie is "Katherine Hepburn."

The picture was photographed in technicolor against actual

African backgrounds. The action takes place in German East Africa in 1914 and has its moments of comedy and excitement. The story revolves around the adventure and romance between two middle-aged people. It is based on a novel of the same name by C. S. Forester.

Messy Chores
ELIMINATED

with

ELECTRIC

INCINERATOR or DISPOSEX

You pick a winner whichever you choose

Let an electric incinerator take over your messiest household chores. Completely automatic... it reduces anything that burns to handfuls of mineral-rich ash (fine plant food). No work—no worry—no watching... because it's ELECTRIC!

Or put a sink disposer to work! Flashes food scraps right down the drain. It chews and swallows rinds, coffee grounds, table scraps—even bones.
Your neighborhood plumber, electric appliance dealer, or Edison office is eager to tell you about these wonderful conveniences.

For full information
