Syfried Jewelers Buys Stores Owned by Deane Herrick

The jewelry stores in Northville and Plymouth, owned by the late Deane Herrick, have been purchased by Syfried Jewelers, a four-man partnership which also owns stores in Ann Arbor and Ypsilanti.

The purchase was effective June 12, said Ralph Syfried, who will have charge of the two stores. Wallace Eckler will continue, temporarily, as manager of the Northville store.

Mr. Syfried, who is married, plans to move to the Northville area as soon as possible. He has been a full partner in the business for seven years, and is a member of the Lutheran Church.

He and his brothers, Calvin and Fred, Jr., joined their father as partners in 1948 after having worked in the business part time for many years. The original store in Ann Arbor was opened in 1911 by Fred Syfried, Sr.

Mr. Syfried said that all accounts and obligations of the Plymouth and Northville stores were purchased along with stock and inventory, and that credit accounts and repairs in force at the time of Mr. Herrick's death will be credited by the new business.

A store-wide sale is planned for the near future to prepare for as much expansion as space permits and the introduction of new merchandise.

Glenn Long Files Rezoning Petition

A petition requesting rezoning of his property from an N-1 residential district to a C-2 district for commercial purposes was filed Tuesday for Glenn Long, of 411 Baseline Rd., with T. R. Carrington, chairman of the Northville Planning Commission, by Philip Ogilvie, attorney for Mr. Long.

The Northville Village Commission had instructed Village Attorney James E. Littell to invoke an injunction restraining further use of the property on Baseline Rd. for commercial purposes unless Mr. Long filed the petition by noon Tuesday.

The Planning Commission will now review the rezoning request and set a date for a public hearing, notice of which must be posted at least 15 days previous to the hearing.

The property in question is described as plots 13 through 18, fronting on the north side of Baseline Rd. between Horton and Novi Streets.

Registrations Open for Boy Scout Camp at Tawas July 7-21

The Northville Boy Scout summer camp will be held July 7 to 21 at the United States Coast Guard Station at East Tawas, Mich., said Scoutmaster Monroe Weston.

Any Scout or Cub Scout reaching the age of ten years who is interested in attending the camp should meet with the group at the Boy Scout Building, corner of East Dunlap and Hutton Sts. Thursday, June 19.

Mr. Weston, director of the camp, said that cost of the camp will be \$20.00 for each boy. Mel Mitchell and Garnett Hawes will be assistants at the camp, and junior officers will be Bill Tierney, Allen Maltby, Dick Gussell and Robert Freydl.

Turnbull Elected Exchange President

Members of the Northville Exchange Club elected officers recently to serve six-month terms, beginning July 1.

Elected to the presidency was Bruce Turnbull, who succeeds R. W. Bingley. D. J. Stark was elected as vice-president; George Sinclair, second vice-president; Harry Sedan, sergeant-at-arms; Orson Atchinson, assistant sergeant-at-arms; and Robert Lyke and Frank Billman, board of control. Mr. Bingley, as immediate past president, is also a member of the board of control.

Bus Schedule Changes

A change in the schedule of the Northville Coach Line will be in effect tomorrow, Friday, June 20, said T. B. Biddle. The changed schedule is available at the bus stand at the corner of North Center and Main Sts.

CITY INCORPORATION PLANS ANNOUNCED

Community Bldg. Stymied by Costs

Planning for construction of a Northville Community Building to serve also as an adjunct of the High School, and as Village offices and a Village jail has reached the stage where the Village Commission decided Monday it is hopeless from the standpoint of cost.

This conclusion was based upon a report by Commissioner Alton Peters that a heating plant to serve the schools and Community Building jointly would cost approximately \$140,000. This, with the previously estimated cost of the building alone of some \$375-\$400,000, would bring total cost to more than \$500,000.

Village President Conrad E. Langfield promised to consider naming a small group of private citizens to study the entire Community Building project to date to determine if a less pretentious structure might be erected.

M.S.C. to Offer Horticultural Course

Members of the Northville Branch, Michigan Division, National Farm and Garden Association, and their guests at the recent June meeting, will be especially interested in the announcement that Michigan State College is planning a special short course in Horticultural Therapy this summer.

At the meeting, held at Happy Acres, East Eight Mile Road home of Mr. and Mrs. William B. Walker, Jr., Mrs. Alice Wessels Burlingame of The J. L. Hudson Company, speaking on "Dirt Gardening as a Hobby," discussed the therapeutic values inherent in work with the soil. Some 30 members and 27 guests heard Mrs. Burlingame describe her experiences at Michigan State Hospital, Pontiac, where she has conducted this work.

Other features of the meeting were the report of Mrs. R. D. Merriam, president, on the national convention which she and seven other delegates attended recently in Washington, and a short talk by Mrs. William McCullum of Birmingham, who was present at the organization of the Northville Branch 16 years ago.

The Michigan State course will be offered jointly by the Departments of Horticulture and Psychology, and will run five days—Aug. 4 through 8. It is open to occupational and physical therapy personnel, geriatric workers, and voluntary workers who are now engaged or who plan to engage in any full-time or part-time therapy activity. Enrollment will be limited to 30.

Fee for the course is \$15, and cost of lodging and meals is estimated at \$6.50 a day. Applications will be received by Calvin C. Cooper, Dept. of Horticulture, Michigan State College.

FOUND

Three pigs strayed to 51858 West Nine Mile last Wednesday morning. Owner please claim, pay for ad and feed.

The above classified ad was phoned in after the Record's deadline by Earl Baughman, of the address given.

Ordinarily, the ad would have had to wait until next week, but in view of the present high prices of meat, and Mr. Baughman's exercise of monumental restraint in not hiding the pigs in a cellar for future use, the Record staff generally agreed that deadline or not, the ad would have to be printed this week.

However, the Record staff urges the owner of the pigs to do as Mr. Baughman suggests. Pigs are pigs, and it's possible that they may eat their value in feed, which will leave Mr. Baughman on the horns of a dilemma: to violate his conscience and kill the pigs or take a chance on getting back his feed money.

Reasons Why Northville Should Become A City

The following statement concerning the issues involved in Northville becoming a city was prepared by Dr. Snow, on behalf of the Committee on City Incorporation.

BY DR. L. W. SNOW
Chairman, Committee on City Incorporation

We believe the decision on whether Northville should become a city should be decided on the basis of the answers to the following two questions:

1. Would such a move be advantageous to the community?
2. Would it be more expensive to the taxpayers?

Not More Expensive

The answer to Question No. 2 is that it SHOULD NOT be more expensive. Conceivably, it could be less costly. This statement is based upon the experience of many other Michigan villages which have changed over to a city form of government. Admittedly, there have been exceptions, where large areas have been included that were growing rapidly and needed immediate extensions of sewers and water mains. But it is generally true, and we believe it should be true in Northville, that the few governmental functions now performed by the township, can be handled by the city at equal or less cost, and with considerable benefit so far as simplification and convenience of government is concerned.

Reasons for New Areas

In determining tentatively the area that should be included in Northville limits should the village vote to become a city, the Committee on City Incorporation

has endeavored to conform quite closely to present village limits, with only three important exceptions. These are the inclusion of considerable acreage west, north and east of the Oakwood Subdivision and fronting, principally, on Eight Mile and Novi Roads (see Map page 2), for residential and industrial sites, the so-called Gerald Ave. section which is well located for light industry, and a strip of land approximately one-half mile wide on the south side of Seven Mile Road between Plymouth Ave. and Haggerty Rd. This latter area is suitable, near the railroad, for industrial use, and further east to the Northville State Hospital grounds, for subdivision at some future date. Inclusion of the Northville State Hospital, which has its own sewage and water facilities, and will not be an expense, will give the new city a substantial revenue for each occupant of the hospital. When the hospital is completed, it will house 3500 patients and, under the present law, the city will be entitled to an annual rebate of approximately \$35,000 to \$40,000 from the state for these patients as its portion of the state sales tax revenues. Inclusion of the hospital grounds is, therefore, simply a revenue producing recommendation of the committee.

Revenue From Racing

Under the present state law, if Northville were a city it would be entitled to one-fifth of the state tax on pari-mutuel betting at Northville Downs, whereas as a village, it gets no share of this money.

This would be in addition to the \$500 per day (approximately \$25,000 per year) which Northville Downs pays the Village of Northville for police, water, fire protection and other services,

which would be continued under a city form of government.

We would not vote for becoming a city if it were done solely to obtain this additional \$68,000 to \$70,000 of revenue, nor do we believe any voter should make his decision for this reason alone. It is, however, an incidental consideration, along with several important arguments involving simplification and greater convenience of government under a city charter.

Reasons for Becoming a City

Village residents are the only persons in Michigan living under and supporting two local units of government, the village and township.

Changing from a village to a city merely means withdrawing from the township and providing through the new city government the same local services formerly provided by the village—police and fire protection, assessment and collection of taxes, water and sewer systems, etc., PLUS whatever necessary and non-duplicating functions were provided by the township.

The Michigan Municipal League, a non-profit organization supported by membership fees of a large number of Michigan municipalities, has studied the relative advantages and disadvantages of city vs. village government for many years. Its Information Bulletin No. 9, issued in Aug. 1951, lists the following township services that must be taken over by a city:

1. Assessment of property for county and school taxes;
2. Collection of county and school taxes;
3. Maintenance of a registration and election system (Continued on Page 2)

Committee Reveals Area To Be Included In New Limits

The areas to be included in the Northville city limits should the Village vote this summer to change to a city form of government were decided upon this week by the Committee for City Incorporation. They are shown on the map on Page 2.

Simultaneous with announcement of the areas to be annexed, the Committee through its chairman, Dr. L. W. Snow, issued a comprehensive statement discussing the reasons why it feels Northville should become a city. The

statement also pointed out that the change in form of government should be accomplished at no additional cost to Village taxpayers and that some \$68,000 to \$70,000 of revenues in addition to the approximately \$25,000 already being received from Northville Downs would come to the new city as its share of the state tax on pari-mutuel betting at the track.

The committee said that it would not recommend that anyone vote in favor of city government just to get the extra revenue from racing, although it felt that this is an important incidental consideration. The real argument for becoming a city, the Committee pointed out, lies in the simplification and improvement in government functioning that it will make possible.

Duplicating Functions
It points out that "as residents of a village, citizens are a part of two local governments, the village and the township. They must elect not only a village council and president, but a township supervisor, township clerk, township treasurer, and township justices. Thus, they have two governing bodies—one for village purposes and one for township purposes, with the township government only partly responsible to the citizens of the village."

"Village residents have the inconvenience of having to deal with the village clerk on some matters and the township clerk on others; they pay village taxes to the village treasurer and other taxes to the township treasurer; they have a village council taxing for certain governmental services and a township board taxing for others, and they must vote at a township primary election in addition to the village election."

Unnecessary Inconvenience
The committee concludes that "it may not be a major problem to deal with two local governments but it is an unnecessary inconvenience, annoyance, expense and waste of time. The net effect is lack of interest in and control of the township government, whereas as in a city, all local affairs would be managed by a government consisting only of citizens of the municipality and responsible only to them."

The statement pointed out that while the city must take over certain functions now performed by township officials, the experience of other municipalities indicates that these can be done better and at no greater cost, and possibly less, to taxpayers than they are paying to have the township perform them.

Selection of Queen
Qualifications for entering the contest for selection as Parade Queen, according to J. P. Malley, chairman of the event, state that entrants may not be over 19 years of age, and that they must be residents of Northville or the immediate surrounding community. Ballots may be secured at Northville business places after Friday, June 20, with a July 1 deadline on voting. Only one ballot per voter may be cast. The ballot will also be printed in next week's issue of the Record.

They may be left at either the Record office, or with merchants displaying a card showing they are balloting headquarters. The schedule as planned by the committees:

9 a.m.—Pet show, Grade School grounds.
10 a.m.—Children's games, Grade school grounds.
10:30 a.m.—Bicycle race. Start at V.F.W. hall on Northville Rd., up Main St., end at High School.

11:30 a.m.—Parade with band, horses, bicycles, cars.
Noon—(Tentative)—Horse show at Ford Field. Lunch tables will be set up... pop; ice cream.

1:30 p.m.—Demonstration by Wayne County Council Drum and Bugle Corps.
2:00 p.m.—V.F.W. baseball team vs. Livonia baseball team.

7:30 p.m.—V.F.W. softball team vs. Walled Lake Door softball team.
After dark—Fireworks, furnished by Merchants Association.

After dark—Fireworks, furnished by Merchants Association.

After dark—Fireworks, furnished by Merchants Association.

After dark—Fireworks, furnished by Merchants Association.

Sodium Fluoride Treatments Begin

The sodium fluoride dental program at the Northville Grade School got under way on Tuesday, June 17, with approximately 120 pupils of the second, fifth and eighth grades taking advantage of the service. The program will continue until July 1.

The pupils of the Waterford and Thayer schools are also joining in this program to prevent tooth decay, said Mesdames Jack Reynolds and O. F. Reng, co-chairmen of the program.

Mrs. Robert Vernier, of Ann Arbor, dental hygienist in the Plymouth School System, has charge of the local clinic, which is co-sponsored by the Mother's Club with the cooperation of the Parent-Teacher Assoc. and the local dentists.

The children will make four visits to the clinic where their teeth will be cleaned and four applications of fluoride to the surface are made.

This sodium fluoride application will be given to approximately 12,000 children in 68 communities in the state this summer under the auspices of the Michigan Department of Health. The services of 23 junior dental and

dental hygiene students from the University of Michigan will be utilized.

The painting of children's teeth with the solutions can reduce new decay in groups of children as much as 40 per cent, according to state health authorities.

Novi Methodists Plan Tuesday Program

A father, daughter and son program will be presented in the Novi Methodist Church on Tuesday, June 24, at 7:30 p.m. Refreshments will be served by the WSCS at the close of the program.

Lillian Mair and Hugh Crawford will give the toasts to the fathers with James D. Mitchell replying to the sons and daughters. Mrs. Wendell Crumm will give a reading.

The musical program for the evening will include a piano solo by Karen Scheffer, a violin solo by Jacqueline Sharpe, a vocal duet by Claudette Doan and Donna Frisbee and a solo by Mrs. Russell Button.

86 Pints of Blood Donated in Drive

An increase of donors in the final two hours of Tuesday's visit of the blood bank's mobile unit, pushed the final tally to 86 pints of blood. The four-hour total in the afternoon had been only 48 pints.

Charles F. Carrington, chairman of the drive, said that Red Cross officials termed the contribution slightly above average for the Wayne County area, although comparatively high registrations by Northville area residents had indicated a higher total.

The mobile unit, manned by Red Cross nurses and workers, set up in the Methodist Church house from 2 to 8 p.m. Tuesday. The drive was spearheaded by the Northville Rotary club, and joined by representatives of other village organizations, along with Northville's regular Red Cross workers.

Effective June 15 through September 15, all dogs in Northville are under strict quarantine. See notice elsewhere in paper.

They'll Continue Their Education, Aided by Scholarships

Five young women were awarded scholarships by Northville organizations at Commencement exercises at Northville High School last Thursday night. The young women (above, l. to r.) and the organizations giving the scholarships are: Joan Buck, by the Northville Retail Merchants Association; Joan Toussaint, by the Northville Driving Club; Judy Sechlin, by the Northville Exchange Club; Mary Lou Litsenberger, by the Parent-Teachers Association, and Gay Duerson, by the Northville Women's Club.

Anti-City Group Forms Association

Formation of a Northville Township Improvement Association with membership open to registered voters and taxpayers in the township was announced this week by A. E. Northup of 905 Spring Drive.

Mr. Northup stated that the Association has been formed to oppose plans for making Northville a city, but that it also will promote honest and efficient political administration, enforcement of zoning and building regulations, betterment of the American way of life for citizens of Northville township, continuance of the present form of township government and the exercise of franchise by all citizens. It also will combat excessive taxation.

The Association will hold a meeting Thursday, June 19 at 8 p.m. at the Veterans Memorial Hall, he stated.

Objections and Answers on City Incorporation

Mr. A. E. Northup of 905 Spring Drive, just outside the present Village limits, has written an interesting letter to the Record concerning incorporation of Northville as a city. As the leader of an opposition faction in the Clement Ave. area, and spokesman for this group of township citizens, his views are presented in full. His letter raises certain questions that should be of interest to every resident of the Northville area and accordingly, the Record has undertaken to answer the points raised in an adjoining column below.

OBJECTIONS

ANSWERS

To The Editor:

It has been my observation that most residents of Northville and its outlying territory are refugees from the City. We moved to Northville to get away from high City taxes and because we liked the Village of Northville better. It is, therefore, very disappointing to find a group proposing that the Village of Northville government be changed to a City form of government. In Detroit we have seen property appraisals steadily increased in value until today City and County taxes are almost confiscatory. We do not want to see that happen here.

We were glad to join a community where we thought conditions would remain better. Now we find a group busily engaged in an attempt to change Northville to a city form of government. What can a City supply that a village cannot? There is no question that improvement can be made, but why not improvement within the present government? A change to a City government proposes a City Manager, an enlarged Police Department, a twenty-four hour a day Fire Department, all of which must be paid for through taxation. Of course the usual method of paying for any improvement in a city or village is through a special assessment of the property benefited. For example, an advertisement has been placed in the Northville Record stating that every property owner is responsible for maintenance of their sidewalks. This ad advises that the Village can supply such service at a charge of 40c per square foot. That certainly is not general taxation but special assessment. How else would street improvements be paid for except by special assessment?

I have heard the statement that if Northville were made a City, added income from the twenty percent of State taxes paid to cities having race tracks within their City limits could pay for paving the streets of Northville with gold. The Racing Association is at present contributing \$500.00 per day each day that the track operates. A change to City government would relieve the Association of this obligation. Based on last year's income, 20% of the State taxes would amount to \$68,000.00. Northville would have gotten that much if the Village had been a City last year. There is a movement operating in the Legislature in Lansing right now to turn the race track money over to needy school systems instead of City governments. A reform administration could change the whole picture over night. Which is to be preferred, \$500.00 a day for sure or \$68,000.00 a year maybe. The \$68,000.00 per year is a direct grab of State tax money.

The group for City government proposes extending the City Limits so the proposed City of Northville would include the most heavily inhabited buildings of the Mental Hospital. This is proposed in order to obtain the portion of the sales tax allotted to communities on a population basis. It would have amounted to \$12.50 per inmate based on last year's figures. The Village would get their proportion based on population, the Township would get the balance. By taking the hospital into the proposed City Limits, the City would obtain all the taxes, the Township none. Another steal.

We can see where a City of Northville might gain from the standpoint of income by these tax grabs, but we cannot see where the citizens of Northville Township would gain from any municipal benefits. I speak for a representative group who have moved to Northville or its immediate environs as refugees from the City.

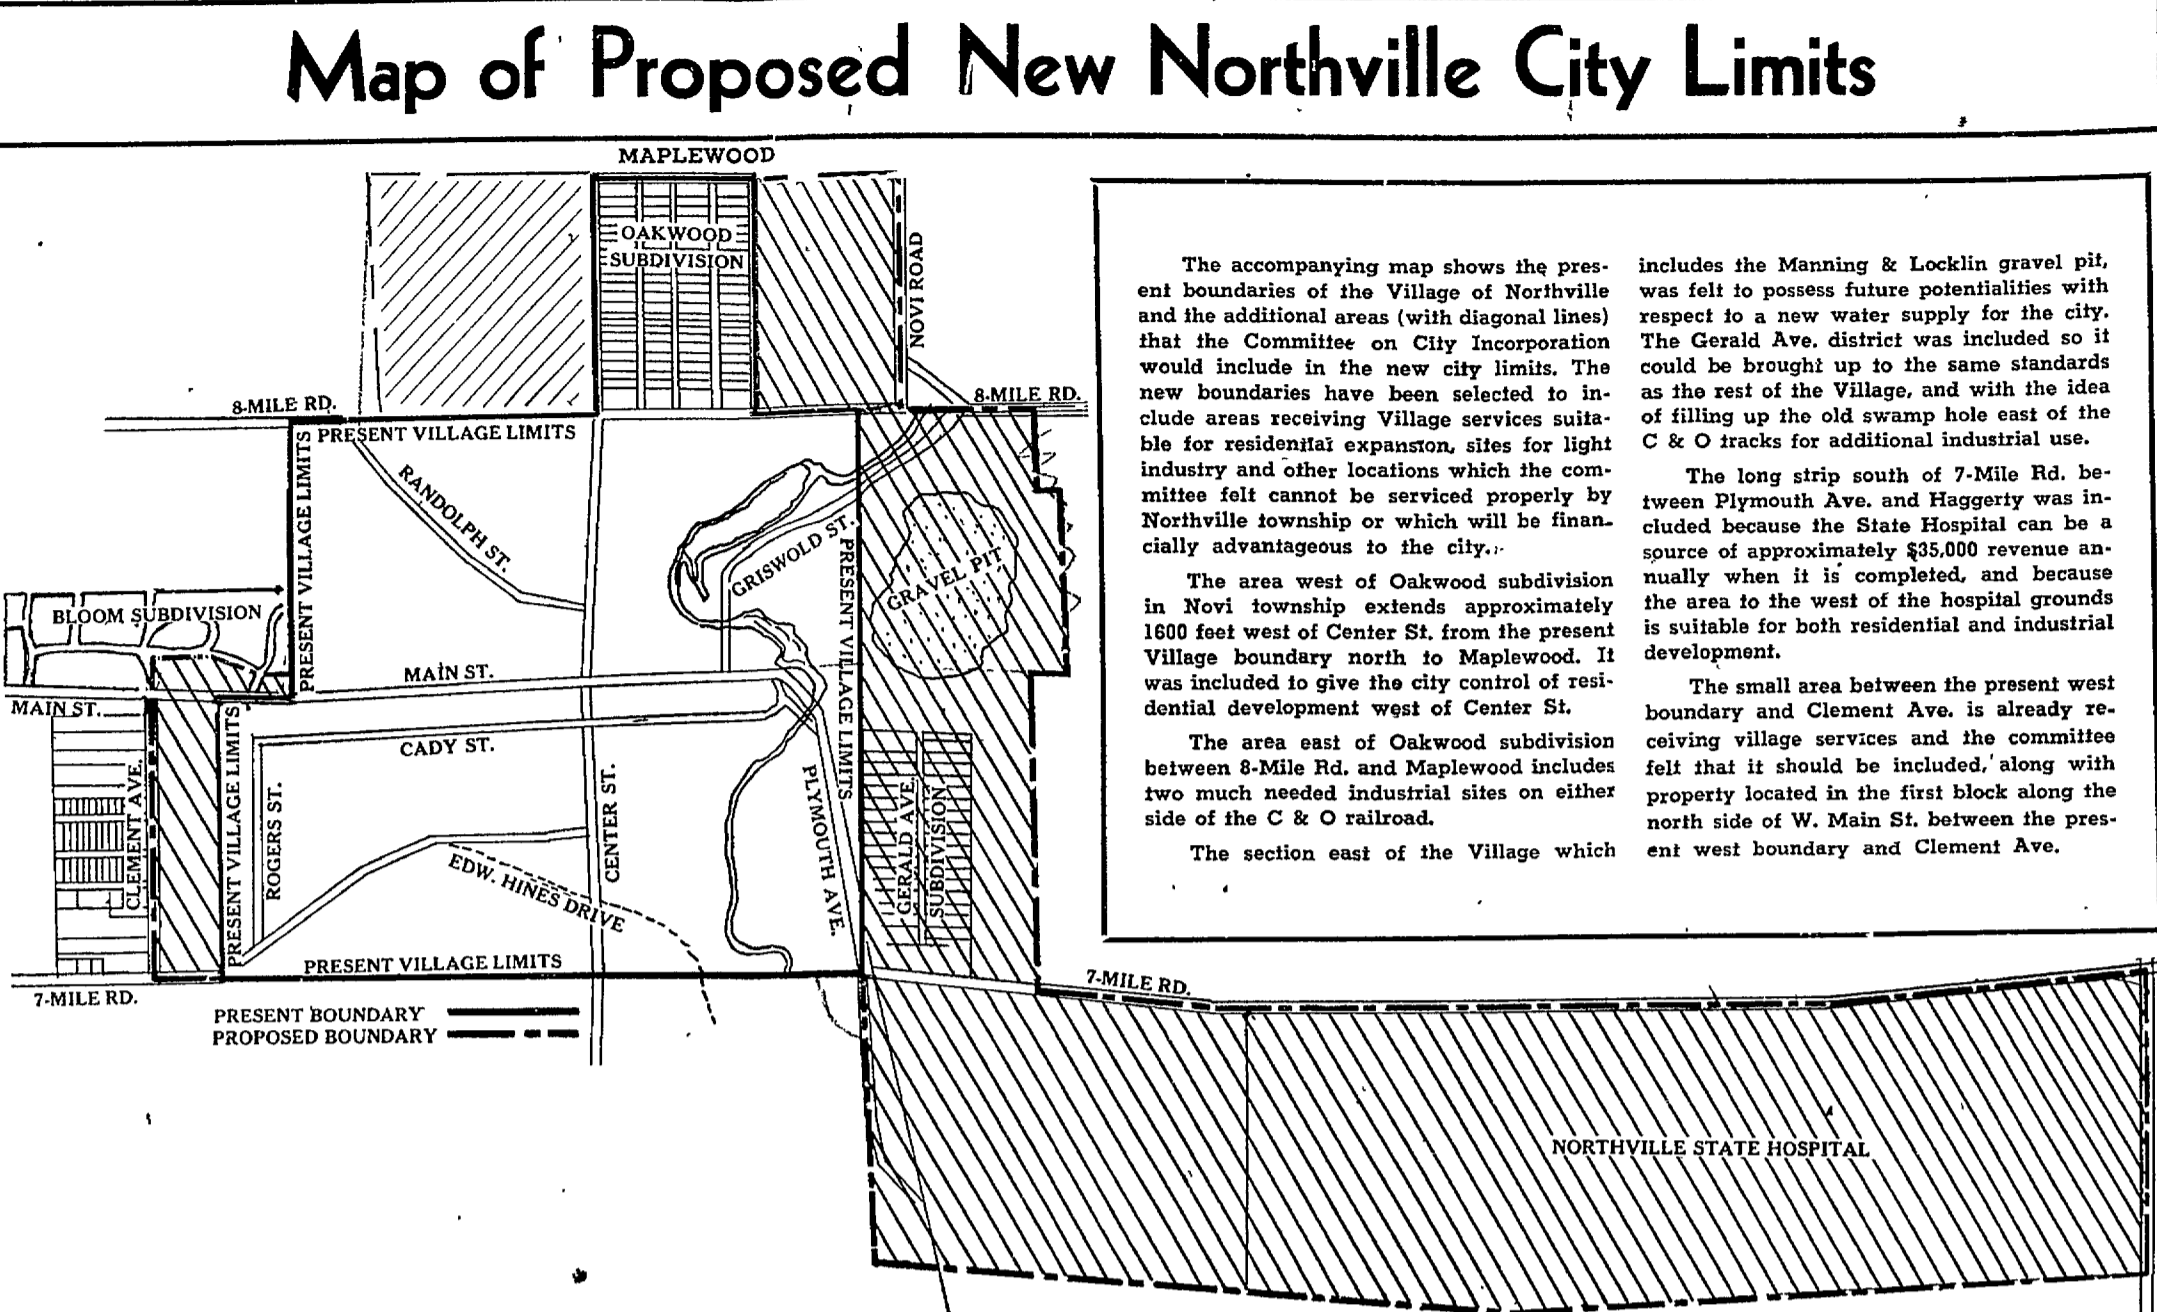

We sincerely hope that our present Township and Village government will be left alone.

Very truly yours,
A. E. Northup

Commission Votes Veterans Burial Plot

A plot of ground in Rural Hill Cemetery to be known as the "Veterans Memorial Plot" was pledged by the Northville Village Commission at its meeting Monday night, upon motion by Commissioner Claude Ely.

The plot will be reserved for veterans of all wars in which the United States has participated, but is primarily intended to care for burial of veterans who die while patients in sanatoriums or veterans homes.

No Extra Taxes for Police

It also is very doubtful if any change in the police department costs will be necessary that cannot be paid for out of the additional taxes that will come to the city from property that may be annexed.

No Special Assessment in Years

Your letter raises the inference that future city improvements will have to be paid for by special assessment. In this connection, you characterize as a special assessment the Village's offer to help its residents save money in keeping their sidewalks repaired by permitting them to have repairs made at the cheap figure of 40 cents per square foot by a contractor hired by the Village.

Taxes Should Not Increase

Your letter also raises the question of what will happen to taxes should Northville become a city when you say you do not want to see them increase here as they have in Detroit. We repeat what we told you personally this week, that it is unrealistic to compare Northville with a growing metropolis like Detroit. The few governmental functions now performed by the township, but which must be assumed should the Village become a city, have been taken over in other comparable communities at no increase in cost, and sometimes at a savings. There is no reason why that could not be done locally, especially as the committee which has been studying areas to be brought into the city limits has tried, in general, to avoid including areas that would have immediate need for extensive sewer and water services. In general, the areas to be included are like the one you live in, already receiving essential village services.

Racing Revenue Would Increase

Your letter states that a change to city government would relieve the Racing Association of its present \$500 per day to the Village for each day that the track operates. The contract between Northville Downs, the Driving Club and the Village, would not be changed one iota by city incorporation. The city would continue to receive the approximately \$25,000 annually which the Village has collected for several years under this contract.

If this is true, your contention is pointless that a reform administration in Lansing might change the present law under which Northville as a city could collect approximately \$68,000 additional from racing here. Elsewhere in the Record, Dr. Snow chairman of the Committee on City Incorporation, states specifically that the Committee would not recommend changing to a city form of government solely to get this additional \$68,000 per year, but he points out also that it is an incidental consideration that should not be ignored.

What About City Manager?

You say that a change to city government proposes a city manager, an enlarged police department and a 24-hour fire department, all of which must be paid for through increased taxation.

It is by no means correct that a city manager would be employed, although many small cities have found this to be an efficient set-up that saves them money, instead of being an additional expense. Whether a city manager will be provided for in the new city charter, which must be approved by the voters, or whether it will retain the present commission form of government, is something that cannot be answered until the charter is drawn. It can be said, however, that whatever form of city government is adopted, there is no reason why it should cost more than at present.

No 24-Hour Fire Department

Nor is there any reason to put the fire department on a 24-hour basis, as you suggest, with a full crew of men on duty at all times. We can assure you that this thought has not been considered by Village officials familiar with the situation, nor is it likely to be in the foreseeable future.

Reasons Why Northville Should Become a City

(Continued from Page 1)

for county, state and national elections;

4. Providing a district for representation on the county board of supervisors;

5. Providing a primary judicial system.

The Michigan Municipal League has found through its studies that assumption of these government functions need not be any more costly, and in some instances should be less expensive, than when carried on for village residents by township officials.

It has this to say about what is to be gained by taking over each of the specific functions listed above:

1. Assessment of property for county and school taxes

As a village, all property has two assessments on it, one by the village assessor and the other by the township supervisor. Elimination of the township assessment would involve no additional cost to the city as compared with the present cost to the village because the village already is making a complete assessment.

There are three important advantages in having only a single city assessment. First, is the obvious simplicity, convenience and saving in cost of having only one assessment and one review procedure for all purposes. Second, it is done by an assessor responsible directly and solely to the citizens of the city, and by an assessor who would probably be appointed and not an elected official. Third, the city board of review would also be responsible only to the city.

2. Collecting County and School taxes

While the new city will incur a very slight additional cost, as compared with the present village, in collecting county and school taxes, this will be more than offset by the saving to taxpayers through not having to support the township treasurer's office as at present. Obviously, it would be cheaper for the city treasurer's office to assume some additional duties than it is to support the personnel, upkeep, etc. of an entirely separate office. It also would be much more convenient for taxpayers if they could pay their taxes to only one person.

3. Maintenance of a registration and election system for county, state and national elections.

The village now maintains a registration record and conducts elections for village purposes only. The township maintains a separate registration record for village voters for county, state and national elections. A voter must be registered in both places to vote in all elections.

In a city, a voter need register only once for all elections, and personally agree with its inclusion.

Very truly yours

Worms

It was applied later with excellent results to check crab grass.

Chlordane may be applied either as a dust or as a spray. If a 1% dust is used, it should be applied at the rate of five pounds to 1,000 square feet of lawn. If a spray is used, one quart of 45% emulsion would be right for 4,000 square feet. At these rates no injury to permanent grasses occurs.

DOG QUARANTINE

In accordance with the statutes of the State of Michigan and the action of the Wayne County Board of Supervisors, all dogs in the Village of Northville and surrounding area are placed under strict quarantine effective June 15. All dogs must be vaccinated and licensed. Quarantine will continue until Sept. 15. All unmuzzled dogs will be picked up and impounded in the Village Pound, vaccination and tag notwithstanding. Dogs must be muzzled to comply with the statute.

This order will be strictly enforced.

Nona Martin Graduates From Central Michigan
Nona Martin, of Northville, received her bachelor of science degree from Central Michigan College, Mt. Pleasant, at the college's 57th Commencement on Saturday, June 14.
Fifty-eight of Michigan's counties and 169 cities and towns were represented among the approximately 350 students at the ceremonies. Two other states, Ohio and Illinois, besides Hawaii and Iran, were also represented.

10-Week "Summer of Fun" Program Outlined by Recreation Committee

Distribution was begun last week among children and adults of a thousand programs outlining the Northville Recreation Committee's "Summer of Fun" plans for Northville.
The ten-week program, to include all age groups, began June 16 and will continue through August 16, said Recreation Director Wilson Funk.

Baseball and Softball

The Class "E" and "F" Eight-City Baseball league got under way June 16 and 17, with games scheduled twice a week for each class through Aug. 5, for teams representing Northville, Livonia Center, Rosedale, Plymouth, Pierson, Wilcox, Garden City and Clarenceville.

The Northville Softball League has played eight games of a 32-game program. Games are on Monday and Wednesday nights

Playground Open

Throughout the "Summer of Fun" program, the playground behind the Northville Grade School will be open from 9 a.m. to noon, and 1:30 to 4:30 p.m. Monday through Friday.

The program during the summer offers children the choice of baseball, croquet, badminton, checkers, chess, basketball, hula, picnics, day camps, trips to the zoo, bike races, pet show, sand pile, swings, slides and table games.

Children were asked to sign up June 16 at the table under the trees at the Grade School for swimming and trip permits.

Special trips to the Detroit Zoo are planned every Thursday morning at 9 o'clock. Admission charge to the zoo is the only cost involved for children and mothers, who are invited to participate. The bus will leave the Grade School playground at 9 a.m. and return at 12:30 noon. The first zoo trip will be on July 10, with others on July 17, 24 and 31.

Day Camp on Friday

The first 20 children who sign up each week will be allowed to attend the day camp each Friday

where they will live under canvas. The bus will leave at 10 a.m. and arrive home at 3:30 p.m. Lunches will be brought by the children to the camp, where there will be hikes, swimming and setting up of a tent. Mr. Funk said that children may bring their own pup-size tents if they wish.

Daily Swim Program

There will be swimming every day at three beaches and pools for beginners and advanced swimmers. Monday through Friday, a bus will leave at 1 p.m. and return at 5 p.m. for five swimmers at Maple Beach in Kensington Metropolitan Park. A beginners swimming lesson will be given at Maple Beach every Tuesday morning, and mothers are invited to go along. The bus leaves at 9:30 a.m. and returns at 12:30 noon. There will also be recreation swimming at the same hours.

Lifeguard protection is provided at Maple Beach for all swimmers. The telephone number there is Milford 9139-F12.

A bus will leave at 9:30 a.m. for the River Rouge pool and return at 12:30 noon. The locker fee is 25 cents. An evening swim is scheduled for Whitmore Lake every Thursday with the bus leaving at 6:30 p.m. and returning at 10 p.m. This swim is only for boys and girls over 12 years of age. Locker fee will be 25 cents.

Hikes on Cold Days

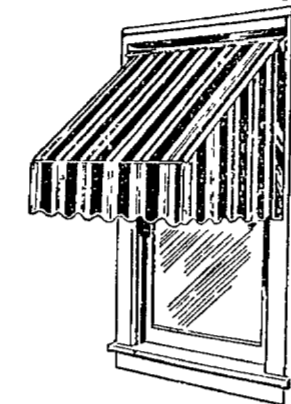

A hike is scheduled on days cold enough to prevent swimming. Children are asked to bring their own lunches. The bus leaves at the same hours as for swimming. The Boys Club at the Boy Scout Building will be open on rainy days from 1 to 5 p.m.

The Northville Recreation Committee is headed by R. D. Merriam as chairman, and includes Robert Cookman, R. H. Amerman, Mollie Lawrence, Lynn Sullivan and Alton Peters, Village Commission representative. Wilson Funk is Recreation Director.

Usually a pessimist is a man who financed an optimist.

Pfc. Walter Tuck Graduates With Highest Honors

HEILBRONN, GERMANY — PFC Walter H. Tuck, son of Mr. and Mrs. W. N. Tuck, 43111 Grand River, Novi, recently received a special commendation on his graduation as the honor student at the Automotive Organizational Maintenance Mechanics Course at Heilbronn, Germany.

Tuck finished the eight-week course with an average of 99.2 to lead the class.

He is a mechanic assigned to the 28th Division's 112th Infantry Regiment.

A veteran of six months of service in Germany, Tuck has been with the division for the past 15 months. He entered the army in March, 1951.

Luth. League Fetes Fifth Anniversary

The fifth anniversary of the Lutheran Laymen's League of St. Paul's Lutheran Church will be celebrated on Friday evening, June 20, at its annual Ladies Night banquet.

Officers of the international organization will be present in recognition of the league's anniversary, said the Rev. E. E. Rossow, pastor of the church.

Fred Sterner is program chairman for the evening.

Pfc. Schoultz Wins Marksman Medal

David H. Schoultz, son of Mr. and Mrs. C. H. Schoultz of Cady St., and the husband of Mrs. Nancy L. Schoultz, of Ball St., Plymouth, is home after completing "boot" training at Parris Island, South Carolina. He has been promoted to the rank of Private First Class.

PFC Schoultz climaxed his recruit training by firing a score of 199 to receive the marksman medal.

Before joining the Marines, PFC Schoultz was a time study man at Kaiser Frazer Corp. He was graduated from Northville High School.

Events of the Past in Northville

News Items Taken From the Files of the Record

— One Year Ago —

The opening week of Northville Downs was the best in its history. The mutuels window handled \$1,083,160, an increase of \$118,163 over the 1950 handle for a similar period.

Bruce Turnbull was named president of the Exchange Club. The Auxiliary of the American Legion Lloyd H. Green Post 147 was host to the 17th District annual convention and luncheon at Veterans Memorial Hall.

Two hundred and thirty-seven entries were exhibited in the annual flower show held by the Northville Branch of the Women's National Farm and Garden Association at the Methodist Church house.

More than eighty pupils and teachers were present for the opening of the Vacation Bible School at the Presbyterian Church House.

The Northville Rotary Club celebrated its 25th anniversary with a banquet attended by 125 Rotarians and guests.

Harold Seaross assumed ownership of the Sally Bell Bakery Einar Iversen, who formerly owned the bakery, is going to supervise the sweet roll department in the Oakland Bakery in Pontiac.

— Five Years Ago —

More than eight hundred men, women and children took advantage of the free X-Rays given last week.

One Year Ago—
The Ace of Hearts, Judy Junod, and her sister, Vicky, as the Two of Clubs, rehearse for their tap routine for the Jordan Dance Studio recital.

tage of the free X-Rays given last week.

The tax for the Village of Northville was set at \$15.33 per \$1,000 as compared with \$17.38 last year.

Scholarship awards were presented at Thursday's Commencement exercises to Albert Black, Albert Bidwell, Albert Lees, Hugh Lockhart and Helen Ann Cansfield.

Hugh Lockhart, son of Mr. and Mrs. George Lockhart, was awarded a four-year scholarship to the University of Michigan under the U. S. Naval Officer Procurement plan.

— Ten Years Ago —

Thursday, June 18, seventy-four seniors were awarded diplomas at Commencement exercises held at the local Fairgrounds.

The Rev. Mr. A. K. MacRae, for the past eight years pastor of the Novi Baptist Church, tendered his resignation. He has served as pastor in Baptist churches in this area for the past 20 years.

The Rev. Fr. John M. Lynch will hold his first mass at Our Lady of Victory Church next Sunday. He succeeds the Rev. Fr. Joseph Schramm who was transferred to a parish in Mt. Clemens.

Dr. Harold I. Sparling received papers ordering him to active duty with the rank of Captain in the Army Medical Corps.

Northville will experience its first test blackout some time next week. A 24-hour advance notice will be given and the blackout is to last 20 minutes, at which time wardens will man their posts to enforce regulations.

— Fifteen Years Ago —

Supt. R. H. Arman reports that the end of the school year

Nickle Phone Call Is Latest Casualty in Rising Cost of Living—It's 10c Now

You'll have to reach for a dime now to place telephone calls from pay booths. An increase in telephone rates was granted the Michigan Bell Telephone Co. this month by the Michigan Public Service Commission.

However, the rate increase will affect only rural residence lines and business service, along with pay phones. The monthly increase for rural phones will amount to 75 cents, or about three cents a day. There is no change in other classes of residence service in Northville.

One-party and two-party business phones will be increased 75 cents a month, and rural business service and private branch exchange trunk lines will go up \$1.00.

It is expected that a nickel will still be enough for some pay station calls for about 30 days, when all of the company's dial coin box phones in the outstate area are expected to be converted to the ten-cent operation.

Commenting on the increase in rates granted the company, W. Calvin Patterson, vice-president of Michigan Bell, said: "Not only is the increase inadequate to assure good telephone service in the future, but the delay in getting it has denied the owners of the business a return on their investment that cannot be recovered." Patterson pointed out that less than half the ordered rate increase will remain with the company. More than half of it, he said, will go to the Federal Government in taxes.

Patterson said that including the increase granted last week, Michigan Bell revenues will have risen only 27 per cent from rate increases since 1940 while the overall cost of living has gone up 89 per cent.

finds approximately \$600 left in the treasury after all expenditures in the new building, salaries, operating expenses, and incidentals have been paid.

Death came early Sunday, June 3, to 77-year-old Mrs. Ella Grennan, mother of the late Phil Grennan, president of the Farm Crest Bakeries and a pioneer in Detroit polo who died last September.

C. Harold Bloom is the new president of the Exchange Club. Clarence Tucker, 29, of Seven Mile Road, was the victim of a freak accident, June 14, when his tractor, dragging a roller and several logs, turned over, pinning him to the ground and crushing him to death.

— Twenty Years Ago —
The loan of \$7,600 which the Northville School Board has been attempting to get for the last six weeks was obtained Thursday and May and June checks were distributed that afternoon.

The Methodist parsonage has had a bath on the outside. The preacher was joined by Roy Clark, John Larsenberger, and D. J. Stark who vigorously attacked the job with brushes and water until it shines like new.

— Thirty-Five Years Ago —

The annual banquet of the Northville High School Alumni Association will be held Friday in the new school building.

The officers of the new military company are Capt. Ralph Hotten, First Lt. T. R. Carrington and Second Lt. Ralph Ryder.

The runaway yesterday afternoon gave Cecil Carey an opportunity to establish a record for horse-catching. He is now considered qualified to run down and corner up any steed that gets away from proper control.

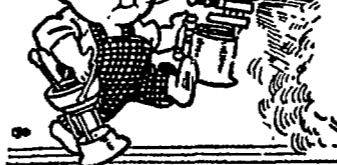

A woman was mailing the Old Family Bible to a brother in a distant city.

Postal clerk: "Does this package contain anything breakable?" Lady: "Only the Ten Commandments."

The reason why worry kills more people than work is that more people worry than work.

Services Held for Mrs. G. B. Yerkes

A resident of Northville for 70 years, Mrs. Georgia B. Yerkes died at the home of her daughter, Mrs. Frances Larson, 475 Maplehurst, Ferndale, on Tuesday, June 10.

The funeral services were held on Friday afternoon, from the Casterline Funeral Home with the Rev. Dr. Harold F. Fredsell, pastor of the Northville First Presbyterian Church, and the Rev. H. Paul Stone, of Ferndale, officiating. Burial was in the mausoleum at Oakwood Cemetery.

Mrs. Yerkes, who was 84 years old at the time of her death, was a life member of the Northville First Presbyterian Church, a charter member of the Order of the Eastern Star, and was on the original library board for the Village of Northville.

She was born in North Farmington to the late Lawrence and Frances Simmons. She is survived by a sister, Mrs. Fred P. Simmons of Northville, and Mrs. Larson, who is a former resident of the village. For the past 11 years Mrs. Yerkes had made her home with her daughter.

You get
MORE TRUCK
FOR THE MONEY
when you buy on the
plain hard facts!

CHEVROLET
MORE CHEVROLET TRUCKS IN USE THAN ANY OTHER MAKE!

RUGGED and thrifty, too!

Fact No. 1

Model for model—costs less
Stack up a Chevrolet truck against any other truck with comparable specifications, capable of handling the same payloads. You'll find the Chevrolet truck lists for less and brings you great features.

Fact No. 2

Mile after mile at rock bottom cost
Truck users everywhere have proved that Chevrolet costs the least of all to own and maintain. Valve-in-Head economy, in the Loadmaster or Thriftmaster engines, saves on gas.

Fact No. 3

Right truck for the job saves money
Chevrolet trucks are factory-matched to your payload requirements. You don't waste money by buying "too much truck"—you don't risk work interruption by buying "too little truck."

Fact No. 4

Lower, slower depreciation
Records show that Chevrolet trucks traditionally bring more at resale than any other make which costs about the same new. The market value of Chevrolet trucks stays up because the value stays in.

(Continuation of standard equipment and trim illustrated is dependent on availability of material.)

Registration Notice

FOR

PRIMARY ELECTION

TO BE HELD

TUESDAY, AUGUST 5, 1952

To the Qualified Electors of the Township of Northville, County of Wayne, Michigan:

Notice is hereby given that in conformity with the "Michigan Election Law," I, the undersigned Township Clerk, will, upon any day, except Sunday, and a legal holiday, the day of any regular or special election or primary election, receive for registration the name of any legal voter in said Township not already registered who may apply to me personally for such registration. Registrations will be received at my residence, 430 E. Main Street, Northville, Michigan. Provided, however, that I can receive no names for registration during the time intervening between the 30th Day before any regular, special, or official primary election and the day of such election.

Notice is hereby given that I will be at the Northville Village Hall on

SAT., JUNE 21 - FRI., JUNE 27 - SAT., JUNE 28
MON., JULY 7

the last day of registration and the 30th day preceding said election from 8:00 o'clock a.m. until 8:00 o'clock p.m. on said days for the purpose of Reviewing the Registration and Registering such of the qualified electors in said Township as shall Properly Apply therefor.

TRANSFERS FROM ONE PRECINCT TO ANOTHER: Any registered elector may upon change of residence within the township or village cause his registration to be transferred to his new address by sending the clerk his signed request stating his present address, or by applying in person.

FRED W. LYKE, Township Clerk.

Christian Science Churches
In this day of atomic energy it is helpful to consider what Christian Science teaches about the true creation. This is discussed in the Lesson-Sermon entitled "Is the Universe, Including Man, Evolved by Atomic Force?" which will be read in all Christian Science churches on Sunday, June 22.
The Golden Text is from Amos (4:13): "Lo, he that formeth the mountains, and createth the wind, and declareth unto man what is his thought, that maketh the morning darkness, and treadeth upon the high places of the earth, The Lord, The God of Hosts, is his name."

**Rolling Down
The River**
by the PETZ BROS.

We're sitting here this day, wondering whether our credit is of sufficient strength, in case we wish potatoes on the table for dinner, when in walks a fellow we haven't met for some time, even though he tell us that he brings his Studebaker in for periodic lubrication jobs.

He tells us that he's been reading the lives of various presidents and he discovers there is a character in his day. Always an admirer of large families, Teddy reads that a particular man, the father of three, suddenly finds himself the father of six when his wife presents him with triplets and immediately sends the man a silver cup in token of the event. The proud father writes back asking, "Is this mine to keep or must I win it three times?"

Speaking of fathers we're reminded of a meeting of a certain service club, whose entertainment on this particular evening is furnished by a mixed vocal group from a nearby school. This group sang a number of songs, one of which contained the line "from a logical point of view, just marry a woman uglier than you." The members applauded the song most sincerely, in fact so sincerely that only a few overheard the remark of one bright young lady, "It's a good thing these fellows never listened to that song before or this would be a bachelor's dinner."

Well, we finally sold a car through the column and to an advertising man at that. This fellow comes in, mentions the column and the fact that we're always asking some one or another to bring the car in for service and decides Studebaker is the car for him. "These other places I visit," he says, "tell me when I mention this advertising specialty, that their shop can't handle any more business. That's why I want a Studebaker, a car that can stay out on the road long enough to make the service department ask you to bring it around."

Life's like that we speak to the factory. All that surging power in the V-8 engine, extra comfort, super economy and ease of handling, makes it tough for a driver to leave his car with us long enough to change the oil and lubricate the chassis. Then too, the motor can stand a bit of tune-up on occasion, even if it's just to keep our mechanics eating more or less regularly.

That's that, but with telephone calls now a dime in pay stations, we suppose the nickel we have left in our pocket will eventually become a collector's item.

Yours,
BILL and WILL PETZ.

Plymouth Colony Weavers to Display Exclusive Dress Styles at Sunday Show

The looms at the Plymouth Colony Farms have been working day and night for the past six months in preparation for the fashion show of their 22 exclusive styles on Sunday, June 22. The show will begin at 4 p.m. at the Shop, 48153 West Ann Arbor Rd., Plymouth.

Nearly every process in the weaving game is done at the farm. Much of the wool is shorn from the farm's own sheep and after spinning is returned for the work of the master weavers. For the Sunday show, Rigmor Laurrell, wife of the owner, designed all of the apparel.

After moving to Plymouth from the East three years ago, designer Karl Laurrell, has produced wholesale yardage for draperies and upholstery that has won top textile awards. The idea to produce women's exclusive clothing for Detroit and suburban stores was Mrs. Laurrell's idea.

The outdoor flagstone terrace of the shop will be the show place for the tweed suits, sheer wool dresses and toppers, the pure silks, linens, rayons and metallics which the colony have styled.

The work of the Eastern silversmith, James Rattison, will accent the model's attire. His specialty includes sterling pins, necklaces and bracelets.

The Sunday show, which was previewed by the press and store buyers on Tuesday, will be open to the public.

IN MEMORIAM

In loving memory of Andries G. Keller, who left us June 22, 1933.

Days of sadness still come o'er us,
Secret tears do often flow,
But memory keeps you ever near us.

Though you left us long ago,
Mr. & Mrs. Peter J. Keller
and family 3

When the heart speaks, its language is always acceptable to those who have hearts.

Shirley Smith

Parents Reveal Smith-Clark Troth

Mr. and Mrs. Alfred H. Smith, of Beal Ave., announce the engagement of their daughter, Shirley Margaret, to James Clark, son of Mr. and Mrs. W. F. Clark, of West St.

Shirley was graduated from Northville High School with the class of 1950 and is now a student nurse at Ford Hospital, Detroit. Jim received his diploma from Northville High School last Thursday, June 12. He will attend Ferris Institute in the fall where he will study pharmacy. No wedding date has been set.

Mrs. E. J. Willis, chairman of Northville Village and Township Cancer Patient's Aid, announces that final collections of the Cancer Crusade total \$901, with another \$110 sent direct to the American Cancer Society.

Will-O-Way Theatre Opens Season

A new comedy "Handle With Care" opened the Will-O-Way Summer Theatre season on Tuesday, June 17. The play was written by William W. Merrill, founder of Will-O-Way, in collaboration with G. A. Florez.

The theatre, which this year will mark its 12th season, is located on Long Lake Rd., Bloomfield Hills. The play will run through the week.

"Handle With Care" has already been accepted for publication by Samuel French & Co. Mr. Florez, the co-author, is a pioneer in the field of visual aids.

In the cast for this week's production are Dick Davies and Betty Wright, as husband and wife, and Frederick Morris, as the next door neighbor. Children of the couple are played by Colette Otten and Jim Hawkins, 12 and 14-years old respectively, who have done radio and television work in Detroit.

All proceeds from the July 7 performance at the theatre will go to the Michigan Federation of Women's Clubs to assist their rehabilitation center for girls, "Girlstown", said Mrs. W. O. Merrill, State Federation president.

Five Sisters Attend Bride At Candlelight Service

The white satin wedding gown of Doris Irene Wendland, who became the bride of Harry Frank Bowers, Jr., on Saturday, June 14 at the Novi First Methodist Church, featured an Empress Eugenia neckline. The lace, which edged the high neckline, was repeated in the petal of her gown.

A bonnet of net and pearls held in place her fingertip veil. The bridal bouquet was centered with white roses, which she later wore with her traveling costume.

The bride's five sisters preceded her to the altar which was banked with white carnations and candelabra. Mrs. Peter Kuntz and Mrs. Kenneth Rippey, both of Novi, served as her matrons of honor. Mrs. Kuntz wore a lilac net over taffeta gown and matching picture hat while Mrs. Rippey's gown was identically fashioned with a peter pan collar and cap sleeves of mint green net over taffeta. Phyllis Wendland's bridesmaid gown was blue and she also wore a matching picture hat. They carried colonial bouquets of pink carnations.

Carol and Martha Wendland attended their sister as junior bridesmaids. Their gowns were styled of pink organdy over taffeta with matching bonnets of pink. Tiny pink rosebuds were arranged in their colonial bouquets.

Father of the bride, Rudolph Wendland, gave his daughter in marriage. Assisting the groom during the double ring service repeated before the Rev. J. M. McLucas, was William Woods, of Redford. Ray and Warren Bowers, of Garden City and Livonia, respectively, seated the guests.

Valeri Curtis, of Wixom, accompanied by Mrs. McLucas, sang "Because" and "The Lord's Prayer".

Mrs. Wendland chose a sheer grey and orchid print dress worn with orchid accessories. She was presented with a corsage of pink carnations. The bride's parents are Mr. and Mrs. Rudolph Wendland, of Novi Rd., while Harry F. Bowers, Sr., of Rockwood, Mich., is the bridegroom's father.

After the reception in the IOOF Hall, Novi, Doris changed into a grey rayon-gabardine suit with white accessories for her trip to New York City. Following the honeymoon Mr. and Mrs. Harry F. Bowers, Jr. will be at home in their Detroit apartment.

Doris was graduated with the class of 1945 from Walled Lake High School and is now employed at Whitman-Barnes, Plymouth. Since his graduation from Redford High School and Western Michigan College, Kalamazoo, Harry has been employed by the Goodyear Rubber Co.

New Shrine Set for Northville, Plymouth

Supreme officers of the White Shrine of Jerusalem will be in Plymouth on Saturday, June 28, to institute a new Shrine, which will include Eastern Star and Masonic Lodge members of Plymouth and Northville.

The institution will begin at 3 p.m. in the Plymouth Masonic Temple with dinner following at 5:30 p.m.

Initiation of the 84 new members will begin at 7:30 p.m. by the past officers of surrounding Shrines.

Reservations for the day should be made by Wednesday, June 25, to Mrs. Ida B. Cooke, phone 630.

VACATION TIME
The weekly Community Calendar will be discontinued during July and August, according to Mrs. E. J. Willis, who has computed the calendar for the Coordinating Council.

In September it will be run again for important datings for the community.

Mr. and Mrs. Richard Foor

Mr. & Mrs. Dick Foor Spend Honeymoon at Houghton

At a candle light service in the Northville First Presbyterian Church on Saturday, June 14, Dr. Wilbur H. Johnston gave his daughter, Patricia Alice, in marriage to Richard Robert Foor. The couple repeated their vows before the Rev. Dr. Harold F. Fredsell.

Preceding the double ring service, Carl H. Bryan sang "At Dawning" and "Calm as the Night". Mrs. G. V. Harrison was the organist who accompanied Mr. Bryan and played the wedding march.

The lace bodice of the bride's princess-style gown was fashioned with an illusion neckline outlined with the lace. The bodice extended over the hip-line with the full skirt of tulle forming a long cathedral train. The lace of the gown was used in the close-fitting cap which held Pat's fingertip veil in place. Stephanotis formed her bouquet.

Pat's three attendants were dressed in identical gowns of blue lace and net. The lace boleros, which covered the strapless gowns, were styled to form a keyhole neckline. As matron of honor, the bride's sister-in-law, Mrs. W. W. Johnston of Centerline, carried dark red shatter carnations. Matching shatter carnations held in place her headpiece of blue net. The two bridesmaids, Mrs. Donald L. Coon of Albion, and Helen Canfield of West Dunlap St., carried pink shatter carnation bouquets. Pink carnations were also used with their headpieces.

Assisting the groom was John Butterfield of Homer, with Wilbur Johnston of Centerline, brother of the bride, Frederick Weber and John Winan, both of Chelsea, seating the guests.

Pat is the daughter of Dr. and Mrs. Wilbur H. Johnston of West Dunlap St. and Mr. and Mrs. Alvin C. Foor of Chelsea are Richard's parents.

Greeting the guests at the reception in the church house following the ceremony, Mrs. Johnston wore a mauve-rose lace and crepe gown with a matching lace hat. The bridegroom's mother chose a light blue lace and chiffon gown with a blue lace hat. Both mothers were presented with orchids to pin on their gowns. Pat's grandmother, Mrs. George Walker, of Forrest City, Arkansas, received the guests in a gown of rose-beige lace and chiffon. Her corsage was made of pink roses. Ann Walker, cousin of the bride, assisted at the reception.

For traveling, the new Mrs. Foor wore a sky blue linen suit with white accessories. After a week at Houghton Lake, they will make their summer home at Michigan State College where Dick will be taking graduate work. This winter they will both teach in Hoover School, Flint, where Dick has taught music for the past two years.

Pat was graduated from Northville High School and Albion College. She is a member of Zeta Tau Alpha fraternity. Dick was graduated from Chelsea High School and Albion College where he was affiliated with Sigma Chi fraternity.

UNPUBLISHED OPERA BY HAYDN IS FOUND

The complete score of an unpublished opera by Haydn is reported to have been found in the Hungarian castle of the Esterhazy family, where the composer was chapel master for 40 years. A comic opera in two acts called "Disappointed Infidelity," it appears to have been performed only once in honour of the Empress Maria Theresa.

Reed-Mainville Vows Read; Salem Wedding Held Friday

The home of the bride's grandparents, Mr. and Mrs. Roy Clement in Salem, was the scene of the Friday evening, June 13 wedding that united Mailene Jean Clement and Arthur J. Glacs, Jr., in marriage.

The ceremony was read by the Rev. C. M. Pennell, pastor of the Salem Federated Church.

The bride was attired in a ballerina length white nylon net gown with a matching hat. An arrangement of white gladioli centered with pink rose buds formed her bouquet. Mrs. Evelyn Earhart, the bride's only attendant, wore a pink nylon net ballerina gown with a matching hat. Her flowers were white gladioli and yellow rose buds.

Robert Glass, of Plymouth, a cousin of the groom, assisted as best man.

Mr. and Mrs. Donald Clement of Six Mile Road, Salem, are the parents of the bride. Arthur's parents are Mr. and Mrs. Arthur Glass, Sr., of Plymouth. For her daughter's wedding, Mrs. Clement chose a pink dress with matching accessories and wore a corsage of yellow roses. The groom's mother was attired in a blue dress with which she wore a yellow corsage of roses.

A reception followed the ceremony for the forty wedding guests. Mr. and Mrs. Glass, Jr., will reside at 9262 Six Mile Rd., Salem.

Eagles Auxiliary Installs President

The Eagles Auxiliary No 2504 installed Mrs. Gertrude Starr as president for the coming year at their last meeting. Mrs. Mildred Smith will serve as vice-president, Mrs. Ethel Bulson as secretary and Mrs. Marion Cushman as treasurer.

Mrs. Lorene Equino was installed as junior past president, Mrs. Vivian Aldrich as conductor, Mrs. Ella Elliot as chaplain, Mrs. Viola Laney as inside guard and Mrs. Vivian Seden as outside guard.

A new member, Mrs. Lucille Earhardt was initiated into the auxiliary.

The next meeting will be held on June 26 at 8 p.m. at the Veterans Memorial Hall.

Mrs. H. C. Rodgers and Pauline of West Dunlap St., left Sunday for California where they will visit Clayton Rodgers and his family in North Hollywood.

DAR Chapter Holds Final Meeting

The Sarah Ann Cochran chapter, Daughters of the American Revolution met on Monday, June 16, at the home of Mrs. Edward J. Cutler on Ridge Rd. in Plymouth for an informal sandwich luncheon.

Mrs. Ralph Taylor, First Vice Regent, presided over the meeting in the absence of the Regent, Mrs. Kenneth L. Hulsing, who is vacationing in Cambridge, Massachusetts.

Mrs. Earl Mastick, State Registrar, presented the Chapter with the Historical and Genealogical Record of Michigan Daughters of the American Revolution, Vol. 4, 1940-1952. This will be the last regular meeting of the chapter until September.

At the present, the couple is residing on North Center St., but plan to move in the near future to a new home in Plymouth. Mr. Mainville is employed at the S. L. Brader Store while Mrs. Mainville works at the Michigan Bell Telephone office in the village.

CONSUMERS POWER COMPANY

SYFRIED JEWELERS

101 1/2 E. Main Street

Wishes to announce the purchase of the jewelry store in Northville formerly owned by the late Deane Herrick. We will continue to operate the business to the best of our ability to maintain high standards.

* * *

Due to contemplated changes in stock and inventory, there will be a store-wide sale in the near future.

Watch this newspaper for further announcement of the sale.

You Overwhelmed Us!

We thought we were well prepared to handle with ease all of those whom we expected to visit our new dining rooms on the occasion of our Grand Opening on June 8.

However, your response was so far beyond our greatest expectations — and SO gratifying — that we were literally caught with our service down.

To accord you the kind of service to which you are entitled, and which we are most anxious to provide, we wish to announce that we have succeeded in correcting certain conditions in our service which may have caused earlier inconvenience to you.

Please be assured that we are now staffed to furnish the kind of efficient and speedy service which you are entitled to receive, and to expect, as our guests.

Thanks again for your most welcome patronage and wonderful patience during our early "shake-down" period.

BUILDERS' SUPPLIES - HARDWARE

630 Baseline Road Northville, Mich.

Ticket Sales Open For U. of M. Plays

The summer play season put on by the department of speech of the University of Michigan will open on July 2 with a four-night run of "Twelfth Night" by William Shakespeare. The plays are held in the Lydia Mendelssohn Theatre, beginning each night at 8 p.m.

Season ticket sales will open at the box office on Monday, June 23 with individual ticket sales opening on Monday, June 30. Season tickets cost \$5.75, \$4.50 and \$3.00 with single admissions \$1.20, 90 cents and 60 cents.

After the closing of the Shakespearean comedy on July 5, Mary Chase's Pulitzer Prize Play of 1944, "Harvey," will open. This piece of stage whimsy centers around a six-foot, one and a half inch rabbit named Harvey who never appears on the stage. The play will run until Saturday, July 12.

Maxwell Anderson's "Winter set," which will play from July 23 to July 26, is a poetic tragedy dealing with contemporary American life. The play was originally produced in 1935 with Burgess Meredith in the leading role and that same year it won the much prized NY Drama Critics Circle Award.

"Second Threshold" by Philip Barry will play in Ann Arbor from July 30 to August 2. This comedy was first produced in the

Attend National 4-H Club Camp

These four Michigan 4-H Club members will learn more about their government by first-hand observation, June 18 to 25. They will represent 4-H Club members of the state at the National 4-H Club Camp in Washington, D. C. From left to right, they are, Melvin Thompson, Ravenna; Cynthia Krans, Iron River; Ann Ulrey, Niles; and Gordon Fuerstenau, Richmond. They were selected for the top honor for their outstanding record of activities in 4-H Club work. (MNC Photo).

NEWS FROM NOVI

By Mrs. L. Rir
Mr. and Mrs. Rex LaPlante, Sr. entertained at an open house last

season of 1951 in New York after the death of the author.

For the eighteenth consecutive season the school of music will co-operate with the department of speech in the production of a famous opera. "The Wives of Windsor," based on the Shakespearean comedy, will be given August 7 to August 11. Otto Nicolai's comic-fantastic opera was first performed in Berlin in 1849.

Thursday evening in honor of their daughter, Jackie, who has just been graduated from Northville High School.

Robert LaPlante joined the U.S. Navy and will leave for the Great Lakes Naval Training Station Friday morning. On Sunday, relatives and friends from Novi, Detroit and Oak Park were visitors at the Rex LaPlante home as a farewell gesture to Robert. Bill Champion of Walled Lake will also leave for Great Lakes on Friday with Robert.

Daily Vacation Bible School will be held at the Novi Baptist

Church beginning at 1:30 p.m., July 14, and will continue for the rest of the week.

July 4 and 5, the homemakers class will have an ice cream social on the lawn of the Baptist Church. Serving will begin at 6 o'clock in the evening.

Last Saturday evening, the homemakers class met at the Wm. Martin home on Seven Mile Rd.

Mr. and Mrs. Willis Miller and children, Mr. and Mrs. Harold Miller and family and Mrs. Will Miller, had a picnic supper recently honoring Robert Hildebrandt, brother of Mrs. Willis Miller who is in the service in Japan. The occasion was the birthday of Klaus Miller.

Mrs. Stanley Orezekowski (Jerry Miller) reports that her husband is now on Koge Island in Japan.

Miss Jordan Scothorne attended the Dorian Dance recital at Bentley High School Saturday evening as the guest of one of the pupils, Bonnie Bellinger.

Next Tuesday evening, a program honoring fathers will take place at the Novi Methodist Church beginning at 7:30 p.m.

Mr. and Mrs. Milton Hanks and children of Plymouth, New Hampshire are visiting the latter's parents, Mr. and Mrs. Al Hill.

Mr. and Mrs. Clyde Harmon of Denver, Colorado were Tuesday evening dinner guests of Mr. and Mrs. George Atkinson.

Mr. and Mrs. Rolland Williams and son, Donny, of Lake City spent the weekend with Mr. and Mrs. David O'Leary.

Mr. and Mrs. Rudolph Wendland entertained guests from Lansing, Flint, Rockwood, Detroit and St. Clair Shores who were in town to attend the wedding of their daughter, Doris, and Harry Bowers Saturday evening.

Mr. and Mrs. Luther Rix were hosts to the members of their pinocle club Saturday night. The evening began with a picnic supper.

Mrs. James D. Mitchell and Mrs. Russell Button are attending the Methodist Annual Conference as delegates this week at the Metropolitan Methodist Church, Detroit.

The Novi Methodist Church will announce the date for their Daily Vacation Bible School next week. Mrs. Nella Kenaday, Director of Religious Education in the Ann Arbor District of the Methodist Church, is setting up the school.

State Hospital Elects Patients Committee

The Northville State Hospital on Seven Mile Rd. has established a Patient Committee which will meet with the staff once a week to make suggestions from the patient's point of view about policies which will make the institution friendlier and more responsive to the therapeutic needs of the patients.

This is an innovation in hospital administration and is designed to give the patients maximum opportunity to accomplish things for themselves.

Children's Day Program at W.C.T.S.

The annual Children's Day program will be held on Sunday afternoon, June 22, at 2:30 at the Wayne County Training School, on Sheldon Rd.

Families will visit in cottages until 4:30 p.m. after the performance.

Dr. Robert H. Haskell is Medical Superintendent of the institution.

WEST POINT PARK NEWS

By Miss L. A. Ault

Miss Nancy Varhol, of Shady-side Ave., spent last week-end with Mr. and Mrs. Paul Schmidt in Detroit.

Mr. and Mrs. Joseph Roberts, Mayfield Ave., attended a celebration honoring the fifth birthday of their granddaughter, Mary Kachanek, at the Kachanek home in Inkster, Wednesday, June 11. Mr. and Mrs. Austin Ault and

their daughter, Helen Ruth Ault, of Brentwood Ave., were dinner guests last Sunday of the Reade family, near South Lyon.

At the home of her daughter, Mrs. Raymond Ackerson, of Gill Rd., Mrs. Grace Simpson of Mayfield Ave., was honored at a birthday celebration last Sunday afternoon. Her three daughters, Mrs. Cecil Willett, Mrs. Raymond Ackerson and Mrs. Edward Brugman, arranged the family picnic in her honor. Fifty-five relatives participated.

The Misses Lora and Freda Ault, of Shady-side Ave., had Mr. and Mrs. Robert Hunter and their daughter, Mary Margaret, from Detroit, as Thursday evening guests.

Mrs. Marietta Wyman and her mother, Mrs. Schult, of Shady-side Ave., were both visitors in Pontiac Friday.

Mr. and Mrs. Ernest Tallman, of Mayfield Ave., were visiting their daughter, Mrs. Robert

Laughman and her husband at Mishawaka, Ind., Wednesday. As far as Indiana they were accompanied by Mrs. Lucile Tallman, who had been their house guest for ten days; and who, with her children, Ina Mae and Bobby, continued on to their home in California.

Mr. and Mrs. Albert Hardy and son, Dwayne, of Wayne were the Tuesday evening guests of Mr. Hardy's mother, Mrs. Walter Rehahn, on Mayfield Ave.

Mrs. Edward Brugman, of Mayfield Ave., is spending a few weeks with her sister, Mrs. Raymond Ackerson, who is ill at her home on Gill Rd.

Honoring the graduation of their daughter, Wanda, from Bentley High School, Mr. and Mrs. Homer Coolman held open house following the commencement exercises, at the family residence on Shady-side Ave. Thursday evening.

Mr. and Mrs. Al Grattop, of Mayfield Ave., celebrated their 25th wedding anniversary Wednesday, June 11.

Sunshine Sisters held their regular meeting in the Neighborhood Church last Wednesday afternoon. Plans were made for the annual Mother and Daughter pot-luck meeting, which cooperating with the Neighborhood Bible School, will be held Monday, June 30 at 6:30 p.m. at the Neighborhood Church. Mrs. Ernest Tallman will secure a speaker and special music for the occasion.

Mrs. M. G. Branton, of Brentwood Ave., has her father from North Carolina as her house guest for a month.

Mrs. Virginia Oman and her sister, Helen Ruth Ault, of Brentwood Ave., and accompanied by Lois Reed of South Lyon and Francis Bonar of Northville, were all visitors in Ann Arbor Wednesday.

HISTORIC OLD FORT AMID THE DENSE FORESTS OF MICHIGAN'S UPPER PENINSULA LIES AN ANCIENT FORT BUILT BY THE UNITED STATES GOVERNMENT IN 1844 TO PROTECT EARLY COPPER MINERS. THE FORT IS NOW RESTORED AS A STATE PARK. HIGHWAY 100-41 EXTENDS SOUTHWARD TO FORT MYERS, FLORIDA.

HOW KALAMAZOO WAS NAMED: KALAMAZOO IS INDIAN, MEANING 'PLACE WHERE THE WATER BOILS IN THE POT.' SOME SAY THE CITY WAS SO NAMED BECAUSE OF THE BOILING SPRINGS IN THE NEARBY RIVER—OTHERS BECAUSE AN INDIAN BOAT WENT DOWN IN THE RIVER AND THE BOAT WAS BOILED.

FLOODED FORESTS: NEAR ALPENA IS THE FLETCHER FLOODWATERS, A 9,000-ACRE MAN-MADE POND CREATED BY THE CONSTRUCTION OF THE ALPENA POWER CO.'S DAM. HERE STUMPS AND UNDER-VEGETATION PROVIDE EXCELLENT COVER FOR FIGHTING PIKE AND BASS. ONE OF THE NATION'S UNIQUE FISHING GROUNDS. FISHED HOST TO OVER A QUARTER-MILLION FISHERMEN LAST YEAR.

DO YOU KNOW? THE 'TOUCH SYSTEM' OF TYPEWRITING WAS FIRST EVOLVED BY A GRAND RAPIDS LAW CLERK NAMED FRANK MCURRIN. THIS SPEEDY NEW SYSTEM RAPIDLY SUPPLANTED THE TWO-FINGER METHOD PREVIOUSLY EMPLOYED. IMMEDIATELY SALES OF THE NEW-FANCIED MACHINE SKYROCKETED INTO ONE OF THE WORLD'S MAJOR INDUSTRIES.

MICHIGAN FEATURE SERIES prepared by MICHIGAN TOURIST COUNCIL, No. 46

New Methods Make Northville Homes More Comfortable

The average home in Northville can be made considerably more comfortable on hot days and nights this summer by adopting one or more of six relatively simple and inexpensive methods of eliminating excessive heat, according to Harold Church, of the Nowels Lumber and Coal Company, local lumber and building materials dealer and member of the Public Affairs Committee of the National Retail Lumber Dealers Association.

"The temperature inside the home can be kept from rising to the sweltering point with proper insulation and shade control, while oppressive heat can be expelled from the house with aid of better ventilation," Mr. Church said.

"Suitable insulating materials installed on side walls and between roof or floor joints on the top floor will keep temperatures from rising too high inside the house while the hot sun is beating down.

"In addition, interior heat can be controlled by keeping windows closed and excluding direct rays of the sun with shades or venetian blinds or by installing awnings on the sunny side of the house.

"Open windows or louvers at either end of the space between the roof and top floor will permit the escape of heated air which often rises well above 100 degrees on really hot days and continues to heat the rooms below if it is confined there after the sun goes down.

"When the inside temperature becomes uncomfortable despite these precautions and there is no breeze to cool the house, the heated air can be expelled night or day with ventilating fans properly placed and operated in a window or in an opening in the ceiling just under the roof.

"In some homes, ventilation can be improved by replacing small windows with larger ones, by replacing fixed windows with a type which can be opened, or by adding windows in rooms which do not have cross ventilation.

"Anyone wishing even lower temperatures than are obtained by these methods can, of course, install an air cooling system."

Bill Chase Made Student Prefect

William Chase, son of Mr. and Mrs. William B. Chase of West Eight Mile Road has been presented with one of the highest honors that Cranbrook School presents to a member of the junior class—that of Student Prefect for the 1952-53 academic year.

This announcement was made by Headmaster Harry D. Hoey at the 22nd annual Awards Night ceremony held on Friday evening, June 13 at Cranbrook School in Bloomfield Hills.

Bill's award carries with it a position of authority and responsibility in a dormitory of approximately 40 boarding students at the school, said Mr. Hoey.

In addition to this honor Headmaster Hoey also announces that Chase has been elected by his fellow classmates to the position of President of the School Glee

Club for the forthcoming year. A member of the honor roll, Bill has sung with the Glee Club for the past four years and participated in annual Christmas Pageants, Gilbert and Sullivan operettas which this year was "The Pirates of Penzance" and also sang in the concert at the Awards Night ceremony.

Bill has also participated in many other phases of school life including athletics where he has competed in both wrestling and track.

St. Clair Beach Facilities Free For June 21 Open House Celebration

St. Clair Metropolitan Beach will officially open its second summer season on Saturday, June 21, with an all-day open house celebration and demonstration of its vast recreation facilities.

A water ski show, water polo, softball games by men and women's major league teams, a band concert, tours of the 6,000 locker bathhouse and other facilities, a small craft show and a fleet review are on the day's schedule.

Dick Sligh of Holland, Michigan, holder of national and international water ski titles, and other nationally known amateurs from Michigan's Macatawa Park and Cypress Gardens, Florida, will put on the water ski shows at 11 a.m. and again at 4 p.m. on Lake St. Clair.

Omer Stringer, outstanding canoe expert of Canada and the U.S., will perform at 2:30 p.m. in the small boat basin in the park.

An exhibition softball game by men's major league teams, Pfeiffer's of Roseville and Mt. Clemens' Construction Company is set for 1:20 p.m. and women's major league teams, Hi Dawson and Del's Co-eds, both of Detroit, will play at 2:30 p.m.

A colorful highlight at 3 p.m. will be the Fleet Review in which some 80 cruisers and sailboats are expected to compete for the title of best-dressed ship. Commissioners of the Huron-Clinton Authority will serve as judges, awarding first, second and third prizes.

There will be supervised games and other special events for children, with headquarters at a huge Indian tepee where a costumed "Indian Chief" will preside. Turtling racing is a new feature this season to entertain young and old. Up to 30,000 persons can be accommodated at one time without crowding at the 550 acre park which has surfaced parking for 6,000 cars, a 6,000 locker bathhouse, food bar to serve 10,000 daily, and 55-acres of sand beach more than a mile in length.

The United Nations Civil Assistance Command in Korea has provided civilians in U.N. administered territory with nearly two million tons of relief supplies, (food, clothing and medical supplies), in addition to fuel, raw materials, fertilizer and manufactured items.

Latest Medical Achievements to be Televised

Over 600 local radio stations from coast to coast, with an estimated potential listening audience of more than 9,000,000, are scheduling for broadcast during the summer months "The Endless Frontier", a series of five half-hour documentary programs dramatizing latest achievements in medical research and produced by Health Information Foundation of New York City.

Raymond Massey, noted radio, stage and screen star, is narrator of the series which was originally broadcast earlier this year by 100 National Broadcasting Company stations as a joint NBC-HIF presentation. Ben Grauer announces the series.

Stressing the teamwork of research workers, chemists, scientists, drug manufacturers, doctors and countless others, "The Endless Frontier" includes "Our Daily Bread", a program on nutrition; "They Are Not Alone", on cancer; "The Troubleshooters", cortisone; "Only One To A Customer", heart diseases, and "Pfc. Bill Smith, Man Alive", on new medical and surgical techniques developed on the Korean battlefield.

Australian Astronomers to Map Southern Heavens

The work of making a new map of southern hemisphere heavens will soon begin at Australia's Mount Stromlo Observatory near Canberra, under the direction of Professor R. v.d. R. Woolley.

Among the scientists who will participate in the task are astronomers from France, England, Germany, Russia, Poland, New Zealand, Australia, Sweden and the United States of America.

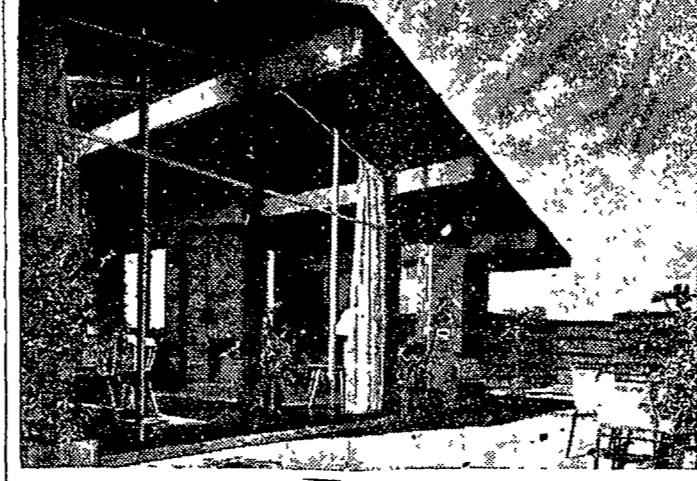

Work on a northern hemisphere map, already under way at Mount Palomar Observatory in California, is expected to be completed within three years. When the task is to be done at Mount Stromlo is added, astronomers believe they will have been able to map about 1,000 million stars, as compared with 3,000 which can be seen by the human eye at any one time.

Rotary to Aid Pupils of 34 Countries

Rotary International is to award 109 scholarships during 1952-53 to enable students from 34 nations to study abroad for a year in Europe, Asia or North or South America. They will stay with Rotarians, studying industrial and other techniques and visiting various parts of their hosts' countries.

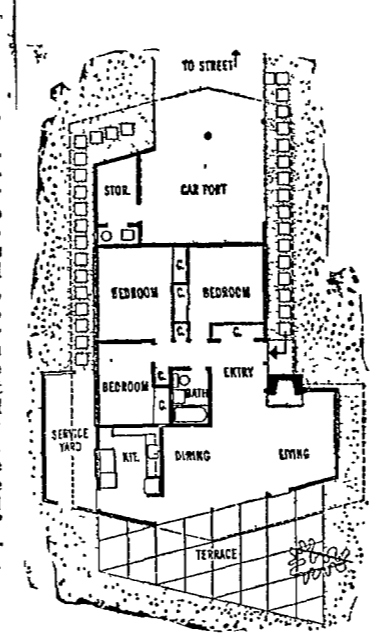

These scholarships were inaugurated in 1947 with the aim of fostering international understanding, goodwill and peace, and over 400 have already been awarded.

Small House with Custom Touches

This house on a typical suburban lot can be bought complete, except for fences, for \$14,000 in the San Francisco area. It has 1,114 sq. ft. of enclosed space, and its features include paved terrace, fenced service yard, private garden, storage room, double carport, and completely equipped kitchen. The price is based on quantity production by the builder. On your own lot it would cost about \$16,000, and in other parts of the country an additional 10 percent for a larger heating plant and more insulation. As shown in House Beautiful magazine's special issue "Guide for the Bride," this house is completely fabricated of wood and plywood on a concrete slab floor.

Services Held at OLV Church

Services were held Friday, June 13, for Mrs. Mary A. Wilcox, 203 West Cady St., who died on Tuesday, June 10. The Rosary service was held Thursday, June 12, at the Casterline Funeral Home. The Friday services were conducted in Our Lady of Victory Church with burial in Rural Hill Cemetery.

Mrs. Wilcox, who was born on Jan. 14, 1873 was 79 years old at the time of her death. Her parents were the late George and Catherine Oswald of Brownsville, Texas. Her husband, Fred P. Wilcox, preceded her in death.

Mrs. Wilcox had lived in Northville for 58 years and was a member of the OLV Altar Society. She is survived by three sons, Charles of Northville, Kenneth of Dearborn and Oswald of Cape Grendary, two daughters, Mrs. Marie Maltberger of San Antonio, Texas, and Mrs. Kathryn Herbert of Birmingham; and three sisters, Mesdames Anna Franks, Bessie Schmidt and Eva Cramer, all of San Antonio, Texas.

Try a new egg dish. Devil eggs in your usual way, heat them in a double boiler on a cheese sauce or a well-seasoned cream sauce as they are served.

MEXICAN COMMISSION SETS TEACHING QUOTA

A National Youth Commission which aims to teach 3,000,000 people a year to read and write has been set up in Mexico as part of the country's anti-illiteracy campaign. The Commission will concentrate mainly on boys and girls who do not go to school.

Expect Surge in Motoring Vacations

If spring requests for travel routings mean anything, the nation's tourist industry is headed for a record-breaking 1952 season, according to Harry N. Rogan, travel manager of Automobile Club of Michigan. The 1952 Memorial Day travel was huge—it indicates more travel than ever this year.

One reason for the upswing in motoring vacations, says Rogan, is that a record 42 million U.S. workers will receive paid vacations during 1952. And the public is expected to spend \$12 billion on travel within the nation's borders. Still more will be spent on trips to foreign soil.

Some 80 percent of all vacations this year will be taken in the family automobile, according to Auto Club surveys. Only 14 percent of motoring vacationers will travel 2,000 miles or more, but a whopping 49 percent will top the 600 mark. The remaining 37 percent will stick with short trips which leave them maximum time at their destination.

Motor Courts Popular
A surprising 66 2/3 percent of those motoring will stay overnight in motor courts, while only 16.2 percent of this business will go to commercial hotels. Friends and relatives will put up 12.1 percent of the travelers overnight, while five percent will stay in tourist homes.

If Rogan's estimates are correct—and they've proved conservative in the past—Grand Canyon will cater to more than 700,000 visitors this year. The Blue Ridge Parkway was driven by 2,500,000 persons last year and expectations are for 3,000,000 during 1952.

Millions at Yellowstone
Yellowstone reached a peak of a million visitors in 1951 and no drop for 1952 is anticipated. Some 93 percent of the 2,010,000 persons who will arrive in

Local Musician Takes Waring Workshop

Among the 300 persons from Michigan and other Midwestern states who will take part in the Fred Waring Choral workshop to be held at Michigan State College, July 21 to 25, will be Clarence A. Luchtman of 551 Orchard Dr.

Mr. Luchtman is director of music at Bloomfield Hills High School.

The workshop will be directed by Waring with the help of several of his famous "Pennsylvania" staff members. It will consist of about 40 hours of "classroom" work designed for choral directors, music educators, church choir directors and amateur musicians. Areas covered will include choral techniques, program building, rehearsal procedure and problems of balance and arrangement.

The Michigan State Program is one of five which will operate this summer in colleges and universities throughout the country.

Great Smoky Mountains National Park this summer and fall will drive there.

A heavy summer business in Florida is certain. Tourists arriving there in the summer have increased by leaps and bounds each year for five years and 1952 will be no exception. Rates will be cut drastically as usual, with \$24 rooms going for as little as \$8 per day.

NOTICE

Take notice that the Township of Novi offers the following described premises for sale to the highest bidder:

Novi Twp. Building and Land.
Lot 15 of Supervisor's Plat No. 3, T. 1 N., R. 8 E., Sections 15 & 22 of Novi Township, Oakland County, Michigan.

Sealed bids accompanied by a deposit of 10 percent of the offering price may be submitted to the Township Clerk at the Township Hall and shall be received up to 8:00 p.m. July 7, 1952.

The Township Board reserves the right to reject any and all bids if in the opinion of the Board such bid or bids do not represent the fair value of the premises.

In the event the Board accepts an offer submitted, the balance of the offering price shall be paid to the Board within fifteen days after notice of acceptance. Failure to tender the balance within such fifteen day period shall result in forfeiture of the deposit.

This action is taken pursuant to a vote of the electors of Novi Township held on April 4, 1949, and a resolution of the Novi Township Board adopted at a meeting of said Board on June 2, 1952.

Bids to be opened at a regular meeting of Novi Township Board, Monday, July 7, 1952 at 8:00 p.m. Dated: June 12, 1952

Earl Banks,
Novi Township Clerk

ELECTION NOTICE
for
ANNUAL SCHOOL ELECTION
NOVI SCHOOL DISTRICT NO. 8
JULY 14, 1952

The annual school election of Novi School District No. 8, Novi Township, Oakland County, Michigan, will be held at the Novi School on July 14, 1952 for the purpose of electing two trustees for terms of three years each.

Candidates for the office of trustee must file nominating petitions with the Secretary of the Board of Education not later than 4:00 P.M. on June 14, 1952. Each petition must be signed by not less than fifty or more than seventy-five qualified registered school electors of the district. No elector shall sign the petition for more candidates than are to be elected.

Blank nominating petitions may be obtained from the Secretary of the Board of Education or from the Superintendent of Schools.
(Signed) **JAMES D. MITCHELL**,
Secretary

ITS ENGINE ADDS MUSCLE TO EVERY DROP OF GAS!

To many owners, the mighty 180 H.P. V-8 engine that powers the Chrysler New Yorker is the most remarkable feature of this remarkable car. It is certainly the most discussed automobile engine in many, many years.

This is the engine with hemispherical combustion chambers... the engine that gets more power out of every drop of gas. And non-premium gas at that!

Actually, it puts you in control of more power than you'll probably ever need use. You'll sense this... together with its unequalled response... the very first yards you drive. It runs smoother, more quietly, and with less wear than any other engine ever built into an American automobile.

...and it makes driving (both cruising and the short runs) more fun than you have ever known it to be!

But that's not all. Along with this engine there are scores of other reasons, too, for driving a New Yorker before resolving on any new car. Like Full-time Power Steering that makes steering five times easier... and your control five times greater... than in ordinary cars. Like Power Brakes that cut needed pedal pressure by as much as two-thirds.

Like Oriflow shock absorbers that make even bad roads feel "newly paved"... restful chair-high seats... big, wide-opening doors... big windows that let you see more.

It's true... until you drive a Chrysler New Yorker you won't know what you're missing. Why not stop in today?

Girl Scout News

Day camp will start June 19 for Brownies and Intermediate Girl Scouts who have registered. Scouts are to meet at the Novi School at 8:30 a.m. daily, where a bus, provided by the Novi Board of Education, will transport the girls to the camp.

Girls should bring a nosebag lunch for the first day. For any further information, telephone Mrs. Mae Skellenger at Northville 995-J3.

Any ladies who would like to participate or help at Day Camp should come to camp at the same time as the Girl Scouts and Brownies.

Coat each venetian blind slat with wax to help prevent dust collection, recommend Michigan State College home economists.

Official Kensington Park Naturalist Offers Chance to 'Get Down to Earth'

William F. Hopkins of Ann Arbor, trained naturalist, joined the staff of the Huron-Clinton Metropolitan Authority as official naturalist for the summer at the Authority's five parks, effective June 15.

A former National Park Service forester and former director of the Necedah National Wildlife Refuge in Wisconsin, Hopkins will lay out nature trails and label specimens and, after July 4, be available to organized groups for nature talks and hikes.

"This is an important step in our program to encourage city folk to get their roots in the soil," Kenneth L. Hallenbeck, Authority Director, said in announcing Hopkins' appointment.

"During this first season, the naturalist's time for work with groups will be limited as he lays out the trails and prepares information of flora, fauna, geology, and historical background, so that he will concentrate most of his time at Kensington Metropolitan Park," Hallenbeck said.

Work with day camp groups, particularly those from city settlement houses which do not otherwise have naturalist services will occupy the majority of Hopkins' time this first season. Arrangements for his services may be made through the main office of the Huron-Clinton Metropolitan Authority, 1750 Guardian Building, Detroit 26, Telephone Woodward 1-5865.

In planning meals give attention to variety. Avoid all hot or all cold foods and try to include as many colors as possible. Do not repeat a food in the same meal—such as tomato soup and tomato salad.

Draft Board Work Earns F. Cochran 10-Year Award

Fred J. Cochran, 41131 E. Eight Mile Rd., is one of five members of Local Selective Service Board 102, in Plymouth, to be honored by voluntary contribution of his services. Mr. Cochran is Government Appeal Agent of the board.

Others to be honored are John L. Mokorsky, Inkster, board member and three medical advisors: Frederick E. Bentley, M.D., of Plymouth; Elmer A. Goerke, M.D., of Romulus; and Herbert F. Robb, M.D., of Belleville.

Heroes Without Medals
The "heroes without medals," Selective Service board members and their associates who have contributed voluntarily of their services to the operation of the draft for more than a decade, will be honored by the Michigan Selective Service System at the conference and dedication program to be held Sunday, June 22 at the J. W. Sexton Auditorium in Lansing.

Major General Lewis B. Hershey, national director of Selective Service, will give the principal address at the ceremony. Lawrence L. Farrell, executive secretary for Governor Williams will present certificates of commendation to the Michigan Selective Service veterans.

These men aided the rapid build-up of the nation's armed forces during World War II. They are repeating the assignment on a much smaller scale for the current emergency. All local board personnel, except office clerks serve voluntarily without pay.

During World War II the Michigan Selective Service System supplied more than 420,000 men for the nation's armed forces. During the current emergency, Michigan draft boards have inducted more than 50,000 men for military service.

Testing and constant use in Michigan State College household equipment laboratories have proved that plastic varnishes and sheet coverings will produce easy-to-keep surfaces that repel many stains or heat discolorations.

Dr. Steininger Calls New TB Drug, "Isoniazid" Aid But Not 'Cure-All'

Value of the newest TB drug, "Isoniazid," cannot be judged yet, but "it is far from being a 'cure-all' for TB," the Michigan Tuberculosis Association's 44th annual meeting at the University of Michigan was told late last week.

Michigan experiments with the new drug indicate that its best promise may be in combined use with other agents, such as streptomycin, according to Dr. W. J. Steininger, Northville, senior physician at Maybury Sanatorium; Dr. Joseph Eggle, Gaylord; and Dr. C. J. Stringer, Lansing.

The three doctors told the Michigan Tuberculosis Association audience that the new drug does not substitute for any present method of TB treatment.

"Michigan Firsts"
Dr. Henry Vaughan, Dean of the University of Michigan's School of Public Health, told of "Michigan Firsts" in public health and tuberculosis work, revealing that the fight against the disease was started in Michigan before the turn of the twentieth century.

Pledging themselves by formal resolution to "teamwork," most of the state and community leaders attending the meeting endorsed proposals to "take stock" of some current TB programs, particularly those concerned with finding unknown TB.

Mass Chest X-Rays
It was pointed out that in present mass chest X-ray efforts, only about 2 out of 10 adults bother to stop by for a chest check-up. This attitude is one reason so much TB in Michigan is discovered only after it reaches advanced stages, and is more expensive and more difficult to cure, the conference was told.

In the Michigan State Medical Society's "Formula For Freedom," Dr. L. Fernald Foster, Bay City; Dr. James Doty, Lapeer; D. Hale Brake, Stanton and Hugh Brenneisen, Lansing, emphasized that: 1) the individual must take responsibility for himself in a free society; 2) the individual must recognize and assume his basic responsibility as a part of a free society; 3) the individual must guard himself against the tyranny of bad government if the society in which he lives is to remain a free one.

12th Century Bride Had Own Styles

June brides may be interested in learning that a famous 12th Century Mongol beauty was also married in a long, white dress, but nobody is likely to copy the style, especially in hot weather.

The BOOK HOUSE FOR CHILDREN reports that the dress was made of heavy felt, and the headdress of the bride was a cone of birch bark covered with treasured silk and supported over each ear by whirled braided hair, into which had been worked a profusion of tiny statues and silver coins.

The name of the bride? Bortai. Of the bridegroom? The mighty Genghis Khan!

German Teacher Visiting Northville

A twenty-six year old German school teacher visiting in Northville summed up her reactions to the United States and its people this way: "German and United States methods and habits differ in many ways, but of one thing I am sure; people are basically the same all over the world."

The teacher, Miss Brigitte Scholz, whose home is Lankwitz, a suburb of Berlin, Germany, is visiting the United States under auspices of the Fulbright Act, and is here to observe teaching methods and the democratic system at all levels.

Miss Scholz laid most of the blame for misconceptions about the United States at the feet of newspapers, both here and in Europe. "They all exaggerate," she said. "Newspapers always over-emphasize everything sensational." To bolster her argument, she said that a letter from her parents in Lankwitz stressed that the recent riots there were not nearly as bad as newspapers claimed.

Miss Scholz, a red-headed, vigorous young woman, has spent two weeks in Northville as guest of High School Principal and Mrs. Elroy V. Ellison. She plans to leave tomorrow, June 20, for the summer session at the University of Wisconsin. She arrived at New York on Jan. 30 and has since been at the George Peabody Teachers College in Nashville, Tenn.; Cedar Rapids, Iowa; Waukesha, Wis.; and Washington, D.C. She will round out her tour in Portland, Maine, until October, when she will return to Germany.

"Fortunately," she said, "I will have a job when I return." When questioned about this, considering the shortage of teachers in the United States, she said, "A great many of the seat, in the universities in Berlin are filled by displaced persons. They have first choice, then Germans are allowed to matriculate. Sometimes we have to wait one or two or three years before we can enter a university."

Miss Scholz was quick to admire the resources and equipment at the disposal of schools in the United States, but was surprised by the fact that students very often disagree with teachers and are not slow to argue points of disagreement in and out of classes. But she smiled and agreed that the United States version of democracy is largely built on the individual's right to disagree, to argue, to point out another way or different solution.

Then she asked the question which, she said, is in the conversation every day of all Germans and most of Europe, a question which apparently has no answer at the present: Now that the Russians control the Eastern sector of Germany, does anyone ever expect them to leave, short of expulsion by war?

Generally fat fishes such as salmon or shad should be baked or broiled because the fat content will keep them from drying out. Lean cod or haddock, on the other hand, are best steamed or boiled.

Ice cream mixture will taste less sweet after it is frozen in your hand-turned freezer, so add sugar accordingly.

Biggest car buy in History

Never before has a car given you so much for the money!

Ford's 101-h.p. Mileage Maker Six with free-turning overhead valves, is the newest high-compression, low-friction Six you can buy. Ford's 110-h.p. high-compression Strato-Star V-8, is the most powerful engine in a low-priced car.

Ford's New Automatic Ride Control brings a smoother, "heavy car" ride into the low-price field. Its many new features like diagonally mounted rear shock absorbers and new springing take bounce out of bumps, tilt out of turns.

Yes, Ford's the very first car in America to give you so much style, so much comfort and so much power for the money. Only Ford in its price class is completely new in looks, for example, with wider, longer, stronger bodies... with new Full-Circle Visibility that lets you see in all directions... and with a new steering system that makes steering easier, parking a cinch.

White sidewall tires optional at extra cost.
Equipment, accessories and trim subject to change without notice.

Chief Operator Margaret M. Halligan (left) and Operator Frances Malkiewicz, of Detroit.

A call traced—a life saved

One Monday morning recently, Telephone Operator Frances Malkiewicz of Detroit saw a flashing green signal caused by partial dialing. She plugged in and asked the customer for the number being called. But all she heard were moans from the other end of the line.

Frances quickly rang for the Chief Operator, Margaret M. Halligan, veteran of 38 years of telephone service. Margaret asked

the customer for her address, but, finding her unable to talk, had the call traced.

Within a short time, police arrived at the customer's house, found that Mrs. David C. Fearn had been stricken ill. A physician was called immediately.

Later, the doctor paid tribute to the alertness of Chief Operator Margaret Halligan and Operator Frances Malkiewicz in helping to save Mrs. Fearn's life.

MICHIGAN MIRROR

NON-PARTISAN NEWS LETTER

There are no reports that any State legislator received a speeding ticket while hurrying to Lansing Tuesday for the last regular session. They'll probably be travelling considerably faster when they head for home next week.

For legislative duties have cooked up unusually severe headaches this term. Solons will be glad to call it quits sometime around a week from today.

As in many Michigan homes today, finances are causing furrowed brows.

Like John Q. Public and his family, legislators are faced with the problem of balancing income and expenses. There are only two ways to do that: Cut your expenses or raise your income.

HERE'S AN OVER-ALL PICTURE of what Michigan legislators are up against.

Then listen to what State Treasurer D. Hale Brake says about the tax situation.

Cutting expenses is simpler in theory than in practice.

For example: 78 per cent of state sales tax revenues are automatically returned to home governments—schools, cities and townships—under a twice-ap-

proved constitutional amendment.

FACED WITH A DEFICIT OF \$50 to \$60 million by July 1, the legislature has to save or increase its income—\$30 to \$40 million.

Such savings would have to be made from one or all of the regular accounts which represent Michigan's expenditures:

General Government, operating offices, cost of the legislature, civil service and retirement, takes \$12.5 million a year. Education takes \$154 million appropriated money.

Public Health needs \$13.77 million and Mental Hygiene, after years of neglect, costs \$38.28 million. Public Welfare costs \$54.4 million.

Safety and Defense (state police and National Guard) at \$8.6 million; Audit Corrections (that's prison, pardon and parole setup) at \$10.6 million. Conservation, Recreation and Agriculture at \$6.69 million are essential as bread and butter.

Debt Service (to pay off our bonds) takes \$14.49 million and Aeronautics grants of \$287,000 brings the total budget for '52-'53 to three hundred thirty million dollars, \$330,000,000!

Estimated income for that period is \$303 million.

John Q. Public can cut his expenses by putting his family on a diet of hog jowls and barley grits. But they wouldn't stay healthy... or happy... very long.

These basic public services might be cut drastically, too. But it's debatable how healthy gov-

MICHIGAN OUTDOORS

with MORT NEFF

OPEN SEASON FOR CAMERAS

If you had a penny for every foot of film exposed to Michigan Outdoors this summer you'd have a corner on most of the copper in the country! However, if you got the penny for only every good picture taken you'd still have to worry about the high cost of potatoes along with the rest of us! Yet a very small amount of application on the part of the snapshotter or movie maker can turn a dull shot into something glamorous.

Color Versus Black and White

There are two very different techniques employed in outdoor photography—one for you color fans, and the other for ordinary black and white "snapshot-bugs." Color film is pretty expensive by comparison to ordinary black and white rolls, so you're inclined to take more pains in your picture making. And the finished product, whether it's an actual color print or a transparency, can be a thing of beauty—or a sorry waste of money! To get anywhere near the proper relation to actual colors in nature you must have almost perfect EXPOSURE! Don't depend on your eye to judge light values when you're setting your camera. The best photographers in the world—with thousands of hours of shooting experience—always use a meter. It may cost as much as \$30—but it will always protect your investment in color film—and you'll bring home pictures you're proud to show.

Natural Photography

Natural photography is the art of filming people and places as they really are, and not as they pose! Whether you're taking movies or stills, catch your subjects while they're talking, making the camp fire, cleaning the big fish, or just walking ahead of you down a lovely trail. People's backs make good pictures, too, with the proper surroundings. Next time you put a fresh roll of film in the camera concentrate on this point of natural photography—and next week let's talk about a big word that's easy to handle through the Master viewpoint—composition. Master this in a couple of easy lessons and you'll bring home golden moments in Michigan Outdoors every time!

Mort Neff's "Michigan Outdoors" television show may be seen every Thursday at 10:15 p.m. on stations WWJ-TV, Detroit and WJIM-TV, Lansing.

Salem Township Voters Defeat Zoning Ordinance

Property holders in Salem Township defeated the zoning ordinance adopted by the township board last winter at the special election held Tuesday, June 9.

About one-third of the registered voters of the township turned out to cast their ballots in the election which had been called for by a petition of the property holders.

The ordinance was defeated by a vote of 172 to 101. There are more than 800 registered voters in Salem Township.

Maybe money talks, but ours just seems to sneak off when we are not looking.

Next to being shot at and missed, nothing is quite so satisfying as an income tax refund.

new taxes, serious curtailment of (public) services would bring vigorous protests.

So, when the legislature adjourns next week (if it can really push all pending legislation to a final vote by that time), lawmakers will be glad to get away from the whole mess for a while.

If one of the solons speeds through your town on his way back home, don't blame him. Just sympathize with his problem of making two plus two in income equal two plus three in expense.

AMERICA LAUGHS!

There is a time to laugh and a time to cry. There is a time for joking and there are times to be serious. I ran across an article the other day entitled "America is Laughing Itself to Death". These are some of the statements made by the author and passed onto you for consideration. "Everywhere you go, hillboards shout at you; hilarious... funniest comedy of the year. Entertainers seem to feel that America would only collapse in a paroxysm of mirth, all our problems would be solved. At a Washington cocktail party some top government officials stand in the corner, glasses in hand, planning the defense strategy. Around them, partially drowning in their conversations, is the hollow laughter of men and the shrill cackling of the sophisticates. One tells of having lost his shirt at the race track. He makes it sound funny, and all the listeners laugh. Whether we believe it or not, America finds sin hilariously funny. But we are not the first nation. Babylon saw it that way, and the hand writing came on the wall. Rome saw it that way, and faded from power. Now America laughs at sin, and I see the handwriting on the wall. Today all around us there seems to be an absolute absence of heart-felt sorrow for sin."

WWJ-TV Program to Aid Voters

"If our government is by the people, then the people must get information about our government," is the promise behind "This Year of Decision," WWJ-TV Detroit's newest election year program.

Opinions of experts on political, governmental and economic questions will be expressed in a weekly round-table moderated by Ted Grace and sponsored by the magazine "Inside Michigan." The half-hour program started Tuesday, June 17, at 7:00 and will be telecast simultaneously over WJIM-TV, Lansing, and WKZO-TV Kalamazoo.

"Inside Michigan" makes no bones about its reasons for sponsoring the three-station telecast. "It is incumbent upon us," quotes an editorial in the June issue, "to know the problem, to support independent periodicals of information and education, and to encourage Congress to curb propaganda and to reveal the truth of government operation."

The magazine names specific instances of suppression of information; such as the Yalta

STATE OF MICHIGAN—County of Wayne,

vs. \$99,911

At a session of the Probate Court for said County of Wayne, held at the Probate Court Room in the City of Detroit, on the eleventh day of June, in the year one thousand nine hundred and fifty-two.

Present JAMES H. SEXTON, Judge of Probate.

In the matter of the estate of George B. Starr, deceased.

On reading and filing the petition of Gladys Maule Holts praying that administration of said estate be granted to herself or some other suitable person. It is ordered, That the fifteenth day of July, next, at ten o'clock in the forenoon at said Court Room be appointed for hearing said petition.

And it is further Ordered, That a copy of this order be published once in each week for three weeks consecutively previous to said time of hearing, in the Northville Record, a newspaper printed and circulated in said County of Wayne.

JAMES H. SEXTON, Judge of Probate.

ANOTHER SUCCESSFUL DAIRY FARMER SAYS:

"GO ELECTRIC"

WHEN YOU BUY A WATER HEATER

Cleaner utensils keep bacteria count low and milk sales high.

Lloyd Morrison, near Peck, owns one of the most efficient milk houses in Sanilac County. And of course, his water heater is electric.

Without work or worry, fuel or flame, he has a full tank of piping hot water every day to speed up dairy chores and to keep his equipment in spotless condition. Economy is another big reason for going electric. Edison's special water heating rates are low. And the cost per gallon is even less when (like Mr. Morrison) you have two electric water heaters: one in your milk house and another in your home.

Better see your plumber, appliance dealer or Edison Farm Service Advisor tomorrow.

Good wiring is always important. So always ask your Farm Service Advisor for his recommendations.
