Community House Pays Big Dividends for Birmingham

By Taylor Ball

Birmingham's investment of \$120,000 in a Community Building in 1929 has paid big dividends in service to boys and girls, elderly men and women, and group organizations of all kinds for more than 20 years. As a civic "investment," it has been one of the best the city has ever made.

Hammond Elected Legion Commander in 17th District

Two past-commanders of Northville's Lloyd H. Green Post 147, the American Legion, were elected to posts in the revamped 17th District in voting at the Redford Township Legion Hall on Beech Rd. July 2.

Oscar Hammond, of North Center St., was unanimously elected first commander in the reorganized 17th Congressional District, and Paul Burnham, of Eight Mile Rd., was chosen sergeant-at-arms by delegates from the district's seven Legion posts. They will take office in September and serve for one year.

Mr. Hammond has been Dis-

Oscar Hammond

trict Historian for two years and was District Americanism Chairman for three years previously. He also served two years on the marksmanship committee for the Department of Michigan. The new District Commander was commander of the Northville Legion post in 1945-46 and is a veteran of World War I.

Mr. Burnham, a World War II veteran, is now commander of the Northville post, but will be succeeded by Commander-Elect Conrad Springer in September.

Other officers elected by delegates are William Langmaid, Plymouth, senior vice-commander; Clement Cranlee, Redford Township, junior vice-commander; Mel Allen, Redford Twp., chaplain; George Shannon, Redford, finance officer, and Mason Diberson, Redford, historian. Mr. Hammond appointed Chet Brown, Rosedale Park, as adjutant.

Birmingham Community House - The "House With a Heart"

Located in the heart of Birmingham, Mich., the public-supported Birmingham Community House has become the focal point for almost all of the city's group activities. Use of the building is free for civic, educational and union organizations.

So states Mrs. Velma Isley, who has been its director for the past six years. If proof of the truth of Mrs. Isley's assertion is needed, it is to be found in the fact that more than 4,000 persons, groups and business places contributed to its budget drive for operating funds last year. "No community institution would be able to get such support if those who live in the area did not realize the importance and value of its contribution to community life and happiness," she states.

The Birmingham Community House, in Birmingham, Mich., called the "House with a Heart," closely approximates the conception of what a community house should mean. It is operated, strictly for community activities and, in sharp contrast to Northville's conception of a community house, it has absolutely no tie-in with the city schools.

Wide Variety of Uses

It was used last year by more than 160,000 residents of Birmingham and its neighboring residential areas of Franklin, Bloomfield Hills, Wing Lake, Beverly Hills, Southfield and Troy Townships.

Three hundred twenty-five different groups held 2,839 meetings in 1951, and 34,446 people ate meals at cost. There were 602 luncheons, teas, banquets and dinner groups. Six hundred sixty-five adults enjoyed fun and education in ceramics, painting, sewing, gardening, jewelry, weaving and other classes paid for by fees which covered only the cost of having competent instructors and partial overhead.

More than 16,000 teen-agers held 369 meetings in the Ranch Room, which has informal dances, sandwiches and soft drinks, television and ping pong.

Sickroom supplies such as wheelchairs, hospital beds, crutches were loaned out and returned 131 times without charge.

Equipment Borrowed
People borrowed entertainment equipment such as punch bowls and cups, tables, and chairs 146 times at a nominal charge to cover breakage.

More than 7,000 part or full time workers applied for work—almost that many persons called for assistance—and more than 4,000 placements were made. And all without charge.

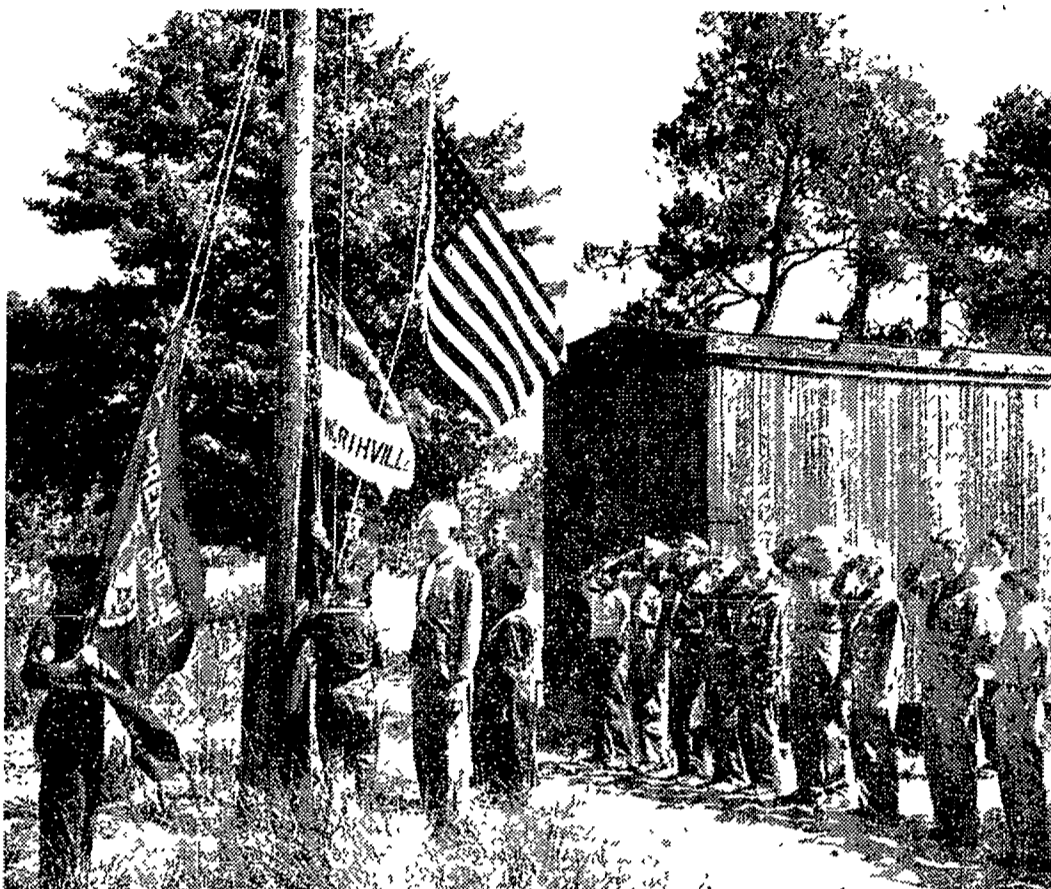

Last year's budget was \$44,500, of which \$5,000 was raised through small rentals charged to money raising groups, wedding receptions and private parties for use of the building. More than 4,000 persons, groups and business places contributed to the roll call subscription drive.

All Groups Use Building
Mrs. Isley said that it has become headquarters for almost every organized activity in the Birmingham area and serves such diversified groups as Boy and Girl Scouts, women's clubs, the Veterans of Foreign Wars and all of Birmingham's service organizations.

The "community building" idea originated in the 1920's with a small building on Maple St., sponsored by the St. James Episcopal Church. When activities and use of the building increased

Lowering of Flag Signals End of Busy Day for Scouts

Northville Boy Scouts stand evening "retreat" at their Summer Camp at East Tawas, Mich. The camp session, scheduled for July 7 to 21, was shortened by two days when Camp Director Monroe Weston said that the bus will return to Northville between 10:30 p.m. and midnight Saturday night, July 19. The photo was taken by Eagle Scout William "Bud" Cansfield who drove north to the camp Sunday.

Open House to Honor Rev. Father Heraty

An open house honoring the new pastor of Our Lady of Victory Parish, the Rev. Fr. Anthony J. Heraty, will be given on Sunday, July 20.

The Ladies Aitar Society is sponsoring the event which will be held from 7 to 9 p.m. in the new parish school.

Mrs. Harold Schultz and Mrs. Joseph Gill are co-chairmen with the reception committee composed of Mrs. Mary Marburger, Mrs. Monroe Weston, Mrs. Arthur Heslip and Miss Pamela Kohler.

Township Clerk Has Absent Ballots for Servicemen

Servicemen and women do not have to apply directly for absentee ballots to vote in the Aug. 5 primary election, said Northville Township Clerk Fred W. Lyke.

The ballots may be mailed to the servicemen or women by their fathers, mothers, sisters or brothers, who can obtain them from Mr. Lyke.

Township clerks in Wayne County were appointed as deputies by County Clerk Edgar M. Branigan at a meeting Tuesday, July 8, and authorized to release the ballots. Mr. Branigan also declared that the ballots will be honored even through the servicemen or women are not registered locally, said Mr. Lyke.

Absentee ballots may be obtained from Mr. Lyke at his residence, 430 E. Main St. He said that several servicemen had already sent cards requesting ballots, as have teachers and other residents who will be away from the township at the time of the election.

Change in Zoning Hearing Delayed

Hearing of the Glenn C. Long petition for a change in the Northville village zoning ordinance to permit continuance of his plumbing business in Oakwood subdivision and erection of a one-story warehouse building facing on Beech St. in a neighborhood presently zoned for residential use was postponed by the Village Planning Commission until Aug. 26.

The delay was granted at the request of Mr. Long's attorney, Clifton D. Hill, on the ground that the subject was of such importance to his client that it should be decided by more than the quorum of five planning commission members in attendance at the meeting. Those present and voting in favor of postponement were T. R. Carrington, president; Carl Ely, Charles Murphy, Preston Fuller and George Zerbelt.

Absent were Harry Wagenschutz, Joseph Hoehl and Ernest Ebert.

Mitchell, Crawford Are Elected School Trustees in Novi

James D. Mitchell was re-elected and Jack Crawford was elected to the Board of Education of Novi School District No. 8 in voting Monday at the Novi Township Community Building. Only 99 ballots were cast, of which six were declared invalid. The newly-elected trustees will serve three-year terms ending June 30, 1955.

Eighty-one electors voted for Mr. Mitchell, 71 for Mr. Crawford, and 30 for Robert C. Skellenger, the third candidate in the election. Mr. Mitchell succeeded himself on the five-man board. The other position was vacated by Robert Davis, who did not run for re-election.

Board officers will be named within five days of the election.

Village Band Plans First Summer Concert

The first summer concert by the Northville High School and Community Band has been set for Tuesday evening, July 22, in the Village Park, announces Leslie G. Lee, director.

The concert, which will begin at 7:30 p.m., will be the first in a series of four concerts to be given during the next four weeks. During that time an exchange concert with the South Lyon Band is being planned, said Mr. Lee.

The program for this first concert includes: "The Conqueror," "In a Monastery Garden," "South American Holiday," "Mexican Hat Dance," "Estrellita," "Ampauto Roca," "On Top of Old Smokey," Selections by Cole Porter, and "High School Cadets."

Scouts to Return Early from Camp

The Boy Scouts at the East Tawas Summer Camp will return two days early, said Ernie Ebert, committee chairman for Troop N-1.

Mr. Ebert reported that Monroe Weston, camp director, had phoned him that they would return Saturday, July 19, instead of Monday, July 21. Mr. Weston said that the bus would leave East Tawas at about 5 p.m. Saturday and arrive in Northville not earlier than 10:30 p.m. or later than midnight that night.

The Summer Camp session began July 7 and is attended this year by 56 boys.

\$300,000 Goes Up in Smoke

Charles H. Simpson, of Detroit, examines twisted film canisters which were destroyed in an explosive fire Sunday night which blew out the roof and walls of his film storage warehouse on W. Eight Mile Rd. near Pontiac Trail.

Warehouse, \$300,000 in Movie Film Destroyed Sunday Night in Blaze

An explosive fire which raged out of control for more than four hours destroyed a motion picture film storage warehouse seven miles west of Northville on Eight Mile Rd. Sunday night, with loss estimated by the owner at \$300,000.

The roof and two walls of the two-story structure were blown out as heat and flames set off repeated explosions as they reached 14 steel-doored vaults in which the film was stored.

The combined fire-fighting equipment of Northville, New Hudson, South Lyon and Salem Township could not put out the celluloid-fed blaze. Water began to slow the fire about midnight after it had burned out almost all

Truck Traffic Regulation Becomes "Hot" Problem

"City" Committee Seeks Legal Advice

Authority to employ legal counsel to guide the Committee on City Incorporation in its steps to bring about a vote on making Northville a city will be asked of the Village Commission next Monday evening by Dr. L. W. Snow, committee chairman. Simultaneously, he will report on tentative boundaries which the committee has set for the proposed new city, together with reasons for including territory not now inside the village limits.

The Committee's decision to ask for legal advice before starting to circulate petitions was reached at a special meeting last Friday afternoon. At that time Philip Ogilvie, attorney, who has been serving the committee without charge, pointed out that Northville's procedure in obtaining a vote on city incorporation is complicated by the fact that the present village lies not only in two townships, but that these townships are in different counties.

Situation Is Unique

"No similar situation has ever been encountered by any village in Michigan seeking to become a city," Ogilvie explained. "In framing the law governing establishment of home rule cities, the legislature did not foresee an exact parallel to Northville's situation and in some respects there is no legal precedent for guidance."

Decision of the committee to seek legal counsel will delay for one or two weeks its plans to circulate petitions calling for a vote on incorporation. It also may bring some reconsideration of boundaries planned for the new city, depending upon the legal interpretation placed on certain sections of the statute relative to inclusion of new areas in city limits.

Truck traffic over Northville streets—largely gravel trucks hauling from the pits west of town—promises to become one of the hottest subjects to come before the Village Commission in some time.

On one side is the sizable group of Village residents, led by Dr. R. M. Atchison, which appeared at the last regular Commission meeting July 7 to demand not only that local traffic ordinances be strictly enforced against the trucks, but that they be materially strengthened and that the Village in addition adopt a policy of harassment against the gravel truck drivers to force them to use a route across Beck Road to Six Mile and then east.

Truckers' Position

As opposed to this view, the truckers naturally take the position that they too have a right to use the roads leading through the Village, more particularly those main arteries such as Rogers, Main and Center streets which are county instead of Village roads.

A third group, comprised of some local merchants, has injected itself into the situation after learning that a representative of the truckers' union threatens that if Northville got tough with the truckers, the union would shut off truck deliveries of food and other merchandise to local stores. Distaste of the merchants for such an embargo has led some of them to call Village President Conrad E. Langfield and urge that a cautious policy be pursued with respect to "cracking down" on the truckers.

County Roads In Village

In the middle, both figuratively and literally, is the Village Commission and President Langfield, who, after all the shouting dies down, must proceed according to powers granted the village under the law.

Just what powers does the village have to "crack down" on the gravel trucks?

This question is causing Village Attorney James E. Littell some concern, especially with respect to specific measures that can be taken to strengthen the present Village traffic ordinances. So important does he regard a correct understanding of the local ordinance and the state laws regulating traffic that he has cancelled an appointment in New York next Monday so he can attend the Commission's meeting that evening and explain the legal situation fully.

The local situation is rendered more complex by a provision of the State Motor Vehicle Code establishing a speed limit of 25 miles per hour in business and residential districts and public parks throughout the state and prohibiting any local government from adopting ordinances conflicting with the state code.

Commission In "Middle"

In addition, the main Northville streets—Rogers, Main, Center and Plymouth Ave.—are county roads under the jurisdiction of the Wayne County Road Commission, any change in regulations pertaining to traffic over these main arteries, would be a matter for the Wayne County Road Commission to decide.

The one ray of hope held out to those who wish to see the gravel trucks slowed down in passing through Northville, as stated by Mr. Littell at the special commission meeting last Friday, lies in strict enforcement of existing traffic ordinances, rather than in adoption of more stringent regulations. He expressed the opinion that legal speed limits can be enforced, but that those doing so should remember that the law applies equally to both automobile and truck drivers. Restrictions of weight of loads that can be hauled also can be enforced by the village, as well as such nuisances as noisy mufflers and spilling gravel from overloaded trucks.

No Quick Action

Hopes of those asking for immediate action against the truckers at the special commission meeting last week were dashed at the outset by Commissioners Alton Peters and Frank Allen, who took the position that since the truckers' union had threatened reprisals against the village if it got tough, the full commission should be responsible for any action taken. Commissioner

Letters to the Editor

CITY INCORPORATION

To the Editor:

In your column of June 26 you speak of the enjoyment you derive from the lively debate now going on concerning the matter of incorporating Northville as a city.

Pardon me, but can you mean that the issues are democratic? Personally, I can think of nothing that is more distressing in its implications for Representative Government.

Webster says that "a democracy is a form of government in which the people retain supreme control by representation as in a republic."

The arguments favoring incorporating Northville village as a city would indicate that a desirable part of the proposal is the partition of the friendly township and the confiscation of a major part of its cash and accounts receivable.

Does it not strike you as slightly irregular that the township which is a political entity in itself can be dismembered piecemeal and have no voice in deciding its own fate?

We look to an enlightened and free press to point up the issues but the only argument we have seen, outside of the desire to lay hold of the township's cash, is that the convenience of Village residents is of more importance than the rights of minorities.

Well, all we can say is that guy has a pick-up almost as fast as the '52 Studebaker with its amazing V-8 engine. Tremendously powerful, exceedingly rugged, it offers everything you want in a fine motor.

Now on this certain day, we happen to be having dinner with a pal of ours, in honor of a mutual friend in town for a visit.

Alarming, in recent times, the trend of government has been shifting from a Government of Free Men to a Government for Special Interests and Aggressive Minorities.

That's that, but a fellow we know tells us of his country cousin who takes a train to the city. When asked how he likes Detroit, he says, "can't rightly say, there was so much going on in the station, never did get to go uptown."

Yours, BILL and WILL PETZ.

Therefore I say that on the principle that "they are best governed who are least governed," the township government for the township is infinitely to be preferred to any other type.

That's that, but a fellow we know tells us of his country cousin who takes a train to the city. When asked how he likes Detroit, he says, "can't rightly say, there was so much going on in the station, never did get to go uptown."

Therefore I say that on the principle that "they are best governed who are least governed," the township government for the township is infinitely to be preferred to any other type.

Sales and Service 200 Plymouth Avenue Phone Northville 666

ord has said. Unless we have missed some chance remark, you must have read into our comments some meaning we did not intend to convey.

As to the relative efficiency of township and city forms of government—look at the record. Our Northville Township government is debt-free. It has no liabilities. And it is a well known fact that most townships are in excellent financial condition whereas city, state and Federal governments are scraping the barrel.

Not only is our township debt-free, but, as has been frequently and enticingly pointed out, it has a cash surplus of some \$64,000. Your comment on this . . . "the township has been paying all its expenses out of monies received from the State as rebate on sales, liquor and intangible taxes . . . this free ride on the State makes it possible for township residents to pay the insignificant property tax of only one mill on an assessed valuation of \$5,683,690. Fortunate folk, we in the township."

Already burdened with an unreasonable number of tax-free institutions and tax free land and threatened with a raid on our treasury, a squeeze-play looms up for us "fortunate folk in the township."

1 Loss of revenue from present township residents taken in to the city

2 Loss of some \$44,000 of its cash

3 Loss of annual revenue amounting to some \$35,000 from the Mental Hospital

Insomuch as the cost to taxpayers in the proposed City of Northville is concerned, we agree that the comparison with Detroit is scarcely applicable but not for the reasons you enumerate.

The issue, then, is whether or not the government is to be the servant of the people as in the township form, or is it to be master of the people? This vital decision will affect all the people in the entire Northville Township and Northville Village area.

If this is democratic and in keeping with the American heritage of Representative Government, then I am curious to know on what you base your reasoning.

Harold B. Putnam, 40860 7 Mile Road, Northville Township, Northville, Michigan.

We said in our column on June 26 that "it is only through this democratic exchange of ideas that residents of the Northville community can separate the wheat from the chaff and come up with a reasonable background of information to guide them in voting intelligently."

We shall always contend that the voter who would make an intelligent decision on any matter must base his opinion upon adequate information. The Record has attempted to supply as much factual information as it has been able to gather.

Insomuch as your letter pertains to the methods by which voting will be conducted in the matter of Northville becoming a city, its discussion of division of the township's assets, and the proposal to include the Mental Hospital in the new city's boundaries, your argument is with the state law which establishes the procedure for city incorporation, rather than with the Record. The law was enacted several years ago and all the Record has attempted to do is make clear its provisions and the actions of the Committee on City Incorporation in accordance therewith.

Since reading in your letter that we have assaulted the township form of government we have reviewed carefully what the Record has said.

Truckers will be first to agree that if something could be done to enable them to haul sand and gravel or other material for maintenance over another route than the one they are forced to use at present, that it would be as advantageous to the truckers as to the people of the Village.

The extra police force could be used to watch the pedestrians and auto offenders, to force them into parking spaces or move on, to slow them down, to insist on a study of safety rules for safe driving, and most of all to make sure that they understand these rules and laws, to insist that they know how to operate a car and are fit to drive before they are issued a license, also that each car owner is positive that the mechanism of their car is in perfect working order to render safe driving. A vast majority

of truckers are constantly checking and rechecking their equipment for only when it is in good condition can he earn his living. If the council or citizen's committee can present a satisfactory solution to enable the trucker to by-pass the Village safely and conveniently and are able to put their money and words to work on a suitable road for such a purpose, it would be a major improvement for all concerned.

Truckers' equipment is expensive to buy, maintain and operate. After spending a high percentage of their earnings on gasoline tax, transportation tax and license fees which go for maintaining roads, and then being forced to drive on such deplorable roads as the surrounding area has to offer, they would more than welcome a solution to this problem.

The Citizen Truckers. Editor

TRUCKERS' DEFENSE

To the Editor:

The trucker will be first to agree that if something could be done to enable them to haul sand and gravel or other material for maintenance over another route than the one they are forced to use at present, that it would be as advantageous to the truckers as to the people of the Village.

Truckers and trucking a public nuisance? No, I wouldn't say so. Sand and gravel is necessary to maintain your roads, driveways and for your building purposes.

Truck drivers careless? Did you ever ride along with one of these men? A far greater percentage of them are more capable operators than the drivers of automobiles.

Do you drive your car as carefully, people of the village? A vast majority do not. If you drive in and around Northville often you will agree that it's a dangerous task to cope with every day shoppers, business and professional men, workmen and pleasure drivers asleep at the wheel.

All scale lilies should be planted at a 45 degree angle to avoid water soaking. The following lilies are easy to grow:

L. Regal, L. Canadense, L. Concolor, L. Candidum, L. Speciosum (rubrum or album), L. Tigrinum, L. Henryi, L. Hansoni.

The following day lilies have won top place in the popularity poll of the Hemerocallis Society: Painted Lady—A large ruffled yellow with cinnamon brown overlay;

Potentate—A satiny pansy purple; Garnet Robe—A glowing ox-blood red;

Esperus—A deep yellow; Pink Charm—An unusual pink;

The Hyperion is one of the finest and most satisfactory—a favorite of long standing.

Births in Michigan at All-Time High

It's now official—the number of live births in Michigan last year broke all records, soaring above 170,000 for the first time in history, and topping the previous high birth total of 1947 by more than 11,000.

Provisional figures show 17,568 live births recorded for 1951 as compared to 160,275 for 1947.

Reports of births for the first four months this year show a continuing upward trend, with 53,389 reported this year as compared to 51,176 during the same period last year.

of truckers are constantly checking and rechecking their equipment for only when it is in good condition can he earn his living. If the council or citizen's committee can present a satisfactory solution to enable the trucker to by-pass the Village safely and conveniently and are able to put their money and words to work on a suitable road for such a purpose, it would be a major improvement for all concerned.

The Citizen Truckers. Editor

Green Thumb by Paul Newton

One of the best plants to fill the mid-summer gap between the last of the perennials and the first of the annuals are lilies, of which there are over 80 different species with a greater diversity of form and color than any other hardy garden plant.

The one prime requirement for success in growing lilies is good drainage as no lily likes wet or swampy soil. They thrive best with their feet in the shade and their heads in the sun, which makes planting among the perennials an ideal location.

With the one exception of L. Candidum, popularly known as the Madonna lily, which requires a soil on the alkaline side, practically all other varieties do well in ordinary soil with plenty of organic matter in which some sand is mixed.

Rules for Planting The general rule for planting lilies is that the bulb should be covered to three times its depth. Again, the Madonna lily is an exception. It should not be planted more than two inches below the surface of the soil, owing to its habit of producing leaves in autumn. It is thought that too deep planting is the reason for its failure to flower.

All bulbs should be planted a little deeper than stated above in light soils, as soil further down has a more uniform temperature, moisture content is better and bulbs are not so apt to be damaged by freezing.

Newly planted bulbs should be given a heavy mulch the first winter to aid in bringing them through the cold weather.

Some lilies may be planted in spring but October 1 is the best time as the roots make a good start before the ground freezes.

Because lily bulbs are so often infected, it is most important that they be purchased from a reliable firm. Even so, it is well to take the extra precaution of placing the bulbs in a bag and adding a small amount of either arasan or spergon so they can be dusted lightly. They should be planted immediately afterwards.

Easy to Grow All scale lilies should be planted at a 45 degree angle to avoid water soaking. The following lilies are easy to grow:

L. Regal, L. Canadense, L. Concolor, L. Candidum, L. Speciosum (rubrum or album), L. Tigrinum, L. Henryi, L. Hansoni.

The following day lilies have won top place in the popularity poll of the Hemerocallis Society: Painted Lady—A large ruffled yellow with cinnamon brown overlay;

Potentate—A satiny pansy purple; Garnet Robe—A glowing ox-blood red;

Esperus—A deep yellow; Pink Charm—An unusual pink;

William Canfield, age 76, recalls for Ed Alchin, County Agent, how much harder farm work was before electricity came along. Today, electric power saves time and labor . . . boosts production and profits.

Warm Milk HELPS HEAT MILK HOUSE Electric pump attached to milk cooler does the trick

William Canfield, Oakland County farmer, uses an electric heat pump in connection with his modern front-opening milk cooler. Taking heat from warm milk and well water, it keeps the milk house comfortable in freezing weather. Mr. Canfield and son, John, farm 160 acres, most of which are devoted to seed corn. They use electricity wherever possible. It powers corn drying, ventilating, conveying, and elevating equipment. It operates water heaters in the milk house and home, providing him and his family with plenty of hot water to make speedy work of dairy and household chores. Is electricity doing all it can for you? Charles P. White Enters GOP Race for State Senate

Charles P. White, of Winona Ave., Highland Park, has filed for state senator from the 18th senatorial district, which includes Northville.

He is seeking the seat held by Clarence A. Reid, the present senator, who is a candidate for lieutenant-governor at the Aug. 5 primary.

Mr. White, a Republican, has twice been a candidate for City

Charles P. White

Commissioner of Highland Park. Last year he lost by a 53-vote margin.

"I am sincere in my belief that the people of the district desire to continue to be represented by a Republican in the Senate," Mr. White said.

"This is a year of great decision for the American people. It is no longer possible for thinking Americans to sit complacently by while our form of government is being undermined by communists, five per centers, corruption experts and their like. I feel sure that 1952 will be recorded as a year in which the American people demonstrated that democracy could meet the challenge."

Mr. White, who is 34, lives with his wife and two children in Highland Park. He was graduated from the Mackenzie High School in 1936 and attended Olivet College and the Detroit College of Law.

He was the first executive secretary of the Highland Park Board of Commerce and is presently an associate of Baker, Simonds and Co., members of the Detroit Stock Exchange.

Over Six Billion Dollars

Lost Annually to Corrosion
A new, sound color film entitled "Corrosion in Action" shows how corrosion works to cause an annual loss in industry and elsewhere estimated at over six billion dollars. It also shows how this damage can be avoided or controlled by various means, such as by the selection of corrosion-resistant materials by the development of new alloys to meet given situations, by the use of electric currents to provide cathodic protection, and by other methods. The film was prepared under the direction of the Corrosion Engineering Section of The International Nickel Company.

CARD OF THANKS

Carl Green, Lawrence and Zera Hawkins wish to express their thanks to the Infirmary nurses and attendants for their sympathy in the recent death of their mother.

Mrs. Eilber Gives Humorous Reading

Twelve members and two guests attended Monday's picnic meeting of the Northville Branch Women's Division, National Farm and Garden Association, at the home of Mrs. T. G. Hegge, 43575 Phoenix Rd.

Harvey Whipple. A number of unusual flower arrangements were submitted by the members, and Mrs. M. R. Eilber, program chairman, presented a humorous reading

Guests were Miss Florence Reed of Orlando, Fla., sister of Mrs. Arthur Pohl, and Miss Alfred E. Patterson, who attended with Mrs.

The Daily Vacation Bible School held at Novi Methodist Church last week had 92 children registered

Mr. and Mrs. Francis L. Smith to Reside In California

Mrs. Richmond Hogle Simmons

Michigan friends and relatives gathered at the George R. Simmons home on West Ten Mile Rd. on Sunday, July 13, to meet the new Mrs. Richmond Hogle Simmons. Richmond and the former Audrey Irene Hunt, of Minneola, Fla., were married in Florida on June 21.

The reception was held from 2 to 5 p.m. at the bridegroom's home for the guests who arrived from Ann Arbor, Ludington, Saginaw, Detroit and Farmington, as well as from Northville. Mr. and Mrs. Eugene Bruce Hunt, of Minneola, are the new Mrs. Simmons' parents.

Joanne Tuck Wed Thursday Evening

The Rev. Leslie Williams, former Northville pastor, and the Rev. Ivan Hodgson, of the First Methodist Church, performed the double ring service Thursday evening July 10, which united Joanne E. Tuck and Francis L. Smith in marriage. Guests congregated at the First Presbyterian Church for the 8 o'clock candlelight ceremony. The vows were pledged before an altar decorated with arrangements of palms, white gladioli and daisies.

Before the bride was escorted down the aisle by her father, Harold D. Tuck, William G. Williams sang "Through The Years" and at the close of the service, "The Lord's Prayer." Mrs. G. V. Harrison accompanied him and also played the traditional wedding processional and recessional.

Joanne's candlelight satin gown which extended into a cathedral train was topped with a chantilly lace bodice fashioned with a high neckline and long sleeves. A Venice cap of lace and pearls held in place her fingertip veil of illusion. The white orchid which centered her bouquet was surrounded with fleur-de amour.

Yellow-Green Color Scheme

Cascade bouquets of daisies and lily were carried by the bride's four attendants who were dressed in gowns of nylon and lace worn with a lace bolero. Joanne asked her sister, Mrs. Darold R. Cline, of Plymouth, to act as her matron of honor. Mrs. Cline's dress was fashioned of green nylon and lace while bridesmaids, Margery Boyd, Janice and Lynn Smith, all of Northville, wore gowns of yellow. Assisting Francis as best man was Robert Wagenschultz. Robert Murray, Keith Simmons and John J. Steimel, all of Northville, seated the guests.

Mr. and Mrs. Harold Tuck, the bride's parents, live at 115 East Dunlap St., while the groom's parents are Mr. and Mrs. Leland V. Smith, of 419 Yerkes Ave. Greeting the guests at the reception following the service, Mrs. Tuck wore a mauve rose gown with a corsage of fleur de amour. Mrs. Smith wore red roses to accent her gown of blue.

California Bound

Mary Lou Charron, Marian Marx, Mrs. Douglas Slessor and Mrs. John Steimel assisted with the reception which was held in the church parlors. Helping the hostesses were the bride's aunts, Mrs. Allan MacGregor and Miss Annabel MacGregor, and the groom's aunt, Mrs. Joseph Litsenberger, and Miss Almeda Libolt. The young couple are on their way to California where they will make their home while Francis is serving with the U. S. Navy. Joanne's white wedding gown was exchanged for a traveling costume of lilac with white accessories.

Mr. and Mrs. Francis L. Smith

Three Showers Compliment July, August Brides-To-Be

August 16 bride-elect, Joan Morell, has a calendar filled with bridal showers in her honor. Supplies for the kitchen were brought by the guests at the July 8 shower given by Mrs. Charles Stanford and Mrs. Charles Batt. The party was given at the Batt's residence on Dubuar St.

A personal shower is in order for Joan on Wednesday, July 23, at the home of Mrs. Don Huesser of Five Pointe Rd. Also on her party calendar is a pantry shower to be given at Five Points.

The Highland Park home of her future mother-in-law was the scene of a miscellaneous shower complimenting Nancy Boyd on Saturday evening, July 12.

Entertaining in Nancy's honor was Mrs. Donald VanSickle, her fiancé's sister-in-law. About 30 guests attended the affair. Nancy will become Mrs. Alfred VanSickle on Saturday, July 26. Her parents are Mr. and Mrs. Clifford C. Boyd of Rayson St., and Mr. and Mrs. Stanley Van Sickle of Highland Park are the groom's parents.

Mr. and Mrs. Arthur Breitmeyer of West St. were host and hostess to the friends and relatives of Beverly Farmer and Wesley Scratch, both of Garden City, at a party and bridal shower in their honor on Sunday, July 13. Mr. Scratch is Mrs. Breitmeyer's brother. He and Miss Farmer

Dept. Plans Swim for Mothers-Children

A mother's swimming day is being planned by the Northville Recreation Department for Friday morning, July 25. The swim on that day for the mothers and their children, who are under 8 years old, will be free at Kent Lake.

The bus leaves the Northville School at 9:30 a.m. and returns about 12:30 p.m., said Wilson Funk, recreation director.

Approximately one-half of the 300-400 weekly attendance is made up of children under eight, he said.

On Tuesday evenings, the teenagers of Northville are transported to Whitmore Lake for a swim. They leave the school at 6:30 and return at 10 p.m.

Joint Birthday Party Given at Lahr Home

The home of Mr. and Mrs. Fred Lahr, Jr., on Carpenter St., was the scene of a joint birthday party for Ronald and Marilyn Lahr on Thursday, July 10.

Ronald is 12 years old and Marilyn is 9 years old. Ten of their playmates arrived for luncheon and spent the afternoon at the Lahr home.

At the party were Janet Thompson, Etta Rutan, Susanne Cowey, Marlene Larkin, Nancy and Chubby Bracken, Cheryl Babbitt, Martha Jane Terry and Dewey Gardner.

Receives Piano Honors

Joyce Ann Rice, granddaughter of Mr. and Mrs. Arthur Humphries of Randolph St., recently passed her third piano examination with First Class Honors.

The examinations are given by the Royal Conservatory of Music, University of Toronto. Joyce Ann, who is 11 years old, has been studying piano for five years.

Could my griefs speak, the tale would have no end. Otway

Brides-To-Be: Keep Us Posted. The Northville social calendar, as well as that of every other town and city during the summer months, is filled with engagement announcements, plans of brides-to-be and wedding stories and pictures. The readers of The Northville Record would like to read about your parties, showers and wedding. But, it's rather difficult to keep track of the progress of everyone's romance. Let us know when you receive your diamond, when you set the date for your marriage and then keep us posted on the parties that are given in your honor before the big day. If you'll stop at the Record office, we have wedding information blanks for you to fill out. A picture to accompany a wedding story always enhances the word-picture so have a print made for us. In order to get an engraving made from a glossy print, we must have the picture on the Monday before our Thursday publication date, and let us know a little ahead of time if you will have a picture. It helps us in the layout of our page if we know what news and pictures to expect.

SCHRADER Funeral Home. 404 West Main Street Northville, Mich. Phone 48. To lighten the burdens of those who must watch the passing of time between living and the New Life, we are watchful of every detail, respectful of every wish, helpful and considerate in every way within our power.

HERE IT IS AGAIN FOLKS! Fisher's SEMI-ANNUAL CLEARANCE SALE STARTS Thursday, July 17. Hundreds of Pairs - All Reduced for QUICK CLEARANCE. Florsheim - Air-Step - Buster Brown - Jarman. EXCEPTIONAL VALUES FOR THE ENTIRE FAMILY. Fisher's FAMILY SHOE STORE. Plymouth, Michigan.

Families Join Rotarians, Optimists, Exchangites in Picnic at Cass Benton Park

The cameraman climbed a tree to get a picture of a typical table at the picnic. The first three people in the upper left corner are members of the Roy Stone family. The next three are the H. B. Smith family. The others were more interested in eating than in being photographed.

Approximately two hundred members of the Northville Rotary, Exchange and Optimist Clubs and their families gathered under the trees at "The Willows" in Cass Benton Park, Tuesday, for a picnic sponsored by the Rotary Club.

Rotarians served their guests, who were seated in a long row at several picnic tables. Centrally located stands dispensed coffee, hot dogs, and watermelon and muckmellon.

The picnic began at 6 p.m. with the dinner, then dissolved into conversation groups, a softball game, clean-up squads, horseshoe competition and mothers busy riding herd on young children.

A drizzle during the morning hours threatened the picnic, but rain failed to materialize in the evening.

The annual softball game between Rotarians and Exchangites, a feature of previous picnics, was not played.

John Boyce, who served as impromptu chef, tilts coffee urn for Gary Neiece. Dr. S. H. Campbell acts as though he already has the last of the coffee in his cup.

E. M. Bogart, one of the many Rotary chefs and waiters, decided to quit waiting. He took time out to do away with some of the muskmelon. Does he have his eye on another piece?

Orson Atchinson waits while Bruce Turnbull takes a swing at the horseshoe peg at the other end of the court. Partners are in next picture.

Somebody had a ringer, but from expressions, it's hard to tell who's partner scored. On left, Lawrence Bogart; on right, Roy Stone.

Young Lennie Johnson got away from mother, Mrs. Carl Johnson, long enough to investigate the willow trees. With cow-girl boots, it was easier going up than coming down.

Postmaster Leland Smith manned the watermelon stand, but is getting help here from Charles Carrington and Clyde Dethloff as Wallace Westerfield eyes the melon.

G. F. Taft Enters Morgan Horses in National Show

Gerald F. Taft, of West Eight Mile Rd., is showing "Quizkid," his chestnut stallion with two of his get, "Springbrook Joe Kelly" and "Springbrook Anne" in the 10th Annual National Morgan Horse Show.

"Springbrook Sam" and "Springbrook Peggy" will also

be shown by Mr. Taft in the show which is set for Aug. 1, 2 and 3 in Northampton, Mass.

Though most of the exhibitors are from New England, Michigan, Pennsylvania, New Jersey and New York are represented among the 120 horses now entered.

They will perform in the 53

classes on Friday night, Saturday afternoon and night and Sunday afternoon. The Morgans will be shown in light and work harness, under English and Western Saddle.

West Springfield, Mass., within 20 miles of Northampton, is said to be the birthplace in 1789

of the stallion, "Justin Morgan" named after the owner that made him famous. A bronze marker in that town attests to this fact. Vermont is considered to be the state of origin of the breed because he was moved there as a colt.

The Joneses are having a hard time keeping up with themselves these days Chicago banker.

Novi Amvets Post Elects New Officers

William Gregory will head the Pery Kenner Amvets Post No. 76 of Novi as their commander after elections at their July meeting. Serving as first, second and third commanders will be Duane Bell, William Sutton and Charles Custer.

Robert Lawrence was elected adjutant with Harold Oitwine as treasurer. Charles Trickey will be service officer and Robert Skellenger senior officer. Chaplain for the year is William MacDeMaid. Public relations officer for the post is Earl Holmes, judge advocate is Leo Hariawood and Arthur Chase will serve as provost marshal.

Charles Trickey, Jr., of the Novi post is a candidate for first vice commander, Department of Michigan. The election will take place at the Amvet Convention at the Ft. Shelby Hotel on Friday, Saturday and Sunday, July 18, 19 and 20.

Mr. and Mrs. Edwin Bauman of Walnut St., announce the birth of a daughter, Linda Jean, on July 9 at New Grace Hospital. Linda weighed 7 pounds, 3 1/2 ounces

LOCAL NEWS

Girls planning to attend the Brownie Day Camp which starts Tuesday, July 22, are asked by director, Mrs. Rano Papini, to bring a "nose-bag" lunch. The group will board the bus for the park at 9 a.m. from the Northville High School and will return to the school at 3 p.m.

A/3c Richard Miller left Wednesday for the Soo after spending a two-week furlough with his parents, Mr. and Mrs. Howard Miller. Richard is a radar operator. While he was home the family had a special Fourth of July picnic for his friends and relatives and on July 7, they attended a birthday dinner for Howard Miller, Jr.

Mr. and Mrs. Delbert Black announce the birth of a son, Mark Andrew. The baby, who was born on Friday, July 4, weighed 6 1/2 pounds. Mrs. Black is the former Lila Baxter.

Carole Janet Gottschalk, daughter of Mr. and Mrs. Edward Gottschalk, of Ten Mile Rd., celebrated her fourth birthday July 11 with a party which 15 neighborhood children attended. They played games and had cake and ice cream afterwards.

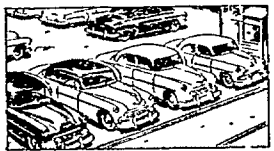

Merchants Appoint Junod

Sid Junod was appointed at the Monday meeting of the Northville Retail Merchants as an impartial observer to the Village-City Incorporation Committee. Discussion and reports on the Parade of Progress planned for Aug. 27-Sept. 27 were also made.

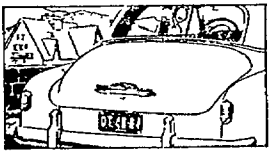

Certificate of Merit

Harry M. Sedan, Jr., is the proud possessor of a special certificate of merit issued by the Detroit Times in recognition of his outstanding record as a "Times" carrier in 1951 and 1952. Harry recently won a free trip to Chicago.

JUDGED "Fashion Dinette of the Year" by THE FASHION ACADEMY

The Fashion Dinette of the year is yours for a lifetime. Built for years and years of carefree service... it takes the abuse of hard, daily use yet its DAYSTROMITE laminated plastic table top resists chipping, staining, scratching, burning. Lovely all-plastic upholstery on comfortably shaped and cushioned chairs is crack, peel and stain resistant. Like the table top and Sta-shine chromed steel legs it retains its luster throughout the years. 30" x 42" table with 10" leaf seats six persons with ample leg and elbow-room. Needs no polishing—just wipe with a damp cloth. In many lovely colors.

Community House

(Continued from Page 1) rapidly it soon became evident that a larger structure would be needed. The St. James group served as the nucleus of a larger committee and a campaign in 1928 and 1929 raised \$10,000 for the property on which to build and another \$100,000 for the building. Decorations and furniture amounted to an estimated \$10,000. The insured value of the building today is \$225,000, said Mrs. Isley.

Own Kitchen

The large, white, two-storied house on Bates St. maintains its own commissary and kitchen, which are self-supporting, and conducts an employment service. A permanent staff of 11 persons is aided by dozens of volunteers who work during special events which call for more aid.

The main floor houses a large combination ballroom and auditorium; the kitchen and food storage facilities, and the large, comfortable rooms used for wedding receptions, private parties and by the service organizations. The second floor is divided into the offices of the Community House staff and several medium-sized rooms used for youth group meetings and by other organizations.

Teen-Age Room

The full-size basement contains the employment service and the "Ranch Room," which has supervised recreation facilities for Birmingham's younger set.

Use of the building is free to civic, education and union groups in the area, but a small fee is charged to groups which use the house for profit-making purposes, such as dances. A local wedding to use the house for a reception pays only \$7.50 and out-of-town groups pay \$15.00.

Scrapbooks and newspaper clippings show that when the Community House was under consideration in 1928 there was considerable opposition to its proposed size. Objectors said that \$100,000 was too much money to spend in a community the size of Birmingham. The community is now a city and has grown. The Community House has grown, too, and there is doubt that the "House With a Heart" is big enough to serve the large numbers of people who want to use it.

Housing the Aging To Be Discussed

"Housing the Aging" is the topic for the University of Michigan's Fifth Annual Conference on Aging to be held in Ann Arbor, July 24-26.

The conference will consider housing needs of the healthy, the chronically ill, the confused and the disabled older persons living in both urban and rural areas, and is directed to all persons interested in this problem.

Registration materials may be obtained from Dr. Wilma Donahue, Institute for Human Adjustment, Room 1510, Rackham Building, Ann Arbor.

Mrs. Ida Yuill of Rayson St., accompanied Ernest Feighner and his son, Bruce and wife, to Brussels, Ontario, Canada, for a visit with relatives and friends over the weekend.

N'ville-Farmington to Hold Joint Picnic

The Farmington American Legion, Graves-Walker Post No. 346 will be the guests of the Lloyd H. Green Post, No. 147, American Legion, at a Stag picnic on Saturday afternoon, July 19.

The Legionnaires will meet at the Willows in Cass Bentop Park at 3:30 p.m. and later in the evening will move to the Veterans Memorial Hall.

The Legion is planning to make the Farmington-Northville Stag picnic an annual affair.

The committee making arrangements for the day is composed of Charles Carrington and George Simmons of Northville, and Pat Hoffman and Charles Larson, commander, of Farmington.

The men are asked to bring their own food with the post furnishing the beverage.

Truck Traffic

(Continued from Page 1) Stubbenvoll was willing to discuss the matter and take any action that was deemed wise although he expressed doubt that any real solution can be found for the problem.

As an aftermath of the story in last week's Record about the union's threat to shut off truck deliveries to Northville merchants, the Record this week received a letter, printed on Page 2, expressing the truckers' viewpoint on local traffic problems.

It points out that if the council or citizens' committee can find a satisfactory solution to enable

the trucks to by-pass the village safely and conveniently, it would be a major accomplishment for all concerned.

It adds that professional truck drivers as a rule are more careful drivers than most motorists and that the hauling of gravel is essential for all types of construction, as well as for road maintenance and many other commercial purposes.

In defense of the charge that gravel trucks speed noisily through village streets, the letter points out that many critics are misled by the noise of engines

running in low gear into an exaggerated idea of actual speed.

"With all the necessary stopping and starting while passing through the village, the trucks are forced to run in low gear to haul the heavy loads. This causes the noise to be even greater," it says.

GLENN C. LONG Licensed Master Plumber
411 East Baseline Rd. Phone Northville 1128

Here's why...

it's so reliable!

the TIMKEN Silent Automatic WALL-FLAME OIL BURNER

has only one moving part!

You are assured of maximum reliability when you install a Timken Silent Automatic Wall-Flame Oil Burner! The one moving part—with its integral oil distributing tubes and fans—does all the work. Nothing else moves. Actuated by an electric motor, the motor rests on a steel ball pressed into the bottom end of the shaft, with the result that the rotor spins like a top—freely, easily and with little wear. The basically different, basically better wall-flame burner is the heart of every Timken Silent Automatic oil heating unit—conversion burners, furnaces and boilers. Phone us today for free survey and estimate. Easy terms.

NO PRESSURE! NO BLOWTORCH ROAR!
No complicated pressure pump is required to force the fuel oil through a pin point atomizing nozzle. No blower is required to send a blast of air into the oilspit. It's whisper-quiet!

NO "OIL CAN" LUBRICATION!
The shaft of the motor is lubricated by the fuel oil flowing through the burner, eliminating the need for "oil can" lubrication—at any time!

THE AUTHORITY NEEDED

Sometime ago a placard appeared with the futile announcement, "Wanted: a Human Religion". In these four words are voiced the desires of many people who seek to do away with the old fashioned "salvation by grace through faith" gospel. They want to do away with a Supreme Being, or at least shear Him of all the attributes that make Him God. They would discard all the supernatural and accept that which could be confirmed by human reasoning. They want the church to become a social center with a membership opened to anyone that wants to join. How unreasonable is it not clear that God and not man will say how He is to be approached? Man is not in position to manufacture his own standard or way of salvation—this is the prerogative of God. A preacher in Edinburg once said, "It is not what I think or someone else thinks, but what God says about eternal things that must be our guide. God alone can speak with authority regarding man's salvation". The Bible is the inspired word of God to make you "Wise unto salvation" (II Timothy 3:15-16). The Bible is the standard for righteousness, and it speaks of the God-made faith and not a religion of human origin. God's Word is the authority needed.

Security

Security, to Americans, has many meanings!

IN THE ARMY, it can mean a sturdy rifle with plenty of ammunition. Or the affection of a small furry dog, nestled in the crook of an arm. At home, it can be a neat suburban house, a graduation sheepskin, a small independent business.

Security has as many meanings as there are Americans to defend it.

One good way you can provide security—for your family and your country and yourself—is to purchase United States Defense Bonds.

Buying Bonds may seem a small thing. And yet, every time you purchase a Defense Bond you are saving toward your own financial independence. And you are also helping to build a strong economy that cannot be threatened... just as the men and women in the armed forces are building the military strength that spells security... and peace.

Remember, no matter how small your income you can never afford not to save. So why not sign up now to buy United States Defense Bonds through the Payroll Savings Plan where you work? Thousands have found it their one sure way to save—because it saves for you, before you even draw your pay.

HERE'S HOW E BONDS NOW EARN MORE MONEY FOR YOU!

Now safe, sure U. S. Series E Defense Bonds pay an even better return than ever before... thanks to 3 brand-new money-earning features just announced by the U. S. Treasury.

1. Now every Series E Bond you buy begins earning interest after only 6 months. It earns 3%, compounded semiannually, when held to maturity. It reaches full maturity value earlier (9 years 8 months) and the interest it pays is now bigger at the start!
2. Every Series E Bond you own can now go on earning interest for 10 more years after it reaches the original maturity date—without your lifting a finger!
3. During the 10-year extension period, every un-matured bond earns at the new, higher interest (average 3% compounded semiannually). Your original \$18.75 can now repay you \$33.67, \$37.50 pays back \$67.34. And so on.

Start now! Invest more savings in better-paying Series E Bonds—through the Payroll Savings Plan where you work or the Bond-A-Month Plan where you bank!

Peace is for the strong. For peace and prosperity save with U. S. Defense Bonds!

The U. S. Government does not pay for this advertising. The Treasury Department thanks, for their patriotic donation, The Advertising Council and

The Northville Record

NORTHVILLE, MICHIGAN

Lee M. Thurston To Be New MSC Dean

Dr. Leo M. Thurston, state superintendent of public instruction, will become dean of the newly-established School of Education at Michigan State College on July 1, 1953.

Dr. C. V. Millard, director of the Division of Education in the School of Science and Arts since its establishment in 1944, will serve as dean of the new school until Dr. Thurston assumes his new duties.

Dr. Millard then will become research professor of elementary education and director of the Child Development Laboratory.

Dr. Thurston was born in Central Lake, Mich. He taught in high schools at Boyne City, Manistee and Owosso; was superintendent of schools in Perry and assistant superintendent of Ann Arbor schools.

Martin, Donohoe in Debate July 16

Homer Martin, one of the Republican candidates for Congress from Plymouth, and Eugene Donohoe, Democrat candidate from Detroit, debated "Repeal of the Taft-Hartley Law" at the Rosedale Garden Civic Center July 16 at 8 p.m.

The debate was one of a series planned by the two men on the issues of the forthcoming election in the 17th Congressional District.

Mr. Martin said that he has issued a challenge to Republican candidate Charles G. Oakman to debate socialized housing.

A joint statement issued by Mr. Martin and Mr. Donohoe said:

"We feel that the vital issues of the forthcoming election should be fully debated in order that the voters may have the best possible opportunity to understand them. We consider that it is most important to the welfare of the Republic that all the voters be as well informed as possible, that we, as candidates, must do all in our power to get as many voters to the polls as possible.

"The debates will be conducted by moderators selected by the various groups. Such vital issues as the Taft-Hartley Labor Law, inflation, the United Nations, etc will be debated.

"Each debate will have a period for answering questions which are sent in or asked from the audience."

Eugene G. Donohoe, attorney, is the leading contender for the Democrat nomination, and was the nominee of the Democrat party in the last election, but was nosed out by George Dondero. He is an experienced campaigner, and excellent speaker and debater.

Homer Martin, businessman, is one of the outstanding candidates on the Republican ticket. He is well informed and one of the best speakers in the Republican ranks.

Events of the Past in Northville

News Items Taken From the Files of the Record

— One Year Ago —

Northville Downs fans today are still talking about the closest race in the Downs' history as eight horses were only three lengths apart in a smashing photo finish Monday evening.

Ernie Ebert is the newly elected president of the Northville Exchange Club.

Marjorie DeJohn, daughter of the J. C. DeJohns of Beck Rd., won ninth place in the state-wide judging of the Veterans of Foreign Wars Post and Auxiliaries Essay contest.

Paul Burnham was elected commander of the Lloyd H. Green Post No. 147, American Legion.

The Northville Fire House is receiving a remodeling. The house will now be able to house three trucks instead of two.

— Five Years Ago —

Last Sunday, movie operators and a crew from the Ford Motor Company spent the day in

Lt. Gordon Hughes Body Returned

Funeral services for Lt. Gordon Hughes, son of the Rev. and Mrs. William Hughes, former pastor of the Northville First Methodist Church, were held on Tuesday, July 15.

Lt. Hughes died in Korea on March 26, in the crash of a Marine Jet plane of which he was the pilot. The body arrived in Milan Thursday night and lay in state at the Stevens & Bush Funeral Home until Tuesday.

Lt. Hughes spent most of his life in Highland Park where his father was pastor of St. Paul's Methodist Church previous to his coming to Northville.

Northville taking pictures of the town and its various community projects.

Swimming, sponsored by the summer recreation program, is now under way at Picket's gravel pit.

The E. M. Smith Starting Gate, installed this year at the Northville Downs, is the most modern and successful moving barrier in the history of harness racing.

The Novi Township has taken over the Dodge State Park at Walled Lake.

— Ten Years Ago —

Representatives of the nine schools, Northville included, affiliated with the Southwestern Oakland County league, met at Walled Lake to discuss plans for the continuation of the interschool athletic program.

Forest L. Doren, president of the Ford Local 896 and a member of the National Negotiating committee, UAW-CIO, left for Washington, D. C., where he will present 15 Ford Feeder plant locals and the Willow Run Bomber plant in contract negotiations now being heard by the War Labor Board.

The Northville Wayne County Fair will have a war theme this year when emphasis will be placed on Civilian Defense and Red Cross activities in the Northville Plymouth area during the exposition August 19-23.

The fair had its beginning 26 years ago, when World War I was an international conflict.

— Fifteen Years Ago —

Silverhoarde, the horse that took so many honors at the Fair Horse Show last summer, again carried Kathryn Marburger to first place honors in the good hands class at Arrowhead farms where the third annual horse show was held.

Merrill S. Sweet, former village councilman, was named to head the Loyd H. Green Post 147 of the American Legion.

Approximately half of the 400 Ford Co workers at the local plant will receive 7 percent returns on their investment plan savings when the semi-annual payments are made.

The smallest assembly of

school district taxpayers since years back met to re-elect Dr. J. H. Todd to his trustee post on the Northville Board of Education.

— Twenty Years Ago —

With the successful signing of 85 percent of deposits in both the Lapham and Northville State Savings Banks under the state moratorium plan, arrangements are now under way for the new bank in Northville.

Of the 120 students who took the state pharmaceutical examinations this year at Big Rapids, James M. Ely was one of three who took highest honors.

Thirteen Boy Scouts have returned from their week's outing at East Tawas, where they were supervised by Orlow G. Owen, Martin Sommers, Ward Van Atta and Franklin Knight.

— Forty Years Ago —

A Red Cross Auxiliary was organized here, headed by L. A. Babbitt, president; Mrs. Kittie Harmon, vice-president; C. A. Dolph, secretary, and E. H. Lapham, treasurer.

In place of the old drinking fountain which was removed some time ago from the street near the Lapham bank, a fine new fountain has been erected through the generosity of the same citizen, E. K. Starkweather.

Tax Collectors May Visit Jersey Cow

The Collector of Internal Revenue may be paying a call on a certain registered Jersey cow in Michigan when he hears she grossed well over \$1,000 last year.

The milk produced last year by Brampton Jester Lila, 11-year-old Jersey cow owned by Meadowridge Jerseys, Inc., Ridgeway, Mich brought \$1,086.70 on a nearby market. After feed and milk hauling costs had been deducted, "Lila" cleared \$821.97 for her owner.

The figures were recently computed by The American Jersey Cattle Club, Columbus, Ohio, and were based on her official Register of Merit record of 17,222 pounds of milk containing 1,004 pounds of butterfat, and cost figures furnished by the cow's owner. The milk was sold on the Toledo, Ohio, market.

Brampton Jester Lila was on pasture during six months of her record and was fed corn silage and alfalfa and ladino clover hay during the winter months. She was milked three times a day and received an average of 12 pounds of grain feed each day.

Brampton Jester Lila is the Michigan Butterfat Champion in her age class of the Jersey breed's Register of Merit system of production testing. She has also been given the top type classification rating of Excellent.

Chop left-over parsley into small pieces and dry in your oven. You have the same thing as dehydrated parsley sold in spice cans.

Ford Appoints Richard E. Krafve

The appointment of Richard E. Krafve, of Reservoir Rd., as assistant general manager of the Lincoln-Mercury Division of the Ford Motor Co., has been announced by Benson Ford, vice-president of the company.

Krafve, formerly director of Ford's office of defense products, has been serving since January as executive assistant to Benson Ford and to S. W. Ostander, Mr. Ostander, former operations manager of Lincoln-Mercury was elected as a vice-president of Ford's last week.

Krafve joined Ford in 1947 as assistant to the director of pur-

chases. During World War II, he served in the Army Service Forces and with SHAEF in Germany as a consultant to the director of the economics division of the Office of Military Government.

Compton to Enter Congress Primary

Maurice E. Compton, a professional writer and World War II veteran, who lives at 19400 Bontler Avenue, Detroit, will be a candidate for the Democratic nomination for Congressman in the 17th District at the August 5 primary.

Mr. Compton was a Captain in the Corps of Engineers in World War II and served in the European Theatre of Operations where he took part in the campaigns in Normandy, Northern France, Ardennes and Central Europe. He has been a high school and university instructor and is now a professional technical writer engaged in producing technical manuals for the Army.

Mr. Compton graduated from high school at Romeo, Michigan, and from Michigan State Normal College at Ypsilanti. He has lived in Detroit since 1940. Before entering the Army in 1942, Mr. Compton was an instructor at Hazel Park High School, and in 1945 he was appointed as an instructor at Biarritz American University in France.

South Lyon Firm Gets \$41,003

The Fullerton Manufacturing Co., South Lyon, received one of the 34 certificates of necessity for accelerated tax amortization covering new or expanded defense facilities in this area approved by the Defense Production Administration.

The South Lyon company produces precision parts for military end items. Their certificate amounted to \$41,003, or 60 percent. DPA reported that of the 307 certificates approved, 139 are for facilities involving \$100,000 or less.

The accelerated tax write-off program is provided for in the Revenue Act of 1950. Prior to passage of that act, the period permitted for depreciation of new facilities by the Bureau of Internal Revenue varied up to 25 years. Under the statute, this period may be shortened to five years.

The percentage authorized for actual amortization depends, with other factors, on the type of facility, amount of expansion required for the emergency, the probable usefulness of the plant for other than defense purposes after the emergency and the degree of financial aid necessary to encourage the expansion.

State Voters Face Odd Situation

by Gene Alleman

Halfway between the Republican and Democratic national conventions today, Americans can pause to catch their breaths and take a quick look at November.

They're sure of one thing... they'll only elect one president then.

But Michigan voters face a more unusual situation on their state ballot. They can approve two amendments to the state constitution, two amendments that are as opposite as the GOP and Dem candidates will be.

That prospect is causing brow-wrinkling in Lansing as the experts study the odd situation. And with most of those experts already winking their foreheads over problems of their personal political campaigns, we may wind up with a lot of Michigan prototypes of the famous Mrs. Pruneface of Dick Tracy notoriety.

This is how the unprecedented situation comes about.

There will be two amendments to reapportion the state legislature on the November ballot. Voters can say yes or no to each one. If they say yes to both there will develop the question of which one will be effective.

Obviously both can't be any more than we can have two presidents in the White House.

If voters say no, then both sides will be unhappy because

it will scuttle long-held plans and hopes for overdue realignment of representation in the legislature, something that has not been done in the past 26 years despite the tremendous growth and shift of Michigan population in that time.

"When in doubt, vote no." That old political maxim might be followed if the voters get too confused between now and November.

There's plenty of room for confusion.

In the first place, reapportionment is hardly the subject for a third grade English theme. It's a complicated question with more side-roads than a Miami Beach subdivision.

Because it's sheer Greek to so many voters, it gives a good chance for the silver-tongued boys to appeal to emotion and prejudice. The phrase-coiners are minting "bright terms and witty sayings." Well fed on oratory coming out of the Chicago convention halls and due to be served even more generous helpings as the campaign progresses, John Q. Citizen is apt to "frow up."

Even the names of the sponsoring organizations are enough to make the best informed Capitol newsmen pause to unwind his tongue once in a while.

The Committee for Representative Government filed its proposal first.

The Committee for a Balanced Legislature came in with its own just under the deadline.

Both groups are made up of many different segments in the best tradition of politics making strange bedfellows. But in each committee there are dominant groups. They'll lend their names to the proposed amendments and make it a little easier to follow the game without a program.

The CIO sparks the Representative Government committee; the Farm Bureau and mutual insurance companies are the dynamoes for the Balanced Legislature group.

Briefly, the CIO amendment would set up legislative representation on strictly population basis.

The farm-business amendment would keep the Senate on an area-representation basis and divide the House on population lines.

Opponents say the CIO proposal would give Wayne, Oakland and Genesee Counties, with their huge industrial unions, dominance over the whole state.

Anti-farm-business factions contend that plan given representation to "beans and cherry trees instead of people."

Just what will happen if both proposals get an affirmative vote is something that can kick up an argument as fast as the assertion that Freddy Hutchinson is a better baseball manager than Red Rolfe.

There has never been a similar case in Michigan history so there is no clear-cut precedent.

Whether Gov. Williams enjoyed the spirited GOP convention last week as much as he'll enjoy the Democratic powwow next week is problematical.

Common sense might lead to the assumption that if both amendments do carry the one with the greatest majority would be in effect. But common sense and the strict letter of the law don't always coincide and every i has to be dotted and every t crossed before an amendment gets hemstitched onto the Constitution.

As one State House newsman puts it, "We, the people, will probably have to go to the Supreme Court to tell us what our votes say we intended."

The only bright spot in the whole snafu is the consolation it could have been worse. The A.F. of L. and a Detroit teachers organization scrapped their plans to enter amendment proposals of their own.

Had they come into the tourna-

Amy Brown Dies, Buried July 10

Funeral services were held Tuesday, July 10, for Mrs. Amy E. Brown, 69, the sister of Elmer E. Perkins of Northville. Mrs. Brown died July 6 at St. Mary's Hospital, West Palm Beach, Fla.

Surviving besides her husband, Lewis H. Brown, are four daughters, Mrs. Dorothy Phillips of Plymouth, Mrs. Betty Gee of Milford, Mrs. Helen Gillies of Livonia and Mrs. Mildred Johnson of Florida. Her brother of Northville and four grandchildren also survive.

Mrs. Brown was a member of Whitfield Methodist Church. Interment was in South Lyon.

Walled Lake Parish Plans Annual Fiesta

The annual Fiesta of St. William's Parish, Walled Lake, will begin on Friday evening, July 25 on the church grounds at O'Flaherty St., near Pontiac Trail. The festivities will continue through Sunday, July 27.

Under a large tent, games and booths such as the fish pond, dolls, quilts, refreshments, linens, aprons and other household articles, will be set up. Pony rides and contests for the children have been planned and awards will be given to the largest family present as well as the youngest and oldest married couples at the Fiesta.

On Sunday, from 1 to 6 p.m., the ladies of the Rosary Altar Society will serve a turkey dinner in the church hall dining room. The Mexican motif will be used throughout the dining hall.

ment, we might have wound up with four amendments!

Whether Gov. Williams enjoyed the spirited GOP convention last week as much as he'll enjoy the Democratic powwow next week is problematical.

But its timing couldn't have been any better for him.

Preoccupation of Michigan delegates with the big Chicago fracas took their minds off another golden opportunity to unleash their big caliber guns against the governor.

Actually it didn't begin to compare with the vicious and costly one this Spring. But coming in the dog-days news slump, it would have made black headlines (and ideal oratorical black powder) if the Ike-Taft hassle hadn't crowded it off the top of page one.

The Guv can thank the Chicago convention for decoying that one off his political trail.

Reason lies between the spur and the bridle George Herbert

NEWS FROM SALEM

Mrs. Myrjan Lyke
Phone Northville 903-J1

Mr. and Mrs. Ronald Hargety and Gary Cooper, from Albion, were Sunday dinner guests of Mr. and Mrs. H. Opydke.

George Roberts and daughter, Ivah, Mrs. Ronald Lyke and daughters Beverly and Janice, and Mrs. Myrjan Lyke attended a birthday dinner party at the home of Mrs. Arthur Blunk in Plymouth, Monday. The occasion honored Mrs. Frank Henderson

on her birthday and Mrs. Wm Kirkpatrick who is visiting her parents with her children Billy and Judy, from Tulsa, Okla.

Mr. and Mrs. Raymond Lewis left Sunday for Niagara Falls where they will spend several days vacationing.

Mrs. Pauline Merritt was a Sunday dinner guest of Mr. and Mrs. Donald Merritt in Northville. Miss Beulah Merritt left Sunday for New York City and New Jersey where she will spend three weeks vacationing and visiting friends. Mr. and Mrs.

Glen Sayles are vacationing in Canada for a month.

Mrs. Ralph Wilson entertained Thursday afternoon at a miscellaneous bridal shower, complimenting Lucy Clair, Willard Wilson and Lucy plan to be married August 10th.

Mrs. Bessie Honke is continuing her 4-H Class in cooking this summer. To date there has been four meetings and the officers are as follows: Joyce Wilson, president; JoAnn Wilson, vice-president; Fritz Honke, secretary and treasurer. They meet Friday evenings with their leader.

Mrs. Robert Wilson and children, Joyce, JoAnn and Wesley, with Mrs. Wilson's parents, Mr. and Mrs. Fred Carter, spent Thursday visiting friends over in Canada, on the shore of Lake Erie.

Mr. and Mrs. Earl Roberts and children, Donald and Kay Jean, spent the weekend visiting relatives in Forestville, Mich.

Mrs. Lucilla Wilson and Mrs. Grace Newton spent Thursday shopping in Detroit.

Sunday guests of Mr. and Mrs. George Bennett were Mr. and Mrs. Ray Clark and sons, of Ypsilanti, and Mr. and Mrs. Coe Bennett from Detroit.

Rev. and Mrs. Hackenberg of Addison, Mich., are visiting Rev. Lucia M. Stroh this week. Mr. Hackenberg will be the guest speaker next Sunday in the Congregational Church service at 10:45 a.m.

One Federal personnel worker, according to Senator Johnston of South Carolina, says the red tape involved in laying off a civilian employee costs more than it does to keep him on the payroll.

News from Novi

By Mrs. L. Ritz

Mrs. Belle Walter entertained the Mission Band of the Novi Baptist Church at her home in Novi last Thursday afternoon.

William Hansor, Sr. went back to work part time at Novi Equip-

ment last Monday after several weeks of illness, 71 days of which were spent in Mt. Carmel Hospital.

The Sunshine Club members are planning on a trip to the Children's Convalescent Home in Farmington some time in August. They will provide entertainment and refreshment for the children.

Mrs. Ella Barber, of Prince Albert, Saskatchewan, Canada, was a visitor at the Al Pritchard home last week.

Mr. and Mrs. David O'Leary and Randy are vacationing at Pretty Lake, Mecosta. Their guests at the cottage are Mr. and Mrs. Charles Reimer and sons of South Haven.

Next Wednesday, July 23, the Methodist Sunday School will be held at Kent Lake. Transportation furnished for those who meet at the church at 11:30 o'clock.

Ralph Smith is leaving Friday on a two weeks vacation at Spokane, Washington.

Last Thursday afternoon and evening Mr. and Mrs. Howard Greer entertained Mr. and Mrs. Glen Whitney of Orange, Calif. The Whitneys were formerly of Northville.

The Novi School Reunion will be held this Saturday evening, July 19 in the new school building. The guests will gather at 5 p.m. and the pot-luck supper will begin at 6 p.m. The new president, Arthur Morris, of Detroit, and the vice president, Charles Holmes, of Novi, will have charge of the program.

Mr. and Mrs. Luther Rix were the dinner guests of Mr. and Mrs. Ezra Roberson of Lincoln Park, Saturday evening. On Sunday, Mr. and Mrs. Rix visited relatives at Williamston.

The Novi Baptist Daily Vacation Bible School began Monday with 65 enrolled. The workers are Mrs. Jack Eby, Mrs. Raymond Kolk, Mrs. Ted Remein, Mrs. James Little, Mrs. Otto Graham, Mrs. Clyde Johnston, Mrs. Rex LaPlante, Mrs. Jean Clark and Rev. Grace G. Morse. Classes are held from 1:15 to 3:45 p.m. each day for the rest of this week.

George Ortwin is home on furlough from Camp Breckinridge, Kentucky.

Short Changed?

If your home burns down, will you be caught without enough money to rebuild? ... will your savings take a beating from today's high replacement costs? ... or will you have insurance to cover the disaster?

Northville Downs Employees Granted Hourly Pay Raise

The Michigan Wage Stabilization Board has approved a wage increase of one dollar per day for hourly-rated employees of the Northville Downs association, it was announced by M. S. Ryder, regional WSB chairman.

Effective June 9, opening of the 1952 season, the increase affects earnings of nearly 200 employees at the suburban Detroit harness racing track.

Earlier this year approval to grant a similar increase was given to the Michigan Racing Association, the Chairman reported.

Bases for the decision were two WSB regulations: Regulation 6 which established the 10 per cent "catch-up" formula and Regulation 8 which permits wage adjustments to compensate for rises in the cost of living.

At the same time the Michigan Board approved a one dollar per day production bonus at the conclusion of the 34-day racing season if the average daily mutual take exceeds \$227,000. Last year the National WSB approved such a bonus if the take exceeded \$180,000. The actual average daily mutual handle was \$201,000 in 1951 and \$164,000 in 1950.

The petition asking WSB approval of the wage increase and productivity bonus was filed jointly by Northville Downs officials and representatives of the Building Service Employees' International Union (AFL).

Michigan Bell Pays \$3.5 Million Tax

The Michigan Bell Telephone Company has turned over a check for \$3,589,374.23 to Louis M. Nims, state revenue commissioner, in payment of the first half of its state property tax for 1951.

Earmarked by law for the state Primary School Fund, the company's 1951 property tax of \$7,178,748.46 was the largest in its history.

Michigan Bell is the largest single contributor to the Primary School Fund. The tax is allocated to public schools in each community throughout the state on the basis of local school census figures.

All in all, total telephone taxes paid by the company and its customers in 1952 will total about \$80,000,000 or \$2.50 per telephone per month, and almost three times what it was in 1941.

The company estimates that its total operating taxes for 1952 will amount to \$31,000,000. These direct taxes include federal income, state franchise, state property taxes, and miscellaneous payments for social security and use taxes.

In addition, Michigan Bell customers will pay an estimated \$27,900,000 in federal excise taxes during this year. These taxes come from the application of a 15 per cent tax on long-distance calls.

Realtors in 111 Cities Back Ordinances in Drive to Outlaw, Clean Up Slums

Enforcement of local ordinances to outlaw slum conditions is being backed by realtors in 111 cities in 32 states, Joseph W. Lund, Boston, President of the National Association of Real Estate Boards, announced.

In the Michigan cities of Adrian, Ann Arbor, Bay City, Belleville, Cadillac and Detroit, realtors are backing this movement.

"A recent NAREB market survey," Mr. Lund said, "showed that, of 251 cities reporting on housing law enforcement, city ordinances on housing standards are not enforced in 58 per cent of the cities. In four of every five cases where these ordinances are enforced, our local boards are recommending this action."

In Pasadena, Calif, an ordinance supported by realtors produced in the first six months of operation 726 corrective jobs and 96 demolitions. In Los Angeles, they backed a drive to get a \$75,000 budget for the city building inspector to begin a law enforcement program aimed at bringing 60,000 dwellings up to modern standards over a six-year period.

Arlington, Va. realtors photograph neglected housing, contact owners to encourage bringing it up to the local ordinance standards and are joining with the builders to form a non-profit corporation to construct private low-rent houses.

Realtors proposed the program in St. Petersburg, Fla., which, beginning with a block-by-block survey, brought 477 corrections of code violations, spotted 83

Lois Tobin in MSC Television Production

Lois Tobin, Northville senior at Michigan State College, will take part in "Rumpelstiltskin," Michigan State College department of speech, radio and television education production, which will be kinescoped at the M.S.C. television studio, Monday, July 28.

The production will be the first of its kind in the new M.S.C. television studios.

Last Tuesday guests of Mr. and Mrs. Dan Linder were Mrs. Lloyd Jefferies and her three children of Washington State.

Novi Lodge News

Novi Rebekah Lodge No. 482 met in regular session Thursday, July 10, for their last meeting before the summer vacation. The next meeting will be on Thursday, Sept. 25. The social clubs will function as usual.

The mid-term closed with a membership of 171 Sisters and Brothers.

The coming event is the "Auction Sale" which is set for Saturday, July 19. The following committees have been appointed by vice-grand Irene Kahri, who is general chairman of the affair:

Baked goods, Flossie Eno; publicity, Mae Atkinson and Rowena Salow; milk sale, Marge Marshall and Elva Bean; quilt, Elsie Brooks; sale of extracts, Susie Mairs and Irene Wendland; project, Thelma Cheeseman and pick-up, Bashie Hines.

Sister Patricia Olivich Tornow is a patient in Mt. Carmel Hospital, Detroit, in room 320.

Lauer to Judge Pigeons

Albert Lauer, of West Nine Mile Rd. has been named as one of the judges for the livestock and farm products at the Michigan State Fair August 29 through September 7, announced James M. Hare, general manager.

Mr. Lauer is one of the four Michigan residents chosen to judge pigeons at the fair. Those working with him will be Ray Bragg of Port Huron, Frank Barzenski and Albert E. Walker, both of Detroit.

Services Held For Jay Renwick

The father of Clair Renwick, of Novi, Jay Marlatt Renwick, died July 2 at his home on Old Plank Rd. Services were held in the New Hudson Methodist church, July 5, with burial in the New Hudson Cemetery.

Mr. Renwick was born on March 26, 1886 to Mary and Spencer Renwick in Novi Township. On January 19, 1898 he was united in marriage to Matie Elizabeth Whipple of Northville. Besides his widow, Matie, and his son, Clair, he leaves a daughter, Mrs. Donn S. Stubbs, and a brother, Ora.

Orthopedic Camp Held on Plymouth Camp Site

The Easter Seal Day Camp for orthopedically handicapped children is being held July 7 to August 1 on the Plymouth Kiwanis Club and Girl Scout camp site located on Narrow Laneway just off Plymouth Rd.

The camp sessions are held Monday through Friday from 9:30 a. m. to 3 p. m.

Children from Wyandotte, Ecorse, Lincoln Park, Allen Park, Romulus, Wayne, Garden City and Flat Rock are attending the camp which is sponsored by the Wayne Out-County Chapter of the Michigan Society for Crippled Children and Adults, Inc.

Russell H. Amerman is the Northville member of the administrative board.

Track Workers Have Golf Tourney

Sixty-four of Michigan racing's best golfers competed Sunday in the Third Annual Track Employees Tournament at Hawthorne Valley Country Club at Warren and Merriman Roads.

Northville clerks met M.R.A. and Hazel Park track linksmen in an 18-hole match followed by a dinner. Winner of the medalist trophy, 20-year old D. Nelson, parking lot worker at M.R.A., who carded a 70. Mr. Nelson plays on the University of Detroit golf team and works during

the summer at the races.

Others Up to 110
Close on the winner's heels were "Buzz" Weirs, M.R.A. tractor man, with 77; Judge N. Wilson, trotting official, with 78, and Paul Ryder, M.R.A. police, with an 80. Others in the tourney had scores up to 110, among them three jockey golfers: Rocco Sisto, F. Grill and Louis Monte. Golf bags, sets of irons, leather bags and other gifts were donated by Northville Downs, M.R.A. and Hazel Park track management; by Ray Carroll, union leader; Sportservice, and Telautograph Co. Downs clerks Tom Prosser and Bill Weese were managers for the tourney and dinner.

TIRED after a day's work?

la-Z-Boy POSTURE CHAIR

You need Posture-controlled RELAXATION

RELIEVES THE STRAIN ON YOUR HEART AND NERVES

Only **la-Z-Boy's**

FLOATING BACK LOATING SEAT

PATENTED gives you **100% RELAXATION**

No matter what kind of work you do . . . you get TIRED.
Your best way to rest is by posture-controlled relaxation. And you can get that kind of relaxation ONLY if your body is able to get orthopedically-correct posture in not only 4, 5 or 6 positions, but in EVERY reclining position from sitting to full bed position.
There is ONLY ONE posture-controlled chair . . . and that is the La-Z-Boy Posture Chair with the ONLY exclusive patented floating back and seat that gives you 100% relaxation in ANY position you find most comfortable.
Why do you need a floating back and seat for complete relaxation? Because the circulation in your body has to be stimulated occasionally or your muscles and nerves become tense . . . the very thing that causes fatigue and defeats complete relaxation.
No other chair or lounge lets you relax in ANY position you desire . . . and best of all, there are no gadgets to adjust; you merely lean back . . . La-Z-Boy Posture Chair is completely automatic!

See it, sit in it, then relax, and you'll agree La-Z-Boy is the ONLY chair that gives you posture-controlled relaxation.
ASK YOUR DOCTOR
Your family doctor will tell you that rest and relaxation is becoming increasingly important to our every day life, due to the fast tempo of our modern way of living. That is why he advises complete relaxation after your day's work, to relieve the muscular tension that causes you to become nervous and irritable. And that is why he recommends a La-Z-Boy posture-controlled chair to patients who want to relieve the strain on their nerves and heart. Come in today for a demonstration of this La-Z-Boy Posture Chair, and see how you can get the posture-controlled relaxation you need.

LA-Z-BOY IS FULLY GUARANTEED
La-Z-Boy's automatic floating back and seat action is unconditionally guaranteed for the lifetime of the chair. No other chair can give this guarantee, it is completely automatic!

July 4th Celebration Called Success

A blazing hot day failed to dim the enthusiasm of participants and spectators who stayed home in Northville for the V.F.W.-sponsored Fourth of July celebration.

Crowds thinned out somewhat in the afternoon at Ford Field when the temperature soared to its highest mark, but the morning events and the fireworks display drew appreciative comments from spectators.

Queen in Parade

The late-morning parade was led by Village President and Mrs. Conrad E. Langfield, and the Northville Community Band, followed by Parade Queen Angela Bongiovanni and her ladies-in-waiting, Joyce Aenchbacker and Winifred Welch, riding in a convertible furnished by Cy Owens Ford Sales and driven by Hazel Hammond. Angela wore a white formal and Joyce and Winifred

were gowned in blue and yellow formals, respectively. President Langfield presented a floral crown to the queen and three arm bouquets from Jones Floral Co. to the three young ladies.

Award Prizes

President Langfield addressed the crowd at Ford Field briefly before awards were made to the day's contest winners. Mrs. John Wallace and members of the Northville Junior Equestrian team then gave a jumping exhibition with their horses.

Large numbers of Northville's youngsters participated in the day's contests. The largest four-legged pet entered in the show at the Grade School playground was "Billie," a pony owned by Talbot Hopper. Mrs. Langfield and Mrs. J. P. Malley, judges for the event, named the pets of Alice Lupke, Bill Bake, Robert Pankow and Robert Schroeder for second, third, fourth and fifth place winners.

"Tippy," owned by Joyce Pankow, was the winner of the second class for the smallest four-legged pets. Runners-up were "Sparky," the pet of Michael and Cathy Utley, and Elsie Sedan's dog, "Sport." Judged the most unusual pet was one named "Hoppy," owned by Daryl Hopper. Placing second was "Anastasia," owned by Betsy Merriam, and third place was given to "Big Red," owned by Frank Bosak.

Pie Eating Contests

Blueberry pies by the dozens were consumed in the four pie-eating events for all age groups of boys and girls. Even President Langfield had a taste of the pies when the winner of one of the events, Betsy Merriam, kissed him on the cheek. The youngsters who competed were seated at a table and were required to put their hands and arms in back of them while eating the pies. Fifteen took part in the event, which was won by Betsy Merriam, with Ardith Atwood, Jo Howser and Kris Kang as runners-up.

Kay Benson won the 11 to 13-year-old girls' pie contest. Dorothy Welch and Phyllis Howard were runners-up in the group of 30 girls. Phillip Loranger consumed blueberry pies faster than the other 34 entrants in the boys' contest. Jimmy Strange and Jack Crusoe placed second and third. C. Peters, Frank Bosak and Irene Gallagher won honors in the mixed couple contest.

Hunt For Pennies

The phrase, "You can't find a needle in a haystack," was reworded and disproved in the penny scrambles during the holiday contests. Spurred on by the reward of keeping the pennies they found, 127 boys and girls of all ages hunted in sawdust for the coins.

In the up to 8 years of age grouping, Darlene Orr found 24 coins to win. Close behind her was Bill Milner with 22 cents and Daryl Hopper with 21 cents. A find of 83 cents made Wade Deal the winner of the 8 to 12 year old girl and boy contest. Second and third place was won by Leroy Stone and Larry Heibert, respectively. Kay Howser found 62 cents in the sawdust pile, while Ollie Spencer and Phillip Loranger

Lucky You

by Dick Shaw

Lucky you—you got home in one piece after that party

ger found 55 and 51 cents to place second and third.

Robbie Lyke won the prize at winner of the one-leg-hop race for 8 to 10-year-old boys. Jim McGaffin and Kenny Stone were runners-up, in the contest which included boys to 14 years old.

Fourteen pairs took part in the three-legged race which was run backwards by 14 to 18 year old boys. The team of Dick Biery and Mike O'Leary placed first with Dawn Teshka and Ollie Spencer and Tom Heatley and Cap Pethers coming in second and third. Fifteen girls, aged 8, 9 and 10 placed their shoes in the pile for the shoe scramble. Edith Bosak won with Elsie Sedan and Alice Lupke as runners-up.

Boys and girls under 13 years of age started on their bicycles from Bill & Walt's Gas Station for their race to the Northville High School. Dick Biery won the event with Jeff Goodrich and Bill Juday in second and third place. A track from the Veterans of Foreign Wars Hall on Northville Rd., up Main St. to the high school was set for the boys over 13. David Biery won this race. Donald Van Atta and Darwin Techka also placed.

New Aluminum Alloy

A new cast aluminum alloy, containing approximately 4 per cent copper, 2 per cent nickel, 2 per cent magnesium and small percentages of titanium, chromium, vanadium, and manganese, has recently been developed. Known as ML Aluminum Alloy, this type of material has emerged with the newer trends in aircraft design which require various light weight cast parts.

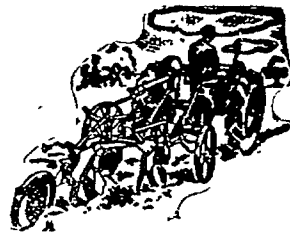

Fire Destroys Westerfield Barn

A fire of undetermined origin leveled a barn owned by Wallace Westerfield at 50888 W. Nine Mile Rd. about midnight July 4.

Straw, hay, tools and a small amount of equipment were destroyed, said Mr. Westerfield, proprietor of the Westerfield Farm Supply Store at the same address. The barn carried only \$500 worth of insurance.

Summer Workers Arrive at Plymouth Episcopal Church

Mr and Mrs. Robert J. Bickley arrived in Plymouth July 5 to assist the Rev. David T. Davies, Rector of St. John's Episcopal church, in the work of the church during the summer months. This assistance is made possible in part through the Herman Page Foundation which was set up as a memorial to the late Bishop Herman Page, D.D., the fifth Bishop of Michigan.

Mr. Bickley is a graduate of the University of Michigan and has spent the last year and a half at the Harvard Divinity School preparing himself for the Episcopal ministry. Mrs. Bickley, the former Martha Beall of Wyandotte, was graduated from Michigan State Normal College at Ypsilanti in June. Mr. Bickley will resume his studies in the fall at the Episcopal Theological Seminary at Cambridge, Mass., and his wife will accompany him there.

While in Plymouth they will reside with the Rev. and Mrs. David T. Davies at 861 William Street. During the Rector's absence in vacation they will take charge of the parish and Mr. Bickley will conduct the Sunday Services.

The summer activities will reach their climax in a two-week Vacation Church School which

WCTS Holsteins Add to Record

Wayne County Training School, Northville, is the owner of two registered Holstein cows which have further added to their outstanding udder production records of more than 100,000 pounds of milk. (100,000 lbs. of milk is the equivalent of approximately 47,500 quarts, four times the production of the average U. S. cow.)

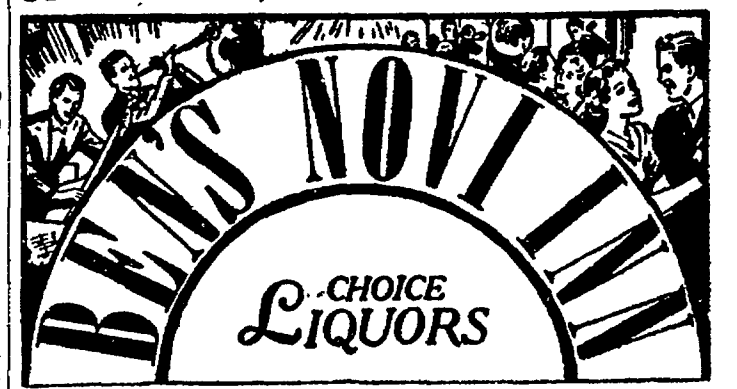

Wacots Dixie Nig has produced a total of 114,816 pounds of milk and 3,623 pounds of butterfat in eight milking periods, covering a total of 2,798 days. Her highest single record was made at the age of 5 years, 7 months, when she produced 17,875 pounds of milk and 562 pounds of butterfat on three milkings daily.

Wacots King Bessie Lucinda has produced a total of 102,816 pounds of milk and 3,584 pounds of butterfat in seven milking periods, covering a total of 2,811 days. Her highest single record was made at the age of 5 years, 4 months, when she produced 16,447 pounds of milk and 621 pounds of butterfat on 3 milkings daily.

Living on Nickel

Practically all residents of the Sudbury mining area in Northern Ontario, about 70,000, derive their living directly or indirectly from nickel.

MORTGAGE SALE—Default having been made in the terms and conditions of a certain mortgage made by Clara B Bunz, of Wayne County, Michigan, mortgagor, to Depositors State Bank, a Michigan Banking corporation, of Northville, Michigan, mortgagee, dated the 9th day of July, A. D. 1946, and recorded in the office of the Register of Deeds, for the County of Wayne and State of Michigan, on the 9th day of August, A. D. 1946, in Liber 8164 of Mortgages on page 627, and said mortgage having elected under the terms of said note and mortgage to declare the entire principal and interest and advances for taxes and insurance due, which election it does hereby exercise pursuant to which there is claimed to be due and unpaid on said mortgage, at the date of this notice, for principal and interest and taxes the sum of Four Thousand Two Hundred Ninety-Four and 32/100 Dollars.

And no suit or proceedings at law or in equity having been instituted to recover the debt secured by said mortgage or any part thereof, now therefore, by virtue of the power of sale contained in said mortgage, and pursuant to the statute of the State of Michigan in such case made and provided, notice is hereby given that on Thursday, the 9th day of October, A.D. 1952, at 12:00 o'clock noon, Eastern Standard Time, said mortgage will be foreclosed by a sale at public auction, to the highest bidder, at the southerly or Congress Street entrance to the County Building in the City of Detroit, Wayne County, Michigan (that being the building where the Circuit Court for the County of Wayne is held), of the premises described in said mortgage, or so much thereof as may be necessary to pay the amount due as aforesaid, on said mortgage with the interest thereon at five per cent (5%) per annum and all legal costs, charges and expenses, including the attorney fees allowed by law, and also any sum or sums which may be paid by the mortgagee, necessary to protect his interest in the premises. Which said premises are described as follows: All that certain piece or parcel of land situated in the Township of Nankin in the County of Wayne, and State of Michigan and described as follows, to-wit: Lot 3852 of Folker's Garden City Acres No 22 being a Subdivision of the East half of South-East 1/4 of Section 15, Town 2 South, Range 9 East, Nankin Township, Wayne County, Michigan.

Dated at Northville, Michigan, July 9, 1952.
