

7-Mile Cut-Off — We received this week a "truck traffic letter" that would take nearly three columns to print. One portion is especially pertinent:

"... A start has been made, but let's finish the job! Stop signs may be erected, and load limits may be controlled, but the real solution lies in re-routing the trucks... to a route that does not lead past the school and through the heart of town... The best solution is still the so-called cut-off. Let's get it started now!"

What Is the Answer? — We have not studied the feasibility and cost of a 7-mile cut-off, but it does seem perfectly obvious that if such an alternate route existed the truckers would be the first to applaud.

Why hasn't a cut-off been built? Is it a matter of cost, is it inertia on the part of Northville residents and public officials? If it is cost, let's look at our assets again. What about the \$70,000 that Northville could be collecting next month from the state as its share of the tax on betting at Northville Downs if it were a city. And the \$68,000 that it could have had last year from the same source? And corresponding amounts every year since racing started here? WHAT ABOUT THE SUMS IT CAN COLLECT EACH YEAR THAT RACING CONTINUES?

Objectors — Those who object to Northville becoming a city so it can obtain a portion of the state tax on betting say: "It isn't any use. The legislature is going to change the law so we won't get the money anyway."

This is the argument of the Northville Township Improvement Association, of which one of the prime movers is Mr. A. E. Northrup, whose "opposition" letters have been printing for several weeks. The Association, in a letter, mailed to Northville residents last week from Detroit said:

"A city, or one proposed, which in establishing its foundations, openly admits that the revenues from the track will be a predominant source of revenue to run the city, has not much chance to survive."

A Heck of a Way — Fiddle sticks! We are reminded of the story of the Maine farmer who witnessed the read-on collision of two freight trains. Testifying later in court, he was asked what he thought when he saw the two trains rushing toward each other and about to collide. His reply: "I thought it was a heck of a way to run a railroad."

It would be a heck of a committee to work out details of becoming a city if it didn't recognize the possibility of getting \$70,000 a year that the village isn't able to get now. That's important money, regardless of what the Township Improvement Association says. Actually, it is more than the village's future tax levy for general operating expenses this year.

Racing Here by Choice — Our position with respect to city incorporation and racing is simply this. Racing is here by choice of the village. It is a profitable venture for Northville Downs, for stockholders of the Northville Driving Club, which owns the track property, and for a great many village businesses and residents. As a village, Northville derives only limited financial revenue from racing. As a city, it would continue to receive what it is now getting PLUS ABOUT \$70,000 additional each year.

Actual Reasons — We believe the village should become a city even if this \$70,000 were not to be had. But as long as residents can get that, along with the other advantages accruing from a city form of government, we are doubly sold. And we raise an eyebrow in wonderment at what the real reasons are that prompt Mr. Northrup and the Township Improvement Association to say the village is unwise in wanting to get this \$70,000 per year.

To the writer of the letter advocating a 7-mile cut-off to rid Northville's streets of gravel trucks, which we started to write about, and to the hundreds of village residents who dislike our truck traffic, we say that one year's revenue from racing at the \$70,000 rate probably would pay the village's share of the cost of such an alternate truck route. That, we believe, COULD BE one of the first advantages of becoming a city. In our opinion, it is worth thinking about.

Costs Guide Building of Community Center

by Taylor Ball

How large should a community building be? Obviously, the answer depends upon the size of the community it is to serve, and the facilities it is expected to provide. Always in the background, but not very far back, is the matter of cost — for original construction and for year-to-year upkeep.

The one thing that strikes a Northville visitor to the Community Center at Midland, Mich. is that their building has approximately the same floor space as the one proposed for Northville. Yet Northville's population is only one-quarter as large as that of Midland.

How Large a Building? This question immediately comes to mind: "Is the Midland building too small, or is Northville's need being overestimated?"

A partial answer may be found in the fact that Midland's Community Center last year provided civic, educational and recreational activities for 240,251 persons in a city of 15,000 population. The need of Northville's 3,500 residents could hardly be as great.

Midland has a full-scale program of physical and handicraft events for both its children and grown-ups. Northville's program for children compares well in proportion, but does not measure up to Midland in providing for either teen-age or adult groups.

35-Year Old Building Midland recognized 35 years ago that the effectiveness of its program would be greatly increased if it were centered in a building which could serve most of the program's needs.

Also, Midland has a godfather in the form of the Dow Chemical Co., the city's principal industry, which was willing to finance most of the original building in 1918 and about half of the program's expense since it was constructed.

On a lesser scale, Northville has accumulated \$180,000 in a "Community Building Fund" over the past several years from funds paid the Village by Northville Downs. The Village will continue to receive approximately \$20,000 each year for this purpose as long as racing continues here. Although not on a comparable scale with the Dow subsidy to Midland, it nevertheless is an important factor to be considered in connection with any local community program.

Midland Center Not Fancy Midland's Community Center, a 93x135 building which has two upper stories and a full basement, is valued at \$100,000 now by insurance appraisers. It's a comparatively simple building with very little gingerbread, designed for constant use and low-upkeep rather than for eye-appeal.

The Community Center's main floor is dominated by the gymnasium which is used for roller skating, by 34 men's volleyball teams, 30 men's and boy's basketball teams, square and modern dancing, archery and anything else which requires a lot of space.

The top floor of the building is divided into several medium-sized meeting rooms for use primarily by adult organizations and handicraft classes, although younger groups such as Scouts, model airplane classes, and trout fly-tying classes use them too.

Divided Basement The basement is divided into two main parts. A long row of table-tennis courts, which are in almost constant use by all age groups, covers half the area. In the other half are a large kitchen, the heating plant, and a long room with heavy tables used for large meetings, rained-out picnics, group reunions and teenagers during specified hours.

Director David Russell said that the Midland program is very fluid to the extent that none of the activities are planned on an iron-clad schedule. Handicraft classes are short-term to keep interest alive. Teen-age dances, the teen-age room and use of the gym are increased or decreased according to the interest shown. "Give them what they want," Mr. Russell says, "but don't give them so much that they lose interest."

(Continued on Page 10)

Handicraft Classes Popular in Midland Community Center

A model airplane building class is one of the many handicraft classes sponsored each year by the Midland, Mich., Community Center in its extensive recreation program.

Auxiliary Members Get District Posts

Three members of the Lloyd H. Green Unit, American Legion Auxiliary, were elected to offices in the Seventeenth District at their July 16 meeting at the Redford Township Legion Hall. Mrs. Donald B. Severance, who is president of the local unit, was elected first vice-president of the district. Mrs. Charles Murphy was appointed chairman of the constitution and by-laws committee while Mrs. Oscar Hammond will serve on the Executive Board.

Mrs. Morris Cohen, a member of the Northville unit and president of the district, presided over the meeting. The district, which is identical with the Seventeenth Congressional District, is composed of six units from Rosedale Gardens, Redford Township, Redford, Detroit, Plymouth Passage Gady, Plymouth Beals and Northville Lloyd H. Green Post 147.

Primary Election Is Aug. 5

Township Clerk Fred W. Lyke announced a record registration for the Aug. 5 primary election, but registration means nothing at all unless it's followed up with a vote.

But more important is that the primary "boils down" the large number of candidates who are running for nomination. Unless you vote in the primary, you have no voice in selecting the man or woman you want to vote for in the November general election. In effect, you're "electing" the man you want to elect in November.

The polls will be open from 7 a.m. to 8 p.m. on Tuesday, Aug. 5 at the Northville Village Hall and the Boy Scout Building for precincts 1 and 2, respectively. Don't fail to vote!

Postal Employees Move "Home" Again

Northville's post office began to move "back home" Wednesday after two and a half months in temporary quarters next door, and postal employees in Northville never had it so good.

"Home" now is nothing like it was when they moved out. Gone now is the dim light, replaced by easy-on-the-eyes fluorescent lighting throughout. Gone also is the wavy wood floor, now covered with sparkling asphalt

tile. The walls are a softly shaded light green and palm green combination and a ventilated skylight floods air and brightness through the center white acoustical tile ceiling.

More Space And gone now is the elbow-rubbing caused by the cramped quarters and jumbled layout of equipment necessitated by lack of space.

The extra space was accomplished by adding a 10x84 ft. addition to the north and a 10x34 ft. area to the west, said Nelson C. Schrader, Jr., who has spent approximately \$20,000 on the remodeling job. He and Mrs. Schrader own the building and have a 10-year lease with the government.

Service will be maintained as usual during moving even though a certain amount of confusion will result. Moving is expected to be completed by Monday.

Added Features Among the features of the remodeled building are an electric water cooler, a modern hot water heating plant, two new lavatories, an inspector's gallery with one-way glass and a large loading dock and receiving room at the rear. Two offices for Postmaster Leland Smith and Assistant Postmaster D. J. Stark are located in the front of the post office, with venetian blinds.

The customer intent on mailing letters and packages has an added advantage, too. He's greeted by a clean sandblasted storefront as he enters, shiny aluminum trim on the windows and

entrance and the new paint and floor in the lobby, which is smaller than before.

Office Called Efficient Postal Inspector Jehowski, in Northville to look over the building, called it "one of the most efficient post office buildings in its class in Michigan."

Clayton Walker, of Horton St., was general contractor for the remodeling job, aided by Frank Defina. All materials and labor, insofar as possible, were contracted in Northville. Boyd Roofing installed a new roof and did most of the painting; Al Smith laid the tile floor; Northville Heating Co. set up the heating plant; DeKay Electric wired and hung the fixtures, and the Huron Valley Glass Co. installed glass.

Thieves Get \$215, \$1600 in Bonds from Penn Theatre

Thieves who apparently hid in the theatre until after it closed took \$215 from the safe of the Penn Theatre in Plymouth late Sunday night or early Monday.

The business office was ransacked thoroughly by the thieves, who were apparently looking for a much larger sum of money than they found because of capacity crowds which flocked into the theatre Sunday. The money, however, had been banked Sunday night, said Miss Margaret Wilson, business manager of the Penn and P & A Theatres in Plymouth.

Sixteen hundred dollars in savings bonds which are probably not negotiable were also taken. They belonged to the projectionist, Lee Jewell, and his wife, Joyce, who is manager of the Penn.

The safe was moved from the business office to the projection booth for opening. A \$50 camera on top of it was ignored.

Worse than the loss of money, said Miss Wilson, is the fact that back files dating from 1945 was jumbled and strewn about in the thieves' search. "It'll take me months to get them in order."

The theft was discovered at 7 a.m. Monday.

Announce Cut-Back in Recreation Program

The popular "Summer of Fun" program sponsored by the Northville Recreation Committee under the direction of Wilson Funk will be curtailed to some extent during the remaining two weeks, said Mr. Funk, although many activities will be maintained with changes.

The cut-back will mostly affect large group activities, because of the advent of the "polio season." Mr. Funk said that there is no cause for alarm on the part of the parents,

and a report by Dr. V. George Chabot, village health commissioner, and another doctor, shows that only one case of polio has been reported in the village and one in Northville Township. Dr. Chabot said that the Township case is the first in several years, and that Northville has been fortunate in never having been struck by a polio epidemic.

Precautionary Measure "The partial curtailment of the program," said Mr. Funk, "is simply a precautionary measure. We're splitting the children into small groups and keeping them isolated from other groups when out of Northville."

For the remainder of the summer, Mr. Funk lists the following schedule of recreation events:

- Monday: 9 a.m. to noon, playground, crafts, Boys Club open. 1:00 p.m., swimming at Whitmore Lake, home at 4:30 p.m., locker fee 25 cents. 1:30 to 4:30 p.m., games and tennis instruction at Cass Benton Park. Tuesday: 9 a.m. to noon, tennis instruction at Cass Benton Park, other games. 1:30 to 4:30 p.m., crafts. Wednesday: 9 a.m. to noon, crafts at playground. 1:00 p.m. to 4:30 p.m., swimming at Whitmore Lake, locker fee 25 cents. 1:30 to 4:30, book exchange. Thursday: Special trips Leave playground at 10 a.m. and arrive home at 3:30 p.m. These begin Aug. 7 with a fishing trip. Children are asked to bring rods or poles, bait and a lunch for safe fishing from the bank. A special sightseeing trip is planned for Thursday, Aug. 14 and children are asked to sign up now. Friday: 9 a.m. to noon, 1:00 to 4:30 p.m., crafts at playground. Buses will pick up children every Tuesday morning who want to go to the Cass Benton Park tennis courts for instruction and play. Badminton and archery will also be offered. A square dance will be held every Wednesday night at the Boys Club.

Bible School Opens Today, July 28

Vacation Bible school will be conducted at the Northville Baptist Church beginning today, Thursday, and continuing through August 8. Classes begin each day at 9 o'clock and close at 11:30.

Rev. Peter Nieuwkoop will have charge of the school which will use as its theme "Cruising With Christ." Prizes will be given for attendance and on the final day a picnic will be held at Kensington Park.

Helping with the teaching at the daily sessions will be: Mrs. Herbert Ware and Mrs. Frank Martin, pre-primary group; Mrs. Herbert Smith and Marguerite Coykendall, primary; Bessie Campbell and Mrs. Nieuwkoop, junior, and Mrs. William Stiles, junior high group. Various other members of the church will assist.

Auxiliary Elects Delegates

Mrs. Zada Riley, of Yeakes St., and Mrs. Isabel Willguos, of E. Eight Mile Rd., left Monday morning for Los Angeles, Calif., to attend the National Encampment of the Ladies Auxiliary of the Veterans of Foreign Wars. Mrs. Riley is the delegate of the Auxiliary, Northville V.F.W. Post 4012.

1 Died, 4 Were Hospitalized After Accident in This Car

Raymond A. Horn, of Marine City, died Monday after an accident which wrecked his late-model car at the intersection of Griswold St. and Eight Mile Rd., early Sunday, John Bobbio, of Dearborn, who was driving, and three others were hospitalized.

Auto Crash at Edge of Village Results in Death for 1, Hospitalization for 4

Raymond A. Horn, 30, of Marine City, died in Wayne County General Hospital, Monday, of injuries suffered when the car he owned crashed off the road at the intersection of Griswold St. and Eight Mile Road, Sunday morning about 2:30 a.m.

The late-model Buick was driven by John P. Bobbio, of Dearborn, and apparently was travelling on Griswold St. heading for Eight Mile Rd. or Novi Rd., said Captain Frank Van Atta, of the Oakland County

Sheriff Road Patrol. The accident was originally handled by Wayne County Sheriff deputies but turned over to Oakland County, which has jurisdiction in the accident area.

All five persons in the car were hospitalized at Wayne County General. Besides Mr. Horn and Mr. Bobbio, they are Barbara Gabel, of Dearborn; James Garfield Stagg, of Detroit, and Betty Lou Stagg, his wife, of the same city. They sustained multiple bruises, internal injuries and fractures.

Community Band Schedules Concerts

The Northville Community Band has scheduled two more outdoor band concerts, August 5 and 12, both Tuesday nights. The concerts begin at 7:30 and are held in the Village park. Last Tuesday night the South Lyon Band gave an enjoyable concert for the Northville folks and Friday night the local band journeyed to South Lyon to give a concert there.

### Rolling Down The River

by the PETZ BROS.

### To the Editor

Mr. Cummings:

The Gerald Ave. section is not recognized as a regular subdivision by Wayne County due to the fact that when Mr. Stanley Foss subdivided the parcel of land he did not file same with the county, also a blueprint which is required by law.

For that reason the Township cannot spend money for improvement of property which is not recognized by the County as a subdivision.

The Gerald Ave. section was developed before our Township Zoning Act went into effect.

Also, the land which the Village rents from Mr. Foss to be used for the Village dump does not add to the landscaping of that section in any way. The Township Board has not objected to the dump due to the friendly relations they have had with the village officials in the past.

Roy M. Terrill  
 Township Treasurer

On this morning a most surprisingly smart gentleman drops in and before we can say "trade-in", up and buys a hard-top Studebaker convertible from us. He's much surprised that so powerful a V-8 engine can come in such a compact package. As a matter of fact, he gives it considerable thought, but finally dismisses the whole idea with the remark, "After all, size is relative and sometimes very deceiving. There's many a woman's thumb in this man's town, that has a man under it."

Personally, it doesn't matter much to us how all that power got there, that's something for the engineers to figure out. We're just pleased to know it's there whenever you need it, in any emergency. This beautifully made Studebaker of ours is really tops in power, comfort, economy and ease of handling. It's a driving thrill that you shouldn't miss, and there is no reason why you should. Come on around, we'll be very pleased to give you a demonstration.

Now we hear that not too long ago a certain lady accompanies a new acquaintance to the race track, and for the first time hears of that betting device known as the daily double. Now in this "daily double" thing, a person must pick the winners of the first and second races, which is something that not even the owner of the track can do too often. Wishing to bet, she asks the advice of the new boy friend and he says, "Why not bet your age?"

So the gal bets number three in the first race and number one in the second race for a ticket reading 31. We suppose all would have been well, except when the numbers 41 emerge as the winning combination, and pay \$239.00, the poor girl faints.

Well, there is always an element of chance in such things and we don't go in such things very strongly. We like the sureness of our mechanics much better, where-in all element of chance is eliminated. When they say your car is okay, well it's okay, and ready to give you many more miles of trouble-free driving. Why not have them give it a complete check-up before starting on that vacation or week-end trip?

That's that, but they tell us that the answer to many a girl's prayer is some young man's question.

Yours,

**BILL and WILL PETZ.**

### Internat'l Center Set Up in U.S.

An International News Center designed to provide a medium for the free international exchange of ideas and information between students has been established in Atlanta, Georgia, by the U. S. National Student Association.

Primary tasks of a news service furnished by the Center are to give students in other countries an objective view of the American way of life, and to better acquaint the students of the United States with the ideas, problems and interests of students in other countries.

A new publication called "Student Life" and other newspapers containing news of American students will be sent to foreign countries, printed in their languages. A Spanish edition of "Student Life" has already been printed, and 10,000 copies have been distributed in South and Central America. Editions are also planned in German, French, Italian and other languages.

These editions are to give information about American student activities to students in colleges and universities in other lands; while at the same time information about the students in other countries is sent to American students by press releases to the over 1,000 U. S. college newspapers.

### Walther League Visits Hospital

Members of the Walther League of St. Paul's Lutheran Church visited Northville State Hospital on Seven Mile Rd. on Sunday, July 27. Mr. V. J. McKiddie, a member of the congregation and an employee of the hospital, escorted the group.

Absence of occupation is not rest. Cowper.

### About Political Conventions

With remembrance of the Republican and Democratic political conventions still avid in the minds of the millions who "attended" by radio or television, the following comments by two eminent newspapers may be of interest to our readers, as they were to us.

Editor

By Erwin D. Canham, Editor  
 Christian Science Monitor

From Monday morning to Thursday noon, as usual, the convention marked time. It did chores and made speeches. The platform could have been written in advance, as most of it was. The credentials could have been scrutinized earlier, with briefs submitted on disputes. The Credentials Committee could have met a few days ahead of time. The keynote speech and such other speeches as were helpful and necessary could have been combined into a single day.

But, I know, it is necessary for conventions to learn their own shape and temper and achieve a balance of forces. This meeting is a democratic trial of strength. Since only a few of the nation's voters are permitted to cast their franchise in primary elections, there has to be time for the convention to develop some kind of general will. It isn't efficient, it doesn't always work, but in a vague and inexplicable sort of way it is one of the vital processes of democracy.

Yet the expenditure of three days in preliminaries and the development of a general will, if possible, is the least of our worries. The real trouble begins when the convention has to become a genuine deliberative body. It is this painful struggle that we have been witnessing for the past 14 hours.

The "demonstrations" for candidates were quite as insulting to the nation and the times as were the Republican antics. The Democrats improved things by imposing a time limit of 20 minutes—imperfectly enforced—and by barring outside demonstrators, which, it is my impression, was also imperfectly enforced. Had the sky been the limit and mercenaries permitted freely, the shouting armies of the 11 candidates would have torn the place apart.

But the antics for the multiple and meaningless favorite-son candidates were travesties. Contrived by means of an orchestra and organ magnified a hundredfold, a cheer leader, and some investment in sign painting and balloons and whistles, these shows proved nothing except the wisdom of reform.

And yet, the weary tumult-packed hours devoted to the nominating speeches and the yelling and cavorting helped make the convention an unruly, impatient, angry assemblage when serious decisions had to be taken a little later. It was no wonder Speaker Sam Rayburn had more trouble trying to keep order—he failed signally—than he ever has had in his career before.

Why he, or any presiding officer in such a body, should try to take decisions by a voice vote is incomprehensible. When there are some full delegates, and some half-delegates, as there are here, a voice vote is nonsense. A delegate with half a vote can yell just as loud as a delegate with a full vote.

It is extremely difficult—when new questions come up—for delegates with scores or even over a hundred members, to tell just how they wish to vote. Caucuses are not easy to hold. The public polling of a delegation is clumsy and tiresome. In short, everything seems to have conspired to make national conventions hard to operate.

Many times, the chairman did not understand what delegates were trying to say, and they did not comprehend his rulings. Complete chaos and breakdown seemed more than once to be just around the corner.

If, out of such sessions, a balanced judgment and a general will do ultimately emerge, it is despite the clumsy folly of the process. Only a nation greatly blessed and protected, and a people with political genius enough to do these things the hard way, could possibly survive such self-abuse. In 1956 can we achieve genuine reforms?

#### CARD OF THANKS

We wish to thank Dr. Wetterstrom and staff at Atchinson Memorial Hospital for the care given Floyd Stanley during his illness, also the many relatives and friends for the kindness and understanding shown when needed most.

The family of the late Floyd Stanley.

#### CARD OF THANKS

I wish to thank all those who sent me flowers, cards and gifts, and also Dr. Irene Sparling and the staff at Sessions Hospital.

Mrs. Grace Calkins

### Green Thumb

by Paul Newton

Iris should be dug up and replanted every three or four years to prevent overcrowding and to check on what progress its enemies, soft-rot and borers are making. This is the season when this should be done.

The most dreaded disease is soft rot, whose first visible symptom is a browning and withering of the foliage tips. Then follows a water soaked appearance at the base. A cream colored bacterial ooze shows on the lower part of the leaves and the fleshy part of the rhizomes disintegrates into a soft wet slimy yellowing mass inside the shell of the rhizome.

#### Plants Should Be Burned

Such plants must be burned. Some that are less affected may be saved by digging them and cutting out all soft portions, then dipping in a disinfectant such as corrosive sublimate, 1 to 1,000, for 30 minutes. Some gardeners recommend soaking in potassium permanganate solution or rolling the rhizomes in dry sulphur or gypsum.

If the disease has been severe, sterilize the soil with a 1 to 50 formaldehyde drench, using two quarts per square foot. Leave the treated rhizomes in the sun for a day.

In replanting, space at least 12 inches apart in groups of three or five, with the rhizomes pointed out from the grouping. Iris needs plenty of air and full sun for at least one-half day. The soil should be light and well drained. Heavy clay soils must be broken up for good results with iris. Sand, peat moss or well rotted stable manure are best for this purpose.

#### Don't Plant Too Deep

Don't plant iris too deep. Some advise not to cover the rhizomes completely, but it is better to cover with an inch of soil, which affords some protection against heaving during the first winter.

The most destructive insect pest of iris is the borer, which is both injurious itself and often followed by soft rot. Eggs laid in the fall hatch in April. The young larvae eat their way down the leaves and can be detected by the ragged appearance along the leaf edge. If they can be detected early enough many can be killed in smaller gardens by squeezing all the leaves that show a wet, slimy stain along their edges. Commence at the ground and squeeze the leaves by pulling upward between thumb and forefinger. A lead arsenate spray might get the young borers but the best known way is to dig the plants that are suspected of having borers. Cut out the borers from the rhizomes and then treat them as for soft rot.

Most iris diseases are rampant where there is a great deal of moisture and shade. Therefore, it is well to keep your iris bed separate from plants of luxuriant growth. Their leaves should be cut back to 8 to 10 inch fans after flowering to let the sun do its share in controlling fungus.

After spraying pastures for poisonous weeds, it's best to keep the cattle out until after the weeds have decomposed, say Michigan State College extension specialists.

### Old Age Benefits to Increase Oct. 3

Nearly every family in the Northville area now getting old-age and survivors insurance payments will receive more money beginning with the September payments due about October 3. If the increase does not show on a check when it arrives early in October, and an increase is due, a later check will make up the difference. It is not necessary for people already receiving benefits to apply for the increased payments.

#### Increases Average \$6.00

Harry Baltuck, manager of the Detroit-Northwest social security office, located at 14800 Grand River Avenue, corner of Hubbell, stated today that the recent amendments to the law will mean monthly payment increases ranging from \$5 to \$8.60 for practically all of the retired insured workers in this area. The average increase for retired workers will be about \$6. In general, benefit payments to wives, widows, children, or parents will be increased proportionately. The increases for dependents and survivors would be less than those for retired workers. In most cases, these increases will be about \$2 to \$5. In a few families, the increase will go only to the retired insured worker.

#### Law Provides Limit

"The reason for this," Baltuck explained, "is that the law has always provided limits to the total of benefits which may be paid to any one family in a month. In some cases, the increased benefit of the retired worker alone will absorb all of the permissible increase. Under these circumstances the full increase will be given in the check to the retired worker and the benefits to the remaining members of his family will remain unchanged."

The 1952 amendments to the law also provide for larger payments to future beneficiaries. Until now, the law has provided for payments to most such newly retired persons, equal to 50% of the first \$100 of his average monthly wage after 1950, plus 15% of the next \$200. The new law just passed provides for a benefit of 55% of the first \$100 of average monthly earnings, plus 15% of the next \$200. The effect is an increase of up to \$5 a month. Proportionate increases for dependents and survivors' benefits will be based on that of the worker. This revised formula will apply generally to most persons who will become eligible for benefit payments in the future, Baltuck said.

### Bloom's, Cy Owens in Playoff Game for Softball Title

The Bloom's Insurance team, now known as Walled Lake door, will play the Cy Owens Ford Service team Aug. 11 for championship of the Northville Softball League.

The playoff game results from a tie between the two teams in regular league play, each winning seven and losing two games.

#### Out of the Fire

In the second game Monday night, spectators watched an apparently hopelessly beaten VFW team get on the merry-go-round and pile up eight runs in the sixth inning and win 15 to 14 after trailing the Mayors 14 to 7 in the fifth.

Gil Perry started on the mound for the V.F.W. but gave way to Orson Atchinson in the second inning. Al Earehart, who smashed a home run in the fifth, was Atchinson's battery mate. Merrill and Don Johnson served as the Mayors' battery.

After the Mayors piled up 3 runs in the first, three in the second, four in the third, three in the fourth and one in the fifth, Atchinson and his teammates shackled them while coming from behind with the eight big markers.

#### No-Hitter for Graham

Bloom's team (Walled Lake Door) defeated the Mayors 12 to 2, July 23, with Normand and Batchelor as the battery. Merrill and Natly were the pitcher and catcher for the Mayors. The same night, the V.F.W. posted a 5 to 1 win over C. Owens behind the no-hit hurling of Perry Graham. The run scored by Cy Owens came as the result of two errors.

Bloom's Team (Walled Lake Door) outscored the Stone's Hardware squad 10 to 8 to win the first game Monday night. Bill Bingley and Ray Doolin pounded out home runs for the losers. Max Burt's double in the seventh inning was the clinching factor for the winners.

Operation Skywatch . . . 24-hr. plane spotting by the Ground Observer Corps . . . started on July 14 in 27 states. Later it will be extended to 36 states, with 500,000 civilian observers from coast to coast scanning the sky for any possible enemy aircraft that may slip through the nation's radar net.

### Heat Buckles Highway — Puts Cop To Work

This harrowing scene of a policeman actually doing physical work was enacted recently on a Detroit street.

Maybe some of our good propagandists will say that the trucks tore up this road, but really this can be charged directly to old man Sol. The more than one-hundred degree temperature on the street was too much for this stretch of road on Detroit's east side.

A close look at the officer's face will disclose a rather strained smile, which was the best that could be coaxed from him by an ingenious photographer. To those who are interested in our highways, and who isn't?—this is a typical example of how much more destruction the elements can cause than anything on pneumatic tires.

### All Teams in Northville Softball League Eligible to Compete in Playoff Series

All six teams will play in the Northville Softball League playoff games which begin July 30 and end with the championship game Aug. 13.

Games will be played at Ford Field on July 30, Aug. 4, 5, 6,

11 and 13. The playoff series is the double knock-out style which requires a team to be defeated twice before it is eliminated. The schedule is set up so that winners play winners and losers play losers.

#### Separate From League

The playoff games are completely separate from regular league play. A small trophy contributed by Village President Conrad E. Langfield goes to the league champion, and a large cup engraved each year with the winning team's name is presented to the winner of the "blue ribbon" championship of the playoffs. The champ last year was the Northville Hotel and Bar team. Stone's Hardware won in 1950. The trophy is on display in the window of the Northville Men's Shop on Main St.

For playoff convenience, the teams have been numbered:

1. Bloom's Insurance (Walled Lake Door)
2. Cy Owens Ford Service
3. The Optimist Club Team
4. The Mayor's Team
5. Stone's Hardware
6. The V.F.W.

The playoff schedule: July 30, 8:30 p.m.: Stone's vs. the V.F.W. Aug. 4, 7:00 p.m.: Optimists vs. Mayors Aug. 4, 8:30 p.m.: Bloom's vs. Cy Owens Aug. 5, 7:00 p.m.: Losers of the Aug. 4 games Aug. 5, 8:30 p.m.: Winners of Aug. 4 games Aug. 6, 7:00 p.m.: Loser of July 30 game vs loser of the Aug. 5 game between teams 1-2 and 3-4 Aug. 6, 8:30 p.m.: Winner of July 30 game vs winner of game between teams 1-2 and 3-4

Aug. 11, 7:30 p.m.: Losers of Aug. 6 games. Aug. 11, 8:30 p.m.: Playoff game for league championship between Bloom's team and the Cy Owens team

Aug. 13, 7:00 p.m.: Championship of playoff

### News from Novi

By Mrs. L. Rix

Mr. and Mrs. Elmer Holmes and children, of Tucson, Arizona, are visiting the former's father, Charles Holmes, and other relatives for a few weeks. Mr. Holmes has been in Arizona for nearly a year and is employed by the Hughes Aircraft Co.

Several Methodist children are spending this week at the Judson Collins camp. The children are Mary and Edward Schenemann, Jackie Sharpe and Hugh Crawford.

Beginning next Sunday the Methodist church and Sunday School services will be combined from 10 to 11 Sunday mornings until Sept. 7.

Frank Henderson, of Plymouth, was the chosen, and one of the principal speakers at the Novi School Reunion last Saturday evening. Rev. Grace G. Morse was the other speaker, who gave a very inspiring talk entitled "Up Through the Years."

Dale Morse, of Sacramento, California, visited his uncle, Rev. Charles G. Morse last Saturday. About 20 relatives were present for a picnic get-together. Mr. Morse, who is the manager of several dress shops in California, had attended a convention at Asheville, North Carolina, and on his way home to California, stopped in Michigan to visit his relatives.

Rev. Grace G. Morse will vacation for three days each week during August with her sister, Dr. Snow, who is concluding an extension course and work shop for teachers at Port Huron.

Mr. and Mrs. Jack Eby and son, Michael and daughter, Diane, are having a ten-day vacation at Townline Lake, near Grand Rapids.

Mr. and Mrs. Brock Eby, of Clearwater, Florida, are visiting their son and daughter-in-law, Mr. and Mrs. Jack Eby for the summer months.

The W.C.T.U. Star Federation annual picnic will be held at Cass Benton Park next Wednesday. The Novi Union will be on the program and the Ella Irish Union and Walled Lake Union will act as hostesses. Those planning to attend should bring their own table service, sandwiches and a passing dish for the 12:30 pot-luck lunch.

Word was received here of the death of Fred Shurtliff of Brighton, formerly of Novi. Mr. Shurt-

liff was the brother of Glen Shurtliff of Twelve Mile Rd.

Mr. and Mrs. Roy Schram recently made a trip to Pennsylvania, taking home Mrs. Schram's uncle, who had been visiting in Novi.

Mrs. Paul Gunste is ill at Atchison Memorial Hospital in Northville.

Mrs. Edna Eaton, of Lansing, was the guest of her brother and his wife, Mr. and Mrs. Luther Rix, at their cottage at Pretty Lake, Mecosta, for several days last week.

Mrs. Ruth Watt, of Flint, and Mrs. Florence Pottinger, of Northville, were the dinner guests of Mr. and Mrs. Luther Rix last Wednesday evening.

Joyce Williams, of Lake City, has been visiting her uncle and aunt, Mr. and Mrs. David O'Leary for the past week.

Don't go around worrying about those problems of protection. Let us handle them. After all, that's our business.

We will be glad to give you our experienced advice without obligation . . . and provide you with the very best in insurance coverage.

Call on us today!

### MICHIGAN

needs 'em BOTH!

Dwight D. Eisenhower

NO SHIRT-TAIL RIDER—

# FRED M. ALGER

Fred M. Alger

Alger became an enthusiastic Eisenhower for president supporter more than a year ago, when the two met and talked over the country's needs, seeing eye to eye.

Alger was the first state official, and the only candidate for governor to endorse Eisenhower. He was criticized for doing so. It wasn't good politics. Good politics dictated that he ride the fence. He wouldn't because he believes the people should know where a candidate for office stands.

The Eisenhower-Alger combination is a natural. Both are agreed that the Nation's defense comes first.

Both have proven themselves good and able administrators, Ike in the European zone, Alger as an efficient, economy-minded, three-term Secretary of State.

Both are full-time veterans of World War II.

Both have records bespeaking unalterable hatred of dictatorship, Ike in arming against Stalinist aggression; Alger as leader of the movement which ended machine rule of the Republican Party of Michigan.

They understand each other.

It's a pair that can't be beat.

For Michigan and the nation, it's

IKE and FRED

## WE CAN WIN THE WAR - NOW LET'S WIN A PEACE

It is necessary that we take the time to train our citizens for diplomatic service. We have a West Point to train Army officers. An Annapolis to train our officers for the Navy. Where do we train our men to negotiate the PEACE? Most of the representatives of our nation at the peace table are chosen because of Who they know instead of What they know.

It is time we established a school where diplomats can be trained. Entrance to this college should be gained only by competitive examinations conducted in all the Congressional districts in our country. Courses should include specialized training in the History, Economics, Language and Background of the particular nation in which the student wishes to specialize.

The English Government has sponsored such a program for years. Over 60 students, of exceptional ability, are picked every year and the cost of their education is paid by the Sovereign. These students are picked when only 13 or 14 years of age. The British Diplomatic Corps is and has been famous for many generations.

It is time we, in the United States, take World leadership not only in providing the best in armed forces but also in saving the lives of our boys by outstanding diplomatic victories.

If I am elected to Congress, I pledge my efforts to the sponsoring of a legislation for the training and educating of an outstanding diplomatic corps.

## VOTE AUGUST 5

State Representative DAVID J. TROMBLY 7th District Democrat

## RE-ELECT OUR PRESENT STATE REPRESENTATIVE DAVID J. TROMBLY

7th District - Democrat

HERE ARE SOME OF THE MOST RECENT OF THE MANY ACHIEVEMENTS CREDITED TO REPRESENTATIVE TROMBLY:

- ★ Always protected the rights of his people.
- ★ Continuously strives for the betterment of conditions for the people of suburban areas.
- ★ Directly instrumental in increasing workmen's compensation, unemployment compensation, and old-age assistance.
- ★ Fought successfully for an extensive public health program.
- ★ Instrumental in the beginning of a highway construction program.
- ★ Sponsored legislation to amend the hospital authority act which will make it possible to build more hospitals.
- ★ Personally defeated an amendment to the sausage manufacturers act which would have given the people inferior meat products and also provided new legislation to stiffen the penalties for violators of this act, by revocation or suspension of their licenses.
- ★ Sponsored the Trombly Act which will give much needed protection to fighters and their families in the event of death or injury received in the ring during a contest.
- ★ Helped bring private banks under state control for the protection of the people.

### RURAL HILL CEMETERY FUND

Frank Oldenburg, Sexton	142.16
Village of Northville, With. & FICA	6.64
	148.80

Moved by Woodworth, supported by Stubenvoll, that bills be carried.

A letter was read from the Northville Twp. Improvement Assn. regarding the contemplated expansion of the proposed City of Northville into Novi Township, in which they request the right to check the legality of any signatures of residents of Novi Twp. before the office of the Secretary of State certifies the election on this question to the local clerk.

The matter of the truck and other traffic on Main St. was then taken up, and Pres. Langfield reported his findings pertaining to the situation to be as follows:

One thing has been established and that is that we cannot take the trucks off Main St. However, truck traffic has slowed up considerably since this matter has received publicity, with stop signs also having been placed at the approaches to this corner by the Wayne Co. Rd. Comm., and Pres. Langfield has observed that traffic is 95% obedient.

The County has also installed speed signs along the route through the Village.

Atty. Littell reported that he had discussed the traffic situation with the administrative staff of the Wayne Co. Rd. Comm. and has also analyzed the State law, and he finds that under the State Motor Vehicle Code the State has by legislative action set the maximum speed limit inside a Village or City at 25 miles per hour. The Wayne Co. Rd. Comm. abides by this ruling on any highways under its control. Local authorities have jurisdiction of establishing or increasing the maximum speed limits on streets under their jurisdiction.

Dr. Atchison, who was present to find out what had been accomplished in this regard, stated that while he appreciated what had been done, he still felt that the Village Commission should follow through; that constant patrolling should be done to keep traffic under control, and that the Village Commission should sincerely endeavor to cut down the truck traffic on our main streets.

Dr. Snow, Chairman of the Committee on City Incorporation, gave his report on the progress made by his committee. He stated that a petition has been received from all the residents eligible to vote in the area proposed to be annexed in Novi Township, stating that they did not wish to be included in the proposed City of Northville, and that they threatened to start suit if necessary to stop annexation. The Committee therefore requested that the Village Commission authorize them how they wished to proceed in this matter.

Major Grieves, who owns the property on Novi Rd. formerly owned by Al Charters, stated that he purchased his home with the understanding that no industry would be allowed on Novi Rd. between his property and Base Line Rd., where it was proposed by the City Planning Commission to establish light industry sites; and Mr. Northup, of 905 Sprng Dr. called the attention of the Commission to the fact that when the Village of Milan wanted to incorporate as a city, the attorney general of the State ruled that because they were located in two counties (the same as the Village of Northville) they could not become a city. Village Atty. Littell stated that Mr. Northup's information was correct, that the attorney general in 1945 did make such a ruling. However, Mr. Littell felt that a ruling should be obtained from the present attorney general on this matter, and it was determined by the Village Commission that this opinion should be obtained before any further action is taken to proceed with the matter, and Atty. Littell was authorized to get this opinion at as early a date as possible.

Comm. Ely made a motion that the committee on city incorporation stick to the present village limits of Northville, but motion was lost for want of a second.

No further business appearing, meeting was adjourned.

(Signed) Mary Alexander, Clerk.

### Village Proceedings

July 7, 1952

A regular meeting of the Northville Village Commission was held at the Village Hall Monday Eve., July 7th, 1952 at 8:00 P.M. Present: Pres. Langfield, Comm. Stubenvoll, Allen and Ely. Absent: Comm. Woodworth.

Minutes of last regular meeting and of Special meeting held June 9th, 1952, were read and approved.

Finance committee audited the following bills:

### CEMETERY FUND

Frank Oldenburg, Sexton	213.24
With. Taxes & FICA	9.96
	223.20

Moved by Stubenvoll, supported by Peters, that bills be carried.

A delegation of Northville citizens was present, with Dr. R. M. Atchison acting as their spokesman, to ask the Village Commission to take some action regarding the gravel truck traffic on Main St. Dr. Atchison stressed the danger to the lives of children and grown-ups alike because of the speed with which these trucks travel through the Village, and urged the Commission to take immediate steps to slow up these trucks, and if possible, to divert them from our Main St. It was requested that this be done before the opening of school in September, and Pres. Langfield assured the delegation that immediate action would be taken to see what could be done to remedy the situation. It was decided to hold a special meeting Fri. Eve., July 11th, 1952, to go into this matter and decide how it should be handled.

Treas. A. R. Clarke presented his report for the month of June, 1952, which showed the following balances in the several accounts as of June 30, 1952:

General Fund	\$10,040.93
Water Fund	6,533.20
Debt Service Fund	1,105.19
Rural Hill Cemetery Fund-General	1,397.79
Rural Hill Cemetery Fund-Trust	1,014.05
Investments-Rural Hill-Trust	3,900.00
Public Imp. Fund-Cash	4,278.44
Public Imp. Fund-Investments	159,000.00

Dr. V. Geo. Chabut, Health Comm., also gave his reports for the months of May and June, 1952, and the unsanitary conditions of the cottages at the rear of 116 So. Rogers St. were discussed. Dr. Chabut stated he would investigate and report his findings at an early date.

The report of the Police Dept. was read by the Clerk in the absence of Chief Denton.

Moved by Allen, supported by Ely, that these reports be accepted and placed on file.

Pres. Langfield recommended the appointment of Sydney Frid, Temporary Chairman, Douglas Lorenz, Robert Coolman and Dr. J. K. Eastland as a committee to work on plans for a community building that could be constructed to cover the needs of the Village with the funds available, and that Walter Couse be asked to act in advisory capacity. Moved by Stubenvoll, supported by Ely, that the appointment of this committee be confirmed. Carried.

Sydney Frid reported on the work that had been done to date on the Parking Lot and Alley project on the south side of Main St. and recommended that some changes be made in the specifications to take care of the surface water as it comes down the alley beside the property of Donald Westfall and enters So. Center St. It was suggested that a curb and gutter for a distance of 50 ft. would more adequately carry off this water than to extend the retaining wall to the street. Clerk was instructed to write Frederick Storer, Engineer, of the contemplated change.

No further business appearing, meeting was adjourned.

(Signed) Mary Alexander, Clerk

## Church Services

**St. Paul's Lutheran Church**  
Corner of Elm and High Streets  
Rev. E. E. Rossow, Pastor

★ To lighten the burdens of those who must watch the passing of time between living and the New Life, we are watchful of every detail, respectful of every wish, helpful and considerate in every way within our power.

Robert Reynolds arrived in Northville, Tuesday, from Sacramento, California, to join Mrs. Reynolds (Mary Ellen Babbitt) and spend a few weeks at the home of Mrs. Reynolds' parents, Mr. and Mrs. L. A. Babbitt of Rogers Street.

Mr. and Mrs. Robert Sinclair and son, Dickie, of Beck Rd., are leaving today to spend a week visiting relatives and friends at Williamstown, Vermont.

Officers of the Methodist Woman's Society of Christian Service who attended a District Officers Training day and Missionary Seminar at Dixboro, on Tuesday, were: Mrs. Merner Ellber, Mrs. Joseph DeJohn, Mrs. Howard Rodgers, Mrs. Fred Gots, Miss Jessie Hutton, Mrs. William Cansfield, Mrs. Russell Amerman, Mrs. Arthur Gots, Mrs. Wilson Clark and Mrs. Oscar Hammond.

### M. Grissom Wed in Walled Lake Rites

Madelin Grissom, daughter of Mr. and Mrs. Walter Grissom of East Lake Drive, Walled Lake, and Jack Dagenais, son of Mr. and Mrs. Phillippe Dagenais of Commerce, spoke their wedding vows Friday night at the Walled Lake Baptist Church. Rev. Mobbok read the double ring ceremony at 6:00 o'clock.

For her wedding the bride chose a sky blue suit with white accessories and her corsage consisted of white roses.

Her maid of honor, Loretta Weaver, of Walled Lake, wore a pale blue suit with white accessories and her corsage was formed of pink and white carnations.

Attending as best man was Dallas Dagenais, brother of the bridegroom.

For her daughter's wedding Mrs. Grissom wore an aqua lace dress with white accessories and a corsage of pink and white carnations.

Mrs. Dagenais wore a white crepe dress, white accessories and a corsage of red carnations.

A reception followed the ceremony at the home of the bride's parents with 50 guests in attendance. The home was trimmed in blue and white for the occasion and the bridal couple cut a large wedding cake.

The young couple is touring Northern Michigan for their honeymoon trip.

Mr. and Mrs. Jack Gray

### Velma Dayton Wed to Jack Gray on Parent's Thirtieth Anniversary

Lt. and Mrs. Kent Esbaugh (Peggy Ely) and daughter, Wendy Kay, are now making their home in Fort Leavenworth, Kansas, where Lt. Esbaugh is stationed. The Esbaughs were formerly located at Battle Creek.

Mr. and Mrs. George I. Price and daughter, Peggy, spent four days at Holiday Inn on Hubbard Lake, returning Monday.

Velma Dayton chose the date of her parent's thirtieth wedding anniversary to become the bride of Jack Gray, of Plymouth. Her parents are Mr. and Mrs. Acel Dayton of Baseline Road.

Rev. Robert Richards, of the Newburg Methodist Church, performed the double ring ceremony

which united Velma and Jack in marriage. Jack is the son of Mrs. Elizabeth Gray and the late John Gray of Pueblo, Colorado. The candlelight service was read at the Newburg Methodist Church before an altar decorated with baskets of white gladioli and palms.

Mrs. Joseph Prisk, of Detroit, sang "Through the Years" and "O Perfect Love." The bride was escorted down the aisle by her father as Mrs. Robert Richards played the traditional wedding march.

Velma's gown was of eggshell duchess satin fashioned with a high neckline, long pointed sleeves, fitted bodice and the full skirt fell into a cathedral train. The yoke and two over panels on the front of the skirt were of chantilly lace outlined with seed pearls. Her Queen Ann bonnet held in place a fingertip veil of illusion. She carried a colonial bouquet of white roses.

Velma chose Mrs. Fred Thomas, sister of the bridegroom, as her matron of honor. Mrs. Thomas wore an orchid satin gown and carried a colonial bouquet of yellow carnations.

The bridesmaids, both sisters-in-law of the bride, were Mrs. Harold Dayton of South Lyon and Mrs. Charles Dayton of Novi.

Mrs. Harold Dayton was gowned in green satin and she carried a colonial bouquet of pink carnations. Mrs. Charles Dayton wore a peach satin gown and her bouquet consisted of blue carnations.

Little Marilyn Taylor, of Garden City, acted as flower girl. She wore a yellow gown and carried a basket of pink carnations.

Jack chose his brother, Donald Gray, of Pueblo, Colorado, to act as best man and Fred Bird and Robert Grumm, of Plymouth, performed the duties of ushers.

For the wedding Mrs. Dayton chose an aqua colored street length dress of rayon butcher linen and lace and white accessories. Mrs. Gray wore a navy crepe dress with white accessories and each mother wore a corsage of bronze tea roses.

A reception for about two hundred guests followed the ceremony at the Newburg Legion hall.

The bridal couple left on a trip to Northern Michigan. For traveling the new Mrs. Gray chose a suit of blue rayon butcher linen and wore a corsage of yellow roses. When they return they will make their home at 35330 Webster Ave., Wayne.

## News Around Northville

June King and Delores Teska, of the First Methodist Church, Northville, are attending the district Women's Society of Christian Service Camp at Lake Huron.

Mr. and Mrs. Douglas Bell, of Plymouth, announce the birth of a daughter, Susan Marie, who was born July 10 at Mt. Carmel Hospital. Susan weighed seven pounds, four ounces. Mrs. Bell is the former Virgie Stanley of Northville.

Visitors this past week at the L. J. Marcoux home on Eight Mile Rd., were Mr. and Mrs. Lawrence Parks of Alpena. Mr. Parks is running for Sheriff of Alpena County.

Judith Keller, of Garden City, is pictured in the August edition of the nationally-circulated farm magazine, "Capper's Farmer." The picture accompanied an article about the Michigan State 4-H Fair.

David DeJohn and Arlene Jerome left Sunday for a week at Judson Collins Memorial Camp on Wampler's Lake. Attending the Methodist's junior camp this week is Jimmy McCarthy. Mrs. W. E. McCarthy and Helen Cansfield are serving as counselors for the senior camp.

Clarence P. Smith, who is serving with the U. S. Army in Korea, has recently been promoted to Sergeant First Class. He is with the 40th Division Artillery Headquarters Btry. He's been in Korea about 10 months.

Lazaar Creme Shampoo contains pure Lanolin for extra hair protection. Gunsell's has Lazaar.

Miss Eleanor Peeke, of 744 Thayer Blvd., returned Monday from a week's vacation near Grayling, where she stayed at "Sunrise Cabin" as the guest of her uncle and aunt, Dr. and Mrs. Warren B. Cooksey, of Detroit.

A son, James Dryden, was born Saturday, July 26 to Mr. and Mrs. George Matthews (Edythe Amerman) of Royal Oak. The baby weighed eight pounds, seven ounces and is the first grandson born to Mr. and Mrs. R. H. Amerman of West Street.

Robert Dearing and son, Larry, of Carpenter St., returned to the village last Saturday from a week's motor trip to Vermont, visiting Niagara Falls, Ontario, and Montreal, Quebec, enroute.

Mrs. E. J. Willis, a member of the Detroit Historical Society, attended the birthday party and 25th anniversary of the city of Detroit at the Historical Museum Thursday, July 24.

A visitor at the home of Mr. and Mrs. George H. Muller of Dunlap St. is the latter's mother, Mrs. Volpert, who arrived here by plane from Paris July 2. Mrs. Volpert will visit with her daughter's family for three months, returning to Paris October 1.

Mr. and Mrs. George H. Muller

and children, Frank, Philip and Christine and Mrs. Muller's mother, Mrs. Volpert, returned this week from two weeks' vacation spent visiting an aunt and uncle in Saluda, North Carolina.

Mr. and Mrs. Richard Somers returned Saturday from a trip to Yellowstone, Salt Lake City and Rocky Mountains National Park. They also spent a few days with Mr. Somers' parents in Northwestern Iowa.

Mr. and Mrs. Ralph Bogart of Randolph St. are announcing the

arrival of two new additions to their family; twin girls born Friday, July 25 at Beyers Hospital in Ypsilanti. The girls weighed five pounds, eight ounces and six pounds. The arrival of twins took the Bogarts by such a surprise that at the time of this writing names for the girls had not yet been selected.

Mr. and Mrs. Clarence Jerome and family, of Dubuar St., were home Monday from a two week's vacation on the shores of Lake Huron near Oscoda.

**Baby Shower Honors Mrs. Robert Ely**

Mrs. Robert Ely (Loyola German) was the guest of honor at a baby shower given last Friday night at the Ely Home on Garden Street. Co-hostesses for the event were Mrs. Claude Ely and her daughter, Mrs. Kent Esbaugh. Thirty-two relatives neighbors and friends attended the party. Contouring saves soil and increases yields.

**Town Hall Series Slates Celebrities; Opens October 15**

The name of General Lewis B. Hershey, United States Director of Selective Services, has been added to the roster of celebrities who will appear at Detroit Town Hall during the coming season which opens October 15 in Fisher Theatre.

General Hershey's address, scheduled for December 10, will be one of the few which he will give outside of the Washington area.

Among the internationally known speakers and entertainers under contract for the 18 weekly Town Hall programs are Ted Shawn, noted dancer, with a cast of ten stars from the Jacob's Pillow Dance Festival, Elsa Lancaster, John Mason Brown, Lucille Vogeler and Margaret Bourke-White.

The list of speakers includes William Bradford Huie, Col. Homer Kellems, Harrison Wood, Roscoe Drummond, Louis Fischer and Igor Cassini (Cholly Knickerbocker).

**Wagenschutz Family Holds 25th Reunion**

Thirty-four members of the Wagenschutz family attended the 25th annual reunion held at the Ingham County Park, Williamston, on Sunday, July 20.

Members arrived from Northville, Plymouth, Tecumseh and Williamston. Among those present from Northville were Mr. and Mrs. Don Hamilton, Mrs. Amelia Ford, Mrs. Gladys Johnson, Mr. and Mrs. George Rutlan and Mr. and Mrs. Clayton Myers.

Officers elected for the coming year are: President, Charles Wagenschutz; vice-president, Hazel Wagenschutz, and secretary-treasurer, Mary Jane Wagenschutz.

**Former Edison Co. Employee Wed**

Genevieve Greene, a former employee of the Detroit Edison Co. in Northville, became Mrs. Monty O. Illingworth in recent ceremonies in Long Beach, Calif. The bride was also employed by the Edison Company in Wayne and has, for the past five years, been with the City Bus Lines in Long Beach.

She is the daughter of Mr. and Mrs. Glen Greene of Farmington.

**To Live in Royal Oak**

Mrs. Albert Van Sickle

**Afternoon Wedding Ceremony Unites Nancy Boyd and Albert Van Sickle**

The First Presbyterian Church of Northville was the scene of the wedding, Saturday afternoon, July 26, of Nancy Dalene Boyd of Northville, and Albert Harrison Van Sickle of Highland Park. Nancy is the daughter of the Clifford C. Boyds of Ray-on St. and the bridegroom is the son of Mr. and Mrs. Stanley Van Sickle of Highland Park.

The single ring ceremony took place at 2:30 and was performed by Rev. Henry J. Walsh, D.D. of Plymouth, before the altar banked with palms and baskets of white gladioli and mum.

Before the bride descended the aisle on the arm of her father, Ernest Feighner, of Royal Oak, an uncle of the bride, sang "At Dawning" and "Through the Years." He was accompanied by Mrs. Gerald V. Harrison. As the young couple knelt at the altar, Mr. Feighner sang "The Lord's Prayer."

Nancy wore a gown of candlelight satin and chantilly lace, styled along princess lines with a V-shaped neckline and an inset of lace in the bodice. The long, closely-fitted sleeves ended in points over the wrists. Panels of chantilly lace fashioned the skirt front and the skirt extended into a cathedral train. Her fingertip veil of French illusion was held in place by a band of satin and chantilly lace trimmed with orange blossoms. She carried a white orchid with a shower of ribbons and stephanotis attached to a white Bible. A triple strand of pearls adorned her neck.

Nancy's sister, Maigery Boyd, as maid of honor, wore a gown of yellow nylon net and lace styled with matching bolero and gauntlets. She carried a cascade bouquet of bronze roses and was her sister's only attendant.

Donald Van Sickle, of Wyandotte, brother of the bridegroom, served as best man and a cousin, Jack Harrison, of Plymouth, and David Boyd, brother of the bride, seated the guests.

For her daughter's wedding, Mrs. Boyd wore a street length gown of blue silk organza over taffeta with white accessories. A corsage of red roses was worn at the waist with matching roses forming her headpiece. Mrs. Van Sickle chose a gown of dusty rose lace with navy accessories. Her corsage of deep shaded roses accented her costume.

A reception in the church house followed the ceremony. Receiving the guests with the bridal couple, their attendants and parents were Mrs. Ida M. Yuill, grandmother of the bride, and Mrs. Sarah J. Harrison of Plymouth, grandmother of the bridegroom. Each grandmother was presented with a corsage of pink glamelias.

A yellow and white color scheme was carried out in the table appointments and in the floral center of yellow roses and stephanotis which ornamented the top of the wedding cake. Assisting as hostesses at the reception were Zoe Gates, Mary Ertell and Joyce Dusendorf, sorority sisters of the bride, with Mrs. Howard McGregor, another

newlyweds left to spend a week at Garden Lake, Ontario, Canada. The bride was graduated from Northville High School and Albion College, where she was affiliated with Delta Zeta sorority. Albert graduated from Highland Park High School and Michigan State College and is employed at the Detroit Edison Company in Detroit. The young couple will make their home in Royal Oak.

Mr. and Mrs. Harry S. German of Orchard Drive visited their son and his family, Mr. and Mrs. Harry E. German and son, Dave, at Belding the first of the week.

**Lake Orion Church Fetes W. Ballaghs**

Northville friends of Rev. and Mrs. Ballagh will be interested to hear that the church which Rev. Ballagh now serves the Lake Orion Baptist Church, honored them recently, the occasion being their 17th wedding anniversary. Rev. Ballagh was located at the Northville Baptist Church, leaving here about a year ago.

The following account of the affair appeared in the July 18 issue of the Lake Orion paper:

Following refreshments of cake and coffee at the church Friday evening, the Rev. and Mrs. Ballagh were presented with a gift, a set of plastic dishes.

A mock wedding united in marriage Bernice Petty and Norman Wilcox. The Rev. Thomas DeHart performed the ceremony. Given in marriage by her father, George Schick, who was attired in his fireman's uniform, a shotgun resting in his arms, the bride chose a gown of lace, fashioned from curtains which formally decorated the windows in her living room. A few hair pins held the finger tip veil of cheesecloth in place. To accent her ensemble, Betty Winship the maid of honor, carried a cascade arrangement of lettuce and rhubarb leaves.

Flower girl, Allen Taylor, wore an organdie gown and tennis shoes. He carried a bouquet of cat-tails and strew them in the path of the bride. Likewise adorable, was Gordon Burnham, dressed in blue shorts with a red bow tie, bearing the ring on his bed pillow. Lee Taylor, in a striped coat with tails, red plaid shirt and black tie, was best man.

Preceding the ceremony, Jim Winship sang "Detour." Bee Schick played the piano, accompanied by her son, Jerry, at the drums.

The affair was well attended and a complete surprise to the Ballaghs.

**Methodists Attend Various Youth Camps**

Many young people of the Northville Methodist Church are spending this week in camp.

At Judson Collins Camp at Wampers Lake are David DeJohn, Hugh Black and Arlene Jerome. Helen Cansfield and Mrs. W. E. McCarthy are counselors at the Senior Youth Fellowship Camp. Wilson Funk and John spent the weekend instructing the counselors in handicraft.

James McCarthy is attending junior camp at Judson Collins camp and attending the World Friendship Camp at Camp Huron, north of Port Huron, are Delores Teschka and June King.

Twenty-one Methodist youth have attended camp during this summer, according to Mrs. Joseph DeJohn, camp chairman.

Others who have been to camp are: David Nash, Douglas DeJohn, Michael Eastland, Kent Frid, Larry Clark, Marilyn Engle, Betty Garrod, Mary Long, Sandra Moase, Rosemary Frost, Freddy Steeper, Sally Straw, Joan Morse, Jacky Ely and Faye McGee.

OBITUARY

SYBELLA M. VER DUYN

Syella M. VerDuyn died at her home at 43310 Grand River, Novi, Monday, July 28. She was 77 years of age.

Rosary service will be held at the home tonight at 9 o'clock and funeral services will be held tomorrow morning at St. Williams Church, Walled Lake, at 10 o'clock, with Rev. Graven officiating. Burial will take place at Holy Sepulcher Cemetery.

Mrs. VenDuyn was born October 22, 1875 in Detroit to the late John and Bernadine Engles. She had made her home in Novi since 1909. Surviving are the husband, Eugene; one daughter, Mrs. Berenadine Grant, of Milwaukee, Wisconsin; four brothers, Henry, Louis and Raymond of Detroit, and Isadore of New York City; one sister, Mrs. Marie Seeley of Farmington; eight grandchildren and three great granddaughters.

Wait to wash mushrooms until you are ready to use them— which should be soon after purchase, according to Michigan State College home economists. Store mushrooms in the refrigerator in a covered dish.

Veterinarian to Move to 7 Mile Address

Dr. and Mrs. E. B. Cavell are moving this Saturday from their home on Griswold Road to 37850 Seven Mile, the former Blackett home. Dr. Cavell will continue his veterinarian business at that address.

Dr. Cavell has been recently voted a life membership in the Michigan State Veterinarian Medical Association.

Arlene Jerome, daughter of Mr. and Mrs. Clarence Jerome, is spending this week at the Judson Collins Methodist camp at Wampler's Lake in the Irish Hills.

★ Try The Want Ads

Costs Guide . . . .

(Continued from Front Page)

Probably the most important phase of the Community Center for the city's men is the opportunity for them to drop in almost any time to an exercise room and "work out" for a while. The Center's showers were used more than 30,000 times last year.

Cost of last year's program in Midland was \$65,798, of which Dow Chemical contributed \$20,000 as its share and another \$2,988 for special events which the company wanted to sponsor. Rentals for use of the building are a small part of the Center's income. Midland citizens apparently prefer contributing to a yearly fund drive. The Community Fund, which also includes support from the city, paid \$32,605 of the total in 1951. The remaining \$10,205 came from rentals, fees for special instructors in crafts classes and other miscellaneous sources.

Mr. Russell admitted that such a city-wide program costs big money unless the program has an outside source of revenue, and commented that villages and cities now interested in constructing community buildings were leaning toward a cooperative tie-up with school systems

wherein agreements are worked out for joint use.

"Above all," Mr. Russell said "the building should be planned for low maintenance costs and for constant use. The advantage of working with school systems is that school buildings are attractive, yet built to withstand great use."

Mrs. Ted Baldwin and sons, Michael, Richard and Stephen, are leaving Saturday night by plane to join Ted in San Francisco, where he is temporarily stationed. He expects to be assigned permanently in that vicinity and his family will reside there with him. Mrs. Baldwin has been living with her mother, Mrs. Marjorie Lanning on North Wing St.

IT JUST HAPPENED?

I have before me a new typewriter, which is a gift from my former church. Suppose I were to take this machine apart, every screw, bolt and spring. Then when I wanted to assemble the machine again, I would put them all in my wife's washing machine, turn the switch and wait. After a month I would lift the lid and there would be this typewriter all nicely re-assembled. "What nonsense!" you would say. "Why you can charge the parts with all the energy you can think of and allow the parts to churn for a million years and they would never churn themselves into a typewriter. It takes a mind to assemble a machine." Yet this is exactly what the modern teaching of evolution would have us believe. This world is infinitely larger than a typewriter and its mechanism far beyond our comprehension. We are told that the Milky Way contains 3000 million stars. The sun that seems so hot today is 93 million miles away. With millions of stars fixed in the universe, and millions of planets on the go; yet the movement of each planet is so accurately adjusted that it forms the standards of measurement for all human observation, could this just happen, or does this point to a Supreme God who planned it all.

# Northville Brownies Learn About Scouting at Day Camp in Cass Benton Park

Senior Scout Marilyn McCormick (right) demonstrates to Brownies (l. to r.) Connie Springer, Susan Hussian, Sharon Laskey and Racina Bailey how to "lay" a fire, and cautions them on extinguishing the fire when they are finished.

Camp Director Mrs. Rano Papini (right), helps a group of Brownies make puppets out of tongue depressors and cotton. The Brownies in the group are (l. to r.) Patsy Mulligan, Dorothy Sutherland, Vivian Baldwin, Pam Parmenter, Laurie Chabut, Rita Bradford, Donna Williams and Cathy Lee.

The spot commonly known as the "big hill" in Cass Benton Park has been the training ground, since Tuesday, July 22, for the 31 Brownie Scouts attending the Annual Brownie Day Camp. The camping program for the Brownies, like the one for the Girl Scouts in Northville, is sponsored by the Girl Scout Council.

### Mrs. Papini Is Director

Mrs. Rano Papini, camp director, and her staff, have been instructing the girls to prepare them for future membership in the Girl Scouts. Assisting Mrs. Papini for the July 22-24 period have been Mrs. John Clarke, Mrs. Hurd Sutherland, Mrs. F. S. Jennings and Marilyn McCarthy. The bus load of youngsters has arrived at the park about 10 o'clock in the morning and returned to the village about 3:30 p.m. after a day chuck-full of activities.

### Many Activities

After the flag raising ceremony, the morning has been filled with cooking activities which last

Thursday brought forth a corn roast, pocket stew and "Se-motes" have also been among their cooking projects.

Visitors in the park this last week have observed the girls gathering wood and laying fires in preparation for their noontime cooking and they've watched the "bucket detachment" lug the water bucket to its place beside the fire.

The leaders, throughout the weeks, have taught the girls the correct and the safest way to build outdoor fires, using the Brownie Scout rule book as their guide.

### Handicraft Period

After the cleaning up detail had washed the last dish and put out the cooking fire, the Brownies' schedule called for a handicraft period in which the girls have done glass etching and tie dyeing and have made puppets out of tongue depressors and cotton. The youngsters have also worked with plaster molds to produce figurines and dishes.

As at all good Scouting functions, the flag ceremony opens and closes the day's activities, with the color guard, composed of the Brownies themselves, bringing the flag to the designated spot in the morning and lowering the colors for safe keeping during the night.

Learning about handicrafts from assistant leader Mrs. Hurd Sutherland are (left to right) Heide Handorf, Diana Riley, Sharon Williams, Betty Reed, Judy Zayti, Cheryl Thibos, Janice Williams, Judith Morden, and Vivian Baldwin.

PRIMARY ELECTION  
AUGUST 5, 1952

The Brownies close the day's activities with the flag ceremony with two Brownies bringing the flag into a horseshoe formed by the young girls and leaders while they salute the flag and sing "America".

To keep apples from spoiling, place them in a cool room in a house occupied by eight children.

## State Fair Plans New Entertainment

A brand new Coliseum entertainment policy, featuring top recording artists in continuous performance from 3 p.m. to midnight has been adopted for the 1952 Michigan State Fair, August 29 through September 7. It will bring to the State Fair such leading entertainers as Les Paul and Mary Ford, the Harmonics, the Kirby Stone Quintet, the Dominoes, Gene Krupa's trio, Al Martino and a host of others including Guy Lombardo and "Her Nibs" Georgia Gibbs.

right track in presenting these popular stars," said James M. Hare, State Fair Manager, who explains that this galaxy of stars is being obtained at a savings of almost half of what entertainment has cost in the past few years.

"Instead of securing a Hollywood star or two and paying large fees, we are getting a large variety of artists all of whom have recordings which are anywhere from first to eleventh in the country," Hare said. "Our entertainment director, Don Ridler, deserves a lot of credit for getting this attractive program together."

Meantime, admission to the Coliseum has been reduced. It will be \$1.20 for adults and 60 cents for children under 14.

There will be three shows scheduled daily at 3 p.m., 6 p.m. and 9 p.m., except on September 2, 3 and 4 when the entire Coliseum will be given over to the judging of livestock and agricultural events.

Ridler is moving the stage in the Coliseum from the end of the building to the west side center, placing the audience closer to the stage and allowing more comfortable viewing.

Lead poisoning is one of our most common forms of animal poisoning, et, it is often difficult for the farmer to recognize its symptoms, as they may be confused with such diseases as gress tetany, ketosis and shipping fever.

## OBITUARY

**WILLIAM H. EDELMANN**  
William H. Edelmann died at his home on Novi Road, Walled Lake, Wednesday, July 23 at the age of 68 years. He had made his home there for the past ten years.

Funeral services were conducted Saturday afternoon at the Casterline Funeral Home with Rev. J. M. McLucas of Novi officiating. Burial took place at Grandlawn Cemetery.

Mr. Edelmann was born in New Haven, Connecticut, the son of the late William P. and Matilda Edelmann. He was employed as a toolmaker at Daisy Air Rifle in Plymouth.

Surviving are two sons, William P. and Jervis, of Newark, New Jersey; one brother, Walter, of Novi, and three sisters, Mrs. Elsie Stevens, of Inglewood, California; Mrs. Flora Lang, of Nanton, Michigan, and Mrs. Lucy Murphy, of Weathersfield, Connecticut. His wife, Margaret, preceded him in death.

Young Billy Hubble shows how easy it is to unload a silo electrically. Automatically controlled, the blades work silage to the center, where it is picked up by the blower and dropped down the chute.

## ELECTRIC SILO UNLOADER

saves one hour's hard work a day

Every farmer knows that it's hard, disagreeable work to climb into a silo every day and throw down silage. Charles Hubble, Lapeer County farmer, has done something about it with a new electric silo unloader that does the job for him and saves at least an hour of work every day.

He finds these advantages, too. (1) The cows eat more because the silage

is shredded finer. (2) The revolving blades keep the top of the silage leveled off, with less surface exposed to freezing. (3) Less waste from spoilage.

For more complete information on this new time-saving electric farm-hand, see your dealer or your Edison Farm Service Advisor.

Good wiring is always important. So always ask your Farm Service Advisor for his recommendations.

### Events of the Past in Northville

News Items Taken From the Files of the Record

#### — One Year Ago —

The Veterans of Foreign Wars Post 4012 are sponsoring a D.-key Ball Game at Ford Field. The VFW boys are also slated to meet the Plymouth Girl's league. In the seventh race at Northville Downs, Friday night, "Little Royal" driven by Leon Boring, crashed into the rail just beyond the finish line, injuring several spectators.

Thomas Marshall, 16, was killed in an auto accident on Grand River near Taft Rd. last Friday evening.

Gerald Taft, of West Eight Mile Road, had three of his Morgan horses in Detroit's 250th Anniversary parade on Saturday.

Mr. and Mrs. Floyd Appling (dressed in old-fashioned costumes) rode in a surry drawn by Springbrook Peggy and Quiz Kid. Mr. Taft rode his parade horse, Springbrook Sam in the silver mounted group.

#### — Five Years Ago —

Floyd Leavenworth, 59, of Beal Ave., was struck down in a lutan accident last Thursday evening as he was standing on the side of Beal Ave., flagging cars with a flashlight as an advertisement for parking cars.

At the annual Rotary-Exchange club picnic, the Exchanges beat the Rotarians at softball, 10-7. A. Russell Clarke hurled for the winning team with Carl Johnson and Ivan Ely pitching for the losers.

Last Friday evening 46 young people attended the free movies at the Northville Library which were shown under the sponsorship of the local Recreation Department and the Wayne County Library.

#### — Ten Years Ago —

F Alton Peters is the commander-elect of the Lloyd H the downtown corner of Main and Center Streets.

#### — Thirty-Five Years Ago —

The storm Wednesday afternoon took the roof off of the barn on the Louis Balco farm and the silo was blown down at A. Techka's.

Oien and Ray Lanning are among the many Michigan boys who enlisted after the national drawing took place.

Carl Ryan has enlisted as a member of the 33rd Michigan band now at Fort Wayne.

The South Lyon Herald says: It is said that Northville girls are taking to overalls as naturally as a duck takes to water. Record comment: Well, maybe, if there's a good looking young man wearing 'em.

Green Post of the American Legion.

The Dental Clinic, sponsored by the Children's Fund of Michigan, through provisions made by the late James Couzens, will be held in the kindergarten room in the grade school building.

Three Northville boys leave Monday for army training: Clyde Wheaton, Milton Pease and Leo Misslitz.

#### — Fifteen Years Ago —

Eight boys, all between the ages of 19 and 23, stood before Judge Arthur Nichols, Saturday morning, facing charges of robbery. On the night of July 20, the Recreation Cafe was robbed of \$62.30, Butch's of \$40 and the Phil Grennan farm of \$75.

Announcement of the establishment of the Northville Heating and Air Conditioning shop was made today by L. C. Eckburg, founder and owner.

Mrs. Thad J. Knapp writes from London, England, that she is having a wonderful time on her tour of the continent.

#### — Twenty Years Ago —

Charles Conklin sold his barber shop to Marshall Herrick. Evelyn Grennan was painfully bruised and shaken up Monday when the automobile in which she was riding was hit by a street car in Detroit.

The Lees, Turnbulls, Tewksburys and Frasers have returned after a week's outing in the northern out-of-doors near Interochen.

The village is making a parking lot on the back of the property owned by E. A. Schafer on

Today's farmer has to be a shrewd businessman and operate his farm on a sound financial basis, MSC agricultural economists say.

# HANG ON!

**HANG ON!**  
If your boat or canoe rolls over, TURN IT TOP-SIDE UP and HANG ON. "Kick" it ashore or wait for help. It won't let you down. If one of your crew can't swim, put him inside lying on bottom.

**IT'S TRUE!**  
A wooden boat filled with water will support 10 to 40 people. A sixteen foot wood and canvas canoe filled with water will support four or more.

**STICK WITH YOUR BOAT!**  
Even though you are a good swimmer STICK! You have read it in the papers—  
William... who couldn't swim hung onto the swamped boat and was rescued some hours later. He said the last he saw of George... (who was an expert swimmer), he was swimming a lone to get help. He had been found on a windy point this morning at low tide.

Every year many people die in an attempt to swim from swamped or capsized boats—and each year many who hang on are saved—please—  
HANG ON!

**CANOE SAFETY**  
The balanced position is used by experienced paddlers. The pump is against the seat (NOT ON IT), knees braced. This keeps weight low, gives more power and is safe. A good pad under the knees makes the position comfortable and secure. If caught in a storm while canoeing, lie down in the bottom—hold on to each side and ride it out. Two people should do the same. A canoe is an excellent rough water craft when well loaded.

HEALTH AND SAFETY SERVICE - BOY SCOUTS OF AMERICA

### Northville Tennis Players Meet Defeat

The opening day of the finals of The Detroit News novice tennis tournament, Wednesday, July 23, was a fatal one for the two Northville - Plymouth players. The play was held at Farwell Park, Detroit.

The winners of the preliminary matches of the women's and men's divisions, Joan Page, of Northville, and Carl Pursell, of Plymouth, were defeated.

Joan's game with Sharon McNeely, of Patton Park, ended in defeat for the Northville player. The score was 6-1, 6-2. Al Dorf-

man defeated the local men's division winner, Carl Pursell, of Plymouth, 6-1, 6-0.

Mrs. J. F. Page, of Novi Rd., accompanied her daughter to the tournament. Her grandmother, Mrs. J. F. Page, Sr., of Birmingham, also watched the play.

Veteranians say the greatest potential disease threat to livestock production in North America is foot-and-mouth disease. It is now present in Canada and has just recently been eradicated in Mexico.

### Cadet Feole Trains at ROTC Camp

Cadet Howard I. Feole, Jr., an ROTC student at Michigan State College, East Lansing, is now attending the 1952 Infantry ROTC Summer Camp at Fort Benning, Georgia.

Cadet Feole is the son of Julius Feole, of Route 1, Box 172, Northville.

The ROTC camp will consist of six weeks of intensive training in courses ranging from bayonet training to radiological defense; however, most of the training will be concerned with learning the basic infantry techniques to include the firing of individual and crew-served weapons and tactics.

The ROTC Summer Camp training is designed to supplement the instruction which is given to ROTC students at educational institutions by additional applicatory training in the field and to prepare the cadets to become Second Lieutenants in the Organized Reserve Corps upon completion of their ROTC training.

Mr. Clarke was with the Emigrant Industrial Bank.

Surviving is his wife, Julia Montgomery Clarke. A son, Richard Montgomery Clarke, died in 1950.

### Services Read for Former Resident

Clarence Day Clarke, 79, of New Rochelle, N. Y., who spent his boyhood and early manhood in Northville, died in New York on July 21, 1952. The service was held Thursday, July 24, from the Schrader Funeral Home with the Rev. Dr. Henry Welch of the Plymouth First Presbyterian church, officiating. Burial was in Rural Hill Cemetery, Northville.

Mr. Clarke was born in Northville on April 11, 1873, to Frank N. Clarke and Prudence Bower Clarke. He was graduated from Northville High School and from the University of Michigan with the class of 1898.

He was affiliated with a Northville Masonic Order and the Northville First Presbyterian Church. Until 1934, he was in the land appraisal Department of the New York Central Railroad.

Before retiring in 1940, Mr. Clarke was with the Emigrant Industrial Bank.

Surviving is his wife, Julia Montgomery Clarke. A son, Richard Montgomery Clarke, died in 1950.

Weekday hours will remain the same: 8 a.m. to 5 p.m.

#### Record Office Closed Saturdays

Because of a normal slow-down of business transactions during the summer, the Record office will be closed Saturdays during July and August.

Board of Education Minutes

July 16, 1952
The regular meeting of the Northville Board of Education was held in the board room on Wednesday evening, July 16, 1952 at 8:30 p.m.

lar meeting, the annual meeting and the special meeting were read and approved.
Communications were read as follows: report from Fred C. Fischer on delinquent taxes collected, January, \$139.71, February, \$192.68, fourth payment of State Aid, \$6,633.84; C. E. Brake, suggesting that our school might wish to become a member of the Detroit Metropolitan Bureau of School Studies; Wayne County Board of Education, presenting a copy of a petition signed by sev-

eral residents of School District No. 11 Fr. requesting that the attached described property be detached from District No. 11 Fr. and annexed to Northville and Novi District No. 2 Fr., Marie Dorsey, resigned teacher, asking the board to consider a financial settlement for loss of time and hospitalization caused by injury.
The superintendent reported that there are two vacancies on the staff, one due to a teacher being called for military service. Applicants are available for both positions.

the Northville Grade School @ \$4.50. The motion carried.
Upon motion by Severance and second by George L. Clark the following items were authorized: Four dozen tablet arm chairs for high school classrooms @ \$9.85.
Fifty-four window shades to complete the equipment of the Grade School @ \$11.21.
Agreed to accept the five eight grade pupils from the Chapman School for attendance in the high school on a tuition basis.
Treasurer Coolman reported receipts and balances as follows: Received since last meeting, \$8,003.43
Balance in General Fund, \$39,442.58
Balance in Debt Ret. Fund, \$27,245.82
Moved by Severance, seconded by George L. Clark, that the report of the Treasurer be accepted. Carried.
The Auditing Committee reported for payment vouchers as follows: Bills, \$5,919.05; Payrolls, \$22,739.66.
Upon motion by Severance and second by George L. Clark the bills and payrolls were approved for payment.
Mr. Coolman reported the need for certain repairs to the cement stairs at Ford Field and he and the superintendent were authorized to have the repairs made.
The joint meeting of last July 17, with the Plymouth and Wayne County Boards, relative to minor boundary line changes between the Northville and Plymouth school districts was reviewed, approved and signed by the board members.
Upon motion by Coolman and second by Severance, the meeting was adjourned at 10:30 p.m. George L. Clark, Secretary

MORTGAGE SALE—Default having been made in the terms and conditions of certain mortgages made by Morris B. Buntz, of Wayne County, Michigan, mortgagee, to Depositors State Bank, a Michigan Banking corporation, of Northville, Michigan, mortgagee, dated the 9th day of July, A. D. 1916, and recorded in the office of the Register of Deeds for the County of Wayne and State of Michigan, on the 9th day of August, A. D. 1916, in Liber 8164 of Mortgages on page 527, and said mortgagee having elected under the terms of said note and mortgage to declare the entire principal and interest and advances for taxes and insurance due, which election it does hereby exercise pursuant to which there is claimed to be due and unpaid on said mortgage, at the date of this notice, for principal and interest and taxes the sum of Four Thousand Two Hundred Ninety-Four and 29/100 Dollars.

At a session of the Probate Court for said County of Wayne, held at the Probate Court Room in the City of Detroit, on the sixteenth day of July, in the year one thousand nine hundred fifty-two, Present JAMES H. SEXTON, Judge of Probate.
In the Matter of the Estate of WARD MASTERS, Deceased.
Vance A. Masters, Administrator of said estate, having rendered to this court her first and final account in said matter and filed therewith her petition praying that the balance of said estate be distributed pro rata to the creditors of said estate.
It is ordered, That the fourteenth day of August, next, at ten o'clock in the forenoon at said Court Room be appointed for examining and allowing said account and hearing said petition.
And it is further Ordered, That a copy of this order be published once in each week for three weeks consecutively previous to said time of hearing, in the Northville Record, a newspaper printed and circulated in said County of Wayne and in the State of Michigan.
JAMES H. SEXTON
Judge of Probate

### WEST POINT PARK NEWS

by Miss L. A. Ault  
 Mr. and Mrs. William Dixon and children, of Shadyside Ave., have returned from a vacation in northern Michigan.  
 Mrs. George Throno, of Ypsilanti, spent last Saturday evening with her parents, Mr. and Mrs. Austin Ault, on Brentwood Ave.  
 Mr. and Mrs. Richard De Steger, of Detroit, were Sunday guests of Mr. and Mrs. E. W. Stange, on Mayfield.  
 Mrs. Herman Schult, of Shadyside Ave., and her daughter, Mrs. Marietta Wyman, visited in South Lyon Saturday evening.  
 Mrs. and Mrs. Austin Ault, of Brentwood Ave., were Detroit visitors last Monday.

Mrs. Emerson Ault, Mayfield Ave., spent some time Monday with her Rug Club, which met at the home of Mrs. Kate Banfield, Farmington.  
 Esther and Shirley, daughters of Mr. and Mrs. George Sandau, Hubbard Ave., returned Tuesday from a week's visit with relatives in Lincoln Park.  
 Mr. and Mrs. George W. Sandau and four of their children, Merwyn, Frankie, Linda and Audrey, of Hubbard Ave., enjoyed an outing at Whitmore Lake last Monday afternoon.  
 Mrs. William Griffith, of Dearborn, was an overnight guest, Wednesday, of her parents, Mr. and Mrs. E. W. Stange, on Mayfield.  
 Mrs. Arthur Bosley, of Akron, Ohio, accompanied by her son, Delbert Bosley, with his wife and daughter, of Detroit, called on the Misses Lora and Freda Ault, at Shadyside Ave., Tuesday evening.  
 Last Easter, one of her soldier sons presented Mrs. Herman Schult, of Shadyside Ave., with a beautiful Easter lily. Now it is blooming again, and it is just as lovely as before.  
 Mr. and Mrs. Russell Ault and their daughter and grandchildren Mrs. George Sooke, Richard and Kathleen, called in Northville Tuesday evening.  
 Julius Walt, of Farmington Rd., amputated one finger and part of another while using an electric saw. He is reported doing nicely.  
 Mary Lou, Jackie and Susie Ackerson of Gill Rd., spent a few days of this week with her grandmother, Mrs. Grace Simpson, of Mayfield Ave.  
 Mrs. Ernest Tallman, of May-

### MICHIGAN OUTDOORS

**NEW GAME LAWS CAN BACKFIRE**  
 Our Michigan Conservation Department has definitely established the course of its convictions in the setting of longer seasons on some of our more prominent Michigan game, BUT they'd better pray that nature cooperates!  
 Most bird and animal populations are subject to fluctuations over which man has no control. High and low peaks seem to run in more or less definite cycles which have sometimes been predicted well in advance. If our upland game bird population holds at its current high level, IF our Michigan rabbits continue to multiply and sustain their present numbers, the new, longer seasons will be headed as a wonderful move on the part of the Conservation Department. Hunters will be lavish in their praise of the decision.  
 However, let nature put the odds on partridge or bunnies in one of her cycles and the hounds will be loosed! They'll be baying at the door of those game biologists who said that longer seasons wouldn't put a dent in populations. They'll be howling that too much hunting pressure did it! The birds and bunnies have been chivvied and harried relentlessly in the elongated season! The very seed stock has been all but destroyed! It's murder! And it's all the fault of the Conservation Department.  
 Miss Susie Lewis, of Hubbard Ave., spent last week with her grandparents in East Detroit. Her older sister, Ellen, has had a second week at Girl Scout camp.  
 Mr. and Mrs. J. C. Dunaman, of Farmington Rd., are spending this weekend in Cadillac, Michigan, where they will be attending a golden wedding celebration.  
 Mr. and Mrs. Charles A. Armstrong, of Mayfield Ave., were visitors in Pontiac Thursday.  
 Mr. and Mrs. Albert Owen, of Mayfield Ave., have been visiting relatives in Pennsylvania.  
 Sailor "Red" Chavey, who has been visiting his parents, Mr. and Mrs. Stanley Chavey, on Mayfield Ave. for three weeks, is returning this weekend to Parris Island, where he is stationed.  
 Miss Shirley Ault, who, accompanied by a girl friend, has been vacationing in northern Michigan, returned home Saturday.  
 Mr. and Mrs. Bob Dickieson

Moff Neff's "Michigan Outdoors" television show may be seen every Thursday at 10:00 p.m. on stations WWJ-TV, Detroit and WJIM-TV, Lansing.

field Ave., has returned from a visit with her daughter. Mrs. Robert Laughman, at Mishawaka, Indiana.  
 Neighborhood Sunshine Sisters met in the church Wednesday afternoon. About twelve members were present. Feature of the afternoon's program was a talk by Mrs. Grace Simpson describing activities at a "Christian Life Camp, where she was recently enrolled as a helper.  
 The next Sunshine meeting will be held Wednesday, Aug. 6.  
 Last Thursday Mrs. Calvin Cookman, of Tampa, Fla., visited the Misses Lora and Freda Ault, on Shadyside Ave., and Mr. and Mrs. Ernest Tallman, on Mayfield. Mr. and Mrs. Cookman have been guests for a week of Mr. Cookman's relatives in East Detroit. Mrs. Cookman is the former Mrs. Stanley Schilling, who, for a number of years, resided on Pembroke Ave.  
 In an accidental fall while busy in the yard of her home on Shadyside Ave., last Thursday morning, Mrs. Ira Magner received a badly sprained knee.  
 Terry McMillan, fifteen-year-old grandson of Mr. and Mrs. Ira Magner, Shadyside Ave., who so frequently comes out from Detroit to visit in this neighborhood, is now ill with polio. This is his second experience with the disease.  
 The W.S.C.S. of the Livonia Methodist Church enjoyed a picnic at Kensington Park, Thursday.  
 Mrs. John Mercer, formerly of W. Seven Mile Rd., but now residing in Inglewood, Calif., writes assuring friends here that she suffered no real misfortune during the recent earthquake, although not too many miles away much damage was done.  
 Boys and girls appear to be taking a considerable amount of interest in the playground established this week between Hubbard and Parker, near Northfolk.  
 Mrs. Austin Ault, Brentwood Ave., was a visitor in Wayne on Wednesday.  
 Mr. and Mrs. Russell Ault were in South Lyon Sunday evening.  
 Mrs. Ernest Tallman was a Detroit visitor Thursday afternoon.

and children, of Parker Ave., have returned from a two week's vacation spent at a delightful Inn near Lapeer, in northern Michigan.  
 Mr. and Mrs. Nelson Nordyke, of Grand Rapids, arrived Thursday evening to be weekend guests of the latter's brother, Edwin L. Johnson and his family, on Clarita.  
 Roger Graham, who has been with the Coast Guard for some time, has received his discharge and is now home with his parents, Mr. and Mrs. Louis Graham on Mayfield.  
 Freda Ault, of Shadyside Ave., entered Harper Hospital, Detroit, Thursday afternoon and for about ten days will be a patient there.  
 Mr. and Mrs. Russell Ault, of Shadyside Ave., visited in Harper Hospital, Detroit, Friday evening.  
 Mr. and Mrs. Ernest Tallman, Shadyside Ave., plan visiting the latter's sister, Mrs. Ethel Starr, in northern Michigan. Mrs. Starr is very ill.  
 Guests of the Reddys, Shadyside Ave., last Sunday included Mr. and Mrs. Ralph Chase and Mr. and Mrs. Lloyd Paulson, of Detroit, and Mr. and Mrs. Wilbur Shouquist, of Farmington.  
 Jimmy, 12-year-old son of Mr. and Mrs. Arthur Muir, Shadyside Ave., suffered a severe attack of illness last week.

**Novi Lodge News**  
 Don Salter and Mr. and Mrs. Glen Salow took a group of girls to the Odd-fellow and Rebekah recreation camp at Big Star Lake, Sunday morning. Included in the group were Ardena, Lois and Sharon Risner, Janet Sharpe, Sandra Walters, Brenda Sharpe, Gall Putnam and Susan Catherman. The girls will spend a week there. Mr. and Mrs. L. J. Putnam and Mr. and Mrs. Harold Seeley will visit the camp for the weekend and bring the girls home.  
 Saturday, July 26 was Gala Day for the Novi fellows and Rebekahs. The annual "Auction Sale" took place for that date at the lodge building. A variety of goods was sold by the auctioneers, Pete Knowlton and son. In addition to the auction there was a bake sale, milk sale, sale of pop corn and candy and lunch. The climax of the day was giving away two pigs and a hand-made quilt. Glen Enders and Mrs. Archie Kent won the pigs and the quilt went to Mrs. Hilton Murdock.  
 Sister Patricia Olivich Tornow is progressing favorably while a patient in Mt. Carmel Hospital in Detroit.

**Baton Twirlers Can Enter Contest at State Fair**  
 Talented drum majors and majorettes from every section of Michigan will compete in another huge contest at the Michigan State Fair to be held in Detroit Aug. 29 through Sept. 7. Medals will be presented to the first, second and third place daily winners, and 27 beautiful trophies will be awarded in the final competition in the various classifications by Grinnell Brothers, a Michigan music house. The contest is under the direction of Graham T. Overgard, director of musical events and special activities.  
 Official Entry Blanks  
 Entries must be made on official blanks which may be obtained by writing to the Michigan State Fair, Detroit 3, Michigan. All entries must be returned by Monday, Aug. 18.
