Rotary Auction Is Tomorrow

The stockpile grew and grew this week as Rotarians collected everything from clothing to furniture to lawn mowers for their public auction and rummage sale Friday, Sept. 26. The huge collection of the usual and unusual will go under the auctioneer's hammer, rain or shine, under the grandstand at Northville Downs.

The sale is divided into two parts. From 9 a.m. to 2 p.m. all items will be sold according to price tags to anyone who wants to buy them. Then, beginning at 2 p.m., everything not sold will be surrendered to the highest bidder in usual auction fashion.

Money raised from the auction and sale will go into Rotary's treasury to support the Club's many community projects, which include the Crippled Children's Fund, a Rotary scholarship, Boys State, and many other similar activities. None of the money benefits individual Rotarians. They pay their own way as do members of Northville's other two service clubs.

The variety of items to be sold is almost unbelievable. There are hot water tanks and a power mower, furniture and washing machines, dishes and clothing, a rowing machine for exercising, a permanent wave machine, sleds, a bird cage, beds and mattresses, tires, curtain stretchers and baby highchairs. Trickey's Hunting and Fishing Equipment Store in Novi contributed a new rod and reel.

Holding the auction under the grandstand will assure cover in case of rain, and allow plenty of walking space for buyers who want to wander from section to section. A lunch counter will be maintained all day for convenience of the public and Rotarians will be everywhere to help buyers make selections and to answer questions. There's plenty of free parking space.

Low prices have been set deliberately on everything. The Rotary Club's aim is to raise money for its civic and community projects, not to reap a golden harvest at the expense of villagers. All items were contributed, so everything is profit.

"What's cooking?" asks Charles Carrington as Harry B. Smith takes a look in the oven. "The Rotary Auction, that's what's cooking," Harry replied. The stove will be on sale Friday.

Three Rotarians take time out from work to clown with some of the items on sale at their auction. At left, E. M. Bogart turns musician with a fiddle while Rotary President Carl Johnson (right) tries an ancient permanent wave machine on Cy Frid's locks. Cy has been given the birdcage, minus the bird.

Northville, South Lyon Both Eager for Grid Victory Tomorrow Night

The Northville Mustangs will be seeking their first football victory this season when they face the South Lyon Lions at Ford Field Friday night, Sept. 26, at 7 p.m.

They'll be especially desirous of winning to soothe the sting of their 35 to 0 defeat at the hands of Plymouth on the Rocks' field last Friday night. South Lyon also has a score to settle: the 73 to 6 walloping dishd out by Northville two seasons ago by Al Jones' and Dick Kay's undefeated squad.

South Lyon showed surprising strength in defeating Clarence-

ville last Friday by a 13 to 6 margin.

Northville's inexperience showed last Friday in the Plymouth game, but the Mustangs also displayed a fighting spirit which will serve them well when they've gained the necessary gridiron savvy to become a serious challenger in the Wayne-Oakland County League. There's no denying that the mass graduation of 19 veterans last June left the team with few players who have enough field time to establish confidence.

Plymouth's five touchdowns Friday were spread over three quarters: one in the first, two in the second and two in the fourth. The Rocks drew a blank in the third stanza when the Mustangs came out of the locker room with blood in their eyes and immediately staged a drive which carried them from their own 31-yard line to Plymouth's 11. There an intercepted pass in the end zone ended the scoring threat.

Fumbles hampered the Mustangs throughout the game, one of them delivering the ball to the Rocks on the 25-yard marker and setting up a score.

PTA Will Meet Tonight at School

Members of the Parent-Teachers Association will hear short talks by four Northville teachers on subjects important to the welfare and education of children at the association's first fall meeting Sept. 25 at 8:00 p.m. at the Grade School.

Mrs. Alta Fisher Moore, Wayne County visiting teacher, will explain her work with school children, and James Madigan will tell about the organization and workings of the Safety Patrol program.

Miss Eleanor Peeke will describe her music program in the grade school and Robert Sherrard, who is schools transportation director, will talk about scheduling and transportation by bus of school pupils living in outlying districts.

Officers of the P.T.A., elected and installed last May, are: Marshall Huff, president; H. H. Sutherland, vice-president; Mrs. William Milne, secretary, and Mrs. Lester Johnston, treasurer.

Another purpose of the meeting is to organize and conduct a drive for new members in the association.

Wesleyan Guild Sets Harvest Dinner Date

The Wesleyan Service Guild of the Methodist Church is sponsoring its annual Harvest Dinner, and Auction Monday, Sept. 29 at the Methodist Church House. Serving will take place from 5:30 until 7:00 p.m. and dinner will be served family style. The auction will occur during dinner.

Mrs. Drake Older is chairman for the dinner and co-chairman is Mrs. Jesse Boyd. Mrs. Ancil Felker has charge of the auction and Miss Ethel Cameron is ticket chairman. All members of the Guild have tickets for the dinner.

Bike Riders Asked to Observe Rules

Youthful bicycle riders again are becoming a hazard to traffic and to themselves, said Police Chief Joseph Denton this week. He pointed out that riders, to be safe, should conform to the same traffic rules which govern automobile traffic: they should ride on the right hand side of the street, obey traffic signals and give hand signals for turns.

All bicycles are required to have lights for night riding, Chief Denton said, and reflectors on the rear fenders.

He also pointed out that there are increasing reports of windows being broken by BB guns. Windows in the high school are the latest target. The popular BB guns, said Chief Denton, can only be used where a safe background is available on the property belonging to a boy or his parents.

A recent state law places air and gas guns — not including BB guns — under the same restrictions applying to firearms.

Services to Hail Revision of Bible

More than three thousand community observances in the United States on Sept. 30, will observe adoption of the new revised standard version of the Holy Bible. One of them will be the Northville-Plymouth community observance to be held at the First Presbyterian Church of Plymouth on Tuesday at 8 p.m. Twenty-seven community meetings will be held in Detroit on the same day.

Five representative citizens will receive gift Bibles at the Northville-Plymouth service to symbolize contributions made to the moral and spiritual life of the two communities. Village President Conrad E. Langfield will receive a Bible chosen to represent the relationship of religion and government. Russell H. Amerman, Northville superintendent of schools, has been named to represent the part that the Bible and religion have played in education through the years.

Guest speaker at the Bible observance mass meeting will be Dr. Calvin Stickle, pastor of the Reformation Lutheran Church of Detroit. Co-chairmen for the Northville-Plymouth area are the Rev. Dr. Harold F. Fredsell, pastor of the Northville First Presbyterian Church, and the Rev. Melbourne I. Johnson, pastor of the Plymouth Methodist Church. Copies of the new translation of the Bible, the first authorized version since 1611, will be on sale in the Plymouth church at the close of the service.

Mrs. Dickinson Gets MSNC Certificate

Mrs. Carrie Marguerite Dickinson, of South Napier Rd., was graduated from Michigan State Normal College in Ypsilanti in summer exercises in August. She was awarded a Wayne County B.S. and Elementary Provisional Certificate.

Fredsell on Radio

The Rev. Dr. Harold F. Fredsell, pastor of the Northville First Presbyterian Church, will be interviewed on radio station WJR on Sunday, Oct. 5, on the "Religion in Action" program.

He will discuss the work of the church on the Island of Jamaica, based on his experiences last summer during his visit in the British West Indies.

Library Hours Change

Miss Rhea Lyons, Village librarian, has announced that beginning Oct. 4 the hours of the local library will change. Mondays through Thursdays the library will be open daily from 11:30 to 8:30 and Saturdays from 9:00 until 6:00.

The library is closed every Friday.

Third \$250 Winner in 'Parade' Drawing

Harrison Rainey (center) was the winner of the \$250 cash prize at Friday night's 'Parade of Progress' drawing, although he didn't know what he'd won until he got to the stage. Veterans of Foreign Wars Commander Floyd Kupsky (left) presented the prize and Joyce Aenchbacher drew out the winning number. Harrison was so pleased he handed Joyce \$25 of his windfall.

Poor Senor, He's in Mexican Jug; But He'll Give You Mucho Dinero

Los hombres down South of the Border are at it again.

They're just dying to give away big chunks of cash if only some wonderful American will help them — it'll only cost a little bit — to get a trunk out of hook. The trunk is supposed to be stuffed with money, which they'll split.

It's the ancient "Spanish Prisoner" gag, says Detroit Postal Inspector O. L. Klein. They're just confidence letters designed to separate sympathetic and unsuspecting citizens from their bank accounts.

Stevens' Service Is Broken Into Tuesday

A thief or thieves who broke into Stevens' Service, 340 N. Center St., removed 33 cartons of cigarettes, a gallon can which contained about \$8.50 in cigarette receipts and a carton of 24 candy bars, said Police Chief Joseph Denton.

Entry was made by smashing a toilet window late Monday night or early Tuesday. A hand print discovered by members of the State Police and Chief Denton, who investigated the breaking and entering, provides the main clue.

The service station is owned and operated by Sherwood B. Stevens.

Dr. Franklin Beeks of Thayer Blvd. is probably the latest target in Northville. He received an air mail letter from Mexico promising a third of \$450,000 supposed to be hidden in a "secret compartment of a trunk that is now deposited in a Customhouse in the United States". All Dr. Beeks had to do was furnish money to get the Mexican out of jail, where bankruptcy, no less, had placed him.

Dr. Beeks didn't bite. He recognized the letter immediately as a fraud and turned it over to Postmaster Leland V. Smith. It now goes to postal inspectors in Texas, who make a specialty of running down similar letters. They have an extensive file of them.

"Right now," said the Detroit postal inspector, "there's a rush of the letters. They'll taper off, then flood the mails again later. That gag has whiskers a yard long, but even intelligent people get hooked once in a while."

Downs Gift Swells Community Bldg. Fund to \$183,000

The 1952 gift by Northville Downs to the Public Improvement Fund — better known as the Community Building Fund — has swelled the treasury to approximately \$183,000.

The original \$26,500 given by the Downs this year will be shaved to about \$20,000 after expenses for police and fire protection, and water and sewer services have been deducted. That was part of the agreement set up about 1945 between the Downs and the Village when the Downs began its gifts.

The fund, which was approximately \$159,000 last year has been increased by another \$4,000 realized from investments of the money over the 1945-1952 span of years.

Village Clerk Mary Alexander said that it costs between 15 and 20 percent of the amount received each year to pay for the protection and services agreed upon by the Downs and the Village. The gross amount received by the village to date is \$204,125.

The amount given each year by the Downs, before deductions:

1945—\$11,125
1946—30,000
1947—30,000
1948—29,500
1949—25,500
1950—25,500
1951—26,000
1952—26,500

Mother's Club Will Sponsor Brink Talk

Earl B. Brink, adventurer, has been engaged by the Northville Mother's Club to give a public showing of his pictures of Africa Monday, Oct. 13 at Northville High School. Mr. Brink, who is a member of the New York Explorers and Adventurers Society, gave a talk and showed pictures here last year.

There will be no admission charge to the program but a free will offering will be taken to reimburse the milk fund for the club. Milk is provided for the local grade school children from this fund.

Baseline Voters Favor Annexation

Baseline School District voted 66 to 40 to be annexed to School District No. 2 Fr. of Northville and Novi Townships at a special election on Saturday, Sept. 20. Estella S. Meyer, Director of the Board, said that six votes were challenged, five by Foster Howell and one by Mrs. Harry Lyke.

Members of the district, which is properly titled Baseline School District No. 11 Fr. of the Townships of Salem, Novi and Northville, had defeated annexation by a vote of 54 to 41 on May 3 in a special election which followed a disputed vote on April 23. The April election resulted in a vote of 42 "yes", including one late vote, and 43 "no", including two votes challenged on the basis of non-residence.

The Northville School Board when asked at its meeting early this month, went on record as favoring annexation of Baseline district if the members of that district voted for annexation.

Mrs. Meyer said that there was some talk of protesting and challenging the validity of the election after balloting ended on Saturday.

Instruction School for Voting Machines

The new voting machines to be used in future balloting by Novi Township residents will be explained and demonstrated in an instruction school at the Novi Township Hall on Monday, Oct. 6, from 9 a.m. to 6 p.m.

The township has bought four of the machines from a New York company, according to Township Clerk Earl Banks, joining other townships in Oakland County which have installed machines. Only about a fourth of Oakland County Townships do not have them, said Mr. Banks.

\$1,000 Cash Prize to Climax Parade Month

The awarding of a \$1,000 cash prize Friday night, Sept. 26, will climax the Northville Retail Merchants Association's second annual "Parade of Progress". Several prizes of lesser value will be awarded previous to the main prize.

The drawing will not begin until after completion of the Northville-South Lyon football game, which has been moved up to 7 p.m. A similar procedure was followed last year and it was found that villagers could watch the game and have plenty of time to get downtown to the four corners for the drawing.

An added feature of the "Parade of Progress" will be a treasure hunt next week. Everyone holding tickets should keep them until after the hunt. Tickets will be drawn Friday night and distributed to business places which are members of the association. These business places will offer individual small prizes which can be claimed by ticket holders by matching their tickets with numbers posted in store windows.

Top winner in the third drawing last Friday night was Harrison Rainey, 488 Hill St., who claimed the \$250 cash prize. The number was drawn from the rotary container by Joyce Aenchbacher and the prize was presented by Floyd Kupsky, V.F.W. commander. Mr. Rainey is a pharmacist at Cusnell's Drug Store and the father of two children.

Drawings for smaller prizes preceded the cash award. Mrs. Homer Lute, of Farmington, won an electric percolator donated by Northville Hardware. Mrs. D. H. Saley, 628 Fairbrook, was winner of a basket of groceries presented by the E.M.B. Food Market.

Victorian Woodcox, of Gerald Ave., won the special child's prize when his name was drawn from a box. William A. Forkner, of Lawton Ave., Detroit, was the recipient of a toaster given by the George Clark Hardware Co. The last small prize was claimed by Richard Miller, W. Nine Mile Rd. His prize was a luggage set donated by the D & C Store.

The Merchants Association has chosen Wilson Funk, Northville Recreation Director, to present the grand prize Friday night. "Wilson is a very logical choice," said one member. "He certainly has contributed to the progress of Northville's youth". Other members commented on Mr. Funk's unswerving loyalty to any activity which involves the village's children and the great amount of time he is willing to spend with groups of youngsters.

"I can't think of anyone who would be willing to exert as much effort as Wilson," said another member of the association. Following the drawing Friday there will be a street dance with music played by "The Ritz Ramblers", a band arranged for by Cy Owens Ford Sales and Service. The band was well liked last year when it played for a similar street dance.

The annual Citizenship Dinner is October 8. The annual Citizenship banquet sponsored by the Northville Coordinating Council will be held at the Lutheran Church House at 6:45 p.m. on Wednesday, Oct. 8.

Annual Citizenship Dinner Is October 8

Dr. Howard Y. McCluskie, of the University of Michigan, will be the principal speaker. All members of the Council are urged to attend the first fall meeting tonight, Thursday, at 8 o'clock at the Village Hall when plans will be made for the banquet.

Local Boys' Club Plans Paper Drive

The Northville Boy's Club will conduct a paper drive Saturday, Oct. 11. All villagers with old newspapers and magazines are asked to contribute.

Proceeds from the drive will be used to buy equipment to be used by the boys.

Tom Wick Wins Golf League Trophy

Tom Wick (center), titlist in the Northville Golf League tourney, was presented with a trophy Saturday night at the league's banquet by Ed C. Welch, president, as George Weiss (far right) looks on. Ed Rutenbar (far left) and William G. Williams are the newly elected secretary-treasurer and president, respectively, of the league. "Bud" Murray was runner-up.

Rolling Down The River

by the PETZ BROS.

Now it's a matter of fact that a fellow in the garage to give his car a bit of a check-up tells us he's here simply to escape a domestic crisis in his home. Not that he is involved he wants us to understand but the lady of the house, in the course of her duties, shortens a pair of Junior's new slacks. Because of a time lag, she measures one leg with a tape measure and the other with a yardstick.

"The war begins," says our refugee husband, father, "when Junior limps in, in his newly altered trousers and demonstrates, to his startled mother, that 28 inches on the tape measure comes out 30 inches on the yardstick."

No matter what standard of measurement you happen to use on the lovely new Studebaker, it always comes out the same way... the best. Whether you want power, beauty, comfort or economy there's no way in getting around the Studebaker V-8 Commander or the Studebaker Champion. Of course, we'll admit that you ought to drive the car first, because after all, there's nothing like a demonstration. Come on in... you'll convince yourself.

Well, this is the season that this year's graduate begins to realize the Sheepskin he got last June should have had a little more meat on it!

Then again, there's many a gal in her thirties who believes a little white lie about her age is strictly from all right and won't go along with the idea.

That is one of the nice things about our shop. The fellows out there don't tell any little white lies, they don't have to. When they tell you the car is okay, well it's okay... and when they tell you it needs some adjustments of one sort or another, well it needs those adjustments. Be a good idea if you brought the car in and asked their opinion. It's a cinch, the way you've been driving, the car can stand a shot of lubrication and a bit of new oil any way.

That's that, but have you ever stopped to consider what a rough life a moth lives... all summer in a fur coat and then all winter in a bathing suit.

Yours,

BILL and WILL PETZ.

Moved by Ely, supported by Woodworth, that bills be paid. Carried.

Reports of Village Treasurer, Police Dept., Building Inspector, Supt. of Public Works and Health Commission were received for August, 1952, and it was moved by Woodworth, supported by Allen that these reports be accepted and placed on file. Carried.

Building Inspector's report showed that permits had been issued for 17 new houses, with an estimated cost of \$154,000; the total estimated cost of all permits issued so far this year is \$212,450.00, which does not include any big structures.

Notice was read from the Wayne Co. Rd. Commission of meeting to be held Sept. 8-9-10 for the purpose of hearing and reviewing sewer rates. Comm. Ely was asked to attend this meeting. Comm. Ely reported that Consumer's Power Co. has requested that the Village make the necessary repairs of holes left in pavements by the contractor who installed new gas mains and bill them for this work. He was instructed to contact Consumer's Power Co. and inform that the Village could not do this work and that they would be expected to make these repairs.

Moved by Ely, supported by Allen that the Village advertise for bids on approximately 1100 ft. of sidewalk on E. Main St.

Moved by Woodworth, supported by Ely, that the Village advertise for bids for painting the Village Hall one coat of Grade "A" outside titanium base paint, bids to be received on or before 8:00 P.M. Oct. 6th, 1952. Carried.

No further business appearing, meeting was adjourned.

Pres. Langfield recommended that these bills be paid, with the exception of that of Geo. Jerome & Co., which he suggested be held up until Mr. Jerome has been contacted. Moved by Stubenvoll, supported by Woodworth that the bills be paid as recommended by Pres. Langfield. Carried.

A second communication from R. L. Richard regarding the Glenn Long Zoning Violation, was read, and Pres. Langfield stated that the Planning Commission would hold a hearing Tuesday Eve., Sept. 16th, 1952, on this matter, at which time the situation would probably be cleared up. Atty. Littell explained to the audience why nothing had been done about this violation to date.

Plans for storm sewer and curb and gutter on No. Rogers and Dubuar Sts. as prepared by Geo. Jerome & Co., were presented.

Moved by Stubenvoll, supported by Peters, that the time for collection of 1952 Village Taxes without penalty will be extended to Nov. 1st, 1952. Carried.

Comm. Ely recommended that a road oil be put on the road bed where curb and gutter has recently been installed, also on Scott Ave. and other locations where it is badly needed. This recommendation was accepted by the Village Commission, and Comm. Peters was instructed to contact Supt. of Streets Herman Hartner about having this work done at an early date.

Walter Wacker, of 215 Hill St. asked what was going to be done about the grading of Hill St., and was satisfied with the explanation given him by the Commission.

Comm. Woodworth reported that the furnace in the Village Fire Hall was beyond repair, and stated that A. P. Mitchell will put in a new furnace for \$265.00. Moved by Woodworth, supported by Ely, that Mr. Mitchell be instructed to install such furnace. Carried.

Comm. Stubenvoll reported on the recommendation received from E. L. Millis, District Mgr., of the Detroit Edison Co., for lighting the parking lot and alley on the south side of East Main St., and it was moved by Stubenvoll, supported by Woodworth, that the Detroit Edison Co. be advised that the Village Commission accept the plan submitted to install one 6,000 lumen lamp near the entrance at So. Center St. and six 10,000 lumen lamps staggered throughout the remainder of the alley and parking lot, and that a informative copy be directed to Harry Wagenschütz, the local branch manager; the latter itself to be directed to E. L. Millis, District Manager, at Wayne, Michigan. Carried.

Comm. Stubenvoll also reported that a dog pound has been secured.

Clerk was instructed to write the Detroit Edison Co. requesting that they remove the lamp post on So. Center St. just south of Main St.

No further business appearing, meeting was adjourned.

(Signed) Mary Alexander, Clerk

Mr. and Mrs. Nelson to Be Speakers at Northville First Baptist Church

Evangelist Louis Nelson of Los Angeles will be the speaker at a special three-night series of meetings at the Northville First Baptist Church beginning Friday, Sept. 26.

Mr. Nelson, converted under the ministry of Dr. J. Edwin Orr at the Church of the Open Door in Los Angeles, was the former owner of a gambling den in lower California, was sentenced to Federal Naval Prison and upon release spent his time in attempting to build an underworld empire. Since his conversion, he has travelled extensively throughout

the United States preaching in churches of every denomination.

Mrs. Nelson, who assists in the services, is a graduate of the University of Oklahoma. She started on a career on the concert and operatic stage following her graduation and on several occasions has been the soloist for such outstanding productions as "The Messiah" and "St. Matthews Passion of Our Lord". Mrs. Nelson will play several selections during the three-night meeting.

Pvt. Kearney Has Leave in Japan

With U. S. Forces in Japan—Pvt. Francis Kearney recently spent a five-day rest and recuperation leave in southwestern Japan. He is the son of Mrs. Francis Kearney, 115 N. Main St. He stayed at Camp Nara, one of Japan's most famous resort cities, where the Army has set up an extensive recreational center for combat soldiers enjoying a brief respite from battle. He has since returned to his unit in Korea.

Pvt. Kearney, a lineman in the 3rd Battalion's 223rd Regiment, part of the 40th Infantry Division, has served seven months in Korea.

He enlisted in the Army in August 1951 and received basic training in Hawaii.

Robert LaPlante S.R. of Northville is home on a 14-day leave from the Great Lakes Naval Training Station in Illinois. He has finished his boot training and on returning to Great Lakes is expecting to ship out.

Mrs. Sidney Menge of Fort Meyers, Fla., a former Northville resident, visited friends here over the weekend. Part of the time she was the guest of Mr. and Mrs. Thomas Smith of Nine Mile Rd. Sunday the Smiths entertained at dinner for her and other guests present were Mr. and Mrs. E. V. Ellison and their daughter, Shirlynn.

Mr. Mrs. Hamill Visit "Big Noise" on Vacation Trip

In order to make a muffler to tone down the noise of jet engines, a group of Southern California scientists have built a 95-foot siren to generate the loudest noise possible.

They'll now try to muffle the noise made by the siren and apply what they learn to jet engines. A muffler constructed by a California university was shattered in a matter of seconds when it was tried recently.

One of the scientists working on the project is J. D. Stoakes, whose wife is a sister of Mrs. F. W. Hamill, of North Center St. Mr. and Mrs. Hamill visited the Stokes family a few weeks ago on their annual Southern California vacation.

Mr. Hamill reports that the noise-generating machine is run by two 200-cycle compressed air engines and is operated by four men. The Hamill and Stoakes families also visited Forest Lawn Memorial Park in Los Angeles, where a large building was recently completed to house "The Crucifixion", a new painting from Europe termed a masterpiece. The painting is 45 feet high and 195 feet long and said

to be the largest religious painting in America.

Mr. Hamill also reported that temperatures in the valley where the noise experiment is in progress ranged from 110 to 120 degrees, but that daily temperatures in Southern California averaged about 95 degrees during the visit.

Michigan Mirror:

Big Primary Vote Still Under Par

by Gene Alleman

Michigan voters cast twice as many votes in the 1952 primaries as they did in the last presidential year, '48.

But at least one observer isn't handing out any laurels for that record.

He's closely identified with a major political party and so he doesn't want to be named in this close-fought campaign, one observation such as this might lose the race.

Governor Stevenson's remark about "the mess in Washington" has certainly been thrown back at him enough and Eisenhower was quick to seize upon the levity with which the Illinois governor spoke of Korea in an unguarded moment.

So this political expert stays anonymous... but not silent.

"Everybody is getting all excited because 58 percent of the registered voters went to the polls.

"But they completely overlooked the fact that only 81 percent of our eligibles in Michigan are even registered. Take 58 percent of 81 percent and you get a measly total of people above 21 who exercised their privilege—and duty—of the ballot.

"Add to that the fact that an awfully lot of the primary voters were practically hog-tied and dragged to the polls by service clubs and civic organizations that has 'Get Out The Vote' campaigns.

"Put them all together and you get a picture of a state that doesn't care a whooping darn about the most crucial election we've had in a generation. I say crucial and I don't care what party you lean toward."

In 1948, the total votes in the gubernatorial primary, in both parties, was 715,834. In August this year, there were 1,436,675 votes cast on the Republican ballot where competition was keen and on the Democratic one where Governor Williams was doing a solo act.

The same increase held in the senatorial primary. In '48 the total was 637,576 and in '52 it rose to 1,340,858.

The upswing this year isn't due entirely—or even part—to a population growth. Something has kindled a fire in the voters. Whether it's the fresh personalities on the national scene, the issues of corruption that have aroused citizens in both parties, or the reawakening of public interest to campaigns staged by Michigan newspapers, great and small, to get people to the polls, no one can say with finality.

One thing is sure. Not only Michigan but the whole nation can well better their previous records.

In 1940, two out of three persons of voting age went to the polls. Four years ago barely one out of two voted. While, from '40 to '48, over 14 million more people became eligible to vote, the number of votes actually cast decreased by more than 3 million.

Only 16 percent of the total population elected Harry Truman president.

Whether his election was good or bad depends, of course, on the political affiliation of the assayer. But no patriotic American, Democrat or Republican, will be

happy over a decision made by such a minority of his countrymen.

If Michigan voters don't break all records come November, it won't be for a lack of the wooing. Campaign plans on both sides of the fence call for the most concerted onslaught on the electorate in history.

Michigan is a key state in both national campaigns and neither the GOP nor the Democrats can count it in the bag. That's why both Ike and Adlai have, and will, make major speeches here.

The Moody-Potter senatorial campaign will be watched closely by the whole nation. That result may play a dominant part in the makeup of the new Congress.

Potter's scorching attacks on Communism may be another indication of just how much the American public is aroused and alarmed by Red infiltration. Many Michigan observers believe that Sen. McCarthy's victory in Wisconsin was less an endorsement of his methods than approval of his vigor in fighting domestic Communism.

Potter is playing that theme for all it's worth.

One Congressional election will have more of an effect on Michigan than it customarily does. That's the one in the Eleventh District, bordering the Straits.

Potter left its Congressional seat to seek a place in the Senate. In the Republican primary, Victor A. Knox of the Soo was chosen to carry the GOP standard and is expected to be a shoo-in come November.

That leaves Knox's old job of Speaker of the House vacant. Who succeeds him will have a big bearing on Michigan's internal affairs.

The shutdown of Great Lakes freighter runs during the steel strike should cause no coal shortage in Michigan this winter.

The idled ships were those that hauled ore down from Lake Superior and carried coal back up on their return. Most of their loads are dumped in the Duluth area for trans-shipment westward.

Michigan gets its coal in the main from Toledo and only a very slight deficit resulted from the steel strike... well under 200,000 tons.

Of course, John L. Lewis can change the picture in the flick of one of his king-size eyebrows. A coal strike—possibly to regain personal political power Lewis has lost—would play hob with more than Michigan.

Michigan lost one popular insurance policy against John L.'s whims.

The last working mine in Saginaw County—and in the whole Central Michigan area—closed this summer at St. Charles. Owned cooperatively by the men who worked it, the mine was granted special dispensation by Lewis to stay open during strikes.

Many a Saginaw Valley home stayed warm during mine shutdowns, thanks to the St. Charles mine.

Today not even a tippie remains to mark the last stronghold of the once-mighty coal mining industry of Lower Michigan.

FITCHER'S BROTHER ENGAGED... Gene Raschi, 22, brother of Vic Raschi, Yankees' pitching ace, shown above with his seeing-eye dog, will marry pretty Helen Gerdes, 19, of Portland, Me., (other photo) in St. Mary's of the Annunciation Church, Cambridge, Mass. The blind couple met several years ago when they were students at the Perkins Institution and Massachusetts school for the blind at Watertown, Mass.

Legion on Radio, TV With Candidates

The American Legion's all-out drive to encourage every citizen in Michigan to register and vote is gaining momentum, receiving more and more recognition and cooperation from statewide press, radio and government officials.

On Oct. 1, Eugene Houck, state commander of the Michigan American Legion and Stan James, state chairman of the Legion's "Get-Out-The-Vote" campaign, will discuss the Legion's non-partisan political views with Senator Blair Moody and Congress-

man Charles Potter, candidates for the Senate, and on Oct. 19 with Governor G. Mennen Williams and Secretary of State Fred M. Alger, candidates for Governor, over three television and 12 radio stations on the "Michigan Spotlight" program sponsored by the Frankenthum Brewing Company.

The programs will be aired and viewed at about 10 p.m. on the dates mentioned. Local radio and TV programs should be consulted for the exact times.

Hoffman-Brockmiller Rites Read Saturday Evening

Margaret Viola Brockmiller and Robert Lee Hoffman were united in marriage Saturday night at the Salem Federated Church. The ceremony took place at 8 o'clock with Rev. Cora Pennell officiating.

The bride is the daughter of Mr. and Mrs. Fred Brockmiller, Sr., of Milford, and her husband is the son of Mr. and Mrs. Arthur Hoffman, of Chubb Rd., Northville.

Preceding the service Mrs. Cloyd Hardesty of Whitmore Lake sang "Because" and "I Love You Truly". She was accompanied by Mrs. Lloyd Brickelbaw of Salem.

An ankle length gown of white nylon lace over satin and net was chosen by the bride for her wedding. The jacket was distinguished by a peter pan collar and long sleeves extending over the hands. Her fingertip veil of illusion net and chantilly lace was attached to an orange blossom tiara. Her cascade bouquet consisted of gladiolus and fleur de amour.

Jean Brockmiller, sister of the bride, attended as maid of honor, and she was attired in a lavender nylon net over satin gown and wore a matching headpiece. She carried a bouquet of gladiolus.

The bridesmaids were Norma Phillips of Fowlerville, cousin of the bride, wearing a green nylon net over satin gown and

2 Parties Honor Florence McCluskie

Two parties were given last week in honor of bride-elect Florence McCluskie. A surprise dinner and shower took place Wednesday night at the home of Mrs. Carl Gavic in Franklin.

Guests present were Carol Armstrong of Detroit, Dorothy Bowen of Tecumseh, Mrs. Dee Richards, Mrs. William Clark and Mrs. Donald Shepard of Royal Oak; Sylvia Morris, Mrs. Ronald Render, Mrs. Florence Renton and Mrs. Jack Dillon of Birmingham and Mrs. Jackie Koch of Orchard Lake.

A tea was given Sunday afternoon by Mrs. Merrill Sweet of Grace Ave. also honoring Florence. Twenty-five guests were present from Birmingham, Detroit, Northville and Denver, Co. Candelabra and white flowers formed the centerpiece of the tea table. Mrs. Robert McCluskie of Detroit and Mrs. Douglas McCluskie of Denver, Co. presided at the silver service.

day trip to northern Michigan. For traveling the new Mrs. Hoffman chose a navy blue gabardine suit with matching accessories and a white gladiolus corsage. Upon their return they will make their home in Ecorse.

On Thursday night after the rehearsal Mr. and Mrs. Arthur Hoffman entertained those participating in the wedding at an informal supper party at Mary's Restaurant in Salem.

WRONG IMPRESSION The Washington Biological Survey puts metal bands on the legs of birds which it has captured and released. These bands are used to read: "Wash. Biol. Surv." But one day the Government got a letter from an enraged farmer, who wrote, "Dear Sirs: I shot one of your pet crows the other day and followed instructions. I was told, bled and served it. It was terrible. You should stop trying to fool the people with things like this." The government changed the text.

Annual Meeting and Financial Report of Salem Union School

July 14, 1952 FINANCIAL REPORT 1951-52

The annual meeting of Salem Union School was called to order by Moderator Glenn Burnham. Minutes of the last annual meeting were read by Secretary Robert Wilson. Approved by A. Wheeler, seconded by Grant Currie.

The treasurer's report was read by Arthur Dahl. After two corrections were made (1) the name of Frank Biers should have been read in place of Frank Bowers, and (2) the amount paid Northville 7-9-52 should have been \$390.11. The report was accepted by Frank Biers, seconded by John Bond.

A motion was made that the school's deposit be left at the discretion of the school board by Mr. Parham, seconded by Grant Currie.

Several discussions followed (1) the indebtedness to Northville High School on tuition. Mr. Burnham thought that \$72.97 was still due Northville, although a statement received by Mr. Wilson said \$390.11 was due and had been paid before annual meeting.

A motion to raise 9 mills for one year only to be applied only to the Northville High School 1951-52 note of \$3500 was made by Mrs. Ada Birchelbaw, seconded by Mrs. Bock. 20 yes, 5 no.

Grant Currie, Roy Kenner were appointed tellers by Glenn Burnham.

An amendment was made by Mr. Parham to change 9 mills to 12 mills, seconded by Charles Raymor. 17 yes, 10 no. Carried.

The excess money received from the 12 mills after the \$3500 note of 1951-52 is paid, is to be paid on 1952-53 tuition.

A discussion was held on raising salaries of school board members.

Motion was made by Grant Currie to raise the salary of each school board member an additional \$10 per year to present salary, seconded by Mrs. Bock. Carried.

A motion was made by Ronald Lyke to nominate Mr. Parham to Mr. Birchelbaw's vacancy. Mr. Lyke withdrew his motion.

Ronald Lyke nominated Mr. Birchelbaw to his own vacancy, seconded by Mrs. Bock. Moved by Mr. Raymor that nominations be closed, seconded by Mrs. Dahl.

Ronald Lyke made a motion that a unanimous vote be given to Mr. Birchelbaw, seconded by William Benjamin. Carried.

Grant Currie filled the president's chair while Glenn Burnham's vacancy was being filled. John Bond nominated Mr. Parham, seconded by William Benjamin.

Frank Biers nominated Glenn Burnham, seconded by Mrs. Dahl. Motion that nominations be closed was made by Mr. Raymor, seconded by Mrs. Currie.

Twenty-four votes cast—14 Mr. Burnham, 10 Mr. Parham.

A motion to adjourn was made by Mrs. Biers, seconded by Mrs. Birchelbaw.

David Cook, son of Mr. and Mrs. Kenneth Cook, of Twelve Mile Rd., returned home last Thursday after spending a week at Sections Hospital with a broken arm sustained in a fall from a slide at school.

Mr. and Mrs. Kenneth Cook and children spent the week-end with relatives in Ohio. On Saturday they attended the John Gotro family reunion.

The W.C.S.C. of the Novi Methodist Church held its monthly meeting at the church house last Wednesday. The society has planned its bazaar and luncheon for Dec. 3.

The Blood Bank will be at the Novi School Oct. 7 from 2:00 to 8:00 p.m. The Blue Star Mothers will act as hostesses. The Rebekahs will register the blood donors and furnish transportation for those who wish it, and the Mothers Club will serve refreshments.

Mr. and Mrs. William Mair's attended the Walled Lake homecoming at the Stonerick Civic Center on Sunday.

The Novi chapter of the Blue Star Mothers will hold its Daisy Day this coming Saturday, Sept. 27.

The W.C.T.U. will meet next Wednesday with Mrs. Belle Walter at her home on West Grand River.

Mr. and Mrs. William McCowan and daughter, Linda, and son, Tommy, of Detroit, were Sunday visitors at the home of Mrs. Belle Walter.

Mrs. Art Kreger entertained for a few days last week, her cousin, Clarence Kellogg, of Alhambra, Calif.

Miss Rose Mary Sequen has started her nursing course at Mt. Carmel this month.

Mrs. Nesby Button will teach the course in music at the Novi School this year.

The Mothers Club reception for the teachers last Wednesday evening was a charming affair and very well attended by both parents and teachers.

The Patrol boys this year are Larry Watson, captain; Robert Loyones, 1st Lieut., and William Pratt, 2nd Lieut.

The Service Squad Girls, sponsored by Mrs. Shaape, are Harriet Angle, captain; Judy Leavenworth, 1st Lieut., and Mary Lee McDermid, 2nd Lieut.

R. E. Couch of Florida has returned to Intercession City, Fla. after spending the summer months at the Novi Convalescent Home.

Mrs. Julia Balyo, who has recently become a guest at the Novi Convalescent Home, was visited by her mother, Mrs. Fischer, of Detroit.

Kensington Park Colorful in Fall

Colors in trees and shrubbery in the Kensington Metropolitan Park area will be ripe Oct. 1 for a 30-mile scenic tour outlined by the Huron-Clinton Metropolitan Authority.

Starting at the Metropolitan Parkway which joins US 16 (Grand River) 35 miles northwest of Detroit City Hall, the tour consumes about an hour and a half driving time and embraces some of the finest scenery in the Detroit Metropolitan area.

The tour centers around one of the Huron-Clinton Authority's main projects, and includes the most scenic of the park drives through hilly, wooded land, passing several lakes, as well as a carefully selected route over 14 miles of beautiful country road. Scarlet and gilt predominate in the drive. Sugar maples, aspen and hickory lend gold to the picture. Red maple, red dogwood, Virginia creeper and quantities of sumac accent it with red. The ash trees are turning purple, as is the grey dogwood with clusters of white berries contrasting with the purple foliage.

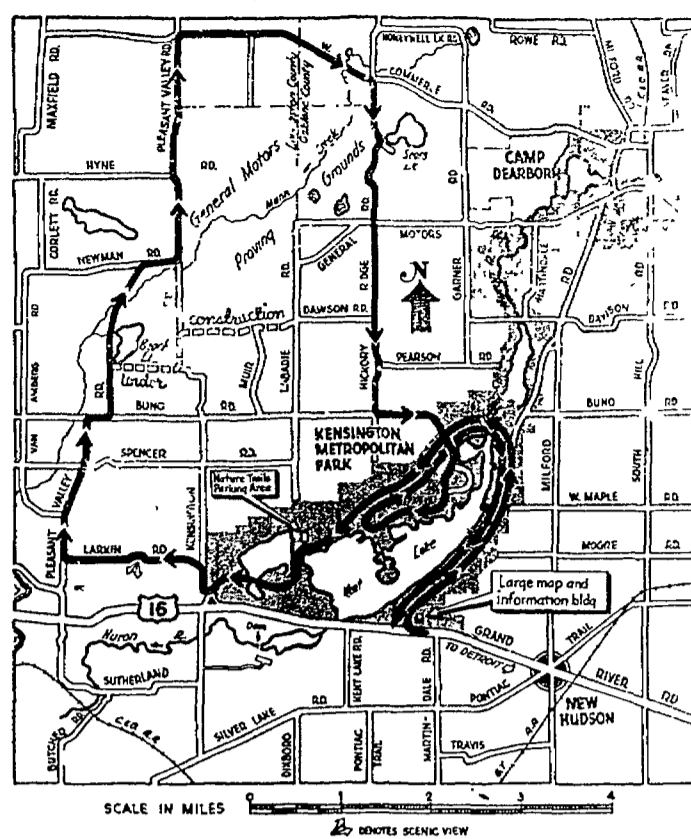

Open fields are masses of golden rod and purple asters; in some swamps the orange scarlet of poison sumac is like a brush fire against the light green of tamarack.

The trip follows the Metropolitan Parkway on the East side of Kent Lake to the rotary intersection with the main park road. Looping back, you obtain an excellent view of 1200 acre Kent Lake, studded with islands and reflecting the autumn landscape, and continue along the west side of the lake. Tiny Lane Lake will be seen at your right.

Just beyond quantities of golden bronze sassafras form an unusual display, spreading horizontal branches against a background of green oaks which will not turn red for a week or so.

Three kinds of sumac may be seen, the staghorn with its fiery cones; the smooth, which is red and aromatic, and the poison sumac, brightest of all, in the swamps.

At the new parking lot near Beach Lake at the west end of Kent Lake, three labelled nature trails begin and end. These are plainly marked and those who wish a hike of from one to two and one-half miles will enjoy them.

After viewing the park itself,

the motorist is directed through the rolling wooded countryside, following the new road toward the park's west entrance. Just short of the west entrance the route turns right on Kensington Road, left on Larkin Road, left on Pleasant Valley Road, and right again on Commerce Road, thus skirting the General Motors proving ground.

From Commerce Road, the turn is right on Hickory Ridge Road, leading into the park again. You make a loop around the west side of Kent Lake again if you wish before following the parkway out to US 16. It is also possible to follow Buno Road to Milford for a fast exit, as a stop light at Milford Road and Grand River speeds the flow of traffic onto the main artery.

With Michigan's fall color at its peak during October, this tour should provide a high point in the enjoyment of the season's finest outdoor spectacle.

Park picnic tables and stoves are available throughout the fall months. The park is a wildlife sanctuary. Canadian geese and the blue heron remain, though many other migrating birds have flown, and visitors occasionally glimpse the park's deer herd.

The Park Office on Buno Road is open, and further information and directions can be obtained there. The Color Tour route is plainly marked.

Families Shop Locally Mostly for Smaller Items, U-M Survey Says

Most Michigan families with children of school age rely on local stores for their daily needs, but in many cases go to another community to purchase higher priced items like furniture, University of Michigan surveys reveal.

Findings in 13 Michigan cities showed that in four commodity groups — meats and groceries, drugs and toilet articles, paint and hardware, and houseware — local merchants receive 85 percent or more of the trade.

In a majority of families in all cities it was found that the family automobile is used for getting downtown, the feeling is strong that there is not enough parking space, the shopping days are Friday or Saturday, the general belief is that the stores open early enough, and that the local community generally is considered a pleasant and convenient place to shop.

Most frequent complaints recorded included: discourteous, indifferent salespersons; discriminating treatment favoring the tourist in preference to local persons; misleading advertising or spurious "sales"; and the urgent need for more clean public rest rooms downtown.

The surveys were conducted during the past nine months by the Bureau of Business Research in the U-M School of Business Administration as part of a continuing program of business services. Many additional communities have requested the service and will be surveyed within the next few months. The surveys are sponsored by local chambers of commerce and the Michigan Retailers Association (MRA).

The home-town merchants wanted the information so they can improve their services. The cities which have been surveyed to date are: Cadillac, Coldwater, Dearborn, Frankenmuth, Gaylord, Grand Haven, Manistee, Marshall, Niles, Owosso, Petoskey, Port Huron and Ypsilanti.

Questionnaires were prepared in cooperation with MRA and distributed through the local schools and chamber of commerce.

The average family covered by these Better Service Surveys consisted of two adults and two or more school-age children, owns its own home and has lived in the community a long time.

Other findings indicate that: While it is doubtful that customers always find what they are seeking when they go to another city to shop, they will continue to buy in other than their own communities as long as they think they can make a better purchase.

High pressure salesmanship may have been the deciding factor in many cases where customers changed from one store

to another in the local shopping area.

Saturday evening shoppers is preferred to any other evening, with Friday night next.

In the average city, high sales losses occur when there are large accessible competitor cities, and losses correspondingly are smaller when competing towns are not so near.

The surveys indicated that there is much that the local merchant can do to counteract the real and imagined reasons for shopping elsewhere, such as: more attention to public and customer relations; improved sales training of personnel; and better repair, credit and delivery services.

Army Discharges Cpl. Robert Harlow

Camp Carson, Colo.—Cpl. Robert H. Harlow, son of Mr. and Mrs. Harry Harlow, 3985 Detroit Blvd., Walled Lake, was recently released from active duty at the Army Separation Center in Camp Carson, Colo.

Cpl. Harlow is a veteran of 16 months of overseas duty in Okinawa and Korea. He has been awarded the United Nations Service Medal, Korean Service Ribbon and Army of Occupation Medal.

Save time, effort with easy-to-handle Dodge trucks!

"...like the easy maneuverability of our Dodge trucks"

"My men ask for the Dodges first when they are loading up for a job. They seem to like the easy maneuverability of our Dodge trucks and it's no secret to any of us that they ride better."

"We're sold on Dodge 'Job-Rated' trucks because they're available in a large range of sizes and with a big selection of special equipment to fit all of our jobs—or as you people put it, they're 'Job-Rated'."

- ▶ Dodge "Job-Rated" trucks are engineered for greater maneuverability, easier parking, less driver fatigue.
- ▶ Turn in tighter circles, thanks to short wheel-base and wide front tread.
- ▶ For ease of handling, there's the improved steering wheel position, easy-acting worm-and-roller steering gear on most models.
- ▶ Driving convenience is increased by steering column gearshift on low-tonnage models with 3-speed transmission.
- ▶ Come in today for a demonstration.

Smaller turning circles! Drive a Dodge "Job-Rated" truck and find out how sharp it turns—how much easier it is to maneuver—how much time and trouble you save when you park. Take the wheel and learn about real handling ease!

Pulling power with speed! 5-speed transmission available on 2-ton and most 1½-ton models. 4-speed standard on 1½- and 2-ton; available on ½-, ¾-, and 1-ton. 3-speed Synchro-Shift standard on ½-, ¾-, and 1-ton.

Exclusive! gyro! Fluid Drive! Available on ½-, ¾-, 1-ton, and Route-Van models. Marvelously smooth, flexible performance makes driving easier. "Cushioned" power prevents shock and strain, cuts upkeep, protects your load.

AS A MAN SPEAKS

The Apostle Peter denied his acquaintance with Jesus. Another standing nearby said that Peter was a disciple of Jesus "for thy speech betrayeth thee." His speech revealed what he was! One does not need listen to a many very long before he can learn many things about the heart of that man, for "out of the abundance of the heart the mouth speaketh" (Matt. 12:34). If a man is in love with a girl, he cannot help but tell others about her. If a man is interested in hunting and fishing, that's what he talks about. It is just natural for people to talk about the things they love and are interested in. Now, that same thing is true about the Christian. A person that is a born again believer loves to talk about the things of God. It is his favorite conversation any day of the week. He is not bored by an evening spent in conversing about the Word of God. Those who detest conversation about spiritual things may well wonder if their hearts are right with God. Friend, take note of your conversation for it is the barometer of your soul. Matthew 12:27 says, "For by thy words thou shalt be justified and by thy words thou shalt be condemned."

Board Lists Rules, Regulations of C. R. Benton Student Loan Fund

Rules and regulations governing the \$2,000 C. R. Benton Student Loan Fund, recently set up by the Northville School Board following receipt of a legacy by the C. R. Benton estate, appear below for the guidance of high school or college students who may wish to make application for aid:

1. The Cassius R. Benton Student Loan Fund shall be administered by the Board of Education of Northville School District.
2. Funds shall be deposited with and accounted for by Donald B. Lawrence, Trustee.
3. No moneys from this fund are to be used for any purposes other than those specified in these rules and regulations.
4. The Cassius R. Benton Student Loan Fund shall be administered solely for the benefit of residents of Northville School District, and shall be restricted to those who cannot obtain an education without help.
5. Funds will be loaned only after a thorough investigation of the applicant with character, scholarship and purposes in life as large determining factors. Before granting a loan to any applicant, he or she must convince the committee that he or she knows what they want to do and that they have the ability and tenacity to do it.
6. Loans to students shall not exceed \$500.00 per year, or a total of \$1,000.00 to one student.
7. Loans will draw no interest until completion of formal education, or leaving school, and then 4 per cent from the time of graduation or leaving school until fully paid.
8. No donation or gift of funds is to be made to any student. It is strictly understood that this is not a charitable fund and that moneys will only be loaned to students of merit and ability.
9. Moneys advanced to students will be paid in sums and as determined by the Northville School Board.
10. Students will be required to report regularly the progress made and the schools will be requested to furnish scholastic reports each term on the students assisted.
11. Before any loan is made to a student, the student must fill out the regular form of application for the loan and submit the application in person to the Trustee.
12. Every student whose application for a loan has been approved will be required to sign a contract for the loan in addition to separate notes for each separate amount advanced.
