2 Suburbs Are Winners In Revenue From Racing

Livonia and Hazel Park Finance Big Improvements as Population Spurts

(By becoming a city, Northville would obtain approximately as much money from pari-mutuel betting at Northville Downs as it now collects in village taxes. For this reason, the Record believes its readers will be interested in the articles below about the financial benefits which Livonia and Hazel Park have derived from their respective tracks).

By James McConkey

(The Detroit News, Sunday, Oct. 19, 1952)

The towns the horses built are leaving most of their neighbors at the post.

With their 20 per cent cut of the State tax on racing revenue, the suburban cities of Livonia and Hazel Park are putting in public improvements—and attracting new residents and businesses—almost as fast as a tote machine operates.

Successive record-breaking "handles" at the Michigan Racing Association track in Livonia and at the Hazel Park racetrack have been converted into new public buildings, sewers, paving projects, schools and police and fire equipment.

Livonia was a helter-skelter township of some 18,000 residents west of Detroit until the track began operating there in 1950. When the residents incorporated as a city they had two old fire stations, a small township building and a half-dozen municipal employees.

Income Increases

Then the pari-mutuel machines went to work. In 1950 Livonia's share was \$336,496. In 1951 it was \$444,828 and this year it is expected to exceed \$500,000.

According to City Attorney William Brashear, two-thirds of this windfall has gone into public improvements. The other third went for operating expenses of the expanding city government, which now employs 60 people.

First the Livonians built a public-works building on Farmington road just north of the C & O railroad crossing. Then they bought trucks, scrapers, ditching machines tractors and other equipment.

They built a police station, bought scout cars and radio equipment. A third fire station was set up, reducing residents' fire insurance rates by about \$50,000 a year.

City Hall Started

Steel structure is already up for the new City Hall, on a 22-acre site on the south side of Five Mile. The building will cost \$280,000.

A new fire hall will cost \$80,000 and a two-year resurfacing program will take \$200,000. The City's new parks and recreation department plans to spend \$30,000 a year for five years to acquire land.

Livonia also has a planning commission, which is charged with maintaining the town's roomy, uncongested appearance. Residents' lots run from 60 to 120 feet in width, Brashear points out.

Building Going Up

Building permits averaged \$2,000,000 a month last summer, he said. The City's total assessed valuation has jumped from approximately \$14,000,000 three years ago to around \$42,000,000. Last year Brashear estimated the current valuation at more than \$50,000,000.

Three large manufacturing plants have moved into the town along with 10,000 new residents. One major sewer project, in the southeastern section, has been completed and three others are planned. New school buildings or additions also are going up.

The Livonia council bought a building on Seven Mile just east of Farmington road for a court and legislative building. It also houses a civil defense office. Twenty-three voting machines give Livonia voters a completely mechanical balloting setup. In the Northeast section the

city of Hazel Park has been doing equally well. In 1949 the city had been incorporated for six years but had little to show in the way of utilities and public improvements. It had a debt of \$86,000.

Then came the track. Hazel Park siphoned off \$294,434 that year and \$274,197 in 1950. The figure for 1951 was \$370,586, and this year's take is estimated at \$400,000.

During the first three years of racing bonanza, the city put in \$200,000 in paving and spent \$120,000 on drains, sewers and covering ditches. The present City Hall, at 44 Nine Mile west, was rebuilt and a new municipal building, to cost \$200,000, was projected.

Biggest item was the establishment of a revolving fund to help citizens pay special assessments for paving and sewer work. The fund now has \$300,000. Loans from it are repaid by residents on an installment plan.

Plan Paving Work

According to City Manager Robert J. McNutt, paving petitions totaling \$400,000 are now on file. With the help of the revolving fund and a bond issue, all this work is expected to be done within a year, he said.

This year the town is spending \$150,000 as its share of the cost of widening Deguindre between Eight and Ten Mile.

Hazel Park this year has spent \$25,000 of the racing money for new park land and playground equipment, \$55,000 for paving and dust-proofing streets and \$20,000 for overtime pay to policemen.

Building Boom

The suburb's building boom has averaged over 500 new homes a year since 1949. The population has gone from 16,000 to 19,500.

"But we're about at the end of our rope," McNutt said. "There are less than 1,000 vacant lots available now."

The racing money also has enabled Hazel Park to cut its municipal tax rate—excluding the school rate—from 15 mills to 13. Property valuations are maintained in both the racing towns at a considerably lower level than those in Detroit.

"The racing money has enabled us to do 20 years of public improvements in less than five years," McNutt said.

Incurable Optimist
The handiwork of a budding super-salesman was in evidence Wednesday morning at the high school.

A sign leaning against a tree on the lawn in front of the school read:

THESE 2 ACRES FOR SALE

The sign is one used by E. M. Bogart in his real estate business. It's reported that school will probably continue until its official closing date next June.

Methodist Mission of Evangelism Will Begin Nov. 2

The Rev. Carlton G. Van Ornum of Camden, N. Y., will lead the First Methodist Church of Northville in its Visitation Evangelism and Preaching mission Nov. 2 to 9.

As guests minister here, he will train local people in church visitation, according to David Drake Older, chairman of the committee. Rev. Van Ornum will speak each night during his week's visit in the Methodist Church at 730 and on Sunday morning, Nov. 2. The public is cordially invited to attend these services, which will include special music under the direction of Aiel S. Hodgson, said the church's pastor, the Rev. Ivan E. Hodgson.

Concerted Effort

The Evangelistic Mission is a concerted effort on the part of more than two hundred and twenty-five thousand Methodists in Michigan to do something about the moral sag in the nation, said Rev. Hodgson.

"Many people will answer their doorbells during the week of Nov. 2 to 9," said the pastor, "and find a couple of people inquiring about their church affiliation. The couple will be part of an army of Methodist Church members covering the state of Michigan seeking the allegiance of their neighbors and friends to the church and to Christ."

Other Means, Too

The Mission will also use many other means of public evangelism such as street meetings, press, radio, television, schools, clubs and civic meetings in seeking to help others find a definite faith, according to Rev. Hodgson.

The Rev. Van Ornum will address the Northville Exchange Club on Wednesday, Nov. 5 at its regular weekly meeting.

Radio Would Speed Veteran's Cure

Mrs. Oscar Hammond is looking for a radio to ease the wait of a tuberculosis patient at Eastlawn Sanatorium while he's being cured.

The patient is a World War II veteran who has been at Eastlawn for eighteen months, said Mrs. Hammond, who is the American Legion Auxiliary rehabilitation chairman for Eastlawn and Maybury Sanatoriums.

She said there are many cases of need in the institutions for radios and other means of while away long days and months of waiting for cure. Anyone who has a radio and who wishes to contribute it should telephone Mrs. Hammond at 897.

Police Chief Joseph Denton (left) and Justice of the Peace E. M. Bogart look over a warrant issued against Charles E. Heath, who is sought for allegedly writing four worthless checks cashed by Northville merchants. Chief Denton holds the checks, which total \$261.39.

Police Seek Writer of 4 Worthless Checks Cashed in Northville Stores

A felony warrant was issued this week by Justice of the Peace E. M. Bogart against Charles E. Heath on a charge of uttering

and publishing worthless checks, said Police Chief Joseph Denton.

The checks, which totalled \$261.39, were drawn on the Ann Arbor Bank, and cashed in four Northville business places by two men. The checks were made out to "wages" under the name of "Heath's Plastering Co.," Box 42, Pinckney, Mich. The bank said the account had been closed before the checks were issued.

Two of the checks were made out to and cashed by "James Crawford" on Oct. 17. Victims were the George Clark Hardware Co., for \$74.80, and the S. L. Brader Department Store, for \$75.20.

The next day, Oct. 18, a "Clifford Meyers" cashed two more of the checks, one at Stone's Gamble Store, for \$68.19 and the other at Freydl Cleaners, for \$43.20.

State police and police chiefs in nearby communities have been notified, said Chief Denton. If apprehended, Heath will be bound over to circuit court after arraignment here.

Judge Bogart said that the felony became compound under a statute which states that three or more bad checks issued in ten days or less takes the offense out of the felony classification, and that restitution cannot be made unless the prosecuting attorney allows it.

Bloodmobile to Visit Village on Dec. 5

Representatives of several Northville organizations will meet at the Veterans' Memorial Building tonight, Oct. 30, to organize the drive to enlist blood donors for the visit of the Red Cross Bloodmobile here Dec. 5.

Village Health Commissioner V. George Chabut reported to a village commission meeting this month that the supply of blood in the Northville bank had dropped to the alarming figure of only seven pints. He pointed out that many cases call for the use of 12 or 13 pints and that a major accident or calamity could wipe out local supplies quickly.

"We're going to need a record number of donors in this drive," said Charles Carrington, "both to replenish the local bank and to send blood overseas. The recent bloody fighting in Korea has cut into supplies and they'll have to be replaced."

Anyone wishing to donate blood Dec. 5 should telephone Northville 284 between 8 a.m. and 5:30 p.m. and get his name on the appointment list.

Baptist Men Lend a Helping Hand

Novi Baptist men and women paused at noon for lunch after a hard morning's work on Brent Munro's house on Taft Rd. Saturday. The men got together to help Brent put siding on his house, install wiring and work on plumbing. Reading left to right are: Mr. Munro, Ray Warren, Will Flint, Bill Martin (president of Young Married People's Class), Royal McCormick, Clyde Johnston, Russ Taylor, Lucille Martin, Jeanne Clarke, Clifford Sinden and the Rev. G. Gillman Morse. The children are Mary Alice Munro and Gilbert Van Sickle.

Free Transportation to Polls Offered to Voters

Clerk Fred W. Lyke and the women who will supervise voting in Northville Township's two precincts began clearing the decks this week for what is expected to be the largest turnout of voters in history on Tuesday, Nov. 4.

The record-shattering total of 3,212 registrations in the township and similar records all over the nation indicate that a larger percentage of registrants than ever before will participate in choosing a new president of the United States and hundreds of candidates for offices on the national, state and county level.

Free transportation to the polls and baby sitting services will

be offered by the Minute Women of Northville in an all-out drive to insure the largest number of votes as possible.

Just Phone

Representatives of the organization will be at their telephones—Northville 943-W12, 475, 59-M and 1265-W—all day Nov. 4 to receive calls from anyone wanting a ride to the polls, or anyone who needs a "sitter" to stay home with invalids or children. The service is free, without regard to party affiliation.

Any community-minded citizens who would like to offer their services in the get-out-the-vote campaign are welcomed to phone the above numbers and will be given jobs to perform election day.

The South Novi Farm Bureau will offer the same services in Novi Township. Voters should telephone Mrs. Victor Miller at 975-W2, Arthur Heslip at 991-J2 or Harold Miller at 1316-J1 or any member of the Bureau for

Republican gubernatorial candidate Fred M. Alger and Charles G. Oakman, GOP candidate for Congress in the 17th district, toured Northville shaking hands and greeting villagers along Main and Center streets and in business places Monday before attending a Republican Rally at the Sea Food Grotto on Seven Mile Rd.

Governor G. Mennen Williams, Democratic candidate for re-election, addressed a combined meeting of the Rotary and Exchange clubs Wednesday at the First Methodist Church at noon.

transportation or baby sitting. Also in the campaign will be the Republican Club of Salem Township. Two cars will be available all day and can be reached at Northville 1228-W1.

Voting places for Northville Township are in the village at the Village Hall, corner of W. Main and Wing streets for precinct one, and the Recreation Building, corner of E. Dunlap and Hutton streets for precinct two. Novi Township voters will cast their ballots at the Novi Township Hall on Novi Rd. and Salem Township electors will vote at the Salem Hall.

Polls will be open from 7 a.m. until 8 p.m. Tuesday, but Mr. Lyke said that voters should cast their ballots as early as possible. Approximately fifty voters were in line at closing time at the primary election, and therefore eligible to vote, but more than an hour was needed to finish. He expects that probably a hundred or more will be voted after closing time at 8 p.m. Tuesday.

The crews at the two precincts will stay up all night in shifts to tally votes for the huge number of offices on the ballots. They were still on the job until noon of the day following the primary election.

Although the presidential and other high office returns will probably be in by Wednesday afternoon, the Record will hold its deadline as long as possible to secure totals in Northville Township, which has for years been Republican.

Bloom to Collect Detroit Edison Bills

Detroit Edison customers may now pay electric bills at the C. Harold Bloom insurance agency, 108 W. Main St., instead of at Gladstone's Shoe Store, the former agency.

Chief Points Out Danger to Children on Hallowe'en

Police Chief Joseph Denton cautioned motorists in Northville to be especially careful on Hallowe'en and asked parents to be sure that their children can see properly through masks when they are out on the streets. Many children will be dressed in dark costumes and thus be less visible to a person driving a car, especially at corners, and the masks worn by children have a habit of twisting or sticking out in front and obscuring their vision.

In addition, said Chief Denton, the youngsters become overenthusiastic when caught up in the fun of ringing doorbells on the "trick or treat" venture, and are apt to run into streets without thinking or looking.

The Chief said that smaller children should not be allowed out after dark unless accompanied by an older person. "We don't want any traffic tragedies," he said.

He warned older boys and girls that acts of vandalism and malicious destruction may have drastic results, and cautioned them against soaping automobile windows, which would decrease the driver's vision and perhaps precipitate an accident.

Men Find It's Easy to Cast Off Shackles

A group of 15 men, weary of being socially overshadowed for years, staged a minor revolt last Saturday.

They had a stork shower for a man. Don Starr, of River St., was host at the surprise shower for his son-in-law, Jim Lee, Oct. 25. It was reported that he received many lovely gifts.

The 15 guests came from Detroit, Wayne, Plymouth, South Lyon, New Hudson and Northville.

The men played card games following the opening of gifts, and were served a lunch later in the evening.

Study of Solar System Makes Other Subjects Attractive for 6th Graders

Education these days in the public schools has become less painful than formerly.

Typical of clever teachers and better teaching methods to get boys and girls to soak up the three R's is the system used in the sixth grade class of Miss Gertrude Martin at Northville Grade School.

Essentially, it takes a project which will be interesting to the majority of the class, then pulls in other related subjects, thereby making the whole teaching process a lot more palatable.

The boys and girls in Miss Martin's class are now concentrating on the solar system, and they'll probably know more about outer space than most adults when they're finished.

The study of planets and stars is part of their regular work in science and social studies classes, and today, Oct. 30, they'll be taken through the Observatory at the University of Michigan to broaden their knowledge of the solar system.

But now comes the real tie in. Some of the boys and girls have made papier-mache models of the planets in art class under the direction of Mrs. Virginia Black. Other groups have made models depicting the solar system, the phases of the moon, the seasons and the size of the sun in comparison to the planets.

Arithmetic is pulled into the study when the boys and girls learn the distances of planets from the sun and get practice in using large numbers. Old "Rithmetic" is further tied in when the papier-mache models are made, for the diameters of the planets are determined by using the diameter of the earth as a base to insure proportionate sizes.

English classes come into the picture with the writing of a

playlet, "A Journey Into Space," and the writing of "thank you" notes to the Harnden Paint and Glass Co. for donating wall paper paste to the papier-mache project.

Frank Muller, Charles Bates and Roger LaFevre have constructed an electrical solar system for the play, using light bulbs of different sizes to represent the planets.

Many other teachers employ approximately the same tactics to make the education process a little more attractive for students, even though the emphasis is on the subject itself rather than the "project". The project is just the spice used to dull the rough edges of what might be considered dull subjects by many pupils.

Pete Marier Opens Florist Shop Here

The Northville Florist Shop, under the management of Joseph "Pete" Marier, opened business at 133 W. Main St. recently.

Mr. Marier was associated with the Jones Floral Co. for many years and he has lived in Northville for approximately eighteen years.

His new business is specializing in cut flowers, potted plants and special flowers for all occasions.

Rolling Down The River

by the PETZ BROS.

We sort of like the season of the year. The beauty of turning leaves, the crisp, cool mornings, the zest for living that goes with such surroundings, do things to us, especially the other day when we were doing a bit of pheasant hunting. We were admiring the beauty of the countryside so wholeheartedly, that when a bird in our immediate vicinity took off for distant parts, we forgot to shoot until it was much too late. Had we been alone it wouldn't have mattered, but there is a caustic sort of a gent with us, who refrained from shooting (it was supposed to be our turn) until it was too late also. He made remarks though, any number of them, and finished with "You remind me of what my Dad used to say, 'An awful lot of fellows start out with a good aim in life, but never get around to pulling the trigger'."

Now quite a few of you good folks have been aiming in our direction and we hope that you just keep on coming. It's worth your while too, cause after all we do handle one of the finest motor cars in America. For power, for zip, for comfort, for economy, you'll want the 1952 Studebaker. Incidentally, we're giving a tremendous trade-in allowance now with winter so close at hand, and it's almost criminal for you to let such a real out and out bargain slip through your fingers. Come in for a demonstration, or an appraisal.

There are occasions when we listen to the radio or watch television and we suspect that you do the same. The air has been quite cluttered of late with politicians telling us the country was going this way or that depending on whether he was speaking for or against. There have been a lot of promises too, that sounded most beautiful. An independent sort of friend says that leaving these promises is just like building a house without nails in hopes that a heavy coat of paint will hold it together.

The falling leaves and the depths of the thermometer these mornings, remind us that Fall is really here and that your car needs must acquire a bit of anti freeze, a shot of winter grease and oils and a motor check-up. It's much more fun driving a car that starts instantly and it saves wear and tear on the boys in the shop. It's really not their fault you forgot to come in to have the car winterized. In fact, they've been hoping you'd around to it much sooner. They want to keep you happy and if you should happen to visit them as often as necessary for a free running car, it makes it much easier for them to keep a grocery or two in the house. That's that, but the fellow who says the man of today is afraid to take a chance hasn't done any Sunday driving on a 3-lane highway.

Yours,

BILL and WILL PETZ.

Rites Held for George Van Sickle

Funeral services for George Van Sickle of 402 Johnson St., were conducted Monday, Oct. 27 at 2:00 p.m. from the Casterline Funeral Home. Rev. Dr. Ivan Hodgson officiated and burial was

made in Oakland Hills Memorial Park.

Mr. VanSickle was born in Milford, Mich. fifty-two years ago to the late George and Sarah Van Sickle. He made his home in Northville for the past twenty years and became well known in this area for his interest and work with horses.

Surviving is his wife, Clara, and a son, Ronny, of the home, and a daughter, Mrs. Frank Kucian, of Farmington. Also surviving are two brothers, Dewey and Floyd Van Sickle of Milford, and four sisters: Mrs. Merle Caswell, Mrs. Lillian Newsom, Mrs. Carey Coy and Mrs. P. Van Sickle.

Miss Kate McColl Buried in Canada

Funeral services for Miss Kate McColl, who died Thursday, Oct. 24 at Sessions Hospital, were conducted Saturday afternoon from the Casterline Funeral Home with the Rev. Dr. Harold F. Fredsell officiating.

The remains were then taken to the Prevett Funeral Home in West Lorne, Canada for final rites Monday. Interment was in Evergreen Cemetery at West Lorne, Canada.

Miss McColl was born in West Lorne, the daughter of Duncan and Catherine McColl, deceased. She made many friends through her frequent visits with her sister, Mrs. Mary Hershley, of the Village.

Surviving are two brothers, Norman of Detroit and Neil of West Lorne. Also surviving is a sister, Mrs. Annie Valentine of Windsor, Canada, and a sister, Mrs. Mary Hershley of Northville.

Novi Resident Buried Friday

A life long resident of Novi, Mrs. Ethel Salow of 26340 Novi Rd. passed away Oct. 21 at the Atchison Memorial Hospital following a brief illness.

Born June 30, 1895 to the late James and Edith Taylor, she spent all her life in the Novi area where she and Mr. Salow were engaged in farming.

Left to mourn her passing is her husband, Glenn and son, Glenn, Jr. of the home. Also surviving is a brother, Perry Taylor, of Northville; and two sisters: Mrs. Pearl Briggs of Detroit and Mrs. Myrtle Kenner of Novi.

Rev. Dr. Ivan Hodgson of the Northville Methodist Church officiated at the final rites held Friday afternoon at the Casterline Funeral Home. Interment was in Oakland Hills Cemetery.

A MESSAGE FOR AMERICANS

from GENERAL EISENHOWER

Once before I had the honor and duty of leading a crusade for freedom and dignity — in Europe during World War II.

That crusade was won not by Generals and Admirals but by the blood and effort of American G.I.'s and all the other forces fighting for freedom. Now in 1952 a different call to duty has honored me — as Republican nominee for President of the United States.

This time the effort is civilian — not military. But again the crusade will be won not by me nor by the political leaders, but by everyday Americans who value their National heritage and are willing to go to the polls and vote to protect it.

THIS IS A CRUSADE TO:

- ★ Sweep Out of Government the corruption and the scandal which have brought dishonor at home and disrespect abroad.
- ★ Banish the Subversives and incompetents who have crucified both good public service and good public servants.
- ★ Build a Strong Economy not based on war.
- ★ Save Our Great, Free Nation from the reckless policies which are leading America down the road to bankruptcy — Socialism — and possibly even World War III.

AMERICA NEEDS YOU . . . in this Civilian Crusade.

I hope that you, too, believe the time has come for a complete change in our National leadership—a change which will restore courage, integrity and faith in American Government.

I INVITE YOUR SUPPORT NOVEMBER 4TH.

News From Novi

• Mrs. Luther Rix

Mr. and Mrs. Luther Rix returned Sunday afternoon from a ten day vacation with their son's family, Mr. and Mrs. Victor Rix, and children at Falls Church, Va. The B. Z. Bee 4-H Club girls of Novi will have their November meeting next Tuesday, Nov. 4 at the home of Joan Keck of West Grand River.

The Novi Mothers Club gave the kindergarten a big play house for their room, which was much appreciated by the children. They also gave the second grade new shades for their room.

David Leavenworth, who has been ill with polio, is recovering nicely and is expected to be able to go back to school in about a month.

Mr. and Mrs. Andy Kozak and daughter, Kim, spent Sunday with friends in Fenton.

Mrs. Henrietta Hicks of Detroit has been visiting her daughters, Mrs. Russell Taylor and

Mrs. Erwin F. Geppert at the Taylor home for the past week.

There were about 40 present at the Mothers Club meeting last week to hear Mrs. F. C. Anger of Rochester, president of the Oakland County United Fund, speak. The club officers this year are Mrs. Jack Eby, president; Mrs. Glen Schuenemann, vice president; Mrs. Jack Crawford, secretary; and Mrs. Fred Loynes, treasurer.

William Hansor, Sr. has been a patient at Atchison Memorial Hospital in Northville for the past two weeks. Mrs. Hansor underwent a major operation at New Grace Hospital in Detroit last Friday.

Mr. Alfred Gow returned last week from a week's business trip to New York in the interests of the Burroughs Co.

The Blue Star Mothers of Novi Chapter will have their annual bazaar and dinner next Friday, Nov. 7 in the basement of the Novi Methodist Church. The meat pie luncheon will be served from 11 o'clock until all are served.

Rev. J. M. McLucas has been ill at the St. Joseph Mercy Hospital in Ann Arbor since Oct. 18. He is expected home the latter part of this week.

Mrs. J. D. Mitchell reports that her committee has canvassed all of Novi Township on the Fund Drive. Several repeat calls are now being made. The community women who took part in the drive are Ruth LaPlante, Norine Cheeseman, Florence Hayes, Pauline Bassett, Myra Ward, Thyra Gardella, Bashie Hines, Thelma Doane, Alma Klammer, Bernice Harrawood, Irene Pratt, Alice Clemens, Kathryn Bachert, Clara Putnam, Zelta Tuck, Sedena Watz, Dora Eby, Nesby Button, Larie Trickey, LuLu Whittington, Mrs. Gregory, Jean Clark and Dorothy MacDermid.

The Novi Board of Commerce will meet next Thursday evening, Nov. 6 at the school house. The Novi Baptist Homemaker group will serve the dinner.

The Novi School fifth graders are attending piano classes sponsored by the Grinnell Foundation of Music. The eighth grade students are selling stationary to help finance their graduation exercises. The sixth graders are busy making sample menus and putting them on charts for every one to sell.

Mary Lee MacDermid and Russell Taylor are the team captains in the magazine sales contest. All profits benefit the school in general.

Milford Man Takes Over as President for United Fund

Mrs. Frederick C. Anger, of Rochester, president of the Twenty Townships United Fund of Oakland County, resigned last week and the organization has announced that Irwin Johnson, of Milford, who was vice-president, has assumed active chairmanship of the committee.

The committee, which includes Mrs. Earl Brand, secretary; Lester Slauter, treasurer; Sidney Geal in advisory capacity, and Mr. Johnson, said that the all-important fund campaign now underway will be carried on as planned.

The Twenty Townships United Fund has set \$54,840 as a goal in the unique drive in North Oakland County's rural area.

Mr. Johnson pointed out that the organization is gaining statewide attention, and said that it is nearly unique in Michigan.

"This is one of the very few counties," he said, "where the rural areas have realized that the United Drive is a job worth doing, and have set up an organization with the ability and determination to do that job right."

The United Health and Welfare Fund headquarters in Lansing, along with the "eyes of the state," are watching "you volunteers who are pioneers" in the drive, said Mr. Johnson.

"Realizing our unique position in relation to the other counties of the state," he continued, "we feel the urge to 'show them' what kind of a job this county is capable of doing, and in each township, go over the top just a quickly as possible."

To accomplish this goal, everyone, from the smallest individual contributor to the largest business firm, and each volunteer worker, must realize his importance and responsibility so that no crippled child, no lonely G.I., no needy family, no brother in trouble, will continue to suffer because "I didn't do all I could."

The campaign chairmen in this area are Albert Weinberger, of South Lyon, and Mrs. James Mitchell, 26019 Whipple, Novi.

Information about use of money contributed to the fund may be obtained from either the chairmen or from the Twenty Townships headquarters at 1 Lafayette St. in Pontiac, phone FEderal 2-8460.

Motor Fuel for 100 Years

If all the recoverable coal reserves in Kentucky were taken from the ground and converted into gasoline through hydrogenation, there would be enough motor fuel to last the whole nation for more than a century at present consumption rates.

William Dowling Buried Monday

William Lyke Dowling, 47, died suddenly at his residence at 60975 West Eight Mile Rd., Friday, Oct. 24.

The body lay in state at the Schrader Funeral Home where

Rosary was said Sunday evening. Funeral rites were held Monday at 10 a.m. at St. Mary's Church, Milford.

Mr. Dowling was the son of William J. and Lola Dunham Dowling of Owosso. Through his interest in horses he was active member of the Thoroughbred Club of America and was employed as a racing official. Northville has been his home for the past fifteen years.

Surviving besides his parents is his wife, Lois; a son, William James and a daughter, Lola Pearl, of the home. Also surviving is a brother, R. Edmund of Grosse Pointe and two sisters, Mrs. W. E. Ward of Birmingham and Mrs. C. H. Hewitt of Grosse Pointe.

IN MEMORIAM

In loving memory of our dear mother, Augusta Minehart, who passed away Oct. 10, 1950:

We miss you mother darling, Our hearts are ever sore, As Time goes by, We miss you more and more.

Your loving smile, Your gentle face, No one can take Your vacant place.

Often a lonely heartache, Many a silent tear, But always a beautiful memory Of one we loved so dear.

Sadly missed by her children and grandchildren.

Here's why your hospital bill is higher today...

and why Blue Cross-Blue Shield protection is so much more important than ever before!

The chances are 1 in 3 that you will be faced with a hospital bill within the year.

ARE YOU PROTECTED?

If you've ever worried about what you would do to meet hospital bills in case you or one of your family needed medical care, the time to act is now!

Join 2,500,000 other people in Michigan who realize the importance of Blue Cross - Blue Shield protection. Since these plans were started in 1939 by Michigan doctors and hospitals, over 280 million dollars have been paid out in benefits for subscribers.

What Blue Cross - Blue Shield Do:

BLUE CROSS COMPREHENSIVE GROUP HOSPITAL PLAN covers a broad range of benefits (up to 120 days of care) in

any one of over 190 Michigan Blue Cross participating hospitals. BLUE SHIELD MEDICAL-SURGICAL PLAN pays liberal amounts for more than 480 listed medical-surgical procedures. It also pays toward your doctor's hospital visits in non-surgical cases.

How to Get BLUE CROSS - BLUE SHIELD Protection:

Ask your employer. Check your Farm Bureau or Grange. Write or call your nearest Blue Cross - Blue Shield office for complete information.

There's no red tape with Blue Cross - Blue Shield. Simply show your Blue Cross - Blue Shield identification card to your doctor and hospital admitting clerk. Blue Cross - Blue Shield pay the hospital and doctor directly.

State Police Offer Free Registration to Deer Hunters for Emergency Contact

The Michigan State Police and the Department of Conservation again will cooperate during the deer hunting season in making a free registration service available to hunters who desire to be reached in camp if an emergency occurs at home.

As in past years, a hunter using the service will register with the State Police post or Conservation headquarters nearest his hunting camp. Before leaving home he should inform his family or office of the station at which he will register.

In the event of an emergency, those at home need only notify their nearest State Police post or conservation headquarters and the message will be radioed to the specified registration station. A State Police or conservation officer will deliver the message to the hunting camp. Likewise, if a hunter is involved in an accident or becomes lost, his home can be notified.

Only messages of an emergency nature are handled and the service is not offered where there are regular communication facilities that can be used without delay.

The deer hunting season opens Nov. 15 and registration cards will soon be supplied to State Police posts and Conservation headquarters. Cards also will be supplied on state ferries and after being filled out can be handed to State Police troopers stationed at the docks.

Hunters are urged to give accurate locations of their hunting sites and draw diagrams if this seems needed. Each member of the hunting party should register.

When hunters move from one hunting site to another, the station with which they are registered should be informed of the change and a new registration card filed with the appropriate station.

Bill Chase Is on Student Committee

Homecoming festivities for the alumni of Cranbrook School, Bloomfield Hills, will include a morning of sports events Saturday, Nov. 1, followed by a luncheon for visiting parents and alumni.

After varsity football and soccer games between Cranbrook and Nichols School, Buffalo, Homecoming displays designed and built by various student groups will be judged in the Quadrangle, and the winning construction will be used as the central theme of the Homecoming dance in the evening.

John Schwartz of Detroit is chairman of the student committee, which is composed of Campbell Harlan and Robert Whitlatch of Birmingham; Pehr Anderson, David Milbrand and Bruce McCaul of Bloomfield Hills; Charles Blair of Pleasant Ridge; William Chase of Northville and Charles Chapman of Rochester.

Members of the faculty committee include Carleton McLain, Jr., chairman, Worden L. McCallum, Richard Hintermeister, Mrs. Floyd Bunt, and Mrs. Bruce N. Coulter.

Novi Lodge News

The Novi Odd-fellows and Rebekahs enjoyed a family night supper at the dining hall Monday evening of this week.

Novi Rebekah Lodge will send Christmas boxes to the servicemen of the Lodge families, both overseas and to those stationed in camps in the U.S.A.

The public is invited to a benefit games party which will take place Friday night, Nov. 7 at the hall.

The annual district meeting will take place on Monday, Nov. 1 at Edgewood Lodge hall on Inkster Rd., Clarencetown. There will be an afternoon session at 1:00 p.m. and evening session following recess for dinner. The Novi District Deputy will take part in a round-table discussion of rules and regulations.

State Police Arrest 8,028 in September

Michigan State Police made 8,028 arrests, including 7,256 for traffic offenses, during September, according to the monthly activity analysis compiled by the department.

Total arrests were one per cent below the 8,103 in the same month last year. Traffic arrests were one per cent above the 7,216 in September of 1951.

Not shown in the arrest total were 488 juvenile offenders, including those involved in traffic offenses.

Officers covered 921,900 miles in all activities. They also made 23,512 property inspections and 3,434 liquor inspections.

The East Lansing headquarters identification bureau received 8,084 sets of fingerprints to bring the total on file to 3,566,379. Of this number, 1,851,327 are in the criminal section and 1,715,052 in the non-criminal.

Through fingerprints, 13 persons wanted by police as fugitives from justice were identified and the identity of one unknown dead person was established.

In connection with applications for licenses to carry concealed weapons, 918 sets of fingerprints were handled and 93 of the applicants were found to have criminal records.

Expect Increase in Price of Coal

In a statement released today, Harold C. Church, manager of the Nowels Lumber & Coal Co., said that substantial increases in the price of coal in the very near future are now a certainty.

Mr. Church pointed out that the bituminous coal operators agreed to a wage increase of \$1.90 per day and 10-cent per ton increase in operator payments to the health and welfare fund. A 20-cent health and welfare fund increase has already been granted by anthracite operators and wage increases are now being negotiated. The last contract made with the United Mine Workers on Feb. 1, 1951, permitted a wage increase of \$1.60 per day and caused price increases as high as \$1.40 per ton. "At that rate," said Mr. Church, "coal will probably go up as much as \$2.00 a ton at the retail level."

Husband of Former Local Girl Returns From Korean Duty

Of interest to friends of Mrs. Elmer Harris, the former Marjorie McKeague, is the news that her Air Force husband has returned from Korea after 100 air missions with the 51st Fighter Interceptor Wing there.

Notice of his return to Marjorie and Priscilla, their year-old daughter, was carried in a Miami Herald story.

Mrs. Harris is the daughter of Mr. and Mrs. Howard McKeague, formerly of North Rogers St. and now proprietors of a gift shop in Miami. Marjorie was an air lines hostess before her marriage to Major Harris.

Maj. Elmer W. "Hap" Harris reported to Korea in April for duty with the 51st Wng. When

he completed his tour of duty there in September, after flying 100 combat missions, he had an outstanding record — three enemy planes destroyed in air battle, three more destroyed and one damaged in air-to-ground attacks.

For his achievements, he was awarded three oak leaf clusters to his Air Medal.

He was with American Air Lines as a pilot, later transferring to National before his Korean tour of duty.

His plans are to return to his job as a National pilot, starting Nov. 1. He figures he's earned a vacation, and time to become acquainted with his family and to celebrate his daughter's first birthday, which was Oct. 21.

Women to Hear of Medical Advances

Dr. Harvey M. Merker, director of inventory control and consultant on chemical and pharmaceutical manufacture for Parke, Davis and Company, will speak on the "Romance of Medicine" before the Woman's Club of Northville on Friday, Nov. 7 at 2:30 p.m. The group will meet as usual at the Northville Village Library.

Dr. Merker, a widely-known lecturer, will discuss the great strides medicine has made during the past twenty years, emphasizing the discovery of Proton, which has arrested hundreds of cases of Hansen's Disease (leprosy), and calling attention to dramatic incidents in connection with the treatment of epilepsy, allergies and cancer.

Dr. Merker is president of the Detroit Institute of Cancer Research and is very active in many civic organizations.

Grade School Plans Halloween Fun

Room parties, games and refreshments are being excitedly planned by the "tricks or treats" set at the Northville Grade School Friday afternoon as part of the Halloween celebration. Assisting the teachers in the activities will be the various room mothers.

The best part of the fun will be the refreshments, especially the ice-cream bars to be provided for all pupils, from kindergarten through the eighth grade, through the generosity of C. R. Ely and Sons Company.

Mrs. Huff's fifth graders have fashioned Halloween trays favors which have been on exhibit in the grade school showcases. This afternoon they will be taken to Sessions and the Atchison Memorial Hospitals ready to be placed on Halloween morning breakfast trays.

Lutherans Plan Turkey Dinner

St. Paul's Lutheran Church will hold its annual turkey dinner on Thursday, Nov. 6. The family style meal will be served from 5 to 8 p.m. at the Parish Hall.

Tickets may be procured from Mrs. Norman Witt, phone 844-R or from Mrs. Fred Heidt, Jr. of Plymouth. A limited amount will be sold at the door, however.

On the kitchen committee for the dinner are Mrs. O. B. Butler, Mrs. Julius Feele and Mrs. Victor Miller. In charge of the dining room will be Mrs. Roy Van Atta and Mrs. Vern Newton.

Mr. and Mrs. Bernard DePlanche

Florida Honeymoon Follows Adlof-DePlanche Nuptials

Immanuel Lutheran Church, Ypsilanti was the scene Saturday evening of a lovely fall wedding uniting in marriage Janet Adlof, daughter of Mr. and Mrs. Bernard Adlof of Ypsilanti, to Bernard DePlanche, son of Mrs. Earl Willoughby of Racine, Wisc. and the late Elmer DePlanche.

The Rev. Harley Sipe officiated at the candlelight service which was witnessed by approximately 150 guests. The couple spoke their vows before an altar adorned with white chrysanthemums, stock and fall foliage.

The bride, given in marriage by her brother, Terry Adlof, wore a gown of Chantilly lace and satin. The lace bodice extended into a full peplum and the satin skirt formed a chapel length train. She carried a bridal bouquet of white chrysanthemums centered with a white orchid. Her only jewelry was a single strand of pearls.

Mrs. Lyman LaChance, serving her sister as matron of honor, wore a gown of hunter green taffeta and velvet with a full overskirt of nylon net. The bride's attendants, Mrs. Glenn Lidke, Miss Hughene Adlof, sisters of the bride and Miss Joan Willoughby of Racine, Wisc. all wore gowns identical to that of the matron of honor. The sisters were gowned in olive green and Miss Willoughby in gold. All attendants carried bouquets of Fuji mums in fall colors. Little Sheryl LaChance, niece of the bride, acted as flower girl. She wore a floor length gown of rus-

tic gold and carried a basket of baby mums in fall colors.

Eldon Martin of Plymouth, brother-in-law of the groom, served as best man. Ushers were Bernard Adlof, brother of the bride; Richard Sterling of Ann Arbor and James McDonald of Detroit.

Proceeding the ceremony Miss Betty Finkler, presiding at the organ, accompanied Miss Betty Pelatt who sang "Prayer Perfect", "Because" and "The Lord's Prayer".

After the ceremony a reception was held in the church dining room. Mrs. Frank Lidke, Jr. served the wedding cake assisted by Mrs. Rupert Hadley, a cousin of the bride. Janet LaChance had charge of the guest book.

The bride and groom left later in the evening for a Florida honeymoon. For traveling, the bride wore a dressmaker suit of air force blue with navy accessories. She wore the orchid from her bridal bouquet.

The new Mrs. DePlanche was a graduate of Ypsilanti High School and was an office employee of Kaiser-Frazer plant, Willow Run.

After Nov. 9 Mr. and Mrs. DePlanche will reside at 42499 Roberta, Plymouth.

Parents May Hear Noted Psychiatrist

The Cornelian Corner of Detroit invites the public to hear Marian E. Kenworthy, M.D., a noted psychiatrist, discuss "The Value of Parental Relaxation for Infant Welfare" Nov. 14 at 101 State Hall, Wayne University Building, 4841 Cass Ave. The lecture is scheduled to begin at 8:00 p.m.

Doctor Kenworthy has served as professor of psychiatry at the New York School of Social Work, was Medical Director at the Bureau of Children's Guidance and served as a member of the Executive Committee of Group for the Advancement of Psychiatry.

Auxiliary Enjoys Halloween Party

After a brief business meeting last Wednesday evening, ladies of the Veterans of Foreign Wars Auxiliary put their books away and proceeded to enjoy a Halloween party in the best of fashion. The decorated dining room was properly spooky and the costumed members enjoyed some games and a light lunch.

Prizes were awarded to Stephanie Bird who was dressed as a Korean girl and Lanah Nalley as "the funny man". Winner of the apple dunking contest was Ann Nagy.

Mr. and Mrs. Weiss Host to Bridge Party

The Franklin Smiths of East Eight Mile Rd. were guests of honor at a bridge party Saturday evening given by Mr. and Mrs. George Weiss of Grace Ave. to introduce the couple to friends in the community.

Couples on hand to meet the Smiths were Mr. and Mrs. William Clump, Mr. and Mrs. William G. Williams, Mr. and Mrs. Alfred Parmenter, Mr. and Mrs. Richard Kay and Mr. and Mrs. Edward Angove.

Novi Extension Group Hears Mrs. LaPlante

Eight members of the Novi Extension Group met Tuesday, Oct. 21 at the home of Mrs. Rex LaPlante on Novi Rd. for their regular meeting.

The hostess, Mrs. LaPlante presented the lesson "Developing A Healthy Personality".

CANASTA PARTY
Mrs. George Alexander was hostess to a luncheon and canasta party at her Spring Drive home Tuesday afternoon.

ATTENTION, VOTERS!

BEFORE YOU VOTE — READ THIS —

- Twenty years ago, you worked ONE day in every 23 days for the federal government. Today, the federal government takes in taxes ONE day's pay of every FOUR day's pay.
- You live in the greatest country in the world — BUT, when you enter Canada, your dollar is worth ONLY 94 CENTS. What will it be worth if the New-Fair Deal continues in office?
- They are shouting that you never had it so good. BUT, our staggering national debt is putting us deeper in the hole every day. Will the next generation appreciate such a heritage as a result of New-Fair deal squandering and waste?
- Remember the blunders at Yalta and Potsdam, and the blunders that lost China to the Communists and resulted in the Korean war?
- Remember the sorry spectacle of your democrat governor and senator in the Chicago convention when they attempted to FORCE the party loyalty pledge on all state delegations?

THE REPUBLICANS CAN WIN THIS ELECTION BECAUSE:

- The general feeling among the people is that the democrats have been in office too long and it is time for a change.
- The people are fed up with scandals, waste, and bungling in Washington. They are fed up with the ever-increasing tax burden and the steadily declining value of the dollar.

Oakman Talks to Ike

Republican Candidate Charles G. Oakman is shown chatting with General Dwight D. Eisenhower during his visit to Detroit last Friday just before his major address on Korea. Oakman is the nominee from the 17th Congressional District.

Students Decorate Windows in Novi

Students of the seventh and eighth grades at Novi School decorated the windows of Novi stores this week with water paint scenes of Halloween, under the direction of their teacher, Miss Verschaeve.

The project is similar to others in many communities where citizens feel that such painting tends to dim youngsters' enthusiasm for getting into trouble.

Plymouth students have painted up merchants' windows on a city-wide basis on several Hallows in a plan which has decreased destruction to a great extent.

(PROPOSAL NO. 1)

PROPOSED AMENDMENT TO SECTION 10 OF ARTICLE II, RELATIVE TO THE SEARCH AND SEIZURE PROVISION OF THE MICHIGAN CONSTITUTION, TO PERMIT THE USE AS EVIDENCE IN CRIMINAL PROCEEDINGS OF NARCOTIC DRUGS SEIZED IN VIOLATION THEREOF.

Amendment proposed by joint resolution adopted by the legislature to Section 10 of Article II of the State Constitution, which protects persons and their possessions against unreasonable searches and seizures, by barring the introduction in evidence of property obtained in violation thereof, so as to permit the introduction in evidence, in criminal proceedings, of narcotic drugs seized anywhere except in dwellings, although obtained without a search warrant or lawful arrest, the same as dangerous weapons are now so permitted to be introduced in evidence in criminal proceedings.

Shall Section 10 of Article II of the State Constitution be amended to permit the use as evidence in criminal proceedings of narcotic drugs seized in violation thereof?

(PROPOSAL NO. 2)

PROPOSED AMENDMENT TO SECTIONS 2, 3 AND 4 OF THE MICHIGAN CONSTITUTION TO PROVIDE FOR DECENNIAL REAPPORTIONMENT OF THE SENATE AND HOUSE OF REPRESENTATIVES BY THE SECRETARY OF STATE.

Initiatory petition proposing to amend Sections 2, 3 and 4 of Article V of State Constitution to provide apportionment of the state legislature, according to latest federal census, by secretary of state, enforceable through mandamus proceedings in supreme court of Michigan. Senate shall consist of thirty-three members elected from single member districts created according to population formulae in amendment, and house of representatives shall consist of ninety-nine members elected from districts allocated to each senatorial district, senate and house members to be elected for two year terms.

Shall Sections 2, 3 and 4 of Article V of the State Constitution be amended to provide decennial reapportionment of the senate and house of representatives by the secretary of state?

(PROPOSAL NO. 3)

PROPOSED AMENDMENT TO SECTIONS 2, 3 AND 4 OF THE MICHIGAN CONSTITUTION TO ESTABLISH SENATORIAL DISTRICTS AND TO PROVIDE FOR DECENNIAL REAPPORTIONMENT OF REPRESENTATIVES BY LEGISLATURE OR BY STATE BOARD OF CANVASSERS.

Initiatory petition proposing to amend Sections 2, 3 and 4 of Article V of State Constitution to provide for apportionment of the state legislature. Provides for a senate consisting of thirty-four members elected for two year terms from single member districts established in the amendment. Provides for a house consisting of not to exceed one hundred and ten members elected for two year terms from districts created by the legislature according to population formulae in amendment. Legislature shall reapportion house according to latest federal census. If legislature fails to reapportion, state board of canvassers must do so.

Shall Sections 2, 3 and 4 of Article V of the State Constitution be amended to establish senatorial districts and to provide for decennial reapportionment of representatives by legislature or by state board of canvassers?

NOTICE RELATIVE TO OPENING AND CLOSING OF THE POLLS

Michigan Mirror:

Book Points Up CIO Election Role

by Gene Allemen

Michigan CIO unions have a big stake in the outcome of the election Tuesday. Here is the story, as told by a former CIO employee.

The CIO role in Michigan politics is graphically portrayed in a book just published by the University of Chicago Press. The university calls it an "impartial, firsthand study of how pressure groups operate on our political party." We emphasize the word "impartial" as the author who did the fact-finding is Fay Calkins, a research assistant for the National CIO Political Action Committee, a former CIO employee. Presumably she ought to know.

Two years ago the Michigan CIO through its state "political action committee" not only grabbed control of the Wayne County Democratic organization by electing a majority of precinct captains in four out of five district conventions. The PAC actually gained control of the Democra-

tic state convention itself, says Miss Calkins.

By putting up \$200,000 of CIO funds to help re-elect Governor G. Mennen Williams, the Michigan PAC, led by August Scholle, affected the defeat of two-term Republican Governor Harry F. Kelly by a close margin. Now they had their own advocate in the executive office to push PAC-endorsed legislation. These measures included a corporation profits tax, fair employment practice, public housing, improved social security and workers' education — Democratic state platform planks taken directly from the state PAC's legislative program. (Note: The \$200,000 expenditures were reported to the Secretary of State at Lansing.)

Miss Calkins adds: "The Michigan PAC did not hesitate to bring pressure to sympathetic appointees to the Michigan Unemployment Compensation commission, the state department of labor and the Public Service commission."

Thus, election of a governor whose viewpoints coincided with those of the Michigan CIO was a feather in the hat of Messrs. Reuther and Scholle. They had a friend in the Governor's chair.

The Michigan victory was in contrast to the whopping defeat sustained by labor leaders in Ohio where Senator Robert Taft was re-elected by a record majority.

Miss Calkins' conclusion is that the Ohio PAC was "exposed to public opinion as a special interest group" because of its separate precinct organization which paralleled that of the state Democratic Organization.

In Michigan, so Miss Calkins explains, the labor movement was hidden behind a broad party organization and a traditional party name.

Thus, Williams was not a CIO candidate. He was a man of liberal thinking, popular in both city and rural areas because of his democratic hand-shaking, barn-dancing ways, who appeared before the voters as a Democrat — not as a union candidate.

The key to the Michigan CIO success was Wayne County which has 37 per cent of the state's population. By capturing Wayne County alone, the PAC was able to get control of the Michigan state convention. This was no possible in Ohio, a state of many large industrial centers. Where the Ohio labor leaders were out in the open and incurred resentment of many voters, the Michigan CIO operated behind the

scenes hidden from public view and hence less vulnerable to criticism.

These facts, as vouched for by Miss Calkins, are of pertinent interest to Michigan voters this fall for three good reasons. First, the Michigan CIO is now attempting to extend its influence by getting control of the State Legislature. Reapportionment of the legislature has been handled to date on a basis of geographical representation in the Senate and population representation in the House. This practice is also followed at Washington in election of Senators and Representatives.

The Michigan CIO wants to change this by giving a handful of counties a majority control of the legislature through election of senators and representatives. This scheme is known as Amendment No. 2.

Second, the Michigan CIO would take away the following congressmen through such a reapportionment: One each from the Upper Peninsula, North Michigan above the Muskegon-Bay City line, and Western Michigan, west of about US-27. The southeastern Michigan industrial area, centering around Detroit, would have 12 Congressmen instead of nine as at present.

Third, re-election of Governor G. Mennen Williams will assure a continuation of the stalemate at Lansing whereby the average legislature revenue bill, other than a state corporation profits tax, is automatically assured of a governor's veto.

Like all elections, however, the Nov. 4 election is complicated by having many issues, some relevant and some not. Political observers at Lansing are crossing their fingers on the Nov. 4 outcome in Michigan. The election is just that close. Not for a generation have the odds been so even five days before the election. And not in that time has Michigan been so vital to the hopes of both parties.

Michigan has enjoyed the experience of being a pivotal Presidential state.

At least the crowds who turned out to greet Eisenhower in three appearances here, for two formal speeches and his successful whistlestop trip cross-state; who heard Adlai kick-off his campaign at Detroit and make a propeller-stop trip; and who heard President Truman make his typical "give-em-ell-arry" talks here — the audiences seemed to be enjoying themselves tremendously.

Their final reaction — how they'll vote Tuesday — is something the voters are still keeping to themselves.

In the meanwhile, the Michigan CIO will have its greatest test at the ballot box. The stakes are great.

1953 CHRYSLER NEW YORKER CLUB COUPE

Smart new lines mark the 1953 Chrysler New Yorker club coupe. New Yorker models are offered in a choice of 6-passenger sedan, club coupe, special Newport club coupe, Town and Country wagon and 8-passenger sedan on a wheelbase of 125½ inches. Powered by the Chrysler 180-horsepower FirePower V-8 engine, they feature power brakes and Oriflow shock absorbers as standard equipment. They are available with full-time power steering as optional equipment.

1953 Chrysler Models on Display Now at Atchinson Motor Sales in Village

The Chrysler Corporation's announcement of its new car for 1953 says its features "entirely new and beautiful body styling with long, low lines which emphasize the length and width."

The new car is on display now at Northville's Chrysler dealer-ship, Atchinson Motor Sales, on West Main St.

"The new, sleek bodies," reports J. A. O'Malley, vice president and sales manager of the Chrysler Division, "in combination with proven engineering advances such as the revolutionary 180-horsepower V-8 Chrysler FirePower engine, full-time power steering, Fluid Torque Drive, power brakes and Oriflow shock absorbers make these the finest, most luxurious cars Chrysler has ever produced."

The 1953 car will be offered in six models with a total of 20 body styles. The lines this year are the Windsor, Windsor DeLuxe, New Yorker, New Yorker DeLuxe, all on an 125½ inch wheelbase; Custom Imperial with a wheelbase of 133½ inches, and the Crown Imperial line with a wheelbase of 145½ inches.

The front end styling for the 1953 models is designed to retain the established identification. The grilles have been redesigned and refined, and the new front end treatment includes new hood top ornaments and new parking light styling.

Driver and passenger visibility has been considerably improved with more extensive use of glass, total area of which has been increased to 25 square feet. The

windshield is of new one-piece wrap-around curved glass.

The interiors are completely new. The ledge between the top of the dash and the windshield is now covered with a non-reflecting vinyl material which cuts down glare and reflection, said the announcement. All instruments are grouped above the speedometer and directly in front of the wheel to provide visibility and permit safer driving.

Four upholstery options are provided for Custom Imperial models in dark green, dark blue, tan and gray. Chrysler for 1953 is offered in fifteen solid colors and in seven two-tone color combinations.

Full-time power steering, which proved to be one of the most popular engineering advances ever offered by Chrysler, will be available throughout the new 1953 lines. It will be optional at extra cost, except in the Crown Imperial where it remains standard.

If ever there was a time to call a halt to wasteful, heedless government spending, that time is now. Every dollar wasted in Washington or Lansing means higher taxes for you, higher costs of food and clothing, less "buying-power" in your pay envelope.

Here is why we are mad—and why you should be too. In just five short years the cost of food . . . clothing . . . all the things you buy have gone up over 47%! The dollars you earn have dropped in value to where they buy only what \$3c would buy in 1939. AND THE DEMOCRATS KEEP RIGHT ON RAISING YOUR TAXES AND SPENDING YOUR TAX MONEY ON MANY FOOLISH WASTEFUL SCHEMES TO "BUY" YOUR VOTES.

Delivery of Christmas Seals to Homes Will Begin Nov. 17

The 1952 double-barred cross Christmas Seal will be delivered to 350,000 homes in Detroit and Wayne County beginning Nov. 17, Richard L. Lea, executive secretary of the TB and Health Society, has announced.

The Seal features a lighted candle in an old-fashioned brass candlestick along with the red double-barred cross, which is the international symbol of the fight against tuberculosis.

Thursday, Oct. 23 marks the

50th anniversary of the adoption of the emblem of the modern crusade against TB.

"The use of the double-barred cross, an adaptation of the historic cross of Lorraine, was proposed and accepted at the first international conference on tuberculosis held in Berlin on Oct. 23, 1902," Lea said. Attending were medical men and leaders in the health field from 20 nations, including the United States.

Proceeds from the sale of the

1952 Christmas Seal Sale support the case-finding, health education programs of the TB and Health Society, which covers all of Wayne County.

"Tuberculosis has been forced down from first to sixth as the cause of death since that historic meeting in 1902," the executive stated, "but TB is still the leading disease killer among young people in this country between 15 and 35."

Under the insignia of the double-barred cross, 3000 TB associations in this country and additional thousands throughout the world are fighting the disease.

It is estimated that 5,000,000 people in the world die each year from tuberculosis—about 34,000 annually in this country.

Last year, 4,136 people were ill with tuberculosis in Wayne County.

"Everyone can join in the battle against tuberculosis. Everybody can buy and use Christmas Seals on their holiday cards and packages and help support work which is ridding this community and this nation of the disease," Mr. Lea said.

The TB and Health Society campaign continues until Christmas Season is over.

Mrs. Owens Attends Therapy Conference

Mrs. Marjorie Owens, OTR, of William Maybury Sanatorium, was one of a group of clinical occupational therapy directors from 40 hospitals across the United States who attended the annual clinical directors conference at Western Michigan College on Friday, Oct. 24.

While there, directors discussed clinical problems and also had a chance to meet those occupational therapy students at Western Michigan College who will serve in their hospitals during the next year and a half.

In the four and one-half year training program for such students at Western, nine or ten months are spent in various hospitals for tubercular, mental and cerebral palsy patients, where they have an opportunity to put classroom techniques into practice.

Northville Library Offers New Fall Reading

Now that cooler weather is here and outdoor activities are shelved for another year, book reading will become the favorite pastime of many Northville housewives. To keep the supply of the local library books up-to-date, and to satisfy varied interests, several new volumes have been added to the shelves according to Miss Rhea Lyons, librarian.

"GIANT" by Edna Ferber—
The "giant" is Texas seen through the eyes of Leslie Benedict who comes to the huge Reata Ranch as a bride. The colorful country and its people she finds fascinating and her attempts to adjust to their ways make entertaining reading.

"THE QUIET LIFE OF MRS. GENERAL LANE" by Victoria Case—

Life for Polly Lane was anything but quiet or dull for Indiana was new country and grow-

ing in importance and Jo Lane felt himself a man to help direct its destiny. His enthusiasm carried Jo and his wife from a log cabin to a mansion on the Ohio. The story is based on historical fact and the lives of the actual persons.

"THEIR TOWN" by Wilbur Daniel Steele—

Argentite was declining into another ghost town of the mining era until Hubert Spooner set to work to save it from its doom. Many called him a visionary, but Kentucky Holm, who loved and believed in him, found her faith rewarded.

"CATHERINE CARTER" by Pamela Hansford Johnson—

Catherine Carter, an aspiring young English actress, becomes a member of the famous Henry Peverel's theatrical company. The years that follow—the 1880's—bring her triumphs and disappointments and a lasting love.

"A TREASURY OF THE THEATRE" edited by John Gassner—

"Candida" by Shaw, Noel Coward's "Blithe Spirit", Tennessee Williams' "Glass Menagerie"; you may have seen them—would you like to read them? These plays in complete form are found in one volume of this Theatre Treasury along with many other works of famous modern playwrights of Britain and America. Another volume contains modern European drama from Ibsen to Sartre.

"THE CATHOLIC CHURCH IN DETROIT" by George Pare—

The Catholic Church came to Detroit with Cadillac in 1701. This history however considers Catholic origins elsewhere in America as well as the fortunes of the Church in the Michigan area through the years until 1888.

"THE FLIGHT OF THE ARCTIC TERN" by Constance and Harmon Helmericks—

The Helmericks previously have written of exploration by foot and canoe in Alaska and the Arctic. Now in a two-seater plane, the "Arctic Tern", they visit more old and new points of interest.

"THE COMMUNIST TRAIL IN AMERICA" by Jacob Spolsky—

is an account of Communist activities in the United States since

1919, and the efforts of the Federal Bureau of Investigation to combat them. Written by a member of the F.B.I. who was active in many of the cases.

"THIS IS IKE" a picture-story by Wilson Hicks, and "ADLAI STEVENSON OF ILLINOIS" by Noel F. Busch are timely information for this election year. The October issue of "Inside Michigan" magazine which features a

voter's guide is also available.

Other books of interest are "Working With Roosevelt" by Samuel Rosenman, and "Arco Courses for Civil Service Jobs" which contains basic material used in Civil Service tests. "The Distant Shore" is a sea story of World War II by Jan Hartog and "Lemon Jelly Cake" by Madeline Babcock Smith tells of life in a small town at the turn of the century.

Sawdust found excellent for cattle bedding

Sawdust or shavings will make warm, absorbent bedding for dairy cattle, according to reports from Michigan State College's Upper Peninsula Experiment Station at Chatham. Folks there have found that, under controlled conditions, sawdust or shavings have no harmful effect on soil when the manure is later applied to fields. Bedding the herd on sawdust will also mean savings in liquid manure. Northern Michigan dairymen usually find shavings easy to obtain; in other sections, good supplies can be picked up from nearby sawmills. For more information, call your nearby County Agricultural Agent.

Rockets and telephones have much in common

To reach its target, this guided missile depends on an "electronic brain" developed by Bell Telephone Laboratories and produced by Western Electric, the manufacturing unit of the Bell Telephone System. Western Electric production techniques also turn out electronic controls and firing systems for Army and Navy guns and Air Force bombing planes. Did you know these same techniques are used to make the "electronic brain" that guides your Bell telephone calls to the right number? Thus modern research and facilities give you better telephone service at the lowest possible cost.
