Northville, Michigan, Thursday, November 20, 1952

\$2.50 Per Year in Advance

for the Record

by G. H. C.

Why didn't the Record print that story I sent in last week?

This is a legitimate question that we hear almost every week from someone who has been thoughtful enough to bring in or phone us a story that they thought would be of interest to our readers. Nine times out of ten the question embarrasses us because obviously we have failed to print all the news. And each time a story fails to appear, we run the risk of losing a potential contributor whose thoughtfulness would have enabled us to publish a better newspaper. That person undoubtedly feels that he or she has been "let down" by the Record staff and will be less likely in the future to take the trouble to tell us about happenings in the community.

Because the Record staff DOES WANT TO PRINT ALL NEWS ABOUT EVENTS THAT TAKE PLACE IN THE COMMUNITY, we are devoting this week's column to explaining some of the reasons why stories sometimes have to be omitted. This explanation in-

How to Make Sure the Record Prints Your Stories

1. Give us your story EARLY—Friday if possible; not later than Monday noon. Most stories reaching us later than Monday noon are printed, but the way to be safe is to get it to us early.
2. The Record DOES NOT CHARGE FOR PRINTING NEWS STORIES. Like other papers, it does charge for "Cards of Thanks" and "In Memoriam" notices. Such charges occasionally result in the misunderstanding that a charge is made for news stories.
3. Nor does the Record charge for making cuts of wedding pictures. A good glossy print (photo) should reach us by Monday noon, however, to make sure it will appear in the Thursday issue.

volves understanding by our readers of the mechanics of publishing a weekly newspaper. Here is exactly how we go about it.

The Record that is delivered to your home Thursday morning is printed in three sections of four pages each. Monday morning Mr. Nimmo, our advertising manager, and Taylor Ball, our managing editor, get together to ESTIMATE the amount of advertising that is to be available for the Thursday paper. This estimate often is little more than a GUESS. It is based, upon the amount of advertising in sight at the time. This consists of national advertising, such as automobile ads, plus promises by local merchants. On the basis of this estimate, they schedule a 12-page or a 14-page paper for the week.

Often it looks on Monday morning as though we will have a light week, with plenty of space in a 12-page paper for every bit of news that we can scrape together. On this basis, ads are scheduled for the first four pages to be printed Monday afternoon. Because copy is very slow coming in on Monday it often is necessary to use relatively unimportant stories in this four-page section of the paper. We refer to them as "filler copy." Although we try to avoid such stories as much as possible, they are a necessary evil in the newspaper business. Even the city papers use them for the same reason we do.

The second four pages are printed Tuesday afternoon. Here again, the editor has exactly the same problem of deciding on the relative proportion of news and advertising to run to have a balanced paper. Usually by Tuesday the news is flowing in faster, so few "filler stories" are used in this section.

But about Tuesday noon someone who had not previously intended to advertise tells us he will want a quarter page. Someone else gives us a like order. Before we know it, ads for a half or a full page have come in that no one had foreseen Monday morning when we had to schedule "filler stories" in the first four pages of a 12-page paper. And somewhere along the line, we have lost the space for a half or a full page of news that otherwise might have been printed. This means that some person who gives us a story Tuesday afternoon or Wednesday morning is likely to be disappointed when it doesn't appear in print.

When a lot of advertising comes in late, why doesn't the Record print 14 pages instead of 12? This, too, is a good question. The answer is equally good. Our folding machine can produce a 14-page paper IF PLANS FOR SUCH A PAPER ARE MADE BEFORE PRINTING STARTS MONDAY AFTERNOON. BUT WE CAN'T CHANGE OUR MINDS AND PRINT A 14-PAGE PAPER AFTER THE FIRST FOUR PAGES HAVE BEEN PRINTED. The folding machine just won't handle the extra two pages. It also won't fold them so the pages in your paper will run in numerical sequence.

What does the Record do when it ends up with too much advertising in relation to its news for the week?

It is obvious, of course, that the revenue from advertising is what makes it possible to produce the Record for \$2.50 per year. The total revenue from subscriptions amounts to only about \$6,000 per year. The Record's annual payroll alone runs nearly \$35,000. Subscriptions just about cover the cost of the newsprint plus postage. Even though it is advertising revenue that makes publication possible, THE RECORD OFTEN LEAVES OUT ADVERTISING to get more room for last minute news. Even so, when we get a crowded paper, at the last minute, some stories just have to be left out. AND THE ONE THING THAT MAKES US FEEL BADLY IS THAT EVEN WITH ADS AND STORIES LEFT OUT, WE KNOW THAT THERE ARE "FILLER STORIES" PRINTED IN THE FIRST FOUR PAGES MONDAY THAT COULD HAVE BEEN OMITTED TO MAKE ROOM FOR "LEFT OUT" ADS AND NEWS STORIES. We have lost revenue and those who would like their stories to be printed have been disappointed.

The final question that readers may ask is this: "Why does the Record start printing Monday instead of doing the whole job Wednesday afternoon?"

The answer is that the Record's business is not large enough to warrant the \$30,000 investment in a press that could print the whole paper then. Nor are the Record's earnings sufficient to pay the staff that would be necessary in the composing room to print the entire paper at the last minute.

This brings us to the \$64 question: "How can you be assured that the news you are thoughtful enough to give us will be printed?"

It should be obvious from what we have said about the lack of good stories for the first section of the Record that copy which reaches us before Monday noon has the best chance of being used. If you bring it in on Friday the staff will greet you with open arms. Everyone connected with the Record is anxious to fill the paper with community news, and regrets as much as you the fact that occasionally a good story has to be omitted at the last minute. When this happens, we try to rewrite such stories for the following week's issue if they are still timely.

Consumers Power Co. to Lay New Gas Lines in Northville

Permission to lay more than seventeen thousand feet of two and four inch gas main on 20 Northville streets was granted to Consumers Power Co. by the Village Commission Monday night.

The new mains would replace old ones, some of which, according to an estimate of Commissioner Claude Ely, have been in the ground for at least two decades.

George L. Mayhew, Plymouth District manager for Consumers Power, asked for cooperation of the commission at its meeting Monday and outlined the work to be done.

Mr. Mayhew said that work would begin in about a week, with completion date set for approximately eight weeks later.

Mr. Mayhew said that in almost all cases, the lines will be laid between sidewalks and curbing, and that workmen would bore under trees and other obstructions so that no undue disturbance of property would occur.

The commission members expressed satisfaction of the project when assured by Mr. Mayhew that streets would be adequately patched when it became necessary to dig holes to connect new lines into mains.

Mr. Mayhew pointed out that all original patches are intended to be only temporary, and that many of them are replaced three or four times before the permanent "hot patch" is made. Even thorough tamping of the ground before the original patch is made, he said, won't prevent the replaced earth from settling, and the permanent patch is held off until it is certain that ground will not settle again to any appreciable extent.

"The amount of new pipe, and the streets to be affected by the project, are:

Wing St. between W. Main and Randolph—680 feet of 2-inch pipe; Clement from Seven Mile to W. Main—2,432 feet of 2-inch pipe; Walnut from N. Center to East St.—495 feet of 2-inch pipe; Church from Cady to E. Main—326 feet of 2-inch pipe; High between Randolph and Elm, 510 feet of 2-inch pipe; Orchard Drive from Seven Mile north past Thayer—1,650 feet of 4-inch pipe; Griswold between E. Main near Butler—300 feet of 4-inch pipe; Oakland from Baseline to Rouge, 380 feet of 2-inch pipe; Rouge from Novi to Oakland—550 feet of 2-inch pipe; Rogers from W. Main north to village limits—1,240 feet of 2-inch pipe; Dubur between Rogers and Linden—532 feet of 2-inch pipe; Lake between Center and Grace to Novi—1,237 feet of 2-inch pipe; Church from Cady to the bend at Beal—450 feet of 2-inch pipe; from bend to River St. intersection—370 feet of 2-inch pipe; Fairbrook between Rogers and Wing—1,480 feet of 4-inch pipe; Horton between Rayson and Lake—430 feet of 2-inch pipe and part way to Baseline on Horton; Baseline between Rayson and Carlyle—1,380 feet of 2-inch pipe; Carpenter between Lake and Hill—1,970 feet of 2-inch pipe; Pennell from Butler three-fourths of the block to Griswold—275 feet of 2-inch pipe, and Butler from Griswold to Pennell—570 feet of 2-inch pipe.

Four-inch pipe will probably be laid last, said Mr. Mayhew.

Senior Class Play Tonight, Friday

"Our Hearts Were Young and Gay" will be the annual senior class play production to be presented tonight and Friday, Nov. 20 and 21, at the Northville High School auditorium.

The curtain will rise at 8 p.m. on each of the two nights. Part of the cast will be different each night, but most characters will be portrayed by the same students on both nights.

The play, under the direction of Miss Florence Panatoni, is an account of the escapades of two young girls on a boat trip to Paris. The play is authored by Cornelia Otis Skinner and Emily Kimbrough and is taken from their book of the same name.

Tickets may be purchased from members of the senior class or at the door each night.

Mrs. Chabut to Head TB Seal Sale

Mrs. V. George Chabut of Sheldon Rd. has been named chairman of the 1952 double-barred cross Christmas Seal sale in Northville, according to an announcement of the TB and Health Society.

The Seal sale opened Monday, Nov. 17, and will continue until the end of the year.

Mrs. Chabut will aid in raising the funds which support the work of the TB and Health Society in Wayne County. The Society's program ranges from health teaching in schools and with adults to aiding tuberculosis victims in their struggle to regain health and live normal lives.

Mr. Mayhew said that work would begin in about a week, with completion date set for approximately eight weeks later.

Mr. Mayhew said that in almost all cases, the lines will be laid between sidewalks and curbing, and that workmen would bore under trees and other obstructions so that no undue disturbance of property would occur.

The commission members expressed satisfaction of the project when assured by Mr. Mayhew that streets would be adequately patched when it became necessary to dig holes to connect new lines into mains.

Mr. Mayhew pointed out that all original patches are intended to be only temporary, and that many of them are replaced three or four times before the permanent "hot patch" is made. Even thorough tamping of the ground before the original patch is made, he said, won't prevent the replaced earth from settling, and the permanent patch is held off until it is certain that ground will not settle again to any appreciable extent.

"The amount of new pipe, and the streets to be affected by the project, are:

Wing St. between W. Main and Randolph—680 feet of 2-inch pipe; Clement from Seven Mile to W. Main—2,432 feet of 2-inch pipe; Walnut from N. Center to East St.—495 feet of 2-inch pipe; Church from Cady to E. Main—326 feet of 2-inch pipe; High between Randolph and Elm, 510 feet of 2-inch pipe; Orchard Drive from Seven Mile north past Thayer—1,650 feet of 4-inch pipe; Griswold between E. Main near Butler—300 feet of 4-inch pipe; Oakland from Baseline to Rouge, 380 feet of 2-inch pipe; Rouge from Novi to Oakland—550 feet of 2-inch pipe; Rogers from W. Main north to village limits—1,240 feet of 2-inch pipe; Dubur between Rogers and Linden—532 feet of 2-inch pipe; Lake between Center and Grace to Novi—1,237 feet of 2-inch pipe; Church from Cady to the bend at Beal—450 feet of 2-inch pipe; from bend to River St. intersection—370 feet of 2-inch pipe; Fairbrook between Rogers and Wing—1,480 feet of 4-inch pipe; Horton between Rayson and Lake—430 feet of 2-inch pipe and part way to Baseline on Horton; Baseline between Rayson and Carlyle—1,380 feet of 2-inch pipe; Carpenter between Lake and Hill—1,970 feet of 2-inch pipe; Pennell from Butler three-fourths of the block to Griswold—275 feet of 2-inch pipe, and Butler from Griswold to Pennell—570 feet of 2-inch pipe.

Four-inch pipe will probably be laid last, said Mr. Mayhew.

Union Thanksgiving Service Nov. 26

The annual Union Thanksgiving service will be held in the First Methodist Church at 7:30 p.m. Nov. 26. It is sponsored by the First Methodist and First Presbyterian churches of Northville.

The service will consist of an organ and piano prelude, hymns of thanksgiving and praise, a call to praise and a unison prayer of thanksgiving.

The Sanctuary Choir of the Methodist Church will sing two numbers, "The Heavens Resounding" by Beethoven, and "We Thank Thee, Lord" by Bortniansky.

Club Will Hear Antique Collector

Guest speaker at the meeting of the Northville Woman's Club Friday, Nov. 21 will be Mrs. Charity Crooks, antique collector, of Farmington.

Mrs. Crooks will talk about the collection of antiques from the standpoint of the hobbyist and as a dealer who has been in business seven years. Her special field is furniture, which she has been collecting since early childhood, and which now fills her own old home which was built in 1824.

Since 1925 she has made a serious study of the antique business, including furniture, china and other household items. She was one of the original members of the Williamsburg Forum, a study group which meets annually at Williamsburg, Va. to hear authorities from all parts of the country discuss their special fields.

Fred Schultz (left) and his father, Harold, discuss the new 30-30 Winchester with which Fred brought down a 120-pound buck only thirty minutes after he started hunting on opening day of deer season.

Shooting Buck is Easy for 14-Year Old Nimrod

Fourteen-year old Fred Schultz didn't have to wait long to get his buck Saturday. He shot it at 9:30 a.m.

Thirty minutes after his father Harold, parked him on a stump and told him to stay there, the buck literally came to Fred, even though it came in the "back" door.

Young Fred had pestered his father for several months to be taken along on the annual migration north when deer season opened Nov. 15, and finally the father gave in.

They bought Fred a brand new 30-30 Winchester and headed for the Missaukee Lakes Club near Cadillac, Mich., along with two others in the party, Mr. and Mrs.

C. P. McClelland, of Royal Oak.

Mr. Schultz picked a stump on a ridge, assigned Fred to the spot and told him not to leave it. Then the father took up another station.

Call for Help

Half an hour later he heard two quick shots and Fred's call: "Daddy, come and help me."

Fred had heard a swig snap behind him and turned in time to see a doe bolt through the brush only twenty feet away. Then the 120-pound buck followed and Fred knocked him down with a shot in the hip. Another quick shot finished the buck.

Fred, who says he weighs a hundred pounds and stands five feet four inches, decided the buck was a little too large for him to dress out and called his father.

The party returned Sunday. They were afraid the unseasonable heat would spoil the deer. No one else in the party had any luck.

Kats, Rams Play Game Friday Night

The Kats and Rams will face each other in the fourth annual renewal of the seventh and eighth grade football rivalry Friday night, Nov. 21. The game will be at Ford Field under the lights at 7:30 p.m.

The game will pit two mixed teams, coached by Al Jones and Dick Kay, against each other in a match which draws fifty or more candidates for berths.

Mr. Jones and Mr. Kay have developed a system of drawing numbers for selecting players. They take turns naming boys from the eligible group, which assures a fairly even split of ability, experience and size.

The teams have been practicing all week after school on the grounds near the high school, and worked out for two week ends before that.

The coaches are being helped in their duties by several varsity players, whose season is now ended. Gene Rebitzke and Lamar Nally are helping Jones with his Rams, and Al Iversen, Bob Schock and Bill Bailey are helping Kay to round his charges into shape. Other varsity players volunteer from time to time.

To date, the Rams are ahead with two victories. The Kats have won one game, the 19 to 7 victory in 1949. The Rams turned the tables the next year, winning by the same score, and won the game last year 7 to 0.

Proceeds from the game go into the Athletic Fund, which provides money for athletic equipment of various kinds.

Group Discusses Hospital for Northville, Plymouth, Livonia

Plans to build a 100-bed hospital which would serve 43,000 persons in Northville, Livonia and Plymouth were made public today in a statement released by a spokesman of the Livonia, Northville and Plymouth Hospital Authority.

The \$2,000,000 hospital, according to present plans, will be located in the approximate center of the tri-area population, within a few minutes' drive from each of the named communities.

Optimistic about the long sought-after hospital is Robert Marsden of Plymouth, chairman of one of the three

Commission Gets Paving Estimate on S. Center St.

The estimated cost of improvements in paving and drainage on Center street from Main to the Edward N. Hines drive would be \$57,503, of which the Village of Northville would be expected to pay 50 per cent, or \$28,761 if the work should be planned.

This was the reply in a letter from J. K. Norton, engineer of highways of the Wayne County Road Commission in answer to a request for an estimate by Village President Conrad E. Langfield. The first block, from Main to Cady St., cannot be improved for drainage, Mr. Norton said, but it should have an inch of asphaltic concrete treatment to smooth up the existing surface. This alone would cost \$1,500.

Ten-Inch Concrete

Mr. Norton said that, from Cady to Hines Dr., a ten-inch thick cement concrete pavement, 36 feet wide, with complete underdrainage and curbing on both sides should be constructed.

Members of the village commission expressed doubt, after hearing the letter, that even the 12-inch sewer called for in the estimate would be sufficient to care for the drainage problem on the street. Water now drains down the slope from Main, from the parking lot at the corner of Main and Center, down from both sides of Cady, and would eventually drain from part of Fairbrook.

Should Change Grade

In addition, Mr. Norton said the Road Commission would expect the village to re-establish the grade by raising the sidewalk on the east side of Center St. just south of Cady to help the difference in elevation between the east and west sides. The village would be expected to pay the total cost of such sidewalks, which was estimated at about two thousand dollars.

Even if the village should consider improving the street, said Mr. Norton, nothing could be done by the County until 1954 when funds would again become available, and the estimated cost provided in the letter might be out of balance—either high or low—by that time.

Mr. Norton suggested further negotiations "whenever the time is ripe for completion."

\$66,151 Mailed to 780 Members of Christmas Club

Checks for 780 accounts totaling \$66,151 were mailed Nov. 15 to local residents who are members of the Christmas Club by Depositors State Bank, said Bank Cashier A. Russell Clarke.

The total represented the all-time high in membership in Christmas Clubs locally. The first club amounted to \$3,276 in 1938. Six hundred and eighty-two members received \$54,831 last year.

Early Copy

Early copy and advertising are requested next week due to publication of the Record on Wednesday instead of Thursday because of Thanksgiving.

Deadline for all copy will be 5 p.m. Monday. Classified ads should be in by 10 a.m. on Monday. Display advertising will be closed out at 5 p.m. that day.

tri-area study groups comprising the Hospital Authority. Mr. Marsden, who cautions that the hospital will probably take five years to complete if plans go through, points out that the project is still in the "incubator" stage, and even a long way from the architect's drawing board.

Lack of Funds

A stumbling block to the whole project is an "immediate lack of funds," he says. A planned non-profit campaign organization yet remains to be set up.

Money for construction of the multi-million dollar installation would be sought from federal-state grants-in-aid, industries in the tri-city area and residents who would be served by the hospital. The Authority also points out other possible revenue sources in various Foundation funds.

Throwing cold water on the whole project, at least until after July, 1954, is J. R. Homminga, of the Office of Hospital Survey and Construction at Lansing.

Must Wait 2 Years

Mr. Homminga revealed this week that federal grants-in-aid allocated to the state of Michigan for hospital construction have already been earmarked up to the expiration date (July 1, 1954) of current federal subsidy laws supporting hospital projects of this kind.

Federal aid would cover 40 percent of total construction costs. In the case of the tri-area project, the grant-in-aid would provide \$800,000 of revenues needed.

Population in the tri-city area, including adjacent townships, totals approximately 43,000, more than sufficient to support a 100-bed hospital. Mr. Homminga admits, but adds that federal subsidies cover just 35 percent of Michigan's hospital needs.

"The Western Wayne County area," Mr. Homminga said, "is not even listed by the State Health Department as a priority area for hospital construction."

Doctor Optimistic

"Obstacles to building the hospital are to be expected," said Dr. Oscar P. Rosebolt, chairman of the Livonia study commission. "We are not the least bit discouraged."

Dr. Rosebolt calls the need for a tri-area hospital "urgent." He points out that one industrial group is "predicating its services on the basis of a 100,000 population in Livonia alone."

One rule of thumb for measuring the need of a hospital is the population to be served by the installation. State Health officers say that, under ideal conditions, there should be at least a 100-bed hospital for 35,000 to 40,000 population.

"But what about the future?" Mr. Marsden asks.

Population Surging

He notes that with population figures already surging past the 43,000 mark in the tri-city area, "that in three to five years there will be a crying need" for adequate hospital facilities nearby.

To offset population increases the Authority plans to call for architectural planning that would permit the hospital to be enlarged at a cost of about \$6,000 a bed. Completely equipped, the initial 100-bed installation would cost an estimated \$20,000 a bed.

Hospitals Far Away

Many physicians serving Livonia, Northville and Plymouth are forced to shuttle continually between Detroit, Ann Arbor and Ypsilanti to give adequate medical attention to their patients, forced to go to cities where hospital facilities are available.

Mr. Marsden also points out that the strategically placed hos-

Senior Class to Stage Annual Play, "Our Hearts Were Young and Gay"

The large number of students who have been working at the high school to ready the senior play, "Our Hearts Were Young and Gay", for production, put finishing touches on scenery and got ready to stage the production tonight and Friday, Nov. 20 and 21.

The curtain will go up on the play at 8 p.m. on the two nights, and audiences will see two different casts on the two nights in the lead and supporting roles. Some players, however, will handle the same assignments on both nights.

Youthful Adventure

The play centers around the escapades of two young girls, Cornelia Otis Skinner and Emily Kimbrough, on a boat trip to Paris. Miss Florence Panattoni is the director.

The character of "Cornelia" will be portrayed by Arlene Nelson and Barbara Couse and "Em-

ily" will be played by Theresa Duchesneau and Carolyn Ratliff. "Monsieur de La Croix" will come to life through the characterization of Don Thomson, and the role of "Dick" will be acted by James Lapham and Judd Green.

The other characters will be portrayed on both nights by the same students. Leland Brown will be "Leo" and Ione Holmes will take the part of "Winifred". Kay Petersen will be "Harriet" and "Mr. and Mrs. Skinner" will be played by Peter Mellen and Barbara Bayless. Eva White will be cast as "Madame Elise" on both nights and Ursel Hammacker will play the role of "Therese".

Sally Davis will be seen as the "Stewardess" and Larry Gotts will be the "Steward". Mike Rackov will be the "purser" and Walter Newton will take the role of the "Admiral". Otto Wendt will be the "Inspector" and window washer.

The mistress of ceremonies will be Roberta Malott and the master of ceremonies will be Lynn Fritz.

Other committees contributing to the success of getting the play under way are:

Furniture committee: Don Johnson, chairman; Dick Somers, Barbara Couse, Bruce Wagenschutz, Carolyn Ratliff, Judd Green and Mike Rackov.

Ushers will be Pete Mellen, David DeJohn and Arlene Nelson.

Program committee is composed of Mike Rackov, chairman; Sally Nuottilla, Shirley Goerke, Judy Tetzlaff and Otto Wendt. Lighting will be handled by co-chairmen Al Krafev and David Severance.

On the make-up committee are Zaide Larson, Pat Baskins, Judy Tetzlaff and Sally Nuottilla.

Ticket arrangements and sales were handled by Judy Tetzlaff, chairman; Sally Davis, Dick Somers, Joan Bennett, Rose Marie Kranz, Barbara Boyd, June Hollis and Mike Rackov.

Properties committee is Pat Baskins, chairman; Larry Gotts, Barbara Couse and David Severance. Handling stage arrangements are Dick Somers, committee chairman; Larry Gotts, Sally Davis, Don Johnson, Ken Roberts, Carolyn Ratliff, Judd Green and Richard Burton.

Kay Peterson, chairman, and Barbara Couse, Pat Baskins, Carolyn Ratliff, David Severance and Theresa Duchesneau have charge of costumes.

The advertising committee is composed of Ken Roberts, chairman; Lynn Fritz, Barbara Bayless, Sharon Dickson, Leland Brown and Keneth Rooney.

CALENDAR

Call Items — 99-R

THURSDAY, NOVEMBER 20—

1:00 Women's International League, Miss Powers, 227 Hutton St.
 1:30 Bazaar and Card Party, Veterans' Memorial Hall.
 6:30 Wesleyan Guild Dinner, Methodist Church House.
 8:00 Annual Senior Play, "Our Hearts Were Young and Gay", High School Auditorium.

FRIDAY, NOVEMBER 21—

2:30 Woman's Club, Village Library.
 8:00 "Our Hearts Were Young and Gay", High School Auditorium.

MONDAY, NOVEMBER 24—

8:00 Mother's Club, Mrs. Rano Papini, 254 Wing Ct.

FRIDAY, DECEMBER 5—

BLOOD BANK DAY, First Presbyterian Church.

News From Novi

• Mrs. Luther Rix

Approximately two hundred parents and friends visited Novi School during open house Wednesday evening, Nov. 12. After a tour of the building and visiting with teachers the group enjoyed a splendid program in the Community Building. Mr. W. J. Emerson of Pontiac, Superintendent of Oakland County Schools, gave an outstanding address. Refreshments were served in the cafeteria by Mrs. Floyd Darling and her student assistants. Prizes were given to the grade in each building having the highest percentage of parents present. The second and sixth grades won the prizes. The final tabulation was as follows: kindergarten, 21 per cent; first grade 33 per cent; second grade, 53 per cent; third grade, 38 per cent; fourth grade, 34 per cent; fifth grade, 22 per cent; sixth grade, 45 per cent; seventh grade, 21 per cent, and eighth grade, 27 per cent.

Ed Schwartz and Ed Putnam are deer hunting in the Upper Peninsula.

Mr. and Mrs. L. J. Putnam are hunting this season near Lewiston. During the latter part of the week Mr. Putnam succeeded in bagging his buck.

Mr. and Mrs. George Atkinson spent the week end at their cottage in the woods near Lewiston for deer hunting.

Mr. and Mrs. Luther Rix and their son, Ed Rix of Plymouth spent the week end at Putty Lake cottage where the men folks hunted deer near Evert.

The seventh grade boys and girls were guests of the eighth grade at a roller skating party at the Riverside Arena Thursday evening, Nov. 13.

Mr. and Mrs. Floyd Darling were among those who spent the week end in the north deer hunting. They were near Lewiston.

Christian Scientists to Hold Services on Thanksgiving Day

As is customary in all Christian Science Churches, a special Thanksgiving service will be held on Thanksgiving Day in the First Church of Christ, Scientist, in Plymouth.

Following the usual order of service there will be a brief period in which members of the congregation may express their gratitude for healings and other help which they have received during the past year.

The Golden Text is from Psalms (96:1) is appropriate for the occasion and reads: "O sing unto the Lord a new song: sing unto the Lord, all the earth"

The Bible citations include Proverbs (3:27): "Withhold not good from them to whom it is due, when it is in the power of thine hand to do it."

Among the citations from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, (p. 518) will be the following: "The rich in spirit help the poor in one grand brotherhood, all having the same Principle, or Father; and blessed is that man who seeth his brother's need and supplieth it, seeking his own in another's good."

LINES BY SOGLOW

A car's no good without gas to make it go! A dream's no good without plans to make it so! Today—is a swell day to get started on those dreams of yours. Save for those dreams with United States Defense Bonds. Join the Payroll Savings Plan where you work. Every payday have your employer set aside some of your money to buy Defense Bonds for you. They're more profitable than ever. Now you get an interest rate of three percent compounded semi-annually when held to maturity. Invest in Defense Bonds regularly. Remember—they're now even BETTER!

Green Thumb:

by Paul Newton

There may still be enough good days to do a few final garden chores that will pay off double next spring, among them the preparation of roses and evergreens to go through the winter without damage. In particular, do not neglect your roses for to do so may result in injury from which they will not recover.

Cut back all dead or heavy black stems on your climbing roses; then hill them and your hybrid teas and floribundas up with soil brought in from outside. Do not use that around the plants as to do so will leave the roots with too little protection. A bushel of soil is just about enough to hill up four rose bushes properly. Keep the soil hilled up until it freezes; then cover with straw or leaves to keep it from alternately thawing and freezing during the winter months.

Don't Cut Stems

For years it was common practice to cut the stems of hybrid tea and floribunda roses back in the fall, but modern practice is to leave all stems on and tie them together with raffia or cloth to keep them from blowing around. When the soil is taken off the base in the spring the stems are cut off to about five or six inches of good green wood. This makes stronger and better blooming plants.

The prime requirement for bringing your evergreen through the winter without damage is that the roots be kept well soaked in the fall until the ground freezes. This is especially important in an extremely dry fall such as we have had this year.

Use a soil soaker or tie a piece of burlap over the end of the hose; then let it run slowly until the ground will take no more water. Evergreens going into the winter with moist roots will survive the heavy freezing and winds much better than those whose roots are dry.

better than those whose roots are dry.

Bare Spot In Yard

Often there is a spot of bare soil in the yard that is difficult to get anything to grow on. The simplest way to remedy such a situation, of course, is to remove the poor soil and put in good earth. If this is impractical, there is another method developed by the Soil Conservation Department of the U. S. Department of Agriculture, which probably will do the job. It involves spading a spot thoroughly and sprinkling 4-10-4 or 4-12-4 fertilizer over it to about the thickness of a light snow fall. Then cover it with sawdust to a depth of five or six inches. Next, wet the sawdust thoroughly with ammonium sulphate or aluminum sulphate dissolved in water. (Use one pound of sulphate to 100 square feet.) Leave the saturated sawdust on through the winter and spade in next spring. You will be surprised at the amount of good humus that you will have made.

The foregoing treatment should only be applied to ground where no plants are growing.

Canned Pears

Mix together juice from canned pears (no. 2 1/2 can) with 1/4 cup orange juice and cook for five minutes. Add some lemon juice and maraschino cherries and serve over canned pears.

Rolling Down The River

by the PETZ BROS.

Even though no one ever believes that we work hard enough for an evening on the town, such ideas in no way stop us from going to one of the more famous eating places on occasion. You can tell the ones that are the most famous by the size of the numerals on the menu.

So what with the deer season at hand, we go out the other night and while waiting for a table, are shunted into the establishment's bar. Almost worthwhile though, when we overheard a lady of not a few years, remark to her husband, "buy me another drink, dear," she says, "they make you sound so intelligent."

Now during this month of November and the big trade-in allowances we somehow keep right on giving, you'll be most intelligent to hurry right over and take advantage of us. Not only will you get a tremendous allowance greater than you expected, on that car of yours, but you'll immediately be driving the wonderful new Studebaker, a car famous for in-built quality, power, comfort and economy. You'll be surprised at what a lot of car you'll get and what a pile of money you'll save.

We're not the sort to repeat a lot of gossip, but we do hear that a certain professional friend of ours, who is also a bachelor by trade, hires himself a most surprisingly beautiful blond as a combination receptionist and bookkeeper. "Not much good at addition," he tells us, "but she's simply tremendous at distraction."

That reminds us, if that car of yours is proving extra distracting, these cold mornings, such as a sluggish motor, grinding gears, or EVEN (heaven forbid) failing to start we'd advise that you get the carcass over to the boys in the back shop. They're truly expert at correcting ailing motors and associated items, and will give the car a bit of new life. Better take a look at the tab on the left front door and see when you last had the car lubricated. Could be it needs some more.

That's that, but we overheard a couple of June bridegroom's talking the other day. "Well," says one, "how do you like married life after all these months?" "Not so bad," says his pal, "especially now that she's made me a trusty."

Yours,
BILL and WILL PETZ.

Thanksgiving, 1952

Dear Editor:

Our pilgrim fathers endured privations and hardships for the sake of their religious convictions. They gave up comfortable homes in their native lands that they might worship God as they believed their first year in America was one of need and suffering. . . . and out of their experiences, they observed Thanksgiving Day. Thanksgiving is a time of more than mere rejoicing for a good harvest. Too often we celebrate it mechanically, when each year is a challenge of new opportunities. To Thanksgiving should be related the new experiences of the year for which we should be grateful. Real Thanksgiving and gratitude are rooted deep in the confidence that God's love is sure and His purposes for men are good.

AID IN AGEING DEER

Deer hunters, planning on stopping at conservation department voluntary highway checking stations, should prop deer jaws open soon after kill is made. This may prevent possible freezing of jaw in closed position. Ralph MacMullan, Houghton Lake experiment station head, shows how jaws can be held open by straddling short, forked stick over the lower jaw with butt wedged against mouth roof. Accurate age is determined mainly by wear and number of teeth. Regular deer season runs November 15-30.

Novi Township 5th in Oakland Drive

Eleven Oakland County townships have now progressed to the point of reporting in their Twenty Townships Campaign, according to authorities heading the drive.

Novi Township, with Mrs. James Mitchell as chairman, ranks fifth in the effort to reach 100 percent of its total, with 59 percent now in its coffers.

West Bloomfield Township is leading with 74 percent, and Huron Valley, Lyon and Holly follow in that order.

The goal of the twenty townships is \$54,840 in Oakland County, which breaks down this way: For the United Health and Welfare Fund (29 agencies)—\$21,261; St. Joseph Hospital Clinic—\$2,900; Y.M.C.A.—\$2,500; Boy Scouts—\$11,862; Girl Scouts—\$11,962; Michigan Children's Aid—\$2,700, and allowance for expenses and administration—\$1,555.

Driver Training Class Visits Court

Thirty-two members of the Driver Training Class at Northville High School attended a session of Traffic Court in Detroit Monday, accompanied by their instructor, Harry B. Smith.

They made the trip by bus and were gone until noon. While at court they learned the penalties invoked against drivers who violated traffic laws, and learned court procedures in traffic cases.

Events of the Past in Northville

News Items Taken From the Files of the Record

One Year Ago:

Northville's four German exchange students, Ingebord Rothenpieler, Ingrid Haenzel, Ludwig Jagla and Charles Wuersching, last week toured the Morris Goudeseune turkey farm on East Seven Mile Rd. where they learned the significance of the American Thanksgiving observance.

— One Year Ago —

After November 26, the Northville business office of the Michigan Bell Telephone Company will be relocated to the Plymouth branch at 836 Penniman Avenue, Plymouth.

Mrs. V. George Chabut announced that Christmas letters from the children at Maybury Sanatorium and the Children's Hospital, Farmington, will be ready for distribution by November 28.

Fullback Leon Holman and Guard Al Iversen were honored by football teammates at Northville High School last week. Holman, co-captain of the 1951 sea-

son, was voted most 'valuable player' and Iversen was chosen as captain for 1952.

— Five Years Ago —

The Northville Record has been chosen as one of a group of state newspapers to be studied by seniors in the Department of Journalism at Michigan State College, according to a report from East Lansing.

Over 350 villagers turned out Thursday evening for the open house at the Northville schools sponsored by the local Parent-Teachers Association.

The annual Senior Prom will be presented next Friday evening, Nov. 28 with dancing to the music of Nate Fry and his Traubadours.

Mr. and Mrs. Zebina Hayes of Randolph St. observed their 60th wedding anniversary Nov. 23. Chief Air Raid Warden Barton Connors reported a hundred percent blackout.

The Northville Mustangs lost their last league game to Keego Harbor and ended the season with a tie for third place.

Four more Northville boys arrived at the headquarters of Great Lakes Naval Training station. They are Carl Watts, Alfred Earhart, Archie Niles and Lawrence McArthur.

— Fifteen Years Ago —

Mr. and Mrs. Z. M. Hayes cele-

brated their golden wedding anniversary.

C. C. Winters reported, on returning from Manistique, bagging a 140 pound four point buck forty-five minutes after hunting season opened.

— Twenty Years Ago —

The first heavy snow of the season on November 16 laid an 8-inch carpet of snow on Northville streets.

Dr. A. A. Holcomb returned from a hunting trip bringing a large moose as a trophy.

— Thirty-Five Years Ago —

Fred W. Lyke moved into the hardware store vacated by J. H. Steers, who sold his stock at auction and retired from business.

Mrs. D. P. Yerkes and Mrs. A. J. Richard were delegates to the State Sunday School convention in Detroit.

West Point Park News

• Miss L. A. Ault

Mr. and Mrs. Richard DeStieger of Detroit were the Saturday guests of the latter's grandparents, Mr. and Mrs. E. W. Stange on Mayfield.

Mr. and Mrs. M. E. Ault of Mayfield Ave. spent Saturday afternoon and evening with their daughter, Mrs. Tom Roberts, and her family, in Monroe.

Robert Hunter and his daughter, Mary Margaret, of Detroit were Sunday afternoon guests of Mr. and Mrs. M. E. Ault on Mayfield.

Mr. and Mrs. Roy Standish of Ypsilanti spent Sunday afternoon with the former's sister, Mrs. Herman Schult, on Shadyside.

The McMills of Detroit called on Mr. McMillan's sister, Mrs. V. Reddy, and her family, on Shadyside, last Sunday afternoon.

Mr. and Mrs. John Allen and their two daughters, Mary and Jeanie, have all been convalescing from severe attacks of the flu.

Mr. and Mrs. Herman Keyser of Huntington Woods called on their cousins, the Misses Lora and Freda Ault, Sunday evening.

Mr. and Mrs. Cahles A. Armstrong of Mayfield Ave. spent last Sunday with relatives in East Detroit.

Arranged by her daughters, Mrs. Edward Kochanek of Inkster and Mrs. Robert Padot of Monroe, a birthday dinner was tendered Mrs. Joseph Roberts at her home on Mayfield Ave. last Sunday. Mrs. Roberts' daughters, sons-in-law and grandchildren were all in attendance at the celebration.

Mrs. George W. Sandau of Hubbard Ave. and Mrs. Moore of Seven Mile Rd. spent Monday in Lansing.

Mrs. Emerson Ault of Mayfield Ave. accompanied her son, Robert Hunter, and his family, of Detroit, on a visit to Mrs. Hunter's uncle in Toledo Tuesday.

The Edwin Johnsons of Clarita Ave. are spending the week-end with Mrs. Johnson's sister, Mrs. Johnson Porter and her family, near New London, O.

Sailor William Varhol, from Great Lakes Naval Training Station, near Chicago, visited briefly with his parents, Mr. and Mrs. John Varhol of Shadyside Ave., last Sunday afternoon. He expects to be home again for three days about the 23rd of this month, after which he will be transferred.

Mrs. Margaret Buckingham of

New and Safe Gun for Dense Area Hunters

SILVER CREEK, NEW YORK—Here's a gun that will be welcomed by hunters who have become used to lever action rifles in deer present laws prohibit use of rifles.

For the first time in half a century, a lever action shotgun which fills the price gap between built action shotguns and pump action shotguns is available to sportsmen. Kessler Arms corporation here announced the Lever-Matic, which features a short lever travel—about 2 1/2 inches to the normal seven inches of lever action rifles. The short action lever permits unusually rapid fire with no moving off the target.

Other features are an automatic safety which prevents firing until the lever is completely closed; a long semi-avertal forearm; a thumb operated safety on the right hand side of the breech. This prevents firing accidentally and permits operation of the lever for ejecting unused shells. An explosion port in the breech block provides a gas outlet in the event of a defective shell. Total weight is only 7 1/2 pounds.

Norfolk Ave. was visiting her sister, Mrs. Evelyn Buckingham, in East Detroit last Sunday.

A. D. Ahler of Detroit and his younger brother, Mr. Ahler, visiting here from California, were Wednesday evening guests of their uncle, E. W. Stange and his family on Mayfield Ave.

Glenn Vance of Kentucky, is spending a month with his parents, Mr. and Mrs. Gordon Vance, on Mayfield Ave.

Mrs. Emerson Ault of Mayfield Ave left Friday afternoon for a week's visit with relatives in New London and Akron, O.

At Sessions Hospital, Northville, a son was born to Mr. and Mrs. Charles Koski of Farmington Rd. on Saturday, Nov. 8.

Ira J. Magner, who for two and one-half weeks has been a patient in St. Joseph's Mercy Hospital, Pontiac, is now reported resting more comfortably, and is expecting to be transferred shortly for further treatments to Harper Hospital in Detroit. Mrs. Magner has for the time being, closed their home on Shadyside Ave. and is the guest of her daughter, Mrs. McMillan, in Detroit.

Local women attending the Health Guild meeting held at Hope Chapel last Thursday included Mrs. Homer Coolman, Mrs. William Fisher, Freda Ault and Mrs. Ward McCain.

Mr. and Mrs. Cecil Willet and Mr. and Mrs. Stanley Chavey of

Mayfield Ave. left Friday evening for a 10-day hunting vacation in northern Michigan.

Neighborhood Sunshine Sisters held their fall pot luck meeting in the church last Wednesday.

The next Sunshine meeting is to be held Wednesday, Nov. 26 at 2 p.m.

Accompanying a party of friends, George Welsh of Mayfield Ave. left Friday evening for a week's stay in northern Michigan, where all planned to do some hunting.

Mrs. Norbert Schmidt is returning home this week-end from the hospital where she underwent an operation a week previous.

Miss Shirley Ault of Shadyside Ave. and her sister, Mrs. George Cooke of Albion Ave., attended a concert in the Masonic Temple, Detroit, Friday evening.

Harold McVicar and son, Harold, Jr., left Friday morning for northern Michigan where they will be deer hunting for several days.

At Sessions Hospital, Northville, a fine new daughter was born to Mr. and Mrs. Louis Jennings of Norfolk Ave., Friday, November 14.

Mrs. Richard DeStieger, former Norma Judd, of Detroit, is spending this week end with her grandparents, Mr. and Mrs. E. W. Stange, on Mayfield.

Mrs. Dave Kelbert has returned from a few days stay in a hospital and is now convalescing at her home on Hugo Ave.

As the result of back injuries received at his employment ten days ago Gordon Fisher of Mayfield Ave., has been confined to his home this past week.

Tire Chains Recommended as Best Safety Measure for Winter Driving

Brains plus chains equal sound advice on snow and ice!

That is a streamlined summary of the many recommendations contained in "Basic Winter Driving Rules," a new booklet just published by the National Safety Council which sets down for the first time the results of 11 years of test research by the Council's committee on winter driving hazards.

Six basic rules for safe winter driving are offered:

1. Get the feel of the road. Try your brakes occasionally, while driving slowly and away from other traffic, to find out just how slippery the road is.

2. Slow down. Adjust your speed to road and weather conditions so that you can stop or maneuver safely.

3. Keep windshield clear. You must see danger to avoid it, so be sure your headlights, windshield wiper blades and defrosters are in top-notch condition.

4. Use tire chains on snow and ice. They cut stopping distances about in half, and increase starting and hillclimbing traction by four to seven times. Even with the help of chains, however, lower than normal speeds are a must on snow and ice.

5. Pump your brakes to slow down or stop. Jamming them on can lock the wheels and throw your car into a dangerous skid.

6. Follow at a safe distance. Keep well back of the car ahead so you have room to stop. Remember that without tire chains it takes three to 12 times as far to stop on snow and ice as on dry concrete.

Other important findings by the committee, composed of 33 experts in fields of automotive engineering, law enforcement and traffic safety education, include the following:

All tires, except big truck sizes are now made largely of synthetic rubber. Synthetic tires wear better, perform normally on dry or wet pavements and have other advantages. But on snow and ice they skid about 8 per cent farther and have 14 to 35 per cent poorer forward traction ability than prewar natural rubber tires.

Tests for Traction. Special winter tires of 25 different types were tested for traction. The tests showed that while some tires gave improved traction under certain conditions over conventional tires, their overall improvement is not great enough to warrant less caution when driving on slippery surfaces. The same tests also demonstrated that special winter tire treads do not approach the performance of reinforced tire chains.

Describing tire chains as the best self-help available to the driver, the committee said reinforced-tire chains reduce braking distances on both snow and ice about half, increase forward traction on ice about seven times, and on packed snow out-pull conventional tires nearly four times.

While most tests have been made on passenger cars, research in the last two years has been concentrated on the jackknife hazard to tractor semi-trailer trucks on snow and ice. The report summarizes as follows:

When repair and renew jobs have to move inside because of the weather here are just a few items that might be of interest. Knotty Pine Paneling, Hardwood Flooring, Insulation Ceiling Tile or Planking for side walls and of course, DuPont Paint.

Styled with the Finest —
yet Priced with the Lowest

For years the expensive cars always had the edge in style and advanced features. This year Ford changed all that with trend-setting innovations that have left the others years behind!

4 OUT OF 5 V-8'S ARE FORD V-8'S!

IT'S THE ONLY V-8 IN THE LOW-PRICE FIELD

FORD HAS BUILT MORE V-8'S THAN ALL OTHER MAKERS COMBINED

IT'S THE TYPE OF ENGINE POWERING AMERICA'S HIGHEST-PRICED CARS!

MORE AND MORE MAKERS ARE SWINGING TO V-8'S!

It's true—the only cars that approach Ford's quality and design cost hundreds of dollars more. Take Ford's lower, wider body with its curved one-piece windshield and car-wide rear window. Take the bump-free, big-car ride you get with Ford's new Automatic Ride Control. Consider the go-packed high-compression power you find in Ford's 110-h.p. Strato-Star V-8 or 101-h.p. Mileage Maker Six. And, remember that only Ford in its field gives you so wide a choice of model, color and upholstery combinations. Test Drive this Ford and you'll never pay more.

Test Drive it at your Ford Dealer's

You can pay more but you can't buy better than

Parents Tell Troth of Esther Rossow

Rev. and Mrs. E. E. Rossow of Elm St. announce the engagement of their daughter, Esther Elizabeth to Allan Helland of Denver, Colorado.

Esther is a graduate of Northville High School and from the College of Nursing of the Lutheran Hospital in Fort Wayne, Ind. Following a year's work at Decatur, Ind., Esther joined the staff of the Atchison Memorial Hospital where she served for several years. Following her resignation in June 1951, she became affiliated with the Colorado General Hospital in Denver where she is currently employed.

Her fiancé, who is a senior at Denver University, will receive his degree in psychology next June.

The couple have not set the date for their wedding.

Bridal Shower Fetes Martha Chappell Sat.

Bride-elect Martha Chappell was guest of honor at a miscellaneous bridal shower Saturday evening given at the home of Dolores Bell on Baseline Rd.

Games and refreshments were enjoyed by the guests.

Nine of Martha's classmates were present for the affair as well as Mrs. Russell Bingley, mother of Martha's fiancé, and Mrs. Bell, mother of the hostess.

Tea Welcomes Mrs. Pauli

Mrs. Paul Beard, of East Eight Mile Rd. was hostess Tuesday afternoon to an introductory tea honoring Mrs. Frank Pauli, Jr. of Gardner Ave., who with her family recently moved to the village.

Mrs. Richard Palmer

Joan Cavell Is Married in Plymouth Church Ceremony

The First Presbyterian Church of Plymouth was the scene Saturday evening, Nov. 1 of the marriage of Joan Cavell, daughter of Dr. and Mrs. E. B. Cavell, Jr. of East Tawas, and Richard Palmer, son of the Warren Palmers of Plymouth, Dr. and Mrs. E. B. Cavell of East Seven Mile Rd., Northville, are the bride's paternal grandparents.

Rev. Henry Walch, D.D., read the nuptial vows before an altar adorned with bouquets of white mums and tiered candelabra in a setting of palms. Fred Kendall sang "I Love You Truly", "Because" and "The Lord's Prayer" accompanied by Fred C. Nelson at the organ.

For her wedding Joan chose a gown of Chantilly lace and tulle. The lace bodice was adorned with clusters of seedpearls and bugle beads and had long pointed sleeves. The lace extended into a peplum and a wide lace panel fell from the waistline down the front to the hem. The bouffant skirt was of tiered ruffles of tulle and fell over a tiered ruffled skirt of silk with bands of the lace. A crown of seed pearls held in place her fingertip veil of illusion. Joan carried a white prayer book centered with white orchids, pompon mums and ivy. Mrs. Barbara Schaufele, the matron of honor, appeared in a floor length gown of shrimp colored net with embroidered velvet bodice. She wore a matching picture hat and carried a bouquet of talisman roses and autumn shades of mums.

Bridesmaids, Pauline Bell, Irene Powers, Cynthia Eaton, cousin of the bride, and Alice Reddeman, chose gowns of peacock blue fashioned identically to that of the matron of honor. Penelope Wolfe, cousin of the bride, was flower girl and ring bearer was David Palmer, nephew of the bridegroom.

Russell Palmer served his brother as best man and ushers were David Keller, Clifford McClumpha, Casey Cavell, brother of the bride, and Sidney Davison.

For her daughter's wedding, Mrs. Cavell was attired in a street length dress of slate blue with matching accessories, and Mrs. Palmer's selection was navy

blue with complementing accessories. Both mothers were presented with orchid corsages.

More than 200 guests attended the reception in the church parlors from Detroit, New Hudson, Jackson, Buffalo, New York, South Lyon, Northville, Dearborn, East Tawas, Algonac, Dexter and Plymouth.

A grey suit with black accessories and the orchids from her bridal bouquet was Joan's travel costume.

The couple will live in their newly built home at 48195 Warren Rd. when they return from their northern Michigan honeymoon. Both young people are graduates of Plymouth High School.

Mrs. W. L. Howard Entertains at Tea Friday Afternoon

About one hundred guests were present at the annual tea held Friday at the home of Mrs. W. L. Howard on West Eight Mile Rd.

Brown and gold was chosen by the hostess as the decorative color theme for the affair which highlighted Northville's November social calendar. A centerpiece of bronze and gold chrysanthemums graced the tea table flanked by yellow tapers.

Presiding at the tea services were Mesdames Howard Meyers, Frederick Collins, Robert Scott, Orson Atchinson, Harold Bloom, Del W. Hahn, Herbert Frogner and Mrs. Glenn H. Cummings.

Out-of-town guests were invited from Plymouth, Detroit and Royal Oak.

BPW Plans Holiday Party for Hospital

The November meeting of the Northville Business and Professional Women's Club will be held next Monday evening.

The Health and Safety Committee with Mrs. Evelyn Malott as chairman, has arranged to have Mrs. Caroline Seefeldt, director of Social Service, speak on "The Community and the Northville State Hospital".

The club, with the help of the Occupational Therapy Department, is sponsoring a Thanksgiving party for the patients at the hospital on Tuesday evening, Nov. 25.

Mr. and Mrs. A. J. Goodale attended the sixth birthday celebration of their grandson, Terry Lee Croft, of Wixom Nov. 13. The next day, Mrs. Goodale went to Plymouth to attend the birthday party of another grandson, Bobby Goodale, aged 12.

W.S.C.S. Circles to Meet Tues., Nov. 25

The Circles of the W.S.C.S. of the Methodist Church will meet Tuesday, Nov. 25 at 12:30 p.m.

Mrs. William A. Liebetreu of 223 Linden St. will be hostess to the Grace Tremper Circle. The Bertha Neal Circle will meet at the home of Mrs. H. C. Rodgers at 434 W. Dunlap St. and the Lucy Filkins Circle will meet with Mrs. M. Meaker, 45801 W. Seven Mile Rd.

Women Hail Phone Party Big Success

According to enthusiastic reports, the Mothers' Club can chalk up their recent Telephone Bridge and Canasta Party as one of the most successful and entertaining ventures they have yet undertaken.

A dozen or more parties were in progress simultaneously throughout the Village. Winners phoned in their bridge score reports to Mrs. Alfred Millington and the home of Mrs. C. M. Goodrich was headquarters for the canasta scores.

High score holder for the canasta games was Mrs. Matt Houser and Jack Blackburn phoned in low score.

Mrs. Drake Older took high score in the bridge contests and Ed Angove held low score.

Prizes were given for a variety of games but no one claimed the prize as grand slam winner.

MSC Music Program Features Local Senior

Mary Louise Lee, a senior at Michigan State College, played an oboe solo in a musical program over WKAR, Michigan State College radio station, last Monday, Nov. 10.

Mary Louise is the daughter of Mr. and Mrs. Leslie G. Lee of 607 Fairbrook Rd.

CAR Groups Hold November Meetings

The junior group of the Society of the Children of the American Revolution met Tuesday, Nov. 19 at the home of Mary and Susan Hulsing in Plymouth. "What We Owe to the American Indian" was the central theme of discussion.

The senior group of the association enjoyed a meeting at the home of Allande and Emily Cutler of Plymouth Wednesday evening. A buffet supper served followed by a short business meeting. A program on "Indians" featured the evening's entertainment.

Mrs. Carl Ely of South Center St., who has been a patient at University Hospital, Ann Arbor, for the past several weeks, has been transferred to Sessions Hospital.

Chief Cites Winter Driving Dangers
"It's time to talk turkey," Chief of Police Joseph E. Denton said today.

The chief was talking about Thanksgiving, but the turkey he referred to was straight talk about coming winter driving conditions.

"Thanksgiving time is homecoming time for many American families," Chief Denton pointed out, "and roads will be crowded with motorists going home for the holiday."

The chief pointed out that Thanksgiving comes at a time when winter may let loose with its bag of tricks.

"You can't depend too much on good weather in late November," he said "A sudden snowfall or an unexpected freeze can play havoc with motorists' safety."

He suggested that drivers take these steps immediately to guard against conditions that cause traffic delays and accidents. "Do it now," he said, "and avoid delays when everybody else wants service on the same day."

1. Check batteries.
2. Check windshield wiper defrosters and blades.
3. Be sure brakes are equalized.
4. Have all lights and mufflers checked.
5. Have tire chains ready for use.

Asked whether he considered tire chains necessary if a car had "winterized" tires, the chief referred to a report of the National Safety Council's Committee on Winter Driving Hazards. This report said recent tests showed that tire chains cut braking distances on snow and ice in half and increase ability to get started or climb hills under slippery conditions.

Novice Archery Shoot Is Nov. 26

Novice bow and arrow enthusiasts will have a chance to perform in competition on Wednesday, Nov. 26, when the Open Novice Archery Shoot is held under the sponsorship of the Northville Recreation Committee.

There is no age limit in the shoot, according to Wilson Funk, Recreation Director, but a yardage handicap based on age and experience will be determined in a preliminary shoot. Competition will begin at 7 p.m. under the lights at Ford Field, with the preliminary shooting first on the program. Al Keifer, an archery instructor who lives in Redford, will have charge. Mr. Funk said he expected a large turnout of contestants, since archery has risen in popularity in the past few months. Classes have been held for novices, under the direction of Daniel Singer, at the Recreation Building for the past five weeks.

Methodists Offer Evening Services

The First Methodist Church of Northville has begun a Sunday Evening Service of Songs, Bible Study and Group Discussion. The Adult, Senior-Hi and Intermediate Youth Groups meet for a Singing at 7:00 p.m. It features a variety of sacred songs which give new meaning to the old.

At 7:30 o'clock three groups are formed—The Senior-Hi and Intermediate Groups meet separately, while the Adults meet to a Bible Study in the Book of Philippians, led by Rev. Hodgson. The public is cordially invited to these services.

It's a Lark to Park This Way

Since many motorists find parking is their biggest driving difficulty, the Orange Disc, Gulf Oil house magazine, recently conducted street tests to find the most practical method. As a result, the editors recommend the steps below, claiming they will put even new drivers safely in to the curb in "one pass."

Diagram showing parking steps: 1. PULL UP PARALLEL to the car ahead... 2. BACK UP SLOWLY, turning steering wheel as far right as possible... 3. AS YOUR RIGHT FRONT WHEEL comes opposite the other car's rear wheel... 4. THIS SHOULD ALIGN YOU with curb in parking position.

● **Novi Lodge News** ●

Nineteen members of the Novi Past Noble Grand Club and one visitor were entertained at a dinner party at the home of Lillian Trickey last Tuesday, Nov. 11. Rowena Salow was co-hostess. After a short business session the afternoon was spent playing games.

Novi Rebekah Lodge No. 492 met in regular session Thursday night of last week. A very interesting report of the Rebekah Assembly was given by delegate Rowena Salow. Vice-Grand Irene Kahrl gave an equally interesting report of the District meeting held at Clarenceville on Monday, Nov. 3.

The next meeting of the Rebekah Lodge will be omitted, as it falls on the date of the Thanksgiving holiday. The following meeting will be on Thursday, Dec. 11. Initiation ceremonies will take place at this time.

Cpl. Orzechowski in Noncom. School

Cpl. Stanley Orzechowski has been selected to attend the U.S. Army's 2nd Division noncommissioned officers academy, according to word received by his wife, Geraldine, who lives at 46411 Grand River Ave.

Cpl. Orzechowski was assigned to the heavy mortar company of the 38th Infantry, when the letter informing him of his choice came from Maj. Gen. J. C. Fry. The letter said, in part: "... your commanding officer believes you possess the innate qualities of leadership, valor and fidelity necessary to become a noncommissioned officer in this Division. I congratulate you upon having demonstrated such qualities. No qualification is in greater demand in civil life, or in the Army, than leadership".

THAT DEER PROBLEM
Several months will go by before we get any definite figures on the deer kill in Michigan this year under our liberalized regulations. These months are sure to be filled with arguments pro and con, and there are bound to be many die-hard who will believe that our deer herd is just about exterminated. Experienced game management men know better.

The Wisconsin Story
Our neighboring state of Wisconsin, with a smaller herd than our own, has been battling public opinion for 15 years in an effort to control the welfare of their deer, and the Conservation Commission of that State is finally getting a nod of approval from the people. They began broad control in 1949 with a 5 day season on antlerless deer in addition to their regular buck season. A harvest of 160,000 deer resulted. In 1950 and again in 1951 the state had a seven day any deer season. Despite predictions that the deer herd in Wisconsin was "all but exterminated," 168,000 were killed in 1950; and another 150,000 in 1951. The 3 year take of more than 450,000 deer is actually as many as would have been taken in 10 years with a buck law!

Effect On Herd
A better balance has been established between the range and the herd in Wisconsin—a balance which will result in a healthier, more productive herd, and a larger one, too, in the long run. Meanwhile the range has a chance at a comeback, so that it can eventually supply more food. A lot of improvement has already been noted in some sections. This year the herd gets a "breather," and hunters may take only one forked-antlered buck, largely because of public opinion. Game biologists, aware of the enormous reproductive capacity of the herd, are frankly worried over this regulation, believing that much of the good of the last three years may be undone.

Mustangs Rally, Defeat Brighton Bull Dogs 14-7

A surprise pass play caught the Brighton Bull Dogs napping last Friday night and gave the Northville Mustangs a winning touchdown.

Northville topped Brighton 14 to 7 in a primarily defensive game at Ford Field. It was the last game of the season for both teams.

The play, a long aerial from halfback Don Johnson to end Gary Hix, covered 41 yards and broke a 7 to 7 deadlock between Northville and Brighton in the last quarter.

Brighton Scores First
Brighton, however, scored first early in the game when substitute halfback Leon Sipes faked a pass, then skirted his right end behind a convoy of blockers to score from 37 yards out. The touchdown climaxed a 49-yard drive by Brighton.

Brighton had ground out two first downs and moved to the Northville 21 when Gary Hix chased halfback Wayne Atkinson, who was poised for a pass, back to the 37 and tackled him there. It was then, with 26 yards to go for a first down, that Brighton unleashed the touchdown play.

The Bull Dogs kicked off to Northville, but a fumble on the second play gave the ball to Brighton again. The Bull Dogs, stalled on Northville's 47-yard line when Gerry Graham knocked down a pass, punted out of bounds on Northville's seven-yard stripe.

Long Drive
The Mustangs settled down then to the longest drive of the game, a concerted effort which carried them from their own seven to the Brighton 26 before they finally ran out of steam and lost the ball on downs. The drive jumped off with a 29-yard spurt on a quick-opening play by Lamar Nally, then short gains by Nally, Johnson, Bob Scheffer and a pass from Bill Sullivan to Graham.

Brighton got out of trouble on Gerald Bidwell's run to the Brighton 44-yard line, but Northville got the ball back shortly later when Dick Somers intercepted a pass and ran to the Brighton 49.

Mustangs Knot Score
Northville knotted the score early in the second half when

Mustangs Finish Winning Season

A backward look at the Northville Mustangs' football season is a little different from the pre-season opinion of what the team would be able to do.

The high school griders have turned in a 5-win, 3-loss, 1-tie record for the 1952 season, which is somewhat better than was expected of them.

Coaches Al Jones, Dick Kay and Ron Schipper, freely admitted that at the opening of the season they had little hope of anything like an undefeated year.

A look again at the situation prior to the opening game would confirm their fears. They had a lot of willing boys, but no reservoir of field veterans and certainly no depth. Most of the players in the games as regulars had served only part-time stints in the past. But they learned fast.

The so-called "first string" never quite materialized. Coaches Jones and Kay manufactured, instead, a nucleus of starters based on the opposition, and used players' abilities according to what was needed at any given moment in any given game. Thus, they extracted the best from the whole squad.

The 35 to 0 defeat at the hands of Plymouth was not surprising, and doesn't reflect at all on the Mustangs. The Rocks steamrolled all opposition in their strong Suburban B league and will move into Class "A" competition next year.

The Mustangs then won three consecutive games, South Lyon (13 to 7), Clarenceville (21 to 6) and Milford (14 to 0). The loss to Centerline (26 to 24) was on a margin of extra points, but Wayne-Oakland County league's championship Holly high school won 32 to 0.

The Mustangs' one tie was with Clarkston, a 6 to 6 contest, but they edged Oxford the next week, 7 to 6, before topping Brighton, 14 to 7 last Friday.

And now, to make matters unhappy again, Jones and Kay will lose 11 seniors through graduation in June. The only blessing is that many of the boys who gained experience this year are sophomores and juniors, and will be on hand next fall.

Dances to Benefit 4-H Building Fund

The second in a series of square and round dancing co-sponsored by the Wayne County 4-H Service Club and the Wayne County Fair Board will be held every other Saturday beginning Nov. 22 at the Wayne County 4-H Fairgrounds located on Quirk Road, one mile north of Belleville.

Cliff Busha and his orchestra will furnish music for dancing which will begin at 8:00 p.m. The public is cordially invited to attend these dances which are offered for the benefit of the Wayne County 4-H Fair Building Fund.

Amazing New GAS CALCINATOR
AUTOMATIC GARBAGE and TRASH DISPOSAL UNIT...

Is the MODERN, EASY WAY to GET RID of MESSY KITCHEN WASTES

AND IT'S ODORLESS NOISELESS SMOKELESS
Install it in your MODERN KITCHEN or BASEMENT (No water and Sewage Connections)

This smart new home appliance is not an incinerator. It's a new safe way to dispose of garbage and all burnable trash... food wastes, egg shells, bones, worn out shoes, clothing, rags, cardboard boxes, newspapers, magazines and vacuum cleaner dirt.

With a Calcinator on the job there's no smelly garbage can to clutter up your home and yard. It reduces fire hazards and it costs only a few cents a day to operate. This clean, silent Gas Calcinator first dries, then consumes your daily wastes — automatically.

Proper Storage of Boats Will Prevent Damage, Aid Early Start in Spring

Proper winter storage of boats will not only protect them against bad weather, but will also help the boating enthusiast get an early start in the spring.

Boats should be scrubbed inside and out with a strong washing powder soon after removal from the water to cut grease, grime and marine growths from the hull, states C. Willett Spooner, associate professor of mechanical and marine engineering at the University of Michigan.

Store Canoes Upside Down

Lightweight boats and canoes are probably best stored upside down, as the bottom structure is weaker than the heavier gunwale structure. Heavy boats, especially sail boats with outside ballast, must be stored right side up, properly shored and held to prevent movement during winter winds.

Boat storage should be inside, where possible, in an unheated building to limit the amount of evaporation from the wood, as well as to protect the finish from weathering.

If the boat must be stored outside, it should be covered to prevent water from freezing in the cracks and bilges and forcing the boat apart. Winter covers are usually of heavy waterproofed canvas supported by a framework to shed water and snow.

Change Motor Oil

Inboard motors should have the oil changed. Remove the spark-plugs, pour a small quantity of oil in the sparkplug hole and rotate the engine by hand before replacing plugs to keep dirt and moisture out of the cylinders. Remove storage batteries and leave them with a service station so they can be kept charged. Drain any plumbing to prevent damage by freezing.

Prof. Spooner cautions that outboard motors should be stowed in a dry place. The lower housing, which contains the gears, should be drained of all water before it is refilled with oil or grease.

Sails should be removed from the spars, washed, dried and stored in bags which are hung up so as to keep mice and rats from gnawing the sailcloth and nesting in them.

Michigan Mirror:

Sees Surge in Food Buying Despite High Prices

by Gene Altema

"Food costs are high and may go higher."

That's no news to Mrs. Michigan. She knows it and—evidently—accepts it.

So she's in a buying mood. She and her husband are still looking for values when they shop but they've decided that prices aren't coming down and there's no point in putting off buying the things they want.

That upsurge in buying will push prices up. At least, with little buyer resistance, there won't be pressure on merchants to cut prices to move merchandise.

Those are the conclusions drawn by Michigan State College's department of Agricultural Economics.

THE USE OF DRY SKIM MILK is on the increase because it is a practical way to stretch the food budget; fluid milk is likely to average more in '53.

Especially aren't expected to be as high this fall as they were last year but the '53 average will

be higher than this year's. Canned food prices will remain about the same. A large carry-over will counteract effects of a smaller '52 pack.

MEAT PRICES MAY BE A LITTLE LOWER on a yearly average in '53. Some grades of beef and poultry will drop; some of pork will rise.

At least so say the MSC experts.

Mrs. Michigan will check the accuracy of their predictions by her grocery bills.

To make sure that there is no dangerous or inconvenient lag in county business because of this, the Michigan Institute of Local Government will give its fifth biennial short course for newly elected county officers at Kellogg Center in East Lansing Dec. 15-17.

D. Hale Brake, state treasurer and Institute chairman, is given credit for the rapid growth of interest in grassroots government.

He is also being talked about as the GOP candidate for governor in 1954. That talk is hush-hush at this stage of the game with a recount coming up on the Nov. 4 election. But his admirers, and they come from every part of Michigan, feel that his plain, straight-from-the-shoulder talking is the antidote to the personal glamor of the hard-to-stop Gov. Soapy.

MICHIGAN HISTORY is growing in popularity. Local historical societies are doing a good job of letting the public know that there is still much valuable historical data hidden in attics of Michigan homes.

But as each year rolls along, more and more priceless material is destroyed in period housecleaning sessions. Every time a family moves, it discards accumulations that may go back to the early days of statehood. So the continued boom in home-building doesn't make the local historians too happy.

THEY ARE HAPPY, though, about the publicity that is being

given now to a Michigan law of 1948 that permits county boards of supervisors to appropriate public funds to volunteer historical associations. "It's one of the best laws in the country", says Vernon R. Beall of the Michigan Historical Association.

Forty-two thousand red pine seedlings have been planted in Leelanau County, most of them around Empire.

LOOK FOR LEGISLATION to be introduced early in the 1953 session that would increase membership of Township Boards.

A Michigan Supreme Court decision—which received little public attention because of campaign headlines—said that Justices of the Peace may no longer serve on Town Boards. JPs are members of the judiciary and therefore are prevented by the Constitution from taken part in administrative or legislative branches of the government.

FOR MORE THAN A HUNDRED YEARS justice have been considered regular members of such boards and the decision came as a bombshell to local governments. They hope that there will be no lawsuits to question the legality of board action taken during the century while JPs sat unconstitutionally.

Town Board now have only three members, the supervisor, clerk and treasurer, where once they had two or four justices also. That means it's harder to get a quorum and harder to get a cross-section in deliberation.

NEW LEGISLATION will probably provide for two or four "board members" to make a more workable board.

The demand for birth certificates is keeping Michigan Department of Health clerks on the double these days. Dr. Albert E. Heustis, commissioner, says that the pace is approaching that of the early days of World War II.

An average of 50 persons a day personally seek copies of their certificates and the backlog of

unprocessed mail requests has passed 1,000 and is increasing daily.

One of the reasons for the unusual demand is that schools are so crowded that many require a birth certificate for enrollment. Resumption of hiring by heavy industry after the steel strike also contributes to the load.

LIKES CAMELS

A civil servant who had been stationed in Egypt and was about to return to England had a small son who showed a touching attachment to a statue of General Gordon mounted on a camel. The boy begged for a farewell visit. "Good-bye, Gordon," he sobbed. The father was moved by such patriotic sensibility. Then, as they turned away, the youngster asked suddenly, "Daddy, who's that man on Gordon?"

SAVE MORE the CASH and CARRY WAY

Hers Is the Voice of Comfort

Mrs. Agnes Edwards

A Jackson operator couldn't understand what the woman on the telephone was trying to say but she sensed the caller was in trouble. Service Assistant Agnes Edwards came quickly to her aid and together they managed to get the woman's name, Mrs. H. R. Belbeck.

The woman could hardly speak but wanted her husband. In her distress she couldn't remember the tool company where he worked.

Mrs. Edwards has handled a good many emergency calls during her telephone career and assured Mrs. Belbeck they would find her husband. The operators called local tool companies until they found the right one and had him sent home.

Calling back to offer further help, Mrs. Edwards learned that Mrs. Belbeck couldn't stop a severe nosebleed that had caused a serious choking spell. A doctor was notified and Mrs. Edwards lent a voice of comfort to this woman in trouble, alone by her telephone.

"I want to thank her," Mrs. Belbeck wrote to Michigan Bell after her recovery, "and tell her how very grateful I am there are such good people working for your company."

Christian Science Churches
How everyone may have a healthful body is shown in the Lesson-Sermon to be read on Sunday, Nov. 23, in all Christian Science churches, under the subject of "Soul and Body".
The Golden Text is from Psalm 84:2: "May soul longeth, yea, fainteth for the courts of the Lord; my heart and my flesh crieth out for the living God."
Among the Bible citations is this passage, (1 John 3:2): "Beloved, now are we the sons of God, and it doth not yet appear what we shall be: but we know that, when he shall appear, we shall be like Him; for we shall see Him as He is."
Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "The material body and mind are temporal, but the real man is spiritual and eternal." (p. 302)

Pentecostal Church of All Nations
8275 McFadden Street, Salem
Pastor, Elder Vance Hopkins

CARD OF THANKS
We wish to thank our friends in Northville and vicinity who so graciously remembered us during our bereavement. Rev. Nieuwkoop for his comforting words. Also Dr. Handorf and Fred Castling for the many services shown us.
Mrs. Francis Mapes
Mr. and Mrs. Emory Mapes and family

1953 Football Co-Captains

Bob Burgess (left) and Al Iversen shake hands in a symbol of joint effort after hearing that teammates had elected them co-captains of the 1953 football team at Northville High school. Both were standouts on offensive and defensive platoons of the team this year. Iversen, who was captain for the 1952 season, was named 'Most Valuable Player' by teammates.

It's End of The Line for These Seniors on Football Team

Senior members of the Northville Mustangs football squad turn in their uniforms and equipment for the last time in their High School days this week. They will graduate in June. Above, left to right, are Bill Bailey, Bill Sullivan, Mike Rackov, Bruce Wagenschultz, Head Coach Al Jones (kneeling), Assistant Coach Dick Kay (back), Dick Somers, Gary Hix, Dave DeJohn and Don Johnson. Not in the picture are Jerry Graham, Pat Herbert and Jurgen Bonnet, German Exchange student.

County Planning Council Meets

A joint meeting of the Northwest Wayne and Southwest Oakland County Regional Planning Council was held at the Northville Village Hall Tuesday evening, Nov. 18 to discuss factors that will influence future residential and industrial growth of the areas.

Mr. T. L. Blakeman, executive director of the Detroit Metropolitan Area Regional Planning Board presided at the meeting, assisted by Mr. William P. Edmonson, assistant director. Mr. Robert Carpenter, council planner, reviewed the work which the Council has done and discussed plans for other meetings throughout the Detroit Metropolitan Area.

Couples Club Toy Workshop

Toys and dolls will be repaired for children at the Maybury Sanatorium and other hospitals by members of the Couples Club of the First Presbyterian Church on Sunday evening, Nov. 23 at 7:30 p.m. Mr. Joseph R. Plunkett, chairman of the project, has asked folks to bring in toys to be repaired. They should be placed in the foyers of the church house.

CARD OF THANKS

We wish to thank our many friends for their expressions of sympathy during our recent bereavement, and especially the Rev. E. E. Rossow, the Lloyd H. Green Post 147, American Legion, and the Casterline Funeral Home.

Mr. and Mrs. Oren Elwell
Mr. and Mrs. Clarence Hyde
Mr. and Mrs. Ralph Davis
Mr. and Mrs. Robert Arndt

Discuss Hospital

(Continued from Front Page)

A tentative offer for a Plymouth and Haggerty road location was made some two years ago by John S. Coleman, president of Burroughs Adding Machine company. He was reported as having

Authority, though none of them have been accepted or rejected.

Location

He was reported as having

said he would poll his Board of Directors in donating that area for the proposed hospital.

A second offer involving a five-acre tract of land abutting Ann Arbor trail, near Rouge Park, was also discussed by the Authority. The property is owned by Samuel Spicer, 41800 East Ann Arbor trail.

Composing the tri-area study commission are top business, medical and industrial figures.

Northville Representatives

From Northville, they are Dr. R. M. Atchison, of the Atchison Memorial Hospital; Attorney Clifton D. Hill and Leland V. Smith, all acting on behalf of the Northville Retail Merchants Association. Members of the association had met several weeks ago with Mr. Marsden and his group to consider formulation of plans for the hospital.

Mr. Hill has represented the association at meetings, and has consulted with Dr. Atchison on plans. He asked last week that Mr. Smith be added to the representative group.

Members from Plymouth are Dr. Walter W. Hammond, Jr., Dr. Charles Westfall, Harry Mohrmann, Dean Saxton, Cass Hough, Albert F. Glassford and Mr. Marsden, chairman of the

Plymouth group.

Serving on Dr. Rosebolt's committee are Jesse Ziegler, mayor of Lavonia; Marie Clark, city clerk, Dr. Loris M. Hotchkiss and Donald Roach.

\$13 Taken From Northville Laundry

Thirteen dollars in silver was taken from the safe of the Northville Laundry when thieves broke

in the evening of Wednesday, Nov. 12, according to Chief of Police Joseph Denton.

Entrance was made through a window at the rear of the building.

No Private Interpretation

There is a great deal of loose talk about Bible interpretation these days that needs to be corrected. To read some

writings and hear some people talk you would think that the Bible, instead of being written to guide us into all truth, was written to teach everything in general and nothing in particular. It is a common belief that anyone can find support for his particular beliefs in the Bible since it is only a matter of interpretation anyway. Can anyone really know the 'Truth'? The Bible assures us in John 7:17 'If any man will do his will, HE SHALL KNOW OF THE DOCTRINE, whether it be of God, or whether I speak of myself'. If Peter 1:20 (William's translation) says, 'Because you recognize this truth above all else, that no prophecy of the scripture is to be interpreted by one's own mind'. One needs to be taught by the Holy Spirit in order to understand the Truth of the Bible (1 Cor. 2:13). For this reason the believer with the simplest education is just as capable in understanding the things of God as a Christian that may have a college degree. When we receive Jesus Christ as our Saviour, then the Holy Spirit comes into our hearts. Humility of mind and dependence upon the Holy Spirit is the secret of knowing the Truth.

SOLDIERS THREE

Here are three champions of defense... two marines and their mascot "Head Space"

And don't say the puppy doesn't count. He does. For little "Head Space" takes the place of the beloved pets these boys have left at home. He's a morale builder—doing a first-class job for defense!

Defense of America is made up of so many things! Little things, like the encouragement given by this small, furry waif.

Big things—like the help you're giving every day by your purchase of United States Defense Bonds.

For you know that by Bonds and other forms of saving you are making yourself and your family financially secure. And when you are strong financially our country has the strong economy that must go hand in hand with military strength to make us all safe.

In these restless times remember—peace is only for the strong!

Remember, too, that no matter how small your income, you can never afford not to save something for yourself. So today, where you work, sign up to buy Bonds through Payroll Savings—the easy Plan that saves for you before you even draw your pay. More than seven million Americans have found it one sure way to save.

HERE'S HOW E BONDS NOW EARN MORE MONEY FOR YOU!

Now safe, sure U. S. Series E Defense Bonds pay an even better return than ever before... thanks to 3 brand new money-earning features announced by the U. S. Treasury.

1. Now every Series E Bond you buy begins earning interest after only 6 months. It earns 3%, compounded semiannually, when held to maturity. It reaches full maturity value earlier (9 years 8 months) and the interest it pays is now bigger at the start!
2. Every Series E Bond you own can now go on earning interest for 10 more years after it reaches the original maturity date—without your lifting a finger!
3. During the 10-year extension period, every unmaturing bond earns at the new, higher interest (average 3% compounded semiannually). Your original \$18.75 can now repay you \$33.67. \$37.50 pays back \$67.34. And so on.

Start now! Invest more savings in better-paying Series E Bonds—through the Payroll Savings Plan where you work or the Bond-A-Month Plan where you bank! Bonds are as safe as America!

PEACE IS FOR THE STRONG... FOR PEACE AND PROSPERITY SAVE WITH U. S. DEFENSE BONDS!
