Largest Record

You are looking at one of the largest issues of the Record, if not the largest. This issue has 18 pages, six more than our usual 12. The increase is due to advertising by Northville merchants who combined to present a town-wide selection of merchandise for Christmas shoppers.

Most of the ads appearing in this issue also appeared in an eight-page "shopper's guide" which was mailed to 6,000 homes in this area.

The advertising effort benefits merchants, certainly, for it's to their advantage to keep shoppers in Northville.

But it's to the shopper's advantage, too.

There are now only 12 shopping days left before Christmas. If you haven't taken care of your gift list, you're likely to find yourself "painted into a corner" with your gift list still in the stores instead of wrapped up under your tree.

Look over all the gift suggestions presented in the ads of the Northville stores in this issue. The other fellow's grass always seems a lot greener until you get in his yard and take a close look. The same thing's true of shopping. Look around home and see what there is in your own shopping yard.

Take a good look around Main and Center streets. Looks pretty, doesn't it? Nice decorations and window displays. Toys, clothing, electric appliances, jewelry, hardware items, furniture, Christmas decorations, lamps, shoes, groceries—all right here at home.

Northville merchants are nice people, too, who own and work and spend in your local stores. Most of them know you and you know most of them. It's a lot more pleasant to shop "where you're known, right in your own back yard."

Dr. Bretton Speaks to Woman's Club

Failure of the United States to win the Korean war without sacrifice of the principle of protecting weak nations from attack by aggressors would bring political chaos among the free nations of Europe and other parts of the world, Dr. Henry L. Bretton told members of the Northville Woman's Club at their Men's Night dinner Dec. 2.

Approximately 150 members and their husbands were present to hear the University of Michigan political science instructor discuss the historical background of America's participation in European affairs, including the first and second World Wars and the present Korean conflict.

ADVOCATES STRENGTH

"If we accept the policy of not wanting to provoke the Russians, we are adopting a policy of appeasement," Dr. Bretton said. He advocated continued build-up of military strength in the United States as the best insurance against attack from the Russians. "There is no use to talk a 'six-shooter' poppy with no gun in our hand," he said.

Mrs. Fred Van Atta gave the welcoming address and Dr. Bretton was introduced by Mrs. George Kohs. Seated at the speaker's table were Mr. and Mrs. Van Atta, Mr. and Mrs. Kohs, Mr. and Mrs. Francis H. Wiesmyer and Dr. Bretton.

The smorgasbord table and all guest tables carried out the holiday theme with red candles and greens.

Wayne Council Authorizes Changing from Village to City

Creation of the City of Wayne, with boundaries to include nearly three times as much territory as now included in the present village, was ordered last week by the Wayne Village Council.

In a surprise resolution, offered by Councilman Duncan Miller, the Council instructed Village Manager Wallace Arrowsmith "to proceed with the necessary steps to create such a city, and that this be accomplished not later than the year 1953." The resolution was unanimously approved by the Council.

Rural-Urban Night Welcomes New Residents to Village

More than 180 members of the Northville Rotary Club and guests were present Tuesday evening at the Rural-Urban Night dinner which the club sponsors annually to bring new and old members of the community together to get acquainted.

Dr. O. R. Yoder, medical superintendent of the Ypsilanti State Hospital, was the principal speaker for the occasion. He was introduced by Rotarian Dr. Philip N. Brown, medical superintendent of the Northville State Hospital, who described himself as Dr. Yoder's protégé for many years.

Dr. Yoder's speech was a plea for greater understanding by everyone of "the other person's viewpoint." He pointed out that most of the ills of the world are caused by misunderstandings arising from mental blind spots to which all men and women are subject at times.

UNDERSTANDING URGED

Speaking as a psychiatrist, he urged that those in the audience, and the world at large, must learn to understand the nature of their mental processes and the need for sympathetic consideration for others. "Upon the achievement of such understanding rests the hope of mankind for a better world," he said.

Rotarian M. C. Gussell acted as toastmaster for the evening, and the Rev. Ivan E. Hodgson, pastor (Continued on Back Page)

Kroger Store Manager, Employees, Win Prizes in Company Sales Contest

The Kroger Store in Northville was named this week as one of three winners in the nine-weeks inter-store sales competition among the more than fifty stores in the Kroger chain.

Store manager Ed Barnes was awarded a ten-day trip to New York and Washington D.C. for himself and Mrs. Barnes, sometime in January, along with the managers of the Wyandotte store

Fredsell to Be On WWJ-TV Sunday

"A religious service to be simulcast on radio and TV Sunday, Dec. 14, will be conducted by the Rev. Dr. Harold F. Fredsell, pastor of the First Presbyterian Church of Northville.

The program, "The Church at the Cross Roads," is sponsored by The Detroit Council of Churches, and is one of 14 radio and TV programs. Sunday's program will be seen and heard over station WWJ-TV at 9 a.m.

A well trained men's chorus directed by Dr. Nellie Huger Ebersole will sing two of the Advent anthems and hymns. Dr. Fredsell will use as his sermon topic, "The Truly Great," based on the text from Matthew 20:26.

The resolution set the approximate limits of the proposed City of Wayne as bounded on the north by Cherry Hill road, on the south by Merriman road and on the west by Hannan road.

The area proposed would create a municipality four miles long on the northern and southern boundaries and three on the eastern and western. It would include the Lincoln-Mercury plant on Michigan Ave.

Wayne officials indicated that the move there was "not unexpected . . . something just had to be done."

The resolution said: "Whereas the problems confronting the Village of Wayne are daily becoming more difficult of solution, and whereas it is deemed to be to the best interests of the residents of the Village and the surrounding area that an intelligent plan of development be laid out . . . be it resolved that the Council of the Village of Wayne go on record, and it does hereby go on record, that the Village of Wayne and the surrounding area be created into the City of Wayne."

NORTHVILLE PETITIONS

Petitions will be circulated in Northville in the near future, said Attorney Philip R. Ogilvie, to have the City-Village question placed on the ballot for popular vote.

Work on the proposal has been curtailed during the past few weeks while an engineer surveyed the proposed boundaries to be placed on the petitions.

Methodist Carol Service Is Sunday

A candlelight Carol Service will be held Sunday evening, Dec. 14, at 7:30 in the First Methodist Church. It will include traditional carols from many countries sung by the Sanctuary and Carol Choirs and a film strip describing "Christmas in Many Lands."

Villagers are cordially invited to make this service a part of their Yuletide enjoyment.

Solo parts will be sung by Mrs. Drake Older, Mrs. Raymond Westfall and Mrs. Charles Strautz. Mrs. Ivan Hodgson is director and Mrs. Richard Somers is organist.

and the St. Clair River Drive store.

HARD COMPETITION

Winning the "More for You" contest came as an honor to Mr. Barnes, who had to compete against stores in large communities and heavily populated areas.

"The crew here was responsible for winning," Mr. Barnes said. They also came in for a share of prizes in a separate employee contest conducted against six other Kroger stores.

Department heads were awarded 2800 points, chief clerks 1850 and part-time clerks 600. These points can be used to select gifts from a catalogue furnished by the company.

WINNERS

Department heads who won in the contest are: Wava G. Lee, Arthur Thompson, Walter Moore, Ed Barnes, Johnny Hochkins, Richard Thompson and Agnes Kimball.

Head clerks are: Robert E. Dixon, Betty Grace Spangler, Margaret Lee, Grace Lower, Carolyn Rahl, Betty Pugh, Sue Wilma Gattner, Shirley Kimball, Ella Karsch-nick, Joanne Weber, Mildred Haefer, Michael O'Connor and Prudence Dye.

Part time clerks are: William Barnes, Terry Rowe Gates, R. Stuart Sauber, Richard Bessey and Harold Tuck.

Shirley Snow Selected to Attend Girl Scout Conclave

Shirley Snow of Novi has been named as one of four Senior Girl Scouts in the state to represent Michigan at the All-States Encampment at Buffalo Bill Youth Camp near Cody, Wyoming in August of 1953.

Shirley is a member of the Senior Girl Scouts of Novi, according to the announcement by Mrs. Robert Skellenger, acting neighborhood chairman, and is the daughter of Mr. and Mrs. Royal Snow of Novi Rd.

Official notification of Shirley's acceptance was received from the Girl Scout National Headquarters in New York City, which supervises the encampment.

The 1953 encampment will be the third and largest of the All-State convales, said Mrs. Skellenger. The number of girls who will attend is expected to be double that of the previous two years—nearly two hundred in all.

GIFT OF OIL MEN

The encampment is the gift of Glenn E. Nielson, president of the Husky Oil Co., and Paul Stock independent oil dealer, both of Cody. They provide funds which cover the basic costs of operating the camp.

Shirley is one of ten Senior Scouts in Novi, and has been active in Scouting since 1948. She attends Northville High School, and while attending junior high school last year, received the Citizenship award given each year to the outstanding student by the Novi Perry Kenner Amvets Post 76. Shirley's main interests at present are science and outdoor sports.

The members of Troop No. 1 and its leaders, Mrs. Kenneth Baselt and Evelyn Nichols, said they felt honored that Shirley was chosen to attend the encampment and extended their congratulations.

NEAR YELLOWSTONE

The site of the encampment is in Shoshone National Forest near Yellowstone Park, about forty miles from Cody, and provides unique opportunities for the Scouts to explore the countryside take trail trips, camp out overnight and study the wildlife of the area. The general program of activities for the two-week get-together is planned by campers with the help of their counselors.

In selecting Senior Scouts for the encampment, consideration was given to their skill and knowledge of camping techniques as

well as to their qualities of leadership, knowledge of Girl Scouting, and ability to represent their own communities.

One of the greatest values of the encampment, according to Mrs. Skellenger, is the chance it gives the girls to meet and get acquainted with Senior Scouts from all parts of the United States.

Basketball Game Here Friday Night

The Northville High School basketball team will play its first Wayne-Oakland County league game against Milford in the Northville gymnasium Friday night, Dec. 12, at 8:30 p.m.

The game is the second of the season for the Mustangs. They defeated Plymouth 42 to 37 in the Rocks' gym last Friday night. The Mustangs will be at a disadvantage in their small gym tomorrow night against the rangy Indians quintet. The tall boys who play in the gym have the advantage of easier backboard play since there is no room in which to maneuver under the boards. Northville has always had as much trouble on its own court as it has had on large, roomy courts such as the new one at Plymouth.

The reserve team, coached by Stanley Johnston, will play first at 7 p.m. against the Milford reserves, and will be followed by the varsity game.

Northville will play South Lyon here Tuesday night, Dec. 16, and will travel to Brighton on Friday, Dec. 19, before going on vacation until January.

Christmas Party for Optimist Club

A "Mr. and Mrs. Optimist" Christmas party will take the place of the regular Optimist Club meeting Dec. 17. The Club will furnish presents for the children as families gather for the party in the Lutheran Church House.

Men Will Run, Too

A strange, huge breed of super-mice may take over the Mayfield Ave. neighborhood in West Point Park if the suspicion of a lady there is true.

She arrived home from a visit with relatives in another state, according to Miss Lora Ault, the Record's correspondent in West Point Park, and retired. She was disturbed from time to time by vague, gnawing sounds in the night, thought sleepily of mice, but ruled them out. She hadn't

Annual 'Messiah' Presentation to Be Sunday, Dec. 21

The annual performance of Handel's "The Messiah" by the Northville Community Chorus will be given at 7:30 p.m. Sunday, Dec. 21 at the Northville First Presbyterian Church.

Leslie G. Lee, music director at Northville High School, has conducted rehearsals of the chorus, and will direct at the performance.

Four guest artists from the University of Michigan School of Music will sing the solo parts in the popular oratorio. Frances Hanslovsky will sing the soprano parts. She was here two years ago. Vivian Milan, who was here last Christmas, will be contralto. Arthur Jones will sing the tenor solo and David Murray will be baritone.

ORGANIST NAMED

Organist will be Mrs. John Reed, organist at the First Baptist Church in Ann Arbor. She replaces Mrs. Gerald V. Harrison, who was organist here for ten years before she moved to Ferndale where she is organist in the First Methodist Church. The church there has a program the same night as the Northville presentation.

Pianist will be Mrs. Barton Conors, who has accompanied the Chorus for many years.

Mr. Lee urges all college students who formerly sang with the Chorus to sing again this year. Rehearsal Sunday, Dec. 14, will be at 4 p.m. and the last rehearsal, Sunday, Dec. 21, will be at 3 p.m.

The Youth Group of the Presbyterian Church will hold a reception for members of the Chorus and soloists after the performance.

Here's Chance to Play Santa Claus

Officials and rehabilitation workers at Northville State Hospital on Seven Mile Rd. are giving residents of this area a chance to play Santa Claus to patients at the hospital.

They're asking for donations of small, inexpensive gifts for distribution at the Christmas Day party at the hospital, gifts such as combs, after shave lotion, perfumes and lip rouge, which the patients wouldn't receive ordinarily.

Dr. Nathan Kalichman will dress up in the reds and whites of the traditional Santa Claus and preside at the Christmas party on Christmas Day.

Anyone who wants to help make Christmas a little more pleasant for the patients—at very little cost—should wrap their presents and label them "Lady" or "Gentleman" and place them in containers which will be found in the lobby of Depositors State Bank, Black's Canteen Service on N. Center St., Freydl Cleaners and the Hospital lobby.

Christmas Party for Optimist Club

A "Mr. and Mrs. Optimist" Christmas party will take the place of the regular Optimist Club meeting Dec. 17. The Club will furnish presents for the children as families gather for the party in the Lutheran Church House.

New Location Will Provide Adequate Room for Expansion

Arrangements for moving the Northville Record into larger quarters in the three-story building at the corner of Main and Center streets were completed this week. Moving day will be as soon after Christmas as possible, depending upon how quickly alterations can be completed.

The decision to forsake the present location, in which the Record has been published for many years, was made several months ago because the size of the present building made it impossible to handle the Record's growing volume of job printing. For a time, plans were considered for erecting a new building at 118 E. Dunlap St., and the property at that location was purchased last spring for the purpose.

This plan was discarded when the Northville Hardware decided to vacate the building at Main and Center streets, which has approximately four times more floor space than the present Record home.

PRESSES IN BASEMENT

The basement and part of the first floor in the new building will be occupied by the composing room and presses, with office space at the front of the first floor. The third floor and part of the second floor will be used for bindery operations and paper storage.

The major problem in moving will be to provide a foundation for the large press on which the newspaper is printed. This piece of equipment weighs 22,000 pounds and is too large to go into the basement.

It will be partly torn down before it is moved, but even so, it will be necessary to bring it into the new quarters through the south side of the building. It is to be installed on a base of large oak timbers seated in concrete beneath the basement floor and erected in such a way that none of the vibration caused by the moving press will be transmitted to the building.

Office space at the front of the building will be larger than at present, and in addition, a news room will be partitioned off to the rear of the office.

OFFICE IN FRONT

Office space at the front of the building will be larger than at present, and in addition, a news room will be partitioned off to the rear of the office.

Large Crew Helps With Blood Drive

Besides nurses, doctors and attendants, it took a large crew of volunteer workers to handle the crowd of 142 persons who donated blood last Friday when the Bloodmobile visited the village.

In addition to Charles R. Carrington and Mrs. William E. Forney, two crews of ladies helped at the desk, in procedure and at the refreshment table. One crew worked from 2 p.m. to dinner time and the other crew worked until 8 p.m.

The ladies were: Mrs. Emma Reed, Mrs. John Litsenberger, Mrs. Herbert Brown, Mrs. Barnaby Bird, Mrs. Lee Heaton and Mrs. Arthur Carlson.

Miss Ruth Sessions, Mrs. Ardith Eidson, Miss Betty Conroy, Miss Ganger, Miss McCully, Miss Ruth Knapp, Mrs. Franklin Beeks, Mrs. Louis Stewart, Mrs. Kerry Pattison, Miss Jeanette Lawrence.

Mrs. Charles Ely, Mrs. Arlo Hauger and Mrs. Karl Karg completed the group.

Mrs. Forney said that another group of ladies would be at St. John's Seminary today to help the Red Cross take blood donations there. They expected approximately two hundred.

Auto License Plates Are Now on Sale

Michigan's 1953 license plates, which will be a necessity on autos after Feb. 28 of next year, are now on sale at The Carrington Agency on North Center St., Northville branch of the Secretary of State's office.

Patients' Show Nets Enough for TV Set

The musical revue, "Funs-a-Poppin'", given by the patients at Northville State Hospital last Friday night, netted more than enough in free will offerings by the audience to buy a television set for one of the wards.

This plan was discarded when the Northville Hardware decided to vacate the building at Main and Center streets, which has approximately four times more floor space than the present Record home.

Moved by Stubenvoll, supported by Ely, that bills be paid.

Carried
Upon the recommendation of Geo. Jerome & Co., it was moved by Ely, supported by Peters, that the balance of \$5,417.65 still owing Minstrell Bros. for the curb and gutter construction and drainage on Lake Ave., Grace Ave., Bayson Ave. and Carpenter St. be paid upon receipt of sworn statements from Minstrell Bros. to the effect that all of their labor bills have been paid, as well as waivers of lien from Fenst Bros., the concrete supplies. Motion was carried.

Treas. A. R. Clarke submitted his report for the month of November 1952 showing the following balances in the several accounts as of Nov. 30, 1952:

General Fund	\$35,928.82
Water Fund	9,006.61
Debt Service Fund	8,878.08
Rural Hill Cem Fund-General	583.55
Cash Trust	232.80
Investments Trust	4,900.00
Public Improvement Fund-Cash	1,318.86
Investments	179,000.00

Chief Joseph Denton also gave his report for November, 1952, and he also stated that he had made the check of cars that are parked all day in the various public parking lots and that there are approximately 40 cars every day so parked. After considerable discussion of the matter, it was moved by Stubenvoll, supported by Woodworth, that all parking areas except the alley south of E Main St. between the Presbyterian Church to S. Center St. be posted for two-hour parking, and that a letter be written by the Village Clerk to the Retail Merchants Assn. about the stand the Village Commission has taken, because the check made by the Police Dept. indicates that 75 percent of all-day parkers constituted the merchants and their employees, and that a place would be provided on the west side of the Village Fire Hall where cars may be parked all day. Motion was carried.

It was then moved by Woodworth, supported by Allen that the foregoing reports be accepted and placed on file. Carried.

Comm. Peters reported on the receipts and disbursements of the Northville Recreation Committee and stated that an additional \$300 would be needed by them over and above the appropriations already forthcoming to take care of their outstanding bills to Jan. 1st, 1953. That the Township would pay \$100.00 of this amount, provided the Village would pay \$200.00. Therefore, it was moved by Peters, supported by Allen, that \$200.00 be given to the Recreation Committee in order that they could pay their outstanding bills. Carried.

John Miller, of Green Ridge Nurseries, informed the Commission that he was about ready to start on the tree care program and requested that they advise him where they would prefer that he work. It was decided that Comm. Ely and Supt. Hartner should consult with Mr. Miller on this project.

No further business appearing, it was moved that the meeting be adjourned. Carried.

BEAR HUNTING CHAMPION

The year's best bear hunting story is in—with adequate proof in bear meat and a pair of witnesses. Hero of the tale is Leslie Royer of Wyandotte, with two substantial backer-uppers, son Bruce Royer and Don Janneck of Trenton.

The trio went deer hunting near Iron Mountain in the west end of the upper peninsula. They scoured the ordinarily fine deer country in that neighborhood for days looking for horns. A shot was fired. All three were just about ready to call it quits when Leslie Royer started something that looked like nuclear chain reaction before the shooting was over.

Fireworks in a Bear Den

Les was hunting alone, about two miles from camp when he happened upon an unusually large stump half overturned. Leaves were piled around the base in a rather peculiar way, and Royer's sharp eyes saw bear fur under those leaves. He cocked his rifle, got a long stick, and gingerly probed the pile. Things began to happen immediately. With a great snorting and growling the bear shook off the leafy robe, reared up out of the den and looked Mr. Royer square in the eye. The rifle barked just once. The bear dropped back into the hole, and the hunter, delighted with his luck, pondered his next move. He figured the bear was

dead, but he'd take no chances on pulling it out of that hole without help. So back he hurried to bring son Bruce and hunting pal Janneck.

Bear Hunters' Jackpot

When the three reached the den the bear was still there—hadn't moved a hair. Don Janneck bravely offered to pull the animal out of the hole while Royer covered him with the one rifle in the group. This turned out to be a big job, and eventually it took all three of them pulling and tugging together, before the bear began to move—and then the fun began! No sooner was the big, 300-pound she-bear pulled clear of the den than a 75-pound cub scrambled out of the hole and made a break for freedom. Royer dropped this one, too. Now they were more cautious, figuring on another cub in the den, and sure enough a little probing with the stick drove the second cub into the open. Janneck got that one with a single shot, then stepped down into the hole which now looked as big as a cellar, and out popped a third cub almost knocking him down. Young Bruce killed cub number three—and there wasn't even time to comment on their luck when a fourth cub burst from the den! This went to Royer—his third bear for the day! It'll be a long time before quadruplet cubs are found again—and still longer before 3 hunters bag 5 bear in less than one hour!

Northern Star Will Appear Dec. 24

The heavens' glittering of December stars will be spotlighted this month by the Christmas Eve appearance of the Northern Cross high in the western sky.

Another shining Christmas constellation will be the Giant Hunter, which, according to Hazel M. Losh, University of Michigan associate professor of astronomy, is hard to excel in splendor and beauty.

Two of the sky's brightest planets also will shine during the Christmas season. Venus will be seen in the southwest after sunset and will grow steadily brighter throughout the month. It is a common belief, the astronomist states, that Venus was the original Christmas star. Jupiter will also be seen high in the sky every night.

December will also give a double share of moonlight. In addition to the December 1 full moon, there will be another around mid-

night, Dec. 30. The interval between full moons is 29½ days so it is easily possible to have two like phases in the same calendar month.

Conference for New Church Members

New members being received into the fellowship of the First Presbyterian Church are invited to a conference on church membership to be held Friday evening, Dec. 19 at 8 p.m. The meeting will be held in the downstairs social hall following the Sunday School Christmas party. Elders and their wives will entertain publicly welcomed on Sunday, the new members who will be Dec. 28.

ELECTRIC, of Course

Thousands of your neighbors are enjoying the wonderful warmth-without-weight of electric blankets and electric sheets. How about you?

Everybody loves them! From the very young to the very old, everybody who has ever tried them loves the controlled temperature and soothing comfort of electric blankets and electric sheets.

You'll get years of wear, years of comfort from these modern bed coverings. Blankets in gay colors to complement your furnishings . . . rose, blue, green, chartreuse, red, and yellow. Electric blankets and electric sheets are easy to store and keep in condition. They launder beautifully, too.

Order yours at your electric appliance dealer's or neighborhood Edison office.

Rolling Down The River

by the PETZ BROS.

Someone told us a good story to fit in right about here this week. The only trouble is we forgot the story . . . and who told it to us. Wish they'd get around to telling it again.

But then we remember the remark of a certain Republican who referred to the recent campaign and a certain politician therein. "Made a lot of whistle stops," he said, "but couldn't ring the bell."

You, though, will ring the bell on practically everything when you get around to buying a new Studebaker. It's a bell-ringer on power, beauty, ease of operation and economy. Matter of fact, it's the finest motor car on these roads of America and we sincerely hope that you'll drop around at your very earliest convenience for a demonstration. Why not give the family a new Studebaker for Christmas . . . the money you'll save through our liberal trade-in will make the rest of Christmas shopping a pleasure.

So here deer season has come and gone and, according to the papers, the army of 600,000 hunters didn't do so good about bagging the limit. A lot of the deer slayers we met did right well, however, in "bragging" the limit, especially around the camp, come evening. Not so, one old hunter, who stopped to pass the time of day. He was carrying an old single shot rifle and his total ammunition supply was one bullet. "How come," we asked, "only one shell?"

"That's easy, Bub," says he, "only got one license!"

Well, here it's winter again and that car of yours will go from hot to cold most suddenly with the thermometer skipping around like it has been doing of late. Better be sure that the lubricants are in first class condition and will be kept that way. Nothing like a little ice and snow, to raise havoc with unprotected moving parts. Best bet is to play safe and have our experts in the shop give the car a thorough check-up for the long cold winter ahead. Like the ad says "don't be half-safe" . . . be sure of your car, now!

That's that, but will you do us a favor? What with heavy traffic, early darkness and Christmas at hand, please drive and walk most carefully. We'd sort of like to have you around, come January 1st.

Yours,

BILL and WILL PETZ.

WOMAN'S WORLD

Holiday Gifts Can Be Made From Almost Nothing

By ERTTA HALEY

Got your gift list completed yet? Are you wondering just how the stretched budget can be made to fit it? No? Then see what you have about the house that can be turned to pleasing gifts with a bit of ingenuity and only a little work.

You don't have to be extremely clever with needle and thread or scissors, or an artist with colors or a paste pot to turn something almost worthless in its present state to an object of charm and usefulness. Here are many ideas with which to start, they'll probably suggest others.

The ingredients other than ideas required include mainly neatness rather than skill, a bit of time and some patience to see the project through. Decide how much time you'll be able to spare and plan to do only those presents by yourself that you can comfortably finish.

Cozy Slippers Will Please Anyone

Many remnant piles, perhaps your own, may be hiding several pieces of brightly colored felt. Maybe you've picked them up at some time long ago at a remnant sale, or perhaps you've stacked some old felt hats in the attic where they're gathering dust. Patterns are available for slip-

Make gay, attractive gifts...

pers and they're very easy to cut from the felt. The sewing is easy, and the trimmings can be buttons, bows or even some old sequins if you're making slippers for a would-be glamorous school girl.

Then, of course, there are cozy slippers for the very young. These may be made from terry cloth or toweling. If white doesn't seem practical, use colored old towels or dye the white ones in pretty pastels.

It's traditional, of course, to knit or crochet slippers for warm winter comfort, and these, too, make wonderfully welcome presents. If you have the time and are inclined, then these might be on the gift list. One of the current favorites are long knitted hose with a leather sole which can be attached with a blanket type stitching.

Make Aprons From Odds, Ends

Almost every woman has a weakness for aprons whether she's still hunting for her Prince Charming and planning a domestic career or the mother of a busy household or grandmother who is busy helping her own youngsters or neighbors. See how many on your list would like aprons, and then check your sources for material.

Aprons can be made, and have been made, for a long time from almost anything—guest towels, remnants, handkerchiefs, sheer curtains, cotton draperies, old dresses and suits.

Take guest towels, for example, especially if they have a row of colored borders. Join the towels together lengthwise, and make small pleats or gathers at the top. Select some chintz in a color which blends with the towel color and

from wrapping paper you've saved, make a three inch border, double thickness all around the apron. Chintz may also be used for the ties.

All aprons given need not be of the hostess variety just described. Maybe your old clothes reveal a cotton cord suit which is too small or too out-of-date. Use this for a cover-all type of apron with a skirt full of roomy pockets so that it may be used in the garden or while doing household cleaning.

Cover-all aprons usually have a bib front and may button at back. There will probably be enough material left from the suit or dress which is used to make a ruffle to attach to the bottom of the pocket.

Christmas Puppies to Hit Record High

The number of puppies that will be given as gifts this Christmas will likely set an all-time record, it is predicted by Harry Miller, director of the Gaines Dog Research Center, New York, a leading source of dog information.

Mr. Miller has compiled a list of "pitfalls to be avoided" in adding a puppy to the family circle this Christmas. There is a dog for every purpose, one to suit the age and temperament of any owner, and with a little careful planning each can be sure of getting exactly what is needed or wanted, he suggests.

1. If undecided as to breed, a visit to a dog show, where a variety of breeds are on exhibit, should prove helpful. If no dog show is being held in the vicinity, visits to local kennels of different breeds will help make up your mind.

2. Don't get a puppy too young—not under ten or twelve weeks. The younger the puppy the more care it requires.

3. If you are not sure the puppy is healthy, insist on a veterinary statement before purchase.

4. If you want to be sure the pup is purebred, request a registration certificate, which should also show a transfer to you as the new owner.

5. Before taking the pup home,

be sure to select a spot in the house he will be able to call his own. Place his bed there—an ordinary box filled with shredded paper will do—and put near it a toy or rubber ball or bone to help him cut his teeth on and divert his attention from mischievous deeds.

6. Don't stuff him and don't handle him unnecessarily when you get home, else you may end up with a sick or dead pup. If you are really wise, you will arrange to have him delivered a few days before or after the Christmas day excitement.

Hints on Xmas Tree Care Given to Garden Club Members by Mr. Holcomb

"The Tradition and Industry of Christmas Trees in America" was the subject discussed by Mr. H. H. Holcomb of the Michigan Conservation Department before 38 members of the Northville Branch of the Women's National Farm and Garden Association at their Christmas party Monday, Dec. 8.

"Many conscientious folks are troubled about the extensive cutting of Christmas trees each year," Mr. Holcomb said. He assured the group that the Conservation Department recommends such action as the thinning process is definitely beneficial to large forest areas.

He continued by saying that although spruce trees, being more symmetrical, are most commonly used for decoration, the balsam is known to retain its needles for a longer period of time. The long-needed Scotch pine is becoming increasingly popular for use as a Christmas tree.

Mr. Holcomb suggested that for maximum freshness the tree should be placed in a container of water, and, if purchased much ahead of time, an occasional sprinkling of the entire tree with water will work wonders in keeping moisture in the tree.

A fireproofing solution which

may be sprayed on the Christmas tree to eliminate the fire hazard was given by the speaker:

Mix: 9 parts of water glass (obtainable at drug stores) to one part water.

Add: One 1lb. household solvent soap to each quart of the above solution and spray on the tree.

Christmas greens decorated the home of the hostess, Mrs. George Price of North Center St. Assisting her as co-hostesses were Mesdames Gerald Woodworth, Fran Jennings, George Alexander and Mrs. Orson Atchinson.

A cooperative lunch followed the business meeting and the party closed with an exchange of gifts.

Miscellaneous Shower Honors Betty Lorenz

Betty Jean Lorenz of Plymouth was guest of honor at a miscellaneous bridal shower given at the home of Mrs. John Wahn of Plymouth Wednesday evening.

Twenty guests gathered from the vicinity to honor Betty Jean who is the January bride-elect of Jerry Nelson, son of Mr. and Mrs. John K. Nelson of West Seven Mile Rd.

Open House Marks 47th Wedding Date

Mr. and Mrs. William H. Flinn of Detroit were honored at a surprise open house on the occasion of their 47th wedding anniversary. The affair was held at the home of their daughter and son-in-law, Mr. and Mrs. Paul McCollum of Woodhill Rd.

Assisting at the festivities was another daughter and her husband, Mr. and Mrs. David Baker of Plymouth.

Forty friends and relatives on the guest list were from Detroit, Magnolia, Birmingham, Novi, South Lyon, Plymouth, Ann Arbor and California.

DAR Members Plan Christmas Program

Members of the Sarah Ann Cochran Chapter of the Daughters of the American Revolution are planning a Christmas program to be held at 100 p.m. Monday, Dec. 15 at the home of Mrs. John Burkman, 535 East Eight Mile Rd. Guests may be invited to attend the annual festivity.

The Northville Woman's Club Choir under the direction of Mrs. E. V. Ellison will entertain the group according to Mrs. Lawrence Mack of Plymouth, program chairman.

Also included in the afternoon program will be recorded carols of foreign origin and seldom heard carols of this country. Mrs. Mack will supply the story and background concerning the music as it is presented.

Greens Market Attracts Club Women

Three representatives of the Northville Branch of the Women's National Farm and Garden Association today are attending the Annual Greens Market held at the Women's City Club, Detroit. Mrs. R. D. Merriam, Mrs. Orson Atchinson and Mrs. George Alexander will view the exhibits of the decorative Christmas greens fashioned by members of the organization.

The affair is presented as an annual workshop instructing in the art of designing and fashioning attractive Christmas greenery. Members of the various garden clubs met Tuesday and Wednesday to make the festive greens which were placed for exhibit and sale at the Annual Greens Market today.

Bobby Langtry Marks Sixth Birthday Wed.

Little Bobby Langtry, son of Mr. and Mrs. Edwin Langtry, celebrated his sixth birthday Wednesday with a party at his home on Thayer Blvd.

Playmates who joined in the birthday festivities were Gary Davis, Johnny Blackburn, Dick Stamaan, Joe Steencken, Timmy Dickinson, Kathy Lyke, Sandy Parmenter and Lorelie Mueller.

Kathy Jean Defina Has Second Birthday

Kathy's second birthday was the occasion of a party at the Frank Defina home on Stoneleigh Rd. Friday, Dec. 5.

Kathy's friends and relatives who helped her celebrate were Mrs. Keith Simons and Mark, Mrs. Stanley Smith and Cynthia, Mrs. Kurt Glaser and Kurt, Jr., Karen Jackson, and Kathy's little sister, Kristy.

Showers and Parties Honor Andrea Owen, Bride-Elect

A glimpse of Andy Owen's special calendar for the weeks preceding her marriage on Dec. 27 would indicate that her many friends are planning a whirl of pre-nuptial parties and entertainment in her honor.

Newlyweds Feted at Reception Sat.

On the evening of Dec. 6 more than fifty relatives and friends met at the home of Mr. and Mrs. Milton Lockwood on Merriman Rd., Livonia for a reception honoring Mr. and Mrs. Milton Switzer who were married on Nov. 1 at Angola, Ind. Mrs. Switzer is the former Eunice Lee Waterman, daughter of Mr. and Mrs. Claude Waterman of Reservoir Rd., Plymouth.

Eunice is a graduate of Northville High School and of the Henry Ford Hospital Nursing School. She is currently employed as a member of the Ford Hospital surgical nursing staff.

A veteran of two and one-half years of service in the armed forces, Bill is now employed by the Deluxe Motor Stages of Detroit. His family makes their home in Carrolltown, Pa.

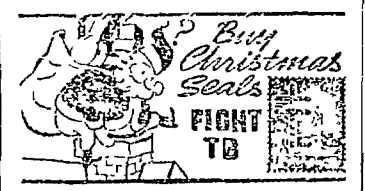

Luncheons Add to Week's Activities

Luncheons seem to head the list of activities on this week's social calendars for many Northville women.

Mrs. A. Russell Clarke was hostess to a luncheon and canasta party at her home on Fairbrook Rd. Tuesday afternoon.

Mrs. John Clark of North Rogers St. entertained members of the Girl Scout Executive Council at a buffet luncheon today, Thursday.

Last Tuesday, Mrs. Rano Pappi invited newly invested leaders of the Northville Girl Scouts and instructors of the recent leader training course to a tea at her home on Wing Court.

Using Christmas Films Each Sunday

Boys and girls in the church school of the First Presbyterian Church are seeing special Christmas films each Sunday morning through the Advent season. "The Littlest Shepherd's Gift" was presented on Dec. 7, a colored film prepared by the Society for Visual Education. On Sunday, Dec. 14, Mrs. Joseph R. Punkett, junior department superintendent, has arranged to show "Christmas Around the World", which is in sound and color. For the annual White Gift Service on Christmas Sunday, Dec. 21, the film, "The Three Wise Men", will be presented.

The Sunday School Christmas party will be held Friday evening, Dec. 19 at 7 o'clock. Mrs. Luther Jordan and Miss Cynthia Mellen have arranged the Christmas program using interpretive dances and colorful costumes. Santa Claus is expected at the close of the program with his usual store of presents.

Among those who are planning festivities for the bride-elect is Gay Duerson of East Eight Mile Rd. who has chosen to give a spice shower honoring Andy soon. Mrs. Clair Cook of Detroit, a family friend, has scheduled a miscellaneous shower for Dec. 17.

Mr. and Mrs. T. N. Kampf, Jr. will be hosts to the honored couple and friends at their new home on Haggerty Rd. this week end, and the J. P. Malley will open their home for pre-bridal festivities next week.

Andrea will become the bride of Stanton Lee Schaefer of Birmingham on Dec. 27.

Mother's Death Calls Families to Vermont

Mr. and Mrs. Al Smith of Beal St. and Mr. and Mrs. Robert Sinclair and son, Dick, of Beck Rd. were called to Williamstown, Vt. last Thursday by the sudden death of the ladies' mother, Mrs. Walter Matson.

Mrs. Matson had spent part of each year in Northville visiting her daughters' homes here.

She was born 74 years ago in Denmark. She is survived by six children, 12 grandchildren and seven great-grandchildren.

New Dual-Streak Pontiacs Announced for '53

In nationwide dealer showings, Pontiac Division of
General Motors today introduced its new line of Dual-
Streak Chiefline models, featuring longer wheelbase,
increased vision and new curve-control front suspension.
Advanced styling is marked by smooth contours, rear
fender fin and high deck lid, one-piece curved windshield,

wrap-around one-piece rear windows, roomier interiors
and entirely new radiator grille and chrome treatment.
Above is the new Custom Catalina, one of 11 body types
in three Chiefline series: Special, De Luxe and Custom.
Wheelbase for all series is 122 inches, with Power
Steering as optional equipment.

Football Letters Given to 34 Members of Team

Varsity letters have been awarded to 34 members of the Northville High School football team, and smaller letters were given to six players on the team.

The awards were made in an assembly program at the high school on Wednesday morning, Nov. 24.

Announcement of captain for next year's team and winner of the most valuable player award were made at the same time, although all awards are usually made at a football banquet sponsored by the Exchange Club.

The team captain for the 1952 season, Al Iversen, was given a football which all members of the team had autographed, in recognition of his election as most valuable player by team vote, and the announcement was made that he and Bob Burgess had been elected co-captains for the 1953 season by the team.

PERMANENT TROPHY

A permanent trophy which remains with the high school bears the names of most valuable players elected in recent years: Tom Heslip in 1943, Charles Stephens in 1949, Dick Gray in 1950, Leon Holman in 1952 and Al Iversen in 1952.

Winners of the major letters this year are: Joe Girardin, Don Johnson, Gene Rebitzke, Allan Maltby, Jim Mitchell, Gary Hix, Dave DeJohn, Dick Somers, Bruce Rose, Doug Bennett, Al Iversen, Lamar Nally, Bruce Felker, Bruce Wagenschutz, Pat Herbert, Mike Rackov, Jim Bonar, Arland Lovett, Bill Sullivan, Bob Engel, Gerry Graham, Larry Meyer, Bob Burgess, Bill Bailey, Bob Wilson, Paul Schultz, Bob Scheffer and Jurgen Bonnet, the German Exchange student attending Northville High School this year.

Winners of minor letters are John Funk, Ed Nash, Jack Waterloo, Dick Willis, Jon Wolfe and Bob Schock.

Here Friday! 'The '53 FORD

The new Standard of the American Road

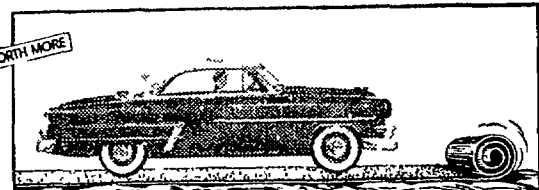

With 41 "Worth More" features, it's worth more when you buy it...worth more when you sell it!

Search no more: the car that exceeds your every driving need is making its bow at your Ford Dealer's!

Those of you who have owned Fords in recent years have a hint of the many ways in which this new 1953 Ford sets an entirely new standard for the American Road.

In this new Ford you'll find a new Miracle Ride that sets a new standard of smooth, quiet comfort on level highways or roughest byways. You'll find the easy handling and great visibility you need for today's fast-moving traffic . . . the "Go" to master today's long-distance driving.

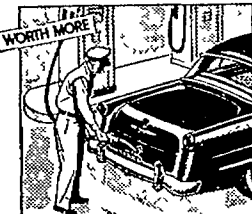

See this Ford . . . Value Check its 41 "Worth More" features . . . and Test Drive it. You'll see why this new standard-setting car is worth more when you buy it . . . worth more when you sell it.

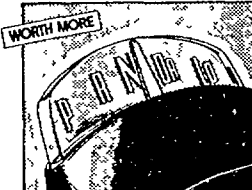

New Miracle Ride brings you riding comfort at its level best! Not just softer springs and new shock absorber action, but a smoothly coordinated system of ride control elements that adjust instantly and automatically to changing road conditions. It's a completely balanced ride . . . a ride that will give you an entirely new concept of driving comfort on level highways or rough, rutted byways.

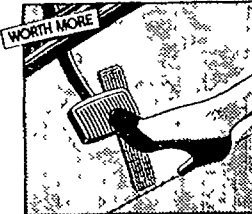

Full-Circle Visibility gives you an unobstructed view of the road . . . and all the scenery. 1-REST tinted safety glass makes driving easier on your eyes.

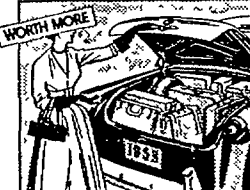

Center-Fill Fueling prevents hose marks on the finish of your car. No gas spill on fenders. Short gas filler pipe gives you trunk space for an extra suitcase.

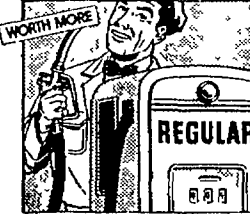

Shift to Fordomatic . . . and you'll never shift again. It's the finest, most versatile automatic drive ever. Ford also offers the smooth, thrifty Overdrive.

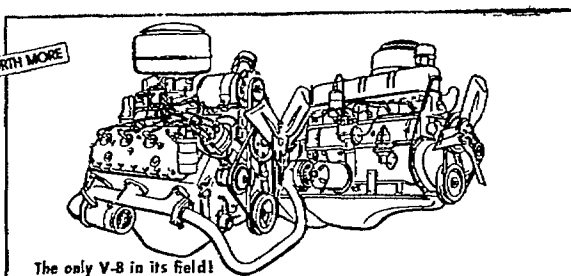

Power-Pivot Pedals, suspended from above, operate more easily, eliminate dusty, drafty floor holes, make foot space of the entire floor space.

Key-Release Deck Lid opens automatically on counterbalancing hinges when you turn key. Note big trunk space! Ford's hood is counterbalanced, too!

Automatic Power Pilot saves you money because it gives you high-compression "Go" with regular gas. An economy feature on both V-8 and Six.

CHOICE OF V-8 OR SIX ENGINES—Ford's 110-h.p. high-compression Six is a partner for thrifty "Go" in the 101-h.p. low-friction, high-compression Mileage Maker Six—only modern Six in its field.

Rural-Urban Night

(Continued from Front Page)
of the First Methodist Church, gave the invocation.

ENTERTAINMENT

Highlight of the evening was the entertainment provided by the Faris Singers, directed by Mr. C. L. Faris, and the Candy Mountain Kids, Richard Drew, George Bennett and Glen Schultz.

The Faris Singers, accompanied by Mrs. Virginia Gedz, sang several numbers which were highlighted by their rendition of two negro spirituals. Their entire program was excellently done and was a source of enjoyment to the entire audience.

The same was true of the Candy Mountain Kids, who gave three musical numbers that were roundly applauded.

The Rural-Urban Committee which was in charge of the evening's program consisted of: James J. Brummel, chairman; John M. Miller; Roy M. Terrill; John A. Boyce and Dr. Brown.

The program was concluded by the audience joining the Faris Singers in Auld Lang Syne.

Guests of the Rotary Club were: Mr. and Mrs. Fred Anderson of W. Seven Mile; Mr. and Mrs. William Bake of W. Main St.; Miss Catherine Bray of Seven Mile Rd.; Dr. and Mrs. Charles O. Brosius of Seven Mile Rd.; Miss Christiana Burke of E. Baseline; Mr. and Mrs. Jack P. Callaghan Jr. of Sheldon Rd.

The new Record building was dedicated on June 8, 1931, with an open house, banquet and a special "New Home Edition" of the newspaper. The office and printing plant have remained at this location since, although the front office structure has been altered.

The entrance was changed by the late William H. Canfield to the right side of the building from the center to allow larger working space for the office staff.

WRONG INFORMATION!

The American Medical Society warns you against wrong information regarding the cure of Cancer. They tell us that Cancer can be cured providing medical care is sought in the early stages of disease. They send forth the warning—

WRONG INFORMATION MAY BE FATAL! Now as a minister of the Gospel I would like to give you the same warning regarding the wrong information about your relationship to God and the way of eternal salvation. Remember—WRONG INFORMATION MAY BE ETERNALLY FATAL! Be aware of a Christless, crossless, bloodless theology which promises you the forgiveness of sins and life eternal in exchange for a reasonably good life, church attendance, baptism, etc. We are not saved by anything we do, but we are saved by faith in what HE has done. Look at this verse, "Not by works of righteousness which we have done, but according to his mercy he saved us by the washing of regeneration, and the renewing of the Holy Spirit." Titus 3:5. Now you do not have to be a theologian to see that this verse teaches plainly that we are not saved by OUR works of righteousness, but by the mercies of God. God will have mercy upon the person who acknowledges their sins before Him and accepts Jesus Christ as Lord and Saviour.

Mustang Cagers Upset Plymouth In Opening Game

The opening game of the high school basketball season was an auspicious one for the Northville Mustangs. They fought off a determined Plymouth quintet and came from behind three times to emerge with a 42 to 37 victory over their neighboring arch-rivals last Friday night.

Plymouth led most of the way gaining a five-point margin at one time, but the Mustangs tied the score seven times before moving into a slim lead early in the fourth period. They never gave it up.

Glenn Howarth, rangy North-

They whipped Plymouth Friday night. Greeting the photographer in a jubilant mood after the game are, from left to right, Glenn Howarth, Lamar Nally, Ed Nash, Gerry Graham and Dick Somers.

ville center, paced both teams with 13 points on four field goals and five foul shots, but scoring was fairly evenly distributed among the other four Mustangs who saw action. Plymouth's Lanphier was high for the Rocks with 12 points, and Finney got ten.

The match was a crowd-pleaser from the outset and was maintained at fever-pitch during the entire 32 minutes of play.

Coach Dick Kay was faced with the decision of leaving his five starters—Howarth, Lamar Nally, Ed Nash, Gerry Graham and Dick Somers—in the game and maintaining the pace already set, or substituting and possibly break-

ing the smooth flow. He chose to leave the original five on the court. They went the entire, exhausting route.

The game was clinched in the last minute when, with Northville on the long end of a 38 to 37 score, Ed Nash pumped in a field goal on a one-handed shot, and Lamar Nally added two more points from the free throw line.

Mustang aggressiveness, plus domination of backboards at both ends of the big Plymouth court contributed most to the victory. The Northville five hit the basket from all angles as the Rocks switched from a man-to-man defense to a floating zone defense in an effort to stop them.

In addition to Howarth's 13 markers, Graham added four, Nally got seven and Somers and Nash dropped in nine each.

The Mustangs picked up 20 of their 42 points at the free throw line, hitting on 20 of 33 chances

for an average of better than 60 percent. The Rocks scored on 9 of 18 attempts for an even 50 percent average.

Guard Dick Somers dropped in seven points from the free throw line and added a field goal for his nine points.

Colts Lose To Reserves

The Colts, Northville's reserve basketball team, never quite got the range on the basket at the Plymouth court Friday night and went down to a 40 to 24 defeat at the hands of the Rocks.

The game began slowly, with Plymouth ahead 5 to 2 at the end of the first quarter, and 15 to 6 at halftime, but picked up speed in the rest of the encounter with the Plymouth reserves scoring almost three times the amount in the second half as they had in the first.

Reserve Coach Stan Johnston used several combinations after beginning with a five-man team of Paul Schultz, Darwin Teshka, Skip Maxwell, Bill Tierney and Joe Girardin.

Plymouth's Forenczi was high

scorer for both teams with 12 points. Joe Girardin led Northville with seven.

'Skip' Howard Will Sing With Albion College Choir Here

When the Albion College a cappella choir presents the Christmas concert in the First Methodist Church of Albion on Sunday afternoon, Dec. 14 at 4 o'clock, Leonard "Skip" Howard, son of Mr. and Mrs. W. L. Howard of 47787 West Eight Mile Rd., a junior at Albion, will participate, singing in the bass section.

The choir, under the direction of David Strickler of the Albion music faculty, will present a var-

ied program at that time, including sacred liturgical music, cantatas and appropriate secular numbers, one of them "The Winter Winds", a composition by Albion's music professor, Dr. L. U. Rowland, who has written a colorful setting for a poem by Louis Untermeyer.

Concluding number will be Benjamin Britten's festival cantata "Rejoice in the Lamb", set to the words of Christopher Smart. Soloists to be heard in this fourth part of the Albion Christmas concert will be soprano Marilyn Chisholm and alto Marjorie MacMillan of Detroit, and tenor Melvin Larimer of Bronson.

The public is invited to this Christmas concert.

Michigan Mirror:

Governor, State Legislature May Get Together on Method of Raising Money

by Gene Alleman

If G. Mennen Williams is re-instated as governor by the recount, there may be a truce flag in the offing.

For four years now our Democratic governor and his Republican legislature have been bumping heads over a tax program. The lawmakers won't accept Williams' corporation tax program. Williams won't sit still for the Republican loophole plugging plans of the legislature.

The result is a \$65,000,000 deficit. The state is broke. Now that Auditor General John B. Martin has announced publicly that the state will be able to meet only half of its \$40,000,000 payments to local school districts in January, all hands recognize a financial crisis of the first magnitude has finally arrived.

Bickering and haggling will benefit neither side, as the last four years have determined. The hour for action is upon us. But how can the governor and the legislature compromise their opposing tax views?

As soon as the recount is over, Williams—if he winds up again in the gubernatorial chair—is expected to take the lead in suspending hostilities.

He is sure to thump again for a corporation tax as the simplest solution to the money problem. But he may offer Republicans a chance to offer a better answer—so long as it is not a personal income levy or a nuisance tax on soda pop, motels etc.

It must be remembered that four years ago when the corporation tax was first proposed, many Republicans favored it. Confident of its passage the governor then began pounding the drum on Democratic achievements and expounding on what the Democrats were doing for the "common man."

The Republicans voted against the bill in a body and have continued to do so since.

The Republican plan of tightening existing tax laws and plugging a few loopholes was stymied by the Williams veto.

But now in this great new era of enforced co-operation, Williams may well suggest a combination of the Democratic-sponsored corporation profits levy and one or two others revenue ideas suggested by the Republicans.

What happens after that appears to be up to the Republicans. Will they accept the compromise or again defy the governor?

If the governor does make a serious effort to restore harmony in our politically-split state government, Republicans might well take another look at his program. They may find him ready to meet them half-way in working out some acceptable money-raising program.

Such a compromise won't be easy. Too many harsh words have been tossed about in the last four years. But an attempt—any attempt—at compromise is encouraging.

Although the results of this year's three-day open season on deer have not been properly tabulated and evaluated, it would appear that the conservation dept. had been right all along in its battle for discretionary powers to set seasons and bag limits according to the requirements of the individual areas.

When the deer season was announced a large wall went up about "those mother deer" and the large number of hunters who would be shot.

Despite good reports from Wisconsin which already had experimented with a deer season, the legislature was reluctant to give up its powers over the hunting laws.

This year 250,000 hunters took out 91,000 deer. The hunter kill was no larger than in other years despite the record number of men in the woods.

Michigan now has a larger herd than it had 50 years ago. For the first time in 60 years deer have been seen in northern Indiana. Yet the sobbing about shooting does and fawns has been echoing the length and breadth of the state.

For the last three years Michigan has had mild winters, with relatively little snow. The deer herd multiplies and few are killed by winter starvation. Last year only 10,000 deer died of winter kill. Year before that some 40,000 starved to death.

But remember the winter of 1947 and 48? That year 110,000 were counted dead in the woods. If snow stays on, covering foliage, the animals take to eating poplar and brush leaves. The larger deer clean off the low hanging branches. The smaller does and fawns die.

The conservation department this year says 200,000 deer might have been taken without endangering the deer herd balance.

Probably those does will look better on the table than as fox food in the thickets.

Police Collect \$753 in November Fines

Chief of Police Joseph Denton reported that the department collected \$753.50 in fines during November in his monthly report to the Village Commission Dec. 1. Police answered 98 calls during the month and investigated

ten accidents. Sixty-four traffic violations were recorded and 62 summons issued.

Four cases of petty larceny were listed but there were no cases of grand larceny. Chief Denton's report cited two breaking and entering cases and a like number of vandalism cases.

Juvenile cases numbered four in November and there were two prowler calls. One person was reported as missing and one recovered. An auto was reported stolen and one was recovered by police. Four bicycles were stolen during the month and three were recovered. There were 13 arrests and 13 court cases. One person was sent to Eloise.

One case of a person being bitten by a dog was listed, and one dog was under observation. Two dogs were sent to the pound, reclaimed, and their owners fined. Three dogs were destroyed at the pound.

Chief Denton reported four windows open and unsecured and 23 doors unlocked. The department sent out 11 teletype messages during the month.

Church Group Hits at Obscene Books

Mrs. E. J. Willis, member of the "League of Decency" committee, attended the November meeting of the group at the Veterans Memorial Building in Detroit.

Objective of the group is a concerted effort to chase obscene literature, particularly magazines and pocket novels from the newsstands.

Charges that such literature serves no purpose except provocation have been made recently in magazine articles and speeches.

The Southwestern Deanery, says Mrs. Willis, has cleared obscene material from newsstands in many communities through the cooperation of merchants and store owners. She said the Legion is asking for the help of parents to make a check on the reading matter of their children.

142 People Donate Friday in Successful Red Cross Blood Drive

Despite a day of cold and clammy weather, 142 Northville area residents donated blood last Friday afternoon and evening in what Charles F. Carrington termed "a very successful drive".

More persons who wanted to donate were turned regretfully away by Red Cross nurses because of colds, recent surgery, recent use of medicines and other reasons which would have prevented use of the blood.

Two persons remarked that they had been turned down before, but decided to try again, even though they thought they would be turned away.

Donors were handled as fast as they came in the early hours of the drive, which lasted from 2 to 8 p.m., but they began coming in larger numbers later in the afternoon to assure success of the effort.

Mr. Carrington asked that all organizations and persons who worked at the drive and in previous organizational efforts be thanked for contributing to the success of the vital drive. He also cited the cooperation of local church pastors in publicizing the drive with their congregations.

Members of the Auxiliary of the Lloyd H. Green Post 147 served a lunch late in the afternoon for Red Cross workers and doctors.

Depositors Bank Employee Shows How Easy It Is To Donate

The Record's photographer followed Frances Bonar, Depositors State Bank employee, around as she donated blood for the second time. The picture series at right illustrates the simple procedure of giving blood, and was inspired by the overheard remark of a first-timer: "I didn't know this was all there is to it, or I'd have donated before."

Frances begins by stopping at a table where she gives her name, address and other information to a worker, and designates whether her blood donation will remain with the local bank or be sent overseas.

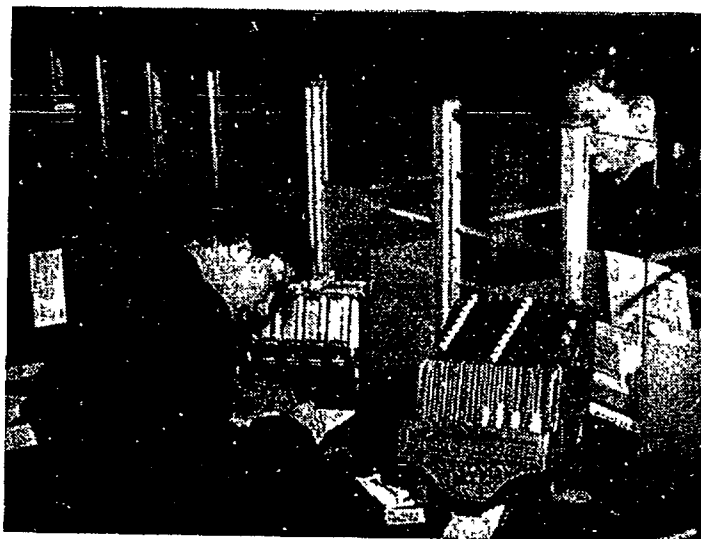

A registered nurse checks Frances' blood pressure and takes a tiny sample of blood, after asking other medical questions, to be sure that the donation will not be harmful in any way to either Frances or the ultimate receiver.

After drinking orange juice to add fluid to her system, Frances opens and closes her hand, filling a sterile pint bottle with the precious blood which will probably save the life of a serviceman or civilian sometime soon.

Now, a few minutes later, she jokes with other donors as she sips coffee and eats cookies as she rests for a few minutes.

A little later Friday, Frances is back at work at Depositors State Bank, happy to have been one of the 142 persons who made donations in the vital blood campaign, and none the worse for her experience.

CHRISTIAN SCIENCE CHURCH
We may look to God for help,
no matter what distressing con-
ditions may arise, as shown in the
Lesson—Sermon to be read in all
Christian Science churches under
the title "God The Preserver of
Man", on Sunday, Dec. 14.

The Golden Text is from Psalms
(25:2,21,22): "O my God, I trust
in thee: . . . Let integrity and
uprightness preserve me; for
I wait on thee. Redeem Israel, O
God, out of all his troubles."

Among the Bible citations is
this passage, (Ps. 27:1): "The
Lord is my light and my salva-
tion; whom shall I fear? The Lord
is the strength of my life; of
whom shall I be afraid?"

Correlative passages from "Sci-
ence and Health with Key to the
Scriptures" by Mary Baker Eddy
include: "The divine Mind that
made man maintain His own im-
age and likeness" (p. 151)

West Point Park News

• Miss L. A. Ault

We Livonians who have been getting our mail from the Farmington Post Office have now been notified that we should inform all correspondents that our mailing address is Livonia rather than Farmington. The new order of things began Thursday of this week.

A Goodwill Industries truck was collecting in our neighborhood Monday and Tuesday. The amount of discards collected was far less than in the two previous months when fall housecleaning was underway. They are expected to collect again the first Monday in January.

Mr. and Mrs. Richard Stevens and their three sons, who last September moved from Hubbard Ave. to Pedro Miguel, Panama, write that their new home brings some good experiences and some bad, but that the boys are surely enjoying the opportunities of swimming and fishing. All are wondering if Christmas will seem like Christmas.

Mr. and Mrs. Forrest Ault of Hubbard Ave. left Friday evening to spend the week end with Mr. Ault's sister, Mrs. Johnson Porter and her family, in New London, Ohio.

Mrs. Ralph Voorhies of Shadyside Ave. visited friends in Windsor last Sunday.

Mrs. Loren Read of South Lyon was the Thursday guest of her mother, Mrs. Austin Ault.

Mr. and Mrs. Albert Owen of Mayfield Ave. were the dinner guests last Sunday of their son, William Owen and his family, in Detroit.

Mrs. Virginia Fulkerson of Dearborn called on the Misses Lora and Freda Ault on Shadyside Ave. this Saturday.

Mr. and Mrs. George Throne of Ypsilanti will be guests of Mrs. Throne's parents this Saturday, Mr. and Mrs. Austin Ault, on Brentwood.

Charles Neff of Steubenville, Ohio is spending a few days visiting with his niece, Mrs. M. E. Ault, of Mayfield Ave., and other relatives in this vicinity.

Mrs. Henry McMillan of Detroit visited with her parents, Mr. and Mrs. Ira Wagner on Shadyside, Friday evening.

Freda Ault of Shadyside Ave. called in Harper Hospital, Detroit, Friday.

Mrs. Dave Kelbert of Hugo Ave. who has been ill, is now being able to get out among her friends again.

The Livonia Methodist Church held their annual bazaar Friday. In spite of weather conditions it is reported to have been a profitable undertaking and visitors declare they found much that was interesting.

The Red Cross station wagon was out Tuesday evening delivering a Health Guild lending-out bed to a convalescent.

The warning, voiced by postal authorities to get Christmas mail on its way early has had the result of already bringing Christmas cards into our homes as early as the day before Thanksgiving.

John Reddy of Shadyside Ave. visited in Detroit Saturday.

Walter Schult of Florida called at the home of his sister-in-law, Mrs. Herman Schult, on Shadyside Ave. Friday morning.

Mrs. John Varhol of Shadyside Ave. was the overnight guest on Thursday of Mrs. Horace Gravelle in Brightmoor.

Mr. and Mrs. George Kacy, former owners of the West Point Greenhouse but now residing in Detroit, have left to spend three months in California.

Duane Shaulter, who spent the Thanksgiving week end with his parents, Mr. and Mrs. Stuart Shaulter of Farmington Rd., left Sunday for his school near Chicago.

After spending the week end with his parents, John Costello of Merriman Rd. returned to Michigan State College Monday.

Mrs. Mary Walker of Farmington Rd. was the Thanksgiving week end guest of her daughter in Chicago.

Mrs. George Robbins of Detroit

is a house guest of her daughter, Mrs. Francis Wagner, of Westmore Ave.

Mr. and Mrs. George Kacy of Detroit were dinner guests last Sunday of Mr. and Mrs. Michael Costello of Merriman Rd.

Local people attending the Robbins funeral in Detroit last week, Wednesday, included Mr. and Mrs. Harry S. Wolfe, Mrs. Ralph Voorhies, Mrs. Clarke Bonar, Mrs. Homer Johnson, Mrs. Joseph Potter, Mrs. William Barrett and Mrs. Stuart Shaulter.

Sunday dinner guests of Mr. and Mrs. William McLellan of Westmore Ave. were Pfc. and Mrs. Howard McLellan, Mr. and Mrs. William Barrett, Lee Butcher and Jim Wagenschutz.

Mr. and Mrs. Joseph Potter of Westmore Ave. spent Thanksgiving week end at Columbusville, Ohio.

Mr. and Mrs. Francis Wagner and son, Kenneth, also their house guest, Mrs. George Robbins, all spent last Sunday with Mr. and Mrs. Eldred Robbins in Detroit.

Mr. and Mrs. E. W. Stange of Mayfield Ave. were dinner guests last Sunday of their daughter, Mrs. William Griffith and her husband in Dearborn.

Mr. and Mrs. John Varhol and their son, Richard, of Shadyside Ave. were dinner guests last Sunday of their daughter, Mrs. George Ring and her husband, in Detroit.

Mr. and Mrs. James Maynard and children from Norwayne were dinner guests Monday evening of Mrs. Maynard's mother, Mrs. Herman Schult, on Shadyside.

Mrs. M. E. Ault of Mayfield Ave. returned home Monday evening from a two and one-half week stay with relatives in Ohio.

Robert Hunter of Detroit was a Sunday afternoon guest of Mr. and Mrs. Forrest Ault on Hubbard.

Cecil Willet of Mayfield Ave. arrived home from northern Michigan with his deer Sunday night.

Mr. and Mrs. Austin Ault of Brentwood Ave. report that their daughter, Mrs. Loren Read, and her husband of South Lyon, have returned from a successful deer hunting trip in northern Michigan.

Mrs. Edward Brugman of Norwayne visited with her mother, Mrs. Grace Simpson, on Mayfield Wednesday morning.

Mrs. John Varhol and her son, Richard, of Shadyside Ave. spent Tuesday in Detroit.

Mrs. O. R. Ault and daughter, Shirley, were Detroit visitors on Tuesday.

Mrs. Amos Walters of Hubbard Ave. is convalescing from surgery underwent last Sunday.

Mrs. Carrie Rowe of Detroit was a Sunday guest of Mr. and Mrs. Austin Ault on Brentwood.

Mr. and Mrs. Clinton Ault of Thirteen Mile Rd. called in the neighborhood last Tuesday.

Freda Ault of Shadyside Ave. visited Mrs. Charles Haas near Redford Tuesday afternoon.

Mrs. V. C. Reddy of Shadyside Ave. spent Thursday in Detroit.

Mr. and Mrs. William Spencer of Norwayne were last Sunday guests of Mrs. Spencer's parents, Mr. and Mrs. Gordon Vance on Mayfield.

Mr. and Mrs. Robert Lang of Mayfield Ave. were called to Gaylord last Monday to visit at the bedside of Mrs. Lang's father, William Richardson, who underwent surgery at the local hospital. However, Mr. Richardson, who is a former Mayfield Ave. resident, is now believed to be out of danger. The Langs returned home Tuesday.

Mrs. Stanley Chavey of Mayfield Ave. has been on the sick list for several days.

Mrs. Charles Armstrong of Mayfield Ave. spent Wednesday in Detroit.

Ira J. Wagner, who underwent surgery at Harper Hospital recently, was discharged Wednesday and is convalescing at his home on Shadyside Ave.

News Items Taken From the Files of the Record

One Year Ago: Members of the senior cast rehearse their play "January Thaw", for production Dec. 13 at the high school. Picture above (left to right, standing) are: Mary Jean Woodruff, Fred Weihe, Stan Dahlager, Ted Masters, Cece Bloom, Howie Meyer, Judy Sechlin, and (seated) C. Ely.

ONE YEAR AGO:

R. W. Bingley was elected as president of the Northville Exchange Club. Other officers elected were Bruce Turnbull, vice-president; D. J. Stark, second vice president; Merritt F. Meaker, secretary, and C. Harold Bloom, treasurer.

Northville Lodge F. & A. M. No. 186 planned installation of officers Dec. 17. Dale Martell was named Worshipful Master.

The annual performance of "The Messiah" by the Community Chorus, under the direction of Leslie G. Lee, was planned for Dec. 23. Rehearsals have been in progress for several weeks.

Members of the Optimist Club furnished man hours and labor to level and bank an ice pond for use by village children.

FIVE YEARS AGO:

The Northville Mustangs topped the Brighton basketball team

41 to 22 in the opening game of the season.

Mrs. Hans Tetzlaff, a German refugee, and her family of four children, arrived recently directly from a refugee camp in Copenhagen, Denmark. The family is living temporarily at the home of the Alfred Glasers with the hope that a home may be built for them later.

TEN YEARS AGO:

With brief but appropriate ceremony the employees of Northville Ford Valve plant were presented with the coveted Bull's Eye flag on the anniversary of Pearl Harbor.

Harry Porter left for Great Lakes Naval Training station, having enlisted in the Navy.

Funeral services for Rev. Howard Chapman, pastor of Northville Baptist Church, were held. Julius Nagy, spent three days with his parents, Mr. and Mrs. Michael Nagy, of Baseline Rd., on

furlough from duty aboard a destroyer.

E. C. Mollema of the high school faculty spoke before the Rotary Club on the history and development of tools.

Mr. and Mrs. Leslie G. Lee, Mr. and Mrs. Sherill Ambler and Miss Jean Cole attended the annual Christmas concert of the Michigan State Normal College choir. In the choir at the time were three Northville girls: Evelyn Ambler, Mary Louise Boyden and Edith Farley.

Mrs. Charles F. Murphy was honored at the American Legion Auxiliary banquet as the first Michigan American Legion Auxiliary president.

The Harvey Cole house on First St. was destroyed by fire.

Floyd Salow and his wife were

Girl Scouts Sign for Winter Swimming

The Girl Scout swimming program is again underway, according to an announcement made by Mrs. W. E. McCarthy, scout publicity chairman. To date forty girls are scheduled to participate in classes which are divided into two sessions of 45 minutes each. The swims are held each Tuesday at the Wayne County Training School pool with a twenty-five cent charge each time. The girls leave the Scout Building at 4:30 and 5:15 p.m. with transportation furnished by scout leaders or by mothers of scouts who have volunteered to help in this way. Mrs. Richard Kay, transportation chairman, says that this is an opportunity for women to help in a scouting activity who are unable to serve in a leader capacity.

Mrs. Russell Clarke, organization chairman, who has been trying to obtain leaders and co-leaders necessary for the fifteen troops announced that all but

three troops now have trained leadership.

The annual meeting of the Northville Girl Scout Council will be held Jan. 13, 1953, at which time new officers will be elected to serve for a two-year term.

New Ignition Points Developed by Ford

New type ignition points, with twice the life of the old, have been developed by Ford Motor Company's engineering staff for use in company engine products.

The longer-life breaker point has a small hole in its tungsten contact disk.

This hole serves to ventilate and cool the contact surface, and prevents the transfer of melted metal from one point to another. It also permits any accumulation of foreign matter at the contact to be blown free.

Sunday visitors at the home of their mother, Mrs. Carl Salow

Freddie Casterline brought a bunch of violets picked in his own back yard, to the Record office.

THIRTY-FIVE YEARS AGO:

F. P. Summers and son, Arthur, were at Camp Custer to visit George, who was on duty during their entire stay. They manager to have only a few minutes visit with him.

Charles D. Lanning returned to duty on the U.S.S. Michigan after a visit with his family here.
