Northville, Michigan, Thursday, January 15, 1953

\$2.50 Per Year in Advance

for the Record

by G. H. C.

Walter L. Couse's explanation in the Record last week of the basic conception of a community building to serve the entire Northville area and the Northville schools, and his plan that its cost be underwritten jointly by the Village, the School District, and the Township, clears up a widespread misconception that the entire cost would fall upon the Villagers alone. Not only does the financing plan suggested by Mr. Couse make sense; it also indicates the steps which should be taken to get the project out of the talking stage, where it has been for seven or eight years, and

Word was received from the National Production Authority in Washington this week that plans for construction of a Northville Community Building have been approved, and the materials for its construction will be made available during the second quarter this year.

on the road to becoming an actuality rather than a dream.

Mr. Couse points out two basic facts. One is that the Northville schools are faced with the necessity of erecting a new building in the near future to keep abreast of the growing population of the School District. The other that there is need for a community center (building) to serve not only Northville, but the Township and the School District as well.

Present plans for such a community center have been drawn with the objective of building a structure that will eliminate the need for a new school at this time and provide for the social needs of the larger community of which the schools and the Village are a part. Such a building can be built even now for no more than the cost of the new high school building that must be built shortly, Mr. Couse states.

If the desirability of a building that can jointly serve the social needs of the Northville community and the needs of the Northville school system is admitted, there are two things that must be done prior to starting construction. First, its cost must be determined. Second, agreement must be reached between the Village, the School District and the Township, on what portion of its cost each is to bear, and how each is to provide its share of this cost.

At the request of the Village Commission early last year, Mr. Couse's firm provided several cost estimates encompassing certain features for the community center. These can be modified, or enlarged, depending upon the final decision as to what kind of a building is needed.

Crux of the matter is the lamentable fact that up to this time there is no active sponsorship of the program, to work between the Village Commission, the School Board and the Township Board to bring about agreement between these three agencies. Without such agreement, the proposal will never get beyond the talking stage.

There are many high caliber men and women in this area who would gladly give their time and effort to working out a sensible approach to the over-all program if they were asked to do so. The Record believes that it is the responsibility of the Village Commission, the School Board and the Township Board to take the initiative. A small committee could be set up first, with one member from each of these bodies. This committee could invite other responsible men and women to become members, and within a few weeks at the most could work out a feasible program for approval of residents of the area.

We hope the Village Commission (Continued on Back Page)

Exams to Begin for High School Students Jan. 20

End-of-semester examinations for Northville High and Junior High School students will begin Tuesday, Jan. 20 and continue through Jan. 21 and 22, said Principal Elroy V. Ellison this week.

There will be four sessions each day, each to last one and a half hours.

Students will be on their regularly scheduled runs, although students who do not have examinations during certain sessions are not required to attend school. If they do attend, said Mr. Ellison, they must stay in the study hall and out of the hallways to maintain quiet.

CHANGE IN SYSTEM

The change in the examination system has been made for two primary reasons: to approximate the type of exams given in colleges and universities, and to drive home the point that the exams cover the entire semester's work, and are not merely a review which might not be taken seriously by students.

Examinations will end Thursday noon. It will be possible at that time for students who have missed quizzes for illness or other reasons to make them up. Complete exam schedules will be posted in all rooms. The seventh grade will not attend school Tuesday.

Kindergarten through sixth grade classes are not affected by the exams. They will continue as usual.

CLASS CHANGES

Complete student changes will be made in Economics, American Government, World Problems, Sociology, Driver Training and Accelerated Reading, all of which are one-semester courses.

Teachers will be on hand this week and next for registration and schedule changes, said Mr. Ellison. Jan. 23 will be devoted to making out report cards, checking exams and getting records in order. The report cards will go home to parents on Monday, Jan. 26.

Burroughs Names Niemi Manager

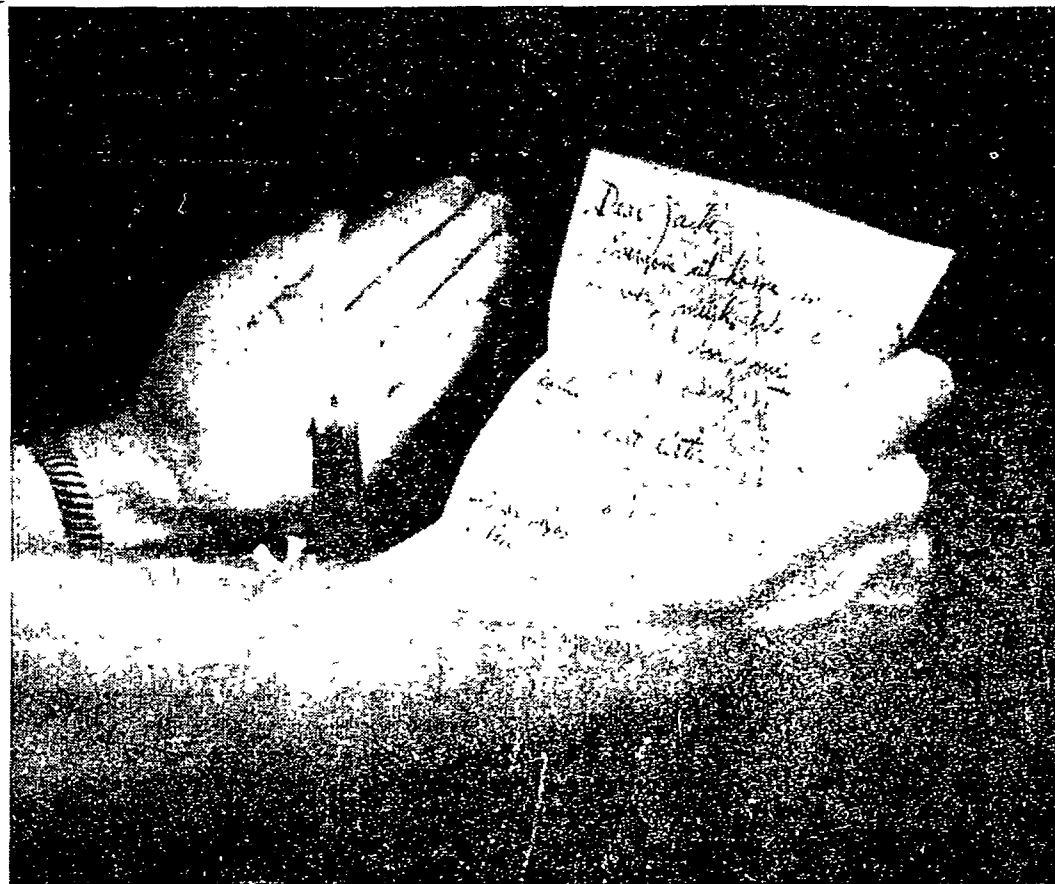

Robert A. Niemi

Robert A. Niemi of 48540 Northview, Northville, has been named plant manager of all the Burroughs Adding Machine Co. plants in Plymouth, according to an announcement by William J. Delahanty, vice president in charge of manufacturing.

A second managerial appointment named Eber J. Readman, of Plymouth, as assistant plant manager at Plymouth under Mr. Niemi.

Mr. Niemi, 37, joined Burroughs as a tool and die maker in 1942. He has since held the positions of sub-foreman, assistant foreman, foreman, division superintendent and the post from which he was promoted, director of industrial engineering. He succeeds Frank Bentzel, who has been named general superintendent of Sensimatic machine assembly and adjustment.

Mr. Niemi's previous post as director of industrial engineering is now held by Fred Zimmerman.

The photograph above was taken to illustrate the situation in which G.I.'s in Korea find themselves. Candles—ordinary, simple candles—are important to infantrymen because they are the only source of light for otherwise dark bunkers near the front lines.

Mothers Club in March on Polio

Mothers of Northville will march on polio in a drive which will serve as a concluding punch in the March of Dimes campaign Jan. 29 from 7 to 8 p.m.

Persons willing to donate will leave their porch lights burning that night and members of the Mothers Club will make personal visits. Each member will cover a city block.

MRS. BIERY CHAIRMAN

Mrs. Eldon Biery is chairman of the drive-within-a-drive, and Mrs. Hugh Godfrey and Mrs. Clifford Rollings are co-chairmen.

Half of the amount collected remains in Wayne County; the remainder goes to the National Epidemic fund of the National Foundation for Infantile Paralysis.

Cannisters in the form of an iron lung have been placed in most business and public places for public donations, said Dimes Chairman Leland V. Smith, and the schools, as in the past, are cooperating with a drive among students and teachers.

Several of the cannisters have gone to clubs and organizations for solicitation, with good success.

Blue Star Mothers Install Officers

Mrs. Myrza Ward was installed as new president of the Novi Chapter of the Blue Star Mothers at a service Monday evening. She replaces Mrs. Mary Ginstie, who had served for two years. Mrs. Ward was installed by past-president Lanny Rix.

Other officers of the chapter are Mrs. Elva Pennell, Sr., vice-president; Mrs. Ruth LaPlante, recording secretary; Mrs. Gerlie Lee, treasurer; Mrs. Lanny Rix, financial secretary and historian; Mrs. Viola Lamontagne, chaplain; Mrs. Marge Sharkins, flag bearer; Mrs. Thyra Gardella, patriotic instructor.

Announced officers are Mrs. Lottie Race, hospital chairman, with Mrs. Grace Walden as assistant, and Mrs. Alma Klaserne, Americanism chairman.

D. J. Stark Is New Exchange President

D. J. Stark is the new president of the Northville Exchange Club. He received the gavel of authority from outgoing president Bruce Turnbull at the club's meeting Wednesday noon, Jan. 7.

Other officers taking over club duties are George Sinclair, vice-president; Don Merritt, second vice-president; Meritt Meaker, secretary; Harold Bloom, treasurer; Joe Zrancik, sergeant-at-arms, and George Miller, assistant sergeant-at-arms.

Candles Badly Needed by Soldiers in Korea

How much is a candle worth?

That all depends, doesn't it? If you want them for a birthday cake, the little inexpensive ones are fine. If you're a housewife-turned-hostess who wants to decorate the table, you'll pay a little more.

But if you're an infantryman in Korea, a candle usually means the difference between having light in your bunker, or sitting in the pitch blackness. The difference between pulling out and re-reading a treasured letter from home or having to wait until the sun comes up to furnish light.

This was explained to us at the Record by Pvt. Francis Kearney, who returned Jan. 6 from nine months in Korea with the 40th Infantry Division. He came in to ask if there were some way to collect candles to send to the G.I.'s he had just left.

SHIPS CRATE OF CANDLES

Pvt. Kearney shipped a crate of candles to his buddies when he got to Japan on his way home. Home is with his mother, Mrs. Francis Kearney at 148 E. Main. Air mail postage the short distance from Japan to Korea was \$3.00.

"The boys on the line come back to the Little R & R (rest and recuperation) center four at a time for a shower, good hot meals and a short rest," Pvt. Kearney said. "That means they get to a rear area about once a month. When they go forward again, they try to find a few candles to make light in their bunkers to read by."

Pvt. Kearney showed a letter from his former Chaplain, Capt. Emil F. Kapusta. The letter, written to former members of the division, urged them to help provide candles. "There are some men who never see light in their bunkers, and this is no exaggeration. If the men to whom you send the candles cannot use them, someone else will," Capt. Kapusta's letter said.

VILLAGERS GENEROUS

The Record staff assured Pvt. Kearney that villagers would probably respond to the plea for candles in the same way they've responded in the past—generously.

What's needed, then, are the candles themselves, at least six inches high, wrapped securely for safe mailing, and a few coins to cover postage. They should be addressed to Capt. Emil Kapusta Headquarters 223rd Infantry Regiment, 40th Infantry Division APO 6, San Francisco, Calif.

The American Legion Lloyd H. Green Post 147 has offered Veterans Memorial Hall at Dunlap and Center, as a collection point and Commander Conrad Springer offered whatever help is needed in mailing the candles. Seven Tenth District Commander Oscar

Hammond promised an immediate letter to "The Michigan Legionnaire", the Legion's official publication in the state, to seek more help, possibly on a statewide basis.

Class in Square Dancing Offered

Here's a chance for beginners to learn square dancing with a class for those new at the popular form of dancing, and for advanced dancers.

The Plymouth Recreation Department and the Plymouth Square Dancing Club are welcoming Northville area people to join a class for novices which will meet twice a month.

Dances will be held for advanced dancers and beginners in the Bird School gymnasium at Ann Arbor Trail and Sheldon Rd. in Plymouth on alternate Thursday nights.

Beginners will be in a practice class with an instructor. Practice classes are scheduled to meet Jan. 22, Feb. 5 and 19, March 5 and 19, April 23, and May 7 and 21 from 8 to 10:30 p.m.

The advanced group, for dancers familiar with this type of dancing, will meet Jan. 15 and 29, Feb. 12 and 26, March 12 and 26, April 23, and May 7 and 21 from 8 to 11 p.m.

Instructor-leaders will be Mr. and Mrs. Robert Carson, of Plymouth.

For further information, phone the Plymouth Recreation Department, Plymouth 895, or Plymouth 484-J.

Mustangs Swamp South Lyon, 67-40

The Northville Mustangs had an easy time with the South Lyon High School basketball team Tuesday night, winning 67 to 40 in an unscheduled game moved up from Feb. 5 because of a schedule conflict.

Northville had beaten South Lyon once before this season, 69 to 55.

Glenn Howarth was high scorer with 16 points on eight field goals. Lamar Nally and Gerry Graham got ten points each; Bruce Felke added nine; Dick Somers, seven; Nash and Gary Hix, six each. Al Iveseen, two, and Walter Newton, one.

The Mustangs will play Clarenceville, there, Friday night, Jan. 16, and Plymouth will come to Northville Wednesday night, Jan. 21 for a return game. Northville got past the Rocks in the season's opening game in the new Plymouth gym, 42 to 37.

Detroit Edison to Celebrate Birthday With Open House

Residents of the Northville area have been invited to attend an open house and birthday cake-cutting ceremony in observance of Detroit Edison's golden anniversary.

The birthday celebration will be held at the Northville Edison office, corner of North Center and Dunlap streets, from 9 a.m. to 5 p.m. Friday, Jan. 16, simultaneously with other celebrations in all of Detroit Edison's branch offices.

WAGENSCHUTZ HOST

Harry F. Wagenschutz, local office manager, will be host at the cake-cutting ceremony at 11 a.m. and other Northville officials, including Village President Conrad E. Langfield, Township Supervisor Mollie Lawrence, will participate. Mr. Wagenschutz said Harry Wolfe, council president of the City of Livonia, and Livonia Mayor Jesse Ziegler, have also been invited.

Coffee and cake will be served to all adult visitors during the day, and balloons and candy suckers will be given to children.

TV PROGRAM

The opening event in observance of the company's golden anniversary will be a half-hour (Continued on Back Page)

PTA to Sponsor Film 'Angry Boy'

A PTA-sponsored program of community-wide interest will be held Thursday evening, Jan. 22, when the movie "Angry Boy" will be shown at the Grade School lunchroom at 8 o'clock.

Dr. Philip N. Brown, medical superintendent at Northville State Hospital, has been asked to lead a discussion of the film following its presentation.

The film is sponsored by the Michigan Department of Mental Health, and is considered one of the best approaches to a family discussion of sound mental health. It's the story of a ten-year old boy, his home situation and the work of a children's center. Dr. Brown was instrumental in the filming of the picture.

Marshall Huff, PTA president, will have charge of the meeting. Refreshments will be served by Third Grade room mothers.

Salem Township Square Dance to Aid March of Dimes

The March of Dimes drive in Salem Township will get a final lift on Jan. 31 when proceeds from a public square dance will be donated to the polio fund.

Max Scheel will be caller for square dancing at the Salem Community Building, said Mrs. William F. Benjamin, who is Township Chairman in the drive.

All residents of the area are urged to attend the dance, which will augment funds received through normal channels and solicitations in the month-long campaign.

Late this month, Mrs. Benjamin said, everyone in Salem township will be asked to leave their porch lights burning and March of Dimes workers will visit homes in a personal solicitation drive in which residents may give what they wish to the polio fund.

Town Meeting to Air City-Village Question

The Northville Retail Merchants Association voted Monday night to sponsor a public meeting to air the pros and cons of changing Northville from a village to a city.

The city group, which favors the change, and the Township Improvement Association, which opposes the change, will be asked to present their arguments at the meeting, which will be conducted as a public service.

The time and date of the meeting will be announced later when Nelson C. Schrader, Jr., chairman, can arrange a date satisfactory to both the city and township groups.

Schools Briefly Out of Debt But Must Borrow Again Soon

The Northville School system is temporarily out of debt, but only for two or three weeks.

It got out of the red when Township Treasurer Roy Terrill turned over enough money from tax collections to pay off three notes, each for \$9,999, (\$30,086, with interest) which the school board had borrowed in November and December to meet its bills.

There's even money in the schools' coffers to meet the Jan. 15 payroll, but there will be a little delay in paying the approximately three thousand dollars in outstanding bills.

Public Hearing on New Trailer Code

A proposed new trailer ordinance for the Village of Northville will be given a public hearing at the Village Commission meeting Monday night, Jan. 19 at the Village Hall before the commission considers its passage.

The new ordinance considers only individual automobile trailers and does not include trailer parks such as the one located at the end of South Center St. near Northville Downs. Trailer parks are covered by a separate ordinance.

Village Attorney James E. Littell and members of the Commission have worked on the ordinance at several commission meetings and came up with the draft of the proposed ordinance at its last session Jan. 5.

The proposed new ordinance is printed on page nine of this issue of the Record so it may be studied by villagers prior to the meeting Monday. Anyone wishing to comment on, or object to provisions of the ordinance will be given a hearing at the meeting.

'Who's Who' Lists William Stanford

William W. Stanford has been named to the 1952-53 edition of "Who's Who Among Students in American Universities and Colleges". He attended Ferris Institute at Big Rapids.

He has completed his work in pharmacy at the Institute and now awaits his State Board examination next month. While he waits, he is working at the White Lake, (Mich.) Pharmacy owned by Harry Porter, who was formerly employed at Northville Drug Co., Northville.

Mr. and Mrs. Stanford are living in Farmington at Eight Mile and Middlebelt Roads. He is the son of Mr. and Mrs. Frank Stanford of Dubuque St.

Polio Proclamation

WHEREAS, the year 1952 witnessed the worst nationwide epidemic of infantile paralysis in all recorded history wherein more than 55,000 unfortunate children and adults were stricken, and,

WHEREAS, this was the fifth consecutive year of unprecedented high polio incidence, demonstrating that no city or town in our great nation can be secure against polio, and,

WHEREAS, the National Foundation for Infantile Paralysis assures help for all victims of this disease needing assistance and has never failed in channeling emergency equipment, personnel and monies to those areas stricken by polio's cruel force, and,

WHEREAS, the monies collected by the March of Dimes of the National Foundation for Infantile Paralysis have been exhausted in caring for those stricken in earlier years and those felled last year during the longest and worst polio epidemic period ever known to man, and,

WHEREAS, the only hope for continuing epidemic service, extensive programs of patient care

What will happen from here on is anybody's guess. There's a fair possibility that the schools can remain open to the end of their 180 day schedule, with about a \$30,000 deficit at the end of the school year. "The school board will do everything humanly possible to keep the schools open for the full schedule," Superintendent Russell H. Amerman said.

\$135,000 DUE

Approximately \$135,000 in State aid is due to the Northville School district, to be paid in three installments, but the State is practically broke. Superintendent Russell H. Amerman said that about three-eighths of the first installment will probably be forthcoming, but that the schools will have to borrow again to meet expenses.

Petition for Michigan schools to borrow against State aid was granted by a special session of the Michigan Legislature in December, but schools may borrow only up to 70 percent of the amount due them at any one time.

COULD LOSE STATE AID

A sad possibility is that if Northville schools aren't able to stay open the full 180 days required by the State, they may be disqualified from receiving State aid next year.

Chances are, said Mr. Amerman, that Northville schools won't have to borrow more than \$30,000 to get through the year. In order to borrow, the Michigan Department of Public Instruction must certify the amount the schools can borrow; then a borrowing application must be approved by the Municipal Finance Commission in Lansing.

"Many schools," said Mr. Amerman, "are very hard hit and must borrow huge sums. Our debts will be smaller than most, and Depositors State Bank has been very cooperative in lending to us."

Another complication which could nudge Northville schools further into the red is that school districts which send tuition students to Northville depend in part—some almost entirely—on State aid to furnish the tuition. About \$25,000 is outstanding right now, due April 1. "We're counting on that money to get through the school year," Mr. Amerman said.

\$83,599 of Township Taxes Collected

Northville Township Treasurer Roy M. Terrill said Monday that tax collections as of Jan. 12 have totaled \$83,599. The complete tax roll is \$142,699.

Deadline on payment of the tax is Feb. 28, 1953. Mr. Terrill is at Depositors State Bank every Tuesday and Friday during banking hours.

Rolling Down The River

by the PETZ BROS.

Now this happens to be a story we should have told a long time ago, somewhere about the last election. But how can we tell them, if you take such a long time getting around to us. A certain speaker was boring his small audience with a mass of trivia and finally came to a portion of his speech where he, or his writers, had decided a bit of reiteration would do the hoped for job. "We need," he declaimed, "government reform. We need social reform. We need educational reform. In fact, what we all need is..." As he paused for extra emphasis, a bored voice from the audience supplied, "chloroform!"

Well, that's the way things go and chloroform is something we never have to use around this Studebaker sales mart, once we get you into the car for an actual demonstration. If you get behind the wheel, you're sold. It's as simple as that. All that surging power, ease of handling and riding comfort, add up to: Studebaker's the car for you! Of course, if you're afraid that some one will "fast talk" you into buying something you don't want, don't let that stop you from coming in. We've enough faith in the car to let you drive it all by yourself. We'll sit here at the desk and wait for you to drop around with a bit of cash to take the car from us. Why not try it?

Fellow we know got a wire recorder for Christmas. As he happens to be an "after dinner" speaker, sort of in demand, he promptly tried out the device by recording a scheduled speech. The last we heard, he was sort of figuring on giving up the jacket. Seems he fell asleep when half way through his own talk.

Maybe it's a good thing we never bother to reread this column of ours, but leave any corrections for the proof-reader. With things the way they are, we might fall asleep ourselves and never get around to telling you of all the wonderful services you can find in this shop of ours. Be a good thing for that car of yours if you avail yourself of a couple right now, such as getting the doggone car greased, changing the oil, having the motor tuned, and if your car needs a bit of undercoating, have it done before the city goes on a "rock salt spreading" campaign.

That's that, but it does pay to tell some one else your troubles. You get so mad when they don't listen, you forget all about them.

Yours,

BILL and WILL PETZ.

News From Novi

Mrs. Luther Rix

Phone Northville 245-J

Lester Ward, who has been in the service for the past two years, has received his discharge and is now home to stay. He and his family will move into their house on Novi Rd as soon as remodeling is completed.

Mr. and Mrs. Alfred Gow were hosts to the members of their pinocle club at their home Saturday evening. Mr. and Mrs. Tewkesbury, of Plymouth, won the first prizes.

Mr. and Mrs. Geo. Kahrl and Mr. and Mrs. Floyd Darling and daughter, Lorraine, and son, Tommy, attended the wedding of a relative in Plymouth Saturday evening.

A good crowd turned out for square dancing at the community building Saturday night.

Proceeds from the sale of magazines at the school has netted the children around \$100.00 with which they have purchased a ping pong table and new books for the library.

The Novi Basketball team, seventh and eighth grades, played the Northville team at the Novi gym Monday night. The game scheduled for Friday, Jan. 9, with New Hudson, has been postponed.

Phillip Simenton is a new pupil in the third grade at Novi school. He came from Berkley.

Mr. and Mrs. Harold Miller returned home Monday after spending two weeks in California with the latter's sister, near San Francisco. They made the trip by plane.

Vincent Harrison, of Carleton, visited his mother, Mrs. C. B. Harrison on Sunday.

Warren Rice, Jr., of Pontiac,

called on his grandmother, Mrs. Charles Perry, on Sunday, while on his way to Michigan State College in East Lansing.

Mrs. Walter Edelmann, Mrs. Leo Harwood and Mrs. John Klaserer were hostesses at the Family Night supper at the Methodist church Tuesday evening.

Mr. and Mrs. Russell Butten, showed a travelogue for the evening's entertainment.

Next Wednesday evening, Jan. 21, the W.S.C.S. will meet at the Novi Methodist church.

Mrs. Frank Lees and Mrs. Andrew McCollum are on the committee. Come prepared to sew on cancer pads.

Mr. and Mrs. David O'Leary and son Randy, and Mrs. Lee Largent, of New Hudson, and Mr. and Mrs. Luther Rix were the Sunday evening dinner guests of Mr. and Mrs. Edward Rix in Plymouth. The occasion was a birthday celebration for Mrs. O'Leary, whose birthday occurs on Thursday.

George Hines, formerly of Eleven Mile Road West, now living at Largo Beach, Florida, was in Michigan for a few days last week on business.

Mr. and Mrs. Richard Ramsey are the parents of a daughter, Christine Ann, born Jan. 7 at St. Joseph Hospital in Pontiac.

Weight, 7 lbs. and 10 oz. Mr. and Mrs. Arthur Ramsey, of Wixom, are the paternal grandparents and Mr. and Mrs. Russell Cudler are the maternal grandparents.

Mrs. Dorothy Mae Roberts, of Clearwater Beach, Florida, spent a few days with friends in Novi.

The Novi Chapter of the Blue Star Mothers met at the school Monday evening. Past President Mary Ginte was hostess for the evening, serving a lunch at the close of the meeting.

She also presented each of her retiring officers with a gift of appreciation.

Past President Lanny Rix installed the following officers: Myrta Ward, president; Elva Pennell, Sr. vice-president; Ruth La Plante, recording secretary; Gertie Lee, treasurer; Lanny Rix, financial secretary and historian; chaplain, Viola Lamontagne; flag bearer, Marge Sharbins, and Thyrta Gardent; Elva Pennell, Sr. vice-president; Elva Pennell, Sr. vice-president; Ruth La Plante, recording secretary; Gertie Lee, treasurer; Lanny Rix, financial secretary and historian; chaplain, Viola Lamontagne; flag bearer, Marge Sharbins, and Thyrta Gardent.

The Mothers had one guest, Mrs. Frank Lees, a potential Blue Star Mother. The February meeting will be held at the home of Mrs. L. C. Rix on First St.

The Rebekahs were invited to the affair and Sister Irene Staman was pianist for the floor work.

The summary for Northville:

Novi Lodge News

The Novi Independent Rebekah Club met at the hall Wednesday last week. Sisters Lillian Trickey and Irene Staman were hostesses for the noon luncheon. The program for the day was the business meeting and work on cancer pads.

Novi Rebekah Lodge No. 482 met in regular session last Thursday night Jan. 8. A feature of the evening was the annual report of committees and qualification of the Noble Grand and Vice Grand-elect. The installation of officers for the coming year will take place on Saturday evening, Jan. 17 at a special meeting.

Seven members of Lakeside I.O.O.F. Lodge attended "Visitation" at Little City Lodge in South Lyon last Friday night.

Installation

A cooperative supper served by the regular lodge session and installation of officers of Lakeside I.O.O.F. Lodge No. 487 at Novi on Monday evening, Jan. 5.

District Deputy President Ed Branch, Deputy Grand Marshall Erwin Martin, Deputy Grand Secretary James Mitchell, Deputy Grand Warden L. J. Putnam, Deputy Grand Treasurer George Atkinson and Deputy Grand Chaplain Roy Marshall were the installing staff.

The following officers were installed: Noble Grand, Fred Dumka; Vice Grand, Gail Enders; Secretary, Ray Eno; Financial Secretary, Hadley Bachert; Treasurer, James Frisbie; Warden, L. J. Putnam; Conductor, Russell Butten; Chaplain, Don Knodde; Right Supported of Noble Grand, Frank Martin; Left Supported of Noble Grand, Harry Watson; Right Supporter of Vice Grand, Roy Marshall; Left Supporter of Vice Grand, Glen Salow, Sr.; Inside Guardian, Erwin Martin; Outside Guardian, E. C. Copeman; Right Scene Supporter, Wolf Bean; Left Scene Supporter, Earl Holmes; Finance Committee: Glen Salow, Jr., William Mairs and Roy Marshall.

The Rebekahs were invited to the affair and Sister Irene Staman was pianist for the floor work.

Mustangs Have Little Trouble With Holly, 62-45

After piling up a 17 to 8 first quarter advantage, the Northville Mustangs coasted along to defeat the Holly High School basketball team 62 to 45 last Friday night at the Northville gymnasium.

The Broncos pulled up to within six to ten points in the second and third quarters, but could never muster enough baskets and free throws to seriously endanger the Northville lead.

KILL RALLY
Holly moved to within five points of the Mustangs midway in the final period, but a field goal by Glenn Howarth in the midst of a seven-point spurge by Dick Somers spread the gap to insure victory.

With a substitute team in for Northville, Bruce Felker hit the hoop twice for four points to put the lid on the game.

HOWARTH HIGH

Glenn Howarth made the scoreboard change more often than anyone else during the evening. His seven field goals and four free throws gave his team 18 points and placed him on top of the scoring list. Dick Somers was next high with 15 counters and Ed Nash got ten points.

Earl Garner led Holly scores with 11 points on four baskets and three foul shots.

Contrary to previous games, the Mustangs did most of their scoring on court shots, getting only eight points on free throws for an even 50 percent average. Holly hit on 13 of 26 tries for an identical half-and-half average.

CLUTTERED GAME

The game was, as usual on the Northville court, a cluttered and slightly ragged affair, with neither team having sufficient room to work plays or patterns. Most layup shots followed the pickup of loose balls or rebounds. Holly's two centers employed hook shots from pivot, and Northville had some success with a high, looping spot pass to Howarth under the backboard, but both teams were forced, generally, to rely on middle-court one-handed shots, a department in which Nash and Gerry Graham seemed to be at home.

The summary for Northville:

fg ft tp
Glenn Howarth 7 4 18

Dick Somers	6	8	15
Ed Nash	5	0	10
Gerry Graham	4	0	8
Lamar Nally	2	0	4
Bruce Felker	2	0	4

	27	8	62

Quarter Scores			
Northville	17	32	45
Holly	8	23	34

Colts Stop Holly Reserves 53 to 39

The Colts ran away from the Holly reserve basketball team Friday night to post a convincing 53 to 39 victory. They jumped into a 16 to 5 lead in the first period and spread the margin steadily to the game's end.

Coach Stan Johnson called the game the Colts' "best" so far this year, but added that the improving reserves still have plenty of room for improvement if they are to win the remaining games this season.

Darwin Teschka led the Mustangs in the points department, posting 16 on six field goals and four free throws. Joe Girardin

and Skip Maxwell got 12 each for the Northville quintet.			
The Northville summary:	fg	ft	tp
Teschka	6	4	16
Girardin	6	0	12
Maxwell	6	0	12
Rebitzke	3	1	7

New beauty, style and luxury for the National Stock-Car Champion*

Fabulous

1953 HUDSON HORNET

This year enjoy performance, safety and durability you've never known before

This year treat yourself to genuine driving fun in a fabulous 1953 Hudson Hornet, the car that won the Championship in all three stock-car racing associations last year.

You'll enjoy the new Coronation Interiors with deep, foam-rubber, nylon-upholstered cushions, and the smartest appointments ever seen in the motor world.

You will sense complete safety in your Hornet or Wasp because exclusive "step-down" design provides the lowest center of gravity among American

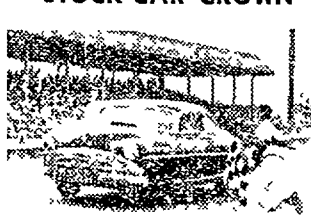

cars, for the most stable, most comfortable ride on the road.

And for flashing performance, just feel the deep-chested surge of Twin H-Power! Hudson's sensational multiple-fueling system that develops more power out of every drop of regular-grade gasoline. New Dual-Range Hydra-Matic Drive is available at extra cost on all 1953 Hudsons.

See us and try a Hudson Hornet or Wasp, the most exciting, and glamorous cars on the road!

(Optional at extra cost.)

*HUDSONS WIN TRIPLE STOCK-CAR CROWN

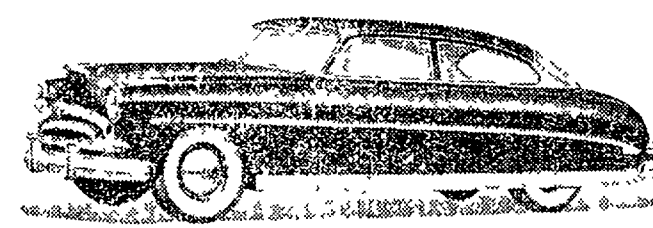

In 57 stock-car races held in 1952, Hudsons won 49 victories—and were named Champion in all three racing associations: AAA, NASCAR and PRA. Hudson now holds every national AAA record for stock-car competition!

FOR 1953, A SPECTACULAR NEW

HUDSON WASP

See the smart and spectacular new 1953 Hudson Wasp, lower-priced running mate of the Hudson Hornet. The Wasp, too, features new styling, new interiors and colors, plus Hudson's famous get-up-and-go.

Standard from and other specifications and accessories subject to change without notice

At a session of the Probate Court for said County of Wayne, held at the Probate Court Room in the City of Detroit, on the fifth day of January, in the year one thousand nine hundred and fifty-three.

Present Joseph A. Murphy, Judge of Probate.
In the Matter of the Estate of DAISY L. CARD, Deceased.
Daniel J. Stark, Executor of the last will and testament of said deceased, having rendered to this Court his first and final account in said matter and filed therewith his petition praying that the residue of said estate be assigned in accordance with the provisions of said last will.

It is ordered, That the Fifth day of February, next, at ten o'clock in the forenoon at said Court Room be appointed for examining said petition and account and hearing said petition.

And it is further Ordered That a copy of this order be published once in each week for three weeks consecutively previous to said time of hearing, in the Northville Record, a newspaper printed and circulated in said County of Wayne.

I do hereby certify that I have compared the foregoing copy with the original record thereof and have found the same to be a correct transcript of such original record.

Events of the Past in Northville
News Items Taken From the Files of the Record

ONE YEAR AGO—

Dr. L. W. Snow was re-elected president of the Northville Driving Club at a meeting of directors January 11. Other officers also re-elected were G. F. Taft, vice-president; Arthur Schnute, treasurer, and C. D. Hill, secretary.

Fred Harris, racing commissioner, announced that the 1952 harness racing season at Northville Downs was scheduled to begin June 9.

Fron Harris, Women's Editor and Publicity and Promotion director for radio station WWJ and WWJ-TV, was guest speaker at the January meeting of the Business and Professional Woman's Club.

Clifton D. Hill, attorney, discussed various aspects of the 1952 income tax law at the Jan. 15 meeting of the Northville Rotary Club.

Postal receipts at the Northville post office for the year 1951 showed a record gain of 17½ percent, according to Postmaster Leland V. Smith.

Mrs. Paul Schulz and the Rev. Dr. Harold F. Fredsell were two of the teachers at the six week's session of the Northwest School of Religion sponsored by the Detroit Council of Churches which was held at the Salem Evangelical and Reformed Church of Farmington.

A second floor addition to the commercial building on North Center St. was begun by the owners, E. E. and C. C. Boyd.

The annual Northville Hobby Show set for January 21-22 was planned to serve as a community welcome to newcomers and a Sportsman's Night.

At the January meeting of the Novi Board of Commerce, petitions to the Postmaster General were signed to establish a rural route out of Novi to serve its more than 200 rural patrons.

Agnes Drews, Pauline Staman, and Martha Morgan of Northville, three veteran women employees of the Phoenix regulator

One Year Ago: Police Chief Joseph Denon times the flames which quickly consumed three sweaters owned by villagers Fred Lahr and Russell Pemberton. One was destroyed in 45 seconds. More than a thousand sweaters of dangerous, quick-burning material had been peddled to residents of the Detroit area and were the objects of a thorough search by police.

plant were honored for 25 years of work for the Ford Motor Co.

Plans were near completion for the Legion Auxiliary presentation of the musical comedy, "Cornzapoppin'" slated for January 28 and 29 at the Northville High School auditorium.

TEN YEARS AGO—

Alton F. Peters, commander of the Lloyd H. Green Post, American Legion, sponsored a drive to collect hunting knives for the use of soldiers in hand-to-hand combat.

Donothy Orr, daughter of Mr. and Mrs. J. W. Orr of Seven Mile Road, was chosen to receive the annual D.A.R. award for good citizenship.

Plans were being completed for the Tenth Annual President's Ball at the high school gymnasium.

The Mustangs defeated the Holly team at Holly by the score of 26-22.
Floyd J. Chapman passed away at Sessions Hospital.
Mrs. Joseph Denton was elected president of the Garden Club.

TWENTY YEARS AGO—

Mr. and Mrs. J. Murphy were surprised by a group of their friends who came to help them celebrate their 40th wedding anniversary.

Mr. and Mrs. A. B. McCullough celebrated their 65th wedding anniversary.

THIRTY-FIVE YEARS AGO—

The Kings Daughters held their annual meeting at the home of Mrs. F. S. Neal. The following were elected to office: Mrs. Edna Savage, Mrs. Jessie Ponsford, Mrs. Rena Taft and Mrs. Mae Noble.

Conrad Langfield, who had been stationed in New York in the Medical Division, was transferred to Washington, D.C. to the Surgeon General's office.

Portrait

Portrait of a Child, the Houston Museum of Fine Arts favorite, is a wonderfully naturally little girl, painted by Madame Lebrun, who lived at the court of Louis XVI and did a score or more of portraits of Marie Antoinette.

Rathburn Displays 1953 Chevrolet

The 1953 Chevrolet line, expanded to include a third series of cars, made its first public appearance in Northville at Rathburn Chevrolet Sales on Plymouth Rd. Friday, Jan. 9.

For the 1953 market, bodies have been completely re-designed. All cars have increased power, with special emphasis on a new power train that includes a new engine and improved automatic transmission.

Features of the new cars range throughout the bodies and chassis, according to General Motors spokesmen.

Of major interest to the potential buyer is the new series, to be known as the Bel Air. The series includes two- and four-door sedans, a convertible and sports coupe, with a choice of 16 Fisher body types. Other passenger car series are designated as the "Two-Ten" and "One-Fifty."

A new 115-horsepower "Blue Flame" engine and a refined Powerglide automatic transmission re-engineered for greater operating economy and faster pickup. The standard engine also moves up to 108 horsepower, a gain of 17.4 percent over 1952.

Also making their debut with the Chevrolet line are power steering and the Autronic Eye, an electronic mechanism that automatically lowers headlamp beams for approaching cars.

STATION WAGONS

Three Chevrolet station wagons are listed: the Townsman (eight passenger in the "Two-Ten" series), and two called the "Handyman," (six passenger in the "Two-Ten" and "One-Fifty" series).

A fresh grille treatment enhances the effect of ruggedness in the new models. Three vertical "prop bars" decorate the center element while the outer rim of the grille encircles smart parking lamps. Headlamps are embedded in the front fenders with the crown being extended into a speedline along the side of the body. Rear fenders are longer, higher and narrower at the rear. Along the trailing edges are mounted lenses for turning, braking, backup and tail lights.

Call us promptly while carcass is fresh and sound.

Mr. and Mrs. George Berger of Detroit called on Mr. and Mrs. Cecil Willet on Mayfield Ave. last Sunday afternoon.

Pvt. Alfred Schult of Ft. Knox, Ky. paid a brief visit to the home of his mother, Mrs. Herman Schult, on Shady Side Ave. last Sunday.

A. D. Ahler of Detroit called on his uncle and aunt, Mr. and Mrs. E. W. Stange, on Mayfield Ave. last Sunday afternoon.

Miss Lauine Varhol of Shady Side Ave. was a guest last weekend of the Horace Gravelles in Brightmoor. Miss Judy Gravelle sent the week-end with the Varhols.

Mr. and Mrs. Austin Ault and

daughter and granddaughter, Mrs. Virginia Oman and Ruth Ann Oman, all of Brentwood Ave. were in attendance last Sunday afternoon at a birthday dinner tendered the Ault's youngest daughter, Mrs. Loren Read at her home in South Lyon. Nineteen persons, mostly relatives, were present at this very enjoyable affair. Among them were Mr. and Mrs. Kenneth Kirkwood, Miss Francis Bonar and Mr. James Smith, all well-known in this locality.

Mr. and Mrs. V. C. Reddy of Shady Side Ave. visited Mr. Ira Magnier in Harper Hospital, Detroit, last Sunday afternoon.

Mr. and Mrs. Russell Ault of Shady Side Ave. called on Mr. Ira Magnier Sunday and later spent the evening with Mr. and Mrs. Herman Keyser in Huntington Woods.

Mr. and Mrs. Clinton Ault of Thirteen Mile Rd. visited their sisters, the Misses Lora and Freda Ault, on Shady Side Ave. Tuesday afternoon.

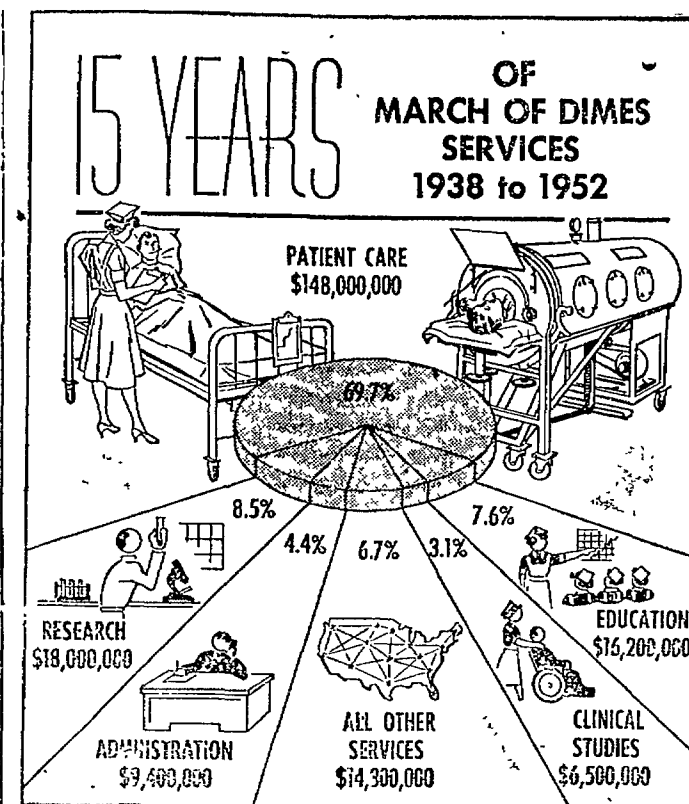

Mr. and Mrs. Charles Funk of Shady Side Ave. visited in Detroit Osteopathic Hospital Friday.

Neighborhood Sunshine Sisters held an interesting session in the Neighborhood Church last Wednesday afternoon. Prayer for the ill of the neighborhood was the most important feature of the meeting. Reports were made regarding activities of the holiday season. At the close cake and tea were served. The next get-together will be in the church Jan. 21, at 2 p.m.

Pvt. Bruce Bolyard of Hubbard Ave. arrived from Texas Monday to visit at the bedside of his mother, Mrs. Leslie Bolyard, who is ill in University Hospital, Ann Arbor. Friends are cheered by the news that Mrs. Bolyard's condition has improved slightly this week. Her son, Gerald, who is with our armed forces in Korea, will not be able to come home at this time.

Mrs. Henry McMillan of Detroit called on her sister-in-law, Mrs. V. C. Reddy, on Shady Side Ave., Tuesday.

Mrs. M. E. Ault of Mayfield Ave. and Mrs. A. R. Oldham of

Although more than two-thirds of March of Dimes funds go for care of patients meeting risk, the long-haul program of the National Foundation for Infantile Paralysis is the development of a polio preventive through research, professional education and clinical study. Last year it was shown that the blood fraction gamma globulin provided a degree of temporary protection against paralytic polio. However, a safe, effective polio vaccine for human beings is yet to be developed.

Farmington Rd. attended a meeting of their Rug Club held at the home of Mrs. Anna Pauline in Farmington Monday.

Several days of this week, Mrs. Ervin Bohlmer of Mayfield Ave. was a patient at Mt. Carmel Hospital. She was under observation and receiving treatments.

Mr. and Mrs. A. H. Smith of Windsor were recent dinner guests of the Stuart Shauflers on Farmington Rd.

Mrs. Harry S. Wolfe and Mrs. Clarke Bonar were visitors in Detroit Monday.

Mrs. John Stoughton of Woodring Ave. was a Detroit visitor Monday.

Mr. and Mrs. Francis Wagner of Westmore Ave. visited relatives in Wyandotte last Sunday.

Mr. and Mrs. Sofus Persson and daughter, Hazel, of Filmore Ave. attended a bridal shower in Warren last Saturday evening.

Guests at dinner recently given by the Wagners of Filmore Ave. included Mr. and Mrs. Eldred Robbins and their son, Mrs. Geo. Robbins, Mrs. Francis Greene, Mr. and Mrs. Raymond Hartman and children and Mr. and Mrs. Robert Deyer, all of Detroit.

A truck from the Goodwill In-

dustry in Detroit made its appearance in this locality for three or four days collecting discards in the area. They will be around again the first Monday in February.

Mrs. Dave Kelbert, who had been in Detroit Osteopathic Hospital nearly ten days, returned to her home on Hugo Friday.

The young son of Mr. and Mrs. Robert Diehle, from near Northville, spent Wednesday with his grandmother, Mrs. Robert Diehle, on Shady Side.

Sailor William Varhol of Shady Side Ave. expected to be in Cuba by the middle of this week.

Dale Graham of the Air Force, and who has been visiting his parents, Mr. and Mrs. Louis Graham on Mayfield Ave., since Christmas, is leaving this week for Great Lakes, Chicago, where he is to be stationed.

Coastguardsman Wayne Ault, son of Mr. and Mrs. Clinton Ault, wrote of Christmas and New Year's celebrations in Honolulu. Freda Ault of Shady Side Ave. called on Mr. and Mrs. Harper Hospital Thursday.

William Griffith of Dearborn called at the Edward Stange residence on Mayfield Wednesday.

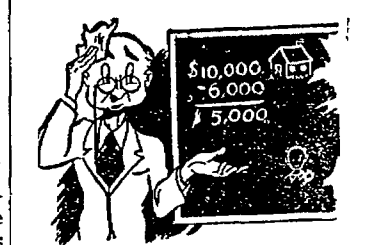

Mr. and Mrs. Rudolph Tanner of Detroit called on Mr. and Mrs. George W. Sandau on Hubbard Ave. last Sunday afternoon.

The Sandaus had the Ralph Moores of Seven Mile Rd. as New Year's Eve dinner guests. Another New Year's Eve party was that given by Mr. and Mrs. Louis Jennings, who entertained the Muirs, Reddys and Kelloggs at their home on Norfolk Ave.

Mr. and Mrs. George Throne of Ypsilanti were Friday evening guests of Mrs. Throne's parents, Mr. and Mrs. Austin Ault on Brentwood. They were accompanied home by their niece, Miss Ruth Ann Oman, who was to spend the week-end with them.

Considering weather conditions the turn-out at the Blood Bank at Bentley High School last Friday, was successful.

West Point Park folks report that since Livonia has its own post office, mail from Northville, Farmington, etc. is usually a day later than before.

Pvt. John Kulak With 7th Infantry

With the 7th Infantry in Korea, southern Okinawa until the island was secure. Pvt. Kulak was formerly stationed at Fort Riley, Kans. He was employed as purchasing agent by Evans Products Company in Plymouth before entering the Army in January of 1952.

Since making the amphibious landing at Inchon in the fall of 1950, the 7th has seen action in every sector of the Korean fighting.

World War II veterans will remember this same division joined in the assault landing on Okinawa in April 1945 and drove from the west to the east coast on the first day. It engaged in a savage 51-day battle in the hills of

Registration Notice

FOR

PRIMARY ELECTION

TO BE HELD

MONDAY, FEBRUARY 16, 1953

To the Qualified Electors of the Township of Northville, County of Wayne, Michigan:

Notice is hereby given that in conformity with the "Michigan Election Law", I, the undersigned Township Clerk, will upon any day, except Sunday, and a legal holiday, the day of any regular or special election or primary election, receive for registration the name of any legal voter in said Township not already registered who may apply to me personally for such registration. Registrations will be received at my residence, 430 E. Main Street, Northville, Michigan. Provided, however, that I can receive no names for registration during the time intervening between the 30th day before any regular, special, or official primary election and the day of such election.

Notice is hereby given that I will be at the Northville Village Hall on **SAT., JANUARY 17th and MON., JANUARY 19th**

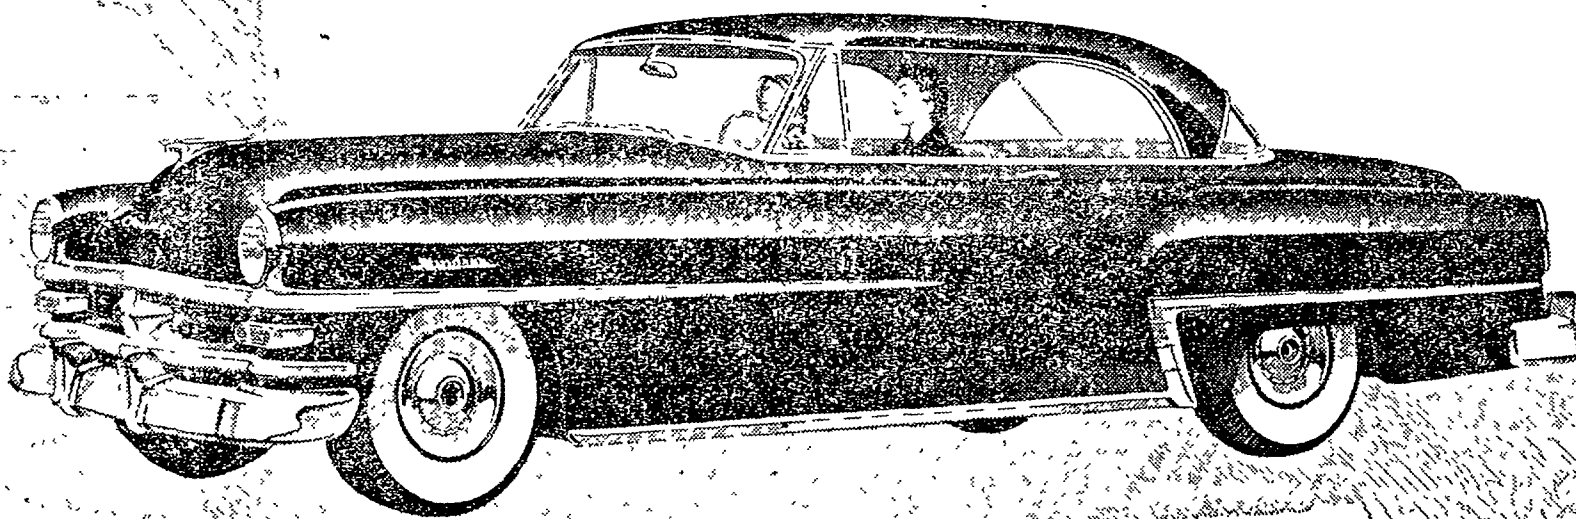

the last day of registration and the 30th day preceding said election from 8:00 o'clock a.m. until 8:00 o'clock p.m. on said days for the purpose of Reviewing the Registration and Registering such of the qualified electors in said Township as shall Properly Apply therefor.

TRANSFERS FROM ONE PRECINCT TO ANOTHER: Any registered elector may upon change of residence within the township or village cause his registration to be transferred to his new address by sending the clerk his signed request stating his present address, or by applying in person.

FRED W. LYKE, Township Clerk.

The MAN-SIZED car that

WOMEN love to drive

- No wonder! . . . it's a perfect sanctuary of steel. Big. Sturdy. Safe.
- No wonder! . . . it gives you the feeling all Chrysler owners feel: that of complete car control!
- No wonder! . . . its famous Spitfire engine will pull you out of any "tight spot" in a hurry!
- . . . its new-type shock absorbers swallow up the worst road bumps. Wouldn't waken a baby!

- . . . it gives you the option of Full-time Power Steering that turns and parks your car with the merest touch. Eliminating all "wheel fight"!
- No wonder! . . . it's so beautifully styled. A delight to look at, parked at your front door!
- Give your wife the fun of driving this new Chrysler. Don't deprive her any longer. Or yourself, either!

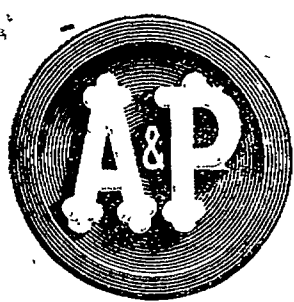

The beautiful

CHRYSLER WINDSOR - one of America's first family of fine cars!

Holy Communion, first Sunday
of each month.

CHRISTIAN SCIENCE CHURCH

When one has a true under-
standing of Life, he is able to
overcome much fear. This is
brought out in the Lesson-Ser-
mon entitled "Life" to be read in
all Christian Science churches on
Sunday, Jan. 18

The Golden Text is from Psalms
(16:5, 11): "The Lord is the por-
tion of mine inheritance and of
my cup; thou maintainest my
lot . . . Thou wilt show me the
path of life"

Among the Bible citations is
this passage, (Job 33:4): "The
Spirit of God hath made me, and
the breath of the Almighty hath
given me life."

Correlative passages from "Sci-
ence and Health with Key to the
Scriptures" by Mary Baker Eddy
include: "Whatever reflects Mind,
Life, Truth and Love, is spiri-
tually conceived and brought forth
but the statement that man is
conceived and evolved both spiri-
tually and materially, or by both
God and man, contradicts this
eternal truth." (P. 303).

SAT., JAN. 17
at 8:00 P. M.

Fourth Church of Christ,
Scientist

5240 West Chicago Blvd.
Detroit

ALL ARE WELCOME

Christian Science Lecture Jan. 17

Mr. Earl E. Simms of Austin,
Tex., will deliver a free Chris-
tian Science lecture entitled:
"Christian Science: The Science of

Mr. Earl E. Simms

Christianity" in Fourth Church of
Christ, Scientist, Detroit, on Sat-
urday, Jan. 17 at 8 o'clock.

In this lecture, Mr. Simms will
discuss the fact that Christianity
as a spiritual Science is entirely
practical. He points to countless
physical healings, comparable to
those of Bible times, produced in
these modern times by prayer,
that is treatment, in Christian
Science.

Since 1946, Mr. Simms has been
a member of The Christian Sci-
ence Board of Lectureship, and in
this work has traveled throughout
the United States and abroad.

Wayne to Have Phi
Beta Kappa Chapter

Wayne University will install
a new chapter of Phi Beta Kappa,
national honorary fraternity, on
Friday, Jan. 16

The chapter will be known as
the Gamma chapter and will be
the third such chapter in Michi-
gan. The other two are at the
University of Michigan and at
Albion College.

CARD OF THANKS

I wish to thank the Blue Star
Mothers, the King's Daughters
and V.F.W. for the many Christ-
mas remembrances I received.

Edith Sorensen 33

CARD OF THANKS

The family of the late Mrs. Carl
Ely wish to thank relatives and
friends, Rev. Ivan Hodgson, and
the Caterline Funeral Home for
the kindnesses extended to us
during our recent bereavement.

Our sincere appreciation to neigh-
bors and friends for the many
cards and flowers sent to Mrs.
Ely during her stay in the hos-
pital.

Mrs. D. Severance Is New Leader of King's Daughters

At the annual meeting of the King's Daughters last week, Mrs. Donald Severance was installed as leader of the organization for the ensuing year. She succeeds Mrs. Gerald Taft under whose direction the club realized an outstanding year of community service.

Mrs. Louise Cansfield, acting as installation officer, also invested Mrs. Don Miller as vice-leader; Mrs. Eural Clark, secretary, and Mrs. Eldon Biery, treasurer.

Highlighting achievement of the year was the report by Mrs. George Hill, sewing chairman, that 2400 cancer pads had been completed and delivered by the members. Mrs. E. B. Cavell reported a busy welfare program with emphasis on the holiday season. Following many months of work, a history covering 57 years of service by the King's Daughters of Northville will soon be completed, according to Mrs. John Litsenberger, historian of the circle. Mrs. Herbert Brown and Mrs. W. B. Walker, Jr. are past secretary and treasurer, respectively.

Mrs. John Litsenberger was hostess to the meeting at her home on Dunlap St. with 37 members present. A cooperative luncheon preceded the business of the day.

The next meeting will be a business meeting beginning at 2 p.m. Feb. 3 at the home of Mrs. James Congo, 523 Dunlap St.

CAROL SIEBERT

Siebert-Couse Engagement Revealed at Open House

At an open house held recently for Detroit and Northville friends, Mr. and Mrs. William J. Siebert of East Seven Mile Rd. announced the engagement of their daughter, Carol, to Blake Thomas Couse, Mr. and Mrs. Walter L. Couse of West Seven Mile Rd. are parents of the bridegroom-elect.

Carol is a graduate of the University of Michigan and is presently employed as a sportsweek buyer for the J. L. Hudson Company, Detroit.

Her fiancé is a senior at the University of Michigan and is affiliated with Lambda Chi Alpha.

Need Yarn, Woolens for Korean Relief

A plea for any discarded knitted sweaters, scarves or gloves which may be either repaired or unraveled for knitting has been made by Mrs. Donald Severance, vice-president of the 17th District of the American Legion Auxiliaries in behalf of the Redford Detroit Legion Unit.

Auxiliary members have formed an industrious knitting group which utilizes all available wool yarn in making warm articles of clothing for Korean children and women refugees.

Anyone wishing to donate woolen articles or yarn is urged to call Mrs. Severance, 198-J who will arrange to pick up the donation.

Betty Esch Honored at Bridal Shower

Bride-elect Betty Esch of East Seven Mile Rd. was guest of honor at a miscellaneous bridal shower Friday evening, Jan. 12 at the home of her future sister-in-law, Mrs. Aaron Lewis of Dearborn.

Thirteen friends and relatives of the honoree met for the evening of games and refreshments. Unusual table decor was a centerpiece of dolls gowned in dresses identical in color and style to those Betty's attendants will wear at her wedding set for Jan. 31 at the Salem Evangelical and Reformed Church of Farmington.

WIL Members, Guests Entertained at Tea

The home of Dr. and Mrs. C. E. Woodruff of Beck Rd. was the scene of a Sunday afternoon party honoring Mrs. Mildred Scott Olmsted, of Jane Adams House, Philadelphia, Pa., who was their weekend guest.

Members and friends of the local branch of the Women's International League for Freedom and Peace were guests at the tea complimenting Mrs. Olmsted who is the executive secretary of the organization.

Mrs. Marcoux Hosts Extension Group

Mrs. L. J. Marcoux of East Eight Mile Rd. was hostess to members of the Clement Road Extension group for their meeting today, Thursday.

Mrs. Marcoux, who is the group's new chairman for the year reviewed the talk on federal, state and local taxation presented to the group as a project lesson by Dr. Arthur Mauch at a meeting last Tuesday at the American Legion Hall.

Assisting Mrs. Marcoux as officers for 1953 are Mrs. Russell Knight, first leader; Mrs. Samuel Geraci, second leader and publicity; Mrs. Joseph Kirkey, secretary and treasurer; Mrs. Harold Schultz, assistant secretary-treasurer; Mrs. Louis Allan, community chairman; Mrs. George Shoenberger, recreation chairman, and Mrs. Leslie Gungell, assistant recreation chairman.

Mrs. Merriam Is Re-elected to Head Local Garden Club

Mrs. R. D. Merriam of Beck Rd. has been re-elected to head the Northville Branch of the Woman's Farm and Garden Association for the coming year, according to announcement made following the club's meeting Monday afternoon.

Other officers elected include Mrs. George Alexander, first vice-president; Mrs. Orson Atchinson, second vice-president; Mrs. D. H. Clark, recording secretary; Mrs. Gerritt Rooks, corresponding secretary and Mrs. N. K. Pattison, treasurer.

Club member, Mrs. Luther Rix, presented an interesting talk on "Bird Watching As A Hobby" following the business session. "Feeding and studying birds pays big dividends," said Mrs. Rix, and she offered as guides to this interesting hobby, several books including, "Field Guide to the Birds," by Roger T. Peterson; "Audubon Bird Guide" by Richard H. Pough and Chester A. Reed's, "Bird Guide".

Mrs. W. L. Howard of West Eight Mile Rd. was hostess to the group and assisting her with the luncheon were Mrs. Arlo Hauger, Dr. Irene Sparling, Mrs. Howard Whipple and Mrs. Raymond Stillson. Mrs. Glenn H. Cummings presided at the tea service.

Blue Star Mothers Hold Installation

The Blue Star Mothers of Northville held installation of officers, last week at the home of Mrs. Alice Junod of Plymouth Ave.

Mrs. Arlie Smith was re-elected to head the group for the coming year. Other officers include: Mrs. Alice Junod, senior vice-president; Mrs. Doris Wick, junior vice-president; Mrs. Elsie Larson, treasurer; Mrs. Matilda Westfall, secretary and Mrs. Ann Dixon, chaplain.

The group held a memorial service for Mrs. Daisy Martin who passed away early last month.

CAR Chapter to Meet at L. D. Crusoe Home

The senior group of the Plymouth Corners, Children of the American Revolution, will meet at the home of Mary Ellen Crusoe, 43180 West Nine Mile Rd. Wednesday, Jan. 21.

Dinner at six o'clock will precede a work meeting to formulate plans for an amateur show which will be held in the Smith Auditorium, Plymouth, Feb. 21.

DAR Plans Annual Birthday Luncheon

The Sarah Ann Cochran Chapter of the Daughters of the American Revolution is making final plans for its 26th annual birthday luncheon which will be held Monday, Jan. 19 at 12:30 p.m. at the St. John's Episcopal Church in Plymouth.

Mrs. Ralph Newland, state Regent of the organization, has been engaged as guest speaker. She is a member of the Algonquin Chapter of St. Joseph, Mich. Invitations have been extended to regents of neighboring chapters who will be guests of honor.

Reservations must be filed by tomorrow, Friday, with Mrs. Ralph Taylor of Plymouth, phone Plymouth 300.

Mrs. Schulz to Appear on TV Program Fri.

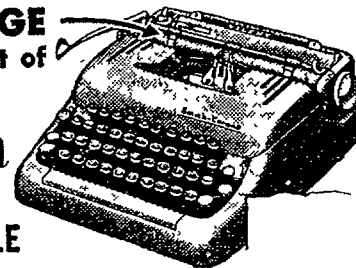

Doris Eaton Travis has invited officers and board members of the Detroit Cancer Detection Center to be her guests "At Arthur Murray's" Friday evening at 8 p.m. on Channel 4.

Among those who will participate in this public service feature of Detroit's TV show will be Mrs. Paul Schulz, 46875 West Seven Mile Rd., who is a member of the board.

Mrs. Travis will interview Dr. Mary Margaret Frazer, Medical Director of the Center, on the aims and accomplishments of the Center for Metropolitan Detroit in the eight years it has functioned largely through the sponsorship of business and professional women.

DETROIT EDISON

News Around Northville

Mr. and Mrs. J. P. Malley entertained the Michigan Pointer Club Tuesday evening at a dinner party at their home on Beck Rd. The Michigan Pointer Club is planning its first Pointer Specialty Show in Michigan to be held in conjunction with the Detroit Kennel Club Show Feb. 28 through March 1.

Mr. and Mrs. C. W. McLaughlin were hosts to 30 of their Northville friends at a buffet party Sunday evening at their home on West Dunlap St.

Members of the Novi Extension Group met at the home of Mrs. James Mitchell in Novi for their regular meeting and post-holiday party which was postponed from Dec. 6 to Jan. 7. Mrs. James Leavenworth of Twelve Mile Rd. will be hostess to the next meeting set for Jan. 20 at 8 p.m.

Past Matrons of the Orient Chapter will meet at the home of Mrs. Charles Murphy on High St. on Wednesday, Jan. 21 at 12:30 p.m. for a dessert luncheon. Mrs. Leo Lawrence will serve as co-hostess.

Kathleen Jordan, of the Jordan Dance Studio, taught tap at the all day session of the National Association of Dance and Affiliated Artists which was held at the Sheraton-Cadillac Hotel last Sunday. Cynthia Mellen and Virginia Kwasek also attended the affair.

Friends of Mrs. Charles Schoultz of Baseline Rd. will be glad to learn of the improvement in health of her father, Mr. E. H. Miller of Clyde, Ohio. Mrs. Schoultz has returned to the village following a stay at the family home in Ohio during Mr. Miller's illness.

Mr. and Mrs. Ernest J. Wilsher of Wing St. attended the funeral of the former's sister, Mrs. Ida Goldsmith in Detroit Monday afternoon.

Mrs. E. J. Willis, director of the Southwestern Deaneary and chairman of Cancer Patient Aid of the American Cancer Society of Northville, will devote Wednesday in work at the Detroit headquarters, along with other volunteers from the Deaneary.

Mr. J. P. Malley of Beck Rd. attended the meetings of the American Horse Show Association and the United States Olympic Equestrian Association held at the Waldorf-Astoria Hotel, New York, Jan. 10. Following the meeting Mr. Malley spent the week-end with friends in Maplewood, N. J.

Mr. and Mrs. C. C. Yerkes of East Eight Mile Rd. left Monday for an extended stay with a friend, Mrs. Charles Allan of Columbus, Ohio.

After successfully completing his State Bar examinations, William J. Marcoux of East Eight Mile Rd., is now associated with Probate Judge Arthur J. Moore of Pontiac. Mr. Marcoux graduated last June from the University of Michigan Law School. His parents are Mr. and Mrs. L. J. Marcoux of East Eight Mile Rd.

The Lutheran Ladies Auxiliary will meet tonight, Jan. 15 at 8 p.m. at the home of Mrs. Cora Feole, 49469 West Six Mile Rd.

Cleon Newton, son of Mr. and Mrs. Vernon Newton of First St. left Friday for military service at Camp Custer, Battle Creek.

Mr. and Mrs. Edward L. Grieger and Mrs. M. J. Lynch of Northville Rd. and Gail Ann Lynch of Livonia returned last week from a two week's stay at Sarasota and Englewood, Fla.

Following a month's stay in California, Mrs. Floyd Lanning returned to her home on Wing St. Friday morning. Her visit was divided between her daughter and family, Master Sgt. and Mrs. Ted Baldwin in San Francisco, and her son and his wife, Mr. and Mrs. Edward Lanning of Berkeley.

Mr. and Mrs. James Downing of West Seven Mile Rd. are the parents of a son, James Burrell, born Jan. 10 at Garden City Osteopathic Hospital. The baby's mother is the former Mary Lou Austin of Plymouth and Mr. and Mrs. Burrell Downing of West Seven Mile Rd. are his paternal grandparents.

Mrs. James Spagnuolo of West Main St. spent Tuesday visiting friends and relatives in Canada.

The regular meeting of Orient Chapter 77, Order of the Eastern Star slated for Friday evening, Jan. 16, has been designated by Worthy Matron Marie Shames as a special session to honor all women who have held the office of Adah in the Northville chapter.

The Wesleyan Service Guild will meet at the home of Mrs. Kenneth Eastland, 390 Fairbrook Rd. at 8 p.m., Tuesday, Jan. 20. Guest speaker will be Mrs. Waldo Johnson.

Strange Facts About Polio

Men's Club Slates 'Ladies Night' Mon.

A colored movie tavelogue which will be presented by Charles H. Walker of Cambridge Dr., will highlight the "Ladies Night" annual program of the Presbyterian Men's Club slated for Monday evening, Jan. 19 at 7:30 p.m. in the Presbyterian Church House. William B. Crump, president of the Men's Club, will preside.

The movies, taken last summer during the European travels of Mr. and Mrs. Walker, will deal primarily with Switzerland. Mr. Walker has gained reputation for his splendid colored pictures and his interesting commentary on the countries he visits.

New officers of the Men's Club will be elected at this meeting and John W. Blackburn will be commissioned as the club's delegate to the national meeting of Presbyterian Men to be held at the Palmer House in Chicago, Jan. 30 through Feb. 1.

SALEM CONGREGATIONAL CHURCH

Lucia M. Stroh, Minister
10:30 a.m., Divine Worship. The pastor will bring the message.
10:45 a.m., Sunday School. Mr. Norman Rody, acting supt.
Mrs. Wilson Clark will be the hostess to the Ladies Aid Thursday for pot-luck dinner at noon. This will be the annual business meeting and election of officers. All are welcome.

CARD OF THANKS

I wish to thank my friends, relatives and the King's Daughters for the lovely gifts and cards I received during the Christmas season.

Mrs. Mary Fredmore

CARD OF THANKS

My sincere appreciation to my many friends for the lovely flowers and cards which I received during my recent illness.

Emily Casteline

Farmer's Week on MSC Campus to Slate Attractions for Women, Too

Michigan women who go to Farmer's Week at Michigan State College with their husbands won't be "tag-alongs" at all. A special, lively program has been set for them on Tuesday, Wednesday and Thursday of this 38th annual Farmer's Week in East Lansing, Jan. 26 to 30.

Headliner on the program is the style revue slated for Thursday afternoon. Nearly 50 Michigan State College coeds will model costumes they have designed and made in their home economics classes.

All meetings for women this year will be held in the main auditorium on the MSC campus. "Philosophy through Your Hat" is the title of a talk to be given by Mrs. Fern C. White of Kansas City, Mo. Mrs. White will speak Thursday morning about a philosophy of life dramatized and illustrated.

Another speaker will be Dr. Pauline P. Knapp, director of the Merrill-Palmer school in Detroit. Dr. Knapp will speak on the subject, "Are Family Values Changing?"

An international flavor for women at Farmer's Week this year will come from two illustrated talks—one on Holland and another on Finland. Arne G. Kettunen, state 4-H Club leader who spent last summer in Europe, will talk on his native Finland. Evelyn Zwemer, a member of the MSC home economics staff, will talk about Dutch homes from her experience studying a year in The Hague.

Barn Dance Offers '53 Youth Program

Sam Clark of Livonia has found a way to contribute to the fight against juvenile delinquency in his youth program at the Michigan Barn Dance on East Seven Mile Rd. What's more, the adult chaperones and patrons have fun as well as the youngsters.

The program which was held last year during the winter months, will begin this Sunday, Jan. 18 and will be held each Sunday from 3 to 8 p.m.

An added attraction this year are the folk and square dancing classes instructed by Mr. and Mrs. Emil Springer of Detroit, professional dancers.

The "Rhythm Rascals", a youth band headed by Bobby Goudeseune, and the "Candy Mountain Kids" who are well known in this area, will entertain in the opening session Jerry Henderson and his band, who regularly provide the music at the Michigan Barn Dance will play from 8 to 11:30 p.m.

"The entire program will be devoted to youth entertainment," Mr. Clark said, "and arrangements can be made for talented amateurs to appear on the show."

Girl Scout News

GIRL SCOUT TROOP 1

Wednesday, Jan. 7 we met at the Presbyterian Church. We had our mumble box. Then we elected patrol leaders, Sharon Meyers and Julie Older. They appointed treasurers, Patty Willing and June Ann Ashby. Then we took the dues Mrs. Willing taught us how to put on a triangle bandage. We ended the meeting with the ceremony, "Hands Around the World".

Lou Ann Comer, Scribe

GIRL SCOUT TROOP 11

On Thursday, Jan. 8 we held our meeting and elected new officers. Our president is Carol Ann Fritz; secretary, Elsie Sedan, and treasurer, Sydney Richards.

The two scribes are Carol Ann Benson and Sharon Wick. We modeled with clay. Our mumble box was hot cocoa and cookies.

Scribes Carol Ann Benson and Sharon Wick

Last Thursday we hiked to Ann Downer's house on Frederick Rd. We had election of officers and modeled clay again. Mrs. Downer gave us refreshments of cocoa and cookies.

Put an **END** to your
CLOTHES DRYING CHORES
AND **WEATHER WORRIES, TOO!**

With this wonderful New
BENDIX
Gas Clothes Dryer

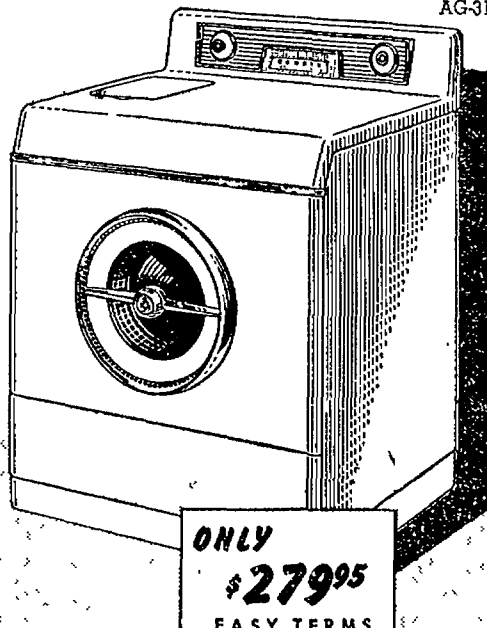

CUTS YOUR LAUNDRY
TIME IN **HALF!**

Rain, sleet, snow and dust all are enemies of your clean white wash. Freezing weather and high wind not only make your work disagreeable, but they damage fabrics, shrink woollens, and even break fibers of fabrics when taken from clotheslines in a frozen condition.

These are only a few of the reasons why you'll be excited about this new BENDIX automatic dryer... SEE IT TODAY. It will cut your laundry time in half... and it's a work and money saver too. Get the facts! You'll be glad you did!

★ ONLY THE BENDIX HAS THE POW'R-VENT.

- Gets rid of heat-lint-moisture.
- Low temperature—high air flow. Breezes clothes fluffy.
- Protects clothes from sun-fading.
- Dries everything in your regular wash—SAFELY, even the new synthetic miracle fabrics.
- Bendix-dried clothes look better—feel better—last longer.
- Pays for itself in savings.

SAFETY COLORS FOR HUNTING

A new report has just been issued by the state of Pennsylvania after an exhaustive research of the best colors to wear for maximum hunting safety. This seemed a logical step because Pennsylvania's 850,000 hunters came up with 411 dead or injured by gunfire in the hunting field in 1951. The great majority of the casualties occurred because the shooter did not see the man who was to fall victim to his gun.

Color Study Began

The question was simple: What could be done to make a hunter immediately recognizable against any background, or have him stand out so prominently that he could never be mistaken for game? The answer wasn't so simple. Red clothing had been recommended for years. But this was not enough. How much red? What shade of red? Does red still look red at long range, or in wet weather, or at all times of the year in foliage changing with the seasons? Would some other color offer better year-round protection?

A wide variety of colors and patterns of colors came into the study. All shades of reds, oranges, greens, yellows, black and white checks went under test. Included were those new daylight fluorescent colors known as "Day-Glo" or "Coldfire." Hunters wearing caps and jackets of these colors were paraded in front of all kinds of natural backgrounds. Colored movies were made for continuing study. The results began to look conclusive and may soon set a new trend in hunting apparel in all states.

The day may come, and soon, when most states with any degree of hunter concentration may legislate in favor of this "Coldfire" apparel, both as an outside jacket, and a cap of the same material. Some of this type of cloth was used by Michigan hunters this year, and it was obviously the most effective color aid. Thus we're making strides toward greater safety for hunters in Michigan Outdoors.

Mort Neff's "Michigan Outdoors" television show may be seen every Thursday at 7:00 p.m. on stations WWJ-TV, Detroit and WJIM-TV, Lansing.

Police Chief Urges Use of Tire Chains

Police Chief Joseph Denton quoted a scientific test report about special tires and tire chains for snow and ice to point up the advisability of using chains during bad weather.

Synthetic tires, according to the National Safety Council, wear better, and perform normally on wet or dry pavements, but on ice and snow they skid about 8 percent farther and have 14 to 35 percent poorer forward-traction ability than pre-war natural rubber tires.

SPECIAL TREADS

Other tires designed for snow and ice use have variable results, Chief Denton explained. Salt, sawdust, steel chips and other materials have been imbedded in the tire surfaces to improve traction on hard slippery surfaces. Some of these, including the special mud or snow type treads, perform well under specific conditions, but most of them do not do an all-around job.

Special treads, then, Chief Denton argued, are not the answer for severe snow and ice conditions.

"Much of the average driver dislikes to bother with tire chains," he said, "the Committee has advocated chains for many years as the best self-help available to the average driver when the going gets really tough."

Chains reduce braking distances on both snow and ice about half. Forward traction is improved about seven times with chains. They will out-pull conventional tires about four times on packed snow.

If you wish to use less eggs in a cake, add one-half teaspoon of baking powder for each egg white omitted.

Registration Notice

FOR

Primary Election

TO BE HELD

MONDAY, FEBRUARY 16, 1953

To the Qualified Electors of the Township of Novi, County of Oakland, Michigan

Notice is hereby given that in conformity with the Michigan Election Law, I the undersigned Township Clerk, will upon any day, except Sunday, and a legal holiday, the day of any regular or primary election receive for registration the name of any legal voter in said Township not already registered who may apply to me personally. Registrations will be received at my residence, 39700 Eleven Mile Road, Novi, Michigan. Provided, however, that I can receive no names for registration during the time intervening between the 30th day before any regular or official primary election and the day of such election.

Notice is hereby given that I will be at the Novi Township Hall on

MONDAY, JANUARY 19th, 1953

the last day of registration from 8:00 o'clock a.m. until 8:00 o'clock p.m. on said day for the purpose of registering such of the qualified electors in said Township as shall properly apply therefor.

EARL BANKS, Township Clerk

Tax Rebels Defy Government

A Plymouth businessman has refused to pay the \$81 compulsory Social Security tax for self-employed persons, calling it wholly unconstitutional and "a fraud."

The businessman, R. Roy Pursell, owner of Pursell's Office Supply store, wants the law tested in the courts to see what a Federal judge will say about it.

He joins ranks with Howard G. Pennington, the rebellious Lincoln Park wholesaler, on whom the Internal Revenue Bureau clamped a tax lien last week. He also refused to pay the tax.

Mr. Pursell says the tax is "merely a sly way of taxing people on the pretense they are buying insurance." He expected the same action to be applied to him as that applied to Mr. Pennington.

Mr. Pursell argued that he would have no objection to paying the tax if it were fair, but pointed out that architects, accountants, doctors, funeral directors, lawyers, ministers and professional engineers don't pay it, and that they are primarily self-employed.

Mr. Pennington remarked that he is being told by the Government, in effect, "that I do not have the ability or right to provide for my old age if I want to. Do they want to force people to depend upon the Government in old age?"

"I hope the Supreme Court will ultimately rule whether the

da Vinci Film Given 4 Additional Days

Because of good public reception, "Leonardo da Vinci", the color film biography of the great 17th century artist and inventor, is being held over at the Art Institute auditorium for four additional days.

The dates are: Sunday, Jan. 18, 7 to 11:30 p.m.; Monday, Jan. 19, 7 to 11:30 p.m.; Tuesday, Jan. 20, 1:37 to 11:30 p.m., and Wednesday, Jan. 21, 7 to 11:30 p.m.

Government has the power to force one into an insurance or pension scheme against his will," he said.

Text of Proposed New Trailer Ordinance

Printed below is the proposed new trailer ordinance which will be considered for adoption by the Village Commission at its meeting Monday, Jan. 19, at 8 p.m.

All persons wishing to object to portions or provisions of the ordinance are invited to air their views at the public meeting.

Trailer Ordinance

An ordinance to promote the public health and welfare by defining automobile trailers, regulating the use thereof, requiring licenses therefor, and providing penalties for the violation of such ordinance.

The Village of Northville ordains:

Section 1. DEFINITIONS

(a) An "automobile trailer" shall be any vehicle used, or intended for use, as sleeping or living quarters and capable of being propelled either by its own power or by any other power-driven vehicle to which it may be attached.

(b) A "lot" shall be a piece of parcel of land occupied or to be occupied by a building, structure or use, and its accessory building, structure or use. In the case of vacant land, a "lot" shall be a lot existing of record.

(c) The word "person" may be a corporation, a co-partnership, firm or association, as well as a natural person.

Section 2. AUTOMOBILE TRAILER RESTRICTIONS

(a) It shall be unlawful for any owner, tenant, or lessee of a lot in the Village of Northville to maintain or permit more than one automobile trailer on said lot, and then only in compliance with the provisions hereof.

(b) No automobile trailer shall be maintained or permitted to re-

main nearer than twenty-five (25) feet to the street lines, as established by the Assessor's Northville Plat Maps, recorded in Liber 66, pages 40 through 45, and pages 47 and 48 of Plats, Wayne County Records, but in no event shall any automobile trailer be maintained or permitted to remain closer to a street line than the front line of the closest building, structure, or accessory building or structure to that street line, exclusive of porches or projections. Each automobile trailer shall be parked or located so that it is at least five (5) feet distant from each side lot line and five (5) feet distant from each building, structure, and accessory building or structure.

(c) No automobile trailer shall be permitted to remain in the Village of Northville except during such periods of each year as horse racing is authorized and licensed in the Village of Northville by the Michigan racing commissioner, and for five (5) days preceding and five (5) days following such racing periods.

(d) The owner, tenant, or lessee of each lot upon which an automobile trailer is permitted to remain must provide certain minimum sanitation facilities for the occupants of such automobile trailer. These sanitation facilities may be located in a building on a neighboring lot, if such building and lot are also owned or leased by the owner or lessee of the lot upon which the automobile trailer is parked. For purposes of this ordinance, "minimum sanitation facilities" shall be construed to mean an adequate supply of pure drinking water, hot and cold running water, lavatory, shower or tub and stool.

(e) It shall be unlawful for any owner, tenant, or lessee of any premises in the Village of Northville to maintain or permit the maintenance thereon of any trailer or other vehicle, which is used or which is to be used or operated for profit as a medical, dental, or chemical laboratory or for the display or sale of merchandise thereon, or to use or permit the use of any trailer or other vehicle on any premises for religious, educational, restaurant, commissary, shop, storage, office, or for any commercial purpose; provided, however, that the provisions of this subsection shall not apply to any trailer or other vehicle owned or operated by any government or agency thereof in the public interest.

(f) It shall be unlawful for any person to park or locate any automobile trailer overnight on any public highway, street, alley or other public place.

(g) It may be lawful to park or locate one or more automobile trailers for commercial use or as living quarters, upon any lot or parcel of land not less than fifteen (15) acres, when such automobile trailers shall be incidental to the conduct of a circus, carnival, horse show, or any similar activity on the same lot or parcel.

of land, and when toilet facilities are provided on the premises for the use of occupants of such automobile trailers

(h) No owner or person in charge of any automobile trailer shall remove the wheels or tires thereof, or cause or permit the same to be removed, except for the purpose of repair. It is the express intention of this ordinance to prohibit the use of automobile trailers as permanent dwellings within the Village of Northville, and it shall be unlawful to in any manner, attach an automobile trailer to the land or to use the same as permanent dwellings

(i) No automobile trailer park or tourist cabin community is subject to this ordinance.

Section 3.

ISSUANCE OF PERMIT CARDS

The occupants of any automobile trailer shall, within twenty-four (24) hours after arrival in the Village of Northville, make application at the office of the Village Clerk for a permit card to park or locate such automobile trailer. A permit card shall be issued allowing such automobile trailer to remain in the Village of Northville, subject to the conditions of this ordinance, during any period that horse racing is authorized and licensed in the Village of Northville by the Michigan racing commissioner, and for five (5) days preceding and five (5) days following such racing period. A separate permit card is required for each and every period during any year that horse racing is authorized and licensed in the Village of Northville by the Michigan racing commissioner, and for five (5) days preceding and five (5) days following such racing period. Each permit card must be attached to the applicable automobile trailer in such a manner that the permit card is clearly visible from the exterior of said automobile trailer. Each application for a permit card shall contain the name of the owner, tenant, or lessee of the lot upon which the automobile trailer will be parked, the street number thereof, the written consent of the owner, tenant, or lessee of such lot to the parking and location of such automobile trailer upon the premises and to the use of the sanitation facilities required for it. The fee for each permit card shall be Five (\$5.00) Dollars.

Section 4. PENALTIES

Any person who shall violate or fail to comply with any of the provisions of this ordinance shall be guilty of a misdemeanor, and upon conviction, shall be subject to a fine of not more than One Hundred (\$100.00) Dollars, or to be imprisoned in the village jail, the Detroit House of Correction, or the Wayne County Jail, for a period not to exceed ninety (90) days, or to both such fine and imprisonment, in the discretion of the court. Each day that such violation continues shall be deemed a separate offense.

3 of the many reasons why these NEW DODGE "Job-Rated" TRUCKS should be seen by every truck owner

1

NEW! More Powerful Engines!

Seven brawny engines with high horsepower and high compression ratios, three of them brand-new. Greater cooling capacity, increased displacement, twin carburetion available on larger trucks. PLUS proved features like 4-ring pistons with chrome-plated top ring, exhaust valve seat inserts. Dodge sets the pace in power!

2

NEW! Extra-Powerful Brakes!

Stop easily on the steepest grade, fully loaded! Super-safe brakes give smooth stops, reduced driver fatigue, less possibility of breakage with fragile loads . . . new increased stopping power on 1- through 2½-ton trucks! PLUS Dodge's oversized braking surface with rivet-free Cyclebond linings on all hydraulic brakes.

3

NEW! Truck-o-matic Transmission!

New Truck-o-matic transmission available on ½- and ¾-ton models of Dodge "Job-Rated" trucks . . . saves shifting, cuts driver fatigue, lets you rock out of snow, mud, sand. Only Dodge offers shift-free Truck-o-matic! PLUS gýrol Fluid Drive, famous power cushion that prolongs truck life, protects your load.

NEW! Over 50 Features!

50 ways new! Reinforced cab construction, larger exhaust system, extra-capacity radiators. Tinted glass, heaters with stepped-up heat output available. PLUS moistureproof ignition, high-torque capacity starting motors, and other Dodge dependability features. See your dealer today!

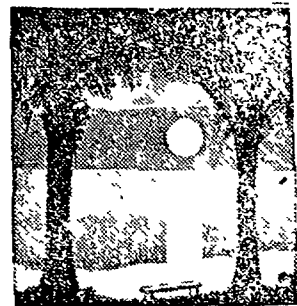

From ½-ton through 4-ton, there's a DODGE "Job-Rated" TRUCK to fit your job!

JITTER

Michigan Mirror:

Michigan to Name New Education Head

By GENE ALLEMAN

Dr. Lee M. Thurston, state superintendent of public instruction, leaves his post next June 30 to become dean of education at Michigan State College.

The intent listener might hear a gentle scuffling in the higher echelons of Thurston's department over who will be nominated by the G.O.P. state convention Feb. 21.

Top men on the pole are Dr. C. L. Taylor, deputy superintendent, and Dr. John S. Haitema, assistant superintendent.

But there is a fly in the ointment. Both men are "available" to succeed their boss—and both men are state civil service employees.

The rub is that according to civil service commission ruling, no worker under its jurisdiction may become a candidate for elective office unless he resigns outright or takes a leave of absence at the time petitions are filed.

From here on it gets complicated. Since this spring election no petitions will be filed—the G.O.P. nominee will be selected

at the state convention. Taylor and Haitema figure they can keep on working until convention time and then the chosen one will take a leave of absence until the April 6 election.

But Arthur G. Rasch, civil service chief, announces that it is his interpretation that the political candidacy rule becomes effective when an employee makes any move to win the nomination—and that includes the early jockeying before the convention.

Robert Poe, vitriolic, outspoken lobbyist for the Michigan CIO, council, has waxed bitter over Gov. Williams' appointment of James M. Moses, Marshall publisher to the civil service commission.

It would appear that the CIO was thumping for Walter Krapohl, Flint attorney.

Mr. Poe made it clear—as only he can—that his union might easily be very busy with other things when the Democrats look for help in the spring election.

Michigan now has 6,000 doctors. Not an earthshaking statement, but compared to the war years when the number of medical men dropped to 3,900, it's a comforting feeling.

The recent increase in the number of physicians may be partly due to the liberalization of basic science and medical practice requirements in 1952. The new laws permit doctors from foreign countries to practice in Michigan on one-year licenses while they are becoming U.S. citizens.

"While we still don't have a doctor for every community," says Dr. William J. Burns, executive secretary of the Michigan State Medical Society, "we have gained several hundred practitioners in the last year."

Michigan's civil defense corps officially has accepted defeat to its once extensive plans for the defense of the state.

Last year the department asked for \$3,000,000. It got \$853,778 from economy-minded legislators. It was a blow, but Brig. Gen. Lester J. Matland, civil defense director, with army stoicism, scrapped ex-

tensive plans and concentrated on cutting down his staff.

This year budget drafters report he is asking for only \$730,782 for 1953-54 to "maintain a nucleus organization of workers."

After his elaborate plans and preparedness schedules had been scuttled, Matland was forced to telescope his activities into purely administrative functions.

"Another year with a sizable budget and staff would have gotten the program rolling..." he said. But he says his present staff (he dropped 38 employees in the cut-back) can handle extension of the corps if disaster strikes, with the addition of a few key workers.

Pvt. A. J. Bartrum Graduates from Mechanics Course

Eta Jima, Japan—Pvt. Alton J. Bartrum, son of Mrs. Addie McClellan of 46214 W. Seven Mile Rd., recently graduated from the wheeled-vehicle mechanics course at the Eta Jima Specialist School in Japan.

The seven-week course completed by Bartrum is designed to teach soldiers to perform organizational maintenance and recovery of wheeled and amphibious wheeled vehicles. Students are taught to diagnose operational defects and correct them by adjusting and replacing minor parts and assemblies.

Pvt. Bartrum was previously stationed at Camp Chaffee, Ark.

Pastry

All pastry should be rolled very lightly to guard against toughness. Use as little flour as possible.

Prevents Fishy Odors
To prevent a fishy odor from clinging to your hands, rinsing hands in cold water before you touch the fish helps. Later, wash hands with water and salt. Soap doesn't do the job.

For The Record

(Continued from Front Page)
will take the initiative at its meeting next Monday evening, even though Village President Conrad E. Langfield will be in Washington attending the inauguration.

Let the foregoing be interpreted as a crusade by Mr. Couss and the Record alone to foist a Community Building on the area, it should perhaps be pointed out that the present plans for such a building were not developed haphazardly, but were the result of six to eight months of study by the Northville Planning Commission of several years ago, the Northville School Board, the Northville Village Commission and other interested citizens and groups.

The Record believes that IF CARE IS TAKEN IN THE SELECTION OF A COMMITTEE COMPETENT TO DEAL WITH THE SUBJECT, it can at least be brought to a stage suitable for submission to voters whose wishes ultimately will dictate whether the project is to be completed or dropped.

Jimmy Weston Wins Pool Tournament

Jimmy Weston defeated Guy Brandt 25 to 12 in the finals to win the Recreation-sponsored pool tournament at the Boy Scout building last week.
Guy had topped Bill Deitz in the semi-finals to gain the play-off, and Jimmy had defeated Bill Fisher in his bracket of the semi-finals.
A doubles ping-pong tournament is listed for Saturday, Jan. 17 at 1 p.m.

Detroit Edison

(Continued from Front Page)
television show scheduled for 8:30 Thursday (Jan. 15) night, on WWJ-TV, Channel 4. Theme of the program will be the history and future of the company and the area it serves.
Detroit Edison started with some 6,000 customers in a community of about 300,000 in 1903. Now its meters number a million and it serves nearly three and three-quarters million people—more than half the population of the state.

STARTED WITH 200
Less than two hundred persons worked for the company in 1903; now it employs nearly 12,000.
Edison's service area was limited to the central Detroit metropolitan district when it began. Now electricity is available to every home, store, farm and factory in the company's 7,600 square mile area, which stretches east from the Canadian border to near Lansing, and south from Pointe aux Barques at the tip of Michigan's Thumb to near the Ohio state line.

Fifty years ago, the company's electric generating capacity was about 4,900 kilowatts. Today, its four steam electric plants at Delray, Trenton, Connois Creek and Mayville are capable of carrying a load of about 1,900,000 kilowatts or more than 2,500,000 horsepower.

A highlight of Edison's anniversary year will be the starting next August—of the first turbine-generator at the company's new St. Clair power plant. Now under construction between St. Clair and Marine City, this new plant will eventually bring the total system generation up to 3,350,000 horsepower, doubling the company's pre-World War II generating capacity.

In another observance of the 50th anniversary, Edison will offer 50 scholarships at various colleges of the state. These will be valued at \$200 each, and will be open to students in the high schools of southeastern Michigan.

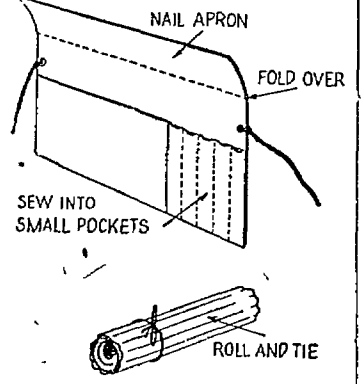

If candles wobble in their holders, run a strip of cellophane tape around the bottom to add to base dimension so that they will fit snugly into the candlesticks.

Pvt. Earehart Ends Army Course in Meal Planning

Ludwigsburg, Germany — Pvt. Harry E. Earehart, son of Mr. and Mrs. Albert Earehart of 46050 Neeson St., recently completed an eight-week course at the Seventh Army Food Service School at Ludwigsburg, Germany.
During the course, he studied the latest methods of Army meal planning, food preparation and feeding procedures.
Pvt. Earehart, a cook in the 8th Infantry Regiment's Company A, entered the Army early last May.
His wife, Edith Mae, lives at 2763 Carson St., Detroit.

Apron for Brace Bits
THE home craftsman can take a cue from a professional carpenter whose apron (see illustration) for brace bits was described in *American Builder*, a highly-regarded trade magazine. It

will be found handier for carrying brace bits on the job than a cumbersome tool box.
Made from a nail apron, the pocket should be sewed into a series of small pockets to receive the bits. The upper portion of the apron is used as a flap, as illustrated. When folded into a neat roll, it can be tied by the strings of the apron.

LONG BRIDGES

Florida's Overseas Highway to Key West ranks as one of the longest ocean-going roads in the world. One link, the Long Bridge, jumps seven miles of open water. The Thousand Islands International Bridge between New York State and Ontario leaps from island to island for eight and a half miles. The San Francisco-Oakland Bay Bridge extends eight miles, including a tunnel in the middle through an island. A railroad bridge over Lake Pontchartrain in Louisiana is seven miles long, with a nearby highway bridge of five miles. Gandy Bridge near Tampa, Fla., which like the Chesapeake Bay Bridge, is part causeway, totals six miles.

WHITE HORSE OF UFFINGTON

The White Horse of Uffington, war-time landmark for German bombers bound to England's industrial heart, gallops once more on the Berkshire Downs as he has done for at least 800 years. More than 350 feet long from foremost ear to tip of tail, the great beast was carved into the landscape simply by cutting the thin turf from the underlying white chalk. When it was learned that Nazi airmen were using the drawings as navigational aids, the air ministry had them turfed over or otherwise concealed.

EARLY AMERICANS

Americans of 9,000 years ago were skilled artists and artisans. The oldest actual articles of human manufacture thus far dated are sandals made of fiber and some basketry decorated with a false embroidery found under a layer of pumice in Fort Rock Cave, Oregon. The age as determined from the relative amount of radioactive carbon remaining in the vegetable fibers, is approximately 9,000 years.

A HEART OF IRON

"A successful operation in which an artificial heart was substituted for the left side of a man's heart for 50 minutes while valve repairs were made was described recently by Harpers hospital surgeons. To our knowledge, this is the first instance of a survival of a patient in which a mechanical heart mechanism has been used to take over the complete function of maintaining the blood supply of the body while the heart is opened and worked upon, they reported. The artificial heart was designed by the General Motors Corp." This is the amazing new story which appeared in The Detroit News this fall. Great strides have been made in surgery so that many persons lives are spared to live on this earth a bit longer. However, death is still the portion of every living creature as the "appointment by God, and after this the judgment" (Heb. 9:27). The majority of people are not prepared to face God at the judgment bar because they have sinned against God and they have no Saviour. The Gospel truth is that all may have the forgiveness of their sins and given right standing with God if they are willing to surrender unconditionally and receive Jesus Christ as their Lord and Saviour. (Acts 10:43)

YOU'VE GOT TO FEEL IT... TO BELIEVE IT

New Ford Miracle Ride

Here's new freedom from bounce, pitch and sway... an entirely new standard of riding comfort!

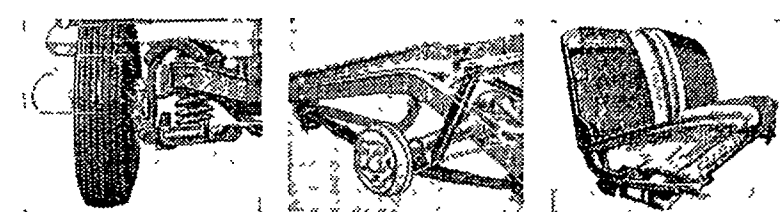

If you've thought it takes gas-eating weight and hard-to-park length to give real riding comfort you ought to try this '53 Ford. For Ford's new Miracle Ride actually seems to lay a carpet of smoothness even over the roughest roads. There's no bounce, pitch and sway to bother you, no uncomfortable roll on curves. Ford's new Miracle Ride marks a new era of riding comfort and quiet. It's another big reason why Ford is worth more when you buy it... worth more when you sell it!

White sidewall tires optional at extra cost. Equipment, accessories and trim subject to change without notice.

The New Standard of the American Road

80% less road shock! By increasing front wheel travel and redesigning the rubber compression bumpers, front end road shock is reduced as much as 80%. Springs are tailored to weight of each model, for best riding comfort, whichever model you buy.

Automatic Ride Control! Ford's Variable-Rate rear spring suspension actually makes the effective spring "stiffness" vary automatically as road and load conditions change. You get a smooth, comfortable ride on boulevard or roughest back road.

All day comfort! Scientifically designed contour seats, both front and rear, have thick foam rubber cushions. Non-sag spring construction is firm yet resilient. Automatic Posture Control provides the most convenient seating position for all drivers.

You've got to Value Check this new Ford's 41 "Worth More" features to know why Ford is worth more when you buy it...worth more when you sell it!

In this new '53 Ford you'll find not only a new concept of riding and driving comfort... you'll find more of the things you want and need than in any other car in the low-price field.

You'll find the "Go" you need, in Ford's high-compression V-8 and Six engines (both thrive on regular gas). You'll find the all-round visibility... the easy handling, braking and parking for today's traffic. And you'll appreciate beauty that "belongs" wherever you may drive. No wonder Ford is the New Standard of the American Road.

F.C.A. See it... Value Check it... Test Drive it
