Proposed Trailer Ordinance Hits Minor Snags Monday

The proposed new trailer ordinance for the Village of Northville drew mild criticism from three villagers who admitted that it was a good ordinance "overall", but who objected to certain provisions at Monday's Commission meeting.

These were: (1) that the number of trailers on one lot should not be limited to one, (2) that limiting dates should be expanded, (3) that footage on either side of parked trailers should be decreased, and (4) that some provision should be made to allow out-of-town overnight or week end visitors to park trailers on the property of villagers.

The proposed ordinance had been printed in last week's issue of the Record for inspection by villagers before the public hearing Monday night.

Another objection was forestalled when Village Attorney James E. Littell made a change in the ordinance previous to discussion, to allow storage and parking of unoccupied trailers in the village.

The ordinance had been worked on over a period of weeks by the Commission and Mr. Littell to replace the present ordinance which had been condemned as containing conflicting and confusing provisions.

WANT MORE TRAILERS

Elmer E. Perrin and Harley Cole, both of South Center St., objected to the ordinance provision which limited trailers to one per lot, and Mr. Perrin further objected to the provision calling for five feet from each side of the trailer to a lot line or building.

Both men stated that the parking of trailers is a good source of revenue for many of the people living in the Northville Downs area, just as the parking of cars is, and that the limit of one trailer per lot is too restrictive.

Reason for the provision, and partly for the new ordinance, Mr. Littell countered, is to assure proper sanitation facilities. He pointed out that another provision of the ordinance called for providing of complete bathroom facilities to be used by the trailer occupants.

FACILITIES PROVIDED

Mr. Perrin said that most people who intend to park more than one trailer have already provided additional sanitation facilities, and that he had installed a complete bathroom for trailer-owners in his basement.

Mr. Perrin also argued that the one-trailer provision would drive trailers all over the village making the racing season inconvenient for trailer owners and objectionable to many residents who might not want trailers near their homes.

A suggestion to "zone" an area near the track where more than one trailer would be allowed was vetoed by Commissioner John Stubbenvoll as tending to increase administrative work and to breed suspicion of "favoritism."

Upshot of the discussion was that Mr. Littell would work on a revised provision for presentation at the next meeting.

Mr. Perrin also asked that the five-foot limit be changed and the Commission agreed that a change, to possibly a three-foot limit, would not be objectionable.

EXTEND THE LIMIT

There also was no objection to extending the parking limit to 15 days before racing season opens and ten days after. The five-day limit imposed in the new ordinance was more or less "picked out of the air," Mr. Littell said.

Forrest Doren drew good natured laughter from the Commission when he set up a test situation: a friend in a trailer comes to visit, parks overnight and sleeps in the trailer because there isn't any room in the house. "Am I immediately going to be fined \$100 or tossed into jail, as provided in the ordinance?" he queried. Mr. Littell said that, according to a strict interpretation of

Mothers to March on Polio

"Let Your Light So Shine!"

Forchlights will be burning for one hour in Northville and all over America, from 7 to 8 p.m. on Thursday, Jan. 29, when the Mothers' March on Polio will be held as the dramatic climax of the 1953 March of Dimes.

The lighted doorways will be the signal to a large group of volunteers from the Northville Mothers' Club that they will be welcome.

Mrs. Eldon Biery is chairman of the Mothers' March in Northville, and Mrs. Hugh Godfrey and Mrs. Clifford Rollings are co-chairmen.

SUCCESS IN 1952

Last year, marching mothers and fathers in Wayne County were highly successful and were well received. The importance of that success was fully realized later as 1952 saw the worst polio epidemic ever recorded, with more than 1,100 cases in Wayne County and 55,000 throughout the nation.

Each mother in the group will be assigned a block to cover, some probably more than one.

Half of the amount collected remains in Wayne County; the remainder goes to the National Epidemic fund of the National Foundation for Infantile Paralysis.

Cannisters in the form of an iron lung have been placed in business and public places for dime contributions, and several special efforts, such as the one at the grade and high schools, have been made.

Lights Brighten Main, Center Sts.

The sinking of the sun doesn't mean black shadows along Main and Center streets, at least, not until the end of January.

The Christmas decorations strung by the Retail Merchants association are serving a dual purpose. The greens have been removed and the colored lights replaced with white ones which light the two main cross streets almost as well as daylight until late at night.

The Village Commission gave permission to Leland V. Smith, representing the Merchants Association, to switch the lights for a month, with the possibility of continuing them longer.

It's a fine way to keep the village brightened until the late evening hours.

Novi Card Party to Benefit Polio Fund

A card party in support of the March of Dimes will be held in the Novi Community Hall on Novi Rd., Friday evening, Jan. 30, according to Alice Staman, Novi Township chairman of the drive.

Guests may play any kind of cards at any of the tables. Buncó will also be played. There will be table prizes and door prizes and a lunch, said Alice Waite, who is chairman for the party.

Old Mill Restaurant to Move, Expand in Spring

The Old Mill Restaurant on East Main St. has branched out a little, but by April 1 it will be in an entirely new location.

Howard and Agnes Mitchell are now managing the Bean Pot as well as the Old Mill, and in April, expect to discontinue the Old Mill at its present location in favor of opening a new, modern dining room, after extensive alterations, next door to the Bean Pot where Stone's Gamble Store was formerly located.

The plan is to keep the Bean Pot (to be renamed, of course)

DETROIT EDISON CO. celebrated its 50th anniversary last Friday, Jan. 16, with cake-cutting ceremonies in all of its branch offices. Taking part in the local ceremony at Northville were (above, left to right): Harry Wagenschütz, Edison branch manager in Northville and part of Livonia; Conrad E. Langfield, Village President, who cut cake and delivered a brief address; Mollie Lawrence, Northville Township Supervisor; Glenn H. Cummings, Northville Record publisher, and Jesse Ziegler, Mayor of the City of Livonia. The group later met with other Livonia, Plymouth Township and City officials at a luncheon sponsored by the Edison Co.

Basketball Race Is Hot With 4 Teams Leading

The fight for the Wayne-Oak-

land County League basketball crown has resulted in the closest competition in area play in many years.

Four teams in the loop are tied for first place at present, but two of them will be relegated to second-place berths after Friday night games.

Tied for first place, with identical three-and-one records, are Northville, Milford, Brighton and Clarkston. Holly and Clarenceville, for the time being, are out of the running.

NORTHVILLE VS. CLARKSTON

Northville will play Clarkston on the local court Friday night, and one of the teams will be dropped a notch in standing. Brighton will play Milford the same night, and one of those teams will be forced out of the lead.

The teams have had no regard at all for statistics and previous won-lost records. Northville was beaten by Brighton in the last game of 1952 by two points, but Brighton fell to Clarkston. Clarkston was beaten by Milford, which has been topped by Northville. This should mean that Northville will be favorites over Clarkston Friday night, but actually means nothing at all, so close is the competition.

By the same token, Brighton should be the favorite in the Brighton-Milford match. Brighton edged Northville which topped Milford; therefore Brighton

Records List 70 Deaths in Village

Seventy deaths were reported in Northville in 1952, according to village records.

Only 18 of these were residents of the Northville area.

Woodworth Named Bank Director

Gerald C. Woodworth was elected as a new director of Depositors State Bank at the bank's annual shareholders' meeting Tuesday afternoon.

Mr. Woodworth replaces G. Carmi Benton, who had indicated that he did not wish to be a candidate for re-election. Mr. Benton had been a director since the opening of the bank in 1933, and was previously a director of the old Northville State Savings Bank for many years.

MORE COMMON STOCK

Another purpose of the meeting was to authorize an increase in the bank's common capital stock from \$200,000 to \$250,000. Each present shareholder will have the right to subscribe to the new stock in the proportion of one share for every four shares he now holds, and rights are transferable. All stock not sold by Feb. 28, 1953, will be offered for public sale.

All other officers of the bank were re-elected at the meeting. Directors, other than Mr. Woodworth, are E. M. Bogart, John A. Boyce, A. Russell Clarke, L. C. Stewart, R. M. Terrill and Charles H. Walker. Mr. Boyce is president; Mr. Walker, vice-president and cashier; Leona Parmalee, assistant cashier, and John F. Stubbenvoll, auditor and assistant cashier.

High School Page Begins This Week

"Orange and Black", the high school news page, begins this week on page nine of the Record. The page will be carried each week as a regular feature.

The news page is written entirely by Northville High School (Continued on Back Page)

Record Will Be Operating in New Quarters by Monday

This issue of the Record will mark the end of its publication at 120 North Center St., where it has been printed almost continuously since 1930.

Unless unforeseen difficulties or inclement weather (such as the recent ice storm) make it impossible, the Record will be moved, from presses to paperclips, to its new quarters at the corner of Main and Center streets during the week end of Jan. 22-23-24.

Moving should begin Friday, Jan. 23, when Barney's Cartage, specialists in moving printing equipment, will bolt

the linotypes and small presses to wooden skids for removal. Office equipment, files, type cabinets, paper stock and stereotyping equipment will probably be moved the same day.

The big show, however, will be Monday when the 22,000 pound Miehle newspaper press is scheduled to be partially dismantled, hoisted into the air and carried to the Main street side entrance to the new building.

HURRY TO FINISH

Workmen hastened all this week to finish preparing the new building so the staff can get into operation Monday without loss of time.

Don Stevens, representing Schrader's Furniture Store, laid heavy-duty linoleum in the office lobby Tuesday and Wednesday, and Northville Electric Shop workmen finished installing three-phase electrical outlets for the presses in the basement.

The Northville Heating Co. kept its crew busy Thursday and Friday installing a new gas-designed boiler which will provide steam heat for the three-floor building and the apartment on the second floor.

The Glen Long Plumbing and Heating Co. had already moved radiators and pipes to their proper locations in the lobby, basement and news room. Ray Freeman ended the painting and staining of walls and woodwork, and carpenters finished their work.

MORE SPACE

Greatest advantage of moving to the new site will be greatly-increased work space, and resulting efficiency, for both the news and advertising personnel and pressroom staff. Job presses, composing room and stereotyping will all be located in the basement of the Record's new home. The main floor of the building will house a large lobby given over to bookkeeping, files, display space and a reception desk.

The newsroom and advertising department will be located at the approximate center of the building on the main floor, separated from the lobby by a partition, and separated from the newspaper press at the rear of the building (Continued on Back Page)

No Opposition in Township Primary

Electioneering in Northville

Township will be very quiet for the primary election Feb. 16.

All candidates for township offices are unopposed.

Fred W. Lyke will run for re-election as Northville Township Clerk; Roy M. Terrill, incumbent, filed for Township Treasurer, and Mollie Lawrence, Township Supervisor, will run again for that office.

Ralph L. Hay, Sr., and Robyn D. Merriam have filed for the two Trustee offices and Joseph E. Denton will run for re-election as Constable.

J. R. Gibson has filed for election to the Board of Review for a four-year term.

Harrawood Buys 'Gaffney Corner'

Leo Harrawood, of 27000 Novi Rd., has bought the property known as "Gaffney Corner" at the intersection of Novi Rd. and Grand River Ave. in Novi. Caroline Gaffney was the former owner.

The property, which includes a service station, restaurant and house, is 130 x 140 feet in an approximate square located in the northeast corner of the intersection, said Mr. Harrawood.

He had held the lease on the Standard service station at the corner prior to the purchase, and operated it for some time. Paul Sharkey, who leased the all-night restaurant on the corner last year, will continue to operate it under the lease, Mr. Harrawood stated.

Erwin Sibley Dies in Auto Accident

Erwin H. Sibley, 44, of 119 Rogers St., was killed in an automobile accident in Nankin Township at Plymouth and Eckles Rd., Wednesday, Jan. 14.

He was the son of Samuel and Louisa Reed Sibley, of the same address, and the brother of Alfred Sibley, of Eaton Drive.

Well-known in the village, he was graduated from Northville High School in 1927, and attended the University of Detroit, Michigan State College, Michigan State Normal College and the Chrysler Engineering School.

Rotarians Watch Inaugural on TV

The Northville Rotary Club meeting turned out to be a rambling affair Tuesday noon.

Rotarians and their guests rambled back and forth from the table to a television set as they watched and listened to the inaugural of President Dwight D. Eisenhower at Washington, D. C.

TURNBULL LOANS SETS

The 21-inch set was loaned to the Club by Bruce Turnbull, of the Northville Electric Shop, so members could watch the inaugural during lunch. Mr. Turnbull also provided a set for the Northville Grade School so children there could watch. High School students, unfortunately, were in the midst of semester examinations.

The club thanked Mr. Turnbull, who belongs to the Exchange Club rather than to Rotary, and decided to donate the aerial which had been installed to the First Presbyterian Church in appreciation of the fine noon meals and friendly spirit of the ladies of the church.

Rolling Down The River

by the PETZ BROS.

Nice thing having birthdays, especially when they remember the day and not the years. A little lady we know, recently moved south, where she and her husband have built a home. After forty odd years in this area, they were a bit homesick in spots, so while waiting to move into their new home, promptly made arrangements at the Post Office for a lock-box, to make room for the letters they hoped very much to get. Now, this lady, like most of us, has a birthday now and again, and her sister, over the years, has made a practice of sending her an air-mail special delivery birthday letter. This year was no exception and the air-mail special-delivery arrived addressed to Station A, Box 88. The only point of this story is the tough time the postmaster had in fulfilling his part of the obligation. We hear that he finally had one of the special-delivery messengers run around the building twice before dropping the letter into box 88.

Well, we'll have something pretty special coming your way very soon, and it's truly most worthwhile waiting for. We're talking of the Studebaker for 1953, of course, and the many wonderful things the folk at the factory have done to make this the best motor car ever. Would like to give you a lot of details, but they have gone pretty much all out to improve on a car that was so doggone wonderful to start with. Incidentally, we've a few new '52 models still on the floor and we're offering a most liberal trade-in allowance to motorists that feel they can't wait. You'll be truly surprised at the money, you'll save, providing of course you get here in time, because we haven't many left. How about seeing us tonight or tomorrow?

Fellow in the shop the other day for a bit of motor tune-up, tells us that while his Studebaker is a most wonderful car, he sometimes wonders at all the mechanical strides that automotive engineers have made in the past decade. "Darn car is almost too perfect," says he, "just rolls along mile after mile without trouble and half of the fun of the old day is gone. Not only that, but look at how many dogs have lost their principal joy of living, chasing cars. Was a time when you couldn't drive down a highway without several dogs coming up to argue the matter. Now this Studebaker of mine flashes past so fast that if the pooch bothers to open his mouth he'll most likely be turned inside out."

Well, just because his speedometer has more reading than sixty miles an hour, is no sign he has to use them all, but we like the guy just the same. He never fails to drop in regularly for oil changes, correct lubrication and a perfectly tuned motor. That's what gives him such a perfect car, we suspect, and urge that more of you try the same treatment.

That's that, but we watched a TV culinary expert demonstrate a dish called a "delicious blend of left-overs". In our kitchen we call it "hash".

Yours
BILL and WILL PETZ.

Colts Top Trojan Reserves, 42 to 38

The Colts, Northville High School's reserve basketball team, added another victory to their record last Friday night when they topped the Clarenceville reserves, 42 to 38.

After Clarenceville had posted a 12 to 10 lead in the initial period, the Colts took over and kept a small lead throughout the contest, leading 21 to 16 at the half and 32 to 26 at the three-quarter mark.

The Colts have displayed an increasing amount of poise and floormanship from game to game as Coach Stan Johnston becomes familiar with the league in his first year at Northville.

Gene Rebitzke was high man on the scoring list with 12 points on three field goals and six free throws. Grose got 11 for Clarenceville, and John Funk and Darwin Teshka got ten each for Northville.

The summary for the Colts:

	FG	FT	TP
Rebitzke	3	6	12
Funk	3	4	10
Teshka	4	2	10
Maxwell	2	2	6
Girardin	1	2	4
Somers	0	0	0
Rambeau	0	0	0
Mollema	0	0	0
Nieuwkoop	0	0	0
Waterloo	0	0	0

Clarenceville	12	16	26

40 Persons Die in 1952 State Traffic

On the basis of still incomplete reports, it appears the 1952 traffic death toll will be the fifth highest in Michigan history.

State Police estimate that the deaths for the year will total 1,700, as compared to the all-time high of 2,175 in 1937 and the 1951 figure of 1,640.

Nationally the picture also is grim. A death total of 38,000 has been predicted, which would put 1952 among the five worst years. The record was 39,989 in 1949. The recent holiday season was the frightful climax with a new high Christmas week-end traffic fatality total which, combined with the New Year week-end deaths, reached nearly 1,000.

Michigan's part of this combined total was 40 deaths, 18 of which occurred during the New Year week-end. In 1951, Christmas accounted for 11 and New Year's for 20.

The latest State Police monthly statistical report shows 161 traffic deaths in November, three more than the 158 during the same month a year ago. Accidents, however, totaled 13,510, a decrease of 1,594 or 11 per cent, under 15,104 in November of 1951. Injuries increased 389 or 10 per cent, 4,454 over 4,065.

The name of the junior vice-president of the Novi Chapter of the Blue Star Mothers was omitted in the column last week. Mrs. Hazel Mandilk was elected and installed in that office.

Mrs. Charles Perry is spending a few days this week with her niece, Mrs. Gertie Lee, at Walled Lake.

F. W. Smith of the Grinnell Foundation of Music visited the fifth grade piano classes last week.

Mr. and Mrs. J. W. Erwin and children were called home from their vacation in Florida and Louisiana by the death of Mrs. Erwin's grandmother.

Even Polio Patients Who Can Afford Treatments Helped by 'March of Dimes'

Although four out of every five polio patients in the nation need and receive help from the March of Dimes, "The Fifth Patient" whose family is sufficiently well-off to pay all costs also benefits from the work of the National Foundation for Infantile Paralysis.

William R. Bernard, Wayne County campaign director of the 1953 March of Dimes, today told the story of the "fifth patient" whose life may be saved or whose recovery may be speeded because millions of his fellow-Americans are supporting this nationwide program.

WORST EPIDEMIC

"We have just emerged from the worst polio epidemic in history," he said, "one which struck down children and adults of every income bracket. Since polio leaps all boundaries and invades every type of home, it inevitably hits hundreds, perhaps thousands of people who could afford to pay all the expenses of hospitalization and after-care."

"But money cannot buy a life-sustaining respirator when all the respirators in a community already are in use. It is then that the equipment swiftly routed through the channels of the National Foundation can mean the difference between life and death. Whatever the financial status of the patient, he will get the assistance he needs when he needs it."

"When a patient reaches that point of recovery where he can be 'weaned' from the respirator by the use of a rocking bed, the March of Dimes emergency equipment centers are ready to provide it—and the iron lung can be speeded to another patient, perhaps to another 'fifth' case, or to someone who is penniless. Polio leaves little time for questions."

DIMES TRAIN THERAPISTS

Many patients today also are being cared for by physicians, nurses and physical therapists who have been trained through March of Dimes funds, the director said. The supply of physical therapists alone has been increased.

Mustangs Too Much for Clarenceville 54-35

After three quarters in which neither team showed any great amount of flash or glitter, the Northville Mustangs settled down and applied pressure to stretch a nine-point lead into a 54 to 35 basketball victory over the Clarenceville Trojans at Clarenceville last Friday night.

It was apparently one of those nights when it's hard to get going. Both teams maintained a reasonable scoring pace, until the third period. Then there was a barren stretch for the first three minutes and twenty seconds when the best either team could do was toss in a few free throws. The game officials blew the whistle on Clarenceville six times, and four on the Mustangs in that stretch.

Glenn Howarth topped scoring for both teams with 15 points before he was chased from the game with five personal fouls early in the fourth period. Gerry Graham got 13 points for Northville and Dick Somers added 12 more. Townsley had 13 for the Trojans.

The tall Clarenceville center, target of most of Howarth's fouls, was also thumbed out of the game in the fourth quarter on five fouls. Clarenceville had 27 cracks at the foul line, but managed to accumulate only nine free points.

The Northville summary:

	FG	FT	TP
Glenn Howarth	5	5	15
Gerry Graham	5	3	13
Dick Somers	3	6	12
Ed Nash	3	1	7
Lamar Nally	1	3	5
Jim Mitchell	1	0	2
Al Iversen	0	0	0
Walter Newton	0	0	0
Bruce Felker	0	0	0
Gary Hix	0	0	0

Quarter Scores

	15	27	39	54
Northville	15	27	39	54
Clarenceville	8	22	30	35

69% Average at Free Throw Line

The Mustangs displayed accuracy at the foul line in Friday's game against Clarenceville that would please any coach.

Eighteen of the team's 54 points in the game went through the hoop at the free throw line, representing 69 percent of the team's total. They also represented a 69 percent average for accuracy. The Mustangs had 26 chances. Clarenceville had 27 cracks at the foul line, but managed to accumulate only nine free points.

Young Billy Hubble shows how easy it is to unload a silo electrically. Automatically controlled, the blades work silage to the center, where it is picked up by the blower and dropped down the chute.

ELECTRIC SILO UNLOADER

saves one hour's hard work a day

Every farmer knows that it's hard, disagreeable work to climb into a silo every day and throw down silage. Charles Hubble, Lapeer County farmer, has done something about it with a new electric silo unloader that does the job for him and saves at least an hour of work every day.

He finds these advantages, too. (1) The cows eat more because the silage

is shredded finer. (2) The revolving blades keep the top of the silage leveled off, with less surface exposed to freezing. (3) Less waste from spoilage.

For more complete information on this new time-saving electric farm-hand, see your dealer or your Edison Farm Service Advisor.

Good wiring is always important. So always ask your Farm Service Advisor for his recommendations.

Events of the Past in Northville

News Items Taken From the Files of the Record

ONE YEAR AGO—

Negotiations neared completion for the purchase of final pieces of property needed by the village to begin construction of an alley in the rear of stores on the south side of East Main St., opposite Hutton.

Mrs. Maude Billman of Billman's Realty was installed as one of the two directors of the Western Wayne County Board of Realtors at its annual dinner meeting January 14.

The Northville Coordinating Council solicited the support of the 32-member organizations in its efforts to coordinate village functions.

The Northville Fire Department was called to put out a blaze at the White Kitchen Monday.

Kenneth Rathbun of Rathbun Chevrolet Sales celebrated his 20th anniversary in business in Northville.

Gail Matzen, Northville High School senior, was awarded a president's scholarship from Monticello College, Alton, Ill. Gail's parents are the Donald W. Matzens of Novi Rd.

Lillian Hodge and Henry Bidle were united in marriage at the First Presbyterian Church.

The Northville High School debaters won their affirmative and negative battles in the Wayne-Oakland League Tournament.

Mr. and Mrs. William B. Crump celebrated their eighth wedding anniversary at a party last week.

Dave Lee, local Rotary exchange student, ended a European tour under the "Youth for Understanding," Inc. organization. The plan was conceived through the cooperation of several Michigan Rotary International Clubs.

FIVE YEARS AGO—

The Village election was slated to be held March 8. Local Postmaster Fred E. Van Atta reports that 1947 was the most successful year in the history of the local Post Office with postage stamp sales coming within \$1,800 of the \$40,000 required for a first class station.

One Year Ago: John Angell, left, and John Chedrick, right, were two of the first in line to be checked by Red Cross nurses in the January, 1952, drive in Northville which netted 126 pints of blood.

Dorothy Greger, daughter of Mr. and Mrs. Edward Greger of Northville Rd. was chosen to receive the annual D.A.R. Good Citizenship Award.

The Elv Coal and Ice Company sponsored several free trips and entertainment for the local grade school pupils to the Shrine Circus at the State Fair Grounds.

Mr. and Mrs. John Bouhous observed their 59th wedding anniversary.

TEN YEARS AGO—

Nelson C. Schrader was named to head the fourth annual President's Ball Jan. 29 in the high school gymnasium.

Thomas R. Carrington, son of Mr. and Mrs. T. R. Carrington, a junior at Michigan State Normal College, Ypsilanti, took over the editorship of the Normal News, the weekly newspaper of the campus.

The Ray J. Casterline Funeral Home was open to public inspection following completion of a remodeling program.

Mrs. James Congo substituted for Mrs. K. H. Babbitt, who was absent from her grade school class room because of the illness and death of her father, Dr. A. T. Holcomb.

FIFTEEN YEARS AGO:

Mr. and Mrs. C. W. Johnston announced the marriage of their daughter, Geraldine, to Jack Boyd McCrumb of the U.S. Coast Guard. Over \$323,177 was invested in War Bonds and Stamps in Northville during 1942.

Word was received in Northville announcing the death of Louis Bouchard of East Tawas (Mich.) in the armed forces of the United States.

Mrs. Paul Alexander and Mrs. Chubb Smith were in charge of arrangements for a public card party given by the American Legion Auxiliary.

The Five Hundred Club met at the home of Mrs. Beitha Stanley.

All stores remained closed Monday with the exception of food and dry good stores which were open until noon. This was in compliance with an order from the fuel administration.

NOVI LODGE NEWS

Novi Rebekah Lodge No. 482 met in special session Friday evening for installation of officers. The installing staff consisted of Acting District Deputy President Mary Ann Atkinson, Deputy Marshal Irene Staman, Deputy Secretary Alice Hopkins, Deputy Warden Frances Curtis, Department Financial Secretary Sue Watson, Department Treasurer Dorothy Shaw, Department Inside Guardian Rowena Salow and Department Chaplain Ella Curtis. They installed the following officers: Noble Grand, Irene Kahl, Vice Grand, Irene Wendland; corresponding secretary, Larce Bell; financial secretary, Annie Ortwin; treasurer, Grace Frisbie; Warden, Jeanne Clark; Conductor, Ruth Woodworth, Right Supported to Noble Grand, Doris Darling; Left Supporter to Noble Grand, Rowena Salow; Right Supporter to Vice Grand, Sue Watson; Left Supporter to Vice Grand, Lulu Whittington; Inside Guardian, Thelma Cheeseman; Outside Guardian, Olga Tuck; Chaplain, Flossie Eno, and musician, Celia Sharpe.

Bachert received a Past Noble Grand jewel, a gift of the lodge, and also a traveling case, a gift from her staff of officers. She in turn presented each of her officers with a gift.

After remarks from several guests present the meeting closed and all enjoyed a lunch and social hour in the dining room. The next regular meeting of the lodge will take place Thursday evening, Jan. 22.

Best He Could Do

The family was objecting to its son's girl, insisting that he ought to be a little more particular about the feminine company he was keeping. "I'm sorry, Dad," said the boy, "but that's the best girl I can get with the car we've got."

So different

it creates a field all its own . . .
an entirely new kind of Chevrolet
to be compared only with
higher-priced cars!

new Chevrolet Bel Air series

Heading three great new lines for '53

Now, in the Bel Air series, Chevrolet creates for you a new class of American cars. Here is distinction of appearance and fineness of appointments far beyond anything in Chevrolet's field.

The Bel Air series includes four models—2-door and 4-door sedans, sport coupe and convertible. Twelve other models are in the "Two-Ten" De Luxe and "One-Fifty" Special series. Sixteen models in all, provide a new Chevrolet for every buyer and every need. All give you new high compression power, greater gasoline mileage. A new Powerglide* automatic transmission, and Power Steering,* are among the greatest advances. Come in and see all the new features that make Chevrolet for '53 entirely new through and through!

*Optional at extra cost. Combination of Powerglide automatic transmission and 115-h.p. "Blue Fire" engine available on "Two-Ten" and Bel Air models. Power steering available on all models.

Startlingly NEW! . . . wonderfully different!

★ To lighten the burdens of those who must watch the passing of time between living and the New Life, we are watchful of every detail, respectful of every wish, helpful and considerate in every way within our power.

**YOU
need it
every
day...**

How many times each day do you need such a common thing as a kitchen spoon? Can you imagine trying to get along without it?

It's the same with your telephone.

You rely on it constantly. And it serves you for only pennies a day. The telephone is one of your biggest bargains. And it hasn't gone up in price nearly as much as most things you buy.

Worth a lot more than it costs

**Michigan Bell
Telephone Company**

of Iowa, were among those present. Other ladies were of this neighborhood.

Mrs. Virginia Oman of Brentwood Ave. spent last Saturday with her sister, Mrs. Loren Read, in South Lyon Mr. and Mrs. Read escorted Mrs. Oman home and spent the evening with Mrs. Read's parents, Mr. and Mrs. Austin Ault, on Brentwood.

The Livonia Civic Chorus has resumed practice again now that the holidays are over. They are anxious to have more men and women who are willing to sing join their group.

Mrs. Edwin L. Johnson pleasantly entertained a dozen of her friends and relatives at her home on Clarita Ave. last Tuesday evening. A demonstrator for lingerie products and costume jewelry was on hand to provide entertainment.

Mr. and Mrs. Clinton Ault of Thirteen Mile Rd. called on Mr. and Mrs. Louis Graham, Mayfield Ave. Tuesday afternoon.

A. D. Ahler of Detroit called on his uncle, E. W. Stange, on Mayfield, last Monday evening. Mr. Ahler's mother, who is Mr. Stange's sister, remains bedfast following the hip fracture she suffered several months ago.

V. C. Reddy of Shady-side Ave. visited Ira Magner in Harper Hospital Tuesday evening.

Mrs. William Fisher of Mayfield Ave. spent Thursday in Detroit. Mr. and Mrs. Stanley Markham of Woodring Ave. and Mr. and Mrs. Frank Markham of Shady-side Ave. recently attended a family reunion in Pontiac.

Mrs. Harold Ford, president of the Livonia Methodist W.S.C.S., and Mrs. Robert Kellogg, former president, attended a dinner at the Greenfield Methodist Church Thursday evening of last week.

Mr. and Mrs. Harry Richard and sons, Bobby and Don, of Detroit were Saturday evening dinner guests of Mr. and Mrs. Francis Wagner of Westmore Ave.

Mrs. Herman Schult of Shady-side Ave. was a Detroit visitor Friday.

At her home on Mayfield Ave.

Mrs. Cecil Willet entertained the mothers of her Girl Scout troop last Wednesday afternoon.

The Norman Kauranens all attended a relatives funeral in Detroit Thursday afternoon.

After spending several weeks with relatives and friends in Detroit Mrs. Ira J. Magner returned to her home on Shady-side Ave. Wednesday. A daughter, Mrs. Wesley of Iowa, is her house guest for a week. Mr. Magner, who had been a patient in Harper Hospital since before the holidays was moved home by ambulance Friday.

Mrs. Grace Simpson of Mayfield Ave. visited her sister, Mrs. Briggs and her family, in Redford last Sunday.

Mrs. Bertha Mercer, formerly of West Seven Mile Rd., but now of California, writes that since Christmas she has moved from Inglewood to Los Angeles where she has taken an apartment.

Mr. and Mrs. Chester Krumm of Traverse City have been visiting Mrs. Krumm's sister, Mrs. J. C. Dunaman and Mr. Dunaman on Farmington Rd.

Mr. and Mrs. Robert Padot and their little daughter of Monroe visited with Mrs. Padot's parents, Mr. and Mrs. Joe Roberts on Mayfield Ave. last week-end.

Mrs. Leslie Bolyard who for several weeks has been ill in University Hospital, Ann Arbor, is now somewhat improved and it is hoped that in the near future she may be able to return to her home on Hubbard Ave.

The Livonia Methodist W.S.C.S. held a profitable and delicious chicken supper Friday.

Herman Schult, a patient in Healthwin Hospital, South Bend, Ind. has called his family on Shady-side Ave. Thursday evening. He announced that he has now been placed in what is known as "The Workshop Department" of the hospital which indicates he may be able to leave the hospital in another few months.

Mr. and Mrs. Charles Haas, formerly of Hubbard Ave., but now of Grand River, have been writing, describing to friends in this area, the wonderful vacation now being enjoyed in Florida.

Painting Rusty Spots

Before repainting, all rusted spots should be sandpapered bright and should be touched up with one of the special meal primers now available. These touched up spots should be allowed to dry thoroughly before the finish coat is applied.

Minutes of the Board of Education

January 7, 1953

The regular meeting of the Northville Board of Education was held in the board room on Wednesday evening, January 7, 1953.

Present: Eural F. Clark, Donald B. Severance, Robert F. Coolman, Nelson C. Schrader, R. H. Amerman.

Absent: George L. Clark.

Others Present: E. V. Ellison, Ruth M. Knapp, Florence Keith. The minutes of the last regular meeting were read and approved.

Communications: C. E. Brake, advising that the County health department is planning to make available chest x-ray services to school employees every fall; card of thanks from Mrs. William Horsfall, Veterans Institute, stating that they will arrive presently to audit accounts of our veterans institute which operated during the year 1946-47; inquiry from Mr. Harold Marks concerning the purchase of the school bell in the Baseline School; notice of annual Michigan School Board Conference in Lansing on January 19, 1953.

Treasurer Coolman reported receipts and balances as follows:

Received since last meeting — \$22,823.72

Balance in General Fund — \$1,794.57

Balance in Debt Retirement Fund — \$27,116.52

Motion by Severance and second by Schrader that the report of the treasurer be accepted. Carried.

Auditing Committee approved for payment vouchers as follows: Bills, \$3,392.86; Payrolls, \$21,769.50. Moved by Severance, seconded by Schrader, that bills and payrolls be paid, if and when funds are available. Carried.

Upon motion by Coolman and second by Severance, fire insurance on the Thayer and Baseline school buildings was renewed as follows: Thayer, \$4,000.00; Baseline, \$3,000.00.

Motion by Severance, second by Schrader that we pay the \$50.00 annual dues to the Michigan School Board Association. Carried.

Motion by Severance, second by Coolman that the superintendent be authorized to attend the Superintendents' Conference in Grand Rapids on January 23, 24, expenses paid. Carried.

Motion by Severance, second by Schrader that E. V. Ellison attend the Conference of the North Central Association of Colleges and Secondary Schools at Chicago in April. Carried.

Following a thorough review of the financial condition of the state and local schools, Mr. Schrader moved the adoption of resolution requesting permission from state authorities to borrow \$9,999.00 as of January 15, against state aid payments, as authorized by the special session of the legislature last December. The resolution carried.

Upon motion by Coolman and second by Severance the meeting was adjourned at 11:00 p.m.

D. B. Severance, Secretary pro tem

CHRISTIAN SCIENCE CHURCH

The knowledge of truth brings true freedom. This is shown in the Lesson-Sermon under that subject to be read in all Christian Science churches on Sunday, Jan. 25.
 The Golden Text is from Psalms (89:14): "O Lord God of hosts, who is a strong Lord like unto thee? or to thy faithfulness round about thee?... Justice and judgment are the habitation of thy throne: mercy and truth shall go before thy face."
 Among the Bible citations is this passage, (John 1:1, 2): "In the beginning was the Word, and the Word was with God, and the Word was God. The same was in the beginning with God."
 Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "The time for thinkers has come. Truth, independent of doctrines and time-honored systems, knocks at the portal of humanity." (Pref. vii)

Eggers-MacDermaid Vows Read in Salem Ceremony

Irene Joyce Eggers and James MacDermaid pledged their marriage vows before the Rev. Peter F. Nieuwkoop Thursday evening, Jan. 15 in the Salem Community Building, Salem.

The bride is the daughter of Mrs. Mathilda Eggers of 251 East Main St. and Mr. and Mrs. William MacDermaid of Walled Lake are the parents of the bridegroom.

Walter Eggers gave his sister in marriage before an improvised altar in the single ring candlelight ceremony. Mrs. Jean Barber, sis-

ter of the bridegroom, presided at the piano.

White nylon net over taffeta formed Irene's bridal gown which was distinguished by a square neckline, brief puffed sleeves and a very bouffant skirt. Her elbow length mitts were of nylon net and a seed pearl tiara secured her fingertip veil of illusion. The bride chose a pearl necklace as her jewelry and she carried an arm bouquet of white orchids and carnations.

Irene asked her mother, Mrs. Eggers, to attend her as matron of honor. A gown of powder blue, fashioned identically to that of the bride, was her choice for the wedding. A blue net headpiece and matching elbow length gloves completed her ensemble and her arm bouquet was of orchids and pink carnations.

Harold Suñord acted as best man and attendants were Robert Norton, Jr. and John Eggers.

A reception for 80 guests immediately followed the ceremony at the hall. The bride's sister, Bernadette, was in charge of the guest book and Mrs. Jack Eggers, a sister-in-law, presided at the refreshment table.

The couple plan to make their home in their apartment on North Center St. after Feb. 1.

The bride was graduated from Walled Lake High School and attended Wayne University.

James has been employed at the Novi Equipment Company for the past three months since his discharge from the United States Army. He was awarded the Purple Heart following service in the Korean War.

OLV Altar Society Installs Officers

Members of Our Lady of Victory Altar Society met last Wednesday afternoon for installation of officers to serve for the ensuing year.

Heading the group as president is Mrs. Frank Jentgen; Mrs. Arthur Heslip, vice-president; Mrs. Lee Heaton, treasurer; Mrs. E. Geraghty, secretary. Chairman of the Ways and Means Committee is Mrs. Joseph Kirkey; Mrs. John Siok will head the visitation committee, and Mrs. Marshall Huff is publicity chairman.

Following the installation ceremonies, a luncheon was served by co-hostesses, Mrs. M. Bielejeski, Mrs. J. Holman and Mrs. John McIntyre.

The group made plans to hold a bake sale after masses on Sunday, Jan. 25. Proceeds from the sale will go towards needs of the parochial school.

Mr. and Mrs. John H. Williams, Jr.

California Ceremony Unites Hazel Covell, John Williams

From Maywood, Calif. comes the announcement of the recent marriage of Hazel L. Covell, the daughter of Mr. and Mrs. Roy W. Covell of Maywood, formerly of Thayer Blvd., Northville.

Hazel and John H. Williams, Jr., son of the John F. Williams of Bristow, Okla., exchanged marriage vows in the Maywood Methodist Chapel before the Rev. Keith Kanago.

Given in marriage by her father, the bride was gown in white nylon net with an embroidered bodice. A bonnet of illusion held in place her fingertip veil and she carried a cascade bouquet of white roses and lily of the valley, centered with an orchid corsage.

Mrs. Frank Flock (Janice Covell) who attended her sister as matron of honor wore a gown of pink satin and lace with a matching headpiece of net. Baby orchids formed her bouquet.

Best man was Frank Flock, brother-in-law of the bride, and Gerald Frayer seated the guests. A reception in the church parlors followed for relatives and friends.

After honeymooning in San Diego, the couple returned to reside at 3738 East 54th St., Maywood.

The new Mrs. Williams attended Northville High School and Michigan State Normal College. The bridegroom received his education in Oklahoma schools.

Legion Auxiliary Again Quota Unit

With an enrollment of 81 members for 1953, Lydella Ely and Virginia Burnham, co-chairmen of the membership committee of the Lloyd H. Green Unit No. 147, announced last week that the organization is again a quota unit.

Word was received by the local unit that the 17th District of the Michigan American Legion Auxiliary of which the Lloyd H. Green Unit is a part, was presented a new stand of colors, the gift of their district president, Mrs. Alice Mickens.

The next regular meeting of the unit will be Tuesday, Jan. 27 at 8 p.m. at the Veterans' Memorial Building. Mrs. Merrill Sweet will serve as chairman of the lunch committee for the social hour after the meetings of the post and unit.

Nature Study Classes Offered to Public

Anyone interested in nature study and conservation is invited to attend a series of classes planned especially for those who are planning summer activities such as camping, touring or nature field work.

These classes, sponsored by the Detroit Audubon Society and conducted by Mrs. Perry J. Reynolds, will be held at Marygrove College, 8425 W. McNichols Rd., in Room 204, Liberal Arts Building.

Classes will be held each Friday from 10 a.m. to 2 p.m. beginning Jan. 23 for nine successive weeks. The study will cover rocks, soil, simple geology, trees, insects, birds and particular attention will be given to nature in camping and touring.

A small registration fee will be charged for the course.

Try Record Want Ads

Parents Announce Clark-Foreman Troth

Grace Sharon Clark

Mr. and Mrs. Harry C. Clark of Merriman Rd., Livonia, announce the engagement of their daughter, Grace Sharon, to Ted F. Foreman, son of Mr. and Mrs. Earl Foreman of Eaton Dr.

Grace is a senior at Bentley High School, Livonia, and her fiancé, who attended Northville schools, is presently employed by Cy Owens Ford Sales and Service.

The young couple have not set their wedding date.

Urgent - Need Cloth for Cancer Dressing

An appeal for white material for use in making cancer dressings has been made this week by Mrs. E. J. Willis, local cancer patients' aid chairman. "The present supply is dangerously low," she said, "and we must have an adequate amount of dressing on hand for local patients."

Cub scout troops will be available throughout the week to pick up any of the clean white material. Anyone wishing to donate cloth may call Mr. Muller, Cub Scoutmaster, or Mrs. Carlson of Den 1, phone 402 and a cub scout will call at your home.

278 Babies Born in Village in 1952

Two hundred and seventy-eight births were recorded in Northville in 1952, according to village records, although all of the children were not born to Northville families.

The records listed 145 boys born during the year, and 133 girls.

Minute Women Plan Election of Officers

Mrs. Herbert N. Frogner, chairman of the Northville Minute Women, has announced that there will be a meeting Tuesday evening, Jan. 29 at 7:30 p.m. in the downstairs room of the library.

The meeting will be an important one, with the annual election of officers and the discussion of plans and projects for the coming year. There will also be voting as to the possible renaming of the group. All members are urged to attend.

Mrs. Goodrich Is New President of Girl Scout Council

Mrs. C. M. Goodrich has been elected to head the council of the Northville Girl Scout Association as president for the coming year. The announcement was made following the annual business meeting of the organization held last Tuesday evening at the home of Mrs. W. E. McCarthy on West Main St.

Assisting her as vice-president is Mrs. Drake Older; secretary, Mrs. W. E. McCarthy, and treasurer, Mrs. Harry Wagenschutz.

Highlighting council activities for 1953 is the annual benefit card party, the sole fund raising project of the organization, which has been slated for Feb. 19 at the V.F.W. Hall, according to Mrs. Del Hahn, chairman.

Retiring president of the council, Mrs. John Clark, was presented with a gift of appreciation from her colleagues and a co-operative dinner was given in her honor preceding the business session.

Extension Dept. Gives Merit Awards

At the regular meeting of the Clement Road Extension Group held last Thursday at the home of Mrs. L. J. Marcoux on East Eight Mile Rd., Mrs. Joseph Kirkey, secretary of the group, received a pin of honor in recognition of her appointment as outstanding secretary of Wayne County Extension groups.

Also honored for her outstanding leadership work in the club was Mrs. Russell Knight, who received an extension pin from Michigan State College.

The appointments were made by Miss Emma DuBord, Wayne County Home Demonstration Council agent, upon the recommendation of Mrs. Samuel Geraci, past group leader.

Kay Kreger Betrothal to Danny Laskey Told

Kay Kreger

Announcement has been made of the engagement of Kay Kreger, daughter of Mr. and Mrs. Arthur W. Kreger of Novi, to Danny Laskey. Mr. and Mrs. Leeland G. Laskey of West Cady St. are parents of the bridegroom-elect.

Kay is a senior at Northville High School and Danny, who also received his education in Northville schools, is currently employed by the Daisy Manufacturing Company.

No date has been set for the wedding.

Birthday Party Fetes David Severance Sat.

Saturday evening, 28 classmates of David Severance met for a surprise birthday party in his honor at Black's White House.

The huge tiered birthday cake which centered the Smorgasbord was decorated with an airplane.

Following the dinner and opening of gifts, the group was entertained with games and dancing at the Severance home on Novi Ave.

Mrs. Marion Sober to be Woman's Club Speaker Friday

Members of the Northville Woman's Club will hear an art talk by Mrs. Marion Sober, local artist, at their next regular meeting to be held Friday afternoon at 2:30 p.m., Jan. 23 at the Village Library. The session has been designated as "Guest Day" and a tea will be served following the talk.

"Studies of master craftsmen abroad and in the United States" will be discussed by Mrs. Sober who will exhibit pieces of artists' work to illustrate the lecture. Included in Mrs. Sober's collection is a brass pitcher from Switzerland, a piece of Cloisonne from Germany and pottery curios by Greuff of Munich, Germany, who is known for his development of interesting glazes. From Nigeria, Africa comes a black elephant carved of teakwood and several items of Marguerite Wildenhain's California pottery will be displayed.

W.S.C.S. Circles Plan Meetings for Tuesday

The W.S.C.S. groups of the Methodist Church will meet Tuesday, Jan. 27 for a pot-luck luncheon and business meetings.

Mrs. Irene Boyd will be hostess to the Grace Tremper Circle at her home at 406 Dubuar St. The Lucy Filkins Circle will meet with Mrs. Louese Cansfield at 404 West Dunlap St. and members of the Bertha Neal Circle will meet at the home of Mrs. A. W. Litsenberger, 572 Randolph St.

Seiting, Childers Vows Read Jan. 15

In a quiet ceremony performed Thursday, Jan. 15 by Edward M. Bogart, justice of the peace, Ada Ruth Seiting became the bride of Arnold Childers.

Mr. and Mrs. Earl Seiting of South Lyon are parents of the bride, and Arnold's parents are Mr. and Mrs. Arnold Childers, Sr. of South Lyon.

Following a honeymoon in the southeastern states, the couple will make their home in South Lyon.

PARTY TIME

The take's good, according to three-year-old Colleen Bekker of Douglas, who is stopping at Mary Free Bed Hospital for treatment to speed her recovery from polio. Colleen was only a year old when she was stricken. Following the record-breaking epidemic of 1952, more polio patients than ever before need your help for continued treatment. Give generously to the 1953 March of Dimes before the campaign comes to a close on Jan. 31.

Novi Girl Scouts

The Novi Intermediate girl scouts held their regular meeting at Novi School Jan. 14. We worked on felt purses which we began at a previous meeting. Twenty girls were present. Barbara Wood and Ellie Hunt furnished the treats. We elected new officers at our meeting. Ellie Hunt is president; Nadine Hayes, secretary, and Donna Eagle, treasurer.

Novi Brownie Troop 3 held their regular meeting Jan. 14. We had a short business meeting with Freda Angel acting as secretary. Caroline Edelmann and Marion Slentz assisted in the collection of dues. Mrs. Richard Ritter helped Co-leader Mrs. Amy Edelmann in making south sea island treats for the girls. Hostesses for the day

were Judy LaFond and Marion Slentz.

Seven Girl Scout leaders and committee women of the Novi Girl Scout Association attended a Girl Scout conclave and luncheon at the International Institute, Detroit.

Featured in the afternoon's program were representative speakers of Girl Scout organizations in Poland, India, Germany and the Netherlands.

Attending the affair were Mrs. Robert Skellinger, Mrs. Vincent Hayes, Mrs. Kenneth Bassett, Mrs. Walter Edelmann, Mrs. John Klaserner, Mrs. Leslie Clark and Mrs. Leo Harwood.

Dr. Eung Soo Han

BPW Club to Hear Dr. Eung Soo Han

Dr. Eung Soo Han, who is associated with the William H. Maybury Sanatorium, will address the next dinner meeting of the Northville Business and Professional Woman's Club set for Monday evening, Jan. 26 in the Methodist Church House. The club's International Relations Committee, headed by Mrs. Marie McKenna, is in charge of the program.

Dr. Han, who was born in Seoul, Korea, graduated from Seveance Union Medical College in that city and taught bacteriology there until coming to the United States where he became director of City Health Laboratories, under the military government.

In 1949 Dr. Han came to Duke University as a Research Fellow under the World Health Organization, sponsored by the United Nations, and was associated with Dr. D. T. Smith, former president of National Tuberculosis Association. He then spent 18 months at North Carolina Sanatorium as Fellow Associate under Dr. H. S. Willis, former medical superintendent at Maybury. Since that time he has been on the staff of the William H. Maybury Sanatorium.

Dr. Han plans to return to Korea in March to teach at the Seveance Medical College and to become associated with Tuberculosis Control work with the Korean government. His wife is a qualified chemist and is employed by the United States Army in Korea. The couple has a four-year old daughter.

Methodists Plan Banquet Jan. 29

The public is cordially invited to attend the annual Missionary Banquet of the Methodist Church Thursday, Jan. 29 at 6:30 p.m. in the church house. Reservations should be phoned in to the church office for the planned cooperative dinner.

The program and decorations will center around a theme of study, "Africa". Special music will be negro spirituals sung by the three church choirs and two quartets.

Two brief reviews of the lives of David Livingston and Robert Moffat will be presented by Mrs. Richard Somers and Mrs. Charles Logeman. Mrs. Hodgson is planning a flannelgraph and will direct a skit depicting an African palaver. The program will conclude with a sound color film, "Africa Waits for Christ and the Church".

Unlike modern fathers, who are satisfied to have one namesake, the Emperor Constantine had three. They were his sons, Constantine II, Constantius and Constans. When the emperor died in 337 A.D., the Roman Empire was divided among them, Gaul and the west going to Constantine II, Constantinople and the east to Constantius, and Italy to Constans.

Firemen's Salaries	275.75

\$7,611.39
Moved by Stubenvoll, supported by Allen, that bills be paid.
Carried.

Treasurer's report for the month of December, 1952, showed the following balances in the several accounts as of Dec. 31st, 1952:

General Fund	\$25,129.90
Water Fund	8,192.06
Debt Service Fund	9,093.27
Rural Hill Cemetery Fund - General	742.55
Rural Hill Cemetery Fund - Trust-Cash	252.80
Rural Hill Cemetery Fund - Invest.	4,900.00
Pub. Imp. Fund - Cash Bal.	2,302.57
Pub. Imp. Fund - Investments	179,000.00

Chief Denton submitted the report of the Police Dept. for the month of December, 1952, and also his annual report.

Supt. Hartner reported that the Village Clock faces had been received and as soon as Elmer DeKay could get to it, the clock would be reconditioned.

The report of Health Comm. V. Geo. Chabut was also presented for the month of December, as well as his yearly report.

It was moved by Ely, supported by Woodworth, that these reports be accepted and placed on file.
Carried.

Communication was read from the Board of Education regarding need for a sidewalk on W. Main St. between Orchard Dr. and Rogers St. Village Commission feels that a complete survey of the sidewalk situation must be made before the 1953 budget is compiled, and that this recommended strip of sidewalk would be considered in this survey.

Petition was read from the Northville Township Improvement Ass'n. requesting that the Village President and Commission withdraw any circulation of petitions for the creation of a City form of government and to provide for its territorial expansion through the partition of the Township. It was explained to the directors of this Association who were present that the Village Commission had not authorized the circulation of such petitions, that their only connection with the matter was that the committee to make a study of the advisability, or otherwise, of becoming a city was appointed by them. If petitions are circulated, it will be done by a group of citizens on their own initiative, and the Village Commission has no right to interfere in their circulation. Their only further interest in the matter is to act upon such petitions if and when they are presented. The inference in such petition was that the services of the legal counsel of the Village services, whose services are paid for by the taxpayers, was being made available to the proponents of the City plan, to which Atty. Littell objected, stating that he had been paid nothing for any service on behalf of such committee. Because of the facts heretofore set forth, no action was taken by the Village Commission on this petition.

The Police Dept. was instructed to investigate the parking situation by the Catholic Church during church services, which was reported by D. J. Stark as being hazardous.

At the request of Leland Smith, representing the Retail Merchants' Assn. it was moved by Peters, supported by Allen, that they be allowed to remove the greens and colored lights from the strings spanning the streets from Dunlap St. to the first string of lights on S. Center, and from Wing St. to Church St. on Main St. and substitute clear lights, and to keep them burning evenings during the month of January, and perhaps longer, the provision that be taken up again at the end of a thirty day period if it is desired to continue.
Carried.

Only one bid was received in response to the advertisement of the Village Commission for one (1) used four-cylinder Crawler Tractor R-4 equipped with 8 ft. hydraulic angle dozer blade, 14" track shoes and reconditioned gasoline engine. Blackett, Inc., of Farmington, Michigan, bid \$1,800.00. Moved by Comm. Ely, supported by Stubenvoll, that the bid be accepted, with the provision that the tractor be demonstrated to prove its satisfaction before the purchase is completed.

An agreement was presented by the Detroit Edison Co. regarding the use of utility poles, and Atty. James Littell was requested to check this agreement before it is signed.

The proposed new trailer ordinance was read by Atty. James Littell, and same will be given a public hearing at the Commission meeting to be held Monday Eve., Jan. 19, 1953 at the Village Hall, before the Village Commission considers its passage. This ordinance considers only individual trailers.

No further business appearing, meeting was adjourned.
(Signed) Mary Alexander, Clerk

Ask Support for March of Dimes

Would you like to join the winning side of one of the greatest and most vitally important battles of our time? Then join the millions of Americans who are marching to victory in the fight against infantile paralysis. Join the March of Dimes!

Those stricken by polio can be cured. But it takes money—money for research and most important, money for treatment. Just a small sacrifice on our part, a few dimes, will make it possible for another child to walk again.

Remember that someday your child or friend may be stricken and need help, too.

High School Student Explains Aims, Makeup, Activities of Student Council

by Lucien Lovewell

Many times you may have heard about the Northville High School Student Council, perhaps without realizing what organization was referred to. There is a brief but fairly complete picture of our council.

It is made up of a mayor, a secretary, a treasurer, a chief of police, a health officer, a faculty advisor and student representatives from the various homerooms. Each homeroom (there are about fifteen) elects a representative and an alternate.

The mayor, secretary and treasurer are elected by the school as a whole in the spring so they may take office at the beginning of the school term the following autumn. The actual election is not held until the candidates are made known to the student body. Advertising of the candidates is started in the late fall with posters, pins, hats, signs, and slogans which are passed around throughout the school by the student-sponsors backing the candidates. The "campaigns" are brought to a climax in an assembly, where each sponsoring group presents a program which consists of pointing out each candidate's merits and qualifications. After several days during which students consider each candidate's assets, an election by secret ballot is held. The newly-elected mayor then fills the appointive offices of Health Officer and Chief of Police.

The High School Principal, Mr. E. V. Ellison, is our regular advisor and enjoys working with the council.

This year's mayor is Mitchell Rackov. Theresa Duchesneau is secretary and Lucien Lovewell the treasurer. Glenn Howarth was appointed Chief of Police, and Arlene Jerome serves as the Health Officer. Early in the year, when the council attends the monthly meetings of the Wayne-Oakland League Student Council, it becomes necessary to appoint a student to participate in the League Assembly meetings, which sponsor talent programs in the League schools to promote better understanding among the students. This position is now held by Walter Newton.

The council meets every Tuesday. Its purpose is to provide a body to which suggestions or complaints can be brought for discussion on a fairly impartial basis. The speech class cooperated with the council by setting up a suggestion box to allow participation by students who are timid about making suggestions.

One of the ideas presented to the council was the suggestion that a stairway and platform be erected behind the school on Cady St. to give students a suitable method of getting to the street. The council, after setting up a committee to look into the situation, and upon the committee's recommendation, undertook this project early in the fall. The construction of the platform and stairway is now completed.

Among the council's past and present projects are:

1. Keeping lunch rooms in order.
2. Handling talent assemblies.
3. Selling soft drinks, candy, and hot dogs at the basketball games.
4. Operating the concession stand at the football field.
5. Sponsoring public-opinion polls to secure student ideas.
6. Serving refreshments to the basketball players from both teams after league games.
7. Selling tickets for home basketball games.
8. Sponsoring religious services at Thanksgiving, Christmas and Easter.
9. Helping students find solutions to their problems.

New Examination System Favored

by Catherine Rambeau

A new system was used during the semester examinations at Northville High School Tuesday, Wednesday and today.

In previous years it has been the custom to hold exams in the regular class hours, taking either one or two days to complete them. One of the faults of this system was that it gave students very little time to study during school hours, as they attended their usual classes, even if there was no test scheduled for that day.

The new system, used widely by our colleges, is as follows: Students come to school Monday and any of the three successive days on which their own exams are scheduled. Examination periods last one and one-half hours, but if a student completes his test in an hour, he is permitted to leave the building or go to a study hall.

I favor the new system because it tends to give the students more time to spend on the exams, more time to study, and prevents the passing of test information from class to class.

77 Turn Out for G.A.L. Basketball

by Carolyn Miller

The girls in this school are becoming very athletic, if basketball gives a clue.

Seventy-seven girls, an all-time high, turned out for the opening of the girls' basketball season Jan. 6.

Although bowling has been going on for quite some time, it still seems to be generating plenty of enthusiasm. Janie Beckel's score of 206 is highest of the season so far.

Alumni Tell About Life at College

Miss Panattoni's two speech classes were fortunate enough to have four alumni give their views of college life. The four college freshmen were Gail Matzen, Dave Lee, Stan Dahlager and Jim Clark.

Miss Matzen, who attends Monticello College in Godfrey, Ill., gave the girls a good idea of how college life is without boys around, as Monticello is a girls' college. Dave Lee told students something about dormitory life and gave some interesting facts about his classes.

Stan Dahlager is studying pharmacy at the Detroit Institute of Technology. He described the curriculum and mentioned some of his classes. Ferris Institute of Technology in Big Rapids was represented by Jim Clark, who told us some of the teaching methods and sports there.

A week before, Bob Pullen gave the classes a talk on physical education and R.O.T.C. at Michigan State College. These talks gave the students a broader view on several types of college life and encouraged many of them to look into college plans more carefully.

Students, School Nurse Commended by TB Society

Miss Ruth Knapp, R.N., nurse at the high school, received the following letter from the executive secretary of the Detroit TB and Health Society:

Dear Miss Knapp:

Congratulations to you and all of your school "family" for a magnificent contribution to our recent Christmas Seal campaign!

The \$120.90 check to Mrs. Chabut far exceeds the \$85.50 record of a year ago.

We are so pleased with your interest, which resulted in this grand showing, that we'd fire a 21-gun salute on the public square if we had a cannon at hand.

Believe us, your leadership and the splendid showing of the school children as a result is a source of real satisfaction.

Many, many thanks!

Michigan Mirror: Dems, GOP Both Wonder If Williams Will Run for U. S. Senator in 1954

By GENE ALLEMAN

Michigan's perpetual jitters are not being helped by speculation as to the intentions of the state's number one vote-getter, G. Mennen Williams.

Both parties are on edge, trying to figure out what he has in mind. Will he run for re-election as governor in 1954 or will he turn his hounds loose on the senate chair of Sen Homer Ferguson?

Ferguson, and his fellow Republicans, is hopping around like a cat on the stove. He is nervous—let's face it.

The Democrats also are on the griddle. If Soapy decides to go for the senate, they will have to groom some strong hopeful for the 1954 gubernatorial campaign. They want to know what the fall

man with the cowlick is going to do.

Williams isn't talking—yet. If he runs for a fourth term he'll be bucking the odds. No governor yet has made it. Only Grover Cleveland has tried. He lost. Owen Cleary, secretary of state, has made it clear he considers his job only a stepping stone to better fields. State Treasurer D Hale Brake, a consistent vote-getter, is tops in experience and qualifications and may try for the governorship in 1954.

If Williams takes a crack at the senate he'll be risking all the political prestige he has garnered in the last four and one-half years. Should he lose—and there are those who feel he would have trouble in such a race—he would forfeit his gain unless a Democratic administration goes back to Washington in four years.

There's no question about it, the governor is looking at the White House. After knocking off Alger in 1952 he has a right to gaze at Washington.

But it must be remembered that a junior senator—which is what he would be if elected—is assigned to only the minor committee and rarely makes news.

If he runs for a fourth time and is elected he will be making national history. Every voter in the country will know who Soapy Williams is.

Doctors and Lawyers

The earnings of doctor and lawyers have risen steadily. Doctors earned an average of \$11,058 in 1949, \$12,518 in 1951—a jump of 13 percent. Lawyers' average earnings rose from \$8,577 to \$9,375—an increase of 9 percent.

WORTH MORE when you buy it, WORTH MORE when you sell it!

Its 41 "Worth More" features offer you a whole new standard of driving!

Here's the shrewdest new car investment on the American Road!

It's a fact that, across the country, Fords bring the greatest portion of their original cost when you sell them... greater than any other car at any price.

And no Ford ever held a greater promise of long-lived value than this sparkling new 1953 Ford.

You get road-ruling "Go" in Ford's V-8 and Six engines. You get Ford's new Miracle Ride for a new concept of riding comfort on all roads. In Ford's quality design Crestmark Body you get "living" room that's the finest, most comfortable in the low-price field. You get nearly effortless handling, parking and braking. And you get the style-setter!

Join the swing to FORD!
P.D.A.M.

The 1953 FORD is the new STANDARD of the AMERICAN ROAD

ONE-PIECE CURVED WINDSHIELD plus a car-wide rear window plus side windows that are picture-window big give you visibility unlimited—Full-Circle Visibility. I-REST tinted safety glass effectively shields your eyes from sun and road glare.

CENTER-FILL FUELING permits gas filling from either side, prevents "hose-traffic" on the finish of your car. No gas spill on fenders. Shorter gas fill pipe gives you trunk space for an extra suitcase. It's a Ford exclusive in the low-price field.

KEY-RELEASE DECK LID is mounted on a counterbalancing hinges to open automatically when you turn the key. The engine compartment hood, too, is counterbalanced to open automatically and to stay open, until you want it closed.

FOAM RUBBER CUSHIONS OVER NON-SAG SPRINGS are on all seats for greatest riding comfort. Automatic Posture Control front seat adjusts to right height and angle for all drivers... for greater comfort and safety.

AUTOMATIC POWER PILOT gives you high-compression "Go" on regular gas! You get more "Go" per gallon because it eases the last ounce of power out of every drop of gas. It's standard equipment on both Ford V-8 and Ford Six.

SHIFT TO FORDOMATIC—and you'll never shift again. It's the finest, most versatile automatic drive ever produced. And remember, the '53 Ford also offers smooth-going, money-saving Overdrive... or easy-shifting Conventional Drive.

CHOICE OF V-8 OR SIX ENGINES—Ford's famous 110-h.p. high-compression Strato-Star V-8 has a partner in thrifty "Go" in the 101-h.p. low-friction, high-compression Mileage Maker Six. Only Ford in the field gives you this choice.

Girl Scout News

Girl Scout Troop *

We met at the Presbyterian Church Wednesday afternoon. After we took the dues, we divided into our patrol groups. We decided to have a supper for our troop the first Friday in February. Mrs. Willing's group will furnish the food and Mrs. Austin's group will provide entertainment. We played a game and then closed the meeting with the ceremony, "Hands Around The World".

Lou Ann Comer, Scribe

Girl Scout Troop II

A new girl, Sandra Harris, came to our meeting Jan 15 which we held at Mrs. Downer's house.

We called 1011 and then talked about our badges and uniforms. We read out of our handbook about the badges Carol Bensen brought chocolate cookies for our nibble box.

David Soule Dies at U of M Hospital

Funeral services were read Monday afternoon by the Rev. Ivan E. Hodgson at the First Methodist Church for nine-year-old David E. Soule, who passed away Jan. 15, 1953 at the University of Michigan Hospital, Ann Arbor. Mr. and Mrs. Roy Soule of 241 South Wing St. are the child's parents.

David was born Dec. 22, 1943 and was in the third grade at Northville Elementary School. He has an older brother, Joel.

Surviving besides his parents and brother are his maternal grandparents, Mr. and Mrs. Durlle Sherman of Indianapolis, Ind.

The body lay in state at the Casterline Funeral Home until final rites at the church. Burial was made in Rural Hill Cemetery.

CARD OF THANKS

The family of the late Erwin H. Sibley wish to express their sincere appreciation to neighbors, relatives and friends for the many kindnesses extended to them.

Mr. and Mrs. Samuel Sibley
Mr. and Mrs. Alfred R. Sibley

CARD OF THANKS

I wish to thank my many friends for the beautiful flowers and cards sent me during my stay at Sessions Hospital. I also want to thank the staff of Sessions Hospital for the wonderful care I received while there.

Mrs. Ray Casterline

WINTER SPORTS BOOM

It's a healthy sign—more people than ever before are finding fun in Michigan Outdoors during the winter months. Through the State skating, tobogganing, skiing and ice fishing are winning new followers every week end. Many a Chamber of Commerce has aroused the citizenry to realization of potential new tourist and vacationist business in areas where this type of enterprise was generally put in moth balls during the winter.

West Side Attractions

All the way from Kalamazoo in the south to Petoskey in the north, the west side of the state is calling to winter sports enthusiasts, offering 12 specially prepared areas for every winter sport. The Boyne City sector boasts of two—Avalanche within the city limits itself, and the magnificent Boyne Mountain ski resort just 6 miles east. Visitors to Boyne Mountain marvel at the 1900-foot main slope served by a double chair lift for the skiers.

For variety skiers head for Cadillac, near Cadillac, with 17 ski runs covering a 645-acre development. Ski jumpers find their thrills at Briar Hill near Mesick where a new lower peninsula record was set recently, topping the 150 mark. Elberta Mountain near Frankfort is another ski jumper's mecca.

Closer to the populous southern cities, Ionia with a 2600-foot toboggan slide, and Echo Valley 8 miles east of Kalamazoo with 4 long

toboggan runs attract thousands of "snow bunnies."

East Side Offerings

If you live closer to Michigan's "east side," try the picturesque attractions at Silver Valley near Tawas. In January and February this area is at its prettiest, and big week-end crowds thrill to the mile-a-minute toboggan rides and good skiing in the precipitous terrain. Tawas also boasts of "Berchville," the little city of ice on Tawas Bay, where ice fishermen throng every winter.

Houghton Lake's "Tip-Up-Town," and Lake Charlevoix's "Smeltania" are similar attractions. East side skiers congregate in the area between Gaylord and Grayling where well-organized schools teach the elements of controlled skiing.

Upper Peninsula Calls

And in the land of Elowetha atop the St. Ignace Peninsula, Porcupine Mountain winter sports park near Ontonagon is rapidly becoming a popular playground for Michiganers and trailblazers of visitors from Chicago and Milwaukee. In February a 1500-foot ski run and Iron Mountain present the year's top winter sports spectacles with ski jumping tournaments in the land where the nation's best ski riders are born. With a bridge across the straits to speed the flow of traffic, these events may one day pull more than 50,000 spectators—many of whom will say Michigan Outdoors is at its best in the winter time!

Buick Unveils New Sports Car

THIS single-seat sports convertible of futuristic design is the Buick Wildcat which will be unveiled at the General Motors Motorama of 1953 at the Waldorf-Astoria Hotel in New York City this week. The experimental model has a fiberglass body and is powered by Buick's new 188-horsepower V-8 engine with the new Twin Turbine Dynaflo. The interior is trimmed in brilliant green leather. A special feature of the car is the "roto-static" front wheel discs which remain stationary while the wheels revolve about them. The Wildcat, designed by the General Motors Styling Section, was built to test the use of fiberglass in automobile bodies.

License Plate Backer

MOTORISTS can avoid denting or bending their new automobile license plates by backing them with a piece of Masonite 1/8" Tempered Presdwood. In this way, the metal will be kept straight despite occasional parking incidents.

Cut slightly smaller than the plates, the Tempered Presdwood is attached to the metal by means of ordinary

license plate fasteners. First, of course, holes of the proper size are drilled. In addition to the two fasteners at the bottom edge, two are applied at the top corners so that the metal and hardboard are drawn into close contact.

Motorists who have been using this idea find it easier to clean the plates, which are always kept flat. The cost is negligible, but the improvement in appearance is great.

Cub Scouts of Den 1 Receive Awards Sat.

At a special meeting Saturday, Jan. 17 Den 1 held an award ceremony in their club room in the basement of the A. C. Carlson home on Fairbrook Rd.

Mr. Carlson, committeeman of the sponsoring organization, Veterans of Foreign Wars, Post 4012, gave a brief talk complimenting the boys on their achievements and presented badges, gold and silver arrows to the following: James Burnham, Bear badge, one gold, three silver arrows; David Stillson, one gold, one silver arrow; Michael Janchick, Lion badge, one gold, three silver arrows, and Robert Hansen, Wolf badge.

Robert Schneider of Den 6 and Blaine Ashby of Den 7 were guests.

Refreshments climaxed the affair.

Sandy, after long wooing the wealthy widow, finally announced the forthcoming wedding. "How did you screw up your courage to propose, Sandy?" asked a friend, when he heard the news. "It was just awful," replied the prospective groom. "I'd sworn that I would do it Monday night, so I took her out for a ride in a taxicab. Well, with one eye on that meter tickin' away, I had her won at the end of sixty cents."

Old-Fashioned Plaything

EVEN in this streamlined age of television and jet planes, the child of two to six enjoys a toy that's quite primitive, like a hobby horse. It makes no difference if you can't purchase one, because making one is a cinch for the proud Dad.

The only parts needed are an old broom stick, two pieces of Masonite 1/8" Tempered Presdwood, a four-inch

wooden or metal wheel from an old wagon, a piece of rope, and some paint—white, red and brown.

Following the diagram shown here, Dad can lay out the head pattern on the Tempered Presdwood. He will cut out two heads with a coping or jig saw and glue their screened sides together so that only the smooth faces will be exposed.

He'll select the desired length of broomstick and cut slots into which the head and wheel are bolted. After applying a prime coat of paint, he can cover the various parts with colors as shown. The youngster will thoroughly enjoy this old-fashioned plaything.

For a free plan showing other toys that can be made in the home workshop, write Home Service Bureau, Suite 203, 111 West Washington St., Chicago 2, and ask for Drawing No. AF 176.

FIRST-HAND KNOWLEDGE

In Madison, Wis., after card-sharps had clipped him for \$48, a wrist watch and a cigarette lighter, Corporal John Ramzy told the judge that he had come to town to check on reports that gamblers were fleeing servicemen.

Plan Final Rites for Mrs. E. Burch

Northville lost a life-long resident with the passing of Mrs. Elizabeth Burch Monday, Jan. 19 at the Atchison Memorial Hospital.

Mrs. Burch was born 80 years ago, Sept. 17, 1872, in Lyon Township, west of Northville, to the late Urban and Elizabeth Gyde. Her husband, Fred, preceded her in death 17 years ago. For many years she made her home with her sister, Mrs. Emma Brink, at 310 Orchard Dr., Northville.

Mrs. Burch is survived by five sisters: Mrs. Minnie VanHoven of Riverside, Calif.; Mrs. Jesse Cornell of Lapeer, and Mrs. Fannie Carpenter, Mrs. Emma Brink and Mrs. May Ely of Northville.

Funeral services will be held Friday, Jan. 23 from the Casterline Funeral Home, Dr. Harold F. Fredsell officiating. Interment will be in Rural Hill Cemetery.

Salem Resident Buried Tuesday

Funeral services for Mrs. Mary Jane Stevens who passed away Sunday, Jan. 18 at 88 years of age were conducted Tuesday afternoon from the Schrader Funeral Home, Plymouth. Rev. Lucia M. Stroh of the Salem Congregational Church, officiated and burial was in Lapham Cemetery, Salem.

Mrs. Stevens, who resided at 9300 Brookville Rd., Salem Township, had been a resident of the vicinity since 1888. Her husband, John R. Stevens, preceded her in death in 1927.

Survivors are a daughter, Miss Hester Stevens of the home and two sons: George of Salem and William of the Veterans' Hospital, Ft. Custer, Battle Creek. One grandson and two great-grandchildren also remain.

SCHOOL PAGE

(Continued from Front Page)

students supervised by Miss Florence Panatoni and Mr. Charles Yahnke.

The page has a three-fold purpose. It provides an outlet for students who want to write for publication, it provides a means of publicity for high school functions and activities, and it will probably be informative to other high school students and general readers of the Record.

Comments and suggestions of Record readers will be appreciated by both the Record staff and by "Orange and Black" writers.

MIXED METAPHORS

In Lee's Summit, Mo., summarizing the year's events, the Journal noted the fact that in July, "Emercy Allison (the administration's unsuccessful candidate for the senatorial nomination) gave approval to Truman's Korean policy. Another wind damaged crops..."
