Record Invites Arguments For, Against Becoming City

circulation of petitions to bring about a vote on incorporation of Northville as a city is creating considerable interest among villagers and residents of the surrounding area.

Because the Record believes it is most important that every voter understand the arguments for and against becoming a city, it will make available three front page columns in the next four issues for discussion of the issues involved. This space will be allotted equally to proponents and opponents of the plan to present their respective viewpoints.

We invite comment from all sources so the issues may be presented fully and fairly.

70-Lot Subdivision Is Planned Near Village

A new subdivision between Main Street and Eight Mile road is planned for approximately seventy new homes in the \$30,000 class, said William J. Ross, representative of the subdivision stock corporation, this week.

The new subdivision, to be called Northville Heights, will be divided into three parts, and will incorporate 108 acres. The subdivision will be located on property owned by Frank E. Whipple between West Main and Eight Mile and will begin about 600 feet east of Beck road and continue eastward for about 2,500 feet.

80 PERCENT WOODED
Parcels of land on the property, which is about eighty percent wooded, will be divided into one to three acre pieces, according to Mr. Ross. About eight of the lots will face West Main St.

About three weeks will be needed to finish surveying and platting of the property, Mr. Ross said. Engineers are also checking drainage and soil quality of the property, which falls in a gentle, irregular slope from about 960 feet at Eight Mile to about 900 feet at West Main St.

All three sections of the main subdivision will be paved and will include curbing and catch basins, according to Mr. Ross. Streets will be 60 feet wide, of which 30 feet will be pavement. The streets are to be the "turn around" type with dead ends designed to stop passage of through traffic.

Plans, at present, are to open the first section of the subdivision "as soon as possible" for sale, then to open the second and the third.

Photograph Grade School Children

Monday will be the day for shining faces and neatly brushed and combed hair for boys and girls at Northville Grade School.

Monday, Feb. 2, is the day Alston studio photographers will be at the school to photograph all students, said C. T. Pregiter, grade school principal.

He said that children will take home notes, with tips to insure better pictures. No cash will be necessary, but children may buy a single photo or a packet of them for varied prices.

The photographers will return at a later date for photos of children who are absent Feb. 2, but there will be no retakes.

All-League Band Roster Lists 28 Northville Students

The Northville High School Band is well represented in the Wayne-Oakland County all-league band. Twenty-eight members were chosen for seats in the 75-piece organization which is made up of students from Northville, Clarkston, Milford, Holly, Clarkston and Brighton high schools.

Tryouts for chairs in the band were held at Milford on Saturday, Jan. 17. A rehearsal was held at Brighton last Friday and another is scheduled at Clarkston Jan. 30. Concerts will be given by the All-League band at the two high schools in the near future.

Honor Girl Scouts in Court of Awards Wednesday Night

More than one hundred and thirty badges were awarded to members of Girl Scout Troop No. 8 at the annual Court of Awards Wednesday evening, Jan. 28, at the First Presbyterian Church House.

Also awarded were four Tenderfoot pins, three Second Class ranks, seven First Class ranks and 11 Curved Bars.

FATHERS OFFICIATE

The Curved Bar, highest award in Girl Scouting, was pinned on each girl by her father. Girls who received the Curved Bar were Janice Howarth, Jay Page, Dorothy Welch and Barbara Weiss, who completed the requirements in the field of Play Leader; Nancy Lawrence, Linda Smith and Penny Niece, who earned the Bar in the field of Nursing; Nancy Williams, in the field of Nutrition, and Karen Bayless and Lucille Pullen, in the field of Agriculturist.

The First Class Rank, which requires earning of 12 badges, was awarded to Kaye Houser, Virginia Kwasek, Deanna Millington, Joan Sanders, Daisy May Stratton and Janice Tuchelski.

Second Class Rank was achieved by Giannine Bertoni, Janice Kimball and Mary Palmer.

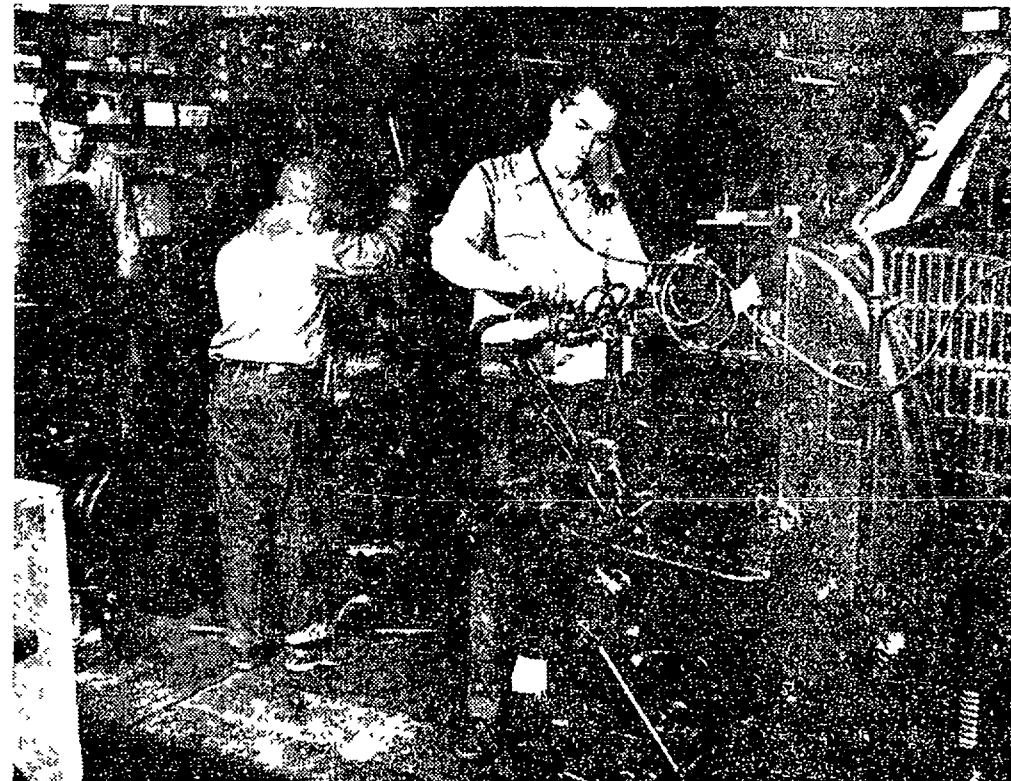

3 TENDERFOOT PINS

Jeannette Clements received her Tenderfoot pin at this time, along with Giannine Bertoni and Mary Palmer, new members of the troop who have been working on Scout awards only since October.

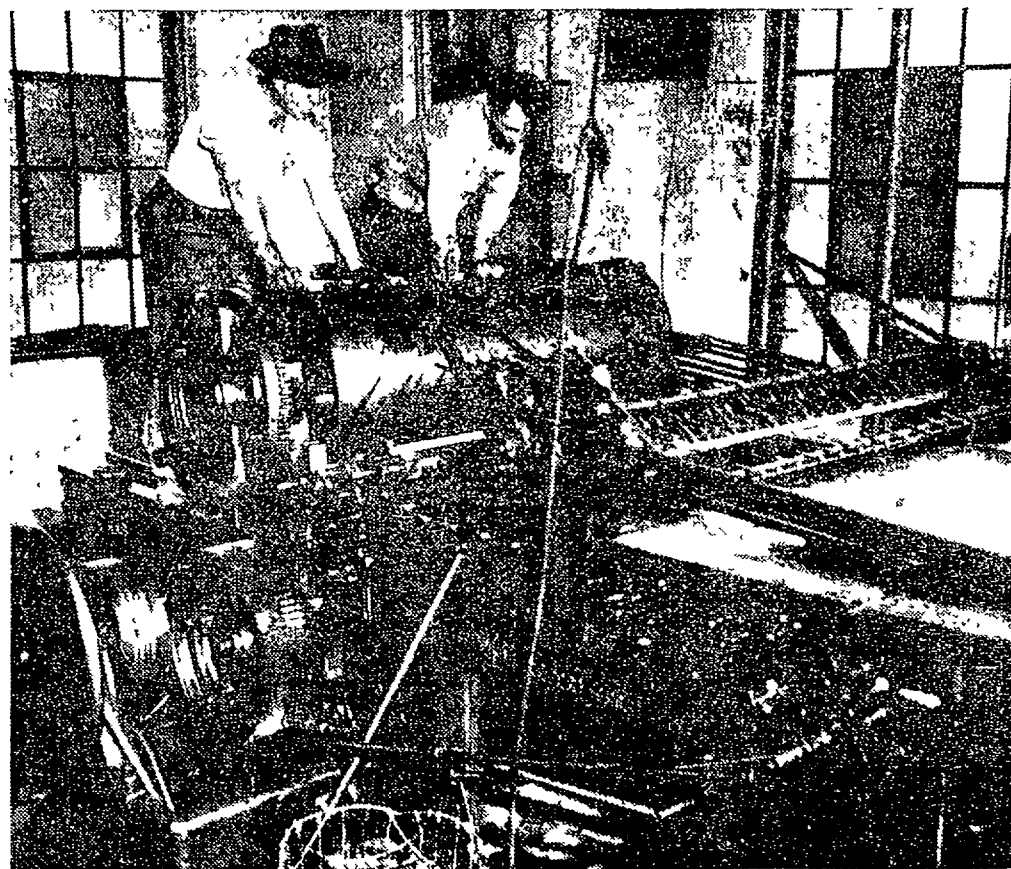

The Court of Awards was presided over by Mrs. Alex Lawrence, leader, and Mrs. James Howarth, Mrs. Norman Frid and Mrs. George Weiss, co-leaders. Arrangements for the pot-luck supper which followed were in the hands of the Troop Committee: Mrs. Harold Bloom, chairman, Mrs. Matt Houser, Mrs. George Lien, Mrs. Garnard Niece and Mrs. Joseph Page.

The program which followed the awards included Scout songs by the entire troop; a demonstration

(Continued on page six)

Cecil Cox (foreground) stayed on the job at the Miehle vertical job press running letterheads despite the confusion of moving. He finally was forced to stop when Consumers Power Co. men came in and shut off the gas line on the press dryer. In the background, workmen are disassembling the heavy power cutter used to slice reams of paper to proper sizes for commercial printing work.

Biggest and most complicated job in the whole moving process was disassembly of the 22,000 pound Miehle newspaper press. Jim Hopkins (left), son of Record co-publisher N. W. Hopkins, and Jim Rose, Ann Arbor press specialist, pause to consider removal of the 1,000 pound cylinder which rolls the paper over type-forms. The press was stripped down to its essential parts before removal and completely cleaned. Heavy parts were lifted off with a block and tackle hung from a steel I-beam framework overhead.

Mothers to March on Polio in Porchlight Drive Jan. 29

Members of the Northville Mothers' Club and other volunteer workers will be on the march Thursday night, Jan. 29.

They'll visit every home in the village between 7 and 8 p.m. where a porch light is turned on. The lighted porch will be the signal to workers that the occupants of the houses are willing to donate to the March of Dimes and aid in the nationwide fight against polio.

NATIONWIDE DRIVE

Marching mothers and fathers in communities all over the nation will visit homes during the same hour. The importance of the highly successful march last year was fully realized later when the

Fifth Graders to Have Bake Sale

Boys and girls of Miss Margaret DeKett's fifth grade class at Northville Grade School will have a bake sale at Depositors State Bank Saturday, Jan. 31, from 9 a.m. until noon.

Proceeds from the sale go into the class fund to enable them to fly to Cleveland, Ohio, or to Grand Rapids in the spring. Last year, sales from popcorn, candy and baked goods financed an educational tour to Lansing.

worst polio epidemic ever swept the country. More than 1,100 cases were recorded in Wayne County alone, and 55,000 were listed throughout the nation.

Mrs. Eldon Biery is chairman of the Mothers' March in Northville, and Mrs. Hugh Godfrey and Mrs. Clifford Rollings are co-chairmen. They will be in charge of the large number of volunteers, who will each be assigned a city block or more to cover during the hour from 7 to 8 p.m.

Half of the amount collected in the drive will remain in Wayne County. The remainder will go to the National Epidemic fund of the National Foundation for Infantile Paralysis.

Northville Cagers to Play at Milford

The Northville High School basketball squad will begin the second round of Wayne-Oakland County League play Friday night, Jan. 30, when it travels to Milford to give the Indians a chance to avenge a previous 53 to 50 defeat at the hands of the Mustangs. The Northville five currently is tied with Brighton for first place in the league, with each team winning four games and losing one.

Children in Grade School Collect 891 Candles in Drive

The fifth grade class of Mrs. Myrtle Funk was serious when it went to work on the "candles" project for soldiers in Korea.

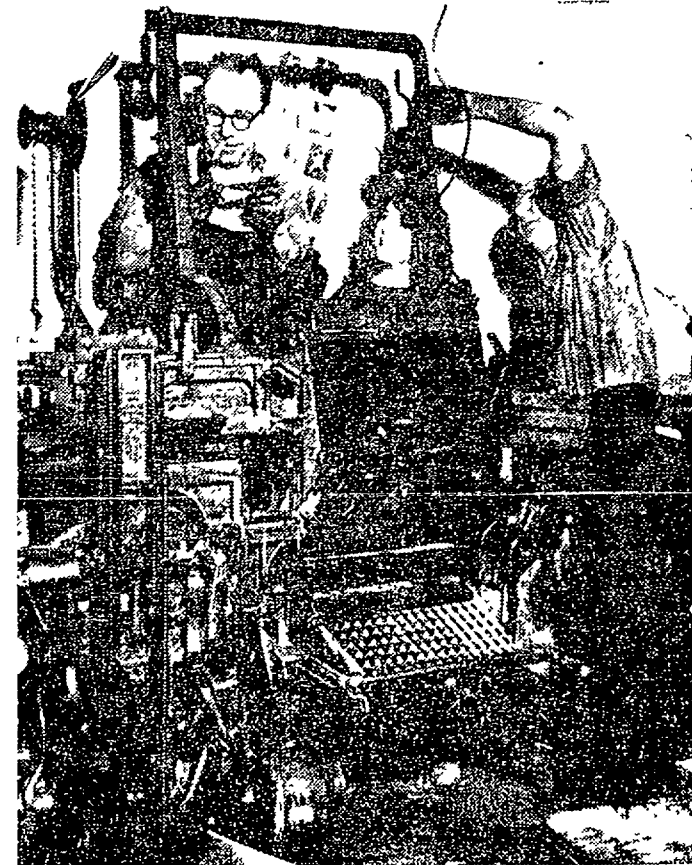

It staged a one-week drive that netted a total of 891 candles in contributions from all rooms of kindergarten through the sixth grade at the Grade School.

RESPONSE TO PLEA

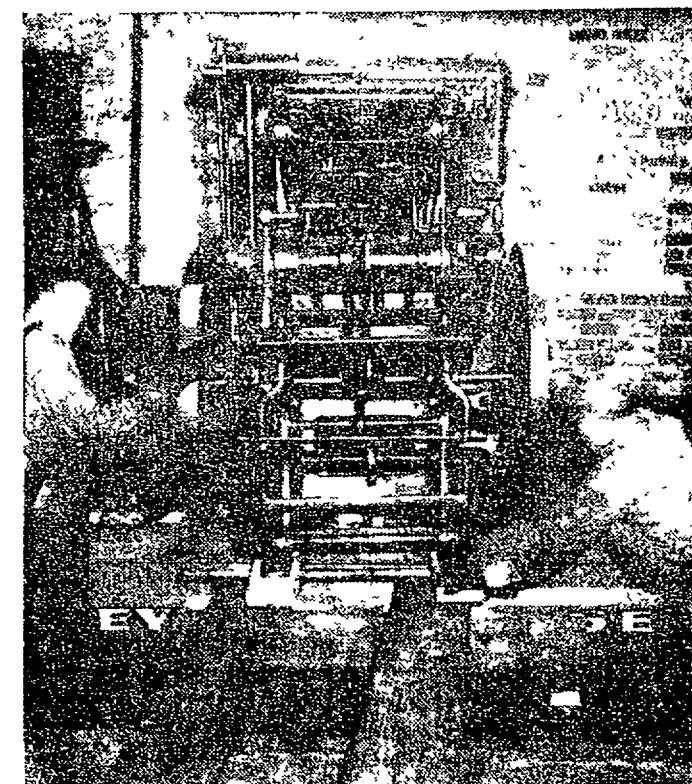

The drive was in response to a plea in the Record three weeks ago for candles to be used by infantrymen in Korea to light their bunkers at night. Other than the contribution by the grade school children, the only other results of the "drive" were a contribution of candles and postage by Mrs. Don Yerkes, and another gift from an unidentified contributor.

The grade school candles, Mrs. Funk said, will be wrapped for mailing and delivered to Veterans Memorial Hall where the American Legion offered to serve as collectors.

Legion Commander Conrad Springer said enough postage money had been contributed to take care of the candles turned in, and that the candles would soon be on their way to Korea.

One of the first machines to be disassembled Friday in preparation for moving was the Record's smaller Linotype. Above, General Superintendent Francis "Mac" Schneider has removed the machine's magazines and is further stripping off the machine's superstructure as Florence DeVriendt, Linotype operator, and Jim Willis, compositor, help with suggestions and removal of the parts.

First of the presses to go out the side door of the Record printing shop was the Kluge job press. It was mounted on wood skids, then dragged across the floor, up a ramp and onto a waiting truck by a power winch operated from outside the building. Two workmen of Barney's Carriage supervise removal.

The Kluge press comes down the elevator shaft of the new building at the corner of Main and Center streets. The press was taken into the building via the loading dock on the Main street side, suspended by two block and tackle rigs, and lowered down the shaft. The 2,000 pound press, as most other equipment in the shop, was too heavy for the elevator.

Plans of the Record office staff to be working in the new quarters at the corner of Main and Center streets were delayed a few days when it was determined last Friday that all machinery and equipment could not be moved by Monday.

Part of the Record's press room machinery was moved Friday, as planned, but the remainder was kept in the North Center street building until after this week's issue of the Record was set in forms to conform to an early deadline necessitated by printing in Howell on Tuesday.

MOVING RESUMES

Moving resumed Wednesday after disassembly of the remaining presses and linotypes for easier removal out the side door of the building. The large newspaper press was stripped down on Saturday and Sunday for cleaning and overhaul.

The big 22,000-pound press will be the last of the Record's equipment to be put back into operating order after it has been moved in pieces to the Record's new quarters and reassembled there.

Worst bottleneck in the moving operation was the necessity of lowering all big pieces of equipment down an elevator shaft from the new building's main floor to basement level. This was accomplished by hanging two block and tackle rigs from a huge beam above the elevator.

PRESSES ON SKIDS

Smaller presses were bolted to skids, then dragged across the floor of the shop and up a ramp to a low-bed truck with power winches. These were then carried to the loading dock on the Main street side of the building and skidded inside.

Plans at this writing call for moving of telephones and office equipment on Wednesday or Thursday, Jan. 28 or 29, but the offices will be moved all at one time to avoid as much confusion as possible. Telephone numbers will not change.

Trailer Ordinance Limit on Footage Is Corrected

The Village Commission agreed to change only part of the provision calling for a five-foot limit from trailer to building and trailer to lot line in the new proposed trailer ordinance.

The Record reported last week that the Commission at its meeting Jan. 19 had tentatively agreed to change the five foot limit to three feet, but the fact is that the Commission refused to change the distance from the parked trailer to the lot line.

TO PROTECT OWNERS

The intent of that provision of the proposed ordinance is to protect the owner of property adjoining that on which the trailer would be parked.

The Commission did agree to restudy the footage limit on the other side of the trailer, said Commissioner Claude Ely. It felt that a decrease in the distance from building to trailer would not be harmful if proper distance were left for passage, and if the building owner on whose lot the trailer is to be parked feels his building would not be in jeopardy.

Retail Merchants to Have Dinner-Dance

The Retail Merchants Association will hold its first dinner-dance at Hawthorne Valley Country Club at 8 p.m. Saturday, Jan. 31.

Verne Stephenson and his orchestra will play for dancing which will follow the dinner.

The dinner-dance is not restricted to members of the association. Tickets may be purchased from Harvey or Dick Ritchie at the Laundromat on North Center St.

Rolling Down The River

by the PETZ BROS.

Well, we finally have the new president we've been hearing about these many months and we sincerely hope and pray that he'll do himself a fine job for this nation of ours. Perhaps he'll even do something about our dipping dollar, which reminds us of a young first-grader. This first-grader, what with the weather and all, decided the time had come to take advantage of the hot lunches provided by the school. Needing some change with which to purchase these lunches, she stepped up to the "coin-provider" and, said "Daddy, this week I'll need about a dollar's worth of money, please."

There's been many a time we wished we had a dollar's worth of the stuff, too, and have always figured you people, who purchase these beautiful Studebakers we sell in this establishment, are most exceedingly fortunate, because you really do get so much extra for every dollar you spend here. In just a little while we'll be ready to show you the most beautiful car in the United States. We know, we saw a preview the other day! You'll love it, it's beauty is breath-taking! However, it just so happens that we have two new fifty-two models still available, plus a salesman's demonstrator, and for the money you can save on any of these is simply terrific. If you want a wonderful car at a great big savings, come on over... but you'd better hurry.

A couple of friends of ours, a young married couple, drove in the garage the other day so we naturally went over to give them a great big hello. We tried to brag about the new Studebaker, but the fellow stopped us in our tracks by bragging about the new house, into which they had just moved, and its wonderful accessories. His wife had nothing to do, according to him. "Why," he exclaimed, "there's an automatic dishwasher, automatic washer, dryer, ironer, automatic everything. Man, she lives the life of Reilly."

Then noticing that his ever-loving spouse wasn't listening too kindly to his rapt descriptions, asked, "What's the matter dear, not satisfied?"

"No," said she, with a bit of automatic ice in her voice, "I'm waiting until someone invents a gadget that will butter toast faster than you can eat it!"

Well, until someone invents an automatic oil changer and car lubricator, we suggest that you bring your personal car in for a bit of old-fashioned mechanical labor. The car needs a regular check-up and waiting for some new invention won't help it a bit. Besides, we think the motor of your car can stand a bit of a tune-up along about now, and it's up to you to do something about it! How about seeing these mechanics of ours soon. Besides, they get lonesome.

That's that, but as a gal we know observed the other day, "He may have come from a fine family, but why does he have to be such a long way from home!"

Yours,
BILL and WILL PETZ.

Exchange Club Committees Named

Committee chairmen and members of the Northville Exchange Club who will work on club functions from Jan. 1 to June 30 this year were named by D. J. Stark, president, immediately after his election as head of the club.

The committees are:

PROGRAM, George Sinclair, chairman; and Dr. Stuart Campbell, Russell Bingley, Dr. Hugh Godfrey, Levi Eaton, Essie Nirider and William Petz.

INTER-CLUB, Harry Wagenschutz, chairman; and Harold Church, Orson Atchinson and Don Merritt.

PUBLICITY, Essie Nirider, chairman; and George Miller, Harold Church, Clifton D. Hill, Harry Himmelstein and Forrest Doren.

PROJECT, Dr. L. W. Howard, chairman; and William Petz, Harry Sedan, Leo Mainville and Joe Gill.

METROPOLITAN COUNCIL, Carl Ely, chairman; and Robert Lyke, Forrest Doren, Rev. Ivan Hodgson and Fred Van Atta.

MEMBERSHIP AND ATTENDANCE, Dr. Stuart Campbell, chairman; and Levi Eaton, Elroy Ellison, Harry Sedan and Ernie Ebert.

BOARD OF CONTROL, Frank Billman and Russell A. Clarke.

FINANCE, Russell Bingley, chairman; and Leo Mainville, Joseph Zrancik, Louis Stewart and Glenn Richardson.

CITIZENSHIP, Kenneth Rathburn, chairman; and Harold Johnson, Fred Van Atta, Elmer Smith and Carl Ely.

SCHOLARSHIP, Elroy Ellison, chairman; and George Clark and Merritt Meaker.

RECREATION, Bruce Turnbull, chairman; and Dr. Hugh Godfrey, Ernie Ebert and George Miller.

HOUSE, George Clark, chairman; and Harry Wagenschutz, Joe Gill, Robert Lyke and Ray Casterline.

FELLOWSHIP AND WELCOMING, Russell A. Clarke, chairman; and Dr. L. W. Howard, Harry Sedan and Leo Mainville.

If You're a Woman Who Works

You probably discovered long ago the ease and time-saving value of the Laundromat. You know that disposing of your wash-day headaches can mean so much to an already jam-packed schedule.

If you haven't tried the Laundromat, consider how much easier your week would be if you could forget washday . . . and take home sparkling clean, fluff dried wash that caused you no bother at all.

Mustangs Trip Clarkston, Keep Tie for First Place

Mustangs Edge Plymouth, 61-60, In 2nd Overtime

After Friday night's elimination, it's Northville and Brighton tied for the lead in the Wayne-Oakland County League basketball race.

Clarkston and Milford had also been in first place with identical records with Northville and Brighton, but Northville trimmed Clarkston handily Friday night on the Northville court, 54 to 37, and Brighton disposed of Milford 63 to 50.

The Northville-Clarkston contest marked the halfway point in league play. The Mustangs, beaten only by Brighton, will face Milford, there, on Jan. 30, and Brighton, here, on Feb. 6.

Dick Somers, speedy Mustang guard, turned in the top performance in the Clarkston game Friday night, pouring in six field goals and six free throws for 18 points. The goals were scored chiefly on short lay-up shots after Somers had driven under the basket.

Glenn Howarth, the team's leading scorer, had less success than usual, getting only ten points on four goals and two foul shots, but tended the backboards at both ends of the court with great effect. Lamar Nally, who operates under the boards with Howarth, hit the hoop for 12 points.

The Mustangs were never in difficulty, and Coach Dick Kay began using his reserves freely in the second half.

The Northville summary:

	fg	ft	tp
Dick Somers	6	6	18
Lamar Nally	4	4	12
Glenn Howarth	4	2	10

Grit Self-Feeder

It takes just a few minutes to make this handy grit, or oyster shell self feeder for poultry. All you need is a nail keg and a tin can. Saw three inches off the bottom end of one stove of the keg for the outlet. Then, use a one-pound coffee can for the feed trough. Cut this down the seam—then back along the bottom three inches. Then bend the sides out to form "wings." Finally, shape the scoop-like bottom of the can so it fits into the keg opening, tack the "wings" to the keg, and you have a feeder!

Don't Do It!

Don't throw in the sponge on unpaid obligations. Good credit is a priceless possession and one of your strongest assets in business.

Keep it that way by paying up . . . on time.

Free Throws Vital in Plymouth Game

How foul shots figure in a basketball game was clearly demonstrated in the Northville-Plymouth match last week, which Northville won, 61 to 60.

The Mustangs and the Rocks were nearly even in both departments. Northville had 22 field goals and 17 free throws to account for their 61 points. Plymouth players accumulated 21 field goals and 18 free throws for their 60 points.

But take a look at the early part of the game. Northville was behind only four points at the end of the first quarter, 10 to 6 . . . although they scored only one basket. The other four points were free throws, three consecutive points by Glenn Howarth and one by Dick Somers.

Plymouth, on the other hand, had four baskets and two free throws.

Ed Nash and Howarth were the only Northville players to score from the floor in the second quarter, but the Mustangs garnered seven points from the foul line.

for 11 points, while the Rocks were adding five baskets and two free throws.

Where the need for accuracy was really demonstrated was in the last overtime period. A Plymouth player had four chances at the free throw line to score two points and win the game, but hit the basket only once.

Northville tried 33 shots from the foul line and got 17 points for a 51 percent average. Plymouth got 18 of 31 attempts for a 58 percent average.

CARD OF THANKS

We wish to express our sincere appreciation to our many friends and neighbors and to thank Dr. Wetterstrom, the Atchison Memorial Hospital, Fred Casterline and Rev. Fredsell for their many kindnesses extended to us during the passing of our sister, Mrs. Elizabeth Burch.

Polio Poster Boy Known to Millions

Randy Donoho, 4, Detroit polio victim of 1953 is becoming known to millions of Americans this month. His likeness appears on March of Dimes posters, coin collectors and leaflets from coast to coast. Randy is the only child of Mr. and Mrs. Walter E. Donoho, 6506 Woodrow. His father is a bus driver for the DSR.

Randy's photograph was selected as national winner from hundreds sent to the National Foundation for Infantile Paralysis from

all parts of America, according to Donald W. Barton, Administrator of the Wayne County Chapter. Wayne County is proud of its champ.

"Naturally we're pleased that Randy is one of the March of Dimes poster children," Mrs. Donoho said. "We believe the wonderful care and treatment Randy received through the March of Dimes was responsible for his recovery from polio. We want to do all we can to help the March of Dimes so that other children may get the same help."

Randy was stricken with polio Sept. 14, 1951 his mother said. Taken to Herman Kiefer Hospital with his right leg paralyzed, he remained in the hospital until Jan. 17, 1952. With the aid of physical therapy treatment, regular check-ups by a doctor and exercises given by his mother twice daily, Randy is showing constant improvement. He wears a long leg brace but has discarded one stick since the winning photograph was made.

For the first time in its 15-year history the March of Dimes has three poster children Pamela and Patricia O'Neil of Raleigh, North Carolina share honors with Randy. Both sisters were 1949 polio victims.

CATCH MORE FISH IN '53!

A lot of fishermen are impatiently awaiting the coming of the spring and summer months, resolving that this year they're going to catch more and bigger fish than last. Most of them go along with the theory that the one big factor in fishing success is luck. A little analysis of the situation would prove this an unworthy alibi—and while there may well be times when fish go berserk and bite on anything from a pocket handkerchief to a red rubber band, don't count on being around when it happens!

Look at your own fishing friends. Aren't there a certain number of them who always seem to be "lucky"? Every week end they'll come back from the lake with all the fish they want. Meanwhile you may have been fishing in the same lake, but you just weren't "lucky." Even when this happens day after day most of us are reluctant to admit that those friends might know a little more about the art—and what they know you could know too, with just a little application.

Twenty Million Fishermen

Scattered throughout this great nation of 48 states are more than twenty million fishermen. About one out of ten buckles down to the job of learning enough about fishing to deliver a feeling of self-satisfaction. If you're one of these "students" of the art you're going to catch more

fish than the other fellows—and even on days when everything fails you'll come home with the feeling that at least you gave it the old "college try," and you'll be satisfied with the knowledge that the law of averages will take care of you next time!

Get Smart—Now!

So, during these winter months in Michigan, study fishing while you're waiting for spring. How? Well, if you know what lakes you'll be fishing, ask the Conservation Department if they have made a map showing weed beds, deep holes, reefs and other contours which would be helpful in locating natural fishing grounds. These maps are very inexpensive—yet very valuable to a fisherman. And how about your accuracy with a bait-casting or fly rod? It's easy to "put a fish down" by making too many casts in an effort to get your lure in just the right place. Learn to hit the spot the first time. Most communities have winter sessions in bait and fly casting in school gymnasiums or large halls. Join the class! Or get your accuracy in your town. Then learn more about the fish you're after—their feeding habits, favorite foods at various times of the year, and their feeding temperament. When the season opens put all this knowledge in one boat and watch what happens! You'll find yourself up in that "lucky" ten per cent wherever you go in Michigan Outdoors!

FLASH! "Michigan Outdoors" will soon become a full half-hour show on television... watch for the announcement of a new, more exciting than ever "Michigan Outdoors" with Mort Neff!

State Police Arrest 6,454 in December

Michigan State Police made 6,454 arrests during December, an 11 per cent increase over 5,804 in the same month of 1951.

The arrests included 5,804 for traffic offenses, a 12 per cent increase over 5,161 for December of 1951. Juvenile offenders, not included in the arrests total, numbered 365 compared to 247. The juveniles and delinquent and wayward minors and those involved in traffic offenses.

Complaints in all matters increased one per cent, 5,358 over 5,307 in the same month of the previous year. In addition, 22,183

property inspections and 3,432 liquor inspections were made by the troopers. Department cars were driven 888,777 miles in all activities.

The bureau handled 503 sets of fingerprints in connection with applications for licenses to carry concealed weapons and found 55 of the applicants had criminal records. Likewise, 21 persons wanted by police as fugitives from justice were identified through fingerprints.

Events of the Past in Northville

News Items Taken From the Files of the Record

ONE YEAR AGO—

Rev. Dr. Harold F. Fredsell was elected moderator of the Presbytery of Detroit, governing body for the 86 Presbyterian churches in the Detroit area.

The Northville Optimist Club celebrated the success of their June 1951 Horse Show with a Horse Show dinner in the Parish Hall of St. Paul's Lutheran Church.

The Stark Realty of Plymouth opened their Northville Branch at 108 West Main St.

John W. Stark was inducted into the service January 22 from the Plymouth Selective Service.

Dr. Joseph Harris, representative of the public relations department of Alma College, filled the pulpit of the Northville First Presbyterian Church January 27.

Harry B. Smith and Mrs. Lucille McKinney were conferred degrees of Master of Education and Bachelor of Science, respectively at Wayne University's mid-year commencement exercises.

FIVE YEARS AGO—

A fire at the Detroit House of Correction completely destroyed the institution's creamery, a farm building containing refrigeration and pasteurizing equipment.

Seventy-five members of the Northville Exchange Club were guests of the Kaiser-Frazer Corp. for luncheon and a tour of the Willow Run plant.

Northville Downs announced the resignation of Sam Weidrick, as general manager of the race track.

Northville Mustangs gained a last minute victory over the Walled Lake Vikings in a game at

Walled Lake. Final score was 35-34.

A crowd of 1,200 visitors attended the second annual Northville Community Hobby Show held in the local high school gymnasium January 23-24.

Robert Vogtlin received his bachelor of science degree from Wayne University at graduation exercises held at the Masonic Temple.

TEN YEARS AGO—

George Locke was presented with a past president's pin at the Exchange Club meeting.

Thelma Grover and Cpl. William Ronk were united in marriage at St. Paul's Lutheran Church.

Marjorie Chase, Pearl Denton and S. Kay Stevens were speakers at the morning services at the Presbyterian Church in recognition of Youth People's Day.

The safety patrol of the Northville Public Schools, led by Capt. Thomas Stalker and Lt. Duane Small, had a total of 18 boys on its active list.

Ermina E. Fuller, widow of the late A. Edgar Fuller, died at her home on West Seven Mile Rd.

FIFTEEN YEARS AGO—

The Merry-Go-Round Club met at the home of Mrs. Clyde Schoutz. Mrs. W. Ambler and Mrs. B. Stark were also hostesses at the meeting.

Mrs. John Litsenberger, Mrs. Frank Freydl and Mrs. Forrest Doren were hostesses to the Mother's Club at the Litsenberger residence.

Dr. Paul Lovewell, Dr. Victoria Lovewell and Dr. W. Johnston attended the Michigan Osteopathic Association meeting in the new unit of the Detroit Osteopathic Hospital.

TWENTY YEARS AGO—

The new Depositors State Bank had its formal opening.

Ralph Taylor and Earl Stanbro spent several days ice fishing at the Stanbro cottage in northern Michigan.

THIRTY-FIVE YEARS AGO—

Because of the vital necessity of saving fuel, the Detroit United Lines discontinued three trains each way between Northville and Wayne that connected with through service to Detroit.

Pvt. Alton Bartrum Serving in Korea

WITH I CORPS IN KOREA—Pvt. Alton J. Bartrum, son of Mrs. Addie A. McClellan, 46214 West Seven Mile Road, Northville, is now serving in Korea with I Corps.

I Corps, which traces its history to the Civil War, has fought in Korea since September, 1950. It led the breakout from the Pusan perimeter and smashed to within 40 miles of the Yalu River before the Chinese Communist intervention. In January, 1951, I Corps again drove the Communists north of the 38th parallel.

Bartrum, who entered the Army last April, is a mechanic in the 622d Military Police Company.

Biggest Traffic Jam Not Likely

If every car and truck owner in the state of Michigan tried to go for a ride on the same Sunday afternoon, there would be a vehicle every nine yards on every paved street and highway in the state.

Fortunately, the odds are against this happening, since the average motorist spends only about 25 "days" a year in his car.

Estimates of American automobile usage and driver habits show that the average motorist drove 9,000 miles last year. At his average pace of 30 miles an hour, this totals 300 hours, or 25 daylight driving days. This is only 6.8 per cent of the daylight hours in a year.

James J. Newman, of the B. F. Goodrich Co., says that the state's motor vehicle registration today is at its highest mark in history and will probably reach an estimated 2,570,000 early this year. Hard-surfaced road mileage in both rural and urban areas of the state is 12,936, which is also a new high, he says.

Snowshoes in Winter Trim

Snowshoe hares are tough to see in their white coats, but Vern Perry, Roscommon, had no trouble. After work one evening recently, he stepped across the road from his home on Higgins Lake and bagged this three-pounder. The season on rabbits and hares is open until January 31 in the southern lower peninsula and until March 1 in the upper and northern lower peninsulas. The conservation department has reported hunters taking some good bags in recent weeks.

Ervin Bohlinger of Mayfield Ave. are visiting relatives in West Branch.

Mrs. Stuart Shauler of Farmington Rd. entertained 14 friends at a breakfast last Tuesday morning.

Mrs. Gordon Vance of Mayfield Ave. was a guest last week end of her daughter, Mrs. William Spencer and her family, in Norwayne.

Mr. and Mrs. Russell Ault and daughter, Shirley, of Shadyside Ave. were guests Tuesday evening at a birthday celebration honoring Mr. and Mrs. Ault's son-in-law, George Cooke, held at the Cooke residence on Albion Ave., Farmington.

Mrs. Edith Willet of Redford spent a few days last week with her son, Cecil, and his family on Mayfield.

Mrs. M. E. Ault, Mr. and Mrs. Forrest Ault and Mr. and Mrs. O. R. Ault were Wednesday evening guests of Mr. and Mrs. Clinton Ault on Thirteen Mile Rd.

Mr. and Mrs. George Houtz of Farmington Rd. are grandparents again, Tuesday morning, Jan. 20, in Pontiac General Hospital, a second daughter, weighing eight and three-quarter pounds was born to Mr. and Mrs. Carr Anderson, of Milford. Mrs. Anderson is the former Adeline Houtz.

A few neighbors gathered at the home of Mrs. Harold Wulf on Brentwood Ave. last Wednesday evening and tendered her a "pink and blue" shower.

Julie Spencer of Norwayne spent the week end with her grandparents, Mr. and Mrs. Gordon Vance, on Mayfield Ave.

Mrs. Harry S. Wolfe, Mrs. Francis Wagner, Mrs. Ralph Voorheis

and Mrs. Clarke Bonar visited together in Detroit Wednesday.

Sailor William Vahol writes his parents, Mr. and Mrs. John Vahol of Shadyside Ave., that he is enjoying the Cuban scenery and climate this winter.

Mrs. Edward Brugman and daughter of Norwayne are reported ill with asthma. Mrs. Brugman is the youngest daughter of Mrs. Grace Simpson of Mayfield Ave. and the Brugmans are former residents of Mayfield.

Mrs. John Vahol of Shadyside Ave. reports that her daughter, Mrs. George Rung, of Detroit, is suffering from back injuries received in a fall down her basement stairs. Richard Vahol of Shadyside Ave. happened to be in the Ring home at the time, so was on hand to assist his sister.

James Galloway, who is spending the winter with his sister, Mrs. Walter Rehahn, on Mayfield Ave. is ill.

"Grandma" Welsh of Mayfield Ave. was on the sick list this week.

Mrs. George Maltby of Shadyside Ave. is convalescing from a long illness. She is very grateful for the hundreds of cards and other messages of cheer sent her by neighbors and friends.

Mr. and Mrs. Ralph McCubbins of Detroit are spending the winter near Plant City, Fla. Mrs. McCubbins was Mrs. Mary Weigle, who formerly lived on Norfolk Ave. and still visits in our neighborhood often.

Mr. and Mrs. William Fisher of Mayfield Ave. will leave Feb. 1 for a three weeks' vacation in Florida.

Neighborhood Sunshine Sisters met in the Neighborhood Church last Wednesday afternoon. "Television May Get You" was the devotional topic. Reports were made regarding the sick in the community and special prayers made in their behalf. Several fine magazine articles were brought in and read to the group by some of the ladies. Tea and cake were served during the social hour.

The next Sunshine meeting will be held in the Neighborhood Church on Wednesday, Feb. 4 at 1 p.m. The devotional topic will be "Good Cheer". There will be a grab-bag exchange of valentines. Afterward, identity of all the Secret Sunshine Pals will be revealed. New names for the next 12 months will also be drawn. Light refreshments will be served. The Livonia Methodist WSCS held its regular meeting Thursday.

Soldier Gerald Bolyard, son of Mr. and Mrs. Leslie Bolyard of

Consumers Power to Add 10,000 New Gas Customers

More than \$5,700,000 will be invested in its Southeast Division in 1953 by Consumers Power Co. to expand natural gas service, Division Manager David L. Brown announced.

Major gas projects as outlined by Mr. Brown reveal the company anticipates adding more than 10,000 new gas customers in the division this year.

The Southeast Division serves Northville, Wayne, Livonia and Plymouth, together with Royal Oak, Birmingham, Pontiac, Mt. Clemens, East Detroit and many smaller communities in the Western Wayne - Oakland - Macomb county areas.

Mr. Brown said the company Hubbard Ave. has now left Korea and is serving in Japan.

Coastguardsman Wayne Ault has now left Hawaii and been transferred to some other location in the Pacific area.

The Russell Aults of Shadyside Ave. and the George Cookes of Albion Ave. spent Thursday evening together in Detroit.

Mid-year examinations have been in order in the upper grades of our public schools. Consequently many of our young folks were out of school Wednesday afternoon, Thursday and Friday.

Mrs. V. C. Reddy of Shadyside Ave. and Mrs. Wesley, visiting here from Missouri, were Thursday visitors in Detroit.

will install more than 75 miles of new gas mains to reach the anticipated new customers, and that it plans system improvements to more than 130 miles of existing mains. In addition, seven new gas regulator stations will be installed in the gas supply lines to help maintain delivery pressures in the expanded gas distribution system.

"The Company's program for its Southeast Division is necessitated by the continuing growth of the area and the growing demands for gas service," Mr. Brown said.

"Also, we will continue our program of gas service improvements among our present customers."

He said extensive improvements will be made to gas distribution facilities in the Plymouth-Northville area.

In the South Oakland District regulator stations will be constructed at Greenfield near Nine Mile and on Ten Mile near Campbell Road. Also, in the South Macomb District at Gratiot and

Canfield and in Selfridge Field. Mr. Brown said Southeast Division projects are part of Consumers Power company's general expansion and improvement program for 1953 in which the company will invest more than \$58,000,000 in gas and electric projects in its 63 county Outstate Michigan service area.

CHRISTIAN SCIENCE CHURCH

To love and be loved is the earnest desire of everyone. How to accomplish this is explained in the Lesson-Sermon to be read in all Christian Science churches on Sunday, Feb. 1, on the subject of "Love"

The Golden Text is from Jeremiah (9:24): "Let him that glorieth glory in this, that he understandeth and knoweth me, that I am the Lord which exercise loving kindness, judgment, and righteousness, in the earth"

Among the Bible citations is this passage, (I John 4:7): "Beloved, let us love one another: for love is of God; and everyone that loveth is born of God, and knoweth God"

Correlative passages from "Science and Health with Key to the Scriptures", by Mary Baker Eddy include: "All substance, intelligence, wisdom, being, immortality, cause, and effect belong to God. These are His attributes, the eternal manifestations of the infinite divine Principle, Love" (P. 275)

SALEM CONGREGATIONAL CHURCH

Funeral Rites Held for Erwin Sibley

Rev. William M. Hughes of the Methodist Church of Milan, Mich., conducted funeral services at the Schaefer Funeral Home on Saturday, Jan. 17, 1953 for Erwin H. Sibley, who was killed in an automobile accident at Plymouth and Eckles Rd., Wednesday, Jan. 14

Erwin was born in Wilkes-Barre, Pa. June 9, 1903, the son of Samuel and Louisa Reed Sibley, and came to Northville with his family in 1922. He was graduated from Northville High School in 1927 and attended the University of Detroit, Michigan State Normal College and the Chrysler Engineering School. For the past 16 years Mr. Sibley had been employed in the offices of the Detroit Division of Chrysler Corporation

Surviving besides his parents of 119 North Rogers St. is his brother, Alfred R. Sibley, of Easton, Pa.

Burial was made in Rural Hill Cemetery.

Wilfred Bourbonnais Buried in Novi Mon.

Funeral services were held on Monday afternoon from the Casteline Funeral Home for Wilfred L. Bourbonnais who passed away Jan. 22 at his home at 42750 Grand River, Novi. Rev. J. M. McLucas of the Novi Methodist Church officiated at the church and graveside commitment services

Mr. Bourbonnais was born 23 years ago, Aug. 5, 1880 at Houghton, Mich. to the late Henry and Stephanie Bourbonnais. He farmed for many years in Livingston County and moved to Novi upon his retirement eight years ago

He is survived by his wife, Minnie of the home, and a son, Matthew Nixon, also of Novi. Two brothers, William, of California, and Alvin, of Houghton and two sisters, Mrs. DeLong of Houghton, and Mrs. Myer of California, also survive

Interment was made in Novi Cemetery.

Rites

Rare Objects Illustrate Art Talk by Mrs. Marion Sober

Marion Sober, guest speaker at the Jan. 23 meeting of the Northville Woman's Club in the Village Library, gave an entertaining and interesting talk on various handicrafts developed in the United States and abroad. Tea was served to members and their guests at the conclusion of Mrs. Sober's discussion.

Mrs. Sober's talk covered a broad range of art forms and was

illustrated by many rare and beautiful pieces made available by the J. L. Hudson Company. Among these were a Florentine leather cigarette box which she combined with cloisonne ash trays upon which designs were made with small pieces of wire. This craft has been perfected by Cathie Ruckinbrod in a village outside of Munich, Germany.

An ebony elephant carved by Mohammed Ali, in Nigeria, Africa, was quite modern in feeling. Mrs. Sober grouped this with an aqua vase from Germany which picked up the color of the drapery material as a background.

A small brown vase with an adventurine glaze also was displayed as a collector's item. The glaze has been perfected by Reuss, a German who is famous for his work in ceramic glazes.

In concluding her talk, Mrs. Sober quoted by the book, "Grass Roots of Art" to the effect that there would be fewer maladjusted people in the world if every person could develop a craft hobby that would require work with the hands.

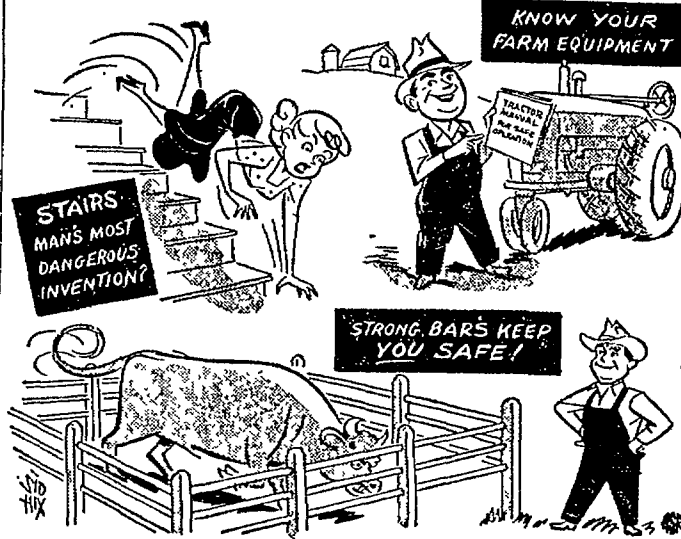

Mrs. Sober conducts art classes in her studio on Sheldon Rd.

Polio-Fighting Dimes and Dollars are needed now. Please send your contribution to the March of Dimes, to the Northville Post Office.

4-H Youths Tell Safety Hazards

The kids who know safety best agree that one of man's oldest and simplest inventions is one of his most dangerous.

Forty young safety experts who attended the 51st National 4-H Club Congress in Chicago Nov. 30 to Dec. 4 were asked to list their ideas on how to prevent farm and home accidents. They responded with suggestions ranging from picking up loose baling wire to putting safety shields on power machinery.

But almost all of them singled out one often-overlooked hazard for emphasis: stairs.

Man invented stairs thousands of years ago. But the young folks apparently observed, while making safety surveys under the National 4-H Farm and Home Safety Awards Program, that he still hasn't learned to go up and down them without risking a broken neck.

Some 400,000 4-H youths from coast to coast took part in the safety program, sponsored for the eighth consecutive year by General Motors. GM gave the 40 state winners expense-paid trips to the 4-H Congress, including 3300 college scholarships to the eight national winners.

"Keep stairs uncluttered," warned Elmer E. Minot, N. D. Ralph Walker, Bideford, Me., was even more specific. He urged everyone to "keep the stairs clear of all roller skates." Other safety winners advised frequent check and repair of steps, or suggested handrails to reduce the likelihood of falls.

Stairways should be well lighted, they agreed, and Agatha Jean Bell of Bolivar, W. Va., recommended painting the bottom step white to make it conspicuous.

Farm machinery and its hazards drew frequent mention. Beth Fuhr Smith of Poplarville, Miss., one of the 3300 scholarship winners, suggested this simple rule for avoiding accidents with farm equipment:

"Know the correct way to use all tools and machinery."

Other suggestions included labeling poisons, frequently checking electrical equipment, keeping inflammable materials away from buildings, confining bulls and other dangerous animals in sturdy pens, putting corks on sharp objects, keeping children off farm equipment and away from stoves, storing pitchforks and other tools in a special place, and many others.

Lucky You

Lucky you—you shammed through traffic and escaped the consequences

Falcone Finishes 25 Years at MSC

Prof. Leonard V. Falcone was honored recently for his 25 years as director of bands at Michigan State College.

More than 150 professional musicians, friends and former band members gathered Jan. 17 in the college Union to commemorate his silver anniversary.

It is estimated that 1000 Spartan students have performed under Falcone since 1927, when he came to MSC to take over the direction of the marching and concert bands.

MSC Enrollment Up for Winter Term

A total of 13,427 students make up the winter term enrollment at Michigan State College, according to Registrar Robert S. Linton. Included were 9,019 men and 4,408 women. Veterans number 1,241, including 242 veterans of the Korean War.

This total represents a two-and-one-half percent increase over the 13,176 recorded in the winter term of 1952.

CARD OF THANKS

We wish to express our true sentiments to our many friends and neighbors in Northville.

The saying that "Man cannot live by bread alone" has been proved true during our recent bereavement. The greatest possession we can claim is the sincere friendship which has been extended to us through the wonderful deeds of kindness. Our sustenance has been the spiritual support we have experienced as the result of practical application of everyone's effort to be helpful.

So to everyone who has been so thoughtful, may God bless you all, and you have our heartfelt gratitude always.

The parents and brother of the late David Soule, Mr. and Mrs. Roy Soule and Joel.

How many cases of polio will 1953 bring? Let's join the March of Dimes today so that every polio patient will be taken care of. Send your contributions in to the Northville Post Office.

Girl Scout Awards

(Continued from Front Page)

tion of a Maori Stick game by six of the girls and a humorous skit acted out by the others.

NEW PROJECT

A new project this year is the Troop paper, known as "Jennette's Gazette". A special issue was published for the Court of Awards and copies distributed to the guests Wednesday evening. The staff, with Jay Page as editor and Cookie Willis as assistant editor, includes Nancy Williams, Mary Palmer, Barbara Weiss and Joan Sanders. The paper is published "Now and Then", which so far has turned out to be monthly.

Wednesday's program marked the sixth birthday of Troop No. 8, which was registered for the first time in January, 1947. Eleven of the 25 members have been with the troop the entire six years and two more have been members for five years.

Highlights of the troop activities since September include three meetings with Mrs. Marion Sober, who taught the girls ceramics; three lessons in archery, conducted by Mr. Wilson Funk and Danny Singer; two lessons in home nursing, a concentrated course given by Miss Verna "Brodie" Broad; A Halloween hayride and dance; a Christmas party and a sliding party. The troop December to fill the Christmas took three Santa Claus letters in requests of two small boys and one little girl at Maybury Sanatorium.

Juniors, Seniors to Attend Inter-Lake College Nite Feb. 4

Northville High School Juniors and Seniors and their parents have been invited to attend an Inter-Lakes College Night to be held at the Walled Lake High School Wednesday, Feb. 4. The dinner meeting will be held in the gymnasium at 7:30. Students and their parents from Walled Lake, Milford, Farmington, Keego Harbor, and Waterford Township high schools will also take part.

An open meeting will be held after the dinner with the keynote address given by Dr. Guy C. Hill, director of the Bureau of School Services at Michigan State College. Following Dr. Hill's talk the counsellors will gather in various rooms to discuss any individual problems or answer any questions which students may have.

Representatives will be present from the University of Michigan, Michigan State College, Michigan State Normal College at Ypsilanti, Central Michigan at Mt. Pleasant, University of Detroit, Highland Park Junior College, Hillsdale, Albion, Western Michigan at Kalamazoo, Alma, Cleary, Business Institute at Pontiac, Ferris Institute, General Motors and a representative of the Detroit Council on Community Nursing.

There will be no charge for the dinner and the affair is open to all interested juniors and seniors and their parents.

Diane Ambler Has Party on Birthday

Diane Ambler celebrated her fifth birthday Saturday afternoon by inviting nine of her friends in for a party. She is the daughter of Mr. and Mrs. Richard Ambler of Dunlap St.

Guests at the party were Lynn and Leslie Kendall of Plymouth, Larry Angove, Jay Reynolds, Kathy Lyke, Roxanne Atchison, Peter Sutherland, Barbie Zerbel and Sandra Parmenter, all of Northville.

VanAken-Taft Troth Revealed by Parents

Mr. and Mrs. John A. VanAken of South Salem Rd., Plymouth, announce the engagement of their daughter, Joann Newman, to William Dale Taft, son of Mr. and Mrs. Gerald F. Taft of West Eight Mile Rd., Northville.

Joann is a graduate of Plymouth High School and attended Michigan State College. Her fiancé graduated from Culver Military Academy and attended Michigan State and Cleary colleges.

Second Graders Act in Fairyland Fantasy

"The Birthday of a Fairy Princess", a fantasy depicting a birthday celebration in fairyland, was presented Thursday afternoon in the grade school lunchroom by Miss Dorothy Kimball's second grade class.

The children's guests at the play were their parents and the two second grade classes of Miss Florence Keith and Mrs. Joyce Schipper.

Sponsors Needed for Delegates to 1953 Girls' State

The Lloyd H. Green Unit No. 147 of the American Legion Auxiliary is looking for organizations to sponsor girls to attend the 1953 annual Wolverine Girls' State on the campus of the University of Michigan slated for June 16 through 24.

The Auxiliary has made tentative reservations for three qualifying girls who will be chosen from the junior class of Northville High School. However, more may be sent if enough sponsors offer to back them. Tuition to attend the annual convocation is \$35 per girl. Partial payment of tuition costs will be accepted for the convenience of smaller organizations interested in the project and individual donations will also be welcome.

Prospective sponsors are asked to contact Mrs. Jim Green, phone 199, Wolverine Girls' State chairman, for additional information.

Bridal Shower Begins Pre-Nuptial Calendar for Dolly Porritt

A surprise personal shower honoring bride-elect Dolly Porritt was given at her parents' home on Plymouth Ave. Monday evening. Mrs. Alfred Porritt, Jr. and Jane Putnam were co-hostesses for the affair.

The guest list included 28 friends from Novi, Walled Lake, Plymouth and Northville.

Dolly will become the bride of John Lorang of Walled Lake in a ceremony on Valentine's Day, Feb. 14 at Our Lady of Victory Church.

April Wedding Plans Announced in Oregon

The engagement of Doris M. Watson of San Francisco, Calif. to Edward A. Reid of Portland, Ore. was announced at a New Year's Day open house held at the home of Mr. and Mrs. Budd M. Katch of Portland.

Doris is the daughter of Mr. and Mrs. M. E. Watson of Paul, Ida, and her fiancé is the son of Mrs. E. A. Reid of Fairbrook Ave., Northville. An April wedding is planned.

Degree Awarded to Margery Ann Boyd

Margery Ann Boyd, daughter of Mr. and Mrs. C. C. Boyd of 321 Rayson St. will be conferred a Bachelor of Science Degree from Michigan State Normal College, Ypsilanti, in exercises held tonight, Thursday.

Margery attended Albion College for two years previous to transferring to MSNC. She is presently employed as third grade teacher in Novi Public Schools.

News Around Northville

Mr. and Mrs. Jack Dewsbury of Grace Ave. have invited five Northville couples to a dinner party at their home Friday evening. Included are Mr. and Mrs. Merrill Sweet, Mr. and Mrs. Jim Green, Mr. and Mrs. A. M. Zimmer, Mr. and Mrs. Glenn Hammond and Mr. and Mrs. Norman Denne.

Stephanie Bird, president of the Northville Post V.F.W. Post 4012 Auxiliary, Barnaby J. Bird, Mr. and Mrs. Stanley Meyers and Isabel Willguess attended a banquet last week at the Zeyre Post in Detroit. The dinner honored past and present presidents and commanders of the fourth district.

Mrs. E. J. Willis and Miss Edith Harrington returned from Washington, D. C. Jan. 21 where they joined the Michigan party for the inauguration of President Dwight D. Eisenhower. While in the capital, they were house guests of Mrs. Willis' niece and her husband, Mr. and Mrs. John McMillan, of the Diplomatic Service.

Mr. and Mrs. Harvey Hodge accompanied by Mrs. Dawn Holcomb, and Mrs. Clara Broda plan to leave Sunday, Feb. 1 for New Orleans, La. and Florida for a month's tour. On the return trip, the Hodge's hope to visit their son, Harvey, Jr. in Norfolk, Va. who will be in port at that time.

Mr. C. M. Goodrich of West Dunlap St. returned today from a four-day district meeting as a representative of the United States Giphite Co in Cleveland, Ohio.

Mr. and Mrs. Rodolphe Richard of Horton St. attended an alumni reunion in Highland Park Saturday evening.

The George Mullers of Dunlap St. will be hosts to the neighborhood group for their regular pot luck get-together Saturday evening.

Mrs. C. M. Goodrich of West Dunlap St. entertained 12 ladies at a bridge and canasta luncheon Tuesday afternoon. On Wednesday, she was hostess to 12 guests at a similar affair.

Members of the Council of the Northville Girl Scout Association met for a breakfast Wednesday morning at the home of Mrs. Del Hahn on West Main St. to formulate plans for their Girl Scout Benefit Card party planned for Feb. 19 at the VFW Hall.

University of Michigan students, Gay Duerson and her roommate, Virginia Arbuckle of Erie, Pa., arrived Wednesday to spend the mid-semester vacation with Gay's parents, the Harry Duersons of E. Eight Mile Rd. They will return to Ann Arbor Sunday.

Sunday evening guests of the Charles Logemans of Rayson St. were Mr. and Mrs. Ralph Brown of Berkley.

Mrs. George Zerbel of West Dunlap St. was hostess to her bridge club Wednesday evening.

Dr. and Mrs. L. W. Snow returned Monday from Fort Lee, Va. where they visited their son, Pfc. Linwood Snow, who is the proud father of a son, born at the U.S. Army Hospital Jan. 10. They named the baby Linwood III. Dr. and Mrs. Snow also had the opportunity to see "Lady Wonder", the horse that has received so much publicity by answering questions.

Mr. and Mrs. John Blackburn of Orchard Dr. are leaving today for Chicago where Mr. Blackburn will attend the annual meeting of Presbyterian Men's Clubs. They will return Sunday.

Mrs. E. J. Willis of Rayson St. entertained several young people at the Arthur Godfrey Benefit Show Saturday, Jan. 24 in the Memorial Building on the campus of the University of Detroit.

A daughter, Betty Jo, is the new arrival at the home of Mr. and Mrs. Paul Terry on Carpenter St. She was born Wednesday morning, Jan. 21 at New Grace Hospital and weighed seven pounds, nine ounces. Little Betty Jo has a brother, Mike, aged two and a six-year old sister, Martha.

Virginia Beeks, accompanied by her classmate, Sue Klee of Warren, Ohio, is home for a few days vacation between semesters at the Hathaway-Brown School in Cleveland, Ohio. Virginia's parents are Dr. and Mrs. Frank Beeks of Thayer Blvd.

Andrea Kay is the name of the new daughter born to Mr. and Mrs. Andrew Torok, Jr. of 400 East Main St. Jan. 16 at Beyer Memorial Hospital, Ypsilanti. Mr. and Mrs. Andrew Torok of Carpenter St. are the baby's paternal grandparents.

Please remember the urgent need for white cloth for use in making cancer pads. The present supply is not adequate to meet the requirements of local patients. Call Mrs. Carlson of Den 1, phone 402, or Mr. Muller, cub scout master, and boys of the cub scout troops will pick the donations up at your home.

The Patriotic Club will meet at the home of Mrs. Ethel Seeley of 124 East Dunlap St. Thursday, Feb. 5. Members are asked to bring sandwiches and table service, and to come prepared to sew on cancer pads.

Mr. and Mrs. Edwin Langtry of Thayer Blvd. were entertained for dinner Sunday at the home of the Robert Nelsons in Detroit.

Mr. and Mrs. John Niemetta of Mt. Clemens have been invited to be Friday evening dinner guests of Mr. and Mrs. Edwin Langtry of Thayer Blvd.

Mr. and Mrs. William Davis entertained at an anniversary party Saturday evening honoring Mr. and Mrs. James Bakken of Dearborn.

Mr. and Mrs. Harry G. Richardson of West Main St. were hosts to a bridge party Saturday evening. Guest couples were Mr. and Mrs. Alfred Parmenter, Mr. and Mrs. Bruce Turnbull, of Northville, and Mr. and Mrs. Lawrence Parmenter of Plymouth.

Rev. Ivan E. Hodgson of the Northville First Methodist Church will be an instructor in the class of "Christian Missions" at the midwinter institute of Methodist Youth Fellowship to be held Jan. 30 through Feb. 1 in Monroe.

A meeting of all officers of the King's Daughters will be held at 1 p.m. on Tuesday, Feb. 3 at the home of Mrs. J. A. Congo, 523 West Dunlap St. The regular business meeting of the King's Daughters will follow at 2 p.m.

Mr. and Mrs. Jim Green of East Cady St. were Wednesday evening dinner guests of Mr. and Mrs. Angelo Gadioli at their new home in Detroit.

Mr. and Mrs. William Crump of Church St. are proud to announce the arrival of a daughter, Allison Meredith, Jan. 10 at Sessions Hospital. The Crumps also have a four-year old daughter, Connie.

Mr. and Mrs. Edwin Langtry of Thayer Blvd. are planning to entertain the choir of the First Presbyterian Church Wednesday evening, Feb. 4 for practice and a social gathering.

Mrs. James Leavenworth of West Twelve Mile Rd. was hostess to nine members of the Novi Extension Group Jan. 20. The lesson on "Taxation" was presented by Mrs. Rex LaPlant. The next meeting of the group will be Feb. 1 at the home of Mrs. Ralph Walden on Twelve Mile Rd.

The Boy Scouts of Troop N-1 will sponsor a spaghetti dinner to be held at the Methodist Church house Thursday, Feb. 5 from 5:30 to 7:30.

Mrs. Dawn Holcomb and mother, Mrs. Clark, Mrs. F. J. Cobb, Miss Ethel Seeley and Miss Grace Tremper spent Thursday with Mrs. Clyde Casterline of New Hudson.

Mr. and Mrs. George Hills of West Main St. left this week for Downey, Calif. where they plan to spend the next two months as houseguests of Mrs. Hills' sister and husband, Mr. and Mrs. J. H. Tompkins.

Sunday dinner guests of Mr. and Mrs. Donald B. Severance of Novi Ave. will be the latter's sisters and their families, Mr. and Mrs. Ben Minford and children of Lapeer and Mr. and Mrs. Fred VanDyke and son of Plymouth. Also planning to attend the family affair is a niece and her family, Mr. and Mrs. Charles Ketcherside and daughters, also of Plymouth.

A business meeting of the auxiliary of the Northville V.F.W. Post 4012 will be held at the hall Wednesday, Feb. 4.

From Lapeer comes word this week of the birth of a son, William Charles, Jan. 14 to Mr. and Mrs. Stewart Thiemkey. The baby's birthweight was eight pounds two ounces. Mrs. Thiemkey is the former Jean Anderson, daughter of Mr. and Mrs. Philip Anderson of West Eight Mile Rd., Northville.

Mrs. E. J. Willis, member of the Detroit Historical Society, attended the annual meeting of the society held at the Historical Museum Wednesday, Jan. 28.

A two weeks' tour through Mexico is in store for Mr. and Mrs. Samuel Geraci of Clement Rd. who left Monday morning from Willow Run Airport.

Remember to turn your porch light on tonight and donate to the March of Dimes. Help others and perhaps yourself in the winning fight against polio.

After almost a month's stay with her daughter and family, the E. V. Ellisons of West Dunlap St., Mrs. Annabelle Winiger (Wilcox) left Sunday for her home in Los Angeles, Calif.

Mr. and Mrs. N. W. Hookins and Mr. and Mrs. Glenn H. Cummins attended the week-end conference of the Michigan Press Association in East Lansing.

Mr. and Mrs. Alex Funke of Northville Rd. are the proud "grandparents" of a nine pound boy born Jan. 25 at Mt. Carmel Hospital to Mr. and Mrs. James Funke of Detroit. The baby has been named Rodney Alexander.

Marv Lou Litsenberger arrived Tuesday at the home of her parents, Mr. and Mrs. John Litsenberger, of West Dunlap St., for a ten day vacation from classes at Western Michigan College, Kalamazoo.

Gail Matzen, student at Monticello College, Godfrey, Ill., has invited her classmate, Meme Cromwell of Enid, Okla., to be her houseguest during the mid-semester holiday. The girls arrived at the Donald Matzen home on Novi Rd. Wednesday and will return to school Sunday.

Dr. Stuart Campbell and Mr. and Mrs. Wilson Funk attended the Ann Arbor's Civic Theater's production of "Ten Little Indians" Saturday evening. Marilyn, daughter of the Funks, who is a student at University of Michigan, joined the party for the evening.

Members of the Northville Chess Club are scheduled to meet Saturday, Jan. 31 at 7 p.m. at the home of Duncan Hursley, 420 Beal Ave.

The Altar and Holy Name Society of St. Williams Church of Walled Lake is sponsoring a square dance to be held in the church hall Saturday evening, Jan. 31 at 9 p.m. The public is cordially invited to attend.

We can all help to fight polio. Join the March of Dimes. Send contributions to Post Office.

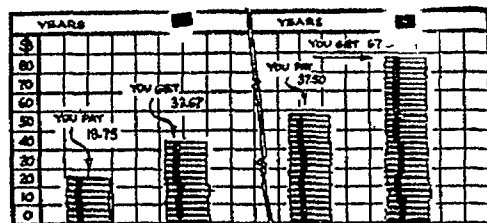

Want to make some extra money?

Now your maturing Series E Bonds can earn interest 10 more years at 3%

That's right!

YOUR TEN-YEAR OLD United States Series E Defense Bonds, maturing this year, can go on earning interest for ten more years! And they will continue to earn interest at an average of 3% per year, compounded semiannually.

This means that a Bond you got for \$18.75 can now pay you back \$33.67 . . . a \$37.50 Bond can bring you \$67.34 . . . and so on. Your extra profit may amount to as much as 80% on your original investment!

And there is nothing for you to do to get this extra earning power for your Bonds. Just hold on to them as you have been doing!

The extended earning period applies to all Bonds—those you already own and those you're

now investing in. And another thing—every Bond you invest in now starts earning interest sooner and matures earlier—at 3%.

You may still redeem any Series E Bond two months after you get it; but smart people are holding their Bonds. Don't forget, they keep right on earning interest without your lifting a finger!

Are you investing in better-paying Defense Bonds regularly through the Payroll Savings Plan where you work? 7 1/2 million Americans are. They know that it's one sure way to save, because it saves something out of every paycheck before you're tempted to spend it! And, remember, no matter how small your income, you can never afford not to save something for yourself. If you're not already one of those wise Americans, join the Payroll Savings Plan today. Or ask at your bank about the convenient Bond-A-Month Plan.

3 new money-making opportunities for you!
New Series H, J, and K Defense Bonds pay 2.76% to 3%!

If you want to get the interest on your Bonds in the form of current income, or if you want to invest more than the annual limit for E Bonds, ask at your bank for descriptive folders about these new Bonds:

Series H. A new current income Bond, available in denominations of \$500 to \$100,000. Sold at par. Matures in 9 years 8 months and pays an average 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Annual limit, \$20,000.

Series J. A new 12-year appreciation Bond, available in denominations of \$25 to \$100,000. Sold at 72% of par value. Pays 2.76% compounded semiannually if held to maturity. Annual limit, \$20,000 issue price jointly with Series K Bonds.

Series K. A new 12-year current-income Bond in denominations of \$500 to \$100,000. Pays interest semiannually by Treasury check at the rate of 2.76% per annum. Sold at par. Annual limit, \$20,000 issue price jointly with Series J Bonds.

Now even better!

Invest more in Defense Bonds!

The U. S. Government does not pay for this advertising. The Treasury Department thanks, for their patriotic donation, The Advertising Council and

The Northville Record

"It happened
40 years
ago..."

Hal W. Cobb, Central Division safety supervisor for Michigan Bell, talking to Field Engineer Warren A. Puckering outside the telephone building in Saginaw, recalls that the Benefit-Pension Plan started the same year he began his telephone career.

"I'll always remember my first day with the Telephone Company back in January, 1913. It was 12 below zero the day I started as a lineman."

"That same month the Company's Benefit-Pension Plan was established. The Company put up the money in 1913 to get it started and has paid all the costs ever since."

"The Telephone Company's Plan not only provides retirement pensions. It also gives financial help to employees of all ages in meeting emergencies that may come with sickness, injury or death."

"For instance, there were the times when I was sick in a hospital for weeks and got my pay checks just the same, thanks to the Benefit Plan."

"One of these days I'll be retiring and, believe me, it's mighty comforting to know that I can count on a good pension when that day rolls around."

"Having our Benefit-Pension Plan with me all these forty years has meant a lot to me in peace of mind. It was a good, sound plan to begin with. And it's been kept up to date to meet the needs of changing times. I'll stick our Plan against any of them."

AN IMPORTANT KEY TO GOOD TELEPHONE SERVICE

Michigan Bell's Benefit-Pension Plan is one of the oldest of its kind in industry.

It is one of the things that makes the Telephone Company a good place to work.

Telephone men and women have the protection and security of a complete benefit and pension program with all costs paid by the Company. This includes liberal benefit payments for sickness and accident disability, death and retirement.

Folks do a better job when they have a feeling of security. The Plan contributes to that feeling among telephone people. So it's a good thing for your telephone service, too.

The Benefit Plan is an important part of what we mean when we say . . . "Our policy is to furnish the best telephone service at the least cost to the public, consistent with financial safety and fair treatment of employees."

"It's People Who Make Telephone Service Good"

News From Novi

Mrs. Luther Rix Phone Northville 245-J

Mr. and Mrs. Howard Greer of West Grand River celebrated their 40th wedding anniversary Friday, Jan. 23. They were the dinner guests of Mr. and Mrs. Harold Miller, then they entertained in the evening their nephews and families, the Harold Millers and the Willis Millers. On Sunday their daughter and son-in-law, Mr. and Mrs. Carl Samr and daughter, Carla, were their dinner guests. Saturday evening, Mr. and Mrs. Alfred Gow and Mr. and Mrs. Luther Rix spent the evening with the Greens playing canasta.

The children of Novi School are bringing clothes for the Bundle Days of Save the Children Federation. The children are bringing clean, wearable, washed and mended clothing for infants, children and adults. Shoes in good condition, not high heels, are also needed. The drive provides for American children in remote rural areas who would not otherwise have the proper clothing to attend school. Feb. 20 is the last day for this drive. The first grade children have filled one bag and started on another. Mrs. William Miller is spending a couple of weeks with her sister and other relatives in Chicago.

Joanne Lessway, daughter of Mr. and Mrs. William Lessway of Novi Rd., sustained a broken collar bone in a recent automobile accident.

Girl Scout News

GIRL SCOUT TROOP NO. 1

We met at the Presbyterian Church Jan. 21. We took the dues and then went into our patrol groups. Mrs. Austin's group practiced a play. Mrs. Willing's group went over the menu for our supper to be held the first Friday in February. Then Mrs. Willing talked to the girls about the difference between fainting and convulsions. After the talk we had the nibble box.

Lou Ann Comer, Scribe

GIRL SCOUT TROOP II

The Girl Scouts of Troop II met at Mrs. Sedan's house Jan. 22. Sally Plamondon, a new girl, came to the meeting. We made flower pots and planted bulbs in them. Sharon Wick brought the nibble box which was candy hearts and vanilla wafers. Mrs. Sedan passed out American Girl magazines for all the girls to take home.

Carol Ann Bensen, Sharon Wick, Scribes

Village Commission Proceedings

Regular meeting of Village Commission was held at Village Hall Monday Eve, Jan. 19th, 1953, at 8:00 P.M.

Absent: President Langfield.
Present: Comm. Ely, Woodworth, Allen, Peters and Stubenvoll. In the absence of Pres. Langfield, Comm. Ely, President Pro Tem, presided over the meeting.

Minutes of last regular meeting were read and approved.

Finance committee audited the following bills:

Secretary of State, Oer. Licenses	\$124.75
George L. Young, Elec. Inspector	50.00
State Treasurer, Social Security and Adm. Costs	1800.00
Retail Merchants Assn., Contribution for Xmas lighting	143.84
Arnold Teshka, Caretaker	123.90
Caretaker Relief	134.10
Mary Alexander, Clerk	139.30
A. R. Clarke, Treasurer	150.00
Blackett Inc., Crawler Tractor	844.30
Joseph Denton, Chief of Police	303.82
Frank Heintz, Police	4.50
Gil W. Glasson, Police	6.61
Grant Dale, Police	59.90
Bertie Puff, Police	4.17
Herman Hartner, Supt.	55.00
Labor	19.86
Village of Northville, With. Taxes, Hosp. Ins. & Soc. Sec.	89.75
Edward M. Bogart, Assessor, Postage	33.05
Manning & Locklin, Gravel	208.73
Village of Northville, Refund for Adv. from Cash	54.40
Consumers Power Co., Gas	130.92
Vinc's Tire Service, Tire and Tire Repairs	31.57
Pure Oil Prod. Co., Gas and Oil	41.35
C. E. Miller Sales and Service, Service calls and Labor	
Michigan Bell Telephone Co., Service	
Marsh Office Supply, Supplies	
Northville Record, Printing and Supplies	
C. R. Ely and Sons, Fuel	
Heichman & VanEvery, Gravel	
Cy Owens Repairs to Equip.	
Lyke's Gulf Service, Gas and Car Washes	
Mary Alexander, 5% Sewer Coll. Fees from County	

Moved by Stubenvoll, supported by Peters, that bills be paid. Carried.

Comm. Ely reported that he and Supt. Hartner had measured the amount of sidewalk that would be required to lay a walk from Rogers St. to Orchard Dr. on W. Main St., as recommended by the Board of Education, and it would take 1100 lineal ft. to construct such a sidewalk. Police Dept was instructed to check the number of children using this road on their way to and from school during the next two weeks.

Hearing on the proposed trailer ordinance was held, and those property owners present to express their views were Elmer Perrin, Harley Cole, Mrs. A. C. Carlson and Forrest L. Doren. Their views and grievances were heard, and after discussing the matter at length, Atty. Littell was instructed to make some revisions in the ordinance as proposed and to bring it in again before the Village Commission at the next regular meeting.

The option agreement between Raymond Bachelder, of Plymouth, Michigan, and the Village of Northville, for the privilege of constructing a mausoleum in Rural Hill Cemetery, as drawn up by Atty. James Littell was presented to the Village Commission, which agreement grants Mr. Bachelder the sole and exclusive right and option at any time prior to Oct. 1st, 1954, to exercise such option. After careful consideration of the contents of this agreement, it was moved by Ely, supported by Woodworth, that same be adopted and executed. Carried.

Comm. Ely reported on the use of the crawler tractor at the dump and stated that it worked very satisfactory, and that the Village Clerk had been instructed to pay for same.

Atty. Littell reported on the Detroit Edison Co. pole agreement which he had been asked to examine, stating that he felt it was only a routine agreement that could be signed by the Village without committing them to do anything they would not do as a matter of course. It was therefore moved by Stubenvoll, supported by Allen, that this agreement be executed. Carried.

No further business appearing, meeting was adjourned. (Signed) Mary Alexander, Clerk.

Phone Company Is at Head of List for School Taxes

The Michigan Bell Telephone Company again in 1952 was the largest single contributor to the state Primary Fund with a payment totaling \$7,178,184.

According to figures released today by Dean A. Sipson, manager here for Michigan Bell, \$3,996 of the total was allocated to the public school system of Northville.

Schools throughout Wayne County, including the city of Northville, received a total of \$2,437,981 from the company's tax payment.

Sipson said the payments were based on a school census of 846 in Northville and 516,080 in Wayne County, as compiled by the State Department of Public Instruction. The company's tax payment this year, largest in its history, amounted to \$4.72 for each of the 1,519,514 youngsters in the state between the ages of 5 and 19 who are on the census rolls.

Michigan Bell, in common with railroads, Pullman, railway express, telegraph, and other telephone companies, pays a state property tax earmarked for the Primary Fund in lieu of other property taxes.

Teen-Age Girl Thinks It's Time for High School Boys, Girls to 'Come Alive'

by Arlene Nelson

We American teen-agers are among the best dressed, least hungry, most highly entertained, most fortunate in education, and sometimes densest young people in the world. We have all the educational opportunities imaginable—books with large, clear print, beautiful pictures, wonderful work-saving footnotes, and marvelous choices of words; we have helpful teachers, television, radio, and movies to broaden our interests and keep us informed of all the latest happenings in this busy world of ours; and, of course, we have comic books and "True Confession" magazines to "uphold our morale and keep us out of an intellectual rut".

"Magazine articles have taught us to combat psychoses, neuroses, halitosis, wallflower blues, overweight, stringy hair, clammy hands, and ill-fated love. Because we have the opportunities to learn about ourselves and others, we should be more understanding of our neighbors.

But have we learned to think for ourselves; to make intelligent decisions, to understand what's going on outside of our own snug, self-satisfied lives, and act like mentally and emotionally mature adults? It seems to be beyond many of us.

Many Americans, traveling abroad, have noticed and commented on the differences between the attitudes, conversations and general intellectual level of the European young people and ourselves. Are we too frequently involved with the opposite sex, delinquent parents, and fast cars to come alive?

No one wants us to be stuffy, mental giants who sit around all day watching the reaction of worms to light, but we can't let the rest of the world pass us by. Let's dust off our tired old brains and watch the results, shall we?

Vacation Practice Helps Debaters

During Christmas vacation, four varsity debaters, under the direction of the high school debate coach, Miss Florence Panattoni, traveled to Ann Arbor to take part in a practice debate with the Lansing Eastern High School team.

The topic for this 1952-53 season is, "Resolved, That The Nations of the North Atlantic Treaty Organization should form a Federal Union Building of the University of Michigan in Ann Arbor."

Forensics Club Offers Opportunity for Public Speaking

by Nancy Dewsbury

The Northville High School Forensic Club was organized for the purpose of promoting extra-curricular activities in the school. This club started with eight members and has grown to a membership of 35.

This year the club drew up a constitution so it would be a more complete and organized club, and members elected a president, secretary and treasurer who are, respectively, Arlene Nelson, Nancy Dewsbury and Lucien Lovewell.

This club brings to the students the opportunities of public speaking through such activities as debate, oratory, declamation, extemporaneous speaking, humorous readings, dramatic readings and discussion.

This year the Forensic Club has been very active. It has participated in several debates in which they were victorious. Students, under the supervision of Miss Florence Panattoni, attended a play in Ann Arbor called "The Birds". In the near future, Northville is going to entertain the Wayne-Oakland League Debate Tournament.

New Committee on Assemblies

by Larry Gotts

A new policy this year in the student council was the election of an assembly committee. This committee has tried to obtain the best assemblies for student enjoyment.

Some of those interesting the student body so far this year were a Bell Telephone Co demonstration; a concert by the Brighton High School choir; a speaker who had traveled extensively in Russia, and two excellent chapel services at Thanksgiving and Christmas. The committee has engaged the Selfridge Field Air Force Band for an assembly Feb. 6.

1953 Chevrolet Advance-Design Trucks deliver more value!

MORE CHEVROLET TRUCKS IN USE
THAN ANY OTHER MAKE!

4 powerful reasons
why you get more of
what you
want...

more
engine power!

108-h.p. Loadmaster engine—standard on 5000 and 6000 Series heavy-duty and forward-control models, optional on 4000 Series heavy-duty trucks.

more
staying power!

Heavier, stronger, more durable frames increase rigidity, add to ruggedness and stamina of 1953 Chevrolet trucks.

more
braking power!

Trucks up to 4000 Series heavy-duty models have "Torque-Action" brakes. Series 4000 and above use "Torque-Action" brakes in front, "Twin-Action" in rear.

more
economy!

New stamina plus extra gasoline economy in heavy-duty models with Loadmaster engine, reduces hauling costs per ton-mile.

Michigan Mirror:

Toll Roads On State Legislature Agenda

By GENE ALLEMAN

With the legislature's return to Lansing for another term some old fogies are raising their heads in the dusty corners again.

Reapportionment, capitol punishment and the old humdrum of taxes have popped up, although our lawmakers are carefully stepping around the tax puddles showing a studied lack of interest.

But one old argument, not quite so much publicized, rears up which promises to create quite a hustle in the senate.

There will be pressure brought to bear for toll roads in Michigan. Really nothing too new about the idea—it's been pigeonholed and tabled for at least two years.

But Sen. Haskell L. Nichols (R-Jackson) is really excited about it this year, and he promises to carry the battle to the last ditch. He has sponsored toll road bills in 1931 and 1932. Neither time did they see the light of day.

Toll roads, of course, would be built on revenue bonds to be paid for by charging automobiles a given amount for using the highways.

At present Detroit-Chicago and Detroit-Toledo through lines are contemplated on a toll road basis.

Way back in 1930 the Good Roads Federation was backing for a three-cent per gallon gas tax boost to finance these two highways. The legislature, vacillating as usual, did pass a one and one-half cent raise (which, as advertised, did not increase gasoline prices).

But lo and behold, the two super highways are not yet built. Matter of fact they have but barely been begun.

And so Senator Nichols and his backers want more action. They argue that a Toll Road Authority with power to issue bonds and build roads would expedite matters. And he presents a pretty fair argument. He says with regular tolls being paid only by those who

use the roads—and this would include a good many tourists and truckers—the gasoline tax could be utilized to take care of other beat-up key routes.

A clause in the bill Sen. Nichols has introduced absolves the state of any financial liability—and this is the weakest portion of the proposed law. No one is anxious to buy bonds in a venture so shaky the state itself won't take a chance on it. But the same rider was passed on the Mackinac Bridge Authority and the Blue Water Bridge Authority—and they both have made out.

Charles Ziegler, state highway commissioner, in 1931 opposed the bill, using his time-worn argument that he hates to see anyone taking money out of state coffers without some more concrete evidence of success.

But the financial absorption clause sounds suspiciously like the one he tagged on the Mackinac Authority—and he may go along with it this year so long as he can be assured his precious highway funds will go out unscathed.

Sen. Nichols now wants \$650,000 out of the highway gas tax funds for surveys and studies.

Insurance companies, cautious as usual, have made little comment. The Triple A has said only that it favors a study of the situation.

But Nichols this year is adamant. As chairman of the senate highway committee he has promised that the bill will be brought out on the floor. He says the time is ripe to face facts and recognize that Michigan's highways are a mess.

But the lawmakers traditionally are opposed to any radical change—and this law could alter the entire format of highway financing in the state.

Says Sen. Nichols, "It's about time."

Michigan's new congressman, Victor A. Knox, former speaker of the house, is holding his own in Washington. Seen recently in

the House of Representatives restaurant wearing a green polka dot tie, he was braced about his choice of neckwear.

"Going Democratic?" another Michigander asked.

"I wore bow ties a long time before I ever heard of Williams," Knox is said to have replied.

"Green polka dot ties?"

"Yup," says Knox. "Also wear pants."

Presbyterians to Observe Young People's Week

Young People's Week will be observed at the First Presbyterian Church with morning services completely in charge of the Senior Westminster Fellowship on Sunday, Feb. 1.

Bob Burgess, president of the group, will preside and appoint various committees to assist with plans. A deputation of young people from Alma College will be in the community for the week end and will assist in the Sunday School, church service and the Sunday evening programs.

Arthur Turner, a ministerial student, will assist the Rev. Dr. Harold F. Fiedsell during the church service. Mr. and Mrs. Richard W. Kay, sponsors of the Senior Fellowship, are working with the committees on plans.

Toll Roads On State Legislature Agenda

By GENE ALLEMAN

With the legislature's return to Lansing for another term some old fogies are raising their heads in the dusty corners again.

Reapportionment, capitol punishment and the old humdrum of taxes have popped up, although our lawmakers are carefully stepping around the tax puddles showing a studied lack of interest.

But one old argument, not quite so much publicized, rears up which promises to create quite a hustle in the senate.

There will be pressure brought to bear for toll roads in Michigan. Really nothing too new about the idea—it's been pigeonholed and tabled for at least two years.

But Sen. Haskell L. Nichols (R-Jackson) is really excited about it this year, and he promises to carry the battle to the last ditch.

He has sponsored toll road bills in 1931 and 1932. Neither time did they see the light of day.

Toll roads, of course, would be built on revenue bonds to be paid for by charging automobiles a given amount for using the highways.

At present Detroit-Chicago and Detroit-Toledo through lines are contemplated on a toll road basis.

Way back in 1950 the Good Roads Federation was bucking for a three-cent per gallon gas tax boost to finance these two highways.

The legislature, vacillating as usual, did pass a one and one-half cent raise (which, as advertised, did not increase gasoline prices).

But lo and behold, the two super highways are not yet built. Matter of fact they have but barely been begun.

And so Senator Nichols and his backers want more action. They argue that a Toll Road Authority with power to issue bonds and build roads would expedite matters. And he presents a pretty fair argument. He says with regular tolls being paid only by those who

use the roads—and this would include a good many tourists and truckers—the gasoline tax could be utilized to take care of other beat-up key routes.

A clause in the bill Sen. Nichols has introduced absolves the state of any financial liability—and this is the weakest portion of the proposed law. No one is anxious to buy bonds in a venture so shaky the state itself won't take a chance on it.

But the same rider was pasted on the Mackinac Bridge Authority and the Blue Water Bridge Authority—and they both have made out.

Charles Ziegler, state highway commissioner, in 1931 opposed the bill, using his time-worn argument that he hates to see anyone taking money out of state coffers without some more concrete evidence of success.

But the financial absolutism clause sounds suspiciously like the one he tagged on the Mackinac Authority—and he may go along with it this year so long as he can be assured his precious highway funds will go out unscathed.

Sen. Nichols now wants \$650,000 out of the highway gas tax funds for surveys and studies.

Insurance companies, cautious as usual, have made little comment. The Triple A has said only that it favors a study of the situation.

But Nichols this year is adamant. As chairman of the senate highway committee he has promised that the bill will be brought out on the floor. He says the time is ripe to face facts and recognize that Michigan's highways are a mess.

But the lawmakers traditionally are opposed to any radical change—and this law could alter the entire format of highway financing in the state.

Says Sen. Nichols, "It's about time."

Michigan's new congressman, Victor A. Knox, former speaker of the house, is holding his own in Washington. Seen recently in

the House of Representatives restaurant wearing a green polka dot tie, he was braced about his choice of neckwear.

"Going Democratic?" another Michigander asked.

"I wore bow ties a long time before I ever heard of Williams," Knox is said to have replied.

"Green polka dot ties?"

"Yup," says Knox. "Also wear pants."

At a session of the Probate Court for said County of Wayne, held at the Probate Court Room in the City of Detroit, on the fifth day of January, in the year one thousand nine hundred and fifty-three.
Present Joseph A. Murphy, Judge of Probate.
The Matter of the Estate of DAISY L. CARD, Deceased.
Daniel J. Stark, Executor of the last will and testament of said deceased, having rendered to this Court his first and final account in said matter and filed therewith his petition praying that the residue of said estate be assigned in accordance with the provisions of said last will:
It is ordered, That the Fifth day of February, next, at ten o'clock in the forenoon at said Court Room be appointed for examining and allowing said account and hearing said petition.
And it is further Ordered, That a copy of this order be published once in each week for three weeks consecutively previous to said time of hearing, in the Northville Record, a newspaper printed and circulated in said County of Wayne.
Joseph A. Murphy,
Judge of Probate
I do hereby certify that I have compared the foregoing copy with the original record thereof and have found the same to be a correct transcript of such original record.
Dated January 5, 1953
Raymond A. Sudoh,
Deputy Probate Registrar

Optimist Hear About Prize Fowl

The poultry specimens shown at the Optimist Club meeting Wednesday night would have been as mad as fighting cocks if anyone within earshot had referred to them merely as chickens. They were exotic Araucanas and Silver Spangled Hamburgs, and Rose Comb Black Bantams, aristocrats of the poultry world. Showing the poultry was Ivan N. Cuthbert, Ann Arbor architect

and industrial designer, who has been interested in fowl as a hobby for about fifty years. He is regarded as an international authority on the Araucana breed, which is the direct result of specialized breeding of jungle fowl in India. The birds produce eggs of various colors and have the flavor of game birds when used as food.

Mr. Cuthbert's talk to the Optimist Club was accompanied by slide projections.

Polio victims are depending on us to go with them on the long road to recovery. Let's all join the March of Dimes.

COCOON DOCTOR—An ordnance engineer checks the humidity inside the cocoon of a mothballed 90-mm gun using a new electronic detector developed by Minneapolis-Honeywell and the Department of Defense. It guards stored military equipment from rust and corrosion.

BEAUTIES vie for attention at recent Chicago stock show. Here "Target Number 19," prize bull from Cheyenne, Wyo., tries to out-mug Chicago "cowgal" Nancy Ann Miller.

"THEY'VE SEEN PAREE"—Among thousands of Yanks arriving in New York from recent European vacations were these midwestern girls: left, Sally Colby, Detroit receptionist, and Jean Funk, artist from Chicago.

Sports Car Show Extends Dates

An unprecedented number of visitors to the Sports Car Show at the Henry Ford Museum has prompted its extension, museum officials announced today. The exhibit will now be open through Sunday, Feb. 8. Originally, the exhibit was scheduled to close a week earlier, on Feb. 1.

Attendance at the museum since the first of the year has broken all records for the entire month of January. More than 10,000 people have seen the Sports Car Show alone.

Museum officials also announced the addition of two more sports cars to the exhibit. Added to the display are a Campbell "Special" and an Allard "Palm Beach" model with a special fiberglass body. Both cars are custom-built.

The Campbell "Special" features a special Ford V-8 "60" engine using a fuel injection system instead of the conventional carburetor arrangement. It has a special race car tubular frame and an Offenhauser rear independent suspension system. With the fuel injection system, the engine is claimed to develop nearly 100 horsepower.

The Allard "Palm Beach" features a plastic version of the English Firm's latest model. Using a stock Allard frame and English Ford six-cylinder engine, the "Palm Beach" uses a fiberglass body similar to the original model's aluminum body, but weighing only 125 pounds. The prototype model was built for the Glass Plastics International Corporation.

The six-cylinder engine delivers 68 horsepower at 4000 rpm. A top speed of 100 miles per hour is claimed.

MSC to Build New Dormitories

Michigan State College has started construction on new men's dormitories which will house 1,350 men.

The project will cost about eight million dollars, including equipment, furnishings, sitework and utilities. It is expected that the first units will be ready for occupancy in early 1954, college officials said.

The residence halls will be constructed on a self-liquidating basis and at no expense to the public, officials pointed out.

Aaron L. Taylor Promoted by Army

Aaron L. Taylor of Walled Lake, recently was promoted to corporal while serving in Germany at the Bremerhaven Port of Embarkation. In Germany since last August, Taylor is assigned to Detachment A, 7802 BPE, with duty in the base post office. Cpl. Taylor is the son of Mr. and Mrs. Ralph L. Taylor of 115 Poplar St., Walled Lake. Prior to entering the Army in February 1951 he was graduated from Walled Lake High School with the class of 1949.

Safe Shaft Cleaner

When grass or weed stems bind tightly around revolving shafts or axles of farm equipment, it's a vexing and sometimes dangerous job to dig them loose. But here's a safe shaft-cleaner; a steel quarter or half-inch rod, with an 8 or 10-inch angle, and a sharp hook on one end. With it you can break the stems and clean the shaft without danger of losing a finger or hand—even if you've been careless enough to leave the shaft in motion. One farmer made several, one for each implement where wrapped shafts was a

THE SEVEN BROTHERS

A Jewish Rabbi's parable tells of seven brothers who lived together. Six worked and the seventh cared for the house, having the meals ready and

the house bright for his brothers in the evening. But the six said that the seventh must work, too. So, in the evening, they returned home & found the house dark and no meal prepared. Then they saw how foolish they had been, and quickly restored the old way. The Lord's Day is a day among the seven which provides light from the Word of God, comfort and opportunities to do good to others. If this day is driven out to work, then the other days will miss all the blessing. In the wisdom of the Almighty God, six days are allotted for labor and one day in seven is set apart for the worship of God and the physical well-being of man. This is God's plan for the seven days of the week. It was never intended to be another working day, nor was it intended to be a holiday. It is called "the Lord's Day." It is honoring to the Lord when this day is sanctified for the purpose of rest and worship and the Lord will honor those who honor Him.
