## Committee Lists Reasons Why Northville Should Be A City

by Dr. L. W. Snow.

Chairman of Committee on City Incorporation

On Nov. 9, 1951 the Village Commission instructed Village Attorney James E. Littell to prepare a factual study of the pros and cons of a city form of government for the Village of Northville. Mr. Littell's findings, prepared impartially, were presented to the public through a series of six articles published in the Northville Record during December, 1951 and January, 1952.

### Writer Asked to be Chairman

The writer was asked by Village President Conrad E. Langfield on May 2, 1952 to become chairman of a "Committee on City Incorporation" to work out details and bring the matter to a vote of qualified electors. This committee consisted of representatives of all established civic organizations in Northville, as follows: chairman, Dr. L. W. Snow; attorney, Philip Ogilvie; Optimist Club, Dr. L. W. Snow; Village Commissioner, Gerald Woodworth; Member of original Incorporation Committee, Levi Eaton; Woman's Club, Mrs. Orson Atchinson; Kings' Daughters, Mrs. James Green; UAW-CIO Ford Local 896, Fray Croll; Exchange Club, Essie Nirider; American Legion Post 147, Charles Murphy; Veterans of Foreign Wars Post 4012, Jim McTigue; Village Commission, Jack Stubbenvoll; Rotary Club, Cy Frid; BPW, Mrs. A. C. Carlson; Village Commission, Alton Peters; School Board, Robert Coolman; Mothers' Club, Mrs. W. E. McCarthy; Retail Merchants Ass'n., Mrs. Sidney Junod.

The Committee held numerous meetings during the summer and early fall. It studied at first the arguments for and against becoming a city. Then, after the desirability of such a move was recognized beyond serious debate, it took up the matter of whether boundaries of the proposed new city should be identical with those of the present Village, or whether they should be extended to include certain areas where population growth might logically be expected during the next few years, or which it might be well to include for other reasons.

### Legal Aspects Studied at Length

Finally, after agreement was reached on both the desirability of submitting the question of becoming a city to the voters, and on expansion of the present boundaries, the various legal aspects of the undertaking were studied at length by competent attorneys and property descriptions were carefully checked during the fall to minimize any chance of errors which might lead to legal complications.

Recently, petitions necessary to bring the matter to a vote at the spring election April 6 have been circulated as required by law. Sufficient signatures have been obtained at this date for filing the petitions with the Secretary of State. It is now planned that this will be done this week.

### Time Now For Discussion of Question

The weeks between now and April 6 will afford ample time for discussion and study by voters of the pros and cons of the entire matter. It is hoped that everyone who will be affected will attend the various public meetings that will be held up to Election Day.

Meanwhile, it is proposed to run another series of articles in the Record to restate and elaborate on the reasons why the committee advocates a city form of government for the Village. At the same time, the Record has offered similar space for the airing of opposition arguments, if any, so voters will have an opportunity to hear all sides of the question.

In concluding this first article, it appears that no better approach could be made to the problem than to re-state the conclusions which Mr. Littell reached after studying the matter for the Village Commission a year ago. These conclusions, as printed by the Record at the time, were as follows:

### Difference Between Forms Not Great

"The basic difference between a village and a small city is not great. A city is simply a village to which has been added the right and responsibility to perform certain functions which the township now performs for its village residents. Therefore, changing from a village to a city—reduced to its simplest terms—is merely withdrawing from the township and adding the necessary township functions to village government."

"Incidental to making the change the new city obtains additional powers for increased governmental activity and the opportunity to modernize the framework in which local governmental activities are carried on."

### More Efficient and Convenient

"The majority of the township duties which the new city takes over are the legally-required duties in connection with assessing property and collecting taxes for county and school purposes; conducting county, state and national elections; sending representatives to the Board of Supervisors; and providing a primary or justice court system. Each of these services can be provided in a more efficient and more convenient manner by a city than by a township, and each can be done either at a lower cost or at no additional cost to city taxpayers."

"Any local services which the township has been providing which the new city wishes to continue may be continued by paying for them out of city taxes instead of township taxes, or on a contractual basis with the township."

"From a financial standpoint, the effect of separating from the township results in the saving of virtually the entire township tax. At the time of incorporation, in addition, the new city shares in all township assets in proportion to the assessed value of the city and the township."

### Must Now Deal With 2 Governments

"When it is realized that village residents are the only citizens in Michigan who must support, and deal with, two local governments, certain other advantages of separating from the township become obvious. First, there is a general simplification of government. Second, there is a complete removal from any partisan element in local affairs. There is no change in the character of the community or in the conduct of schools or social welfare. Simultaneously with the process of incorporation as a city, there is the possibility of expanding boundaries in a much easier and more practical manner than by annexation."

"The other major group of advantages, in addition to those of separating from a township, which arise from city incorporation are the modernizing of the form of local government. This modernization takes the form of preparing a tailor-made home rule charter, which charter usually provides for reducing the number of elected administration officials, for giving greater powers to the municipality, for unifying the responsibility for municipal affairs in the elected council, and frequently in the provision for the council-manager form of government."

"There has been a steady trend of Michigan villagers to change to the city form of government."

## Dog Rabies Clinic Planned in Salem

Grant Currie, deputy clerk of Salem Township, announced this week that a dog rabies clinic will be held at the Fire Hall in Salem from 2 to 4 p.m. on Friday, Feb. 13.

Dr. Wright will be on hand to vaccinate the dogs and licenses will be issued at that time.

## Scouts to Sponsor Spaghetti Dinner

The Boy Scouts of Northville Troop N-1 will sponsor a spaghetti dinner at the First Methodist Church House Thursday, Feb. 5.

The public is cordially invited to the dinner, which will be served from 5:30 to 7:30 p.m.

## Here Are Candidates In Novi

Edmund Yerkes for Supervisor

Fraser Staman for Supervisor

Leo Harrawood for Supervisor

John Harnden for Treasurer

William MacDermid for Treasurer

The most active contest for township offices in years will go before Novi Township voters for their consideration in the primary election on Tuesday, Feb. 16.

A total of 11 men are seeking five top township posts, and three men have filed for two openings as constables.

The only uncontested office is that of Township Clerk, held since 1920 by Earl Banks, who will run for re-election.

Four men have filed for the two Trustee posts. They are Frank Clark, who is now Supervisor; Bernard Kitson, incumbent Treasurer, and Jack Crawford and Charles Trickey, Jr.

The three who will run for Treasurer are Russell Woodworth, John Harnden and William MacDermid.

Edmund Yerkes, Fraser Staman and Leo Harrawood will be on the ballot for the post of Township Supervisor.

For Constable on the Republican ticket are Vernon Loeffler and Hallie Foster. Wilbert Patterson filed for Constable on the Democratic ticket.

### FOR SUPERVISOR

**EDMUND P. YERKES** has been Justice of the Peace since 1935. He is an attorney who passed the bar in 1934. Mr. Yerkes was born in Novi Township in 1907, is married and the father of two children, Charles, 10, and William, 3.

**FRAZER STAMAN**, of 43434 Grand River Ave., has been president of the Novi School Board for five years, and is employed by the Ford Motor Co. He was graduated from Farmington High School and attended Miami University at Oxford, Ohio. He was with the Great Atlantic and Pacific Tea Co. for 15 years, of which eight were as manager of the Northville store. He attended University of Detroit night school.

Mr. Staman is married and the father of one son, who is 16. A resident of Novi for 15 years, he is a member of the Masonic Lodge and the Oddfellows in Novi. He believes that the office of supervisor is a full time job, and states that he was asked to run for supervisor because of his interest in the community.

**LEO HARRAWOOD**, 33, although 100 percent disabled after being wounded twice and captured twice as a medic in army service in Africa, Italy and France during World War II, has operated Harrawood's Sales and Service in Novi for four years.

He was graduated from high school in Montgomery, Ind., and has lived in Novi since 1945, where he bought a home. He was with Ford Motor Co. Engineering before the war, was with Associated Discount Corp. in Detroit for five years, sold real estate and was a private detective. He is a notary public.

Married, and the father of two children, Mr. Harrawood is a member of the Novi Board of Commerce, the Masonic Lodge, Novi Amvets Post 76, and Lloyd H. Green Post 147, the American Legion.

### FOR CLERK

**EARL BANKS** was elected Clerk in 1920 and has served continuously since. He was born on Eleven Mile Road in Novi Township and has lived there since.

### FOR TREASURER

**RUSSELL WOODWORTH**, of 425 South Lake Dr., Walled Lake, has served eight years as a Justice on the Township Board, and was on the Zoning and Planning Board previously. He was treasurer of the Bassett School District Board before its consolidation with Walled Lake School District.

He was graduated from Walled Lake High School, and by the Business and Accounting Institute in Pontiac.

Mr. Woodworth has been in the resort business for 18 years, and feels that since his business is slow during the winter months when most of the work of the Township Treasurer is done, that his background qualifies him for the job.

He is married and the father of

Bernard Kitson for Trustee

Jack Crawford for Trustee

Charles Trickey, Jr. for Trustee

Earl Banks for Clerk

Note: Pictures do not appear in this story for Russell Woodworth, candidate for Treasurer, and Frank Clark, candidate for Trustee.

three children, Marilyn, 16; Richard, 15, and Linda, 5.

Mr. Woodworth is a member of the Walled Lake Masonic Lodge and Novi Oddfellows.

**JOHN HARNDEN**, a resident of Novi for 22 years, has been the owner of Harnden's Confectionery on Grand River Ave. for 18 years. He was with the Ford Motor Co. in a supervisory capacity for 28 years.

Mr. Harnden, 65, attended school in Detroit, is married and the father of two children, both married.

He has twice before run for

## Council Approves Trailer Ordinance

The proposed new trailer ordinance, with minor revisions, was passed unanimously by the Village Commission at its meeting Monday night. Unless protested, it will become law in 21 days after its passage.

A last-minute revision changed the time limit for filing for a permit from 24 hours after a trailer arrives in the village, to 48 hours, thus allowing a trailer-traveler to visit a friend in the village without running afoul of the ordinance at times of the year when trailers are forbidden.

The revision was suggested several weeks ago by Commissioner Claude Ely, and brought up again Monday by Commissioner A. Malcolm Allen. The Commission then agreed to the change.

The new ordinance is printed in full in another part of this issue of the Record.

## Auto Crash Claims Lives of Couple

A double funeral was held on Monday, Feb. 2 for Mr. and Mrs. Clayton Tarnutzer, of Plymouth, following a tragic automobile accident at Schoolcraft and Haggerty Rds. Jan. 28 which resulted in death for them and injuries for six other persons.

Mr. Tarnutzer was dead on admission to Wayne County General Hospital. Mrs. Tarnutzer died there Saturday morning of injuries received in the accident. Mr. Tarnutzer had been a chemist at Northville Laboratories since 1944.

### DIDN'T SEE SIGN

The car in which the Tarnutzers were passengers, driven by Ralph W. Smart, of Cincinnati, Ohio, was travelling east on Schoolcraft when it was struck by a car driven by James A. King, of 18745 Ridge Rd. going north on Haggerty, according to the Traffic Department of the Wayne County Sheriff's office. Mr. King said he did not see the stop sign, according to sheriff's deputies. He is held on a charge of involuntary manslaughter and was scheduled to be brought to the county prosecutor's office for a statement on Feb. 4, the sheriff's office said.

Mr. Smart, a salesman, is in critical condition. Occupants of the King car were treated for minor injuries at Wayne County General and released. They are Olive, Gerald and Virginia Schmitz, of Ridge Rd. and Florence and Deborah Schiffen, of Wayne.

## City Petitions Are Ready for Lansing

Petitions bearing the legally required number of signatures to place the city-village question on the ballot will be on their way to Lansing late this week, according to Philip Ogilvie, attorney for the City Incorporation Committee.

If the petitions are approved, the next move will be for the Secretary of State to instruct local election officials to place the question of changing Northville to a city or leaving it as a village on the ballot.

Petitions for nomination of Charter Commissioners, who would draw up a city charter in the event that the proposal is passed, have been circulated simultaneously with the city petitions. Mr. Ogilvie stated Wednesday that anyone wishing to have a petition for charter commissioner could have one by applying at his office.

## Niemi Honored by Plymouth Group

Robert Niemi, recently named plant manager of all Burroughs Adding Machine Co. plants in Plymouth, was honored, along with five other persons, at a Plymouth Chamber of Commerce breakfast last week.

Leading business and professional men met once a month at the Mayflower Hotel to become acquainted, and to be introduced to new Plymouth business owners and executives at a "Friendship Breakfast".

## Funk Urges Use of Available Funds for Community Building

The Village Commission this week gave informal consideration to plans for a Northville Community Building that could be built with funds now on hand in the Village treasury.

Such plans were presented by Wilson Funk, Village recreation director, and Walter Anicka, Ann Arbor architect. As proposed, the building would include a standard size gymnasium, stage, locker rooms, showers, and a heat-plant.

Mr. Funk pointed out that the gymnasium could serve also as an auditorium for school use and for larger Village functions.

The proposed structure is a simplified version of plans which have been in existence for several years. Certain features heretofore thought desirable, such as rooms for smaller community meetings,

space for youth activities, and a cafeteria and dining room, are omitted in the interest of economy.

The proposed simplified building, it was claimed, could be built for about \$170,000. One with the additional features listed above would cost about \$300,000, according to Mr. Walter L. Couse, who believes it would be of much greater community service than the minimum structure proposed by Mr. Funk.

### NEW COMMITTEE

At the conclusion of the discussion before the Village Commission, in which both Mr. Funk and Mr. Couse participated, it appeared probable that a new committee will be appointed at the next Commission meeting to re-study the entire matter. Such a committee would replace the one formed last summer under the chairmanship of Mr. Sid Frid, which to date has made no report to the commission.

Simultaneously with the Community Building discussion before the Village Commission, the Northville School Board then in session was deliberating on the need for additional classroom space in the high school and for more grade school facilities in a comparatively short time. The original Community Building plans were drawn with consideration of the approaching need for more high school class room space and a larger heating plant in mind, and contemplated that a sizable portion of the ultimate cost of such construction could be saved by a new power plant to serve the high school and Community Building jointly.

### MATERIALS APPROVED

Mr. Couse informed the Village Commission that the National Production Authority in Washington has approved allocation of materials for construction of a community building.

Commissioner Claude N. Ely, acting president of the Commission in the absence of Mr. Langfield, asked Commissioners to come to the Feb. 16 meeting with names of people who would be vitally interested in the community building project, and who will be willing to work on an early solution to the problem.

Mr. Couse, after devoting much time and effort to the original committee which planned the community building, has warned against settling for too small a structure on the basis that once it is built, the odds are too great against ever finding money or approval for later adding such features as a cafeteria, classrooms or meeting rooms.

As the talk at the meeting got around to costs, Commissioner Ely injected the thought that the Commission five years ago was unjustly criticized for not approving construction of the larger building when it would have cost only about \$145,000. "The only trouble with that idea," Mr. Ely pointed out, "is that there was only about \$25,000 in the fund at that time, and nobody was in a mood for bonding for the rest of the money."

The "shell", proposed by Mr. Funk and Mr. Anicka, is almost identical with the central portion of Mr. Couse's plan for the larger building. It would be of steel frame and cinder block construction and use a blower system for heating. It would have a gypsum deck and acoustical board ceiling and enclose a 72x100 ft. gymnasium with 24 feet on one side for seating of 500 to 800 spectators, and a 24-ft. stage on the other side. A half-level basement under the stage would be given over to locker rooms for boys and girls, showers and toilet facilities.

## Cummings to Speak at Woman's Club

The Northville Woman's Club will hear Glenn H. Cummings in a talk on "Civic Problems" at its meeting Friday, Feb. 6, at the Northville Branch of the Wayne County Library on South Wing St.

## Scouts to Attend Church in Body

Northville Boy Scouts will attend the First Presbyterian Church as a group Sunday, Feb. 8, in observance of Boy Scout Sunday, part of a week given over to Scouts during the group's 43rd anniversary celebration Feb. 7 to 13.

Scoutmaster Monroe Weston said that four Eagle Scout awards, Scouting's highest award, will be given to boys during the service.

## Rolling Down The River

by the PETZ BROS.

Fellow came in the garage the other day for a pre-view look at the new Studebaker for 1953, which incidentally he couldn't get, told us that the new administration was having a lot of influence over the lives of people... and being people, when things look good, they'll gamble on anything. "In fact," he said, "some of them are even going so far as to save money again on the off chance that it will be valuable some day."

Of course, we know a lot of people that have been saving money for any number of years. They do it by owning the economical Studebaker, that saves and saves and saves... money... mileage... gas. We'll have the '53 edition on our floor very shortly and want you to be sure and get around to see it. Of course, it'll be about a week before we can unveil this ever-so-smart American car with continental styling, but we want you to be on your toes. It's so smart we're afraid we won't be able to keep it on the floor long enough to show people. However, in case you can't wait, we have one '52 model left that you can have at a really substantial discount to enable us to start the new season right from scratch.

Now a certain lady we know, has been dropping in this service mart of ours for quite some time. Every time her car needs oil, grease or a bit of tune-up she drives in and she has never failed to come up with a story of sorts. The other day she was telling us of a meeting she attended at which a group of high-brows were discussing the meaning of freedom of speech. "They've a lot of things to learn," she stated. "In fact, unless they happen to be around when my husband starts to figure this year's income tax, they'll never learn the true meaning of 'free-speech.'"

Oh well, we've heard the same sort of expression used by some motorist whose car fails to start, or stops in the middle of the road, or just up and quits all together. Usually is the motorist's own fault, too. If he had brought it around for the expert attention of our mechanics, all those troubles simply wouldn't happen. While we're on the subject, why let it happen to you? These experts of ours will be more than pleased to put your car in the finest of mechanical condition. Bring it in, you'll be glad you did!

That's that, but about the most belittling remark we've heard recently is when an eighth grader told his college freshman brother, "count yourself again, Bub, you're not so many."

## Brighton Game Friday Can Be Turning Point

As the Wayne-Oakland County League basketball race heads down the home stretch, the most important game of the week will be the Brighton-Northville clash in the Northville gym tomorrow night, Feb. 6.

If Brighton wins, the Bulldogs will have a more tenacious hold on first place, the position they currently hold. If Northville wins, both teams will have a 5-

win—two loss record and probably be forced into a three or four way tie for first with Milford or Clarkston, who, along with Northville, now have 4-2 records in the league.

Northville lost to Brighton, 55 to 53 in Brighton's new gym just before the Christmas holidays, chiefly because of Tom Evenson's 29 points scored for the Bulldogs. The towering Evenson, who has better than a 20-point per game average, is rated number one scorer in this area by the Pontiac Press.

Northville will face Holly (Feb. 13), Clarendonville (Feb. 20) and Clarkston (Feb. 27), all three beaten previously by the Mustangs, to finish out the Northville end of the league schedule.

## Northville Cagers Win Thriller from Keego, 62 to 60

With Center Glenn Howarth pacing the team with 22 points, the Northville High School basketball five edged out Keego Harbor 62 to 60 in a thriller at Keego Tuesday night, Feb. 27.

Northville was plagued from the beginning by Keego's Lee Collins, who poured 18 points through the hoop in the first quarter as the Harborites jumped off to a 25 to 16 lead, but Coach Dick Kay devised a defensive treatment that squelched the point-rampage. Collins was held to five points in the second quarter, to a single basket in the third and blanked in the final period before he was chased from the game with five fouls. Also waved to the sidelines on fouls were Keego's Fred Harbruger, and Northville's Gerry Graham and Dick Somers.

Statistics point out the closeness of the game. Both teams had 21 field goals; both had 22 fouls; both had 35 chances at the free throw line. Northville's players dropped in 20 foul shots and Keego hoopers hit the hoop on 18 free throws. And that was the two-point margin which spelled victory for one and defeat for the other.

## Milford Downs Northville, 64-54

A blistering scoring pace set by Milford High School's cagers was too much for Northville Friday night and the Mustangs had to accept a 64 to 54 defeat at the hands of the Indians in a game played at Milford.

The Indians racked up 11 points in the first quarter before missing a shot, and maintained approximately a ten-point lead throughout the game.

Milford's Torrance, who hooked and pushed one handers through the hoop for 21 points, was the principal thorn in the side of the Mustangs, and Baker, a consistent high-scorer, accounted for 17 markers.

Glenn Howarth tallied 15 for the Mustangs, and Dick Somers and Gerry Graham got 12 and 11, respectively.

Apparently slowed down by the gruelling Keego Harbor game three days before, the Mustangs never appeared really sharp at the shooting game, and lost control of both backboards to the tall Indians.

The Mustangs broke the Milford attack temporarily in the second quarter with a pressing defense which rattled the Indians, and Northville began accumulating points (five of them) on free throws, but Torrance broke loose again to lead the Indians to another 18-point quarter.

The torrid pace set by Milford never cooled off, and even though Torrance was held off in the closing period, Baker broke loose to keep the Indians' lead intact.

## Springer Spaniels in Demonstration

A free demonstration of training Springers for hunting, field, water and obedience will be given by Southern Michigan Springer Spaniel Training Club on Sunday, Feb. 8, at 2 p.m., Vester Hall, 177 Vester, Ferndale.

Mrs. Roy D. Chapin, Jr., of Grosse Pointe, Mich., one of the few women handlers to gain the Nationals for Springers, will be narrator for the program.

Included in the entertainment will be "Parade of Dogs" and display of 1952 ribbons and trophies; performances of a six months old puppy, trained and handled by Howard Mesnard of Walled Lake; a twenty months' old dog, "Sir Robert of Huntersfield", owned and handled by 13-year old Norm Matheson of Ferndale, winner of eleven ribbons and five trophies; the Obedience Dog, demonstrated by "Ovarance Sir Michael", handled and owned by Dr. James D. Stover of Highland Park; shooting dog and gun handling event with "My Mae Dare", owned and handled by Ralph Franks, Detroit, instructor Detroit Sportsman's Congress.

A special colored film, "Springer Spaniels in Action", will be shown.

# Committee Studies Problems of \$2,000,000 Tri-Area Hospital

(An article in the Jan. 29 issue of The Plymouth Mail reviewed activities of a study survey concerning the proposed tri-area hospital. Because the proposed hospital will directly affect the Northville area, and is of interest to residents, the article is reprinted below. Ed. Note)

A study survey of what last November was called a \$2,000,000 tri-area hospital is continuing quietly under the direction of a recently appointed sub-committee of the Livonia, Northville and Plymouth Hospital Authority.

The three-man sub-committee is faced with a four-fold task of determining (1) what type and size of hospital to recommend to the Authority, (2) whether it should be jointly financed through sectarian or non-sectarian groups, (3) what type of hospital would be most self-supporting, (4) and whether the hospital should be administered by the Authority or turned over to a private organization.

## STUDY IS FOLLOW-UP

The current study under way is a follow-up to an earlier announcement that plans to build a 100 bed, \$2,000,000 tri-area hospital were in the offing within the next five years. It would serve over 43,000 persons living in Livonia, Northville and Plymouth and their hinterlands.

Robert Marsden, chairman of one the three tri-area study groups, today cautioned that the project is still in the "incubator" stage, a long way from the architect's drawing board.

Marsden said the sub-committee study group is currently investigating "all aspects of construction, finance and administration—getting something specific—before handing down its recommendations to the Authority."

## WANT SOUND HOSPITAL

"What we're after," he said, "is an adequate community hospital that is most likely to succeed. We are concerned that the unit be self-supporting and not become a community burden."

Financing the multi-million dollar installation has occupied the Authority with a perplexing problem that some five years ago spelled defeat for the original Authority.

After seeing the handwriting on the wall, community hospital advocates banded together to form the tri-area authority that up to this time has spent hundreds of

hours discussing and poring over plans. It was one of the first joint-community projects of its kind and bids to set a precedent in inter-community cooperation.

But what about the hospital?

## EXPECT OBSTACLES

"Obstacles to building the hospital are to be expected," said Dr. Oscar P. Rosebolt, chairman of the Livonia study group. "We are not the least bit discouraged."

Sub-committee members are now faced with choosing a course for a non-profit organization to be set up to receive joint funds.

"We don't know whether to appeal to sectarian or non-sectarian groups for capital outlay costs on the basis of present information," Marsden said.

He emphasized that the Authority wanted to refrain from "creating partisanship," or incurring the animosity of any group.

"Let me stress," he said, "that it is a community hospital project for the people, for the safekeeping of the Community's health and the progress of medicine."

## 5 YEARS AWAY

Conservative estimates place construction of the hospital at some five years from now.

Grant-in-aids that would underwrite about \$850,000 of the cost will not be allocated by the federal government again until sometime after July, 1954. That date figures as the end of the cur-

rent grant-in-aid laws. Republican administrators must now resurrect the law or pass additional appropriations to put grant-in-aid funds into the hands of the Authority.

Not only this, but J. R. Homminga, Office of Hospital Survey and Construction at Lansing, a state bureau, earlier said that "Western Wayne county is not even listed by the health department as a priority area for hospital construction."

## 43,000 POPULATION

He admitted that the tri-area here containing a population of over 43,000 was more than over due for a hospital on the basis of population alone. He said that a 100-bed hospital was designed to serve 35,000 persons.

But Homminga indicated that there were lobby pressure groups in the State capitol always seeking precedence for their "pet" hospital projects. The authority here is not represented in Lansing.

Dr. Rosebolt called the need for a tri-area hospital "urgent." He said that one industrial group in Livonia alone "was predicting its services on the basis of a population of 100,000."

To offset population increases, the Authority plans to call for architectural planning that would permit the hospital to be enlarged at a cost of \$6,000 a bed. Com-

## Rites Held Friday for Aged Villager

Rev. Douglas Couch of the Salem Federated Church, conducted funeral services for Miss Edna Merritt Friday, from the Casterline Funeral Home.

Miss Merritt died at the Oakland County Home, Northville. She was born Oct. 29, 1869 in Lyons Township to the late James and Lena Merritt and had lived in Northville and its environs all her life.

Surviving are a brother, Clyde, and a sister, Miss Pauline Merritt, of the family home at 51860 Eight Mile Rd.

Burial was made in Rural Hill Cemetery.

pletely equipped the 100-bed installation would cost an estimated \$20,000 per bed.

The three-man sub-committee, backed by their respective Chamber of Commerce groups and merchants commission are Dr. Oscar P. Rosebolt, Livonia Chamber of Commerce; Clifton D. Hill, Northville Retail Merchants Commission; and Robert Marsden, Plymouth Chamber of Commerce.

## ARE YOU PROTECTED?

### ONE IN EVERY THREE FAMILIES FACES A HOSPITAL BILL WITHIN THE YEAR!

SICKNESS AND ACCIDENTS are never welcome visitors. Recovery is often a slow process. In many cases, recovery from expenses due to hospitalization and medical care is even slower!

### Hospital costs are up!

Modern medical science is making tremendous strides in easing pain and speeding recovery. Many wonderful drugs and medical techniques have been introduced in just the last few years.

But, new drugs and new techniques are expensive. Inflation, too, has pushed hospital costs up. In the last 10 years, these costs have almost tripled. That's why Blue Cross - Blue Shield protection is more important than ever before!

In the 14 years since Michigan hospitals and doctors started these non-profit plans, Michigan Blue Cross-Blue Shield have paid out over 280 million dollars—in subscriber benefits. With over 2 1/2-million members Blue Cross - Blue Shield is Michigan's most widely used health-care protection.

### Blue Cross covers hospital bills!

Blue Cross Comprehensive-Group Hospital Plan covers a wide range of hospital services, for up to 120 days, at any one of over 95% of the general hospitals in Michigan (excepting Government hospitals).

### Blue Shield covers doctor bills!

Blue Shield Medical-Surgical Plan pays generous amounts to your doctor for over 480 listed medical-surgical procedures. It pays toward your doctor's hospital visits in non-surgical cases.

### Protection without problems!

There's no red tape with Blue Cross - Blue Shield. Simply show your identification card to your doctor and hospital admitting clerk. Benefits are taken care of automatically!

### How to get Blue Cross - Blue Shield:

## Police Collect \$899 in January Fines

Police Chief Joseph Denton reported that \$899 in fines had been collected during January in his monthly report to the Village Commission Monday night.

Police answered a total of 97 calls during the month and investigated ten accidents. The de-

partment listed 80 traffic violations and issued 75 summons.

No cases of grand larceny were reported, but there were three cases of petty larceny. The report listed one case of breaking and entering and three prowler calls. There was one juvenile case and one vandalism case.

One person was reported missing and one recovered. No autos were stolen during the month, but two bicycle thefts were reported, and one bicycle recovered. Chief Denton's report listed 14 arrests and a like number of court cases. Two dogs were destroyed at the village pound, and two were claimed by new owners. Police found two windows open and unscreened and 13 doors unlocked. The department sent out 11 teletype messages during the month.

## 750 Homemakers Help Kroger Co. in Selection of Stock for Stores

A group of 750 "average" homemakers has the last word on what will be sold in the Kroger Co.'s 1900 retail food stores, how it will taste, and even how it will be packaged. The story of this unique group, called the Homemakers Reference Committee, is told in a recent issue of Nation's Business magazine.

The committee, scattered throughout Kroger's 19-state territory, works closely with the Kroger Food Foundation, the company's quality control and research laboratory. For the past 20 years or so, the article says, Kroger's management has been consulting the Homemakers Reference Committee as a sort of final authority before it puts a new product into its stores. Each of the 750 women is a homemaker—although some are newlyweds and others are grandmothers.

What sort of problems does the committee solve? Well, they told the firm how to package mints, picked a new flavor for their canned pork and beans, and tipped off management that they liked recipes on labels. In many cases they have actually saved the company money.

A typical example is the case of the new strawberry flavoring for pop. Food Foundation scientists and Kroger merchandisers became excited over a new strawberry flavoring that reached the

market. Good? You couldn't tell it from the real stuff. But Kroger wisely decided to try out the flavoring first on its 750 homemakers. They voted 2-1 for the old imitation flavor, and the company turned down the new product. Two other food companies went ahead and marketed the new soda pop and found out—the hard way—that it didn't sell. Kroger was out only the price of the committee test; the other companies had a failing product on their shelves and learned a painful and costly lesson.

In the 20 years of its existence, the committee has been consulted 135 times, or about eight times a year on new products, packaging, labeling, or anything to do with manufacturing, merchandising and consumer acceptance of food. "The Homemakers Reference Committee saves and makes money for us," says George F. Garatz, director of the Food Foundation. "And it is a principal reason why our customers eat better. I can't think of a happier combination."

For Kroger, 750 women never have been wrong.

## Race Tracks Give \$250,000 to New 4-H Foundation

Four race tracks in the Detroit area gave a check for \$250,000 to Michigan 4-H Club officials as the first of ten contributions to be made in the next decade to build a fund of \$2,000,000 for the new 4-H Foundation.

The Northville Racing Association and Wolverine Harness Raceway gave \$25,000 each, and the Michigan Racing Association and Hazel Park Racing Association gave \$100,000 each.

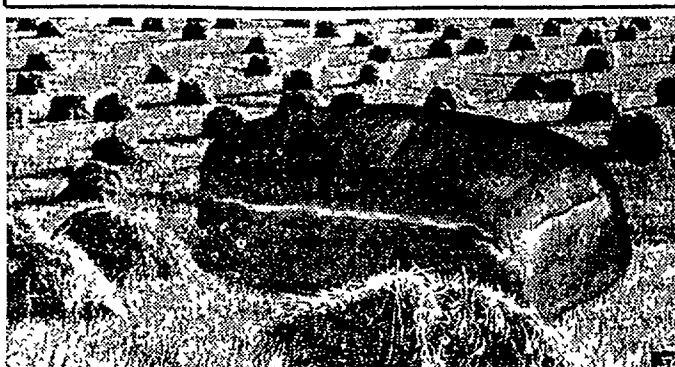

The check was presented formally by Deputy Racing Commissioner William A. Johnson to George A. Haggarty, president of the year-old foundation.

Haggarty said a major use of the funds will be to build an activities building in the northern part of Lower Michigan, to establish an exchange program between city and rural youths, and to set up a 4-H program in large cities.

## "Bread Is Life" By LOUIS BROMFIELD

Bread is the staff of man's existence.

Bread is wheat and wheat is earth, the good earth, the good black earth out of which comes man's food, his health, his vigor, his long life.

Out of the earth comes first a single green leaf, springing from the bursting sprouted seed that is the symbol of resurrection in all faiths and religions since the spirits of thought and faith were raised in man.

In that sprouting seed and tiny sword-like leaf lies the whole meaning of life.

Wheat and bread are a part of that cycle which is the law of the universe, the law by which we are born, live and die, the law by which we are here on this earth, the law by which we leave our children behind us... the great, eternal and beautiful law of birth, growth, death, decay and rebirth.

Of all of this the grain of wheat is the symbol.

Throughout history the bread by which we live has been a symbol. In ancient faiths bread has been a god and in many parts of the earth where life is hard and soil infertile, bread today is still a god.

Bread has made empires and the death of bread has caused famines and revolution and the decline and fall of great nations.

In many countries bread is the king of the table and all else that comes upon the table is merely the court that surrounds the king.

The courtiers are the soup, the meat, the vegetables, the salad... but Bread is King.

If there is bread, all else falls into place... but Bread is the King and the Foundation.

Serving the Bread King since the beginning of time have been the Miller and the Baker.

The story of Bread is the story of civilization itself.

Bread began when the half-savage animals that were primitive man stopped roaming the wilderness, suited one day and starving the next, his shelter only the lonely, windy cave or a hut of dying branches.

With the coming of bread, man could know that he would eat because his food did not depend upon the vagaries of the chase.

No longer does the rough millstone grind the flour.

In its place are great wheels and shafts driven by the power of the forces which the ancients feared and worshipped without understanding.

And the baker's shop is no longer a small dark cave in the narrow street bustling with people but a vast, airy, white palace in which the ground wheat is turned into bread.

And after ten thousand, fifty thousand years, bread is still King. He graces the tables of the rich and the poor alike for man with his skills and power has made the Bread King a part of the life of even the poorest citizen as well as a delicacy on the table of the gourmet.

Bread is the staff of Man's existence.

Bread is still King and will always be.

Bread is Life.

**CHRISTIAN SCIENCE**  
The understanding of Spirit is important to every one who worships God. How to worship Him "in spirit and in truth" is brought out in the Lesson-Sermon entitled "Spirit" to be read in all Christian Science churches on Sunday, Feb. 8.  
The Golden Text is from John (4:24): "God is a Spirit: and they that worship him must worship him in spirit and in truth."  
Among the Bible citations is this passage, (1 John 4:3): "Hereby know we that we dwell in him, and he in us, because he hath given us his Spirit."  
Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, include: "There is nothing in Spirit out of which matter could be made..." (P. 335)

## Sechlin's Home After Jan. 10 Rites

Following a honeymoon at Niagara Falls, N. Y., Mr. and Mrs. David Sechlin are at home in their apartment at 9801 McClumpha Rd., Plymouth.

Mrs. Sechlin, who was Jacqueline Margaret Phalen, before her marriage on Jan. 10, is the daughter of Mr. and Mrs. William Phalen of Plymouth. David's parents are Mr. and Mrs. Elton Sechlin of Northville Rd., Plymouth, formerly of Northville.

Vows were repeated before the

Rev. M. I. Johnson in the First Methodist Church of Plymouth in a candlelight ceremony.

The bride's voluminous skirt of candlelight satin swept into a court train and the fitted bodice was of all over rose point lace with tiny self-covered buttons accentuating the back and sleeves.

A veil of French illusion was secured by a satin Juliet cap overlaid with seed pearls and lace. She carried a white Bible with white roses, stephanotis and lily of the valley caught in white satin streamers.

Wearing identical gowns in shades of blue, her attendants were Arlene Dowling, Dixie Lanphear, Doranne Wilton and Judy Sechlin, sister of the bridegroom. Flower girl was Ann Reardon, cousin of the bride.

Keith Branch was best man, and ushering were Hugh Niven, William Phalen, Jr. and James Wagenschutz.

## Mrs. Ely's Guests Attend Fashion Show

Six Northville ladies were the guests of Mrs. Charles Ely of West St. at a luncheon in Detroit Tuesday.

In the afternoon, the group attended the Free Press fashion show held in the Music Hall.

## Clair Brown Given Yeoman's Rating

Word has been received by his parents-in-law, Mr. and Mrs. Joe Litsenberger, that Yeoman Clair A. Brown, USNR, graduated Jan. 23 from Yeoman's school and has been assigned for permanent duty at the receiving station of the Naval Operating station in Norfolk, Va.

Clair, who enlisted in the Naval Air Corps Reserve July, 1952, took his basic training at Great Lakes, Ill. His present duties involve record keeping and similar office work.

Clair and Mrs. Brown, the former Nancy Litsenberger, make their home in Norfolk, near the base.

Mr. and Mrs. George J. Brown of Beck Rd. are Clair's parents.

## Mrs. Merriam to Lead Discussion on Garden Problems Monday

Garden problems have been slated for discussion at the next meeting of the Northville branch of the Woman's National Farm and Garden Association planned for Monday, Feb. 9 at 1 o'clock.

Mrs. R. D. Merriam will be hostess for the session at her home at 18910 Beck Rd.

A Valentine party with an exchange of Valentines will highlight the afternoon's social activities.

## Friends Give Shower for Dolly Porritt

With a Valentine's Day wedding approaching, Dolly Porritt is being showered with all the things a bride-to-be could want.

Mrs. Alfred Porritt, Jr. and Jane Putnam have already co-hosted a personal shower in her honor and last Saturday evening, Loretta Vickery entertained 18 friends and relatives at a miscellaneous shower at her home in Walled Lake.

Dolly, the daughter of Mr. and Mrs. Alfred C. Porritt of Plymouth Ave., will be married to John Lorang, son of Mr. and Mrs. John Lorang, Sr. of Walled Lake, on Feb. 14 in Our Lady of Victory Church.

## Rakestraw-Miller Engagement Told

Lila Rakestraw and Richard E. Miller of Milford are planning to be married sometime in July.

The pair's engagement was announced by the bride-elect's parents.

Lila Rakestraw

ents, Mr. and Mrs. Lyle Rakestraw of West Eight Mile Rd.

Lila is a graduate of Northville High School with the class of 1949 and Dick graduated from Hartland High School in 1948.

Both young people are attending the Michigan State Normal College, where Lila is a member of Alpha Sigma Tau. Dick's fraternity is Phi Delta Pi.

## Driver Training Class to Organize

An organizational meeting of a new Adult Driver Training class will be held in Room 1 of the High School Monday, Feb. 9, at 8 p.m., according to Harry B. Smith, class instructor.

Tuition for the course will be \$12 for ten lessons. The class is sponsored by the Board of Education. Anyone interested is urged to attend the meeting.

## White Shrine Plans Coming Dates

Mrs. Ida B. Cooke, Worthy High Priestess of the Pilgrim White Shrine of Jerusalem, Plymouth, has announced that Monday, Feb. 16 has been scheduled as a stated meeting of the organization to be held in the Plymouth Masonic Temple.

Advance meeting dates have been set for March 2, ceremonial; March 16, stated meeting and March 30, special ceremonial.

## Methodist to Hold Annual Fish Fry

Tomorrow, Feb. 6, is the day set for the annual Fish Fry to be held at the Methodist Church House. Serving of the dinner will begin at 5:00 p.m. and continue until 7:00 p.m. The event has been planned and sponsored by the Adult Fellowship group of the Methodist Church.

Tickets may be purchased in advance at the Depositors State Bank, Stone's Gamble Store and the D & C Store, or may be obtained at the door.

## Mrs. Page to Head Minute Women

Mrs. Joseph Page, Jr. was elected chairman of the Northville Minute Women at a meeting held last Tuesday evening in the Village library.

Past chairman, Mrs. Herbert Frogner and cochairman, Mrs. N. W. Hopkins presided at the session which concluded with a unanimous decision to continue the organization under the name of Northville Minute Women. The members formulated plans to organize the group as an independent local chapter of the national organization.

A definite program of the club will be determined at a future meeting.

## Lees to Attend Albion Concert

Mr. and Mrs. Leslie G. Lee have been invited to attend a farewell concert at Albion College Sunday, Feb. 8 given in honor of retiring Professor L. U. Rowland, head of the conservatory of music. The concert will consist entirely of the professor's own instrumental and vocal compositions.

Professor Rowland has been on the faculty for the past 26 years and became head of the department of music during the years that Mr. Lee was a student at Albion. A reception in Baldwin Hall will follow the program.

## Parents Announce Gow-Walker Troth

Mr. and Mrs. Alfred Gow, Sr. of Novi, announce the engagement of their daughter, Joan Elizabeth, to Arthur M. Walker, son of Mr. and Mrs. James Walker, of South Lyon.

No date for the wedding has been set.

Joan graduated from Northville High School in 1951 and is presently employed by the Burroughs Adding Machine Company.

Her fiancé received his education in South Lyon schools.

## FOAMING ABILITY

A little-known quality of licorice is the ability of liquid in which it has been processed to foam. Much of the foaming material in fire extinguishers is made from licorice by-products.

## Choir Concert Planned for Feb. 11

Director Leslie G. Lee has set next Wednesday evening, Feb. 11 for the presentation of the annual Winter Concert by the Northville High School choir and glee clubs. The 8:00 o'clock performance will be given in the high school gymnasium with Marlene Weiss accompanying the group.

The mixed choir will open the program with songs of a religious nature. "Bless the Lord, O My Soul" will be followed by the "Cherubim Song" (No. 7) and "Hear My Prayer".

The boys glee club plans to present "Serenade" from "The Student Prince"; South Pacific's popular, "Some Enchanted Evening" and the familiar spiritual, "Dry Bones".

To conclude the first half of the program, the choir will return to sing the "Danish Dance Song", "Under the Southern Sky" and "Ah, Meadow, Meadow, Fair and Wide".

Following a brief intermission when a free will offering will be taken, the girls' glee club will sing "The Cherubim Song"; the spiritual, "A-Rockin' All Night", and "On the Bridge", a Czechoslovakian folk song. Favorites of the spirituals, "Deep River" and "Listen to the Lambs" are the choir's closing numbers.

Mr. Lee, who has directed Northville High School concerts for the past twenty-one years, extends a cordial welcome to all alumni of the choral groups to join the choir in the traditional closing rendition of "Emittet Spirituum Tuum".

## Lack of Postage Bogs Candle Drive

The "Candles Drive" for infantrymen in Korea ground to a faltering halt this week at the midway point.

About one hundred and seventy pounds of candles have been collected, most of them donated by grade school children, but the question now is whether or not the candles will get beyond the collection point, which is Veterans Memorial Hall.

NO POSTAGE

The difficulty now is that there isn't enough money for postage to get the candles to Korea, where they were to be used for lighting bunkers of soldiers at night.

The cheapest way of mailing them, according to American Legion commander Conrad Springer, is by parcel post, but the cost will be about nine dollars for seventy pounds, which means a total of about \$22.

Parker Holden, of West Main St., donated \$5 to the original drive, and another \$2.90 was given, but the \$7.90 total is a long way from the amount needed.

Mr. Springer said the balance would be very welcome, if anyone feels the urge to donate to get the candles on their way.

## EXTRA FLAVOR

Having meat balls? In place of water for cooking use a combination of bouillon and tomato juice and the meat will have extra flavor and color.

## DELIGHTFUL NOTE

Lime juice on fruit salads adds a delightful flavor note to the salads. If desired, add some amount of lime juice to the dressing.

# News Around Northville

Mrs. Mable Crandall of Detroit will be hostess to the Winona Club Friday evening, Feb. 6.

The N. E. Allison family of First St. were Sunday dinner guests of their cousins, Mr. and Mrs. Fred Bockhouse, of Wyandotte.

Charles (Clancey) Ely, who is studying at Ferris Institute, Big Rapids, spent the week end with his parents, Mr. and Mrs. Charles Ely of West St.

Mrs. Henry Grimshaw, Mrs. Charles H. Walker and Mrs. Mable Walker Miller plan to leave the first of the week for Chicago where they will board the Panama for New Orleans, La. to take in some of the Mardi Gras festivities. They will be guests at the Roosevelt Hotel.

Mrs. N. E. Allison of First St. arrived home last week from a visit with her mother, Mrs. Ann Whitaker, in Hartford City, Ind.

Mrs. Walter Cousé reviewed Edna Ferber's "The Giant" at the meeting of the Tuesday Book Club. Mrs. T. D. Kampf was hostess to the group at her home on Haggerty Rd.

Mrs. Del W. Hahn has been working with her committee on the annual benefit card party of the council of the Northville Girl Scout Association planned for February 19 at the VFW hall.

Mrs. E. J. Willis, entertained six guests for dinner at the Hotel Shelton, Jan. 31. Later the group attended the open house given at "Bosco House", a recreational center for young people which is one of her many interests.

The Orson Atchinsons are planning to entertain at a family dinner Sunday at their home on Orchard Dr. Guests invited are Mr. and Mrs. Harry Atchinson, of Northville; Mr. and Mrs. Tom Butler and daughter, of Detroit; Mr. and Mrs. Norman Atchinson, and the hostess' father, Mr. Arthur Huston, of Plymouth.

Sylvia Hollis is spending a between semester vacation with her mother, Mrs. Herbert Hollis, of Beal Ave. She will return to the University of Michigan Friday where she is in nurses' training.

Prior to their departure Monday for California where they plan to make their home, Mr. and Mrs. Harry Rogers and family of Ypsilanti visited with Mrs. Rogers' parents, the Charles Conklins, of West Main St.

Mrs. Cecil K. Fry of Milford, formerly of Northville, was called Sunday to West Palm Beach, Fla. by the serious illness of her mother, Mrs. Roy Matson, who passed away Tuesday, Jan. 27.

Michael Allen is the name of the new son born Jan. 24 to Mr. and Mrs. Paul Beard of East Eight Mile Rd. Young Michael, who weighed seven pounds, seven ounces was born at Mt. Carmel Hospital. The Beards have three other children, Katie, aged 5; Eddie, 8, and Nancy, 10.

The Mother's Club will meet for a business session Monday, Feb. 9 at the home of Mrs. Alfred Parmenter, 727 Thayer Blvd. Mrs. W. G. Williams and Mrs. Edwin Langtry will assist as co-hostesses.

## THE LICENSE DILEMMA

The coffers of the State treasury are said to be in dire need of a bit of bolstering, and the Michigan legislature doesn't know which way to turn to raise the needed funds. Believing that every little bit helps, we're surprised they haven't investigated the possibility of (1) raising the cost of fishing and hunting licenses, and (2) demanding a license for fishing on the Great Lakes. It's possible to raise nearly two million dollars of added revenue through such channels.

## License Sales Insufficient

Some folks are under the impression that the Conservation Department is supported by license sales—a belief that's far from true. A good deal of money is appropriated by the legislature from the State's general fund each year—a general fund which is the accumulation of various taxes, of course. Most sportsmen would like to see a larger percentage of the cost of operating the Conservation Department borne by revenue from license sales. And surely most sportsmen would raise no great objection to paying \$2.00 for the privilege of fishing in any one of our 11,000 inland lakes for a full year. Today's price of \$1.50 for the license is absurdly low—and at \$2.00 we'd still have the biggest bargain in outdoor fun ever offered under the sun!

**FLASH!** "Michigan Outdoors" will soon become a full half-hour show on television... watch for the announcement of a new, more exciting than ever "Michigan Outdoors" with Mort Neff!

## The Great Lakes Question

An estimated 250,000 fishermen toss their lure into the Great Lakes bordering Michigan, and no license is required. If you lived in Ontario just across Lake St. Clair or Lake Huron you'd pay \$6.50. Surely legislation could be passed to require a \$2.00 license for the privilege here. Oddly enough resort owners along the Great Lakes grow violent when the idea is suggested, yet we fail to see how a vacationist could resent having to purchase a license. If he travels at all he knows that at \$2.00 he's still paying less than the national average cost of a fishing license—and in Michigan he's getting a lot more!

## Lucky Non-Resident

Visitors from other states pay only \$3.00 for a non-resident angling privilege—a figure that's way below the national mean. Some States charge \$25 for similar permits—and they don't offer as much. Surely this fee could be raised to \$5.00 in Michigan.

The same analysis reveals that hunting fees could be raised slightly without fear of putting a crimp in any sportsman's pocketbook—and from the combined results the hard-pressed state treasury would be a couple of million bucks better off annually. Michigan Outdoors is a big box-office attraction. Its management should be at least self-supporting, don't you agree?

Mesdames George Alexander, Jack Reynolds and Orson Atchinson met for a luncheon date in Detroit Wednesday and attended a matinee performance of "The Country Girl" at the Cass.

Mr. and Mrs. Keith Simons of Eaton Dr. are the proud parents of a nine pound, twelve ounce son, Jeffrey Ralph, born Saturday, Jan. 31 at Mt. Carmel Hospital. Jeffrey's mother is the former Lois Taft. He will be joined at home by his thirteen-month old brother, Mark.

Friends of Horace Dickerson of Neeson St. will be pleased to learn that his condition is somewhat improved and he is convalescing satisfactorily at the Atchison Memorial Hospital. However, Mr. Dickerson is as yet unable to receive visitors.

Mrs. L. M. Eaton returned Sunday from a two weeks' stay in Miami, Fla., where she was called due to the death of her brother. While in Florida, she spent a week with her son, Frank, and his wife and family in West Palm Beach.

The Get-Together Club met on Jan. 17 at the home of Mr. and Mrs. Howard Bowring on Bradner Rd. with fourteen members present. Mrs. Archie Herrick will entertain the club on Saturday at the home of her daughter, Mrs. Howard Hunt, in Plymouth.

Week end house guests of the H. G. Richardsons of West Main St. were Mrs. Richardson's sister and family, Mr. and Mrs. Harry Ake and daughter, Joyce Ann, of Ft. Wayne, Ind.

Kathy Jean is the name Mr. and Mrs. Roger McClain of West Nine Mile Rd. have chosen for their new seven weeks' old daughter.

Sunday dinner guests of Mr. and Mrs. Frank M. McCormick of Maxwell Rd. were Miss Lola Slenker of Hartford, Mich., Mr. and Mrs. Merle Leach, Mrs. Leath Rushmore of Detroit, Mr. and Mrs. Fred Palmer and children of Dearborn, Mr. and Mrs. W. Earl Taylor and children and Mr. and Mrs. Fred Kidman of Northville. It was a triple celebration honoring the birthdays of Miss Slenker, Mrs. Rushmore and Mrs. McCormick.

Mr. and Mrs. Arthur Estep of Hutton Ave. spent the week end at Houghton Lake. Accompanying them were the Kenneth Moshers of South Lyon.

Mr. and Mrs. Richard Krafve of Reservoir Rd. left Tuesday for a month's vacation trip to Honolulu, Hawaii aboard the S.S. Lurline.

Mrs. E. J. Willis, director of Southwestern Deamery of the National Council of Catholic Women, announces that the quarterly board meeting will be held on Saturday, Feb. 28 at 5 p.m. with Mrs. Helen Monaghan of Clinton. On Sunday, March 1, the regular quarterly meeting will take place at 2:30 p.m. at the Siena Heights College, Adrian.

Mr. and Mrs. Raymond Newhouse of Livonia invited a few friends and relatives in Thursday evening to help celebrate the first birthday of their son, Raymond Eugene, III.

Congratulations to Mr. and Mrs. Raymond Newhouse of Livonia on their seventh wedding anniversary Feb. 9. Mrs. Newhouse, the former Bernice Sporkowski, is a teller at the Depositors State Bank.

Sunday dinner guests of Mr. and Mrs. Ambrose Fritz of North Center St. were their son, Lawrence, and family, of Dearborn, and their daughter and her family, the Richard Childers of Wayne.

For the third consecutive semester, Cadet Richard M. Gussell has been re-designated to two honor societies at Kemper Military School, Booneville, Mo. Recognition was made for military and general scholastic ability. Twelve cadets were received into the honor groups out of a class of 400 boys. Dick is the son of Mr. and Mrs. M. C. Gussell of West Main St.

Pvt. Frederick W. and John M. Hopkins, twin sons of Mr. and Mrs. N. W. Hopkins of Lakeside Dr., Plymouth Township, are home on furlough following completion of their basic training with the 5th Armored Division at Camp Chafee, Ark. At the end of his furlough, Frederick reports to Fort Riley, Kans., where he will enter Photo Interpretation School, and John to Fort Holabird, Md., for training in the Counter Intelligence Corps.

The OLV Altar Society will meet in the church house Wednesday, Feb. 12 at 12:30 p.m. for a cooperative luncheon to be followed by a business meeting.

A concert of the Air Force Band of Selfridge Field will be presented at an assembly Friday morning at the Northville High School. Following the program, the band will work with the high school band in a practice clinic.

The average age of a passenger car today is 7.8 years compared with 5.5 years in 1941.

## Vernon Westover in Naval Center Band

Vernon Fritz Westover, son of Mr. and Mrs. Jay Westover, of West Seven Mile Rd., is a member of the Recruit Training Command Drum and Bugle Corps of the U. S. Naval Training Center, San Diego, Calif.

The unit is composed entirely of volunteers from the recruits at San Diego. It performs at all recruit parades and reviews held at the Training Center and also makes occasional trips to nearby communities to take part in parades and other civic events.

He will graduate from U.S.N.T.C. in March, but has a full-time yeoman's job in the Corps at the present time.

## Text of New Trailer Ordinance

## Ordinance No. 129 Trailer Ordinance

An ordinance to promote the public health and welfare by defining automobile trailers, regulating their use, and providing penalties for the violation of such ordinances.

The Village of Northville ordains:

## Section 1. DEFINITIONS

(a) An "automobile trailer" shall be any vehicle being used as sleeping or living quarters and capable of being propelled either by its own power or by any other power-driven vehicle to which it may be attached.

(b) A "lot" shall be a piece or parcel of land occupied or to be occupied by a building, structure or use, and its accessory building, structure or use. In the case of vacant land, a "lot" shall be a lot existing of record.

(c) The word "person" may be a corporation, a co-partnership, a firm or association, as well as a natural person.

## Section 2. AUTOMOBILE TRAILER RESTRICTIONS

(a) It shall be unlawful for any owner, tenant, or lessee of a lot in the Village of Northville to maintain or permit more than one automobile trailer on said lot; provided, however, that any owner, tenant, or lessee of a lot in the Village of Northville may maintain and permit two automobile trailers on his lot if said owner, tenant, or lessee owns or leases a building on said lot or on a neighboring lot in which there are two complete sets of "minimum sanitation facilities," as herein after defined. An automobile trailer may remain in the Village of Northville only in compliance with the provisions of this ordinance.

(b) No automobile trailer shall be maintained or permitted to remain nearer than twenty-five (25) feet to the street lines, as established by the Assessor's Northville Plat Maps, recorded in Liber 66, pages 40 through 45, and pages 47 and 48 of Plats, Wayne County Records, but in no event shall any automobile trailer be maintained or permitted to remain closer to a street line than the front line of the closest building, structure, or accessory building or structure to that street line, exclusive of porches or projections. Each automobile trailer shall be parked or located so that it is at least five (5) feet distant from each side lot line and three (3) feet distant from each building, structure, and accessory building or structure. When two automobile trailers are permitted on a lot, there shall be an open space of at least ten (10) feet between the sides of each trailer and at least three (3) feet between the ends of each trailer.

(c) No automobile trailer shall be permitted to remain in the Village of Northville except during such periods of each year as horse racing is authorized and licensed in the Village of Northville by the Michigan racing commissioner, and for ten (10) days preceding and ten (10) days following such racing periods.

(d) The owner, tenant, or lessee of each lot upon which an automobile trailer is permitted to remain must provide certain minimum sanitation facilities and at least one flyproof and water tight garbage container for the occupants of such automobile trailer. These sanitation facilities may be located in a building on a neighboring lot, if such building and lot are also owned or leased by the owner or lessee of the lot upon which the automobile trailer is parked. For purposes of this ordinance, "minimum sanitation facilities" shall be construed to mean an adequate supply of pure drinking water, hot and cold running water, lavatory, shower or tub and stool.

(e) It shall be unlawful for any owner, tenant, or lessee of any premises in the Village of Northville to maintain or permit the maintenance thereon of any trailer or other vehicle, which is used or which is to be used or operated for profit as a medical, dental, or chemical laboratory or for the display or sale of merchandise thereon, or to use or permit the use of any trailer or other vehicle on any premises for religious, educational, restaurant, commissary, shop, storage, office, or for any commercial purpose; provided, however, that the provisions of this subsection shall not apply to any trailer or other vehicle owned or operated by any government or agency thereof in the public interest.

(f) It shall be unlawful for any person to park or locate any automobile trailer overnight on any public highway, street, alley or other public place.

(g) It may be lawful to park or locate one or more automobile trailers for commercial use or as living quarters, upon any lot or parcel of land not less than fifteen (15) acres, when such auto-

mobile trailers shall be incidental to the conduct of a circus, carnival, horse show, or any similar activity on the same lot or parcel of land, and when toilet facilities are provided on the premises for the use of occupants of such automobile trailers.

(h) No owner or person in charge of any automobile trailer shall remove the wheels or tires thereof, or cause or permit the same to be removed, except for the purpose of repair. It is the express intention of this ordinance to prohibit the use of automobile trailers as permanent dwellings within the Village of Northville and it shall be unlawful in any manner, attach an automobile trailer to the land or to use the same as permanent dwellings.

(i) No automobile trailer park or tourist cabin community is subject to this ordinance.

## Section 3. ISSUANCE OF PERMIT CARDS

The owner, tenant, or lessee of a lot in the Village of Northville shall make application at the office of the Village Clerk for a permit card, allowing him to maintain and permit an automobile trailer on his lot, within forty-eight (48) hours after any automobile trailer has been parked or located upon his lot. A permit card shall be issued allowing such owner, tenant, or lessee to maintain and permit such an automobile trailer to remain upon his lot, subject to the conditions of this ordinance, during any period that horse racing is authorized and licensed in the Village of Northville by the Michigan racing commissioner, and for ten (10) days preceding and ten (10) days following such racing period. A separate permit card is required for each and every period during any year that horse racing is authorized and licensed in the Village of Northville by the Michigan racing commissioner, and for ten (10) days preceding and ten (10) days following such racing periods. Each permit card

must be attached to the applicable automobile trailer in such a manner that the permit card is clearly visible from the exterior of said automobile trailer. Each application for a permit card shall contain the name of the owner, tenant, or lessee of the lot upon which the automobile trailer will be parked, the street number thereof, the written consent of the owner, tenant, or lessee of such lot to the use of the sanitation facilities required for it, and the names of the occupants of the automobile trailer. The fee for each permit card shall be Five Dollars (\$5.00).

## Section 4. PENALTIES

Any person who shall violate or fail to comply with any of the provisions of this ordinance shall be guilty of a misdemeanor, and upon conviction, shall be subject to a fine of not more than One Hundred (\$100.00) Dollars, or to be imprisoned in the village jail, the Detroit House of Correction, or the Wayne County Jail, for a period not to exceed ninety (90) days, or to both such fine and imprisonment, in the discretion of the court. Each day that such violation continues shall be deemed a separate offense.

## Section 5

## CONFLICTING ORDINANCES

Any ordinance or any part of any ordinance inconsistent herewith is hereby repealed.

## Section 6

## EFFECTIVE DATE

This ordinance shall take effect twenty-one (21) days from and after the date of its passage by the Village Commission of the Village of Northville.

Made and Passed by the Commission of the Village of Northville the 2nd day of February, A. D. 1953.

All across Michigan's snowy slopes these winter days, such scenes as this are being enacted with the winter sports season now in full swing. The conservation department operates ski runs and tows only in the Porcupines, but encourages such sport in other state parks. Private groups are in charge of operations at Highland recreation area and at Grayling, and other places in the state.

**Legislators in Lansing in Spin Over Problem of Raising Money for State**

By GENE ALLEMAN

This business of raising more money for the state has our lawmakers in a tizzy. Committee doors are locked while the boys talk it over and legislators skulk around making behind-the-hand conversations for all the world like the picture version of a spy-filled French cafe. It's even dangerous. A page boy got involved in a hare and hounds affair and narrowly escaped injury. Sen. George N. Higgins, formidable chairman of the senate finance committee, about to closet himself in a committee room with Sen. Carlton H. Morris (R-Kalamazoo) was so anxious to avoid a reporter who was dogging him, that he leaped into the room and slammed the door—smack on the innocent page boy who was just leaving the room. Higgins grunted, the page boy squealed, the reporter had his only laugh of the day. But the work is beginning to take shape. Out of the fog of diversionary issues and personal spats the shadow of three sources whereby the lawmakers can lay their hands on some quick cash is slowly taking shape. They are: 1. Renegade measures. 2. Citizens Tax Study commission recommendations. 3. Compromise measures. Under the classification of renegade measures is included such items as the proposal to take over the \$50,000,000 veterans trust fund; Sen. Charles S. Blondy's bill to claim \$2,000,000 in breakage from the race tracks. (With the parimutuels betting system anything less than a dollar is considered breakage and the winner is paid to the nearest dollar. State formerly got one-half of this. Sen. Blondy would take it all.) Others would be the proposed tax on mineral rights and the usual loophole-pluggers. Governor Williams' corporation profits tax also will come under this heading, since it isn't a part of any overall plan. Just what the recommendations of the Citizens Tax Study Commission will be is a highly guarded secret. The commission has been meeting for two years. It is composed of 53 men from representative walks of life, and, therefore, is torn with a bit of turmoil from within. Just recently the Michigan Municipal League, the Michigan Education Association and the League of Women Voters hauled their representatives out of the meetings on the grounds that the entire program is being dictated by industry. But Senator Higgins claims the commission does have a program and that bills carrying that program's recommendations all will be introduced by February 10. One of these bills is sure to in-

clude a tax on unincorporated business and partnerships.

And now for the compromise measures. It long has been recognized that both Democrats and Republicans are aware of the seriousness of the state's empty pockets. They will have to get together sooner or later. And so Gov. Williams has been meeting with tax and financial leaders of both chambers. They have met behind locked doors. Everyone is keeping tensely quiet. And so what progress they have made is not known. However, one Republican announced that he is getting leery of the whole business. "Williams won't commit himself," he growled. "We try to work something out and he wants to be a politician."

Williams has said that he hasn't pumped for his corporations tax—and that is all.

The \$35,000,000 advance payment on the corporation franchise duties will give the state a quick shot in the arm. But, what happens when the reckoning comes and the state has to give the corporations actual credit due for the money?

Unless, of course, by that time the franchise tariff has been increased and the state doesn't owe the money any more.

Now from all these sources the state surely can find enough wherewithal to stem the tide of red ink, at least temporarily. Currently the house of representatives has announced it won't act on any tax bills until the entire tax program of the senate is

known. That should be within the next two weeks.

Good many of these proposals will go by the boards. The Democrats still hold a couple of hole cards if they don't like any of the measures. The G.O.P. can't get a two-thirds majority in the house to give any bills immediate effect—and the tax bills aren't much use now if they don't get that treatment—and Gov. Williams still holds the veto hammer in the front office. But Republicans are confident—and don't forget, the legislature can do anything!

## Tread Lightly-Proud Foot!

That's a mighty proud foot you see there. It's resting on the accelerator of a gorgeous 1953 Cadillac.

But we have a serious and timely warning for that proud and happy foot: *Tread lightly!*

Down under that accelerator is a dynamic 210-horsepower engine—coupled with the smoothest, quickest-acting Hydra-Matic Drive in history.

That great power was put there for the driver's safety—and to provide that smooth, effortless, steady ride which is the essence of luxurious motoring.

It was not put there to enable a Cadillac to dominate the highway—or to dash into the lead when the traffic light turns green—or to out-manuever the other cars on the road.

So don't ever exhaust that accelerator—unless you're in an emergency, and must do so for reasons of safety.

If other drivers covet the honors at the stop light—just let them go. They are first away by your courtesy

—and that should be satisfaction enough for anybody.

Just be happy and satisfied with the great luxury this powerful engine brings you—the infinitely smooth performance... the quick "lift" that comes when you nudge the throttle... the great reserve for a burst ahead in case of necessity.

And be happy, as you can't help being, with the scores and scores of other wonderful things about this magnificent car—its easy, relaxing ride, for instance... its distinguished and inspiring beauty... its rich, luxurious interiors... its honored and respected name... and its truly amazing economy.

Yes—there is so much about a Cadillac to inspire and delight its owner that he doesn't need the additional thrill of unleashing its spectacular performance when it isn't necessary.

So that's why we're sure he'll "Tread lightly!" He isn't in competition with anyone.

## Proclamation

WHEREAS, Feb. 8, 1953 is the 43rd Anniversary of the founding of the Boy Scouts of America, chartered by the Congress of the United States, as a program for all the boys of America, and

WHEREAS, the Boy Scout Program has affected the lives of 20,200,000 American boys and men since 1910, and now has a national active enrollment of 3,250,000, and

WHEREAS, the Boy Scouts of America, a national force for right character and good citizenship, marks their 43rd Anniversary with a great National Jamboree in California this summer, and

WHEREAS, the local Council is now engaged in a "Friends of Scouting" Campaign, designed to extend its program to more

American boys of every race, color or creed,

NOW THEREFORE, I, C. E. Langfield, President of the Village of Northville, do hereby proclaim the period of Feb. 7th to 13th as "Boy Scout Week" and urge our citizens to express appreciation to the religious bodies, school and P.T.A.'s, veterans' associations, fraternal groups and service clubs which sponsor 1,195 Cub Packs, Scout Troops and Explorer Units of our Council with an all-high record membership of 57,656 Scouts and Leaders.

IN TESTIMONY WHEREAS, I have hereunto signed my name officially and caused the Seal of the Village of Northville to be affixed, this day of February, 1953.

(Signed) C. E. Langfield

## RABBI BESKINS SAYS—

I once heard the converted Rabbi Beskin, now Evangelist in the Free Methodist Church, say, "Those who take people into the church without being baptized are outlaws. Those who take people into their church without being saved are criminals." Perhaps the greatest blunder that churches are making these days is to invite into its membership the unsaved, unregenerated people of the world.

Many churches have become so hungry for members that they will take in anyone. They boast of a membership of hundreds, but a check will show only a pitiful small number attending. The Church has become, in some cases, just another worldly lodge, no better, no worse. You will not have to read your New Testament very far to see this is not the Lord's program. In Acts 15:14 we learn that God's program is to TAKE OUT from among the Gentiles a people for His name. The Church should be an exclusive society of believers and not an inclusive society of believers and unbelievers. It's not the water on the outside that sinks the ship, it's the water on the inside that sends it to the bottom. The reason why some churches never see anyone at the mourners' bench, nor see tears of repentance, nor warm showers of the Spirit's blessing is because of their "inclusive policies."

treasurer, against Bernard Kitson, incumbent.

He is a member of a Northville Masonic Lodge and of Novi Odd-fellows.

WILLIAM H. MacDERMAID, 32, has lived in Novi Township for 28 years, where he attended Novi Public School, and Walled Lake and Farmington High Schools.

He is a veteran of 43 months of service in World War II and attended the University of California while in service, completing 11 months of radio and radar training.

Mr. MacDermid is married and the father of two children.

He is a past commander of Novi Amvets Post 76 and is at present treasurer of the Novi School District and Civil Defense Police Chief for Novi Township.

He states that he wishes to emphasize "the importance of getting out the vote. America's foundation is not its many heralded freedoms but the individual ballot that continually insures these precious freedoms."

### FOR TRUSTEE

BERNARD KITSON has been treasurer of Novi Township for nine years after nine years as Justice of the Peace. He has lived in the township for 38 years and attended school in Lansing, Mich. He is 70 years old and has been manager of Wixom Cooperative Co. for 38 years.

He is the father of two married daughters and is a member of a Walled Lake Masonic Lodge.

JACK CRAWFORD, a native of

British Columbia, Canada, attended schools in Detroit and has lived almost thirteen years in Novi Township.

He has served a total of three and a half years on the Novi School District Board No. 8 and has been its treasurer for two years.

He has been in the lumber business most of his life and is now with the Smith-Orr Wholesale Lumber Co. in Dearborn. He was with Kelsey-Hayes Co. for two years during World War II and was in accounting with the Davis Tool and Engineering Co.

Mr. Crawford is married and the father of three sons, Hugh, 11; Jeff, 7; and Jack, 3. He is a Cubmaster, a past president of the Novi Board of Commerce and now on its Board of Directors, and is a member of a Northville Masonic Lodge.

Mr. Crawford states that he wants to do his best to represent everyone, and that the job of Trustee is one to be worked at, not regarded as part time.

CHARLES TRICKEY, JR., 30, has lived in Novi since 1928. He attended Novi Public School and was graduated from Farmington High School in 1940.

He participated in the landing on Okinawa with the United States Marine Corps and served in the occupation of Japan. He has four years of active duty and five years of active reserve duty.

The father of two children, Mr. Trickey has been a sales representative for the Grand Rapids Dry Goods for five years.

He organized the Perry Kenner Amvets Post 76, and is now State Senior Vice Commander of the organization.

Mr. Trickey states, "I have always taken a deep interest in the affairs of our own township and, if I'm elected to this office, I will endeavor to carry out the wishes of our people and well being of the people of Novi Township. be kept uppermost in my mind."

FRANK D. CLARK, of Whipple St., has been Supervisor of Novi Township for 17 years, and a resident of the Township for about forty years. He is in the insurance business in Novi. At the time of this writing, Mr. and Mrs. Clark were vacationing briefly in Florida, and not available for further comment.

### CARD OF THANKS

We wish to express our sincere thanks to our neighbors and friends for the many kindnesses extended to us during our recent bereavement. Especially do we thank the Casterline Funeral Home, the American Legion Post, the Veterans of Foreign Wars Post, Reverend Cora Pennell, Reverend Douglas Couch, Mrs. Douglas Couch and Mrs. Birkelbaw.
